GAS COMPANY SEEKS HIKE IN LOCAL RATES

The Lone Star Gas Company has asked the City of Gatesville to approve an increase in local residential and commercial gas rates.

The gas company officers will meet with City Council members tonight to discuss the rate

hike. Manager of the local distribution office, H. W. Prock, issued the following news release Friday concerning the rate increase.

Lone Star Gas today asked the city of Gatesville to in-

crease local residential and commercial natural gas rates to enable the company to earn a reasonable rate of return on the fair value of properties used in rendering public service.

The application for rate increase, the first major request since 1953 based on an income deficiency in the Gatesville distribution system, listed increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rates on borrowed money and increased taxes as primary reasons for the deficiency.

The company indicated that it had used every means available to avoid a request for rate increase, but inflationary pressures not under the company's control necessitated the application.

"Obviously our wish to keep gas rates low must be balanced with the economic pressures we face," H. W. Prock, manager of the Gatesville distribution office, said. "These pressures can no longer be offset in any other way."

Approval of the company's application would increase the average monthly residential gas bill by approximately \$1.83.

Lone Star Gas serves approximately 2300 customers in Gatesville.

Kenneth Hayes is Granted Membership in Junior AAA

Kenneth Wayne Hayes, 14, Gatesville, Texas, has been granted junior membership in the American Angus Association at St. Joseph, Missouri, announced Lloyd D. Miller, secretary.

This new junior membership entitles the member to register purebred Angus at regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the Association.

There were 128 young people in the United States to receive junior memberships last month.

Rites Held for Ross Snow Thursday

Ross Snow, 83, of Gatesville died Thursday in the local hospital.

Funeral services were held at 3 p.m. Sunday in the Bethlehem Baptist Church of Gatesville with Rev. A. Wagner officiating. Burial was in Oak Grove Cemetery.

Mr. Snow was born in Coryell County, and lived here all his life. He was a retired farmer.

Survivors are one sister, Mrs. Mabel Davis; four brothers, William Snow, Joe Snow, Bonaparte Snow and Carl Snow all of Gatesville.

Heavy Rains Factor in Weekend Accidents

TWELVE AUTOS, \$3,165 TOTAL DAMAGES OVER WEEKEND

Heavy rains accompanied by gusty north winds contributed in setting the scene for seven auto accidents in the Gatesville area Sunday.

A total of twelve cars received \$3,165 damages in the wrecks following the pre-frontal rains from noon to evening. No serious injuries were sustained in the mishaps.

The first accident occurred at 11:30 a.m. on Bridge street when Harold Dwaine Blanchard lost control of the 1963 Chevrolet pickup he was driving and struck a tree.

Blanchard of Route 1, Gatesville, was traveling west on the thoroughfare when the accident occurred. Damages were cited at \$375 according to Clarence Beasley, investigating officer.

A rainslick highway was listed as a contributor in a two-car accident at 2:19 p.m. near the Catholic Church in Westview Addition.

JAGELER

Charles D. Jageler Killed In Helicopter Crash In Vietnam

Charles D. Jageler, 26, was reported killed in action Thursday, October 9 in Vietnam. Jageler was the son of Mr. and Mrs. George Jageler, Jr. of Route 4, Gatesville.

Jageler was a helicopter pilot with the U. S. Army in Vietnam at the time of his death.

He graduated from A & M University in 1966 and entered the Army as a second lieutenant in November, 1966.

In 1968 Jageler was promoted to first lieutenant while enrolled in the U. S. Army Primary Hel-

icopter School. He was assigned to Vietnam duty in the fall of

1968 for a one-year tour of duty.

A 1961 graduate of Gatesville High School, Jageler was a member of the band and active in Future Farmers of America.

Sheriff Winfred Cummings notified the family of the death about 2:00 p.m., Sunday, October 12.

The body is being sent home and should arrive in Gatesville by mid-week. Funeral arrangements are pending at Scott's Funeral Home.

Hornets Drop Del Valle Win First District Game

An explosive first half, which included three touchdowns by sophomore Ronald Brown, gave the Gatesville Hornets a district 13 AAA opening victory over the Del Valle Cardinals, 42 to 7.

Head Coach Jack Moss said,

"We hit harder than we have hit all year long." It has been a year of steady improvement by the Hornet varsity.

Friday night the team seemed to find "all systems go" both offensively and defensively.

Both Ronald Brown and Ray

Ortega reached for over 100 yards in the highly potent Hornet offense. Mike Barr, Larry Moore, and Jim Sanders all three touchdowns passes in the contest. Mike Matthews caught two touchdown aeriels and Larry Smith snazzed one of the six-pointers.

Defensively the Hornets allowed only four Cardinal first downs. Jim Sanders picked off one Cardinal pass, and ball-hawking Mike Williams grabbed two interceptions.

The Hornets picked up an early lead when defensive captain Gene Braziel recovered a Cardinal fumble on the second play from scrimmage at the Card 22-yard line.

The Hornet offense opened with three straight running plays with Ronald Brown carrying. The third play swept left end for the quick six points.

The extra point kick failed.

The Hornet defense staggered the Cardinal running attack with only a couple of exceptions.

The Hornets scored their second touchdown on a 15-play 88-yard drive featuring the running of Brown and Randy Schoenewolf. Schoenewolf, who had carried the football only two times in the Hornets' three non-district bouts, lashed the Cardinal defense for 51 yards in four carries during the game.

Hornet Ground Attack

Ronald Brown, No. 23, pictured above lead the Hornet ground attack with 23 carries and 128 yards against Del Valle. Brown shared the 431 yards total offense with Ray Ortega 119 yards in 17 carries; Randy Schoenewolf 51 yards in 4 carries; Billy Bord with 44 yards in 11 carries and still more yardage from Barr, Sanders, and Moore.

The Hornets' defense was lead by Keith Bell with nine tackles, Gene Braziel with six tackles, Larry Harrington and Bobby Hodge each with five tackles.

The TD march got a big push when Larry Moore swept left end for 19 yards to the Del Valle 15-yard line late in the first quarter.

Quarterback Mike Barr

picked up a first down on a fourth and one play after Ronald Brown carried three times for nine yards.

From the three yard line, Brown scored on second down with 10:05 seconds to play in the second quarter.

The Cardinals moved eight yards in the next four plays and punted to the Hornets.

