XI IOTA EPSILON SLATES STYLE SHOW

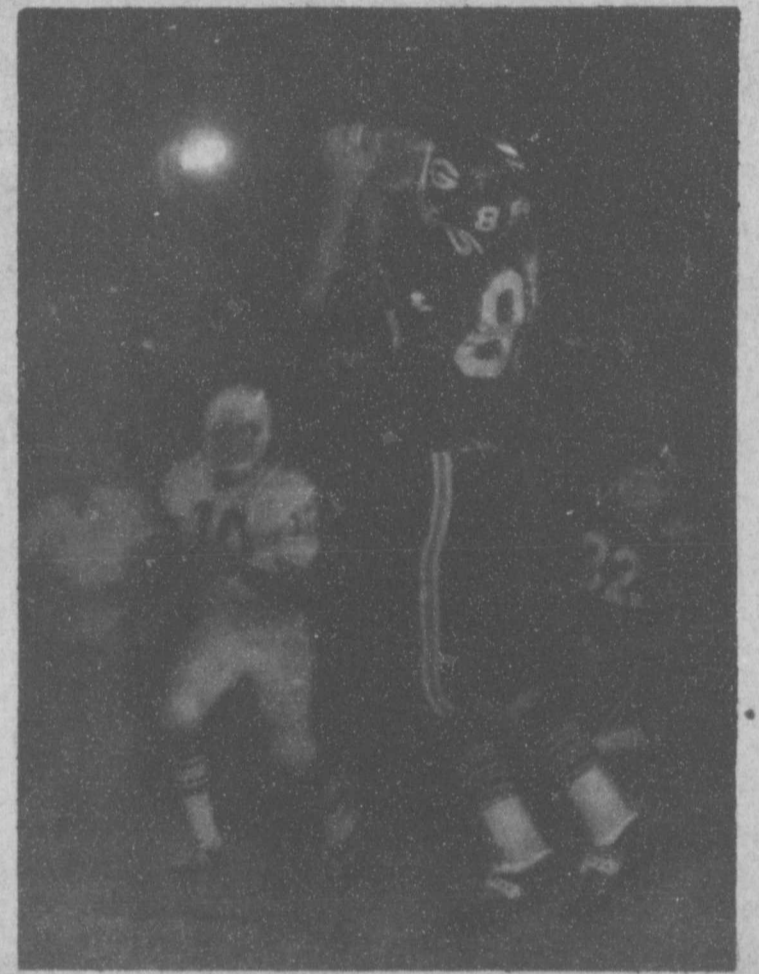

FALL FANTASY . . . Commentator Joy Cummings is ready to describe in detail the 54 lovely garments to be modeled at the Xi Iota Epsilon fall fashion preview.
The show will be held Thursday at 7:30 p.m. in the new Community Center here.
Featured will be items of apparel from four local clothing merchants.
Joy and Mrs. Mozelle Adams get the beauty of a red white and blue outfit down on paper and ready to use at the preview.

KILLEN DOWNS HORNETS WITH SECOND QUARTER EXPLOSION 34 TO 6

A devastating second quarter, which for all practical purposes, netted Killen four touchdowns and crushed the Gatesville Hornets "upset idea."
The Hornets were definitely outclassed "personnel wise" but determination and desire were obviously Hornet qualities. Head Coach Jack Moss summed it all up, "we were out manned, but we were not out played."
The Hornets were outclassed in the line with definite "miss-matches" with George Thompson, 156 pounds, blocking, and Steve Forsythe, 212 pound defensive tackle.
Killen backfield men all had

speed, Don Hardeman had the speed and 205 pounds of power. Coach Moss admitted some surprise as to the size of the Kangaroos, noting that Killen is "the land of the giants." (in Central Texas).
Moss noted that Hardeman is the key to the Killen attack. His fantastic speed and power pressures a defense and allows Larry Grant, Richard Pena and Jack Ashworth to operate in relative freedom.
The Hornets provided the estimated 4500 fans with a fine evening of football from the opening kickoff.
Killen's J. G. Crouch opened the game by nearly missing

the football, which turned out to be a perfect "on side" kick. Killen recovered the ball at the Hornet 48 yard line.
The turn about put the Hornet defense to the test immediately. The Kangaroos wasted no time in introducing their star running back, Don Hardeman to the Hornet defense. Hardeman picked up five yards and found Jim Sanders, Hornet safety, a tough tackler. On second down, Gene Braziel and Keith Bell pushed the Roos back to the Hornet 49 yard line. With third and eleven yards to go Ross Rogers went to the air, but the pass fell incomplete due to the hard pass and rush of the Hornets. Rogers placed his fourth down punt on the Hornet six yard line.
Three straight carries by Ronald Brown, sophomore running back, netted the Hornets nine yards, but forced Steve Palmer to punt on fourth down.
A roughing the kicker penalty gave the Hornets a first down at their own 25 yard line. Brown picked up six yards on two carries and Mike Barr's first pass was incomplete to Larry Moore. Killen's second possession of the night started at the Roo 33 yard line.
Hardeman picked up three yards before Braziel and Bell blasted him. Rogers attempted two passes with Jim Sanders almost grabbing off an interception on third down. Rogers placed his fourth down punt on the Hornet 18 yard line.

Mike Mathews, no. 84, gathers in a Mike Barr aerial for the Hornets only touchdown against Killen. Mathews slipped into the end zone and took the picture perfect toss over his shoulder.

Running back, Ronald Brown, carried 33 times for 98 yards and a three yard average against the Killen defense. Brown contributed almost 75 percent of the total Hornet ground attack.

VILLARREAL

Villarreal Receives Bronze Star In Viet

VIETNAM - Army Specialist Five Arthur L. Villarreal (right), son of Mr. and Mrs.

Ernest Villarreal, Route 1, Oglesby, Texas, receives the Bronze Star Medal during ceremonies near Long Binh, Vietnam, on Sept. 5.

\$60,000 Possible City Sales Tax Check Received

A check for \$14,076.80 was received from the state comptroller's office, Thursday in payment for Gatesville's one percent city sales tax for the second quarter.

He earned the award for exceptionally meritorious service in connection with military operations against a hostile force in Vietnam from Sept. 1968 to Sept. 1969.

A medical aidman in Headquarters Company, 4th Battalion, 12th Infantry of the 199th Light Infantry Brigade, Spec. 5 Villarreal entered the Army in April 1968, completed basic training at Fort Polk, Louisiana, and arrived in Vietnam last September.

