### Hugh E. McCullough Dies Suddenly at Home Monday Night

Sudden in its attack and shocking to his family and a multitude of friends, death stilled the heart of Hugh Edgar McCullough shortly before midnight Monday. He had gone about his customary duties that day, and many of the great number of people habitually greeted around town later remarked that he had seemed to be in best of health and spirits. Shortly after retiring he apparently arose to treat what he some times referred to as indigestion. when the blow came. Medical aid was summoned immediately, but to no avail.

Funeral services were held at o'clock Wednesday afternoon at First Baptist Church, with Rev. E. E. Dawson officiating. A long-time friend of the deceased and his family, the retired pastor described Hugh as having been a remark-able character, a member of an honored tribe, generous, cheerful, grateful, upright and gracious. He extended condolence to his family, expressed sympathetic sorrow felt throughout the community, and consoled them with the knowledge that the husband and father had left a heritage of which they could

well be proud.

Born Nov. 11, 1896 in Williamson County, Hugh Edgar McCullough moved with his parents to Goldthwaite when seven years old. He was graduated from high school there and later attended Howard Payne College at Brownwood before entering service with the U.S. Army during World War I.

Thirty years ago the local Barnes & McCullough lumber yard was established when Hugh and his young wife, the former Lucille Frizzell, also of Goldthwaite, moved here from Sipe Springs to found and rear their family. They have taken an active part in all worth-while activities, and their lovely home has been an outstanding example of the modest pride that comes from home ownership which through their vocation they had promoted to such a great extent. While assisting her husband in the business for the past several years, Mrs. McCullough has found opportunity to lavish time, work on frequent occasions.

While continually occupied with the executive duties and detailed attention to business that has inspired his associates to assist in building an organization presently composed of lumber yards at Ste-phenville and Llano in addition to the two original firms at Goldthwaite and Hico, Hugh never lost his interest in the finer things of life. He was a nature lover, with a more-than-common knowledge of flora and fauna. His weather observations were a local tradition, and seldom was he found wrong. In literature he modestly revealed un-derstanding of classics, geography and science, as well as current events. And during his allotted span of years he had cultivated numerous mutually-enjoyable associations while engaging in the hobbies he loved including golf, hunting and fishing. His interest in athletic sports extended also to education, and the local school system reflects his handiwork in drawing were closed at 4 p. m. Wednesday plans for the gymnasium and stadium. He was also largely instrumental in establishing Bluebonnet Country Club and erecting the club-house there which is still after 25.09 feet. At last report it was more than a quarter of a century providing accommodations for recreation for young and old.

Those who knew Hugh McCullough best recognized him as a unique individual whose word was his bond. He was always interested with his associates, and considerate of the elderly. He displayed a marked devotion to his family, who must miss him tremendously, as do so many people throughout the wide area who were privileged to count him as their friend.

Burial was in Hico Cemetery amid a profusion of flowers mutely testifying to the respect and affection he had cultivated. Pall-bearers were E. W. Tate of Ste-phenville, Ray Cheek, M. I. Knudson, Jack Malone, Roy McWilliams, and William, B. Morgan, all asso-ciates in the building firm of Barnes & McCullough, Mr. Tate is manager of the Stephenville yard, and Ray was an employee before entering furniture business for himself in October, 1951.

Scripture was read at the grave-side by Rev. Ayres of Goldthwaite, and Rev. Henry Grubbs of Junction gave the benediction.

Survivors are the widow; two daughters, Mrs. Mary Ella Bundy of Roosevelt, Texas, and Mrs. Norma Frances Meek who is living ere while her husband, Lt. Ben F. Meek, Jr., is serving with an Ar-tillery Battalion of the U. S. Army in Korea; his father, W. P. McCullough, and a sister, Mrs. Othel O.
Smith, both of Goldthwaite; also
three grandchildren, Margaret
Elizabeth Bundy, Stanton S. Bundy King III and Richard Hugh Bundy;

A brother, Herman, died in infancy, and another brother, Paul the greater part of her life in Hico. A pioneer teacher in the Hico Pubaccident several years ago. His mother, the former Mary Elizabeth Ashabranner, preceded Hugh in

O. C. Cook

Guests: N. A. Garlington, territory representative for Burrus Buck Terry Mills for the past several months, and his successor, Clifford Brogdon. Both had a little fun out of their host (or guest, as the case may be), J. B. Woodard, local Texo representative.