The Hornets stalled their time, and Jim Sanders kicked a 23-yard punt against the brisk wind. As the ball bounced around, it touched a Cardinal; and a host of Hornets pounced on the free ball at the Del Valle 35-yard line.

Barr went to work with a quick pass to wingback Douglas Freeman, and big Doug rambled to the Del Valle 12-yard line.

A penalty put the ball back to the Hornet 21, and Barr hit Larry Smith with a pass at the 11-yard line.

A personal foul against the Cardinals on third down gave the Hornets new life at the Del Valle eight-yard line.

Brown scored on the third down play to give the Hornets a three-touchdown lead. Barr ran for the two points, and the Hornets led 20 to 0 midway in the second quarter.

The Hornets held the Cardinals for four plays, and the Cardinal punt was out of bounds at the Hornet 5-yard line.

With 4:31 remaining in the half, Brown carried four times for 19 yards. Schoenewolf then burst through the Cardinal defense for 21 yards and a first down at the Del Valle 49-yard line.

Doug Freeman almost broke for a touchdown with a Mike Barr pass on the play pictured above. Freeman carried the ball to the 12-yard line.

Touchdown!!!

Hard running sophomore Ronald Brown crashes into the end zone for his second of three touchdowns in the picture above. Brown has scored six touchdowns this season as the Hornet offense has pushed across 91 points in four outings.

HIGHLIGHTS AND SIDELIGHTS
More than 100 "Fraternal organizations" are being requested by Secretary of State Martin Dies Jr. to swear that they are in fact fraternal organizations and not just "private clubs."

He says applications are coming in from "fraternities" that evidently are "private clubs" and if they are approved it will make a mockery of the five cent tax per drink requirement set by the Legislature on private clubs.

Texas Law provides that fraternal organizations are exempt from franchise taxes.

Among the "fraternal organizations" presently being asked to confirm their status are the Benevolent Order of the Impala of Texas, Club L'Amour Fraternal Association, Inc., the Fraternal Order of Moon Maidens, the Fraternal Order of Dart Players and the Fraternal Order for the Preservation and Resurrection of Burlesque.

If an organization refuses to answer the questionnaire within 30 days, it faces dissolution. Answering the questions falsely means possible perjury charges.

WELFARE BENEFITS--According to Welfare Commissioner Burton Hackney, 509 Texas families may be affected by a San Antonio Federal court ruling requiring the State Department of Public Welfare to pay retroactive welfare benefits not paid since March under the now defunct one-year residency requirement.

Hackney said that if the department had to pay off all the back benefits, it would average about \$75 a recipient per month for that six month period. And, if all applicants on the list were qualified, this would exceed \$250,000. However, he stressed that some of the applicants would be disqualified for other reasons. He said no appeal of the decision was being planned.

Also, Hackney has asked the Texas Medical Association to help his department settle questions of "misuse" or "over-utilization" of Medicaid services and benefits.

USED CAR WARNING--Texas automobile buyers have been warned against purchasing so-called "bargain" autos now being offered for sale in South and East Texas.

H. C. Pittman, executive vice-president of the Texas Automobile Dealers Association, "severely damaged by salt water submergence during the frightful ravages of Hurricane Camille in Mississippi and neighboring states" in August. "This same sort of fraud on the car-buying public occurs following almost every hurricane in the Gulf Coast area," he pointed out, urging used car buyers to check the bill of sale to determine the origin of the vehicles.

ATTORNEY GENERAL RULES--An employee of a county or hospital district does not have to be a resident of the county, the district, or even the state, says Atty. Gen. Crawford C. Martin, in a new opinion. In other recent expressions Martin held that:

Condemnor in a condemnation case should pay the initial court-cost-deposit when objections are filed by either party to a special commission award. He may recover if the county court judgment is for the same or a lesser amount of damages than offered before proceedings commenced.

Valley cable TV company which sponsors a bingo-type game over its facilities is not engaged in a forbidden lottery.

Changes in an individual holding of a wine and beer "on premise" license must be reflected on the license or permit, showing name and photograph.

COURTS SPEAK--A Supreme Court hearing has been set for November 26 on Mobil Oil Corporation's suit to get back the amount of \$386,893 in gas production taxes paid under protest since 1966.

Same court held that Wilson Radio Dispatch, with offices in McAllen, Brownsville, Harlingen and Rincon Camp, owes the state more than \$10,000 in back

taxes from its car-telephone service.

A decision by the Corpus Christi board of adjustment to allow radio station KCCT to build a transmitter in a residential area was upheld by the high court.

APPOINTMENTS--Governor Preston Smith named Lee Penn, 39, of Austin to the Texas Industrial Accident Board. Penn is the husband of Fay Penn, Smith's secretary.

A long list of other appointments included the following:

Judges New Dallas Courts: Charles Spencer Carver, Jr., Snowden Marshall Leftwich, Jr., Hugh Thomas Snodgrass, John Calder Vance and Rolland Terry Scales... with James Greer Dowell succeeding Leftwich on the Dallas domestic relations bench.

Board of Regents West Texas State University: Dr. Theron Charles Hawkins of Kerrville, Donald Robert Curry of Fort Worth, Arthur Eugene Quest, Jr. of Lubbock, Irby B. Caruth of Austin, James E. Jenkins of Austin, Patrick Richard Rutherford, Jr. of Houston, Cloyce Kennedy Box of Dallas, Thomas Boone Pickens, Jr. of Amarillo and B. Raymond Edans of Tullia.

Texas Optometry Board: Dr. N. Jay Rogers of Beaumont, Dr. John William Davis of Dallas, Dr. Salvador S. Mora of Laredo, Dr. Jack Burton of Cleburne, Dr. Jacob M. Cohen and Dr. Nelson F. Waldman of Houston.

New Customer Credit Study Committee: E. M. Stevens of San Antonio and Joseph David Irion of Beaumont.

BattleShip Texas Commission: Richard C. Gusman of Bay City, Mrs. Viola Marie Webb of El Campo and Robert Norman Aylin of Houston.

State Board of Medical Examiners: Dr. McKinley Homer Crabb of Fort Worth, Dr. Glenn Garland Porter of Lubbock and Dr. Jose Gamma Rodarte of Temple.

San Antonio River Authority: Curtis C. Gunn and Thomas Drought of San Antonio.

BREAKFAST IN SCHOOL--

Texas Education Agency says school breakfast programs in Texas public schools are expected to pass the 350 mark in 1969-70, doubling the 172 total set during the last academic year.

