

## Official Draft Law and Regulations Explained By Information Officer

(Editor's note: This is the first of a series of 10 short articles on the draft law and its rules and regulations.)

The draft law requires every man registered with a local board to report any change in personal status to his board.

"Young men have asked us just what changes they should report," Brig. Gen. Paul L. Wakefield, state draft director, says. "Generally, anything which has a bearing on classification should be reported."

The state director pointed to the following things which should be reported as change of personal status:

1. Current change of mail address should always be sent to the board.
2. Marriage should be reported at once.
3. If a wife becomes pregnant with a couple's first child, a physician's certificate must be sent to the board immediately after the fact is known.
4. All additions to the family must be reported.
5. Any and all deaths in a man's family should be reported.
6. If a man and wife are divorced or they no longer live together, this must be reported.
7. Permanent change of job should be reported.
8. Serious injury or physical defect should be reported.
9. If a man becomes a student in a college or university, this fact should be reported.
10. If a man enters the Reserves or National Guard, he should ask his commanding officer to notify his board. He should assure himself that it is done.
11. If a man has attempted to volunteer for armed forces service and has been rejected, he should advise his local board.

### PRIVATE ARNOLD WEDS WHILE HOME ON LEAVE

Pvt. Tommy Joe Arnold reported back for duty May 16 at Camp Steneman, California following a 15-day leave here with his parents, Mr. and Mrs. Claude Arnold. From Camp Steneman, he is scheduled to go overseas.

Having come by plane to Love Field at Dallas, he arrived there May 3. Pvt. Arnold and Miss Glenda Forsythe of Fort Worth were married on May 6, by the pastor of Calvary Baptist Church, Fort Worth, in that church. Only the family and close friends attended the ceremony.

Pvt. Arnold has recently completed his basic training at Camp Roberts, California. Mrs. Arnold will be at home with her parents in Fort Worth during the time he spends overseas.

After being honored with a shower given by friends in Fort Worth, they spent the remainder of his leave here with his parents.

Dear Mr. Holford:  
Would you please send me the price of a subscription to the dear old "Hico Hexinache" and I will try to oblige you with a subscription.

Maybe the paper will help me pass away some of the cold Wyoming nights. I am here for Supply Records School and glad it lasts only 45 days.

Not like Texas.  
Yours truly,  
Abe VIRGIL C. GRAY.

Pvt. Bobby Charles Ratliff, who recently left for service in the army, will be stationed at Ft. Bliss, Texas for four months, according to his mother, Mrs. J. E. Ratliff in ordering Bobby's News Review sent to this new address.

## Bel Canto Chorus To Appear in Hico At Church of Christ

The nationally famous Bel Canto Chorus of Boles Orphan Home, Quinlan, Texas, will be presented at the Church of Christ in Hico Monday, June 1, at 8 o'clock.

The Bel Canto Chorus, accompanied by their conductor, is currently engaged in its fourth national tour embracing many states and covering several thousand miles. The Bel Canto Chorus was officially organized in 1949 and since that time has traveled extensively throughout the year and intensively each summer, singing its way into the hearts of thousands of people all over the United States and Canada.

These young people are highly trained and skilled in discipline, vocal accomplishment, travel, and public relations. They travel in their own commercial bus.

Their program includes songs of praise and devotion, familiar and well-loved hymns, and spiritual selections. The program will be highlighted by the appearance of the Boys Chorus, the Male Quartet, and Girls Sextet whose harmonious selections add a great deal to the program. All of these groups are under the able direction of A. Hugh Graham, Tex. Williams, director of the current tour and manager of the Chorus, will give highlights of the program and purposes of Boles Home.

Boles Home is located approximately fifty miles east of Dallas, and is now caring for 271 dependent boys and girls. With a farm comprising 2,350 acres, a public school located on its own campus, and a college plan whereby students are enabled to live well balanced and worthwhile lives in preparation for capable maturity.

The Church of Christ extends a very cordial invitation to everyone to attend the concert and to enjoy the inspirational program.

## Awards Presented to Hico Seniors Friday at Graduation Exercises

Theresa Holley, a senior student and daughter of Mr. and Mrs. Travis Holley, was named the best all-round student in Hico High School this year at commencement exercises Friday night at the high school auditorium. Miss Holley won a second award as best student in commercial subjects. She was a recent first-place winner in shorthand at the regional Inter-scholastic League meet in Dallas.

Other special awards, presented by A. A. Chandler, high school principal, were won by the following students, chosen from the entire high school: Peggy Warren, citizenship; Eldon Nant and Peggy Goodlow, music; Carol Harris, English; Edna Walker, mathematics; Peggy Ellis, homemaking; Thomas Hughes, science; Wanda Nell Roberson, social studies; Dennis Stipe and Orville Templeton, vocational, agriculture; Donald Ross, best boy athlete, and Velma Jaggers, best girl athlete.

### TAKE MASTERS DEGREES FROM BAYLOR UNIVERSITY

Among the graduates to receive degrees from Baylor University this spring are two from Hico who are to receive a degree of master of science in education. Mrs. Ruby Lee Anderson Brummett and Mrs. Syble Maud Trimble Jernigan, both teachers in Hico Public Schools, have completed requirements for this degree.

Graduation exercises will be held in Baylor Stadium at 7:30 p. m. Friday, May 29.

## THIS DAY OF MEMORY

## Preparations Made for Rebuilding Fort Hood's First Armored Division

Fort Hood, May 27.—Combat training at full tactical strength is ahead for Texas' famed First Armored Division.

That was the word Wednesday from Maj. Gen. L. L. Doan, commander of Fort Hood and First Armored, who told newsmen that trainees in basic here now will be assigned to the veteran outfit at completion of training.

The general's announcement confirmed earlier statements made by General Doan, Fort Hood and First Armored Division commander, that Fort Hood has turned the corner, and heralds a phase of rebuilding of the First Armored Division.

As a result of the order training activities will be stepped up to the tempo of 18 months ago when the division was training for Exercise Longhorn.

Trainees are to be assigned to bring the division to full strength instead of going to Korea upon completion of training.

Soldiers will have a more stable Army life in this situation, and can, if they desire, bring their wives and families to the post.

Trainees now at Hood will be given a 10-day leave upon completion of basic training. Then they will report to the division for duty. Many of the young soldiers will be selected to attend service schools prior to going on leave.

Wherever possible, men designated to attend schools will report directly to the schools upon completion of leaves, then report to First Armored Division.

## POST OFFICE, BANK HOLIDAY MAY 30

The Hico Post Office will be closed Saturday, May 30. There will be no rural deliveries on that day, and no window service, according to announcement by Postmaster R. B. Jackson.

The First National Bank also will observe Memorial Day, in line with other banks of the clearing house association.

Most local stores will remain open, as Memorial Day was not included as a closing day on the list of holidays for this year on a card sponsored by the Chamber of Commerce.

## School Patrons Invited To Meet Tonight To Organize P-TA

Plans for formation of a Parent-Teacher Association in Hico will be discussed at a meeting Friday night (tonight) at 8:15 p. m. in the Hico High School Auditorium. Purpose of the meeting will be to determine the amount of interest in organizing a P-TA for the local school system.

