

Maybe it's Spring that has awakened farmers, ranchers and merchants to new opportunities. And who could fail to be impressed in this good season which is providing the best prospects in recent years?

Plans made now should be brought out into the light for speculation as to what future months will bring. Enthusiasm born of intense reading of seed catalogues is often dimmed by down-to-earth realization that there is more to raising a crop than merely putting seeds or plants in the ground. This amateur gardener knows, after trials and tribulations of uncooperative weather conditions in the past few years, complicated by ennuis that always follows a burst of planting fever.

However, hope springs eternal from the breast of an aspiring nature lover, and experience is seldom used as a guide. Right now there are twice as many projects up around his home than can ever be accomplished, and the editor can hardly wait to get the paper out and get at them... admitting that he never winds up at the right end of the same project he ambitiously starts upon.

He's probably not alone in this situation, judging from the throngs storming nurseries and seed stores since the rains, anxious to put something into the ground today and go out and inspect the fruits or blooms tomorrow.

Incidentally, aren't we overlooking something in this regard? Garden of Eden when Hico offers no successor to the various nurseries that have thrived here in the past? The field has been vacant since retirement of the late respected J. W. Waldrop and his saintly wife.

That's a free suggestion for the industrial committee of the Hico Chamber of Commerce.

Recent efforts of a C. of C. committee to stimulate business in Hico through a series of regular trades day are now beginning to bear fruit.

The committee members have put in a lot of thought and work on their assignment, and have investigated a number of plans. This department does not think they should consider failure of a high-powered, costly give-away scheme as a flop, just because it was not acceptable to a majority of merchants contacted. Our observation has been, over a period of years, that such promotions are short-lived, and are nothing more than a "shot in the arm" for business. A vast majority of the participants in a community drawing are disappointed, and the necessarily few sums awarded in the past have frequently been used for purchases from mail-order houses and out-of-town establishments, to our certain knowledge. That's just like spinning your wheels in a sand-bed.

If our information is correct, the committee is now on the right track in considering the old proven method which has served well since time's beginning and has worked in all undertakings, large or small. An effort is being made to institute a plan whereby the trade territory may be extended in the only way that will stand the test of time... make people want to trade in Hico. If border-line customers can be added to those who are already familiar with the advantages of trading here, we will indeed have a favorable situation.

Good stocks, sound values, fair prices and courteous treatment are the recipe. Customers will come to a trading center with this kind of reputation, provided they are properly advised. With competition like it is these days, you've got to tell the people about your offerings. Big-city glamour can be overcome through plain fair-dealing aggressiveness.

That's where the home paper comes in. With the News Review enjoying the largest circulation in its known history, and people admitting they do read it, in spite of good-natured kidding, we sincerely believe that the most service at the least cost is provided through this medium. Recent unsolicited testimonials from patrons who have put some thought into preparation of their messages and backed them up with sound merchandising practices bear us out in this opinion.

Facilities of this institution which can succeed only through respect and cooperation of its constituents are always at the disposal of the public for any legitimate, worth-while undertaking.

If a personal note may be permitted at the end of this column which started with a little bud and developed into an abundance of words like it had been fertilized, we would like to express appreciation for the many nice comments on Carolyn's department last week.

That unpredictable red-head injects a fresh angle into the news, and modestly and unobtrusively sets an example of how to run the paper that is darned hard to emulate when she periodically greets the call to other fields and greener pastures.

But it's nice to have her around now and then, and there is no real resentment, naturally, when others tempt her with offers that hold more promise than routine tasks

Lions Promise Support Of F-M Road Through Duffau Community

Duffau meeting at Firemen's Hall Wednesday for their regular weekly luncheon were advised of a meeting to be held at the Duffau Gymnasium that night relative to plans for a Farm-to-Market Road through that community to connect State Highway 220 and U. S. Highway 281. This is considered a logical route for such a road, and support by the club and the general public was urged by O. C. Cook, presiding when T. E. Roberts was delayed in arriving at the club session.

After transaction of routine business, and several announcements, two films were shown by Weldon Pierce. The first portrayed interestingly activities at a Boy Scout Jamboree held in Pennsylvania. It stimulated interest in plans for this year's Jamboree to be held in California, at which Hico Troop 99 is expected to be represented. The second film, taken by Lion Pierce at the Hamilton County Registered Beef Breeders Association show here recently, showed scenes of local interest.

Twenty-five members attended; with five guests: A. H. Sigman of Fort Worth, R. B. Allen of Corsicana, Sam Watts of Energy, N. A. Garlington of Whitney, and Dr. W. A. Dillen, new interne at Hico Hospital.

Lion Knudson's side in the attendance contest led Lion Cheek's side by 19 points.

CPS Employees Enjoy Open House at New Lake Whitney Camp

Local employees and their families who attended open house at the new camp at Lake Whitney for employees of the Central Division of Community Public Service Company last Saturday were: Mr. and Mrs. O. L. Davis and daughters, Betty and Nancy; Mr. and Mrs. Lem Paschal; Mr. Andrew McFadden, his mother, and two daughters; Mr. and Mrs. Milton Dunlop and daughters, Diane and Penny; and Mrs. W. E. East.

E. L. Bowen, president of the company, presented Mrs. East with a gift of \$500 for having submitted the name selected for the new company camp.

Band Parents Thank People For Promoting Clinic Here Last Week

The Band Parents wish to thank all of the people who helped promote the progress of the band clinic last Saturday.

The visiting band students made mention that the food which was prepared by the Band Parents, and the wonderful reception that awaited them upon arrival in Hico at 9 o'clock Saturday morning was one of the wonderful factors that aided in making the band clinic a success. We hope to, in the near future, have more meetings of this type where the students and parents have a better chance to become acquainted with each other and music.

Services Thursday In Stephenville for Mrs. Elmo White

Many from the Hico community were in Stephenville Thursday afternoon to attend funeral services at 3 o'clock for Mrs. Grace White, a lifelong resident of Stephenville, who died early Wednesday in a Fort Worth hospital.

She was the wife of Elmo White, who is serving in his 19th year as Erath County Clerk. Surviving also are a son, Elmo White Jr., of Los Angeles, and two grandchildren.

Friends from over a vast area extend deepest sympathy.

GOAT DEAL NOW THEOLOGIC CASE

In order to ease out of anonymity the alleged culprit involved in charges of grand larceny connected with the Hico Lion's Club's loss of a goat, and to dispel some of the fog which has surrounded the situation, the News Review has followed up the investigation and unearthed stealthy efforts to remedy a situation that got out of hand.

Retention of legal counsel availed little when a local barrister returned the retainer fee and quit the case. So the accused, who by the way is the same guy whose friends "got his goat" after appearance of a teaser in last week's ad by pestering the hound out of him, evidently has sought divine guidance.

Upon a local visit from his pastor up at Fort Worth this week, which was kept from being too obvious by claiming it was a prospecting tour, the pentitent Lion must have unbosomed himself and sought guidance not available in ordinary mundane affairs. We are permitted to divulge the outcome in a letter received after the minister's return to Cowtown. Further leads on the identity of the suppliant may be gained by astute inspection of the salutation and analysis of the signature, the first name of which is the same as the last name of the aforementioned party of the first part. No family relation is admitted or claimed by either party.

