Lions Entertained at Wednesday Luncheon By Hallowe'en Skit

Under direction of their teacher, Mrs. J. T. Appleby, a group of second graders from Hico Public School's gave a very interesting and entertaining program at Wednesday's meeting and luncheon in Firemen's Hall. A play entitled "The Lost Black Cat" was staged during Hallowe'en festivities at the school, and repeated for the Lions by request of the program manager, O. C. Cook. Participating in the play were the following: Little Girl, Kathy Higginbotham; Hallowe'en King, Danny Reeves; Attendants, James Rainwater and Billy Carpenter; Scarecrow, Lewis Pack; Black Cat, L. B. Howerton; Witch, Janet Hooper; Karen Grey and Judy Hyles; Ghosts, Patricia Mitchell, Ernestine Jackson, Wilda Keller and Sue Luckie; Elves, Margaret Warren, Karen Sue Miller, Ronda Giesecke, Winston Churchill, Tommy Chew and Lloyd Aikman.

The play followed a delicious fried chicken dinner served by ladies of the Woman's Society of Christian Service from the Methodist Church.

In the business session closing the meeting members voted to buy a piano for use of the club in programs.

The president, R. B. Jackson, reported on a directors' meeting held the previous day during which plans were discussed for the first of a series of annual minstrels under joint sponsorship of the Lions and the Band Mothers' Club. A favorable vote gave the president authority to appoint a committee to meet with the Band Mothers and work out plans for the affair if they concurred.

Twenty others attended this week's meeting, including Lions Wayne Rutledge, Arthur Burden, L. H. Davis, Aubrey Duzan, W. F. Hater, R. L. Holford, J. Fred Patterson, Bill Howard, H. V. Hedges, Odie Patsick, W. H. Greenhall, J. N. Russell, Conda Salmon, J. T. Hill, Ray Cheek, O. C. Cook, A. B. McCommon, J. E. Woodard, W. B. McPherson Jr. and Harold Walker. It was announced that next week's meeting, a business session, would be held in the same place at noon, with the Methodist ladies serving again.

Ex-Congressman to Speak at Hamilton Monday Night, Nov. 12

Hamilton, Nov. 8.—The Hon. Martin Dies, former chairman of the Un-American Activities of the Congress, will speak at the courthouse in Hamilton, Monday night, November 12 at 7:30 on the menace of communism. His appearance is sponsored by church and civic groups who feel that the people are interested in this great danger to their liberties. To quote Mr. Dies: "Democracy and Christian civilization are more gravely menaced throughout the world than ever before. At long last, many of our people realize it, but there are still millions of people in the United States who have no adequate conception of the methods, tactics and ultimate objective of communism. We cannot shape the future unless we understand what has happened in the past."

That is why the people of this city and community invite you to hear Mr. Dies in Hamilton Monday, Nov. 12. He is an eloquent speaker and a great American.

MODERN FUNERAL HOME of Barrow-Rutledge in Hico is presented in the above outside view taken since recent remodeling. The interior has also undergone important remodeling and changes which will be open for inspection of the public Sunday afternoon from 1 to 7. The interior has been completely rearranged, modernized and refurnished, resulting in even greater improvement. The chapel, carpeted from wall to wall, with new draperies and furniture, spacious pews and Hammond organ, has been considerably enlarged. It and the family room, a new addition, are heated by thermostatically-controlled units. Wayne Rutledge states that the management sincerely hopes for inspection visits Sunday.

Hamilton County Teachers Will Meet Tuesday, November 13

The Hamilton County Teachers Association will meet for the first meeting of the 1951-52 school year, on Tuesday, November 13, according to announcement from the office of O. C. Cook, superintendent of Hico Public Schools.

At 7:30 a supper will be served at Hamilton Elementary School, after which a program has been planned.

Mr. Charles H. Tennyson will speak to highlight the evening.

INCREASE ANNOUNCED IN CARLTON INSURANCE AGENT'S CENTEX CREW

Jess Reeves, manager of the Central Texas District for State Farm Insurance Company, announces an increase in agency force.

A shift in counties in the Central Texas District on September 3 left a total of three agents in this twenty one county district.

There is now a total of seventeen agents with twelve more to start the 15th of this month.

The quota set for the Central Texas Division in new automobile business for period ending March 1, is 25,000 new automobile policy holders. The district at this time is above the per cent quota as set for November 1, 1951.

On the 1st of November agents were started in Brownwood, Stephenville, Mineral Wells, Cleburne, Ranger, and Weatherford.

We Always Try to Tell the Truth about Our Subscribers

There's nothing we wouldn't do for dear subscribers—that is, almost nothing. If there is something good we can say about them, we will tell the truth if we know it. If there is something they wouldn't like to read about themselves, who can say that we're suppressing the news when we just plain forget what it was?

But last week (the week the Goblins walked and the Gremilins got in the works) something happened to make us say an untruth. It can be remedied, we hope, by granting the request of L. V. Houser, Hico Route 3, to keep the record straight so his neighbors won't distrust his statements.

