NEW CITY OFFICIALS—Shown are G. M. Bullard, W. C. Howard and Jim Jameson, new aldermen, and T. A. Randals, mayor. Standing are D. E. Bulloch and Weldon Pierce, hold-over council members. (Photo by Reed)

New City Officials Take Oath Of Office Monday Night

T. A. Randals was officially sworn in as mayor of the City of Hico at a called meeting of the city council Monday evening at 8 o'clock. Three new aldermen, Jim Jameson, W. C. Howard, and G. M. Bullard, were also sworn in at the meeting.

J. B. Ogle, outgoing mayor, performed the official duty of swearing in the new city officials, with Mrs. J. R. McMillan notarizing the act.

All Expense Tour To Austin Planned By Katy Railroad

The Katy Railroad has announced an all-expense tour to Austin and return on Saturday, April 28th. The fare for adults is \$10.50 and for children under 12 years of age is \$5.50. This price includes 2 box lunches with cold drinks, charter buses at Austin, visiting the Capitol, Museum and Barton Springs. The train will leave Hico at 9:05 a.m. and arrive at Austin at 2:00 p.m. Departure time from Austin is 6:00 p.m. and arrival back at Hico is 11:10 p.m.

Tickets must be purchased in advance from P. W. Hamilton, local agent, on or before Friday, April 13th (today).

Others present at the meeting were O. L. Davis, H. W. Sherrard and Ernie Jacobs, outgoing aldermen, and also several guests were there to view the ceremonies.

The new mayor, in a speech before the group said in part:

"First I want to wish for our outgoing mayor and council a long, happy and successful life. For the council and myself I would feel very ungrateful if I did not thank the citizens of Hico for the confidence they have placed in us. We realize we represent more stockholders than all the business firms in Hico. I want to assure these stockholders, which are our tax payers, that we will never in any instance, spend their money for a selfish gain or a selfish motive, but instead it will be in every instance what we think is best for the citizens of Hico."

"Now in closing I do hope, if possible that when we have finished our work for the city that we will have a more united and co-operative citizenship."

Mrs. J. R. McMillan, who has served as City Secretary and tax-assessor collector for more than 20 years, tendered her resignation at the meeting. The council accepted the resignation, and appointed Mrs. S. W. Everett to serve in this capacity.

John Ryan Places Third In Tarleton Judging Contests

Stephenville, April 12 (Spl.)—John Ryan of Hico High School was one of the high ranking individuals here Saturday in the 28th annual Tarleton State College Tri-Area Future Farmers of America Judging Contest.

Ryan placed third in the Area 4 Livestock Contest with 518 points.

More than 1,700 youths from 170 high schools in 8 counties participated in the contest.

Lions Club Amateur Show Set For Tuesday

Cancer Crusade Drive Slated Tuesday In Business District

Tuesday, April 17, has been designated as Cancer Crusade Soliciting day in the business section of Hico to raise the \$160.00 quota that has been assigned the town. Only the business section will be contacted for donations. No house to house canvas has been planned as in other similar drives. A committee from the Lions Club, composed of Ellis Randals, Fred Jaggars Jr., Paul Neel and S. E. Starnes, will contact the various businesses.

Residents who wish to contribute are urged to place their donations in the containers that have been placed around town in several businesses.

The Fairy, Olin and Carlton communities will also solicit on Tuesday.

The law of averages say that cancer will kill one out of every six Americans. But the law does not have to prevail. You can help break it in two ways. By having a thorough medical checkup every year—and by sending a check to your local cancer chairman, Mrs. T. A. Randals, or to Miss Louise Blair.

In a few short years we've seen the discovery of antibiotics, new wonder drugs for tuberculosis, a vaccine for polio. We will see the conquest of cancer, too, if people want it badly enough. Last year the American Cancer Society was unable to fill requests for research funds totalling almost \$3,000,000. The reason—not enough money. Did you give all you could? Will you give all you can?

E. E. Dawson Will Preach Sunday at Methodist Church

The Reverend E. E. Dawson, beloved retired Baptist preacher, will deliver the morning sermon at the First Methodist Church Sunday morning at 11 o'clock.

Brother Dawson is loved and respected by all the members of the community, and the Methodist people look forward to hearing him preach.

The pastor, Morgan Garrett, will be preaching at the First Methodist Church in Arlington during the morning worship hour Sunday. Reverend Garrett formerly served as associate pastor at the Arlington church, and has been invited to return and preach in the recently completed new sanctuary.

