## Hico Seeks Win at Gorman

### Band Parents to Hold First Meeting of Year Next Thursday

The Hico Band Parents Association will hold its first meeting of the year next Thursday, October 5 at 7:30 p. m. at the Band Hall.

Main business of the meeting will be to elect officers for the coming year. Policies of band administration will also be discussed.

All parents of High School and Elementary School band students are considered members of the Band Parents Association. No dues are charged.

The Band students enjoyed a trip to Austin last Saturday, when they attended Band Day at the University of Texas. It was a long day, and everybody returned tired, but happy. Terry Randolph

### Civic Club Will Meet Weekly During Winter Months

Twenty-three members and one guest of Hico Civic Club met Wednesday noon of this week in Firemen's Hall for a chicken dinner, prepared by Ellis Hill Catering Service of Stephenville.

Beginning next Wednesday, Oct. 7, the group will revert back to weekly meetings, which will be held in the dining room of Clyde's Cafe, which opened Thursday of this week. The Club has been on twice-monthly schedule during the summer months. All members are urged to meet at this same place each week.

Following the session Wednesday, directors of the club named Harold Walker, W. C. Howard, and Ellis Randalls to the Reunion Committee. They succeed Wayne Rutledge, M. I. Knudson and D. E. Bulloch. Walker served as manager of the Reunion the past two years, but tendered his resignation from those duties last month. The committee will name a new manager within the next few weeks.

## Tigers Try for Fourth Victory Against Panthers

The Hico Tigers will attempt to get back on the winning trail tonight, Friday, when they journey to Gorman for an 8 o'clock encounter with the Panthers of that city.

This will be the first meeting between the two teams in several years, and fans who remember the series in past years know that Gorman always fields a scrapping team.

Thus far this year, the Panthers are winless, having suffered three defeats and tied one game. They have lost to De Leon, powerful Class AA school in the sea-

son opener by a score of 38-0, were defeated by Early 34-6, tied Tolar 14-14, and last week dropped a 16-0 decision to another Class AA school, Dublin.

On Hico's side of the ledger, the Tigers have won three games while dropping their last outing. The wins came over Aledo 20-14, Boyd 16-12, Blanket 14-6, and the lone loss was the 28-6 affair with Early High last week.

The two teams have played one comparable foe, Early. The Panthers were bopped 34-6, while the Tigers took it on the chin 28-6.

Gorman will probably start a team composed of Wayne Bledsoe, 160, and James Whitlock, 154 at ends; Phil Pickett, 170, and Dick Downley, 188 at tackles; Terry Shell, 150, and Joe Bob Rodgers, 152 at guards; Jerry Shugart, 168 at center; and Joe Harrison, 150, Neil Overstreet, 177, John Brinegar, 185, and Ken Welch, 158, in the backfield.

The Tigers have been working hard all week in preparation for the game. Freshman Mike Lowe was lost Monday of this week, probably for the season, when he went out with a broken collar bone to further deplete the thin Tiger squad. Mike Lackey, starting right end, is a doubtful starter Friday, due to an injured nose received in Tuesday's drills. All of the other team members are in fine shape for the game.

One addition was made to the team this week when Wayland Wooton, big letterman center last year, asked for a suit. Wooton played a lot of football last year, and could help the team once district action begins.

Coaches Jack Barnett and Ross Hall will probably start the following in tonight's contest: Shelby Hooper and Pat Lackey at ends, Lee Blue and Fieldon Haley at tackles, Royce Samford and Mitchell Mayfield at guards, James Jordan at center, Neil Ellis and Doyle Crews at halfbacks, Bobby Boone at fullback, and Buzzy Hedges at quarterback.

## Mrs. Ella Relihan Fatally Stricken on Waco Shopping Trip

Mrs. Ella Jordan Relihan of Hico passed away at 10:25 a. m. last Wednesday en route to a Waco hospital following her collapse in a downtown Waco store about 10 a. m. She had been in Waco on a shopping trip with her daughter when she was stricken.

The daughter, Mrs. Earl Martin of Hillsboro, who Mrs. Relihan had been visiting, searched for her downtown when she failed to show up at a pre-arranged meeting place. Police later were called in on the search, and a call to Providence Hospital at 2 p. m. revealed the death in an ambulance en route to the hospital.

Funeral services were held at 10 o'clock Friday morning, September 25, at Hico First Methodist Church by Rev. D. L. Barnes. Burial was made in Hico Cemetery. Mrs. Relihan was 65.

