Successful School Term Ends Thursday With Graduation Exercises

School activities came to a close Tuesday night with commencement exercises being held at the High School Auditorium. Twenty-five graduates received diplomas from Supt. A. A. Chandler, principal, and presented special awards.

Fadden, Johnnie Crumley, Ronda Giesecke, Ray Bright, Kenneth Ganske, Winston Churchill, Mark McElroy, Kathy Garrett, Janet Hooper, Shirley Greathouse, Mary Sue Spinks, and Sue Luckie.

Students returned to school for a brief period Wednesday morning to receive diplomas. The annual high school picnic was also held Wednesday at Glen Rose.

Water Works School Being Conducted Here

A ten night Water Works School began Monday night at City Hall in Hico, with William A. Mixon, of Texas A & M College System, as instructor.

Eleven men from Stephenville, Clifton, Hamilton, Granbury, Walnut Springs and Hico have enrolled in the school which will conclude May 29.

There will be five men taking exams at the conclusion of school; three for "B" grade and two for "C" grade certificates, given by the Texas State Department of Public Health. The school is sponsored by the Bosque River Water and Sanitary Association, the City of Hico, and the State Department of Public Health.

Farmers Butane Co. Opens Office in Hico This Week

Announcement is being made this week of the opening of a new business office here by Farmers Butane Gas Company. The new office building is located on the Hamilton Highway.

Mrs. Pal Drake has been employed to work in the office, and Coolidge Wade is the route salesman. Mr. Wade, a former Hico resident, and his family have recently moved back to Hico from Fort Worth where they have resided for the past several years.

A formal announcement appears elsewhere in this edition.

Friday Is Last Day For Free Haul-Off In City Clean-Up

Today, Friday, is the last day for the free pick up of trash, rubbish, etc., in the current clean-up campaign sponsored by the City.

Local residents are reminded that trash placed at curbs in containers will be hauled off free by the city. The week-long campaign started Monday, with pick up days slated Thursday and Friday.

SOME NEWS OMITTED—

A number of news items were omitted this week due to late copy, but will be carried in next week's paper.

Body of Former Hicoan Found In Wichita River

Cause of the death of Mrs. Iva Lee Coen, 54, the former Mrs. Iva Lee Loyd of Hico, whose decomposed body was found early last Thursday on a sand bar of the Wichita River at Wichita Falls, was ruled due to a heart attack.

An autopsy was performed under order of H. M. (Doc) Newman, justice of the peace. Newman estimated she had been in the water approximately one week. School children found the body on a north bank sand bar about 100 yards west of Sellers Street about 10 a.m.

The children informed Geneva Williams who was fishing nearby, and she in turn called the police. Mrs. Coen was born in Oklahoma March 1, 1904.

She is survived by two daughters, Mrs. Robert Bullard of Holliday and Mrs. Al E. Holloway of Enterprise, Ala.; three sons, Andrew Loyd of Big Spring, Steve Walker of Fort Worth and Ernest Walker of Topeka, Kan.; a sister, Mrs. Catherine Foster of Wichita Falls; a brother, Johnny Perkins of Holliday and 12 grandchildren.

Graveside funeral services were held at 3 p.m. Friday at Crestview Park Rev. N. O. Evans, pastor of the Holliday Baptist Church, officiated.

Those from Hico who attended the services were Mr. and Mrs. Asa Bullard, and Mrs. Marie Mills.

Homemaking Girls to Conduct Play School

The Hico Homemaking classes under the direction of Miss Helen Thomas, homemaking teacher, will sponsor a play school Tuesday, May 27 through Thursday, May 29, from 9:00 until 11:00 a.m. at the Homemaking Cottage.

The play school will be open to children between the ages of three and those who will be starting school in September.

Anyone wishing to enroll their child may do so by contacting one of the Homemaking girls, Miss Thomas, or by bringing their child to the play school.

Fairy Schools Close Friday

Commencement exercises were held Wednesday evening at 8:15 o'clock for members of the graduating class of Fairy High School. Principal speaker for the exercises was Truman E. Roberts, District Attorney.

Members of the class are Linda Kay Gordon, Veda Gay Gordon, Frank Fields, Robert Barnett, Harry Thornton and Joe Knapp.

Eighth grade graduation exercises were held Thursday evening at the school gym. Rev. Wesley Jones was speaker.

Official closing of the Fairy Schools is scheduled Friday, with an all-day program, and barbecue and basket lunch served at noon.

Horace Griffiths Chosen TCU's 'Unsung Hero'

Fort Worth, May 21—Horace Griffiths, Texas Christian University junior from Hico, has been chosen TCU's "Unsung Hero," it was announced this week at the annual Horned Frog Banquet sponsored by the yearbook staff.

He was awarded the title and will be featured in the 1958 yearbook for his work on the Student Activities Council and as chairman of the special events committee at the University.

He recently won the annual \$250 Student Congress Scholarship for next year. It is given to an outstanding student on campus each year by the student governmental association.

A business education major, he is the son of Mr. and Mrs. Frank Griffiths of Hico.

Third Grade Class Visits News Review Last Thursday

Members of the Hico Elementary School Third Grade visited the News Review last Thursday to follow up their study of newspapers and printing. They were accompanied by their teacher, Mrs. O. C. Cook.

Class members making the visit were Suzanne Patterson, Cathy Cryer, Linda McElroy, James Farries, Danny Jenkins, Barbara Casey, Carolyn Wooton, Ronnie Hefner, Cindra Lewallen, Judy Lively, Jimmy Barnett, Shirley Timberlake, Barbara Anderson, Jimmy Bradley, Jim Bill Lackey, Alan Royal, James Mayfield, Janson Aikman, Denna Meador, Nellie Wolfe, Devane Tyson, Don Hester, Lois Hanshew, Mike Burns, and Ronald Henderson.

One member of the class, Cathy Cox, was absent on the day of the visit.

Sixth Grade Enjoys Trip to Water Works

The sixth grade of Hico Elementary School left with their teacher, Mrs. O. H. Brummett, at 12:45 on Thursday, May 8. They were going on a field trip to the Hico City water works to acquire additional information on the community water supply for their health class.