He also holds the Purple Heart and a Bronze Star Medal for heroism.

Brush Fire Destroys 150 Acres South of Gatesville

Late Thursday, fire destroyed an estimated 150 acres of brush and grazing land about one mile south of Gatesville on the Oscar Lowery and J. R. Sanders properties.

The fire started in a wooded area on the Lowery property and spread quickly over the hilly area.

M. C. Sullivan first spotted the blaze after 4:00 p.m., and turned in the alarm, when he realized that no one had already turned in the alarm. No one was at the Lowery home at the time of the blaze.

Fire Chief, Pat Patterson, reported that two units of the local fire department fought the blaze. When firemen arrived, Sullivan had fought flames that had threatened the Lowery home. Patterson credited Sullivan with saving the Lowery home from the blaze.

The cause of the blaze was not determined.
Friday night two units of

Don Hardeman, 205 running back for Killen, races for the end zone, during the second quarter against the Hornet defense. Jim Sanders, Hornet safety, tries to put a stop to the Hardeman running. Other Hornets pictured are Steve Palmer, no. 30 and Mike Williams, no. 84.

State School Escapee Wounded By Local Man

Holice Barton shot a Gatesville State School escapee, Sunday as he fled from the Barton home, seven miles northeast of Gatesville.
Sheriff Windy Cummings reported Monday that Barton returned to the home at about 10:00 a.m., from working in the field to get water.
Barton was confronted in the home by two state school escapees. Cummings said "the two boys put a gun on him." Cummings noted the boys must have become scared and ran from the home, carrying a .45 caliber pistol and a .22 caliber pistol.
Barton got a .30 caliber carbine and fired at the fleeing youths. The youth was struck in the left side of the abdomen when the bullet ricochet off a rock.
The second youth later turned himself in to authorities. The wounded escapee was taken to Coryell Memorial Hospital where he is listed in satisfactory condition by the attending

physician.
The bullet went through his colon and small bowel as it passed completely through the left side.
Sheriff Cummings said, Monday that no charges had been filed in the matter, but investigation was continuing Monday.

State Sales Tax Will Jump To 4.25 Percent October 1

The State Sales Tax will jump by one fourth of one percent, Wednesday, October 1. The increase was passed into law by the 61st State Legislature in the second special session, earlier this month.
The increase raises state sales tax to 3.25 percent and in cities, with the municipal sales tax, it raises the tax to 4.25 percent.
In Coryell County, Copperas

Pecan Crop Estimated At 20 Percent of 1968 Crop

The Coryell County Pecan crop for 1969 is estimated by County Agent, Don Callahan, to be at about 20 percent of last year's \$200,000 crop.
Callahan said that several pecan growers were estimating a crop as low as three percent of last year's.
"Pecan trees are an alternating crop," explained Callahan, "they store food this year for next year's crop." This means that every other year will produce a crop bearing other complications.
Callahan noted that the off-year coupled with rains in May, which cut down on pollination; summer drought; pecan nut case barrier; and most recently scabs will cut down on this year's crop.
Callahan noted that the Annual Coryell County Pecan Show will not be held this year due to the light crop. The show normally held in December must have 100 entries to qualify under state pecan grower's regulations. He noted that inferior quality samples would make up a large part of the show if it were held.

see TAX page 7

JUNIOR HIGH CHEERLEADERS

Cheering the Gatesville Junior High footballers on to victory this season are three perky young ladies representing the spirit of the Hornets. Pictured above (left to right) are Manda Easley, daughter of Mr. and Mrs. Bill Easley of Gatesville; Pam Blanchard, daughter of Mr. and Mrs. B. B. Blanchard; and Christi Wilson, daughter of Dr. and Mrs. Charles Wilson.

Good Turn Day Chairmen Named

District chairmen for the annual Boy Scouts Good Turn Day for Goodwill Industries have been named. Doug Brown, general chairman, Heart O' Texas Council, Boy Scouts of America released the names following the first general meeting held at Goodwill Industries in Waco.

About 100,000 homes will be contacted during the drive in which Cub Scouts and Boy Scouts in the eleven and one-half county Council will deliver and later pick up Good Turn Day bags to be filled with repairable discards. More than 5,000 Scouts from every pack and troop in the Heart O' Texas Council will participate this year. Good Turn Day gives the Scouts an opportunity to practice good citizenship through helping others. Sunday, November 2, will be Good Turn Day, 1969.

District chairmen for the day are Bob Smith of Waco Tri-Bosque District; Sid England of Waco Central District; Bill Whitaker of Brazos Valley Dis-

trict; James G. Wheeler of Waco T. B. Wilson District; Daron Reedy of Temple has Chisholm Trail District (Belton, Temple, Salado, Rogers); Leon Valley District (Killeen, Harker Heights, Fort Hood, Copperas Cove, Gatesville, Hamilton, McGregor) is Bobby Fox of Fort Hood; Trinisota District (Freestone, Limestone, Leon counties) is H. D. Maxwell of Rockdale. Each district chairman will name his own co-workers in the future.

Discarded items of repairable clothing, shoes, toys, wares and small appliances will be used in Goodwill Industries' workshop to teach employment skills to handicapped persons. The merchandise will then be sold in one of the seven Goodwill thrift stores located in Waco, Temple, Killeen.

Bags will be distributed the last weekend of October. Area residents are asked to fill them with usable items. The Scouts will return for pick up and conclusion of their service project Sunday, November 2.

Morris Webb To Take TSTI Post

A veteran of many years in industry and education, Morris S. Webb, has been named the Senior Vice President of the Texas State Technical Institute.

WEBB

Webb was formerly the dean of the James Connally Technical Institute. His duties under the TSTI system will include fiscal affairs, responsibility for administrative policy, and liaison with senior management and labor executives throughout Texas.

The senior vice president's first connection with Connally Tech was in the early days of its creation when he served as chairman of the first consulting committee for chemical tech-

nology. In 1966, while on leave from the Celanese Corporation, Webb joined the faculty of Connally Tech as professor and head of chemical technology. Within the last two years he has advanced to the positions of coordinator of instruction, and later dean of the institute. In September of last year in his role as dean, Webb was placed in charge of all activities on the Waco campus.

He earned his B. S. and M. A. degrees in chemistry and mathematics and educational administration from Southwest Texas State College. He has also done graduate work in educational administration at the University of Texas.

