

Spooks Roam Gatesville — On Eery Eve

EEK—EEK, I thought I saw a ghost! If you were traveling around Gatesville Halloween that sentence could well have come from your lips.

Hundreds of ghosts, witches, skeletons, and Cinderellas were roaming the streets of Gatesville Friday night as local youngsters enthusiastically don-

ed their costumes and scared each other and themselves to death.

The tiny spooks "hit the streets" at about dusk as they began their "rampage" for candy and Halloween treats. Parents accompanied the younger witches and goblins, who were a bit scared themselves!

At any rate Gatesville young-

sters posing as small spirits haunted the city streets Halloween night.

Older spooks took to Faunt Le Roy's Crossing park for Tom foolery and water balloons. The city police warned older pranksters to "stay off city streets with water balloons and eggs or face city court fines."

Reports are in that the Halloween pranks were at a minimum and that Faunt Le Roy's was a haven of activity with the teen-age pranksters--

The game helped on the local streets since most of the kids were in Rockdale "tricking the Tigers."

Hundreds of local youngsters enjoyed Halloween parties in the afternoon at Gatesville Elementary School and various day nurseries across the city.

Elementary youngsters were treated to orange "soda pop" and candies at home room parties at the local educational facility. Each room had their own party with the help of the busy homeroom mothers.

With throngs of school kids in ghost's a goblin's attire a walk down any corridor would reveal a preview of a Frankenstein movie.

The kids ate candy, drank cokes, and returned home sticky but happy with telltale orange crepe paper stains on their hands and candy on their faces.

Pop corn balls...um,um good!

Convention To Hear Mutscher And Salter Today

Speaker of the House of Representatives, G.F. (Gus) Mutscher of Brenham will deliver a keynote address to the 34th Annual Convention of the Texas Association of Mutual Fire and Storm Insurance Companies today at 1:30 p.m. in the National Bank Civic Room.

The convention continues through Tuesday November 4 when a new slate of State Directors will be announced. The Farmer's Mutual Insurance Association of Coryell County is host for the convention this year. Secretary of the Coryell Association, Mrs. Hy Davidson noted that the public is invited to hear Representative Mutscher's address to the convention. The Coryell

Association directors are Vern Perryman, of Gatesville, President; Taylor Young, Jonesboro, vice president; Harmon White, Arnett; Ray Comer of Bee House; JT Davidson of Pecan Grove; George Adams of Gatesville.

Kermit Miller of Jonesboro, directors. The convention banquet on Monday night highlights the two day meeting with Rep Bob Salter as guest speaker.

Osage Road Improvements Completed

Grade, structure, asphalt and gravel work has been completed on the Osage Road from the Gatesville City limits 3.5 miles to the Mountain Baptist Church.

The project under the supervision of Commissioner Cleo Carrol of Precinct 4, is a major improvement north-

east of Gatesville to carry increased traffic in the area.

County Judge Norman Storm noted that the new base radio station for the Sheriff's office would be purchased this week. Storm said, "The radio system will be a major improvement to the local law enforcement communication network."

Trick or Treat?

TRICK OR TREAT...What's this...THE CORYELL COUNTY NEWS in my mailbox on Monday? Is this some kind of trick? ...No, it's definitely a treat and what a follow up to Halloween--a treat for our readers.

We think that our change to Monday-Thursday delivery is the best move that we could make.

Of importance to our readers is the fact that the NEWS will arrive at their homes on Monday in time for the Monday-Wednesday specials which our advertisers run and on Thursday, when the Thursday-Saturday specials run. We give you the reader a chance to obtain them from the NEWS and our advertisers the most beneficial and effective dates.

In addition to advertising advantages the NEWS can bring a bit more brightness to those blue Mondays. The new delivery dates will allow our readers Monday morning football and sport results plus other weekend happenings of note reported Mondays.

So in keeping with our motto "Fustest with the Mostest," we step forward to a new FIRST--there is always something new at the NEWS!!!

Hornets Overpower Tigers 47 To 6 Share District Lead With Belton

The Gatesville Hornets powered their way into a tie for the District 13AAA lead at the midway point of the title race with a convincing 47 to 6 victory over Rockdale.