Mrs. Byron Hall, district secretary of the P-TA, has been invited to speak that night on the advantages of this organization to the community. An invitation is open to all parents of school children, and patrons of the school as well.

Although there has not been such an organization in a number of years in this community, Supt. O. C. Cook said in making the above announcement that he has had inquiries from various people who have expressed a desire for same. If interest is high enough and response is favorable at this meeting, there will be an opportunity to elect and install officers. Officers are ordinarily elected in the spring by a P-TA already in operation, thereby enabling the officers to make plans for the fall semester during the summer months.

## RECEIVES SPECIAL AWARD AT TARLETON COLLEGE

Stephenville, May 26.—Rollie Chaney, son of Mr. and Mrs. L. J. Chaney of Hico, received special awards in annual ROTC field day ceremonies here at Tarleton State College recently.

Rollie received the silver numeral "2" for two semesters service with the Tarleton Honor Guard and the silver numeral "3" for three semesters of meritorious service with the Wainwright Rifles, crack drill company.

## Legion Group Cards Buddy Poppy Sale In Hico Saturday

The Auxiliary to the Byrd-King Post 333, American Legion, at Carlton will stage their annual Buddy Poppy Sale in Hico and Carlton May 30, according to announcement this week from the group's president, Mrs. C. A. Vance.

Proceeds from this sale will go to help the disabled servicemen in hospitals and their families. The poppy is an emblem of their sacrifice.

"Buy a poppy," urges Mrs. Lenard Weaver of Hico, who is assisting with publicity, "and help aid the totally disabled veterans back to rehabilitation and to honor the dead by helping the orphans and widows of deceased veterans."

The sale of the poppy memorial flower is to help maintain these projects that have earned public approval.

The American Legion and the Auxiliary have "taken up the torch" and are keeping faith with those who gave their all.

Mayor W. H. Greenleaf is displaying Hico's cooperation through an official proclamation. Help observe Memorial Day by wearing a poppy.

## Safety Department Receiving Applications For Highway Patrolmen

Austin, May 25.—Homer Garrison Jr., Director of the Texas Department of Public Safety announced today that his Department is receiving applications for appointment to the position of Texas Highway Patrolman.

Applicants must be males between the age of 21 and 35 years, inclusive; not less than 5 feet 8 inches in height, weighing not less than 2 pounds or more than 3½ pounds per inch of height.

## Lions Visit Clairette In Community Meeting, Install Next Thursday

Members of the Hico Lions Club, other businessmen, and their ladies went to Clairette Thursday night to enjoy a dinner provided by ladies of the Clairette community working on a fund to provide transportation of school children to Hico next term. Several from in and around Clairette were guests of the Hico group, who financed the cost of the meal. At last week's meeting it was voted to include the Clairette meeting in the attendance contest.

There was no luncheon meeting of the local Lions Wednesday on account of the Clairette community meeting the next day.

Neither will the Lions meet in noon next week, but will hold installation of officers and ladies' night at Firemen's Hall next Thursday night, June 4. R. B. Jackson, chairman of the committee on arrangements for the special meeting, has announced that O. L. Stacey, president of Cisco Junior College and also incoming governor of Lions District 2-E will install the officers and make a talk. He will be accompanied by his wife, and other prominent visitors will include George Alcorn of Brownwood, outgoing District 2-E Governor, and his wife; and a number of others.

The annual Lions Club Variety Show, staged at the school auditorium last Thursday night, drew a fair-sized crowd and provided lots of fun and interest. It was considered a complete success, for which the sponsors expressed a deep feeling of pride and appreciation to all who helped to make it so.

## Home Town Club Plans to Convene Here Early in June

Preliminary plans have been announced this week for the sixth annual meeting of the Home Town Club, dates for which have been set for Thursday and Friday, June 4 and 5.

The Home Town Club organized by a group of former residents who maintain their interests in Hico, has been meeting here for the past several years to foster their interest in renewing old acquaintances. Friends are invited to join the group Thursday afternoon to welcome the out-of-town visitors who are expected to return for this gathering.

The first meeting of the Home-towners was held in 1948, when members of the first graduating class of Hico High School held a reunion.

## Two Men Injured South of Town When Control of Car Lost

Two men were injured, one critically, about 2 p. m. Saturday when the car in which they were riding went out of control at the south edge of town.

Irving Zucker, president of the Oneida Paper Products Co. of Ridgewood, N. J., was most seriously hurt. He is suffering from shock, severe lacerations about the head, and a compound fracture of the arm.

C. E. Naft of Fort Worth, riding with Zucker, received fractured ribs but was not believed seriously injured.

Officers said Zucker swerved his automobile to miss a car approaching from a side road. He lost control of the car and it crashed into a wooded area.

### SCHOOL PICNIC HELD

Hico Junior High and High School students held their annual close-of-school picnic and swimming and skating party in Glen Rose Wednesday of last week.

They were accompanied by Supt. O. C. Cook, W. B. McPherson, A. A. Chandler, L. S. Chandler, Mrs. Truman E. Roberts, Mrs. George Holladay, and Mr. and Mrs. Carl Remington.

CORONATION REHEARSAL . . . Queen Elizabeth's coronation coach and retinue arrive at mall outside Westminster Abbey on time rehearsal run from Buckingham palace. At left are stands where spectators will view ceremony on June 2.

#### MRS. CLIFFORD TINKLE

A pall of sadness fell over this and surrounding communities last Saturday morning when a telephone message from Mr. Woody Young of Hamilton to the Scott Blakley home revealed that Mrs. Clifford Tinkle had passed away at 4:30 a. m. The sad news which spread rapidly by telephone and other ways, came as a great shock to most everyone, since only a very few had learned that she had taken a turn for worse on Friday. She had been dangerously ill during most of the five weeks she had been hospitalized and all realized that she was still seriously ill but last reports had been more favorable. Feeling assured her recovery was going to be slow, we were looking forward to her being able to be released from the Scott & White Hospital soon. Preparations were being made to transfer her to one of the local hospitals nearer her home and relatives.

Martha Elachia Hutton was born to the late Mr. and Mrs. W. J. Hutton at Alvarado, Texas, on November 9, 1900. She was known to her many friends and relatives as Lacy. The Hutton family moved to the Fairy community in 1904 or 1905 residing at their farm home one and a half miles east of Fairy until the death of both Mr. and Mrs. Hutton. (The place is now owned by Mr. Miller.) Mr. and Mrs. Tinkle had made their home near Fairy until a few years ago, when they purchased their present ranch home about 3 miles south east of Hamilton. Being the only daughter of the Huttons to remain in the Fairy community after marriage, her home was always a meeting place for family gatherings after the death of her parents. No truer statement could have been made, when a relative remarked just before the funeral hour, that the strongest link in the Hutton chain had been broken. She was loved by all and will be greatly missed. She took an active part in all activities of the community in which she loved and was always ready to help when help was needed. Lacy seemed very near to us, since our parents were neighbors during our childhood and she and Mr. Tinkle were also neighbors of the writer for several years prior to moving near Hamilton. The past few years it had been the custom of Mr. and Mrs. Tinkle, the writer and daughter and family, the Carl Ray Sellers, to meet at the home of our daughter, Mr. and Mrs. D. E. Allison and family of Dublin one or

more nights during the Dublin rodeo. All would bring a covered dish or two and after a feast of good eats, attend the rodeo. Sad indeed will be our next meeting.

