HICO, TEXAS OCTOBER 7, 1955.

NUMBER 22.

HERE'S PROOF—Proof that the test well on the Cal Laney farm that has caused so much excitement in this territory the past two weeks, made a showing, is given in the above picture. In the lower right-hand corner can be seen a small flame burning from gas which was escaping from the well through drill stem tests. Although the well was heavily "mudded", enough gas was coming through to make the flame shown above. The drilling operations

were halted Monday at approximately 2700 feet. Complete tests will be made on the well today, Friday, and everyone concerned are hoping for favorable reports as to whether the gas will be in sufficient quantities to merit production. In the meantime the drilling rig was being moved to a new location one-half miles northeast to the L. F. Martin farm, which is now known as the Witt place, where a second test will be made.

Ex-Students Will Gather In Hico Next Saturday, Oct. 15

Plans are nearing completion for the ex-student homecoming of Hico Schools, which will be held Saturday, October 15, Miss Louise Blair, president of the association, has announced.

More than 250 notices have been mailed to ex-students, and all exes in this area are urged to be present to assist as hostesses to all of the out-of-town guests. Miss Blair pointed out that it takes everyone to make these homecomings a success, and asks for as much assistance as possible to make this the biggest homecoming Hico has ever had.

Everyone is invited to attend the barbecue dinner and program at the Elementary School Lunchroom at 5:30 p.m. Tickets may be secured for the dinner Saturday evening by contacting any of the homecoming officers. All teachers of the Hico schools are invited to come and visit with their ex-students and friends.

Schedule of events include the program and dinner at 5:30; and at 8:00 o'clock Hico will play their homecoming football game with Cranfills Gap at Hico Stadium. After the game a dance and get-together will be held at Bluebonnet Country Club.

A new feature will be included in the homecoming program. A meeting of lay leaders and pastors of the Gatesville District of the Methodist Church met at Hico Tuesday night for their regular quarterly meeting. Approximately 75 persons attended.

The meeting was presided over by Dr. Archer of Meridian. Mr. Stringer and Rev. Price of the Hamilton Methodist Church brought the program which was a discussion of what laymen expect of their pastors and what pastors expect of lay members of the church.

The meal that was served by the local group consisted of hot dogs, chili, beans, green salad, tea and ice cream. Those preparing and serving the meal were Marvin Marshall and Mrs. Marshall, Jewel Ramage, Tom Strepy, Tyrus King, Mrs. Morgan Garrett and the pastor.

Scouts Will Attend Football Game At Waco Saturday Night

Baylor University Athletic Department will honor all Cub Scouts, Boy Scouts, Explorers and their leaders at the October 8th football game at which time Baylor plays Arkansas.

All Boy Scouts, Cub Scouts, and Explorers of Hico have made plans to attend. All boys who are going are asked to meet at City Hall in Hico at 5:00 o'clock Saturday afternoon, in full uniform.

Special ceremonies during the half time will feature Baylor's Golden Wave Band, in a special formation honoring the Scouts and their four year program "Onward for God and My Country." Selected units of the Council will demonstrate various activities of Cubbing, Scouting and Exploring during the special half-time ceremonies.

Dedication Services At Carlton Legion Post Saturday Night

The Byrd-King Post No. 333 of the American Legion at Carlton will hold dedication services Saturday evening at 8 o'clock. A granite marker has been erected at the Legion Hall, honoring the men who lost their lives in World War I and II, and bearing the names of the two from the community for which the post is named.

Judge Sam Russell of Stephenville will be guest speaker for the occasion, and will be introduced by Dr. C. B. Cathey of Hamilton, District Commander.

A cordial invitation is extended to the general public to attend the services, by the post commander, Theibert Roberts.

SGT. DANKERS VISITS

Sgt. Jack Dankers, his wife and son arrived in Hico last Thursday to spend part of his 30-day leave with his mother, Mrs. Daisy Dankers. They are also visiting in Goldthwaite with her parents, Mr. and Mrs. L. B. Porter.

The Sergeant and his family have spent the last 3 years in Germany, and when his leave is up he will be stationed at Fort Hood.

They flew from Germany to New York from where they motored to Hico, visiting en route at Niagara Falls, Canada and in Michigan.

Sgt. Dankers is a veteran of 14 years service, and saw combat duty in Europe during World War II, and also in the Korean conflict.

Tigers Score Early to Defeat Elks in Thriller

Thursday Night Game Being Played With Tolar '11'

Making a first quarter touchdown stand up for the margin of victory, the Tigers from Hico High School rolled to their third victory in five starts this season, last Friday night at Evant. The locals, who dominated the game in every department, played their best game of the year in defeating the Elks.

Bolstered by the return of the four regular starters who were held out of action in the previous week's contest for breaking training, the Tigers made the fewest mistakes of any game to date. They were a determined group who proved to local fans that they could play football when they wanted to do so. Their blocking was the best seen so far this year, and their tackling and running was very good. Evant moved freely between the two 35 yard lines, but when the chips were down the lighter Hico eleven dug in and stopped every threat. The closest the Elks came to the Tiger goal was the 34 yard line.