The Hornets put together all phases of the offense and piled up 537 yards total offense and the season's best point total. Tailback Ronald Brown continued his rushing attack. The sophomore ball carrier gained 121 yards in 19 carries and 3 touchdowns.

Speedy wingback (utility man) Larry Moore carried five times for 85 yards, while quarterback Mike Barr picked up 78 yards in the game. Steve Palmer provided for some excitement when he raced 51 yards to the one yard line then fumbled the ball and teammate James McCrory recovered the ball for a touchdown.

The Hornets took the opening

kick off at the 35 yard line as Mike Mathews fielded the short kick and returned it to the Hornet 38 yard line.

Larry Moore started the ball rolling as he took a hand-off from Mike Barr on a reverse and scampered 22 yards to the Tiger 40 yard line. Brown cracked over right guard on the second play for twelve yards and a first down at the twenty eight yard line.

Barr carried for five yards on the triple option play but the first of eleven major penalties set the Hornets back to the 44 yard line.

Barr then swept left end for 23 yards to the 21 yard line. Boom! Brown struck for the goal line over right tackle and the Hornets were out in front 6 to 0. Schoenwolf kicked true for the extra point and a early lead.

Rockdale started strong with their first possession as speedy Sam Williams romped for thirty one yards on a third down play to the Hornet 29 yard line. The Tigers hit on first down to the Hornet 17 but fumbled the ball and cornerback Billy Hord picked up the loose ball for the Hornets.

Brown and Schoenwolf car-

ried the ball 13 yards in three plays and a 15 yard penalty put the ball at the Tiger 44 yard line. Barr called his own number again and scooted around left end for 35 yards to the Tiger nine yard line. Schoenwolf then carried defenders into the end zone for the Hornet second score. He added the extra point and the

Hornets held a 14 point lead, 7:22 still remained in the first quarter.

The Hornet defense then shut down the Tigers in four plays and Moore returned the fourth down kick 21 yards to the Tiger 49 yard line.

The Hornets then ran five plays gaining a first down but a 15 yard penalty pushed Gatesville back to the 47 yard line. With second down and 19 yards to go Barr hit tight end Mike Mathews with a pass and he fought his way to the Tiger five yard line.

Schoenwolf then crashed up the middle for a tough three yards and Brown smashed over left guard from the two yard line for the third Hornet touchdown to the first quarter. The extra point kick failed and the scoreboard lighted up 20 to 2:49 first quarter.

Rockdale was stopped cold again when Schoenwolf and Brazel allowed only three yards in four plays. The Tigers punted and got a break when Moore fumbled the punt at the Hornet 33 yard line.

On first down the Tiger offense met Lynn Mohundro head on for no gain. Second down saw Keith Bell meet the ball carrier at the line of scrimmage for no gain. On third down Brazel, Steve Palmer, Schoenwolf and Bobby Hodge all stopped up the middle as Tiger offense headed that way. The Tigers tried again on fourth down at the 33 yard of Gatesville on a wide pitch to Williams but cornerback Hord knifed through and allowed only one yard to the 32 yard line.

The Hornets then ran a series of nine plays and had four penalties totaling 40 yards in a back and forth flag thrown con-

See FOOTBALL page 4.

Brown meets Brown, Ronald Brown dashes past (Rockdale) Bert Brown on his way to another night of more than 100 yards rushing. The Hornets piled up 539 yards of total offense in their Tiger taming.

Defense Proves Tough Again

Steve Palmer No. 30 in white puts the stop on Sam Williams No. 30 in blue Rockdale in Friday night's Hornet victory. The defense played well against Rockdale holding them to only 200 total yards offense. The defense intercepted one pass and Billy Hord ran that play back for 70 yards and a touchdown.

Faces Of Halloween...

Three Accidents Reported By DPS

These auto accidents were reported by the Department of Public Safety Gatesville Unit. Heavy rains on rainslick highways were a factor in the mishaps that occurred this week on county roads.

Sunday, October, 26, an Austin woman was traveling west on FM107 near the junction of that road and highway 36 when she lost control of her auto and struck a sign.

Dorothy Belk Andrews was listed as the driver of the 1964 Buick involved in the crash.

She was uninjured in the 10:30 mishap. Damages were set at \$150.

Monday October 27, at 1:30 PM an accident occurred 7.7 miles south of Gatesville on rainslick Texas 36 involving an Abeline resident.