TEA also announced that the State Board of Education has allocated \$10,400,000 in vocational technical funds to Texas' public junior colleges for the present school year. Funds were provided by the Legislature.

REPUBLICANS ACTIVE--Promising themselves at least 35 more state representatives, four more state senators, three more congressmen and a second United States Senator, Texas Republicans are setting their election targets on areas where the minorities comprise a large portion of the population.

They outlined plans to start now, reaching for the Negro and Mexican-American voters, instead of waiting until election time, 1970.

Republicans aim specifically at the 15 state senators who made the majority when the food tax bill was passed by the Senate.

Republican District Committeeman Winston Wrinkle of Big Spring, who heads the party's Legislative Committee, says they plan to use the recent "184-day Donnellybrook" (the three legislative sessions) and the tax increases, as additional ammunition.

Texas Federation of Republican Women announced that Mrs. Spiro T. Agnew will be in Austin on October 31 to present the second annual Tops "N" Texas awards for community service by women.

BRUCellosis--Texas Animal Health Commission says only eight Texas Counties have not begun brucellosis-eradication programs, and all but 66 have been classified as modified-certified areas.

Federal regulations went into effect on August 1 restricting the interstate movement of most cattle from areas not modified-certified.

Yarbrough Says

Tax Relief Needed

Today, tax reform is a major subject all over America. Here in Washington, the Senate Finance Committee is now conducting hearings on tax reform proposals.

Most of these proposals deal with special interest provisions in the tax laws. There are many loopholes which need closing, but there is also a greater need to provide real tax relief for the average wage earner of this country. Most of the discussion is over closing loopholes, or over which tax exemption is a loophole and which is not. But there has been little discussion so far of genuine tax relief for the people.

To provide some of this needed relief, I have introduced an amendment to the tax bill which passed the House of Representatives and is now pending in the Senate. My amendment would increase the personal exemption on income taxes from the present \$600 a year to \$1,200 a year.

It was disappointing to me that neither the House of Representatives bill nor the President's tax proposals included any in-

crease in the personal exemption.

An increase in the personal exemption would mean that many poor families would not have to pay an income tax. As things stand now, a family of four with a yearly income of \$3,400 a year is considered in the poverty bracket. Yet this same family of four must pay an income tax.

An increase in the personal exemption is essential if I really want tax reform. It is the surest and quickest way to give the middle income and the low income taxpayer relief from their heavy burden of taxes.

The government is taxing people who are not making enough money to provide themselves with a minimum standard of living. Through our tax laws we take away from these people money they could use to buy food or clothing then we turn around and set up a program to see that they get food.

An increase in the personal exemption would help the taxpayers who are out of the poverty bracket, but are still having

a hard time making ends meet. The present exemption of \$600 a year per person was set in 1948. When it was passed by Congress, it was said this amount would provide relief from the high cost of living.

Since 1948 the cost of living has gone up over 52 per cent, but we have not increased the personal exemption one cent. This present exemption does not provide relief from the high cost of living, and the people need relief.

An increase in the personal exemption is essential if Congress is to do its duty for the over-taxed citizen. Passing my proposed increase in the personal exemption would provide relief for the average citizen.

Tower Favors Draft Revision

I believe we have been in need of revision of our military draft laws for some time, and I am pleased to be able to report to you now that major reform in our selective service system is in sight.

I proposed draft reform legislation last year and introduced my proposal again at the first of this year. Last spring the administration asked Congress to pass legislation quite similar to that which I had introduced.

While the press of other legislative business in Congress is likely to prevent passage of a draft reform bill this year, I welcome the administration's recent decision to proceed with plans to revise our selective service system through executive order.

The administrative branch of our federal government has always had the power to make changes in our selective service system but has until recently been hesitant to act. Now President Nixon and Defense Secretary Laird say they are willing to institute reforms which will limit the length of

time our young men will experience prime vulnerability to the draft to a single year.

In brief, the administration appears ready to institute essentially the same changes I put forward when I introduced my bill.

In addition, the administration has also expressed a desire to establish a lottery to provide a system of random selection among those young men of prime eligibility when the number of such young men exceed our nation's military manpower requirements.

I am not opposed to a lottery system but current legislation prohibits the administration from establishing such a system without Congressional action even though it is free to make the other desired changes.

Secretary Laird has said that if Congress fails to act to remove the restriction against a lottery system this year, the administration will institute another selection method allowable under existing law which the administration calls the Moving Age Group.

Under this system, each young man would experience prime vulnerability to the draft for a 12-month period beginning at age 19 or upon expiration of a student or other type of deferment. During the first year of operation, men classified 1-A who are 20 through 25 years of age would also be included.

Draftees would then be selected each month from among those who are then experiencing their 12 months of prime vulnerability.

Each month, the individuals who have been in the prime vulnerability pool the longest time would be selected. But also, each month the day of the month used for determining the exact 12-month period of prime vulnerability would be changed administratively. Thus a degree of change would be injected into the system without the actual use of a lottery.

As you can tell, the Moving Age Group system is complex and would be difficult to administer. It would be much simpler to institute a fair method of genuine random selection from a pool in which each individual would remain for only one year.

Due to the protracted period of time required for Senate passage of the military procurement bill earlier this year, the Senate Armed Services committee, of which I am a member, is only just now getting ready to begin sessions on the military construction authorization bill. This means the committee will have no time this year for an exhaustive study of a draft reform plan.

The House, however, may act this year to approve legislation which would lift the existing restriction against establishment of a lottery system by executive order. If the House passes legislation confined only to the removal of that restriction, the Senate Armed Services Committee would be able to act on it quickly and seek Senate approval as well.

I am hopeful that this limited legislation will be passed by Congress this year.

It is of primary importance of course that our draft system be revised as soon as possible to at least limit the period of prime vulnerability to a single year, and I welcome the administration's announcement that it will establish the revision early next year by executive order if necessary.

The current draft system forces our young men to remain susceptible to the draft for as long as seven years. This span of years prohibits our young men from planning their futures with certainty exactly at the time in which they are facing the most momentous choices of their lives.

I believe that a young man should be able to plan for his education, to plan for the start of his career, and the beginning of married life - free of the fear of sudden and drastic alteration due to military induction. Now that is why I so strongly favor limiting the time of prime draft vulnerability from seven years to one.

