

SILENT MAJORITY

VETERANS DAY ACTIVITIES SUPPORT FIGHTING MEN

Veterans Day, November 11, 1969 was different from Veterans Day of years past as the newly named "silent majority" stepped forward to be counted. Some speeches carried political implications but across the nation in communities large and small the Veterans Day activities dropped the political flavor in favor of re-establishing basic reasoning behind United States involvement in World problems.

In Gatesville, citizens displayed Old Glory but no formal ceremonies were held. The Public Schools conducted programs for the student body and faculty. In Gatesville High School the Freedoms Council introduced a group of war Veterans from World War I and II, the Korean Conflict and the Vietnam undeclared war.

Conflict and spent 33 months as a prisoner of war in North Korea. Bromser said "There is a wonderful thing being done throughout the country today," speaking of the Veterans Day activities. "Let's get down to the real thing" he said noting "to date in Vietnam 3200 Texans have died." Bromser asked "What have they given us?" He concluded that these men gave their lives for freedom from fear

and many other freedoms. Bromser listed some of the constitutional freedoms protected by Veterans and War Dead of the past all the way back to the American Revolution. The most impressive freedoms listed by Bromser were the very simplest ones. Defense of our way of life protects such simple freedoms as freedom to travel without major restrictions, freedom to choose a vocation, and freedom to decide for ourselves.

fighting man's roll. Bromser pointed to his generations contribution to civilization, taking a 243 mile per hour air plane and developing to the point of putting a man on the moon. He challenged the students to take over from the moon ship and to make a contribution to our civilization. At Junior High School the students heard a talk by Supt. Glenn Whittenburg on the meaning of Veterans Day.

CITY BUYS NEW FIRE TRUCK

The City Council accepted the Fire Department Bid Committees recommendation to except the Ward La France bid of \$18,771.20 for a new pumper truck. City Manager, Skipper Wallace noted that the bid was not the low bid and the Council acted on the Committee recommendations. The Council excepted a chassis bid of \$5,176.36 from Miller Motor Company of Gatesville. The Chassis will be shipped to Ward La France where the fire fighting equipment will be installed. Bids on a new utility, 2 ton dump truck were opened at the Tuesday meeting. The new dump truck will be used for street work and work with the sanitary department. The low bidder was Miller Motor Co. of Gatesville with \$4,223.37. The Council reviewed the City Audit with CPA Curtis Logan concerning proposed bookkeeping changes. The council decided to continue the present systems for another year. The council appointed Mrs.

Tom William and Francis Ward to begin making plans for the Gatesville Centennial Celebration. The city dates back to August 2, 1870. The celebration will be held August 2, 1970. City Manager, Wallace indicated that the city would advertise for a gasoline supplier soon. The city is presently installing an "in-line" water pump at the intersection of Georgetown Road and the old Levita Highway. The pump will improve water pressure in the westview area in and around the industrial sites. Wallace reported the pump should be working late this week or early next week.

EIGHT LOCAL DELEGATES ATTEND CONVENTION

Coryell County Farm Bureau will send 8 official voting delegates to the 36th annual convention of the Texas Farm Bureau Nov. 16-19 in San Antonio, according to George Jageler Jr., of Gatesville, president of the local county organization who will head the delegation. Other delegates are: Mr. and Mrs. Troy Jones of Gatesville, Mr. and Mrs. J.B. Littlefield of Rt. 1 Copperas Cove, Texas and Mr. and Mrs. William L. Graham of Rt. 1, Copperas Cove Texas. Voting delegate strength at the state annual meeting is based on number of members enrolled. The Coryell County Farm Bureau ended its 1969 fiscal year with 852 member families on the rolls.

Cole Is Sophomore Punch To OSU Offense

Bobby Cole really hasn't improved gradually this season for Oklahoma State. His progress can be measured in leaps and bounds. The reason is Cole—a flashy sophomore tailback from Gatesville, Tex.—is rapidly becoming adept at reeling off long-gainers. His credentials against Kansas two weeks ago showed some of the long strides he's made this year. Against the Jayhawks, Cole caught a 70-yard touchdown pass from Bob Cutbush and later sprinted 59 yards on a straight-ahead run to set up another score. "I'm stronger, a little heavier and a lot quicker than I was last year," concedes Cole, who has a 4.9 yard rushing average in 32 carries and seven pass receptions for 215 yards. That's an average of 30 yards per catch. Cole's best effort of the day against the Jayhawks, however, came on an over-the-shoulder snatch of a 34-yard pass in the midst of two Kansas defenders who combined to give Cole perhaps the hardest tackle

Homecoming Crowd To See Hornets And Badgers

HORNETS REGROUP FOR BADGERS FRIDAY NIGHT

The Gatesville Hornets are set for a big Homecoming game Friday night with the Lampasas Badgers in McKemie Stadium. Coach Jack Moss, reported early this week that wiring problems might force the Home-

coming game to be rescheduled for Saturday afternoon. Last minute indications are that the game will be played Friday night at 8:00 p.m. as originally planned. The Hornets must come back from a defeat last week with the Belton Tigers. The Hornets and Badgers both have 4-1 records in district play, and both have mathematical chances at the district championship. Defeat means no chance for the championship and both squads have come a long way since the beginning of the season.

The second interception went 80 yards for a touchdown. Coach Moss this week with their exception of the Belton heart-breaker. Moss said "I am impressed with these kids. We had agood workout Monday and I think people are going to see that we have a good bunch of kids this week."

