## Cancer Crusade Drive Held Thursday Night, April 24th

The annual Cancer Crusade was scheduled to be conducted Thursday night, April 24, at 7:00 o'clock in the residential area of Hico.

Mrs. Sandy Ogle, chairman of the residential portion of the drive, named captains and workers the past week to conduct the drive which is being carried out in the porchlight theme again this year. Each home in Hico was to be called on. However, if for any reason anyone is missed, Mrs. Ogle has requested that they leave their contributions at First National Bank.

Odin Petsick, general chairman of the local drive, has named workers to solicit each business establishment.

Science has learned more about cancer since World War II than

in all history, according to the American Cancer Society. Each year the army of scientists engaged in cancer research comes up with new knowledge, all building toward the day when cancer will be eliminated as a threat to life. Won't you please help to further this worthy cause by contributing when called on?

The Bluebonnet Square Dance Club will meet at the Firemen's Hall Saturday night rather than at the Country Club where the dances are regularly held.

## Former Resident Receives Highest Red Cross Award

Mrs. Earl (Amy) Laney, farm wife who lives near Hale Center, has been awarded the American Red Cross Certificate of Merit for her efforts credited with saving the life of a Tucumcari, N. M., woman on May 10, 1957.

The Certificate of Merit is the highest award of the Red Cross.

The award was given to Mrs. Laney for her action in administering artificial respiration to Mrs. Sally Shope after the latter was almost asphyxiated by butane fumes at the Mountain View Ranch near Cowles, N. M., where Mrs. Shope was employed as a cook.

Mrs. Laney was attending the Southwestern Recreation Leaders Laboratory at the ranch.

(ED NOTE: Mrs. Laney is a cousin of Mr. and Mrs. H. H. Ramage of Hico, and a former resident of this area.)

## Revival Commences Sunday at Iredell Church of Christ

The Iredell Church of Christ has extended an invitation to people in this area to attend a series of Gospel Sermons, starting Sunday, April 27, and concluding Sunday, May 4.

Evangelist V. A. Vick of Liberty Hill will lead the services. Services will be held each evening at 8:00 o'clock.

## Amateur Show Plans Shaping Up

### Erath Farm Bureau Staging Membership Drive Thru April 28

Agriculture is vital to Erath County. For that reason it is important that every farmer and rancher in the county join an organization which is seeking to promote, protect and preserve agriculture.

The Erath County Farm Bureau is staging its annual membership drive April 22 through April 26. During the drive all persons in Erath County who make a living from the soil will be given an opportunity to join with their neighbors in Farm Bureau.

Since its inception in 1919, the Farm Bureau has been striving to obtain and maintain a higher standard of living on the farm and ranch. It has had many notable successes on both state and national level. Altogether the American Farm Bureau has been responsible for passage of more than 200 pieces of national legislation beneficial to agriculture. It has defeated many bills that would have been harmful to agriculture.

On the state level, the Texas Farm Bureau has helped Texas agriculture through its legislative program. The state farm organization was responsible for passage of the present rural road program. It has also been able to obtain the tractor gas refund and many other benefits.

Legislative work carried on by the Farm Bureau in Austin and Washington is worth many times more to each farmer than his membership dues cost, according to O. V. King, president of the Erath County organization.

"With farm population decreasing, agriculture is now a minority group," Mr. King declared. "Already Labor and Industry are asserting their strength in the state and national capitals. Unless farmers pull together in one united effort we will ever have a higher standard of living on the farm."

As an individual a farmer or rancher has no voice in helping run his industry. Joined together with his neighbors in a strong organization his "voice" is magnified many times. The Farm Bureau offers the farmers, ranchers and dairymen of Erath County the opportunity to solve the many and complex problems beyond the fence rows.

Plans are nearing completion for the Annual Civic Club Amateur Show, which will be held next Friday night, May 2, at 8 p.m. in the High School Auditorium.

Two divisions of competition will be offered this year, a school and non-school division. Awards of first, second, third and fourth places will go to winners in each of the two divisions.

Committee members in charge of arrangements for the program have approximately eight acts already committed and expect several more before the deadline. Any person or persons who have an act which they would like to enter, or know of an act in this area, are urged to get in touch with Robert Jackson, Conda Salmon or O. C. Cook.

Added Attraction. The committee has lined up two added attractions which will be presented during the program, but who will not be eligible for prize money.

Johnny Duncan, who has proven to be so popular with local people during past shows, has indicated that he would perform during the show. Hueyln Duvall will also be on hand to present numbers. Both of these young men have recorded several records, and are very popular at this time.

Ticket Sales. Tickets were placed on sale for the show this week, and may be purchased from any member of the Civic Club. Prices are the same as in past years, 50c for adults and 25c for students.

A full evening of entertainment is promised to those who will attend the show.

## Successful Cemetery Meeting Held By Duffau Residents

By E. E. GIESECKE

After a very successful meeting of the citizenry of this community, the writer visited our burying ground to see if the picture that was painted Friday evening was exaggerated. It wasn't.