Lacy was a wonderful cook and very industrious, being reared in an industrious family. The life she lived while here, will ever be a treasured memory.

Funeral services were held Sunday at 3:30 p. m. at the Riley Funeral Chapel in Hamilton with Rev. Clarence Allen Morton of Gatesville officiating. The song service was under the direction of the Hamilton Quartet, with Mrs. John Jordan as pianist.

She was married to Mr. Tinkle in 1922. To them was born one son, Eugene of Fort Worth. She is survived by her husband, the son and wife and a little 10-month-old grandson; six brothers, namely, Robert and Andrew Hutton of Hico, Joe of Altus, Okla., Finis of Cranfills Gap, Cecil of Corpus Christi and Jim of the state of Colorado, who was unable to be here for the funeral service. Also two sisters, Mrs. Fannie Washburn of Dallas and Mrs. Nell Germsted of Cranfills Gap, together with their families and many other relatives of her and Mr. Tinkle's, and a host of friends to mourn her passing. She united with the Baptist Church in young womanhood, being baptized by Rev. Morton.

The beautiful floral offering was very beautiful. Burial was in the Fairy Cemetery adjoining the family plot of her parents. A funeral cortege more than a mile in length followed the remains to its last resting place. To those left to mourn her passing we would say, let her life be a shining example and may God bless and comfort all in their sorrow.

Mrs. W. E. Cunningham received a telephone message Sunday morning from relatives at Waco stating that her sister, Mrs. Mabel Pierson had passed away Sunday morning. Mrs. Pierson had been in ill health for several years and had been seriously ill for a year or more and her death was not unexpected. Funeral services are set for 3:00 p. m. today (Tuesday) at Hico, with interment in the Hico Cemetery. We extend deepest sympathy.

Mr. and Mrs. Leon Springer and Randy were ill several days last week with an attack of intestinal flu.

Thomas Slater came in last week for a few days visit with his parents, Mr. and Mrs. Byrd Slater. He was making preparations to enter school again and his wife and baby were visiting with her parents at Tyler before their departure.

We are glad to report Emmitt Anderson able to be at home again following several days stay in the Holt Hospital at Meridian.

Mrs. Brittle Little was released from the Hico Hospital Monday, following a weeks stay. She is visiting a few days at this writing with her brother and wife, Mr. and Mrs. Sid Dickerson of near Hico, before returning home.

Mr. and Mrs. Carl Ray Sellers and family and the writer attended the baccalaureate services at the Methodist Church in Dublin Sunday night honoring the Seniors of the Dublin High School of which their niece and granddaughter, Miss Ruby Jean Allison was a member. W. E. Goynes also attended. Mrs. Goynes was a faculty member of the school and their daughter, Miss Wilma Grace, was also a member of the Senior graduating class.

Mr. and Mrs. Waynard Allison of Baytown, Mr. and Mrs. Edwin Seilheimer and family of Dallas came in Saturday to be with the Tinkle and Hutton families in their sorrow and visited while here in the home of their parents, Mr. and Mrs. Edd Allison. Mr. and Mrs. Tinkle were very close friends of the Allison family. Waynard and wife and his parents having also met at the D. E. Allison home during the Dublin Rodeo. They were unable to remain for the funeral service.

Last week was a busy week for most everyone, with the closing of school exercises on Tuesday and Thursday nights and a program and barbecue lunch on Friday.

Farmers are working early and late cutting grain, baling hay and plowing row crops and other farm work.

Mr. and Mrs. Elzie Lee Parks of Fort Worth spent the week end with his mother, Mrs. M. E. Parks, Audie and Elsie.

Mr. and Mrs. V. H. Heyroth and Mrs. Gladys Cox were patients at the Baize Clinic in Gatesville Monday. Mr. Heyroth had been suffering of a small growth on his eyelid which was diagnosed as a sick.

We have failed to announce in recent news that Mr. and Mrs. Truett New are the proud parents of a little daughter born May 1, at the Hico Hospital. She was christened Reta Gayle.

Funeral services were held in the Baptist Church Saturday afternoon at 4 o'clock for R. L. McDaniel, who passed away May 22 at 4:30 p. m. in the Dublin Hospital. Mr. McDaniel had been in ill health several years and had been confined to his bed several weeks. His condition grew worse the past week and was conveyed to the hospital Thursday afternoon in the Harrell ambulance of Dublin.

Robert Lee McDaniel, son of J. W. and Missouri Roberts McDaniel was born in Bosque County on Dec. 26, 1875 and was 77 years, 4 months and 26 days of age at the time of his death. He had been a member of the Baptist church more than 60 years and a member of the Carlton Masonic Lodge for many years. Mr. McDaniel and family have made their home in Carlton a long time. At one time he was Carlton's efficient blacksmith and later was a carpenter by trade.

In young manhood he was united in marriage to Miss Lula Henderson and to this union was born five children. Two children preceded their father in death. His survivors are his wife, three sons, Earl Ray, Tulsa, Okla.; Roy Lee, Pampa, and Dudley E. (Jack) McDaniel of Rockdale; five grandchildren and two brothers, James R. San Bernardino, Calif. and Frank McDaniel of Los Angeles, Calif., and many friends.

Rev. W. D. Broadway, pastor of the Baptist Church, conducted the services. He was assisted by Rev. Carl McKenzie of Carlton and E. E. Dawson of Hico. The Masons had charge of the services at the graveside. Harrell, Funeral Directors of Dublin had charge of all the other arrangements, with burial in the local cemetery by the side of a little son. Active pallbearers were Walter Price, Sam Sharp, Fern Jordan, Avery Coffman, Willard Williamson and Mack Taylor. Other Masons were honorary pallbearers. Deepest sympathy is extended to the sorrowing loved ones in their great sorrow.

Mr. and Mrs. J. T. Hollis and son, Carlos and Mrs. Bill Forsyth and son, Willie, all of Electra visited Saturday night with their aunts, Misses Mattie and Alice Rodgers.

Mrs. Les Bingham of Rotan spent Thursday night with her husband's cousins, Mr. and Mrs. Wylie Bingham. She is formerly of the Carlton community and was here to attend the funeral in Hico Friday afternoon for her sister, Mrs. Dora Christopher, who passed away in Beaumont. Mr. and Mrs. Wylie Bingham also attended the funeral.

Don Thompson left Monday for Brownwood, where he has employment with the Kimble Grocery Company.