He said plainly that he raised 19 bales of cotton on 65 acres this year, and all of us tried to put an item in subscribers' news that way. But the Gremilins set the type to read that he raised 29 bales, which would be quite a crop in a year like this. For that matter, 19 bales was pretty good, we think. Congratulations, Mr. Houser, and our profound apologies.

Our correspondents are a faithful lot. Each week they go to a lot of trouble getting the news together and writing it for their friends to read in the paper. They can't get Cadillac on the salary we pay them, but doubtless they will get their reward in Heaven. They do a lot of other nice things, too. Like last week when Mrs. Eunice Massengale, Fairy writer, turned in the money for the subscription of her daughter, Mrs. D. E. Allison of Dublin.

John B. Fouts, Route 4, Hico, is that pleasant looking lad you see in town frequently. He is well informed, too. We know he is, for he renewed his subscription last week, after having tried it for several years and not finding any good excuse to drop it.

Earl Huddleston of Oglesby, former State Representative from this district who resigned to take a situation with the State Employment Commission at Fort Hood, was in Hico last week on business. Of course he wanted to renew his subscription—and did.

J. M. Lokey, former esteemed citizen of this Garden of Eden, played us a dirty trick several years ago and moved over to Waxahachie. Besides not liking the thought of parting with him as a neighbor, we always have trouble spelling the name of that town. But he must be getting delivery on his paper, for he renewed again last week by mail.

Mr. and Mrs. Whatley Hinson of Meadow, Texas, are entered as new subscribers through the courtesy of Ezora Wilhite, who is a sister of Mrs. Hinson. This subscription was relayed through our Carlton correspondent, Mrs. Fred Geyer. Mrs. Geyer's daughter, Mrs. Dow Self, also helps with the news, so we'd better mention her name.

"I tried to forget this, but my wife wouldn't let me," said J. F. Terry, Route 3, when he paid his subscription renewal Wednesday of last week.

Kyle Archie is an appreciated new name on our list out on Hico Route 6. He and Mrs. Archie and their children, Billy and Becky, together with her parents, Mr. and Mrs. Rankin Jones, moved here from Ballinger last December having bought the former Gus Montgomery place from Woody Garner. Mrs. Archie is active in home demonstration work in her community, and says she is always busy doing something or other.

Pfc. Lloyd E. Akin, with an overseas maintenance squadron of the U. S. Army, wrote in last week for a change of address. "I am near Munich, at a place called Furstenfeldbruck and I imagine I will be here for the next three years," he said. We're glad Lloyd is settled and hope he is fairly happy. We are glad we don't have to spell out the name of that town each week, as his paper goes to an APO address.

Clarence Spaulding, city, is one fellow we see about twice a year at least. Once when he pays his subscription, like he did last week, and again at the annual Firemen's banquet—if we happen to get an invitation and can make it. We usually do.

Mrs. Homer Wilson, Stephenville, renewed her subscription by mail last week. She added a note, "We have just moved into our new home, so please change our address to 1030 N. Isla Street," she wrote.

An order for a change of address has recently come from another daughter of Mr. and Mrs. Henry Davis of Hico. This time Mrs. T. O. Lowery asks that her paper be sent to 212 David Drive, Waco, "as we have bought us a new home and are moving into it this week."

W. C. Watkins was a subscription counter visitor about press time last Thursday while the office force was stalled for repairs. We could have given him a copy of the paper, but felt that he wouldn't appreciate the blank spot caused by a minor wreck on the press, which was remedied in later copies.

Kenneth Graves of Hico, but at present time living in Waco and working with his dad on various painting jobs, came in last Friday while visiting here and renewed their subscription. He and his bride, the former Betty Segrest, are making their home with his parents, Mr. and Mrs. Wysong Graves, in Waco.

Bro L. H. Davis came into the office shivering last Friday afternoon, still recalling the light snow he saw in his garden early that morning and mistook for frost un-

Friday's Program to Close with Football, Hico-Cranfills Gap

A Homecoming program, set for 5 o'clock Friday afternoon, Nov. 9, at the Hico High School auditorium, will be directed by the Senior Class, according to final plans announced by the arrangements committee.

An invitation to attend is being extended to all ex-students of the local schools this week by Mrs. Bryan Angell, chairman. An ex-students organization will be organized after the program. The school buildings will be open to visitors all day, Supt. O. C. Cook stated.

The committee in charge of the Homecoming this week released the following statement to clarify matters, and assure local people of a cordial invitation to attend:

"The Homecoming Committee would like to erase an apparent misunderstanding among some of the local ex-students. No formal invitation is necessary to attend the Homecoming meeting or barbecue dinner. In the limited time it was impossible to send out invitations to everybody both in and out of town. Many people who live out of town cannot be contacted. It is the hope of the committee that every ex-student who hears of our celebration will attend. Bring wives and husbands and have a big time seeing and talking to everybody else."

A meeting is called for forty-three at the high school auditorium for a brief program and business session to establish a permanent organization.

A barbecue meal at a dollar a plate will be served at the school lunchroom.

The final game on the Hico Tigers' football schedule will be played with Cranfills Gap at 8 p. m. at Tiger Stadium. A section will be reserved for the ex-students.

