Hico School Homecoming Set For Saturday, October 15

Plans are rapidly shaping up for the fifth annual homecoming of former students of the Hico schools. Dates for the affair have been set for Saturday, October 15. The football game between Hico and Cranfills Gap has been changed from Friday to Saturday night so as to include all activities into

one day instead of two as was the case last year. Other plans call for the annual dinner preceding the game.

Miss Louise Blair is president of the association, and will announce other plans and speaker for the occasion at a later date.

All graduates and former students of the local schools are invited to keep the date in mind and make plans now to attend.

'Tiger's Lair' Staff Complete; Betty Booth Is Editor for 1955-56

The staff of the Hico school yearbook, "The Tiger's Lair," was completed last week.

Betty Booth will serve as editor for the 1955-56 edition. Other staff members are Wayne Duncan, business manager; Jean Clark, art editor; and Joyce Rae Lowe, snapshot editor. They were all assistant editors last year.

Newly-elected staff members are Carey McKenzie, assistant editor; Buddy Teague, assistant business manager; Judy Holladay, assistant snapshot editor, and Bonnie Jameson, assistant art editor.

Mrs. Rosellen Davis will be the sponsor.

Monthly Newsletter Will Serve Members Of Methodist Church

A monthly newsletter giving information about the church activities for the previous month and announcing special activities and services for the month ahead was mailed to local members of the Methodist Church last Friday.

Information is included from all the organizations of the church.

Mrs. H. V. Hedges is serving as editor of the newsletter.

M. Y. F. Leads Sunday Evening Services at Methodist Church

Regular third Sunday night youth services were conducted at the First Methodist Church last Sunday night.

The service was led by Wayne Duncan. Song leader was Virginia Jones. Kay Jameson led the congregation in prayer, and the scripture was read by Judy Griffiths.

Harvey Jones and Gary Duncan served as ushers for the service.

The youth sermonette was delivered by Buddy Teague. His subject was "Reaping What We Sow."

Twenty-three young people and sixty-nine other persons participated in the evening worship service.

Afterwards, fourteen young people remained for fun and refreshments. Refreshments were served by Mr. and Mrs. George Griffiths and Mr. and Mrs. Red Lackey.

New Class Officers Elected Last Week At Hico High School

Hico High School classes chose their officers for the year last week. New officers are as follows:

Seniors: Wayne Duncan, president; Norman Norrod, vice president; Betty Booth, secretary, and Jean Clark, treasurer.

Juniors: Andy Lackey, president; Charles Stipe, vice president; Margaret Parks, secretary, and Jerre Dunklin, treasurer.

Sophomores: Lee Flowers, president; Louise Baker, vice president; Linda McLendon, secretary, and Wayne Warren, treasurer.

Freshmen: Gary Duncan, president; Charles Tolliver, vice president; Buddy Ables, secretary, and Gail Christian, treasurer.

Mrs. Earl Booth, Mrs. Jake Eubank and Mrs. Jim Jameson were elected room mothers by the freshman class; Mrs. Grady Hooper, Mrs. H. D. Knight and Mrs. Richmond Herrington by the Sophomores; Mrs. Steve Parks, Mrs. A. H. Lackey and Mrs. B. A. Dunklin by the Juniors; and Mrs. Fred B. Jones, Mrs. H. V. Hedges and Mrs. J. D. Bertain by the Seniors.

McPherson Names Two County School Aids

Appointment of two Hamilton women to serve as aids in county school work was announced last week by W. B. McPherson Jr., county superintendent.

Mrs. Bessie Lee Fitzhugh has been appointed county supervisor of schools, and Mrs. Robert Williams has been named to her third year as county school health nurse.

Hamilton County Gets Tax Rate Cut For Current Year

Hamilton county's tax payers will be presented a smaller tax bill for the current fiscal year, Billy Wood, county assessor-collector has announced.

The tax rate for county purposes has been cut four cents per hundred dollars of assessed valuation. The rate last year was 60c and for the current year it will be reduced to 56c.

Not only will the cut in tax

rate affect the county property owners, but also a reduced valuation for the county will make the total tax payment much lower than last year.

All school districts of the county will have the same rate as last year for their school revenue, except Carlton, which will have an increase of 25c per \$100 valuation. The Carlton rate jumps from \$1.25 to \$1.50.

The Fair district has a tax rate of \$1.35, and Hico's rate is \$1.40.

Wood said the county's tax rolls have been completed and will be certified by October 1.

Live Telecast of TCU-Texas Tech Football Clash Saturday Feature

A live telecast of the TCU-Texas Tech game from Lubbock will highlight the Humble Company's football coverage for Texans this Saturday.

In addition, there will be play-by-play broadcasts of the televised game, the SMU-Notre Dame game, the Baylor-Villanova game, the Texas A & M-LSU game, the Rice-Alabama game, and Texas-Tulane game.

Telecasting of the TCU-Texas Tech game will begin at 1:45 p.m. Kern Tips will describe the game over WBAP-TV, Fort Worth, and KCEN-TV, Temple.

Broadcasting of the TCU-Texas Tech game will start at 1:50 p.m. Ray Cullin and Jack Dale will describe the action and color over radio stations WFAA-WBAP-570, Dallas and Fort Worth.

The SMU-Notre Dame game will be broadcast direct from South Bend, Indiana by Dave Russell and Dave Smith. Radio time will be 12:50 p. m. over WFAA-WBAP-570, Dallas-Fort Worth.

Texas A & M plays LSU in the Cotton Bowl in Dallas, and Bob Walker and Eddie Hill will be on hand to broadcast the action and color. Radio time will be 7:50 p.m. over WRR, Dallas, 1310, and KFJZ, Fort Worth, 1270.

Broadcasting of the Rice-Alabama game from Houston will begin at 7:50 p.m. Ves Box and Alec Chesser will describe the game over KRLL, Dallas, 1080.

The Texas-Tulane game will be broadcast from Austin by Stan McKenzie and Mike Mistovich. Broadcast time will be 7:50 p.m. over WFAA-WBAP-570, Dallas and Fort Worth.