Webb began his teaching career in the public schools of Texas when he was 18 years old. He began his long career in industry with the Celanese Corporation in 1945 and served with that company until his appointment with Connally Tech. Vice President Webb, during his many years in industry, served in various staff positions and headed several divisions. He was chairman of the training committee on job training on all levels for Celanese and taught supervisory practices as well as management techniques. He has authored several technical papers, manuals and books for his employer in the chemical industry.

He is a member of the American Chemical Society, American Technical Education Association, American Vocational Association and Texas Industrial Vocational Association.

Webb resides at 9041 Oriole in Woodway with his wife and family. He is the father of four sons.

Webb is the brother of Mrs. Stanley Miles of Gatesville.

Two Collisions Monday

Two early morning crashes Monday resulted in no injuries for two men and minor damages to their autos.

The wrecks occurred within moments of each other, 15.1 miles south of Gatesville on Texas Highway, 36 at about 12:15 a.m., said investigating

Coryell County News, Gatesville, Texas, Tuesday, September 30, 1969

DPS patrolman, David Jund. The first crash occurred when Chester C. Sadler, Jr., of Austin, driving a 1968 Dodge sedan, was traveling north on Texas highway 36, when his auto struck a cow in the roadway.

Moments later, Michael Pate on Route 1, Gatesville struck the dead cow in the north bound lane of traffic.

Funeral services were held in Waco, Saturday for Mrs. Bettie Salazar, Mother of Tony Salazar, and mother-in-law of Vivian Jeffrey Salazar. Mrs. Salazar died Monday in a Waco hospital, following a heart attack. The body lay in state in Connally's Funeral Home awaiting the arrival of a grandson, who was on a tour of duty in Vietnam.

ATER NEWS by Patsy Weaver

Mr. and Mrs. Sam Weaver made a trip to Stephenville, Tuesday to see Dr. Terrell. Mrs. Willie Timmons, and Mrs. Sam Weaver spent the day in Waco, Saturday shopping and looking at good food, ha, ha! We had fun seeing all the kinds of under-things the girls wear. Of course, it's not like when I was a bucka-wo, ha! Then it took a good windy day, now it don't take nothin', he!

Well, I wound up with a half roast in my purse. I always bring what's left to my good old dog. Rip and he is always waiting to see what I wound up with. I imagine if Sam would meet me sometime, he might get more to eat. We had a good day, anyway, wish more would have been with us. It's fun to get a bunch of half witted gals together, and go to town. Now, that's a change. I used to say go to the country, but it's better, now, don't have to punch the clock just grab your hat and get. Ha! I feel like I'm on a vacation. The worms passed through my pea patch, and took even the buds. Those striped ones were real brazen, just sit there and say, "you can't get us all," and he was right. But, I think I have them fooled, I have another field full coming on, but then, they might come back with all their folks.

The Ater Community Club will resume its activities on Oct. 7, all members are urged to please come and bring someone with you. Also, bring your thimble and needles. We might find something to do, there was lots of ends left loose. At the close in the spring, due to illness in the community, we will start a new program. So, it is important that all come.

We are short on funds, since we re-did the building and we still don't have a quilt in the bag. Watch the Coryell County News for more. We must get busy and get out and go. Of course, one can't express their opinion, some one will jump up and sue, but we can work, and play a little as we go along. Bring along your aches and pains, cause most of us have a few.

Mr. and Mrs. Stanley Miles of Gatesville were guests in the Dan Coward home, Sunday night for dominoes.

Mr. and Mrs. Willie Timmons spent Sunday with Mr. and Mrs. Sonny Murry in Levita. Visiting in the Ernest Timmons home over the weekend were Mrs. Ava Yows of Ames Community, Mr. and Mrs. John Butler of Rusk; Mr. and Mrs. Ernest Huckabee of Gatesville; and Mrs. Cleo with daughter and husband, Larry with son, from Fort Worth.

Mrs. Jane Whisenunt is in the hospital. Don't know her trouble, but seems painful.

Mrs. Otis Helms is building a beauty shop in Jonesboro. Nice, we will have one so close, good going girl.

Mrs. Melton from Oglesby with daughter, Mrs. Sims of Levita were guests of Mrs. Patsy Weaver, Monday. Also visiting Patsy were Deetta Huckabee of Purnela, Doris Jackson of Levita, Misses Freida Petty and Debra of Levita, and I want to say thanks, Freida, for the lovely cake. We had a little quilting today Tuesday, and it was good with tea. Mrs. Anna Mae Maxwell and Mrs. Myra Coward were here. Don't know what happened to the rest of the gang. They never made it, thanks to all.

There will be black eye peas in about two weeks and since I don't know names of all that have called, I will speak one in and John will fire me, I'm sure. Say, how about that our little June's Girl is going to get married, well, that's great. I'm saving my coupons to buy her one of those.

Watch your Coryell County News, there's always something going on.

Receives Bronze Star

VIETNAM - Army Major Robert A. deCausmeaker, son of Mrs. Betty E. deCausmeaker, 6952 Homer, Westminster, California, receives the Bronze Star Medal during ceremonies in Vietnam, August 28. Congratulating him is Major General R. Wetherill.

Maj. deCausmeaker received the award for outstanding meritorious service while serving as a team chief with Advisory Team 96 in Vietnam. The 33-year-old major entered the Army in December 1954 and arrived overseas in September 1968. He holds the Bronze Star Medal and Vietnamese Gallantry Cross. He received his commission through an Officer Candidate School. Maj. deCausmeaker graduated from Central High School, Fargo, N. D., in 1954. His wife, San, lives in Copparras Cove, Texas.

Size Of Cattle Fed Lot Gives Profit Size Boost

Large commercial cattle feeding operations with 10,000-head or more capacity enjoyed a cost advantage over smaller feedlots in Texas and Oklahoma during 1966-67, especially those with less than 1000-head capacity. A research report, "Costs and Economics of Size in Texas-Oklahoma Cattle Feedlot Operations", Bulletin 1083, just released by Texas A & M University in cooperation with the U. S. Department of Agriculture, points out this and other facts regarding feedlot operations.

basis in the Southern Plains. Copies of the publication, Dietrich said, are available from the Mailing Room, Department of Agricultural Information, Texas A & M University, College Station, Texas 77843.

Will legislative redistricting force another special session of the legislature this year? Nobody knows for sure, although rumors have been hot on the subject. Observers, including Gov. Preston Smith, have indicated they doubt reapportionment will demand emergency attention of the lawmakers.

