Contract on Highway 6 Is Expected

The contract letting for grading and drainage of approximately ten miles of Highway 6 in the neighborhood of Iredell has tentatively been set for October 10 in Austin.

The drainage on this ten miles of road includes a 540-odd foot bridge across the Bosque River above Iredell and a large number of smaller bridges and drainage structures.

The initial contract calls for only the grading and drainage structures; it is estimated that the final cost of the ten miles of road will run in the neighborhood of half a million dollars.

### Antelope Hunting In Texas Interests Only Few Qualified Persons

Austin, Sept. 24—Some fifty Texas sportsmen are about to be taken off the hook—they hope.

The Chief Clerk of the Game and Fish Commission tells all about it.

The approximately half hundred persons are among the low priority applicants for the fall antelope season, October 1 to 9, who ultimately will get their precious shooting permits.

Here is how it works:

Based on previous seasons a certain percentage of persons qualifying for the special antelope season and getting their \$5 license find out later they cannot go hunting.

This year, on the basis of the 526 permits issued, it is estimated that something more than fifty will not make the trip.

Under the antelope hunting proclamation, persons unable to use their licenses may turn them in to Austin headquarters of the Game and Fish Commission.

The returned licenses then are re-issued to persons who lost out in the drawing but who are otherwise eligible.

The reward to the hunter who turns his license in is considerable, according to the Chief Clerk. This hunter is given the highest priority for the next antelope season.

"Those who notify us in time to re-issue their licenses," said the Chief Clerk, "are assured of a permit for the next antelope season. Besides, they will be making some fellow sportsmen pretty happy. The idea is to rush in their cancellations."

### Only Tough Riders, Roughest Stock in Texas Prison Rodeo

Huntsville, Sept. 24—(Echo)—Only the toughest riders in the Texas penitentiary will be allowed to ride in the 29th Annual Prison Rodeo opening at Huntsville next month on October 7th. Likewise, only the roughest bucking stock the prison system's vast herds can produce will be driven and prodded into the chutes in Prison Stadium when the show begins.

Right now its round-up time in the prison system's river bottom pastures and the farthest corners are being combed for rodeo stock that hasn't seen a human being since last year's show. Driving them out of their favorite grazing haunts and loading them for transportation to Huntsville is a big job, what will happen when a wild convict cowboy gets on one's back is anybody's guess.

The original Texas Prison Rodeo, which has been called the "World's Wildest and Fastest Rodeo," has gotten a little wilder and a little faster with each succeeding year and the 29th show of the series bids fair to perpetuate the tradition. Albert Moore, Director of the unique convict carnival for the 18th consecutive year, is putting only the best performers—inmate and animal—into the arena.

"We've got lots of new riders volunteering for this year's show," says Mr. Moore, "but only the best of them will be in the arena next month. We'll have some 'try-outs' one day before opening Sunday and they'll all have a chance to show their stuff. At the same time we'll have a chance to cull any stock that doesn't meet our standards—only sure-fire buckers will get into the chutes when the show starts."

There are no practice sessions for the riders, no second chances for lethargic broncs or brahmas. Only the toughest and the roughest meet in the world's original Prison Rodeo at Huntsville next month.

Tickets for the most famous show in the southwest are on sale now, reserved seats are \$2.40, tax included. Send your check or money order to L. J. Craig, Prison Ticket Office, Huntsville, Texas for your reservations.

### Carlton Rams Play Buda in Practice Six-Man Football

The Carlton six-man football team journeyed to Buda Friday night, Sept. 14, and was defeated in a pre-season practice game, 26-12. An account of the game has been received by the News Review from Carlton Public Schools.

Buda ran the score up to 20-0 by halftime with the smooth faking and passing of their all-regional quarterback, Oneseme Rodriguez. The Rams came back in the second half and made a game out of it by scoring two touchdowns. Kenneth Munsell scored first with a two-yard plunge. Don Thompson passed to center, Don Williamson, for the second touchdown.

As it had been raining for four days, the game was played under very unfavorable conditions.

Rodriguez of Buda was outstanding, while Don Thompson, K. Munsell and C. Box were outstanding on offense for Carlton. On defense, it was K. Munsell, J. Munsell and D. Williamson who did capable jobs.

#### THE THOUSAND YEAR DAY OF RESTITUTION

When Christ comes the second time, what will He do? He will fulfill what He died for. He gave His life a ransom for all. 1 Tim. 2:6, 1 Cor. 15:21-22.

When Adam disobeyed God, he brought death upon everyone. Rom. 5:12.

Therefore all would have remained dead in the sight of God if Christ had not given His life a ransom that all might have Life Eternal. Christ comes the second time to restore that which was lost in Adam.

All are recorded as dead in God's sight until they by the help of our Lord, overcome sin and prove faithful unto death. Rev. 2:10.

During this gospel age, it is they the newcomers, who will be in the first resurrection in Christ's body. Their work will be to help in the Restitution of All Things. Acts 3:20-21. Earth to be restored anew. Rev. 21:1-4, Isa. 2:2-4, Isa. 65: 17-25; Dan. 2:44. Paradise to be restored. Rev. 2:7, Isa. 51:3. Earth to become as garden of Eden. Ezk. 36:35.

Christ will bring everyone out of graves. St. Jno. 5:28-29, to live here on earth under His righteous reign. Stars will be bound, all evil put down, at close of the Thousand years. Christ turns everything over to God, His Father. Then God will loose Satan a little season. Rev. 20:1-3.

All who stand this test, and will not follow after Satan, but prove worthy of Eternal Life, God reckons them as living. Hence, "The rest of the dead live not again until the Thousand Years is finished."