Salk Vaccine Available for Hico Children

Dr. W. F. Hafer reported Tuesday that the Hico Clinic has received enough commercial polio Salk Vaccine for 180 inoculations.

Heretofore the vaccine has been available only to school programs for first and second grade students.

One hundred and sixty-five children have been on the waiting list since last May, when the vaccine was declared to be effective.

Dr. Hafer also stated the shipment of vaccine received is from the Eli Lilly Company, as has been all of the inoculation shots administered to the Hico first and second grade students last May and June.

Hico is one of the first small towns in Texas to receive the Salk vaccine for commercial use, the doctor said.

Future Homemakers Initiate 12 Girls Last Thursday Evening

Initiation was held by the Hico Future Homemakers Club for 12 girls last Thursday night at the home economics cottage.

New members are Quata Adkison, Bonnie Brown, Janice Tomlinson, Donna Templeton, Brenda Hutson, Sandra Howerton, Valetta Holley, Kay Jameson, Anna Lee Luckie, Jo Ann Nachtigall, Kendall Hamrick and Dorothy Zeiss.

Mrs. James Sparks was elected chapter mother. Mrs. Rosellen Davis is chapter sponsor.

Grandson of Local Lady Passes Away At Fort Hood

Capt. Joe Price Trimmier, 36, son of Mr. and Mrs. Price Trimmier of Midland, and grandson of Mrs. J. I. Tooley of Hico, passed away Monday, Sept. 20, at Fort Hood army hospital.

Funeral services will be conducted today, Friday, at Midland.

Capt. Trimmier was a veteran of 14 years army service, and had been ill for two years.

IT. SAM ABEL SPENDS LEAVE IN HICO

LT. Sam "Moco" Abel, his wife and young son, have been visiting in Hico the past two weeks with his mother, Mrs. S. A. Abel.

LT. Abel has recently returned from two years duty in Italy with the Navy. At the end of his leave he will report to Jacksonville, Florida, for a tour of duty there.

"Moco" is a veteran of 15 years service, and is a Navy pilot.

GRADUATES FROM NAVY ENGINEER SCHOOL

San Diego, Calif. (FHTNC).—Graduated August 12 from the Engineer School at the Naval Station here was Alvie L. Jones, Fireman, USN, son of Mr. and Mrs. J. D. Jones of Hico.

He entered the Navy in 1932.

INDUCTION CALL RECEIVED FOR THREE MEN IN OCT.

An induction call for three men to report for induction October 5, 1955 has been received by Texas Local Board No. 23 at Gatesville.

Thomas Lee Broome, Jai N. M., and formerly of Jonesboro, was ordered to report for induction on September 22.

"We have not received November quotas, but they will be double the October quota and there will be physical examination calls in November. The Navy will take some of the draftees on the November induction call," said Lillian H. Roach, clerk of the local board.

Mrs. W. E. East Resigns as Cashier Of CPS Company

Mrs. Merle Ganoie, a former employee of The First National Bank in Hico, has accepted employment as cashier for Community Public Service Company, and will replace Mrs. W. E. East, who has served in this capacity for the past thirteen years. Mrs. East plans to move to Waco to be with her husband.

Mrs. Ganoie lived in Hico for five years prior to her move to Stephenville ten years ago. She is making her home here with her mother, Mrs. E. M. Smith.

Mrs. East's resignation is not immediately effective, as she will remain here for a few weeks while Mrs. Ganoie is in training.

Mr. and Mrs. J. W. Wright of Dickson spent the week end in the home of Mr. and Mrs. Jim D. Wright, Mr. and Mrs. George Wright of Sarepta, La., were also guests in the Wright home.

Iredell Dragons Seek Third Win In Row Over Buckholts

Fresh from a 20-0 victory over the Venus Lions, the Iredell Dragons meet Buckholts on the Iredell field Thursday night, Sept. 22.

Iredell opened the season with a 45 to 12 victory over Carbon on September 9, and are seeking their third win Thursday night. Game time is 8:00 p. m.

The Dragons came out with a hard won victory over a stubborn foe in the Venus team. Thwarted in three attempts, the Dragons finally pushed over the first touchdown late in the second quarter, with Goodin carrying the ball. The half ended with a 6-0 score.

In the third quarter Koonsman got good blocking and uncorked a 40-yard run for a touchdown, and the victory was made secure in the final quarter with a 15-yard pass and run play from Mings to Cooper. Cooper went over for the touchdown untouched.

The Venus team offered a strong defense but threatened to score only once. This threat was broken by a pass interception by Neal Jones. Lawrence Jones was outstanding on defense for the Dragons.

Hico Cops Pennant In B.V. League With 4-3 Win Over Granbury

Well, Sunday ground out another successful season for the Bosque Valley League, with Joe Stasey and the Hico Bombers winning the 1955 pennant. This makes five pennants that have been won under the management of Joe Stasey, having won four for Hico and one for Duffau out of the seven seasons this league has been playing ball.

1956 is election year and I have noticed that on these years we have larger crowds. However the league has built up a large following and have no ax to grind on account of good crowds despite the long drought. It has been because good clean baseball that has helped to make folks forget their troubles.

As to the future of the League for 1956, no one now can predict. We will cross that bridge come spring and we thank each of you for helping us to sponsor good clean baseball games for your enjoyment.

The score in Sunday's game between Hico and Granbury was 4-3.

Subscription Business Brisk During Past Two Months

Expiration notices sent out recently right in the midst of the drought have brought a flood of renewals to the NR's subscription department. Also entered as subscribers were a few new names and a number of old friends who have come back into the fold.

Mrs. Izetta Mayhew of Sweetwater made us very happy by attaching a note with her renewal: "Sure like my paper and couldn't do without the good old Hico News Review." Then along came a note from the H. L. Sargents of Lake Dallas along with their renewal, "Two dollars is so little for so much. We do enjoy the paper a lot as it is the best way of keeping in touch."

