Austin, Oct. 26.—Widespread interest is gradually being developed in all the 11 proposed amendments to the Texas Constitution to be voted on at the general election, November 2.

No organized opposition has appeared against any of the proposals. However, campaigns are being pushed for several of them.

Reports from over the state indicate somewhat of a draw between active support of various amendments and a general tendency to vote against some or all of them because the proposals are not understood or because of some questions as to the results of writing such changes into the Constitution.

Amendments are discussed here in the order in which they will appear on the ballot.

SJR NO. 7
Senate Joint Resolution No. 7 authorizes the Legislature to increase State spending for old age assistance, aid to the blind, and aid to dependent children, by \$7,000,000 a year.

Comments from some members of the Legislature and other people familiar with the program indicate that if the Legislature appropriates the additional money, new taxes will be required.

Some say that most of the money would be used to add more people to the rolls, rather than providing more money to those now on the rolls.

This amendment also would require the Legislature to enact law making names of those who receive such aid available to the public. These are fighting words to some people who claim such action would embarrass those now on the rolls and their relatives.

Proponents of this provision argue no one should be embarrassed except those who have children or relatives will be able to support them, and that these people ought to be exposed.

SJR NO. 6
Senate Joint Resolution No. 6, permits a person who has served some time as a teacher and accumulated credits under the Teachers' Retirement System, and also some time as a State employee, with credits under the State Employees' Retirement System, to count his accumulated credits under both systems in determining his retirement pay.

Apparently few people would be affected. However some opposition is being expressed by members of both retirement systems to the idea of intermingling the two systems in any way.

HJR NO. 37
House Joint Resolution No. 37, provides that proprietary employees of the State's subdivisions may be covered by Federal Old Age and Survivors Insurance. Other municipal and county employees may now be covered under that system under an agreement between the State and the Federal Government, and in many cases have been.

But the Attorney General has ruled that the State has no authority to make an agreement covering employees without a constitutional amendment.

SJR NO. 10
Senate Joint Resolution No. 10, would create a State Building Commission with broad authority subject to Legislative direction, to erect for State purposes.

A State Building Fund would be created by transferring to it the surplus from the Confederate Pension Fund.

The present 2-cent ad valorem tax provided by the Constitution, for Confederate pensions, returns far more than is necessary to take care of the one Confederate veteran and more than four hundred widows of veterans now receiving such pensions from the State. Therefore the fund is accumulating a surplus of well over \$600,000 each year.

It is anticipated that if the

Centennial Singing Due at Stephenville On Sunday Afternoon

Ernest Rippetoe has asked the News Review to call special attention to the singing to be held Sunday afternoon at Stephenville in connection with the Centennial Celebration.

The singing will be in the Recreation Hall Sunday, October 31, starting at 1 o'clock in the afternoon. Everyone in this area has a cordial invitation to attend.

Stephenville's Centennial program, which has attracted widespread interest throughout this week, draws to a close Sunday. Attendance and interest have been good, according to all reports. The parade scheduled for Wednesday morning had to be postponed on account of rain, but the sponsors accepted this philosophically, considering the badly-needed moisture sufficiently beneficial to repay them for their inconvenience in changing plans.

Program for the remainder of the week, as previously announced, will be as follows:

OCTOBER 29—A school parade is scheduled for 4:30 p. m. Stephenville High School will meet Cisco High School in a football game at Tarleton Stadium at 8:00 p. m. An old fiddlers contest and band and costume judging will be held in the city recreation hall starting at 7:30 p. m. Bewley Chuck Wagon Gang will present a program also.

OCTOBER 30—A band parade is slated for 10:00 a. m. Tarleton State College will play Schreiner Institute in a Tarleton Homecoming football game at Tarleton Stadium at 1:30 p. m. The final presentation of "Stephenville in Review" will be offered at 7:30 p. m. Dances, round and square, will start at 9:00 p. m.

OCTOBER 31—Morning church services in all local churches. Old fashioned singing in the city recreation hall from 1:00 p. m. to 5:00 p. m. Dr. Robert E. Goodrich, Jr., of the Dallas First Methodist Church, will deliver a sermon at community church service, Tarleton Stadium, in the evening.

In addition to the above, a complete program of fair activities—judging, shows, exhibits, attractions, etc., will be offered at the fair grounds.

Judges, on the final day, will select a float as being "Most Outstanding of All Parades" and the winner will receive \$25.00.

Tickets for the Stephenville in Review pageant, reserved and general admission, are now on sale and may be purchased from either the Parent-Teacher's Association or at the Chamber of Commerce. There is a limited number of reserved seats.

New Building Gives Leach Texaco Station Greater Convenience

Mr. and Mrs. Willard Leach are right proud of the recent improvements and additions at their Texaco Station. And they are justified in this by its appearance and convenience.

The new building for washing and lubrication constructed of concrete tile, has been completed. Composing 900 square feet of floor space, the interior is lighted by ten big spotlights, with electric outlets for convenience in charging batteries and performing other operations.

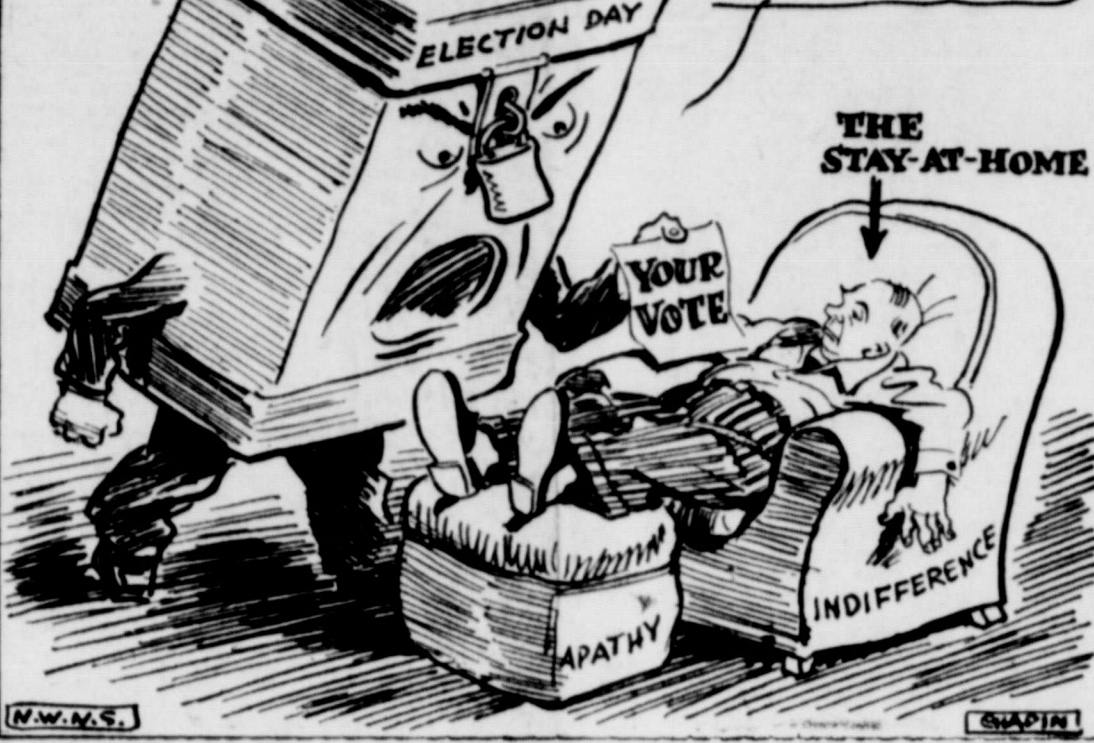

The building is heated with gas, and the bays are fully enclosed, enabling Willard and Bill to promise their customers the best of service, rain or shine.

