Installation Set For Monday Night at Final Meeting of P-TA

At the final meeting of the Hico Parent-Teacher Association Monday night at the high school auditorium, Mrs. R. C. Madeley, a Stephenville teacher, will install the following officers for the coming year: Mrs. B. J. Pruett, president;

Mrs. Wayne Rutledge, Mrs. Vernon H. Jenkins and Mrs. J. E. Wooton, first, second and third vice presidents; Mrs. W. M. Horsley, treasurer; Mrs. O. C. Cook, secretary; Mrs. J. T. Appieby, historian; and Harold D. Walker, parliamentarian.

Mrs. Pruett, who succeeds Mrs. Kyle Archie, served as the first president of the P-TA after its organization in 1953. First Graders, directed by Mrs. Robert B. Jackson, will open the program with a play entitled "The Unlaughing Clown", and songs. Refreshments will be served in the lunchroom after the meeting.

Amateur Show To Be Presented at Iredell High School May 10

The sophomore class of Iredell High School is sponsoring an amateur show on Thursday night, May 10, at 8:00 o'clock.

There will be three divisions: one for grade school contestants, one for high school, and one for adult contestants. A seven minute time limit has been set for each contestant or group.

First prize in each division has been set at \$5.00.

Out of town entries are welcome and should be mailed to Harlan Van Winkle, Iredell. Entries will be accepted as late as 7:45 p.m. the night of the performance at the door.

ERATH COUNTY SINGING

The Erath County Singing Convention will meet Sunday, May 6, at the court house in Stephenville. Everyone has a cordial invitation to attend this meeting.

ROMANCE BLOOMS AT HOME FOR AGED

Monaco and Missouri have little on Texas when it comes to weddings.

The marriage of Dr. Bertha McDavitt, 77, and Rev. Everett R. Patterson, 83, took place Sunday, April 22, with Rev. J. Fred Patterson of Ferris, Mr. Patterson's son, performing the ceremony.

Mr. Patterson is a retired member of the Central Texas Conference, and has served pastorates at Midlothian and Hico, as well as other places. He resided in Hico when his son, Rev. J. Fred, was pastor of the local Methodist Church.

THANKS FIREMEN

People who live along by the Beautiful Bosque River in Hico owe a debt of gratitude to the group of firemen and others who remained on the alert for any emergency that might arise as the result of floods all night Monday.

Personally, I thank them. WADE H. GREENSLIT.

FFA Boys Collecting Furniture This Week For Hico Recreation Center

Mrs. Jake Eubank stated this week that the Hico FFA boys were picking up the furniture donated to the Youth Center, Thursday and Friday (today) are pick-up days. If by chance you are missed call Mrs. Eubank and she will see that our contributions are picked up.

Mrs. Eubank said that chairs are still needed and if anyone has any which they would like to give for the center, please call. She also said that plans are for the center to go into operation soon and it will be open for inspection this coming Monday night before and after the P-TA meeting.

Funeral Services Held Last Thursday For Aunt Bettie Young

Funeral services were held last Thursday afternoon at 3 o'clock at the First Baptist Church in Hico for Mrs. Elizabeth (Aunt Bettie) Young, 84.

Rev. Joe B. Taylor, pastor, and Rev. Bill Campbell, pastor of the Carlton Baptist Church, officiated. Burial was in Carlton Cemetery, under the direction of Barrow-Rutledge Funeral Home of Hico.

Born April 21, 1872 in Morgan County, Ala., she was married to Charley Forrest Young Sept. 18, 1887, who preceded her in death Feb. 21, 1956.

They came to Texas in 1897 and settled near Altman in Erath County, where they made their home until 12 years ago, moving to Hico.

Survivors are five daughters, Mrs. Vera Simmons, San Fernando, Cal.; Mrs. Gene Hammett, Hale Center; Mrs. Odie Duncan, Muleshoe; Mrs. Albert Salmon, Seattle, Wash.; and Mrs. Cecil Prater, Mineral Wells; four sons, C. H. Young and S. G. Young of Stamford, La.; Young, Sagerton and Bailey Young of Moses Lake, Wash.; also 23 grandchildren and 41 great-grandchildren.

Grandsons were named as pallbearers: Durward Young, Jack Young, Kenneth Hammett, Adrain Hammett, Byron Prater, Johnny Hammett, Paul Stanley and Joe Swafford.

ATTEND FUNERAL OF STANTON S. BUNDY SR.

Mrs. H. E. McCullough was in Sonora during the week end where she attended the funeral of Stanton S. Bundy Sr., 70, who was buried at Junction Friday. Mr. Bundy passed away Thursday morning.

Mrs. McCullough spent the week end with her daughter and family, Mr. and Mrs. Stanton Bundy Jr. and children, at their ranch near Sonora.

Flood Waters Inundate Low Areas Along Bosque

Hico Escapes Serious Damage In Latest Rampage of River

Heavy rains Monday afternoon and night above and at Stephenville sent the Bosque River crashing out of its banks and overflowing into low-land areas from above Stephenville to Hico. Similar rainfall on the Greens Creek watershed were held in check by the completed low water dams in that area.