What a wonderful plea God has for mankind.

### More Room in the Same Space

For a sharp contrast between old and new, take a close look at these "before and after" photographs. Above, the old kitchen offered little in beauty and not much more in convenience. Valuable space was wasted beneath the old fashioned sink and there was a serious lack of drawer space. Equally serious for the homemaker was the unsightly and hard-to-clean crack between the work surface and the old sink.

And here's the "new" with its sparkling cleanliness and beauty and a whole carload of extra storage space. The old kitchen has two drawers; the new one has 10! In addition, there are large storage compartments in the under-sink cabinet and in the base cabinet at left. A favorite of this homemaker is the rolling door cabinet above the work surface at left. Cabinet tops are sealed to the sink for sanitation. Best of all, the new kitchen required no expensive remodeling because standard steel units were used with Youngstown Kitchens Planning Service.

**WITH OUR  
SUBSCRIBERS**

We only wish some of our mer-  
chants—especially the ones who  
don't advertise regularly—could  
hear remarks often made by sub-  
scribers about why they want to  
get their paper on time. W. P.  
McDowell, who came in last week,  
complimented us for getting the  
paper out early enough so that he  
could read the ads and decide  
where to trade by time for his  
regular shopping trips each Sat-  
urday. Of course we like for our  
readers to be anxious to read the  
paper, but it is very encouraging  
when they admit they trade with  
the stores that advertise. Maybe  
that's the reason Hico is such a  
good trading point—we actually  
believe local merchants are more  
advertising conscious than the  
average. Be that as it may, Mr.  
McDowell is one of our most  
loyal customers. He had been  
visiting at Lubbock with his  
son-in-law and daughter, Mr. and  
Mrs. H. W. Wren, for the past  
two weeks, and upon his return  
renewed his subscription and had  
the paper sent to them as they  
are former citizens. It was a  
double birthday present. This  
coming Saturday, Sept. 29, is Her-  
schel's birthday, and also Mr. Mc-  
Dowell's. Happy birthday to  
both.

Renewal was entered this week  
by Arnold Gleason, Hico Route 3,  
for his subscription to the News  
Review. He is a well-known farm-  
er in this section, but must be  
right busy at this season as he  
mailed in his renewal, instead of  
coming by the office.

L. W. Roberson of Roberson's  
Laundry, that place up on the hill  
where so many cars stop on Mon-  
day, came by the News Review  
office the other day to collect a  
bill and took his subscription out  
in the process.

Bill McGlothlin, one of the Hico  
through who commute to their  
work at Convoir in Fort Worth,  
was in the office this week to part  
with some of his wages in pay-

ment of his subscription renewal,  
which he handed over to Buck  
Meador who was in charge of all  
office operations at that time.

George White Barrow of Hous-  
ton, who arrived last Saturday for  
a visit with his sister, Mrs. Will  
Autrey, and to see about the con-  
dition of Mr. Autrey who was en-  
tered as a patient in the Hico  
Hospital this week, dropped by  
the office for a chat and to pay  
his subscription renewal. George  
said he was born in the house now  
occupied by the Autreys, a son of  
the late D. G. Barrow, pioneer  
landholder and merchant of Hico.  
He left here in 1901, but didn't  
"shake the dust of Hico" off his  
feet as he is a frequent visitor  
back home and enjoys mingling  
with the people here. He says he  
is a pretty good squirrel hunter,  
a fair "bank fisherman" and tries  
to be a good sport, but doesn't  
even propose to come up to the ac-  
complishments of his brothers,  
Ben of Houston or Ernest of Fort  
Worth, all of whom are in the  
lumber business also. While he  
was in the office, Frank Mingus  
dropped by and you should have  
heard the reminiscences.

O. H. Powell of Denton writes  
the News Review editor that he  
really misses the paper when it  
fails to arrive and that he is send-  
ing in two dollars for renewal so  
that he can read this week's issue.  
"I like to keep up with my friends  
down in Hico and Duffau," he  
concluded.

E. Sanders, who has been living  
in Snyder, came in Wednesday to  
take care of a renewal for his  
daughter, Mrs. Johnnie H. Wil-

liams, Hico Route 4, while visit-  
ing in her home.

C. H. Miller, up from Waco Mon-  
day on one of his periodic business  
visits connected with his property  
holdings in this area, dropped by  
the News Review office to place  
a want ad and while here took  
care of his subscription renewal  
even though it was not due for  
another month. He finds Waco  
a pleasant place to live and says  
growth is evident on every hand.

N. K. Bryant of Fort Worth,  
who visited in Hico Sunday,  
brought a request for subscription  
to the News Review to be entered  
for himself, through Leonard How-  
ard, News Stand agent.

"Better come get this money,"  
cheerfully advised an early morn-  
ing visitor Thursday in the person  
of G. G. Montgomery. Gus, as he  
is known by his many friends in  
and around Hico, has been taking  
the paper ever since it was under  
the management of A. Garland  
Adair, he says. That would have  
been about 35 years by his and our  
reckoning. Now he'll have to put  
up with it at least a year longer.