Mr. W. R. Hampton, who is in charge of the plant, was very kind in giving the following information to them.

Number one well was drilled in 1892 and 1893. It is 600 feet deep. It pumps 145 gallons per minute. It has a cave inside 35 feet deep.

Number two well is 360 feet deep. It pumps 125 gallons per minute. The pump motor is 15 horsepower. Each well has 250-ft. of pipe in them.

The standpipes are 75 feet high and 12 feet in diameter. Each holds 67,000 gallons of water.

The reservoir holds 100,000 gallons of water. It is 12 feet deep. It is 6 feet above ground and 6 feet below, and has to be cleaned once every year.

The pressureizer is worked entirely by gravity. It gives 5 pounds of pressure to every 100,000 gallons of water. When the pressureizer has a leak, ammonia is held under the pressureizer and the leak begins to smoke.

To find a pipe with a leak, a machine with an earphone on it is carried around to all the water lines. When it is carried over the leaky pipe the phone begins to sing.

Hico does not filter its water and does not put chemicals in it because it is so pure. A gallon of the water is sent to Austin once every year to be tested.

The content of Hico's water is as follows: 65 per cent calcium, 39 per cent magnesia, 65 per cent iron, .05 per cent manganese, 28 per cent sodium, .00 per cent carbonate, 339 per cent bicarbonate, 46 per cent sulphate, 30 per cent chloride, 4 per cent fluoride and 4 per cent nitrate.

Those from the class who went on the field trip were: Butch Knudson, Betty Hickson, Lloyd Hyles, Tommy Loudermilk, Elvin House, Marietta Churchill, Jerry Casey, Morris Samford, Frank Phillips, Henry Tyson, Bill Rutledge, Rebekah Archie, Ray Johnson, Betty Garrett, Patsy Wooton, Charles McElroy, Mary Adams, Eliene Gannaway, and their teacher, Mrs. O. H. Brummett. Contributed.

Saturday Election Carries by 71-1 Vote

A total of 72 votes were cast in the election held last Saturday as the final phase of the Duffau School consolidation.

The proposal was for assumption of indebtedness and tax equalization.

Only one vote was cast against the proposal. The election was held at Hico City Hall, with A. A. Brown as election judge.

The action makes the consolidation final in all phases, and enables the Hico District to collect a \$1.40 tax rate for the entire area. Duffau had previously operated on a \$1.00 rate, as compared to Hico's \$1.40.

Mrs. Greenslit Dies Following Accident Near Kansas City

Hico residents were greatly shocked Sunday when word was received here of the death of Mrs. W. H. Greenslit, Mr. and Mrs. Greenslit were injured in an automobile accident Friday near Kansas City, Missouri.

Mrs. Greenslit passed away Sunday morning from injuries received in the accident. Mr. Greenslit was only slightly injured.

They had left Hico Thursday for an extended visit with relatives in Kansas City.

Funeral services for Mrs. Greenslit were conducted Wednesday morning in Kansas City, with burial there.

The institute committee, headed by Brooks, includes Judge Cross and Byron McClelland, both of Gatesville; Andy Campbell and Truman Roberts of Hamilton; Jim Fanning of Comanche, and H. J. Cureton Jr. of Meridian.

Program Announced For Hamilton Co. Centennial

The stupendous task of arranging the program for the Hamilton County Centennial to be held in Hamilton on July 1-6 is making rapid progress and is practically complete at the present time.

On July 1, opening day, the monument in memory of Ann Whitney to be placed on the courthouse lawn, will be unveiled by some prominent person. Calf roping will take place at American Legion Park in the afternoon, followed by a big square dance to be held at Hamilton Stadium that night. A dance platform will be erected in the center of the football field.

July 2—Goat roping at American Legion Park in afternoon. The Plainsmen Quarter and the With Family will be present at night at the High School Auditorium. These are quite noted entertainers.

The July 3 program for the afternoon is not complete as yet, but the feature attraction for the night performance will be a big Country Jamboree at Bulldog Stadium, which will include both professional and amateur acts.

A mammoth parade will be held on July 4 at 11 o'clock, followed by a barbecue at noon. Either a quarterhorse show or cutting horse event will be held in the afternoon. The first performance of the Hamilton County Pageant will be presented at the football stadium Friday night.

On Saturday, July 5th, either cutting horse events or quarterhorse show in the afternoon, with the last performance of the pageant at night.

Crowning of the pageant queen will also be presented at one of the evening performances.

On Sunday, the final day of the celebration, special church services will be held in the various churches throughout the entire county. Former Hamilton Countians will have an opportunity to visit with their old congregations.

The day for judging the beads has not been set yet, but will soon, and prize or prizes will be awarded in public.

