**Meridian Will Furnish Opposition---**

**Injury-Riddled Tigers Open District Warfare Tonight**

Hico will dive head-first into district warfare tonight, when they engage their rivals, the Meridian Yellowjackets at Tiger Stadium in a game which begins at 7 p.m.

The heated rivalry, which has been going on for ten years ago, has seen Meridian emerge the winner in all previous contests. The Yellowjackets are a team, but like Hico, they have had their troubles staying on the winning side of the score this year. The Jackets have posted a 2-4 won-lost record for the season, having played games to class A Clif-

ton and Glen Rose, and class B Whitney and Copperas Cove. All the teams engaged by the Jackets are favored to win their district with the exception of Glen Rose, who is in the same family with Clifton.

Hico's record is a little better than the Jackets, having broken even in three games. The Tigers have won from Aledo, Gatesville STS, and Tolar, while dropping decisions to Blanket, Early, and Boyd.

The game, which shapes up as a defensive battle between the two, could turn into a real thriller. Both teams have had their troubles in getting their

offense in high gear, and both are due to open up with a real offense in this game. The two teams both have the "horses" to go with Ray Mize and Danny Markman spearheading the Jacket attack. Hico can counter with power of their own in the form of Buddy Ables, Bobby Boone, Neil Ellis, Tommy Johnson and Gary Duncan.

Spirit of the injury-plagued Tigers has been great all week, and the members have been pointing to the district race all year. Five members of the team will be hampered by injuries, and may see only limited action. Robert Chandler

has been sidelined two weeks with a tongue laceration. The wound is almost healed, but the big boy is greatly handicapped by weakness. He has been on a strict liquid diet, which will slow him considerably.

Royce Samford, another defensive stalwart, is also slowed by a sprained ankle, which could cause him to see only limited service. Tommy Johnson, who has missed the last three games with a bum knee, will play tonight, but will be slowed considerably from his first game performances.

Rosy Vinson, one of the steadiest players on the squad,

also due to see only limited service, being greatly hampered by a back injury received in the mauling at Boyd last week. Bobby Boone, who has been hobbled all year with a bad ankle, is expected to be in the best shape of the season for the district opener.

The Tigers have never defeated the Jackets since the two teams have been playing. Meridian is defending champion of the district which they have won the past four years, and last year they advanced to the regional before bowing to Early, the team which defeated Hico three weeks ago 28-0.

Meridian will probably start the following team tonight: Byron Hayes, 142, center; Tommy Schultze, 170, and Don Cosper, 149, guards; Harry Arthur, 174, and Charlie Nichols, 190 at tackles; Kenneth Radde, 161 and Butch Belcher 189 at ends; and Danny Markman, Roger Kemp, Ray Mize, and John Sivadon in the backfield.

Hico coaches Jack Barnett and Ross Hall haven't announced starters for the Tigers, but will probably go with Hooper and Phillips at ends, Chandler and Vinson at Tackles, Samford and Koonsman at guards, Wooton at center,

Ables and Ellis at halfbacks, Boone at fullback, and Duncan at quarterback. The lineup, however is subject to change.

Spirit has been running high on School Hill this week, with both team members and the student body talking up the game.

A giant bonfire and pep rally is scheduled Thursday night, October 16 below the stadium, and townspeople as well as students are encouraged to attend.

A large crowd of both Hico and Meridian people are expected to be on hand for the 7:30 kick-off.

**The Hico News Review**

"Your Home Newspaper"

was reminded of all this a man said to me: "I you hadn't printed that of my daughter. It was er one and didn't look like at all." I said: "I'm sorry."

wasn't long after that I complained to me that I showing favoritism when I to print a picture that was interested in, yet had ed a similar one of a dif- ferent group later. I said: "I'm "

**Third Grade Makes Tour of Hico Fire Department**

Fire Prevention has been the point of interest in the local school the past week. Posters, themes, fire drills and other activities helped to emphasize this important subject.

Activities carried on in the third grade included a trip to the local fire department. Mr. Sherman Roberson, local chief, and Mr. Raymond Lane showed the group through the department pointing out the different types of equipment used in fighting fires. They also gave the children tips on preventing fires. The big new fire truck was of special interest to the class. At the close of the visit Mr. Lane took all the class for a short ride on the new truck.

Those making the trip were Barry Adams, Jerry Aikman, James Barnes, Patsy Bullard, Peggy Cavitt, Steve Cheek, Belinda Christian, Mike Christian, Diane Dunlop, Ronnie Finch, Vicki Keller, Jean Keese, Steve Knudson, Suzane Lackey, Jody Littleton, Ervin Limmer, Alan McElroy, Cherry D. Ramage, Mike Reeves, Wayne Ross, Howard Strader, Joe Toolcy, Paula Lane, and Mrs. O. C. Cook. Mr. French was bus driver for the trip.

Contributed.

**Wednesday Rites Held For Mrs. Anna Wilson, Former Hico Resident**

Funeral services were held for Mrs. Anna Morgan Wilson, 77, at 2 p.m. Wednesday, October 15, at Barrow-Rutledge Funeral Chapel. Rev. D. L. Barnes officiated. Burial was made in Hico Cemetery.

Mrs. Wilson, a former longtime resident of Hico, passed away Sunday in El Paso, where she had resided two years.

Surviving are three daughters, Mrs. Wayne D. Asher of Houston, Mrs. C. H. Leeth of Fort Worth and Mrs. Frank McNeely of El Paso; two sons, Ray Morgan of Wink and J. P. Morgan of El Paso; two sisters, Mrs. Ora Dannenburg of Tulsa, Okla., and Mrs. Don Chevallry of Dewey, Okla.; and one brother, Grover Berryhill of Dewey, Oklahoma.

