HORNETS EXPLODE

The hitting Gatesville Hornets are back this season,

In the season opener, Friday night against Robinson, the Hornet offense pushed acorss five touchdowns and 36 points and held Robinson to two touchdowns and 16 points.

A crowd estimated at over 2,000 watched the Hornet offense rush and pass for 394 vards total offense averaging 6.3 yards per play.

The two teams scored on or following long gaining plays for each score. The Hornets got the scoring going after both teams exchanged punts and Rob-inson was forced to punt a second time. The short kick was fielded by Larry Smith at the Hornet 30 yard line and Smith surprised the Robinson

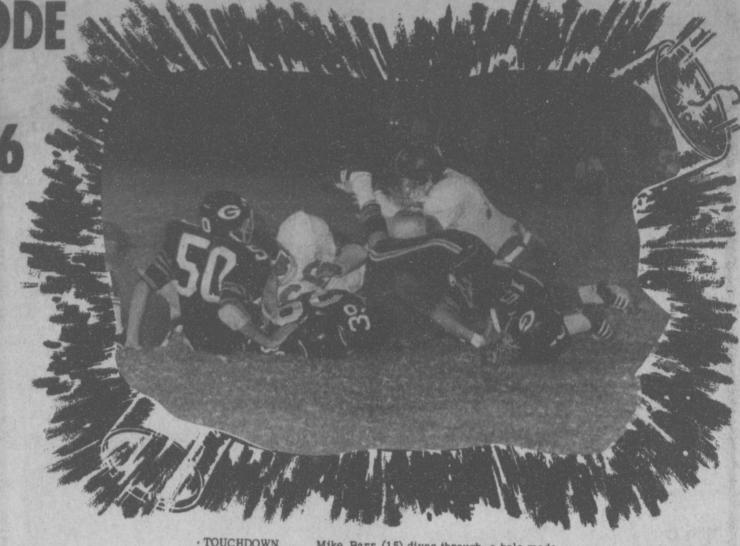

coverage and raced 70 vards for the score. The extra point pass failed and the Hornets lead 6 to 0 with six minutes, 30 seconds remaining in the first

The two teams battled back and forth until there was less than two minutes to play in the first quarter, the Hornets began a 66 yard drive from their 34 yard line,

Schoenewolf picked up nine yards to start the ball rolling then Palmer picked up a first down at the Robinson 47 yard line. Ronald Brown picked up 13 yards to the 34 yard line and then Mike Barr worked the triple option to perfection and pitched to Ronald Brown who raced 34 yards for the score. Mike Barr picked up the two point conversion,

Robinson bounced right back with a first half score with a picture perfect drive in the last minute of the half. The drive was climaxed on a beautiful pass for the score. Robinson passed for two points and nar-

POAGE AG COMMITTEE TO TOUR GATESVILLE AREA

riculture, resuming its grasswill leave here Wednesday, September 17, on a five-day field trip that will take the Congressmen to numberous points throughout Texas and Colorado.

Although the committee members will delve especially into operations of the livestock industry, dates were arranged to coincide with the visit of Secretary of Agriculture Clifford M. Hardin to Texas A & M University on Thursday, September 18 "listening conference" to hear southwestern regional farm leaders air their views on agricultural problems generally.

Some committee members previously indicating a desire to make the trip will be unable to do so as a result of last minute legislative resche-duling. The death and funeral services of Senate Minority Leader Everett Dirksen and the consequent delay of the House in taking a final vote on a proposed Constitutional amendment affecting Presidential elections prevented several of the members planning to make

With Committee Chairman W. R. (Bob) Poage, D-Texas, in charge, the trip will be the third of a series, the first given the Congressmen on-thescene observation of the cornhog industry in the Midwest, and the second taking them to wheat producing areas from Kansas to the Pacific North-

the trip from so doing.

Leaving Washington late in the day, the committee will fly to College Station, Texas, to spend the night, and after join-ing Secretary Hardinata morning session of the "listening conference," the group will go by bus to Hearne for lunch, seeing Brazos Bottoms cotton picking and ginning enroute.