Other improvements to the original station adjoining are planned for a later date.

Mrs. Golightly to Head THDA Delegation at Washington Meeting

Mrs. John G. Golightly of Hico, president of the Texas Home Demonstration Association, will head a delegation of Texas women at the 18th annual meeting of the National Home Demonstration Council, to be held at the Hotel Statler in Washington, D. C., Oct. 31-Nov. 4.

The Texas group will include Mrs. Bob Potter of Roscoe, state secretary; Mrs. Maxey Harvey of Lueders; vice president of District 2; Mrs. Bill Tucker of Ranger; vice president of District 8; Mrs. Guy Stoker of Snyder; Mrs. J. P. Best, Johnson County; Mrs. O. C. Hederson, Uvalde; Mrs. F. A. Gayle Sr., Crockett; Mrs. Pearl Adcock, Victoria; and Mrs. Press Kaster, Stinnett.

Dr. Norman Vincent Peale is one of a number of noted speakers scheduled to appear at the meeting.

Judge William McCraw To Be Guest Speaker at Masonic Barbecue

District Judge Wm. H. McCraw of Dallas, prominent in lodge, civic and political affairs over the State, will be guest speaker at the next regular meeting of Hico Masonic Lodge No. 477.

Judge McCraw has spoken at Hico on previous occasions, one of which was in connection with his candidacy for Governor.

The meeting is scheduled for 7:00 p. m., November 11, at Firemen's Hall.

This is the occasion for the annual barbecue dinner. Members have received notification from Dr. W. F. Hafer, chairman of the invitation committee. He requests that they let him know by Nov. 1 if they plan to attend.

Driver's Education Helps Students Learn Control and Safety

Members of the Driver's Education class at Hico High School have been studying their handbooks on driving. A. C. Kuhlen of the Texas Department of Public Safety at Waco came here last Monday and gave the written test. All passed with the exception of three, and these are expected to do so within the next few days, according to announcement by Supt. O. C. Cook.

In a prepared article Superintendent Cook has submitted the following information relative to this work:

Edgar Bradley Jr. is head of the Driver's Education class of Hico High School. Anyone teaching such a class must have special qualifications, and Mr. Bradley has these qualifications.

The Driver's Education class has an enrollment of twenty-nine. They are as follows:

Don Ables, Peggy Ables, Betty Eooth, LaQueta Burgan, LaQueta Burgan, Jean Clark, Wayne Chev, Clyde Gillentine, Diane Harris, Sherry Herod, La Verne Howerton, Gerald Hodges, Donald Hughes, Aleeta Jaggars, Bonnie Johnson, Doris Jordan, Tommy Leath, Donald Mayfield, Carey McKenzie, Rachel Ogle, Bobby Price, Alton Rainwater, Robert Waddell, Mary Helen Williams, Mary Beth Ogle, Quata Lowry, Sherrell Kirk, Linda Cox, and O. D. Land.

The students in learning to drive, have seven procedures to learn in order to pass their actual driving test. They are: Compartment check, first gear, second gear, high gear, reverse, skills, city and rural driving.

Since the class has passed the written tests, they will begin on the driving part very soon.

Geo. B. Golightly of the Golightly Chevrolet Co. at Hamilton is furnishing the car for the class. Mr. Golightly furnished the car in 1951 also. "He provides this car because he believes in safety education," Superintendent Cook added.

"Mr. Golightly recently received a plaque for 26 years of service in this section. "He is a good citizen as well as a successful business man. We want to thank Mr. Golightly for the use of this car. We all believe safety in the automobile will save many lives. Driver's Education in schools helps to save some of these lives."

Iredell Pre-Halloween Football Carnival Set for Friday Night

The annual Iredell Football Carnival will be held in the high school building Friday night, October 29. The carnival is sponsored by the football team and proceeds are used to purchase athletic awards for the year.

This year considerable interest is being shown in the Harvest Queen contest and a hot race is developing," says an announcement from Supt. J. M. McCroskey.

Candidates for Queens are Miss Ann Sadler, representing grade school; Miss Barbara Umphres, representing the Freshmen; Miss Jean Dunlap, representing the Sophomores; Mrs. Patsy Low, representing the Junior Class; and Miss Dorothy Bateman, representing the Senior Class.

Activities will include fun for young and old alike. Doll Racks, Country Store, Shooting Gallery, Fish Pond, Cake Walks, and throwing contests are among the attractions. No admission charge is made.

HALLOWEEN PARTY

Members of the Elubonnet Country Club have received cards notifying them of a "Gala Halloween Party" planned for Saturday night, Oct. 30.

Following a short business session starting at 7:30 p. m., entertainment is scheduled consisting of dancing, bingo, bridge and various games.

BACK HOME FROM KOREA

Corporal Tommy Joe Arnold has arrived home from Korea, where he has been serving with the 25th Division for the past 16 months. He and his wife have been visiting his parents, Mr. and Mrs. Claud Arnold. After a trip to Carlsbad Caverns, New Mexico, they expect to make their home at 1520 Oak Knoll Drive, Fort Worth.

CPS Fleet Named First Place Winner In Safety Contest

The fleet of Community Public Service Company was honored by the National Safety Council at ceremonies in the La Salle Hotel in Chicago October 21 as winner of first place in the Public Utilities Division (Group II) of the Council's 1953-54 National Fleet Safety Contest.

It was the second consecutive year that Community has carried off this coveted honor. In October, 1949, and October, 1950, the power firm was awarded first place in this contest for the Public Utilities Division (Group I). The "group" is determined by total number of miles driven by company trucks and pick-ups.

LOCAL RECORD
Assisting in making the CPS safety award possible were two local employees:
O. L. Davis, local manager, was credited with 6,800 contest miles, making a total of 188,086 miles driven without accident over a 19-year period.
Milton Dunlop, serviceman, was credited with 9,351 contest miles, making a total of 35,347 miles driven without accident over a 4-year period.

More than 1,400 fleets, operating more than 256,000 vehicles and traveling over three billion miles and representing all types of bus, truck, taxicab and passenger car fleets, competed in the NSC contest. Community Public Service operated a total of 165 vehicles (trucks and pick-ups) for a total of 1,979,177 miles during the contest period and held their accident rate to only .404 accidents per 100,000 miles. Under contest rules all accidents except those occurring when the vehicle is properly parked are reportable. Before winners are declared in the contest, the accident records of leading fleets are personally audited by representatives of the National Fleet Safety Contest Committee.