Hico's lone touchdown came minutes after the opening kickoff. On the first play from scrimmage, Hico recovered a fumble at the Elk 40. In the drive to the goal the Tigers used 7 plays to the 10 yard line, where they found themselves facing fourth down with five yards needed for a first down. On the fourth down try Sherrill Kirk took a pitchout and raced around right end for the 10 yards and the 6 points. The conversion attempt was blocked and Hico had scored what turned out to be the winning TD.

In the second quarter Hico again threatened, this time recovering an Elk fumble on the 38 yard line to set up the threat. The locals worked to Evant's 13 before the Elk defense tightened and they took over on downs at that point. In the third period, Buddy Ables intercepted an Elk pass at the middle stripe. After losing 3 yards back to the 47, quarterback Charles Hyles passed 10 yards to Buddy Teague who fought away from a whole herd of Elks and raced to the 18 before being brought down behind. Buddy's run was the longest of the game, and with the aid of one block, could have gone all the way. Jerry Needham picked up 5 yards to the opponent 13, only to see a penalty set them back to the 18. After regaining yardage back to the 13, the Tigers fumbled and Evant recovered to kill the threat.

As the final gun sounded, Hico was again marching goalward, owning possession on the Elk 37.

The victory was a team effort by the Tigers, and although being out-weighted more than 10 pounds per man, the locals handled the larger boys with comparative ease.

This week Hico was playing Tolar at Tiger Stadium. The game originally scheduled with Gatesville "B" team was cancelled by the Gatesville school, and Hico signed an agreement with Tolar to fill the vacancy this year, and in 1956.

Next week, on Saturday, October 15, the Tigers take on the Cranfills Gap Lions in the annual Homecoming clash. Keep the date in mind and plan now to be in Hico on Saturday Oct. 15.

Poll Tax Exemption Law Explained By County Tax Officer

Billy G. Wood, County Tax Assessor and Collector, this week issued a statement concerning poll tax exemption for persons reaching 21 years of age.

Any person who becomes 21 years old before January 1, 1956, must have a poll tax receipt in order to vote in the 1956 elections.

Anyone who becomes 21 after January 1, 1956, are entitled to a free vote, but must obtain an exemption slip from the county tax office.

Junior Tigers Bop Cranfills Gap 26-13 Tuesday Night

Hico Elementary School played their second football game of the season Tuesday night, journeying to Cranfills Gap for a return bout with the Cranfills Gap Juniors, and coming home with a 26-13 win.

Iredell Opens District Play Against Turnersville Thursday Night, Oct. 6

Two undefeated teams lay their records on the line this Thursday night in one of the opening games of conference play in District 16-B Six-Man football, when Turnersville meets the Iredell Dragons at the Dragon home field. The winner will be a strong favorite in the conference race. Another power of the conference and strong contender for the title is Walnut Springs. They meet Jonesboro on the Walnut Springs field. Fairy plays at Carlton to complete a full schedule of district play.

Both Iredell and Turnersville have won four games against non-conference foes. Iredell has defeated Carbon, Venus, Buckholts and Gustine, while Turnersville has been victorious over Copperas Cove, Gustine, Flat and Buckholts. The Dragons are handicapped by injuries and are the underdogs of the contest, as a result of some three starters being out of the lineup. Game time is 7:30 and fans are promised a good game from start to finish.

Iredell found the going easy against Gustine last week and came off with a 46 to 32 score on the Gustine field. After a close half the Dragons forged ahead by 21 points with touchdown runs by Gatewood, Gosdin and Koonsman, then coasted to victory. Gustine scored three times late in the fourth period against Iredell reserves including several freshmen.

It Happened Here or Near

By E. E. DAWSON

In one realm of life, all souls can be classified as On Timers and Behind Timers. There are people who move on time always. They get up on time, have their meals on time, meet their engagements on time, pay their bills on time. You can rely on them being there when the time comes. In the other classification there may be found souls who get going late, eat their meals late, are always late at their engagements, pay their accounts late.

Wife and I were arranging to attend a meeting at a town some forty miles away. A neighbor woman knowing of our plans asked if she might go to the town where the meeting was to be held so that she could attend to some business. We were glad to accommodate her. A time for the start was agreed upon. At the appointed hour we drove up in front of the woman's house and blew the horn. The woman came out to say she was not ready, but would be in a few minutes. We settled down to wait for her the few minutes.

They were ten minutes, then twenty, thirty. The horn blew raucously and at thirty-odd minutes the woman came out still dressing and crawled in the car. Frankly, I was as mad as a wet hen and did not look at the woman the whole forty miles. We were late at the meeting, and a part I was supposed to give was omitted because I was not on hand. We never asked that soul to go with us anywhere any more. It was just too painful.

Last week, the junior team played the Gap in their first game of the year, and had to be content with a 6-6 tie. In the first game Neil Ellis scored Hico's lone touchdown, after Cranfills Gap had taken a 6-0 lead.

In Tuesday night's game at the Gap, Bobby Boone was the star as he scored three of the local's four touchdowns. Neil Ellis scored the fourth.

Trailing 13-7 at the end of the first half, the Juniors rallied to push over 3 more counters in the third and fourth periods to gain the 26-13 win.