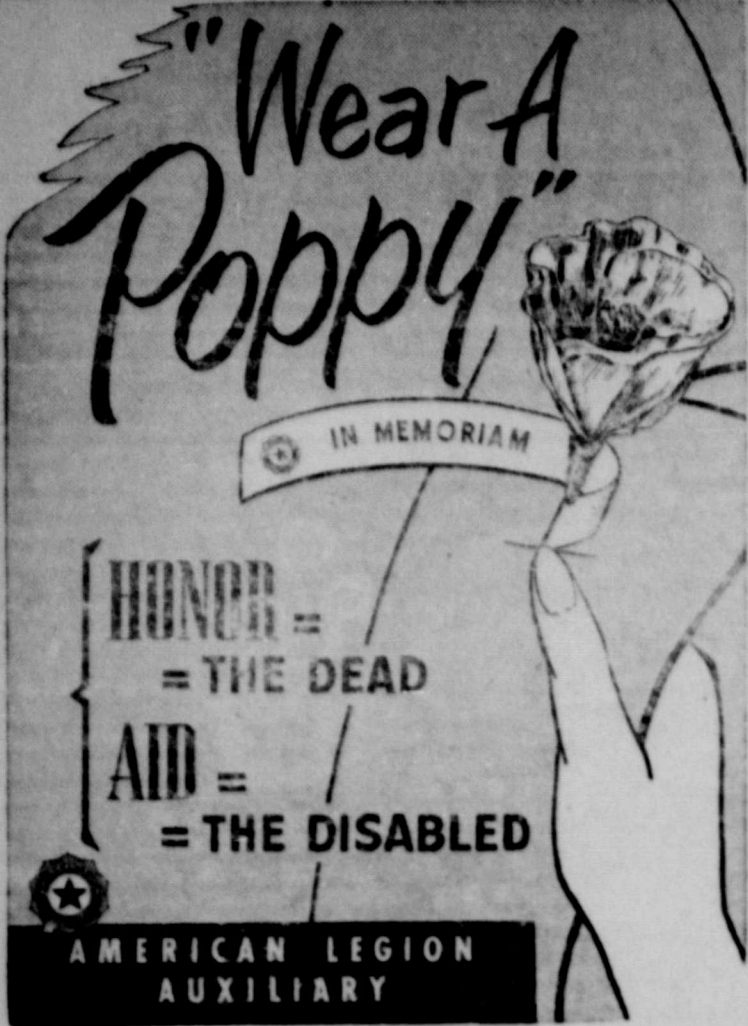

Relics, old photographs, old documents, etc., will be on display in the headquarters building and all the show windows in Hamilton throughout the entire week.

Saturday Named Poppy Day In Hico and Carlton by Legion

Saturday will be Poppy Day in Hico and Carlton and throughout much of the nation. The day will see millions of Americans wearing bright red poppies in tribute to those who have given their lives in defense of the nation. The little flowers of remembrance will be distributed on the streets throughout the day by volunteer "flower girls" from the American Legion Auxiliary of the Carlton Post.

Poppy Day activities here will start early Saturday morning when the corps of volunteers organized by Mrs. J. W. Jordan Jr., the Auxiliary's Poppy Chairman, will be out with their baskets of poppies to greet citizens on their way to work. Before the day ends, they hope to see the little red flower of remembrance glowing on every lapel.

Contributions for the Auxiliary's work for disabled veterans and needy children of veterans will be received by the Poppy Day volunteers. These contributions form

the major source of support for the Auxiliary's rehabilitation and child welfare programs. As the poppy program is carried out by volunteers, all of the money contributed, over the cost of the materials and the wages paid disabled veterans who make the poppies, goes for the disabled and children, Mrs. Jordan explained.

The poppies to be worn here have been made by disabled veterans at Veterans Hospitals, who have been enabled to earn much needed money for themselves and families through this employment given them by the Auxiliary. The little flowers are made of crepe paper with wire stems and take their pattern from the wild poppies of France and Belgium which bloomed in the World War battlefields and cemeteries of those countries.

A bright red poppy on your lapel Saturday will show that you remember and honor those who gave their lives in defense of America.

CLAIRETTE

By MRS. LUCILE MAYFIELD

Quite a number surprised Mrs. O. H. Huckabee with a birthday party at her home southwest of Clairette last Wednesday night. The group carried cake and ice cream and gifts. We wish our dear friend many happy returns.

Several met last Thursday at the Methodist Church and parsonage, cutting and raking weeds around the building, and cutting down dead trees. Thanks to all who helped.

The Zeph Carters were made happy last week when a message came from their son, J. J. and family, stating that they were moving back to the states from Canada, where they have resided several years.

The Baptist Church members had a picnic Friday night at the

home of Mr. and Mrs. B. J. Pruett. Mr. and Mrs. B. J. Pruett and Deborah spent Sunday with Mr. and Mrs. Joe Autry and family of Stephenville.

Melvin Self and family of Fort Worth, and Dow Self and family of Carlton visited Mrs. H. K. Self Sunday.

Mrs. Bunnie Alexander of Hico, Mr. and Mrs. Geo. Jones of Gustine and Mr. and Mrs. Hub Alexander of Stephenville visited Sunday with Mrs. Zena Havens.

Mr. and Mrs. Marvin Rush, Mr. and Mrs. John Golightly and Mrs. Dona Wolfe attended the Central Texas Hereford barbecue at Midlothian Saturday.

Mr. and Mrs. Zeph Carter spent Saturday in Fort Worth with the Billy Carter family. Mrs. Carter

"The trip was fine, but I miss you already, dear"

Every wife likes to be remembered... especially by long distance telephone. Your call means so much. It brings immediate peace of mind. There's no delay, no worry about your safe arrival.

Long distance telephone service is economical, too. And if you call after 6 p.m. or on Sunday you will find that the low rates are even lower.

returned to Fort Worth Sunday to spend a few days with Billy and family. Eunice and Nola Lee accompanied her to Fort Worth, where they will visit next week with Mr. and Mrs. Glen Lee.

Mr. and Mrs. Frank Johnson left Friday for Kingsville to visit his brothers.

Mr. and Mrs. Bishop Stamford of Brownwood visited relatives here Friday and Saturday.

Mr. and Mrs. Jack Stamford and

granddaughter of Fort Worth visited Mr. and Mrs. A. L. Thompson Sunday.

Mrs. Lucile Mayfield, Mrs. Bue-ah Huckabee, Mrs. Donna Wolfe and Mr. and Mrs. John Golightly attended church service and 4th Quarterly Conference at the Pleasant Hill Methodist Church Sunday night. Dr. Oran Stephens, District Superintendent of the Gatesville District, delivered the sermon.

PLYMOUTH SAVES YOU MONEY ON GAS... MOBILGAS ECONOMY RUN VICTORY PROVES IT!

New "Fuel-Saver" Choke that helped clinch title is standard equipment on all Plymouth V-8s

Pound for pound, Plymouth uses less gasoline than either of the "other two" cars in the low-price "3"! This was proved beyond doubt when a 1958 Plymouth V-8 was officially declared winner of the low-price car competition in the 1958 Mobilgas Economy Run. Plymouth's competitors also entered cars with 6-cylinder engines (supposedly more economical) but Plymouth beat every car in its class—V-8s and 6s alike!

This title-winning Plymouth is exactly the same Belvedere V-8 with TorqueFlite Automatic Transmission that you can buy right off your Plymouth dealer's floor.