The writer was elected president of the newly formed cemetery association; Mrs. Bess Stipe was elected secretary, and Ollie Roach, treasurer. Also the following committee members were elected: G. B. Strother, Charles Britton and Lawrence Koonsman of Stephenville, Chester Land and Golda Scott, Hico, Rt. 4 and 5; Arch Worrell of Chalk Mountain, whose address is Star Route, Stephenville.

Now for a bit of history of this old cemetery. No one knows when the first person was buried here. I visited W. D. Elkins this morning. Didn't get much information from him as he has only been here since 1874. He stated "that there were lots of graves in the cemetery when he, with his father's family, arrived here." There are some Mexicans buried here, also one negro boy. We understand his body was removed several years ago. Also there is one grave that is cross-wise, at the occupants request. If any of the readers come out this way (under their own steam of course) you can see this grave near the West entrance.

Also walk through this cemetery and see for yourself why a few citizens can't take care of the grounds. (There are over two thousand graves). People from almost all parts of the state are buried here.

If any readers wish to contribute toward a mower and a keeper for the cemetery, they may do so by sending their contribution to any of the officials. You will receive a receipt and any amount will be appreciated.

YOUTH RALLY TO BE HELD SATURDAY AT CARLTON

Tommy Pesnell, student at Howard Payne College in Brownwood, will be speaker at the meeting of the Hamilton County Baptist Associational Youth Rally, which will be held Saturday night, April 26, at 7:30 p.m. at the Carlton Baptist Church.

## New Texas Travel Map Offered by Highway Dept.

Austin, April 21.—It's here! It's new. It's free. The Texas Highway Department this week released the big new 1958 Official Highway Travel Map. Maps may be obtained by writing the Texas Highway Department, Austin 14, Texas, or at the Highway District Offices and Travel Information Bureaus. County tax offices have map cards available for requesting copies of the map.

The Official Highway Travel Map is used by all state and governmental agencies in Texas for determining highway distances, mileages, zones, and like information. The same map is used by Texas tourists seeking roads to recreational and historical attractions throughout the state. The reverse side of the map reflects in full color some of the outstanding scenic and recreational facilities in Texas.

Texas' new 1958 map is the answer to today's demand for more and more travel information. The steady growth of Texas from a state with a population of slightly over seven million just ten years ago to its present estimated population of more than nine million is reflected by the information shown.

Roadside parks, long cherished by Texas highway users, were not shown on the 1948 map. Today, 1,028 roadside parks are pinpointed as pleasant stopping places. Divided highways also show a startling jump in the ten-year period. In 1948 there 110 miles of divided roads shown. Now there are 1,007 miles marked on the map with the black bands and red center indicating divided highway miles.

will include division in Horticulture, Artistic, Junior Class, Tables, Invitation Class and Educational.

Added features this year will include arrangements by non-club members. The Flower Show chairman, Mrs. A. H. Lackey, has emphasized that this year flower enthusiasts who reside here are most welcome—in fact encouraged—to display flower arrangements. Another new feature this year is the invitation class which will enable members of other Garden Clubs in surrounding towns to attend and exhibit arrangements.

## IT HAPPENED HERE OR NEAR—

### This Sheriff Collared Bad Men The Hard Way; Without a Gun

By E. E. DAWSON

This is about Sheriffs. A bit of history in Stanley Walker's recent book, "Home To Texas", about which I had a story some weeks ago, moved me to do some remembering and so this week's column, Stanley Walker, born and reared in Lampasas County, and now returned to finish his days there, after a career as newspaperman in Dallas and New York, says that Albert Mace was the best sheriff Lampasas County ever had. Old-timers assert that they can never be satisfied any more with a sheriff for Albert Mace spoiled them, and no recent sheriff has been able to reach the standard he set.

Stanley Walker, born and reared in Lampasas County, and now returned to finish his days there, after a career as newspaperman in Dallas and New York, says that Albert Mace was the best sheriff Lampasas County ever had. Old-timers assert that they can never be satisfied any more with a sheriff for Albert Mace spoiled them, and no recent sheriff has been able to reach the standard he set.

Mace, after serving many years as sheriff of Lampasas County, became a Texas Ranger and clean-shaven. And walked out. There was no more wife beating.

This reminds me of a Jones County sheriff of many years ago who did not even carry a gun, and yet took many bad men and landed them in jail. Bad men just could not resist his sheer courage that took every chance, and yet without ever getting hurt by law breakers. The story of that sheriff has been told many times in the last half century.

I have been the pastor of numerous sheriffs. Some of them have been excellent men. One I could never feel closely drawn to, be-

ways wilted and allowed himself to be taken away to jail.

The story is told of Sheriff Mace that on one occasion, a store keeper in Lampasas had a very bad habit of beating up his wife when he felt like it. Nothing could be done about it because the wife was so cowed she would not testify against the brutal bully husband.