Next Tuesday night, they will play the Meridian Elementary school at Tiger Stadium. Game time will be 7:30.

John Golightly Elected President of Erath County Farm Bureau

The Erath County Farm Bureau held its annual election meeting Tuesday night at the Recreation Hall in Stephenville. The members and their families enjoyed a chili supper.

The following officers and directors were elected for the next year: John Golightly, president; Jack Rieherd, 1st vice-president; Mr. Wolliford, 2nd vice-president; Mrs. John Golightly, secretary-treasurer.

Directors named were W. F. Nachtigall, Mr. Carlile, L. G. Kiker, Geo. Holladay, Lack Deaver, Frank Knox, C. E. Bordner, Hasten Walker, G. E. Miller, Joe Howard, Lee Campbell and Henry Turley.

Erath County has had an active Farm Bureau organization for the past several years and the members invite all persons that are interested in agriculture and better farm living to join with them.

Farm Bureau in Texas in 1939 had only 4,500 members in sixty counties. Now there are more than 65,000 members in some 190 counties.

Dodge Introduces New 4-Door Hardtop

One of the newest, most exciting automobiles to appear on the American motoring scene in recent years is the glamorous 1956 Dodge Four-Door Lancer hardtop. All of the youth and vigor of true hardtop styling has been skillfully combined with the comfort and convenience of the four-door sedan. While the car shown above is in the Custom Royal series, the same body style is being offered in the lower priced Royal and Coronet series.

FAIRY

By Mrs. Eunice Daniel

All are rejoicing over the fine rains we have received and intermittent showers are still falling. Some grain had been sown prior to the first heavy rain and some has been sown since. Fields are green with volunteer grain which will afford a lot of grazing while waiting for the ground to get dry enough to work.

We were very sorry to learn of the death of Mr. Ben Linton of Hamilton who passed away at his home of a heart attack. He had accompanied Mr. and Mrs. A. H. Sumerford to Warrens Creek to a singing on Sunday week prior to his death. We talked a while at

the court house lawn after our return to Hamilton, never realizing it would be our last meeting. He accompanied the Sumerfords and the writer quite often and we are going to miss him and are very sorry we did not learn of his death until after the funeral services. He was 85 years old but appeared much younger.

We were also very sorry to learn of the sudden death of Mr. I. Comer, also of Hamilton, who passed away Sunday, also of a heart attack. He was 60 years of age. Funeral services were held Tuesday in Waco with burial there.

Funeral services were held today (Monday) for Mr. Myers, who lived just east of Hamilton on the Gatesville highway. He and his wife formerly lived between Latham and Jonesboro. Sympathy is

extended to the loved ones of these who have passed away.

Mr. and Mrs. Elzie Lee Parks and Little daughter, Carolyn Ruth, visited during the week end with his mother, Mrs. M. E. Parks and Audie.

We are sorry to report Uncle Bob Parks ill again. He was carried to the Hico Clinic on Sunday for a physical check up. One of his hands was swollen and was feared he had been bitten by some insect.

Mr. and Mrs. Dalton Driver of Grand Prairie spent the week end with their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. H. H. Wolfe. Glad to report Mrs. Frank Driver slightly improved.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don visited a while Sunday afternoon in the home of his parents, Mr. and Mrs. N. S. Sellers of Hamilton.

The writer was a business visitor in Dublin Wednesday of last week and returned by way of Carlton and was a dinner guest of our good friend, Mrs. Marie Turner.

After a visit to the Fairy Cemetery today, Monday, we are glad to report that the remainder of the cemetery has been burned off and our cemetery is in fair shape. Although the Johnson grass on the north side is ready for another burning, and a few graves need looking after, and we hope Mr. Sills can continue to carry on the work for us.

Mrs. Gladys Cox visited Sunday in the Frank Driver home.

The writer and husband attended an all-day singing at Leon Junction Sunday, accompanying Mr. and Mrs. A. H. Sumerford from their home south of Hamilton. On our return to Hamilton we visited a few minutes with Mrs. Minnie McCarty at the rest home there. Mr. and Mrs. Cecil Blakley and

baby were visiting during the week end with his parents, Mr. and Mrs. J. E. Blakley. Cecil (Red) is on his furlough and following it he will leave for England for overseas duty.

Mr. and Mrs. J. R. Oglesby and daughters of Florence spent the week end with her parents, Mr. and Mrs. J. E. Blakley.

The writer and husband accompanied our sister, Mrs. Gladys Cox to Brady on Thursday of last week, where we visited in the home of our sister, Mrs. Myrtle Enger and her daughter, Mr. and Mrs. Lester Smith and daughter, Mrs. Robert Rountree and little son Rodney Lee. On our return home we stopped for a short visit with Mrs. Hazel Waddell of Star. Mrs. Waddell is the former Miss Hazel Burris of Fairy. Although our sister, Mrs. Enger and also Mrs. Waddell had kept company with our husband, Mr. Daniel, while they were living in this community, neither would have recognized each other.

The writer and husband were in Fort Worth Tuesday with some lambs for the Fort Worth market, and looking after business interest there.

