#### Guestionnaire

During the last half of May some 40,000 Texas farmers will receive at their mailboxes most important questionmaire from the Texas Crop and Livestock Reporting Service in Austin.

County Agent, Don Callahan says it will be the annual acreage survey and that many farmers in Coryell County will be included in the 40,000. The information derived from the replies will be the basis for the official estimates of crop acreage for the State of Texas

and for each county. Gary D. Palmer, State Statistician for the Texas Reporting Service, emphasizes the importance of getting back just as many of the 40,000 questionnaires as possible so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas Agri-

culture, Palmer adds. The Texas Legislature, explains the county agent, has provided a program of estimates for each county. Because Texas covers such a wide area, State totals alone do not provide adequate information on our most basic industry; hence the need for county informa-The program is a cooption. erative effort of the U.S. Department of Agriculture's Statistical Reporting Service and the Texas Department of Agriculture.

The county agent urges all farmers in the county who receive the questionnaire to fill it out accurately and completely and return it as soon as possible to the Reporting Service.

grandchildren. Wallace is 58 years old and started farming in 1932, per-haps at the time of the lowest prices for farm products the country has ever seen. He told the writer one story that gives some indication of prices in 1932. He stated that he made an excellent oat crop. When he had finished threshing he was offered only nine cents per bushel for the No. 2 high quality oats. It was his opinion the price was too low, so he stor-ed the oats in his barn. Due to a hard freeze, killing all the oats in 1933 he was able to sell all the seed oats he had for seed at 75 ¢ per bushel. His first farming operation was on 300 acres. Over the years he has purchased adjoining farms and now owns

740 acres. In the meantime he has erected a spacious mod-ern home with all the modern conveniences that could be found

range and pasture land he grows cattle with a cow and calf op-

Lone Star Gas is sponsoring home safety campaign throughout the compay's Texas Oklahoma system featuring safety tips to combat home

accidents. Prock pointed out that attitudes and even atmosphere at home or away from home have lots to do with whether things go smoothly or not. Studies show that tensions, worry and lack of courtesy are often factors in causing accidents.

"We all have to rush at calm attitude is a plus for at times, but the hurry habit home safety we should be able can cause accidents," Prock to prevent many accidents."

### **Miss Deborah McCoy Feted** At Luncheon

Miss Deborah McCoy, Gates-ville High School senior, was honored Saturday with a luncheon at the El Cha-Cho Restaurant in Temple. Also feted was Miss Bonnie Blanton, a senior at Lanier High School in Austin,

Hostesses for the graduation luncheon were Mrs. J.W. Sprinkle and Sherelyn of Temple. Special guests for the south of the border party were Mrs. Frank McCoy of Gatesville and Mrs. Graves Blanton of Austin, mothers of the honorees.

The hostesses presented Misses McCoy and Blanton lovely white handbags as a remembrance of the day. Centering the luncheon table

was a festive Mexican arrangement and graduate figurines clad in the traditional cap 'n gowns marked the place settings.

The luncheon cosisted of guacamole salad, tacos, enchi-ladas, Spanish rice and rum

Attending the luncheon were the honorees Deborah McCoy and Bonnie Blanton, Debbie Dodson of Austin, Kati Busby and Janet Warner of Arlington.

# **Smith Proclaims Texas Nursing Week**

The Proclamation reads as follows:

"Licensed nursing homes and tional Nursin related facilities for the care of 10-17, 1970, the aged and the convalescent Therefore in Texas now number 893.

These facilities offer not only medical, nursing and personal care, but also provide rehabilitation, restoration, recreation physical, speech and occupational therapy, and spiritual programs designed to provide a "fuller life" for senior citizens.

Licensed nursing homes not only have broadened their po-tential for service and have taken on an increasing role in the health care of the chronically ill, the aged and the con-

valescent of all ages. The Texas Nursing Home Association and its members have provided leadership and made important contributions to raising the quality of care with modern facilities and new techniques, the dedication of its people has earned this progres-

Govenor Preston Smith has sive and rapidly growing pro-proclaimed May 10-17 as Texas fession our confidence and re-Nursing Home Week. spect.

The nursing homes in this state are participating in Na-tional Nursing Home Week, May

Therefore, I, as Govenor of Texas, do hereby designate the week of May 10-17, 1970 as Texas Nursing Home Week and urge our citizens to visit a nursing home and acquaint themselves with the patients, the staff, the facilities, the services rendered, and the pro-gress and potential for the future.