Amount of rainfall reported on the Bosque watershed varied from 7 to 12 inches. In Hico a slow soaking fall recorded better than 3 inches.

Most damage incurred by the swollen river was to farm land lying along the lower areas, where most crops were severely washed. Heaviest toll will be to valuable top soil which was carried down stream to Waco Lake.

At its highest peak, the water never reached into homes below the railroad in Hico. Wieser Mill, directly on the banks of the river, suffered most. Water was reported several inches deep inside the mill. The street running directly in front of the mill was badly washed, with pavement being carried away.

The Bosque bridge on the old Clairette road was again washed out. Other bridges and approaches suffered damage. No serious damage was reported to Katy railroad tracks and bridges.

Residents Warned Early

Residents in the lower part of town were warned of the approaching flood Monday night, and some of them immediately began the task of moving household furniture to higher ground. A few families completely moved their belongings, while others stacked furniture and rugs as high as possible. H. Parker and Ralph Turner moved all of the feed from their store, which is in the general flood area.

Members of Hico Volunteer Fire Department, Sheriff Woody Young of Hamilton, Highway Patrolman Bill Cooksey, and several citizens remained on duty throughout Monday night to cope with any emergency which might arise. A constant watch was kept on the river from the bridge at Clairette.

Crest of the flood did not reach Hico until 9:00 a.m. Tuesday morning, and shortly afterwards the river started receding. The river continued to remain out of its banks throughout the day.

The 8 completed dams on the Greens Creek watershed were credited with saving Hico from a disaster such as was experienced here in 1952 when thousands of dollars damage was inflicted. In all likelihood, had they not been there, Hico would still be digging out as was the case before.

A similar move is underway along the Bosque watershed to secure a series of dams to prevent flood damage such as has been experienced 4 times in the past 7 years.

Quota Exceeded Locally In Cancer Crusade Campaign

Monday of this week brought to a close a successful Cancer Crusade drive in Hico and surrounding communities. All of the communities, with one exception, exceeded their quotas, due to the fine cooperation of the residents.

Mrs. T. A. Randals, Hico chairman, said that everyone had cooperated and given generously in the local drive. Hico raised a quota of \$166.31 against \$160.00. Fairy raised \$16.35 against \$25.00; Olin \$17.00 against \$15.00; and Carlton, \$26.23 against \$25.00. All totals combined topped the entire quota for this locale.

Mrs. Randals issued the following written statement thanking everyone during the campaign: "As chairman of the Cancer

drive I want to thank the citizens of Hico for the wonderful cooperation in raising our quota. The money you gave could be instrumental in saving a life which could be your own. Thanks a million, Mrs. T. A. Randals."

Precinct Convention Set For Saturday Throughout County

Notice has been posted in public places, as dictated by law, for the Democratic precinct convention, to be held Saturday, May 6.

A. A. Brown, Democratic precinct chairman at Hico, has set the local convention at the usual time, 2:00 p.m., and it will be held at the Firemen's Hall. At this meeting delegates will be selected for the county convention at Hamilton, Tuesday, May 8. Details as to an instructed or uninstructed delegation will be worked out and other business transacted.

Bradford D. Corrigan of Hamilton is county chairman.

SOCIAL SECURITY OFFICER TO BE IN MERIDIAN

People receiving old-age insurance benefits who are now totally disabled and who were totally disabled for more than six months before they became 65, may be eligible to have their benefits increased, according to Ed Winslow, field representative of the Waco Social Security District office.

As a special service to people in this area, a representative from that office will be in Meridian at the County Treasurer's office between the hours of 10 a.m. and noon on Tuesday, May 8.

DAN KRALIS

Dan Kralis of Abilene Announces Candidacy For Congress, 17th Dist.

Dan Kralis, 37-year-old Abilene petroleum consultant, this week announced his candidacy for the post of U. S. Congressman, 17th Texas Congressional District.

Kralis is a graduate of Indiana University and studied law at Denver University and Baylor University. He has resided in the district since 1947, moving from Eastland to Abilene in 1950. Prior to 1947 he made his home in Denver.

He is married and has three children. Mrs. Kralis is active as an officer in the Christian Women's Missionary League.

Kralis was geologist on a joint project with Imperial Oil and U. S. Army Engineers in the Arctic Circle region during World War II. He has a family background of Democratic Party affiliation.

Services Held Sunday For Pioneer Resident, Mrs. Sue Segrest

Funeral services for Mrs. Sue Segrest, 79, were held Sunday afternoon at Barrow-Rutledge Funeral Chapel with Rev. Joe B. Taylor and Rev. Morgan Garrett officiating. Interment was in Hico Cemetery.

Mrs. Segrest, who passed away Friday at her home, was born October 30, 1876 at Rocky community near Iredell, to Capt. W. J. H. McBeath and Sarah Elizabeth McBeth. She was married to A. Olin Segrest, Jan. 24, 1895 at Hico, and has been a resident of Hico since 1895.

Survivors include two daughters, Misses Loraine and Leolite Segrest of Dallas; two sons, Kal Segrest and Cecil Segrest, both of Hico; three sisters, Mrs. Emma Warren of El Monte, Cal., Mrs. Bess Parker of Phoenix, Ariz., and Mrs. Grace Roberts of Palm Springs, Cal.; four grandchildren, Rudy Segrest of Fort Worth, Mrs. Betty Sue Graves of Seguin, Kal Segrest Jr. and Kay Segrest of Dallas.