W. J. Millican of Fort Worth, safety director for Community, was in Chicago to receive the award on behalf of his company. In presenting more than 50 trophies to winning fleets of various types of businesses, Ned H. Dearborn, president of the National Safety Council, congratulated winners and all contestants for improving the accident rate over last year. All fleets bettered last year's record by 10 per cent.

Loss to Valley Mills Tightens Tigers for Tilt With Walnut Springs

D. G. Freedman ran for three touchdowns as the Valley Mills Eagles romped over Hico 34-0, in a homecoming game played at Valley Mills last Friday night.

Valley Mills dominated the game for three quarters before turning over activities to substitutes in the final period, which was scoreless.

The Eagles counted in the first quarter, climaxing a 70-yard drive when George Potter plunger over for the four.

Joe Kimbrough, quarterback, galloped 40 yards in the second quarter before Freedman took over the scoring for the rest of the night. Freedman's tallies came on 16, 4 and 20-yard carries, the last two in the third quarter.

Tackle Eldon Presser booted four out of five extra points for the night.

Ronald McKenzie and Sherrell Kirk turned in creditable performances for the losers in the backfield, and John Haley played a good game at tackle. James Alsup, guard, was a standout in the line for the winners.

The Tigers will play Walnut Springs tonight (Friday) starting at 7:30 p. m. in Tiger Stadium. From all indications the two teams are evenly matched and a good game is in store for the local fans.

Party at IOOF Home Honors Mrs. Duncan On 102nd Birthday

Mrs. Ella J. Duncan, remembered in Hico, respected and loved by those who knew her when she lived here several years ago, was honored last Sunday, Oct. 24, with a party at the IOOF Home in Ennis celebrating her 102nd birthday.

The Ennis Rebekah Lodge prepared a birthday cake and other refreshments for visitors from over a wide area.

Mrs. Duncan has been honored as the sweetheart of the IOOF of Texas for the past 12 years.

Local CPS Employees Attend Fall Meeting At Reddy's Retreat

The Fall meeting for the employees of the Central Division of Community Public Service Company was held at Reddy's Retreat on Lake Whitney on Thursday, October 21, 1954.

Employees from the local office who attended this meeting were: O. L. Davis, Andrew McFadden, and Mrs. W. E. East.

Mr. and Mrs. Milton Dunlop attended the evening meal and social hour.

CONGRESSMAN VISITS
Congressman Omar Burleson of Anson, accompanied by his wife, visited a short while in Hico Monday afternoon, and called at the News Review office.

As a member of the House of Representatives from the 17th Texas District, Mr. Burleson is taking advantage of the recess of Congress to see as many of his constituents as possible.

Although Congress is not actually in session, his membership on the Committee on Foreign Affairs and other duties attached to his office keep him busy.

POWER COMPANY WINS NATIONAL SAFE DRIVING AWARD—The fleet of Community Public Service Company won first place in the National Safety Council's 1953-54 fleet safety contest (Public Utilities Division, Group II) and were honored by NSC in ceremonies at the La Salle Hotel in Chicago October 21. W. J. Millican of Fort Worth, safety director for Community, is shown here (at right) receiving the trophy from M. A. Kraft, Chairman of the NSC Traffic and Transportation Committee. Local personnel of the power company helped win the honor by contributing to the CPS fleet's fine safe driving record.

THE NEW DUAL-CONTROL CHEVROLET loaned by Golightly Chevrolet Co. to Driver's Education class at Hico High School, was presented recently. Shown above is Geo. B. Golightly of Hamilton (center) handing keys over to Supt. O. C. Cook of Hico. At right is Fred B. Jones, also of Hico.

Fairy

By Mrs. Eunice Massengale

All are getting in readiness for the cool front expected to arrive around noon today (Tuesday) which we hope will be accompanied by rains, as grain is beginning to need rain.

We overlooked reporting the death of Mr. B. M. Raney of Littleville in last week's news letter. Mr. and Mrs. Raney lived in the Lanham community before moving to Littleville. Funeral services for Mr. Raney were held at the Riley Funeral Chapel in Hamilton last Sunday week at 4 p. m. Rev. Felix Grisham and Rev. Scott Wright officiated. Pallbearers were Ollie McDunmitt, Charles Ferguson, Dennis Harris, Scott Wright, Joe Ray and Leo Edwards. Burial was at Live Oak Cemetery by the side of his wife who passed away about a year ago. Mr. Raney was 78 and is survived by two daughters, Mrs. Vivian Parrish of Hamilton and Mrs. Joe Frieda Collins of Stephenville; four grandchildren and three great-grandchildren and a brother, J. H. Raney of Dublin. Mr. Raney joined the Methodist church in early life, later uniting with the Baptist Church. His membership was with the Stephenville Baptist Church at the time of his death. He died in the Clifton Hospital.

Patsy Ann Davis, daughter of Mr. and Mrs. Roy Davis of Hamilton celebrated her eleventh birthday on Oct. 15, at the home of her parents. Pink and white birthday cake, ice cream and cold drinks were served to the guests. The honoree was the recipient of a number of nice and useful gifts. Mr. and Mrs. Davis were reared in the Fairy community.

Pvt. Leon New, who recently spent a fourteen day furlough with his wife and parents, Mr. and Mrs. Leslie New and Anita, after completing his basic training at El Paso, is now attending an engineering school in Virginia.

Mr. and Mrs. Burl Lewis of Fort Worth spent the week end with relatives here.

Our school is sponsoring a Halloween Carnival at the school gym Friday night of this week. Our faculty members are working hard to provide a worthwhile program of entertainment. A cordial welcome is extended to the public to come and enjoy the program and carnival.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don were in Hamilton last Saturday night where they attended a family get-together and wedding shower honoring his sister and husband, Mr. and Mrs. John Anglin, at the home of their parents, Mr. and Mrs. N. S. Sellers of Hamilton. Relatives of both Mr. and Mrs. Anglin were present. Cake, coffee and fruit punch was served to those present. They received an assortment of nice and useful gifts. The Anglins were recently married at Lubbock where they now reside.

Several of the Fairy school pupils attended the State Fair at Dallas last Saturday week, also some of the parents, but we did not get the names of those who went.

Mr. and Mrs. D. E. Allison of Dublin visited with his parents Sunday in honor of his mother's birthday which was Saturday, October 23. While here they, accompanied by her sister and family, Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don, drove up to the school grounds and inspected the new elementary school building and other improvements. Both Mr. and Mrs. Allison were reared here and attended Fairy school. No doubt they could see quite a change since the days of their attendance.

Mr. and Mrs. Oran Willford and little daughters, Doran Gwen and Della spent the week end in Fort Worth with relatives.

The writer attended singing at Hazel Dell in Comanche County Sunday afternoon, accompanying the A. H. Sumerfords from Hamilton. A large crowd was present and all enjoyed one of the best singings they have been privileged to have here. On our return to Hamilton we visited a short while with Mrs. Minnie McCarty. Glad to report her much better.