**Mrs. Lula Steel Succumbs Sunday, Services Monday**

Funeral services were conducted in the chapel of the Stephenville Funeral Home Monday at 10 a.m. for Mrs. Lula Steel, who passed away Sunday morning at 1:30 o'clock after being in ill health for the past five years. Rev. Moody Smith officiated.

Mrs. Steel was born May 4, 1883 in Roanoke, Texas, the daughter of the late Mr. and Mrs. J. C. Horsley. She was married to H. E. Steel, May 14, 1916, and they made their home in Erath County almost constantly since that time. For the past six years they have resided at Bluff Dale. She was a member of the Baptist Church.

Survivors include her husband; one daughter, Mrs. Russell Collier of Bluff Dale; one son, Herman Steel of Bluff Dale; two brothers, Charlie Horsley of Dallas and J. M. Horsley of Rusk; two grandchildren and two great-grandchildren.

Interment was made in the Duffau Cemetery.

**Juniors Defeated 14-0 Monday by Cranfills Gap**

The Hico Junior High Badgers lost their second game of the season Monday night, when the Cranfills Gap Lions took a 14-0 decision from the locals. The game was played here.

Next Thursday night, the Badgers will go to Gap for a return match with the Lions.

The game will start at 7:00 p.m.

**With a determination to promote Tarleton State College into a four-year institution, a group of business and civic leaders met in Stephenville last Thursday night and discussed the move in a wide variety of detail and plans.**

H. A. Leaverton, representative of Evant, had representatives at the meeting from Coryell, Bosque and Hamilton Counties, each pledging themselves to support the proposed legislation in every way possible.

Joseph Chandler, chairman of the Stephenville committee that has been working on the move for the past four years, presided at the meeting, and requested Leaverton to report on information he had been able to secure in recent weeks. Mr. Leaverton said that he had been in close contact with many members of the Legislature and also the State Commission on Higher Education. It was his opinion that public opinion in favor of the four-year school was strong in all sections of Central and West Texas, but that much hard work would be necessary in order to get the desired legislation passed.

Reports were heard from Jack Arthur, Dr. Vanos Terrell and other members of the delegation. Many of those present volunteered to make contacts with members of the Commission on Higher Education with a view of securing their full indorsement of the plan.

Rep. Leaverton believes that the Tarleton bill will have strong support in the House, and from what he has heard it is his opinion that the Senate is in better shape than it was two years ago. However, Leaverton pointed out, it is going to be of utmost importance to get the full support of the Education Commission.

Committee members from Hico who attended were Harold Walker, R. B. Jackson and Odus Petsiek. The other local committee member, D. E. Bulloch, was unable to attend.

(Story from Stephenville Empire-Tribune).

**Square Dance Club Will Meet Saturday Night**

Square dancers are reminded of the meeting Saturday night, October 18, at Bluebonnet Country Club. The Bluebonnet Club will begin their fall sessions.

Grady Williams of Hamilton will call for the group. Visitors and new members are cordially invited to attend.

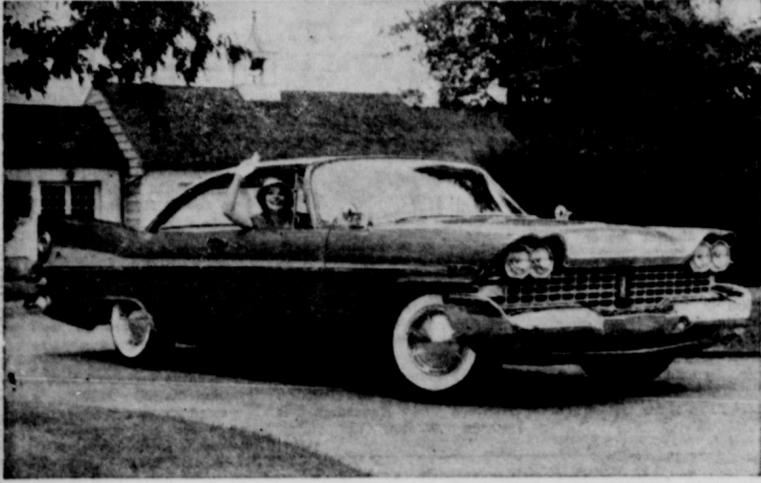

**MOVE HERE FROM MERIDIAN**

Mr. and Mrs. H. L. Lowry moved here this week from Meridian. They have purchased the farm formerly owned by Mr. and Mrs. J. M. Cleek north of town.

**FORMER RESIDENTS HERE**

Mr. and Mrs. Albert Anderson of Los Angeles, California, were visitors this week in Hico with old friends and relatives. They are former residents here.

## Plymouth Adds New Line of Luxury Cars

Plymouth's new line of luxury cars, the Sport Fury models, will be shown to the public for the first time October 16 in dealer showrooms throughout the country. This new Sport Fury 2-door hardtop has styling innovations from the massive front bumper and the smart grille all the way to the new, outward-canted tail fins. The new compound windshield curves into the roof as well as wrapping around the sides. The Sport Fury models introduce to the low-price field swivel front seats as standard equipment. Swivel seats are optional on four other models. All Plymouth models have improvements which reduce operating costs and at the same time improve performance.

## FAIRY

By MRS. EUNICE DANIEL

We feel sure all enjoyed the week end weather. Sunday was a beautiful day with ideal temperatures. Today, Tuesday, we have threatening weather again, with some occasional mist.

Farmers are rushing their farm work in order to accomplish as much as possible before more inclement weather.

Mr. and Mrs. C. M. Broyles and Mr. and Mrs. J. C. Kenney of the Lanham community were in Lamesa last Saturday to attend funeral services for Mr. Latham, age 97. He was the father of Esteen Latham of Lanham, friend and neighbor of the Broyles and Kenneys.

There is still some illness in the community due to colds. Mrs. H. O. Richardson is ill at this writing.

Jimmie Don Sellers was absent from school several days last week due to a bad case of tonsillitis.