One day Sheriff Mace walked into the fellow's store, pulled off his gun and laid it down, then removed his coat, and said to the wife-beater, "You have been beating up your wife. Do you know what it is like to be beaten up? It can be an awful thing. I am going to show you what it is like." And Mace, after serving many years as sheriff of Lampasas County, became a Texas Ranger and clean-shaven. And walked out. There was no more wife beating.

The story of that sheriff has been told many times in the last half century.

I have been the pastor of numerous sheriffs. Some of them have been excellent men. One I could never feel closely drawn to, be-

cause he so often boasted of pistol whipping his prisoners. In my opinion the officer who pistol whips his prisoners lacks the elements that make a sheriff.

It has been my duty to bury two sheriffs who were killed in the line of duty. Sheriff Dick Pauley of Coleman County, acting on telegraphic advice one day, stopped a Santa Fe train, an extra, as it passed through Coleman, and climbed into a box car to take a negro criminal. The criminal shot and killed him. Again I had to hold the service when Sheriff Sproul of Jeff Davis County was killed while pursuing a couple of criminals in the Davis Mountains. He had a posse with him, and as they got close to the fugitives, one of them shot the sheriff and killed him. The killer later went to the electric chair. Sheriff Sproul was a Presbyterian, but the Presbyterian minister was on the road somewhere between El Paso and Fort Davis, and the family called on me to conduct the funeral. Just as I had finished the service, Dr. Irving, the Presbyterian minister, walked into the room and I asked him to have a part, even though it made the service quite lengthy. Dr. Irving, a former New York City pastor, was a great character for whom I had a deep affection.

## FORMER RESIDENT PASSES AWAY IN COLORADO

Word was received in Carlton last week of the death at Delta, Colorado of Mrs. Izora Wright, 63, wife of Henry C. Wright.

Mrs. Wright was the former Mrs. Izora Herrington and was born near Carlton May 21, 1894, the daughter of the late Mr. and Mrs. King Herrington.

On July 14, 1912 she was married to Henry Wright of Carlton. She is survived by her husband; three sons, C. B. of Delta, Clyde of North Highland, Calif. and Wallace of Cortez, Colo.; two daughters, Mrs. Hazel Wolverton of California and Mrs. Doyle Ferguson of Grand Junction, Colo.; three sisters, Mrs. Robert Marsh, Delta, Mrs. Gertrude Raby and Miss Mollie Herrington of Stephenville; one half-brother, Robert Nowlin, Loraine; one brother, Wesley Herrington, Grants, N. Mex.; eight grandchildren, many other relatives, and a host of friends.

Deepest sympathy is extended to the sorrowing loved ones.

Funeral services were held in Delta Mortuary Saturday, April 12, at 2 p. m., with burial in the Pea Green Cemetery at Delta. She was a member of the Baptist Church, the Royal Neighbor Lodge, and a past member of the Rebecca Lodge.

Mr. and Mrs. Doyle Beene and two sons of Texas City are visiting her parents, Mr. and Mrs. Purley Sharp.

Mrs. Jessie Nelson, who is staying as a companion with a lady at Walnut Springs, spent the week end here in her home.

Mrs. Gene McCombs and two children of Lueders were weekend visitors with her sister and husband, Mr. and Mrs. Lynn Harbour and son, Wayne.

Mr. and Mrs. A. G. Floyd of Lake Whitney and Mr. and Mrs. Ewing Lawson of Crosbyton spent

Thursday with Mr. and Mrs. Mack Ellison.

Mrs. Ernest Upham of West Columbia was a week end visitor with her aunts, Misses Effie and Georgia Shaffer and with her mother-in-law, Mrs. Ophelia Upham.

## ANNUAL CEMETERY WORKING SCHEDULED

The annual cemetery working will be held on the first Saturday in May. All interested persons are invited to attend.

If you are not able to attend you may send your contributions to the Clairette Cemetery Association. It will be recorded and appreciated.

The members of the Busy Bee Club met last week in the home of Eunice and Nola Lee, to quilt a quilt which will be given away to raise funds for the cemetery. The quilt will be given away at the cemetery working the first Saturday in May.

Week-end visitors in the Charlie Dowdy home were Howard Dowdy and sons of Hurst, Mrs. Bess Finney, Mrs. Liddie Glasgo, Mrs. Georgia Boyd, Eula and Roscoe Scarborough of Fort Worth.

Dick Bishop has been ill several days in the Hico Hospital. At last

## AS IT LOOKS FROM HERE—

Omar Burleson, M. C. 17th District, Texas

Washington, D. C.—On the night of April 10th, Mr. Ben Wooten, President of the First National Bank of Dallas, made a speech in Abilene. In that speech he inferentially chided the business interest of the country for not doing a better job of selling to cure and prevent a recession. It seems Mr. Wooten is critical of everyone running to Washington looking for Governmental remedies for all the ills which beset us.