FIVE AUTO ACCIDENTS REPORTED BY DPS

The Texas Department of Public Safety reported five auto accidents from 6:30 p.m. Sunday until 1 a.m. Monday morning. The first mishap occurred Sunday at 6:25 p.m., 5 miles north of Gatesville on Texas highway 36. Michiel Ambrose of Killeen was traveling north on Texas 36 when he struck a cow in the roadway. Ambrose received no injury but damages to his Ford Mustang totaled \$400, said investigating DPS patrolman, David Jund. Shortly after the Ambrose collision, Richard L. McCutchen of Gatesville struck the cow lying dead in the roadway from the Ambrose mishap. McCutchen was also traveling north on the state highway. Patrolman Jund cited damages at \$100 to McCutchen's 1964 Chevrolet sedan. McCutchen was not injured in the mishap. At 6:40 p.m. Sunday, Larry Don Bruton of Mound struck a deer on FM-116 near Pidcocke. Bruton was traveling north on the rural road when the deer darted out into the roadway. Patrolman Jund listed damages to Bruton's 1963 Chevrolet at \$150. Sunday at 7:15 p.m., a Houston woman lost control of her auto when attempting to pass and ran off of Texas Highway 36, 8 miles south of Gatesville. The auto left the highway ran through a ditch on the opposite side of the roadway and struck a tree. Carolyn Settles, listed as driver of the auto, was injured in the crash. She was charged with driving without a driver's license Jund said. Damages were set at \$1200 to her 1969 Mercury. Monday at 1 a.m., B.B. Botkins of Flat was ran off the road by an unidentified driver on Texas Highway 36 about 15 miles south of Gatesville. Botkin's was traveling north on Texas 36 when he was forced off of the roadway into a ditch. Botkins escaped injury in the mishap which demolished his 1970 Ford pickup. Damages were set at \$2500 to his vehicle.

Exes Return For Celebration And Reunion This Weekend

MRS. GLENN WHITE EX-STUDENT ASSOCIATION PRESIDENT

It's Homecoming week in Gatesville and Homecoming is in the air! Gatesville folks will put their best foot forward as old school chums and class mates return like homing pigeons to the city of their youth and good ole GHS.

Though they be grads of the pink, white, or vanilla building at GHS the letters mean the same to Hornets from 1919 to 1969! GHS Gatesville High School, where good friends and bad, good grades and bad, were made by those throngs of youngsters that passed through those doors during the schools existence.

Each ex returning to the old Alma Mater will take home new memories of remembering somewhat greyed-old memories with Joe, Frank or Charlie of school days in Coryell County.

The Gatesville High School Ex-Student association will "roll out the red carpet" for the "homing" exes. Friday at 2:30 p.m., at the Homecoming Pep rally in the GHS gym, all exes and GHS'ers are welcomed to attend and urged to be there! said Mrs. Glen White, president of the GHS Ex-Students Association. Honored classes this year are 1909, 1919, 1929, 1939, 1949, 1959 and 1969.

At the Pep Rally, notables will be recognized along with returning exes and all will join in cheering the Hornets to victory at the big game.

Game time is set at 8 p.m. with the Fighting Hornets meeting the Lampasas Badgers in McKemie stadium. The Hornets go into the Homecoming game with a 4-1 record in district play.

At halftime ceremonies, GHS will crown the 1969 GHS Homecoming Queen to reign over the throng of exes, students, and Gatesvilleites during Homecoming weekend.

Nominees for the coveted title of 1969 Queen are Miss Debbie Day, Miss Jean Jackson, and Miss Cindy Kopec. Charming and sports-minded nominee Debbie Day, is the daughter of Mr. and Mrs. Hal Day.

Miss Day tops her list of GHS activities with the Hornette Basketball team. She has been an active member of the team for four years. Debbie is a guard and tri-captain of the team.

Other activities Miss Day has been active in include Future Teachers, Future Homemakers, Drill Team, and Student Council of which she is treasurer. Debbie's classmates chose her Senior Class Favorite, Jr. Class secretary and Cheerleader all which she served well.

Miss Day enjoys watching football, especially the Hornets. She has a love of animals and takes pride in her two pet dogs. See Homecoming page 6.

D.P.S. Patrolman Killed By Five Youths

(AP)—Five youths in a stolen car stopped by a Texas highway patrolman wrestled the gun away from the state trooper and shot and killed him Sunday then fled south into the night, spawning a massive manhunt in the woods south of Dallas. The patrolman stopped the car, containing five youths, on Interstate Highway 35 that knifes through Texas from Denton to San Antonio. Two of the youths inside were hitchhiking soldiers from Ft. Hood. Three of the youths scuffled with the patrolman, grabbed his gun and shot him in the back. The patrolman got off one shot before he was hit and that shot ripped through the abdomen of one of the youths. Two of the youths piled into the car and headed south on the interstate but wrecked the car two miles from the scene. They fled into the night on foot. The two soldiers remained at the scene and were taken into custody by state authori-

ties. The wounded suspect was taken to Parkland Hospital in Dallas. The car the youths drove was believed to have been stolen in Dallas. The patrolman, Travis R. Burn Locker, 36, stopped the youths at 10 p.m. near Waxahachie, 30 miles south of Dallas. He scuffled with the youths and was shot when the youths apparently relieved him of his pistol. The officer was able to crawl back to his own car and radio for help. He died at 11:31 p.m. The bullets, which entered his back and shoulder severed major blood vessels. The highway department radioed to Austin for some floodlight-equipped helicopters to aid in the capture of the youths. Patrolman Locker was a former resident of Jonesboro and was the son of Mr. and Mrs. Roy E. Locker of Jonesboro.

COUNTY YOUTH FAIR SLATED FOR LATE JANUARY

The Coryell County Youth Fair Committee met at 7:30 p.m. November 6, at the Chamber of Commerce Office to set the dates for the County Youth Fair. The dates will be January 23 and 24th, according to Don Callahan, County Agricultural Agent. This is the earliest the fair has ever been held, but many of the 4-H and FFA members of the county will begin the show circuit the following week with the Fort Worth Fat Stock Show. A livestock judging will be held in conjunction with the youth fair for 1970. Bob Melbern will be in charge of the judging contest. He has asked that each chairman of each division cooperate in setting up the classes for the judging contest. The Farm Bureau will for the second year award a Medallion from the Texas Sheep and Goat Raisers Association for the Champion Buck Sheep of the youth Fair. The committee would like trophies to be donated for the Swine, Dairy, and Beef Cattle. If there is anyone interested in contributing to trophies they are asked to contact the County Agents office.

