#### Local Entry Places Seventh At Heart of Texas Fair at Waco

Buddy Teague, third-year Vocational Agriculture student, exhibited his registered Hereford heifer, "Proud Frances" at Waco's Heart of Texas Fair last Wednesday. Buddy's heifer was shown in open competition in the Senior Heifer Calf Class, placing 7th in very strong competition, with the Grand Champion and Reserve Champion Females being selected from the same class.

Buddy was the only Junior exhibitor in the Hereford show. His calf was purchased last March from Flat Top Ranch with a certificate he had won in the Houston Calf Scramble. The heifer will be exhibited in the Hamilton County Beef Breeders Show Nov. 4-5, and in the Junior Beef Breeders division of the Houston Fat Stock Show next February.

Mr. I. J. Teague, Buddy's father, and "Proud Frances" appeared on Channel 10, Waco, on Tuesday prior to the judging on Wednesday, and Mr. Teague was interviewed by Johnny Watkins. The Teagues are proud of "Proud Frances" and her show record to date.

## Tigers Bop Tolar, 32-12 For 4th Win of Season

Rolling to three first-period touchdowns the Hico Tigers ran up a 19-0 score and coasted to a 32-12 victory last Thursday night over the Tolar Rattlers at Hico Stadium.

The Tigers took a commanding 25-0 lead before the Tolar aggregation were able to dent the scoreboard. Trailing by a 25-6 count at the end of the half, Tolar came back strong to push over another touchdown in the early stages of the final period to cut the margin to 25-12 before Hico could rally enough to make their final counter and clinch the victory.

Sherrel Kirk led the way for the locals with three touchdowns, scored on runs of 23, 1 and 11 yards. Charles Hyles scored once and Wayne Duncan pounced on a blocked kick in the end zone for the other tally. For Tolar Don Deaver scored both TD's on runs of 2 and 27 yards.

The Tigers, playing a spirited game through-out the first quarter, completely dominated that period with their vicious running, tackling and blocking. So stout was their defense that the Rattlers were never able to make a first down the entire stanza.

Tolar received the opening kickoff and ran the ball out to the 25. Three plays from the 25 lost

yardage back to the 15, from where they attempted to kick out. The kick was partially blocked and Hico took over on the Rattlers' 27. On the first play Jerry Needham bulled his way for 4 yards to the 23, and on the next play Kirk hit over left tackle and raced 23 yards to the goal for the first TD. Needham carried over for the extra point and the Tigers led 7-0 with only a few minutes gone in contest.

For his performance last week against Tolar, Sherrel Kirk was named on the Fort Worth Star-Telegram's Football Honor Roll. John Morrison, Star-Telegram Sports Writer, is selector, and each week picks players for their individual performance in a game. Morrison wrote in part: "Kirk racked up three touchdowns and added an extra point in pacing Hico to a 32-12 non-district victory over Tolar. He tallied on runs of one, 11 and 23 yards."

After the kickoff, Tolar fumbled and the Tigers recovered on the 38. It took the Tigers 10 plays to score with Kirk going over

from the 1. Big gainer in the drive was a 10-yard run by Needham to set the ball on the 3. Try for point was no good and Hico led 13-0.

Tolar took the ensuing kickoff on their own 20 and in 3 plays the Tigers had pushed them back dangerously to the 5. In trying to kick out the punt was blocked and Wayne Duncan fell on the ball in the end zone to run the score to 19-0.

After the kick-off the Tiger defense again rose up and thwarted every play and forced the Rattlers to punt. This time Tolar got their kick away and Hico put the ball in play on their own 46. In the drive to the goal, Kirk made 12, Carey McKenzie picked up 16 and Needham contributed 17 more yards to put the ball on the 11, from where Kirk roared through for the 11 yards and the counter to run the score to 25-0.

After the kickoff the Tigers relaxed a little and Tolar, still full of fight despite being 25 points behind, proceeded to march down the field. From the Tiger 27 Deaver slipped through the line for 27 yards and the Rattlers' first score of the night. The half ended shortly afterwards with Hico leading 25-6.

The third quarter went scoreless as neither team could muster a serious threat. Late in the third period Tolar was moving toward the Tiger goal, owning possession on Hico's 29. On the first play in the final period Deaver broke loose and ran to the Tiger 2 before being overhauled from behind. Not to be denied of the score, Deaver took the ball on the next play and scooted through for the TD to cut the Tiger's margin to 25-12.