Survivors are three daughters, Mrs. Earl Martin of Hillsboro, Mrs. Joseph H. Santry and Mrs. Ken Ritz, both of Houston; a brother, Frank Jordan of Hico; two sisters, Mrs. Leon Andrews of Moran and Mrs. T. C. Pittman of Albany; and one grandchild.

## Hico Car Among 6 Stolen Sunday

Two 15-year-old boys riding in a stolen car were arrested by a Stephenville policeman early Monday when the vehicle crashed into a telephone pole. Neither was injured.

The car, a 1937 Dodge belonging to George Griffiths of Hico, received some damage.

The boys, both from Fort Hood, told officers they had stolen six cars and a two and a half ton truck between 8 p. m. Sunday and their arrest at 4:30 a. m. Monday.

The vehicles were taken in Killdeer, Waco, Clifton, Iredell and Hico. They said they also broke into a De Leon grocery and took a small amount of candy and cigarettes.

The car stolen in Iredell belonged to Snookie Strong. The boys abandoned the 1937 Ford station wagon in Hico near the Ben Wright home, and took the Griffiths' car.

Stephenville City Patrolman Ray Pack arrested the youths after a Dublin service station operator reported they had driven off without paying for a tank full of gasoline.

The boys were turned over to Bosque County Sheriff Clark Royal.

## Texas-California Football Game to Be Telecast Saturday

A live telecast of the Texas-California football game will highlight the Humble Company's coverage of Southwest Conference games Saturday. Humble will also sponsor radio broadcasts of seven games played by Conference teams.

The Texas-California game will be telecast from Austin beginning at 3:15 p. m. Lindsey Nelson and Red Grange will describe the action and color.

Stations in this area which will carry the game are Channel 5, Fort Worth, and Channel 6, Temple.

DAVID C. BLANKENSHIP Associate Pastor Named This Week By Hico Baptists

David C. Blankenship, junior ministerial student at Baylor University, is the new associate pastor of Hico First Baptist Church. Announcement of his appointment was made this week by the pastor, Rev. George Harris.

Mr. Blankenship will be in Hico each week on Wednesday night, and during the week end.

Among his duties will be to direct the music department of the church, work with the young people, and fill the pulpit during the pastor's absence.

## New Cold Vaccine Available Here Now

A new vaccine which should be a boon to winter colds is now available to local citizens.

A limited supply of Adeno Virus Cold Vaccine has been received here according to Dr. W. F. Haffer, local physician.

The vaccine is approximately 90 to 95 per cent effective in the prevention of colds and virus, and doctors here are highly enthused over the new preventative.

## \$94,995.00 School Budget Approved by Trustees

The Hico School Board met last Thursday night and approved a \$94,995 budget for the 1939-1940 school year. The figure is slightly under the \$95,851.76 spent last year.

Mr. and Mrs. James Arrant and Doug of Fort Worth spent the week end in the home of her parents, Mr. and Mrs. O. L. Davis and Nancy. Other visitors were Mrs. Ruth Poteet of Fort Worth and Donald Davis, who is attending Arlington State College.

## Parent-Teacher Association Meeting Slated Monday

Hico Parent-Teacher Association will hold their October meeting next Monday evening at 8 o'clock in the High School Auditorium. An executive meeting will precede the regular meeting at 7:30.

The evening entertainment will be presented by members of the fourth grade class under the direction of their teacher, Mrs. Bernell Jernigan.

The program, "Education - Whose Responsibility?" will be presented by Mrs. Clarence Watson. A skit will be presented by a number of school patrons in observance of the P-TA's 50th anniversary.

The skit, which will be directed by Mrs. Watson, will emphasize how parent and teacher can accomplish mental, social, physical and spiritual development of the community, children and school by working together, and what the community can do for better school legislation.

Refreshments will be served in the lunchroom following the program.

A nursery will be provided at the homemaking cottage for preschool children, supervised by Miss Helen Thomas and the homemaking students.

## Early Longhorns Stampede by Tigers

The Early Longhorns used Hico Tiger miscues to good advantage last Friday night, and posted a 28-6 win over the locals in a game played before one of the largest crowds in several years at Tiger Stadium.

The Longhorns used a 68-yard touchdown run, a 35-yard runback of an intercepted pass, a short Hico kick and a 39-yard TD sprint in compiling their 28 points.