Last Rites Held For Hico Pioneer Wednesday Afternoon

Funeral services for William A. Stubblefield, 90, retired farmer who died at his home here Tuesday after a long illness, were held at 2 p.m. Wednesday at Barrow-Rutledge Funeral Chapel. Rev. E. E. Dawson officiated. Burial was in Hico Cemetery.

Mr. Stubblefield was born in Eastland County. He lived near Hico many years before moving to town in 1945. His wife died in 1951. He was a member of the Baptist Church.

Surviving are two daughters, Mrs. Lucy Bell of Amarillo and Mrs. Nollie Smith of Kemp; one son, Wesley Stubblefield of Hico; one brother, Albert Stubblefield of Palestine; five grandchildren, and eight great-grandchildren.

Full Evening Of Fun Promised by Show Committee

Everything is in readiness for the Hico Lions Club Amateur Show which will be presented Tuesday night, April 17, in the school auditorium. Time for the show has been set for 8 o'clock.

The committee reported Wednesday afternoon that several entries had been received and quite a few more were expected by Tuesday. Entries may be turned in to any of the following committees: O. C. Cook, R. B. Jackson, or Harold Walker.

Tickets for the show were placed on sale last week and may be purchased from any member of the Hico Parent-Teacher Association. All gross ticket sales have been pledged to that group for use in the completion of the Youth Center. Those who plan to attend are urged to buy their tickets in advance.

A total of \$67.50 in prizes has been broken down into first, second and third places in three divisions. \$10.00 will be given for first place winners, \$7.50 second, and \$5.00 third in the School Division, Non-School Division, and Semi-Professional group.

Approximately 12 acts and a specialty number had been entered up to Thursday noon, with several more expected before Monday.

Each year the Lions Club sponsors a show of this type as a fund-raising campaign, and always in the past they have managed to make enough out of the show to finance the many community projects throughout the year. Their earnings will be decreased, however, this year, due to the fact that most of the funds will be turned over to the P-T-A.

Local Man Wins County Trustee Race

J. B. Woodard of Hico won a decisive victory over V. C. Battershell of Carlton last Saturday in the County School Trustee Election. Woodard replaces J. W. Jordan, also of Carlton, as representative of Precinct No. 3.

This will be the first time in more than 25 years that the Hico District has had a representative on the county board.

Woodard received a total of 322 votes in the three boxes, compared to 177 for Battershell.

The voting went like this in the three boxes:

HICO	
Woodard	256
Battershell	21
CARLTON	
Battershell	143
Woodard	50
FAIRY	
Woodard	16
Battershell	13

Hico Captures Area One-Act Play Honors at Stephenville

Hico High School students copied top honors in the Area Interscholastic League Class B one-act play contest, held at Stephenville last Saturday.

The winning play was entitled "Nobody Sleeps."

Runners-up were students from Hubbard High School. They presented the play "Elizabeth."

Best actress and actor awards went to Kathryn Sparks of Hico and Jerry Leckie of Hubbard.

Runners-up were Ann Manning of Hubbard and Harvey Jones of Hico.

The winning play is eligible for the regional contests at Brownwood later this month.

Hico's winning entry was directed by Mrs. W. P. Brummett. The local cast included Harvey Jones, Deborah Pruet, Kathryn Sparks, Julia Hedges, Nancy Stephens, and Betty Drake, stage manager.

The play had earlier won the district contest held at Morgan.

RETIRING CITY OFFICIALS—Shown are Aldermen Ernie Jacobs, H. W. Sherrard and O. L. Davis, and Mayor J. B. Ogle, who retired from city office Monday night at a called meeting. Mrs. J. R. McMillan, city secretary for more than 20 years, resigned her position at this meeting. (Photo by Reed)

P. W. Hamilton Will Head Country Club For Coming Year

Paul W. Hamilton was elected president of the Bluebonnet Country Club at a business meeting following a dinner at the club last Thursday night. He succeeds Sandy Ogle.

Ray Cheek was named vice president. Ellis Randals, secretary-treasurer, and Jimmie Ramage director for three years. Other directors are E. V. Meador, one year term, and W. C. Howard, two year term.

Morse Ross was named chairman of the Annual Texas Sand Greens Championship Golf Tournament, which will be held this year June 8, 9 and 10. Dates for the tournament were changed from the usual July Fourth dates due to that date falling in the middle of the week.