Land D. Wall, of Lubbock President of the Texas Nursing Home Association, voiced these comments, 'I want to join the Govenor in inviting everyone to visit our facilities and see for themselves what the modern nursing home of today has to offer the Senior Citizens of this state."

Wall also said, "We are expecting a large number of visi-tors on Mother's Day, May 10, which kicks off our big week. However, we are happy to have to the guest speaker of the

the public visit us at anytime. Over 2 million persons are ex-pected to visit nursing homes in the country during May 10-17, 1970." evening. Dale White, local pharmacist, brought an inter-esting and informative program on "Drug Interaction". He covered drugs which counter-

Activities of the Coryell County Licensed Vocational Nurses during the past three months include the following items.

Coryell Memorial Hospital. Minutes of the January meeting were read and treasurer's report given. Members were reminded of the spring seminar to be held in Austin on Febuary 27-28. It was decided to extend a special invitation to this year's nursing students to attend the seminar and also for the League to pay the luncheon expenses of the LVN's and students attending. Several LVN's and students from Gatesville did make the trip to Austin and found the seminar to be most educatinal as well as enjoyable. Those who attended were: LVN's-Marie Chambers Inez Lee, Ann Elam, and Jessie McLean; Students- Margie Krempin and Lea Pender.

March- The League met one week later than usual this The meeting was held month. in the hospital classroom in conjunction with the monthly hospital staff meeting. The usual League business was postponed until April in order that more time might be given

Coryell County News, Gatesville, Texas, Thursday, April 30, 1970 act each other, drugs which potentiate others, and dietary problems in connection with drug action.

> February- The League met on 14, in the hospital classroom. February 10, in the classroom of President Marie Chambers called the meeting to order and requested that the invocation be