A note from Bruce Florida, from Jackie and Red McCook who are in the restaurant business there read in part, "Sorry to be so late with my renewal, but we have never worked so much this summer, not even in Hico." Also had a nice invitation to take a rest and come to Florida visiting. Surely would love to take you up on that Jackie—we may fool you one of these days and do just that.

We wish to acknowledge other new and renewal subscriptions received since our last report, with due appreciation:

Glen Rose Rocks Tigers 49-0 In Last Week's Contest

After tasting defeat for the first time this season, Hico will attempt to get back on the winning side tonight when Blanket comes to town for a contest at Tiger Stadium. The locals, smarting from an 0-49 loss to Glen Rose last week, will be out to avenge the defeat suffered at the hands of Blanket last year.

Hico will be a slight favorite to regain their winning form in the game tonight. Several of the Hico boys suffered minor injuries in last week's game with Glen Rose, but all except Buddy Ables are expected to be ready to go at full speed this week. Buddy received a pulled ligament in his arm which will prevent him from seeing little more than limited duty.

The Blanket game could develop into a real thriller as both teams seem to be evenly matched, and fans are sure to see a good ball game come kick-off time.

Last year Blanket defeated the Tigers in the last few minutes of the game, 19-13.

Another good crowd is predicted for tonight to see if Hico can win their third game in four starts. Game time will be 8:00 p.m.

RETURNS TO NEW JERSEY

Miss Elaine Lazar of West New York, New Jersey left Sunday from Love Field in Dallas following a two-week visit here in the home of her sister and family, Mr. and Mrs. Toe Horton and sons.

Mr. & Mrs. Willard Leach Observing 21st Anniversary Today

Today, Friday, marks the 21st anniversary of Mr. and Mrs. Willard Leach at their Texaco Station on highways 220 and 6.

The Leaches have seen many changes in their 21 years of service to the public. Perhaps the foremost was when the station was turned in 1938 so as to face Highway 6, and later the opening of Highway 220 in 1940.

Willard's service has been continuous except for two years, between 1944 and 1946, when he served with the armed forces. The station was leased to Mr. and Mrs. Eugene Seago, who continued its operation until the end of World War II.

Mr. and Mrs. Leach purchased the property in 1937, and in 1938, when the station was turned to face the highway, storage space and rest rooms were added. The building was moved a second time in 1940 so as to face both highways.

The Leaches celebrated their 20th anniversary last year with the completion of the new tile stucco building housing the wash and grease bays. Willard stated that by 1959, when they will celebrate their Silver Anniversary, he expects to have other phases of his remodeling program completed so as to better serve the public.

On Page 3 of this issue Mr. and Mrs. Leach express their appreciation to their many friends for making possible this, their 21st year in business in Hico.

It Happened Here or Near

By E. E. DAWSON

Things you remember! Every one of us carries around in his noggin things that stay with him, memories that rise up on occasion whether he will or won't. This is a chronicle of two such memories that date from 1888 and 1889.

Soon after we moved to the Dr. Billie Maner farm in the bad year of 1888 (it was bad because it was so wet we did not make much cotton and we had to rely on cotton), we had a visitor: Old Lady Dewitt. Gossip had informed us that sooner or later we would have the old lady as a guest, and that she would stay as long as she wanted to. The legend about the old lady was not such as to enhearten one on the prospect of a visit.

The old lady, so the story ran, lived in Mississippi and in an altercation with a neighbor woman had cut the woman's throat, and then swam the Mississippi River and escaped and came to Texas. In Texas she married and reared a family, and all the time the reputation of a murderer clung to her. Mother was so afraid of the old lady she would not leave the kids alone with her for a moment and though Mother was not a coward by any means she kept a very watchful eye on the old woman and let her do all the talking, and fixed for her the best the home afforded in the way of food, and at

night bedded her down in the best bed of the place. She would not take a chance of offending our guest for anything. And all the women of the community had the same fear of Old Lady Dewitt.

As a matter of cold fact the old lady was harmless. She would boast a bit about her deed and her get-away, but never harmed a soul in all the years she lived in Texas. But it is desparately hard to live down a bad reputation. You get such a reputation and you will surely have to live with it forever.

The year 1889 we moved onto one of the Tom Files places, for we were renters, and on another of the Files' farms lived the Shuler family, a pretty numerous bunch. The head of the tribe was a preacher, what sort I do not recall, though we went on occasion to hear him preach at the Clabber Hill school. One thing about the Shuler family was Docia, the grown daughter. She had twenty-six given names. She kept a list of them and on occasion would read it to you. When she arrived on this mundane sphere all the kindred wanted to name her, and the parents consented and added names to their own choice until the number was twenty-six.

One Sunday afternoon an older brother and I were visiting one

LET'S GET THE PEP, GIRLS!

School has been under way for several weeks and everyone is beginning to settle down to the old routine of readin', writin', and 'rithnetic, and of course, football. Speaking of football, we would like to urge all the high school girls to join the pep squad. The pep squad needs all the girls and the football boys need the pep squad. So come on out, girls, and help make this the loudest football season Hico has ever heard. Incidentally the boys are going to make this the best team Hico has ever seen.

SPORTS NEWS

A lot of people have probably been wondering what the basketball girls are doing. Well, take it from me, they are not sitting un-

der a fan during this hot weather. There are 27 girls out for basketball.

The freshmen are Janice Tomlinson, Jo Ann Nachtigall, Kay Jameson, Brenda Hutson, Kendall Hamrick, Anna Lee Luckie and Donna Jean Templeton.

The sophomores are Regina Ellis, Linda McLendon and Louise Baker. The Juniors are Peggy Ables, Quata Burgan, Queta Burgan, Betty Drake, Jerre Dunklin, Sherry Herod, Bonnie Johnson, Maxidine Luckie, Myrna Mayfield and Rachel Ogilvie.

The Seniors are Kathy Sparks, Betty Booth, Joyce Lowe, Monette Salmon, Margo Battershell, Nancy Stephens and Jean Clark.

Few of the girls have any experience, but all are working hard to make up for this handicap and

will give their full support to the Hico School this year.