There are hundreds of pressure groups in the United States organized for the purpose of gaining favors from Government. Many of them force Government into improper activities. It is the conclusion of some very intelligent people that this practice has brought about a condition which has destroyed a lot of individual initiative, which otherwise would contribute to the economic life of the country.

Many clubs and organizations act very much like the Government. When something is needed they figure the best thing to do is appoint a committee to look into the matter. In Government we find instances of a committee or commission appointing another committee or commission, and finally with authority completely diffused, no one knows what anybody else is supposed to do. Of course, the result of such a situation is that nothing is done.

Back to Mr. Wooten's speech—I think he disproved what a farmer once gave as his reason for success. This well-to-do farmer (back in the days when there were well-to-do farmers) said that he attributed his success to staying away from mean horses, hay-balers and bankers. But Mr. Wooten recommended in his talk that it is the business of business to do more for itself. His point has proved lately by one large manufacturer of radio and television sets. Price cuts were made by this company as an experiment. Reports indicate amazing results. The company had such an increase in demand it had to hire more workers to fill its orders.

This time last year economy was the watchword. There is not very much being said about it at this time. The business community of our country is seemingly willing for the pumps to be primed. The primer and the grease for the pump will be bought on credit, but not the usual kind. When an individual buys on the installment plan, he pays in the future for whatever he has purchased at present prices. The pump priming of Government will be paid for in the future at a higher price than that now prevailing, even in these inflationary times. This will come about because the "priming" will result in deficit financing, and deficit financing means more inflation. More inflation means higher prices—it means the government is mortgaging the future of its taxpayers.

## I Baked And Ironed On... BEDLAM TUESDAY

Blue Monday was bad enough,  
But oh that Bedlam Tuesday.  
What a sight I was  
Charging in and out that steamy kitchen-furnace  
Just long enough to check the too-hot stove,  
Or heat the too-cold iron.  
Kitchen over-flowing with fresh-baked bread,  
Fresh-ironed clothes strung over the living room.  
(Might as well get both chores done with Old Smokey blasting away).

Did anyone believe we liked such drudgery?  
And yet there were no power lines,  
No electric service—for rural folks.

Until we got together, neighbor with neighbor,  
And found we weren't really powerless.  
We borrowed money and formed a business of our own.  
Non-profit—except for daily dividends.

Now in my cool, electric showplace kitchen—I'm a queen  
Giving orders to my appliance servants  
Thanks to a lucky star?  
I know better. Thanks to our Rural Electric Co-op.

The Erath County Electric Cooperative will furnish FREE LABOR for the installation of ELECTRIC RANGES bought and installed on Co-op lines during the Months of APRIL and MAY, 1968, ONLY.

SENIOR TRIP

The Seniors are much excited over the annual trip that almost all Seniors make.

This year the group plans to visit a dude ranch at Kerrville. They will leave early Wednesday morning, May 7. On the way to Kerrville, one of the main stops will be at Austin. There they will visit the Capitol, the museum, and the University of Texas. Wednesday and Thursday nights will be spent at the dude ranch. Friday night their stopping place will be San Antonio. Then on Saturday they will visit the historic Alamo, Brackenridge Park and the zoo.

Everyone is looking forward to the trip with much anticipation. The sponsors will be Supt. O. C. Cook, Senior Sponsor Harold D. Walker, and Room Mother Mrs. Leonard McLendon.

DONKEY BALL GAME

On Monday night the gym was

decked out in real style but the floor was covered. What with Donkeys, of course. The riders, or at least that's what they tried to be, were scattered everywhere. The gym held a maximum crowd of howling spectators who enjoyed the show immensely.

Although the town men raked up the highest score I'll bet they are the sorest too.

H H S

VOLEYBALL

The boys' and girls' volleyball teams will journey to Kopperl Friday night to play in an Interscholastic League tournament.

The girls have been working hard on volleyball since basket ball season ended. The boys started practice for volleyball only since track season was over, but they have improved immensely.

The boys and girls will have hard competition but they have a chance to come out on top. Good luck, volleyball players.

REGIONAL MEET

Saturday, April 19, was the date of the Region II Interscholastic League Literary and Track Meet. Hico still seems to have a corner on the slide rule field as two placed

They were Ronnie Hathcock, first place, and Kendall Hamrick, third place. Ronnie placed second last year in the Region meet. He had the high score for both conference A and B schools.

The track boys placed fifth in the mile relay and came back with a darker tan for trying. State meet will be May 2 with only first and second place winners competing.

The mile relay team was composed of Van Hooper, LaVon Pierce, Neil Ellis and Gail Christian.

FHA STATE HOMEMAKING MEETING

Carolyn Patterson, in-coming Homemaking president, Juan Williams, voting delegate, Miss Helen Thomas, advisor and Mrs. Lester Thomas were the four from Hico who attended the State FHA meeting in San Antonio April 17. We arrived in San Antonio about six o'clock Thursday afternoon and checked in at the Crockett Hotel.