J. E. Lincoln, who is getting his  
mail out of Carlton instead of  
Hico, since retiring from the po-  
sition of school superintendent  
here, came by this week to renew  
his subscription, and thus indi-  
cated (as he and Mrs. Lincoln do  
in so many other ways) that they  
are still interested in the events  
and activities of Hico. Incident-  
ally we read the following article  
in the Waco paper about the Lin-  
colns: "In appreciation of their  
services to the Hico Public Schools,

the local school board and superin-  
tendent presented a copper tea  
service to Mr. and Mrs. J. E. Lin-  
coln last Thursday evening. The  
presentation was made by J. B.  
Woodard, secretary of the board,  
to the former superintendent and  
his wife, and elementary school  
teacher, during a surprise visit to  
their ranch near Carlton. The  
Lincolns retired from the teach-  
ing profession last May after 32  
years, the last seven of which were  
spent in Hico. Cold drinks and  
cookies were served by the trust-  
ees' wives. Those present were  
Supt. and Mrs. O. C. Cook, Mr.  
and Mrs. W. M. Horsley, Mr. and  
Mrs. Grady Hooper, Mr. and Mrs.  
J. B. Woodard, Mr. and Mrs. Con-  
da Salmon, Mr. and Mrs. Vernon  
H. Jenkins, and Mr. and Mrs.  
Lincoln."

**ON STAFF OF J-TAC**  
Miss Myrna Sparks, entering  
her second year as student in  
Tarleton State College, Steph-  
enville, has been appointed to the  
staff of the "J-Tac," the college's  
weekly newspaper. Her column ap-  
pearing each week is entitled "The  
Student's Viewpoint."  
Myrna has also been elected to the  
B. S. U. (Baptist Students  
Union) council and represented  
her college, along with other  
council members at a convention  
held at Howard Payne College,  
Brownwood, Friday, Sept. 21.  
Myrna is majoring in Business  
Administration.

**Been Here One More Year  
So Has Some of This Stuff I AM PUTTING ON SALE**

All kidding aside now folks. I know it has been hot and dry, and crops are short as well as money. The cost of living is high, help is high and cotton is cheap. You know that when you hit it hard so does the merchant. However in the cities wages are high and merchandise is beginning to get scarce—especially that which is made of metal. Prices are going up every day. I am going to try to sell some of this I have on hand and go back and get some more while the getting is good. Some of these items you don't need right now but will need a little later. If you wait you may have trouble finding them, and if you do find them I will guarantee you they will cost you more.

### Methodist Church

Next Sunday is to be observed as Homecoming Day at First Methodist Church. We are "pulling" for 250 in Sunday School and an overflow at all services.

The preachers for the morning and evening services will be Rev. Clyde Pittman at 11 a. m. and at the 7:30 p. m. service, Rev. John W. Leggett. Both of these men went out from the Hico Methodist Church into the ministry.

A bountiful "dinner on the ground" will be served, to all who come, at the noon hour and former pastors, District Superintendents and members will be heard in the afternoon. A splendid song service and a history of Hico Methodism will also feature the afternoon program. Judge J. C. Barrow will be master of ceremonies and will give the church history. A cordial welcome is extended to everyone.

J. Fred Patterson, Pastor.

## Local Plea Is Made to Help Reopen USO

Responding to a need created by United Defense effort, plans have been made to reactivate the USO, wartime recreation facilities provided during World War II for servicemen. Funds will be raised throughout each county to support this organization.

Announcement of Odie Petsick as local chairman was made this week from W. O. Manning, vice-president and cashier of the Perry National Bank in the county seat. Ben H. Wooten, president of the First National Bank at Dallas, has been named general chairman for the state. Hamilton County has been assigned a quota of \$1,000.00. "Hamilton County has a total of 271 men and women in the armed forces at the present time," said Mr. Manning, "and since these are now, and will continue to be for the most part, young men and women, a large number of whom will be away from home for the first time, the need is particularly great that clubs be formed where wholesome places of recreation will be available."

"Clubs are now operating at Gatesville and Belton, and others must be opened soon in this area," he stated.

### Goliath to Appear At Circus Matinee For Kiddies Tuesday

Wallace and Clark Wild Animal Circus, which prides itself upon presenting an outstanding feature attraction each year to the American public, will offer a special matinee for school children when it appears in Hico next Tuesday, Oct. 2. Beginning at 3:00 p. m., the show will be put on for all students in grade and high school. Reduced admission charges will be made on all seats at the circus.

The feature in this show will be Goliath, world's largest hippopotamus, about whose capture the following story is told. The elephant herd of Wallace and Clark Circus was contracted last winter by Metro-Goldwyn-Mayer Studios to work in a picture entitled "Soldiers Three," and at that time, the manager of the circus had the opportunity to meet Mr. George Emerson, head animal trainer of MGM studio.

During the course of conversation, Mr. Wallace mentioned that he was looking for a feature for 1951 and Mr. Emerson informed him that on one of his trips to the Upper Nile River in Africa for his studio he had seen an enormous bloodsweating hippopotamus, too large and too vicious to be used in picture work, and through Mr. Emerson's cooperation, contact was made with Mr. Henry Trefflich, wild animal dealer, who sent a special expedition to Africa to bring this giant beast to America. The circus immediately began construction of a 28-foot all-steel cage, even before the news of Goliath's capture had reached America, and on March 15th, of this year, Goliath arrived in Los Angeles, California, and on circus day in Hico on Tuesday, Wallace & Clark cordially invites everyone to see this monstrous beast fed and watered, together with the other animals at 10 a. m. absolutely free.

### Beauty Is Topic At Review Club Meeting Thursday

"Beauty Is Where You Find It" was the theme of the program given at the regular bi-monthly meeting of the Hico Review Club on Thursday, Sept. 20. Mrs. J. W. Fairley and Mrs. S. E. Blair Jr. were hostesses.

Mrs. L. J. Wood, who had driven 175 miles to present her interesting topic, discussed beauty in good health.