Mr. and Mrs. Dalton Driver of Grand Prairie spent from Friday night through Sunday visiting in the home of their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. H. H. Wolfe.

Mrs. Maggie Martin of Dallas and Mrs. Beulah Driver of Rotan visited from Friday through Sunday in the home of their brother and brother-in-law and wife, Mr. and Mrs. Frank Driver. Saturday afternoon they all went to Temple to visit their brother and brother-in-law, Claude Driver of Cleburne, who has been hospitalized there for several months. They were accompanied by Mr. and Mrs. Dalton Driver who were visiting here also.

We received the following news item from Mrs. Lena May Reed of San Antonio, telling us of a trip she and her husband made recently overseas. She stated they sailed Sept. 3 on the Queen Mary and traveled in eight countries. While in Germany they spent ten days visiting with his sister in Heidelberg. They returned last week on the Queen Elizabeth and returned home by way of Dallas. Mrs. Reed, who is the former Miss Lena May Jameson, formerly resided near Fairy and attended Fairy school. She also stated her mother, Mrs. Luther Jameson, had suffered two light strokes while she was away and that she visited a few days with her before returning to their home last Sunday. Mrs.

Jameson is making her home with a daughter, Mrs. Lillie Morrison of Stephenville. She stated her mother was doing very well. Mrs. Jameson was reared in the Agee community south of Fairy and has many friends and relatives here who will be sorry to learn of her illness, and wish for her a complete recovery soon. Thanks to Lena May for her thoughtfulness. We feel sure there will be many who will appreciate hearing from her. We ourselves had been wondering where you had strayed away to, since we had not heard from you in some time.

Mr. and Mrs. E. M. Hoover attended church at the Church of Christ in Hamilton Sunday. They were accompanied by his mother, Mrs. A. R. Hoover who resides there.

We are sorry to report Mrs. Britt Little suffering from a rash at this writing and hope she will soon be much better.

Mr. and Mrs. Roy Driver and Mr. and Mrs. Joe Keller of Waco visited Sunday in the home of Roy's brother, Mr. and Mrs. Frank Driver.

Mr. and Mrs. D. E. Allison and their daughter and baby, Mrs. Wayne Pittman and Karen of Dublin visited a short while here Saturday night in the homes of Mr. and Mrs. Ed Allison, Mr. and Mrs. Carl Ray Sellers and the writer and husband. They were on their way home from Waco where they had attended a tea honoring her niece, Miss Scherry Seago, bride-elect of John Barnes Chapman of Hewett, who will be married Nov. 27. Mr. Allison's mother, Mrs. Ed Allison, accompanied them.

W. E. Goynes of De Sota spent several days here last week looking after business interest and mowing his lawn.

Friends and neighbors of Mr. and Mrs. R. W. McAdams are invited to an open house at their home this Friday night, from 7 to 9:30. The McAdams recently completed a remodeling and building job at their home.

The writer attended the Shiloh Singing Convention at Comyn last Sunday afternoon. We were accompanied from Hamilton by Mr. and Mrs. Hugh Sumerford. We had planned to attend the regular singing in Dublin but after arriving there and finding only one car we went on to Comyn as did the others. All enjoyed a good song service and we enjoyed meeting with several of the singers from Erath County whom we had not seen in some time, including M4 and Mrs. Hughie Carr of Clairette, Mr. Gibson of Alexander, Mr. and Mrs. Dean Gardner of Highland, Mr. and Mrs. Hun Woods and Mr. and Mrs. Hershall Head and others. The Shiloh Convention will meet again the second Sunday in January at the Second Baptist Church in Dublin.

The writer visited a while Sunday afternoon in the home of Mr. and Mrs. D. E. Allison at Dublin.

Mr. and Mrs. Stanford of Gatesville attended church here Sun-

day at the Church of Christ and were dinner guests in the home of her brother, Mr. and Mrs. Herman Silis, and Jo Ann of Fort Worth, who was spending the week end with her parents.

Miss Gwen Jackson of Fort Worth spent the week end with her parents, Mr. and Mrs. J. T. Jackson.

John Abel was visiting with Walter Porterfield last week after a six week visit in the home of his son, Mr. and Mrs. Lewis Abel of Fort Worth. Glad to see him looking so well.

Mr. and Mrs. Wendell Wolfe and family of Fort Worth attended church here Sunday at the Church of Christ and visited in the home of his parents, Mr. and Mrs. H. H. Wolfe.

Mr. and Mrs. Delbert Pack of Stephenville and Mr. and Mrs. J. T. Leonard and baby of Fairy visited Sunday with their mother and brother, Mrs. M. E. Parks and Audie. All enjoyed a barbecue supper on the lawn.

We completed another mowing job at the cemetery last week. Nona Brunson worked Thursday and Friday hoeing and cleaning lots. We like about one day work yet, doing some other clean up jobs, taking up some rock and a few short post and stumps scattered about, which will make mowing easier. We thank those whose donations have made it possible to keep our cemetery thus far and also those who look after their lots from time to time and help in that way.

Our funds are running low again. The labor is what amounts up since we only used about four gallons of gas and a quart of oil in the mowing job this time. We find that white gas goes almost twice as far as the colored and make it a point to always have it for the work. We also treated four red ant beds, three of which had been looked in our last round up of the pest. There are several lots to work yet, but these have very little growth on them. C. M.

Broyles brought his pickup truck Friday and with the help of Charles Masangill cut down a large honeysuckle at the Broyles lot which had covered two of the graves and was reaching out beyond the curb on the outside to other graves. We thank him greatly, for it has been a tedious job to pull the weeds and Johnson grass from the honeysuckle in the past and also dangerous due to snakes.

While at the Willeford home last Sunday visiting Mrs. Pearl Wade and others she gave us permission to trim the honeysuckle at the Wade lot which needs to be done badly since it too is covering some of the graves. We have had several compliments on how nice the cemetery looks. We hope to get the remainder of the work completed this week. Again, thanks to all who have shown such an interest and we hope others will also take an interest

which would lighten the burden for all.