Mr. and Mrs. O. J. Clark Sr. attended the Fair in Waco Sunday, and also visited in the home of his aunt, Mrs. R. F. Clark.

From where I sit ... by Joe Marsh

Shades of Tom Sawyer!

Hack Willis had just stopped the tractor so's he could cool off at the pump, when a young insurance salesman came up the drive.

Hack was tired of plowing, and needed insurance on his new barn. But he also needed to get that winter rye in fast. The salesman, an eager kid, noticed hesitation. "I come from a farm," he said. "Why don't you look at these booklets—get all the dope—and I'll take that plow a couple of rounds for you."

Young fellow laid off a pretty straight furrow, too. It was almost dark before Hack—sitting

in the shade—was able to decide just what kind of policy to get.

From where I sit, to be a good salesman—or a good citizen—it always helps to "put yourself in the other man's place." He may have a different sort of job with different problems... he may prefer to close a deal over, say, a friendly glass of beer while you might prefer something else. But both of you can co-operate if you make it a "policy" to try.

ANNUAL STAFF "Tiger's Lair." They have chosen The Annual Staff is beginning the Taylor Company as the publisher. This issue will be similar to work on the '55-'56 edition of the

last year's in the respect of padded covers, the same number of pages, and pictures of the elementary students as well as high school. The new members of the staff, Carey McKenzie, Buddy Teague, Bonnie Johnson and Judy Holladay, are being initiated to their positions and duties. Those returning from last year's staff are Betty Booth, Wayne Duncan, Joyce Lowe and Jean Clark. Ads are now being sold and in a few days "Tiger's Lair" subscriptions will be on sale. Naturally, each year the staff's goal is to produce a better annual than the year before.

HOME COMING

The Tigers play Cranfills Gap in the Homecoming Football Game, October 15. Many ex-students are expected to return for the game. The crowning of the Football Sweetheart will take place at half time. She has not been announced as of yet.

SENIOR PLAY

The Seniors are beginning to collect material for their annual Senior Play. It is rumored that they are planning to have it sometime in November. When they have decided on the date of the play, a run-down will be given on the characters and a summary of the play.

SPOTLIGHT

Monday night I went through town and didn't see anything so I thought I would just ride around. I drove out toward Steve Parks' place. As I started back I saw something coming. There was a awful lot of noise, finally I found out it was a Junior hayride. Those enjoying themselves were Myrna M. Jerry N. Jerre D. Andy L. Peggy A. Eugene B. Sandra A. Duckie W. Kendal H. Gerald H. Judy H. Charles S. Rachel O. Charles H. Regina E. Buddy T. Margaret P. and Wayne D. After I left them I went back to town. I saw Monette S. and Shorty D. riding around. I didn't see anyone else I knew so I went home.

Tuesday night there was a grade school football game. I saw a lot of high school players there. They must be trying to learn something. At the ball game I saw Kay J. and Charles T. Judy M. and Lavon P. Also at the show I saw Jean C. and Joe C. As I ventured up to the Polar Bear I saw Katherine S. and Walter A. Sandra A. and Duckie W. Linda M. and Sherrel K.

You know I had to stay home Wednesday night and study. So I don't know what these kids did.

Thursday night at the show I saw Monette S. and Shorty D. I saw Jimmy J. at the show by herself. I guess Ross B. was out of town.

Friday at school the funniest thing happened. Margo Battershell was giving a book report and all of a sudden everyone just burst out laughing. We noticed that Margo was wearing last week's football ribbon "Wash Out Blanket" instead of "Bridle The Elks." It seems as though she's a week behind. Her mind must be drifting out to New Mexico way instead of UP THE HILL. I guess the reason it was so funny was because it was during English IV class and everyone wanted to have a big laugh to try and get Mrs. Angell off the subject of English.

Friday night brought another exciting ball game. We ventured over to Evant just to show them we could beat them. (We did, of course). After we got back in Hico I saw Sandra A. Duckie W. Monette S. and Shorty D. Sherry H. Raymond L. Margaret P. and Jerry N. Wayne D. and Julia H. Enjoying the movie at the Hollywood in Fort Worth were Aletta J. Jerry D. Mary W. and Lowell L.

Saturday night I had to really make the rounds to keep up with everyone. It seems as though everyone went a different direction. In Stephenville enjoying the movie were Wayne D. and Julia H. Margaret P. and Jimmy T. Linda M. and Sherrel K. Sandra A. and Duckie W. Robert B. and Nancy S.

Also in Waco watching an exciting football game between Baylor and Maryland were Mr. Barnett and a couple of Tigers from Hico High School.

In Fort Worth again Saturday night were Mary W. Lowell L. Aletta J. and Jerry D. enjoying a movie at the Worth. Also in Fort Worth were Monette S. and Shorty D. at the Hollywood.

Finally back in Hico I saw Jean C. Joe C. Katherine S. Walter A. Jerre D. Kenneth K. Kay J. and Charles T. Sherry H. and Raymond L.

Sunday night I saw Linda M. Sherrel K. Sandra A. Duckie W. Monette S. Shorty D. Margaret P. and Jerry N.

Well, that about rounds it up for this week. There's just so many kids running around I can't keep up with them all.