Mr. and Mrs. J. R. White and children and Mr. and Mrs. J. T. Butler and children of Irving spent the week end with their parents, Mr. and Mrs. Watt Sharp Sr. Mr. Butler and family remained here as they are moving to Carlton to make their home. He will be rural mail carrier on Carlton route one, taking the place of Charley Dyer, who is retiring the last of

this month after carrying the mail thirty-three years.

Mr. and Mrs. Joe Bailey Sharp of Carlton are announcing the engagement and approaching marriage of their daughter, Peggy Jo to Don Thompson, son of Mr. and Mrs. Hobdy Thompson, also of Carlton. The wedding will be June 6, at 8 p. m. in the Carlton Baptist Church.

Mr. and Mrs. Hubert Stuckey of Waco, Mr. and Mrs. Herman Ford and son, Pat, Sgt. and Mrs. Alvin Utley and four children of Fort Worth spent Sunday with Mrs. Stuckey and Mrs. Ford's parents, Mr. and Mrs. Dude Fisher and Mr. Stuckey's mother, Mrs. M. B. Stuckey.

Mr. and Mrs. John Rainwater and Mr. and Mrs. Fern Jordan and Gary Keith attended the funeral in Hamilton Sunday afternoon for Mrs. Cliff Tinkle of Hamilton.

Mrs. Ophelia Upham returned home Saturday from Waco after a visit with her daughters, Mrs. Stuart Partain and Mrs. L. C. Vaughan and their families. They accompanied their mother home for the week end.

Frank Stidham of Stephenville visited Sunday with his mother, uncle and aunt, Mrs. Lorena Stidham, Joe and Miss Pattie Lynch.

Miss Sherie Thompson left Sunday for Harlingen where she will be an attendant at the wedding of Miss Geraldine Turner, daughter of Mr. and Mrs. Hubert Turner, formerly of Carlton.

Minister and Mrs. Price Bankhead have moved to Carlton from Big Spring and are occupying the residence of Mrs. D. W. Upham. Minister Bankhead is the new pastor of the Church of Christ in Carlton.

Mrs. Druid Jones and daughter, Virginia of Hico visited Monday with Mrs. Fred Gey.

Doc Upham of Ranger visited Sunday afternoon with Mrs. W. H. Vick.

Mr. and Mrs. Dock Finley were visitors Saturday at Strawn.

Connie Mack, Freddie and Jack Henry Self spent the week end in Clairette with their grandmother, Mrs. H. K. Self.

Washington

As It Looks From Here

OMAR BURLISON Congressman 17th District

Washington, May 28—The Congress is now grinding out Appropriations Bills for money to run the government for the fiscal year beginning July 1 and running to the same period in 1954.

Deductions are being made in practically everything, but unfortunately the greatest reduction must come from National Defense.

Since 87 cents of every Federal tax dollar goes to pay for past Wars, foreign Military and economic aid, defense at home, veterans benefits, and the interest on the National Debt, it only leaves 13 cents to run all the other huge activities of the Government.

The National Defense budget has been reduced by over 5 billion dollars, and the Air Force is evidently bearing the brunt of it. The Secretary of Defense says that the efficiency of the Air Force will not be reduced. I hope he is right, but it is hard to see. It concerns me deeply because it just seems there is no choice but to be strong if we are to be safe in the dangerous world in which we live.

Incidentally, I am setting up a file on the requests I receive not to cut funds for this, that and the other. It seems most of us are for cutting funds which affect the other fellow, but not for expenditures for those things in which we are particularly interested. Usually letters and telegrams start off with "I am for economy, but—" or "I am for economy, however—"

This country is in somewhat the same position as the couple who got married and set up a budget for their living. The boy had a limited income. So they were going to set aside so much money for this and so much for that.

However, after about a month, the boy began to receive bills for things purchased by his wife before their marriage. The bills had to be paid and the budget went out the window.

This country has bought two World Wars for itself and a great many other countries and the bills are past due. These bills are represented by the Public Debt, the interest on which is around 6 billion dollars. In addition, since the present preparedness program started, there is left unpaid approximately \$1 billion dollars. These bills are now coming due, and they can only be paid from the dollars wrung from the poor old taxpayer. The Congress is always trying to figure out how the bitter pill can be sweetened, but it "ain't" easy.

In the face of these tremendous responsibilities, there is no need for me or anyone else to say that the path before us is strewn with roses. It is not too difficult for us to face a real crisis when we can see it—such as War—but it is human nature for us to lose sight of the essentials before our eyes if we can put it off to another day.

The Eisenhower Administration says that the Budget cannot be balanced this year, even if taxes are not reduced and even if considerable reductions are made in spending. They ask that the excess profits tax on corporations be extended from its expiration date on June 30th.

Regardless of the level of taxes, one thing is certain. There is a great need for adjustment of our entire tax system in order to better equalize the burden. I am often reminded to ask myself which is worse—to have no convictions or no courage to back them up.

National Jamboree for 50,000 Scouts

Official poster of third National Jamboree

More than 50,000 Boy Scouts and leaders from all parts of the nation and from other lands will camp together at the third National Jamboree.

The tent "Jamboree City" will rise on the 3,000-acre site on the Irvine Ranch in the Newport Harbor area of southern California, about 40 miles southeast of Los Angeles.

The camp will have its own electricity, water supply, telephone service, post offices and other services. It will be the largest encampment of Scouts ever held.

All cooking will be done by the Scouts who will take part in pageants, ceremonies, displays, campfires, demonstrations, inter-camp visits and swim in the Pacific Ocean.

Outstanding Americans will take part in principal events.

Representative Perry Gives Final Report On Current Session

To the People of the 62nd District: Wednesday, May 27, at noon, marked the ending of this, the 53rd Session of the State Legislature.

Towards the latter part of the Session, legislative procedures were clogged with various and sundry bills. Each one wanted to get his legislation passed as the final day approached. This Session was not particularly outstanding; however, in my opinion one good thing that we did accomplish was to refuse to pass a single tax bill; I believe it has been several years since this has happened.

Major pieces of legislation were the teacher's pay raise, for which we have no money to pay; the creation of a State-wide Toll Road Authority; a change in the State Election Code; a modification of the Automobile Inspection Law; and a slight pay raise for State employees. Much minor legislation was passed, but none which affects the State too much.

I was lucky in that I passed everything that I attempted to. I authored and co-authored four House Bills, and handled two concurrent resolutions from the Senate. I feel quite fortunate in getting all this through because many members' bills were stagnated either in Committee or in the Senate. The modification of the Automobile Inspection Law, which I co-authored, was finally passed two days before the end of the Session and sent to the Governor. If he does not veto it, it will become law, and will do much to make the present automobile inspection set-up more workable.

This will be my last report to you people of the 62nd District unless a special session is called by Governor Shivers in the Fall. This will probably be done in order to try again and work out a compromise on teachers' pay. This has certainly been an informative, even though hectic, session. Though I had watched the Legislature in action many times, I had never fully understood legislative procedures and just how extremely important to the people of Texas actions by the Legislature are. Of course monetary reward was not too compensating, but I feel that the friends I made in the District, as well as all over the State, certainly compensated for my time, effort and expense in making the campaign. I do not know at this time whether I shall run again for re-election or not; that depends upon many circumstances. I do wish to express to each and every one of you my appreciation for the help and support that you gave me as a Freshman Legislator this term. Of course my actions here did not please everyone, but I only did what I thought was best for the interest of the people of the District as well as the interest of the people of the State.