The club's women's auxiliary elected Mrs. Paul W. Hamilton president, Mrs. Morse Ross vice president and Mrs. Odis Petsick, secretary-treasurer. The group will have charge of tournament concessions.

Hostesses at the Thursday dinner were Mrs. W. C. Howard, Mrs. M. I. Knudson, Mrs. Jimmie Ramage and Mrs. E. V. Meador.

DUBLIN PLAYS AT IREDELL SUNDAY IN BV LEAGUE

Dublin will play at Iredell Sunday afternoon at 2:30 p.m. in the Bosque Valley League. Admission is nominal and a good game is promised all who attend.

Mr. and Mrs. Frank Bonner and sons spent the week end in Dallas with his mother.

It Happened Here or Near

By E. E. DAWSON

We are not in the most historical area of Texas. Yet there are numerous historic sites at which important events have occurred. For example, Brownwood finished its centenary celebration last Sunday, which was quite colorful. Erath County had its centenary big time last year. Abilene is going to celebrate its diamond anniversary right away—diamond means seventy-fifth.

As you go west, the anniversaries grow less in number of years until you get out beyond the Pecos River, in Pecos and Reeves Counties, where the early history is unknown, but where you can still see relics of its colorful past. For example, near the line between Pecos and Reeves Counties is a flat top mountain, called a "butte", on which an ancient arrow maker wrought the plentiful flint found on the flat top into arrow and spear heads. Near this point on the north side of the Barrilla Mountains, right beside Federal Highway 290, is an ancient Indian graveyard. One day, with some helpers, I dug down in that old burying ground and we found a large flint spear head and a femur bone, the big leg bone from the thigh to the knee. In that graveyard they buried the dead in a standing position.

A few miles west of there, near Toyahvale, may be seen an irrigation system along the foot of a spur of the Davis Mountains,

which nobody knows how old it is. Yaqui Indians have lived there for ages. A Spanish mission has been there far more than a hundred years. Running over a foothill peak just east of Toyahvale is a rock fence almost a mile long that was built by a priest who committed some sin and as a self-imposed penance built the fence, a labor of many years. He had to carry most of the rocks a good half mile up a steep mountain side. He must have had strong conviction concerning his faith and a remarkable power of endurance.

Two weeks ago, wife, daughter Mildred, and I made a trip to Corpus Christi. We went through one of the most historic sections of the state, and not far from the first English settlement.

We were through Bastrop, La-Grange, Victoria, Goliad, Refugio, and dozens of other places of note in early Texas history. We had lunch at La Grange, an ancient town on the Colorado River in Fayette County, named for General Lafayette, of Revolutionary fame, a Frenchman. The county was created from Bastrop and Colorado Counties in 1837 and organized in 1838. On the courthouse square stands a great oak tree under which volunteers for seven wars have reported for induction. 1. The War of Texas Independence; 2. The Mer Expedition of 1842; 3. The War of 1845 between U. S. and Mexico; 4. The

REPORTERS—Julia Hodges, Betty Drake, Jerre Dunklin, Judy Holladay, Linda McLendon, Margaret Parks and Maxidine Luckie

SPOTLIGHT

This has been a busy week for the high school students, especially the Juniors. They had play practice Tuesday, Wednesday and Thursday night. Last week was also six week tests.

Since Thursday was the last day for tests I thought I might find some couples after play practice. Sure enough I found Margaret P., Robert G., Linda M. and Sherrel K.

Friday at school the Junior play cast was studying their play books in classes. Woe be unto them if they had gotten caught.

The big night finally arrived! The Juniors put on their play. In between acts as I flashed my Spotlight around the high school auditorium I found Lee F., Virginia J., Bobby A., Louise B., Walter A., Katherine S., Joe C., Valetta H., Dan L., Julia H., James D., Bonnie J., Alton P., Joanne N., Earl B., Joyce L., Charles T., Kay J. enjoying the play. Afterwards there was a dance. Some of the couples attending were Sherrel K., Linda M., Jerry N., Myrna M., Sonny F., Margaret P., Dan L., Julia H., Earl B. and Joyce L.

Other couples after the play were Billy H., Peggy A., Buddy T., Reggie E., Jerry M. and Gayle H. Saturday night at Waco were Buddy T., Reggie E., Andy L., Kendall H. and Buzzy H. enjoying the Scout Circus. Buddy led the Boy Scouts in the Pledge of Allegiance. Nice work Buddy.