Hico marked their final TD midway of the final stanza. With Tolar stopping their running game to a standstill the Tigers took to the air to loosen up the defense. Two pass completions put the Tigers on Tolar's 47 yard line. Kirk busted through the middle for 17 yards to the 35 and Needham scooted for 26 yards more to the 9. Three plays netted 4 yards to the 5 from where Charles Hyles ran around right end on a keeper play for the final touchdown of the night.

The game ended shortly after, with Hico again knocking on the door at the Rattlers' four yard line.

#### TIGERS OPEN DISTRICT PLAY.

This week Hico opens district play against a good Cranfills Gap team. It will be the annual Homecoming game and will be played Saturday night, starting at 8 o'clock. A very large crowd is expected to be on hand to see what could turn out to be the best game of the year. Both teams appear to be evenly matched for the contest.

While Hico was thrashing Tolar last week the Gap was winning their first district start 7-0 over Ogleby.

## Production Outlook Termed 'Bright' at Laney Test Well

Outlook was indeed bright Thursday at noon for prospects of making a producing gas well out of the test that was finished on the Laney tract 7 miles north of Hico.

Al Schlueter, geologist in charge of operations for the test termed the prospects, "Absolutely the best ever encountered in this area." Mr. Schlueter is very familiar with all operations in this area as he was in charge of the previous wells which were drilled in the immediate vicinity in

a period of 35 years extending since around 1920.

The test, which was started three weeks ago, and which reached a depth of 2700 feet, was developed through the "sand-fracturing" method, and was treated with approximately 480 barrels of oil and 5 tons of chemical sand. A quantity of acid was also used to separate the mud from the sand. Mr. Schlueter pointed out that equipment valued at more than half a million dollars was used on the finishing touches of the well.

Actual outcome as to whether the gas will be in sufficient quantities to produce, awaits tests by the Railroad Commission, which will be made shortly. Gauge on the "Christmas Tree" at the well-head showed 740 pounds of pressure Thursday morning.

Meanwhile, drilling operations on the second test on

the Witt place, which is one-half mile Northeast of the first test, was progressing rapidly. Surface casing was set Tuesday, and drilling was resumed late Wednesday afternoon. Reports are that operations were down approximately 1000 feet at mid-morning Thursday.

#### Tri-County League Of Vocational Nurses Meet In Hico Recently

The Tri-County League of Vocational Nurses held its regular monthly meeting, Thursday, Oct. 6, at 8 p.m. in the First Baptist Church at Hico.

Presiding at the meeting was Mrs. Lucy Standifer of Meridian, president of the organization. Mrs. Jimmie Morrison of Hico introduced the speaker for the hour, Dr. R. D. Holt of Meridian.

Dr. Holt made a very interesting talk on the vital importance of vocational nurses belonging to the Texas League. He also talked on emergencies and the duties of the nurse in meeting various situations. Emergencies covered were convulsions, heart attacks, snake bites, wreck victims, and croup. The main point to be remembered by the nurse is the fact that she must always appear to be calm no matter how she actually feels.

After a short business session, in which Mrs. Hazel Strong's application for membership was approved, refreshments were served by the Hico nurses, to thirteen members and eight guests.

The next meeting will be in Meridian on November 3.

#### Local Scouts Attend Football Game At Waco Saturday Night

Members of the local Boy Scouts, Cub Scouts and Explorers, and their leaders, were in Waco Saturday night where they attended the Baylor-Arkansas football game.

The occasion was the annual Scout Day, courtesy of the Baylor Athletic Department.

Boys and their leaders who attended were: Alan Hedges, James Jordan, Pat Mike and Andy Larkcy, Danny Reeves, Buddy Ables, James Denton, James Hord Randall, Butch Eubank, Butch Knudson, Shelly Hooper, Elvis Vinson, Don Jernigan, Tim Neenan, Jerry Casey, Bill Rutledge, and the leaders, M. I. Knudson, Truman Roberts, Mr. and Mrs. Buddy Randall, Mr. and Mrs. Bernell Jernigan, Mr. and Mrs. E. V. Meador, and Mrs. Sarah Reeves.

Miss Bonnie Cox, organizational specialist and field representative of Texas A & M College Extension Service, will be speaker at the annual homecoming of former students of the Hico Schools Saturday, October 15.

Miss Cox, who was raised at Fairy, is a graduate of the local high school and a former teacher here.