If at any time during the remainder of my term I can be of service in some small way to any of you, I would appreciate your writing me in care of the House of Representatives here in Austin. Good luck and best wishes to each and everyone of you. Sincerely submitted, W. W. PERRY, Representative, Coryell, Erath, Bosque, Hamilton Counties.

Rankin Jones is visiting his sister in Ballinger this week.

NATIONAL GUARD: A storm of protest has been stirred up in Texas by a proposal that, if put into effect, would probably kill the National Guard.

At present a Governor has the right to issue a proclamation stating that enlistment in the National Guard of young men under 18 1/2 years of age is necessary to maintain the Guard's strength. These enlistees cannot then be drafted. Dr. John A. Hannah, Assistant Secretary of Defense, has suggested this authority be cancelled. He said two million trained reservists are available to maintain the strength of the Guard.

But Texas Adjutant General K. L. Berry says the reservists "simply will not enlist." The only way, General Berry declared, "to maintain our strength is to be able to enlist under 18 1/2 year olds." I have received a thousand or so letters from Texans backing him up.

I turned these protests over to Dr. Hannah. He writes me that he has not yet offered his suggestion as a recommendation to the Secretary of Defense. He adds that he will discuss the matter with representatives of the National Guard Association before making a recommendation.

All Texans know the great value of our National Guard. We don't want it weakened or killed.

REA: What's going to happen to rural electrification?

More and more Texans are worriedly asking that question. Representatives of electric cooperatives from Perryton, Hondo and San Augustine were here last week trying to learn the answer.

President Eisenhower's budget requested \$3,736,000 for the continuing fund of Southwestern Power Administration. The House cut it to \$150,000. I hope we can get the President's recommendation restored in the Senate.

I also hope we can keep the present type of contract, under which cooperatives can deal with the government agency for electric power through private company lines. The plan has worked well in Texas.

TEXAS SHRIMP: Democratic Senators are finding out how good Texas shrimp really is. At a series of luncheons for my Democratic colleagues, I am giving them French fried shrimp as the main course.

I can report that the Senators are literally eating it up.

APPROPRIATIONS: Senator Taft, Senate Majority Leader, announced February 9 that the Administration's goal was to get all appropriation measures to the Senate by May 15. On that date, only four such bills had passed the House. They provided appropriations for Independent Offices; Interior, State, Justice, Commerce; and Treasury, Post Office. The big money bills are still to come.

NEWS BRIEFS: A House subcommittee has approved a bill to clear the way for Texas to establish Eisenhower Park near Denison. The bill would authorize the Army to sell the State 160 acres of land along Lake Texhoma for the park. It is sponsored by House Democratic Leader Sam Rayburn.

Attended a White House luncheon for the Prime Minister of New Zealand. It was especially interesting to me because I saw duty in New Zealand when I was in service during the war.

Land Commissioner Bascom Giles, Attorney General John Ben Sheppard, and Railroad Commissioner Bill Murray were here to appear before committee hearings on the transcontinental shelf bill. All acquitted themselves well.

Writing before it happened, but Mrs. Johnson and I were scheduled to give a coffee Tuesday of this week for the Texas ladies attending the national convention of the Federated Women's Club. Same day Mrs. Johnson was to have lunch with 12 graduates and four teachers from her old home community of Karnack, in Harrison County.

Had my picture made on the Capitol steps with 36 Ft. Paso ladies—wives, daughter and sisters of Shriners, in town for the national convention of the Oriental Shrine. Group was headed by Mrs. Austen Pritchett, High Priestess.

Congressman George Mahon invited me over to meet Stella Cline, 12-year-old Lubbock girl who won a 14-county spelling bee championship and came here for the national contest. Stella was accompanied to Washington by her parents and Mrs. Opal Dixon, representative of the Lubbock Avalanche-Journal, which sponsored her in the contest.

I've written my congratulations to thousands of Texas high school graduates. I was unable to get a full list, so let me say now to those boys and girls I could not write. My heartiest congratulations, my very best wishes for your future. Let me know if I can help you.

Newspapers and Wastebaskets Are Strangers!

The Home-Town Newspaper is seldom or never thrown into the post-office wastebasket, and is seldom thrown away at home. After a thorough reading it is frequently sent to a relative or a friend. Did you ever notice the wastebasket at the local post office?

Consequently newspaper advertising reaches more people and stays with them longer than other forms of advertising.

Newspaper advertising is "business insurance" for the days ahead when buyers may not be as plentiful as they seem to be these days.

## June Is Dairy Month

Chicago TV actress Adrienne Falcon celebrates the advent of June Dairy Month and raises a toast to the U. S. Dairy industry with a refreshing glass of milk during a "break" in recent rehearsals.

Dairy Month, June 1-30, a star in its own right on the American scene, is being staged for the 17th consecutive year by over 10 million Americans who gain livelihood from the production, processing and distribution of dairy foods such as ice cream, milk, butter, cheese, evaporated milk and dry milk. The dairy industry contributes annually at least 10 billion dollars to national commerce.

Adrienne keeps trim by following the newly developed scientific diet for weight reducing, or ideal weight maintenance, which includes liberal portions of dairy and other basic foods in the menus.

### Signs of Spring Cause Highway Department to Sign Up on New Signs

Austin, May 26.—The Texas Highway Department has reached a new height in highway signing, D. C. Greer, State Highway Engineer, announced today. Greer said existing signs will gradually be replaced by taller ones 3 1/2 feet high measured from the pavement level to the bottom of the sign. The present signs range from 18 to 24 inches in height.

The reason for this change-over, Greer continued, is to reduce the maintenance cost and to increase readability and visibility, especially during the growing season when native flora often interferes with or partially covers the present low signs if not mowed frequently. In the spring, for example, we sow and cultivate wild flowers along the roadside and in order for these flowers to reseed, it is necessary to permit them to reach maturity. However, this is impossible in areas where low signs are in use since the flowers would hide the signs. Greer said that in wet weather, vehicles continually splashed mud on the present low signs, causing an expensive maintenance cleaning problem.

Greer added that within the next three years this change-over should be completed throughout the state. There are 208,000 signs on the 42,206 miles of state-maintained highways and when replacement is necessary, the new height sign will be used. This gradual change-over will enable the department to erect the new signs at no extra cost to the taxpayers.

He pointed out that when three or more signs are to be mounted on a post, the bottom sign will be 2 1/2 feet from the pavement level so that the top sign will not be too high for easy readability. In the areas where the new signs have been tried, the results have been most gratifying. The higher signs are more visible to motorists and have greatly reduced maintenance cost, Greer said.

### Warm Weather Brings Health Dept. Warning About Food Poisoning

Austin, May 25.—The coming of warm weather brings a warning from Dr. Geo. W. Cox, State Health Officer, for all persons to be on the alert regarding food poisoning. Most cases investigated by the State Department of Health disclosed that improper food handling was responsible for the illness.