As usual there were some couples at the drive-in at Stephenville. Those I saw were Sherrel K., Linda M., James D., Bonnie J., Tom S.

WORM'S EYE VIEW

In case you are still wondering who last week's Dream Queen was, she was Jerre Dunklin.

This week we turn to the Senior Class for a worm's eye view of one of those "coolheads." This particular senior belongs to the weaker sex and has blond hair and mischievous blue eyes.

In the hand Mystery Gal plays the bell lyre well enough to make the Tiger change his grim expression to a big grin. M. G. is a good athlete, and is especially outstanding in basketball. In the Senior class M. G. is class secretary and is in the Senior play cast. She was chosen this year as the "Most Popular" girl in high school. Besides this she is on the annual staff.

Mystery Gal likes Chevrolet, bookkeeping, band, P. E. college boys, snapshots, chocolate malts, sewing and all sorts of people.

Who is our Mystery Gal this week? It is a cinch that she is Jean Clark.

OVERHEARD IN OFFICE

Mr. Cook: "Jerre, where did I put my pencil?"

Jerre D.: "It's behind your ear."

Mr. Cook: "Come, come, I'm a busy man. Which ear?"

Wayne D. looked at the high prices on the cafe menu and then turned to his date and said, "What will you have, my plump little doll?"

JUNIOR HIGH NEWS

Everyone survived the six week tests last week.

Friday the Interscholastic League meet was held at Iredell. Grade school didn't do as well as expected but we are proud to say some ribbons were won. In 7th and 8th grade spelling, Juan Williams and Carol Akin won third place. Royce

S. was happy but shocked to find that he had won third place in number sense.

Friday night most of the interest seemed to be centered around the Junior play. Just as the first act began a wine-colored Chevrolet came roaring to a stop in front of the high school building. Seven eighth graders climbed out. Where in the world had you been? Everyone is certainly dreading Wednesday when we find out what our six week grades are.

CARLTON

By Mrs. Fred Geye

WILLIAM L. FISHER

A large crowd of relatives and friends attended the funeral Thursday afternoon at 3 o'clock in the Baptist Church to pay their respects to one of Carlton's oldest citizens, William L. Fisher, known to his many friends as Uncle Dude.

Mr. Fisher suffered a stroke at his home late Monday afternoon and was rushed to the Hico Hospital where he passed away Wednesday afternoon without regaining consciousness, at the age of 88 years, 11 months and 28 days. His family had planned to celebrate his 76th birthday Saturday, April 7.

He is survived by his wife, four daughters, Mrs. Velma Ford, Killen, Mrs. Ella Mae Ford, Fort Worth, Mrs. Geraldine Stuckey, Waco, and Mrs. Beth Williamson, Hugo, Okla.; 11 grandchildren, 6 great-grandchildren, many other relatives and a host of friends.

The pastor, Rev. Bill Campbell conducted the funeral services. Mr. Fisher was born April 7, 1870, in Limestone County, and had lived at Carlton most of his life. He was the oldest member of the Carlton Baptist Church, being a member 63 years.

Barrow-Rutledge Funeral Directors of Hico had charge of all the funeral arrangements, with burial in the Carlton Cemetery.

Pallbearers were Hob Thompson, Walker Curry, Mack Taylor, George Driver, Sam Sharp and Virgil Battershell.

Mrs. S. W. Fine and daughter-in-law, Mrs. Sid Fine attended the funeral at Selden near Stephenville, Friday afternoon for Mrs. Fine's sister, Mrs. Martha Francis Elizabeth Hackett, 97, long time Erath County resident who died Thursday at her home at Selden.

FAIRY

By —
Mrs. Eunice Daniel

We received about 4 of an inch of rain Thursday afternoon of last week. However it was followed by another sand storm which greatly lessened its moisture value.

Farmers have been planting some maize and preparing land for other crops. Some of the grain is trying to head, though only six or eight inches high.

We were so sorry to learn of the death of Mrs. Georgia Holton of Hico, which we knew nothing about until we received last week's copy of the Hico paper on Friday, and also had not even learned of her illness. We had visited occasionally with her during her life time, but it seems now days folks have such a race with time we never get around to doing many of the things we would like to do. She possessed a sweet personality and to know her was to love her. We extend our deepest sympathy to her family and other relatives in this time of sorrow.

