

Hico-Duffau to Vote Consolidation Saturday

The Hico News Review

"Your Home Newspaper"

HICO, TEXAS MARCH 21, 1958.

NUMBER 46.

Red Cross Drive Scheduled Thursday Night, March 27

Play to Be Friday Night

Harious comedy, "Let Me Here," will be presented by the Senior Class of High School Friday night, 21, at 8 p.m., in the high auditorium. Admission price is 50c for adults and 25c for children.

Lee Spaulding, Time Area Resident, Died Here Sunday

Funeral services were conducted 2 p.m. Sunday in Barrows Funeral Chapel for Virgil Spaulding, 75, who died Wednesday at his home in flowing an extended illness. Burial was made in Hico Cemetery. Rev. Rance Forson officiating, who was a painter and paperhanger, was a native of Hico for the past 50 years. He was a member of the Hico National Methodist Church. He survived by his widow, Mrs. Charles, Tom and Debra, Charles, Tom and Debra, Jose, Calif., Vernon of later and Earl of Hico; sisters Mrs. Floy Taylor of Hico and Mrs. May Jones of Hico; two brothers, W. C. of Hico and C. E. of Sweetwater; and grandchildren. Survivors were Ollie Hughes, Griffiths, R. T. Simpson, Malone, Hershall Sherrard and Trammell.

SNAKES ALIVE! BUTCH BAGS THE BUTTONS

Young Butch Knudson, son of Mr. and Mrs. Milburn Knudson, is carrying a new title around this week. Butch spent the week end at Cranfills Gap with his grandparents, and while there decided to go snake hunting—the rattlesnake variety at that.

Saturday was such a pretty day that Butch had no trouble "racking" them up. With his trusty .22 rifle, Butch proceeded to pull the snakes out of the den one at a time, and when the shooting was all over, he proudly displayed 15 rattlers when his mom and pop picked him up Saturday night. It takes courage to invade a rattlesnake den. More in fact than most grown-ups have!

SPECIAL MEETING

A special meeting has been called by interested persons for Sunday afternoon, March 23. The meeting will be held at First Baptist Church at 3:00 p.m. for the purpose of discussing and planning the program for an Easter Sunrise service. All churches in Hico and surrounding communities who are interested in participating in the service, are urged to send delegates to this meeting Sunday.

Porchlight Theme Will Be Followed by Workers

The annual drive for the American Red Cross will be held in the residential area of Hico next Thursday night, March 27, between the hours of 7:00 and 8:00 o'clock, and an attempt will be made to attain the quota within this one hour, as has been done during previous years, stated Mrs. Barto Gamble, who serves as chairman of the drive this year.

Class Reunion Will Be Held April 5

The fourth annual class reunion of the graduating classes of 1949 through 1953, will be held Saturday night, April 5, at 7:30 at the Firemen's Hall in Hico, according to announcement by Derel Fillingim, president of the group. All members of these classes are urged to make plans now to attend.

Local Pastor Conducting Walnut Springs Revival

Rev. Morgan Garrett, pastor of First Methodist Church of Hico, is visiting pastor at a pre-Easter Revival being held at Walnut Springs Methodist Church, which began March 16 and continues through March 23. Services are being held twice daily at 10:30 a.m. and 7 p.m. with the exception of Saturday and Sunday morning. There will be no Saturday morning service and the Sunday worship service will be at 11 o'clock.

Mrs. J. E. Woodard, Mrs. V. H. Jenkins, Mrs. Odie Peticiek, Mrs. H. V. Hedges, Mrs. Marvin Marshall, Mrs. Orville Ogle, Mrs. George Griffiths, Mrs. Morse Ross, Mrs. Norman Johnson, Mrs. Red Lackey.

In addition to the above named workers, Robert Jackson, Conda Salmon, Milton Dunlop and Milburn Knudson will solicit donations in the business district. Jackson is chairman of the group.

The quota assigned to Hico this year is \$279.00.

In making the announcement this week, Mrs. Gamble stated, "Emergencies far beyond normal have caused Red Cross Funds to become depleted, and this worthy organization is earnestly appealing to the people of our country to give freely of their resources, in order that they may continue to alleviate human suffering where emergencies exist."

"Let us not forget May 1952, when flood waters from the Bosque River created a minor emergency in Hico. The Red Cross moved in and expended more than \$3,000.00 to needy and affected persons in the flood area.

"Hico was the only town in Hamilton County that did not participate in the 1957 Red Cross Drive. We can not let this happen again. Please give freely of your money, and lend this campaign your moral support, and time, if called upon to aid in the drive.

"Won't you 'Answer the Call?'"

Stephenville Voters Give Approval to \$500,000 Bond Issue

Voters in the Stephenville Independent School District gave an overwhelming stamp of approval to the issuance of \$500,000 in bonds for the purpose of constructing a new high school building.

A total of 1,321 votes were cast in the Tuesday election. The proposal carried more than four to one, with 1,056 voting for the proposition and 265 registering their disapproval.

The bond issue covers the erecting of a new, modern high school, with \$65,000 of the money to be spent on the renovation of the present facilities.

CRANFILLS GAP SAILOR SERVING AT KINGSVILLE

Mare D. Johnson, airman apprentice, USN, son of Mr. and Mrs. Si Johnson of Cranfills Gap, and husband of the former Miss Betty A. Knudson of Meridian, is serving at the Naval Auxiliary Air Station, Kingsville, Texas.

Kingsville is one of five stations of the Naval Air Basic Training Command which is responsible for training naval aviators.

Tragic... But Wise

Tragic indeed is the case of any community who faces the problem of losing their school. This problem presently faces the citizens of Duffau.

Tomorrow, Saturday, citizens of that community and the qualified voters in the Hico Independent School District will vote on a consolidation proposal which will send the students of the Duffau Elementary School to Hico next year if it carries. They have not operated a high school in that community in the past several years.

We, as citizens of Hico, should show these fine people of our neighboring community that we certainly do want them to feel welcome to attend our schools, and the best way that this can be done is to have a near-record turnout at the voting place on this day. We do welcome these fine folks to our school, and want them to have a part in the administration of school affairs, and in other community projects. We feel honored that they chose Hico as their choice for consolidation, and feel that our school is their school, which it will truly be if they vote to consolidate.

Many people feel that when a community loses its school, they lose every tie in community life. That need not be the case, as the citizens of Clairette have proven in past years. Their school building and facilities are getting almost as much use now as when school was held there regularly. Duffau can do the same with their school plant. That is, the property can be used in any number of ways for the betterment of the community. The present property of the Duffau district will revert back to the citizens in that area, should the proposition carry at the polls Saturday.