Rodriguez Returns from Guatemala

FORT HOOD, TEX. (AHTNC) - Army Chief Warrant Officer Julio Rodriguez, Sr., 28, son of Mrs. Rachel Archer, 14420 Pontlavoy, Norwalk, Calif., returned to his home station at Ft. Hood, Tex., Sept. 16, from Guatemala, Central America, where he has been assisting in relief operations following the onslaught of Hurricane Francilla.

WO Rodriguez was pilot of one of the four UH-1 Huey helicopters that flew from Ft. Hood on Sept. 12 to assist the Guatemalan government in the relief operations.

Regularly assigned to the 181 Aviation Company at the fort, he entered the Army in June, 1959, and has since served a tour of duty in Vietnam.

Xi Iota Selects 1969-70 Valentine Queen

The Xi Iota Epsilon chapter of Beta Sigma Phi named Martha Ann Stephens as its 1970 Valentine Sweetheart at the regular meeting Thursday night. The Sweetheart was named in October so that the local Beta Sigma Phi entry would meet the November 1 entry deadline in the International Beta Sigma Phi Valentine Sweetheart competition, said Joyce Arnold, club spokesman. A Hollywood screen idol will select the 1970 International Sweetheart from pictures submitted by clubs from all over the globe.

At the meeting, held at the home of Martha Ann Stephens, Annette Bruce presented the program, entitled "The Polar Region." The Xi Iota chapter is touring the globe this year through their program book, "The Grand Tour," which features stories and backgrounds on other lands.

After the "tour," members discussed the recent "Fall Fantasy" style show which was held October 2.

Fifteen members enjoyed pie and coffee at the closing social hour.

Gov. Smith Speaks At TSTA Convention

SAN ANTONIO--Governor Preston Smith will be a featured speaker when some 8,000 members and guests of the Texas State Teachers Association hold their 91st annual convention Oct. 23-25 in the San Antonio Convention Center.

Other speakers will include Sam M. Lambert, executive secretary of the National Education Association, and Charles D. Holleyman, superintendent of schools, Mustang, Oklahoma.

Supt. Harold H. Hitt of the San Antonio Independent School District will welcome his fellow TSTA members to the Convention Center, located in the shadow of the HemisFair "Tower of the Americas" and a few blocks from the historic Alamo in downtown San Antonio.

Supt. Claude A. Hearn, Jr. of the Randolph Air Force Base ISD, San Antonio and president of TSTA, will preside at the three general sessions. Also on the program will be Jewell Harris, president elect; L. P. Sturgeon, executive secretary; and Antoinette Miller, immediate past president.

Wayne King and his orchestra will provide special music for the third general session in the 10,000-seat arena of the convention center.

Climax of the convention will be the Saturday meeting of the TSTA's 1,288-member House of Delegates, composed of voting delegates from local associations throughout the state, which will discuss and act on proposed new policies, changes in the constitution, and other business.

Mr. & Mrs. Bob Parrish Celebrate 68th. Wedding Anniversary

Mr. and Mrs. Bob Parrish

Mr. and Mrs. Bob Parrish of Purlena were honored on their sixty-eighth wedding anniversary with a dinner in their home. They were married in 1901 by Rev. W. S. Johnson at the home of their grandmother in Mound. Both Bob and Lilly Parrish are natives of Coryell County and well-known to Coryellites. They had 15 children, 10 of whom are still living. The couple has 22 grandchildren and 14 great grandchildren.

Their children are Robert L. Parrish of West, Nunt Parrish of Hamilton, George Parrish of Hamilton, J. D. Parrish of California, Mrs. Falvey Weeks of Purlena, Mrs. Jay Griffith of Hamilton, R. E. Parrish of Gatesville, Mrs. Bruce Bomar of Mound, Woodroe Parrish of Hamilton, and Lee Parrish of Hamilton.

MR. & MRS. SPENCER THOMPSON

HONEYMOON AFTER 50 YEARS... One of the cutest couples I know will be leaving on their honeymoon after 50 years of marriage.

Mr. and Mrs. Spencer Thompson of Gatesville left Sunday for a trip to Tennessee, which Mr. Thompson so cleverly called their honeymoon after 50 years of wedlock.

They will visit Butler Parkes and Thompson families in the states of Kentucky and Tennessee. The trip will be split into visits with Butler and Parkes, cousins in Red Boiling Springs, Tennessee; and Thompkins in Thompkinsville, Kentucky. The Thompkins will return next Sunday.

The Thompkins were married in 1919 in the Izora Community. At the time of their marriage Mr. Thompson was a farmer at Pidcocke. In 1938 the family moved to Schley until the community was swallowed by Fort Hood.

Mr. Thompson worked for the Fort Hood Fire Department in the early 1940's until he moved to Gatesville in 1944. At that time he was employed by R. E. Powell.

Mr. Thompson became greenskeeper for the Gatesville Country Club in the early 1950's and remained at that position until he became custodian at the First Baptist Church in 1962. He is presently employed at the local church.

The Thompkins celebrated their Golden Anniversary last February 23.

Forty-four years together... And what a cute couple they are--Mr. and Mrs. Byron Leaird, Jr., that is! Grace and Byron will celebrate their 44th wedding anniversary on Friday.

They were married in the First Methodist Church in Gatesville on October 17, 1925. The Leairds are both natives of Coryell County and Gatesville. They have lived at their 1208 Leon Street address since their wedding date 44 years ago. Congratulations on 44 years of marriage, Byron and Grace.

BRR--BRR--BRR...Brr! It's cold outside. Looks like the brisk chilly days of winter are here before winter itself! With the arrival of the cold front into the Gatesville area Sunday afternoon, came all sorts of winter signs!

The most striking sign (if it struck you) was the north wind--brrr--that's something that can change an 80 degree morning into a 50 degree afternoon without much trouble at all.

By Monday morning, Gatesville was covered in a windy refrigerated bulb of cold air. Gatesvilleites left the light cotton clothes of last week for heavier fall and winter attire.

It's funny, I remember telling a friend this time last week, how glad I'd be to see winter--about all I have to say now is "I take it back." Give me some chili and an overcoat quick!!!

WHAT A PRETTY BRIDE... Wow! If you went to the Dennis Ashley-Dalores Ortega wedding Saturday night, you would have laid your eyes on one of the most beautiful brides to come this way!