Beauty in personal appearance was outlined by Mrs. Truman E. Roberts, as follows: (1) a glow of health, (2) lustrous hair, (3) nice clean white teeth, (4) modulated voice, (5) easy, confident stride and erect carriage, (6) radiant personality, (7) intellectual curiosity, and (8) complete self-assurance and naturalness.

During the business session, a letter of thanks was read from a Greek lady expressing thanks for a package sent during the past club year.

Another letter was read from a Polish lady who had been the recipient of a layette two years ago. She wrote that her child had polio and asked that the club send clothing, coffee, tea, etc. She also asked that the club send two pair of nylon hose, so that she could exchange them for other things there, as the total of her monthly salary and her husband's would amount to the price of only four pair of nylons.

Refreshments of chicken salad, potato chips, olives, pickles, cheese, coconut squares and iced tea were served by the hostesses to the following members present: Mrs. Morse Ross, Mrs. J. E. Lincoln, Mrs. W. M. Horsley, Mrs. Wayne Rutledge, Mrs. S. E. Blair Sr., Mrs. O. C. Cook, Mrs. Bernell Jernigan, Mrs. Odie Petsick, Mrs. C. H. Boyd, Mrs. R. B. Jackson, Mrs. Edgar Bradley, Mrs. Hord Randals, Mrs. J. Fred Patterson, Mrs. Marvin Marshall, Mrs. Roberts and Mrs. Wood.

### Fairy

By Mrs. Eunice Massengale

We have had threatening weather the past few days with much warmer temperatures.

Farmers have been very busy gathering corn, pulling cotton and preparing land for fall sowing.

Miss Norma Ruth Clark, daughter of Mr. and Mrs. Ovie Clark and granddaughter of Mr. and Mrs. John Abel, came near being seriously injured last Thursday evening about dusk.

Miss Clark, in company with Mr. Barnett and Bobby Lane of Hico, were on their way to the Grady Anderson home to pick up Miss Virginia Anderson, when the driver of the car attempted to pass another car. In doing so the car hit loose gravel and plunged into the Anderson's pasture, overturning three times.

Miss Clark and Mr. Barnett were carried to the Hico Hospital. Mr. Barnett was released on Friday while Miss Clark was released on Saturday.

The fact that all three were thrown from the front to the rear of the car probably saved them from more serious injury.

We appreciate our farm to market roads, but they are really too narrow for safe driving. And seems the stretch from Fairy to Lanham is about the narrowest in the county, that we have observed.

Mr. and Mrs. W. N. Bridges of McGregor visited Sunday in the home of her brother, Mr. and Mrs. Scott Blakley. Other visitors in the home were his brother and wife, Mr. and Mrs. Roy Blakley.

Mr. and Mrs. Frank Sellers, Bobby and Barbara of Hamilton visited Sunday in the home of his brother, Mr. and Mrs. Carl Ray Sellers and family.

The writer visited Sunday in Glen Rose with Rev. and Mrs. Charlie Stephenson, who are ill. On our return home, we attended the afternoon singing at Plain those residing along the highway at present.

Mrs. D. E. Allison of Dublin stopped for a short visit Wednesday of last week at the home of

view Church, near Chalk Mountain, and at Hico we stopped for a short visit in the Burnett home.

Mr. and Mrs. Charlie Proffitt of Carlton were Fairy cemetery visitors Sunday. Mr. and Mrs. Proffitt are frequent visitors, looking after the last resting place of loved ones.

Mr. and Mrs. Curtis Wright and Glenn of Fort Worth spent the week end with her parents, Mr. and Mrs. H. S. Pitts and Ima.

Harlon Guinn spent the week end with his wife and two children at the home of her parents, Mr. and Mrs. Grady Anderson. Mrs. Guinn accompanied her husband to their home at Richmond on Sunday for a load of their household furnishings. They are moving to Brownwood this week.

Mr. and Mrs. Leon Springer spent a few days at Miles last week, returning Saturday. Mr. Springer had part of his cattle trucked back to Miles, since the good rains there have improved grazing lands on the place Mr. Springer had leased. The cattle were being pastured at the Wesley Jones place at Lanham.

The Highway Department recently erected stop signs at Fairy and along the highway where needed, also signs indicating road curves were erected, and our little village town now has its identification of Fairy on the north and south entrance along the highway. We hope they see fit to erect signs on either side, giving information to motorists, as to their next town, as this seems to be left to her mother, the writer and sister, Mrs. Carl Ray Sellers. She was en route home from Waco, where she had been on a shopping trip. She was accompanied by her husband's mother, Mrs. Edd Allison of Fairy and his sister, Mrs. George Stringer and Cathy of Hico. While there they visited in the home of their daughter and sister, Mr. and Mrs. Dellis Seago and Sherry.

Mr. and Mrs. H. S. Pitts and Ima visited last Sunday week in the home of their daughter, Mr. and Mrs. Hall Morrison of near Stephenville. Miss Ima remained until Thursday. Mrs. Morrison accompanied her home.

### Carlton

By Mrs. Fred Geye

Rev. Chester Sylvester received a message Friday morning that his father, A. H. Sylvester of Lampasas had passed away in his sleep sometime Thursday night.

Rev. E. E. Dawson and Otho Stuckey attended the funeral, held near Austin, Saturday morning. His wife passed away three months ago. The many Carlton friends of Bro. Sylvester extend to him, their deepest sympathy in his double sorrow.

S-Sgt. Stampley Baird, who had been in Korea fourteen months, landed in the United States Sept. 13. He arrived home Saturday morning for a visit with his mother, Mrs. Bertha Baird.