TRAVIS LOCKER RITES HELD BURIED IN JONESBORO

Travis R. Locker, formerly of Jonesboro, died November 9, in Parkland Hospital, Dallas, as a result of gun shot wounds. Locker, a Texas Highway Patrolman, was 35 years of age.

Funeral services were held November 11, at 2:00 p.m. in the First Baptist Church of Gatesville. Rev. Bruce Corley officiated with Rev. Kenneth Patrick assisting. Interment was in the Jonesboro Cemetery.

Locker, who was born in Grandview, Texas, December 12, 1933, was residing at 308 East University, Waxahachie, at the time of his death. He

married the former Miss Alice Jayne Walker in Jonesboro on May 28, 1953. The son of Mr. and Mrs. Roy E. Locker of Jonesboro, Locker was a member of the Optimist Club of Del Rio.

Locker is survived by his wife Mrs. Alice Locker; his son Wade Edwin Locker; and two daughters, Judy Susanne Locker, and Kathy Nadine Locker, all of Waxahachie.

Also surviving are his parents Mr. and Mrs. Roy E. Locker of Jonesboro; and two sisters Mrs. Juanita Barnett of Freeport and Mrs. Maxine Stewart of Fort Worth.

GOOD RAINS—GOOD DEER HUNTING

COLLEGE STATION, Nov. 6—Good fall rains and the resulting green feeding areas will mean a real test of a deer hunter's skill this year, is the assessment of Charles W. Ramsey Extension wildlife specialist at Texas A&M University.

Ramsey says that in areas of the state where there have been extra amounts of precipitation this fall, the already adequate deer crop will be difficult to hunt. He explained

that there is an abundance of green weeds or a good acorn crop, the deer will get up only to feed for short periods of time and then lay back down.

He added that the deer population is slightly decreased in certain areas of Texas, but not to any great degree.

"Generally the deer will be in good condition this year, and because of this, they will be hard to hunt," Ramsey commented.

Ramsey says that the hunter's success depends on the movement of the deer rather than the deer density. This movement is in turn dependent on the available food supply. If the food supply is good, the animals will not go to the feed pens and expose themselves to the hunter's deer blind.

An exception to this slow movement might be the early "rutting", or breeding, season for certain bucks. The excellent food supply has resulted in an earlier rutting season than

BOY SCOUTS TO LAUNCH FUND RAISING DRIVE

The Gatesville area Boy Scouts Fund Raising drive began Wednesday morning with a breakfast kick-off at the Round-Up Cafe.

The Boy Scout program will collect funds to be turned over to the Heart 'O Texas Council of the Boy Scouts for service to the area scouts.

Tom Miller, fund raising chairman, reported that the project would continue for one week.

Team captains for the drive are: Newlin Sanford, Bill Donaldson, Jack Straw, E. J. Smith, Don Powers, Fred Koch, Bob Edwards, Bob Cummings, John Easley, and Miller.

Mrs. Lea Ledger Named 1969 Christmas Seal Chairman

"Every year 300,000 die before their time because they smoke cigarettes. Too many of them live in Coryell county," according to Mrs. Lea Ledger, who has been appointed Chair-

man of the 1969 Christmas Seal Campaign here. The appointment was announced this week by Lt. Gov. Ben Barnes, Area Christmas Seal Chairman of the Central Texas Tuberculosis and Respiratory Diseases Association.

SEALS AS FAMILIAR AS SANTA

Christmas seal stamps on cards and packages at Christmas time have become almost as familiar as the Santa Claus symbol. Both have their place in the holiday activity.

American people about one billion dollars each year for treatment, needed control services, compensation payments, economic loss, and other direct and indirect costs. Last year in Texas 3,216 cases of active tuberculosis were found. It is third in the nation in incidence.

"Smoking is something we are trying to phase out, and Christmas Seal contributions help us do it. Smoking causes chronic bronchitis and is associated with emphysema, a lung disease that makes a person struggle to breathe," Ledger said. "Contributions help fight emphysema, tuberculosis, other respiratory diseases, and air pollution. That's quite a fight."

Continuing programs throughout the year to help eradicate tuberculosis and medical research to cope with lung ailments can only be carried on through Christmas Seal dollars from you and the other residents of your community.

Tuberculosis costs the A-

merican people about one billion dollars each year for treatment, needed control services, compensation payments, economic loss, and other direct and indirect costs. Last year in Texas 3,216 cases of active tuberculosis were found. It is third in the nation in incidence.

"This year," Mrs. Ledger says, "we already see some real sparks of enthusiasm for the Campaign to help carry on the tremendous fight against the germs pollutants, and smoke that damage the lungs of all of us."

FROM SENATOR TOWER'S DESK

"SILENT AMERICANS" NOW VOICE

OPPINIONS ON VIET INVOLVEMENT

It has become apparent that the American people are now even more concerned about our situation in Vietnam than we have been in the past even though this issue has been at the fore of popular concern for some time.

I have become encouraged recently that many of those of us who have been counted among the "silent Americans" are now making their voices heard. I believe that the North Vietnamese government and the world in general has too long heard from a vocal and determined group of our concerned citizens who nevertheless were, and still are, less than a majority. You have heard me say many times that I believe public outcries from this minority—not an insignificant minority but still a minority—has only encouraged the North Vietnamese leaders to persist in their stubborn refusal to seriously negotiate a peace, because they have erroneously believed that a majority of Americans are demanding our own surrender. But I am now encouraged because I believe that our concern over Vietnam has finally reached a stage where many of us are speaking out who have not been heard clearly before. I am hopeful more of us will be heard because I am confident that our government must represent the mainstream of thinking in America and we should let the world know whether it indeed does.

move our troops as the Army of South Vietnam becomes increasingly capable of taking over our infantry combat duties. There have been signs that the enemy is either becoming less capable of attack or is voluntarily refraining from his activities. Shelling has occurred from time to time and the enemy has conducted some operations in those areas of South Vietnam where our programs of Vietnamization and Pacification have been less successful.