Friday morning we registered at the Municipal Auditorium and the morning business session began. The program was "Live and Radiate FHA." The second business session was held Friday afternoon and Friday night was fun night. The program was "FHA Joins Hands Around the World."

Saturday morning was the third business session and the meeting of voting delegates. The rose ceremony was presented and the

newly elected officers were installed.

The meeting was inspiring and enjoyed by about three thousand girls.

While in San Antonio we visited the Alamo and Brackenridge Park.

Saturday afternoon on our way to Austin we visited the Aquarena in San Marcos. We rode the glass bottom boats and really enjoyed ourselves. We arrived in Austin about five and saw the Capitol. We spent Saturday night in Austin and on our way home Sunday we came by Temple, Waco and Whitney Dam. We arrived in Hico about five o'clock Sunday afternoon, tired, but happy. We had a very interesting and pleasant trip.

SPOTLIGHT

Friday night there wasn't very much happening. Some of the kids attended the revival at the Baptist Church, while some went to the Youth Center, and others to the show. The couples seen were, Judy Moore and LaVon Pierce, Kay Jameson and John McClammy, Linda McLendon and Sherrel Kirk, Ginger Jones and Jerry Lackey, Linda Holt and Lee Flowers.

Saturday night most of the kids went to church again. Those seen were Carol Akin and Royce Samford, Linda Driver and Rosy Vinson, Reggie Ellis and J. D. Needham, Ginger Jones and Jerry Lackey, Linda McLendon and

Sherrel Kirk, Mariletha and Bryce Ballard, Linda Holt and Lee Flowers, Judy Gaffitts and Steve Ogle, Kay Jameson and John McClammy, Nelda Arnold and Aron Naul, Kay Yochem and Billy Booth, Sheila Partain and Wayne Warren.

As I cast my beam toward Saginaw I saw Jean Ables and Red Wagner. Then from Saginaw, my spotlight and I found Carolyn Patterson and Jimmy Crumley in Austin.

Sunday night the couples seen were Judy Moore and LaVon Pierce, Ginger Jones and Jerry Lackey, Carolyn Patterson and Jimmy Crumley, and Linda Holt and Lee Flowers.

AN EXPRESSION OF APPRECIATION

Through the Hico News Review I wish to express my appreciation for the service and courtesies extended to me in my present illness. It is impossible for me to reply to all the cards and letters. But I do enjoy them, and want you, my friends, to keep sending them. To all the Hico Hospital staff, blood donors, and others who rendered service in any way I am very grateful. For all the beautiful flowers and other gifts, I thank each and everyone of you. I am in Room R331, St. Joseph Hospital, Fort Worth. Continue to pray for me and mine, that God's will may be done in our lives.

Sincerely, LOTTIE BELLE CORBETT

## Show Presented Meeting of South H. D. Club

Cyrus King was hostess to the Hico Home Demonstration Club Thursday, April 17, with Mrs. Carr, Mrs. Billings, Mrs. Hawthorne, Mrs. C. H. Holley and Mrs. C. H. Holley as co-hostesses.

The girls, who were 17 to 20 years of age, presented a review or style show. Each girl gave the name of the dress she had made and the price, also the cost and what she liked about the dress and the most difficult part in making it.

Questions were asked for girls to answer, each came up with the correct answer. Each was beautifully made.

Guests present were Mrs. J. N. Nona Jane Cox, Jean Harris and Clara Hyles.

Following the recreation, and refreshments, Mrs. Carr presented favors. Through the house yellow iris and lilacs used in decorations. The refreshment table was covered with a centerpiece of lovely pale yellow refreshments of angel food punch, nuts and mints were served.

A clothing workshop will be held Thursday, April 24, Mrs. Carr as hostess. The part was held April 9 in the home of Mrs. N. H. Connally.

The clothing demonstrator and leader, Mrs. Cyrus King, Mrs. Ed Blum, helped four girls with fitting and adjusting the garments to fit correctly. After the patterns were all made, Mrs. Blum, who had a dress was making with her, showed the correct way to put in the buttons without gathers, put a collar together and turning it so it did not be bulky or puckered. Illustrated how a dress waist should be put together.

After a brief business meeting the club adjourned and the hostess served refreshments of cake, coffee and iced tea.

## Mrs. Wilson Is Shower Honoree

Mrs. Woody Wilson, the former Mrs. Irene Ables, was the honoree at a miscellaneous shower Friday evening in the home of Mrs. S. W. Everett. Co-hostess for the occasion was Mrs. W. R. Hampton.

Mrs. Everett received the guests and presented them to the honoree, her mother, Mrs. Tom Johnson, and Mrs. Hampton.

The serving table was centered with an arrangement of white and yellow chrysanthemums. The appointments were silver. Mrs. A. H. Lackey was at the coffee service and Miss Florence Chenault served the cake. Mrs. Ethel Lackey was in the gift room.