Mrs. J. B. Lowe left Friday for Stamford to attend the wedding of her granddaughter, Miss Esther May. The wedding was solemnized in the Baptist Church Saturday evening in Stamford.

Mr. and Mrs. J. W. Short and Mrs. Bertha Baird visited Sunday afternoon at Purves with their brother and wife, Mr. and Mrs. C. L. Baird.

Mr. and Mrs. Wayne Stidham of Stephenville spent the week end with their mother, Mrs. Lorena Stidham.

Mrs. Frank Stuckey returned home Wednesday night after a three months' visit in Idalou with her daughter and husband, Mr. and Mrs. E. McCullough, with her nieces in Tulsa, Dimmitt, Lamesa and with her three granddaughters in Lorenzo.

Mrs. W. S. Rudd returned home Friday after a visit in San Angelo with her son and family. She was accompanied home by her other son, Billy D. Rudd of Big Springs.

Mrs. Luther Foster and son Raymond of Alexander, Mr. and Mrs. Levi Hatley and Mr. and Mrs. Thurman Boucher and son of Gustine visited Thursday night with her brother and their parents, Mr. and Mrs. Tom Lowery. Mr. Lowery, ill for several days, is reported some better.

Mrs. Lilla Byrd is visiting at Fairy with her sister, Miss Nora Abel and other relatives.

Mr. and Mrs. Wayne Chapman and children of Irving spent the week end with her parents, Mr. and Mrs. Watt Sharp Sr.

Mr. and Mrs. Houston Davis, Mr. and Mrs. Bailey Sharp and Mr. and Mrs. Cyrus King attended church services at Morgan Sunday night to hear Rev. John Shuler.

Mr. and Mrs. Alvie Lynch of Chillicothe spent Sunday with his uncle and aunts, Joe Lynch, Mrs. Lorena Stidham and Miss Pattie Lynch.

Mrs. Conrad Roberson and children, Mrs. J. L. Williams and children and Mrs. Jim Pierce were Stephenville shoppers Thursday.

Mrs. Eugenea Barnett returned to her home in Centralia, Ill., after a two-months visit with her sister, Mrs. Jim Pierce and husband.

Mr. and Mrs. Eddie Welch of Dublin and Henry Ellison and family of Purves were Sunday visitors with their parents, Mr. and Mrs. Mack Ellison.

Mrs. Eva Laws of Cisco spent the week end with her mother-in-law, Mrs. G. E. Laws and other relatives.

Sunday visitors with Mr. and Mrs. C. L. Thetford were Mr. and Mrs. Homer Thetford of Pawhuska, Okla., Mr. and Mrs. C. B. Thetford and daughter and Mr. and Mrs. Kay Clark of Dallas, Geo. and Fay Thetford of Carlton and Earnest Smith of Fort Worth.

Mr. and Mrs. Jim Pierce were dinner guests Sunday at Hico with Mr. and Mrs. Jim D. Wright.

Mr. and Mrs. Truman Lowery of Waco visited Monday afternoon with his parents, Mr. and Mrs. Tom Lowery.

### Clairette

By Mrs. Henry Mayfield

Mr. and Mrs. Alvin Holder moved into the new house built by their land lord recently on the Bosque river north of Clairette. There was a house warming in their honor last Friday night.

Visitors last Tuesday night in the C. D. Richbourg home were Mr. and Mrs. Thurman Smith of Gabriel, Calif.

Mrs. Reno Dunbar went to Fort Worth last Thursday to meet her mother, Mrs. Mary Earl from a trip to Phoenix, Arizona and Modesto, Calif. They spent the day shopping.

Mrs. Flora Roberson gave a Stanley party at her home last Thursday afternoon.

Mrs. C. D. Richbourg entertained the Busy Bee Club members. Besides the members, one visitor, Mrs. Homer Haynes, was present.

Mr. and Mrs. Jimmy Lee and daughter of Cisco, Mr. and Mrs. Bruce Lee and Mr. and Mrs. Willie Landis and family of Denver City, Mr. and Mrs. Olin Johnson and daughter of Borger, spent the week end with Mr. and Mrs. Homer Lee.

Mrs. Dorothy Erick brought her little son, Charles, home Monday evening from the City-County Hospital polio ward. Charles is improving but will have to stay in bed several days longer and go back to Fort Worth each week for treatments. When little Charles discovered his cloths packed Monday evening, he said to his mother, "Oh boy, I'm going home." He was happy to get home.

Reno Dunbar visited his mother and other relatives at Henderson recently.

Mrs. Reno Dunbar made a business trip to Stephenville Monday.

### "OLE SARGE"

CHRISTMAS PRESENTS for overseas shipment should be mailed between October 15th and November 15th, the Department of Defense has announced. Parcels for delivery in Japan, Korea, and the Pacific Isles should be mailed not later than November 1st. It is requested that all parcels for overseas shipment be in strong boxes of wood, metal, or fibre-board. Unless completely packed and tightly filled, boxes are likely to be crushed. Pack them right for him and he deserves it.

THE ARMY HAS ASKED 300 CLERGYMEN of all faiths to volunteer for the Armed Forces. They are needed at once. Chaplains who are appointed as commissioned officers will receive 60 days notice before reporting for duty. The initial assignment will be the Chaplains School, Fort Slocum, New York. Initial appointments will be in the rank of First Lieutenant. The American soldier everywhere, looks to spiritual guidance and interested applicants are invited to write to the Office of the Chief of Chaplains, Department of the Army, Washington 25, D. C.

