

Official Draft Law and Regulations Explained By Information Officer

(Editor's note: This is the sixth of a series of 10 short articles on draft laws and its rules and regulations.)

VI.

Any young married man registered with a draft board had better be on the alert about any additions to his family. If his wife is expecting their first child, it is to his interest to tell the board about it immediately.

As long as he has only a wife to support, he is eligible for a single man. When he has a child in his family, or one has been conceived and not as yet born, the law provides for his deferment, provided he tells the board about it before he is ordered for induction.

Draft regulations require that man with an unborn child be deferred if he files with his board, prior to the time his induction order is mailed, certificate of a licensed physician that a child has been conceived.

If he does not take this highly necessary step and the draft board sends him an order to report for induction, then the draft board has no authority to defer him on the basis of the unborn child. Brig. Gen. Paul L. Wakefield, state draft director, points out.

Neither does the state draft headquarters or the national draft headquarters have authority to interfere with his induction under such circumstances. Draft regulations would have to be amended to permit consideration of his deferment solely because of the unborn child.

Afterward, the law requires a man to report birth of children in to his family, just as it requires him to provide the local board at all times with his latest change of address.

SELECTIVE SERVICE OFFICE AT GATESVILLE ANNOUNCES NEW SCHEDULE OF HOURS

The office hours for the Selective Service office will be changed from 40 hours per week to 30 hours per week, beginning Wednesday, July 1, 1953 according to announcement from Mrs. Lillian H. Roach, clerk at Gatsville.

The office will be open from 9:00 a. m. to 12:00 noon, and from 1:00 p. m. to 4:00 p. m. Monday through Friday.

CPL. BILLY MCKANDLES IS SQUAD LEADER IN KOREA

Cpl. Billy E. McKandles, who left last August for overseas duty and landed in Pusan, Korea the following month, has been located there up until now. However he thinks he will be moved to Zone Three, according to a recent letter to his mother, Mrs. B. D. McKandles.

Billy has made a squad leader, and is now a corporal.

Azzy Jerry Graves and wife and daughter Cathy, of Seguin, spent the week end with his parents, Mr. and Mrs. Wysong Graves, and other relatives here.

Visiting Lion Praises Camp at Kerrville For Crippled Children

C. O. Gardner of Kingsville, visiting in Hico Wednesday on business, made up his attendance at the noon luncheon of the Hico Lions Club held at Loudermilk's Cafe. He had just been to Kerrville where he spent two hours at the camp for crippled children, and described this undertaking as a wonderful thing, recommending that others investigate it if possible.

Pete Wagner of Gatesville, scout executive for this area, was the only other visitor. He was making preparations for the July 8 departure of two local Scouts, Buddy Teague and Jimmy Herrington, for the Scout Jamboree in California.

The club voted to continue meeting and eating at Loudermilk's every Wednesday through the summer months.

Lion Knudson reported that six of the 20 exhibition booths at the park had been leased for the reunion, with two more promised. This leaves a number yet to be disposed of, and Lion Petack, presiding in the absence of President Walker, suggested that anyone knowing where a booth can be sold consider himself on the committee and close the deal.

Heart O' Texas Scout Official Addresses Methodist Men

Pete Wagner of Gatesville, district field executive of the Heart O' Texas Boy Scout Council, gave a talk on Cub Scout work and organization at a recent meeting of the Methodist Men's Club.

Refreshments were served by the hosts, George Griffiths, W. H. Greenslit and Mont Young. Members attending were O. C. Cook, S. W. Everett, Jewel Ramage, W. R. Hampton, M. I. Knudson, Leonard Howard, Marvin Marshall, Fred E. Jones, Conda Salmon, T. E. Strey, Tyrus King and C. M. Hedges.

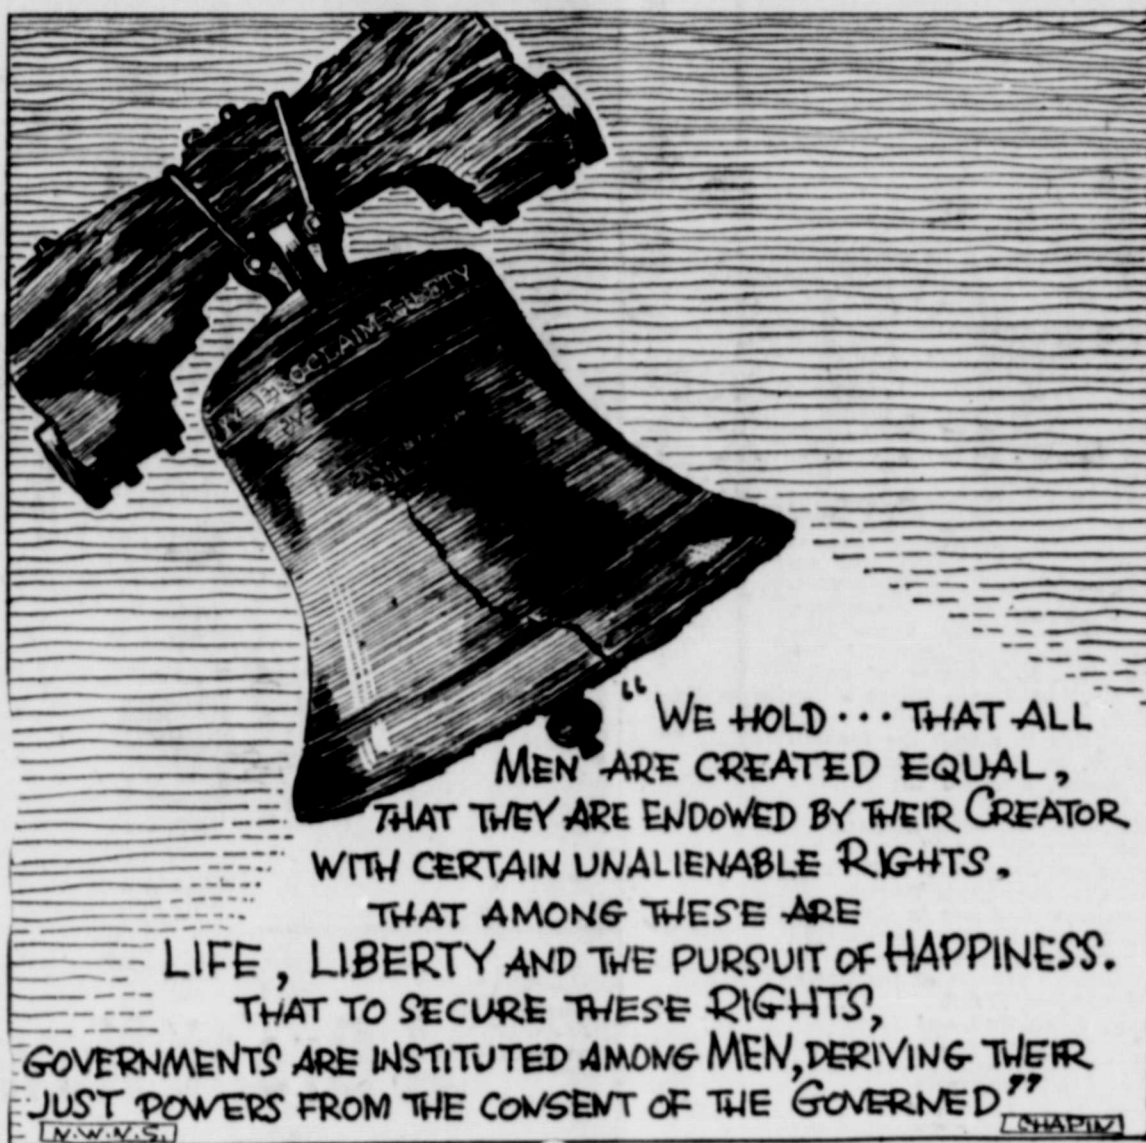

Officers will be elected at the next meeting. Everett, Salmon and T. E. Roberts were appointed as a nominating committee.