These tests prove that every Plymouth has built-in economy features not found in the "other two". For in-

stance—one of the most important factors in Plymouth's smashing win is the new "Fuel-Saver" Choke that you get at no extra cost on all Plymouth V-8s. This ingenious device employs a triple-stage vacuum piston and a new thermostatic element to reduce the amount of fuel you use in warming up the engine. So it can save you even more on short-distance drives—the kind most people make.

Among the many other savings Plymouth gives you is the \$140 you save on standard-equipment Torsion-Aire Ride. The "other two" charge up to that much extra for their best suspension systems.

So if you are dollar-conscious, better hustle over and talk terms and trade with your Plymouth dealer. He wants your business, and he'll go all out to get it!

Take the wheel... get the Swept-Wing feel!

You spend a lot of time in your car—driving to work, shopping, taking trips. How your car rates on the road is important to you. So all we ask before you invest in a new car is this: Come in and take a "road rate" drive in a Swept-Wing 58

Dodge. Really compare it thoroughly on every count. We honestly believe it rides better, handles easier, responds quicker than any other car you've ever driven. But we'll leave the verdict entirely up to you. You be the judge.

YOU BE THE JUDGE! THINGS TO NOTICE IN THE SWEPT-WING 58:

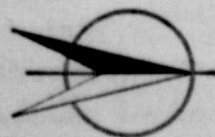

The feel behind the wheel—You feel different because you sit differently. Low and snug and secure, completely in control, almost a part of the car.

The ease of push-button driving—Once you try Dodge Push-Button TorqueFlite you'll never be happy with outmoded lever types. Ladies love it.

A ride that's a glide—There's no sway on curves, no dip at stops. Torsion-Aire is standard equipment, too.

This power steering is different—No power steering is like Dodge power steering. It works full time, yet leaves you the feel of the road.

Horsepower and stopping power—You get up to 320 hp. You get new-design Total-Contact Brakes.

Class Prophecy

The time is April 1968, the month I am to begin a world-wide tour. To make this trip I had to shop for an all new wardrobe. As I enter Mitchell's I see a glamorous model. The face looked familiar but I was unable to identify her. I asked the manager what her name was. He told me it was Mrs. J. D. Needham which I immediately recognized as my high school friend, Reggie Ellis (wonder how she manages to keep her figure with 10 kids at home).

As I leave Mitchell's I board the ocean liner, Queen Mary. The first deck swabman is Joe Knight. This came as quite a shock to me because by this time I thought he would be a professor at Harvard. (He chose the move as a career alright). The first signal I see upon leaving New York is a monstrosity that looks like—Why it was Jerry Stringer. He's sitting on the Statue of Liberty. No woman would have him so he just pretended. After recovering from this I continued my cruise to

Europe. My boat docked at France. There I saw an incredible figure with a drawn mouth which reminded me of Linda McLendon. It was I found out later she was a sour pickle tester. I continued my tour by going to Belgium. I wanted to visit some sculptors there. I entered a beautiful studio but the sculptors that greeted me were minus their ears. They had mistaken each other for the clay. Of course it could be none other than Verne Horsley and Harold Lackey. After leaving the great sculptors I go to Lithuania.

There I go to church and the preacher was our friend Harlon (Cobb) Koonsman. You may not know where Lithuania is but don't worry about it—Cobb doesn't either—that's why he's there.

After leaving Lithuania I decided to go to Spain. I had heard there was some fantastic sights. I saw one alright. Joan Boone dancing in a Spanish night club. From Spain I went to England. As I was looking at some of the scenery I saw a distinguished young man under a tree who was writing children's stories and poems. This was none other than Jimmie Crumley.

I have completed my tour of Europe so I boarded a plane in England and to my surprise the pilot was Jimmy Roberson. After I thought how he had been in high school I guessed I would have a bumpy trip. After all the worry it was a smooth trip. As we crossed the English Channel I saw a small figure beside a boat. It was only Ginger Jones trying to swim the channel. I found out later she had been trying to ever since she left HHS.

My flight continued and we landed in Hollywood I had to wait a while for another plane so I decided to look it over. I went to a big movie studio where they were making a love scene. The gallant lover was the one and only John Ryan. (I thought he could do it). I then decided to see some of the factories there so I went to the Campbell bean factory. I found no one but Don Tooley counting the number of beans in each can. (I knew Don had a mathematical mind).

I got to the airport just in time for me to catch my plane to Mexico. My first stop in Mexico City. I found a professional dog trainer which had very small dogs. I decided the reason he had small dogs was because it was Steve Ogle and he thought the big ones would run over him. I went to see a bull fight while I was there and discovered that Bobby Bullard was a matador which surprised me immensely. From Mexico I went to South America. My first stop was Venezuela. I saw a strike being skinned which proved to be very interesting. And even more interesting when I found out the skinner was Lee Flowers. (What a career). I then went to Brazil and visited a coffee plantation. I discovered the owner was Van Hooper. (He made his million by raising coffee beans).

While in Brazil I saw Kent Burgan still trying to portray "Stevie Cobb." Must think he is a Senior. I go from Brazil to Colombia and I meet up with Letha and Bryce Ballard. They said they were just seeing the sights. (Must be a long honeymoon). I then headed for home. My plane landed in Fort Worth where I saw Marlene Kilgo as a housekeeper in Needham's. She makes enough that George stays home with the kids.

And last, but not least, Wayne Warren drives a taxi cab in Fort Worth.

Well, Seniors, I hope the future brings you more than I have predicted.

understanding that Ronnie play that part all year long.

Letha Churchill bequeaths to Bonnie Brown her ability to catch a husband and after you've caught him, train him to do the dishes, clean house, etc.

Lee Flowers bequeaths to Buddy Abies his enchanting brown eyes that always came in mighty handy to catch the girls with. Good luck, Buddy.

Van Hooper leaves to Robert Chandler his dashing way with all of the women of Hico High School. Also, Van leaves one of his loud mufflers for Huey to soup up his tricycle with.

Verne Horsley bequeaths to Rosy Vinson his long, glowing beard. The centennial will be over next year and Rosy should enjoy the beard very much.

Ginger Jones bequeaths to Morris Risenhoover a small piece of broken pavement located close to the Hico Depot. You can also have her torn pair of black jeans, Morris. Pleasant memories!