F.H.A. INITIATION PARTY

On Thursday night, Sept. 15, the Hico F.H.A. Chapter had an initiation for the freshman and sophomore girls.

A short business meeting preceded the party to elect a Chapter Mother, who was Mrs. James Sparks.

Those present who were initiated were the following: Kay Jameson, Anna Lee Luckie, Janice Tomlinson, Brenda Hutson, Kendall Hamrick, Donna Templeton, Joan Nachtigall, Bonnie Brown, Sandra Howerton, Valetta Holley, Quata Adkinson, Sandra Aycock, Mariletha Churchill, Virginia Jones, Valerie McFadden, Linda McLendon and Reggie Ellis.

Several games were played and after the games, refreshments were served to the Juniors, Seniors, the above mentioned and Mmes. Parks, Hutson, Templeton, Sparks, and Davis, the Homemaking Teacher. The initiation closed with the singing of the F.H.A. Song and the Prayer Song. Everyone reported to have had a very enjoyable time.

CLASSES ELECT OFFICERS

The 1955-56 class officers have been elected and they are as follows:

Senior Class: President, Wayne Duncan; vice president, Norman Norrod; secretary, Betty Booth; treasurer, Jean Clark.

Junior Class: president, Andy Lackey; vice president, Charles Stipe; secretary, Margaret Parks; treasurer, Jerre Dunklin.

Sophomore Class: president, Lee Flowers; vice president, Louise Baker; secretary, Linda McLendon; treasurer, Wayne Warren.

Freshman Class: president Gary Duncan; vice president, Charles Tolliver; secretary, Buddy Ables; treasurer, Gail Christian.

SPOTLIGHT

It has been a long time since I have had my beam focused on "good ole Hico" but I'll be around for some time now, to see what's going on.

Friday night I hear a big roar up toward the football field. As I go to investigate I find a football game going on. We are sorry the way it ended, but everyone was there showing the good old school spirit. After the ball game I see a light in the Firemen's Hall so I go to investigate. I found they were having a dance. Some of the couples are Sandra A. Duckie W., Nancy S., Robert B., Linda M., Sherrel K., Margaret P., Wayne

D. Due to certain circumstances the dance ended at 11 o'clock. What's the matter boys, did you see the coach coming.

Well it's finally Saturday night and what do I find besides another light in the Firemen's Hall? Of course it's another dance. I feel sorry for the parents of these kids. They have to buy so many shoes. Some of the couples enjoying the dance are Nancy S., Robert B., Margaret P., Wayne D., others enjoying the dance are Linda M., Sandra A., Julia H., Sherrel K., Duckie W., Wayne C. Also riding around I see Joyce Lowe and Eldon N. As I venture up toward Dublin I see two motorcycles really making tracks. So I go to investigate. I see Mary Williams, Lowell Lowrey, Aletta Jaggers and Jerry Dariland. Also in Dublin I see Monette Salmon and Shorty Dove.

Sunday afternoon in town I see Linda M., Sandra A., Duckie W., and Jimmy T. Did you girls get some good pictures? Sunday night I see a two-tone Pontiac head out toward Stephenville. As I go to investigate I find Linda M. and Billy Harris. Also in Stephenville I see Sandra A. and T. C. Edmondson. Back in Hico enjoying the movie I find Peggy A. and Gene B. Also riding around I see Joyce L. and Donald Seal, and Butty T. and Regina Ellis.

I had a little bulb this week, but I'll be back Monday with a larger one.

FAIRY

By Mrs. Eunice Massengale

We are still needing rain badly in this section of the county and hope the weatherman sees fit to send us a good rain soon, as it will soon be grain sowing time.

Cotton pulling was almost completed last week. The yield has been very light.

We are sorry to report that Mrs. Brittle Little has been a patient in Hico Hospital since Wednesday of last week. However, she is improved and was able to return home Monday.

Mr. and Mrs. Dalton Driver of Grand Prairie spent the week end

with their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. H. H. Wolfe. His mother, who has been ill for the past few weeks, accompanied them home and will visit a few days in the home of her daughter, Mr. and Mrs. Calvin Anderson and family.

Mr. B. A. Forsythe of Beaumont returned home last Wednesday after visiting several days in the home of Mr. and Mrs. Scott Blakley, Lera Jane and other relatives. He is a cousin of Mr. Blakley.

Mr. and Mrs. J. D. McCoy and Jerry of Burlington and Mr. and Mrs. Johnnie McCoy and family of Dallas visited Sunday with their parents, Mr. and Mrs. J. L. McCoy.

Mr. and Mrs. Carl Ray Sellers

and her sister, Mrs. D. E. Allison and daughter, Mrs. Wayne Pittman of Dublin were shopping in Waco Wednesday of last week. Mrs. Allison also went for a physical examination at the Hipps Clinic but learned after her arrival that he was ill and in a hospital.

Mr. and Mrs. Will Driver of Dallas visited from Wednesday until Sunday in the home of his brother, Mr. and Mrs. Frank Driver.

Mr. and Mrs. Claude Driver of Cleburne also visited in the home of his brother, Mr. and Mrs. Frank Driver Sunday. While here Will and Claude visited one of the uranium sand centers at Hamilton.

Mr. and Mrs. Waynard Allison and Johnny of Baytown came in Sunday night for a visit in the home of his parents, Mr. and Mrs. Edd Allison and other relatives.

Mr. and Mrs. Scott Blakley, Lera Jane, and Mrs. Carl Ray Sellers were shopping in Waco Saturday.

The writer attended singing at Warrens Creek Baptist Church Sunday afternoon, accompanying Mr. and Mrs. A. H. Sumerford from Hamilton. On our return to Hamilton the writer visited a while with Mrs. Minnie McCarty at the Hurley rest home before returning home.

Mr. and Mrs. Edd Allison visited Sunday afternoon in the home of their son, Mr. and Mrs. D. E. Allison and Darrel of Dublin.

Mrs. Dimple Gordon and three daughters, Gay, Kay and Jimmie have moved to the Tullios Randsals place, formerly known as the Mont Young place. They have been residing at the Mrs. Ludie Young place for the past several years. The daughters attend Fairy public school. Mrs. Gordon and her daughters are active in all school activities and we are glad to know they will be more conveniently located.