Lake Whitney Group Elects 'Pop' Sample As New President

Clifton, June 25.—J. F. "Pop" Sample, retired Dallas contractor, has been elected president of the Lake Whitney Association, succeeding Cecil P. Coston of Clifton. Coston, division manager of Community Public Service and a concessionaire at Kimball Recreation Area, was named to the board of directors.

Other officers elected include William A. Greer, Morgan and Lakeside Village, vice president; C. Everett Long, Dallas and Fisherman's Inn, vice president; Bill Woodside, Whitney, secretary; Charles Murray, Whitney, treasurer.

Directors in addition to Coston are L. L. Seitz, Whitney, representing sporting goods dealers; Fred O. Price, Dallas and Camp Ridge-wood, representing commercial camps, and W. N. Scarborough, Laguna Park, representing real estate dealers.

Under Coston's leadership, the association drew up and sponsored passage of fishing laws for Lake Whitney, sponsored a booth at Southwest Sports Show, inaugurated weekly newsletters, sponsored tours of Lake Whitney for groups, printed and distributed Lake Whitney windshield stickers, conducted a fall fishing contest, and worked for stocking the lake.

98-Year-Old Papers Filed at Hamilton With County Clerk

Hamilton, June 27.—A copy of a land patent granted 98 years ago was filed for record at his office here, County Clerk Ira Moore said.

It covers one-third league of land granted by the Republic of Texas to Claiborn A. Johnson in what was then Milam County, but since has become a part of Hamilton County.

The patent, No. 372, was issued July 17, 1845, and was signed by Anson Jones, the last president of the Republic of Texas. Soon after in the same year, Texas became a state.

Glen Rose Due Here Sunday for League's 'Hottest Game Yet'

By LEON LEWIS

Sunday will find Glen Rose at Hico and what a game this should be! Remember their last game ended in a tie after 16 innings. There will be the largest crowd of the season out for this game.

Duffau goes to Iredell, Dublin to Bluff Dale, and Alexander to Tolar.

No standing this week as games are not reported as yet. There was a mistake in last week's standing, but will make correction if we ever get all games reported in time to do so.

Go to see these games.

Nip and Tuck Between Old and New

School's Construction and Razing Near Midway Point

There may be a draw as to which building on the Hico school campus is completed first; that is, whether the old elementary school building is razed or the new one erected first. Both appeared to be about at the midway point this week.

Work has continued steadily and has progressed according to schedule on the new elementary school building since April 22, when the crew of K. A. Sparks, general contractor from Hamilton, began putting off foundation boundaries. Prior to that, raising and leveling of the playground done by workers hired by the school had prepared the grounds for the contractor's work.

From that date until this, the building has gradually taken shape and now bears a strong resemblance on the exterior to the drawing first presented by Stanley Brown, Dallas architect.

Masonry work started Monday June 7, and all inside walls are now complete except for painting. Hadite blocks form the inside walls on the classrooms and construction has begun on wainscoting of red brick in the two rest rooms, lunch room and the hall which runs the length of the building. Outside brick, which is cream-colored, has been laid almost to the roof on the wall alongside Kirk Street housing the cafeteria.

There has been a temporary delay, awaiting the arrival of windows, said R. W. Lee of Hamilton, who is foreman for the job here. Before the week's end, however, he expects that work will begin on pouring the concrete base for floors, and after that Wilson Plumbing Co. of Hillsboro will resume its job.

Last week, the crew began laying the decking. Rafters for the tar and gravel roof had been built some time before.

Also approaching the halfway mark is the job of putting in electric conduit. Virgil Richardson of A. & A. Electric in Breckenridge began this job on June 8. He and his partner, E. W. Vinson, contracted to complete the system of incandescent lighting on the new building. Plans also include a communications system, he said, with a loud speaker in each room for use in making announcements.

Sparks has employed a total of 22 men on the local job, and at the same time is supervising two other large projects in addition to small routine jobs. Four of the men live in Hico; namely, Kirkland Hunter, M. E. Glescock, R. A. Dennis and Melvin Aikman. Others are from Meridian and Hamilton and comprise the regular crew employed by Sparks.

The building is expected to be completed here in time for the opening of school. Other projects under contract by Sparks, who is a well-known building contractor in this section, are remodeling of

Bluebonnet Tournament Highlight of Week End

STORES TO CLOSE SATURDAY FOR JULY 4TH

The town will observe the Fourth of July holiday, which comes on Saturday, by closing business establishments for that day. A petition circulated earlier this month brought almost universal agreement to that effect.

As a result of this decision, business arrangements have been stepped up one day, and by giving due notice to customers it is hoped that no inconvenience will be incurred. In other words, Friday will be Saturday, and institutions offering week-end specials have made preparations to that effect.

The paper is being issued one day early, and it seems that everyone around Hico will be able to enjoy the holiday at the regular time, along with the custom in neighboring towns.

The Bluebonnet Golf Tournament, starting Friday and running through Sunday, will provide the main attraction in this area.

All Committees Report Progress On Assignments

Bluebonnet Country Club officials and golfers were preparing this week and making last-minute arrangements for entertaining a big crowd of golfers and guests over the July Fourth week-end at the Eighth Annual Texas Sand Green Championship Golf Tournament. Business houses have agreed to close all day Saturday, in order that employees may watch the matches.

Qualifying rounds will be played here Friday, or golfers may bring their qualifying score from their home course, and match play will begin Saturday morning.

Rains early this week, combined with care taken in maintaining the golf course during the past few months, should provide the visitors with a slightly course on which to play. Remodeling of the clubhouse and playground for the children have been completed since last year's tournament was held, and club president Fred Red Harris and secretary Ellis Randals expressed the hope that visitors will make themselves at home in a comfortable atmosphere.

A number of players are expected from Corsicana, according to Odie Petack, tournament chairman, as well as golfers from Stephenville, Hamilton, Waco, Fort Worth and West Texas.

Barbecue will be served Friday evening at 7:00 p. m. to members, golfers entered in the tournament and their families. Entry fee in the tournament entitles a player to a plate.

Defending champion is J. H. (Doc) Brinkley of Fort Worth, who won his third consecutive title last year. Close competition is expected in the championship flight this year, and interest is high among both local and out-of-town golfers. Invitations have been sent by local club members and wives to the general public to come and watch the matches. Members of the ladies auxiliary will serve sandwiches and cold drinks during the three-day event.

The annual tournament at the Bluebonnet Country Club, being staged this year for the eighth consecutive time, has gained recognition over the State, since 11 co's course is one of the very few sand-green layouts left in the State and carries a 72 par.