Seventy-five guests from Hico and Carlton called or sent gifts during the appointed hours.

## Mrs. Frank Johnson Hostess to Clairette Home Dem. Club

Mrs. Frank Johnson was hostess to the Clairette Home Demonstration Club April 18 at the Community Center. Mrs. Rush presided at the meeting. Mrs. Huckabee led the singing, and prayer was led by Mrs. McGuire.

For recreation games were played. Mrs. Durham was given a nice gift as winner of the games.

In the business meeting Mrs. Johnson gave a report on the Council Meeting. Several other items of business were attended to. Roll call was answered by naming an outstanding woman.

The program, "Property Laws that Effect Women," was led by Mrs. Sterling. The program was very interesting and enlightening.

The hostess served refreshments of cake, toasted nuts and punch to Mrs. Marvin Rush, Mrs. John Goughly, Mrs. Pearl Durham, Mrs. H. G. Wolfe, Mrs. N. E. McGuire, Mrs. Bill King, Mrs. Chance Sterling, Mrs. H. K. Self, Mrs. J. G. Edwards, Mrs. Odie Huckabee and Mrs. John Willis.

The next meeting will be May 2, with Mrs. Bill King as hostess at her home.

**CHOOSING SOAP AND SYNDETS**

If you're annoyed at tattle-tale clothes and a ring in the tub, better check the soap use.

Whatever you choose—either bar or syndet (synthetic detergent) should be right for your supply. In hard water, soap reacts with the minerals to form a scum. It's hard to rinse this out, your clothes take on a gray color. However, if you have natural water, soften both the hot water and the rinse water, soap will do as good a cleaning as a syndet.

In hard water, syndets do a better cleaning job than soap. They clean the water so that no curd forms.

Choose the soap or syndet made for the washing job you plan to do. For heavy duty wash jobs special ingredients added to soaps and syndets give greater cleaning power. Most packages for heavy duty wash are marked with "all purpose," "family wash," or "wash anything."

For the light duty detergents or mild soaps are marked on the package, "wash lovely linens, protect your hands in dishes, for baby things, etc."

For washing satisfaction, check the water carefully, keep special laundry problems in mind and choose the soap or syndet accordingly.

**RECIPE OF THE WEEK—BAKED CRISPY PEACHES**

1 No. 303 can or 1 pint peach halves

1 cup cornflakes  
1 tablespoon brown sugar  
1 1/4 tablespoons butter or margarine

Drain peach halves. Crush cornflakes lightly. Roll peach halves in cornflakes. Place peaches, hollow side up, in baking dish. Fill centers with sugar; dot with butter. Pour fourth cup juice around peaches. Bake in moderate hot oven at 375 F. for about 25 minutes until browned. Serve warm with cream or milk. Serves 4.

# FAIRY

By MRS. EUNICE DANIEL

We have unsettled weather conditions at this writing, Tuesday. Almost one inch of rain fell here Saturday night.

Farmers would like to see some fair weather, as most all are running far behind schedule with farm work and planting of row crops.

Miss Jo Ann Sills of Fort Worth spent from Friday through Monday in the home of her parents, Mr. and Mrs. Herman Sills, and her brother's wife, Mrs. Jamie Sills and baby, Jamie left recently for overseas duty. Jo Ann is employed at a bank and had Monday off, since the banks were observing a holiday.

Mr. and Mrs. Carl Ray Sellers and family spent Sunday in Dublin visiting in the home of her sister, Mr. and Mrs. D. E. Allison. Other guests were the Allison's daughter, Mr. and Mrs. Wayne Pittman and Karen of Dublin and Darrel of TCU. They all spent a while at the Pittman home viewing movie pictures.

The writer attended singing at Warrens Creek Sunday afternoon, accompanied from Hamilton by Mr. and Mrs. A. H. Sumerford. On our return to Hamilton we were stopped about three miles east of the church by two small children and their mother and a teenage girl, who were crying and screaming for help. The mother and her two children, about 10 and 12, had started to pass a cattle truck driven by Miss Fuqua, who was making a turn to go to her home nearby. The ladies' car was almost completely demolished and it seemed almost a miracle that the mother and children survived the crash with only cuts and bruises. Help arrived rapidly and after it was learned that the lady had some band aids in her car their wounds were dressed. The little girl was cut about the face. The boy had only a head cut. The mother had a severe bruise on her right leg and arm and complained of a severe headache. The Fuqua girl was not hurt other than shock and we must say was very thoughtful for just a teenage child. She ran to a nearby home and called the highway dept., returning to offer any aid possible. The lady, whose name we did not get, was from California and was en route to the bedside of her 78-year-old mother in West. The children had with them their school supplies, which were strewn all over the highway. A blue parakeet bird belonging to the lady survived the crash and remained with its cage, even though it was broken in half, and other openings made possible by the missing feeder and waterer. With help of Mr. Otis Sumerford of Hamilton we patched the cage up with some theme paper. The lady had set the cage in our car as the doors of her car wouldn't close. However we learned Tuesday by radio that the parakeet escaped from the cage after the family reached Hamilton. The bird was pale blue in color and we feel sure the children would appreciate any information leading to its recovery. The lady gave Sumerford the address of her brother-in-law in West and asked that he be called to come after them. The highway patrol had not arrived when we left the scene, although we were there almost an hour. We sincerely hope none of

their injuries proved more serious than apparent.