Elmer Jones of the Lanham community suffered a stroke Monday morning, but we did not learn the extent of his illness or whether he was hospitalized. Sorry to report his daughter, Mrs. June Blum is again a patient in a Fort Worth hospital.

Mr. and Mrs. H. R. Brummett visited Monday afternoon with Mrs. Britt Little.

# U. S. in Dangerous Situation As Result of Race Problem

By E. E. DAWSON

The most dangerous situation that has confronted the United States since the Civil War is now upon us and imposes the most urgent duty upon every citizen: to take a right attitude and exert his influence in keeping therewith. It all concerns the very acute matter of integration and segregation. It is because this writer feels the seriousness of the situation that we quote the following statement that appeared in the last issue of "Christianity Today," a bi-weekly journal that is published at the national capitol and has a circulation country wide. We use it without quotes herewith.

In a recent conference of Christian leaders in the South on the race problem, "Christianity Today" executive editor, Dr. L. Nelson Bell, prepared a statement on "The Race Issue and a Christian Principle" that commended itself spontaneously to the conferees. It follows:

1. Christians should recognize that there is no biblical basis or legal justification for segregation. Segregation, as enjoined in the Old Testament, had to do with religious separation while the New Testament lends no comfort to the idea of racial segregation within the Christian Church. For these reasons it can be safely affirmed that segregation of races enforced by laws is both un-Christian and un-American.

2. It can be demonstrated with equal cogency that forced integration of the races is sociologically impracticable and at the same time such forced alignments violate the rights of personal choice.

3. The Christian concept of race may be expressed in the following way: a. God makes no distinction among men; all are alike the objects of His love, mercy and proffered redemptive work. b. For this reason, all Christians are brothers in Christ, regardless of race or color; c. The inescapable corollary to these truths is that Church membership should be open to all without discrimination or restriction.

4. In the light of these basically Christian affirmations the Church should implement them as follows: a. All churches should be open to attendance and membership without reference to race or color. b. Recognize that in so doing, in most areas and under normal conditions this will not result in an integrated church, since various races will prefer separate churches for social, economic, educational and many other reasons. c. But, this opening of the doors of the churches will break down the man-made and sinful barrier which stems from prejudice and recognize the unquestioned Christian principle of man's uniform need of God's redemptive work in Christ, a need and a salvation which knows no distinction of race or color.

5. To aid in an honest and just solution of this problem on every level, the Church should frankly recognize that racial differences, implying neither inferiority nor superiority in God's sight, are nevertheless actual differences. They usually express themselves in social preferences and alignments which are a matter of personal choice, not related to either pride or prejudice. Because of this fact, and because there is no Christian principle involved, the Church should neither foster nor force, in the name of Christianity, a social integration which may be neither desired or desirable.

6. The Church should concentrate greater energy on condemning those sinful attitudes of mind and heart where hate prejudice and indifference continue to foster injustice and discrimination and in so doing show that these attitudes are sin.

7. The problem of the public schools constitutes a dilemma in many areas in the South which both the church and the courts of the land should recognize and admit. Because these schools are tax-supported, they are in name and in fact "public" schools. At the same time, because ratio of the races varies in different localities the problem also varies from the simple in some areas to the apparently insoluble at the present time in others. Those who live where only ten or fifteen per cent of the population is of a minority

race have no serious problem. Where that ratio is reversed the issue is one of the greatest magnitude and those who have to deal with it deserves the sympathetic concern and understanding of others. It must be recognized by both Church and State that at this time and under present conditions, the problem involves social, moral, hygienic, educational and other factors which admit no immediate or easy solution. The Supreme Court's phrase, "with all due haste," must be interpreted on the one hand as requiring on honest effort to solve the problem, and on the other with reference to the leniency and consideration which existing conditions demand.

8. Finally, the Church has a grave responsibility in this issue; a responsibility to proclaim love, tolerance and justice to all as the basic Christian virtues to be accepted in theory and practical in fact. Basic to this concept is the urgent necessity of removing all barriers to spiritual fellowship in Christ, without at the same time attempting to force unnatural relationships. The Church has the responsibility of recognizing that more than spiritual issues are involved and that while freely admitting full spiritual and legal rights to all, there are, at the same time, social implications and considerations which involve the matter of personal choice, over which the Church has no jurisdiction and into which it should not intrude in the name of Christianity.

### First Thru Sixth Grades Participate In Junior Program

Grades one through six have been participating in the Junior Fire Marshal Program during Fire Prevention Week.

Home reports, poster making, appropriate songs and slogans were used to encourage each child to become aware of fire prevention every day.

One hundred and fifty children have been placed on a fire prevention Honor Roll in these six grades. As a reward for this accomplishment each child received a red plastic Junior Fire Marshal helmet and a beautiful brass Junior Fire Marshal ring.

These awards were secured for the school by Petsick Ins. Agency. Contributed.

 Hico News Review

Dear Sir:

As usual, I enjoyed E. E. Dawson's column of a few weeks ago on the crippling objections to and bad results of "primo geniture." May I add just one footnote to what he said.

We in America are even now suffering some of the consequences of that British law. All the younger kids had to give up to the scion of the family, so most of those who could, headed for America. For that reason, most American parents have a Little Brother or Little Sister complex. Psychology professors who treat such things as a science and probe into the lives of millions of willing subjects say that it is bad to be partial to the first-born, as in England and as bad or worse to cater to the younger "Siblings" as in America. Why? Although first born make up only about one fourth of the population, they furnish better than three-fourths of all the truly great in every field of endeavor.