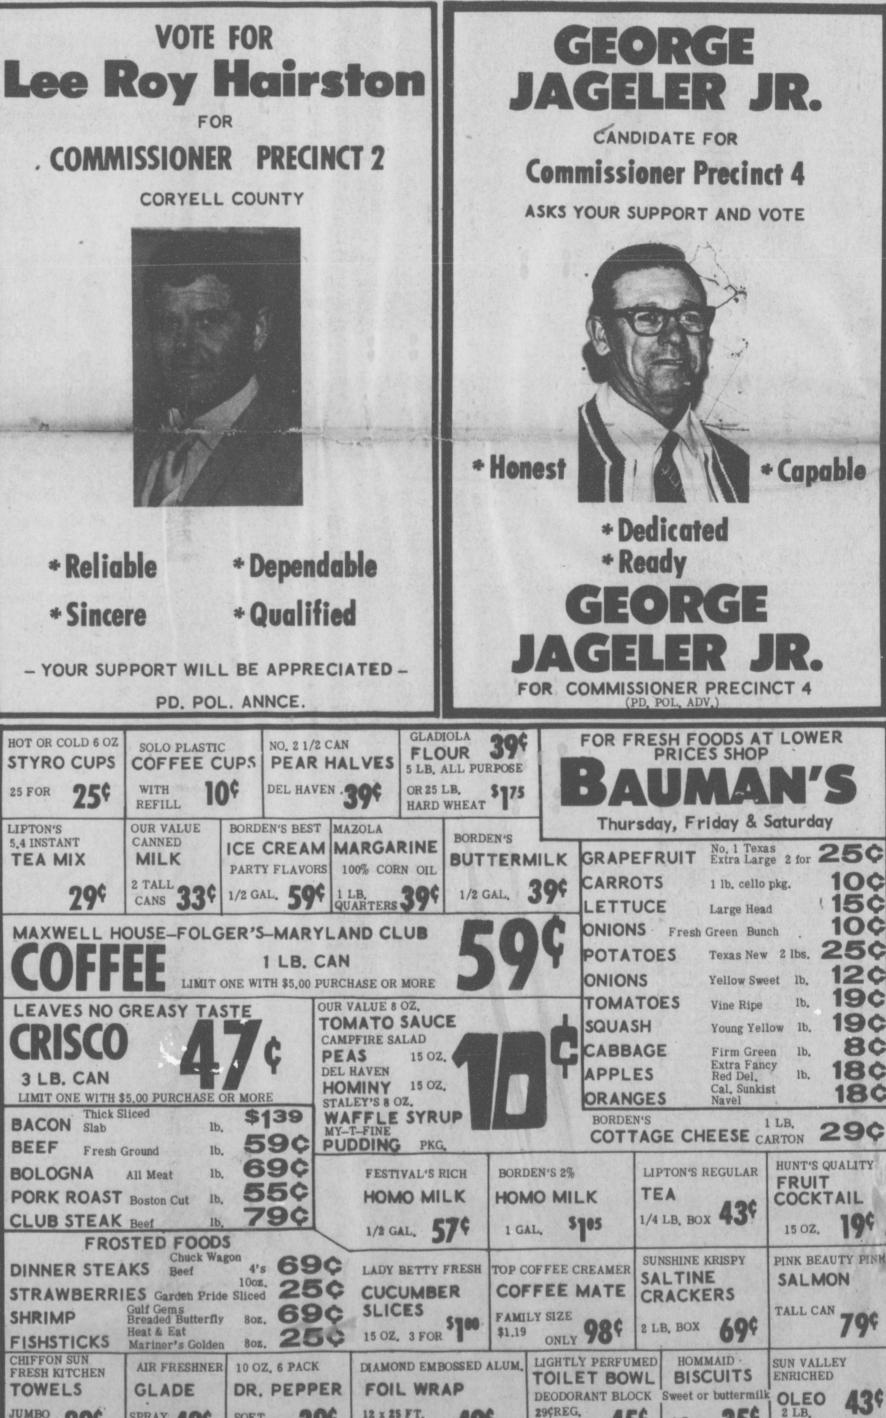

given by Jessie McLean, Inez Lee, secretary-treasurer, read minutes of the March meeting and gave the financial report. One new member, Dee Ann Pate, was welcomed into the group. The main item of business was election of officers. Those elected to take office in June are: President- Marie Chambers (2nd consecutive term); Vice-President- Dee Ann Pate; Secretary-Treasurer Jessie McLean; Reporter-Inez Lee; Parliamentarian- Willie Lee Pruitt.

The president announced the annual convention of the Texas League of Vocational Nurses to be held in Abilene June 18-20. Marie Chambers was selected as delegate to the convention, with Inez Lee as alter-nate. It was also decided that Mrs. Chambers wold be nom-inated for the "Nurse of the Year" award at the conven-

QUARTERS

Mr. and Mrs. A.F. Cole of Flat,

Those attending the celebration were: Mr. and Mrs. Sam Barnard, Mr. and Mrs. A.J. Barnard, Mr. and Mrs. J.C. Barnard, Mr. and Mrs. Sterlin ery of Flat.

#### Card Of Thanks

Robert Dale was in the hospital a few weeks before Mrs. Ayres, both being sick and having tests and X-rays taken, so we would like to take this method of thanking Dr. Floyd and the X-ray specialist and the entire hospital staff for their kindness shown both of us.

Thanks to our many relatives friends and neighbors for their visits, phone calls, food, beautiful flowers and cards. To Brother Patrick and Minister Rolland McLean for their visits and prayers.

And now more thanks goes to our policemen, Mr. Clarence Beasley and Mr. Gene Goins for rushing Robert Dale to the hospital for emergency eye treatment Monday night, April 27, 1970 and to Dr. Floyd and

the nursing staff. God bless you all. Sincerely,

Joe, Dorothy Fay and Robert carnations with purple iris. Dale Ayres.

# New Library Leeking Good

Have you been by the new Gatesville Public Library lately? Things are taking shape at Gatesville's new knowledge center.

Recently I toured the \$76,-843 facility with newly appointed head librarian Mrs. Jewel Whigham of Gatesville and present librarian Mrs. A.E. Rosser also of Gatesville.

We entered the building from the attractive rear entrance of the renovated Chamlee Build The rear entrance exterior is designed to match the Main Street entrance. Access to the library will be easy from either of the two 50 foot wide drives from Saunders Street and North 9th Street. Pavement of the drives and parking area is expected to be completed soon,

At the rear entrance, the librarians pointed out the cement walkway which forms a "ampetheater" for childrens story hour seating. The local gar-

en club will landscape the patio area.

Located in the rear of the library is the fashionable meeting room in which any club may hold their meetings. Mrs. Whigham pointed out that the auditorium area can be isolated from the library itself by locked doors. This enables the clubs to meet after library hours without the library doors unlocked to the entrance hallway. Rest rooms, a small kitchen and water fountain are located off of the hallway. The garden club will furnish the auditorium and will use it

for their regular meetings.