Itascans, Inspired by Homecoming, Rally to Defeat Hico Visitors

Itasca, Nov. 2.—Itasca's 20-to-7 victory over the Hico Tigers here Friday night, left District 12-A in a tie between the Wampus Cats and Whitney. The two clash next week for the district lead.

Itasca overcame a momentary Hico second quarter lead and then pushed ahead to win without too much trouble. The Cats scored in the first when Roy Sawyer passed to Roland Walters for 30 yards and a TD. Hico roared back to grab the lead when Billy Loden plunged over from the one.

The Wampus Cats then added their second tally on Walter's 12-yard end sweep for a TD. Pollard converted to put Itasca ahead 13 to 7, at halftime.

In the third quarter Sawyer completed a 50-yard touchdown pass to Washburn for Itasca. Skipper made the extra point.

PROGRAM AT UNITY BAPTIST CHURCH SATURDAY NIGHT

A program will be presented at the Unity Baptist Church Saturday night, November 10, along with their friendly get-together meeting which members try to arrange for once a month.

The meeting will begin at 7 o'clock, according to Derrell Shipley, who requested this announcement, and he urges that all members be present and issues a cordial invitation to anyone interested, to come and bring your friends.

SINGING NEXT SUNDAY

There will be singing Sunday, November 11, at the Pentecostal Church in Hico, according to announcement.

The singing will start at 2:00 p. m., and all are invited.

Clairette

By Mrs. Henry Mayfield

Old man winter paid us a visit with a big frost and plenty of ice. Most all the vegetation was killed. Mrs. Maude Dunbar had the Home Demonstration Club meeting at the school lunch room and gave a cooking demonstration on how to prepare and cook chicken tetrazini which she served to the club members and visitors last Friday afternoon.

Misses Eunice and Nola Lee entertained the Busy Bee Club Thursday afternoon. Two visitors, Mrs. Billie Christian and little daughter were present besides the members.

Mrs. Blanche Johnson went to visit a niece at Lubbock last week who is ill.

Mrs. Elsie Brehrens, who was operated on at the Hico Hospital last week, was reported improving.

Mr. and Mrs. Frank Johnson installed a butane system in their home last week.

Mr. and Mrs. Leaford Green of Dallas moved here recently but Mr. Green will continue working in Dallas.

Mr. and Mrs. John Cook and son of Robstown and Mrs. Susie Salmon of Hico, Mrs. Ruth Fry and Mrs. Annie Mayfield, visited recently with Mrs. Mollie Cook.

Mr. and Mrs. Artie Thompson visited over the week end in Fort Worth.

Mr. and Mrs. Reno Dunbar and Mrs. Earl had friends from Hayward, Calif., on a visit the latter part of the past week.

Mr. and Mrs. Claude Stacey of Chalk Mountain and Sam Mayfield spent Sunday in the Henry Mayfield home.

Mr. and Mrs. Wesley Roberson and son of Fort Worth spent the week end with Mr. and Mrs. Herman Roberson and family, and her folks at Fairy. Mrs. Dorothy Erick and son returned with them to have her son take a physical check up at the City-County Hospital.

Mr. and Mrs. Bruce Lee and Mrs. Willie Landis and children of Denver City visited recently a few days with Mr. and Mrs. Homer Lee.

Rev. Connell was busy in a Methodist meeting for Clairette circuit held at Pleasant Hill the past week. The visiting preacher was Rev. Bob Edwards of Alba.

Rev. and Mrs. Connell and Mrs. John Goughly attended the mass meeting at the Methodist Church in Cisco Sunday afternoon.

We are glad to see the pronunciation of our neighbor town, HI-KO in last week's NR, as we hear it called on the radio and by strangers, HIC-O or HICK-O.

Several attended the HI-KO Hallow'en carnival last Tuesday night. Les Dowdy was a lucky guy as he won a nice registered pig and enough corn for the pigs' supper.

The annual meeting of the Erath County Farm Bureau members was held Monday night at the recreation hall in Stephenville. Hot coffee and supper was served to the members and visitors. The brass sextet of Tarleton furnished the music. Song leaders were Mrs. B. J. Pruett of Clairette and Mrs. Kiker of Greens Creek. The members voted to have the next meeting and membership drive at Clairette school building in December. The president, John Goughly and vice president, R. E. Dunbar of Clairette and Mr. Ammons of Stephenville made short talks. The main speaker failed to get there for some reason or other. Those attending from Clairette were Mr. and Mrs. John Goughly, Mr. and Mrs. H. G. Wolfe, Mr. and Mrs. B. J. Pruett, Mr. and Mrs. J. F. Wade, Mr. and Mrs. Arthur Auvermann, Mr. and Mrs. Henry Mayfield and Mitchell, Mr. and Mrs. Reno Dunbar and Mr. and Mrs. C. D. Richbourg.

SENIOR NEWS

Of course everyone knows about today being our Homecoming for the ex-students of Hico High. The buildings will be open for those who want to look at them. The Senior class sponsoring the barbecue lunch, which will be served about 5:30 p. m. The menu as far as we know consists of barbecue, potato salad, tomatoes, bread, coffee, pickles, beans, lettuce, peaches and whipped cream.