Joe Knight does bequeath to LaVon Pierce his piece of chalk to write Seniors 38-39 on the Bookkeeping board every single day—Oh, you can also have his ability to annoy Senior girls and other girls, too, and still maintain his A average in all grades.

Harold Lackey leaves to Gail Christian his book, "How to Win Friends and Influence Grandmothers" with the hopes Gail gets much better results than Harold ever did.

Linda McLendon bequeaths to Anna Lee Luckie her ability to skate around the skating rink at full speed in 5 minutes—that's with a little help from someone behind her, too.

John Ryan leaves to Jeff Holliday his nickname and his girl friend to see after. Take good care of her Jeff.

Marlene Kilgo leaves to Brenda Hutson and Donna Templeton her half-day school days and an adding machine that won't repeat to do your bookkeeping with.

Jerry Stringer leaves all of his famous quotations, jokes and closings in letters to Red Wagner. Just to help out a little more.

Don Tooley bequeaths to Morris Risenhoover his lousy sense of humor, his television invention for the bathroom, and all of his Dennis the Menace jokes.

Wayne Warren leaves to Charles Tolliver his ability to get along so well with Freshman girls. He also leaves his good old school spirit with Charles.

Jimmy Roberson bequeaths to Sammy Partain his name "Ruggy" and his curly hair so the name will do him justice.

Harlon Koonsman leaves his ability to be such a good cowboy in school as well as out of school to Jimmy Drake. He also leaves his favorite song, "Tequilla" to Jimmy.

Jimmie Crumley leaves to Gary Duncan his walking cane and his ability to interpret so beautifully Mother Goose Rhymes.

And last, but certainly not least, I, Reggie Ellis, bequeath to Kay Jameson, my hairdo because a certain party doesn't think too much of the arrangement, and Kay, I also leave with you a better way to reduce by putting on more weight.

Now, the entire Senior Class would like to bequeath to the Juniors, all of the teachers, the slightly used high school buildings, and most of our school spirit in the hopes that you put it to much use next year. Of course, we have to keep for ourselves a little of that old HHS spirit to remind us of the happy and also the sad memories of our school years.

And now, on behalf of the Senior Class, may I take this opportunity to say "Thank You" to fellow classmates and all of you teachers for everything you have done for us during these few years. As we leave these tokens and memories with you, may you never forget us, and may we never forget you, which I am sure we will not.

Class Will Given At Recent Banquet

Tonight, April 26, 1956, the Senior Class would like to express their true feelings toward the underclassmen by leaving with them some of our most prized possessions. We hope you will receive this, our last will and testament, with much gratitude for only you know the love we have for you in our hearts.

First, Steve Ogle bequeaths to Gary Duncan his easy-going way, his extra good grades in every subject, and all of his ability to agree so heartily with Mrs. Angell.

Joan Boone does bequeath to Kendall Hamrick her bookkeeping teacher, Mr. Ray Taylor. She also leaves to Kendall her snare drum and drumsticks. The drumsticks come in handy to influence Mr. Bradley to your own point of view.

Bobby Bullard leaves to Mack Phillips his ability to get married and continue going to school.

Kent Burgan bequeaths to Ronnie Hathcock his part of Stevie Cobb in the Senior Play with the

Seniors Enjoy Annual Trip

Early, and we do mean early, the local Seniors left on the annual Senior Trip. After a few hands of cards we arrived at Lampasas where we drank coffee and tried to buy no-doze pills. By this time everyone's lack of sleep had hit them.

After a little bus trouble we were off again; this time to Mansfield Dam. With the threat that if you went to sleep you would be thrown off Mansfield Dam, everyone managed to stay awake until we arrived there. After an interesting trip through the electrical plant we were off again. This time it was Austin.

Seniors Enjoy Annual Trip

In Austin we visited the University of Texas campus and the State Capitol. It was the first trip to both these places for most of the kids and it was thoroughly enjoyed. While visiting the Capitol Kent Burgan tried out the Governor's chair. Who knows, Kent might make a very good governor.

After leaving the Capitol we went to Zelka Park to rest and eat lunch. We hardly had time to gobble down our food before some of the kids were back on the bus, ready to go.

Our next stop was Fredericksburg, where we drank and rested. Again we hardly had time to swallow our drinks before some of the kids were on the bus, yelling for us to get started again. Some of these kids were really in a hurry.

After what seemed like thousands of miles and many hours we arrived at Mo Ranch near Kerrville. It was a good thing we arrived when we did or our wonderful sponsors might have pulled their hair out. Can you imagine what it would be like to be cooped up with sixteen yelling Seniors, especially when they only knew one song, "Me and My Teddy Bear."

The first thing after arriving at the ranch Linda and Reg started changing clothes. Tanger started chasing girls, Zeke and Don started stealing Joe's suitcase. Lee started playing tennis. Crumb started taking pictures, and Joan, Ginger and all the other kids just started roaming around. This went on nearly the entire time we were at the ranch.

We spent from 4:30 Wednesday afternoon until 1:00 Friday afternoon at the Mo Ranch. There was just about everything to do there, swimming, tennis, boating, pool, bowling and just plain walking were the main activities there.

After leaving the ranch Friday afternoon we made our way to the Brackenridge Lodge in San Antonio.

Saturday morning after breakfast and shopping in downtown San Antonio we visited the Alamo and Brackenridge Park. Our plans were to visit the Aquarena in San Marcos, but we voted to skip it and stop by the Longhorn Caverns on our way home.

As we drew near home we were all sad but happy. We were sad because it was our last such trip together and happy because we had had such an enjoyable time.

Sixteen Seniors and four sponsors went on the trip. The sponsors were Mr. O. C. Cook, Mrs. L. B. McLendon, and Mr. and Mrs. Ross Hall. The Seniors were Don Tooley, Reggie Ellis, Steve (Zeke) Ogle, Jerry (Tanger) Stringer, Verne Horsley, Harold Lackey, Lee Flowers, Jimmy (Rug) Roberson, Jimmy (Crumb) Crumley, Harlon (Cob) Koonsman, Linda McLendon, Ginger Jones, Joan Boone, Kent Burgan, Joe Knight, Van Hooper, John (Puff) Ryan, and Wayne Warren.