Committee members who have contributed time and effort toward preparations for this year's event are as follows:

Fairways: G. M. Bullard, chairman, Charles Meador, E. V. Meador and Earl Booth; Rules: Morse Ross, chairman, Wilard Leach and Clyde (Sandy) Ogle; Barbecue: T. E. Roberts and M. L. Knudson;

Concessions and clubhouse: Fred Red Harris and R. B. Goodloe; Racecutta and registration, Ellis Randals; Water, E. G. Adcock; Prizes, Fred Red Harris, P. W. Hamilton and Ellis Randals; Pairing, Ellis Randals and P. W. Hamilton;

Housing: P. W. Hamilton and Morse Ross; Starter, Odie Petack; Caddy-Master, Earl Booth and T. E. Roberts; Tee Boxes, Clyde Ogle and Ray Cheek.

\$400,000 Blaze in Mill at Hamilton Rages Four Hours

Hamilton, June 28.—A four-hour fire raged through the Hamilton Mill and Elevator Company here Sunday, causing an estimated \$400,000 damage before fire departments from Hico, Meridian and Hamilton could bring it under control.

City Fire Marshall George Chambliss said Tom Martin, who lives about a block from the mill, heard an explosion about 9:30 and saw smoke pouring out of the mill. Chambliss said he thought it was spontaneous combustion. From grain stored in the buildings which occupy an entire block. Most of the grain had just been purchased and may have been a bit green, he said.

The mill and grain warehouse were destroyed and an elevator and feed warehouse were damaged. The office and two elevators were still standing.

The 50-year-old plant was remodeled two years ago and \$60,000 worth of new machinery was installed at that time. The same mill was destroyed by fire about 40 years ago, also on a Sunday morning.

About 25 men will be out of work because of the fire, manager Sid Wieser said. The firm has another plant at Hico.

Local Golfers Get Extra Practice at Lampasas Tourney

Lampasas, June 30.—Three Hico golfers were in Lampasas last week end for the annual Lampasas Invitation Golf Tournament held each year at Hancock Park.

Ellis Randals was consolation winner of the 4th flight defeating W. P. Graham of Lampasas 1-up in 20 holes.

Morse Ross defeated Ray Hicks of Waco 2-1 for consolation title of 6th flight.

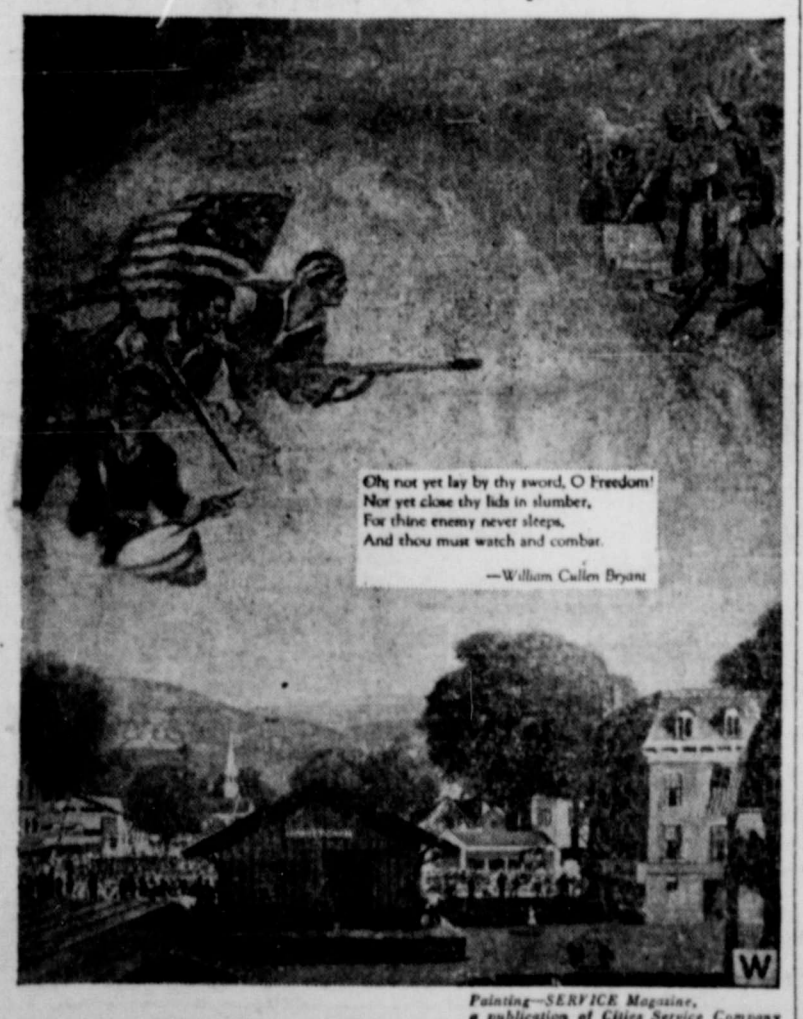

P. W. Hamilton lost to T. D. Bryant of Burnet, 1-up for consolation, 7th flight.

Don January, high ranking amateur golfer from Dallas, defeated Joe Conrad of San Antonio, for the championship.

"If You Can Keep It"

Oh not yet lay by thy sword, O Freedom! We yet close thy lids in slumber. For this enemy never sleeps. And thou must watch and combat.

—William Cullen Bryant

As Benjamin Franklin left Independence Hall, a woman asked him, "Mr. Franklin, what kind of a government have you given us?" He answered gravely, "A Republic, madam, if you can keep it."

In painting this Independence Day scene in Hometown, U.S.A., the artist, E. Franklin Wittmack, has found an echo of Franklin's warning in a quotation from the poet William Cullen Bryant. The historic scene of Magna Charta, the signal light on old North Church Tower, the embattled "rebe" of a great new nation—symbolize the hard-won victories, and the priceless freedom, which, on Independence Day 1953, are given every Hometown in the land—not done to celebrate, but to protect.

From where I sit... by Joe Marsh

Bad Case of the "Ztutters"

Our copyboy is out sick. So the editor (me) is taking over some of his chores—which include running the addressing machine on "mailing-out night."

Last week I didn't have the usual number of papers left over for sale at the office. Couldn't figure what had happened—until Chub Zimmer called to ask why he'd gotten 58 copies.

Then I realized—"Zimmer" is the last name the machine prints. Guess I forgot to turn it off... and it just kept grinding out Chub's name on all the remain-

ing copies. That machine just didn't know when to stop.

From where I sit, people are like that sometimes. They often don't know when to stop. Like those who are prejudiced against someone with an accent, perhaps... or against someone who likes a cool bottle of beer with his supper. So, in these columns I try to persuade everyone to "throw the switch" on prejudice so it won't get repeated.

State Renews 4-H Program of Special Interest to Girls

The National 4-H Dress Revue award program has been approved for 1953 by the State Extension Service.

In this program, which is open to all girls participating in the 4-H Clothing program, members learn to dress appropriately in keeping with a well-planned family budget, and to develop poise, proper posture and habits of good grooming. The popularity of this program is reflected in the enrollment of girls last year, which totaled 669,259. Simplicity Pattern Co. provides awards of honor medals to county blue award winners and an all-expense trip to the National 4-H Club Congress in Chicago next November to the state winner. Each state winner participating in the national presentation at the Club Congress will receive a leather-cased scissors set.