Yes, we welcome these good people to our school, and urge each and every citizen in the Hico district to show their approval of this action by voting Saturday, March 22. A record vote would make the Duffau people feel more at home in Hico's School.

Large Vote Urged By Local Leaders

Saturday, March 22, is the date when local residents will go to the polls to express their opinion on whether or not the Hico and Duffau School Districts will be consolidated. An election will be held at Duffau on the same date for the same purpose. Both districts have to approve the action by a majority vote.

The election follows action by judges of Erath and Hamilton County who were petitioned by the required number of qualified voters from Hico and Duffau.

The Hico School Board members had met with members of the Duffau board and agreed upon the consolidation.

Duffau has been operating an elementary school only for the past several years, and students, upon graduation from grade school, have been attending the local high school. They have operated with two teachers and a lunch room cook since that time. Twenty-two students are currently enrolled in the Duffau school, who will be transferred to Hico with the beginning of the next school term if the proposition carries at both voting boxes.

Little, if any, opposition is expected in the election, but supporters of the move locally are urging a large turnout at the polls to show the people of Duffau that they will be welcomed into our school system.

An agreement was reached between the two school boards whereby all property presently belonging to the Duffau school system will revert back to the community, to be used or disposed of as they see fit, for the betterment of the community. Also, the Hamilton County School Board agreed to a release for the present property in the Duffau School District if at any time in the future Hico does not teach a high school. The local board also endorsed a plan to guarantee the citizens of that community representation on the local board should the districts consolidate.

From any standpoint, the election is one of the most important ever presented to local voters, and citizens are urged to turn out in record numbers on Saturday.

LOCAL MAN SERVING AT FLORIDA NAVAL BASE

Pensacola, Fla. — Windall R. Knight, Chief Training Devices Man, USN, son of Mr. and Mrs. H. D. Knight of Hico, and husband of the former Miss Frances E. Glass of St. Peter, Minn., is serving at the Corry Field Naval Auxiliary Air Station, Pensacola, Fla. Corry Field is one of five stations of the Naval Air Basic Training Command.

Approaching Tornado Season Brings Warning

In the face of the approaching tornado season, members of the Hico Volunteer Fire Department has reviewed precautionary measures to take in case of a tornado striking in this area.

Working with the Ground Observers Corps, Civil Defense, and the United States Weather Bureau, the department last year decided upon one type signal to be used when weather bureau personnel indicates that Hico is in the path of a tornado. The signal, originated by the department, is as follows:

One long blast (60 seconds) of the fire siren will be the signal that Hico is definitely in the tornado area. The alarm will be turned in approximately 15 to 30 minutes in advance of the actual impact of a tornado, which should allow residents sufficient time to take shelter.

WHAT TO DO. To know what to do when a warning is received, or a tornado is observed, is very important and may mean the difference between life and death. Listed below are a few tornado safety rules which could prove very helpful in the

event of a storm hitting this area. There is no universal protection against tornadoes except caves or underground excavations. When time permits, go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the pressure. It should be kept fit for use, free from water, gas, or debris, and preferably equipped with pick and shovel.

If you are in open country, move at right angles to the tornado's path. Tornadoes usually move ahead at about 25-40 miles per hour. If there is no time to escape lie flat in the nearest depression such as a ditch or ravine.

If in a city or town seek inside shelter, preferably in a strongly reinforced building. Stay away from windows.

In homes, the southwest corner of the basement usually offers greatest safety, particularly in frame houses. People in houses without basements should find other shelter, preferably in a storm cellar, although a depression such as a ditch or ravine can offer some protection. Doors and windows on the north and east sides of the

house may be opened to help reduce damage to the building.

Standing against the inside wall on a lower floor of an office building offers some protection.

If in schools of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors. Avoid auditoriums and gymnasiums with large, poorly-supported roofs.

Perhaps the most important thing is to keep calm. It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. But your home might be one of those.

The above information is published to inform citizens—not to alarm them—in event Hico should ever be in the path of a tornado. The Fire Department suggests that local people clip the above information for future reference.

APPENED HERE OR NEAR—

How You Gonna 'Ship' Anything Without Water and A Ship?

By E. E. DAWSON
The history of a people may be traced up in words that are in use. Recently one word in a bit of the history of our American and Britishers, "ship" under consideration. It is a "ship" with its derivations and its multiple significances into such general use? Do a bit of imagining. Suppose an old Briton went into a cave about the beginning of the 19th century. While he was in that cave, he was comatose state, the world on a lot of Englishmen got a start. Then one day he woke up and found the old Briton from his long sleep, remembering where he had hidden some of the earth, went and dug it after a bit went west to a landing at New York on a train for the west and landed in western Wyoming on the mountains slope off into the grasslands that a great ranch country. Briton got acquainted with the land, and on a visit to the old Briton's new-found friend, that worthy, "What on earth do you do with so many sheep? I'll ship them to Chicago, or maybe Kansas, and put them on the mar-

ket." The old Briton revolved that word "ship" around in his mind. Said he to himself, "How on earth can he ship cattle eastward when there are no rivers or seas on which to sail ships?" Ah, there was a puzzle. He had come from a country that was wholly surrounded by seas, and across its surface flowed many streams. All commerce of his first life had been carried by ships, so the word "ship" came into usage, meaning to transport commodities by ship. Now how could a ship get across the Rocky Mountains and the broad plains to the markets the rancher had mentioned. Could ships run the rails of the railroad? No, that was out of the question. Could they be dragged across the land? No, of course not. What did the rancher mean by "ship" when he said he was going to ship his cattle?

has been 'shipped' as a 'shipment, or refer to it in a general way as 'shipping.'" So it dawned on the Englishman that it was the adaptation of a long-used word to a new sphere. And he began to realize that the word "ship" had a distinct historical note. His English forebearers had relied on ships to carry everything, except for the few carts that were in use. So thus you may see that our ancestors were a maritime people and relics of maritime language remain that will forever declare that fact. This English language of ours has a lot of historical implications. Here is another that has persisted that bears witness to the same fact as the word "ship." When the conductor of a train is about to signal the engineer to start the train he shouts, "All aboard." What can be meant? Why, it is a relic of that former day when a passenger was told to "get aboard," or better "on board" of the ship that it was about to sail. The bus driver uses the same term, as do the airline operators. Fact is a lot of terms in common use have no meaning in themselves except as they are in general use and everybody understands what their meaning is and never stops to inquire, "How come?" It's just one of the ways that a people retain their history.

In the Hico-Duffau School Consolidation Election Saturday

Vote In School Consolidation Election

IREDELL ITEMS

By MRS. C. A. MITCHELL

Mr. and Mrs. C. W. Cudd and three children of Weatherford, Mr. Elvis Duncan and Miss Ramona Duncan of Benbrook, and Mrs. E. N. Tentsch and two children of Fort Worth and two children of and grandmother, Mrs. Myrtle Duncan, who is some better at this writing.