The Seniors of 1956 will always "Remember the Mo" and the wonderful time they had there.

New Officers for Eastern Star Selected At Thursday Meeting

The Hico Chapter of the Order of the Eastern Star met last Thursday evening in a stated meeting with 22 members and one visitor, Mrs. A. A. Chandler, present.

The regular routine of business was conducted, followed by the election of new officers for the ensuing year.

New officers elected are: Worthy Matron, Ruth Weeks; Associate Matron, Lucile Mayfield; Worthy Patron, Paul Hamilton; Associate Patron, Paul Neel; Secretary, Mrs. Aften Aycock; Treasurer, Alta Mae Hamilton; Conductress, Lee Hutton; Associate Conductress, Pauline Bullard.

At the conclusion of election of officers, Mary Jane Peek of Alexander was initiated into the Chapter. Mrs. Peek was the fourth new member in the local Chapter this year, three by initiation and one by transfer. New members are Pauline Bullard, Margaret Hazelwood, Mrs. Peek, and Elizabeth Kilgo.

Refreshments of home-made cake and punch were served by Cora Rutledge, Berniece Jackson and Carrie Mae Neel.

Roll call was answered with "My Mother's Hobby."

The program, "The Cotton Market," which was brought by the agent, Mrs. Vivian Blair, was very interesting. She emphasized to check labels on materials and dresses, and to also pick good cotton material for sewing.

One of the members wore her dress for inspection, made by the fitted patterns.

The defense chairman displayed a well-fitted first aid kit and stressed the need for one in each home.

Refreshments of angel food cake, coffee and tea were served.

Mrs. Byron Hawthorne was hostess to the club May 15th. There were seven members present.

The program for this meeting, "Home Hygiene and Care of the Sick," was given. Mrs. Hyles, Mrs. Hawthorne and Mrs. Connally gave the three parts of the program.

After the program everyone enjoyed the recreation brought by Mrs. Moss.

The hostess served iced tea and cookies.

The next meeting will be June 5th, in the home of Mrs. W. A. Moss.

The Clairette Home Demonstration Club met May 16 at the Community Center. Mrs. N. E. McGuire was hostess for the meeting.

Mrs. Huckabee led the singing, and Mrs. Edwards led in prayer. During recreation Mrs. Durham was given a gift on one contest and her pencil drawing was considered the best in another.

In the business session Mrs. Willis gave a report on the meeting in Stephenville May 7.

Nine members were present, and a very enjoyable day was had by all.

Mrs. Rush, the president, gave a report on the May 9th dinner when the club was host to the Dublin Development Club.

A committee was appointed to see about work and materials to repair the roof at the Center. Mrs. Huckabee was nominated as a delegate to the State H. D. Meeting, which will be held in Austin in August.

Mrs. John Golightly gave an interesting demonstration on aluminum tooling and tray making.

The next meeting will be held June 6 at the Community Center. Mrs. Hannah Belcher will give a demonstration on "Food for the Freezer."

Mrs. McGuire served a refreshment plate of sandwiches, cookies and punch to Mrs. John Golightly, Mrs. Marvin Rush, Mrs. H. G. Wolfe, Mrs. J. G. Edwards, Mrs. O. H. Huckabee, Mrs. H. K. Self, Mrs. Pearl Durham, and Mrs. John Willis.

Mr. and Mrs. Royce Lee Mackey and family of Fort Worth and Mrs. Mollie Harvey visited Monday in the home of Mr. and Mrs. Tullio Carpenter and family.

Mr. and Mrs. Billy Ellis and children, Mrs. Peggy O'Neal of Fort Worth, and Mrs. Virgie Ellis of Waco visited Sunday with Mr. and Mrs. Rex Ellis, Reggie and Nell.

Mrs. Mollie Harvey returned home this week after a visit in Hamilton with Mr. and Mrs. Newt Harvey and family. She also visited in McGregor with Mrs. Nora Thompson, and her daughter, Mrs. Bill Whitlock. In Hamilton she also visited in the home of Mr. and Mrs. W. C. McPherson Jr., Judge Geo. Evans and wife, Mr. and Mrs. Steve Ragdale and Mr. and Mrs. E. A. Taylor.

VACATIONING IN ARKANSAS AND TENNESSEE

Mrs. Grady Barrow and Mrs. Mrs. Ruby Williams, accompanied by their sister and brother, Mrs. Jack Patterson and Ernest Pittman, left Dallas Sunday for a vacation trip to Hot Springs, Arkansas, and a trip through the Ozarks and Tennessee.

They plan to visit relatives in Memphis, Tenn., and tour that state, visit the Smokey Mountains and Louisiana en route home.

NEW DAUGHTER FOR BERNAS

T-Sgt. and Mrs. Donald R. Bernas of Oceanside, California, have announced the birth of a daughter, born May 13. The new arrival has been given the name of Donna Rochelle. She has an older brother, Paul. Mrs. Bernas is the former Miss Barbara Rodgers. Grandparents are Mr. and Mrs. J. P. Rodgers Jr. and Mr. and Mrs. E. A. Bernas of Hico.

Mrs. J. H. Baldrige recently spent a week in Austin in the home of her son and family, Mr. and Mrs. Doyle Baldrige, and other friends in that city.

Recent week end guests in the home of Mrs. J. H. Baldrige were her daughter, Mrs. J. L. Stover and family of Teague. Mrs. Baldrige accompanied the Stovers home and spent last week in their home.

Visitors in the home of Mr. and Mrs. Lawrence Lane last week end were Mr. and Mrs. Randolph Seale and children, Susan and Tommie, and also Nell Scales of Austin.

Week-end guests in the home of Mr. and Mrs. Robert Simpson were Mr. and Mrs. Earl Simpson and sons and Lester Simpson, all of Fort Worth, Mr. and Mrs. David Box and Carolyn of Hamilton visited in the Simpson home Sunday.

On the Home Range

By MRS. VIVIAN BLAIR
Home Demonstration Agent

Last week the Home Economics Committee of both Shive and the Indian Gap Granges asked me to assist with the judging of the dresses that they had ready to enter in the National Grange Contest. There were a total of 48 garments. They had some very fine sewing entered in the contests and they both may well be proud of the garments that they had made. It was a pleasure to me to get to go and help them.