A barbecue supper will be served at 5:30 at the school cafeteria. Tickets for the dinner are now on sale and may be purchased from any of the following: Miss Louise Blair, Mrs. Sarah Reeves, Mrs. E. V. Meador, or Mrs. W. E. East. Persons living in this area are urged to buy their tickets as early as possible so that officials in charge of the dinner may have some idea on how much food to prepare.

More than 250 notices have been mailed to out-of-town ex-students and a large crowd is expected to attend.

Miss Louise Blair, president of the association, will preside at a business meeting following the dinner.

The football game between Hico and Cranfills Gap is scheduled for 8 o'clock at Tiger Stadium, and all ex-students are sure of seeing an even, well-played performance, as both teams appear to be evenly matched.

Mr. Edgar Bradley, band director, has released the following statement concerning the colorful half-time activities planned this year: "There have been some very special activities planned for the half-time ceremonies at the homecoming game. The band and pep squad will both march and make formations during both of the following attractions. Recognition will be given to the persons who graduated from Hico High at the earliest date, these to be selected from the ex-students registering at the dinner and attending the game. The main event of the half-time will be a special ceremony honoring the Football Sweetheart, who is elected by the football team."

Immediately following the football game, a dance for the ex-students will be held at Bluebonnet Country Club.

Officers and committees of the association are: Miss Blair, president; Mrs. Hester East, vice-president; Mrs. Sarah Reeves, secretary-treasurer; Mrs. Louise Angell, publicity; and Mrs. Ellis Randals, program chairman.

Mr. O. C. Cook is in charge of the food, and Mr. Edgar Bradley will be in charge of half-time activities.

Mrs. East is in charge of the welcoming committee, and Mrs. Sarah Reeves, Mrs. Sandy Ogle and Mrs. E. V. Meador have charge of decorations. The Hico Garden Club will assist in the decoration of the luncheon.

**MEMORIAL**—Honoring the two men from the Carlton community who lost their lives during World War II, the stone pictured above was unveiled Saturday night, October 8, at ceremonies at the Byrd-King Post No. 333, American Legion. The memorial which was draped with a parachute, is inscribed "That Liberty Should Not Perish From the Earth." The stone is dedicated "To Those Brave Men and Women Who Paid the Supreme Sacrifice." In the picture is Thebert Roberts, post commander. Judge Sam Russell of Stephenville was speaker for the ceremonies.

# COUNTY AGENT REPORTS

By E. R. LAWRENCE

You know, the editor gets all the blame for every error that is made in every article that is written and printed, and it doesn't matter who wrote the article. The thing is there's lots of blame laid on the editor when he's not to blame at all. If you could only

read some of the copy that is turned in to him for publication I don't believe you'd ever blame him again. Names are misspelled, dates are wrong, times are not the same when mentioned more than once—these are just a few of the errors that show up. Sometime when you have a few minutes off, drop by his desk and spend a few minutes with him when he's going over news items others have given him. You'll be surprised at what you see. I believe, too, this will let you appreciate more the fine paper that is turned out each week.

Over behind Shive, Henry Reich terraced his farm a few years ago. He had to bring water from the terraces down through the middle of the field to a natural drainage. As usual, the middle of most fields is some of the best land and one kinda hates to run a ditch down through it. Henry left his water-way pretty wide and rather than put it to a permanent grass, he plants it to redtop cane. This year he has made two cuttings of hay off the strip and has another cutting about ready that he will make silage out of. Cane planted with a drill makes a pretty good erosion control crop, at least it has on Henry's place. Over in one of his smallest pastures he has knocked the brush. This spring, along in June he broadcast some bermuda grass seed over a part of it and has a pretty good stand of grass.

A few years ago, the Experiment Stations started a bull testing program. The object of the test was to see what gain could be made by bulls when all were fed the same ration over the same length of time. It was found that some bulls would out-gain others and that some would not put on an economical gain from the feed given them. This work was given some publicity last year at the Chicago International Livestock Show and as a result of this, the calves produced by bulls that have

been tested have been selling faster than they can be produced. The demand is by far greater than the supply.

It is my opinion that before too long, cattlemen are going to ask of the breeders if they have tested the bulls they are offering for sale. The bull will sire around 30 to 40 calves and when consideration is given to the traits transmitted by the bull to the calves the tested bull is the better buy.

Rates of daily gain are passed from the bull to the calf. Last year in some bull sales, tested bulls sold for double the price of untested ones. This testing is nothing hard to do and can be done on the farm or ranch by any breeder who is in the business of selling bulls.