Mr. and Mrs. W. B. Smith and Ginger of Fort Worth, Mr. and Mrs. John D. Smith and two children, Mr. and Mrs. Arthur Guinn and sons, Miss Cleo Herrington of Stephenville and Mr. Doak Simpson of Fort Worth visited Mr. and Mrs. Wick Simpson Sunday.

Mr. and Mrs. W. O. Smith and daughter of Fort Worth, Mr. and Mrs. Frankie Dawson, Mr. and Mrs. Ralph Yates and two children of Dallas visited Mr. and Mrs. Mose Dawson during the week end.

Mr. and Mrs. Ralph Bradley visited their son, Mr. and Mrs. Billy Bradley and two children of Henrietta this week end.

Mrs. Buelah Cavitt returned home from Snyder after a visit with her daughter, Mrs. Claudie

Hodges and family. They accompanied her home for the week end.

Mrs. Nola Wingerham and Michael Wayne Wilson of Dallas visited her mother, Mrs. R. Y. Patterson and Cecil Sunday.

Mr. and Mrs. Weldon Josey of Fort Worth visited her parents, Mr. and Mrs. Luke Koonsman and children over the week end.

Mr. and Mrs. Lawson Lowe and daughter have moved to Waco where he is employed with a bottling company.

Mr. and Mrs. Nolan Chaffin and two children of Fort Worth visited her parents, Mr. and Mrs. Ed Helm and other relatives during the week end.

Mr. and Mrs. Sam Clark of Fort Worth visited relatives here over the week end. Mrs. Zella Maess returned home after a two week visit in Fort Worth with them.

Mr. and Mrs. Jerry Ince of Valley Mills visited his parents, Mr. and Mrs. Ince recently.

Mr. and Mrs. Guy Main and Susan of Fort Worth visited his parents, Mr. and Mrs. Word Main during the week end.

Mr. and Mrs. Luke Wimberly

and son visited relatives in San Angelo over the week end.

Mr. and Mrs. John K. Myers and baby are visiting his father, Mr. Abe Myers.

Mr. and Mrs. Frank Cunningham of Stephenville and Mrs. Opal Nabors of De Leon visited their parents, Mr. and Mrs. Ed Lawrence over the week end. Mr. Lawrence is ill.

Mr. and Mrs. Marion Benson of Fort Worth visited her mother, Mrs. W. D. Oldham and other relatives over the week end.

Mr. and Mrs. Forest Dean of Fort Worth visited Mr. and Mrs. Walter Sadler Wednesday.

Mrs. Minnie Falls of Waco spent the week end at home. Jay Falls Jr. and Mrs. Adda Lou Champion and Marion of Dallas visited her Sunday.

Mr. Edgar Sadler of Dallas visited Mr. and Mrs. Walter Sadler during the week end.

Mr. and Mrs. Jerry Ince and son visited Mr. and Mrs. Eddie Lee Putty Saturday afternoon.

Mr. and Mrs. Roy Moore of Fort Worth visited relatives and friends here Sunday.

Mrs. Agnes Weeks of Dallas is visiting Mrs. Mae Phillips.

Mr. Donahue visited his family in Brownwood over the week end.

Mrs. E. L. Putty and Mrs. T. P.

Barnhill were in Hamilton Thursday afternoon.

Mr. Rex Mitchell spent the week end with his mother, Mrs. Cora Mitchell.

Mrs. E. L. Putty and Mrs. Kenneth Barnhill were in Meridian Saturday.

Mr. and Mrs. Harold Walker and two sons and Ronnie Davis of Fort Worth visited her mother, Mrs. Juanita Davis during the week end.

Charles A. Mitchell spent the week end with his parents, Mr. and Mrs. C. A. Mitchell. He leaves for San Antonio for four years in the Air Force, soon. A friend, Thomas D. Ellsworth also visited here.

Kenneth Mingus and Donnie Cooper of Fort Worth spent the week end at home.

Mrs. John Rowe is ill in the Hico Hospital, but is better. Children visited relatives over

Iredell Baptist Church CHARLES RICE, Pastor

The church voted Sunday evening to enter the Rural Church Achievement Program. This program is designed to aid churches in planning and carrying out a program dedicated to a better church, community and a better world.

In the special called conference the church set up the church council, composed of the Sunday School Superintendent, the Training Union director, Chairman of the Deacons, president of the Brotherhood, president of the WMU, a representative of the young people, music director, etc. The purpose of this council will meet each month to coordinate and plan the work of the church. The church council will have as its first function the work of proposing goals to be reached under the achievement program.

The Associational Women's Conference will be held at Kopperi on March 24. Transportation will be furnished all who wish to attend. The time for meeting at the church building is 6 p.m.

FAIRY

By MRS. EUNICE DANIEL

FORMER AGEE PASTOR AND WIFE KILLED IN TRAIN ACCIDENT LAST WEEK

A pall of sadness fell over this and surrounding communities when it was learned by a news-cast last Thursday night that Rev. Mack Malone and wife, Deloris had been instantly killed at a railroad crossing near Fort Worth. Rev. Malone was pastor of the Maypearl Baptist Church and they resided there. He was attending classes at the Baptist Seminary in Fort Worth and his wife worked as a secretary at Peter Smith Hospital. They were en route home after attending classes to meet his parents, Mr. and Mrs. W. P. Malone of Rodessa, La., who had arrived at their son's home about an hour before the accident.

The couple had left a note on their door telling the parents to go in and make themselves at home, that they would be back as soon as classes were over.

The tragedy occurred on farm road 1059 about one mile west of highway 81 to Waco.

Rev. Malone was pastor of the Agee Baptist Church for a little over a year and he and his wife made many friends while here. Both Mr. and Mrs. Malone were 26 years of age.

Double funeral services were held Monday morning at 10 a.m. at the Maypearl Baptist Church. Burial was in Laurial Land Cemetery in Fort Worth.

The services were delayed pending the arrival of relatives from Ohio. Those from the Agee and Lanham communities attending were Mr. and Mrs. Otis Dansbee and family, Mr. and Mrs. J. C. Kenny and family, Mr. and Mrs. Robert Streater, Mr. and Mrs. J. W. Ballard and family, Mrs. Beatrice Oglesby and Mrs. Smith. Our deepest sympathy is extended to those bereaved in the tragic death of their loved ones.

A letter received today from our nephew, Dorsey Enger of Corpus Christi, who was critically injured in a car wreck early in December in which the driver was killed and three others seriously injured, stated that he was improving, but would be several months yet before he could return to work.