The couple exchanged wedding vows in the First Baptist Church of Gatesville with Rev. Joe Cranfill officiating.

Dolores, a 1969 Gatesville High School graduate, was a stand-out Stingette since 1967. Ashley, of Merriville, Indiana, was formerly stationed at Fort Hood.

After a short wedding trip, the Ashleys will live in Merriville, Indiana. Mr. Ashley is employed by Bethlehem Steel in Gary, Indiana.

Mrs. Speer Honored With Bridal Shower

On the evening of October 12, a miscellaneous bridal shower for Mrs. Gary Speer, formerly Miss Linda Suggs, was held in the home of Mrs. Floyd Ashmore, Jonesboro.

Decorations of blue and white, the bride's chosen colors, were carried out. The serving table was covered with a white linen cutwork table cloth worked in blue. The centerpiece was blue flowers in a white container surrounded by blue net and white bells, and flanked on each side by two blue candles in crystal candle holders. A blue banner with Linda and Gary in white completed the decorations.

Wedding cookies, nuts and punch were served.

Hostesses assisting Mrs. Ashmore were Mrs. C. A. Payne, Mrs. Frank Courtney, Mrs. Scottie Johnson, Mrs. W. B. Pruitt, and Mrs. Billy Russell.

Those attending were the honoree, her mother, Mrs. Alvis Suggs, her grandmother, Mrs. Gay Huggitt, and Mrs. Vergil Beechley, Mrs. M. S. Lary, Mrs. Martha Johnson, Mrs. Truett Lightsey, Mrs. Roy Locker, Mrs. Troy McDonald, Mrs. Dwaine Necessary, Mrs. Clinton Lee, Mrs. G. T. Moore, Jr., Mrs. Lucille Adams, Mrs. Bert Ramsey, Mrs. Woody Gilman, Mrs. Jimmy Payne, Mrs. Harold Watson, Mrs. W. P. Paul, Jr., Mrs. Bunk Vaden, Mrs. John Calvert, Mrs. Sidney White, Miss Loretta Pogue, and Miss Margaret Ramsey.

Versatile serving carts cost up to \$800 on today's market. Jane Berry, Extension home furnishings specialist, says new designs range from plastic to find wood tops, from stationary storage pieces to dispensers for hot or cold foods.

Mrs. Whisenhunt, Coryell Resident Buried Friday

Mrs. Mary Lela Whisenhunt of Gatesville died Wednesday afternoon in the Rotunda. She had been in the rest home for 16 years and was 88 years of age.

Services were held Friday, October 10, at 2:00 p.m. in Scott's Funeral Home with Minister Rex Tilly officiating. Interment was in Restland Cemetery.

Christmas Mail Deadlines Set

The following periods have been designated for mailing Christmas parcels to members of the Armed Forces overseas:

1. Surface Transportation--October 13 to November 8.
2. SAM (Space Available Parcel Airlift)--October 20 to November 22.
3. PAL (Parcel Air Lift)--October 27 to November 29.
4. Airmail--December 1 to December 13.

The term "Armed Forces Overseas" includes personnel of the Armed Forces, members of their families and U.S. civilians employed overseas who receive mail through an APO or FPO New York, San Francisco or Seattle.

It cannot be emphasized too strongly that articles should be packed in wood, metal or heavy cardboard boxes with plenty of cushioning material inside. Unless tightly filled, boxes are likely to be crushed. Cardboard boxes should be tied with strong cord. Wrapping paper around the cardboard box will give it extra strength. A slip showing list of contents and name and address of sender and addressee, should be enclosed in the parcel.

For assistance or information about Christmas parcels for Armed Forces overseas, call the post office.

MAIL EARLY

Mrs. Whisenhunt was born October 9, 1880, in Coryell County. She was raised in the Ater Community and moved to Gatesville in 1935. She resided at 2320 Bridge Street for 33 years.

Daughter of Mr. Robert Earl Timmons and the former Sarah Elizabeth Wilson, she married W. A. Whisenhunt in 1903.

Surviving are three daughters, Mrs. C. C. Gilchrist of Waco, Mrs. Willie Hoppe and Mrs. Bailey Franks, both of Gatesville; one son, Jim Whisenhunt of Gatesville.

One sister, Mrs. W. R. Whisenhunt of Ater; one brother, Ernest E. Timmons of Jonesboro.

There are also ten grandchildren and sixteen great grandchildren.

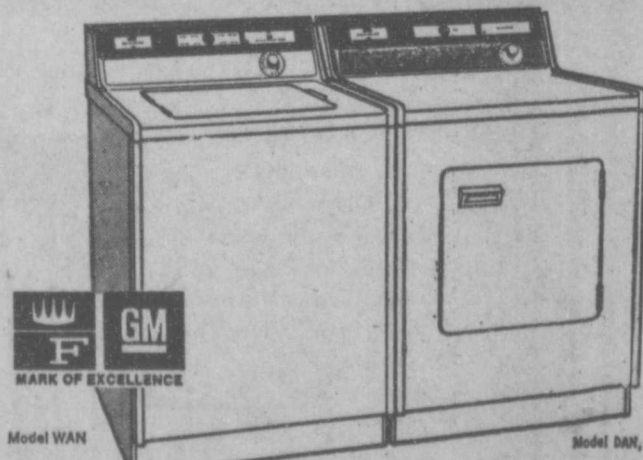

The pallbearers were Louis Gilchrist, Norman Gilchrist, Merdia Gilchrist, Doyle Holt, Thomas Holden, and Charlie Holden.

Sigma Rho Observes Pledge Service Thursday Night

1969-70 Sigma Rho Pledges

Pictured above (l. to r.) are the seven lovely Sigma Rho pledges for 1969-70: Lillian Vidler, Becky Kenworthy, Sue Bankhead, Jo Lynn Jackson, Sherry Scott, Phyllis Harvey and Janda Coward. The group received their pins in ceremonies Thursday night.

Sigma Rho Chapter of Beta Sigma Phi met Thursday, October 9, at 7:30 p.m. in the home of chapter president, Mrs. Doris Reynolds, 2519 Lowrey Drive.

A Pledge Service was held in the den in a candlelight ceremony around a white covered table centered with an arrangement of yellow roses, the Beta Sigma Phi flower. Nestled in the arrangement was the sorority insignia.

The pledge ritual was read by Mrs. Evelyn Lovejoy who was assisted by Mesdames Becky Necessary, Marilyn Myrick, Barbara Pearce and Nelda Wolfe.