The experiment stations have published a bulletin that tells how to do this and I have a supply of them in the office. If you are going to buy a bull in the near future, why not ask the breeder if he has tested the one you're planning to buy. Pan Tech Farms reported in 1954 a difference of thirty-eight pounds in the weight of meaning calves sired by high and low gaining bulls.

Work done by the Oklahoma Station at Ft. Reno shows that calves sired by one bull weighed nearly thirty-five pounds heavier than calves sired by another bull. The use of proven high gaining bulls should give ranchers an opportunity to increase their income with increases in weaning weights as well as the price per pound the calves sell for.

Mrs. V. H. Jenkins, Mrs. Steve Parks and Mrs. Alvin Casey will be hostesses at the Casey home.

The arrangements will be judged and discussed by the members, and blue, red and white ribbons will be awarded. A tea will precede the judging.

## Helping Hand Class Of Methodist Church Holds Monthly Social

The Helping Hand Sunday School class of the First Methodist Church of Hico met Monday evening, Oct. 10, at 7:30 p.m. for their monthly social. Hostesses were Mrs. Annie Waggoner, Mrs. J. E. Warren, Mrs. Ruby Williams and Mrs. Hosie Warren. Refreshments of ice cream and cake was served to twenty-two members and one visitor.

After refreshments were served the president, Miss Ira Cunningham, presided at a business meeting. The Scripture was read by Mrs. Waggoner, and Mrs. Baldrige led in prayer. Songs were sung to the accompaniment of Mrs. John Rusk at the piano. The secretary, Mrs. Tyrus King, called the class roll and read the minutes of the last meeting. Mrs. Watt Ross gave the treasurers report. The class motto was repeated and Mrs. Bob Ogle led in prayer.

For entertainment Mrs. Jim D. Wright asked everyone who wished, to tell when they joined the church and give their Christian experiences.

New workers were appointed to raise the attendance and an average attendance for the last quarter was thirty.

Those present to enjoy the occasion were the hostesses, and the following: Mrs. Lusk Randals, Mrs. Tyrus King, Mrs. Watt Ross, Mrs. J. W. Richbourg, Miss Ira Cunningham, Mrs. Nettie Meador, Mrs. Andy Hutton, Mrs. John Haines, Mrs. George Stringer, Mrs. J. H. Badridge, Mrs. Ray Shook, Mrs. Bob Ogle, Mrs. Ara Denman, Mrs. Susie Salmon, Mrs. Mayfield, Mrs. J. D. Jones, Mrs. John Rusk, Mrs. Jim D. Wright, Mrs. Tom Strey and a visitor, Mrs. Morgan Garrett.

## VACATION ON COAST

Mr. and Mrs. Fred Rainwater and Mr. and Mrs. James L. Rainwater and Jean of Fort Worth returned home this week end after a week's vacation to the coast and in Old Mexico. They enjoyed fishing at Corpus Christi, and visiting various interesting places in the Valley and in Mexico. They also visited in Pflugerville with Mr. and Mrs. C. O. Wierusckeske.

## Mrs. L. J. Wood Hostess to Club at Homemaking Cottage

Mrs. L. J. Wood served as hostess for the Review Club on Thursday, Oct. 6 at the homemaking cottage. She was assisted by Mrs. Rosellen Davis, Betty Booth, Margaret Parks, Myrna Mayfield, Jerre Dunklin and Jean Clark. Delicious home-baked apple pie a la mode and coffee were served.

Mrs. M. I. Knudson, vice president of the group, presided at a short business session. The organization has adopted Youth Rehabilitation as its project for the current year.

Mrs. J. T. Appleby rendered a very vivid description of the "Inaugural Gowns" of First Ladies as they may be seen in the National Museum. She reminded her listeners that those women continue to live in the individuality of the gowns they wore and perhaps played a more important part in the destinies of our nation than is realized.

In Mrs. Ellis Randals' unique report of "Abigail Adams" she told of the great life of the first hostess of the White House. In her character, her mind, her influence and simple ease with which she could alternately pass back and forth from the humble farm to St. James Palace, or the White House, she typifies the finest qualities of American womanhood.

After the meeting adjourned the members enjoyed an exhibit of articles representing "Various countries of the world." The display, prepared by the homemaking girls, is in observation of "United Nations" tenth birthday.

Rice, pork and potatoes—both sweet and Irish—head the USDA list of plentiful foods for October. Consumers can look for reasonable prices and high quality in these food items.