County Extension Agents will furnish complete information concerning these programs.

Fairy

By Mrs. Eunice Massengale

Our hearts were made sad in the passing of Mr. I. N. (Newt) Adams of Hico, who passed away about 3:30 p. m. Saturday. Mr. Adams was a former resident of the Fairy community, having resided here for about 42 years prior to moving to Hico in November of 1945. He was born in Osage, Coryell Co., on Jan. 30, 1872, where he spent his boyhood days. He was married to Miss Alice Callahan near Crawford on April 10, 1890. To this union four children were born, three sons and one daughter. Only one son, Lee Adams, who resides at the Adams homestead near Fairy, survives. Those deceased were, Jessie, who passed away Sept. 8, 1931; Ellis, who passed away Dec. 11, 1932; and Ruby, who died at about 6 months of age in Feb., 1905. He was also preceded in death by his wife, who passed away Sept. 8, 1914. On August 2, 1917 he was married to Miss Linnie Hutchinson of Hico who survives. Others surviving are the son, Lee, the daughters-in-law, 9 grandchildren, 19 great-grandchildren, several nieces and nephews, and one sister, Mrs. J. W. Thomas of Hamilton, who mourn his passing. He united with the Fairy Methodist Church about 45 years ago. Mr. Adams had been able to be up at intervals during several years of illness. He suffered a broken hip when he fell from his barn loft before moving to Hico and had also had both ankles broken, but despite these injuries he had maintained his jovial disposition. We well remember the last visit the writer made in the home. He just had to joke us a little bit. He will be greatly missed in the home and by his many friends. Funeral services were held at the Fairy Baptist Church at 3:30 Sunday afternoon with Rev. McCarty of Hico officiating, being assisted by Rev. Wesley Jones of Lanham. The song service was under the direction of Frank Griffiths with Miss Patsy Dancy as pianist. Pallbearers were grandsons and grand sons-in-law and one great-grand son, namely, Billy, Joe and Newt Adams, James (Bill) Barnett, Cone Patterson and son, James Ellis. Burial was in the Fairy Cemetery at the Adams family plot.

We extend deepest sympathy to his dear companion, and all others who mourn his passing. May God bless and comfort all.

Mr. and Mrs. R. M. Springer and her mother, Mrs. Benn McNeill of Miles came in Sunday for a few days visit in the home of their son and grandson, Mr. and Mrs. Leon Springer and Randy.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don went to Houston last Friday for a few days visit in the home of his sister, Mr. and Mrs. Charles Wilson. They were accompanied by his parents, Mr. and Mrs. N. S. Sellers of Hamilton. Mrs. Wilson is the former Miss Joy Marie Sellers.

We are sorry to report Mrs. Brittle Little not feeling so well the past few days, but hope she will soon be feeling much better.

Mr. and Mrs. Lester Betts, Sherry and Judy of Stillwater, Okla., spent from Friday until Sunday in the home of his parents, Mr. and Mrs. T. L. Betts. On Saturday morning, Joe Betts, wife and baby of Searcy, Ark., came in and visited until Monday. The boys and families had not been permitted to meet since the birth of Joe's baby, born Aug. 22, 1952 and neither knew the other was coming. The Joe Betts had come to Temple to bring a friend to visit a relative in the Temple Hospital and left Monday morning to go by Temple and pick her up on their way home. Judy Betts remained to spend the next two months with her grandparents.

Mr. and Mrs. A. H. Sumerford of below Hamilton spent Sunday with the writer. In the afternoon all attended singing at Plainview, near Chalk Mountain. We learned of the death of Mr. Adams after reaching Plainview. There were others also right here in a stonewall throw of Fairy who never knew of the funeral until all was over. We were so sorry we did not get to attend the service since we had known Mr. Adams and family for the past fifty years. We hope in the future when things of this nature occur, that everyone will try to convey these happenings to others, who may not have heard. There has been but very few funerals here in the past forty years or more that we haven't been privileged to attend. This is our duty to our fellow man. We have always gone if possible at all and

help in any way we could and it was with deep regret that we failed to learn of Mr. Adams' funeral service.

Scott Blakley, Oran Williford, Leon Springer and B. A. Dunklin spent from Friday until Sunday on the Colorado River fishing. We failed to get a report on their catch.

Mr. and Mrs. Bill Hargus and family of Carlsbad, N. M., spent the week end with her parents, Mr. and Mrs. A. J. Miller.

Mr. and Mrs. Elzie Lee Parks of Fort Worth spent the week end with his mother, Mrs. M. E. Parks, Elsie and Audie. They were accompanied by his sister, Mrs. Raymond Driver and little daughter Patsy of Texas City, who had been visiting in Fort Worth. Mrs. Driver and Patsy are visiting this week with her mother and other relatives.

At this writing we have a slow mist falling, which has brought us much cooler temperatures.

Mr. and Mrs. Olga Duncan are enjoying a visit from two of their sons and their families. Mr. and Mrs. George Duncan and family of New York and Mr. and Mrs. Andrew Duncan and family of Oakland, Calif. Several of their girls and their families have been visiting here at intervals to be with their brothers and families.

Wishing all a pleasant holiday week end. Remember if you're going places better be careful.

Finder-Keeper Rule To Be Tested in Court at Gatesville

Gatesville, June 28.—Will the oft-heard maxim, "finders keepers, losers weepers," legally stand up when applied to a thick roll of greenback dollars?

This will be decided in 52nd district court here Wednesday, July 1, when the disputed ownership of \$1,000 in cash stumbled onto by a workman near Evant a year ago reaches the trial stage.

A. M. Couch, a Hamilton County workman who dug up a glass jar containing \$1,000 in greenbacks last July while doing some excavation work at the Jack A. Schley residence near Evant, is suing Schley for possession of the money.

These are typical of the reports received in my office. The cattle industry, so important to all Texas, faces difficult days.

HELP: I am working as hard as I have ever worked at anything to get help from the Federal Government for the cattlemen.

The most immediate need is for feed. There is literally no grass for grazing in the drought-stricken areas. Emergency supplies of feed must be made available to the cattlemen—at once.

Extension of additional credit facilities also is a must. The banks have extended as much credit to the cattlemen as they can. Yet more credit is the only hope of the cattle producers, who are trying desperately to stay in business.

Beyond these two measures, we must have a long-range program designed (1) to restore the industry to economic health and (2) to bring about more efficient conservation and utilization of our water resources.

This is not a political question. It is a problem of national significance which must be met—and solved.

PLAYBACK: From a speech by Lyndon Johnson, made in October, 1952. "I don't want those \$175 Democratic cows (on my little farm) followed around by \$10 Republican calves."

EXCESS PROFITS TAX: If the bill extending the excess profits tax is reported from committee to the floor of the House, and if the House passes it, and if it comes before the Senate for a vote—I will support the extension, as requested by President Eisenhower.

COTTON: Private estimates of this year's cotton crops indicate a production of nearly 15,300,000 bales. That's above last year's production—almost 30 per cent over average annual output from 1941 to 1950.

ACREAGE allotments and marketing quotas for the 1954 cotton crop are almost certain.