It seems that rattlesnakes are getting to be a very frequent find over the county. According to a report in last week's Herald-News a five-foot vicious reptile was killed last Thursday week on the Lagree West farm near the Leon River in the southwest Lanham community. The snake measured eight inches in circumference. The snake was found near a bluff in the pasture.

Recently while Carl Ray Sellers was repairing a field fence for the writer he decided to put in a post in an Armadillo hole. As he began to dig the hole deeper, a baby rattlesnake emerged from the hole. Killing it he proceeded to dig and one by one eight more came out. After killing nine he found and killed the mother snake in the same hole. But what makes us shudder all the more is the fact that this scribe and our dog were over at this fence row a few weeks prior to the find and our dog began to dig in this hole and seeing what we thought was a portion of an Armadillo we reached down with our bare hand to dig away the soil, only to find it was a portion of a sunflower stalk. Well, the next time we'll let the dog do all the digging.

Mrs. M. E. Parks and Audie visited Sunday afternoon with their daughter and sister and husband. Mr. and Mrs. Delbert Pack of Stephenville and remained until after church services Sunday night at the Church of Christ.

Mr. and Mrs. Frank Hanes, Martha and Mike and Mrs. H. H. Hanes of Jonesboro visited relatives in Dallas over the week end.

DUFFAU

By Mrs. Pascal Brown

Mr. and Mrs. W. C. Urwin spent Sunday, Sept. 11 with friends and relatives in Austin.

Mrs. W. C. Urwin has been at the bedside of her father, R. A. Ramsey of Poney Creek. He suffered a heart attack last Tuesday and was seriously ill for several days. Glad to know he is very much improved at this writing and hope he will be able to return home from Stephenville hospital real soon.

Mrs. G. C. Wilks of Walnut Springs was sick and taken to Mr. and Mrs. William Anderson's home Sunday.

M. E. Harding was called to Rankin Tuesday night following the death of his brother-in-law, Mr. Tom Mitchell, after a long illness. Our heartfelt sympathy goes to the family.

Mrs. Alire Cline of Sweetwater is visiting in the home of Mrs. F. M. Holland and Mr. and Mrs. E. E. Giesecke.

Glen Owen of Abilene preached at the Church of Christ Sunday and was a dinner guest in the home of Mr. and Mrs. Pascal Brown and family.

Mr. and Mrs. A. B. Naul and family of Iowa Park spent the week end at their home here.

Mr. and Mrs. P. D. Ash and son Dale of Stephenville spent the week end in the home of her parents, Mr. and Mrs. Pascal Brown.

Mrs. John Brumalow and her daughter of Ranger visited Mr. and Mrs. C. D. Herrin recently, and family.

Mr. and Mrs. Larry Eades and daughter, Terry Ann and Mr. and Mrs. F. C. Lindsey and sons of

McGregor visited Saturday night and Sunday with Mr. and Mrs. Huel Lindsey and family.

Mr. and Mrs. B. R. McLendon, Dale and Lou Ann visited in the home of Mr. and Mrs. L. T. Witt and Anada Saturday.

Mr. and Mrs. Claude Ray and grandson, Larry of Clairette visited Sunday in the home of Mr. and Mrs. Chester Land and family.

Mr. Huel Lindsey was in Dallas part of last week at the bedside of their son, James, who was a patient in the hospital there following an operation.

Roy B. Lawrence is greatly missed at school. He will be confined to his bed for six weeks suffering with rheumatic fever.

Quite a lot of traffic and excitement around Duffau lately. The store of Mr. and Mrs. J. E. Sessoms is being moved back on account of the farm to market road, and the Magnolia pipeline is being taken up and rewrapped.

Mr. and Mrs. G. R. French, Agnes and Junior, Mrs. Pauline Kinnidy and Miss Tina Rogers of Fort Worth and Mr. and Mrs. Marshall Rogers, Marsha and Carol of Stephenville were guests in the W. C. Rogers home this week end.

Mr. and Mrs. R. T. Ratliff of Glen Rose visited in the home of Mr. and Mrs. J. E. Sessom Sunday afternoon.

Mr. and Mrs. E. W. Willis and family of Fort Worth visited in the home of Mr. and Mrs. C. E. Guthrie during the week end.

Mr. Watt, school supervisor of Stephenville, visited school Friday.

Mr. Baxley of Stephenville visited school Monday and was taking the children's pictures.

Mr. and Mrs. J. W. Dohoney Jr. and children, Martha Dean and Mike of Cleburne visited Mr. and Mrs. Boyd McClure and children Sunday.

Mrs. Mamie Jo White, school nurse of Stephenville, spent Monday at school testing the children's eyes.

Mr. and Mrs. A. L. Flowers of South America arrived here last week at their farm home. Alvin and Mike have been here the past month attending school.

Mrs. M. E. Harding is visiting in Corsicana with her parents, Mr. and Mrs. S. C. Sullivan.

COUNTY
AGENT
REPORTS

By E. R. LAWRENCE

For the past twenty years, Emil Stegemoller, between Pottsville and Indian Gap, has been in the dairy business. He has seen some good times and some hard times come and go but he has stayed with the business. One reason Emil gives for this is that he has put up silage for his herd each year during this time with the exception of last year. This was because there was no feed made on his farm or of the farms around him which he could buy. In 1951 and 1952 Emil bought feed, standing in the fields, as far as 20 miles from his place, cut it and hauled it to his silos. I think this is an indication of the value a dairyman places on silage. Emil has used many different kinds of harvesters and he recommends the row type cutter head over the broadcast type. He says he has found the row-type better to cut the tall growing feeds like sargo. Not only does Emil run a dairy, but as a sideline he has around 600 good laying hens. The eggs from these hens are sold on a graded basis. Emil spends a few hours each day cleaning eggs, and sorting them as to size when he cases them. He says this pays him an added profit on each case. Dairying is slowly increasing in the county and I am of the opinion that 500 to 1,000 or more laying hens goes right along with dairying. Both these require punctual attention and good management and if one can make a successful dairyman, I believe he can also make a successful poultryman.