Beef, too, will be plentiful. Homemakers can expect thrifty price tags on all cuts and grades. Most economical buys will include ground beef, stewing meat and pot roasts. Look for budget prices on less known cuts of beef—oxtail, short ribs, flank steak and plate. More lamb will be found at the meat counters with prices to suit every pocketbook. Lamb offers flavor change and good nutrition.

In the fruit line, grapes, pears and plums are plentiful. Fresh grapes provide tasty between-meal snacks and easy desserts. Cheese will also receive special merchandising. Popular broiler and fryer chickens continue in supply.

The supply of dry beans is increasing. The crop now being harvested is about 8 per cent larger than average. Canned tuna and salad oils will be plentiful this month. You might like to stock a supply for sandwiches and salads.

Soil prepared now will be ready in the latter part of October to plant hyacinths, daffodils, jonquils, day lilies and many other bulb-like plants. Beds prepared now will be ready in December for tulips and Dutch Iris. Consider location first. For best results, landscapers architects recommend planting bulbs in clumps or groups. They fit well into bays or corners of the back or side yards or in front of screen or border plantings.

Avoid spoiling the spacious effect of the lawn by scattering bulb beds at the forefront of the home grounds or placing them in rings around trees and shrubs. Sunshine is not important if you expect only one crop of blooms from your bulbs. For a second season of blooms full sun or sun the greater part of the day is needed by most bulbs. Good drainage is necessary to prevent decay and insure proper growth. Soil fertility is not important if new bulbs are bought each year. It is a factor, however, in producing blooms for the next year. To fertilize, scatter one-half bushel of barnyard fertilizer, or a bushel of well decayed leaf mold and one or two cups of commercial fertilizer over each 25 square feet. Spade well into the soil to a depth of 8-12 inches and keep moist for 5-6 weeks.

Many stains on porcelain can be removed with a stiff paste made of powdered whiting mixed with kerosene or ammonia. Apply the paste liberally, then rub with soft cloth. Wash with soapy water and rinse well. Two tablespoons of kerosene added to one cup of soap jelly makes a good cleaner for sinks, bathtubs and laboratories. Add the kerosene to the jelly just before it thickens. Another cleaner for porcelain enamel is a paste made of one-fourth kerosene and 1 cup soda. Apply with cloth. Rust spots can sometimes be removed with lemon juice. Apply liberally and rinse thoroughly. For stubborn rust stains try a weak solution of oxalic acid—1 teaspoon oxalic acid in 1 cup of hot water. Rinse immediately with ammonia solution. Then rinse well with clear water. A word of caution though: Oxalic acid is poisonous and should be handled carefully. Label it "poison" and keep it out of reach of children.

To wax rubber floor coverings, only water-emulsion or self-polishing waxes. Solvents in other waxes are injurious to rubber.

Mr. and Mrs. V. D. Duzan of Plainview were week-end guests of Mrs. O. M. Bramblett and Mr. and Mrs. Eugene Seago.

Mr. and Mrs. J. D. Duzan of Clifton announce the arrival of a 7 pound baby boy, Billy Don, born October 9 at Clifton hospital. His mother is the former Venice Dunlap of Iredell. Grandparents are Mr. and Mrs. Ernest Dunlap of Iredell and Mrs. Dagley of Meridian.

Debra Sue is the name given to the new baby daughter of Mr. and Mrs. Herman Sowell of Hico. The little Miss arrived October 9 at Hico Hospital. Grandparents are Mr. and Mrs. T. O. Sowell of Hico and Mrs. Alice Wilson of Alexander.

## BULLOCHS ENTERTAIN

Week-end guests in the homes of Mr. and Mrs. D. E. Bulloch and Connie, Mrs. J. M. Williams and Mr. and Mrs. M. E. Williams were Mr. and Mrs. Jethro Newton, Gail and Jackie of Plainview and Mr. and Mrs. Alton Williams and children of Pottsville. Dinner guests in the Bulloch home Sunday were Mr. and Mrs. Jethro Newton and family, Mr. and Mrs. Alton Williams and children, Mr. and Mrs. J. B. Woodard, Mrs. J. M. Williams, Judy Holladay, and Jerry and Joan Williams.

Mrs. Ella Harris, Miss Emma Harris and Mrs. Elmer Hurley, all of Hamilton were Tuesday dinner guests in the home of Mrs. Effie McCuistian.