But I am encouraged that a larger area of South Vietnam is now considered sufficiently secure for the people to begin to rebuild their local political structures, their schools and marketplaces and where transportation and trade are beginning once again to flourish. This has been particularly true in the Mekong Delta region which is so vital economically to the whole of South Vietnam. The Communist Vietcong guerrillas virtually controlled much of this region a year ago. Yet reports of pacification of the region are very encouraging. Militarily the Army of South Vietnam is now much stronger than it has ever been before. Pacification efforts are beginning to show results in increased rice harvests and high voter participation in democratic election processes at the local level.

The campaign got underway on November 1st. Slogan of the Campaign is "It's a Matter of Life and Breath"

"If you have not received your Christmas seals," Mrs. Ledger said, "write Christmas Seals, P. O. Box 330, Belton, Texas 76513."

Memorials have been given to the cemetery memorial fund for Mrs. John Laxson, from Mr. and Mrs. Zoo Gilmore, Mr. and Mrs. Von Gilmore, and Charles Gilmore.

FARMERS URGED

TO DESTROY COTTON

Although most farmers who have completed harvest have destroyed their cotton stalks, a few growers still have not completed their operations, Don Callahan, County Agent, John M. Landrum, Plant Pest Control Division USDA, and C. B. Cowan, Waco Cotton Insects Laboratory, USDA, urge all Central Texas farmers to complete harvest as soon as possible and destroy stalks and plow under debris immediately thereafter. Inspections of fields recently show a very heavy pink bollworm infestation in the area, and boll weevil infestations are building up. Unless fruiting plants are destroyed these insects will produce large numbers to enter hibernation quarters before frost occurs. Since no additional fruit can be set, stalks should be destroyed immediately after the harvest to reduce the number of insects entering hibernation quarters.

Each farmer is urged to join his neighbor in destroying stalks to reduce the number of pink bollworms and boll weevils which will survive to infest next year's crop.

Mr. and Mrs. Peck Tharp enjoyed souping and singing with Mr. and Mrs. Ray New, Clifton, Saturday night when friends brought a can of what not to go into the soup and cooked in a huge wash pot. After souping the group enjoyed a song fest. This was done in honor of Mrs. New's father and uncle, the Standford boys.

Miss Laura Tharp visited in Lompasas county this last week attending the home demonstration council when it observed its 25th anniversary and honored the ex-home demonstration agents, and later visiting in the homes of members who worked with her when she was agent in the county.

Mr. and Mrs. Dick Payne and Mrs. Irene Adams, Gatesville, visited with Miss Mattie Cooper, Sunday afternoon. Another caller was Mrs. Robert Henry Tharp.

Mr. and Mrs. Bryant Lee and Miss Ellen Balch visited with their folks in Ft. Worth Sunday meeting them in the home of Mr. and Mrs. Berry Smith.

Dinner guests of Miss Laura Tharp, Sunday, were Mr. and Mrs. Peck Tharp. Callers in the afternoon were Mrs. Lottie Bushnell and Mrs. Thyra

RAINFALL WILL AID IN WINTER PASTURE GROWTH

COLLEGE STATION, Nov. 6—Recent rains in many areas of Texas should be helpful for growing high-quality winter pastures, says Neal Pratt, Extension agronomist, Texas A&M University.

IN 1971, 1973, 1975

TAXES AND HOUSING, BIG QUESTIONS

Austin, Texas....Prospects of whopping new tax bills may face Texans in 1971, 1973 and 1975 and a critical housing shortage within the next decade is likely.

local governmental units. Ballot Spots Picked....Proposed constitutional amendment to legalize the sale of liquor by the drink will be in the second spot on the Nov. 3, 1970, general election ballot.

Here's how drawings for the ballot places by Secretary of State Martin Dies Jr. came out last week: No. 1...Provision for removal, censure or retirement of appellate court judges and justices of the peace by a new Judicial Qualifications Commission; No. 3...Uniform method for assessing farm, ranch and forest lands on a capability to produce basis; No. 4...Making the State Building Commission a three-member appointive agency; No. 5... Authorizing counties to issue road bonds up to a fourth of assessed valuation on vote of taxpayers; No. 6...Increasing value of homesteads exempt from forced sale; No. 7...Providing for consolidation of local government functions and inter-agency contracts for performance of governmental services.

Disappointing Lease Sale... School Land Board got disappointing results from its sealed bid oil and gas lease sale on public school lands. High bids averaged only \$36 and acre lowered by the \$15.52 per acre average of over 16 thousand acres leased in El Paso County where there is no oil or gas production.

Land Commissioner Jerry Sadler said the indications from Congress that the 27.5 per cent depletion allowance will be cut undoubtedly hampered bidding. Also, sales heavy spending on Alaskan leases cut the bids. Of 770 tracts offered, only 184 drew bids. Total high bids were \$4,113,466.60.

Courts Speak...Supreme Court split six to three in upholding the constitutionality of the controversial Saturday-Sunday closing laws. Chief Justice Robert W. Calvert wrote the dissenting opinion, contending that the statute prohibiting the sale of 46 items on consecutive days of weekends should be knocked out.

High Court granted a writ of error and agreed to hear oral arguments on December 10 on Houston landowner's complaints that the YMCA should not be allowed to erect a building in Houston's Post Oak Estates subdivision where lots are a minimum of three acres in size.

Unusually warm, dry weather during much of the early fall has limited growth of small grain and other winter pastures. Even though recent rains are encouraging, days are becoming cooler and shorter, with less sunlight in much of the winter pasture areas. All these factors mean that forage growth in winter pastures will probably be limited.

James W. McGrew, new Executive Director of the League and one of the state's top fiscal authorities, warned of the coming "decade of tax crisis" like that of the 1950's.

McGrew sized up the 1971 tax bill as at least \$270 million and maybe as much as \$400 million. Furthermore, he predicted, a bigger one will be in store two years later and one not quite so big in 1975.

Standby sales tax (now at four and a quarter per cent in many areas) may be near its "political limitation". Implication was clear that new tax trails will have to be blazed. Gov. Preston Smith said half the state's 2,803,000 housing units are "inadequate or substandard." He requested the League to study the problem and come up with recommendations as to the state's role in the housing field.