INCREASED PROTECTION FOR WOUNDED SOLDIERS exposed to frigid weather has been developed by the Army Quartermaster Corps in collaboration with the Medical Corps, in the form of a new casualty bag. It serves as a wind and water repellent and is to protect from freezing to 50 degrees below zero.

"I AM ALIVE" LETTER NO LONGER NEEDED. Retired personnel of the Armed Forces no longer are required to inform Washington every month that they are still alive. The Armed Forces has worked out a plan whereby retired personnel can have checks made out to themselves and be mailed directly to a bank by giving the bank a limited power of attorney.

NO SECOND KOREA WINTER for troops now serving in Korea battle zones, is the order of the day. According to General J. Lawton Collins, the men who faced the frigid weather last year will all be home before this winter starts. Rotation is now underway. IT IS YOUR SOLEMN DUTY, as an American to donate to the American Red Cross Blood Bank. Do it today. The life you save may be the life of one of your loved ones.

See you around, SARGE.

### Community Benefits By Ridding Itself of Menace of Rodents

Austin, Sept. 24.—Because of the economic losses they cause to industry and commerce and the annoyance they create in homes, rats have been considered a serious menace to mankind since long before their role as vectors of disease was understood. Today at least six diseases which are transmitted to man from the rat are known to the medical science, according to Dr. Geo. W. Cox, State Health Officer. These diseases include the dread plague, typhus, trichinosis, a form of jaundice, tapeworm, and food poisoning. The whole history of the role rats play in the transmission of disease remains as yet unknown.

"It is necessary to public health," Dr. Cox said, "that a continuous rat control program be maintained in every urban and rural area throughout Texas. This is of especial importance on farms where rats may flourish by feeding on grain and other farm products."

The doctor pointed out that rats, like other living things, require food and shelter if they are to propagate and increase in number. Destroying their shelter and breeding places includes the employing of ratproof design in buildings, the use of ratproof materials in construction, employing ratproof methods of construction and installation, and providing for periodic inspection of buildings to insure permanent safety. This program will force the rat into the open where its destruction may be accomplished.

Of equal importance as a control measure is the elimination of all food supplies. This consists of storing all foods in ratproof buildings or in ratproof containers, the proper storage and disposal of garbage, and careful feeding of stock to prevent waste feed from being picked up by the rats.

By observing these control measures, the community will benefit not only in the eradication of a nuisance and economic menace but in improved health conditions and the prevention of rat-borne diseases.

# "Let's Talk Live Stock"

By TED GOULDY

Fort Worth, Sept. 23—What's behind the better prices for sheep and hogs?  
That seems to be the \$64 question after last week's improvement in prices on those kinds, especially old sheep, prices which climbed \$1 to \$2 per hundred.  
Answer seems to lie in the direction that the scarcity of beef has turned the housewives in the direction of lamb, mutton, canned meats and sausages, as well as toward a larger amount of pork.  
Cooler weather has helped in the increased consumption of pork, as well as the fact that it is a "best buy" at the meat counters because it is more plentiful than most other kinds of red meat.  
There are various reasons for the shortage of beef. Packers are unable to buy more than 20 to 30 percent of the cattle and calves coming to Fort Worth and it seems to run about like that at most markets.  
The extreme demand for stocker and feeder cattle and calves continues unabated and almost anything that looks suitable to go back to the country or into the feedlot is being bought by stocker and feeder buyers at prices far above the packers' ceiling prices, despite the slack given out by the OPS in last week's higher beef ceilings.  
Another thing—rains this month in the Southwest have undoubtedly set the stage for increased stocker demand close to home.  
We get a weekly crop and weather report from many of our Texas county agents. We could not help being a bit amused by this week's report from County Agent John L. Murphy of Fallsburg in Brooks County.  
For many weeks, Murphy's report has been dry, dry, dry and included the details of reduced crops and livestock feeding, etc.  
This week his report is signed in a flowing, bold hand and a couple of lines above the signature his report says, "With 11 to 14 inches of rain in the county, ranges should be in good condition for wintering cattle." Yep, we'd say so, too, John!

Wheat field grazing prospects are top-notch in the Plains and Panhandle and some other sections of the winter grain belt. The impact has been felt at Fort Worth this week as buyers of cows and other cattle for such grazing really turned on the steam.  
Load after load of old cows that are canner and cutter flesh are selling from \$20 to \$24, about \$1 to \$2 per hundred above their packer values under the OPS ceilings.  
Here's a little success story that we picked up this week that points a moral to farmers. The moral is—diversify and include some hogs in your farm program. There is money to be made doing it instead of depending on farming of grain and cotton alone.  
Mr. and Mrs. F. S. Goodwin of Limestone County visited my office the other day and told me about the eight pigs Mrs. Goodwin raised.  
These pigs were five months and five days old. They weighed well over 200 pounds and brought \$21 per hundred at Fort Worth.  
Mrs. Goodwin paid \$160 for corn and \$34.50 for supplement. The pigs cashed at \$354.90, leaving a net profit of \$168.40 for take-home pay on her pig feeding deal.  
Two loads of as fancy fed cattle as we have seen in many a moon landed here this week. W. T. (Bill) Bonner, widely known cattleman of Gainesville, Texas, had some 990-pound long-yearlings here that topped at \$38 per hundred.  
Another top feeder topped the Fort Worth market as he usually does the day he brings in his steers. C. G. Martin of Cedar Hill, had 14 steers in that averaged 964 pounds and brought \$37.50.  
Packers have been almost "jumping the fences" to buy old ewes and wethers. Prices jumped every day during the week and closed \$1 to \$2 higher for the week. Canner ewes sold around \$11 last week, brought \$13 this week. Aged wethers reached a \$19 top, the first time they have been that high in many, many moons.