LEIVING COST: Farmers are receiving lower prices for their products, but the cost of living hit a new high mark for the year in May. The consumers' price index for May was nine per cent higher than a year ago—12 per cent above prices in June, 1950.

NEWS BRIEFS: In line with my bipartisan mealtime policy, I, along with more than forty other Democratic Senators, had lunch Wednesday with former Senator and Ex-President Truman—lunch Thursday with President Eisenhower and key Republican and Democratic leaders in the Senate.

Wheat producers in "selected areas" of Texas can get emergency loans at 80 per cent of the going support price. These loans, to be made on wheat which can't be adequately stored due to lack of facilities, will be good for 90 days.

Senate Public Works Committee has approved legislation which would make possible establishment of Eisenhower Park near Denison. The bill was written by House Democratic Leader Sam Rayburn.

Johnny Halbert of Attoyac, Nacogdoches County, outstanding 4-H Club member, was here last week for the National 4-H Encampment. Johnny, son of Mr. and Mrs. W. C. Halbert, was a welcome visitor to my office, along with M. S. Wright, president of the Texas Farm Products Co. at Nacogdoches.

Max Starcke of Austin and my longtime banker friend, P. T. Brigham of Blanco, came to see me, accompanied by Clay Kuykendall of San Saba, M. C. Dalchau of Llano and G. E. Schmitt of Austin. I felt stronger after visiting with these Hill Country folks.

T. E. Johnson, able editor of the Amarillo Globe-Times, was in town talking about the drought and problems of the cattlemen.

CARD OF THANKS We wish to express our thanks to those who have been so kind to us during my illness. A special vote of thanks to the staff of the Hico Hospital. We pray for God's blessings upon each of you. ARTHUR LAND & FAMILY, GRAND PRAIRIE, TEXAS.

Erath Co. Electric Co-Op Announces New Hours For Stephenville Office

At the regular board meeting of the Directors of the Erath County Electric Cooperative, held on June 9, 1953, the directors passed a resolution that the Cooperative adopt a 40 hour work week, and resolved that beginning with the month of July, 1953, the Cooperative office will be open only 40 hours per week.

The practice of operating on a 40 hour per week schedule is being followed by approximately half the rural electric cooperatives of Texas at the present time. Surveys made of these cooperatives' operations, have shown that comparative savings have been inaugurated in their operations, and at the same time they have been able to render the type of service that is now demanded by the members of the Cooperative.

The following list of members of the personnel of your Cooperative is the group of people of whom some will be on call at all times during the time the office is not open, for the purpose of taking care of the troubles that may arise during that period.

Stephenville Factory Delivers all Orders—Including Even Babies

A rosy, pudgy new mascot was delivered according to factory specifications recently for the T. P. Tackett Manufacturing Company, at Stephenville, with all details in the order carried out fully by one of the employees.

It all came about when Lillie Darnell, a seamstress here since 1947, quit work to have a baby. Factory owner Tackett wrote a bonus \$100 check for her, but made it payable to Miss Alice Ann Darnell, telling Lillie it couldn't be cashed unless she had a baby girl and named it Alice Ann.

Like the faithful employee she is, Mrs. Darnell came through on schedule June 15 in Stephenville Hospital, named her new daughter, Alice Ann, said she could be the factory mascot, and cashed her \$100 check.

The name Alice Ann is used on a line of sports wear manufactured by Tackett and was selected in honor of his daughter who died in 1945 when she was 11 years old. Now there's another child to carry on the name.

So far the week-old mascot hasn't been called on for official duties, but Tackett says he will make sure she is brought to the company's annual Christmas party and shown off to the employees she represents. — Stephenville Daily Empire.

office that we could use fewer people. Their being together the full five work days would bring into the operations certain efficiencies by not replacing resigned personnel. This will make it possible to discharge the duties of this office to the extent that there will be exercised in that one item alone an annual saving of approximately five thousand dollars.

Long Weekend Holiday Brings Many Hazards, Says Health Officer

Austin, June 29.—Taking note of the approach of the great patriotic national holiday, July 4th, which this country has celebrated for one hundred and seventy-seven years, Dr. Geo. W. Cox, State Health Officer, calls the attention of the citizens of Texas to some of the dangers of careless celebrating. Each year on the 5th of July, one always reads of the appalling number of accidents which occurred over the Fourth.

It is not alone the wounds received from explosives that increase our death toll. Injuries from automobile accidents, splinters, nails and other penetrating wounds in which dirt may be carried into the skin, heighten the hazard of tetanus or lockjaw. Such wounds should be promptly treated by a physician.

If the day's pleasure includes a swim, caution should be used and no attempt made to do more than your strength will permit. If a drowning takes place, artificial respiration should be started at once and continued until a doctor arrives.

Automobile accidents have usually one of three causes—exceeding the speed limit, driving on the wrong side or failing to grant the right of way. It can be seen that the chief factor in auto accidents is the judgment of the driver. Caution should guide the holiday activities so that the day may be remembered with joy instead of sorrow.

Study in Suspense

STOPPED BY THE CAMERA the split-second before his parachute opens, this man seems to be dangling from the C-46 "Commando" from which he has just jumped. Below, the chutes of other paratroopers have already burst open and are floating safely to earth. Last Respects Paid I. N. Adams Sunday At Funeral Services

Funeral services were held Sunday, at 3:30 p. m. at Fairy Baptist Church for I. Newt Adams, retired farmer who had spent most of his life in Fairy and Hico. Rev. D. R. McCauley officiated. Interment was in Fairy Cemetery.

Born January 30, 1872, in Coryell County, Mr. Adams had spent 60 years in this county, and had moved from Fairy into Hico eight years ago. For the past six and a half years he had been cared for by his wife during an illness which kept him at home. He passed away at the residence Saturday afternoon, June 27.

He was married in 1890 in Coryell County to Miss Alice Lela Callahan, who preceded him in death in 1914. To this union were born four children: Robert Lee Adams, David Ellis Adams, Jesse Columbus Adams and Ruby Adams.

The latter three are now deceased. In 1911 Mr. Adams was married to Miss Linnie Huchingson of Hico, and she survives him.

Surviving besides his wife and a son, Lee Adams of Fairy, is his sister, Mrs. J. W. Thomas of Hamilton.

Pallbearers for the services were J. T. Barnett, Cone Patterson, James Patterson, Joe Adams, Billie Adams and Newt Adams.

Art Club Disbands For Summer After Two Recent Meetings

Mrs. Ellis Randals was hostess for a business and social meeting of the local art club at her home Friday morning. A dessert plate was served to eight members.

Mr. and Mrs. Ash, Married at Duffau, To Live at Snyder

In a noontime ceremony on Sunday, June 28, Miss Margaret Brown was married to P. D. Ash at Duffau Church of Christ.

Bro. Lonnie Branam, pastor of Hico Church of Christ, said the few short words that united in the sacred bonds of matrimony two young lives. Miss Margaret Brown is the attractive daughter of Mr. and Mrs. Pascal Brown of Duffau, and the bridegroom's parents are Mr. and Mrs. Johnnie Ash of Deadwood.

A large crowd of friends and relatives of the bride and groom were present for the occasion. It was a very impressive but simple double ring ceremony.

The bridal dress was a beautiful blue and white nylon, worn with white accessories.