Orval Lewis Cash was traveling south on Texas 36 when he lost control of his auto and struck a tree. Cash was uninjured in the crash.

Charges of traveling at an unsafe speed were filed against Cash said investigating patrolman David Jund. Damages to the Cash vehicle totaled \$1,200.

The third one-vehicle wreck occurred Wednesday at 12:25 PM one mile north of Oglesby on FM 1996.

The mishap occurred as Kenneth Boyd Guter was traveling north on FM1996 when he lost control of his auto and struck a highway sign.

Patrolman Jund set damages at \$150 to Guter's 1955 Ford coach. Charges of driving at an unsafe speed were filed against the Oglesby man.

Mound Scouts

Learn

Patriotism

PROUD OF COUNTRY... Troop 305, Mound Girl Scouts learn the value of the American way of life as an important part of the Girl Scout activity. At the Investiture ceremonies this week the girls gave the Girl Scout pledge which pledges honor to God and country.

The scouts are (front row) Cathy Brown, daughter of Mr. and Mrs. Lee Brown; Patti Winters, daughter of Mr. and Mrs. Ed Winters; Kathi Magee, daughter of Mr. and Mrs. Maurice Magee; Annette Nance, daughter of Mr. and Mrs. Johnny Nance; Elizabeth Stevens, daughter of Mr. and Mrs. Marvin Stevens; Jeanne Carpenter daughter of Mr. and Mrs. Earl Carpenter;

(back row) Lisa Echart, granddaughter of Mrs. Jessie Coyle Mary Eaton, daughter of Mr. and Mrs. M.C. Lam; Rose Hannah, daughter of Mr. and Mrs. Arnold Hannah; Eddie Ayers daughter of Mr. and Mrs. Hollis Ayers; and Debbie Glenn, daughter of Mr. and Mrs. Alvin Pruett. See story page 4

SMART RECEIVES USAF MEDAL

Captain Wayne Smart, son of John C. Smart of Rt. 1 Copperas Cove, Texas, has received the U. S. Air Force Medal at ENT AFB, Colo.

Captain Smart was decorated for meritorious service as chief of analysis support section of the computer operations branch in the 4000th Support Group at Offutt AFB, Neb. He was cited for his outstanding professional skill, knowledge and leadership.

The Captain now serves as a mathematician in a unit of the Aerospace Defense at Ent. A graduate of Lampasas High School, he received his B.S. degree from Texas Tech in 1961 and was commissioned later that year upon completion of Officer Training School at Lackland AFB.

Captain Smart's wife, Mona, is the daughter of Mr. and Mrs. E.E. Gann, Kempner, Texas.

Gril Scout Troop

305 Holds Meeting

Girl Scout Troop 305 met at the home of Mrs. Earl Carpenter (Leader) on Friday, October 24, 1969. Patrol Group 1 made some plans and decorations for a Halloween Party. Patrol Group 2 discussed what we were to have for refreshments. Afterward we rehearsed the flag ceremony. Then we had refreshments and adjourned.

OCEAN RATES WITH OUTER SPACE EXPLORATION

There is an urgent need for our nation to pay greater attention to our oceans both from the standpoints of overseas and marine research.

America once possessed one

of the leading merchant marines among the world's nations. Its shipbuilding industry was healthy and American seamen operated new and modern American merchant ships which carried American goods to ports around the world.

Now, while only one fourth of the world's merchant ships are more than 20 years old, about three-fourths of America's trading vessels are twenty years or older. We are building only a few new merchant ships each year. Unless we reverse the trend the result will be that American will be transported by foreign ships and by foreign crews. This would not only be hazardous situations from a national security viewpoint.

From the standpoint of research, our oceans rate side by side with outer space in need for exploration. Indeed, one can reasonably argue that the oceans hold far greater prospects for rewarding our exploratory and research efforts. Through exploration, coupled with intensive scientific research, we may find that the oceans can supply us with additional food, additional supplies of fresh water and may even be habitat for sustained periods.

I believe that improved use of our oceans both for trade and additional benefits for research is of great importance to Texas. Our state has excellent systems of export and navigation systems are going forward to more Texas cities. Texas is also facing increasingly critical problems concerning natural resources and I believe that we can look to marine research for help in obtaining additional supplies of fresh water and in combating pollution of our existing water resources.