The reporter missed his calling. He should have been either a lawyer or a writer of mystery stories.

The letter under date of March 18 (scoop) read as follows:

Dear Luther, After conversing with you over the "sin-offering" (one sirloin steak) I figured you needed a bit of defense counsel. For further illumination that I have to offer you below, read the 18th Chapter of Leviticus.

"And when he has made an end of atoning for the holy place and the tent of meeting and the altar, he shall present the live goat; (The wildest one possible - this is not to be found in the Bible) and Aaron shall lay both his hands upon the head of the live goat, and confess over him all the iniquities of the people of Israel, (the Lions preferably) and all their transgressions, all their sins; and he shall put them upon the head of the goat, and send him away into the wilderness by the hand of a man who is in readiness. (I'm afraid you will have to hunt for this fellow.)

"The goat shall bear all their iniquities upon him to a solitary land; and he shall let the goat go into the wilderness."

(Leviticus 16:20-22) As far as I can see this is about the only way out for you, my friend. Perhaps it will be a good suggestion to all future "goat-handlers" and potential "goat-barbecue-ers."

If this doesn't do the trick there are some more "goat-stories" to be found in the Bible that will satisfy this occasion.

This is also to let you know that you will be justified and well defended in any future Chevion parties, provided this counselor will be provided with a portion of the "sin-offering."

Sincerely submitted,

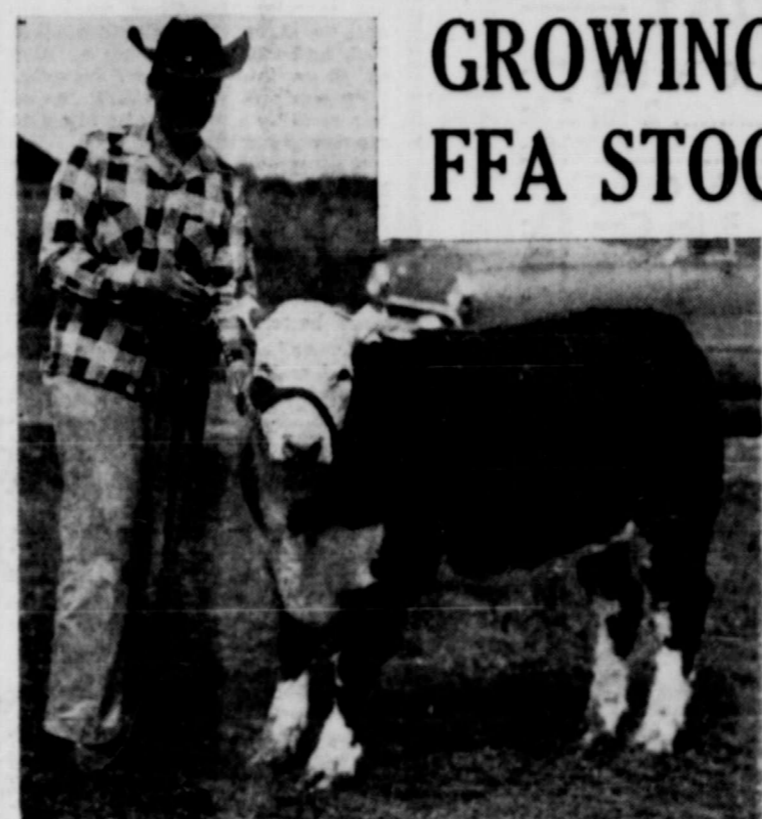

KNOX O. SCOTT

OLIN MAN TAKES POSITION AT BARNES & McCULLOUGH

W. B. Morgan, who has lived in the Olin community for the past few years, has accepted a position at Barnes & McCullough.

He replaced Virgil Gray, who recently went into the Air Corps.

DENNIS STIPE is pictured above with his steer, "Dennis's Dandy." The steer has just been clipped and groomed for the Hico Annual Livestock Show. The calf has been dry-lot fed for a period of 188 days and the ration consisted of roughage, commercial concentrates and home-grown ground ear corn. The breeder of this animal is C. L. Woodward of Hico.

WITH OUR SUBSCRIBERS

The News Review management has been approached on a proposal to extend its circulation, but after working on the bulging mailing list, Buck said everybody that can read must be taking the paper.

As evidence of this claim, he pointed out the number of names of subscribers who have paid up since last report, two weeks ago. A gratifying number of them are new names on the list, and they are hereby welcomed into the fold. Thanks also to the regulars.

Cavite, P. I. (FHTNC).—Charlie A. Franklin, aviation electronicsman second class, USN, son of Mrs. Millie E. Franklin of Route 1, Box 1, Iredell, Texas, reported for duty, here at the Naval Station, Sangley Point.

Franklin enlisted in the Navy in July 1942. Before entering the Navy, he was graduated from Mosheim High School in Mosheim, and while in the Navy, he also graduated from the Navy Aerial Gunner's School, and the Navy Class "A" Radio School.

CECIL E. BLAKLEY IS IN JAPAN FOR SERVICE WITH U. S. FLEET ACTIVITIES

Yokosuka, Japan (FHTNC).—Reported here for duty at the U. S. Fleet Activities was Cecil E. Blakley, ship's serviceman, seaman, USN, son of Mr. and Mrs. Jessie E. Blakley of Route 3, Hico, Texas.

Blakley, who entered the Navy in Jan. 1945, was graduated from Fairly High School in Fairly.

LEAVES FOR JAPAN

Pvt. Daniel R. Seal, son of Mr. and Mrs. Roy Seal of Hico, left last week to be stationed in Japan, after spending a recent leave here with his parents and returning to Fort Lewis, Washington, at the end of the leave.

Alc Donald Davis who is stationed at Sheppard Air Force Base at Wichita Falls was a week end visitor in the home of his parents, Mr. and Mrs. O. L. Davis.

Lt. Joe Kevill, now based at Randolph in San Antonio, spent the week end here in the home of Mr. and Mrs. George Griffiths. He was a buddy of the late Lt. Don Griffiths.

Donald Phillips of Ballinger Purchases Hico Florist Shop

Announcement has been made this week of the change of ownership of the Hico Florist, when Donald Phillips of Ballinger purchased the shop from Mr. and Mrs. J. D. Farris of Gatesville. The establishment has been operated for the last two years by Mrs. Doris Williamson and Mrs. B. N. Strong of Hico, sisters of Mrs. Farris.

Mr. Phillips, who has owned and operated a florist shop in Ballinger for the past 17 years, assumed management the first of the week. He also purchased the house adjoining the shop from Mrs. Beasie Jones of Austin and will make his home there with his mother, Mrs. Louise Phillips, his brother, Arthur Phillips and his aunt, Miss Eunice Phillips, who are moving here this week from Ballinger.

An advertisement in this issue of the News Review carries the information on change of ownership and invites the general public to call by and get acquainted with the new owner.

Rev. Einar Jorgenson Is Named Pastor of Cranfills Gap Church

Cranfills Gap, Mar. 14.—Rev. Einar Jorgenson of Bricelyn, Minn., has accepted the pastorate of the St. Olaf Lutheran Church of Cranfills Gap which has been vacated since the resignation of Rev. B. R. Maakestad. Rev. O. G. Salvason, president of Clifton College, has been supply pastor since that time.