Almost all our governors, senators, representatives, scientists, generals, admirals—I could go on and on, but I refer you to any who's who book. The sad part is that these same psychologists have found in America, evidence of hundreds of thousands of cases of personality impairment due to first-borns being treated as second class sons of parents who were younger children. — our partiality must be shown, let it be shown to first borns, but I like the German plan best—in the eyes of a German father, all the kids look alike. Of course, we will always have about as many great minds at our service as the British as long as we continue to have about three times as many first-born, but I see no reason for wasting so much of our heritage.

Just in case somebody starts to say "if you don't like it here, why don't you leave." I want to say I went along with several million guys my age and risked my life for this country, so now I'll feel free to put in a gripe, now and then.

Sincerely,  
 DON LINDLEY.

## PETROLEUM—basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers . . . Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.

An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.

But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals . . . the ubiquitous plastics derive from petroleum products . . . paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.

Thus, oil's progress has made other progress possible all along the front of American industry . . . Petroleum is the American resource that is

basic to the needs of our time . . . that is essential to our national security.

*The Humble Company, established in 1917, has developed with the industry.*

*Humble's exploration activities extend from Florida around the rim of the country to California, Oregon and Washington, and beyond to the new State of Alaska . . . The Company is a leader in the production of oil and gas in the United States . . . Humble Pipe Line Company is a public carrier transporting not only Humble's oil but that of many other companies and independent producers to Gulf Coast terminals . . . Baytown refinery is one of the nation's great manufacturing plants . . . And Humble is a marketer in the Southwest, supplying the needs of motorists in modern service stations.*

*The Humble Company believes strongly in research, maintains two outstanding research facilities, and annually budgets considerable sums for this activity . . . Humble research has made substantial contributions to the discovery, production, and utilization of petroleum.*

## Review Club Continues Travelogue With Study

M. I. Knudson was hostess of the Hico Review Club last Thursday afternoon at the home near Hico. Members of the club continued their travelogue of the world with a surprise of first hand information given by Mrs. H. E. Ogle, whose recent tour of Europe included visiting at Dublin, the subject of study. Her kind, courteous, contented and were a strong and lasting impression to her. A ride in the "painted" sheep, and the hammers living in thatched roof. Along with her sister, Conrad Stolzenbach of Toledo, an English teacher at the University of Toledo who had entered the prominent theatres was privileged to see the stage life of various programs. The steeple chase sponsored by the Aga Khan offered entertainment. Mrs. McCul-

ough showed a beautiful light wool coat that was woven and tailored in Dublin. Other displays were Irish embroidered linens and a wool hand woven work belt worn by men. Mrs. Wayne Rutledge presented Irish songs as her part on the program. The group joined in singing "The Wearip of the Green", "My Wild Irish Rose", "Believe Me", All Those Endearing Young Charms" and others. In the Federation Counselor's report Mrs. Odie Petsick noted the recognition of the club by Mrs. E. H. Randals Jr. as chairman of the Indian Affairs Division for District II and by being one of the one hundred per cent clubs in scoring. Professional Nursing scholarships, business scholarships and Youth are the District projects. The next meeting will be October 23 with Mrs. Morse Ross as hostess. Reporter.

## Regular Meeting of H.D. Club Held Joyce Hall Home

Fairy Home Demonstration met in regular session Tuesday, October 14, in the home of Joyce Hall with eight members and one visitor present. Mrs. H. E. Ogle, president of the club, presided at the meeting. Mrs. H. E. Ogle submitted her resignation, and the members of Mrs. G. K. Lewallen to be her term. The group voted to start a "travelogue" to go to all members within the next 45 days. The program was turned over to J. C. Robison, who gave an interesting discussion on "Conquer Pressing Problems". Refreshments were served by Mrs. Bill Stearman, Mrs. Mercer, Mrs. W. E. Cunniff, Mrs. Frank Bonner, Mrs. M. R. Robison, and Mrs. King. The group adjourned to meet on October 28 in the home of Mrs. Reporter.

## Club Entertained Friday In Ogle Home With Dessert-Bridge

Members of the Friday Bridge Club were entertained at a dessert-bridge last Friday afternoon in the home of Mrs. Sandy Ogle. The dessert course was served during the afternoon by the hostess to her guests. Those present were Mrs. Ray Check, Mrs. M. I. Knudson, Mrs. G. K. Lewallen, Mrs. Jimmie Ramage, Mrs. Sarah Reeves, Mrs. W. F. Hafer and Mrs. E. V. Meador. Mrs. Knudson held high score for afternoon and Mrs. Check was second high. Reporter.

## Miss Blair Entertains Wednesday Club Members Last Week

The Wednesday Afternoon Bridge Club was entertained last week by Miss Louise Blair. Colorful fall flowers decorated the mantel of the entertaining room, and a fall motif was carried out in the tally cards. High score was won by Mrs. Harry Hudson, with second high being won by Miss Mettie Rodgers. Guests for the afternoon were Miss Rodgers, Mrs. Hord Randals, and Mrs. J. W. Fairley. Members present included Mrs. W. F. Hafer, Mrs. Bill Howard, Mrs. M. O. Wolfe, Mrs. May Bates, Mrs. H. V. Hedges, Mrs. Odie Petsick and Mrs. H. E. McCullough. Mr. and Mrs. Earl V. Burgan of Grand Prairie visited Tuesday of the past week in the home of her parents, Mr. and Mrs. Raymond Love and Mike. Mr. and Mrs. Alvin Casey and children, Barbara and Jerry, visited in Fort Worth during the week end in the home of Mr. and Mrs. Sonny Casey. Mr. and Mrs. M. H. Ethridge of Stratford returned to their home Tuesday following a visit in the home of his sister and husband, Mr. and Mrs. Conda Salmon. They spent the week end at Buchanan Dam fishing. Miss Betty Stephen of Dallas was a week-end visitor in the home of Miss Louise Blair and S. E. Blair Sr. Mr. and Mrs. R. E. Bass and Mrs. John Aiton of Dallas visited last Monday in Lampasas in the home of Mr. and Mrs. Frank Phillips. They also spent several days last week in New Braunfels visiting in the home of Mr. and Mrs. Irvin Smith and Mrs. Jim Ed Smith. Visitors in the home of Mr. and Mrs. J. P. Owen last Sunday were Mrs. Owen's sister and son, Mrs. C. C. Blankenship and Harold of Valley Mills. Reporter.