Mr. and Mrs. T. L. Betts received a letter recently from their son, Joe and family who are now in Japan. Joe is teaching and attending classes at Ibaraki Christian College at Omika, Hitacachi-Shi, Ibarakiken, Japan. They informed his parents that they were well pleased in their new adventure of missionary duty and that it was a beautiful place with the cherry trees in full bloom. Should anyone wish to write them write in care of the Ibaraki Christian College. We feel sure they would be glad to hear from their friends and relatives in the states.

Joe Knapp, member of the Fairy FFA Chapter was also a winner in the Hamilton County Junior Livestock Show held recently when he won first place honors in the male swine division. Joe is a son of Mr. and Mrs. Vernon Knapp.

Patsy Danabee, Doris Smith and James Hodge visited recently in Fort Worth with Miss Ruby Jameson and niece, Misses Barbara and Jackie Lewis. Barbara was recuperating from a tonsilectomy.

A week-end revival was held at the Agee Baptist Church from Friday night through Sunday. Rev. Mack Malone, pastor, was the evangelist for the meeting, assisted by Rev. Britton Wood as director of the song service.

Mr. and Mrs. Eric Dunn of near Dimmitt stopped for a short visit Sunday with the writer and husband. They had spent the week end in Hico visiting relatives and

friends and were on their way to Hamilton to visit his sister and other relatives before returning home. They are former residents of Fairy. We enjoyed their short visit very much. They also visited with uncle Bob Parks who is ill.

We are sorry to learn this morning, Tuesday, of the death of Mr. Stubblefield, who formerly lived between Fairy and Hico and extended sympathy to his children and families.

Mr. and Mrs. Marvin Porterfield were Fairy visitors Tuesday. Mr. Porterfield stated that they were in Tuxedo Sunday to attend funeral services for his aunt, Mrs. Lizzie Smith of Houston. Marvin conducted the services, this being the request of his aunt, Mrs. Smith is a former resident being the widow of the late Abb Smith. She was 83 years of age and is survived by three sons, Claude, Clarence and Guy, and one daughter, Mrs. Audria Lee Childers of Houston, and a host of other relatives and friends. We extend sympathy to

those bereaved in her passing. The writer was in Dublin last Friday where we visited in the home of our daughter, Mr. and Mrs. D. E. Allison and Darrel.

Mr. and Mrs. Bill Lackey visited Sunday with his mother, Mrs. Emma Lackey of Hico.

Mr. and Mrs. Carl Ray Sellers visited a while Sunday at the new home of his brother and wife, Mr. and Mrs. Dewey Sellers who are moving this week to their new ranch home just completed.

Postmaster and Mrs. W. E. Goyno attended the open house at the new post office at Meridian Saturday. It was a very pleasant occasion attended by postmasters, post office employees and their wives from many towns. Postmaster Jesse Gandy and the town of Meridian are to be congratulated upon the obtaining of this lovely federal building.

Visitors over the week end in the home of Mr. and Mrs. J. T. Jackson were Mr. and Mrs. Louis Abel, Mr. and Mrs. Dorman Vance

and Cindy, Mr. and Mrs. V. A. Jackson, Kanna and Jorja and Miss Gwen Jackson, all of Grand Prairie.

The writer attended singing at Lunds Valley Baptist Church Sunday and visited a while with Mrs. Minnie McCarty at Hamilton.

The Future Homemakers of Fairy High School made an interesting trip to see the factory at New Braunfels on Friday, April 6. They were accompanied by their teacher, Mrs. B. A. Gleason, Mr. Hanes, R. W. McAdams as bus driver and Mrs. A. B. Clark, Mrs. McAdams, Mrs. Walter Abel, and Mrs. Sowell. They also made brief stops at Aquarena in San Marcos and the State Capitol at Austin.

ALEXANDER

By
Mrs. Alice Wilson

A large crowd attended church here Sunday. Mr. and Mrs. T. G. Crews of

Dallas visited Sunday with his parents, Mr. and Mrs. Edd Crews.

Mr. and Mrs. Max Garrett and little son John spent the week end with his mother, Mrs. Van Garrett. They were on their way to Lubbock where he has accepted a job with International Harvester.

Miss Martha Holcomb spent a few days in the Dublin Hospital after a minor operation. Mr. and Mrs. George Moore, who are working at Dallas, spent the week end here.

CARD OF THANKS

We wish to express our thanks and appreciation for all the acts of kindness, the food, and flowers and those who helped prepare the dinner during our recent bereavement in the loss of our father. May God bless each of you.

Cotton production and processing is moving into the jet age. Within a short time, nuclear energy radiations may be used to give a new versatility and improve its textile properties.