TREATMENT FOR AN INTERLOCK BRICK FLOOR
Brick is being used more and more for interior floors. Homemakers are frequently puzzled as to the best treatment for a brick floor laid in a dining room or patio or family room or kitchen. Most folks like to keep the natural color of the bricks and mortar but want to give some protection against dust and grease penetrating into the brick.

The use of a silicone-base waterproofing agent is recommended for this purpose by specialists. It tends to increase the surface tension of the bricks which prevents penetration of dust, grease and water. To be sure the effect is what you want treat a small, inconspicuous area before doing an entire floor.

Another method for finishing such a floor is to apply two coats of a penetrating type of sealer. If you use this method, be sure the bricks are thoroughly dry as moisture and the sealer could combine to give a milky white film on the bricks.

LET CHILDREN HELP
Children are imitators. They learn first from parents and other family members in the home. Give them a chance to know the joy of accomplishments and to develop a sense of responsibility early in life by letting them help do many little jobs. Gradually increase their responsibilities to larger ones and praise their efforts. Management principles like

Patience pays when it comes to teaching a child to do a job. You will get best results if you let the child know what is expected; explain why things need to be done, when and where it should be done, demonstrate how to do them correctly, and supervise while they practice a few times.

RECIPE OF THE WEEK
Here is a new chocolate recipe that I believe you will like.
CHOCOLATE NUGGETS
2 squares unsweetened chocolate
1 egg, beaten lightly
1 cup sifted confectioner's sugar
1 cup chopped nuts.
1 teaspoon vanilla
24 marshmallows, cut in cubes, or 1 and a fourth cups miniature marshmallows.
8 square graham crackers, rolled medium fine (about one-half cup crumbs)
Melt chocolate over simmering water. Add next five ingredients. Mix well. Form into balls about the size of a large olive. Roll balls in cracker crumbs. Store in refrigerator several hours. Makes 36 balls.

M-Sgt. and Mrs. Lonnie Redden, Lynn, Debbie and Gayla of Mesquite, were visitors Saturday with her uncle and family, Mr. and Mrs. Glen Higginbotham and Kathy, and friends here.

Mrs. Lynn Grant of Dallas visited her aunt and husband, Mr. and Mrs. S. J. Cheek Sr., Sunday, while here to attend a private recital at Stephenville presented by Morris Risenhoover. Mrs. Grant is a cousin of Morris' mother, Mrs. W. J. Risenhoover.

FAIRY

By MRS. EUNICE DANIEL

We are very sorry to report that Irvin Jones of DeSota suffered a severe heart attack last Friday morning, due to a blood clot. Word from his bedside Monday was that he was slightly improved but still not out of danger. Mr. Jones is teaching in the DeSota school and was formerly superintendent of the Fairy school. The Jones family are residents of the Lanham community, and their many friends hope to hear soon of his recovery.
Mr. and Mrs. E. M. Hoover returned home Monday night after visiting since Friday in the home of their daughter, Mr. and Mrs. Lloyd Bolstad of Laurel, Miss., and getting acquainted with their new granddaughter, Little Betty Deanne. We stated in last week's news that she had been christened Dee Ann, but later learned that her name was Betty Deanne.
Mr. and Mrs. Milford Miller and Ronald of Fort Worth spent the week end here with their parents, Mr. and Mrs. A. J. Miller and Mrs. M. E. Parks and Audie.
The writer was a business visitor in Hamilton last Wednesday and while there visited at the Willeford home with Mrs. McCarty, Mrs. Alford and others.
Many schools will be closing this week, and also a number of the rural schools closed last week. The Fairy school, as stated last week, will close Friday with a barbecue and basket lunch at the noon hour. A program at 10 a.m. and an afternoon of entertainment are scheduled for the day. All have a cordial invitation to attend.
Mr. Raby Manning of Hamilton and Mrs. Selma Agee, also of Hamilton, were united in marriage Sunday morning, May 11 at the Lund Valley Baptist Church, with Rev. Dennis Harris, brother-in-law of the groom, officiating. Mr. Manning was reared in the Lanham community, and Mrs. Agee, who is the former Selma Burris, was reared in the Fairy community. They will reside in Hamilton where Mr. Manning is employed by Goughly Chevrolet Company. We wish for them much happiness along life's pathway.
The writer visited Sunday afternoon at the Willeford home with Mrs. McCarty, Mrs. Alford, Mrs. Pearl Wade, Mrs. Smith and Mrs. Gonske. Birthdays for the latter part of

again this week. Nona Brunson will probably start work there Tuesday afternoon. The following lots and graves are on the list to be worked also. These are W. F. Tyler, all Burden lots, W. M. Green, Shepherd, Kavanaugh, Jake Ogle, Charney Wale Hertgraves, Parker, Bonner, Patterson and Joe Abel, and others as the need arises. We have received the following donations since our last writing: Cone Patterson, Fort Worth, \$5; Mrs. Pearl Wade, Hamilton \$2; and Orville Ogle, Hico, \$2, for the John Ogle family; W. A. (Bill) Abel of Texas City, \$10; for the Joe and Minnie Abel lot; Burden Brothers, Dallas, \$50.00 for the Henry Burden lot. We believe the Burden Bros. donation is one of the largest ever received here to our knowledge for working purposes. One \$50.00 by Mont Young was donated on the fence fund in 1948. Other donations have ranged from \$1 to \$25.00. Some

Hospital. Mr. Allison has also been ill. Other guests in the Allison home Sunday were Mr. and Mrs. Texie Allison of De Leon and D. E. Allison and Darrel of Dublin.

IT HAPPENED HERE OR NEAR—

Beautiful Flowers Grown By Duffau Resident

By E. E. DAWSON

"Burgan"—what a name! Know what it means? Well, it got started as a surname a few hundred years ago in England. The word "Burg" in the Old English means hill. The final syllable of the name is a diminutive that means small. So the name means Little Hill. The name gives you a picture of the first ones to use the name: they lived on or at the foot of a small hill, and when England ordained that everybody should have a surname this family adopted the name "Burgan" and so it has continued.