Mrs. Slaughter is supervising the cooking and serving in the lunch room.

JUNIOR NEWS

The Junior class won the race for Halloween king and queen. Our candidates were Dorothy Randolph and Billy Luckie. We want to thank everyone who contributed to us. We collected \$102.84.

SOPHOMORE NEWS

Well, the carnival was a big success. Congratulations to the Juniors. They worked hard.

Homecoming is coming up Friday, November 9. We want all the Hico ex-students to come. We'll have a barbecue dinner about 5:00 p. m., and then see the game between Hico and Cranfills Gap. We're out to give the exes a really big time and to beat the Gap. The football sweetheart will be crowned at the game.

Last week, I didn't mention the band's new twirler from our room, Jean Sherrard. She has just joined this year.

PEP SQUAD NEWS

Boy, was it cold Friday night. Some of the pep squad went to Itasca Friday night. There wasn't enough to have a pep squad so we just went to watch the boys play. They lost 20-7.

We have Homecoming this Friday night and we also crown the football sweetheart. I might also mention that she is a freshman. We would like to have everyone come out to see Hico win over Cranfills Gap this Friday night. It will be the last game of the season.

FUTURE HOMEMAKERS

Recently Peggy Goodloe, our president of the chapter, went to Stephenville with Mrs. Slater to an area council meeting.

The chapter plans to have a Stanley party this week to try to make some money.

SPOTLIGHT

Well it seems that I haven't been able to get my spotlight working until this week. It sure did make a wide round when it did start to work.

Boys, what happened to you? I sure did see a lot of single girls Tuesday night. It seemed after the carnival the Senior boys were getting along good with the freshman girls.

Wednesday night at the dance, everyone had a good time. There wasn't very many couples there. Seen together at the midnight show were Royce Knight and Karon Higginbotham, Don McLean and Helen Nachtigall, Bobby Lane and Margaret Hampton, Billy Luckie and Monette Salmon, Harold Prater and Nelta Johnson, Kenneth Johnson and Peggy Goodloe.

Wednesday night was official Halloween so everyone really went spooking. As usual dragging in late were Jo Ann Johnson, Wilma Woodard, Betty Davis, Betty Shook, Betty Bolton, Shirley Prater, and Margaret Hampton.

Boy, what a rough Friday night and of all the crazy kids at the football game. Wonder why so many girls went although there were a few that didn't. Don, did you get cold?

Seen together Friday night were Fred Jones and Margaret Hampton, Ronald McKenzie and Linda Cox, Garry Brown and Peggy Warren, Ronald Massey and Frances Latham, Sonny Williams and Marlene McLendon, Bobby Lane and Patsy Little, Carol Fillingim and Jo Ann Johnson, Steve Garrison and Wilma Woodard, Bruce Slaughter and Shirley Prater, Royce Knight and Karon Higginbotham, Jimmy Tooley and Jo Ann Needham, Angus Churchill and Peggy Ellis.

Seen at the dance Saturday night were Orval Templeton and Doris Fillingim, a new couple, Don McLean and Helen Nachtigall, Wilma Woodard and Darel Fillingim, Roy McWilliams and Juliet Gray, Carol Fillingim and Georgie Holaday.

Cruising around in Stephenville I saw Nelta Johnson and Jo Williams, a new couple, and also Monette Salmon and Billie Luckie. Wonder why Wilma Haley came to school so sleepy. I think Butch Grater came home.

til his wife corrected him. He called for a blank check to fill out in payment of his subscription for another year, good Baptist pastor that he is, and departed shivering—still from the weather of course.

John W. Canady, who has been at the VA Center in Temple for a year, came up last week end to spend three days with his parents, Mr. and Mrs. J. J. Canady, before returning for six more months in the hospital. He said that he had undergone the same operation that King George submitted to, but that he didn't get the same publicity. He had his latest operation in March and has gained 38 pounds in weight since, feeling fine except for a little rheumatism. He came by the office Saturday to renew his paper and entered a subscription to be sent to his sister, Mrs. J. H. Goedert, Vancouver, Washington.

W. M. Horsley has ordered a subscription for his brother, J. M. Horsley, at Austin.

J. E. Grimes renewed his subscription Saturday and said he was trying to get a month ahead of everything. (His time wasn't to be out until December 3, 1951). He takes care of the Fred Jones ranch out near him, and we guess he works pretty hard. He said after renewing his paper that he had to go meet Fred and tell him that.

Moss, accompanied by his wife and grandchildren, Carla and Terry Moss of Fort Worth, apologized last Saturday for being a week late in paying his subscription, but we allowed as how we ought to trust him that long if he trusts us by paying a whole year in advance. The children and their parents, Sgt. and Mrs. Carl Moss, were down from Fort Worth for the week end.