Mrs. O. E. Meador is visiting in Dallas with Mr. and Mrs. George Taber, and in Fort Worth in the home of Mr. and Mrs. Bill Goughly and son this week.

Mr. and Mrs. Joseph Rodgers and children of Ardmore, Okla., spent last week end here with his parents, Mr. and Mrs. J. P. Rodgers.

Recent visitors in the home of Mr. and Mrs. Tom Johnson was his nephew and wife of Tatum, New Mexico, who were en route to Waco to enter two of their Appaloosa horses in the Heart O' Texas Fair, and to ride in the parade. They returned by Hico Tuesday and reported that one of the horses had been named Grand Champion of the Fair and the other placed third.

Mr. and Mrs. M. C. Clepper of Lamesa visited recently with his brother, Mr. and Mrs. J. P. Clepper. The two families got together for a 3-day fishing trip at Possum Kingdom Lake, and reported a good catch and an enjoyable time.

# Research Paces Oil's Progress

There are three reasons why America's petroleum industry has been able to supply the ever-increasing demand for energy called for by our mechanized way of life: 1, it has fearlessly invested its capital in the hazardous search for oil and gas; 2, it has steadily expanded its facilities; and 3, it has conducted endless research to find better, more efficient ways to make the oil products America needs.

Research! That's the key to the petroleum industry's progress. And the Humble Company assures itself a place of leadership in this field with two great research laboratories.

In the Humble Research Center in Houston scientists and engineers study all phases of finding, producing, and conserving oil and gas.

In the Research Laboratory at Humble's Baytown, Texas, Refinery, highly skilled technicians seek to develop new and better petroleum products, to improve those we already have, and to develop methods for making these products more efficiently.

Just as America's progress depends on oil, so oil's progress depends on research.

**JOHN WHITE RAPS SENDING FARM SURPLUS, MACHINERY TO RUSSIA**

State Agriculture Commissioner John C. White claims, in his current newsletter to citizens, strong public support for his stand in a Pleasanton speech, opposing the sending of American agriculture machinery to Russia. White also said he is opposed to marketing our surplus farm products in Russia when millions of people in the free world are hungry.

"Russia apparently is being slowed in military preparations by the failure of collective farming to produce enough food and fiber," White said. "We should give the matter some mature consideration before we aid in building up their agricultural potential. After all, food and fiber are as basic to warfare as guns and planes. Until we are certain of Russia's intentions, I think we should proceed with extreme caution."

White's vie wis realistic. When we were at war with Ger-

many and Japan, no one came forward with plans to aid the Germans and Japanese, which in turn would have aided Hitler and Hirohito in their conquests. We are engaged in a cold war with Russia, which may break into a shooting war at any time that Russia feels she can win. Communists are engaged in world conquest.

Obviously one of the compelling reasons for Russia's making peace overtures now is to gain time to quell the restlessness of her people at home. The Russian people are restive because of the shortage of consumer goods.

Are we to provide the machinery for light industry to rescue Russia before we even know what the Communists are planning?

As White said, caution is best until we know their intentions. These intentions must be proved by acts, not by propaganda. —Editorial Page Houston Chronicle, Sunday, Sept. 9, 1955.

**Stockers Strong, Heifers In Much Better Demand.**

Demand for replacement cattle and calves was very broad again this week. Once again the spread between heifer and steer prices was narrowed. Many sales 50 cents higher were noted in Monday's trade and some heifer calves and yearling heifers were up 50 cents to \$1 per hundred.

A few sales of steer calves up to \$21 and \$21.50 were noted Monday, and buyers and salesmen alike agreed that strictly choice lightweights were quotable to \$22 or better. Heifer calves reached \$19, a new high for the class except in the special feeder calf sales, for the season. S. S. Barrett, Jefferson County, Oklahoma, had a pen of 45 heifer calves weighing 383 pounds at \$19 Monday.

Stocker cows were again in very broad demand, most sales between \$8 and \$13 per hundred. A few lightweights above that range. One load of cows at \$12.75 dollared around \$116 per head and were not the best.

The largest offerings of cattle of the Fall season was reported Monday by the twelve major markets where over 155,000 head were reported. The calf run was over 16,000, about 2,000 ahead of last week, but about 6,000 under same date last year. Trend on receipts of calves seems to be getting more pronounced—that fewer calves are being marketed this season.

Slaughter calves at Fort Worth were fully steady due to the competition from stocker buyers. Cows, bulls and grassy steers and yearlings were weaker. Highly fitted grained cattle were steady.