Mr. and Mrs. Fred Duncan of Irving are the parents of a little son, born Tuesday, April 15 at the Methodist Hospital in Dallas. The baby weighed 5 pounds and 6 ounces and has been christened Kenneth Edward. The baby was kept in an incubator for a few days but both mother and baby are doing well. Paternal grandparents are Mr. and Mrs. Olga Duncan of Fairy and maternal grandparents are Mr. and Mrs. Joe Alexander of Hico.

The writer visited a while Sunday afternoon at the rest home with Mrs. Minnie McCarty, Mrs. Alford and Mrs. Pearl Wade. Mrs. Wade was placed in the home two weeks ago. Although it had a number of years since we had met she smiled and recognized us when we entered her room. Sorry to report Mrs. Smith still ill and unable to have visitors. We went to Mrs. Vick's door but seeing that she was asleep we slipped away.

Walter Porterfield informed us Monday that his daughter-in-law, Mrs. Marvin Porterfield had been returned to her home in Evant following a few days stay in the Memorial Hospital at Gatesville. She was ill of a throat ailment.

Mr. and Mrs. Fred Ray Boshier of Duncanville spent the week end with her grandparents, Mr. and Mrs. Olga Duncan.

Since our cemetery meeting on Good Friday we have learned that Mrs. Reubin Anderson of Grand Prairie also brought lunch that day.

While mowing at the cemetery last Tuesday, Mr. and Mrs. Otis Pendleton and Mrs. Bertice Pendleton of Needles, Calif., and Mrs. Dennie Pendleton of Cranfills Gap stopped for a visit at the cemetery. Mrs. Otis Pendleton was reared here, being the former Miss Pearl Gardner. Her sister, Addie, her father, S. A. Gardner and an infant brother or sister are buried here. We walked across to meet them and had to tell Pearl who we were. She handed us \$5, while there for the benefit of the cemetery. Since the heirs still have some property here she thought donations were being made in the interest of the Gardner and Wilson lots, not knowing who to make the donations to. Anyone wishing to make donations for the benefit of the cemetery may send them Hico or to the writer, or Frank Bonner or John Abel. When it is turned in at the bank we will be mailed the duplicate and can give

you credit for your donations. Other donations received since our last writing are Mrs. Jessie Edwards, Hico, \$2; and Mrs. Lilla Byrd of Carlton, \$3. Thanks to all for your thoughtfulness. Weeds and grass are growing rapidly and it just keeps all on the move with power and hand mowers to keep it down. Mr. Herman Sills has promised to help us some when possible, although he has almost a full-time farm job when dry enough to work. He can still help out some at the cemetery if these rains continue. We went up to see him Monday afternoon but he was to help Olga Duncan but we hope he will be able to help out some this week, and from time to time.

Carolyn Sellers accompanied her aunt, Mrs. Raymond Jones of Latham and children, Jerry, Peggy and Joyce to an MYF District meeting at Meridian Monday night and spent the night with them. Mrs. Cecil Parks and son, C. J. had her three little daughters of Fort Worth spent the week end visiting in the home of her parents, Mr. and Mrs. Medien of Hico and her husband's parents, Mr. and Mrs. Erny Parks of Fairy and other relatives.

Mr. and Mrs. W. E. Goyno were in Fairy over the week end. Visitors in their home were Mr. and Mrs. George Loden of Hico and Mr. and Mrs. W. M. Loden of Texas City, who had dinner with them Saturday evening, and Rev. Ben-

## CEMETERY WORKING SET MAY 2ND AT DUFFAU

There will be a cemetery working at Duffau next Friday, May 2. Most of the work will be done with wheel barrows, rakes, shovels, or any other implement of torture you desire.

Main purpose of the working is to get the rocks and brush off, preparatory to mowing it. We will also need a pickup or two to haul dirt, rock and other debris.

Be sure to bring your lunch, as it will be an all-day affair.  
E. E. Gleesecke.

FIRE ANT QUARANTINE HITS TEXAS

The vicious little imported fire ant, infamous for its painful bite and destructive habits, is the target of a new federal quarantine imposed in eight states, including Texas.
Six Texas counties will be "blocked off" due to the federal order, in an effort to prevent the further spread of the pest into farm and ranch country.
Many East Texas farmers already are acquainted with the fire ant, a native of South America who has also recently become an "unwanted alien" in parts of Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi and South Carolina.