Hico's only touchdown came in the second period when Doyle Crews passed 22 yards to Mike Lackey for the 6-pointer.

The Tigers inability to score once inside the 30-yard line proved their undoing. In the first period they worked to the 37 where the drive was killed by a lost fumble, and again in the same period.

To participate in the various balloting within the year.

And this one from a national magazine: "If you're tired of getting up with a grouch; make him get up first and fix his own breakfast!"

ground out most of the yardage for the Tigers, both consistently running for big yardage. In the line, Royce Samford, Fieldon Haley, Lee Blue, and others along the forward wall played a fine defensive game.

The Tigers so completely dominated play in the second period that Early only ran two offensive plays.

J. B. Forrest of Early drew first blood in the game, scampering 68 yards right through the middle for the touchdown. On the play, red flags were dropped, and the Tigers relaxed just enough to let the fullback go all the way.

Hico came back in the second period to mark a six-pointer, with Doyle Crews throwing to Mike Lackey. Lackey gathered the ball in at the seven and scampered on over the goal. The point try was short and the score stood at 8-6.

Harold Hathcock recovered a fumble on the kickoff following the Tiger touchdown, and time ran out ending the half before the locals could push over the go-ahead score. They were at the Early 23 when the half ended.

Early's second counter came

midway of the third period when Ardell Hinson of the Longhorns intercepted a Hico pass and ran 35 yards for the TD, bringing the score to 14-6.

After the kickoff Hico moved 58 yards to the Early 11 where they had possession and a first down. They managed to move to the one and a half yard line where the Early defense stiffened and the visitors took over from that point.

Early's insurance touchdown came midway of the final stanza when they pounced on a Tiger fumble at the locals' 44. The Longhorns made five yards to the 39 from where Charles White scampered the remaining distance to put the Longhorns out front 22-6.

After the kickoff Hico was pushed back to their own two yard line, most of the distance being assessed on an intentional grounding of the ball pass play. From the two the Tigers attempted to kick out but a high punt gave Early possession at the Tiger 14. Four plays later, Ardell Hinson went over from the three for the six-pointer which removed any doubt as to the outcome of the game.

Early's second counter came

### DISTRICT SUPT. TO PREACH AT FAIRY

Dr. Oran Stephens, Superintendent of the Gatesville Methodist District, will preach at the morning service at Fairy Methodist Church October 11.

Rev. J. M. Hayes is pastor of the Fairy church.

W. E. Cunningham made the announcement, and issued an invitation to everyone to attend the services.

## Former Superintendent to Be Speaker at Iredell Gathering

Dr. Vance Terrell of Stephenville, president of the Iredell Homecoming Association for this year, has announced final plans for the annual homecoming of ex-students and teacher, which will be held Saturday, October 3. Guest speaker for the program this year will be Mr. Harlan Powell of Dallas, who was superintendent of schools at Iredell in 1914-1915.

The Tarleton State College Band will offer entertainment. The Iredell P-TA will serve supper starting at 5:30 in the evening.

The program will start at 6:30, and a football game between Iredell and Flat will be played at 8 o'clock.

All ex-students of Iredell High School are urged to attend this year's homecoming.

## Related in name and good looks—the new COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 180 inches, however, the Corvair is more than two and one-half feet shorter, while its 108-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

Elegance and chassis refinements characterize the larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct. 2.

### Don't Neglect Those Frequent Headaches

A headache is Nature's way of telling you something is wrong somewhere in the body that needs attention. Don't neglect this warning. Drugs to stop the pain will bring relief but will not correct the malfunction in the body that caused the headache to occur.

A man complaining of constipation, nausea, and frequent headaches, had been told that his gall bladder was dormant, wasn't functioning at all. He was very nervous and weak and had low blood pressure. He came to our clinic in Stephenville because he had tried everything else and one of our patients suggested that he come in to our office for consultation. Our examination revealed compression of the spinal cord due to misaligned spinal vertebra. Adjustments restored his spine to normal and when he was discharged all his symptoms were gone. He hasn't had a headache for the past two years.

## THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

### I'M GOING—ARE YOU?

The Young People's BTU Department of First Baptist Church is sponsoring a hayride Saturday, October 3. The charge is 25 cents a person which provides for the food. This money is to be turned in to Juan, Carol, or Sheila, by Friday afternoon.