Housing shortage may reach "crisis proportions" in two years, Smith told League members. Needs over the next decade, he forecast, will demand \$1.5 billion worth of construction a year in Texas. Within the same period, he said, housing will have to be found for 875,000 new Texas families, and slums and overcrowding must be eliminated.

Greatest prospect for solving problems of slums, contended the governor, lies in "effective programs of governments to assist slum residents in becoming home owners." Public housing and rent supplements, he maintained, "tend to isolate, segregate and spotlight the poor, while providing no long-range changes in their situations."

Smith suggested a statewide building code may be needed and State Housing Authority may be helpful to coordinate efforts of the U.S. Department of Housing and Urban Development with

When considerable growth has accumulated, the agronomist suggests limiting the time which animals have access to pastures. This can be done in several ways. One way is to permit cattle to graze the pasture only one to two hours each day. When the 2-hour grazing of dry forage is available, grazing period is completed, the cattle are removed to an area where good quality hay or grazing of dry forage is available.

Another suggestion is to let the cattle graze every third or fourth day. The pasture then serves primarily as a protein supplement, if high-quality hay and grazing is available during the other days.

Small grain pastures and other winter pastures produce high quality forage, which should be utilized by growing and high-producing animals, such as stocker calves and dairy cows. Pratt says high-quality winter pastures for the commercial beef cow herd can be profitable if pastures are used sparingly and on a limited and efficient basis.

You will recall that last October, only just more than a month ago, I suggested that our nation might well consider the exercise of some of our military options in Vietnam in order to more forcefully encourage North Vietnam to bargain seriously in Paris.

I believe we should not lose sight of any of our options because I want our nation to find an honorable peace in Vietnam at the earliest opportunity. But I have been encouraged recently to believe that it may not be quite so necessary at the moment to look to our military avenues toward peace.

This is because there are encouraging reports that our current policies in Vietnam may be succeeding. It is certainly too early to talk yet of winning the war. But we do seem to be approaching a time when our combat forces on the ground may be extracted from the battle zones.

This depends a great deal on the activities of the enemy. If he refrains from escalating the war, then we will be able to re-

from their twin sons who live as far away as California-- or sometimes further. John called home and reported that Don will again participate in the manuevering for Apollo landing. He has participated in the picking up of the men each time they have been launched and returned to earth. He appeared on Television and the parents saw him atone time, so everyone watch and listen for Don or John Lee's next achievements.. They are boys one can count on and always have been so.

Craig Bertrand and his daughter's Janice and Annette visited in the A.C. Bertrand and Joe Reid homes over the week end. His wife had to fill in for a co-worker who had just undergone major surgery. They also visited his father at the January Care Home.

Plans were underway Monday for the annual Thanksgiving service to be held in Evant United Methodist Church Hour and details will be announced later.

Mr. and Mrs. Jeff Brown State Line, Mississippi, surprised their family group in Evant by dropping in Saturday for the short week end. They had been in Houston to see to the care of her cousin, George Kreid, who underwent surgery a few weeks ago. He is a veteran of World War I.

All this fall fashion news has suddenly turned to facts. There will be a Lord's Sacred Supper at Evant's United Methodist Church, November 22, at 5:30 in the evening. Mark your calendar for Saturday night week, bake a batch of bread, butter cookies (or maybe bread and butter) and be present to buy a plate of food, to enjoy the social hour and to purchase the good home made supplies that will be for sale. The entire parish including Bee House and Pearl will participate in the evenings festivities. This is the one time of year the local people get to know and appreciate each other better; the neighboring communities come to eat and visit and a good time is insured in advance.

EVANT NEWS by Cornelia Kreid

AUTUMN BEAUTY EVERYWHERE

This Monday's news is slightly damp, but not damp enough to dampen the spirit of this awesome autumn. The colors fairly sag and scream out their fullness of beauty this week. No one, country or city reared should miss the joy of it, even though they have pains of arthritis, dimness of sight or the headache. Listen to the whispering of the final joke of the season, tickling the golden trees until they drop love notes to the ground. Smell the damp earth where radishes boldly blush under the dead bean-vines...Or smell the clean odors after these frequent November rains. The rains have made a perfect green background for all the new styles in autumn's fashion show. Never so brilliant, never so divinely beautiful can any actor become than autumn in her last performance, before the clean faced sky begins to look in the distant mirror and see white curls appear in the temples, downright gray beard grow and then the final curtain falls. The next scene will be winter; winter with its own beauty, but not so lightly dainty or sprightly in step. So let us drink deeply of the colored springs of autumn; let us drink deeply of the only wine we need for the entire spirit of us...Let us have the autumn of the entire life of the year--and the life of us--for all we know...Let us live and live it, while living is so beauty struck.....

The Elmer Conleys are reporting a third granddaughter in the family of the son, Douglas and his wife, Mary, of Dallas. Born on November 4, she made her grandfather happy,

GLAD TO BE HOME...I'm sure that Mrs. Jack Mitchell enjoys being home with her family after a two-week stay in the hospital.

Gladys returned home Sunday and was so happy to be there with husband Jack, and children Larry, Richard, Kevin, and Karen. The kids were happy too. Gladys said they were a wonderful sight running home from school Monday afternoon.

We are glad to have Gladys at home and well since she's a good friend and former co-worker at the News.

We hope you continue to improve and feel just great Gladys!

CUP RUNNETH OVER, SHE'S RUNNING OVER WITH CUPS!... I'm talking about Mrs. Raymond Ford of 1210 Bridge Street in Gatesville of course. Mrs. Ford collects cups of all sizes shapes and fashions and is proud to display her exquisite collections in her lovely home.

Mrs. Ford's collection, numbering near one hundred now, dates back to 1935 when she began her collection with family heirlooms.

Perhaps the biggest news in the history of her cup collection is the finding of the "sister" cup. The sister search began almost 30 years ago when Mrs. Ford finished the family of cups except for "sister".

