GLEN ROSE OUT-RUNS HICO 14-0 LAST WEEK

team, 12-0.

Glen Rose scored 7 points each in the first and third quarters last ed 14-0 victory over the local Tigers, in a thrilling ball game that saw Hico play the larger and more experienced home team on even terms most of the evening.

It was the local's first defeat of the young season, and fans who witnessed the battle have nothing but praise for the fighting spirit displayed by the entire Hico team. Glen Rose had been predicted in most quarters to white-wash the locals with ease by as much as 5 or 6 touchdowns, but at the end of the game most observers were of the opinion that they were well satisfied to win by the small mar gin of two touchdowns.

To name a star in the game, one play against such great odds. 29 in Hico's end of the field. That yards for the score. Extra point was all the incentive that the home try was good and that ended the scoring for the night.

In the final period Hico recovered a Glen Rose fumble on the 44 yard line to start a drive that netted them their most serious drive was halted only 5 yards from the Glen Rose goal line by a Hico fumble, with only 2 minutes left in the ball game. Glen Rose made a hustling attempt to score another TD, but the clock ran out at mid-field, ending the game.

All in all, Hico fans can be proud of the way that the small Tiger team played, even in defeat. and played as hard as anyone could expect. Charles Stipe, 3-letter winner, played perhaps the best ball game of his entire career, as he was continuously harassing the Glen Rose team on both offense and defense. Besides breaking up two passes. Stipe almost grabbed a pitch-out when he broke through the Glen Rose line with a great burst of speed and barely missed the ball. Buddy Teague, playing an un-

familiar role as a halfback for the first time in his career, showed fans plenty of power with his runs. Also, Carey McKenzie was installed as quarterback last week and good game, roaming for several nice gains against the big Glen

motion that the FHA'ers elect a mother from each Homemaking class to act as assistants to our FHA mother.

The chapter was then led in closing ritual by Joan Boone, and the meeting was adjourned.

H-H-S SPOTLIGHT

Early one morning last week I so I could find out what was gothe school I found out that it was again time to commence another school term. It seems my Spotlight and I had forgotten

It didn't take long for the kids to meet their old friends again. Everyone seems to be enjoying school this year The teachers also seem to be having a real nice time. We played Strawn in our first football game. We're happy to say we beat the Greyhounds 27-0. Last Friday night we played Glen Rose but lost 14-0. That's alright, boys. It could have been worse. We

think you did a real good job. After the game Friday night I saw only a few couples, but they were so far away my spotlight just couldn't pick them up.

As Saturday night rolled around I thought I would take another night out. After I had shined up the old spotlight and turned it on I saw Buddy T., Reggie E., Linda Mc., Sherril K., Kenneth S., Judy G., Bonnie J., James D., Butch E., Carolyn P., LaVon P., Judy M., Carey Mc., Janice T. Since I had gone to the ball game Friday night and was out past my bed time I went home early Saturday night. I'm sure though much more went on than I saw. So you all had better watch out. I'll be around from now on.

The student body of Hico High School would like to welcome Betty Drake back to school. Betty has been ill for the last three weeks and hasn't been able to attend school. We're all happy to have you back Betty. Say, how was

Fort Worth? You all will have to forgive me for so little news this week, but both my spotlight and I haven't quite recovered from the shock of starting back to school so soon I'm sure most of the kids haven't either. We'll see you next week

There is an easy way to send your child to college!

This simple plan will do the trick - if you start right now!

Are you determined to give your child the benefits of a college education - yet worried about money? Then why not do what more and more farsighted parents are doing? Start getting that money together now - the safe, sure, automatic way - through the Payroll Savings Plan!

It's simple! Just tell your company's pay office how much you want to save-anywhere from a few dollars a payday up to as much as you want. This sum is then saved for you every payday. It is invested in U. S. Series E Savings Bonds which are turned over to you, and which earn good interest for you.

It's systematic! Just think—if you sign up to save \$3.75 a week, in 5

years you'll have \$1,025.95 - in 9 years 8 months, \$2,137.30 - and in 19 years 8 months you'll have

It's sure! Once you join, your saving is automatically done for you before you draw your pay. You don't have to do a thing. And your child's education will be provided for by money you don't even miss now.