We were very sorry to learn of the passing of Mrs. Courtney of Dublin, who passed away last Saturday. Mrs. Courtney was the mother of Mrs. J. J. Jones Jr. Several from here attended the fu-

neral services held Sunday afternoon in Dublin. Our sympathy is extended to Mrs. Jones and family and other relatives bereaved in her passing.

We were also sorry to learn of the passing of Mr. Earl Huddleston of Oglesby, who died suddenly at his home about 3:30 p.m. Saturday. Mr. Huddleston, who was 66, has served as representative for a number of years and was well known here, having attended school closings and gave addresses. Funeral services were held at the Baptist Church in Oglesby Sunday afternoon at 3 o'clock, with burial at Post Oak Cemetery. He is survived by several sisters and brothers. He had never married.

Mr. and Mrs. Ed Allison enjoyed a visit from their son, Mr. and Mrs. Waynard Allison, Johnnie and Debby Jane of Baytown over the week end. Other children and their families who visited in the home on Sunday to be with them were Mr. and Mrs. D. E. Allison and their daughter and family, Mr. and Mrs. Wayne Pittman and Karen, all of Dublin, and Mr. and Mrs. Texie Allison of De Leon.

Mr. and Mrs. Frank Driver were called to Waco last Saturday due to the illness of his brother, Roy, who had collapsed at his work Saturday. The illness was due to an ear infection. He was in a Waco hospital and had improved some at the time of their return home.

We also learn that Chock Broyles underwent surgery at the Clifton Hospital last week. Scott Blakley visited him on Sunday. He is reported to be doing fairly well.

Mr. and Mrs. Dalton Driver of Grand Prairie visited during the week end with their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. H. H. Wolfe.

Mr. and Mrs. Herman Sills of Whitney attended church here Sunday and also visited a while before church services with Mrs. Brittle Little. They spent the remainder of the day with her parents, Mr. and Mrs. Claude Brunson of Hico.

The writer and granddaughter, Carolyn Sellers attended singing at Warrens Creek Baptist Church Sunday afternoon. After singing hours we visited at the rest home with Mrs. Minnie McCarty, Mrs. Alford and others. Glad to report Mrs. Alford much improved and able to sit up in the room.

W. E. Goyno of De Sota spent several days here last week looking after business interests.

Mr. and Mrs. Esteen Latham moved into their new home recently, which was erected at the site of the old Lanham school.

We have been informed that it was Chester Wood who sent off some lambs early last week and not M. E. Jackson as we stated in our newsletter last week.

We have quite colder weather today, Monday, following several pretty days which we are sure all enjoyed.

Miss Lera Jane Blakley, who is attending TCU at Fort Worth spent the week end with her parents, Mr. and Mrs. Scott Blakley.

Mrs. Gladys Cox visited a while Sunday afternoon at the Williford rest home with Mrs. Minnie McCarty and others. On her return home she visited a while with Mr. and Mrs. Frank Driver.

Mrs. Brittle Little received a letter Monday from her sister-in-law, Mrs. Myrtle Dickerson, who presently is at Tulsa. She stated that she had spent a few weeks with her sister at Plainview, who had been ill. She also stated that she gets quite homesick at times and is presently employed in Tulsa.

We also learn that Marvin Porterfield is a patient in McCloskey Hospital at Temple. He has been suffering of arthritis, according to reports, which is affecting one of his eyes. We hope he will soon be able to return home. He resides at Evant, where he serves as minister of the Church of Christ. He is the son of Walter Porterfield of Fairy and he and his wife also formerly resided here.

Nona Brunson worked a few hours at the cemetery last Friday to finish the cleaning up around curbs and such places as we couldn't get with the mower. It all looks quite nice now and we hope to be able to have our annual working, which is held on Good Friday. This year the date falls on April 4, which is only two weeks from this Friday. There won't be a great lot to do but we can have the meeting and give the public a chance to elect new officers and have the annual report. So please keep the date in mind and we will make further announcement next week.

It looked as if we were in for another spell of winter weather early Tuesday morning when snow began to fall quite rapidly. However after a partial white covering of the ground all subsided and soon melted away.

It will be remembered by many of the hard freeze we had March 25-27 in 1955. All gardens were ruined, and what was saved produced very little. Corn was also killed. We doubt if there is any corn planted in this section at

present as the ground has been so wet farmers have been unable to plant.

Mr. and Mrs. E. L. Parks and family of Fort Worth and Mr. and Mrs. Delbert Pack of Stephenville visited Sunday in the home of their mother, Mrs. M. E. Parks and Audie.

The Willie Turner family had some visitors Sunday, but we failed to get their names.

We are glad to report that Bill Lackey of San Antonio, formerly of Fairy was released from the Hico Hospital Friday of last week. He had been ill of an infection on his hand, according to reports.

FORMER RESIDENT BURIED HERE LAST FRIDAY

Mrs. Laura Head, who was born and reared here, died in Oklahoma City last Wednesday, and was buried here Friday. She was the daughter of Mr. and Mrs. Steve Keith.

Mrs. Laura Head was a native of the Alexander community. She had lived for the past six years with a daughter, Mrs. Daphne Dodson in Oklahoma City. She was a sister of the late Mrs. Barte Ator of Stephenville, and was 86 years old. She left Alexander more than 40 years ago.

She is survived by four daughters, Mrs. Daphne Dodson of Oklahoma City, Mrs. P. E. Luttrell of Lake Charles, La., Mrs. W. G.

Thrasher of New Braunfels, and Mrs. R. L. Mason of Bellaire; one son, Benjamin S. Head of Los Angeles, Calif.; and two grandchildren.

Burial was made by the side of her husband, Jim Head, who passed away several years ago. Services were held at the Baptist Church at 2 o'clock. Rev. Len Dalton of Hamilton officiated.

Mr. and Mrs. L. L. Warren and Mr. and Mrs. Brooks Hall spent the week end with Mr. and Mrs. J. T. Dean and Vick of Fort Worth.

Mr. and Mrs. Elzy Wilson and Mr. and Mrs. Hugh Walker of Jonesboro spent Sunday with Mr. and Mrs. Truett Walker.

Mr. and Mrs. E. G. Amons of Stephenville visited her parents, Mr. and Mrs. Maness Sunday.

Martha Holcomb spent the week end with her sister, Mrs. Sybil Sowell and family of Hico.

Like Money In the Bank

No matter how you look at it, home improvement is just like "money in the bank!"

Can you think of a better way to get more enjoyment out of living by improving your living standards... and at the same time increase the value of your property?

Home improvement is not an expense... it's an investment that your entire family can enjoy. Take a look around your home right now. Isn't it about time to start thinking about more cupboard space for Mom? What about the extra room that you've always wanted? Or—What about that extra bedroom you need so bad?