This project is just one of the many new developments now planned by state and federal cotton research agencies. Goal of this research is to find and create new uses and demands which will put a new sheen on "King Cotton's" slightly tarnished crown.

Future plans were laid for cotton during a research and marketing advisor meeting in Washington last month. The committee, composed of leading agriculturists from over the nation, set a course of action that includes all phases of cotton handling, including production, utilization and marketing. Rated high on the list were experiments on irrigation of cotton grown in humid areas, improved weed control, better processing methods for cotton seed oil and meal and other work to reduce costs of cotton production. Any savings effected will give a need-

ed shot in the arm to this white crop, notorious for its expensive growing and harvesting methods. The Gulf Coast area of Texas will be the site of research to study irrigation in humid areas for more prolific production. At the same time, mechanical and chemical weed control studies will be conducted to determine best methods for various localities.

The pink bollworm, Texas' most serious cotton pest, is on the list for advanced research, as well as cotton breeding to improve fiber quality and increase growing efficiency. New uses for cotton must be developed also. Development is planned on cotton-filled plastic laminates for industrial uses, and stretchable cotton yarns for socks and other knit wear.

These are but a few of the plans outlined by the committee. Cotton seed and related by-products are due their full share of attention. Progress reports on research data will be made available to the industry as they become available.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

If we are lucky enough to get a fair growing season this year, Hamilton County should know pretty well after harvest just what the hybrid grain sorghums will do over the county. There will be a total of 130 demonstrations over the county of the hybrid sorghums. Four of the demonstrations will be of hybrids produced by the Texas Agricultural Experiment Station and the rest will be hybrids produced by the DeKalb Seed Company.

The seed of the DeKalb plantings were furnished growers of the county by local dealers. It will be quite interesting to follow the progress made by a group at Cranfills Gap, just over in Bosque County who are planting a sizeable acreage to the DeKalb varieties. There are twenty-three growers, some living in Hamilton County, who secured samples of the hybrids and they have pooled their seed and are planting quite a few acres. This group is the First Methodist Church Men's Club. For a number of years this club has leased about 100 acres

of cultivated land in the Mustang community. They pool their efforts in farming the land and what is made off it goes to carry on the work of the church. All the members of the church work at the various farm jobs and so far they have been rather successful in their operations.

Ben Gleason, Route 3 Hico, has been in the poultry business for a number of years and for several years he has been using a refrigerated egg cooling room. He made his cooler from a second hand cooler he secured from one of the merchants in Hico. Ben is pretty well pleased with it and it has helped him considerably in getting better eggs on the market.

IT HAPPENED—

(Continued from Page 1)

Civil War; 5. The Spanish American War; 6. World War I; 7. World War II.

At Ruterville, a few miles southeast of LaGrange, the first institution of higher learning of Texas was established. Ruterville College, named for Martin Ruter. No doubt its standards were pretty low as compared with modern standards of colleges, but it was a pioneer effort toward a goal those sturdy old-timers regarded as essential.

As you look at the signs on the business houses of that region, you will see a lot of names that to us Anglo-Americans are unpronounceable. In an early day, German and Czech immigrants came in large numbers and took over the country. I observed this name on a store front, "Hzure." I did not even try to pronounce it.

As you ply Federal Highway 77 you see that those European immigrants made good built substantial homes, developed good farms and ranches, and set up thriving small towns with schools and churches.

A checkup

Of every 100 persons who get cancer 25 will be saved, 75 will die. Of these, many will die needlessly, because with present knowledge they could be saved by early detection and prompt treatment. Play fair with yourself and your family... have that cancer checkup soon.

and a check

There has never been enough money to carry on all the research that needs to be done. Can you afford to remain indifferent to the enemy that strikes 1 out of every 4 Americans? Your donation—large or small—can help save lives. Someday, perhaps your own.

1956 Cancer Crusade Hico Quota--\$160.00

The month of April has been designated as CANCER CRUSADE MONTH. April 17th is the official fund soliciting day. The residential area will not be solicited this year—only the business houses will be contacted for contributions.

Cancer Among Children

In 1955 Cancer took the lives of more than 3,500 children under 15 years old.

About half of those children died from leukemia.

Throughout the land more school children died from Cancer in that year than from any other disease.

In the 48 States and Alaska there are about 160,000 children under the age of 18 who have lost their fathers from Cancer, and about 175,000 whose mothers have been taken by Cancer.