Her family of cups included two large cups and saucers with "Mama" and "Papa" written in shiny gold on white background. The "Mama" and "Papa" cups have gold folige trim to accent the gold lettering. The "parent" cups were found in 1935, was the beginning of her collection career at a Dallas antique show. She purchased the "Parent" cups from a dealer from Ohio who sent them to their Gatesville home.

The following year Mrs. Ford received a "brother" cup from the same Ohio dealer which further completed the family of cups.

Later, by chance, Mrs. Ford happened on "baby" cup from Anderson Weaver's attic in Gatesville. Weaver will be remembered by many Gatesvillites as a pioneer Negro who owned a store here.

The "baby" cup was the exact match in design to "Papa" and "Mama" thus the family then had four of its five members.

Recently, after 30 years of searching antique shops here and abroad, Mrs. Ford happened on the final member of the cup family--"Sister"! The sister cup was found in an antique shop in Branson, Missouri in mid-October when Mr. and Mrs. Ford were vacationing in the Ozarks.

Mrs. Ford said she was looking in the cabinets of cups and "pretties" at the Branson shop when she saw a bluish cup with writing on it--all she could see was "er" so she asked the shopkeeper to let her see it. I wish I could have wit-

nessed the surprise in Mrs. Ford's eyes when in front of the "er" was "sist"! "Sister" at last! After 30 years the family was finished! Needless to say Mrs. Ford quickly bought the German-made art piece.

With the family of cups finished Mr. and Mrs. Ford really enjoyed their vacation in the autumn-lovely Ozarks.

While in the mountainous regions of Missouri and Arkansas the Fords visited Christ of the Ozarks monument near Eureka Springs, Arkansas.

The monstrous statue, rising seven stories high into the blue Arkansas sky, has an arm span of 65 feet. Sculptured by Emmet Sullivan and Adlan Forrette, the 2 million pound monument was built by the Elna N. Smith Foundation on Magnetic Mountain, altitude 1500 feet.

In addition to the 2 million pounds of materials above ground the foundation of the structure weighs 320 tons not counting the reinforcing steel.

The statue is so strong that it can resist winds of 500 miles per hour or more and support an automobile from each wrist!

Near the statue is the world famous Mount Oberammergau where the Passion Play is performed five nights per week. The play is the Divine Tragedy of Christ's last week on earth from Palm Sunday through the Crucifixion, burial, Resurrection and Ascension.

The outside staging area depicts Jerusalem streets. Mr. and Mrs. Ford were excited about the trip and the wonderful Passion Play and statue, not to mention the rusty gold-red-yellow browns of the autumn leaves in the Ozarks.

LIBRARY NEWS CHILDREN'S BOOK WEEK

NOV. 16-22
CHILDREN'S
BOOK WEEK

The week of Nov. 16 through Nov. 22 is National Childrens Book Week. The Gatesville Public Library has a supply of new book marks with the Book Week theme of BOOK POWER on them for all who visit the library during the week.

We will have new books for pre-schoolers, those learning to read and those from 7 to 14. If your child is not now using the Public Library, Book Week is a fine time to bring him in and get acquainted.

Other new books include; 100 Plays for Children; A Peanuts Treasury by Charles Schulz; 101 Masks, false faces and make-up for all ages, all occasions; and Bequest of Wings by Annis Duff, a charming and provocative account of how a family lives with books.

Library hours are Monday thru Friday, 1:30 to 5:30 and Saturday morning 8:30 to 12:30.

MISS CREACY

Mr. and Mrs. Lawton D. Creacy of Evant announce the approaching marriage of their daughter, Sherry Lyn, to Douglas L. Conner, son of Mr. and Mrs. Roy Conner of Bee House.

Miss Creacy, a 1969 graduate of Evant High School, is now a freshman at Baylor University.

Mr. Conner graduated from Evant High School in 1967. He is a Junior at Tarelton State College. He is also employed at Downing Heliport of Southern Airways in Mineral Wells.

The wedding is planned for December 27 in the Evant Church of Christ. All friends and relatives are invited.

The Coryell County League of Vocational Nurses met Tuesday, November 11, at 8:00 p.m. in the classroom of Coryell Memorial Hospital, with Mrs. Marie Chambers, president, presiding. After all old business was completed, it was announced that the next statewide seminar of the Texas League of Vocational Nurses will be held February 27-28 in Austin. Plans are underway for members to attend.

The program for the evening was two medical films. One film viewed was "Megaloblastic Anemia." The other film, "Life Story," was one produced by the American Cancer Society. It was the story of colon and rectal cancer with emphasis being placed on the need for each person to have regular annual examinations for cancer. The film pointed out that the rate of cure for rectal and colon cancer detected before any danger signals appear is 70%, but the cure rate for those detected after danger signals appear is only 35%.

The next meeting of the league will be the 2nd Tuesday of December, and all nurses in the area are urged to attend.

Freedoms Council Speaks To PTA

The Gatesville PTA met Monday, November 10, at 7:30 p.m. in the junior high auditorium with Mrs. Dale White presiding in the absence of Mrs. Charles C. Bruton, president. The invocation was given by Bob Richmond, pastor of the First Methodist Church. He then gave a short devotional "Praise Changes Things," on the 106th Psalm.

The minutes were read and approved, and the treasurer's report showed a balance of \$111.36 in the treasury. At the present time, there are 364 paid-up members. It was announced that there will be a talent show as the annual fund-raising project. This will be held in February at the junior high school. Details will be announced at a later date. Mrs. Vivian Bennet's 7th grade class won the room count and will receive the customary \$5.00 award and attendance banner. The PTA has received a thank-you letter from the Texas Highway Department for the Resolution sent to them last month in the appreciation for the traffic light at Highway 84 and Lovers Lane.