No matter what your particular problem, you can depend on Barnes & McCullough for all the answers... and good, sound advice. We can also help you if you have financial problems, too! When you come in, ask about a convenient FHA Home Improvement Loan which enables you to spread your costs over a three-year period.

Wesleyan Service Guild Meets in Home of Mrs. Meador, Tuesday

Mrs. E. H. Randals was program leader at the March meeting of the Wesleyan Service Guild which was held in the home of Mrs. E. V. Meador Tuesday evening of this week.

Mrs. Randals, who presented a most interesting program on "March of Missions in Healing," was assisted by Mrs. George Griffiths, Mrs. Morgan Garrett, Mrs. Tom Strey and Mrs. Doc Lackey.

Mrs. Randals, Guild president, presided at the business meeting where plans were formulated for a study on Japan to be held in April. Mrs. Louise Angeil will direct the study.

At the close of the meeting the hostess served a dessert plate to the attending members, and a guest, Mrs. G. M. Bullard.

To the Editor

Dear Sir: If I miss a copy of the paper I am going to come by and "haunt" you. Sorry I overlooked it. Don't let me miss a copy as I enjoy every word in it. Thanks.

W. G. SMITH, San Antonio, Texas.

LIKE TO KEEP UP WITH 'HOMEFOLKS'

Dear Bette and Buck: We like to keep up with the "Homefolks."

Enclosed is \$3.00 for another year's subscription. The paper keeps us from having those "blue Mondays" as you've heard about. Although we would like to get the paper on Saturday, as Sam and I are off Saturday and Sunday, but we seldom receive it until Monday. We give it "fits" when it does get here. Thank you.

ALICE TUDOR, Carlsbad, New Mexico.

ENJOYS FAIRY NEWS

Dear Editor: Enclosing a check for subscription to the paper for another year.

I really enjoy reading all the news around that county, especially out around Fairy community.

W. W. ALLISON, Baytown, Texas.

Gentlemen: Please keep the home town good news coming. Check enclosed.

E. C. SHAFFER, Dallas, Texas.

Luncheon Enjoyed by Thursday Bridge Club

Mrs. Hord Randals was hostess at a luncheon March 6 at her home to the Thursday Bridge Club.

Guests were Mrs. Ellis Randals and Miss Mettie Rodgers. Members present were Mrs. T. A. Randals, Mrs. Morse Ross, Mrs. Lusk Randals, Mrs. Paul Hamilton, Mrs. J. W. Fairley, and Mrs. C. H. Boyd.

Mrs. Hamilton and Mrs. T. A. Randals were first prize winners with Mrs. Hamilton also winning slam-bid prize. All of the guests were presented grab-box prizes.

CUB SCOUTS MEET LAST FRIDAY

Dens 1 and 3, Pack 92, had a meeting last Friday afternoon, March 14. We finished working on our Alaskan maps. Toe Horton, our Cubmaster, made a Kayak and a dog sled. He taught us how to balance ourselves on the Kayak and others acted as huskies.

Mrs. Barnett and Mrs. Jenkins furnished refreshments of cold drinks and cookies.

Reporter, Edmund Horton.

Band Expresses Thanks For Aid During Year

The Hico Tiger Band members, Band Parents, and their director, Edgar H. Bradley, wish to express their thanks to the patrons who have been so generous to give their support to the Band this year.

The following accomplishments have been made. Air conditioning was made possible at the first of the year. A box supper and two bake sales have been held to buy two uniforms, five band sweaters, curtains for the band hall and awards for band students. The uniforms were \$130.00. The sweaters and letter awards were \$52.00. The band students at the present time are selling candy to raise money for individual band awards. The awards have not been selected at this time. They will be selected at the close of this sale.

EDGAR BRADLEY, Band Director.

USE PRE-SHRUNK FABRICS FOR MAKING NEW CLOTHES

When possible, buy fabrics for home sewing that have been thoroughly shrunk by the manufacturer. This saves time and insures continued fit and satisfaction. Cottons, linens, and washable fabrics should carry a guarantee on the label of shrinkage not to ex-

ceed one per cent. Check on the label or on the end of the bolt on which the fabric is sold. If it is not marked pre-shrunk then you should by all means shrink it before sewing.

To pre-shrink washable cottons and linens, follow these directions. Fold the fabric very carefully into several thicknesses so there are no wrinkles anywhere in the yardage. Place the folded material in a large pan or basin of warm water and then into cold, being certain the water penetrates into every thread.

Press the water out of the folded fabric; do not wring. Then hang the material over a rod to dry. Do not hang on a clothesline; with the fabric pinned along the selvage, since this might cause it to pull out of shape. Press when almost dry, being careful to keep lengthwise and crosswise threads straight.

TAKING DRUDGERY OUT OF HOUSEWORK

Do you enjoy managing your home or is it pretty much of a drudge? Do you have time to relax during the day, coffee breaks with the neighbors for instance? Do you schedule your housework, or do you just let it happen?

Women who plan their work find it saves time and worry. Try this suggestion: schedule all housework and include one extra chore a week—cleaning silver, washing light fixtures, etc. Even if your plans are changed by last minute interruptions, you can go back and pick up where you left off, rather than lose time by feeling lost and frustrated.

Don't take on more in one day than you can accomplish. Set a time for quitting and do no housework after this time. Allow some time to freshen up for your evening with your family. It will do wonders to preserve your strength and morale for another day.

Plan your work and work your plan this year.

ROSES FOR TEXAS

Anyone can grow roses, according to A. F. DeWorth, head of the Department of Floriculture and Landscape Architecture, Texas A. & M. College. The most common error made by many gardeners is to try to grow too many varieties or too many plants.

Essentials for success with roses are: proper planting, a sunny location, well-drained soil and plenty of water during the growing season. Start with No. 1 grade plants of a recommended variety. Have the ground ready when plants arrive and make sure roots are never exposed to sunlight and drying winds.

Water plants thoroughly. Don't apply fertilizer to newly-planted bushes until the root system is well established, then feed at least twice a season. Never fertilize late in the fall. Keep plants free of insects and diseases with a regular spraying or dusting schedule.

For details of selection, soil preparation, pruning and care of roses, get a copy of "Roses for Texas" from my office.

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation to everyone who was so kind to us at the death of our loved one. We truly appreciated the nice food, flowers, cards and every kind deed. May God bless each of you with such friends in your hour of sorrow.

The Spaulding Family.

CLUB and SOCIETY PAGE

CLUBS — SOCIETY — PARTIES — PERSONAL MENTION

Mrs. Knudson Is Hostess to March 13th Meeting of Review Club

Mrs. M. I. Knudson was hostess for the March 13th meeting of the Hico Review Club.