# Game Warden Reports

By SWEDE JOHNSON  
State Game Warden  
Hamilton & Bosque Counties

It sure is a wonder to me why we can't have one week end without it being miserable for a change, but maybe I am trying to rush the season. Fishing was very good Friday and Saturday with most all species being caught. The crappie are biting right around the edges in about two to three feet of water and most of them are full of eggs just waiting for that water temperature to get a little warmer. The black bass are looking for shallow water also and some of you old top-water fishermen can start warming up some of your top water lures.

I am still having a few people coming to me wanting me to explain the license law to them so to keep us all straight here it is:

It shall be unlawful for any person to fish in any of the waters of this state without first having procured from the Game and Fish Commission, or one of its bona-

fide employees, or a county clerk or an authorized agent, a fishing license, the fee for which shall be two dollars and fifteen cents.

Exemptions: No person under seventeen years of age and no persons over sixty-five years of age shall be required to possess the license provided for in this act. No person, or member of such person's immediate family shall be required to hold the license provided for in this act when fishing upon property he owns or upon which he resides. No license shall be required of persons fishing with trotline, throw lines, or ordinary pole and line having no reel or other winding device attached when fishing in the county of his residence. No other fishing license shall be required of a person who holds a commercial fishing license issued in this state.

The most important thing to remember is that your Game and Fish Commission is a self-supported organization and the only way it can operate is through the fines and fees collected and that it is your department as well as mine. And each and everyone who hunts

Week-end visitors in the home of Mr. and Mrs. J. B. Ratliff were Mr. and Mrs. A. A. Lauderbach of Fort Worth, Mr. and Mrs. Bolding Cole of Hamilton, Mrs. Nellie Powers of Fort Worth, Mr. and Mrs. Raymond Ratliff of Sacramento, Calif., Mr. and Mrs. G. W. Maxwell of Pawnee, Mr. and Mrs. Buck Price, Mr. and Mrs. Bob Ratliff and Vickie of Lubbock, and Mr. and Mrs. Wallace Ratliff of Grand Prairie.

or fishes should be interested enough in their sport to support it.

For some reason this spring we are having a large concentration of dove throughout the country and I would like to ask your cooperation in watching when driving on the roads to slow down to keep from hitting them.

Another thing, I am going to band young doves while they are still in the nest and I would sure like to have the help of the Boy Scouts and Junior Sportsmen in trying to locate nests with the young birds in them. This is important for the study of the mourning dove in trying to trace their migratory routes, so any assistance I get I will sure appreciate it. Doves don't build very good nests and in fact they are a very poor nest builder, laying just a few sticks in the fork or branches of the trees, and some will build them on the ground. The eggs take about 21 days to hatch with a clutch of two eggs, and on rare conditions sometimes three. The color of the eggs will be white. After the babies hatch it will take them about 14 days before they can fly from the nest. It is during the seventh to eleventh day that it is best to band the small birds.

The banding of the bird is not painful and will not hurt the bird in any way. So if you spot a pair of doves making a nest around your yard please keep an eye on them and when they hatch please let me know by dropping me a letter or card.

I have had a lot of help in the past on the opossum program and I am sure some of you will help me with this dove banding program.

Until next week good fishing, and good luck.

Yours truly,  
SWEDE.

JUST LIVING IS BUSINESS

Back in pioneer times our forefathers found they could keep track of the family history pretty well with a few notations on the flyleaf of the family Bible. But life's not quite that simple any more. Great-grandpa wasn't covered by social security or workmen's compensation. He didn't have a bank account or safe deposit box, a car and a dozen home appliances being bought on time payment, or a half dozen insurance policies. We have taxes great-grandpa never heard of and wouldn't have believed if he had. And had you asked him for a certificate to prove his birth, he'd have thought you'd taken leave of your senses.

The point of this is that the average American today has a good many important papers to keep track of. There are birth certificates, receipts, copies of tax returns, sales contracts, and a host of other papers. With a little tidy record-keeping, you can make life easier for yourself and your family when you are gone.

Here are some suggestions:

1. Get a heavily bound notebook folder or file folder as a central collecting point for all the records of your affairs.
2. Put your especially important papers in your safe deposit box, but make a list of those papers and a brief summary of their contents to put in your home file.
3. Get for your files copies of birth certificates for all members of the family, and add them to the file. Add your marriage license or at least a statement as to when and where you were married and by whom.
4. Insert your will or a copy of it. If you will is kept elsewhere include a note telling where it may be found.
5. During the year put into the file your income tax withholding statements and receipts for expenditures which may be deductible. Then keep a copy of each year's tax return in the file.
6. Make a list of all the stocks and bonds you own, and where they are.
7. List all the places you have lived and worked and the names of persons there who you know. Include the schools you have attended and the dates you left or were graduated.
8. If you may have benefits coming under a profit-sharing plan where you work, make a note of that too.
9. If you're in doubt about whether an item should be included, put it in.

This takes time initially, but it will save you both time and worry in the long run.