Mrs. T. E. Roberts and little daughter, Robyn, visited over the week end in Valley Mills with her parents, Mr. and Mrs. L. N. Stevens.

It Happened Here or Near

By E. E. DAWSON

Gold is the standard of value the world over. All international trade is based on the gold standard. The value of silver is measured by gold; so with all currency; so with all the other metals. Thus gold has held a place of supremacy in the business world through all the years. Gold is therefore always interesting.

Where does all the gold come from that has such an important role in human affairs? As we read of the Gold of Ophir in the Bible we wonder where Ophir was. There are many opinions, but so far as I have read there is still the old uncertainty as to its location. And there has always been a continual hunt for the precious metal.

The early explorations of the Spanish was actuated by the desire for gold. Fabulous stories of gold-filled cities set off many an expedition to find the stored up fortunes that an intrepid invader might find. The Spanish searchers for gold came to Texas, traversed what is now New Mexico, wandered over wide vistas of the West and Northwest, forever looking for and expecting to find that great hoard of gold. They never found it.

Our fellow-Texan, J. Frank Dobie, is forever regaling us with stories of hidden treasure and lost mines and fabulously rich regions where gold can be had for the labor of stooping to pick it up. One gets a good kick out of Dobie's tales that he has picked up mostly

of the Southwest, but lately of other parts of the country as well. Last Sunday's story in the Star-Telegram of the fabulous find of three men on the Little Big Horn in Montana was very readable. His "Coronado's Children" is a classic on lost mines and buried treasure. But Mr. Dobie makes it clear ever and anon that he puts no credence in the tall tales he repeats from legend. He tells his stories as so much fiction, even though stoutly believed by many credulous souls.

It is interesting to read of the feelings of the pioneers as they moved westward across the United States and had to scale the mountains that run from northern to southern borders of the country and along the Pacific coast as well. They often spoke of the great wastes as just so much worthless material thrown in to fill up space. They certainly found no joy in the mountains, and when the Continental Divide was crossed they felt that a great feat had been accomplished. But now we can look back and see something they did not realize. Most of the gold that has been found in the United States has been found in those mountains regarded as so much waste. That is true of the Rocky Mountain region and up and down the Sierra Nevada. Likewise the silver was found in those mountains. And now the greatest uranium finds are being made in those heights.

STAYS WHITE AND BRIGHT FOR YEARS

DU PONT HOUSE PAINT

cleans itself!

For lasting home beauty, make sure your painter uses Du Pont House Paint. Made of an exclusive Du Pont combination of pigments and oils, it literally sheds dirt and dust during every heavy rain... leaves your home handsomely white, sparkling bright for years. Normally, this "Self-cleaning" action starts in a few months on most surfaces. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay the process.

Consider the other advantages of Du Pont House Paint. As it keeps your house beautiful for years, it also protects against rust, rot and decay. Smooth, easy application, excellent spread and high-hiding—all these factors work in your favor when Du Pont House Paint goes on. It's available in "Self-cleaning" tints as well as white.

And here's a tip for your painter: When working on new wood or excessively weathered paint films, a prime coat of Du Pont House Paint Primer is recommended. It assures maximum adhesion and performance of the finish coat.

Annoyed with dull, faded shutters?

Get Du Pont DULUX TRIM and TRELLIS

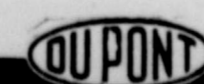

Years ahead of ordinary trim paints, it's the special formula finish that:

- resists fading, mildew, and discoloration.
- goes on easily, gives exceptional coverage.
- dries quickly to minimize damage by dust, dirt and insects.
- retains its gloss despite weathering and hard knocks.
- keeps shutters and trim bright and beautiful for years.
- comes in a wide range of popular colors: blue, bright red, maroon, three shades of green, brown and black.

Mr. and Mrs. Hal Sowell and Barbara and Miss Kate Hudgins of Tyler were week-end visitors with his mother and sister, Mrs. Hattie Sowell and Mrs. Jess Reeves and husband.

Mr. and Mrs. Charley Proffitt visited Sunday in Gustine with his sister and husband, Mr. and Mrs. Jess Hickman.

CARD OF THANKS

We wish to thank everyone who was so kind to us during the illness and death of our mother. We will always be grateful for all the lovely flowers, food, cards, kind words, and every act of kindness, also the doctors and nurses for their wonderful care.

Funeral Services Held Wednesday Afternoon For Luther Jameson

Funeral services for Luther C. Jameson, 76, retired farmer who died at his home in Glen Rose after a long illness, were held at 3 o'clock Wednesday afternoon at First Baptist Church in Hico. Burial was in Hico Cemetery under the direction of Barrow-Rutledge Funeral Home.

Mr. Jameson was born in Hill County and had lived many years in the Falls Creek community south of Hico before moving to Glen Rose five years ago.