Issue is before a three-judge federal court in Houston. Plaintiffs claim that population variance of 24.2 percent between smallest and largest Texas legislative districts is discriminatory. They argue that big city House members should run by individual districts, not county-wide.

Court, in spite of some reports to the contrary, has not scheduled the case for hearing. An Indiana case involving the validity of multi-member legislative districts is on appeal to the U. S. Supreme Court. Governor Smith recently noted that 1970 census figures will be available in less than a year and that the new head count will provide a more reasonable basis for reapportionment than the 10-year-old census.

Filing deadline for legislative candidate's next February. So if the court is going to order immediate redistricting to affect 1970 elections, it is presumed that the decision would be handed down well before the end of this year.

Naturally the longer the court delays its decision, the closer looms the new census tabulation.

INSURANCE RAISE LIKELY

A quick decision of the State Insurance Board is expected to jack up auto insurance premiums at least 9.9 percent.

That, in effect, was the recommendation of the governor's study committee on rates. Board originally proposed an 11.4 percent boost. Industry wated 5.6 percent more than that.

A last-minute flurry of controversy raised the question as to whether the committee had been misled by exaggerated statistics on auto accidents.

Also in controversy was insurance agents' commissions. Committee recommended 18 percent, which Chairman Price Daniel specified as "average". F. Darby Hammond, executive director of Southwestern Insurance Information Service, released a blistering attack on the committee's report. He called it not only an insult to auto insurance companies but a disservice to the insurance buying public. "There is no way," said Hammond, "that forcing companies to continue operations in the red will not eventually harm the public."

As to statistics, Hammond says that the Insurance Board does not use Department of Public Safety figures as the basis for determining costs. It uses claims paid. DPS doesn't get reports on all accidents.

partment of Agricultural Information, Texas A & M University, College Station, Texas 77843.

A resolution adopted at the meeting requested the Texas Education Agency to make a study as to other ways in which school districts might raise money for the local share of school operations.

SAFE DRIVING

Governor Smith says the Federal government has given the state \$1 million to help finance the State-wide Driver Education Project. Governor's Traffic Safety Fund is providing \$1.8 million for support of the program and the school districts are contributing \$4.5 million toward the remaining costs. Smith said "last year, we reached only 36 percent of the eligible students, but I hope that with the acceleration of the program this percentage will increase until all eligible students receive this training."

CITY SALES TAX

City sales tax allocations, made by State Comptroller Robert S. Calvert, show substantial gains over the same quarter of a year ago. Cities with the tax, including 185 new ones from a year ago, received \$27.9 million compared to the \$20.8 million for the period ending June 30, 1968.

Biggest receipts were by Houston (\$6.2 million), Dallas (\$5 million), San Antonio (\$2.1 million) and Fort Worth (\$1.8 million). Income to these four cities represents well over half the state's total.

COTTON FARMS

Agriculture Commissioner John White says that Texas cotton exports "are in trouble" and urged cotton farmers to support new production and marketing techniques in attacking problems that plague the cotton farmer.

White blamed a good part of cotton's export ills on "the mechanics of our support price system which has unwittingly allowed foreign competitors to undercut our prices a fraction of a cent in the world markets."

YOUTH EMPLOYMENT

Texas Employment Commission says 67,120 youths were hired during the 1969 Youth Opportunity Campaign in Texas, March 26 - August 25.

Several years ago a summer campaign was instituted for in-school youth in the 16-22 age bracket--youngsters who either need work only during school

WANTED

WANTED: baby sitter to stay with two children in my home, or your home, call Mrs. Wright at 865-7484 after 6 p.m.

WANTED: Registered Nurse to be director of nurses at Ronda Retirement and Convalescent Facility. Call Gary Marwitz at 865-2231.

vacations, or were out-of-school and wanted to work the year around.

There were more youth than summer jobs. TEC reports that 152,374 made new applications for jobs at TEC offices over the state.

CRIME FIGHT FUNDS ALLOCATED

Criminal Justice Council of the governor's office recommended allocation of \$165,688 in Federal funds, to be matched by state and local agencies, to fight major crimes. Total of \$416,188 has now been disbursed from nearly \$1.1 million granted Texas under the Omnibus Crime Control and Safe Streets Act of 1968.

Programs approved were proposed by the Texas Department of Public Safety (for updating criminal records); Texas Commission on Law Enforcement Officer Standards and Education (for police education and training); City of San Angelo (management, efficiency and manpower study); Concho Valley Council of Governments (for the San Angelo area law enforcement academy); Waco and the Heart of Texas Council of Governments and City of Dallas (for 90 walkie-talkie radios for patrolmen).

Council approved a fiscal 1970 planning budget of \$356,900 for regional councils. Group recommended that Smith name an information task force to supervise the development of the Criminal Justice Information System.

APPOINTMENTS ANNOUNCED

Governor Smith named El Paso District Attorney George N. Rodriguez judge of 168th district court, a newly-created position. At same time, Smith appointed Bexar County District Attorney James E. Barlow and Justice of the Peace John G. Benavides as judges of new 186th and 187th district courts in San Antonio. He picked Jamie Clayton Boyd to succeed Rodriguez as D. A. and Marvin Ted Butler of San Antonio to succeed Barlow.

Smith placed Lucien Flournoy, mayor of Alice, on the Texas Aeronautics Commission and Dr. Richard Thorp Weber of Austin and Dr. Lynden Maurice Kennedy of Dallas on the State Board of Dental Examiners.

For the new Texas Board of Private Detectives, Investigators, Patrolmen and Guard Watchmen, he selected San Antonio Police Chief George W. Bichsel, Capt. Robert Austin Crowder of Dallas, Morris A. Ruebright of Houston, Robert C. Taylor of Houston and John Mason Lankford Jr. of Fort Worth.

UNIQUE CEREMONY

It was an unusual event when Sen. Criss Cole of Houston was sworn in as President Pro Tempore of the Texas Senate. Senator Cole, who is blind, took the oath in his home town, Houston, at the Rice Hotel, which stands on the site of the first state capitol of Texas. It was the first time in anyone's memory that a president pro tem had been sworn in away from the state capitol in Austin.

Gatesville at a Glance

by sally jones

THE BRITISH ARE COMING . . . The British are Coming . . . at least when you are in Bee House or Pearl, and happen to meet the Boyce Conners or Mrs. Fred Robinson with their visitor from merry old English visitor from merry old England.