Food poisoning is commonly caused by bacteria in food. In general, there are two types, food poisoning and food infection. Food poisoning is caused by bacteria in the food that produce a poison and usually the symptoms appear within a few hours. In food infection, the bacteria do not produce a poison, but attack the body. This takes longer so symptoms usually do not appear for 12 to 24 hours after eating.

In both kinds of illness the symptoms may be similar: nausea, vomiting, diarrhea, abdominal pain and fever may all occur. In food poisoning, nausea and vomiting may predominate while in food infection diarrhea may be the prominent symptom.

As a prevention Dr. Cox suggests that all food be protected against flies and other pests. Refrigerate all perishable foods including meats, poultry and creamed filled pastries. Many outbreaks of food infection are caused by leaving food out of the refrigerator. Also, avoid handling food if you have a sore or an infection on your hands or if you are sick.

### South Hico H. D. Club Members Go to Iredell For All-Day Meeting

South Hico Home Demonstration Club met May 19 in the home of Mrs. L. J. Simpson at Iredell for an all day meeting. The business session was held before noon. Mrs. King, secretary, read the minutes. Ten members answered roll call with their "Selected Roll Call." Mrs. Lenard Weaver gave council report, reminding demonstrators there is to be a cereal demonstration this week.

During National H D Week, club members report giving six bouquets and flowers to people who are ill.

The club voted to give two dollars from the club treasurer to the Cancer Fund Individual club members gave \$2.25 additional. Five club members donated clothes for the Waco storm victims.

A covered dish lunch was served at noon.

The regular year book program, "What to Look for When Buying Appliances" was given by Mrs. Byron Hawthorne. Material for the program was taken from current magazines, The Home Economic, Good Housekeeping and McCall's. "Study the different models, concentrate on the special new feature that you especially want and need, and look for features that make for ease in cleaning such as stain resistant finishes, removable or sliding parts and as few seams as possible," said Mrs. Hawthorne.

A book review was given by Mrs. W. R. Churchill. She chose "Will Rogers," by Gernesey Van Ripple, Jr., which gives the early life of Will Rogers, with that humorous touch we associate with Will and which all listeners enjoy in a book review.

Next club meeting will be with Mrs. Woody Garner. The program, "Care of Cereals in the Home," will be given by leaders King and Simpson.

The club invites new members. Remember our theme: "Today's Homes Builds Tomorrow's World." REPORTER.

### Senior Class Enjoys Final Ball, Compliments Of the Katy Railroad

After close of the graduation program at the High School Auditorium last Friday night, May 22, the MKT Railway Company gave the Senior Class and a group of their friends their final ball, held at Bluebonnet Country Club. Chaperones were Mr. and Mrs. Morse Ross, Mr. and Mrs. P. W. Hamilton, Mr. and Mrs. O. C. Cook and Mr. and Mrs. J. B. Woodard. The dance went on until the wee small hours of the morning, and the entire class expressed their gratitude and apparently had a wonderful time on their last time together.

Through arrangements made by the local agent, Mr. Hamilton, the Katy paid all expense of rental of the country club as well as music. The chaperones were grand to the kids—in other words, it was their dance and they danced until they had enough, even though the chaperones were heard to remark that they had enough by midnight. ### LEGISLATIVE PERMISSION REQUIRED FOR SUIT AGAINST STATE

Included among the measures passed by the current 53rd Texas Legislature are several Concurrent Resolutions permitting various individuals to file suits against the state. Applying to local situations only, they have been attended by very little publicity, and the majority of Texans are probably not even aware of their passage.

In fact, the average individual would seldom have occasion to ponder the question of whether the State of Texas can be sued on the same basis as a person or corporation. One of the prerogatives of sovereignty carried down from ages past into our present day laws is that of immunity from being sued. The State of Texas may not be sued without its consent.

The Legislature by a proper action may permit certain general types of suits to be brought against the state, under certain conditions and restrictions. Then, if a specific situation arises which is not covered by the general rules, the legislators are authorized to pass a special measure to permit suit to be brought.

Therefore, any person seeking to enforce a claim against the state through the courts must petition the Legislature for the necessary permission, unless his claim falls within some general category or type previously recognized by our lawmakers.

Recently passed legislation will allow suits to be brought against the state in a variety of cases, ranging from an action for damages for personal injuries suffered in a collision with a State Highway Department truck to a suit for monetary damages alleged to have been incurred in connection with the securing of a right-of-way for a farm-to-market highway.

Sometimes, however, suits may be brought against individuals holding office under the State of Texas and acting as agents of the state, but where the state itself is not the principal party to the suit, without first gaining consent to sue. There are numerous situations in which an individual officer may be sued with regard to the duties and functions of his office, and in which the state is not directly or substantially a party in interest.

Suppose you do obtain legislative permission to sue the state. What happens then? If suit is brought against the State of Texas, and the action is successfully prosecuted, you will be awarded a judgment against the state. Then, it's back to the Legislature for more legislation to appropriate the necessary money with which the state may pay off the judgment.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

From the Bassett and Henry County Journal, Bassett, Va.: We are in receipt of a letter from Sen. Joseph McCarthy of Wisconsin... The letter is signed "Joe McCarthy" and the inclosure sets forth that he is answering questions which have been posed to the Senate Permanent Subcommittee on Investigations — of which he is chairman...

Here is Senator McCarthy's letter sent, it is to be supposed, to every weekly and daily newspaper in the country. We paid particular attention to the last sentence: "This column will be available to you at no cost if you care to use it."

Dear Editor: As you know, many members of Congress send out weekly newsletters and news columns. An increasingly large number of people have been wiring and writing my office requesting that I send out a weekly news letter with special emphasis upon the various Congressional investigations.

I have, therefore, decided tentatively to send out weekly question and answer copy to those papers which might find such a column of interest. This column will be available to you at no cost if you care to use it. Sincerely yours, Joe McCarthy

Well, Senator, we do not care to use your column. We are not interested in foisting upon our readers three-quarters of a column of type concerning the subject you cover in your inclosure—yourself.

We don't have the time or the space to devote to defending an individual who spends our money to mail self-justification folders on the taxpayer's time and pocket-book.

If you figure the cost of the stationery and envelope, the cost of the time of the typist, the mimeographer, the folding and mailing department and the mail delivery itself, you come out to something like 15 cents per pop-off.

It ain't worth it, Senator, and we want you to stop it.

From the Ripon Press, Ripon, Wisconsin: Maybe our way of life is all wrong, in the opinion of some foreigners, who in the same breath ask us to give their countries billions of dollars more in gifts and loans. As one writer states, it all seems kinda cockeyed. There must be something pretty good with our way of life if it produces the prosperity which can dish out billions to the hard-up nations whose economic systems we are asked to mimic.