For the first time in the present emergency, active duty orders are being issued to a number of Naval Reserve chaplains on other than a voluntary basis. The Navy said that needs of an expanding service, together with a drop during recent months in the number of chaplains volunteering made the move necessary.

**MR. AND MRS. HARRIS** Tidwell and her mother, Mrs. Long, visited his parents, Mr. and Mrs. C. L. Tidwell. They live in New York.  
**MR. AND MRS. R. Y. PATTERSON** and Nola and Paul of Dallas returned Monday night from a trip to Arizona. They had a fine time.  
**MRS. ROBERT HUNTER** of Hico spent the week with her mother, Mrs. Robert Dennis. They are moving to West Texas.  
**MR. AND MRS. WILLIE GORDON** of Fort Worth visited his sister, Miss Mittie Gordon, recently. They were accompanied by Mr. and Mrs. Woods, some of their friends.  
**THE P-T-A.** met Tuesday night and a large crowd was there. Mr. McCroskey was there with his moving picture machine and he showed a good many pictures. The parents went in and visited their children's rooms. Refreshments of punch and cookies were served. All enjoyed it.  
**MR. AND MRS. W. A. PLYANT** and son left Thursday for Abilene, where they visited and he fished. They returned home Sunday.  
**MR. AND MRS. JEFF KNIGHT** of Meridian spent Wednesday with his sister, Mrs. Ike Porter, and family.  
**THE LITTLE SON** of Mr. and Mrs. Welsh of Waco is visiting his grandparents, Mr. and Mrs. Falls.  
**MRS. FRANK AND CHILDREN** of Fort Worth spent the week with her parents, Mr. and Mrs. Owens.  
**MR. AND MRS. CRAIG** and children have vacated the Jones house and have moved to the Allen house on the north side.  
**MRS. SUE CISCOILLIA** and son of West Virginia are visiting her parents, Mr. and Mrs. Homer Whitley.  
**MR. AND MRS. J. J. COLLIER** of Batesville, Arkansas, and their two sons, Will Frank and family and James Edward, spent the past week with J. J.'s brother, Bill Stroud, and wife. One of the boys lives in Arkansas and the other in Hamilton.  
**MR. AND MRS. MARSHALL HOUTON** and baby of Baytown spent the past week with her parents, Mr. and Mrs. Jess White, and with his parents.  
**MISS WANDA DEAN BLUE**, who is in Tarleton State College, spent the week end at home.  
**MRS. LORENA WILSON** has returned from West Texas where she visited and where she worked in a store.  
**MRS. JEWELL LINCH** and son and her sister, Mrs. Herman Hodges, all of Fort Worth spent the week with her parents, Mr. and Mrs. Dennis. He has been very ill, but is better now.  
**MR. AND MRS. J. E. TIDWELL** and baby of Joshua spent the week with his mother, Mrs. Lela Tidwell.  
**MRS. P. T. OWENS** spent the week with her daughter, Mrs. Kenneth Hughes, and young son of Fort Worth.

**MISS MITTIE GORDON** was in Stephenville Thursday and spent Saturday in Hico with her cousin, Mr. Will Autrey, and wife.  
**MISS IRL LOCKER** who works in Dallas spent the week end at home.  
**MRS. ROBERT C. SCHLAUDT** of North Carolina visited her parents, Mr. and Mrs. Homer Whitley, this week and went on to California to be with her husband before he has to go overseas. He is in the army. When he leaves she will come back and stay with her parents until he returns.  
Wednesday morning Mr. and Mrs. Jim Locker lost their house and almost everything they had in it. They had their laundry at the washer to do and that was all they had. All were gone from home. Origin of the fire is unknown. Donations of clothing and household things were given to them this week. Some money was made up for them also. This is bad, but friends helped them out.

From where I sit... by Joe Marsh

**Skip Makes a Slip**  
Miss Gilbert, the teacher, was telling me how Skip Lawson almost went to sleep in her physics class. She noticed him nodding and—since they were discussing electricity—said in a loud voice: "Now maybe MR. LAWSON will explain what electricity is." Skip started up, looked around wildly, and blurted out, "Gee! I used to know, but I forgot."  
"What a loss to science!" sighs Miss Gilbert. "No one to this day knows what electricity really is, and here we have a genius who could explain it—but forgot!"

From where I sit, I hope this taught Skip that you're better off if you admit you *don't* know all answers. Some grownups haven't learned that yet—like the ones who are always telling other people what's best and what's right and what's wrong. I like a temperate glass of beer, myself, but if you prefer buttermilk I won't argue. I've seen too many "know-it-alls" turn out to be wrong!

### a friendly warning

ABOUT that old prescription Dr. Jones wrote for you two years ago. The bottle is on the shelf in your medicine cabinet, about one-fourth full. It would be safer for you and your family to discard it. Someone might take it by mistake, or a child might be attracted to it by the bright color and do himself harm. Many medicines deteriorate after exposure to light and air. On long standing, some compounds change their chemical structure. Yes, the safe thing to do is to throw it away. If illness again overtakes you, see your doctor. Bring his prescriptions to us for compounding.

**State Fair Sets Day To Honor Successful Farmers Under FHA**

More than four hundred Texas farmers, who a few years ago were tenants, will be honored October 10 with a day at the State Fair of Texas. These farmers borrowed money through the Farmers Home Administration to buy family-type farms, and paid off 40-year farm mortgages more than 30 years ahead of schedule. Of this number, those who paid their debt from returns from the soil will receive certificates of achievement for having paid their loans in full this year from agricultural income.