A few years ago Emmitt Morris sold his farm on the river north of Hamilton and moved to town. He has not been idle either while he has been living in town. He has bought some land on the south of the town site and constructed several houses which he rents. These houses were constructed on land that had once been in cultivation and naturally had no trees growing on them. Emmitt is doing something about this though. Last fall he planted in a cold frame at the back of his home, about a hundred pecan seed. These came up this spring to a good stand. Emmitt cared and minded them like an old hen with one chick and today these trees are about 16 to 18 inches high. He plans to set out these small trees around the home he has and one of these days, there will be some mighty beautiful pecan trees growing all over that part of town where Emmitt lives. I think this is a most commendable project for anyone to undertake and one that grows more beautiful each year and increases in value as the years go by.

I notice in one of the farm magazines where they can now feed hens that lay eggs with brown shells a material that will cause the shells to be white. Nothing more than this was given in the article.

Some are asking about fish delivery and when will it be made. Two sources supply fish, one the State Game Department and the other is the Federal Wildlife Service. Those fish that came in last week came from the State Department and the ones I ordered will come from the Federal Wildlife Service and you will receive a notice from the hatchery when they are to arrive—which I do not know when but I would say in the near future.

Ice Stars at State Fair

The incomparable Margaret Field and the spectacular Jimmy Lawrence are starred in the Ice Capades international edition being presented Oct. 7-23 at the Dallas Ice Arena during the State Fair of Texas. Mail orders for the big ice extravaganza now are being accepted through Box 7772, Dallas.

Granite in the capitol building is more radioactive than the dirt being used by Texas mushrooming "uranium dirt-sitting" businesses. So say state health department officials.

Landowners near uranium strikes have erected benches and charge patrons \$2 to \$3 an hour to sit with their feet in the supposedly irradiated dirt. Hundreds of people seeking relief from arthritis and other aches have patronized the places.

After analyzing the dirt, Dr. Henry Holle, health commissioner, said that dirt-sitting does no actual harm—except that it may encourage an ill person to delay visiting a physician.

Farm Hearing Stated.

Texas farmers can have their say on federal farm policy at a U. S. Senate committee hearing Nov. 5 in Fort Worth.

John C. White, state agriculture commissioner, is arranging the meeting at the request of the committee chairman.

Drought Aid Sought.

Federal disaster aid is being sought for Texas drought-stricken areas.

Governor Allan Shivers asked President Eisenhower to designate as disaster areas counties to be specified by the U. S. Department of Agriculture state drought committee.

Crop Production Falls.

Texas crops are falling below estimates, according to the USDA.

Although above-normal amounts of rain fell in some areas, it did not come where and when it was needed most, said the report. Eastern and southeastern counties, where harvest already had begun, were soaked. But in the west and northwest, dryland cotton and sorghum fields languished.

Water Application Undecided.

Still to be decided upon is the application for more Pedernales River water to irrigate U. S. Sen. Lyndon Johnson's Gillespie County farm.

Originally scheduled in July, hearing before the State Board of Water Engineers has been postponed three times. No new date was set last week.

Downstream landowners had protested that Johnson's water storage already worked a hardship.

Hospitals Approved.

Five Texas hospital projects have been approved by the State Board of Health for federal aid money.

They are Collin County Hospital at McKinney, City Hospital at Graham, City-County health center and All Saints Hospital at Fort Worth, and the Shelby County Hospital at Center.

Short Snorts

Former Deputy Secretary of Defense Robert B. Anderson, once considered a possible gubernatorial candidate, is apparently out of the running. He is to become president of Ventures Ltd., a Canadian holding company with mineral interests spread over two continents.

Atty. Gen. John Ben Shepperd is the newly-elected president of the 53-member National Association of Attorneys General. He was elevated from vice president at the New Hampshire convention.

Selection of a new Democratic National Committeeman, to replace ousted Wright Morrow, has been

postponed by the Democratic State Executive committee until Oct. 6. Also it will meet in Waco instead of Fort Worth.

Over the week-end Gov. Allan Shivers attended his first meeting of the National Civil Defense Advisory Commission, to which he was appointed by President Eisenhower. It was held in Omaha, Neb.

Mrs. Mary Joe Carroll, wife of a UT history professor, made feminine legal history by emerging as high scorer in state bar exams. She works for the Austin law firm of Looney, Clark and Morehead.

Texas' new Advisory Committee on Atomic Energy, created by the Legislature, was appointed by Gov. Shivers, with Dallas attorney Frank Norton as chairman. Its 17 members were selected from major fields and potential activity in atomic energy research, development and application.

Texas received another batch of 157,644 "shots" of salk polio vaccine from Eli Lilly and Co. of Indianapolis. It went direct to commercial drug channels, to be used outside the school program, on doctor's prescriptions.

Irving school teachers, accused of "going on strike" in protest when their superintendent was temporarily fired, won a victory in district court in Austin. Judge Jack Roberts denied an application of Irving taxpayers seeking to compel Commissioner of Education J. W. Edgar to forfeit the teachers' certificates. Judge Roberts ruled that the plaintiffs had no "justifiable interest" in the matter, and that the courts probably had no jurisdiction.

Texas Turnpike Authority received a low bid of \$1,856,822.07 on the first unit of construction of the Dallas-Ft. Worth toll expressway. It was made by Austin Bridge Company and Austin Road Company, both of Dallas.

Lyle C. Harris, longtime member of the Board of Pardons and Pardoners, died only two months after his appointment for a new six-year term.

Adlai Stevenson will make a non-political speech in Austin on Sept. 28 in UT's Gregory gym.

Texas contractors look to 1956 as one of their biggest years in history. Future building projects already approved by federal, state and local government unit total \$1,760,909,219.00. Construction during the first eight months of 1955 totaled \$613,610,219.00. That's 558,000,000.00 over the same period last year.

Low bids totaling \$12,960,408.00 on 46 road building projects were tabulated last week by the State Highway Department.