Rev. Jorgenson, his wife, one son and two daughters will come to Cranfills Gap from Bricelyn in June of this year.

With the exception of a two-year tour of duty as a chaplain with the United States Army, Rev. Jorgenson has been pastor of the Bricelyn Lutheran Church since 1939. Prior to going there he served as pastor of the Lutheran churches at Bison, S. D. and at Britton, S. D. He is a graduate of Luther College, Decorah, Iowa, and of the Luther Theological Seminary, St. Paul, Minn.

Boy Scouts Planning Supper to Raise Funds For Jamboree Expenses

Sherrill Kirk, Buddie Teague, Gerald Hodges, Jimmie Herrington and Tommie Johnson, members of the local Boy Scout Troop, and Scoutmaster Weldon Pierce, attended a pancake supper Friday night at Clifton. It was put on by Aunt Jennina.

The Hico Boy Scouts are planning a pancake supper to be put on in the near future to help raise money to send some boys to the National Jamboree at Irvine Ranch, Calif., this summer, according to a report received this week.

CARLTON BYRD-KING POST TO HONOR KOREAN VETS

The Byrd-King Post 533 of Carlton will meet Monday, March 23, at 7:30 p. m. at the American Legion Hall there, according to an announcement received from those headquarters. Honoring the Korean war veterans, the post has scheduled a party and will also observe the thirty-fifth anniversary of American Legion.

All war veterans and wives are invited to this event, with Commander J. W. Jordan Jr. in charge of the program arrangements.

Garden Club Officers Open to Suggestions On Community Project

The past presidents and incoming officers of the Hico Garden Club were guests for tea, in the home of Mrs. Lawrence Lane Monday, March 16.

Work for the past years and coming year were discussed and plans made for interesting the gardeners of Hico in selecting and planting shrubs or flowers to be known and recognized as a "Flower of Hico."

Through the cooperation of everyone in the community, the club officials hope to make this a venture in which each home will participate in growing the plant, when it is selected, in order that it might become an outstanding point of recognition to visitors.

Suggestions offered have been crabs myrtle, iris and redbud, and other suggestions may be addressed to the Garden Club, according to the following statement from the officials:

"Let's all get together and make Hico a shrub or flower-blooming city that we can display to visitors with pride. Every flower and garden lover is urged to be a member of the garden club and to help members work toward this end."

Better Facilities for Exhibitors Provided In 6th Annual Event

The Hico F. F. A. Chapter will sponsor its Sixth Annual Livestock Show Thursday, March 26. The show has grown and is continuing the trend in this area to more and better livestock and poultry.

Many boys in the F. F. A. and 4-H Club work in Hamilton and adjoining counties have shown interest in this show and a glance back at the entry lists over the years indicates their growing project programs and livestock show participation.

"We are happy to have so many adults taking part in our show," said Harold Walker, local vocational agriculture instructor and F. F. A. Chapter advisor, "and for this year we expect more entries and keener competition in the dairy classes. We expect a lot of fat and feeder calves from over the county and in poultry the broiler class will offer stiff competition."

Facilities for the show are the best since its inception, with ample space for beef and dairy divisions under the new show barn. Local businessmen have cooperated to build panels with which to pen the sheep, goats and swine divisions. Enough panels have been provided to erect 42 pens. The F. F. A. Chapter has asked the News Review to thank the 58 businessmen and individuals who purchased material for these pens, and to extend to them an earnest invitation to come down to City Park next Thursday and inspect the panels while visiting the show.

W. C. Howard, local druggist, is giving a trophy to the local boy who does the best job in showmanship. This will include appearance of the boy in the ring, training of the animal, grooming and posing.

"We would like for the general public to attend our show, meet the exhibitors, and support the show in any way possible," said Walker on behalf of the boys.

Judging will begin at 10 a. m. and will continue until 3 p. m., when the Hico Band, directed by Carl Remington, will give a concert. The show is open to all exhibitors.

A full program of events, and other information about the show will be found in an advertising spread, purchased by the FFA boys, on Page 6 of this issue.

Farm Loan Association Official Hears Report Of Favorable Year

H. H. Ramage, prominent Erath County farmer of Black Stump Valley community, returned late last month from Houston where he attended the Stockholder's Meeting of the Federal Land Bank of Houston as a representative of the National Farm Loan Association of Stephenville and an association at Duffau for more than 30 years as a secretary-treasurer and director.

In addition to routine business matters those attending the Houston meeting heard Dr. J. Norman Efferson, Professor of Agricultural Economics of Louisiana State University, speak on the subject "A World Survey of Agriculture" and Dr. Joe D. Nickols of Atlanta, Texas, discuss Soil and Health.

Stirling C. Evans, President of Federal Land Bank of Houston, reported that 1952 had been a most favorable year and that the opportunities for providing low cost money to farmers and ranchers was increasing.

Texas U. Student From Lufkin Training At Hico Hospital

W. A. Dillen of Lufkin, senior student at the University of Texas Medical School, began his preceptorial training last week under Dr. H. V. Hedges at the Hico Hospital and Clinic.

After 10 weeks of directed medical practice, he will return to Galveston to receive his degree.

He was accompanied to Hico by his wife and two children. They have an apartment at the home of Mr. and Mrs. Weldon Pierce.

CHURCH CHORUS TO BE ON TELEVISION PROGRAM

The Cherub Chorus from First Baptist Church will be presented on a television program next Friday, March 27, at 4:15 p. m., according to an announcement from the pastor, Rev. L. H. Davis.

The program will be on Station WHEAT-TV, Channel 5, the pastor announced, in asking that those who are interested "watch for them."

Mrs. Eunice Massengale

We have threatening weather at this writing. Farmers would like to see some fair weather in order to get their corn crop planted. Only a few had planted, however we notice some have corn up in the Lanham community.

Mr. and Mrs. Audie Clark returned home last week from John Sealy Hospital at Galveston, where Mrs. Clark had gone for a physical examination. They were unable to accept Mrs. Clark at that time and will notify them as soon as there is a vacancy. However they made a slight check up of her condition, which according to reports is encouraging.

Mrs. Ernest Brummitt returned home Saturday after a months visit in the home of her daughter and husband, Mr. and Mrs. Don Higgins of San Francisco, Calif. Her daughter, who has been in ill health for several months is reported to be some better.

Mr. and Mrs. Charles Price, Cheryl and Ronald Charles of Austin, came in Saturday for a visit in the home of her parents, Mr. and Mrs. P. L. Cox. Mr. Price returned home Sunday. Mrs. Price and the children remained for a longer visit.

We are sorry to learn that Mr. Jim Grisham recently underwent surgery at a Fort Worth hospital for a throat ailment.

The regular P.T.A. meeting was held Monday night, being postponed from Monday night of last week, due to inclement weather conditions.

The interior of the Church of Christ building has recently been redecorated. Wysong Graves of Hico did the work. A series of services are being held there this week beginning at 8:00 p. m. each evening, with J. Willard Morrow of Fort Worth as the officiating minister. A cordial invitation is extended to all.

Mr. and Mrs. R. D. Fulbright and two little sons of Kerrville visited from Friday until Sunday in the home of her mother, Mrs. M. E. Parks, Audie and Elsie. Another daughter, Miss Ovie Parks of Stephenville also spent the week end with home folks.