Pledges for the 1969-70 year receiving their pins in the impressive ceremony were Mesdames Sue Bankhead, Janda Coward, Phyllis Harvey, Jo Lynn Jackson, Becky Kenworthy, Lillian Vidler, and Sherry Scott.

Ending the formal ceremony was the voicing of the closing ritual.

Refreshments of fruit punch, finger sandwiches, cake squares, and nuts were served to the pledges and Mesdames Betsy Bruton, Jeanne Cohagen, Ann Eubanks, Barbara Huntley, Pat Jones, and Rita Weatherby.

At the last meeting it was decided that as a money-making project, each member would bring an old dress, shoes, and hat to be put in grab bags. Each member must pay a quarter to get a grab bag, and at the end of three weeks (when all the items have been purchased) the clothing will be worn to the regular meeting as a "tacky party." The money collected will be applied to one of the philanthropic projects of the sorority.

The first bags were purchased at Thursday's meeting, and each member was to wait until she got home to examine her "purchase."

Time Out for Fun!

Taking time out to enjoy refreshments and conversation are Sigma Rho members Evelyn Lovejoy, Nelda Wolfe and Doris Reynolds. Mrs. Reynolds was hostess for the pledge ceremony.

George Shipman Rites Held Today

George Franklin Shipman of the Mountain Community died Sunday, October 12 at 2:10 after a long stay in the Coryell Memorial Hospital. He was 73 at the time of death.

Services for Shipman were held today at 2:00 p.m. in Scott's Chapel. Rev. G. L. Derrick officiated with burial in Restland Cemetery.

The son of W. E. Shipman and the former Ruth Elizabeth Muse, Shipman had been a resident of the Mountain Community for two years prior to death. A retired trucker, he married the former Mrs. Hehlan Curtis in 1960.

Survivors are his wife, Mrs. G. F. Shipman of Mountain; two sons, Haskell Shipman of San Antonio, and Jack Shipman of El Paso; two daughters Mrs. Lillie Bell Harvick of San Antonio and Mrs. George Dell Bradshaw of Houston.

Two stepchildren, J. J. Tabors of Mountain and Mrs. Rosie Harvick of Pleasanton; and one sister Mrs. Tillie McKay of Alvin. There are also 25 grandchildren, 21 great grandchildren, and three great, great, grandchildren.

Some of the newest tools of the era of separates, reports Kay Elmore, are vests, pants, skirts, casual short capes and double breasted blazers. Miss Elmore is an Extension clothing specialist at Texas A&M University.

Grandparents - Newlyweds - Babies to Dominate 1970's

Grandparents, newlyweds and babies will dominate the 1970's predicts Minnie Bell, Extension specialist for aging. Today's deluge of teenagers will marry and have children; the number of people 55 years or older is expected to increase 20 percent.

Cadette Girl Scout Troop 424 Meets

Cadette Girl Scout Troop 424 met Thursday, October 9 at the Scout House in Raby Park.

Refreshments were served by Lana Stovall. We made plans for October and November.

Friday, October 17, we will have a family weiner roast at Faunt Le Roy Crossing at 7:00 p.m. October 30 we will have a "bridging-over" ceremony for the Junior Girl Scouts who are becoming Cadette Girl Scouts.

In November we will begin art activities.

For our closing ceremony the Mod Squad patrol lead us in repeating the Girl Scout Promise. Members of the patrol repeated the 10 Girl Scout Laws. We all sang "A Good Girl Scout," and we were dismissed.

Keep Up-To-Date Shopping List

COLLEGE STATION, OCT.-- One good way to save time and money while grocery shopping is to keep an up-to-date shopping list, suggests Gwendolynne Clyatt, Extension consumer marketing specialist.

Include on the list items which are in good supply and are featured in food stores. For example, this week look for best beef values on round steaks and roasts, short ribs, ground beef and chuck roasts and steaks. Pork values include hams, picnics, shoulder roasts and steaks and end cut loin roasts and chops.

Fryers remain a good buy in most retail meat departments and Mrs. Clyatt adds that grade A large size eggs generally offer the most economy and quality.

Apples, bananas, tokay and Thompson seedless grapes, sweet potatoes, white potatoes, head lettuce, celery, cabbage, cauliflower, eggplant, carrots, dry yellow onions and tomatoes are in best supply at the most economical prices.

New crop cranberries are now coming to market, the Texas A&M University specialist adds.

Treat Caladiums Like Annual Flowers For Beautiful Crops

COLLEGE STATION, OCT.-- To insure success with Caladiums treat them as annual flowers; use new tubers each spring. They are difficult to successfully carry over from season to season because fall rains prevent proper curing, says Everett Janne, Extension landscape horticulturist.

If Caladiums were successful this summer, Janne suggests saving the tubers now for another year. Follow this procedure:

As the leaves begin to dry after night temperatures drop to 50° and below, lift individual clumps and place in a warm, dry, well-ventilated shed or garage with good light for 10 days to two weeks. It is best to remove as much of the soil as possible when lifting. This hastens the drying and curing process, the Texas A&M specialist says.

After drying remove dead leaves and inspect tubers to be sure they are free of disease and insects. Dust them thoroughly with a combination of Captan and Sevin to protect against insects and fungus disease in storage.

Using dry peat moss or vermiculite, place the tubers in a container so they do not touch each other. Store in a warm dry closet at 60° F. Colder temperatures will promote rotting; warmer temperatures will cause premature sprouting.

Caladium tubers should not be set out in the spring until the soil temperature reaches 70° F., Janne says.

In Central Texas this is usually about May 1; in the Dallas-Fort Worth area about May 15; and in South Central Texas about April 15.

Inspect stored tubers before planting and discard those that have rotted areas or appear damaged in any way.

Plant Caladiums in partial shade in a well protected spot. A well prepared bed with ample organic matter and good drainage is important, reminds Janne.

Bluebonnet Council To Send 8 To GS National Camp

The Bluebonnet Girl Scout Council Board of Directors approved that a patrol of eight Senior Girl Scouts will make an eighteen day camping trip to the Girl Scout National Center West at Worland, Wyoming, July, 1970. The regular meeting of the 30 member Board met in Waco, September 25. Mrs. Carroll McReynolds is the president. This trip will be a program to take the place of the national Roundup for Senior Girl Scouts which was discontinued several years ago. The new Girl Scout site will accommodate 10,000 Girl Scouts annually with additional facilities for adult leadership training. It is a 15,000 acre site, located adjacent to the Bighorn National Forest.