FRESHMAN GIRLS INITIATED

September 15, 1955, the Homecoming girls had their usual initiation in the Homemaking Cottage.

Since the '54-'55 Freshmen were not initiated last year, they also had their share along with this year's Freshmen.

Jerre Dunklin and Katherine Sparks had charge of the program. Everyone agreed that the Freshmen must be "purified" before being accepted. The "purification" took an unexpected turn of events and a few of the girls suffered the consequences.

Six girls entered in a "pecan rooting" race and Anna Lee Luckie was the lucky winner. For a prize she received the other girls' pecans.

The next event was "ten minutes to design." The designers' materials were newspapers, pins, and scissors. Kendal Hamrick modeled an Easter suit designed for her by Virginia Jones. The first place design, which was a hula costume was modeled by Janice Tomlinson and designed by Regina Ellis.

Kay Jameson and Jo Ann Nightigal were blindfolded and were commanded to feed one another dry cereal with a teaspoon. More cereal fell on the floor and down their collars than they managed to feed each other.

The entire group of Hico FHA girls were chosen into two sides. They were competing with each other in passing a penny match box in their noses. This proved a humorous game.

All the other girls got a chance to get revenge on the Senior girls by saying things behind their backs and then the Seniors trying to guess their enemy.

Refreshments of cookies and punch were served to the girls being initiated, under the tables, the other girls attending and the girls' mothers that were present. This was an enjoyable initiation even to its "victims." It was really one to be remembered.

SEEIN' WHAT'S DOIN'

"Everybody's on his way downstairs! Is there a riot outside the study hall or is everybody just anxious to get to work on that long assignment for tomorrow?" Well, not exactly. It just happens that the only ice water fountain, the new one for which we are eternally grateful, is just outside the study hall door. All the kids just have to tank up between classes. You oughta see that line! And if some of that good water goes somewhere else besides our mouths, would you be surprised? The bulletin boards in the library are really fun this year. A clever football arrangement goes up every week, thanks to Kathy Sparks and Joyce Lowe. There you'll see everything from Sherrel and Jerry

Don in uniforms washing out Blanket to yell leaders and majorettes in action. Every once in a while, someone else—like Carey and Joe, for instance—have a hand in helping.

One bulletin board this week is in keeping with National Letter Week, reminding us we'd better write Grandma or she may forget to play Santa Claus to us, and to our pals or we may soon lose some of our best friends.

Next week is six weeks' tests. Goose bumps are already beginning to break out on thoughts of those neglected lessons.

If you were around Monday night you got some of those marvelous cookies served at P-TA.

Next week is U. Nations Week. Maybe there'll be something special to report in connection with it.

Milk Glass... by

The pieces we show might be right out of a collection of antique milk glass. They have the same mellow look—and there's a reason for it. Fostoria makes milk glass in much the same way it was crafted in early times—by hand. We show just a few pieces here; we hope you'll come in and see them all. They're a charming choice for gifts, or for your very own pleasure.

By VERN SANFORD Texas Press Association

Adlai Stevenson, 1952 Democratic presidential nominee, kept his political thoughts and hopes mostly to himself during his Texas visit.

He made only a left-handed jibe at political foe Gov. Allan Shivers. Shivers has said he will not sup-

port Stevenson if he is the '56 presidential nominee. In his University of Texas lecture, Stevenson said that, while not a full-time economic expert, he is a "full-time Democrat." He sidestepped a question from the audience on Texas tidelands, issue on which he and Shivers broke in 1952.

Stevenson was joined by Speaker of the House Sam Rayburn in an overnight visit at U. S. Sen. Lyndon B. Johnson's farm. Plane schedules allowed the three top-level Democratic leaders very little time to discuss their party's brightened prospects. They all disclaimed any political significance in the get-together.

Johnson and Rayburn said no change in Democratic Congressional tactics is planned as a result of President Eisenhower's heart attack. They said Demo leaders would, nevertheless, try to draft a Congressional program that will put a Democrat in the White House.

Apparently well on the road to recovery from his own heart attack, Johnson sent a telegram inviting President Eisenhower to Texas to hunt with him.

COUNTY AGENT REPORTS By E. R. LAWRENCE

Fall armyworms are beginning to show up in many areas according to recent reports. The fall armyworm can become a serious pest of many crops by eating the foliage and tender stems of the plants. The favorite food of the worms is native grasses such as crab grass, Colorado grass, Bermuda grass and Johnson grass, but it sometimes seriously damages many cereal and forage crops such as oats, wheat, alfalfa and clovers. Probably the fall armyworms cause more damage to fall seeded grains, grain sorghums and Bermuda grass in Texas than any other crops. The larva do not become conspicuous until they are nearly grown. Young larvae feed near the ground at first and are not generally noticed until they become 1 to one and a half inches in length. At first the young larvae do not consume the entire leaves of the food plant but skeletonize them, leaving the veins and ribs. This type of damage causes whitish areas to appear on lawns and grass fields where concentrated feeding of the worms occurs. Whitish patches that appear in grass are the first indications that small fall armyworms are present. Fall armyworms can be expected to become a problem in the late summer and fall, especially if good moisture conditions prevail. Cool wet weather is an incentive for rapid increase in numbers of the worms. The adult moths are active in late evening and at night. Eggs are laid by the moths at night in clusters of 50 to several hundred, preferably on grass blades. Larvae hatch in 2 to 4 days. Larvae or worms feed for 2 to 3 weeks. The pupal stage is passed in the ground and lasts from 10 days to two weeks. There may be more than one generation a year and a generation may be completed in a month or less. The full grown worms are about one and a half inches in length. They may be identified by the presence of a prominent white inverted Y on the front of the head. On the back there are three yellowish white hair lines present from head to tail. On each side there is a