Mr. and Mrs. V. H. Heyroth visited Saturday night in the home of their daughter, Mr. and Mrs. Guy Lockhart and Barbara of Pidcoke. The Lockharts had the misfortune of losing 100 broilers last week, thought to be due to a short in the wiring of the battery brooder.

The writer attended singing at Warrens Creek Baptist Church last Sunday afternoon. After singing hours, we visited in Hamilton on our return home in the W. C. Oglesby home with Mrs. Oglesby and mother, Mrs. Minnie McCarty. All had recently had an attack of the flu but were okay again.

Mrs. Carl Ray Sellers, Carolyn and Jimmie Don attended a birthday party honoring the fifth birthday of Bobby and Barbara Sellers, twin son and daughter of Mr. and Mrs. Frank Sellers, at their home in Hamilton Tuesday afternoon of last week. Two birthday cakes, Bobby's in blue and white decorations and Barbara's in pink and white were served with hot chocolate to the children. Balloons and bubble gum were given as favors. A number of children were present also several mothers, who were also served cake, chocolate and coffee. The children received a number of nice and useful gifts.

The Littleville Home Demonstration Club will meet this afternoon (Friday) at 2:00 o'clock in the home of Mrs. Carl Ray Sellers, Miss Frances Wilshire, our county home demonstration agent, will be present and assist in the subject of study, "The Essentials of a Good Bed." A cordial invitation is extended to visitors who would like to attend.

The writer and daughter, Mrs. Carl Ray Sellers, Carolyn and Jimmie Don were business visitors in Dublin last Saturday and while there visited in the home of our daughter and sister, Mr. and Mrs. D. E. Allison, Ruby Jean and Darrel.

Mr. and Mrs. R. M. Springer of Miles visited last week in the home of their son, Mr. and Mrs. Leon Springer and Randy.

Mr. and Mrs. Dellis Seago and Sherry of Waco visited Sunday in the home of her parents, Mr. and Mrs. Edd Allison.

Sorry we failed to give the names of Mrs. Texie Dell Allison and her sister, Miss Shirley Streater of Lanham, last week, who were also guests in the Edd Allison home last Sunday week, when several of the children and their families were present.

Mrs. J. D. McCoy and son of Dallas spent last week in the home of her husband's parents, Mr. and Mrs. J. L. McCoy and to assist with the household duties while Mrs. McCoy is recovering from a recent operation.

Congratulations are being received by Mr. and Mrs. Wyley (Mose) Jones of Stephenville upon the arrival of a little son, born March 10, Mrs. Jones is the former LA Verne (Topi) Rowe. Both are former residents of Fairy.

Mr. and Mrs. Edd Allison visited a while last Saturday in the home of their son, Mr. and Mrs. D. E. Allison and family in Dublin.

Mrs. Porter, who lives in Georgia left Friday for Waco to visit relatives. She had visited her sister, Mrs. C. A. Mitchell this week. Mr. W. A. Pylant was here this week. He lives down east. Mrs. Mamie Echols was in Stephenville Tuesday. Mr. Jesse Butain of Iowa is visiting his nephew, Rev. Terpstra and family. Mr. Henderson of Oklahoma came in Saturday to visit his sister, Mrs. Harrison Hollon. Mr. and Mrs. Parks of near Blum spent the week end with their daughter, Mrs. Lloyd Hanshaw. The Yellen Bros. of Shreveport, La., who bought out John Parks, opened the store Friday morning and the store was crowded with people. Had good bargains. The sale will end March 21. People from nearby towns were here. Mrs. Roach was hostess to a Stanley Party at her beautiful home Friday afternoon. She was assisted by Mrs. Joe White. A large crowd of ladies and children were there and several orders were taken. Iced punch and cookies were served and all enjoyed the party. Mr. and Mrs. Billy Don Ford of

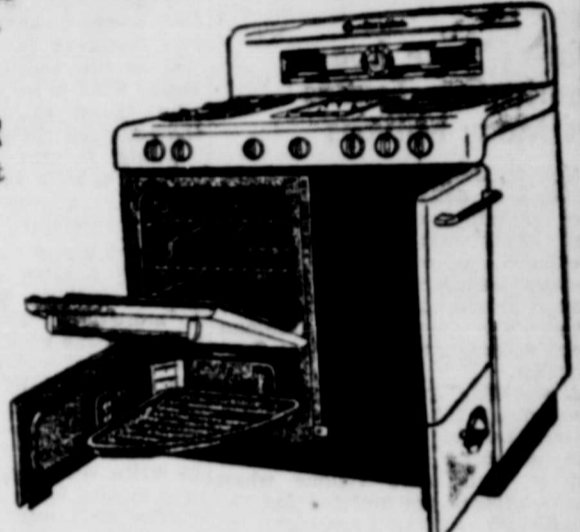

Amarillo, Mr. and Mrs. J. H. Ford and son Pat, of Fort Worth and Mr. and Mrs. M. E. Moss of Glen Rose were guests of Mr. and Mrs. R. D. Ford the past week. Born to Mr. and Mrs. W. E. Boyd Jr., a daughter on March 14, at the Holt Hospital. The little lady weighed 6 pounds. Mr. and Mrs. Cotton Lynch and son of Fort Worth and Mr. and Mrs. J. E. Tidwell and son of Joshua spent the week end with their mother, Mrs. Lela Tidwell. Miss Jo Jo Wyche, who works in a Temple hospital, spent the week end with her grandmother, Mrs. Ida Wyche. Mr. and Mrs. R. D. Ford visited friends in Dublin Sunday night. Mr. and Mrs. R. N. Hanshaw of Hico spent the past Sunday with their uncle, Ernest Hanshaw and wife. Mrs. Roy Thompson got word that her father, Mr. Trotter of Walnut Springs was ill and in the Veterans Hospital at Marlin. Mr. and Mrs. Dock Ratliff of Wichita Falls spent the past Sunday with her mother, Mrs. Rosa Cunningham. Mr. and Mrs. R. D. Ford attended a pie supper and singing at Odessa Chappel Wednesday night. Had coffee with the pie and it was all fine. Had a fine time. The play, "Three Old Maid Aunts" that was put on by the Juniors was fine and well attended. Something over forty dollars was made. All enjoyed the play. It was on Friday night. The past week Iredell and community received a big rain. Started Sunday and rained Monday and some Tuesday. Will be fine on the young gardens and other things. Mrs. Ernest Reinke and children of Temple spent the week end with her mother, Mrs. Nellie Davis. Mrs. Myrtle Duncan has returned from California, where she visited relatives. Mrs. James Porter and Miss Jo Ann McCoy entertained their classes at the new building Thursday night. Had a big time. A sister of Mr. Johnson is visiting him and his wife. She lives in Burnet. Mr. and Mrs. A. D. Russell spent the past week end in Fort Worth. She had a case of flu since she came back. She is up and around now. Mrs. Ralph Bradley brought a fine Bible study of which all enjoyed. We have some more studies of the Bible. Mrs. Wilkin Phillips was our guest. We meet every Monday afternoon at 2 p. m. All the Methodist ladies are invited.