Mrs. Ellis Randals and Mrs. W. C. Stearman Jr. conducted the program on "Furniture Arrangement," and "Color Combination in the Home."

By courtesy of Celanese Corp., the program leaders used color slides to give the study an international flavor.

Under the heading of "World Ideas," beautiful pictures of the architecture, furnishings, and decor of homes in such far away places as Asia, Austria, Denmark and Spain were shown. The combinations and richness of color, fabrics; the study of the origin of fabric designs in relation to the use of home ornaments, combined with wood, and ornamental ironwork, varying with the customs, climate and temperament of the peoples of these several countries, made this picture study a real delight. Also the colorful panorama views of some of the foreign towns and cities showed their distinctive types of architecture.

This study was an inspiration to the group of homemaking club women.

As a current event Mrs. Marshall reported on Mrs. Eisenhower's stay at the beauty and rejuvenation resort in Arizona.

Mrs. Hord Randals gave an interesting report on the fairly recent discovery of the "Oldest Living Thing," namely the Bristlecone Pine, older than the giant Sequoia. The oldest Bristle Cone is counted to be 4,600 years old. These pines are found in the Inyo Park area of the White Mountains in Eastern California, some at an altitude of 10,000 feet.

Mrs. Lawrence Lane, club historian, who with her committee is compiling a permanent record of the Hico Review Club, displayed the partially completed book. This history includes records of the first study club organized in Hico in 1900. A number of clippings, mementoes, and interesting pictures have already been mounted in this beautiful book. The committee plans much more to be done in this labor of love.

The hostess served delicious refreshments to the attending members. The next meeting will be March 27, with Miss Mettie Rodgers as hostess.

REPORTER

Mr. and Mrs. Sandy Ogle spent the latter part of the past week visiting in Victoria in the home of Mr. and Mrs. Paul Wren.

Mrs. A. A. Vickrey returned home last week after an extended visit in San Angelo in the home of her daughter and family, Mr. and Mrs. James Ross. She was accompanied home by the Ross family. Other week end visitors were her son and family, Mr. and Mrs. Jack Vickrey and children of Dallas.

Garden Club Honored By Issuing of New Postage Stamps

For the first time in history a postage stamp honoring garden clubs of this country has been authorized. First sales were opened in New York Monday, March 17.

The National Council and State Federations of Garden Clubs were greatly responsible for the authorization of this stamp. It will be known as the Bailey-Garden Club Stamp, which commemorates the centennial of the birth of Liberty Hyde Bailey (1858-1958). While denominations have not been released by the post office department, it is expected it will be a three cent stamp, green in color, incorporating some flower and probably identifying further, honoring Garden Clubs of America.

Although stamps went on sale March 17 at the 35,000 post offices in the United States, they will remain available locally only two or three weeks. Who in Hico will purchase the first sheet? The use of these stamps will contribute materially to stimulate interest in the great National Garden Club movement.

It is an honor to be a garden club member, the growing of flowers symbolizes spiritual pay. It is an outstanding pleasure to work together in a role which helps to create such beauty, which only our creator can so freely give.

Garden Club Civic Committee.

MISS CHURCHILL

April Wedding Planned By Miss Churchill and Bryce Ballard

Mrs. W. R. Churchill has announced the engagement and approaching marriage of her daughter, Mariletha, to Bryce Ballard, son of Mr. and Mrs. Boyd Ballard of Carlton.

The bride-elect is a senior student in Hico High School.

Date of the wedding has been set for early April.

Wednesday Bridge Club Entertained By Mrs. Petsick

Mrs. Odis Petsick was hostess to the Wednesday Afternoon Bridge Club last week in her home.

Mrs. Petsick had her home beautifully decorated with arrangements of spring flowers. She served a dessert course to her guests preceding bridge play.

Members present were Mrs. Bill Howard, Mrs. W. F. Hafer, Mrs. Lucille McCullough, Mrs. H. N. Wolfe, Mrs. Bill Stearman, Mrs. M. I. Knudson, Miss Louise Blair, Mrs. May Bates, Mrs. H. V. Hedges, Mrs. Harold Walker, Mrs. Morse Ross and Mrs. Harry Hudson.

Mrs. Walker held high score for the afternoon and Mrs. Hafer held second high.

Mrs. Cheek Hostess To Friday Club

Mrs. Ray Cheek was hostess Friday afternoon to her bridge club. Mrs. C. H. Boyd and Mrs. Bill Edward were guests for the afternoon.

Members present were Mrs. Jannie Ramage, Mrs. G. K. Lewallen, Mrs. Harold Walker, Mrs. Bill Boyd and Mrs. E. V. Mendor.

A dessert was served during the afternoon.

Mrs. C. H. Boyd held high score and Mrs. Bill Boyd won second high at the conclusion of bridge play.

Hico Ladies Elected To Offices in District W. S. C. S. Program

Mrs. John A. McNeill of Valley Mills was re-elected president of the Gatesville District Woman's Society of Christian Service at the meeting of that group in the Oakdale Methodist Church at Stephenville March 6th.

Other officers elected included: Mrs. Clyde King, Dublin, vice-president; Mrs. C. K. Burns, Crawford, recording secretary; Mrs. A. M. Tibbs, Valley Mills, treasurer; Mrs. Lee McCullough, Morgan, secretary of promotion; Mrs. Tom J. Johnson, Hamilton, secretary of Missionary Education and Service; Mrs. A. W. Hering Sr., McGregor, secretary of Christian Social Relations; Mrs. Walter Chessmore, Stephenville, secretary of Student Work; Mrs. Sidney Roberts, Hamilton, secretary of Youth Work; Mrs. Gene Ogan, Stephenville, Secretary of Children's Work; Mrs. Odis Petsick, Hico, secretary of Literature and Publications; Miss Nell Moore, Stephenville, secretary of Supply Work; Mrs. B. T. Hamby, Cranfills Gap, secretary of Spiritual Life; Mrs. Morse Rps, Hico, secretary of Missionary Personnel; and Mrs. Lewis Hauk, Clifton, secretary of Status of Women.

A love offering taken for the Care of Foreign Children honored the out-going officers who included: Mrs. Burney Warren, Meridian; Mrs. Walter Amsler, McGregor; Mrs. H. N. Wolfe, Hico; and Mrs. B. B. Hedrick, Walnut Springs.

Guest speaker and installing officer was Mrs. E. L. Reid of Cleburne, the Jurisdiction Secretary of Missionary Education and Service, who was introduced by Mrs. Omar Robinson of Meridian, past president of Gatesville District.