For these reasons I was particularly pleased by two actions the President's message to Congress on a new merchant marine program and the announcement by the Vice President of a new program to strengthen the nation's merchant marine science activities.

The new merchant marine program calls for the building of 30 ships a year for a 10 year period. Its objectives are to restore America to its historical position as a major maritime nation. It is not a giveaway program. The subsidies offered by the new program are in many ways reduced from existing ones.

The new program would provide a new opportunity for shipbuilders and the sea-going unions to work together to give this nation the maritime service it deserves.

The new merchant marine program would go into effect upon approval by Congress and would provide a substantially improved system of construction differential subsidy which reimburse American shipbuilders for that part of their total cost which exceeded the cost of construction in foreign shipyard. The new program would encourage construction of more ships yet would reduce the subsidy from 55 percent to the eventual 35 percent. The payments would be made directly to the shipbuilders instead of being channeled through ship owners as now is the case. In brief, the program would provide through government assistance the capital needed to build up our merchant marine. At the same time taxpayers savings would be made by streamlining administration of the program and reducing government overhead.

Currently there are a large number of government agencies conducting projects in the field of oceanography but there is little overall coordination between them.

I believe concerted efforts such as these are vital to our state and nation so we may reap full benefit from them. Full benefit from oceans through research and international trade.

OH WHAT FUN . . . To be young and be a Girl Scout! At least for the eleven members of Mound Girl Troop 305, being a scout is fun.

Ten girls of the Mound Troop were invested at the scout meeting Thursday afternoon at the home of their leader, Mrs. Earl Carpenter of Leon Junction.

The investiture ritual marks the beginning of a Girl Scout's career and is characterized by the pinning of the novice scout. Each girl received her Girl Scout pin and a membership card with their name on it.

Along with the ceremonies of investiture, one young lady Jeanne Carpenter "flew up" from Brownies to the Girl Scouts in the traditional Fly Up ceremonies which bridges a girl from Brownies to Girl Scouts. During the ritual Jeanne received her wings to signify her advancement. Troop leader Mrs. Carpenter said the group was formed in an effort to interest the girls of Mound - Leon Junction area in scouting. Mrs. Carpenter's assistant is Mrs. Bernard Cole of Flat.

CLEBURNE-9, ROOS-7 . . . I know one family in Gatesville that is happy about the K'ROO loss to the Cleburne Yellow-Jackets Friday night! Mr. and Mrs. Bob Vidler and Bobby. The Vidler's journeyed to Cleburne to the homecoming game and to meet old friends for a before game - after game get together.

Bob, Lillian, and Bobby moved to Gatesville from Cleburne where Bob was employed with Walls Manufacturing. Same story here - Bob is manager of our local manufacturing plant.

I'm sure the Vidlers were glad to hear of the Hornet assault on Rockdale, too. Welcome back to Hornet country folks!

SWAP VISITS. . . Now that's a good idea. Especially when the visits are with daughter and son-in-law as in the case of Mrs. Lena Mae Baker of Gatesville.

Mrs. Baker enjoyed a weekend visit with her daughter, Minnie Mae and son-in-law Chuck Green of Port Arthur. The Greens enjoyed last weekend, visiting in Gatesville, with Mrs. Baker and her she accompanied them to the coast for a two day visit. While there Mrs. Baker enjoyed sight seeing along the Texas scenic coast.

REAL HAWAIIAN PUNCH. . . Well who knows what Hawaiian treats are in store Tuesday for the Girl's Auxiliary of the First Baptist Church. The girls will go to a real Hawaiian Luau with all the trimmings.

The fun will start at 4pm when the girls will board a make-believe airplane and will walk down the ramp to welcome Hawaiian girls who will greet them with the floral lei so characteristic of the paradise isle. The hula girls will be Kim and Pamela Blanchard and Cindy Schloeman. Photos of each visitor will be taken.

What fun! A lei and a kiss from welcoming Hawaiian boys Tommy (7) and Timmy (9) Blanchard.

Each "visitor" will do a moo moo just in time for a true-to-life Hawaiian luau filled with tropical treats.

Cultivation Eliminates Caking

In almost all types of soil, a long period without cultivation will result in the development of channels or tubes down through the soil.