We will meet at the Baptist Church with the department sponsors, Mr. and Mrs. J. B. Wooton, at 7 p.m.

Everyone in High School is invited. Even the "Fish" can come! We want you to come so be prepared Saturday at 7 for a cool fall night under a big yellow moon.

### BAND DAY AT AUSTIN

Eighteen members of the Hico Tiger Band made the trip to Austin Saturday, Sept. 26, to take part in the Annual Band Day activities sponsored by the Texas Longhorn Band. The adults who accompanied the members and Mr. Randolph, the director, on the trip were Mrs. Dunigan, Mrs. Naul, Mrs. Burden and Mrs. Hall.

The bus left the local gym at 9 a.m., with Mr. Ross Hall driving. We arrived in Austin about 12:30 and immediately went to Second Street to make formation for the parade. The parade began promptly at 2 p.m., progressing

north on Commerce Avenue. Ninety-nine bands took part in the parade.

Although our band didn't win an award the trip was very rewarding. The experience will be valuable in helping us organize a better band in the future.

The two hours between the parade time and game time was free. Some of the kids spent this time looking over the University campus, while others found a soft place to rest their "weary bones."

Our group gathered at 6:30 and attended the Texas-Maryland football game in Memorial Stadium.

The halftime activities were presented by the Longhorn Band under the direction of Vincent R. DiNino, and last year's winners of Band Day competition.

The score as the final gun sounded was 26-0, with Texas claiming the victory.

The bus, filled with tired, sleepy kids, arrived in Hico at 2:30 Sunday morning. Everyone was really glad to get home but we will be ready to make the trip again next year.

### OFF TO A GOOD START

The first Future Homemaker's meeting was held September 24. Juan Williams, president, was presiding officer. New officers elected to serve during 1959-1960 are:

President: Juan Williams  
Vice-President: Carol Akin  
Secretary: Sheila Partain  
Treasurer: Nettie Jo Chew  
Song Leader: Judy Griffiths  
Sergeant-at-Arms: Carolyn Partain  
Historian: Judy Ogle  
Reporter: Yay Yocham  
Photographer: Judy Beth Moore

A chapter mother for the year was also elected. She is Mrs. Harry Yocham.

Our annual trip to the Dallas Fair was discussed. No definite date was set.

A project for the FHA was also discussed. Nothing definite was decided, but each girl is considering what she would like to do.

The date for the freshman initiation was also set. Committees were appointed to plan the affair, so watch out, you freshmen!

### COME ONE—COME ALL!

The Hico Youth Center has been open each Friday night after the football games, and will open after future home games. Be sure to join the crowd for dancing and games.

Here is where you will find your friends, and here is where you'll

**PRISON RODEO STAR—Johnny Horton, whose recording of "The Battle of New Orleans," skyrocketed his fame all over the nation, will make a personal benefit appearance at the Texas Prison Rodeo in Huntsville on Sunday, Oct. 18. Horton, along with convict riders and entertainers are just part of the bill of fare offered during the thrilling two-hour show. The rodeo is held each Sunday in October in the prison's \$1 million stadium. Because of the rodeo, nearly 12,000 inmates of the penal system receive a number of services—such as education, recreation, spiritual guidance and other important services.**

not only catch up with "has-been" happenings, but will also help make next week's news.

### JUNIOR HIGH NEWS

In the past two weeks, the Junior High football team has played two games and have lost both. Our first game was with Glen Rose and the score was 6-0 in favor of Glen Rose. In our game with Meridian, the score was 18-14, with Meridian winning.

The Junior High team members are: Morris Samford, Butch Knudson, James Johnson, Mike Flowers, Bill Rutledge, Tommy Loudermilk, Tommy Donley, Mike King, Frank Phillips, Allen Solsbery, Jerry Casey, James Crews, Charles Erick, Lloyd Hyles, Scott Partain, and Ronnie Partain.

Cheerleaders this year are Margaret Ogle and Mary Adams, 8th grade; Suzanne Burden, 7th grade; and Judy Jameson, 6th grade. The mascots are Susan Knudson, Nancy Hicks and Mike Hall.

We have two new pupils in elementary school. They are Lynda Brewster, 4th grade, and Dona Brewster, 8th grade.

—Patsy Wooton and Margaret Ogle, Reporters.

### THE TIGER'S VIEW

My subject matter for this week is a pert, little Junior. (The reason I say "little" is because I'm

a big, experienced Senior!) Seriously, this Junior is very cute and sweet.