Mrs. McNeill was elected as delegate from the district to the Assembly of the Woman's Society of Christian Service, to be held in St. Louis, May 6-9.

Annual reports were made by the local presidents and by the secretary of Wesleyan Service Guild of Gatesville District, Miss Lola Rivers Thompson, of Stephenville.

The next meeting of the group will be Officers Training Day, held in Gatesville later in the spring.

Mr. and Mrs. James Lee Profit and children of Nazareth spent the week end here visiting friends and relatives.

Methodist Group Honors Salmons With 'Housewarming'

Members of the choir of the First Methodist Church complimented Mr. and Mrs. Conda Salmons with a "housewarming" in their lovely new home last Sunday afternoon from 3 until 5 p.m. when 87 guests called.

The refreshment table was covered with a lace cloth over pale yellow and centered with an arrangement of yellow and white Dutch Iris. Silver and crystal appointments completed the table setting. Mrs. Norman Dove presided at the silver coffee service and Miss Kay Jameson and Miss Judy Griffiths served the cake. Miss Barbara Randals was at the guest book.

Other members of the house party were Mrs. O. C. Cook, Mrs. Barto Gamble, Mrs. George Griffiths, Mrs. Louise Angell, Mrs. Watt Ross and Mrs. Norman Johnson.

Lovely flower arrangements were used throughout the house.

The Salmons home contains a living room, hall, three bed rooms, two spacious baths, utility room, a den-kitchen-dining room combination, a double carport and adjoining storage area. The exterior is rose colored with Arkansas stone trim.

Pink and grey are the predominant colors used in the interior decor. The grey carpeted living room has taupe colored walls, 1 bed room is decorated in orchid pink and another in aqua, with knotty pine used in the master bedroom. The bath next to the master bedroom features knotty pine walls, a large dressing table and abundant linen closets. The second bath has pink and grey tile with a built-in dressing table.

One of the outstanding features in the new home is the knotty pine den-dining room and kitchen. The kitchen, which has a built-in wall oven and stove, is separated by a breakfast bar from the dining room. Glass sliding doors lead onto the patio from the dining room. The center of interest in the den area is a large fireplace of Arkansas stone.

Week-end visitors in the home of Mrs. Mollie Harvey were Mrs. Billy Thomason and Billy Sue of McGregor. Saturday visitors with Mrs. Harvey were Mrs. Ted Jones and Mrs. Leona Jones of Dublin, Mrs. Nora Thompson and Mr. and Mrs. Bill Whitlock of McGregor.

ATTENDS WACO MEETING

Mrs. Lucille Slaughter was in Waco last Friday attending a meeting of the Lunchroom Section of District Ten of the Texas State Teachers Association.

S. Perry Honored Birthday Dinner

T. B. Perry was honored Sunday with a surprise birthday party at her home by relatives.

Present were Mr. and Mrs. Roy Land, Kenneth and Don of Angelo, Mr. and Mrs. Homer, Jesse Carol, Janet and of Arlington, W. C. Perry Waco, and Bobby Jack Perry Jatemville. Also Mr. and Mrs. White of Hamilton, Mr. and Nelson Cathbert of Temple Mrs. J. F. Blackburn of Hico.

OCEAN TO OCEAN ACROSS SOUTH AMERICA—AND BACK—IN 41 HOURS!
CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

*Extra-cool option.

You'll get the best buy on the best seller!

UP-DATING AGRICULTURE BY LAW

Agriculture in Texas and the nation is going through a dramatic evolution.

If the changes we are experiencing in farming and farm life were just a bit more physically violent—it could be properly called a "Revolution." No previous era in Agriculture has seen such an emphatic shift in emphasis and techniques as we have since World War II.

Old farm concepts have been outmoded by new and dynamic production and marketing. As a result, laws passed 20 and 30 years ago have, in some instances, not met the needs of this new period. This is particularly true in Texas. Some of our old laws are impractical. And even some of our legislation that is less than 2 years old already need amending.

A goal of the Texas Department of Agriculture during the next legislative session will be to emphasize changes in the following fields.

1. Revision of the nursery law.
2. A marketing enabling act.
3. A new general warehouse law.
4. Dressed poultry inspection law.
5. Amending the recently-enacted egg law.
6. Amendments to the weights and measures law.

A new nursery law is needed to set up some basis of standards and to control movement of inferior nursery stock into Texas.

The marketing enabling act is necessary because our selling and transportation methods have not kept up with the giant strides made in farm production. The state farm agency needs to enlarge its work to provide data to growers and handlers of volumes of commodity movement, planting, harvesting and grading services. At present, the TDA has no authority to participate in these types of programs except that which is rendered in the language of the current appropriation bill.

The present general warehouse law provides that all warehouse

storage space or hire shall be bonded by the Agriculture Department. However, the penalty provision is weak and inadequate.

On poultry inspection, the federal government has made inspection compulsory for poultry moving in interstate commerce. The same type of service is needed within the state to protect Texas consumers against inferior and low quality poultry.

The new Texas egg law already needs amending because financing of the statute is insufficient. This program should and could be self-supporting without the necessity of any use of tax money.

A fee system of checking scales and enforcing the weights and measures law is also advocated. This is practiced in other states and would place financing of the act on a solid footing in Texas.

These changes by law are necessary if our state government is to keep pace of modern agriculture.

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays.

Those in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold.

Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Protecting that freedom

has been — and always will be — a Press that will not succumb to dictation or overpowering despotism.

For the light that leads to all freedoms is Freedom of the Press: Education . . . information of all kinds . . . news of all that transpires . . . and the open discussion of opinions and ideas that sharpens understanding.

Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

HICO NEWS REVIEW

Game Warden Reports

By **SWEDE JOHNSON**
State Game Warden
Hamilton & Bosque Counties

I am sorry that I missed my last week's column but like a lot of us I became a victim of the common cold and with the help of home remedies I really made myself sick and was under the weather all week.

However I was able to get a pretty good check of the lake for the week end, which didn't produce too many fish but a lot of fishermen. I did however check several good strings of crappie and a few good black bass and very few sand bass.

I still believe that we are trying to rush the season just a little but you can't blame a fisherman for wanting to try his luck after being kept shut up all winter. From all accounts I think that this year will be a pretty productive one when it comes to catching fish and before the season is out a lot of fish will be caught out of Lake Whitney.

This week I think I will discuss the Norway Rat or Brown Rat and the Black or Roof rat. Now a lot of you will wonder why a Game Warden would want to pick a topic like the rat to talk about. It is my intention to try to teach about all wildlife regardless of how large or small or how good and bad and how they effect each and everyone of us. Wildlife is the study of all plant life and all animal life and not just the study of a few animals that we can use for food or for sport, but wildlife as a whole that helps to keep this universe of ours in balance.