The Bluebonnet Girl Scout Council, in assuming direction of selecting, preparing a patrol of senior Girl Scouts, girls who are presently in the 9th, 10th, and 11th grades in school, will direct the selection of girls and adults to make the trip, provide transportation, camping equipment, sites for campouts enroute, and expenses above \$100 per girl, this to be paid by each of the patrol selected for the event. The balance of fees to be paid from the restricted fund for Council girl events, which is a fund established through the sale of Girl Scout cookies.

Three campouts for Senior Girl Scouts of the Girl Scout Council will give opportunity for the girls to make application for the event, and provide them with opportunities to develop their skills in camping, one of the prerequisites for a girl to qualify and apply for the trip. The campouts, as well as details for the Wyoming Trek, will be planned at the Senior Planning Board meeting, Camp Kachina, October 18. All senior Girl Scout troops in the 13 county council are asked to send two representatives from their troop to this meeting.

ATER NEWS by Patsy Weaver

WEAVERS HAVE LOUISIANA

GUESTS OVER WEEKEND

Visiting in the Sam Weaver home over the weekend were Mrs. Betty Ferrell from Ferriday, Louisiana. Along with her daughter Evelyn and son-in-law Jack, she brought one great grandson to see Momo Patsy. His name is Steve Rogers. Also with this group was an old friend of the family, Paul Stevens of Jackson, Mississippi. Also visiting Sister Patsy was Brother Leon Evans of Houston with his wife Ruby, daughter Sondra, son Bubba, and boy friend Benny. Mr. and Mrs. Willie Timmons came in the evening and all played 84. Who won--the men of course.

Well, I need help. The peas are way out in front, and I can't catch up. There will be no broadcast on trading post this year, so all must depend on the Coryell County News this time, and should at all times any way.

Mrs. Willis Whisenhunt came home from the hospital. Visiting in Mr. and Mrs. Ernest Timmons home over the weekend were Mr. and Mrs. Otha Rogers from Gatesville, Mrs. Rhea Watts, Mrs. Alex Mcarty, Mrs. Jack Weaver, and of course, the little ones, Jeff, Beverly and Baby from McGregor.

Mrs. Ruby Weaver and sister Ila Mae visited Patsy Sunday afternoon.

Mrs. Brazell, Mrs. McCorkle, Mrs. Zona McElroy, all of Levita quitted at Patsy's house last week. Thanks again, girls. Every one is invited to come to Ater school house and quilt Tuesday the 7th. We are

hoping to have all of our old gang back this year. Every body is moving into town, and we don't have many left to help keep up the Community anymore. Looks like Ater and Levita will have to get together and try to help one another. I know, yes, I know, but some time we have to put aside some of these ill feelings and get with it. Besides, I think all are very nice; however, I've only been here six years. I am still learning. Now let's all meet at the Sam Weaver place and pick a few peas and have fun.

The little Helms family is very busy making a little beauty shop over yonder in Jonesboro and they don't have much time after they milk all the cows. Wish we had a few more families like that--getting things done and being so quiet about all of it.

We had two inches of rain last night. It was good on the greens.

That's about all I have to talk about now; I don't visit much and no one comes around here unless they want something. Now, you take me--I don't really know who to visit, I might walk into someone's house and get sued before I could get out for trespassing or taking a drink of that precious water or anything. Kin-folks look at you with dollar signs in their eyes and wait for someone to die so they can see what is left to them. It's not like the old days when we had family love. Guess I'll stop and sing a song now. See ya'll soon if I don't get shot, I went into this store and bought something for a friend, and the salesgirl said, "That will be \$5 tax please, and I told her I didn't need any tax, I wasn't going to fix anything."

The average American ate nearly 162 pounds of meat last year, reports Extension Consumer Marketing Specialist Gwendolynne Clyatt. More than 61 pounds of this was beef.

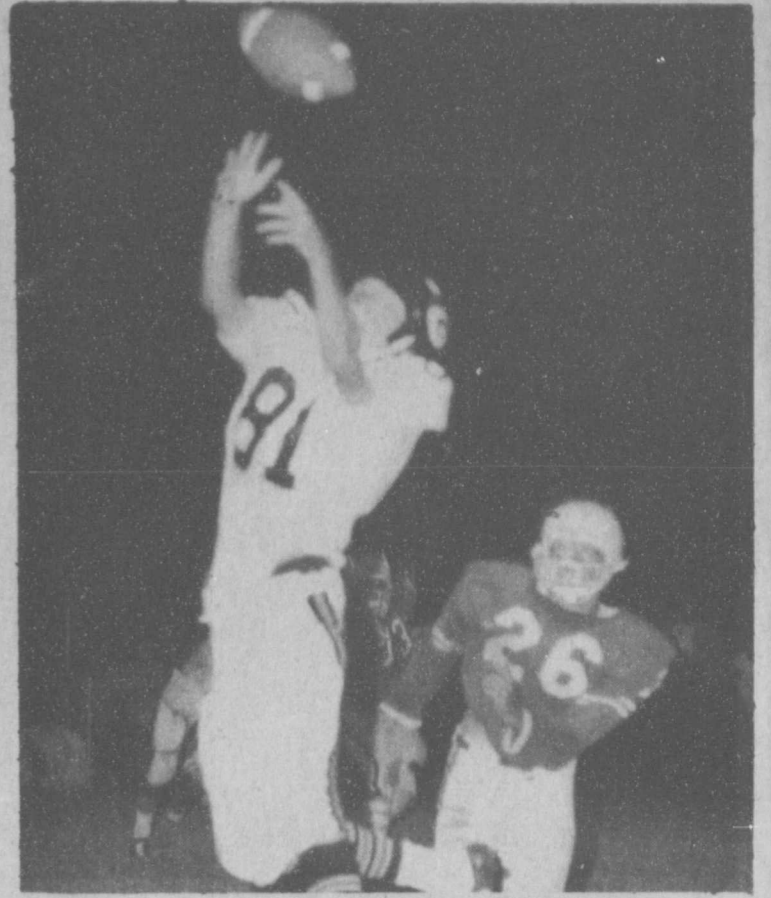

Billy Hord, No. 33, opened up the Cardinal defense and powered his way for 44 yards and a four-yard per carry average.