## Munnerlyn-Pruitt Families Hold Reunion At City Park Sunday

The children of the Munnerlyn-Pruitt families had their annual reunion Sunday, October 12, at Hico City Park. Seventy-six descendants were present. They came from far and near in a joyous spirit full of fun and laughter, and with baskets full of food. After the noon meal everyone renewed acquaintances, and had an enjoyable time. Those present were: Mr. and Mrs. W. L. Bagwell, Escondido, Calif.; Mrs. Tone Howell and son of Denver; Mr. and Mrs. Joe S. Newman and daughter of San Antonio; Mr. and Mrs. J. A. Brummell and daughters of Fort Worth; Mr. and Mrs. Walter W. Pruitt and three children, Mr. and Mrs. Arthur Boase and daughters, Mr. and Mrs. Samuel Boase and daughter, Mr. and Mrs. W. P. We had four visitors who are prospective members. They are Mary Jo Clark, Judy Thornton, Carolyn Sellers and Sandra Miller. Members of the club are Claudine Holly, Doran Willeford, Dorothy Gray, Lorene Payne, Bernice Turner, Relia Oxley, Peggy Bul-lard, Sandra Gardner, Coda Beth Payne, Sue Porter, Barbara White-head, Cloe Reta Holly, Joyce Faye Jones and Gladys Fern Thornton. The meeting was adjourned by Claudine Holly. Lorene Payne, Reporter.

## Study Began by Members of WSG Tuesday Evening

Mrs. Jim Carmean and Mrs. Watt Ross will be program leaders for the four-week study course, "Isaiah Speaks" for members of the Wesleyan Service Guild. The study began Tuesday evening of this week in the home of Mrs. Carmean, and will continue through Tuesday, November 4, with the last two studies being held in the home of Mrs. Ross.

## Family Reunion Held at Brady

Mr. and Mrs. S. R. Witt were in Brady last week end where they attended a family reunion. Others present for the occasion were Mr. and Mrs. B. Bardwell and Mr. and Mrs. Jack Barron and girls of El Paso; Mr. and Mrs. M. F. Eudwell and Mr. and Mrs. Floyd Bardwell of Fredericksburg; Mr. and Mrs. H. E. Baird and Mr. and Mrs. Elmer Baird of Fort Worth; Mr. and Mrs. Jack Boyd of San Angelo; Mrs. W. C. Cook and girl; and Mrs. Frank Eastis of Baird; Mrs. S. C. Glass, Mrs. Crenshaw and Mrs. Lizzie Witt of Sweetwater; Mr. and Mrs. Charlie Shuff and girls, Mrs. Mattie Bardwell and Mrs. Bob Bardwell of Sweetwater; Mr. and Mrs. Gene Witt, Mr. and Mrs. Gerald Witt, Mr. and Mrs. Elira Harkins, Mrs. Berta Fate and Mr. and Mrs. Leland Gass, also of Sweetwater. Mr. and Mrs. W. C. Barnes and Leola of Fort Worth were Sunday night visitors in the home of Mrs. S. C. Rallsback.

## VISITORS IN BOONE HOME DURING WEEK END

Visitors in the Ray Boone home Sunday were her parents, Mr. and Mrs. Jacob L. Phillips of Hico; her sister and family, Mr. and Mrs. A. T. Childress and daughters, Dolores and Charlotte of Hico, Mr. and Mrs. C. E. Allen of Temple, and their daughter and son-in-law, Mr. and Mrs. Ronnie James of San Angelo. Mr. James recently was discharged from the service and they plan to make their home in California. Also visiting in the Boone home was Fred Wilson Jr. of Clifton, who is a student at Texas A & M.

Jewel Ramage of Hooks was in Hico Tuesday on business and visiting his parents, Mr. and Mrs. H. H. Ramage. He was accompanied to Hooks by Herbert Britton.

## Garden Club Notes

Last Friday's meeting of the Hico Garden Club proved very interesting with one of the outstanding points of discussion being the growing of camillias, the shrub of the year. It is found that very nice plants may be obtained in bud, ready to bloom at a nominal cost. They will bloom in fall and spring for many years. We might get our window boxes ready for pansies and other winter plants at this time. Garden Club Civic Committee.

TIGERS  
The football team journeyed to Boyd last week only to lose the game.  
The members felt that we won in one respect though. We feel that we have won the support of our school body as well as numerous adults. We feel that we didn't do much to make our supporters proud of us but we were very proud of them. It helps very much to know that the team has someone in the stands rooting for them.  
The team has made up their minds that the followers of the Hico Tigers will have a lot to be proud of before the season is over.  
H H S  
WHO'S WHO  
This week I venture to the Junior classroom in selecting a subject for my weekly candid interview. After much debate I decided on a boy of whose description, talent, likes and dislikes I will try to point out in the following paragraphs.  
This Junior is about 5 feet 10 inches tall. He weighs about 160 pounds and has blue eyes and brown hair (flat top style). He likes girls, pop music, and Oldsmobiles.  
As an athlete this boy ranks very highly. He plays left guard on the football team and is one of the best linemen. He also likes to "get rough" with opposing players.  
Well, I doubt if this is the best interview you have ever read, but I feel sure that you have had no trouble in recognizing the subject as **RONNIE KOONSMAN**.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

The fall Army Worm is working in some fields of small grains and in some instances it is causing quite a bit of trouble. This worm can be controlled but control measures should be applied with caution.

Some of the chemicals for control are dangerous to man and livestock.