After the ceremony, the honored couple were guests at a dinner in the home of the bride's parents, attended by many friends and relatives. The married couple left for Snyder, where he has a good job.

We extend the customary felicitations. May the tumults and hazards so often encountered in this life be minimized for them.

Miss Myrna Sparks Wed to Pat Murphy In Stephenville Rites

(Stephenville Empire Tribune) Miss Myrna Sparks, daughter of Mr. and Mrs. J. R. Sparks of Olin, became the bride of Mr. Pat Murphy, son of Mr. and Mrs. George O. Murphy, at 8 o'clock in the evening, Saturday, June 20.

The double-ring ceremony was performed in First Baptist Church by Rev. J. W. Saffell of Merkol, 86-year-old maternal grandfather of the bridegroom.

An organ prelude was played by Mrs. Felix Gresham, who also accompanied Harold Lewallen as he sang, "I Love Thee" and "Because."

Reserved pews were marked with white satin bows centered with Marconi daisies and plumosa.

The bride's mother wore an afternoon-length aqua dress with lace yoke. The skirt was hemmed with a wide border of lace. Her corsage was of white beauty asters.

The dress worn by the bridegroom's mother was of beige nylon linen and lace. Her accessories were navy. She wore a corsage of gladioli which harmonized with her dress.

The bride was attended by Mrs. Oren Ellis, Jr., of Pampa, as matron of honor. Her bridesmaids were Misses Jane Underwood of Lohn, Mary Alice Stephenson of Burleson, Mary Lynn Whitfield, Dublin, and Mrs. Charles D. Maples.

The bridegroom's best man was Harold Lewallen. Groomsmen were Burnaby Munson of Wharton, Oscar Killian of Waco, and Don Tate and D. C. Wilkinson of Stephenville.

Katherine Sparks of Olin, sister of the bride and Mary Katherine Hicks of Albuquerque, N. M., cousin of the bridegroom, lighted candles.

Feminine attendants wore dresses of blue organdy having tight-fitting bodices and full skirts. Bridesmaids of the same material encircled their hair.

The matron of honor carried a bouquet of Esther Reed daisies, from which fell streamers of double-faced satin. Smaller colonial bouquets carried by the bridesmaids were of marguerite daisies. Candle lighters wore wrist corsages of white carnations.

The bride's dress of nylon net was designed with a tight-fitting bodice, with collar and cap sleeves of chantilly lace. Buttons extended down the front. Two bouffant creations of net overskirted trailing white taffeta. The long pearl-sprinkled veil fell from a Juliet cap of pearls.

The bride carried a bouquet of mystery gardenias and stephanotis, backed with petals of calla lilies. Extending from this were shower streamers.

The pulpit, decorated with potted caladiums and baskets of white stock and Marconi daisies, was lighted by white candles held by cascading and fan-shape candelabra. The altar was marked with an archway of plumosa ferns.

The bride went to the altar on the arm of her father, who gave her in marriage.

From the church, the wedding party and relatives of the two families were received by Dr. and Mrs. O. A. Grant in their home, 950 West Vanderbilt, which was decorated with flowers from the church.

The lovely all-white three-tier wedding cake, decorated with roses and lilies, topped with the traditional bride and bridegroom, was cut first by the bride and bridegroom, who served each other.

The cake was further cut and served to the party as they viewed

the display of wedding gifts. Group pictures were made.

As the newlyweds left for a short honeymoon trip, the bride was wearing a navy linen suit and white flower hat. Other accessories were white.

The suit was white-trimmed, with beaded collar and cuffs. She wore a corsage of white gardenias.

Both the bride and bridegroom are graduates of Tarleton State College. The bridegroom, at present a student in Baylor University, plans to enter Southwest Baptist Seminary, where he will continue his study for the ministry.

The following relatives were house guests of Mr. and Mrs. Murphy for the wedding: a sister, Mrs. B. S. Hicks, and Mr. Hicks of Albuquerque, N. M.; a sister, Mrs. W. J. Largent, and Mr. Largent, of Merkel; a cousin, Mrs. Royce Eliand and children, Cheryl Lynn, Donnie and Johnnie of Folsom, N. M.; a sister, Mrs. Ben Shaddix, and Mr. Shaddix of Hughes Springs; a brother, Melvin Murphy, and Mrs. Murphy of Austin; a brother, Marvin Murphy and Mrs. Murphy also of Austin.

Mrs. Parks is the youngest child of Mr. and Mrs. Red McCoy. She was in high school. Will live on his father's farm. All extend best wishes to them. A miscellaneous shower was given to them on Saturday afternoon at the Baptist Church. Was a nice one.

A Story in Two Parts—
HER CHOICE

By STELLA JONES

Mr. and Mrs. John Abram lived in Pine Bluff, Ark. They had two children, Maude, a beautiful girl, age 18, at home. She is a senior in high school.

They have a son who is a doctor in Little Rock, Ark.

Mr. Abram has a store of general merchandise. The Abram family are fine people. They helped people of all kinds. They did not show any difference in the rich and poor. They were wealthy people. Had a nice modern home and was a large house. A woman would come and help out with the heavy work.

It was in the month of July. A large crowd of people enjoyed a picnic on the glorious fourth. All hoped to have a big time. Maude had a boy friend. A young man that had no high ambition. His parents were wealthy and he had plenty of money. His name was James Harlow. Maude was with him some at the picnic. She didn't care any too much about him.

In Pine Bluff, another family lived which will play a good part in this story.

Their names are Mr. and Mrs. Albert Harris. They have a son, Paul, and a daughter, Mildred. They were at the picnic and enjoyed it. Maude liked the family very much. Mildred was 14.

Some of the high class people were there and they noticed Maude was with Mildred. The Harris family is a nice respectable family. The man is a day laborer. The wife would also work.

When school was on, Mildred wore hand-me-down dresses. Her mother would take time to make them over. Mildred's dress she had on at the picnic was not very good but was clean.

Maude said to her, "Come over to my house Monday morning."

Mildred wondered what she could want. She went there early. Maude had a car and the two girls went to town and to her dad's store and bought Mildred many useful things. Some goods for dresses. She was very proud of them. Mrs. Harris soon had the goods made up. A nice dress was given to Mrs. Harris.

A family lived on a ranch a few miles from the city and they were friends of Mr. and Mrs. Abram. Mrs. Abram and Maude went out there and spent a week and they had a fine time. Some things there were new to Maude.

Paul Harris, age 19, was in College this year. He was at home for the summer. He has worked his way through. Since he came home he is working in a big grocery store and he gets very good wages.

Mildred said to him, "Would you like to go with me to the Turner ranch. I got a card today from Maude asking me to come."

The Harris family had a car. After dinner the brother and sister went to the ranch. See what happens now.

Maude had met Paul. She thought he was a fine young man. Has a high ambition in life and she liked him and he was a Christian. The family were members of a Baptist Church there.

After Paul and Mildred had visited a few hours they started back home. A servant brought in refreshments of which all enjoyed.

On their way home they met a man. Looked as if he would high-jack them or something. He had an evil look. Mildred was scared.

"Oh, Paul, if you hadn't of been with me he might of done me harm."

Her brother said, "Honey you are safe and he will soon be home."