### RECIPE OF THE WEEK

#### Polka Dot Salad (Serves 6)

- 1 package cherry-flavored gelatin
- 10 canned Royal Anne cherries
- 10 pitted ripe olives
- 1 3-ounce package cream cheese
- 1/4 cup milk
- Salad greens

Prepare gelatin according to package directions. Chill until slightly thickened. Remove pits from cherries. Soften cream cheese with milk. Fill cavities of cherries and olives with cheese mixture. Cut cherries and olives in half crosswise and arrange cut side down in oiled mold. Pour gelatin over top of fruit and chill until firm. Unmold on salad greens and garnish.

French dressing to which some crumble blue cheese or hard-cooked eggs have been added.

Drain canned fruit juices into a jar as you use the fruits. Tint pale green or red with food coloring and serve as an appetizer full of valuable vitamins and minerals.

Canned pimientos chopped and mixed with softened butter or a substitute makes an excellent spread for crackers or potato chips for snack time.

Heat a can of ripe olives and serve as a garnish and accompaniment for such dishes as creamed chicken, sweetbreads or tuna fish.

## LIVESTOCK PEST CONTROL

Livestock pests cost the nation an annual loss estimated at over half a billion dollars.

Who bears the brunt of this loss? Everyone does—the farmer and the consumer pay higher prices for necessary goods due to wasted feed, damaged hides, and both lowered quality and reduced output in such essential animal products as meat, milk, eggs, wool and leather.

The common fly is a real culprit in this respect. He cuts deeply into beef and milk production. Insects keep pastured animals from grazing adequately when feeding costs are lowest. Cattle grubs do much damage to hides and may also reduce output of beef and milk.

Also high on the list of "profit robbers" are ticks, lice, screw-worms, and sheep ticks which take an immense toll in unproduced meat and fibers that should go for food and clothing. Infested animals are "discontented" and cannot produce good quality meat.

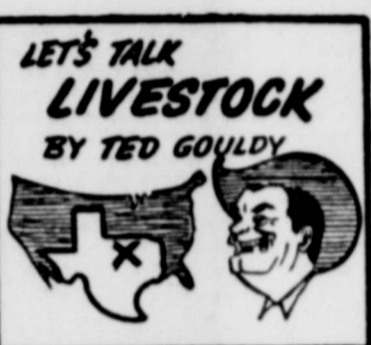

Fortunately, most of these losses can be reduced or eliminated. Individual farmers can do much to protect their own livestock but community cooperation can do even more. United action makes for bet-

ter eradication. To successfully control insects, farmers and ranchmen must know what pests attack animals, what insecticides to use, the correct formulas and methods of application.

County agents, entomologists, veterinarians and other specialists can render important service in providing information and leadership to get the more harmful livestock pests in hand. A number of bulletins also are available for research and study.

- Control of Lice on Cattle, Leaflet 319

Fort Worth, May 26.—What was probably a record number of cattle for the date appeared around the major market circle Monday. The total of 101,200 cattle at 12 markets compared with 84,831 a week ago, and only 78,650 head a year ago. Twelve markets had 9,400 calves, against 7,800 a week ago and 6,800 a year earlier.

At Fort Worth the cattle number was about 80 per cent cows and grassy steers, yearlings and heifers. These classes sold around \$1.00 to \$2.00 lower. Dry lot fed steers and yearlings were very scarce and were 50 cents to \$1.00 lower. High grade stocker kinds and high grade fat calves were \$1.00 lower and others were \$1.50 to \$2.00 lower.

Sheep and lambs were uneven. Most sales of sheep and lambs were 50 cents to \$1 lower. Some sales were off more.

A strong contributing factor in the lower prices was the less desirable slaughter quality on both cattle and lambs. The percentage high grade and high yielding animals in the run was relatively small.

Hogs sold steady to 25 cents higher. Top was \$24.75 Monday. Sows were 50 cents lower, selling from \$19 to \$21.50. Pigs were steady at \$21 down.

Good and choice fed steers and yearlings sold from \$18 to \$22, and common, plain and medium butcher sorts sold from \$10 to \$17. Stocker and feeder steers ranged from \$18 down. Stocker steer yearlings sold from \$18 down, and comparable heifers sold from \$16 down.

Fat cows drew \$10.50 to \$13.50, a few heiferish kinds to \$14 and above. Canners and cutters drew \$8 to \$10.50, some sheels down to \$7. Bulls were reported mostly from \$10 to \$14, some outside that range. Good and choice fat calves drew \$17 to \$20, a few tops to \$21.50. Common and medium butcher calves \$10 to \$16, and culls at \$5 to \$10. Stocker steer calves drew \$14 to \$20, and heifer calves sold at \$17 down. Stocker cows moved at \$10 to \$15.

Good and choice genuine Spring lambs drew \$21 to \$24, and cull, medium and good kinds sold from \$10 to \$21. Stocker and feeder Spring lambs drew \$14 to \$19.50. Shorn fat lambs of good and choice grades drew \$19 to \$21, with common to medium and good kinds from \$12 to \$18, and culls from \$8 to \$12. Feeder shorn lambs sold from \$16.50 down. Old wethers drew \$8 to \$10. Slaughter ewes drew \$5 to \$6.50.

Observers on the Fort Worth stockyards Monday expressed the view that closing of the Mexican border because of a new outbreak of foot-and-mouth disease would help to stabilize the cattle industry in the U. S. If the U. S. Government follows the usual procedure the Mexican imports of cattle will be banned for at least a year from the time the last sick animal is destroyed.

Most observers felt that while cattle imports from Mexico are not oppressive (averaging about half a million a year) the psychology of a somewhat shortened supply should stimulate lagging stocker demand. This development should be especially noticeable in the Western States and California.

Possibility of a strong move to bar imports of meat, unless cooked, from Mexico looms. With the culling season for cow herds at

the state in which the original outbreak occurred about six years ago. The same 500 cattle involved have been slain and buried. The U. S. spent over \$127 million dollars in the five year fight to eradicate the disease and the border has been open since last September. The latest outbreak is some 500 miles south of the U. S.-Mexican border. Previous last known appearance of the disease in Mexico was August, 1961.

Record numbers of cattle again went to market this week in the United States. Monday's offering of over 101,000 at 12 major markets was the largest for this season of the year in many years, and was possibly a record for the date.

Former Hico Citizen Dies at Beaumont, Buried Here Friday

Funeral services for Mrs. Dora Belle Christopher, 76, were held Friday afternoon at Barrow-Rutledge Funeral Chapel in Hico, with Rev. E. E. Dawson officiating. Burial was in Hico Cemetery.

Palbearers were Orville Ogle, John Goughly, Bill Alexander, B. B. Gamble, W. E. Ford, and Henry Davis. Barrow-Rutledge Funeral Home had charge of arrangements.

Mrs. Christopher died Wednesday in Beaumont, where she had lived since the death of her husband, W. J. Christopher, in 1944. She was born near Hico March 9, 1877, and lived here until after her marriage. She was also a former resident of Walnut Springs, Rotan and Anson.