Comparative prices: Good and choice fed steers and yearlings \$19-22.75; common and medium grades \$12-18; fat cows \$10-12; canners and cutters \$7-10.50; bulls \$9.50-13.25; good to choice slaughter calves \$16-18, baby beef heavies above that range and quotable with yearlings; cull to medium killers, \$9-15; stocker steer calves \$21.50 down; heifers \$19 down. Steer yearlings \$19 down.

Receipts of hogs around the major market circle were just a short of the 100,000 mark, and

prices were weak to 25 cents lower at Fort Worth Monday. Top hogs sold at \$15.75 to \$16, equaling the lowest point of the year. Top hogs sold down to \$16 in September and also in March this year. Sows were 50 cents lower at \$14 down.

Secretary of Agriculture Benson met with representatives of the swine industry last week. It was suggested that USDA should step into the pork market if and when hogs drop to \$14. Pork purchased would just about total one week's production of the nation's packers. It would be used in school lunches and institutions. No plan to go into freezer storage with pork was advanced. Meeting with Benson were representatives of producers and processors.

Fat lambs topped at \$20 again at Fort Worth Monday. Feeder lambs of the better kinds sold readily at \$17. The good and choice fat lambs drew \$18 to \$20, and cull, common and medium killing lambs sold from \$11 to \$17. Stocker and feeder lambs sold from \$14 to \$17.

Old ewes sold mostly around \$5 to \$5.50, though freshly shorn canners would be quotable under that range. Old bucks sold around \$4 to \$4.50. Old wethers were quoted from \$8 to \$12. Yearling muttons sold around \$12 to \$15.50, culls around \$9 to \$11.

**Feeder Show Judges Being Picked for October 21.**

Four judges have been named for the special feeder event at Fort Worth October 21. Again the Texas Hereford Association is picking widely known cattlemen. D. Burns, boss of the Pitchfork Ranches; Kirk Edwards, Clay County; Ferd Shocum, Cresson and J. L. Renick, Llano have accepted bids to judge. All are owners and operators of some of the best commercial Hereford herds in the country and their ability and knowledge of cattle is outstanding. Two other judges will be named.

Interesting side-light is the fact the Wichita (Kansas) Union Stockyards is staging a similar show and sale this week. Patterned exactly after these Fort Worth events.

By —  
Mrs. Eunice Daniel

We have had some beautiful fall

weather the past several days. Farmers have been very busy preparing land and sowing grain. Mr. and Mrs. Leon Springer, Randy, Van and Gala Kay of Crane visited from Friday of last

week until Tuesday in the home of Mr. and Mrs. Carl Ray Sellers and family. Mr. Springer has been doing some plowing on his place here. They expect to move back here the last of this month.

Mrs. Myrtle Enger, her daughter and husband, Mr. and Mrs. Lester Smith and their daughter, Mrs. Robert Rountree and Rodney, all of Brady were supper guests of the writer and husband Saturday night. Mrs. Enger and Mrs. Rountree and baby spent the night in our home, while Mr. and Mrs. Smith spent the night with Mr. and Mrs. P. L. Cox. On Sunday morning all returned to our home and our mother, Mrs. A. L. Newman of the Millerville community came and we made some pictures of the five generations. Mrs. Newman, Mrs. Enger, Mrs. Smith, Mrs. Rountree make up the five generations. All were guests of Mr. and Mrs. E. M. Hoover for Sunday dinner. In the afternoon the Brady relatives drove to Dallas where Mrs. Rountree and baby left by bus for Tulsa, Okla. where she will visit for several weeks with her husband's mother, brothers and sisters. Her husband is in the service and stationed in Japan.

The writer and husband visited a while Wednesday afternoon of last week with Mrs. Marie Turner of Carlton, and looking after business interest at our farm there.

Guests of Mr. and Mrs. Scott Blakley and Lera Jane Sunday were his sister and husband, Mr. and Mrs. W. N. Bridges of McGregor and his brother and wife, Mr. and Mrs. Roy Blakley of Fairy.

Mr. and Mrs. N. S. Sellers of Hamilton and their daughter, Mrs. Wesley Jones visited Wednesday of last week in the home of their son and brother, Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don.

Mr. and Mrs. Marty Haire of Fort Worth visited a while Sunday afternoon and night with her father, and the writer.

Mr. and Mrs. Calvin Anderson and family visited during the week-end with her parents, Mr. and Mrs. Frank Driver.