Paul told his parents about the man. "I guess if I hadn't of been with Mildred he would have harmed her."

"Mildred, you know what? I am going to date her or try to."

"Oh, Paul, I bet she would go with you. She has a boy friend but she doesn't like him."

Mr. Abram went out to the ranch Saturday night to spend the week end and he enjoyed it. Mrs. Abram and Maude came home Sunday afternoon.

Paul told Mildred he was going out to the ranch to see Maude and he asked her to go.

"No Paul, I have a headache and it is so hot."

As Paul was going he seen the

man under a tree. He seemed to be asleep. He drove past him very fast.

Maude was glad to see him. Mr. and Mrs. Turner had never met him and they liked him very much. He told them about the man. He was asleep under a shade tree by the gate.

Paul and Maude had a nice time. They enjoyed delicious ice cream and cake before they left. Maude went back with Paul in his car.

When Mr. and Mrs. Abram and

Paul and Maude came by the tree the man was still under the tree.

TEXAS' NEW GRAIN WAREHOUSE LAW

Texas now has its first grain warehouse bill. And for the first time, the farmer has adequate protection for his grain and field seed held in storage by a state licensed grain warehouse. Long needed as a protective measure for stored bulk seed, the Public Grain Warehouse bill was passed during the recent 53rd legislative session. As a result, a depositor has his commodities insured against fire, theft, misappropriation, damage due to careless handling, or acts of God. Also for the first time, the farmer may use his stored grain receipts from state licensed warehouses as negotiable security. The bill is Texas' answer to the grain scandals which rocked the nation in late 1951 and early 1952. Briefly, it requires that each public warehouseman obtain adequate bond, secure a license of operation from the Texas Department of Agriculture, and carry sufficient insurance to cover the full value of bulk grain stored in his bins. Bonds are set at \$5,000 minimum and \$50,000 maximum, subject to the decision of the Commissioner of Agriculture who can raise or lower it as he deems fit for the best interests of depositors. The licenses are issued over his signature. The law has an exception. Warehouses having a license from the Federal Government are not required to meet the state provisions. The regulations are so similar that it would make for unnecessary duplication. The first eight licenses of operation were issued early this month to J. R. Cooper, representative from the J. C. Crouch Grain Co., headquartered at Dallas. By law, other public warehousemen will follow suit until every holder of public grain can offer the proper protection necessary to depositors. Frequent inspections of the warehouses will be made by Texas Department of Agriculture personnel. Copies of the bill and regulations are available without charge by writing: John C. White, Commissioner of Agriculture, Capitol Station, Austin.

Fort Worth, June 29.—Lighter receipts of livestock and some clouds and showers in the territory gave the cattle trade a stimulus at Fort Worth Monday. Most cattle and calves were 50 cents to \$1 higher and some cows and some calves were \$1 to \$1.50 above the low time last week. Receipts at Fort Worth were 20 per cent under a week earlier and the nation's 12 major markets reported 11 per cent fewer cattle and calves. Hog prices were firm with top hogs at \$26, and sows at \$20 to \$23. Pigs drew \$20 downward. Most classes of sheep and lambs were steady, except feeder lambs were slow and some sales weaker. Good and choice fed steers and yearlings cashed at \$17 to \$22, and common and medium sorts sold from \$9 to \$16, with cull yearlings at \$6 to \$8. Fat cows sold from \$8 to \$12.50, some heiferish kinds upwards to \$12 to \$14. Canners and cullers drew mostly \$6 to \$8. Bulls sold from \$7 to \$12, odd head reaching \$12.50. Good and choice slaughter calves

cleared at \$13 to \$18.50, while common and medium butcher calves sold from \$9 to \$13, and culls sold for \$6 to \$9. Good and choice stocker steer calves drew \$12 to \$16.00, and stocker steer yearlings moved at \$10 to \$15. Heifer calves and heifer yearlings sold generally \$2 to \$3 under comparable steers. Stocker cows were considerably more active at \$7 to \$10. Good and choice fat lambs sold for \$17 to \$23, and common to medium sorts drew \$10 to \$14, with culls from \$5 to \$10. Stocker and feeder lambs bulked at \$10 to \$15. Stocker ewes drew \$5 to \$7 and slaughter ewes from \$3.50 to \$4.50. Fat yearlings wethers sold from \$10 to \$14, and feeder yearlings cashed at \$10 down. Old wethers sold from \$6 to \$8, and two-year-olds cashed at \$10 down.

Dennis Stripe Among Lone Star Farmers To Receive Degrees

The high point of this year's FFA convention for 632 Future Farmers will be the presentation of their Lone Star Farmer degrees—a goal for which they have been working for more than two years. Sixty-two of the 632 boys are from this area of the state.

Presentation of the degrees will be made at the Lone Star Farmer banquet July 23, during the 25th annual Future Farmer convention scheduled for July 22-24 in the Texas Hotel at Fort Worth. Three thousand delegates representing the 40,000 Texas Future Farmers are expected to attend this celebration of the organization's silver anniversary.

Qualifications for becoming a Lone Star Farmer include 24 months of instruction in vocational agriculture, an outstanding program of supervised farming, an investment of at least \$250, outstanding leadership ability, and a satisfactory scholastic record.

Clifford B. Erdmann of Pottsboro, who was chosen 1953 Star Farmer from the 62 Lone Star Farmer degree applicants from this area will be honored at the banquet. The applicants from the surrounding towns are as follows:

Wally Palm, Albany; Bobby Patton and Wilbur Wehman, Ballinger; Randall Grooms, L. W. Jennings, Carroll King and Joe McClatchy, Bangs; Jimmy Dye, Bob Drake and Jack Brown, Breckenridge; Rollins Bilby and Bobby Mitchell, Bryson; J. E. The Bosque River Water and Sanitary Association met June 23 at Dublin, with 14 members present and five visitors. Attending from Hico were W. R. Hampton and George Stringer.

Order of business was discussion of a school to be held in Hico at Firemen's Hall on Monday, July 6, at 8 p. m. There will be an instructor present from A. & M. College.

Dublin, Stephenville, Granbury, Glen Rose, Hamilton, Valley Mills, Morgan, Walnut Springs, Meridian and Hico compose the association.

Texans Contributed More Than \$2,577,000 To March of Dimes

Dallas, June 29.—Texans contributed more than \$2,577,000 to the total of \$31,500,000 raised in the 1953 March of Dimes, it was announced today by Basil O'Connor, president of the National Foundation for Infantile Paralysis. Corroborating the Lone Star totals was Robert J. Smith, volunteer chairman of the annual polio fund raising drive in Texas.

This total, based on reports from 3,069 volunteer campaign chairmen, represents a new record, being 24 per cent higher than the previous record total raised in 1952. Mr. O'Connor said. Last year, when \$41,452,606 was contributed showing a figure of 27 1/2 cents per capita donation for the United States, Texas raised more than \$2,100,000 for a per capita showing of slightly higher than 28 cents. The 1953 figure, nationwide, shows an average of 34 cents per person.

"The new record shows that millions of parents and children who fight against polio realize the crucial stage of this battle has been reached," said Mr. O'Connor. "They know that recent progress in scientific research and the continuing increase year after year of polio cases make their responsibilities great than ever before."