Also several from here attended singing at the Church of Christ in Hico Sunday afternoon and report some good singing.

The Fairy Church of Christ will sponsor a singing on the third Sunday afternoon in November. So

keep this in mind and plan to attend.

Mrs. Maud Driver of Sweetwater visited recently with relatives here. The writer was a Hamilton visitor Monday, carrying our dog over for a rabie vaccination. While there, we met up with Ovie Brummett, who had also brought his dog along for the same purpose. He stated they returned home recently at night and found the dog playing with a skunk. Skunks are frequent carriers of rabies and are thought to have bitten our cat which developed rabies and also the two dogs of Raymond Jones that developed rabies recently. The wise procedure is to have dogs vaccinated. In this way many valuable animals might be saved and the lives of children and grown-ups less endangered.

Mrs. Hardy Parker of Hico and sister, Mrs. Bertha Barbee of Grand Prairie visited with the

writer a while Wednesday afternoon of last week. They were on their return from Hamilton where Mrs. Barbee went for dental work and returned by Fairy. They also visited with Mrs. T. L. Betts. The ladies are the former Rosa and Bertha Patterson, cousins of Mrs. Betts and the writer's late husband, J. O. Richardson. We accompanied them as far as the Fairy Cemetery where they visited the graves of their parents and many other relatives buried there.

Local Man Enters in American Royal Horse Show at Kansas City

These who have missed G. Simpson Johnson from his ranch home west of Hico, and his frequent appearances in Hico when he and his wife come in on business or for pleasant visits, will be interested to know that this 76-year-old man has been attracting national attention.

Still active beyond his years, Mr. Johnson has won prizes at cutting horse events in Texas innumerable times. This year, however, was his first time to enter as a cutting horse contestant at the American Royal Horse Show in Kansas City, Mo.

The News Review has not received information on his success at that important show, as may be understood by those who know Mr. Johnson's modesty about his accomplishments. But a friend has handed us a copy of the Kansas City Times dated Oct. 19, in which Mr. Johnson's visit to Kansas City was noted in London Laird's "About Town" column, repeated herewith:

A 76-year-old Texas rancher will ride into the arena of the American Royal building tonight to compete in the cutting horse contest.

The cattleman is G. Simpson Johnson, Hico, Texas, who owns a 1,200-acre ranch about ninety miles southwest of Fort Worth.

Men more than 45 usually don't participate, but Johnson has won first place in several Texas rodeos the last two years and has appeared at shows in Fort Worth and Dallas. This is the first time he has entered the Royal.

Johnson is tall with a sunburned face and bow legs. He practices cutting calves constantly. Last week a horse he was riding fell while working a calf and Johnson suffered a dislocated nose.

AMENDMENTS

(Continued from Page 1)

amendment is adopted, nearly \$6,000,000 will be available for transfer to the new State Building Fund in January of 1955.

This amendment has the support of the State Bar of Texas. The first building, if the proposal is adopted, must be a State Supreme Court Building and it must be dedicated as a memorial to Texans who served in the armed forces of the Confederate States.

SENATE JOINT RESOLUTION NO. 3 would increase compensation of members of the Legislature to \$25 per day for the first 120 days of any session.

Texas Constitution now provides \$10 per day for the first 120 days and \$5 per day thereafter. There is strong support and little or no opposition to this increase in pay, which most people think would about cover legislator's living expenses while in Austin.

Included in the same amendment is authority for the Legislature to set salaries of the Governor, Attorney General, State Treasurer, Comptroller of Public Accounts, Secretary of State, and Commissioner of the General Land Office.

The Governor's salary is now set by the Constitution at \$12,000, the Attorney General's at \$10,000, and the other four officials involved are paid \$6,000 a year.

Under this amendment the Legislature could not reduce salaries below these amounts, but could set them at higher rates.

Opinion does not appear to be so nearly unanimous about this part of the proposed amendment. Some people are troubled by the apparent power of the Legislature to change the salaries at will, and they point out that the Federal Constitution and many other state constitutions prohibit a change in salary during the term to which an official has been elected.

SENATE JOINT RESOLUTION NO. 14 prohibits use of the credit of the State or any grant of public money for construction, maintenance, or operation of toll roads and turnpikes.

Purpose of this amendment is to write into the Constitution a prohibition now contained in the law, but which could be changed by future legislation.

EMPLOYING CHILDREN in a useful game is the plan offered this week end by a church in Fort Worth. On Halloween, the day that adults set aside to allow children to perform all the pranks they have thought of during the year, it has been traditional that the children go around from house to house, dressed as spooks, to "threaten" the old "trick or treat" question.

This year, when many children of that same age group are less fortunate, the "trick or treat" theme will take on new meaning for some young American children. When adults answer their doorbells on Halloween, they will be greeted with a request for milk for the orphans of Korea.

Rev. Allen J. Moore, chairman of the Mission, announced that several outstanding speakers will be on the program. They are Rev. W. Sidney Roberts of Grandview, Rev. Robert E. Young and Rev. H. F. Meier, Jr. of Fort Worth. These ministers and their wives have only recently returned from the National Methodist Conference on Family Life held in Cleveland, Ohio.

"The Christian Family—the Hope of the World" is the theme of the Family Life Mission. A special feature of the Mission will be the presentation of the film, "The Family Next Door."

Wonderful Tribute was paid recently when an obituary was written for a father by his daughters. In the "Free State of Bandera" everything is just naturally different. People, customs, habits are all measured on a different scale to what they are in other more conservative communities.

SENATE JOINT RESOLUTION NO. 2 would authorize creation of county-wide hospital districts in Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant Counties.

The amendment is permissive and, if adopted, would not create any such districts itself. It simply provides that the property-owning taxpayers of the named counties can vote on such a proposal at a later date.

SENATE JOINT RESOLUTION NO. 10 Members of the armed forces of the United States or component branches would be allowed to vote under House Joint Resolution No. 10.

Two Identical Rallies Planned for Methodist Churches of District The Gatesville District of the Methodist Church will have two identical Family Life Missions for the churches of the District, according to Rev. D. R. McCauley, pastor of the local Methodist Church.

Churches in the southern half of the district will go to McGregor on Monday evening, November 1, at 7:30. Meridian will be the host to the Mission for churches in the northern end of the district on Tuesday evening, November 2, at 7:30.

Rev. Allen J. Moore, chairman of the Mission, announced that several outstanding speakers will be on the program. They are Rev. W. Sidney Roberts of Grandview, Rev. Robert E. Young and Rev. H. F. Meier, Jr. of Fort Worth.

SENATE JOINT RESOLUTION NO. 4 has to do with the terms of elective district, county and precinct offices. It would change all of those which have two-year terms into four-year terms.

SENATE JOINT RESOLUTION NO. 2 would authorize creation of county-wide hospital districts in Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant Counties.

SENATE JOINT RESOLUTION NO. 10 Members of the armed forces of the United States or component branches would be allowed to vote under House Joint Resolution No. 10.