**Out-of-State Loan
Sharks Gyp Texans
Of Many Millions**

Austin, March 19.—Many of the
millions of dollars of which Tex-
ans are being gouged annually by
loan shark companies go to the
enrichment of out-of-state owners,
declare members of the State
Junior Bar anti-usury committee
which is supporting an anti-loan
shark amendment to the State Con-
stitution.

A situation in which borrowers
have to pay 200 per cent and more
is indefensible even if the extor-
tionate profits remained in Texas
but is even more vicious when
Texas citizens are mulcted for the
benefit of a few residents of
Georgia, Tennessee, Delaware and
other states who own loan com-
pany "chains."

President Tom Reavley of the
State Junior Bar declares, "when
the roll is called, I am confident
that legislators will line up for
the welfare of our State and for
the protection of its citizens."

Rep. Wm. Kugie of Galveston
has introduced a constitutional
amendment which would retain the
10 per cent maximum interest rate
but would authorize the legisla-
ture to place a ceiling on all
charges a borrower has to pay. This
would permit legislation which has
been found so effective in other
states that it has driven the loan
sharks out of those states and into
Texas.

People Are Just Nicer than Anybody

**News Reviewer's Idea Buds
Nourished by Kind Readers**

By CAROLYN HOLFORD

CAME THE DAWN . . . Friday
morning last, this reporter sud-
denly realized that she is not a
columnist. So many good contri-
butions came in response to our
contest, however, that it was en-
couraging to note the interest and
originality displayed.

NAMES KEPT COMIN' . . . into
this office, besides the few men-
tioned below, and later ones came
from various places farther away
—including the "muddy wilder-
ness" and places where the HI-PO
doesn't even go. (Abbreviation is
for Highway Post Office, which is
likely to go most anywhere and
generally does).

IT WAS GRATIFYING . . . that
people would take time out to
write when everybody else is busy
with working crops and sell-
ing products in town; but the con-
test showed something else too,
and that was that other folks can
put words together as good or
better than a lot of guys and gals
who spend their lifetimes doin'
that sort of thing.

Thing is, we all have to be
pushed a little to do it.

STARTIN' TO JUDGE . . . which
was best would be a difficult task,
but the number of answers lead me
to believe that there could be
more folks who could think of
a good name or title for a column.
Not knowin' which was best then,
I'm taking the line of least resist-
ance and extending the contest for
another week. Now you can't say
you don't have a chance to write
what you might want to say to the
local staff (that is, if you've ever
wanted to contribute to our scant
observations or enter complaints
and may have had the misconceived
notion that this ain't everybody's
newspaper). So I might get around
to calling this a "name-callin' con-
test"—or name it and take it.

"Everybody knows that I don't
know anything about writing, etc."
said T. A. Randak, (one of the NR's
and Hico's loyal supporters and one
of the most enthusiastic persons we've
ever known) in submitting his title.
Anyway he said "I think the title one
selects to write under has a great deal
to do in getting people to read
what one has to say."

WE'LL BET . . . More people
read the paper last week than we

realized were in Hico according to
one advertiser who got results from
a unique message. Repeating what
he said would sound like an ad for
the NR, when all this paper does
is to try to promote civic interests
and accept advertising messages
for a stipulation, while telling the
news as it happens.

The publisher here says the head-
ing of the paper fits in real well
with coverage of the news here be-
cause it's a review of the news.
That's usually the best way to be
accurate, anyway, experience has
proved. Fitting in with this idea
was one entry in the title-namin'
contest.

Mrs. Roy Seal, who's always been
very nice to turn in news of her
comin', goin's and doin's during
our association with her, also en-
tered a snappy title, and according
to her usual pleasant custom, she
gave us a news item.

Luther Knox, loyal citizen of
Hico and Fort Worth alike, and
a fellow who never lets anyone
"get his goat" wrote a card prov-
in' (if it were necessary) that he
always reads the paper, and furth-
er implied that he did not have to
be informed where it was or have
a headline or title or by-line or
nothin' on it. "Since I always
start at the end of a book or story
to see whether or not they got
married and lived happily after-
wards," his card said, "I did not
have to read the first part in or-
der to accept your offer and sug-
gest—"

TO THE EDITOR . . . came a
note saying that one Sam Looney
admires folks who are cheerful.
Sincerity was also appreciated in
the varied comments, and we know
these folks didn't have to be so
complimentary to the newspaper,
although it didn't hurt anybody's
feelin's around here to read the
cards and letters and slips of
paper.

Authur A. Auvermann also hand-
ed the editor a note suggesting a
title.

MISSED THE BOAT . . . Nobody
told us, and we were too dumb to
find out that Mary Ona (nee Whit-
son) and Frank Bonner have mov-
ed back from Amarillo; in fact
they were here last week when
the paper came out.

Overlooked a personal item about
Ruby Lee (nee Ellington) and Bil-
ly Byrd and Karen Sue goin' out
west to spend a vacation. Think
they went to New Mexico. Also
missed a scoop on several car-
wrecks herabouts, but figger
everybody within' callin' distance

has heard about them or read about
them by now.

BIG AS IKE . . . visiting bands
paraded and strutted along the
main avenues and intersections
Saturday afternoon in Hico.

Band members came from near-
by and joined the locals in a band
clinic. Carl P. Remington of Hico
was host director. We've heard a
lot of scuttle butt around the N-R
office about who got signals mixed
up last week and announced the
affair with no definite date. Oh,
well, there are two or three Rem-
ingtons around the office—maybe
it was one of them. They never
seem to register my thoughts with
strict accuracy or continuity. And
its an old newspaper custom that
the youngest staff member takes
the blame for such.

Anyhow, the music was good
and loud.

HAD A LOT MORE . . . to tell
you, but the boss says let's go to
press—and when he hollers that
ain't just a Winchell expression.
Will try to start earlier on next
week's report. Meantime, don't go
away and get lost, or this budding
effort might die of blight.

**Braniff Introduces
New Training Device
Resembling TV Set**

A new pilot trainer device that
closely resembles a table TV set,
and is just as simple to operate,
is providing a big attraction to
pilots in the link training room at
Braniff Airways base at Dallas,
Texas.

The machine, named as "Omni-
magamus" by its inventor, Ray V.
Bruland, radio engineer with the
airline, is the first of its kind.
It gives the pilot a "picture" or
visual translation of what hap-
pens when he sets his instruments
for blind flying on a certain
course or heading.

The upper portion of the device
displays a section of an aeronau-
tical chart with a miniature plane
that rotates on its own center by
a dial operation; another knob sets
the desired course. Lower portion
of the device, contains three in-
struments—reproductions of a ra-
dio magnetic indicator, a Bendix
omnimag and a gyro compass
(same instruments the pilot uses
in the plane cockpit in actual
flight).

"Bruland's machine is a big as-
sist in training our pilots for
blind flying," reported Capt.
Claude Seaton, in charge of Bran-
iff's link training. "It cuts down
training time, increases pilot in-
terest, and gives the pilot an ac-
tual picture of what happens in
instrument flying, far clearer than
the blackboard sessions we used
to have."

years since you tried to get the

It's been short months since she

And you'd swear it was just days

about freckles. It was yesterday,
wasn't it, when you realized that
she wasn't a kid any more?

March Meeting Plans Flower Clinic, Other Garden Club Activity

Plans for the annual flower clinic to be held April 10 at Bluebonnet Country Club were discussed at a meeting of the Hico Garden Club on Friday, March 13, as members met at the Hico Methodist Church.