Bond issues hit an all-time high of \$426,000,000.00 on public works projects in Texas cities, counties and school districts during the past year.

SWISS BULL PURCHASED BY DORSEY PATTERSON

Dorsey Patterson of Hico, has recently purchased the registered Brown Swiss bull, Texas' Prince's Royal Harry 118454, from Gatesville State School for Boys, Gatesville, according to a report from Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

Hog Receipts Light, Market Strengthens.

Movement of hogs to Fort Worth was seasonally low. The 12 major markets had 10,000 fewer swine and other major markets Monday than a week ago and 20,000 less than the same date a year ago. Prices were 25 cents higher at Fort Worth, with top hogs at \$17.25 to \$17.50. Sows drew \$12 to \$15.50

September is 'Better Breakfast Month.'

Did you eat a good breakfast this morning? If you fixed breakfast for others, was it a good one? Here's a three-point test of a good breakfast: It gives you materials for body building and repair and to help keep you healthy. It provides fuel for body energy. It tastes good. The question is asked, how big is a good breakfast? For many people and particularly for children, it is sound planning to have one-fourth to one-third of the day's food at breakfast and to include sources of protein, such as eggs, lean meat, or milk. But there's no hard and fast rule on amounts, for instance a man who does heavy work will need a more substantial breakfast than a desk worker. One thing is certain—going without breakfast is a bad start for the day. Some studies show that workers who skip breakfast get less done in the first working hour than those who tuck away a good meal before work. And as the morning goes on, the hungry ones grow less efficient. After lunch, they do better; then they slow up again. What happens to these workers happens to homemakers too, and to everyone else. It's especially true for children. A child who eats a good breakfast

has a better chance to do well in studies and games. What is in a good breakfast? Here are some patterns, all the way from light to hearty:

1. Fruit, cereal or bread, milk to drink.
2. Fruit, bread, egg, beverage.
3. Fruit, cereal, eggs or meat, such as sausage cakes, hash or fish, bread and beverage. Is breakfast a problem meal? Don't give up, try to solve it.

Some people try to keep from gaining weight by eating a bird-sized breakfast, or skipping the whole meal. It's a far better plan to eat a good breakfast, and learn enough calorie arithmetic to even out your day's quota over the three meals. More calories than you need for work or play—that's where fat begins. For work and for warmth, your body uses as fuel mainly starch, sugar, fat. The amount of fuel that food provides is figured in calories. All foods give you calories—some many, some few in a given-size portion. There are about 100 calories in each of these: 1 large orange, 1 large apple, 1 banana, 3 large prunes, 1 thick slice of bread or 2 thin slices, 1 medium-sized potato, 1-inch cube of butter or margarine, 1 ounce serving of dry cereal, two-thirds cup of milk, 2 slices cooked bacon, one and one-third eggs, about 5 teaspoons sugar.

An average size woman, sitting still, uses calories at the rate of 80 an hour. While she walks to work, she uses 160 an hour; as she rides a bicycle, 195; if a factory metal worker, 192; dancing, she uses about 250 calories an hour, swimming, 400. Even in sleep, she uses calories—about 50 an hour. For one's day's living an averaged-size man who is a desk worker requires about 2,400 calories from his food. An average-size woman who is a typist or housewife with a small family requires about 2,000. An active farmer needs 3,000 to 3,500; a farmer's wife, 2,400.

Milk Glass... by

The pieces we show might be right out of a collection of antique milk glass. They have the same mellow look—and there's a reason for it. Fostoria makes milk glass in much the same way it was crafted in early times—by hand. We show just a few pieces here; we hope you'll come in and see them all. They're a charming choice for gifts, or for your very own pleasure.

From where I sit... by Joe Marsh

...Makes a Man Healthy, Wealthy—and Tired!

Sandy Peterson's nephew Pete has gone back to college. He worked on Sandy's farm a couple of months last summer to get hardened up for football.

He seemed to enjoy farm life all right—but like most city kids it took him some time to get used to a farmer's schedule.

Sandy claims that when he went in to wake Pete—on the first morning—the boy looked up startled and asked what time it was. Sandy replied it was four-fifteen. "Gee," Pete murmured, "if we're going to do a day's work tomorrow you'd better get to bed!"

From where I sit, we must have heard a million stories like that. But they show how some people assume their customs are the only proper ones. To most city folks getting up at 4:15 seems odd, because they don't do it. Just like some people don't think enjoying a glass of beer is "right" . . . because they happen to prefer another beverage and haven't waked up to the fact that everyone has a right to his own choice.

AN EXPANDED TEXAS MARKETING PROGRAM

The Texas Department of Agriculture is inaugurating a new marketing service designed to help farmers sell their commodities in these days of economic change.

Texas is no longer a "one or two crop" state. In recent years, emphasis has been switched to a more diversified system of farming which brings with it a whole new set of problems.

Thousands of acres of Texas land normally planted to cotton and a few other main cash crops, have been diverted to lesser commodities because of planting allotments and acreage restrictions. These "new" products must be sold. And in most cases, the farmer is unfamiliar with the demand for his goods—no nearby markets exist. In such cases a market outlet must be found, or even created.

The Marketing Division of the TDA is making a survey of these new crops and possible markets. Where possible, the department will act as a clearing house of supply and demand information for the farmer.

In addition, many farmers whose main cash crops have failed will need assistance in selling secondary crop which they would normally keep and utilize on the farm. At the other extreme, when bumper crops are produced, then storage space must be found until they can be moved into trade channels at a normal rate. A sudden dumping of bumper crops on the market could result in a serious price collapse.

Still another phase of the new project will be demonstration and research projects on proper handling, packaging and shipping of perishable Texas commodities. Many thousands of dollars are lost each year because normal precautions are not exercised in getting crops ready for the market. The TDA will endeavor to correct those practices which result in poor quality fruits and vegetables—and a corresponding decrease in value.

For further information on these projects, write John White, Commissioner, Texas Department of Agriculture, Austin 14, Texas.

LET'S TALK LIVESTOCK

BY **TED GOULDY**

Over 162,000 Cattle and Calves Marketed Monday.