Surviving are his widow, Mrs. Lou Jameson of Glen Rose; four daughters, Mrs. Lillie Morrison of Stephenville, Mrs. Lena Mae Reed of San Antonio, and Mrs. Thelma Biggers and Mrs. Imogene Driver of Fort Worth; two sons, Jim Jameson of Hico and Robert O. Jameson of Fort Worth; one sister, Mrs. Grace Ballard of Lanham; six grandchildren and two great-grandchildren.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to all who extended comforting sympathy and help in our recent sorrow. Our gratitude is extended also to those who brought food and sent floral offerings.

Final Arrangements Complete For Annual Garden Club Flower Show

Plans and arrangements are just about complete for the Hico Garden Club Flower Show, scheduled this Saturday at the Petty Building, according to Mrs. Alvin Casey, general chairman of the show.

Opening time for arrangement entries is 9:30 a.m. Saturday and closing time is 11:00 a.m. Visitors are invited to inspect these displays any time after 2:30 p.m. until 7:00.

Committees to be in charge are: Staging, Mrs. Marvin Marshall and Mrs. Grady Barrow; Entries, Mrs. G. R. Lackey and Mrs. R. L. Hill; Classification, Mrs. Ellis Randall; Tables, Mrs. Paul Neel; Horticulture, Mrs. Archie Corbett; Mrs. Loyal Carr and Mrs. Jim Carmean; Hospitality, Mrs. J. W. Fair, Mrs. John Golightly, Mrs. Fred Rainwater and Mrs. Paul Hamilton; Children's Classes, Mrs. Frank Bonner and Mrs. Bill Boyd; Special Exhibits, Mrs. Lenard Weaver and Mrs. A. H. Lackey; Potted Plants, Mrs. L. N. Lane and Mrs. Bob Duncan; Clerks, Mrs. R. W. Hancock and Mrs. E. V. Meador.

Rules for the show and the schedule are as follows:

RULES

1. Each entry must be labeled with name of exhibitor and class specified.

2. Ribbons will be given for awards: Blue for First, Red for Second, Yellow for Third, and White for Honorable mention. Local awards will be given.

3. Exhibits must be in place from 9:30 to 11:00 a.m. the day of the show. Late entries may be displayed but cannot be judged and will be marked "Not for competition."

4. All exhibits must be arranged by exhibitor. The exhibitor may tidy up arrangement and place water in container, but must leave as soon as possible to avoid confusion.

5. All club members are requested to have an entry in at least one class. Only one exhibit is allowed in each class.

6. The decision of judges is final. Judges may withhold awards from exhibits not of show calibre.

7. All persons except the flower show chairman, the clerks, and the judges shall be excluded from the show while judging is taking place.

8. All containers must be provided by exhibitor.

9. All horticultural exhibits must be in milk bottles, furnished by exhibitor. Bottles will be given to properly named specimens.

10. The Show Committee is not responsible for containers and other property, although reasonable care will be exercised.

11. All containers, tables, etc., shall be plainly marked on under side with owner's name.

12. Exhibits may not be removed until the close of the show, but must be removed by 7:00 p.m. (closing time.)

13. If exhibit cannot be picked up by exhibitor by 7:00 p.m., arrangements should be made at entrance desk to pick up container at a later date.

14. Wiring, modeling clay, pin point holders, or other equipment is permissible for arrangement classes, but must not be visible.

15. No ribbons, bows, or paper on or around containers is permissible.

16. Foliage is allowed in all arrangements.

17. All pot plants should be in exhibitor's possession for at least three months.

18. Flowers may be bought, if they cannot be obtained otherwise. Not more than \$2.00 may be spent for them. Home-grown flowers will be given preference when judged.

19. Two sweepstake awards will be given, one for the most blue ribbons in the arrangement section, one for the most blue ribbons in the Horticultural Section.

20. Three tri-color awards will be awarded. One for the outstanding arrangement and one for the outstanding Horticultural specimen in the entire show, and one for the outstanding table.

National Home Demonstration Week Being Observed by South Hico Club

By Mrs. Byron Hawthorne

South Hico E. E. E. Chairman April 29 to May 5, National Home Demonstration Club Week, will be observed all over the 48 States, Hawaii and Puerto Rico.

We like to think of Martha, of the Bible, as a typical homemaker, and even farther back in the very beginning, remember Eve sewed fig leaves together to clothe herself and Adam. They had the spirit

if not the "where with all" to do with as modern homemakers of today have.

It was not until recent years that there has been an organization, or demonstrations given by specialists for homemakers.

In an article by Sally Hill in Progressive Farmer magazine, we are reminded that not so many years ago farm women were the forgotten people in the department of agriculture. She writes: "In 1911 a woman's branch of N. Carolina State Farm Convention was organized. Then in 1913 Sec. of Agriculture D. F. Houston wrote letters to 55,000 wives of Crop Correspondents asking them to suggest ways in which the U. S. Department of Agriculture could render more direct service to farm women. In their replies women mentioned needs of the farm plant, house and farm planning, labor saving devices, water supply, heating systems, home economics, good health habits, food, relief from drudgery, useless motion, time consuming antiquated methods. Then in 1915 the Smith Lever Act was passed providing for giving of instructions and practical demonstrations in agriculture and home economics."