Mrs. J. E. Carmean filled the program in the absence of Mrs. Elza Short, home demonstration club agent from Stephenville, who had been invited as guest speaker. Mrs. Carmean gave an interesting talk on gardening in general for the month of March, preparation of seed beds, planting and inoculation of flower and vegetable seed for sturdy quick growth, air resistance against disease and control of insects above and below the soil.

Mrs. Lawrence Lane gave a very amusing quiz on breakfast table arrangements, as well as formal and informal breakfast and luncheon table arrangements.

The flower clinic of April 10 will include a covered dish luncheon to be served at the country club, with the afternoon to be spent in study of flower arrangements, under the supervision of Mrs. Ernest of Brownwood.

The committees for the annual flower show, open to entries from the public, were presented to the club, and date for this event set for April 25.

The following chairmen were named for each committee: schedule committee, Mrs. S. E. Blair Sr.; staging and property, Mrs. John Goughly; entries and classification, Mrs. W. F. Hafer; horticultural, Mrs. S. J. Cheek; publicity, Mrs. Paul Neel; hospitality, Mrs. H. N. Wolfe; clerk, Mrs. E. H. Randsals Sr.

Judging, Mrs. J. W. Fairley; tables, Mrs. C. H. Boyd; clean-up committee, to be composed of all club members.

In making preliminary plans, Mrs. Randsals stressed the importance of each entry being classified, when presented for entry.

Authors Acclaimed as Review Club Members Observe 'Texas Day'

Texas Day was observed by the members of the Review Club Thursday afternoon, March 12, at the home of Mrs. Marvin Marshall.

In discussing "Texas Books and Authors," Mrs. Angell listed the most widely talked about books of the year — Madison Cooper's "Sironia Texas," Tom Lea's "The Wonderful Country," and "The Devil Rides Outside," by John Griffin. The three most distinguished Texas writers were named as J. Frank Dobie, Walter Prescott Webb, and Karl Wilson Baker.

Mrs. Angell concluded that Texas is rapidly attaining front rank stature in American literature, the stature she well deserves.

"Noted Texans of Today" was presented by Mrs. E. H. Randsals. In an interesting and informative manner she gave the life and accomplishments of the artist, Tom Lea of El Paso; John Rosenfield, writer of Dallas; and Amon G. Carter, business man of Fort Worth.

The hostess served a delicious course consisting of congealed salad, potato chips, Ritz, olives, home made fudge and hot tea to the members.

Due to the absence of Mrs. Hafer, Mrs. W. M. Horsley presided at the business meeting.

The next meeting, March 26, will be at the home of Mrs. J. E. Lincoln.

Legion Chaplain Urges Churches to Honor Korean Veterans

The Rev. Henry F. Selcer, above, Episcopal minister of Marshall and state chaplain of the American Legion, urges pastors of all faiths to join the Legion in honoring returned Texas veterans of the Korean conflict in "Korean Veterans' Appreciation Week," March 15 to 22. The Rev. Mr. Selcer asks churches to honor the veterans Sunday, March 15.

Wanda Nell Johnson Wed Wednesday to John Ben Rumph

Miss Wanda Nell Johnson, daughter of Mr. and Mrs. Leland Johnson of Hico, became the bride of John Ben Rumph, son of Mrs. Ruby Rumph of Stephenville, at a ceremony Wednesday evening at 8 o'clock at the Baptist Parsonage. Rev. L. H. Davis, pastor of the First Baptist Church, officiated at the wedding rites.

The bride wore a pale pink suit and a corsage of white gladioli. Her accessories were black. Miss Jo Ann Johnson, sister of the bride, and Billy Loden served as the couple's attendants. Only the immediate families attended the ceremony.

Mrs. Rumph, who graduated from Hico High School, has attended TSCW in Denton for the past three years. The bridegroom is a Stephenville High School graduate and attended Tarleton State College. He has just completed two years in the Armed Forces with eleven months of that time overseas.

After a wedding trip to New Orleans, La., and other southern points, the couple will make their home in Fort Worth.

WHO WANTS TO RAISE CHICKENS?

I own an A-1 dwelling, garage, rock brooder house, tile wash house, on 2 1/2 acres, on hard roads, in Cox-Weaver addition to Hico—high netting fences all around—I will lease to good tenant—one that wants to try chickens—it's exactly suited for this. All utilities, including phone.

I also have 193 acres to lease, 6 miles south of Hico, either with or without dwelling—high netting fences all outside—daily mail, school bus, finely watered with creek, surface tanks, and 20 acres of fine valley lands that I will plant to Sweet Sudan as soon as I can get it done—this fenced off from pasture. NOTICE

MARCH IS THE MONTH for Enumerating School Children.

All children who will be six but not over eighteen years of age on September 1, 1953, must be enumerated. Children born on or before September 1, 1935, or after September 1, 1947, must not be enumerated. All persons within these ages should be enumerated whether married or single. Each eligible student means a per capita payment of \$68.00 by the state to finance our school.

Supt. O. C. Cook is enumerating all students of school age in the Hico district. If you reside outside of the Hico district and are not enumerated in your district, it will be impossible for you to transfer to any other district.

If your child has not been counted, see the enumerator in your district.

LONE STAR Agriculture

By John C. White, Commissioner
Cotton Cultural Practices

Good crop cultural practices are important to every farmer. For the cotton farmer, good cultural methods are especially important for two reasons: (1) they help assure maximum production on the land, and (2) they aid in keeping insect infestation to a minimum. The second reason has special significance in view of the continued spread of the pink bollworm in Texas.

A previous article by Glenn Shelton, farm editor of the Wichita Falls Record News, pointed out the dangers of the pink bollworm. This insect can make cotton growing a losing proposition in Texas unless it is checked. Then what can we do?

The Texas Department of Agriculture, which sets and enforces cotton planting and plow-up controls in certain climatic areas, is co-operating with Mexico on this problem. If the insect can be reduced in the country from which it spread to the United States, then a big part of the battle is won. The rest is up to farmers in Texas and other infested states, aided by agricultural officials.

A practical five-point cultural program is recommended by the Texas Department of Agriculture this year. The practices involved are meant not only for farmers in heavily-infested pink bollworm areas but all cotton farmers in the state. These practices are:

1. Use all known methods which tend to speed up maturity of the plant and harvest of the cotton. This involves planting the cotton as early as possible and planting fast fruiting varieties where it is practical. It is desirable to use only properly treated and culled high germination tested seed and to leave plants as thick in the drill as soil moisture content will allow. Fertilizers should be used when recommended. It is also especially desirable to protect the plants from early-season damage from the usual insects which would slow development of the plant and allow the pink bollworm to get a better hold.
2. When the cotton has been harvested, destroy the stalks immediately. Early stalk plow-up shortens the breeding cycle of pink bollworm and other insects and helps cut down a carry-over into the next season. Stalk shredders are excellent.
3. In transporting the picked cotton, cover the vehicle with a tarp to prevent loss and possible spread of the insect. Where tarps are unavailable or too expensive, substitutes may be used such as poultry wire, gunny sacks, etc.
4. Use seed which has been sterilized against pink bollworm at gin.
5. Clean your fields, including the end-rows, fence lines and ditches of all standing cotton stalks, thus destroying the winter nesting and feeding place of the insects.