Lion Cook reported that Orville Templeton, one of the four nominees for the club's representative at Boys' State, had been selected to make the trip to Austin next

After Lion Roberts informed the gathering that the Lions Club annual variety show would not be held on the date originally sched-uled due to a combination of cir-cumstances, the president instructed Lions Roberts and Cook to as-sist him in working out a new date. This later was set for Thursday night of next week, May 21. The committee that worked up

the advertising for the show was given a vote of thanks for their seasons, had to withdraw, but success. Lions Petsick and Cook were named as co-chairmen of the proand a swell bunch of ball players. gram committee for the ensuing club year. The latter confirmed the date of May 28 for the club's Hico won another hard-contested visitation at Clairette, and urged.

as many as possible to make plans

# Mobile Blood Unit Visit Scheduled for Visit Here May 27

Hamilton, May 9.—The Mobile Unit from the Central Texas Reville, Alexander at Iredell, Dubgional Blood Center of Waco, is slated for two return visits Hamilton County in May. The date for Hamilton is May 26 from 11 a. m to 5 p. m. The unit will be in Hico May 27 from 9 a. m. to 3 p. m. A letter from Dr. Joe A. Herdirector of the center, states that Hamilton County has donated 236 actual pints of blood in three visits of the unit here. The coun ty's quota is 480 pints. Unless this is raised at the two planned visits, others will have to be made.

Dr. Hertell enclosed a copy of a letter in announcing the visit, which clears up a difficulty that has existed between the center and ter that the hospital had altered their exchange rate to a straight 1:1 basis. Up to April 10, this had not been true and since many patients from Hamilton go to Temple hospital for treatment this gives them free use of blood on a replacement basis which is a part of the county's contract with the Red Cross center.

# 4-H Club Youths from 14 Counties to Compete At Hamilton Saturday

Hamilton, May 12.-Approximately 125 4-H Club girls and boys from 14 counties located in District 8 are expected in Hamilton May 16 to participate in the District 4-H contest eliminations. These boys and girls have recently won top honors in their county contests. Winners of the district contests will compete in the state contests to be held on the A & M College campus on June 25.

Contests due May 16 are: Dairy foods (girls); vegetable (girls); shrub identification (girls); pub-lic speaking (girls and boys); electric (girls and boys); safety (girls and boys); share the fun festival (girls and boys). On June 6 representatives from

10 counties will compete in the District 8 dress revue eliminations to be held in the auditorium of the new elementary school, Gatesville. Winners there will compete in the state dress revue at College Sta-

# These Are the Facts About the Hospital Bond Election

In 1945, a group of public-spirited citizens met at Firemen's Hall for the purpose of planning the construction of a hospital in Hico. They supported the idea and contributed their work and money to make the idea a possibility. The hospital was constructed with 10 beds and offices for two doctors, although there was only one doctor in town. Before completion, another doctor saw the possibilities, asked to enter the partnership, and gave hard work and money to make the new enterprise a success. Doctors are always attracted to towns with adequate facilities for the care of their patients.

The first patient was admitted on Feb. 11, 1947, and more than 5000 have followed that patient. In 1949, it was necessary to expand the facilities. A clinic building was added, doctors' offices were removed from the hospital, and 15 beds were provided.

The present Board of Directors, all men keenly interested in the welfare and progress of Hico and surrounding communities, have seen with satisfaction the hospital grow in size and esteem. After long deliberation and thorough inspection of audit reports during the past six years, they have concluded that the money now being paid by the hospital in excess corporation taxes should be used to retire a bond issue, which would make the hospital a permanent town-owned hospital. The Board has consented to let the City purchase the hospital building and equipment on a bond issue at the actual Capital Stock value of \$35,000. It will actually cost the City nothing, as the hospital will pay for itself with the tax saving. Why not keep this money at home? A municipal hospital pays no corporation taxes.

An estimated \$80,000 would be required to replace the hospital building and equipment alone. The revenue from the hospital has been more than adequate to pay all expenses to date and to add \$12,500 worth of equipment. In six years, the hospital has paid some \$14,500 in corporation taxes and still has a cash reserve in the bank and no outstanding obligations. A corporation pays 35% of every dollar earned in taxes to the government.

As your City Council has pointed out, city taxes can not be raised, and no re-evaluation of property is needed. However, State law provides that taxes be set aside on any bond issue.

The clinic building was financed on a loan basis for the simple reason that it is much cheaper to pay 5% interest than it is to pay 35% corporation tax.