Happy to be in Texas and not so happy to be soaking up the Texas sun is Mrs. Mildred Keeley of Norfolk, England.

Mrs. Keeley has been visiting Mrs. Fred Robinson, recently in Pearl.

The English woman arrived in Coryell County last April in time to see her granddaughter, Bernadine Conner graduate Valedictorian of Evant High School. Mrs. Boyce Conner is Mrs. Keeley's daughter.

When I asked the pleasant lady from abroad how long she would stay, she said she's stayed the summer, but she thought she'd like the winter better, as she wiped her brow.

Mrs. Keeley visited Texas four years ago and traveled to Colorado, which she described as a lovely state with lovely climate.

She told us of the regulations on lengths of stays in the United States and if a person wants to stay over several year's period, they must immigrate. As she left, she said wiping her brow, Oh! I shouldn't want to immigrate.

A CHRISTMAS DITTY FOR GI JOE . . . Gatesville's citizens as well as responsible citizens from neighboring county towns and cities launched the annual Ditty Bag program for our servicemen in Vietnam, with hopes to make this Christmas a little brighter for our guys in that war-torn country.

Working right along with these responsible citizens are local organizations who do their thing to make a brighter holiday season abroad. One such group is Girl Scout Troop 424 of Gatesville.

We dropped by the American Red Cross offices in Gatesville, Thursday and found a dozen hearty, happy, girls at work on the gift bags. The girls, all members of Girl Scout Troop 242, were wrapping packages, sorting materials, packing Ditty Bags and generally helping each other to help someone else.

The youngsters, ranging from 7th to 8th grade age, were eager to help and help they did!

RED CROSS IS THERE . . . As in all of their helping projects, the American Red Cross Chapter of the county are involved in the Ditty Bag Program for Christmas.

Approximately 170 Ditty Bags will be completed by the month-end deadline, said Mrs. Antonece Rogers, local Red Cross Director.

The bags, sent from Red Cross units all over the nation to our combat servicemen in Vietnam, are filled with usable items such as wash cloths, soap, stationery, pens, etc. . . that the men can have as extra comfort under combat conditions.

In each parcel of items, a label (bearing the name and location of the Red Cross Chapter which is responsible for sending it) has been sewn into the bag.

Also in the bag are cards with the name or names of the citizens who sent the contents to the soldier. The bags themselves were constructed locally with materials supplied by the Red Cross.

This year's crop of ditty Bags will be sent to a replacement center in Vietnam, said Mrs. Rogers. The bags will be the only mail the boys will receive at that location and the Ditty Bags will be quite good moral boosters for them, she continued.

With 150 bags sealed and ready, Mrs. Rogers felt sure that the boys in Vietnam would know, "The American people back home have not forgotten them, and the boys will feel just a little merrier this Christmas season, when they get those bright red parcels, from the folks in Coryell County and the Red Cross.

VISIT HERE FROM ABILENE . . . Mr. and Mrs. Carl Gandy of Abilene, were visiting this weekend in the V. A. Wright home in Gatesville.

Along with the Gandys was their daughter, Beth. The family was here to visit Mr. V. A. Wright who is in Coryell Memorial Hospital.

HERE ARE SOME MORE HINTS . . . Hope you good people like to hear ideas about cutting the honor of housework a bit!

HINT, HINT . . . Even if you live alone, go ahead. Bake a roast or chicken with all the trimmings. A leading home economist suggests preparing frozen TV dinners from the left-overs. Divide meat and vegetables into portions, place in sectioned foil dishes and freeze.

HINT, HINT . . . Bacteria aren't all bad, according to foods and nutrition specialists, they make sauerkraut, cheese, pickles, sausage, yogurt, salami and cultured butter and buttermilk possible.

HINT, HINT . . . "Low calorie foods" are being used in 64 percent of U. S. households, report food and nutrition specialists. Low-calorie canned fruits are used by 32 percent of the families compared to 16 percent in 1965.

HINT, HINT . . . A built-in dishwasher is the newest product of one appliance manufacturer. The dishwasher has an exclusive Micro-Mesh filter which eliminated pre-rinsing and a deep cradle racking to support crystal and fine china.

HINT, HINT . . . Retailers around the country say the coordinated sheer curtains and draperies are expected to become even more popular.

Colors are the traditional lines of eggshell, off-white, beige, and white, with soft pastels and some deeper blues, greens and yellows gaining in popularity. Solids are most popular with a few patterns being sold. Embroidered single panels or entirely embroidered pairs are also being used.

The best selling fabrics are polyester, cotton and poyester, tatiste and voile.

TELL IT LIKE IT IS . . . Emily Dickenson, one of my very favorite poets has a short poem, on Autumn and since we came into that season just last week, I felt like sharing it with you readers.

The morns are meeker than they were
The nuts are getting brown;
The berry's cheek is plumper;
The rose is out of town.

Barbara Ann Hefelfinger And Lew Brentwood Smith Wed In Full Gospel Church

Faith Tabernacle of Waco was the scene of the Sept. 6 marriage of Miss Barbara Ann Hefelfinger and Lew Brentwood Smith. The bridegroom's father, E. Hoyt Smith, pastor of Full Gospel Community Church of Gatesville, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Oscar R. Hefelfinger of Riesel and the bridegroom is the son of Mr. and Mrs. Smith of Gatesville.

Traditional wedding music was presented by Miss Beverly Smith of Gatesville, sister of the bridegroom, and Rev. Davy Henderson of Waco, soloist, who sang "Whither Thou Goest" and "The Lord's Prayer."

For her wedding, the bride chose a formal A-line silk organza empire gown sequin beaded and with hand clipped Chantilly lace garlands on the portrait neckline. Fashioned with long sleeves, the dress had a detachable wateau train. A coil of beaded Chantilly lace held a hand rolled illusion veil. She carried a wedding bouquet of carnations.

Mrs. Don Morgon of Waco was matron of honor and Mrs. Gary Dempsy of Waco, sister of the bride, was bridesmaid. They wore shocking pink A-line dresses of bonded crepe with satin bow headpieces.

David Smith of Gatesville served his brother as best man and Bill Kay of Waco was groomsmen. Ushering were Charlie Jahnke of Waco, uncle of the bride, and Ed Ray of Gatesville.

Pam Mensch of Gatesville was flower girl.

The bride's parents were hosts at a reception at the church following the ceremony. Members of the houseparty included Miss Gaylyn Wilson, Miss Katherine Pryor and Mrs. Don Click.