Ceremonies of awarding certificates signed by President R. L. Thornton of the State Fair of Texas, and Texas FHA Director L. J. Cappelman will be held in the Hall of State on the State Fair Grounds at 1:00 p. m., October 10. County Supervisor Ray F. Turknott announced this week. The number will include three farmers of Erath County as follows: Boyd E. Allen, L. Lee Cantrell, and Joe

B. Palmore. The supervisor is making plans to accompany a delegation of 15 Erath County families to Dallas for the event.

Congressman W. R. (Bob) Poage, Waco, Chairman of the Agriculture Committee of the House of Representatives, will deliver an address covering the progress of Farmers Home Administration in the five-year history of the agency. He will be introduced by Dillard B. Lasseater, National FHA Administrator.

Farmers who have paid up their farm and home loans and others whose operations are financed by the Farmers Home Administration have been invited to attend the ceremonies and see the State Fair exhibits.

This will be the fourth annual Farmers Home Administration Achievement Day. Of the six thousand Tenant Purchase loans made in Texas under the Bankhead-Jones Act, approximately one-half have been paid off and their farms are now owned free of debt. A part of the program will include radio interviews of successful farmers who have achieved unusual success by following FHA directions in their farming operations.

**Some Heart Patients May Continue Working, Health Officer Says**

Austin, Sept. 18.—Too prevalent today is the belief that heart disease is the spell of doom and that one must cease all work and activity. Modern medical knowledge easily disproves this notion, and thousands of case histories bear witness to its falsity, according to Dr. Geo. W. Cox, State Health Officer.

Heart disease, medical science now knows, is not a single ailment. Many troubles can afflict the heart—some less serious than others. While some restrictions are necessary, it is now generally true that patients with any form of heart trouble should be active within the limits of their capacity.

Not all persons with heart ailments can continue working at their same pace. Obviously there are those who require bed rest and often a very strict limitation of physical and mental activity. But there are many who can continue working, performing some type of useful or productive activity, without fear that their hearts will suddenly give out.

A person with a mild heart disorder can in most instances perform any kind of job for which his skills qualify him.

No individual with a heart condition, it should be cautioned, should determine for himself whether he is able to work or not and how much work he can do.

Just as there are many who become cardiac invalids because of fear, there are those at the opposite extreme who ignore proper medical advice and subject their hearts to unnecessary strain and abuse by overactivity. Only a competent physician is qualified to say what are the limits of an impaired heart.

**Ira Tabor, Native Hicoan, Brought Here For Burial Wednesday**

Funeral services for Ira Nathan Tabor, 74, were conducted here Wednesday afternoon at 4 o'clock from Barrow-Rutledge Funeral Chapel. Rev. E. E. Dawson officiated.

Mr. Tabor was born in Hico on March 31, 1877, and had spent his entire lifetime here except for the past year when he was at Dallas, cared for by loving members of his family who did everything possible to help him regain his customary health and vigor. He passed away Tuesday, Sept. 25, in Dallas after a long illness.

In the early days of Hico Mr. Tabor was prominently identified with pioneer business establishments. He was perhaps the best authority on early history of the town to be found, and he never lost his interest in the people here. His knowledge of current events was above the average, and his political convictions were strong. Until his health began to fail, he was a familiar figure on the streets and in the stores of the town where he was born and had spent a lifetime, and his sage wit and jolly remarks are missed by more than a few. Before retiring from active occupation several years ago, Mr. Tabor was a prominent farmer of this section. He was a member of the Baptist church.

Surviving are his widow, Mrs. Mattie Lee Tabor, Hico; a daughter, Mrs. Donald Rackley, Dallas; two sons, George and Paul Tabor, both of Dallas; two sisters, Mrs. Bob Carlton, Stephenville, and Mrs. John Burris, Wichita Falls; and a brother, John W. Tabor, of Dallas.

Burial was in Hico Cemetery. A. B. Roberson, J. T. Appleby, D. F. McCarty, J. B. Carmean, Will Hardy and Sam Looney were pallbearers.

**Fort Worth to Offer Big Premium List at Stock Show in 1952**

Fort Worth, Sept. 24.—Premiums offered for the 1952 Southwestern Exposition and Fat Stock Show amount to \$153,000, the largest in the history of the show, officials announce. This figure represents an increase of approximately \$7,000 over the preceding year, which was the previous all-time high.

Livestock at the Fort Worth exposition (Jan. 25 through Feb. 3) will compete for \$103,000, which includes approximately \$25,000 for the horse show. The chief increases are:

Polled Herefords (breeding) raised to \$5,000 from \$2,000;

Dairy cattle, advanced to \$5,637 from \$3,958, due to the addition of Holsteins;

Junior dairy calves, hiked to \$2,000 from \$335.

Premiums for carload-and-pen bulls have been raised to \$6,335, an increase of \$335. Other premiums include: Herefords (breeding) \$13,800; Shorthorns (breeding) \$6,000; Aberdeen - Angus (breeding) \$7,580; Brahman (breeding) \$2,000; open steer show \$5,045; sheep and goats \$4,245; swine \$9,870; boys' steers \$3,187; boys' lambs \$1,128; boys' pigs \$2,040; livestock judging contests \$1,500.

Dairy show awards are: Jerseys \$2,279; Guernseys \$1,679 and Holsteins \$1,679.

The total of \$153,000 in premiums includes the amount which contestants will receive in the world's greatest indoor rodeo, in the Will Rogers Memorial Coliseum.