A full schedule for the remainder of the day in Central Texas will include a look-in on a livestock auction at Cameron, and inspection of the Elm Creek Dairy and the JOE Glaser Farm at Buckholts, a visit to the REA offices in Rosebud, a view at Chilton of the First FHA-financed rural water supply system in the South, located in Golinda Eproute in Golinda, Enroute from Golinda to Temple to spend the night, they will stop for a bar-beque at the W. W. Callan

From Temple, the Commit-tee will continue on its tour by bus of Central Texas points, making an inspection of Fort Hood before going on to Gatesville, via Copperas Cove, for a luncheon meeting with sheep and goat raisers. In the afternoon they will inspect the Livestock Performance Testing

flood control dams on Cow roots study of farm problems Bayou, and after a stop in Waco will go on to Dallas to attend a dinner sponsored by farm industry groups.

Saturday's schedule will see committee members go from Dallas northward for a visit to the Renner Research Center and to the Cauble Ranch at Denton for a cutting horse demonstration. They then will proceed to Wichita Falls and shortly after noon will leave for Vernon, stopping enroute at the David Williams farm near Dundee and the Harwell farm near Seymour. After a visit to the famed Waggoner Ranch near Vernon they will return to Dallas to catch a plane to Den-

A firsthand view of Colorado's livestock operations will begin when the group leaves Denver, Sunday morning, September 21 for a bus trip over Berthoud Pass to Kremmling and a visit to the Fay Deberard ranch. In the afternoon they will visit the Hansen Ranch and then motor to Greeley to spend the night,

The last day of the trip will begin with visits to the Monfort and W. D. Farr feedlots, and observations of corn ensilage harvest. Leaving Greeley, the Congressmen will return to Denver for a luncheon meeting with the American Natiional Cattlemen's Association, After a tour of the Cattle Fax Computer facility in Denver they will leave on the return flight to Washington.

Senator J.P. Word To Be "Governor For A Day"

A busy schedule for his "Governor for a Day" celebration including several receptions, a band concert and a glitterning banquet was announced today by Senator J. P. Word of Mer-

At 9:30 a.m. the swearing in ceremony will be held in the Governor's Reception Room in the Capitol. A reception will be held in

the Governor's office from 10 to 12 p.m. during which time Word will greet visitors, make honorary appointments and issue proclamations. There will be a luncheon

with only the family present at the Governor's Mansion at noon. A reception will be held in the Governor office from 2 until 5 p.m. From 5 until 7 p.m. a band concert will be held on the

Capitol grounds featuring bands from throughout the 12th Senatorial District. Beginning at 7:30 p.m., a banquet at the Terrace Motor

Hotel Convention Center will honor Senator Word. Entertainment, presentation of Senator Word's family and remarks by Robert Calvert, Chief Justice of the Texas Sup-reme Court; Attorney General

Crawford Martin; and by Dr. Abner McCall, President of

Baylor University, will precede an address by Senator Word. Because everyone in the 12th Senatorial District is invited, no formal invitations were sent out. Dinner tickets are available through Judge Norman Storm who is County Coordinator for Coryell County.

Jonesboro Eagles

Jonesboro's Eagles opened the season Friday night with an encouraging 25 to 8 victory

Iredell took an early lead in the first quarter on a long pass and a extra point kick worth two points. The eight point lead for Iredell held up through the first half, but Jonesboro drove for six points in the second quarter, as Dale Sommerfeld ran ten yards for the score at half time, Iredell held a slim two point lead.

In the third quarter, Dale Sommerfeld hit Glen Stiffinger with a 25 yard pass on the go-ahead touchdown. Again the extra point effort failed leaving the score 12 to 8, Eagles. Late in the thi I period, Sommerfeld again went to the air. This time to Ray Martin fro

30 yards and six points, The extra point gave Jonesboro a 19 to 8 lead. The last scoring drive ended in a Sommerfeld to Martin pass for ten yards and the 25 to 8 victory

Coach Bill Dyer summed up the Eagle performance as en-couraging. Good help from rookies and freshmen helped in the victory against Iredell. Sommerfeld is a key performer in Dyers attack, but good help from Dean Patterson, a 210 pound freshman, and de-

fensive work by David Holden was also helpful The Eagles lost Gary Massingill for the season when he re-injured his knee which knocked him out of almost all of last season.. Massingill a top running back, is probably

out for the year. Defensively, Jimmy Murry turned in a good performance for the Eagles.

quick recovery electric water heater keeps you in hot water

(when you need it)

Colder weather ahead means colder water coming into your water heater. To heat this colder water, a modern electric water heater uses immersed heating elements. The water is heated directly ... no heat is wasted on the outside of the tank. Also, an electric water heater is compact, flameless and requires no flue . . . so it can be installed almost

anywhere. If your present water heater is too old or too small, see your dealer or contact our office about a modern electric water heater. Ask about our installation allowance.