Here are some suggested insecticides for control:

1. Parathion emulsion concentrate (containing 2 lbs actual parathion per gallon) 1 pint per acre. Do not apply within 10 days of grazing.

2. Toxaphane emulsion concentrate (containing 6 pounds actual toxaphane per gallon) one and a half quarts per acre. Do not allow dairy animals or animals being finished for slaughter to graze in treated areas. Remove range cattle from treated area for 15 days after insecticide application.

3. Heptachlor emulsion concentrate (containing 2 pounds actual heptachlor per gallon) one and a half to two quarts per acre. Remove livestock from treated area for 15 days after treating.

Parathion is highly toxic to man and animals and should be handled with extreme caution.

Here is some information received from the Economic Department of the A & M College: Feeder cattle prices expected to remain steady. Feeder prices are now at a level that is squeezing the price margin in feeding. Bumper crops of feed grains have led to a clamoring for feeder calves.

Corn crop is estimated at 3,598 million bushels, five per cent more than last year and 14 per cent more than the 1947-56 average.

Oat crop at 1,419 million bushels is 8 per cent more than last year and 10 per cent more than the 1947-56 average.

Grain sorghum production is estimated at 579 million bushels, 3 per cent more than last year's record crop and three times the ten year average.

Barley estimated at 66 million bushels which tops last year by seven per cent and the ten year average by 54 per cent.

Demand for beef to remain strong, due to increased business activity, consumer demand for beef will continue at high levels in 1959. The general level of cattle prices in 1959 is likely to be about the same as 1958.

Swine producers have been rushing pigs to market early trying to beat the expected fall price drop. However, prices have dropped more than \$4.00 per hundred from the mid-summer high. Earlier estimates of large increases in the fall pig crop are confirmed. The latest pig crop report shows the number of sows farrowing this fall up 17 per cent from a year ago. When this "hog parade" starts to market next year, a sharp price decline is almost a certainty.

CRANFILLS GAP SCHOOL BOARD MEETS

The board of trustees of the Cranfills Gap school met this month. Four topics of business were transacted.

They included the approval of a Horse Show which will be sponsored by the P-TA sometime in April.

The heating system and doors and windows for the High School cost a total of \$3,148.57. The last three small heaters recently arrived and will be installed immediately. A heating system for the teacherage has been purchased and is ready for installation.

Mrs. Ben Rhodes, homemaking teacher, has been made a fulltime teacher this year under the new allocation.

The final matter of discussion was the High School Annuals which will be on the same basis as last year. This includes limiting the annual to consist only of high school pictures. Advertisements can be sold only after school hours.

# Tigers Out-Slugged In Boyd Skirmish Last Friday Night

Hico ran head first into a rough and ready Boyd High football team last Friday night, and when the head-knocking was over, the Tigers had to limp home with practically every man on the squad with an injury of some type. The locals were defeated 40-0.

The action was so fierce that at the end of the game Coaches Barnett and Hall had only eleven men who could take the field.

Injuries were so common that the boys who remained in the game were, for the most part, playing unfamiliar positions trying to fill gaps which had been left vacant by the departure of teammates. For instance, in the last moments Buddy Ables was playing the center position, and guard Ronnie Hathcock was at the fullback position.

Stellar offensive guard and defensive linebacker Royce Samford was the first Tiger to hit the dust, going out in the first quarter with a sprained ankle, which could be costly to the Tiger team for the remainder of the season. He saw only limited action in the second period and sat out the entire second half.

Rosy Vinson, one of the steady players on the team, was the next victim of the fierce play, going out before halftime with a wrenched back.

Fans will remember that Robert Chandler was out before the kickoff and didn't make the trip. He was hospitalized at midweek, but hopes are that he will be able to go at full speed in next week's district opener.

With Samford, Vinson and

Chandler out, the score continued to mount.

Quarterback Gary Duncan was sidelined in the third period with a nasty arm, and didn't return to action. Others injured were Buddy Ables, Billy Booth, Bobby Boone, and Ronnie Koonsman, none seriously. Center Wayland Wootton was placed in the embarrassing position of having his pants torn almost completely off, and was unable to return to the game due to the fact that there wasn't another pair large enough to fit him.

When Duncan went out, Buzz Hedges took over at the quarterback slot, and turned in a fine game at that position.

Neil Ellis went the distance for the locals, and played an outstanding game at his halfback post.

Hathcock, Ables, Koonsman, and the other regulars played a fine game as did reserves Mitchell Mayfield, Fieldon Haley, Pat Lackey, Lee Blue and Doyle Crews.

Advance reports on the Boyd team showed that they played a type of ball that wasn't exactly sportsmanlike, and this game verified the statements. Slugging, head-twisting, kneeling and just about every other rule infraction in the book was displayed to great advantage by Boyd, as the Hico injury list will testify.

The Hico boys took it all, until late in the game when Ronnie Koonsman decided that he had taken all he was going to, and dish-ed out a little of the rough stuff himself. The outcome was the

ejection from the game of both he and his opponent. Ronnie was justified in his action, and can certainly be defended. When a boy starts pounding on another after a play has been killed, then its time to defend against this type of play. Ronnie stated after the game that when the Boyd player started hitting him, he figured he would do a little pounding of his own, which he did.

As for the game, it was Boyd's all the way. They received the opening kickoff and immediately drove for the touchdown which sent them out front to stay.

A few plays later they added insult to injury by blocking a Tiger punt and scoring to up the score to 16-0.

The real clincher came in the second quarter, running the score to 24-0 at half time. They ran or passed for all three conversions.

With only a few seconds left in the half the Tigers threatened, but a sure-TD pass was dropped in the end zone, and the half ended shortly afterwards.

The Yellowjackets added a counter in each the third and fourth period to up the score to the final 40-0 count.

It might be said that Boyd had a team equal to any that the Tigers have met this year, but the score could have been much closer with Chandler, Vinson, Samford, and the other fine defensive hands in the game.