The program for the evening was presented by the high school Freedoms Council. Mr. Lloyd Mitchell, sponsor of the council introduced 8 members who were on the panel. Those participating were Paul Stone, president, Larry Parham, Paula Martin, Duncan Manning, John Davis, Janet Little, Marsha Foote, and Beverly Lovejoy. There were 10 other council members present at the meeting. Theme for the program was Confrontation with Realities: Patriotism. Each panel member gave his own thoughts and ideas concerning patriotism. They also discussed the decline of patriotism in our time and some of the possible consequences. It was an excellent presentation with a number of fresh and somewhat startling ideas. "Hats off" to our fine young people who think for themselves and are then willing able to tell us, the Establishment, what they think and why.

Refreshments were served in the cafeteria following the meeting. In keeping with the theme of Patriotism, the table was set with a blue cloth overlaid with white lace. The floral arrangement consisted of red carnations and white stock with blue ribbons. Cookies and red punch were served. The home-style cookies were prepared by the Home and Community Service Class, which is a new addition to the vocational laboratory classes in the high school curriculum.

There will be no regular business meetings in the months of December and January.

JONESBORO SCHOOLS CHOOSE KINGS-QUEENS

COUNTY FAIR...Jonesboro citizens and Jonesboro High School students flocked to an old-time county fair which was the theme for the school's annual PTA fall festival for 1969. Students and teachers enjoyed everything from cake walks and pie auctions to fortune telling in the fair booths in the high school gymnasium.

Following the fair activity, Jonesboro schools witnessed the crowning of Jonesboro High School and Elementary Fair Queens and Kings. Miss Jo Ann Watson crowned the queen and Mike Meis was Master of Ceremonies.

Pictured below (LtoR) are Jo Ann Watson, daughter of Mr. and Mrs. Hayden Watson, of Jonesboro; Charlene Chambers, daughter of Mr. and Mrs. Charles Chambers of Jonesboro; sophomore Karen Smith, daughter of Mr. and Mrs. Lawrence Smith of Jonesboro; freshman Annette Dobson, daughter of Mr. and Mrs. Noel M. Dobson of Jonesboro; Queen Patty Moore senior and daughter; of Mr. and Mrs. Cecil Moore of Gatesville; King Jimmy Murry, senior and son of Mr. and Mrs. Bobby Carl Murry of Jonesboro; freshman Ivy Young son of Mr. and Mrs. Taylor Young of Jonesboro; sophomore Robert Woods, son of Mr. and Mrs. Hoyt Woods of Jonesboro; Junior Ray Martin son of Mr. and Mrs. Rayford of Jonesboro; master of ceremonies Mike Meis, son of Mrs. Joe Anzalone of Jonesboro.

ELEMENTARY ROYALTY...Crowned County Fair Queen and King for the Jonesboro Elementary school were Cecilia Carpenter and John Young. The pair represented the third and fourth grades at the county school.

Pictured above are Royalty at Jonesboro Elementary: (LtoR), representing 7th and 8th grades, Karen Young, daughter of Mr. and Mrs. Harold Young of Jonesboro; 5th and 8th, Melinda Young, daughter of Mr. and Mrs. Harold Young of Jonesboro; 1st and 2nd, Penny Helms daughter of Mr. and Mrs. Otis Helms of Jonesboro; 3rd and 4th, Cecelia Carpenter, daughter of Mr. and Mrs. John Carpenter of Jonesboro; 3rd and 4th, John Young, son of Mr. and Mrs. Hayden Young of Jonesboro; 1st and 2nd, Doug Young, son of Mr. and Mrs. Hayden Young, of Jonesboro; 5th and 6th Jeff Miller, son of Mr. and Mrs. Joe Lightsey of Jonesboro; 7th and 8th Don Ray, son of Mr. and Mrs. R.B. Ray of Jonesboro.

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

TIGERS DROP BUCKHOLTS IN 67-19 ROMP

MALANO LAST STOP TO DISTRICT TITLE

The Oglesby Tigers piled up 54 points in the second half in Buckholts to romp past Buckholts 67 to 19.

The Tigers came off of a 13 to 13 halftime tie scoring four touchdowns in the third quarter. The Tigers are now in undisputed first place in the 25-B District race with Melano the last step to their second straight District title.

Oglesby opened the scoring with a first quarter touchdown run covering 30 yards by Willie Leos. The extra point pass was complete from Leos to Mike Robinson.

The Tigers scored again in the second quarter on a Don McKelvin pass to Robinson covering 45 yards. The extra point failed.

Buckholts then got rolling with two touchdowns from their hard running back Norman Holsler. First came a 2 yard run for the touchdown and then a 10 yard score. Buckholts tied the score with an extra point pass following the second touchdown.

The Tigers blew the lid off in the third quarter with four touchdowns.

Leos passed to Robinson again for a 35 yard touchdown

to begin the "lid operation." Leos kicked for two points and the Tigers lead 21 to 13.

The Tigers defense came to life in the quarter and soon the Tigers offense was back in action. Leos ran 15 yards for the next touchdown to give the Tigers a 26 to 13 lead. Leos then added two points on an extra point kick.

Richard West then ran 25 yards for the third touchdown of the quarter. Leos then countered with his second touchdown of the quarter pushing the score to 41 to 13.

The relentless Tigers kept up the pressure until the final bell scoring four touchdowns in the fourth period. McKelvin picked on Mike Robinson on a 15 yard pass play for the next Tiger six points.

Each game this year the Tigers have made good yardage on a pass to their big center Joe Pitts, and Friday night McKelvin passed to Pitts for a 40 yard touchdown. Leos kicked for two points.

The Tigers scored again when Joe Guerrero darted 25 yards to the end zone.

The Tigers scored eight touchdowns in the second half and dominated the game with a flawless defense and a destructive offense. The Tigers final score came on with 20 seconds to play on a 55 yard pass from center Joe Pitts to Lary Ross making the score 67 to 13.

The kick off was returned by Buckholts to the Tiger two yard line and on one play Gordon Holsler scored to make the final score 67 to 19.

The Tigers offense featured Willie Leos with 154 yards rushing, and Lary Ross with 97 yards rushing. Robinson caught passes for 125 yards and Pitts caught passes for 110 yards. The Tigers piled up 574 yards of total offense.