SENATE JOINT RESOLUTION NO. 8 The last proposal on the ballot will be House Joint Resolution No. 8, which is a permissive type of amendment allowing taxpayers in counties of less than ten thousand inhabitants to vote on the question of whether they would prefer to have a separate fulltime office of tax assessor-collector.

First Baptist Church Training Union Holds First Planning Night

The last Monday night in each month has been set aside as a Training Union Planning night for the month to follow.

The first meeting of this nature was held Monday night, October 23, 1934, at the First Baptist Church with forty in attendance. Our Training Union Director was in charge for the first fifteen minutes of the meeting. Some of his plans and goals for the growth of our Training Union were outlined at this time.

Following the opening assembly, the presidents and group chairs of each union went to their regular meeting place to make their plans for the month of November. Forty-five minutes were devoted to this part of the meeting.

At the close of these individual meetings, the entire group was called back to the main auditorium at which time the services were turned over to our pastor, Rev. Joe B. Taylor. Brother Taylor outlined to the group the most successful methods of visitation; also, the best known methods of enlisting new prospects.

Remarks heard at random at the close of the service were that the meeting in its entirety was well planned and conducted.

We will be looking forward to the next regular monthly Training Union Planning meeting to be held at the First Baptist Church, Monday night, November 29, 1934, at 7:00 p. m.

Celebration Planned for Iredell Couple's Golden Wedding Anniversary

The children of Mr. and Mrs. Charles L. Tidwell of Iredell are sponsoring an open-house celebration Sunday, Nov. 7, at the Baptist recreation hall in Iredell, honoring their parents on their 50th wedding anniversary.

A cordial invitation is extended to all friends and relatives to attend the celebration, from 2 till 4 p. m.

Mr. and Mrs. Tidwell were married Nov. 6, 1904 at Iredell by Rev. W. V. Jones. They have lived in Iredell for 40 years. They have retired from the cafe business, and have led a full life in their church work.

Their children include three sons and three daughters: Dr. D. D. Tidwell, Brownwood; Charles H. Tidwell, Morroestown, N. J.; Robert W. Tidwell, Brownwood; Mrs. Dorothy Kennedy, Fort Worth; Mrs. Coleman Newman, Port Angeles, Wash., and Mrs. Leon D. Roberts, Waco. There are nine grandchildren and five great-grandchildren.

CP'S EMPLOYEE, FORMER HICOGAN, RECOVERING FROM INJURIES IN CAR ACCIDENT

Friends of the E. C. Jones family will be interested to know that Bennie Jones is now in an improved condition at the North Plains Hospital in Borger.

Mr. Jones was recently injured in an automobile collision near Borger, when his car collided with another one on a bridge, and the driver of the other vehicle was killed.

The Jones family lived here during 1944, 1945 and part of 1946, while Mr. Jones was employed as Division Engineer for Community Public Service Company. They had two children, Kathleen and Kenneth, and Kenneth has been a victim of polio this past summer but is now able to attend school half time.

The Jones family moved from Hico to Perryton where Mr. Jones is Division Engineer of the Panhandle Division of Community Public Service Company.

The Los Angeles metropolitan area has more automobiles per capita than any other. It's average is five cars for every four families.

Miss Oran Jo Pool Makes Contribution to Texas Local History

Austin, Oct. 26.—An important contribution to Texas local-history has been completed by a University of Texas graduate student as a Master of Arts thesis.

It is "A History of Hamilton County" by Miss Oran Jo Pool of Hico. Dr. H. Bailey Carroll, history professor and Texas State Historical Association director, supervised the study.

Miss Pool's Hamilton County history covers the period 1854-1934. It includes a discussion of the county's geography and resources ("factors which have influenced the economic and social conditions of the county"), the story of the first settlements and county organization, retardation during the Civil War, frontier life of 1850-1880, the railroads' influence, and the automobile's effect on economic and social development. A final chapter treats individual towns and communities.

Numerous illustrations are incorporated in the unpublished volume. Miss Pool gathered information for the history through numerous interviews with old-timers and other persons well-informed on Hamilton County history, and through letters, manuscripts and typewritten, scrapbooks, magazine articles, newspapers, government documents and books.

An appendix lists county officers for 1858-1934. Also included as an appendix is Muster Roll 74, Hamilton County, 1861. Population figures are given for each decade, 1860-1930.

A native of Temple, Miss Pool has lived in Hamilton County home since 1928. Her father, the late J. E. Pool, had served as County Judge of Hamilton County. Her mother still lives on Route 3, Hico, near Olin.

Miss Pool is a graduate of Brownwood High School and Baylor University. Since 1936 she has taught in schools at Coleman, Pharr, Abilene and Odessa.

Information regarding other county histories may be obtained from Texas State Historical Association, University of Texas, Austin 12.

Hico Band Scheduled To Play at Game for Tarleton Homecoming

Stephenville, Oct. 25.—Homecoming celebrations will move into high gear on the Tarleton State College campus this week end. The annual event takes on added significance this year in that it is being held in conjunction with Stephenville's Centennial celebration.

Highlight of the Homecoming activities will be the crowning of the queen at halftime of the Tarleton-Schreiner football game. Game-time is 1:30 p. m. at Memorial Field.

Also taking part in the halftime show will be seven bands. They are Decatur High School, Stephenville High School, Stephenville Junior High School, Dublin High School, Hico High School, Granbury High School, and the Tarleton Band.

Homecoming Queen for this year is Miss Evelyn Jo Carleton, 18-year-old senior student from Gonzales.

Activities get underway at 8 a. m. Saturday when ex-students register at the Girls' Dormitory and the College Recreational Hall. Registration will continue until noon.

The Homecoming parade will move through downtown Stephenville, beginning at 10 a. m.

Following the football game a meeting of ex-students will be held in the College Dining Hall. Coffee and donuts will be served.

Dances and a pageant are scheduled for Saturday night.

Various club meetings are to be held early Sunday morning and church services are on the agenda for the remainder of the day.

REVIEW CLUB MEETS

"Women in Politics" was the program subject at a Review Club meeting Thursday afternoon at the home of Mrs. Bernell Jernigan. Mrs. Edgar Bradley Sr. spoke on "Clare Booth Luce" and Mrs. T. E. Roberts gave a talk on "Margaret Chase Smith." The hostess served a salad plate to 16 members.

Hico Badgers and Guests Entertained At Formal Banquet

The Hico Badgers, junior high school football team, and their guests were entertained at a formal banquet last Thursday evening in the school lunchroom.

Sponsors for the affair were Mr. and Mrs. Jake Eubank, Mr. and Mrs. Grady Hooper, Mr. and Mrs. Jim Jameson, Mr. and Mrs. J. B. Wootton, Mr. and Mrs. Edson Booth, and Dr. and Mrs. H. V. Hedges.

Coach Roy Reese was master of ceremonies and the speaker was Supt. O. C. Cook. Special guests were Mr. and Mrs. L. S. Chandler, Mr. and Mrs. Porter Willis, Mrs. Joe B. Taylor, and Mrs. Cook.

Coach Reese and Mrs. Taylor led the grand march as the couples entered the banquet room. Mr. Wootton gave the invocation.