The library proper is a spa-cious room with twobeautiful rock walls made by the renovation of the old structure. The librarian's deskand check-out counter will be located at the left rear of the room near the night book depository slot. Shelving for the 30,000 books

has arrived at the library and other furniture and equipment is scheduled to arrive this week. Furnishing costs were set at \$9,306. Mrs. Whigham and Mrs. Rosser are readying the old library stock for moving.

rary stock for moving. "There are many items that we do not have and need to run an efficient well-equipped lib-rary," said Mrs. Rosser. She listed records, a record play-er, cassets, a casset player, a coffee pot, 16mm. projector 35mm. projector and films to show in each, as a few of the items needed. items needed.

The formal opening of the new facility will be during Gates-ville's Centeniel Week in August' According to the libarians, the library doors will open to the public in May. Mrs. Whigham was appoint-ed to the head librarian posi-tion April 14, by the Gatesville

City Council. She will assume her duties in July. She plans to enroll in a few library science courses at Baylor this summer.

Mrs. Rosser will assume her duties as assistant librarian at that time.

#### OJS Club To Hear About Decoupage

The OJS Club of Jonesboro will meet in the home of Mrs. James Perry in the Pleasant Valley Community May 4, at 10:30 a.m. All ladies of the community are invited to attend and bring a sandwich lunch. Mrs. Nita Anderson of Gatesville will meet with the group and instruct them on the basics of the art of decoupage.

KITCHEN FOR CLUBS ... Gatesville clubs and organizations will be welcome to use the new library kitchenette facilities. Mrs. Rosser (right) and Mrs. Whigham (left) examine the cab-inetry of the new kitchen. The room is open to all clubs for use in preparation of snacks or refreshments. All club meeting necessities such as the kitchen, rest rooms and water fountain are located on the rear hallway near the auditorium.

"Rain, rain go away, come again another day," we used to sing when we were children. There was never a convenient time to have a rainy day then. Now that I'm a gardener by

avocation and realize that rain is the very life-blood of a garden I would like to turn that chant around if it would do

I put my mulch down over wet round, if it hasn't recently rained I drag out the hose. After a week of hot drying wind any good. I do keep my fin-gers crossed, though, hoping that the government will stay out of the rain making business. and cloudless days the un-mulched portion has a hard crust while under the mulch the soil is cool and damp. I'm sure they could never please This method seems to carry the harvest of fresh vegetables more than one tenth of the peoover a much longer period of hot summer weather than bare

ple at any one time if they did succeed in making it rain where and when they decided. With all the showers of the

past week going by on the far horizons I have been busy mulching my garden to hold the moisture already in the ground and to make the most use of the water I add when it gets too dry. Almost anything can be

used for mulching purposes. Hay, straw and grass clippings are perhaps most frequently used. For a neater appearance peat moss, sawdust or co-coa hulls might be best. One of the easiest to obtain items in this area is cotton seed hulls.

Most mulching materials are better to use after they have been composted or at least piled over the winter so any danger of heating is past. Fresh materials, such as grass clippings should never be used up close to plants. These may be put in the walkways between rows at anytime however. News and other paper wastes are also good to use between rows, if they are anchored with soil or rocks to prevent blowing.

These will keep the weeds down and provide dry walkways dur-

ing rainy times.

ground gardening.

# We're helping Lloyd Bentsen help Texas!

If you're ready for a big change for the better, join us in our efforts to elect Lloyd Bentsen United States Senator. Work for - vote for - Lloyd Bentsen in the May 2nd Democratic Primary.

Sam J. Powell **Roberta Powell** Floyd Ziegler Cleo Woodard H.K. Jackson Jr. William Floyd M. D. **Robert S. Edwards** David Shackleford C. C. Shepherd **Tribble Shepherd** Ray Byrom Robert W. Brown

**Roy Conner Price Neeley Charles Powell Tincy Powell Don Jake Saunders** Charles T. Smith Mrs. Charles T. Smith J. D. McCauley R. M. Arnold Byron L. McClellan Erle Powell Mrs. Erle Powell Dale White John F. Post

H. K. Jackson Sr. **Jack Straw** K. R. Jones M. D. Mrs. K. R. Jones Don Flentge Thomas R. WIIIiams DDS E. E. Lowrey M. D. Bert Floyd Joe M. Kenworthy DDS Mrs. Joe M. Kenworthy **Bob Cummings Bob Miller Ray Painter** 

We are ready for a change in the makeup and actions of the U.S. Senate. When Ralph Yar-borough voted AGAINST the confirmation of Judge Haynsworth and Judge Carswell and A-GAINST voluntary prayers in public schools, we feel he voted against the majority of Texas voters. We are ready for a new man. Vote for Lloyd Bentsen.

# **Bentsen for U.S. Senator.**