Oglesby is still undefeated in district play and faces Melano Friday night at 7:30. Coach Gary Fox indicated that a loss would throw the district title into a three way tie between Buckholts, Melano, and Oglesby. Fox said, "Melano is the fastest and toughest team we have faced all year."

Cole has been dividing starting time at tailback with veteran Wayne Hallmark, also a capable offensive performer. Naturally, Bobby wouldn't mind running more, but does he think he's durable enough to smack into the line 25 times a game?

"I would like to think I am," he said. "You don't know until you try but I'd like to find out. I think I'm strong enough to do it."

Any more big-play days like Cole enjoyed against Kansas and he may get his chance.

Jean Jackson, vivacious and talented Homecoming Queen nominee, is the daughter of Mr. and Mrs. Horace K. Jackson.

Jean has been an active member of GHS. She is a member of the Stingette Drill team of which she has served two years as president. Jean has served as secretary of the Latin Club, been active in Future Teachers, and the GHS Band. Jean's classmates chose her as sophomore class favorite. Among her talents, Miss Jackson sings with the High School Choir and has enjoyed two years of art classes.

Jean is an enthusiast of all sports. She particularly enjoys football and track. As a hobby, Miss Jackson is very interested in art and enjoys putting her talent to use.

Nominee Cindy Kopec, known by her classmates as outgoing and witty, is the daughter of Mr. and Mrs. Steve Kopec.

Cindy has served her class as freshman secretary and student council representative. She was chosen favorite of her freshman class. Miss Kopec has been active in Latin Club Future Teachers, Future Homemakers and the Stingettes drill team.

Cindy has no one particular hobby or interest. She enjoys most any activity. If she had to choose, her interests would be centered around football, swimming, and water skiing which she does quite well.

Following the game, some class reunions will be held and exes, students and Gatesvilleites will get together for after-the-game parties.

Scheduled class reunions Friday night include the classes of 1949 and 1959.

The 1949 class will meet at the National Bank Civic Room immediately following the

Homecoming game. The graduates of the 1959 class will convene at the Gatesville Country Club for their 10th reunion. Saturday night, the classes of 1919 and 1929 will meet for a bit of reminiscing with school chums.

The 1919'ers will meet at 4 p.m. at GHS for its Golden Anniversary meeting.

The grads of 1929 will get together Saturday after the Homecoming dinner at the home of Dr. Otis C. Ray on Osage Road.

Registration for the Homecoming dinner will begin at 5:45 p.m., Saturday with Barbara Brown in charge, said Mrs. White.

Dinner will be served at 6:30 p.m. in the school cafeteria and a program will follow.

The highlight of the dinner will be the presentation of the Norris Graves award to the Outstanding GHS grad for 1969 Homecoming Week. Mr. Graves will present the award.

Also, at the dinner, exes will elect new officers for next years festivities.

Responses from out-of-town exes has been good this year and a record crowd is expected, said Mrs. White.

MOUND SCOUTS MAKE CHRISTMAS PLANS

Troop 305 of Mound met at the home of Girl Scout leader Mrs. Earl Carpenter on Friday, November 7, 1969. Patrol Troops 1 and 2 discussed what to make for Christmas. Afterward the hostesses served refreshments. Then we adjourned.

BELTON WALLOPS GATESVILLE 28-7

A sad bunch of boys left Tiger field Friday nite as the Gatesville Hornets were defeated by the Belton Tigers 28-7. Beltons win gave them a firm lead in the District 13AAA region, with Gatesville in a tie for second place.

For the first quarter it is a battle as both teams kept moving from one end of the field to the other. Belton finally scored in the second quarter when they drove 82 yards for the T.D. The run for two points failed and the Tigers led 6-0.

Gatesville tried to score but the play was broken up by Bobby Wilson intercepted a pass on the Belton five yard line and ran it back to the 30 ending a 58 yard drive.

The second half began when Jim Stewart, halfback for the Tigers, took the kickoff on the Tiger 25 and ran for a big gain before he was stopped at the Hornet 34 yard line. The T.D. came when Wilson passed to end Warren Issac for 20 yards. Stewart ran for the

extra two points giving the Tigers a 14-0 lead.

Before the third quarter had ended the Hornets flew down the field for 50 yards and a touchdown. The 6 points came when the whole front line of the Hornets pushed through to let-Quarterback, Mike Barr go over from the one yard line. Randy Schoenewolf kicked the extra point putting the Hornets on the score board.

In the fourth quarter Big Red rolled down the field for 36 yards and another T.D. Stewart ran the extra points.

With less than 2 minutes to go Belton moved to the Hornet nine yard line. After a series of plays Belton failed to score and gave the Hornets the ball. On the first play Gatesville fumbled and the Tigers recovered. Wilson then went over to give Belton a 28-7 lead.

This week the Hornets play Lampasas to determine the second place leader. This game will climax GHS Homecoming and everyone is invited to attend the pep rally and the game.

RECORD NEWS & REVIEWS

LED ZEPPELIN have out their second album, "Led Zepelin II" should do even better than the first. The group has become a well-integrated force with a driving rock power both in instrumental and vocal treatment. Especially good are "Whole Lotta Love," Moby Dick," "Living Loving Maid (She's Just A Woman)," and Thank You."

JACKIE DE SHANNON'S newest album, "Put a Little Love in Your Heart", has all the ingredients to follow in the steps of her biggest selling single of the same title and also become a million seller. With the exception of two tunes, Miss De Shannon helped write all of the songs on it including her newest single taken from the album "Love Will Find a Way." All of these albums are strong, commercial rhythm ballads.

"TALL DARK STRANGER" is not only the title of BUCK OWENS recent No.1 single but is also the title of his newest album. The material is all Owen's originals, with the exception of Mike Settle's "But You Know I Love You," a stand-out. Among the exceptional performances are "There's Gotta Be Some Changes Made," and "Maybe If I Close My Eyes."

All of these albums can be found at THE GALLERY in Gatesville along with the top singles in Pop, Rhythm, and Blues, and Country and Western.