Now H. D. work is a national organization, divided into State, District, County and Community organizations. Each county has a council with representatives from each club, where the county H. D. business is carried on.

Hamilton County has seven community clubs. The County H. D. Agent gives demonstrations. If you are a county taxpayer and homemaker and not attending these demonstrations, then you are not getting what you are paying for.

The H. D. County motto: "None goes his way alone; all that we send into the lives of others comes back into our own." The County Pledge: "To do the best I can with whatever I have, wherever I am, for my country."

South Hico H. D. Club was organized Nov. 10, 1949. Mrs. Lenard Weaver and Mrs. Woody Garner are charter members who still attend. Mrs. W. R. Churchill became a member at the 2nd club meeting.

At the present time Mrs. Cyrus

King is president, Mrs. Loyal Carr, vice president, Mrs. N. H. Connally is Civil Defense chairman.

The club has studied Civil Defense in their programs for two years. Last year six members attended a series of lectures given at the Hamilton hospital by Dr. Nasseur, sponsored by the H. D. Clubs under Miss Wilshire. Five members finished the Red Cross Home Nursing Course under the direction of Mrs. Rosellen Davis, given at Hico High School recently. They are Mrs. Lenard Weaver, Mrs. Cyrus King, Mrs. Loyal Carr, Mrs. W. R. Churchill and Mrs. Byron Hawthorne.

The South Hico Club has sewn some for the Crippled Children's Home in Waco; pajamas were made for the T. E. Sanatorium in Carlsbad, and cup towels for the Kerrville Sanatorium. A large box of clothing was sent to the flood area at Laredo last year; and a special box was sent to a sister of one of the club members who lost everything in the flood. For a number of years the club has adopted a girl at the Mexico Home to whom gifts are sent throughout the year.

In closing we wish to give our creed: "We believe in the sanctity of the home. We believe the home is the place where love, faith, trust and devotion must be lived each day. Where obedience and reverence grow; and where God is known. We believe those within its walls should be taught to work to play and to have compassion for those less fortunate. We believe sharing responsibilities is necessary and that from firesides will come the citizens who will uphold the best ways of life."

The Texas Home Demonstration Prayer: "Grant to us dear Lord, Thy divine guidance in our plans today, that our accomplishments of tomorrow may be pleasing to Thee." Amen.

Mrs. W. B. Hines of Corpus Christi visited last week in the home of her parents, Mr. and Mrs. J. P. Owen. She met her husband in Fort Worth Friday where they are attending a dental meeting. Other visitors in the Owen home were Jack Owen of Hunt, and Mr. and Mrs. A. W. Jones of Gatesville.

1. Oil and Gas

40% depletion allowance instead of 27 1/2%. With the ever growing move by Eastern self-interest groups toward reducing the depletion allowance to 15% or even less, the whole economy of the 17th Congressional District is being placed in jeopardy. A large portion of our district's population depend directly and indirectly on some phase of the oil business. A reduction in the depletion allowance will cause drilling contractors to go bankrupt, throwing hundreds of families into debt and without livelihood. Risk money will vanish. Marginal oil operators will be forced to shut their wells down. Service companies will go broke. Independent geologists and engineers will be out of work. Landowners, farmers, and ranchers will be without money from lease rentals and bonuses. Landowners will not get their lands tested. It is a certainty that foreign oil imports will increase and the independent oil operator will get squeezed out of business. The 17th Congressional District, composed of Taylor, Jones, Eastland, Stephens, Comanche, Palo Pinto, Erath, Nolan, Fisher, Hamilton, Callahan and Shackelford counties, is the independent oil man's territory. Small fields and marginal production, is the mainstay of our district's economy. Farmers and ranchers depend on oil royalties when there is no rain and when the market is low on crops and cattle. Merchants depend on the oil man's payroll, and the oil man in this district depends on the depletion allowance and control of foreign oil imports. Lowering the depletion allowance means only one thing to us, the people of the 17th Congressional District—a depression in the middle of abundance, with hundreds of thousands of barrels of oil laying untapped and unused while our foreign friends grow richer and richer on the oil brought into this country while we are growing poorer and poorer in our district. It is axiomatic that with ever continuing depletion of domestic reserves, greater risks, higher exploration costs, we need more depletion allowance, not less. We need vigorous representation in Congress, someone who can represent the best interests of the people of the 17th Congressional District and who will not be pigeon-holed. I offer you that representation, and rest assured that the cause of the people of the 17th Congressional District against self-interest groups and intellectual do nothings will be presented forcefully.

2. The "Raw" Deal the Farmer and Rancher Is Getting

A solid noncompromising solution must be forthcoming. As you know, when it takes two (true barter) \$50 cows to buy one \$60 suit (parity) something has got to give. The farmers and ranchers are sick and tired of conversation and all of the muddled plans and solutions offered them. As the agricultural economy goes, so goes our entire social order. A depletion allowance based on 100% parity can be worked out for the farmer and rancher. No fancy talk is necessary. We are slaves of a democracy that is bent on giving the fruit and labor of our blood, tears, and sweat away freely to our foreign friends. I say we better start giving ourselves some help first. I am looking to every farmer and rancher to vote for me at the July 28th primary. This is your battle. You can speak your piece and be confident in the fact that Dan Kralis is with you all the way. As an ex-rancher, I speak sympathetically. The farmer and rancher, the cog in the wheel that injects breath in the economy of the whole nation, is being abused and mistreated. We are going to put a stop to this nonsense—You, the people of the 17th Congressional District, and I as your representative. We are going to give courage and hope to all the peoples of this land and bring back into our government the dynamic qualities of our founding fathers.