Mrs. Smith is employed by Williams Drug Store in Waco and Mr. Smith is a disc jockey for KAWA radio Station. Following their wedding trip to Dallas, they are making their home at 1222 North Twenty-Ninth Street in Waco.

PICTURED ABOVE . . . Six members of Troop 242 are ready to work on making a little Christmas cheer for the men defending our nation in Vietnam.

Seen behind the dish are (left to right), Debbie Price, Betsy Floyd, Gayla Price, and Gail Ashcraft. In front of the desk, (left to right), are Leigh Ann Sexton and Lana Stovall.

PACKED AND READY . . . The other half of Troop 242 were assigned packaging the finished products. Back (left to right), are Jeffriann Botkin, Michele White, Debbie Shirley and Patty Powers. In front of the stacks are Melissa Brown and Tommie Ruth Shelton.

Sigma Rho Meets In Bruton Home

Sigma Rho Chapter of Beta Sigma Phi met in the home of Mrs. Betsy Bruton of Mound,

Sept. 27, 1969. At the business meeting conducted by Mrs. Doris Reynolds, president, the members voted to give a \$30 donation to a scholarship fund, being set up in memory of Beta Sigma Phi's founder, Walter Ross. Mrs. Barbara Pearce was chosen Valentine Queen nominee from this chapter for the national contest. Mrs. Nelda Wolfe presented a program entitled "Body Beautiful" which was very enjoyable.

Refreshments were served to the members present by the hostess. Those present included Mesd. Sherry Scott, Marilyn Myrick, Dixie Duke, Becky Kenworthy, Lillian Vidler, Barbara Pearce, Phyllis Harvey, Barbara Huntley, Jo Lynn Jackson, Rita Weatherby, Sue Bankhead, Nelda Wolfe, Becky Necessary, Doris Reynolds, Ann Eubanks and Jeanne Cohagan. The evening closed with a social hour and the repeating of the closing ritual.

Morgan Mill

Church of Christ

To Hold Bible Lessons

The Church of Christ at Morgan Mill announces a special series of Bible lessons to be presented October 5 through October 12. Lawrence L. Smith, minister, and Vice President for Finance of Abilene Christian College will be the speaker. His education was obtained at Abilene Christian College and the University of Texas.

He began preaching at Morgan, Texas, at the age of sixteen. He worked regularly with the church at Cross Plains from 1947 to 1951, and with the church at Dublin more than 15 years, 1952 to 1968.

Services are at 7:30 p.m., daily.

Xi Iota Says...

"Fall Fantasy"—Its Here

REFLECT A FASHION HIT . . . Modeling for Elsie's Pant and Top, Corinne Erwin sports the fresh clear look of a black and white fashion combination. Her figured black-white blouse compliments the solid heavy black of her flare-leg stretch pants - a new fashion thing!

18 To Model

What's new this year, in the total fashion looks scarfs . . . belts . . . sweaters . . . jewelry . . . look no further!

For the fashions that launch a whole wardrobe of new exciting looks, the Xi Iota Epsilon Chapter of Beta Sigma Phi fashion show is a must!

The show, entitled "Fall Fantasy" will be held Thursday at 7:30 p.m. in the New Community Center on north 14th Street.

Admission to the fall fashion preview, is set at \$1.50 per person with proceeds going to Xi Iota's civic projects and donations.

Commentator for the showing is Joy Cummings, former model and member of the sorority. Assisting Mrs. Cummings will be Katherine Healer, president of the group.

The pair will give a "stick by stick" of the presentation of the fall preview of fashionable outfits for young and not-so-young alike!

Mrs. Healer will relate a

Mrs. Snowden Honored On 83th Birthday

Mrs. W. L. Snowden of Gatesville was honored by her children with a luncheon on her 83rd birthday, Sunday at the Chateau Ville Restaurant.

The party table was centered with an arrangement of white chrysanthemums, sent for her birthday cheer from her granddaughter, Ernestine Bedai who lives in Palmdale, California.

A special treat at the celebration was the playing of the "Happy Birthday" by the organist.

Present at Mrs. Snowden's party were four of her seven children: Mr. and Mrs. Quinton Blacklock; Mr. and Mrs. Johnny Barnett (Chloria); Mr. and Mrs. Ernest Crawford (Inez); Mr. and Mrs. Earl Kirchner (Jo) all of Gatesville.

Three members not present were Mrs. J. L. Moody (Leaneta) of Gatesville; Mrs. J. R. Baize (Bill) of Las Cruces, and Mrs. Irvin Kirchner (Ernestine) of Alamogordo, New Mexico.

provided by Betty Thrasher and Annette Bruce. Joyce Arnold is publicity chairman and Inez Arnold is in charge of tickets.

Barbara Brown is in charge of ways and means. Beta Sigma Phi is a world-wide sorority open to women by invitation.

ELEGANTLY SIMPLE . . . That describes this lovely blue dress worn by Elizabeth Bennett, modeling at the fashion show for Bennett's Department Store. The dress, a crisp cool number in a medium blue fabric, accented by pale blue dropped belt and blue buttons.

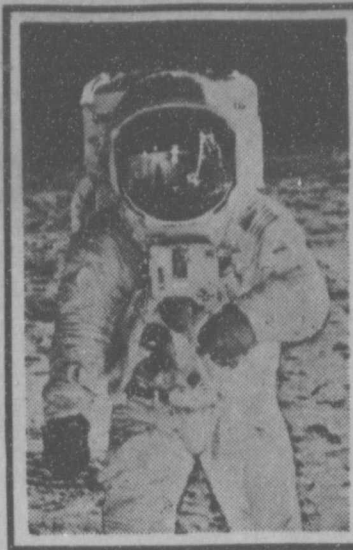

THE BEAUTY OF CONTRAST . . . The sharp almost abrupt beauty of this slacks outfit modeled by Barbara Brown looks great for those special occasions that require pants and good looks too. Barbara will model outfits for Leaird's Department Store.

High Flying

REACH NEW FASHION HEIGHTS . . . In this bright, exciting outfit, Carolyn Clark reaches new heights of fashion. Carolyn, modeling for Thompson and Tippit Department Store, finds this red and white Howard Wolf fashion perfect for just "plane" good looks!

Ronald Brown is lost in the pile in first quarter action against Killeen. Killeen's number 65 is John Cockerham, who plays defensive linebacker for the Roos. Cockerham lived in Gatesville for a while before moving to Killeen.