wider dark stripe and next to it is an equally wide somewhat yellow wavy stripe tinted with red. For the control of worms on field crops and pasture grasses, use toxaphene or DDT as a spray or dust. Apply toxaphene at the rate of 2 to 3 pounds per acre or DDT at the rate of 1 to one and a half pounds per acre. Do not harvest or graze the crop within 30 days after spraying or dusting. Seems that we have been having trouble with this armyworm for the last year or so on lawns. They can be controlled on the lawn or other small areas with DDT, chlordane or toxaphene. Here is the approximate dosage for small areas.

- SPRAYS 1 to 2 tbsps. 25 per cent DDT concentrate, 1 gal. water 1 Tbsp. 50 per cent DDT wettable powder, 1 gal. water. 1 to 2 Tbsp. 40 per cent Chlordane emulsion concentrate, 1 gal. water. 1 to 2 tbsps. 40 per cent chlordane powder, 1 gal. water. One-half to 1 tbsps. 74 per cent chlordane concentrate, 1 gal. water. DUSTS: Approximate amount to cover 1000 square feet. One-half to three-quarter lb. of 5 per cent DDT. One-fourth to one-half lb. of 10 per cent DDT. Three-fourth to one lb. of 5 per cent chlordane. One-third to one-half lb. of 10 per cent chlordane. One-half to three-fourth lb. 10 per cent toxaphene. I believe any one of the above sprays or dusts will give good control.

CARLTON By Mrs. Fred Geyer

Mrs. Hob Thompson and Mrs. Jessie Finley visited Sunday afternoon at the Clifton hospital with their nephew and grandson, Bob Finley of Walnut Springs, who was seriously injured in a car accident last Saturday night near Hillsboro. He was transferred from the Hillsboro hospital to Clifton the past week. They report him to be some better. MRS. WILLIAM M. CASEY

Church Ceremony Unites Miss Jones and Mr. Casey

Miss Phyllis Christine Jones, daughter of Mr. and Mrs. J. D. Jones, became the bride of William Mac Casey, son of Mrs. Lorene Casey and C. M. Casey, both of Fort Worth, Saturday evening, Oct. 1, at First Methodist Church.

Rev. Morgan Garrett performed the double ring ceremony before an altar of white chrysanthemums and greenery. Miss Martha Hanes of Fair, as vocalist, sang "Always" and "The Lord's Prayer." Mrs. Wayne Rutledge presented the wedding music and the traditional wedding marches.

Mrs. D. E. O'Neal of De Leon was matron of honor. She wore a dress of periwinkle blue polished cotton. Her fitted bodice was accented with rhinestones. She carried a nosegay of white pom pom chrysanthemums.

D. E. O'Neal of De Leon was best man.

Given in marriage by her father, the bride was attired in a semi-formal gown of white chantilly lace over white satin. It was fashioned with a "V" neckline, outlined with seed pearls, long tapered sleeves and a full bouffant skirt.

Her finger-tip veil of imported illusion was attached to a lace bonnet. She carried a white prayer book topped with gardenias and lilies-of-the-valley, and showered with satin streamers.

For her daughter's wedding, Mrs. Jones wore a navy printed

National Fire Prevention Week is October 9-15. Farm fire losses in the nation were 13 per cent higher in 1954 than for the year before and the increase was the greatest for any year since 1945.

Many things can be done by rural residents to stop this upward trend and at the same time save much of the estimated \$157 million of property which went up in smoke last year.

The Texas Farm and Ranch Safety Committee suggests a thorough inspection of all buildings on the farm and the elimination of fire hazards. They point out that one of the major causes of fires in barns and out-buildings is electrical faults. Some of the studies made show a lot of the trouble was in the fuse box—the wrong size fuses were being used. The committee warns not to use any fuse except one with the ampere to go with the size of the wire in the circuit. Don't overload the fuse box. Check all wiring for frayed insulation, loose or sagging wires and fixtures, making repairs only when the electricity is cut off.

Spontaneous combustion is the number one cause of fires in farm barns. Number one cause of farm home fires is defective or overheated cooking and other equipment.

Rice is versatile, economical and easy to use. Like other cereals, it supplies food energy at relatively low cost. It is an excellent "stretch-er" or extended for other foods because of its bland, mild flavor. Markets offer many kinds of rice.

YOU, TOO, CAN BE A REPORTER . . .

Every now and then someone tells us, "Why, so and so from somewhere visited us all last week and you didn't have a thing about it in the paper!" Or perhaps we neglected a wedding . . . or a death, even . . . or a club meeting.