3. States Rights, The Harris Gas Bill

The constitutional issue is very much prevalent in the fight to remove unwarranted federal utility regulation of gas production. When the price of Texas products can be determined entirely by forces and self-interest groups outside of our state, it is only a short step to completely centralized government, the nationalization of the oil industry

Gather around me every woman, man and child throughout this Congressional District and we will make the first step toward regaining our liberties and voicing the opinion of the man in the street, the bread earner, the employer, the employee, the farmer and rancher. All of our interests in the 17th Congressional District are common and like interests.

I pledge myself before GOD to represent you uncompromisingly and defend our United States Constitution as a living document meeting the needs of a great growing, powerful, technologically advanced, self-governing republic.

We cannot and will not allow the liberties and self government provided in this great document to be endangered by the intellectual "do gooders" who would have us give our life's blood, our money, our freedom, and our way of life in exchange for a lifeless philosophy and socialist economy which only the bees and ants seem to enjoy.

and collectivization of the rancher and farmer, and finally a total welfare state. We must have vehement and outspoken representation on this matter in Congress. We must unashamedly keep our convictions. To you, the people of the 17th Congressional District, federal regulation of gas production means that those of you with marginal gas lands and potential gas lands are not going to get your lands developed. It means that gasoline plants will not be developed. It means that we are ever nearer becoming a slave state when we will be told what we can do and what we cannot do at any given hour of the day.

This is supposed to be a government of the people and for the people, not a government ever increasing its own power and rendering the people voiceless and without recourse. Every Congressional District in our country must awaken to the fact that we, to safeguard our individual liberties and freedom, must choose those who will represent we the people and bring the Federal Government back to we the people, by us and for us. I pledge this representation to every man, woman, and child in the 17th Congressional District.

4. Abolishment of the Evil Progressive Income Tax

We must have an all-out battle to do away with the progressive income tax. Provide for a flat rate tax income with a top limit of 22 1/2%, plus a Federal Sales tax (housing, rent and food exempt). The progressive income tax fulfills the prophecies of Karl Marx. Former Collector of Internal Revenue, T. Coleman Andrews, describes this income tax as "politically unsound." It is right out of the Communist Manifesto which declares that a "heavy and progressive income tax" is the first step in destroying a free and competitive economic system. We, the people, were duped when this income tax law was passed. We were told it would put the burden of taxes on the rich and relieve the poor. But the poor are getting poorer, and the rich are getting richer. A man with five million dollars when this law was passed had his five million. He could loan it out at 5% interest and make \$250,000 per year. The poor man got stuck. The more money the poor man made, the more he gave the government. During lean years, the poor man gives practically everything he makes to the government. During good years, the poor man doesn't get help from the government. The rich man, who had all his capital intact when this silly income tax law passed, steps in and forecloses on the poor man in lean years. There are no real millionaires except those who were millionaires before this evil income tax law was passed, and they are getting richer and richer while the poor man has no opportunity to make and save money and enjoy some of the finer things of life.

Such a tax system is directly opposed to the first principles of the American form of government under the Constitution. It is completely unlimited tax arbitrarily graduated to discriminate against the successful and against the forgotten man of the middle and low income groups who pay most of the government's bills. Have confidence in me. Believe me, I will have a good deal more to tell you about this before July 28th and I know each and everyone of you will want to do away with the unforgivable law that caught the people with our guard down.

5. Foreign Policy—The Give-Away Race

The "big bribe" to keep our foreign friends from going communistic is one of the saddest situations in American history. The Senate International Security Committee found that it wasn't poverty and hunger that made Communists, but a thirst for power among demagogues and a deluded idealism among intellectuals. The Russians are not giving anything away. They are making loans and barter deals and getting a ruble's worth for every ruble they put out. There is something craven in the spectacle of our "rich" and powerful government which thinks it must scatter candy around the world lest it find itself alone and friendless. The fact seems to be that our largess brought no friends and earned us more resentment than good will.

AMERICAN PRIVATE CAPITAL is willing and even eager to seek investment abroad and under private management it would produce results. You and I do not have to give the government money so it can throw it away for us. With our give-away program and lack of assurance that private investment would be secure against confiscation or nationalization in the name of socialist progress, private capital has a rough time. I do not deny that a shortage of capital is the great handicap to industrial development in the countries of our aid list, but why can't it be obtained on the same terms that Americans obtained funds that developed this country? Are we selling democratic capitalism or socialism? Let us stop this nonsense once and for all.

Note: My platform is presented at this early date in the campaign to give those of you who favor my stand an opportunity to form your own campaign groups in my behalf, to carry the message to every man, woman and child in the district. This is not a political campaign. It is a crusade to bring us back our self-respect and strong representation in Congress by the people and for the people.

Write to me, call me, visit me.