Eight million working people are now on the Plan-saving for a home of their own, a college education for their children, or any of those things made possible only through systematic saving. So join the Payroll Savings Plan right now-or, if you are self-employed, join the Bond-A-Month Plan where you bank. Pick your plan and do it today!

Your baby's future starts today when you save with United States Savings Bonds through the Payroll Savings Plan?

DEAR CUSTOMERS AND FRIENDS:

Sunday is the Twenty-Second Anniversary since establishing our Service Station business in Hico, September 23, 1934. Our appreciation and thanks to all patrons and friends for making these years of continuous service so pleasant and successful.

You may be assured that the TEXACO PRODUCTS, GATES TIRES, BATTERIES, and other items we sell are the most satisfactory on today's market. We strive to give each car the best and most thorough LUBRICATION by TEXACO LUBRICATION GUIDE. You can always depend on us to service your car right, at the same time dispensing courtesy, and any assistance possible to motorists.

As we celebrate another anniversary, we are striving to give you better service and satisfaction by continually modernizing our station so that we may more conveniently serve you. You will find exactly the same type of friendly, courteous, prompt, efficient service you have known in the past.

ON THIS TWENTY-SECOND ANNIVERSARY, WE SAY "THANK YOU-AND COME BACK TO SEE US."

Yours truly,

WILLARD & BILL LEACH & PERSONNEL.

ALEXANDER

Miss Martha Holcomb spent the week end with her sister, Mrs. Sybil Sowell.

The secret to the versatility of this basic peach conserve recipe is the change in flavor by adding different ingredients. Secret to

doing it the easy way is the new way of scaling.

For now you can seal jams, jellies, conserves, etc., without paraffin—and do a better job too! This is made possible by a new shoulderless half pint jar, just the right size for preserves and relishes. It has a screw top and seals with a regular two-piece home canning cap. The metal lid gives excellent protection against dust and vermin, and is easier to use.

Basic Peach Conserve Recipe

The jar is versatile. Besides functioning as a screw top j glass, it is a home canning and freezing jar. The size is ideal for relishes and canning for two. For something extra special, try this Peach Conserve:

reach Conserve

7 cups chopped peaches 1 orange 5 cups sugar

1/4 teaspoon salt 1/2 cup blanched almonds

Wash, drain, scald, peel, chop and measure peaches. Finely chop peel and pulp of orange and add to peaches. Boil 20 minutes. Add sugar and salt. Boil until thick. Add nuts about 5 minutes before removing from heat. Pour, boiling hot, into Half Pint Jars; seal at once with regular home canning caps.

Peach and Maraschino Cherry Conserve

Follow above receipe except use ½ cup Maraschino cherries instead of nuts. Chep cherries before measuring.

Peach, Nut and Raisin Conserve Add 1/2 cup seedless raisins to the recipe for Peach Conserve.

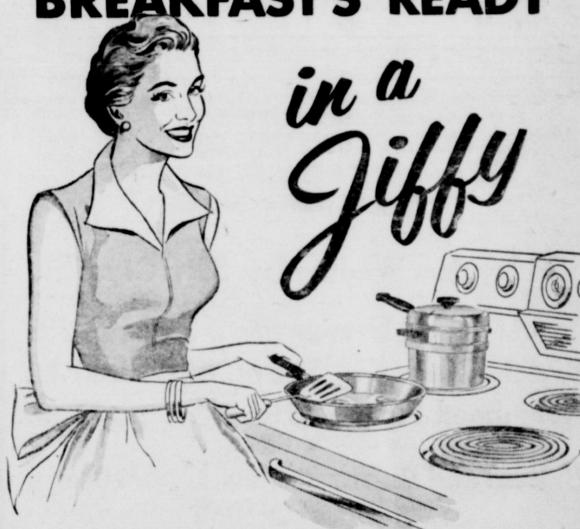

Peach and Plum Conserve Follow recipe for Peach Conserve except use 5 cups peaches and 2 cups of any variety of tart plums