The Norway Rat; Brown Rat: a

large rat but with tail shorter than head and body, not adept at climbing, preferring to burrow in or live near the ground. Total length 15-16 inches; length of tail 67 in.; length of hind foot, 1.5 inches; wt. normally 14-17 oz., but may reach 30 ounces or even more.

Distribution: Widespread in Texas, but not so common in the southern half of the state as the roof rat.

Although rats of one kind or another are found generally over Texas, their distribution by kinds is not very well known. Probably this is the principal species in inland towns and on farms and ranches.

Like the house mouse, the brown rat is a foreign invader, probably derived originally from Asia. It is said to have been introduced in the United States by the way of Europe in 1775.

The rat eats nearly everything edible, whether dirty, infected, or clean. Fruits, meats, grain, cheeses, vegetables, eggs, plants, manure—sorts of materials are as grist to this animal mill.

Obviously the rat is a potential source of infection of human food materials. Furthermore, its habits of eating all sorts of things makes possible its persistence in numbers under many and varied conditions.

The hardness of rats in general and their rapid multiplication make them a constant threat. Young are to be found every month in the year, though the principal breeding takes place in the spring and summer. Three to five broods are reared each year, the number of young per litter varying from 6-19, and averaging about 10. The gestation period is

WEATHER REPORT

The following weather report is submitted by W. R. Hampton, local observer for the Climatological Service of the United States Weather Bureau:

Mar. 5	58	45	7.20
Mar. 6	58	48	0.51
Mar. 7	74	49	0.26
Mar. 8	73	58	6.28
Mar. 9	65	35	6.00
Mar. 10	63	42	6.06
Mar. 11	55	36	0.90
Mar. 12	53	35	0.38
Mar. 13	44	31	T
Mar. 14	53	30	0.00
Mar. 15	60	30	0.00
Mar. 16	66	36	0.00
Mar. 17	64	38	T
Mar. 18	46	31	0.03

Total precipitation so far this year, 6.92 inches.

21 days. Even the immature female less than three months old is capable of breeding.

Perhaps the most serious feature of the rat situation is the unconcern with which the occurrence of rats is regarded by the people. As a matter of fact, the harmful activities of the animal make it perhaps the most dangerous mammal in the world. These activities include, not only its damage of food stuffs, wearing apparel, and a great variety of all sorts of goods and materials, but also its transmission of typhus fever, bubonic plague, possibly poliomyelitis, and a variety of internal parasites.

Control measures include protection of food supplies, elimination, so far as practicable, of rat shelter and garbage, destruction of their natural enemies, and protection of buildings is important, and so is continuous cleanup of premises.

This is important type of work and all people should be interested in this type of rodent control. This is one of the few rodents that nothing good can be said in his behalf but like a lot of other undesirable the only thing we can do is to practice control, trying to keep this type of wildlife in balance.

Until next week, good luck and fishing to all of you.
Yours truly,
SWEDE.

CARLTON

By **MRS. FRED GEYE**

Mrs. H. M. Everett of Stephenville visited Tuesday with her brother and wife, Mr. and Mrs. Everett Jones and Martin Bingham.

Mrs. J. H. Tull and daughter, Mrs. Lillie Anderson, returned home Sunday after a visit to Abilene with their son and brother, Dr. Raymond Tull and family, and in Gustine with their daughter and sister, Mrs. Neal Gerreald and husband.

Rev. John Foster preached his farewell sermon at the Baptist Church Sunday night. They left early Monday morning for Atlanta, Georgia, where he will be pastor of a church there. They had been in Carlton about a year and had made many friends here who regret to see them leave.

Leo Finley and son, Bob, of Walnut Springs visited Monday night with his mother, Mrs. Jessie Finley.

Mr. and Mrs. Glenn Jones of Waco spent last Sunday with his parents, Mr. and Mrs. Everett Jones and his uncle, Martin Bingham.

Mr. and Mrs. Troy Masasingill

spent Sunday in Hamilton with their son, Jack Masasingill and family.

Mr. and Mrs. Nolan Geye and daughters, Patricia and Deborah, of Cleburne visited Sunday with their parents, Mr. and Mrs. Fred Geye.

John Walton, a student at Texas Tech in Lubbock, spent the week end with his parents, Mr. and Mrs. Montie Walter.

Miss Virginia Thompson, a student at Howard Payne College, Brownwood, visited over the week end with her parents, Mr. and Mrs. John Thompson and Roy.

Mr. and Mrs. H. M. Everett Sr. of Stephenville were visitors Sunday with her brother and wife, Mr. and Mrs. Everett Jones.

Hob Thompson and granddaughter, Angela Thompson, spent last Monday night in Abilene with his parents and sister, Mr. and Mrs. O. C. Thompson and O. L. Mac.

Mr. and Mrs. Ewing Lawson of Crosbyton and Mr. and Mrs. Eddie Welch of Dublin were visitors Sunday with Mrs. Welch's parents, Mr. and Mrs. Mack Ellison.

POLITICAL ANNOUNCEMENTS

The News Review will accept announcements for district and county offices in the order they are received, each to be carried through the first and second primaries unless otherwise eliminated.

Rates for the various offices are listed below:
District Offices \$22.50
County Offices \$22.50
Commissioners \$17.50
Justice Offices \$10.00

All political advertising is payable cash in advance. A free news notice, of reasonable length, goes with each announcement placed, to be written and signed by the candidate.

The News Review is authorized to publish the following political announcements subject to the action of the Democratic Primaries.

HOMERALLIOWS

A speech or talk may have a lot of merit but in a short time be almost forgotten. A book, a tract or column may live on for ages and be read by unborn generations. As an illustration I have just read in an old scrapbook, published about eighty years ago—sorry I do not know the writer's name—wish I did, so we could make his name live again. Maybe he knows about what we are doing anyway. I doubt if anybody could prove he doesn't.

The writer said over in India he saw a large monkey hugging and walling over her dead baby monkey that had just been killed by a large cobra snake. In the center of the circle was the large snake, head erect, watching the enemies by whom he was surrounded. Suddenly a young athletic monkey sprang into the arena. He carefully approached the cobra and made passes just as the snake was about to dart his head, he sprang to one side and then the other with such astounding rapid-

ity, the snake became The monkey seized head and beat it on until life was extinct the hero monkey escaped of hops and summers. Up to this moment monkeys had maintained watching every movement combatants. The signal for the chattering. They the conquerer and the head and scratches danced around him as manifestation of their of his valorous action and throat out and story is an illustration to the laws of decedure. Even the best and varmints do as their own. About the son I have ever known body who does would for of HOMER STEPHENVILLE, Tex.