Her interests include basketball, football, music, and boys. (One in particular whose name I won't mention.)

This girl will be the manager of the girls' basketball team this year, and I am sure she will do a good job of it, too.

This student is a honor roll student and her attitude certainly proves it.

To LINDA PATTERSON, we of the student body hope you make your last two years in Hico High the most memorable.

### THE SPOTLIGHT

Thursday night there wasn't much going on. The couples I saw in Hico were Judy O. and Carol G.; Henry W. and Louise ?. I drove down to the big city of Iredell where a football game was in progress. After the ball game I saw Shirley G. and Otis B.; Anita M. and Larry B.; Kathy H. and Buzzy H.

I thought I would catch up on my sleep Friday night since it was after twelve when I got home Thursday night. I was snoozing away when I heard some loud screaming up at the Tiger Stadium. I went up to investigate and found the roaring Tigers playing the Early Longhorns. The Tigers really played an excellent game although they got beat.

Couples I saw after the game were Kathy H. and Delton B.; Kay Y. and Billy B.; Judy G. and Steve O.; Kay K. and Royce S.; Sheila J. and Wayne W.; Montye O. and Sue S.; Jan S. and Neil E.; Helen T. and Don D.; Shirley G. and Otis B.; and Carolyn P. and Wayland W.

Saturday night I jumped into my old T-Model and started out to see "who I could see." Before I left Hico I saw Sheila P. and Wayne W.; Louise ? and Henry W.; Kay K. and Royce S.; and

Mr. and Mrs. J. C. Malone and Mary of Waco visited Wednesday in the home of his mother, Mrs. W. L. Malone.

Mrs. Eunice Calder of Fort Worth visited Saturday afternoon with Mrs. Mollie Harvey.

Mrs. J. E. Burleson of Coleman visited this week with her daughter and family, Mr. and Mrs. Ellis Randals, Barbara and James Hord.

Newt Harvey of Hamilton, stepson of Mrs. Mollie Harvey, is a patient in Hico Hospital, his condition being reported critical.

### HASKELL GRADUATE RECEIVES SCHOLARSHIP

Mr. and Mrs. Morris Gannaway of Haskell visited last week in the home of Mr. and Mrs. R. Lee Gannaway and family. They had been to College Station where their son, John Robert, enrolled as a freshman student at A & M.

Young Gannaway was one of 84 top high school graduates receiving A & M College Opportunity Award Scholarships. The award is based on statewide competitive examinations given to more than 600 candidates, and are valued from \$800 to \$1,200 for four years, plus part-time employment provided by the college.

Judy M. and Buddy A.

I drove up to Stephenville and the couples I saw were Jan S. and Billy B.; Kendall H. and Ronnie H.; Judy O. and Carol G.; Margaret W. and Bobby B.; Shirley G. and Otis B.; and Kathy H. and Delton B.

On Sunday the couples I saw were Jean B. and Joe W.; Kathy H. and Delton B.; Judy G. and Steve O.; Carolyn P. and Wayland W.; Shirley G. and Otis B.; and Sheila P. and Wayne W.

Mrs. T. B. Perry left Wednesday for San Angelo to be her daughter, Mrs. Nadine, who underwent surgery at Shannon Hospital there.

Mr. and Mrs. D. F. Mc... of Dallas visited Mr. and Frank Montague of Bandera week end.

## atomic medicine

Less than fifteen years ago, medical scientists were not sure of the activity of various drugs in the body. Today, medical researchers accurately confirm the activity of many drugs in the body by using radioactive tracer elements. These costly research tests are developing safer and more potent medications than ever.

MRS. ERNEST L. SEYMOUR

MISS JACKSON-MR. SEYMOUR WED IN RECENT GRAND PRAIRIE CEREMONY

Miss Gwendolyn Jean Jackson and Ernest L. Seymour exchanged wedding vows Saturday evening Sept. 12, in a double ring ceremony read at 8 p.m. by Harold Thurman, Minister of the Burbank Gardens Church of Christ in Grand Prairie. The altar was decorated with baskets of gladioli and palm leaves with tall tapers forming the background.

Mr. and Mrs. J. T. Jackson of Fairbairn are parents of the bride. The bridegroom is the son of Mr. and Mrs. W. P. Seymour of Grand Prairie.