A BOOST FOR TEXAS
POULTRY PRODUCTS

The Texas Department of Agriculture is laying groundwork for a new and important marketing program aimed at helping the Texas poultry and egg industry.

Plans are for inauguration of a marketing service intent on improving quality of Texas poultry through inspection and grading, boosting the Texas egg industry through a grading and standards program, and thereby expanding market outlets for Texas poultry products.

Since there are at present no state laws which regulate quality or set standards for the sale of poultry or eggs within the state, Texas producers often run into marketing problems both in local and national trade. Lack of standards often cause Texas to be used as a dumping ground for produce from neighboring states which fail to meet proper standards.

For lack of poultry inspection and egg standard laws, Texas cannot compete successfully on the national market with graded and inspected produce from other states.

Trade sentiment is strongly in favor of state laws providing for

such poultry and egg inspection programs, and chances are excellent for their eventual passage. However until such legislation is adopted, the proposed self-help program is needed to help promote Texas poultry products as quality merchandise on the national and home markets.

Such a plan, properly executed, could put thousands more dollars in the pockets of Texas growers. Through information and demonstration programs showing proper grading, handling, shipping, display and storage methods, poultrymen would learn how to market quality produce at a minimum cost.

Research would be made to determine causes and cures for seasonal gluts and shortages of certain products with special emphasis on balancing the overall supply-demand situation.

Texas has long been a leading state in poultry production. In fact, the U. S. commercial broiler industry had its first beginning in the heart of the South Texas broiler area. In order to meet growing competition from other areas, highest standards must be maintained to protect Texas' interests in this big and important industry.

are many many farm owners of this county that are doing all that can be done on their farms to control soil erosion and they will continue to do so as long as they are on their farms. But the problem is—Will those who follow him on that farm continue to do so? I don't think they will unless they are kept conscious of the fact that as long as there is soil there is a problem of soil conservation.

C. W. West, Midway, has been working at soil conservation and soil building for many years and it pays according to his statements. Last year he had one of his fields in corn, twelve acres, and this was not his best land. He has had legumes planted on this field for several years in the past and it retains quite a bit of moisture (when it rains). Anyway, last year the twelve acres produced enough corn to winter 15 head of cattle, 72 head of sheep and he has enough corn to finish out to market weight 13 head of hogs. On his lower field he has the best crop of corn that I know of in the county. This field too has had legumes planted and grown on it for several years.

REPORTS

By E. R. LAWRENCE

The Hamilton Chamber of Commerce will again this year sponsor their annual rat control program. Watch the papers and listen to the radio for further announcements as to dates and places of the demonstrations.

Johnny Pierson and Alton Wilson have just completed a new poultry house that will be a cage operation. Their house is 30x152 feet and is located on highway 22 near the Hamilton city lake.

Luther Hedgpeth has a new 30x60 foot house and has it filled with about 750 pullets that will be in production before long. Luther lives down highway 281 about a mile from Hamilton.

The week of May 6 is Soil Stewardship Week. During this week the pastors of the various churches over the county will devote their time over radio station KCLW to soil conservation as it is related to the Bible. These programs will be on at 10 o'clock each morning. Tune in to the station each morning next week and hear some good sermons.

Talking about soil conservation, this is one job that I do not think can ever be completed. It is one that must be brought before the people continually. I know there

Mrs. Mollie C. Hunter Laid to Rest In Local Cemetery Last Friday

Funeral services were conducted Friday afternoon at 3:30 o'clock at Barrow-Rutledge Funeral Chapel for Mrs. Mollie C. Hunter, Elder Mitchell Lykins of Hamilton and Elder Richardson officiated.

Mrs. Hunter departed this life Thursday, April 26. She was born to W. B. and Martha McAdams in Cozaco, Miss., and came to Texas with her family in 1887.

At a young age she joined the Primitive Baptist Church at Prairie View in Coryell County, and lived a beautiful true devoted life to her church and family.

She was married to L. Hunter on Aug. 23, 1911 at Cranfills Gap. To this union one child was born, Mrs. Opal McClure.

The family lived at Millerville for 36 years before moving to Hico in 1954.

Surviving are her husband and one daughter, 1 grandchild, Miss Betty McClure, and 4 sisters and 3 brothers, Mrs. Virgie Bagby, Lampasas, Mrs. Abbie Stanford, Cranfills Gap, Mrs. Emma Stubbs, Cranfills Gap, Mrs. Claire Murray, Childress, W. D. McAdams, San Angelo, K. C. McAdams, China Springs, Owen McAdams, Roscoe.

Palbearers were Harvey Stubbs, Robert Hunter, Otis Hunter, Willie Bagby, William Murray and Clifford Stubbs.

Burial was in Hico Cemetery, with Barrow-Rutledge Funeral Home in charge of arrangements.

Relatives from out of town who attended the services were: Mr. Cicero Bagby and daughters, Lampasas; Mr. Willie Bagby, Lampasas; Mr. and Mrs. Abbie Stanford and Mrs. Elsa Russell, Cranfills Gap; Mrs. Ruth West, Hamilton; Mrs. Emma Stubbs, Mr. and Mrs. Harvey Stubbs and Mr. Clifford Stubbs, Cranfills Gap; Mr. and Mrs. Price Brock, Valley Mills;

Mr. and Mrs. Robert Murray and son Bill, Childress; Mr. and Mrs. K. C. McAdams, China Springs; Mr. and Mrs. Owen McAdams and Mr. and Mrs. Ed Williams, Roscoe; and Mr. and Mrs. Fred McClure, Waco.