Mrs. M. E. Parks and Audie spent Sunday in Kerville visiting in the home of her daughter, Mr. and Mrs. V. D. Fulbright and family.

Mr. and Mrs. Marvin Porterfield spent the week end in Waco visiting in the home of his brother, Mr. and Mrs. Louis Porterfield and family.

Mr. and Mrs. J. T. Longino and family of Carlton spent Sunday with Mr. and Mrs. Bill Lackey and sons, Jerry and Harold.

Jerry Lackey of Abilene Christian College spent the week end with his parents, Mr. and Mrs. Bill Lackey and Harold.

Mrs. Iland Jones and Mr. Kirby Hanes of Dallas visited Sunday with Prof. and Mrs. Frank Hanes, Martha and Mike. They are sister and brother of Prof. Hanes.

Mr. and Mrs. Marvin Porterfield were business visitors in Tolar Tuesday.

Mr. and Mrs. Texie Dell Allison of Fort Worth spent the week end with their parents, Mr. and Mrs. Edd Allison and Mr. and Mrs. Garon Streeter and family.

Mr. and Mrs. Marvin Porterfield were guests of Mr. and Mrs. Bill Lackey and Harold a while Monday night.

Mr. and Mrs. W. E. Goynes and Lynda visited Sunday in the home of his sister, Mr. and Mrs. O. E. Whitson and another sister, Miss Zell Goynes, who is making her home with the Whitsons at this time.

**ALEXANDER**

By Mrs. Alice Wilson

Large crowds attended church here Sunday.

Mrs. Johnnie Poe is visiting her daughter and family, Mr. and Mrs. Charlie Peek and children at Hitchcock.

Several from here attended the funeral of Mr. Frank Stringer at Dublin last Friday. Mr. Stringer was born and reared in this community, but had moved away from here several years ago.

Mrs. Nelda Halley and children from Corsacina spent the week end with her mother, Mrs. Will Alexander.

Word was received here of the death of Mr. Bud Diesher, Sunday. Mr. Diesher was born and raised here and raised his family in this community. Due to ill health he moved to Stephenville several years ago. The family has the sympathy of this community.

Mr. Lee Ponder, who has been in the Dublin hospital for several weeks, has been brought home. Mr. Ponder is improving slowly.

Mrs. Connie Alexander is visiting this week with her sister at Santa Anna.

The farmers are busy pulling cotton.

Mrs. Alice Wilson spent several days with her daughter, Mrs. Sybil Sowell and her new granddaughter, Debra Sue, at the Hico Hospital.

Mrs. Maggie Bungrat became worse and was rushed to the Dublin hospital. Mrs. Bungrat has been ill for several weeks. Her many friends of the Alexander community wish for her a speedy recovery.

A farewell party was given at the school building Saturday night for Mr. and Mrs. Dean Hilburn. They received many useful gifts. Mr. and Mrs. Elvy Wilson of Jonesboro visited Sunday with Mr. and Mrs. Truett Walker.

**TO PREACH HERE SUNDAY**

Rev. Rance Forson, pastor of the Hico Congregational Methodist Church states that the services Sunday morning and Sunday evening will feature Rev. J. L. Jones of Comanche.

Rev. Jones is a young preacher, having been ordained only a few months ago, and is a spirit-filled man of God, continues the pastor.

Mr. and Mrs. Kenny Cremean and children, Larry, Wayne, Sherry and Fredrick Earl, have recently moved here from Fort Worth. They are residing in the Woodrow Wolfe home in the Hillcrest addition. Mr. Cremean is employed with the H. B. Zachery Construction Co.

Each and everyone has a cordial invitation to come out and hear this eloquent and dynamic preacher.

**IT HAPPENED—**

(Continued from Page 1)

the fourteen-year-old boy was stripping him of all his clothing and making him lie in the hot spring sunshine until he was a solid mass of blisters. Every blister became infected, as did the arrow wound in his leg, and he suffered indescribable agonies. He tried to escape on several occasions, but his captors always managed to catch him before he got away. After arrival at their camp the Indians offered him the pick of a bunch of Indian maidens for a wife. But he had just one idea in mind, and that was to get away and get back to his home in Bosque County. At long last, after six months with the Indians, he was ransomed by an Indian agent in Kansas and started back on the journey home. It was a long way and travel in many cases was difficult. When he got back to Milford, in Ellis County, he took seriously ill and was unconscious for some days. When he got better some Bosque County friends came along and he got home, the happiest moment in all his life, he avers.