Mr. Jack Farrow lead the Burbank Gardens chorus in the traditional wedding music, with a solo selection "Ah, Sweet Mystery of Life" by Mrs. Gordon Hon.

The bride was given in marriage by her father. The wedding gown, of Chantilly lace and tulle over white satin, was designed with a portrait neckline which was scalloped. The bodice had long sleeves with points at the hands, and the bouffant skirt of tulle billowed into a chapel-length train. Her fingertip veil of bridal illusion was attached to a crown of seed pearls and iridescent sequins. The bride's bouquet was white carnations and white orchids.

Mrs. Louis Abel served her sister as matron of honor. Bridesmaids were Miss Jorja Jackson, Mrs. E. E. Sullivan, Mrs. Kenneth Farrans and Mrs. Dorman Vance. The matron of honor was dressed in pink taffeta designed with draped bodice of chiffon and wore a

headband of pink velvet and matching veil. The bridesmaids were dressed in blue taffeta, also designed with draped bodice of chiffon and wore headbands of blue velvet and matching veil.

Cindy Vance, Marilyn Martin, Glenda Gilbert and Vivian Vance, flowergirls, were dressed in blue and pink taffeta dresses with net overskirts. Cindy and Vivian Vance are nieces of the bride. Headbands of flowers and net in pink and blue complimented the attire. Flower baskets designed from satin ribbon and taffeta were carried by the flowergirls. Derral Moore was the little ring bearer.

W. D. Martin Jr. served as best man. Groomsman were Vernon Jackson, Holton George, Dorman Vance and Douglas Lively.

The bride's mother wore a light blue silk fitted dress trimmed at the collar with sequins. The bridegroom's mother wore a fitted lace dress complimented by a satin bow at the waist.

Reception. For the reception, held at the Avion Village Community House, the bride's table was laid with a white lace cloth over pink damask, centered by white gladioli with white milk glass candle holders. The three-tiered cake was topped with a miniature bride and groom and was served with sherbet fruit punch. Serving were Mrs. Douglas Lively, Mrs. K. Hicks, Miss I. Verne Arnold, and Miss Peggy Splann.

Miss Ann Swingler presided at the registry as guests registered in the bride's book.

For travel Mrs. Seymour chose a blue silk suit trimmed in white, with white accessories, and the white orchid from her bridal bouquet.

After a week's wedding trip the couple are at home at 617 Dorris Drive in Grand Prairie.

Out-of-Town Guests. Out of town guests who attended the wedding were Mrs. Alvin Hicks, Mr. and Mrs. Sonny Christian, Mr. and Mrs. Ray Keller, all of Hico; Mr. and Mrs. Roy Driver of Waco; Mr. and Mrs. W. E. Cunningham of Fairbairn; Mrs. Bob Frederick of Venus; Mr. and Mrs. Glenn Arrant and children of Fort Worth; Mrs. Bea Armstrong of Dallas; and Mr. and Mrs. Jack Hale of Fort Worth.

Mrs. C. A. Russell has returned home following a visit last week in Fort Worth with her son and family, Mr. and Mrs. Elton Russell and family, and with another son and his family in Arlington, Mr. and Mrs. Donald Russell and family. While there she attended the wedding of a nephew, Max Doty to Miss Julia Carroll, at Grand Prairie September 28.

Mr. and Mrs. Arthur Burden were in Dallas attending market this week. They also visited in Lancaster in the home of Mr. and Mrs. W. J. Risenhoover.

Mr. and Mrs. Jim Carmean visited Monday in Groesbeck with their daughter and family, Mr. and Mrs. Gene Forsythe and children.

Relatives who visited in the home of Mr. and Mrs. Ray Boone Sunday were her parents and sisters, Mr. and Mrs. Jacob L. Phillips of Stephenville, Mr. and Mrs. C. E. Allen Sr. of Temple, Mr. and Mrs. A. T. Childress and Charlotte of Route 7, Hico, and a nephew, Mr. and Mrs. S. D. Bennett and daughter, Dalta Ann of Riesel.

On the Home Range

By Helen Ruth Flowers Home Demonstration Agent

The Hamilton County Home Demonstration Council met on Monday, Sept. 21, and elected new officers who will take office in January, 1960. These are the new officers:

Chairman: Mrs. Frank Sellers, Littleville Club. Vice-Chairman: Mrs. W. T. McKandless, Littleville Club. Secretary: Mrs. Leonard Weaver, South Hico Club. Treasurer: Mrs. Ben Wustinger, Pottsville Club.