But the name has a new significance. The C. B. Burgan home is on the paved road between Highway 229 and Duffau, about a mile from Duffau. The new significance is given to name by the wonderful mass of flowers in the yard surrounding the house. Wife and I noticed the wealth of flowers some days ago as we went on our daily ride for Mrs. Dawson's health. She is trying to recover use of her crippled leg that was broken on Christmas Eve. Just sitting in a chair, however comfortable, is an uncomfortable matter after a long while. So we go for a ride to ease the tedium. Thus we discovered this wonderful flower exhibit at the Burgan home.

Next I had to know something about the folks who grew such marvelous flowers. A talk with Mrs. Burgan and an inspection of the yard gave me the details. Mrs. Burgan was a Flannery, reared in the Flag Branch community near Iredell. Her parents were pioneers in the community. Mr. Burgan was born and reared just east of Morgan. Thus two souls and their family are very definitely products of Bosque County.

The flowers are Petunias, Larkspurs, Poppies, Hollyhocks, Chrysanthemums, Gladioli, Nasturtiums, Zinnias, Roses, Honeysuckle, Dahlias, Bells of Ireland, Cypress, Castor Beans, Verbenas, Cactus and Mint. There you are: Seventeen varieties of flowers, with Petunias, Honeysuckle and Hollyhocks predominating. Such color and fragrance! They are not all in bloom now, but will be blooming through the year until frost.

Flowers are one of the good blessings of life for us, and it is a queer sort of person who does

not love them. Women are for the most part the responsible ones for the flowers about homes, though many husbands lend a hand and encourage wife and children in the effort to make the home spot one of beauty and attractiveness.

This writer has always loved flowers. He has a heritage from his mother that makes the love. When I was a small boy every place where we lived had an absence of soil, or very poor soil, about the house. So mother had us kids carry dirt from the lowlands near and make flower beds in front and at the side of the houses in which we lived. Those were the days before net wire and hens then were just as they are

today: much bent on scratching, and they would demolish a flower bed in short order unless the beds were somehow protected. Mother had us carry brush from the woods and put on the beds. When the flower stalks were of sufficient size she would remove the brush and put rocks about the plants to foil the hens and yet allow the flowers to grow and blossom. Thus we always had flowers in spite of the industrious hens and poor soil.

Go out to Duffau and see the Burgan flowers and smell their delicious odors and greet the wonderful soul that has loved and grown them. You will be repaid for your trouble—if trouble it is.

Game Warden Reports

By SWEDE JOHNSON

State Game Warden
Hamilton & Bosque Counties

Fishing this week end has been a lot better than in the past with the black bass leading the field. A lot of fishermen reading this column will say "I don't think Sweede is quite all there. I didn't have any luck at all."

Again I would like to state that a lot of fishermen are wasting their time and effort still fishing in too deep of water and still using deep running baits which are not producing like your top-water baits will do. Now I am not a bait salesman and represent no company but I would like to list some of the better baits I have seen in use over the week end.

The Devil-Horse, Paw-Paw, Crippled Killer, Shadrac, Red Headed Chugger, and the Heddon wounded spook. Now all of these baits have been producing good results when worked real slow and in short jerks. And just so I won't let the live bait fisherman down use large minnows and no weight on your line and fish close to the bank around old logs and rocks.

I had one fisherman who asked me to write something about gar fishing, being that he caught one about 12 pounds and wanted to know if there was some rig that he could fix to catch gar, and I have several leaflets showing

a diagram how to fix a rig to catch gar. I will be more than glad to send them to any interested party who will write and ask for them.

Requirements for entering this new realm of angling pleasure being rapidly discovered by Texans are simple. Needed equipment is a spool of No. 30 hair wire (cost 10 cents), a few No. 7 long shank hooks, several buckshot weights and a cork float. Your line can be placed on a casting rod, fly rod or long bamboo pole. The lighter and more limber the pole or rod the more fun for the angler. Total length of wire from loop is 12 inches with a 3 inch diameter. A bend is made in the top of the loop three-eighths inches deep to hold the noose in shape. After the noose is made be sure the hook hangs straight in the middle of the noose. Tie the loop to your line and place a shot weight above the loop. Set your cork at from one to four feet, the depth being arbitrary and depending upon how the gar are running. On a warm, sunny day they will be close to the surface. Gar apparently are not afraid of boats and will strike the bait even a few feet from one.

Minnows are used for bait and it has been found that live bait is best, although gar will take dead minnows readily, especially in waters not abundantly supplied with minnows. The gar sticks his snout into the noose and strikes side-

GONE AND FORGOTTEN

If anyone would do work at the Honey Creek Cemetery by the lot or by the grave, would you please run an ad in the Hico paper so people that are too old to work, or the ones who live too far away, can get in touch with you?

Each lot can be cleaned and treated with something to kill the grass. If each person will do this we will soon have it all killed.

ways at the minnow. At times it is almost impossible to ascertain whether you have a strike, so at the lightest strange behavior of your cork, give a hard, rapid jerk to your line in order to draw the noose tightly around the snout of the gar. If you struck true, the fight is on. Many fish will be lost at first, but with practice you will capitalize on more and more strikes until you are catching a high percentage of fish.

Gar usually travel in schools and are most considerate about letting their presence be known because of the necessity of their breathing. Concentration of gar will usually be found below dams on rivers and in coves and inlets of lakes. When you locate a school of fish and swing your baited noose into the water the fun begins.

Many anglers do not care about catching fish to eat, but merely fish for fun. Many bass fishermen release their catches. Tarpon fishermen expend much energy bringing a silver king to gaff, yet the tarpon is not edible. You might think it below your dignity to fish for gars, but many ardent bass fishermen of the old school who have recently tried out gar fishing now openly admit it is the greatest fishing they have ever indulged in. Too, by killing the gar you catch, you are helping to restore the balance between game and rough fish and thereby doing your part in fish management work. The main idea to remember, however, is that gar angling is a thrilling sport. Try it once and you'll be an addict for life.

Remember go fishing to forget your worries but please don't forget your fishing license. So until next week, good fishing.

Yours truly,

SWEDE.