The menu consisted of barbecue, creamed potatoes, combination salad, hot rolls, iced tea, ice cream and strawberries. Plate favors were rocket pencil sharpeners and miniature banks.

Miss Judy Beth Moore, a pep squad leader and daughter of Mr. and Mrs. O. O. Moore, was introduced as the Badgers' 1934-35 queen and received a bouquet of red roses from Buddy Ables, Badger captain and her escort.

Each Badger introduced himself and his guest as follows: James Jordan—Joy Little; Jimmie Drake—Juan Williams; Buzzie Hedges—Judy Griffiths; Wayland Wootton—Joy Carol Akin; Ronnie Koonsman—Linda Driver; Elam Bernas—Wanda Chew; Tommy Johnson—Shelia Partain; Shelly Hooper—Judy Ogle; Royce Samford—Edith Johnson; Jerry Johnson—Louise Williams; Floyd Drake—Linda Patterson; Morris Risenhoover—Kay Jameson.

LaVon Pierce—Regina Ellis; Rosie Vincent—Jean Ables; Robert Chandler—Anna Lee Luckie; Charles Tolliver—Carolyn Patterson; Billy Booth—Kendall Hamrick; Butch Eubank—Velita Helley.

Following the banquet, the couples enjoyed a party in the gym, and Mrs. Jameson and Mrs. Eubank were in charge of the games.

PLAIN HORSE PLAY

By Lonnie E. Legge

IN THE days of backwoods, log barn raisings, men seemed to be stronger; but maybe not wiser as was in the case of Rube Kelley's city cousin James Walden, who was taking his summer vacation in the mountains.

Rube called James one morning as usual at four-thirty saying: "If you are going to Mose Higby's barn raising with me, you'd better light a shuck."

James answered, "All right," but he thought, "How in the devil can you build a barn in the dark?" He arose and washed in the tin basin at the kitchen-door bench. Inside the kitchen they all sat down to heaping platters of ham and eggs, hot biscuits, butter and coffee strong enough to float an iron wedge.

Break of day found them both well on their way to Mose Higby's farm down on the creek. The community men began arriving with their women folks and children in wagons, buggies and horseback. By sun-up some twenty-five or thirty men were assembled where the logs lay, peeled and notched. The work went along fast until the logs had to be skidded higher and higher by main strength and awkwardness.

Noon found them well along with the work as they stopped for the feast prepared by the neighborhood women and served on boards laid across sawhorses under the shade trees.

All the mountain people knew James Walden, but considered him a city slicker and fair game for their horse-play. He was not taking a hand in their play as he was nigh pooped with the morning's work. But when young Bill Higby began to peel an Indian turnip or jack-in-the-pulpit which he had uprooted from a clump of bushes, James' curiosity got the better of him and he asked: "What is that thing?"

"Indian turnip," Bill replied. "Is it good to eat?" he then asked.

"Sure, here take this one, I'll get another." But, Bill decided to

look for it far away from there. James finished peeling the turnip, then took a big bite, spitting it out almost with the same motion. He started running for the spring yelling:

"Hell's fire! Give me some water, I'm burning up!" He soon found out that water, coffee, milk, vinegar or whiskey would not put that fire out and it would rage for hours.

He swore, "I'll kill that Bill Higby if it's my last act." But before the evening was over and the dancing had begun the burning had stopped and he laughed with the rest of them, but probably not as loud or long.

Indian turnip does not blister but leaves a burning sensation in your mouth like ten thousand red-hot needles were sticking in it. The burning stops in four or five hours with seemingly no ill effects, but no one takes the second bite.

Some time that fall after James had returned to the city, Bill received a letter postmarked from James' home town. He tore it open hastily, wondering who would be writing from there. There were several sheets of blank paper which he turned this way and that trying to discover some writing, but all that was visible was a fine powder sifting out. "Talcum powder," said Bill with contempt as he held it up and sniffed it. He finally bundled the whole thing up and stuck it in his hip pocket while scratching his nose. Both hands started itching at the same time. He scratched first one and then the other, while various parts of his body began itching violently, and so fast it was impossible to scratch them all. As he began to itch right under his pistol pocket a sudden light seemed to burst right in front of his eyes.

Bill, who had never heard of "itching powders" before, stood still for a moment, then started home on a flatfoot run saying: "Holy cow! that city slicker has sent me the seven-year-itch."

Iredell 6-Man Team Entertaining Fairy Thursday Night

The Iredell Dragons were scheduled to meet the Fairy club in a six man game on the Iredell Field on Thursday night, Oct. 28 in a game that promised to be a close one and a hard-fought game.

"The game promises to be a thrilling contest between evenly matched clubs," stated Supt. J. M. McCroskey early this week, "and one that fans will enjoy. Both are cooking wins in this conference contest to stay in the running for top honors."

Game time is 7:30 and a big turnout was expected.

Carlton

By Mrs. Fred Geyer

CARLTON DEFEATS JONESBORO 56-14

The Carlton Rams remained undefeated in six-man football Thursday night, October 21, by defeating the Jonesboro Eagles 56-14.

Corky Wilson from the Carlton team raced 60 yards with the opening kickoff for the first touchdown. Theon Theford intercepted a pass and ran 70 yards for a touchdown. Don Barnett and Theford added 2 more touchdowns to Carlton's score. Theon Theford kicked the ball over for two extra points.

In the second half Pete Self, Bryce and Clyce Ballard added three touchdowns to the score. Whimp Chick ran two touchdowns making the score for his team 56.

Jonesboro scored two touchdowns the last half and ran two extra points making their score 14.

Carlton ran 311 yards and Jonesboro ran 281. First downs favored Carlton 15 to 12.

Thursday night, October 28, the Carlton team met Pottsville at Pottsville for the game of the season. Both teams are undefeated. Be there and back the Rams.

Last Wednesday, Oct. 20, a group of old-time Altman community residents met in the Carlton Baptist Church for an all day get-together. A sumptuous dinner was spread at the noon hour. The day was spent in singing, reviving old friendships and in reminiscing of long ago days. Several had not met in 45 years. Farmers' Cash Income Up for Past 8 Months Despite Drouth Effects

Austin, Oct. 18 - Texas farmers' cash income for January-August of this year increased 5 per cent over the first eight months of 1953, despite adverse effects of the drouth upon the agricultural picture as a whole.

The University of Texas Bureau of Business Research says this increase in farm income is encouraging, in view of the damage wrought by the drouth in the form of dry streams, low crop harvests, and parched pastures and fields. Total 1954 farm cash income through August reached \$963.1 million.

Among individual farm commodities, sharpest increases in income were in peanuts, 59 per cent; cotton, 47 per cent; and corn, 14 per cent.

Declines were registered in rice, 29 per cent; milk and milk products, 19 per cent; fruit and vegetables, 18 per cent and calves, 9 per cent.