Legislators closed out 44 days of special session conferences over taxes and finance. Texas' \$348.6 million tax bill, which takes effect October 1.

* An increase from 3 to 3.25 percent in the general sales tax rate and inclusion of beer and liquor in the tax base for the first time.

* A boost in the cigarette taxes from 11 cents to 15.5 cents a pack.

* Increase in corporation franchise tax from \$2.75 to \$3.25 per \$1,000. Change in corporation

franchise tax allocation formula to include out-of-state concerns which sell products in Texas (food and drugs exempt). * Raise in natural gas tax

from seven to 7.5 percent of * Levy of five cents a drink on alcoholic beverages sold in private clubs

A record \$5.8 billion biennial appropriations bill---\$313.8 million above the present general revenue spending level-would provide a \$205.6 million increase for education. \$58 million more for health, hospitals and youth corrections, \$62.2 million increase for medical aid to the needy and a 10.4 percent increase in state emloyee's pay.

When the major business of the session was over, legislature turned to other matters submitted by Gov. Preston Smith which included:

* Creation of 28 new district courts over the state. * Establishment of an antiquities code, setting state policies for historic and scientific explorations on state-owned

Removal of the statutory interest rate limits on state and local government bonds.

* A variety of "Clean Beach"

* Authority for creation of a non-profit corporation to provide deposit insurance for state banks and savings and loan associations in the \$15,000 to \$100,000 range.

LAWMAKERS RAISE ALLOWANCES

Before departing for the hinterlands, legislators voted themselves increases in their contingency funds,

House raised its allowance for each representative from \$450 to \$875 monthly during the interim between legislative sessions. Senators raised their expense maximum from \$1,000 to \$1,700 per month.

Legislators in both houses are paid a salary of only \$4,800 a year.

INSURANCE PROBE ENDS

Governor's committee studying a proposed 11.4 percent auto insurance rate increase recommended that the State Board of Insurance reduce insurance companies' expense allowance for acquisition of physical damage insurance from 25 percent to 22.5 percent of the premium dollar. This would scale down the proposed \$43 million overall

increase by about \$6.6 million. Committee found an increase in premiums "inevitable primarily because of the large increase in automobile accidents

and costs of repairs in 1968." Otherwise, said former Gov. Price Daniel, chairman of the nine-member committee, the increase is "conservative compared with rates in other states, lower than most states.'

Committee also recommended that investment income derived from auto insurance premiums and loss reserves be considered directly by the

Board in determining allowance for profits and contingencies, Governor Smith said he would make no statement on the report until he has studied it with his staff.

NEW COURTS CREATED

Total of 28 new courts will begin functioning over the state as soon as Governor Smith appoints judges to fill the benches. Twenty-seven were created in a package bill and another in a single-shot measure.

Big cities will get the bulk of the courts. Harris County alone will have six, Dallas, five, Bexar and Tarrant two One new court each will serve the counties of Nueces-Cameron-Willacy, Anderson-Henderson-Houston, Kerr-Bandera-Kendall - Menard-Concho-Kimble-McCulloch, Potter and Randall, Bell, Jefferson, Brazoria, Denton, Angelina, El Paso, Gregg and Hunt.

AG OPINIONS

A person whose driver's license has been suspended must furnish proof of a valid policy of auto liability insurance or other proof of financial responsibility to get an occupational license, Atty, Gen, Crawford Martin has held.

In other recent opinions, Martin concluded that:

* All dredging of bay bottoms requires a permit from the Texas Parks and Wildlife Department since they are owned by the state. Burden of proof of private ownership is on the claimant. No permit is required for land owned under fresh water.