Mrs. Edgar Bullard, Kama, Texas, is credited with an extension on her subscription after a visit to the office Saturday afternoon by her young sister, Bonnie Pruitt. Another sister, the former

Safety Responsibility Law Has Teeth

FAILURE TO PAY DAMAGE CLAIMS MAY DEPRIVE CAR OPERATORS OF LICENSES

Austin, Nov. 5.—Public Safety Director Homer Garrison, Jr., reminded Texas motorists this week that their licenses to own or operate an automobile will be suspended if they are involved in a traffic accident and fail to meet damage claims up to \$15,000 when the state's new Motor Vehicle Safety Responsibility Law becomes effective on January 1.

Declaring it "will greatly affect the personal safety and economic security of every man, woman and child in the state," Director Garrison gave the public its first official analysis of the new law.

Marie Pruitt, used to take care of this for her, but she is now Mrs. McCoy and since being married is living in Sweetwater. Bonnie said she might send the paper to her soon.

D. A. Fellers, Route 7, has renewed his subscription for another year.

George W. Stringer paid his subscription this week, saying his wife was getting scared she was going to miss an issue. George, who usually has lots of pecans for sale, said the crop this year was beyond hope, having been killed by the late freeze this spring.

M. H. Johnson, Route 3, Hico, is another of our steady customers we can look forward to seeing appear about this time each year to renew. We were not disappointed, since the renewal was booked this week.

Chas. W. Giesecke came by Tuesday and said his niece, Oneta Giesecke of Stephenville, left him money on a recent visit to pay for the paper going to her father, L. B. Giesecke Sr. of Stephenville. Thanks to all concerned.

Mrs. S. C. Routledge of Duffau, accompanied by Mrs. Cressa Newlin, was in Tuesday to turn in news about her visitors from California, and while here renewed for the paper.

Franklin L. Bonner Jr., now of Amarillo, but formerly of Hico, Dallas and other points considered in the United States, is a smart fellow. First proof we offer is the fact that he married Mary Ona Whitson—that's enough. But now we have another sample of his ingenuity in the following note attached to a subscription renewal from his wife: "Frank has been telling me MY paper was going to run out before long for the past six weeks. It is my paper, but he is the one who always grabs it and reads it first, and he sure has been worried about it." Mary Ona said she guessed she'd be seeing all of us down here in January. Any time, now.

Mrs. J. J. Leeth has ordered a subscription to be sent to her son, Fred Leeth, in Dallas.

Henry Smith, who lives only eight miles north of Hico on the Chalk Mountain road, has well traveled mail by the time his Hico paper goes to Waco, back to Meridian, then to Iredell and out on Route 2. But he says he gets it always on the week end, anyhow, and paid up for another year Thursday afternoon.

since its adoption by the last session of the legislature. He spoke from Austin over a state-wide radio network and announced that during the next two months the Texas Department of Public Safety will fully acquaint the people with the purposes and requirements of the law through the press and radio and by means of an official leaflet that may be obtained at any service station.

Director Garrison pointed at the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they cause through negligence as the reasons that prompted the legislature to enact the law, which closely follows safety responsibility statutes in 34 other states. He declared the law's primary objectives were to deny all motoring privileges to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off of the highways permanently.

In a careful summarized explanation of the law's principal features, Director Garrison explained its operation as follows: The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding \$100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the state's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

The law does not apply, except with respect to filing the new report form, to insured owners or operators, provided the insurance covers possible damage claims resulting from a traffic accident, up to \$15,000. Uninsured motorists will receive a notice from the Texas Department of Public Safety that they must deposit sufficient security to cover the damage they caused, as determined by the Department. This may range anywhere from \$101 to \$15,000, and the collateral may be in the form of cash or negotiable securities. The deposit must be made with the Department within a maximum of 60 days after the accident report was filed.

An uninsured motorist will not be required to deposit security, however, if he files satisfactory evidence, within the 60-day period, that he has been released from liability, been finally adjudicated not to be liable, executed a duly acknowledged written agreement to pay damage claims up to \$15,000, or that his motor vehicle was legally parked or was being operated without his permission at the time of the accident.

Should an uninsured motorist fail to meet any of these requirements within 60 days after filing his accident report, both his operator's license and registration of ownership will be suspended until he does or until a year has elapsed without court action for damages being filed. Suspension of registration will apply to all cars owned by the defaulting motorist.

Texas Youths Receive Checks for Auctioned Poultry and Livestock

Checks totaling \$128,537.42 have been mailed to farm and ranch youngsters throughout Texas—their payment for livestock and poultry sold in junior livestock auction sales at the 1951 State Fair of Texas.

The checks went to 603 Four-H Club boys and girls and Future Farmers who live in 200 of the state's 254 counties. The total of \$128,537.42 exceeds the total price of \$122,970.18 paid last year by \$5,567.24. Average per-pound prices paid for all animals and poultry were higher than current market prices.

The fair had its most successful auction sales in history, Ray W. Wilson, the fair's livestock manager, said. There were more individuals and firms participating—203 of them buying. The state fair conducts the sales and processes the checks without any kind of charge or commission.

The checks ranged downward from the \$1,244 paid to Willard Jordan of Mason for the grand champion steer in the junior livestock show. His steer went for \$2 a pound.