Neither doctor plans to leave the community. Both have consented to continue the management of the hospital with their present staff and as part of a board of three members, appointed by and responsible to the City Council, until sufficient revenue is obtained to offset the bond issue.

A bond issue for a County Hospital, for which you would have been taxed heavily, has once been defeated by a narrow margin. Be assured you will have the opportunity to vote on this again, and if the issue wins, the hospital will be in Hamilton, not Hico, and no free care as some would have you believe. However, with a municipally-owned hospital already in the county, it will be less likely to pass. IF PRESENT LEGISLATION NOW PENDING AT AUSTIN IS PASSED, YOU, WITH A MUNICIPAL HOSPITAL IN HICO, WILL NOT BE TAXED FOR A COUNTY HOSPITAL.

And, if our own bond issue carries, the hospital will not only get relief from heavy taxation, it will be in a more favorable position to obtain a new doctor or doctors if and when needed.

Always, in every community, there are skeptics who, when confronted by any progressive step, cry, "It can't be done. I'm against it." Remember, it was this group who defeated the Water and Sewer Bonds in 1927. The situation became so bad another election had to be called in 1928, and public-spirited citizens finally won. The same skeptics tried to block the street-paving in Hico and highway construction through Hico. In 1945, they said the hospital could not be built. Now they are again objecting to progress and spreading false information.

THE DOCTORS ARE NOT LEAVING, THE HOSPITAL IS NOT TO BE RE-LOCATED, TAXES ARE NOT TO BE RAISED.
YOU AND THE CITY AND THE HOSPITAL ITSELF, THROUGH ITS SAVINGS, WILL PROFIT.
IF YOU WANT TO KEEP A HOSPITAL IN HICO, VOTE FOR THE BOND ISSUE MAY 16.

HOMEOWNER'S LEGAL LIABILITY EXPLAINED

sponsible for accidents that happen to other people while they are on his property? Lawyers say it is difficult to state a hard and fast rule about liability for such accidents because the facts differ so much from case to case. Howsome conclusions can be drawn by noticing how the courts have decided in specific cases which have been brought before

\* in Texas \*

A postman delivering mail slipped on a child's roller skate one morning. He sued the homeowner for damages. The court held that delivery of mail is for the benefit of the homeowner and that he must take care to remove any conditions on his property which would make delivery of the mail

Then there was the case of the meter-reader who slipped and fel on the basement steps and the courts held the owner responsible because the steps were defective On the other hand, a guest sued her host because she slipped and est Summer Camp had been playing with bean-shoot-ers on the day she chose to visit. goal for the summer season is 70

guest slipping on a small scatter L rug, and another overnight guest Camping and Activities Committee who slipped and fell in a shower. Both cases were decided in favor camp will open May 31. Eight pe-

This does not mean that a homeowner is absolved of all responsihility for injury to his guests. If he knows a dangerous condition exists, he has a duty to correct it and can be held liable for accidents which might happen if he doesn't. For example, a rotted tree branch fell to the sidewalk, injuring a passerby. The general rule here is that the owner was responsible because he knew of the defective

Fortunately, not everyone who falls down the front steps gets up and rushes off to sue his host. However a substantial body of law has grown out of this type of negligence case. This is not sur prising when you realize that more fatal accidents occur in and around the home each year than from traffic accidents on the high-

### Representative Perry Objects to Judicial Redistricting Measure

(Held over from last week) Wednesday, May 13, at noon, may see the closing of this, the 53rd Session of the State Legislature. There is a very strong move initiated by members of the conservative group to adjourn sine die on this date. However the proposition has run into a great deal of opposition from members of the group which voted for the \$600 per year raise for school teachers. It is my personal opinion that we will adjourn about May 20 without having passed a new tax bill to provide the 68 million dollars that the teachers' pay bill will cost.