# Football Sweetheart Honored By Fairy Team Last Week

Miss LaRue Gardner, Fairy High School Senior, was honored as the Tigers' 1958 Football Sweetheart in ceremonies at half time in the Fairy-Jonesboro game at Hico Stadium last Thursday night.

To the stately music of "Fairest of the Fair," played in slow tempo, the blue and white uniformed Fairy pep squad marched into the field, and captains Don

Haile and Don Barnett escorted Miss Gardner to the place of honor at the base of the "T".

Miss Gardner wore a formal dress of pink lace over pink taffeta. She was attended by little Miss Marilyn Jones, pep squad mascot, attired in a light blue party frock and escorted by first grader Frank Bonner III, representing the Fairy football team of 1958.

With the group thus assembled the pep squad sang the traditional

"Sweetheart of the Tiger Team," after which the co-captains did the honors, presenting Miss Gardner a large bouquet of white chrysanthemums tied with royal blue streamers.

Young Bonner likewise presented a similar bouquet in miniature to the pep squad mascot.

Miss Gardner is the daughter of Mr. and Mrs. Winford Gardner

of Route 3, Hico; and little Jones is the daughter of Rev. Mrs. Wesley Jones of Rt. 1, Jonesboro.

This is the third consecutive year that the same ceremony have been used to honor the ball sweetheart. Miss Leta Blakley was the honoree in 1957 and Miss Darlene Clark in 1956. Contributed.

# Fairy Defeats Jonesboro In Game Played Here Last Week

The Fairy Tigers took their second win of the season Thursday night, October 8, over the Jonesboro Eagles 18-6. The win evened Fairy's record with two wins and two losses.

Fairy kicked off to Jonesboro; then on the first play Jonesboro fumbled and Jerry Jones of Fairy recovered. Fairy then marched down to the 10 yard line

where Tommy Walker slid around left end for the first counter. The try for point was no good, leaving the score 6-0.

In the second quarter Walker pulled in an Eagle pass and galloped about 22 yards, deep into Eagle territory. Barnett and Walker drove to the goal line, with Walker going the last 6 yards to score. After an exchange of punts Fairy moved again into Eagle territory and this time sent Keith Streeter 9 yards for the touchdown. The counter brought the score to 18-0 at half time.

The Tigers received to start the second half. From there it was a battle of tough, hard-hitting football with neither team able to score.

Then Jonesboro started a drive up the middle and around ends. They moved the ball to the 4 yard line for a first down at the end of the third period. The Tigers held the Eagles at the four for three downs, and on fourth, Billy Floyd drove over to score for the Eagles. Try for point was blocked.

The game then settled down to a defensive battle.

Later Lynn King of Fairy ran 30 yards for a touchdown, but the play was nullified by a penalty.

The game ended shortly afterwards with Fairy 18, Jonesboro 6. Other Tigers seeing action in the game were Danny Haile, Charles Oxley, Tom Thornton and Ray Turner.

Thursday, October 16, Fairy was playing Strawn at Hico.

October 23, the Tigers will play the Turnersville Buffaloes. Contributed.

## Bosque County Farm Bureau Will Select Directors, October 21

Directors will be chosen by the voting membership of Bosque County Farm Bureau, Tuesday, October 21, at the annual meeting to be held in Clifton High School Cafeteria. A covered dish supper will be at 7:30 p.m.

Areas which will elect or re-elect directors are Meridian, Mosheim, Norse, Valley Mills, Walnut Springs and Womack. The Clifton area, and the Associated Women have been served one and a half terms by their directors, and will be considered again by vote to comply with by-laws.

The secretary-treasurer is elected by the membership at large, but the office secretary is hired by the board. This is somewhat complicated since both jobs are held by one person, and this will need to be considered by vote.

Resolutions on local issues will be considered for adoption. The recommendations drafted by the Policy Development Committee will also be put to vote and if passed they will be forwarded to State Farm Bureau for incorporation into resolutions for the TBF during the next year.

Details for a membership drive next day after the meeting are planned by R. G. Griffin. The committee will call on farmers and ranchers and give them an opportunity to belong to Farm Bureau. Membership opens a vast field of work done by organizations, such as good roads, co-op benefits, better schools, better farming practices, lower taxes, representatives in Washington and at home and an opportunity to help agriculture.

### CHICKEN EVERY DAY

The time was not too long ago when chicken was a specialty meat to be enjoyed at special times. "Chicken every Sunday" was the way one novelist put it in her book title.

Today, chicken is still special, but in other respects. Of all meats, today's chicken is unquestionably the best value in the market. In the fact of skyrocketed red meat prices, the competitive nature of the broiler business and continued progress in broiler growing have provided the housewife with a delectable alternative dish which should appear on every table several times each week.

Because more broilers are being grown and marketed each successive year (a current week's placements of chicks for broiler production in Texas alone is normally around two and a half million), and because better broilers are being produced at less cost than ever before, the food-wise shopper should head for the broiler counter regularly.

This transition in the broiler business has been phenomenal during the past seven years. In 1950, broilers were selling at 31 and 32 cents a pound, prices that

would make today's broiler grower wealthy in a hurry. Cost of production at that time was about 25 cents a pound, which still left an excellent profit spread.

Today, cost of production in Texas runs about 18 cents a pound, with broilers bringing a much narrower profit margin. Since the volume of operation is also larger however, broiler-growing is still a big and sometimes profitable business.

The housewife is still the one who profits most, however, since the poultry processor who dresses the bird for market works on an equally competitive and slim profit margin as does the grower and the food store often "special" broilers.

Since the poultry processor who dresses the bird for market works on an equally competitive and slim profit margin as does the grower, and since the food store frequently foregoes profit to use broilers as a "special" in drawing in customers, the housewife is still the one who profits most from the booming broiler business.

Fried or fried-seed, chicken is good enough and inexpensive enough to enjoy every day.