Surviving are three sons, M. B. Christopher of Compton, Calif., C. J. Christopher of Beaumont and T. B. Christopher of Rockport, Ill.; six daughters, Mrs. Nioma Ebell of Amarillo, Mrs. J. W. Watson and Mrs. T.M. Holloway of Beaumont, Mrs. J. N. Bradshaw of Abilene, Mrs. Bill Gardner of Sweetwater, and Mrs. Marvin Fisher of San Antonio; seven sisters, Mrs. Less Bingham, Mrs. Marvin Ashley and Mrs. Gladys Hackett, all of Rotan, Mrs. Dink Lyons of Snyder, Mrs. Lou Martin of Brownwood, Mrs. Jess Lackey of Morton and Mrs. Ella Newsom of Stockton, Calif.; two brothers, W. A. Hackett of Anamosa, N. M., and C. F. Hackett of Las Vegas, N. M.; 36 grandchildren, 11 great-grandchildren and one great-great-grandchild.

Mrs. Mabel Clair Pierson Succumbs at Waco, Buried Here Tuesday

Mrs. Almer R. Pierson, daughter of Mrs. J. I. Tooley of Hico, died Sunday at 10:35 a. m. at her home, 1416 Gorman Avenue, Waco. She was the wife of the late Almer R. Pierson who died in Dallas in 1938, and had put up a valiant fight to regain her health following a serious operation several years ago.

Funeral services were held at 1:00 o'clock Tuesday afternoon at the St. John's Methodist Church in Waco, with Wilkinson & Hatch Funeral Home in charge of arrangements. At Hico services were held at 3:30 the same afternoon at the First Methodist Church, conducted by Rev. D. R. McCauley. Burial was in Hico Cemetery.

Surviving are two daughters, Mrs. Ned M. Baugh of Waco and Mrs. Otis L. Barnett of Dallas; two grandchildren; one brother, Richard Tooley of Hico; four sisters, Mrs. R. A. Cole of Fort Worth, Mrs. C. W. Newsom of Wichita Falls, Mrs. J. P. Trimmer of Midland, and Mrs. W. E. Cunningham of Pastry; her mother, Mrs. J. R. Tooley of Hico.

Former Hicoan Died Last Tuesday at Her Home in Stamford

Funeral services were held last week in Stamford for Mrs. B. C. Burrow, 74, who died at her home there on Tuesday, May 19. She had been a resident of Stamford since 1912.

Surviving are two sons, L. R. of Anadarko, Okla., and Ben Burrow of Dallas, four grandchildren and three great-grandchildren.

Mrs. Burrow, a native of Hico, was the former Miss Estelle Hollums. She was a member of the Home Town Club, which is composed of former residents who maintain their interest in Hico, and get together once a year for a meeting here. She was unable to attend last year on account of ill health.

Mayor Proclaims May 30 "Buddy Poppy Day"

WHEREAS: The annual sale of Buddy Poppies by the various Veterans' organizations in this country has been officially recognized and endorsed by the President of the United States and the Veterans Administration; and

WHEREAS: American Legion Buddy Poppies are assembled by veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by Carlton Byrd-King Post 333, American Legion, is eloquently reflected in the desire to "Honor the Dead by Helping the Living";

THEREFORE, I, W. H. Greenslit, mayor of the City of Hico, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on May 30, the day set aside for the distribution of these symbols of loyalty. I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedom which we continue to enjoy as American citizens.

W. H. GREENSLIT, Mayor.

3-D "Agriculturama" Due in October

'Water for Texans' to Be State Fair's Show Theme

"Water for Texas" will be the timely theme of the Agriculture Show at the 1953 State Fair of Texas, Oct. 19 thru 25, E. C. Inglish, the fair's agriculture chairman, has announced.

The show will take the form of a gigantic, three-dimensional "Agriculturama" that will show how Texas farmers are meeting their important water resources problems, he revealed.

A huge central exhibit will feature old Mother Nature herself, turning the crank on a "weather machine" that will cause simulated rain, thunder and lightning at intervals. The hydrological cycles—what happens to water after it falls as rain and how it is returned to the air again—will be portrayed. The rainfall belt in Texas will be illustrated to show the relation of water to farming and ranching on a statewide basis.

The Texas A & M College Extension Service will again cooperate with the fair in setting up individual exhibits for each of the 12 Extension districts of the state. Water will also be featured in the district exhibits, which will be bigger and designed to give a realistic impression of great depth, Mr. Inglish said.

There will be a greater variety and quantity of farm products on display; all district exhibits will feature principal crops grown.

"Water was chosen as the cen-

tral theme for the show because it is one of the most important single factors in today's agricultural economy, particularly in Texas," Mr. Inglish said.

"Many people don't realize the vast quantity of water required to produce farm crops or the enormous amount that just one plant consumes in growing to maturity. Many Texans also have little notion of the importance of irrigation to farmers in some sections of the state. Texas actually ranks second in the nation in areas under irrigation," Mr. Inglish, pointed out.

The show will also include exhibits showing the work of Texas Technological College, Four-H Clubs, Future Farmers and Future Homemakers and Negro Extension workers.

The state fair for the past two years has featured a "Story Book of Texas Agriculture," a revolutionary departure from previous types of farm shows. The Agriculturama theme, with its three-dimensional effects and emphasis on a specific phase of agriculture carries this progressive idea a step further, Mr. Inglish said.

Plymouth Enrolls 60,000 for Auto Safety Checking

"Plymouth dealers throughout the country have more than 60,000 service technicians enrolled in a training program which assures motorists of excellent service in the safety of automobiles," Plymouth General Sales Manager, William J. Bird said today.

"Our dealers are well-staffed and well-equipped to participate in the national automobile safety check program this month," he said. "Safety checking is stressed continuously in our Master Technicians Service Conference, but we also believe it is a good idea to set aside a special month for this purpose. I hope that millions of motorists take time that month to have their cars checked for safety. It's the sensible thing to do."

As evidence of Plymouth's interest in safety, Bird disclosed that the factory has now distributed mainly through its dealers, nearly a half million copies of "Good Driving Practices," a booklet which stresses the four factors which, in the opinion of Plymouth officials, are essential to safe driving. They are "Courtesy, Control, Car Condition and Common Sense."

"We think that the fellow who keeps his car in safe driving condition is likely to be a safer driver in every other respect," Bird said.

'Brigadoon' First Show For Current Season of State Fair Musicals

Dallas, May 25—The State Fair Musicals set another ticket sale record when two weeks before the opening of the season its advance sales surpassed the total advance for last season. Season tickets may be purchased at a discount of all six shows for the price of five until May 30.

After the single ticket sale opens June 1, season tickets will no longer carry the discount offer, although they will still carry priority privileges.

The cast for "Brigadoon" which opens the season June 8, will report for full rehearsals June 1. Dance rehearsals are in their second week and singing chorus rehearsals began May 25. Principals for "Brigadoon" will be Stephen Douglass and Lois Hunt in the romantic leads, Jet McDonald and Hiram Sherman in the comic leads with Donald Sandler and Virginia Foster in dancing leads. "Brigadoon" also will introduce Whitford Kane, distinguished Irish actor, to State Fair Musicals audiences.