Last week the House passed out the controversal Judicial Redistricting Bill over my dissenting vote. I was opposed to the bill for two reasons. One of the reasons was that Bosque County was taken ou of its old judicial district and put with Hill; the other reason was Comanche county was des gnated as a concurrent jurisdic ion county in which both Judge Oxford and Judge Cross would have oint authority. This arrangemen vas objected to by both district udges. I appeared on behalf of the Sosque County people before the sub-committe of the Judicial Districts Committee several weeks ago when this bill was still in committee. At that time I expressed to them the sentments of the people of Bosque County and my opposition to the proposed legisla-tion. Our able Senator Crawford

# **DO YOU WANT MORE BIG EARLY EGGS?**

WOULD YOU TURN A 5 YEAR OLD CHILD OUT

to find his own food? Of course not. Well, a pullet between the ages of 8 and 24 weeks "grows up" just as much as a child does between 5 years and 18 years of age. Pullets, like growing children need more than just vegetables. They need the help of a good growing feed to get through that critical period when bodies and egg making or-gans are growing fast. They need Nutrena All-Mash Grower,

**Tests Show 3 Times** More Early Eggs After Feeding **Nutrena Grower** 

At a Nutrena testing station, pullets fed the powerful new Nutrena Grower produced 3 times more early eggs in the first 64 days of production than birds fed a growing feed low in antibiotics and B-12.

What's Nutrena's secret? It's New Miracle Livium, with its guaranteed effective amounts of antibiotics and B-12. Crumblized Nutrena All-Mash Grower with new Miracle Livium provides the extra body building materials your pullets need to develop into profitable egg making machines.

Mrs. Henry Mayfield

Dublin schools visited Thursday at Burks Bird Farm. Mr. and Mrs. Talmon Millican are the parents of a baby girl

born May 8 at the Hico Hospital. They named the little lady Mar-garet Elizabeth. Mrs. W. E. (Andy) Duncan and

Shirley of Fort Worth spent Mother's Day with her parents, Mr. and Mrs. Henry Mayfield and son. Duncan visited his mother, Mrs. Allie Duncan and brother and family in Hico. Mrs. Duncan went to Fort Worth Sunday afternoon with Mr. and Mrs. Andy Duncan to visit a few days.

We are sorry to report John Burks is ill at this writing. Rev. Van Gladden of Fort Worth

### L L ROBERSON

Funeral services were held at Griggs Pioneer Chapel at 4:00 p. April 25, 1953, for Lemmie L. Roberson, age 53, at Amarillo. Rev. Royce L. Sanders of Itasca con-ducted the services. Roberson died of a heart attack April 20 at his home in Oakland, Calif. He was an employee of the Standard Oil Co. He was a native of Texas. He was born and reared in Erath County.

The Rev. Mansfield quartet did the singing and the organist was Mrs. E. H. Sezemore. He is survived by his daughter, Mrs. Yvonne Nylen of Manteca, Calif., a sister, Mrs. Pearl Summerville of Lampasas and three grandsons, seven nieces and nephews. They are Olene and Steve Roberson of Amarillo, Mrs. Royce Sanders of Itasca, Mrs. Edna Carlson and Leslie, Joe and Walter Summerville, all of Galves-

Pallbearers were T. E. Sanders. Spurgin Plowch, J. S. Godsey, Tom Wheat, Charles Bell and A. R. Mansfield. Burial was made at the Memorial Park Cemetery, with ever be deeply grateful and may motorcycle escort, courtesy of Ama. God bless you each and every one. rillo Police Department.

# Review Club Installs New Officers And Distributes Yearbooks

A group of children from the Installation services for the new officers of the Hico Review Club were conducted by Mrs. D. R. Mc-Cauley last Thursday at the home of Mrs. Odis Petsick. Mrs. W. M. Horsley became president; Mrs. Petsick, vice-president; Mrs. S. E. Blair Jr., treasurer; Mrs. Marvin Marshall, corresponding secretary; Mrs. Bernell Jernigan, recording secretary, and Mrs. O. C. Cook,

Each officer received a corsage from Mrs. W. F. Hafer, retiring president, who in turn was presented with a gift from the club by Mrs. L. J. Wood.

Summarized reports of the year's expenditures and work accom-plished were given by Mrs. Blair preached Sunday at the Baptist and Mrs. M. Ross and the yearbooks were distributed. The hostesses, Mrs. Petsick, Mrs. J. W. Fairey, S. E. Blair Sr., Mrs. Wood, Mrs. McCauley, Mrs. Edgar Brad-ley and Mrs. Marshall, served re-freshments.

SMORGASBORD FOR HICO SENIOR GIRLS HELD AT TARLETON STATE COLLEGE A smorgasbord for high school senior girls was given by the Stephenville branch of the American Association of University Women Thursday of last week at the Cardinal Dining Room at Tarleton State College.

Attending from Hico were Shir-ley Carol Ross, Thresia Holley Joyce Berna, Betty Bolton, Shirley Prater and their sponsor, Mrs. Bryan Angell, who is a member of