Comparing prices received by farmers for the first eight months of this year and the same January-August period in 1953, the most notable difference is seen in the 44 per cent decrease in fruit prices, the Bureau said. This was overcome to some extent by a 14 per cent increase in oil-bearing crops and a 4 per cent rise in cotton prices. Livestock prices rose 4 per cent, but dairy products dropped 9 per cent from the January-August prices of 1953.

Rail car shipments of Texas livestock increased 72 per cent in August from July shipments, indicating stockmen's continuing policy of culling their herds as much as possible in order to conserve feed and water supplies. Livestock shipments increased 42 per cent during the first eight months of the year, compared with the 1953 period.

LIVESTOCK MARKET NEWS SERVICE

A new market reporting service on livestock auction rings in West Texas will be inaugurated by the Texas Department of Agriculture in mid-November.

The auction sales report will cover activities at 16 livestock sales each week. Eleven cities in West Texas will be represented on the report.

This new service resulted from a demand from the livestock trade for recognition in the auction ring. Reporting of auction sales in Texas is a comparatively new feature on a state-wide basis. Amarillo was the first to be reported when a similar service was begun early last spring. Previously, the auction sales received only local publicity.

The Texas Market News Service will distribute sales information throughout the state through radio and newspaper coverage. West Texas points where sales will be reported are: San Angelo, Abilene, Wichita Falls, Vernon, Brownwood, Lubbock, Goldthwaite, Lamesa, Colorado City, Eastland and Big Spring.

Mail bulletins will be available to those who request the service. In addition to the auction markets, the bulletins will carry activities at the livestock centers in Fort Worth, San Antonio, Houston and Kansas City.

Livestock auction reporting is one of the many services offered by Texas Market News, a branch of the State Department of Agriculture. The division also reports prices on poultry and eggs, fruits and vegetables, rice, pecans and turkeys.

Persons interested in the livestock bulletin are advised to address their request to: John C. White, Commissioner, Texas Dept. of Agriculture, Capitol Station, Austin.

Cattle Trade Is Weak, Uneven

Salesmen were asking sharply higher prices at Fort Worth Monday in anticipation of a reaction from the sharp breaks of the previous week. However, the buying side took a gloomy view of the huge runs reported around the 12 major markets (over 152,000 cattle and over 39,000 calves) and they also reported wholesale meat trade was very spotty and weak.

Packers reported beef running into increasingly heavy competition from pork and also the low-priced turkey and broiler chickens were making beef sales harder.

The hunting season was also putting a crimp in red meat sales as it usually does at the Fall season.

Stocker and feeder buyers reported Cornbelt buyers still inclined to resist current stocker and feeder prices, despite some really great improvement in the subsoil moisture conditions at places that had previously been reported dry.

Cornbelt farmers were still preoccupied with the corn and soybean harvest in many areas, too.

Result of this was that most slaughter cattle sold near steady with a few spots 25 to 50 cents higher on cows and bulls. Slaughter calves of choice kinds were fully steady, but the less-than-choice variety sold on a weaker basis, some 25 to 50 cents lower.

Choice stockers were steady, but those of less quality were weak to 50 cents lower.

Some typical cattle sales included the day's top load of stocker calves that averaged 530 pounds and drew \$20.50 and were consigned by Mrs. Fayette Tankersley of Irion County, Dutton & Co., McCulloch County, and a load of steer calves at \$19 and heifers at \$17. Hinson and Sons, Dickens County, had some \$17.50 calves; and Arthur P. Henderson, Concho County, marketed a load of 337 lb. calves at \$19.50.

Very few cattle eligible to sell above \$22 arrived Monday, a few yearlings from Ray Hatter of Moody, at \$21 and \$23, and two loads of steers from C. F. Mook & Son, Oklahoma, at \$22; Hildreth & Co., Parker Co., had a load of around 690-lb. heifers at \$21.25.

There were numerous loads and smaller lots of cleanup cows and bulls from Northwest and West Texas, as well as Plains and Panhandle areas. Many Northwest Texas ranches are just now getting into serious work of shaping up herds.

Fat cows sold from \$8 to \$12, few over \$11. Bulls drew \$8 to \$12, a few top bolognas at \$12.50. Canner and cutter cows drew \$5 to \$8.

Fat Lambs Top Again at \$20.00

A shipment of 103-lb. lambs topped at \$20 at Fort Worth Monday that came from C. A. Stevenson of Floyd County. Shorn fat lambs topped at \$18. Feeder lambs drew \$12 to \$15.50. All lamb sales were fully steady to strong.

Yearlings and older sheep sold fully steady. Slaughter ewes drew \$4.50 to \$6 and stocker ewes cashed at \$6 to \$12. Old wethers drew \$7 to \$11 and old bucks sold around \$4. Yearling muttons sold from \$8 to \$15.

Big enough for leadership...
 Never too big for friendship

The Independent Telephone Industry is big—double its size of ten years ago—and growing bigger by the day. Yet, for all its size and scope, it is a local industry serving local needs. It will never outgrow its friendly, responsible role in community affairs. For America's 5,100 Independent Telephone Companies, no task is too great...no service too small.

Governor Proclaims "Beef Week In Texas"

Beef Week in Texas, November 8 to 14, was made official this week when Governor Allan Shivers handed an official proclamation to Roy Parks, Midland, President of the Texas Beef Council. The proclamation urged all Texans "to eat beef at least once a day." Shown with the Governor and Mr. Parks is J. D. Sartwell, Houston, center, TBC first vice-president.

Highway Commission's Two-Year F-M Program Includes Local Projects

The Texas Highway Commission has taken the first step to inaugurate a new two year Farm-to-Market Road Program for Texas. E. H. Thornton Jr., Chairman of the Texas Highway Commission stated that the funds for this program are being derived from the Federal Aid Highway Act of 1954, matched with State highway funds on a dollar-for-dollar basis.

Thomas C. Collier, District Engineer of the Texas Highway Department at Waco, has stated that the following farm-to-market roads in this area are scheduled for work under this program:

(1) From F. M. Highway 215 at Bosque County line to 2.9 miles east of Fairy—7.7 miles in length—grading, structures, base and surfacing.

(2) From F. M. Highway 1241 at Ohio southeast to proposed F. M. Highway 2010 at the Coryell County line—3.1 miles in length—grading, structures, base and surfacing.

Mr. Collier stated that this year the Commission has authorized the development of some area roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the State.

It was announced that work will begin on these projects just as soon as final planning is completed and right-of-way secured. Resident Engineer Bruce R. Morton will be in charge of the work in this area.

Humble to Give Fans Interesting Football Broadcasts Saturday

Saturday The Humble Company will bring Texas football fans a live telecast of the Pennsylvania-Pennsylvania State game and broadcasts of four games involving Southwest Conference teams.

The Pennsylvania-Pennsylvania State game will be described from Philadelphia by Tom Harmon, Jack Drees and Bill Stern. TV time will be 12:35 p.m. over WRAP-TV, Fort Worth and KCEN-TV, Temple.

Action from the Texas-SMU game at Austin will be brought by Kern Tipton and Bob Walker. Radio time will be 1:50 p.m. over WFAA-WBAP-820, Dallas-Fort Worth.