WE WANT THESE NEWS ITEMS IN THE NEWS REVIEW!

But we simply can't keep up with all of you, all the time. Not without help from you. If you have a news item, from a two-line local to a lead story . . . tell us! Call 132, or even better, write out your news on a piece of paper and bring it to our office.

Regular polished rice has the hull, bran and germ removed. Various undermilled rices are available, including brown rice, which has only the hull removed. Brown rice has a delicious, nutty flavor and contains more nutrients than white rice. It does not keep as white rice and needs longer cooking time.

Different processing methods used by manufacturers offer interesting products. Converted rice is regular white rice with B vitamin and minerals retained. Pre-cooked rice is partially cooked before packing, to reduce cooking time.

Rice can be used in many ways—as a main dish, a vegetable, in soups and salads, or as a dessert. It combines well with meats, fish, milk, cheese, eggs, vegetables and fruits. By any method, rice is quick and easy to prepare. For fluffy white rice, follow these simple directions:

Put 2 cups water, 1 teaspoon salt in a two-quart sauce pan with tight fitting lid. Bring to a boil. Add 1 cup rice to vigorously boiling water and let it return to hard boil. Put lid on tight, turn heat to simmer, and leave without stirring, or peeking for 14 minutes. Remove from heat. Leave lid on until you

are ready to serve rice. One cup of uncooked rice makes about 3 cups of cooked rice.

CHICKEN-AVOCADO-RICE SALAD

2 tablespoons lemon juice
One and a half cups cubed avocado
1 cup cubed cooked chicken
1 cup cooked rice
One-half cup finely chopped celery
One-half teaspoon finely chopped green pepper
1 teaspoon salt
2 tablespoons sour cream
2 tablespoons mayonnaise
Pour the lemon juice over avocado. Combine the remaining ingredients, add avocado mixture and toss lightly. Chill. Serve on a crisp lettuce leaf. Six servings.

Mr. and Mrs. Billy Ellis and children of Fort Worth are spending a week of their vacation here with his parents, Mr. and Mrs. Rex Ellis and children, and her aunt and family, Mr. and Mrs. Raymond Lowe, Mike and Joyce.

NEW VIGOR FOR SWEET POTATO INDUSTRY

The Texas sweet potato industry is having growing pains. Although it was far from puny—grossing some \$10 million in good years—recent developments show promise of making the "yam" a really robust commodity in state farm economy.

The Texas Sweet Potato Law has been in effect just over a month. And already some changes have had to be made to help move the crop to market this year.

The law calls for grading, inspection and proper shipping of potatoes under certification of the Texas Department of Agriculture. Originally, U.S. No. 1 and U.S. No. 2's along with unclassified grades, had to be boxed in standard approved cases to prevent damage and assure uniform quality. But the law failed to reckon with Texas' production capacity.

Standard packing cases, approved by law, fell short of the demand. As a result, a change in regulations was made to allow unclassified grades to be shipped in bulk. This is a temporary measure good only until Nov. 15. After that date, unclassified potatoes must be crated according to original specifications the same as No. 1's and 2's.

Sweet potatoes are grown widely in East Texas, with a new development on the High Plains area and in South Texas in recent years. Upshur, Titus, Cass, Smith, Morris, Van Zandt, Wood, Robertson and Leon counties are the traditional leaders until now.

Texas grows some of the finest sweet potatoes found anywhere. However, lack of consistent grading was the principal deterrent in outside markets until this year. The new law was designed specifically to correct this lack.

The new grading standards are essential the same as those of the United States Department of Agriculture. As a matter of fact, in some ways they are a little better—which should give Texas a slight edge on out-of-state markets when the facts become generally known.

Some difficulties will be encountered from time to time. But the first hurdles have been taken successfully. Inquiries or problems should be addressed to John White, Commissioner of Agriculture, Capitol Station, Austin 14, Texas.

GOING DOWN Parting company with his contrary mount this convict cowboy finds the ground a welcome refuge after the spring-jarring ride on the Brahma Bull. It's Outlaw vs. Outlaw in this titanic spectacle of the 24th Annual Prison Rodeo being held in Prison Stadium every Sunday in October. Vicious outlaw animals matched with the caged outlaws of the prison make this rodeo the most dramatic ever seen.

Cattle Prices Tend Lower; Except High Grade Stockers.

One of the largest offerings of cattle of the year appeared at the nation's 12 major livestock markets Monday with over 150,000 cattle reported. Prices were tending lower at all points.

It was noteworthy that while cattle numbers were large, the offering of calves around the major markets were around 6,000 under the comparable date a year earlier. This trend toward smaller numbers of calves going to market has been evident all this year and the effect it will have on estimated cattle population, if continued, will be confusing.

At Fort Worth most kinds of cattle and calves were weak to 50 cents lower, except high grade stocker and feeders which were fully steady. Again the order buyers reported that most of the stockers and feeders they bought were destined for Texas or other Southwestern states.

Currently prices of replacement cattle and calves here are equal to or above prices at most of the Cornbelt centers, and it is evident that restocking of the droughty areas is going forward at a fast pace.

