Arrival of Stock Show boosters from Cowtown in Hico Wednesday reminds us that time for this annual event is right upon us.

Elaborate plans are being made for the all-Western parade which traditionally signalizes the open-ing of the Exposition.

Many from this section will attend the affair, several planning to see the parade. Route of the parade will be somewhat different due to change of the assembly point from the T. & P. Reserva-tion to the parking lot of La Grave Field (baseball park) which can be reached by turning east from North Main on N. E. 7th Street. The parade will proceed south on North Main to Bluff Street, down Houston to 15th, over to Main, north on Main to the court house, east to Commerce and then back to the baseball park.

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine-and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set . . . and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal-donated by Baker Coal Yard-was won by Mrs. Thayer, whose husband is the biggest fueloil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's not even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for" everybody - whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.