The Fall movement of cattle to market around the major marketing circle hit its highest level last Monday for the season. The 12 major markets reported more than 162,000 cattle and calves and many of the Cornbelt markets had the largest runs since last Fall.

Prices were inclined to weaken on most cattle and calves at nearly all markets, and that was pretty much the story at Fort Worth, too.

Relatively large numbers of cows and heifers were reported at most markets, but the calves continue to be marketed in considerably smaller numbers than a year ago. This holding on the farms of larger numbers of calves appears to be about offsetting the increase in cow and heifer slaughter at most points.

General feeling among the trade at Fort Worth is that there is now small likelihood that there will be a really significant change in the cattle population at the turn of the year.

Comparative Prices in Line With Last Week.

Good and choice fed cattle were scarce at Fort Worth Monday, a few such selling from \$19 to \$22, and few eligible to sell above \$21 were in the offering. Common and medium steers and yearlings \$12 to \$18. Fat cows \$9.50 to \$12, and canners and cutters \$6.50 to \$10. Several strings of cows Monday included R. T. Foster, Sterling

County, a load of 1,030-pound cows at \$10.50; R. J. Coke, Dallas County, had some 743-pound cows at \$12. Seven J Stock Farm, Houston County, sold 60 cows at 1,014 pounds at \$12, and 20 at 977 pounds at \$10. They also had three loads of 427-pound yearlings at 17 and a load at 432 pounds at \$18. LaRue Stock Farms, Houston County, had a load of 431-pound yearlings at \$17 and a load of 382-pound calves at \$15.

Fat calves of good and choice kinds drew \$16 to \$17.50, some heavies to \$18. Baby beef calves of 600 pounds and up sold into yearling beef channels up to \$20. Common and medium slaughter calves \$10 to \$15. Stocker steer calves \$20 down. Yearling stockers \$18.50 down. Stocker heifers and stocker heifer calves sold \$2 to \$3 under similar steers. Stocker cows sold from \$8 to \$12.50, and some light young cows reached \$14 late last week.

Hereford Feeder Calves Averaged \$94.45 September 16.

The special Hereford feeder calves show and sale at Fort Worth last week featured 2,611 head that sold for \$246,613.34, to average \$94.45 per head. Top price was on the champion twenty lot of steers consigned by Scaling V Ranch, Clay County, that brought \$24. Champion ten lot of steers from Marvin Shaw, Bowie, cashed at \$23. Two car loads of J. E. White, Jr., steer calves from Van Horn brought \$22. Miles Cattle Company, of Cresson, champion pen of heifers topped at \$20.

Bulk of the choice steer calves sold from \$19 to \$21, and better kinds of heifers sold from \$17.50 to \$19. Some of the plainer kinds scaled down around \$15.50 to \$16.50 as usual.

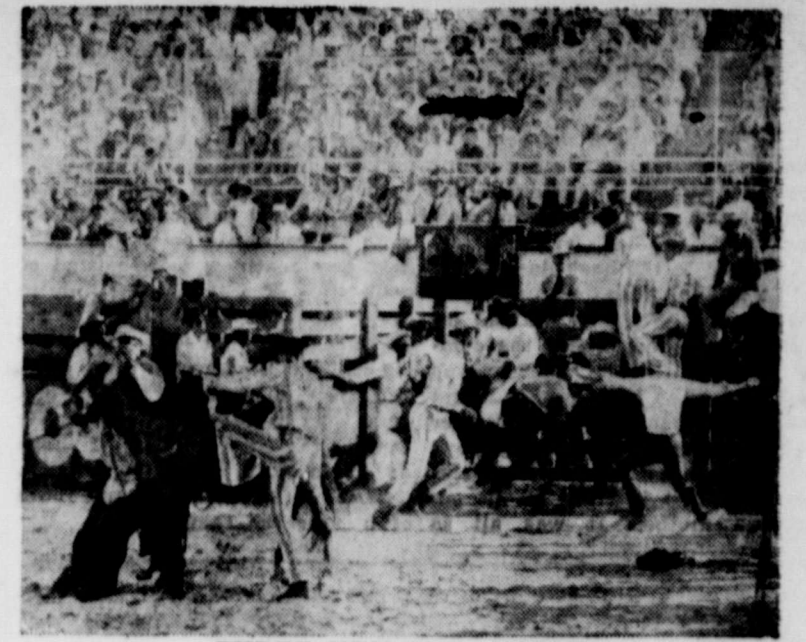

The offering was the largest yet for any of the feeder calf shows and sales at the yards. Again aver-

age prices were around 50 cents to \$1 per hundred above current market values, and some of the top load were up even more.

Sheep Steady, Lambs Sell Steady to 50c Off.

Fat lambs topped at \$18.50 Monday at Fort Worth and strictly choice lots were quotable above that figure. The slaughter lamb trade was weak to 50 cents lower, and feeders were steady to weak. Good feeder lambs sold at \$15 and choice light lambs are quotable well above that. Yearling muttons sold from \$8 to \$15.50, and aged muttons drew \$8 to \$11.50. Old ewes drew \$4 to \$5 and old bucks sold around \$4.

IT HAPPENED—

(Continued from Page 1)

of the Shuler boys of our age. The house was full of children and in-laws and grandies. It looked like a small army. All at once three men appeared at the back of the house and slipped in the back door. Then such a shouting and clapping you never heard. When we walked into the front room where the commotion was, the old mother was beating a man on the head and back and shouting with all her might, as if she were in a religious meeting. On the floor on his knees the man knelt in front of his enraptured mother. It was all so

strange to us two boys that we could not comprehend it.

We soon learned the truth. The man had been in the penitentiary and had escaped and then slipped in home to see his folks. He had a life term and in those days there were no reprieves or paroles. The next day sentinels were posted at a distance of a third of a mile in every direction, the old father being stationed not far from our house. That kept up for three days, and then it ceased. The boy had gone west to keep his freedom. He was never apprehended; I hope he made good in a new land, though we never heard any more of him or the family.