Mike Barr unloads a bomb to Larry Moore against Killeen. This particular pass fell incomplete but Barr later hit tight end, Mike Mathews for six points. Mathews caught two passes and Larry Moore caught one as time ran out in the game.

EAGLES DROP SIX MAN BATTLE TO GUSTINE 45 TO 39

The Jonesboro Eagles, now 1-1-1 win-tie-loss, have had it all happen to them in three games this season. Against Gustine, a partially blocked kick, kick return, fumble recovered in the end zone spelled a defeat for the hard luck Eagles.

The Eagles opened the scoring with a ten yard run by Ray Martin and Martin kicked for two extra points. The Eagles then stopped Gustine cold, took the ball, and drove to the Gustine five yard line. With first and goal at the five, the Eagles could not push across the score.

Gustine scored twice in the second quarter, the second score coming when a back pass from the Jonesboro center bounded into end zone, where Gustine picked up a quick score. Behind 16 to 8 Dean Patterson, Eagle back, raced 30 yards to a score in the second quarter. Martin again kicked for two tieing the score.

Gustine collected two more touchdowns and three extra points, putting the score 31 to 16. Martin then scored from ten yards out, and kicked his third extra point, making the score 31 to 24.

In the second half, Dale Sommerfeld scored on a short run, pulling the Eagles to within one point. Martin set up to kick the extra point, but a bad snap from center, sailed directly to Martin, who quickly passed to Meis for one point and a 31-31 tie.

Gustine grabbed the lead again on the kick-off on a 60 yard run back. The two point conversion was good, 39-31. Late in the third quarter, Sommerfeld hit on a pass to Martin for the Eagle's last touchdown. Extra point kick by Martin was good, tying the score 39 to 39.

The fourth quarter was scoreless until with one minute to play the Eagles were forced to kick from their own ten yard line. Martin got off a 50 yard kick only to have it called back, because of an offside penalty. The second kick was partially blocked and Gustine got the ball at the Eagle ten yard line, and pushed across the winning score.

Jonesboro still had time to score and had moved the ball to the Gustine 20 yard line with five seconds to play. The last pass play fell incomplete

and the Eagles dropped their first game of the season. Coach Bill Dyer pointed to glaring mistakes as the big factor. He noted five performances by Dale Sommerfeld and Ray Martin. Martin scored

26 points for the Eagles. Jonesboro will face Star at Star next Thursday night and the Eagles will be trying to eliminate mistakes before the season opener on October 24 against Oglesby.

PIDCOKE METHODIST HOMECOMING SLATED

Pidcoke Methodist Church has slated its annual Homecoming, for October 12.

Services will begin at 11:00 a.m., with a basket lunch immediately following services. The afternoon will be spent in singing and visiting. Homer Pumphrey is church pastor.

The church will begin Friday and Saturday, Oct. 10 and 11 a weekend revival service.

The church will hold weekend revival services Friday and Saturday, Oct. 10 and 11. The services will begin each evening at 7:30 p.m., with Rev. J. D. Walch officiating.

HUNTINGTON RECEIVES MEDAL

Vietnam - Army Specialist Six Jimmy O. Huntington, 29, son of Mr. and Mrs. Jack O. Huntington, Caputa, South Dakota, received the Air Medal, August 13 near Pleiku, Vietnam.

Spec. 6 Huntington earned the award for meritorious service while participating in aerial flight in support of ground operations in Vietnam.

He is performing the duties of a platoon sergeant in Company A, 4th Aviation Battalion of the 4th Infantry Division. His wife, Jutta, lives at 905 South Main, Copperas Cove, Texas.

CHARLES ROBINSON RECEIVES BRONZE STAR

Vietnam - Army Captain Charles A. Robinson, 32, son of Coyne P. Robinson, Purmela, Texas, received the Bronze Star Medal, August 19 near Quang Tri, Vietnam.

Capt. Robinson was presented the award for meritorious service in ground operations against hostile forces in Vietnam.

At the time of presentation he was adjutant of Headquarters, 63rd Maintenance Battalion near Quang Tri. His wife, Joye, lives at 121 Austin Street, Gatesville, Texas.

Mrs. Schaub Dies,

Rites Held Tuesday

Mrs. Fred (Antonia) Schaub, Sr., 89 died at 4:45 a.m., Sunday in a Gatesville rest home.

Funeral services were held at 10 a.m., Tuesday in Bethel Heights Baptist Church with Rev. Kenneth Patrick officiating. Burial was in Hemmeline Cemetery.

Mrs. Schaub was born in Germany and came to Coryell County in 1901.

Survivors are three sons, Richard Schaub, G. P. Schaub, and Fred Schaub, Jr., all of Gatesville; three daughters, Mrs. Helen Bannert of Brownsville, Mrs. Lydia Koch of Camarillo, California, and Mrs. Alba Edens of Long Beach, California; 25 grandchildren and 46 great-grandchildren.

Cove and Gatesville will collect on the 4.25 percent bases, while all other areas will collect on the 3.25 percent bases. Gatesville business will use the following table for computations of tax on sales:

Amount of Sale	4.25% Tax
.01 to .11	none
.12 to .35	.01
.36 to .58	.02
.59 to .82	.03
.83 to 1.05	.04
1.06 to 1.29	.05

...Fire from page 1

Gatesville Fire Department spent two and a half hours probing through the Gatesville Cotton Gin for smoldering cotton, which caught on fire late Friday during ginning operations. The cotton smoldered in processing plant and had to be removed from the building.

...Explosion from page 1

Hornet 34 yard line. Seven plays later, including a crucial fourth and four play, Grant went over from the seven yard line. Extra point was good, 21 - 0. Again the Hornets kicked on fourth down and Killeen got the ball at mid field. Two plays later, Hardeman raced 49 yards for the Roos fourth touchdown in 7:39 seconds.

The "TD explosion" broke the game open for Killeen after a tough first quarter.

The last three minutes of the first half provided no more

scoring.

To open the second half, Terry King attempted an on side kick but Killeen took possession at the 39 yard line. Five plays later, reserve quarterback, Charles Watts hit Billy Mills for 19 yards and the Roos final score.

With 3:46 seconds left in the third quarter the Roos tried to move with first and ten at the Kangaroo 15 yard line. Lyn Mohundro and Steve Palmer dropped the quarterback for a seven yard loss. Two incomplete passes and a punt gave the Hornets the ball at the Killeen 34 yard line.