Record prices were paid for champion pigs in two categories, Wilson said, and also for champion flocks of turkeys and broilers. The junior grand champion barrow sold for \$763.80 and the junior grand champion Negro barrow for \$703.35. Both pigs brought \$3.35 a pound, highest prices ever paid for junior pigs at a state fair junior livestock auction sale. Also record prices were the \$485 paid for the grand champion exhibit of five turkeys and the \$225 paid for the five champion broilers.

In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

YOUR PROFITS hinge on Lamb Crops... Wool Clips

A big lamb crop and a heavy wool clip... that's what you want from your ewes. But if your ewes aren't fed a ration containing the ingredients needed to produce a lot of lambs, you're apt to come out on the short end.

Lots of ranchers feed Purina Range Checkers to their ewes before lambing. They find Range Checker - fed ewes come through in good shape and have lots of milk.

THIS YEAR FEED YOUR EWES PURINA RANGE CHECKERS... Variety makes a big difference.

Fairy

By Mrs. Eunice Massengale

Today (Monday) we are in the grip of winter again. A blustery norther blew in this afternoon, dropping temperatures rapidly. We received our first killing frost last Friday night. But since, we also had a freeze and frost combined, vegetation that was covered was killed by the freeze. We received some rain in the community Tuesday night of last week. Mr. Carl King, who lives about four miles north of Fairy, reported about one and one half inches at his place, while south of town, only around one half inch fell and grew lighter a few miles south.

We are sorry to report Uncle Bob Parks ill at this writing. Mr. Parks, who lives alone across the street from the M. E. Parks home, was found by his son, B. J. Parks and grandson, Audie Parks about 9 a. m. Friday. Audie had carried his mail down and finding the doors locked he looked through the window and saw his gas heater burning. He went across the street to his home and told his mother that he had not been able to see his grandfather and she told him to go back and try and see him. As he got back across the street B. J. Parks drove into town and he and Audie removed the screen from a window and entered the house and found Uncle Bob sitting in his chair at the dining table, unconscious, his head thrown back over the back of the chair. It appeared he had just taken one or two bites of food. A physician was called and he regained consciousness after several hours. He told them the last he remembered he was turning sick and thought he would try to get back to his bed room but didn't make it. He was reported to have suffered a light paralytic stroke of the throat. We are very glad to report him much improved at this writing and able to sit up in bed. Uncle Bob is 91 years old. His many friends are hoping he will soon be up and about again.

Mrs. Wesley Jones of Lanham, Mrs. Otis Claxton of Miles, Mrs. Carl Ray Sellers and Mrs. Eunice Massengale were joint hostesses for a green and yellow shower honoring Mrs. Leon Springer last Friday afternoon at the home of Mrs. Sellers. The guest room was decorated in pastel shades of green and yellow crepe paper, green and yellow balloons and a vase of yellow chrysanthemums. After diversion of several games the honoree opened the nice assortment of useful gifts and passed to the following guests for inspection, Mrs. Edd Allison, Mrs. E. M. Hoover, Mrs. T. L. Betts, Mrs. Oran Williford, Mrs. Raymond Jones, Mrs. Scott Blakley, Mrs. Grady Anderson, Mrs. D. E. Allison of Dublin, Mrs. Marvin Porterfield, Mrs. R. M. Springer, Mrs. Ben McNeill of Miles, and the hostesses. A refreshment plate consisting of hot chocolate, green and yellow iced cup cakes and yellow plate favors containing assorted mints, were served to each guest. Those who were unable to attend and sent gifts were Mrs. V. H. Heyroth, Mrs. Jess Fulton, Mrs. Carl King, Mrs. Chester Wood, Mrs. J. J. Jones Jr., of this community and Mrs. Otis Claxton, mother of Mrs. Leon Springer of Miles, who was unable to be here due to illness. Others from Miles who sent gifts were Mrs. Wallace Ramsey and Mrs. L. M. McGuire. Mrs. Springer formerly resided at Miles.

The writer attended singing at Evergreen Sunday afternoon. A large crowd was present and all enjoyed some good singing.

Mr. and Mrs. V. H. Heyroth visited in Gatesville and Picoke Sunday.

The Halloween Carnival was held at the school gym Tuesday night of last week. Despite the inclement weather a very good crowd attended. Rain fell through-

out the program. Merrijo Gleason of the second grade was crowned Queen. We did not learn who the next runner-up was and since we did not secure the name of all of the attendants, we will not give attendants names. The kiddos enjoyed the occasion with their noise makers and fishing and other forms of amusement. The rain made it impossible to carry out the program as planned, but all enjoyed it anyway.

Several from this community attended the Mass Meeting at Kookon Field at Hamilton last Sunday afternoon. Those whose names we secured were Mr. and Mrs. W. E. Goynne, Mr. and Mrs. Dock Lackey, Mr. and Mrs. Carl Ray Sellers and family, and Mr. H. S. Pitts and daughter, Miss Ina.

Mr. and Mrs. J. C. Sills of Valley Mills visited Sunday afternoon and night in the home of his sister, Mr. and Mrs. Bill Lackey and sons.

Mrs. Otto Jordan of Cleburne has been visiting her father, Uncle Bob Parks.