WELCOME

Exhibitors and Visitors TO Hico Annual FFA Live Stock Show March 26, 1953

We wholeheartedly endorse the FFA members and all their projects. It is seldom that any single movement merits such universal credit as does the FFA LIVESTOCK SHOW. So the least we can say to you members and sponsors is—

CONGRATULATIONS FOR A CONSTRUCTIVE JOB WELL DONE!

Especially are we proud of the Future Farmers for financing this enterprise by their own efforts. We join with the many business men and well-wishers in extending appreciation to all who are cooperating with this show in any manner.

SENIOR NEWS

No news last week should call for a lot this week but there seems to be such limited amount of activity.

The boys have started spring training and track. Seniors out for track are Steve Garrison and Bruce Slaughter.

The Seniors are doing very nicely on the play, "The Campbells Are Coming." It is to be given April 10.

This week we will interview Jo Ann Johnson. Jo Ann is 5 feet, 2 inches tall, has brown hair. Jo Ann is in the Hico Tiger Band. She becomes very confused sometimes wondering if she is a "Polar Bear" or a "Hico Tiger."

SOPHOMORE NEWS

The Sophomores are settling down again after a week end of roving around, etc. One of our old classmates came down from Fort Worth last Saturday night, Gary Brown. Gary was the most popular boy in the Freshman class last year along with Linda Cox, the most popular girl.

You might think that I didn't write the news last week but our editor, "Sleepy" Roy McWilliams, forgot to take it down until Thursday.

Anyway I interviewed Peggy Warren last week and will try it again this week. (I want to try to say something about everyone before this dear school lets out in the spring).

Peggy Warren is a "Soda Jerk" working at the Hico Confectionery. She is about 5 feet, 5 inches tall, and weighs about 127 pounds. She has red hair and blue eyes. She lettered in basketball this year and also last year. Peggy is a popular girl around school, being neither quiet or loud. She is just right.

Most of the Sophomore girls are playing baseball and volleyball for the rest of the year.

The boys are out for track and spring training.

Some of the Sophs in the mass band parade last week end in town were Eldon Naul, Linda Cox, Phyllis Jones, Kay Jernigan, Thomas Hughes and Ronald Massey. Clyde Gillentine is also in the band but didn't quite make it.

Nearly all the school organization reporters are Sophs. Consisting of Connie Meador, F. F. A. reporter; Peggy Ellis, F. H. A. reporter; and Linda Cox, band reporter. So you see, all the Sophs are in nearly every organization in this old school of ours.

HOMEMAKING NEWS

The freshmen have been cooking this six weeks and the other day I saw a few of them coming down the hall looking real pale. They had just made three kinds of biscuits and I still don't know if it was the quantity or the quality that made them sick.

The sophomores are nearly through sewing for all have completed their first garments and

the ones that are sewing now are making their second and third ones.

One of the girls in our class who is through with her sewing is Alice Behrens. Alice made a blouse and skirt and they were real pretty. Alice is about 5 feet, 8 inches tall, weighs about 135 pounds, has brown hair and real dark brown eyes. Alice plays pivot guard on the basketball team and is good in all sports. She has a very good personality and is liked by all.

BAND NEWS

A band clinic was held here in Hico last Saturday, March 14. Two bands, Clifton and Hico, were present. In the morning the two bands played separately and were criticized by the other band directors. After this we had sectional rehearsals. A delicious dinner was served by the band parents. After lunch we had a short mass band rehearsal. At 3 o'clock we had a parade, with both bands marching as one. Downtown we had a short concert, composed of marches. All of the Hico band members certainly enjoyed this clinic, and we are sure the Clifton members also had a nice day. We are looking forward to meeting with this band again.

FRESHMAN NEWS

This week we have a new student. Her name is Deborah Pruett. Deborah is a blue-eyed blond. She is five feet, one inch tall and weighs about ninety-eight pounds. We are very glad she has come to school here. Aren't we, Johnny? Thursday night, March 5, the freshman girls' basketball team played Alexander in a tournament at Morgan Mills. We lost 22 to 15. Leona Smith lettered on the high school team. She was the only freshman girl to letter.

SCHOOL DAZE

Shirley Prater: "What's worse than raining cats and dogs?"

Gene Simpson: "Hailing streetcars and buses."

Fenton Sandlin patiently held a fish pole and line over a large pail of water.

"What are you fishing for?" asked Paul Gillentine.

"Suckers," said Fenton, not bothering to look up.

"Caught any?" Paul asked.

"You're the tenth."

On a bus the other day a man got up and gave a seat to a woman. She fainted.

When she came to, she thanked him. Then he fainted.

The centipede was happy quite until a toad in fun

Said, "Pray, which leg comes after which?"

This raised her mind to such a pitch

She lay distracted in a ditch

Wondering how to run.

CUES FOR YOU

Things you should know about popularity:

Popularity takes training—You've got to work at making people like you—and every little bit of practice helps. When you smile at the traffic policeman, speak nicely to the grocer or go out of your way to give your little cousin a good time, you are getting in the kind of experience that will make it simpler to get along with people you meet in your own age level.

Popularity grows on wide interests—it's a mathematical fact that the more people you meet, the more chance you have to make friends. Join clubs at school, take an after-school job, learn to do one thing—dance, swim, sing—especially well. Don't spend one night at home in a "nothing to do" mood. Look in the paper for something free that's going on. Maybe one of the school is having "open house" or the school band is giving a concert. Even a civic lecture gives you more chance of meeting people and learning something new than if you were just sitting at home, bemoaning your "dull life." Not only that, but a few facts about civics could just pop up in a conversation one day and give you a chance to show how varied your interests are.

SPOTLIGHT

Tonight really ends basketball for all the kids around here. I have never seen so many people in all my life. Cranfills Gap won the District Tournament over Meridian by a score of 36-38. Some of the couples who were jammed in the gym were Marguerite Watkins, Jimmy McCroskey, Wilma Woodard, Derel Fillingim, Karon Higginbotham, Don Ross, Georgia Holaday, Ronald McKenzie, Margo Partain, Ray Battershell, Peggy Ellis, Dennis Stipe, Monette Salmon and R. W. Leeth.

I thought Hico would be sorta dull Tuesday night, but I was badly mistaken. The dancing kids have started square dancing now. At the dance see Julia Hodges and Wayne Duncan. Enjoying the show were Martha Helen Hanes and Billy Luckie.

Thursday night at the show I find Karon Higginbotham, Don Ross, Monette Salmon and R. W. Leeth.

I think everyone enjoyed the one-act play Friday night. You know we have some good actors here in little old Hico.

At Duffau watching an outsiders tournament were Sherry Herrod, Fenton Sandlin, Betty Bolton and Virgil Gray.

Well, here it is Saturday night

again and another dance seems to be in progress. In Hico enjoying the big lights were Peggy Goodloe, O. J. Clark, Jean Clark, Bivin Dunklin, Karon Higginbotham, Don Ross, Linda Cox, Bobby Sawyer, Martha Helen Hanes, Billy Luckie, Frances Latham and Gene Simpson, Quata Lowery and Carol Fillingim. Also see Martha Britton with some air force guy. At Stephenville I find June Hamilton, Rusty Roberson, Wilma Woodard, Derel Fillingim, Betty Bolton, Virgil Gray, Monette Salmon and R. W. Leeth.