In paying tribute to the more than 2,000,000 March of Dimes volunteers who conducted the fund-raising crusade in 100,000 communities throughout the nation, Mr. O'Connor said, "Without their unselfish efforts, the American people would not have been so acutely aware of the increasing responsibilities of the National Foundation. Obligations imposed by five years of heavy outbreaks of the disease plus increased expenditures for new developments in the field of research have made larger sums vitally necessary for the fight against infantile paralysis."

"Despite larger public contributions each year," he continued, "the National Foundation for Infantile Paralysis has ended the last four years with outstanding bills, mainly to hospitals, of from three and one-half to seven million dollars. Thus, for this period of time, each succeeding March of Dimes has been, in effect, mortgaged for such an amount before any new cases were reported in the new year."

Thus far, in Texas, polio incidence has shown a decrease over the 1952 record high. As of June 4, 313 cases had been reported compared to the 1952 figure of 582 for the corresponding period. Throughout the United States the outlook is not as good as for the Lone Star state. California, Nevada, Utah, Colorado, Arizona, Alabama, North Carolina, Missouri and the east north central and middle atlantic states have shown increases far beyond the record highs of 1952.

Currently in Houston to preside at a workshop meeting of Foundation chapters from Texas, Arkansas, Louisiana and Oklahoma, Mr. O'Connor paid tribute to the preparations made by each volunteer group for any emergencies. "Those of us who have worked with this dread disease all these years cannot help but feel that the work of your tireless volunteers has awakened the public to current developments and that you, here, are ready in the event a sudden upsurge in polio incidence strikes."

Draft-Age Youths Offered Guarantee Of Naval Service

Young men of draft age who would rather serve out their military obligations in the Navy can now guarantee themselves a two year hitch in the Navy blue, if and when induction notices are received.

A new policy, announced this week by the Dallas Naval Air Station, guarantees members of its Naval Air Reserve a 24-month tour of active duty when selective service moves to induct them.

Under the plan, young men 17 to 18 1/2 years of age join the "Week-end Warriors"—so called because reserve squadrons meet one Saturday and Sunday of each month. They retain civilian status until they receive selective service notice of induction. They may then request, and be assured of receiving, a superseding call to active duty in the Navy.

Traditional Navy popularity has made it increasingly difficult for those who prefer Naval service to be enlisted. Regular Navy recruiting stations, bound by quotas, have long waiting lists of men eager to take the Navy's Regular four-year hitch rather than the draft's two-year service.

Dallas Naval Air Station's new plan offers a two-year Navy hitch after induction notice, fulfilling selective service requirements, and starting its recruit off on the road to earlier completion of the eight-year reserve obligation that all draft eligible youths now face. Men who go active from the Reserve usually do so with a higher rank and pay scale than any draftee.

Inquiries about the new guaranteed active duty plan are welcomed at the Recruiting Office, U. S. Naval Air Station, Dallas, Texas.

TEXAS SOUVENIRS WANTED
 Buddy Teague and Jimmy Herrington, who will represent the local troop at the Boy Scouts' National Jamboree in California, are anxious to take along some Texas souvenirs to be presented to other visitors from all over the world. Rattlesnake rattlers are particularly in demand, they say, and they will appreciate receiving them before they depart on July 8.

Big Fireworks Show Features Cotton Bowl's July 4th Weekend

A whopping big fireworks show, free pink lemonade and a brass band will figure in the festive old-fashioned Fourth of July program to be presented in the Cotton Bowl stadium in Dallas Friday night, July 3, and Saturday night, July 4.

The fireworks display, one of the largest ever to be put on in the Southwest, will be different each night, announced James H. Stewart, executive vice president and general manager of the State Fair of Texas, sponsor of the celebration.

Pink lemonade and snow cones will be dispensed without extra charge inside the stadium before and during the fireworks show, Mr. Stewart declared.

A musical concert of patriotic numbers by Ralph Beck and his brass band will precede the pyrotechnics.

"Our aim is to put on a real, old-fashioned Independence Day celebration that will appeal to everybody," Mr. Stewart said. "We're going to try to put the oom-pah back into the Glorious Fourth."

"We plan to shoot off twice as many fireworks as we have ever had before for a July 4th show in the Cotton Bowl," he added.

Admission to the Cotton Bowl will be only 50 cents, 25 cents for children under 12. The show will begin at 8 p. m. both nights.

On the adjacent State Fair Midway, free performances will be presented at 7:30 and 10 p. m. on the Midway stage by the Alfredo Landon troupe of Midgets, who mix comedy with acrobatics.

Free shows will be presented on the State Fair Midway stage twice nightly starting Monday, June 15, with acts changing each week for the rest of the summer.

Performances will be presented at 7:30 and 10 p. m. through Sept. 7. The best acts in outdoor show business will be featured, James H. Stewart, executive vice president and general manager of the State Fair of Texas, has declared.

"This is really very fine vaudeville, a miniature sampling of the best the circus has to offer, and all free too," Mr. Stewart said.

Josephine Berolini, beautiful blonde wire-walker, will start the season off with her act which is highlighted by dramatic acrobatic dance steps performed high in the air on a slender silver strand.

Other acts to be presented during the summer season at the South's largest amusement park include: Captain Tiebor's seals, animals that are almost human in their ability to perform difficult feats; Landon's Midgets, a comedy acrobatic act in which the little people really knock themselves out to get a laugh; the Sky Kings, a daring double sawy-pole act; Lallage, brilliant aerial acrobatic star of the circus world; Les Hildays, a couple who thrillingly defy the law of gravity with an upside-down unicycle routine; the Farias Duo, strong-man team who go through unbelievable feats of balancing on a high pedestal; Don Dorsey, jazz gymnast who actually dances on a swinging trapeze.

State Fair Midway opens at 6 p. m. daily and at 2 p. m. on Sundays. One of the finest amusement parks in the nation, it is located in State Fair Park at Dallas.

FORMER HICO AG. TEACHER HAS NEW JOB WITH KATY

Dallas, June 30.—J. Doyle Love, Assistant Farm Director, Radio Station WFAA, is to be the new Agricultural Agent for the M-K-T Railroad, beginning July 16.

Love, a graduate of Tarleton State College and Texas A. & M. and a former teacher of vocational agriculture at Hico and Dublin High Schools, has been a member of the WFAA staff 15 months, having started in April 1952.

You can hear his comments and reports on the farm news daily on WFAA 570 from 6:05 to 6:15 each week-day morning, and from 6:00 till 7:00 on Saturday mornings.

His new work will carry him through parts of Texas, Oklahoma, Kansas, and Missouri where the Katy has lines. He will do agricultural promotion work, working with farmers, ranchers, business men, civic clubs and others who are closely associated with agriculture.

He and his wife, Patsy, and one-year-old son, Alan, live at 10543 Shiloh Road in Dallas.

OPTOMETRIST'S OFFICE AT HAMILTON TO CLOSE WHILE HE ATTENDS CONVENTION

Dr. C. B. Cathey, Hamilton optometrist, will attend the Lions International Convention in Chicago from July 5 to 12, as a delegate from the Hamilton Lions Club. His office will be closed for the week and he asks his patrons to keep this in mind.

Dr. Cathey is first vice-president of the Hamilton Lions Club, and will act as a representative of the club at the International convention.