* Banking Commissioner has no power to force national banks to stop accepting deposits on Saturdays or other days they elect not to close. He can permit state banks to accept deposits on days they designate to be closed for general banking purposes but they would lose some protection against liability by having available on-

ly limited banking services. * Texas Aeronautics Commission has jurisdiction to regulate for-hire air transportation (i. e. helicopters) wholly confined within the limits of any city or town. Agency also has power to seek injunctive relief

against violators of its orders. * Though the personal representative of an estate is not required to give security for costs, he is required to pay specified costs set out in law time of filing a proceeding in probate.

Office of the ex-officio member of the Texas Air Con-

trol Board has been abolished by the Texas Clean Air Act effective, September 1.
* Psycholigist licensing act

is not in violation of the constitution, but proposed terms of the new board members -- three years--are not in conformity with the constitution which prescribes six, four or two year

APPOINTMENTS

Governor Smith named Dr. Elmer Baum of Austin, state Democratic chairman, to a twoyear term on the State Banking Board, succeeding Robert

Strauss of Dallas. Smith named Field Scovell of Dallas to the Board of Regents of Texas Tech University, replacing Charles D. Mathews who moved to the State Insurance Board. Senate promptly confirmed the appointments.

Governor named to the Board of Regents of Texas State Technical Institute Harold Glen Tate of Austin, Francis Verle Wallace of Amarillo, Russel Brechenridge Watson Jr. of Tyler, Joe J. Garza of Harlingen, Henry Clyde Schulte of Teague, Richard Lanier Thomas of Dallas, John Henry Kultgen of Waco, John W. Nigliazzo of Hearne and James Yancey Price of

Richard S. Robertson has been named to the job of state classification officer. He succeeds Everett L. Anschutz who joined the state employees retirement system.

OCTOBER DRAFT QUOTA SET

Texas' October draft call is 1,461 reports Col. Morris Schwartz, state Selective Sevice This is 237 less

than September. National quota is 29,000 of which 27,000 will go to the Army and 1,400 to the Marine Corps. Called for State induction in August and July were 1,548 and 1,178. Total of 8,906 is scheduled to be forwarded for armed forces pre-induction physical and mental examinations next month in preparation for future calls.

SHORT SNORTS

Texas A & M's Texas Transportation Institute got a \$70,000 grant from the Governor's Office to make an air transportation study of Texas.

Lt. Gov. Ben Barnes will hire a fulltime staff of tax experts to guide the Senate. Sen. J. P. Word of Meridian will be governor for a

day, September 20, and will be succeeded on Sept. 22 as senate president pro tempore by Sen. Criss Cole of Houston, Texas cities levying local option sales tax will get an additional \$5 million a year (rough

estimate) from the new tax on beer and liquor. Citizens Bank and Trust of Iowa Park (Wichita First State Bank of Pottsboro seek charter from the State Banking Department.

Miss Sherri Lonnette Graham — Rev. Stanley Paul Edwards Exchange Vows

Miss Sheri Lonnette Graham and Rev. Stanley Paul Edwards exchanged wedding vows Sat-urday, Sept. 6, in a double ring ceremony performed by Rev. Robert J. Potts in the chapel of the First Baptist Church The bride is the daughter of Mr. and Mrs. William L. Graham of 624 Madison Avenue, Corsicana, and the bridegroom is the son of Mr. and Mrs. Stanley Edwards of 2214 Bridge Street, Gatesville.
Miss Orpa Mayo of Gatesville presented a program of wedding music and accompanied the soloist, Phil Groeshel of Granbury, who sang "Because" and "The Lord's Prayer". Focal point of the altar setting was a massive fan arrangement of white gladioli and French mums in a gold urn. On either side were seven-branched candelabra holding white candles. Spiral candle trees and greenery marked the trees and greenery marked the altar entrance to the white prie dieu where the couple knelt following the exchange of vows. Given in marriage by her father, the bride chose a formal length gown of white peau de soie. The softly molded bodice soie. The softly molded bodice featured a Victorian collar of Venise lace. Columns of the lace, studded with pearls, extended the length of the skirt and trimmed the cuffs of the long fitted sleeves. A lace covered Dior bow held her cloud veil and she carried a French bouquet of blue and French bouquet of blue and white flowers surrounding a The bride carried three handkerchiefs tucked in a white