Sunday afternoon in town I see Linda Cox, Bobby Sawyer, Quata Lowery, Carol Fillingim, Kay Jernigan and Kenneth Nix.

Clairette

By Mrs. Henry Mayfield

Since the good rain last week things are really greening up.

Mr. and Mrs. Homer Haynes of San Angelo visited with friends here Saturday night and Sunday and with his parents at Stephenville.

Mr. and Mrs. Howard Dowdy and two sons of Fort Worth passed Saturday night and Sunday with his father, Chas. H. Dowdy.

Mr. and Mrs. Ray Boone and family had Mrs. Boone's brother, Mr. and Mrs. J. L. Phillips and son Jimmy, of San Angelo, as week end visitors.

LET'S TALK LIVESTOCK
BY TED GOULDY

Fort Worth, March 16—Hogs hit the highest point since last Summer at Fort Worth Monday with a top of \$22.25 and the bulk of the good and choice 185-250 pound butchers selling 25 to 75 cents above last week's close and in the \$21.75 to \$22.25 range. Sows were steady at \$16.50 to \$19. Receipts all around the major market circle were far below a week ago and a year ago also, indicating the short supply of hogs this season was possibly in excess of predictions earlier this year.

Easter lambs shared the spotlight with breeding ewes Monday. Some pairs of ewes and small lambs sold around \$25 and \$26 per pair, a new high for months on this class, and this reflects directly the enhanced prospects in the sheep country since the good rains of about two weeks ago. Milk fat lambs reached \$23, old crop woolled lambs topped at \$22, and shorn lambs cashed at \$19.50 down. Some aged ewethers sold for \$15. Slaughter ewes were scarce, a few from \$7 to \$10.

Cattle trade was fairly active and generally steady. Some cows and fat yearlings stronger.

Good and choice fed steers and yearlings sold for \$18.50 to \$22, some weighty steers at \$21.50. Common, plain and medium butcher cattle sold for \$13 to \$18.50.

Fat cows drew \$14 to \$16, and canners and cutters cashed at \$10 to \$14. Bulls sold for \$13 to \$18.

Good and choice slaughter calves sold for \$18.50 to \$22, and common and medium offerings sold for \$13 to \$18.50, and culls drew \$10 to \$13.

A few stocker calves and yearlings sold for \$15 to \$21, and steer-cows sold from \$12 to \$16.50.

It is believed that virtually all of the X-Disease cattle, (those poisoned and suffering from hyperkeratosis) will have been destroyed within 10 days or two weeks. Most observers feel that at least 80 per cent have now been slaughtered.

Many cattle suffering from malnutrition have been marketed as "suspected" of having been poisoned. Old-timers are recalling the old saying that in this part of the country, a cow will live all winter and then die in the Spring. We are sure this is the case with hundreds we have seen here.

Pan-American Livestock Exposition Planned for Oct. 10-21 at Dallas

The first annual Pan-American Livestock Exposition will be presented Oct. 10-21 during the first twelve days of the 1953 State Fair of Texas. Fair President R. L. Thornton has announced.

Aim of the exposition will be to present a complete beef and dairy cattle show along with swine, sheep, Angora goats and quarter horses. Its purpose is to help develop a new market for purebred livestock in the countries in Central and South America.

The fair has already planned a 12-day junket of fair and livestock association officials to nine of the principle cities of Mexico to invite Mexican breeders to attend the fair and to find out what they would like to see at the livestock exposition.

Ten national breed associations have been invited to send official representatives on the tour which will be led by Ray Miller, chairman of the fair's Pan-American Committee, and Ray W. Wilson, manager of the livestock department of the fair.

The Mexico trip may set a pattern for similar trips to other Pan-American countries in future years, Mr. Thornton said. The fair is attempting to build the Pan-American Livestock Exposition into an annual meeting place for livestock breeders and buyers of all the Americas.

"The Pan-American Livestock Exposition will be an international show window where purebred livestock breeders of the United States can present their animals before a discriminating audience representing a market that is virtually untapped," Mr. Thornton said.

"It will give them an introduction to a segment of potential buyers hitherto unavailable to them. We expect the new exposition to be of the greatest ultimate importance to all U. S. livestock raisers."

Livestock show dates during the 1953 fair will include: Beef and dairy cattle, Oct. 10-21; swine, sheep and Angora goats, Oct. 10-18; quarter horses, Oct. 10-18; Shetland ponies and Palomino horses, Oct. 19-25. The State Fair Junior Livestock Show will be held Oct. 19-24.

Lamkin Services Held Wednesday Afternoon For James J. Cantrell

Rites were conducted Wednesday afternoon at 2:00 p. m. for James Jackson Cantrell, 81, who lived near Carlton, on Route 1. Death came Tuesday, while he was hospitalized, and services were conducted by Rev. Lynn Dalton of Hamilton, from the Lamkin Methodist Church.

Mr. and Mrs. Cantrell had made their home near Lamkin and Carlton for the past 60 years, where he was employed in the farming occupation. He was born January 27, 1872, in Tarrant County, Texas.

Survivors besides his wife, Mrs. Eva Cantrell, include two daughters, Mrs. Mae Johnson and Mrs. Vesta Harris, both of San Antonio. He was a brother-in-law of Paul Neel of Hico.

Burial was in Tolliver Cemetery, near Lamkin, under the direction of Barrow-Rutledge Funeral Home of Hico.

Congressman Tells of Patronage Changes in New Administration

Omar Burleson, Congressman from the 17th Texas District, in his weekly news letter from Washington "As It Looks from Here" included this week the following information:

"A matter of interest to a great many people is the method of appointing postmasters and rural letter carriers. Until the change in the Administration, it was my responsibility to recommend persons to these positions. Since the change in the Administration, naturally the Party in power reserves this privilege which is commonly referred to as 'patronage'.

"Those interested in such positions when they become vacant must either qualify on a Civil Service examination or be transferred from a position they held under Civil Service if their status permits.

"As vacancies occur in these positions, it is suggested that anyone interested contact the County Republican Chairman as to the method to be used in filling the vacancy. It should be known that the person in position to make recommendations has considerable limitations to his actions. In other words, he cannot simply go out on the street and touch a man on the shoulder and say he is 'it'. Neither had the Congressman any such latitude in the past.

"The Civil Service Commission gives an examination for these positions. Regardless of the number who participate in the examination, only three can qualify. From these three, a recommendation can be made, but even so, there are limitations in connection with provisions of law favoring veterans. It should also be said that neither Congressman nor, as the case is now, the Republican County Chairman, has anything to do with the examination or the grading of papers by the Civil Service Commission. If this were not true, there would be no need to hold an examination.

"It is my hope that this brief explanation may be of help to the Republican County Chairman, who I understand will have this responsibility from now on. "Either next week or the following, unless other subjects appear to be more interesting at the time, it is my expectation to discuss what is commonly referred to as the Bricker Constitutional Amendment to prohibit the making of Treaties and Agreements by the President with foreign nations which could have the effect of superseding Constitutional law. It is a current controversial question in the Congress and one which will draw considerable attention in the future."