Mr. and Mrs. Bill Lackey spent last Saturday in Austin.

Mrs. Jess Fulton received the sad message last Friday afternoon that her sister, Mrs. Myrtle Lauterback of Fort Worth had passed away. She had been ill for some time. Mr. and Mrs. Fulton attended the funeral services on Saturday. Mrs. Lauterback is the former Miss Myrtle Cole of the Providence community. We extend deepest sympathy to Mr. and Mrs. Fulton and all others who are bereaved in her passing.

Mr. and Mrs. E. M. Hoover were Stephenville visitors last Sunday.

Visitors in the T. J. Jackson home Sunday were Mr. and Mrs. H. E. Sills, Mr. and Mrs. L. D. Sowell, Mr. and Mrs. Ernest Allen of Iredell and their daughter and family, Mr. and Mrs. Vonley Dugger and children, Nina Marie and Donley Lee of Fort Worth.

Elzie Lee Parks and Textie Dell Allison have purchased a Humble service station at 934 North Patrick in Dublin. They took over the operation recently and are still making Fairy their home, driving to and from their duties there. We wish them much success in their new adventure.

The next regular meeting of the P.T.A. will be held next Mon-

day night, November 12. A panel discussion, the subject of which will be "Team work can do the job," will be in charge of Mrs. Timmerman. Mrs. Robert Jackson of Hico will present a humorous monologue. The seventh and eighth grades will render a ten minute program. All are extended a cordial invitation to attend. Walter Porterfield announces the birth of a new grandson born recently to his son and wife, Mr. and Mrs. Lawrence Porterfield of Wichita, Kansas.

the three scourges of man

DEVASTATING EPIDEMICS have ranked with war and famine as population levelers. Of these three scourges of man, pestilence was most dreaded. During the Black Plague epidemic of 1348, it was estimated that in some places over two-thirds of the population was wiped out.

The discovery of bacteria as the cause of infectious disease is still within the memory of the living. Pasteur developed the first vaccine for rabies in 1885. Since that time many immunizing procedures have become routine. As a consequence, deaths from infectious diseases have been drastically reduced.

Everyone should be protected against smallpox and diphtheria as an absolute minimum. Do not wait for an epidemic to break out. Then it is often too late.

We maintain complete stocks of biologicals, subject to the orders of your physician.

Read This Daring Guarantee of at least 10% More Eggs:

Nutrena's "More-Eggs" GUARANTEE

Switch your layers from any other egg feed to Nutrena All-Mash, Nutrena 20% Egg Feed or Nutrena 27% Grain Balance and follow the Nutrena feeding plan for 30 days. If you don't get at least 10% more eggs than you did during the 30 days before you switched, Nutrena will pay you the difference in cash at the current market price per dozen. This offer is good until January 15, 1952. It does not apply to obviously moulting or diseased flocks.

Nutrena Mills, Inc.

Here is why Nutrena Guarantees you at least 10% more eggs in 30 days:

This unusual guarantee has already been proved in on-farm feeding tests in an 18-county area. Flocks actually averaged better than 32% more eggs the first 30 days after switching to Nutrena Egg Feed, containing special Livium for Layers.

How can you lose? If you switch now from any other feed to Nutrena Egg Feed, you can make absolutely sure of at least 10% more eggs during the next 30 days—or the equivalent in cash. And you are shooting for much more increase than that—as in the case of Mr. Ehrfried Schwahn, who says: "Nutrena beat what they promised. They guaranteed me at least 10% more eggs—but I actually got a much greater increase. In 30 days after I switched to Nutrena, my hens were laying 15 dozen more eggs per week, which was a 25% increase."

Only **Nutrena** Feeds are stepped-up with special **LIVIMUM FOR LAYERS**

Hico Couple's Son Passed Away Friday At Ft. Worth Hospital

C. H. Boyd Jr., 36, of 2344 Medford Ct., E., Fort Worth, died at a hospital there at 8:15 p. m. last Friday. His parents, who live near Hico, have the sympathy of the community in their loss.

The following account appeared in the Fort Worth Press:

C. H. Boyd Jr., daily coffee host to hundreds of downtown workers and a man who trusted everybody, is dead.

The popular young operator of Atlantic Coffee Co. at 904 Houston, mid-morning mecca of scores, died last night in a hospital after fighting ill health for three years. He entered the hospital the last time a week ago.

Mr. Boyd's friendly informality marked all his business dealings. His coffee, doughnut and sandwich counters were operated strictly on the honor system. Customers have always helped themselves and paid Mr. Boyd or his attractive wife, Alice, on the way out.

A favorite pastime of Mr. Boyd's was offering customers a "double-or-nothing" chance on their coffee checks.

A native Fort Worth, 36-year-old Mr. Boyd was ardently interested in the city's early history and his hobby was collecting old photographs of early-day downtown scenes. The walls of his store are lined with them.

Friends have called Mr. and Mrs. Boyd "Fort Worth's dancingest couple." It has been their custom to go dancing perhaps three or four nights a week. Their only son, C. H. (Sonny) Boyd III, 10, shares his parents' love of dancing, and already has gained notice for his dancing skill, frequently accompanying his parents.