Brown picked up three yards and six yards on two carries but then could not get the first down, in third down. Mike Barr lowered his head on fourth down and picked up the first down to the 21 yard line.

An incomplete pass to tight end, Mike Mathews and a four yard and nine yard run by Brown, put the ball at the eight yard line, first and goal to go as the third quarter ended.

Offsides against Gatesville put the ball back to the 14 yard line. Then Barr caught Mathews over the middle on a touchdown pass. Terry King's kick was wide to the right and

the score remained 34 to 6. Coach Moss noted his squad played hard and rationalizing the defeat was not present in the Hornet dressing room after the game. He explained, "dressingroom tears were wide spread among the athletes over the disappointing loss.

Statistically, there were bright spots for the Hornets even in defeat, Brown was the game's leading rusher with 98 yards in 33 carries. Ronald

was battered often by the stout. Roo defense, but each time the hardnosed sophomore came back for more.

A tested defense held the "Roo number one" offense to eight yards and no first downs in the first quarter. Killeen's passing game fell on hard times completing only three of 14 passes. A good pass rush and an alert defensive backfield combined to hold the Killeen passing to only 36 yards and Jim Sanders picked off one interception.

	KILLEEN	GATESVILLE
First Downs	13	12
Net Yards Rushing	244	132
Net Yards Passing	36	35
Passes Attempted	14	11
Passes Completed	3	3
Passes Intercepted By	0	1
Punts	8 for 39	8 for 28
Fumbles Lost	0	2
Penalties	6 for 50	2 for 20

GUARD IMAGE TO CHANGE

Broad new plans for closer identification of National Guard units with their host communities and curtailment of internal political influence are being developed in Austin by Texas' new Adjutant General Ross Ayers.

Plans call for increasing public service activities in cities where Guard units are stationed and for the establishment of Selection and Retention Boards throughout the State for review of officer efficiency and promotion within the organization.

Ayers — a major general whose National Guard service predates his tenure as captain of Texas Tech's 1932 football team — was moving to remedy unfavorable aspects of the Guard's image as mirrored in a national public opinion poll conducted from Washington.

The survey was completed 18 months ago but was not publicized. It indicated less-than-flattering public impressions of National Guard units in the Fourth Army Area, which consists of Texas, New Mexico, Oklahoma, Arkansas and Louisiana. Vociferous Texans comprised nearly 60 per cent of the total response from this region.

They rated the organizational image of their National Guard lower than did any of the other four Army Areas in the nation — below the Veterans Administration, American Red Cross, the F.B.I., and even the much-maligned Post Office Department.

Foll respondents of this area demonstrated a nostalgic awareness of the Guard's past glories, with 86.1 per cent agreement that the organization was vital to the National defense in time of war. Still mindful of Hurri-

cane Beulah's furious 1967 sweep up the Rio Grande Valley, a total of 95.8 per cent said the Guard was helpful in natural disasters.

But, only 30.8 per cent believed the Fourth Army Area Guardsmen were then qualified as a competent combat force, and 61.1 per cent thought the Guard's effectiveness was reduced by the influence of state politics. That figure compared with an average 53 per cent apprehension over political influence in the other four national areas.

At least some of the opinion seemed ill-founded, because at the very time the poll was taken, Texas' famed 36th Separate Infantry Brigade had just completed a two-year crash training program for superior training status among the Pentagon's Selected Reserve Forces, certified for combat readiness. In addition, planes of the Texas Air National Guard were flying support missions to Regular Air Force units overseas.

The Adjutant General's moves were aimed at enhancing the Guard's effectiveness, however, regardless of the degree of accuracy in the poll.

"We have spot-checked several communities in depth and have substantiated enough basis for these opinions to justify corrective action," General Ayers said. "There is evidence of a gradual estrangement of National Guard units from the civic interests of the communities in which they are based. Texas Guardsmen have long enjoyed a history of mutual identification with their home cities, and we are developing positive programs now

to restore and enhance those partnerships."

Increased demands by federal training directives upon Guardsmen's time has contributed heavily to the drift of units away from community service. A state's National Guard organization is more than 95 per cent funded by federal allocations. In return, the government demands priority upon expenditure of Guard time.

Ayers attributed some of the survey's politics connotation to the fact that the Governors of most states appoint their Adjutants General, whose function is that of military advisor to the Governor and administrator of the state's National Guard forces. In Texas that covers nearly 20,000 Army and Air National Guardsmen in 137 installations around the state with a "real estate value" of \$22 million.

"The gubernatorial appointment process rightly preserves our tradition of civilian control over the military," Ayers said. "It is important, also, that the people have confidence that their National Guardsmen are retained in service and promoted solely upon the basis of each individual's military proficiency."

To insure the observance of those criteria, Ayers said he would appoint two statewide Boards of Selection and Retention. Each Board will consist of senior grade officers chosen from field units rather than the state headquarters in Austin.

The Boards will review individual performance records of officers and recommend promotions and retention in service based solely upon proficiency.

GREAT OPPORTUNITY FOR TAX SAVINGS

LET'S CONSOLIDATE

Congress is considering legislation to bring order out of chaos in the Federal grants-in-aid programs.

With 42 new programs added in the last Congress, the number of grant categories has now reached 120, according to Sen. Mundt, (R-S.D.). "Since 1948, grant programs have increased from \$1.8 billion to an estimated \$20.8 billion for fiscal year 1969 and an expected \$25 billion in the current fiscal year," he explained. Senator Mundt said that the grants as a source of state and local revenue "have become increasingly important, demonstrating the acute need for improving their administration." The amount of such grants compared with total state-local revenue has grown from ten to eighteen per cent in the past twenty years.

The proposed legislation would permit the President to examine and consolidate grants which cover programs of a similar or related nature. Greater efficiency and coordination at lower cost can be the result, while state initiative in solving state-local problems will, at the same time, be encouraged.

The Bureau of the Budget will provide the President and Congress with an objective analysis of the progress reports submitted by the program heads.

Such legislation should result in more efficient and economic administration of the programs, subject the consolidated grants to Congressional review, and limit their duration to their authorized period.

The Administration and the Congress are to be commended on their efforts to streamline the complexity of these federal operations.

Long on Gifts... Short on Money?

Don't be worried about money for gifts. Let us arrange a low-cost personal loan to help you enjoy the fun of giving at Christmas. We're the bank that specializes in loans tailored to your needs. Easy repayment plans.