Comparative prices at Fort Worth Monday included: Good to choice fed steers and yearlings \$18-22. Common and medium sorts \$12-17. Fed cattle eligi-

ble to top \$21 appeared. Fat cows \$9.50-12; canners and cutters \$6.50-\$9.50. Bulls \$10-13.75; good to choice fat calves \$16-17.50. Few baby beef kinds higher; cull, common and medium \$8-15. Stocker steer calves \$15-21, heifer calves \$18 down; stocker steer yearlings \$18.50 down; replacement cows \$8-13.50.

Hogs Near Steady Despite Heavy Runs in North.

Top butcher hogs sold mostly from \$16.25 to \$16.75 at Fort Worth Monday, or just about in line with last week's close. The hog run around the 12 major markets was near the 100,000 mark Monday, and some weakness developed at those markets. Continued heavy runs in the Cornbelt would mean some surplus hogs coming to this part of the country and could effect prices in the Southwest adversely.

Less desirable kinds of hogs sold from \$15 to \$16. Sows drew \$12 to \$14.50.

Considerable interest here among all interests as to whether Secretary of Agriculture Benson will inaugurate a pork buying program to support hog prices.

Word is that such a program similar to the one used to buy beef the past two years could be set up for pork in short order. Under those plans certain grades and types are bought under competitive bids from packers.

The meat used in foreign aid, school lunches, institutions, etc., conflicts very little with normal meat trade if at all. Funds for the program are already available.

Latest guess by some Cornbelt observers is that the low time on swine prices will likely be from mid-October to mid-November.

However, if prices sag to such a degree that marketings are slower than anticipated, the low time could well be later in the year or early in 1956.

Overall supply of pork is currently low, because average hog weights are much lighter this year.

Lambs \$1 Higher at Fort Worth Monday

Both slaughter and feeder lambs opened strong to \$1 higher at Fort Worth Monday. Top fat lambs scored \$20, best price in several weeks for the class. Feeder lambs sold at \$16.50 down. Yearlings and older sheep were firm.

Both slaughter and medium \$10-20; cull, common and medium \$16-17. Feeder lambs \$16.50 down. Old ewes \$4-5; old bucks around \$4.00; aged wethers \$8-12; yearling muttens \$9-15.50.

Baptist Church at Olin Will Have Rural Church Clinic Oct. 7, 8, 9

The Olin Baptist Church will have a Rural Church Clinic this week end, October 7, 8 and 9. Dr. Carl A. Clark of Fort Worth will lead the church in the clinic.

Maurice Smith, pastor of the church, has announced that services will be conducted Friday and Saturday nights at 7:30 and Sunday at the regular worship hours.

The Rural Church Clinic Program is a new and unique ministry especially suited to the problems and needs of rural churches.

Dr. Clark is Associate Professor of Rural Church Work at Southwestern Baptist Theological Seminary in Fort Worth.

He works jointly with the Seminary and with the Baptist General Convention of Texas. For many years he has given special study to rural church work.

The pastor and membership of the Olin Church cordially invite the public to attend these services.

Too Late To Classify—

IT HAPPENED—

the other end of the state, some forty miles south of Boston. The girls grew up in the office of the Bridgewater Independent. "Office" is a bit misleading, for the whole newspaper operation was carried on in a big second story room of an old building, on the first floor of which was a Chinaman's store and millinery establishment, while sharing the space on the upper floor was a real estate office at the front of the building. The equipment was old, the big press especially, and when the paper was being printed on Thursday, or perhaps Thursday night, or before daylight Friday morning, the whole building shook as if it had an ague. The paper had to be in the hands of its readers come Friday morning whatever else took place.

The two girls, Louise and Alice, got the lingo of the printing trade early, and felt pretty superior as they used that patois on the kids at school, and felt pretty sorry for the kids who did not know the language of the print shop.

The girls knew nothing about capital letters and small letters; there were indeed two classes of letters, but they were Upper Case and Lower Case and folks ought to be smart enough to know that! There were only two kinds of type: Roman and Italic; type sizes were either eight point or ten, and after that display type. Well, you just ought to read the story and so learn that girls don't change in essentials, even in the stretch of a half century, for this is of the first decade of the century.

S. E. Blair Receives Plaque In Recognition 15 Years GMAC Service

In recognition of 15 years of continuance with GMAC, S. E. Blair recently received a bronze plaque and clock from the corporation.

Mr. Blair's service with General Motors Acceptance Corporation began in 1940, and service has been continuous since that time.

Following is a letter received from the president of GMAC:

Dear Mr. Blair:

I am gratified to write to you

in recognition of the more than fifteen years of business relationship which GMAC has enjoyed with your organization. As you well know, a business prospers only when it merits those customers who remain steadfast and loyal through the years. We in GMAC value you as such a customer.

It is our desire that this period of continuing association be symbolized in some concrete form. Accordingly, I have asked Mr. D. Hull to present to you on my behalf a token of our sincere appreciation of the privilege of serving you, made possible by your loyalty to us.

This gift merely represents an expression of our thanks coupled with the hope that there will be many more years of mutually fruitful friendship between us.

Sincerely,
CHARLES G. STRADELLA.