Mr. Boyd attended Poly High, Arlington State College, TCU and the University of Texas. He was a member of St. Patrick's Cath-

olic Church and the Knights of Columbus.

His father, C. H. Boyd, established the Houston St. store about 40 years ago. The elder Boyds, long-time Fort Worth residents, now operate a ranch near Hico. A brother, Bill Boyd, lives there. Mrs. Maurice A. Harkins of Fort Worth is a sister.

Grim Assumptions in Warden's Report Form Should Warn Hunters

Austin, Nov. 1.—The seasons are set, bag limits established and prospects call for pretty fair hunting for most of Texas.

But the routine will not be complete until the "forms" are distributed.

The "forms", according to the Chief Clerk, go to the game wardens to cover casualty reports.

On the theory that stressing the grim side in advance might save sordid details later, the Chief Clerk explained a potent section or two in the "forms". This one implies the more common causes of hunting casualties: Cause of Accident. Intentional discharge of firearm. Victim moved into line of fire without warning.

Victim covered by excited shooter swinging on game. Victim unseen by shooter. Victim mistaken for game.

Or—Shooter stumbled or fell. Trigger caught in brush. Clubbing game or cover. Removing weapon from boat or vehicle.

Crossing fence. Didn't know it was loaded.

The Chief Clerk suggested sportsmen study these main causes of hunting accidents, become more safety conscious and help curb tragedies afield.

Untimely Death of Geo. B. Jones Removes A Useful Citizen

After apparently recovering satisfactorily from a recent operation in the Hico Hospital, George B. Jones, prominent businessman and civic worker in Hico, died there suddenly and unexpectedly late last Thursday afternoon. His untimely passing takes from this community a citizen whose services have been dispensed in the local field for the past eight years.

Funeral services were held at 10 o'clock Saturday morning at the Hico Methodist Church, with the pastor, Rev. J. Fred Patterson, officiating. Burial was in Grove Hill Cemetery, Dallas, to which point his body was transported by a funeral car from Barrow-Rutledge, in charge of arrangements.

Palbearers were Bernard Ogle, Herbert Wolfe, Odis Petsick, Marvin Marshall, Lem Weeks, Barto Gamble, J. E. Lincoln and O. C. Cook.

Survivors include his widow, the former Beulah Kornegay, Hico; five sisters, Mrs. I. J. Franklin of Dallas, Mrs. J. C. Newton of Fort Worth, Mrs. R. L. Boling of Canyon, and Mrs. E. C. Sadler and Mrs. R. O. Kemp, both of Hamilton; and three brothers, Cliff Jones of San Angelo, Frank Jones of Hamilton, and Toy Jones of Plainview.

A native of Hamilton County, George was born April 9, 1896, a son of William C. and Mary Parlee Jones. He lived near Carlton a number of years and in Hamilton before moving to Hico about a decade ago. Here he established an automobile dealership and service institution that had reflected his energy and business acumen. He and Mrs. Jones owned a slightly home which was a constant source of pride and in which unusual interest was displayed.

A member of the Methodist Church, and of its official board, he was always found working for the best interests of its affairs. He had taken the lead in many improvements that now exist there. In business and civic life he stood for everything that was calculated to inspire progress and improvement.

His widow and other relatives have the sympathy of a host of friends throughout this community.

Others present to enjoy the occasion were Mr. and Mrs. Roscoe Purdom, Stephenville; Mr. and Curtis Keeney and son, Butch, Waco; Mrs. Jess Askey and daughter, Ann of San Saba and Charlie French of Hico.

Congressman Pays Visit to Hico During Tour of District 17

Omar Burleson of Anson, representative in the National Congress from the 17th District of Texas, accompanied by his wife, visited here briefly last Friday on the first of a series of contemplated visits which he hopes will allow him to see constituents over a greater part of his district.

This trip was necessarily short, but he stated that he expected to be back in this area within a few weeks. The following news dispatch from Washington recently appeared in the Abilene Reporter-News:

Washington, Oct. 26.—Rep. Omar Burleson's tour of the 17th congressional district will begin Monday in Mineral Wells.

The Burlesons left Washington this week by automobile, and stopped in Georgia for a few days' visit with Mrs. Burleson's aunts. Burleson plans to tour the en-

tire district before returning to Anson following a visit in Abilene next week end. After leaving Mineral Wells, he will go to Stephenville, Dublin, Hico, Hamilton, and Comanche.

Burleson indicated he would remain in the district until Jan. 8, when Congress reconvenes, unless he has to return for a brief trip to work out distribution of funds for planning projects on the Brazos River.

Burleson expressed strong opposition to appointment of Gen. Mark Clark as ambassador to the Vatican, and said he would oppose anything connected with the appointment should it be brought before the House. He said he doubted the Senate would confirm the appointment.

The congressman suggested that the ambassador to Italy could obtain any information funneled into the Vatican from all over the world in the fight against communism.

"After all, it's only a ten-minute drive from his offices in Rome to the Vatican," Burleson added.

"Talks Turkey" - Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the cus-

tomers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You—or Sonny—may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.