The TCU-Baylor game in Fort Worth will be broadcast by Ves Box and Coit Butler beginning at 1:50 p.m. over radio stations KRFD, Dallas, KSTV, Stephenville, and other Texas stations.

From Houston the Rice-Vanderbilt game will be described by John Ferguson and Eddie Barker. Radio time will be 1:50 p.m. over WFAA-WBAP-570, Dallas-Fort Worth.

The Texas A & M-Arkansas game will be broadcast from College Station by Dave Russell and Jerry Duggett. The broadcast will begin at 8:00 p.m. over radio stations KPJZ, Fort Worth; WRR, Dallas and WACO, Waco, among others.

Former Hicoan Tells Interesting Sidelights About Local Geology

Earlier this month the News Review carried an article concerning a geology rarity discovered in the drilling of a water well for irrigation at the Toe-Gen Ranch of Mr. and Mrs. J. O. Horton west of Hico.

This article proved interesting to many of our subscribers, among them Rev. R. L. Jenkins, now pastor of the Amelia Baptist Church, Route 5, Beaumont. Like most former Hicoans, Bob still retains an interest in the old home town and its surroundings, and keeps up with happenings through his home paper.

This week we received a very interesting communication from him which is reprinted below in the belief that it will also interest others among readers.

I have just read with interest your account of "Toe" Horton's buried tree and can tell you where to find another like it.

While living in Arizona my son Jimmie and I got to be rather ardent "Rock-hounds" but when we moved back to Iredell our mineral collection didn't grow much. However we did some trading with Western collectors with pseudo-morphs (clam shells) and ammonites (big snails) which abound around Hico. One day we found a limb of a tree just as described in your article in the south bank of the Bosque right across the river from the baseball field at Iredell. The south bank is undoubtedly a fault and is some 30 or 40 feet above the north bank.

A geologist ought to have a grand time right in there because of the number of starts exposed. The limb of the tree is about two feet above the bed of the river, if my memory is right. The substance was a toss-up between charcoal and coal. I kept some of it for awhile but finally lost it. We picked out a good bit but there should be enough of it left to be easily found.

While I am at it, let me toss another geological curiosity into your ring. Although most of that country is limestone, people occasionally find a brown, iron-like ball right out on a mountain top. There are many of these in the red sand which might be explained as simply a lime-limonite concretion, but these on the mountain just don't fit in. I never had one assayed but they surely have a high iron content. I have showed several to geologists and always got the old "quain esbe." They might be meteoric or they might be igneous (volcanic), they say. They are never (that I know of) found below the surface which would indicate a shower of them.

You might run an ad to find if someone has found a stray meteor hole or a run-away volcano. At that it isn't so impossible since there is an extinct volcano of fairly recent (geologically) date near Austin. If you have any budding "pebble-puppies" down that way, they might be interested in knowing that they can do some red hot rock-swapppin' with the boys on the West Coast with those pseudo-morph Ammonites (big snails) that are found up there.

I'm not interested in bustin' into print. You just happened to tickle my funny-bone on that one. Here is something else that I have been meaning to send Ollie Davis for a long time: The handbill of Hico's first "talkin' pitcher." He ran the machines that night, so you might pass it on to him.

Sincerely yours,
 BOB JENKINS.

Local Scouts Accept Invitation to Prison Rodeo at Huntsville

H. H. Coffield of Rockdale, Chairman of Region 9, Boy Scouts of America and a past president of the Heart O' Texas Council, has invited all Scouts, Explorers and leaders as special guests to attend the Prison Rodeo at Huntsville on October 31.

In accepting the invitation for the local troop, Scoutmaster Weldon Pierce has issued the following plan which must be followed by those desiring to participate in the trip.

"All attending must go in complete uniform, and there must be a leader for every unit of five boys or less.

"We will meet at the Post Office in Hico at 8:00 o'clock Sunday morning, October 31, and will leave promptly.

"All boys bring what money you want to spend."

State Fair Sets New Attendance Record, Planning for Next Year

The State Fair of Texas closed its amazing 1954 exposition by setting a new national record for annual fairs. Attendance for the 16 days totaled 2,506,463, which was 223,751 more than last year. The total shattered the previous national record of 2,282,710 which the fair established in 1952.

The record was set despite two rainy days near the end of the fair. The exposition closed, however, under clear skies with 190,396 on hand for the last day, biggest closing day of the fair's history. An estimated 20,000 people attended the Cotton Bowl Religious Festival on the final Sunday.

Biggest day of the fair was Rural Youth Day, October 16, when a new world's record for a single day's attendance at any annual exposition was set. Gatekeepers counted 296,784 persons entering the grounds on that day, including more than 100,000 Four-H Club members, Future Farmers and Future Homemakers from all sections of the state.

About 68,000 people paid out \$272,734 to see 24 performances of "The King and I" in the Auditorium. Ice Cycles of 1953 drew 115,125 patrons, and 50,899 saw the Joie Chitwood Thrill Show.

The House Beautiful Face Setter House drew over 80,000 visitors, just about all that could file through the house during the 12 hours a day that it was open. A fabulous collection of historical and costly gems in the Women's Building attracted 685,527.

"It's been a great fair in every way," said State Fair president R. L. Thornton. "We've exceeded every fair attendance record in this country, and set a world's record for a single day. Now we're going to work toward an even greater fair next year."

Dates of the 1955 fair will be October 8 through 23. The Texas-Oklahoma football game will again be an opening day feature.

HUNTING DEATHS IN TEXAS SHOW INCREASE

Austin, Oct. 26.—The Executive Secretary of the Game and Fish Commission said hunting deaths this fall continue to worry safety authorities.

The total for the season to date is seven with the major wildlife harvest periods for waterfowl and big game not yet underway.

In the latest fatalities reported, two men were killed in separate accidents when their guns were discharged as they crawled through wire fences.

Two of the previously reported hunting deaths were from self-inflicted wounds.

One of the recent fatalities involved a 14-year-old boy who accidentally killed his mother as he returned home from dove hunting.

**A Word of Appreciation
 On the Occasion of**

OUR 2nd ANNIVERSARY
At THE LOCKER PLANT

We are very grateful for the splendid business the people of the Hico trade area have given us during the two years it has been our privilege to serve you.

We have been gratified at the steady increase in our business as months went by for we feel that the steady increase reflects an economic service that has brought savings and better food to our customers.

At this time we would like to point out some of the aspects of our services. We do meat slaughtering for individuals and meat retailers. Every precaution is taken to see that the meat is dressed in the most sanitary manner to conform to all state regulations. All you do is drive the animal to our plant.

Pork is cured by our stitch pump system then smoked over Hickory Wood fire to provide that distinctive hickory taste. Beef is handled by experts who cut and package it according to your family needs and who know how to handle it to retain the best in flavor.

We have the finest frozen food equipment that money can obtain. Our customers use these lockers for frozen meats and poultry, dairy products and vegetables, and hunters and fishermen of the family add fish and game.

And as in the beginning we should like for all of you to know that we are thankful for the business you have given us in the past, your support, your understanding and your friendship. Thank you very much.