Mr. and Mrs. E. R. Waggoner of Hico are the parents of an 8 pound, 12 ounce baby girl, Cynthia Jane, who arrived April 25 at Hico Hospital. The mother is the former Patsy Jordan. Maternal grandmother is Mrs. Sam Kirkland of Hico and Mr. and Mrs. Bob Waggoner of Duffau.

CARD OF THANKS

We wish to express our deep gratitude to all friends, loved ones, doctors and nurses for their loyal and prayerful expressions of love during the recent illness and passing of our dear wife and mother.

Mr. L. Hunter
Mr. & Mrs. Frank McClure and Betty.

HICO SENIOR PLAY

Get ready to step out tonight! Come to the Hico Senior play Friday night, May 4, at 8 o'clock and bring your friends. The three-act farce comedy will be presented in the high school auditorium.

The play is entitled "Henry's Hired Aunt." Henry, suffering from amnesia, attempts to impress the importance of a make-believe family upon his fiancée's aunt so she will give her permission for their marriage. Andy, an escaped convict, steps in and dresses as a woman to be one of Henry's aunts, seeking to evade the law in the disguise. Things get more and more mixed up as the play progresses.

Andy, the escaped convict, is played by Wayne Duncan; Henry, suffering from amnesia, Robert Barnett; Irma, his nurse, Joyce Lowe; Reilly, an officer of the law, Norman Norrod; Frank, Henry's physician, Robert Waddell; Nan, Frank's sister, Katherine Sparks; Barbara, the object of Henry's affections, Nancy Stephens; Theodosia, her society aunt, Jean Clark; Greg, Barbara's rejected suitor, Joe Coffman; Madame Marvel, an actress, Julia Hedges; Clarissa, Henry's sister, Betty Booth; Doris, left at the altar by Henry, Margo Battershell.

JUNIOR-SENIOR BANQUET

Saturday night, April 28, at 8 o'clock, the Juniors gave the Sen-

iors a banquet—Plantation Party—at the Hico lunch room. There were around 90 present including some 25 Seniors, 30 Juniors, room-mothers, trustees, and the faculty.

Master of ceremonies, Andy Lackey, helped to produce a rather lively program. The invocation was given by Mr. O. C. Cook; Southern Speeches by Andy Lackey, Buddy Teague, Robert Waddell, Joe Coffman, and Jean Clark.

The Senior Will was read by Katherine Sparks and the Class Prophecy was read by Betty Drake. Two songs from "Showboat" were sung by Mrs. Jack Barnett. Entertainment throughout dinner was provided by Robert Barnett, Joe Coffman, and Billy Abels from Fair.

In the concluding part of our program a speech was given by Mrs. Louise Angell, senior sponsor, and Mr. Harold Walker, junior sponsor.

Two Negroes were also present. They played a few songs besides entertaining in several odd ways.

The favors were little baskets filled with mints and southern type place cards. Centerpieces were composed of arrangements of red roses, with white candles and candle light. There was an old southern scene at one end of the room.

Also, an old wishing well was present. The Negroes drew the lucky number for the Junior-Senior quilt from the wishing well.

There was a dance out at the Country Club afterwards. Refreshments were served also.

BOYS WIN DISTRICT VOLLEY BALL MEET

Friday night, April 27, the boys and girls journeyed to Kopperl for the district volley ball meet.

The girls had bad luck and didn't win, but better luck next year.

The boys won every game they played and proved they were "on the ball" indeed.

Those going from Hico were: Margo Battershell, Jerre Dunklin, Joyce Lowe, Bonnie Johnson, Linda McLendon, Maxidine Luckie, Queta Burgan, Anna Lee Luckie, Kay Jameson, Jean Clark, Kathy Sparks and Reggie Ellis.

IT HAPPENED—

Imagine the vast wealth that found its way into American business channels from those mountain wastes, as they were regarded.

One gets the feeling as he thinks of these things that after all, all this earth's surface is valuable. As science makes new discoveries and men utilize the rich deposits of the hills, the relative superiority of the flat lands fades considerably. And the flat lands are reaping more and more on the mineral reserves in those hills.

Take for example a great limestone hill over in Johnson County, a few miles west of Cleburne. It was regarded as so much waste just thrown in by the Creator to fill up a hole. But a few years ago a group of men looked it over and bought it at a bargain, and began to turn it into lime, and sell that lime to the farmers over a wide area as a vital fertilizer. Crops will not grow without lime, and a lot of acreage is deficient in lime. So the old hill was regarded as just an eye-sore and a hurdle in the way of developing civilization is now rendering a lot of acres fertile once more by its contribution.

I guess the Lord knew what He was about when He made this old world with all of its varied terrain. Maybe we had better try to find out what its worth is and utilize it rather than be complaining so much of it being in the way rather than being useful.