As a result of the above and caking, thatching and the buildup of mold, mildew, fungus and insect residue crusts, much of the water sprinkled onto a lawn is wasted. It either drains through the soil past the six-inch root zone, or is shed and never drains down into the soil at all.

Will Wetting Agents Help

Can a wetting agent help you? All wetting agents create a greater affinity between water and other materials. They enable water to more easily be absorbed by the ground and thereby soften and break down the channels and crusts described above.

A cationic wetting agent has these properties and one very important additional one. Each molecule of this wetting agent holds a tiny electrical charge which causes the active ingredient in the solution to attach itself to the organic matter found in soil. It remains there over long periods of time and helps these organic particles to "grasp" water particles which makes this type of wetting agent so effective and long-lasting. Gardeners experimenting with cationic wetting agents, such as Weyerhaeuser's Water Mate, have been delighted with the results.

... FOOTBALL

test. The Hornet kick was short and the Tigers took over at the Hornet 33 yard line.

The Tigers tried their aerial game out at this time but Larry Smith defended against the first down toss causing it to fall incomplete. Big Bobby Hodge then batted down a second down pass attempt and Hodge and Palmer (248lbs and 156 lbs) stopped a running play for all four downs. The desperation fourth down pass by the Tigers also misfired.

The Hornets began their fourth touchdown march at the 29 yard line midway in the second quarter. Brown took a pickt out on first down for 19 yards to the Hornet 48 yard line. Then Barr and Moore set up the ball at the 18 yard line with Barr carrying for 18 yards and Moore carrying one time for 13 yards.

Five straight carries by Brown (6,5,4,2, and 1) scored the touchdown; Brown's third of the night. Scheonewolf's bonus kick failed and the Hornets lead 27 to 0.

The Hornets' defense continued to stop the Tiger offense as Randy Dunlap, Donnie Pruitt, Palmer, Hord, and Mohandaro all made tackles forcing a fourth down punt.

The Hornets drove 36 yards in four plays and with first down at the Rockdale 20 yard

line and only nine seconds left in the half Jim Saunders hit Mike Williams with a pass at the goal line and Williams fell into the end zone for 'a' would be touchdown' but a penalty nullified the beautiful pass catch.

Rockdale opened the second half unable to make a first down and punted to Gatesville on fourth down. Moore fielded the kick at the 23 yard line and a 15 yard penalty quickly moved the ball out to the 38 yard line. Scheonewolf ran for three yards and Brown ran for another six yards before a 15 yard penalty moved the ball back to the 29 yard line.

The Hornets overcame the penalty yardage and drove to the Rockdale seven yard line but fumbled the ball and Tim Speer recovered for the Tigers.

Four more plays and Gatesville received a punt at the Tiger 37 yard line. Brown crashed for five yards as the Hornets' offense began driving Moore and Scheonewolf each picked up eight yards and Barr added two to the ten yard line. Brown then burst through the line twisting and turning his way into the end zone for his fourth touchdown. Scheonewolf again made the extra point kick.

The Tigers picked up a first down only to have the Hornets' fine defense stiffen for four plays and on fourth down a Jim Eanes pass was intercepted by cornerback Billy Hord at

the 30 yard line. Hord had a 70 yard "foot race" with Rockdale's speedy Sam Williams and scored his first touchdown of the season on his first interception of the season. The extra point kick by Schoenwolf gave the Hornets a 41 to 0 lead early in the fourth quarter.

The Hornet defense then allowed one play to break and the Tigers scored on a 71 yard pass play from Eanes to Jimmy McQuarry. The extra point failed and the scoreboard read 41 to 6.

Four plays later Steve Palmer broke over left guard and outran the defense secondary

to the goal line but then Palmer fumbled the ball for James McCarley to score his first touchdown of the year. McCarley did not carry the ball all year and scored a touchdown? The extra point attempt by Moore failed. 48 to 6.

The two teams then fought for yardage in the middle of the field but with 56 seconds to play the Hornets moved the ball 22 yards to the Tiger 16 yard line before the clock could stop the final drive.

The Hornets are now 4 and 0 in district play and tied with Belton, Lampasas dropped to a 3 and 1 record when Lochhart won 10 to 7 from the Badgers.