Larry Smith reaches high into the air for a pass against Del Valle. Smith caught one of three touchdown passes.

"Big No. 39," Randy Schoenewolf stretches for additional yardage against Del Valle. Schoenewolf powered his way to a 13-yard per carry average.

Larry Moore pictured above set up the second Hornet score on this fine 22-yard run in the first quarter. He later threw a touchdown pass.

Jonesboro Outscores Milford 32 to 4 in Thursday Night Game

Back on the winning track after being beaten by Star last week, Jonesboro picked up 44 to 32 victory over Milford Thursday night in Milford.

Dale Sommerfeld, speedy quarterback for the Eagles, scored three touchdowns including a 70-yard punt return in the Thursday night action. Sommerfeld was taken from the game in the third quarter and put in the hospital suffering from a bruised kidney.

Coach Bill Dyer said Sommerfeld probably would miss this Friday night's game against Tolar and might be out of action even longer.

The Eagles jumped out to a 14 to 0 lead early in the game. The first score came on a pass play from Roy Martin to Jimmy Murry. Martin kicked the extra point.

Martin raced 25 yards for the Eagles second score a few minutes later.

Milford scored their first touchdown on a short run and kicked the extra point. Milford then scored again but missed the extra point, making the score 20-14.

Sommerfeld scored following a good drive by the Eagles on a five yard run. Martin kicked for two points, upping the points 28 to 14.

Then in the third quarter, Sommerfeld took a Milford punt at the 10-yard line and raced 70 yards for a touchdown. Martin again made good on the extra point kick.

Early in the fourth quarter Martin raced 20 yards for the Eagles' last touchdown, and he also picked up the extra point, making the score 44 to 20.

Milford scored two more touchdowns—the last one coming with less than a minute to play. Coach Dyer noted that the Milford game was the best showing of the year for Martin and Sommerfeld. "Over-all the team played better this week," he said. "Patterson and Murry looked good on defense."

Next week the Eagles will be home in Jonesboro to face Tolar. Then on October 24, the Eagles will open 10-B district play against their cross-county rival, Oglesby.

Mayhew Watson is Named to American Hereford Association

Kansas City, Mo., October 3, 1969—(Special)—Mayhew Watson, Jonesboro recently was named to membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Missouri.

Forty-nine Hereford breeders were placed on the Association's official roster in September. The AHA maintains records for breeders of registered Herefords over the nation. The AHA's herd books contain more than 15,000,000 purebred Hereford records.

Brown carried for one, and Moore picked up three more to the 45-yard line. Then Barr opened a new chapter in Schoenewolf's record books with a pass carrying to the Del Valle 38. Barr called on Moore to throw a wingback pass to Mike Matthews next, and Matthews broke the play for a touchdown with 1:13 showing on the clock. Barr picked up two extra points to make it 28 to 0.

The second half opened with the Hornets kicking to Del Valle. On first down Cardinal quarterback Larry Erickson's pass was intercepted by Mike Williams at the Del Valle 45-yard line.

Two plays netted the Hornets three yards, and then Ortega swept right end and was driven out of bounds after a 16-yard gain. Schoenewolf then smashed for eleven yards to the Card 15. The Hornets recovered their fumble on first down, and Brown picked up four on second down. Larry Smith grabbed up Barr's third down pass in the right corner of the end zone to push the Hornet lead to 34 to 0.

The Hornet "gold team" took charge from this point offensively, and the Hornet first string defense continued to hold off the Cardinal threats.

son was traveling west on Main when the Parker auto collided with her 1966 Mustang. She was taken to Coryell Memorial Hospital by emergency ambulance where she was treated and released.

Damages were listed by Patrolman Beasley at \$450 to the Jackson Mustang and \$150 to the Parker auto.

A minor accident occurred at 312 Park Street when an unknown party backed into a 1966 Mustang belonging to James F. Paxton of 1509 Meadow Spur Drive, Killeen. The car received \$125 damage.

The Texas Department of Public Safety reported three accidents on county roads and highways during the weekend.

Patrolman David Jund reported the first weekend accident for the local DPS occurred at 12 noon 1.2 miles south of Gatesville on Texas Highway 36.

The accident occurred as Mrs. Jewel Clemons of Route 2, Gatesville, was attempting to turn left into a driveway and was struck by a 1963 Ford driven by Catherine Gannaway of Route 1, Gatesville. Mrs. Gannaway was unable to stop on the rainslick roadway and struck the rear of the Clemons car.

Charges of failure to control speed to avoid collision were filed against the Gannaway woman. Jund said both vehicles received \$200 in damages.

At 4:30 p.m., another two-car accident occurred 7.5 miles east of Gatesville on US 84.

The accident occurred as a 1964 Oldsmobile, driven by Leonard Gord of 205 N. Eighth Street, Gatesville, was struck by a 1968 Ford driven by Rodolfo Marquez of Route 2, Oglesby.

Marquez was attempting to pass Gord when he struck the Gore auto to avoid collision with on-coming traffic. Marquez was charged with failure to control speed to avoid collision. Damages were set at \$150 to Gore's auto and \$75 to the Marquez vehicle.

The final accident of the day occurred at 5:40 p.m. 2.6 miles north of Gatesville on FM 929 when Burney Bob Baize of Route 2, Gatesville, struck the rear end of a Dodge pickup belonging to Joe Blakley of Pearl.

The Blakley vehicle was parked in the roadway, and Baize topped a hill and was unable to stop in time. Blakley was charged with parking in a roadway. Damages were listed at \$400 to Baize's car and \$40 to Blakley's pickup.

second pass attempt at the Del Valle 32-yard line. The Hornets gave up the ball four plays later. Jim Sanders intercepted a second down pass at the Del Valle 40-yard line.

Another exchange of punts, and the Hornets have the ball at their 34-yard line. Billy hord picked up six up the middle on first and three on second down.

Ortega powered his way to the Card 34 on a 23-yard end run. Hord contributed another nine yards up the middle and

on second and one, Sanders hit Matthews in a crowd at the goal line for the Hornets' last touchdown. Sanders swept right end for two points making the Hornets 42 points

Del Valle scored in the

fourth quarter on a 51-yard drive. Woody Benford scampered 31 yards to the Hornet five-yard line on a big play in the drive. Larry Erickson scored for the Cardinals, and the extra point was good.