Also a good report was given by Mrs. R. L. Staggs, Mrs. W. M. McAnelly and Mrs. Royce Hall, who were delegates from Hamilton County to the State THDA meeting in Galveston on September 16-18. The Fairy club was in charge of the recreation and refreshments.

Your Home Demonstration Agent was in Stephenville on Wednesday and Thursday of this week attending a District Training Meeting on Program Building.

On Friday afternoon, October 2, I am looking forward to meeting with the Littleville Home Demonstration Club. All members and visitors are invited to attend this meeting.

Then on Wednesday, Oct. 7, I shall meet with the Blue Ridge Club, and October 13 is the date which I will meet with the Fairy Club. I will meet with the Pottsville Club on October 14.

On October 15 I will meet with the South Hico Club.

The agent is looking forward to meeting with each of these clubs, so she can get to know the members better. The agent shall give the program for each of the above meetings, and the subject of her program will be "Emergency Meals."

As dove season comes your way, you may be lucky enough to have some extra birds. If so, stock your freezer with a fresh supply to enjoy later.

It's a simple process—Draw birds as soon as possible after they have been shot. If there isn't time enough to do a thorough job of cleaning and dressing, remove the claw and intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging.

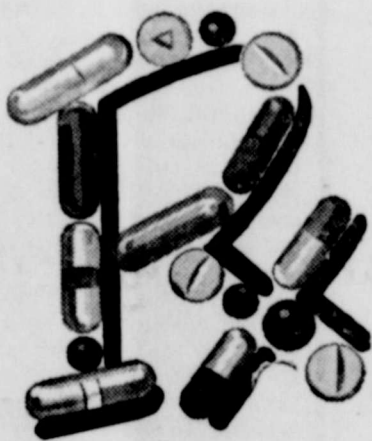

Wrap individually in moisture, vapor-proof material. Cellophane, aluminum foil, plixfilm, and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date.

To maintain top quality, store birds at zero defreegs F. or below. From six to nine months is the recommended storage period. Thaw birds before cooking.

Expect to Have Plenty of New Crop Apples this week end. Will appreciate your trade. BOONE DANIEL PRODUCE

## COUNTY AGENT REPORTS

By E. B. LAWRENCE

Remember reading about the biscuits that Dow Henderson cooked for a group of us a few weeks ago?

Well, last week Dow got a letter from Roger Barron, Long Beach, California, about them. Roger read the piece in the News Review, and in his letter to Dow he told him that if he was as good a cook as his mother was, he was about the best in Texas. That's taking in a lot of country, but I'm going to have to agree with Barron that Dow is about the best.

I don't know how good Dow's mother could cook as I never had the opportunity to eat her cooking.

Dow said that when he was a young fellow he and Barron played baseball together. It has been around 40 years since Henderson and Barron have seen each other and Dow was quite excited over receiving a letter from his boyhood friend. Dow told me a few other things he and Roger did, but maybe I'd better not tell them.

Arnold Schuman, Route 2, Hamilton, has just finished filling one trench silo and part of another one. Arnold put up around 160-170 tons of feed.

He has constructed a fence around the silos, which are out in the pasture where he will feed. The fenced area is 100 to 150 feet. This gives the silos good protection from livestock after they are opened for feeding.

Roy Harris, Jeff Perry, Hubert Currey, and Herbert Sommerfeld also have filled trench silos.

Dan Bottlinger, Aleman, made a test planting of 610 and 7078 maize this year and got some significant results. The 610 made 400 pounds more per acre than the 7078. The 610 is a hybrid maize.

Donald Ray Jones, son of Mr. and Mrs. Raymond Jones of Latham, is feeding two shorthorns as his 4-H demonstration. One of these is a heifer and the other is a steer. He showed them last week at the Central Texas Fair a Clifton and was quite successful.

His steer won its class, as did his heifer. However he went on to win a championship with the heifer. He also won a nice trophy for being the best showman. Donald is planning to take the two animals to the Houston Stock Show in the late winter.

Dr. C. B. Cathey showed some of his cattle at the Clifton show and was pleased with his placings and winnings.

Seed for the bush type watermelon is on the market. This is the melon I mentioned some time ago. It occupies a space of about 6 feet wide, melons are yellow meat, weigh around 25 to 35 pounds, vines are easy to cultivate around, as well as spray or dust for insect control. The melons are protected from sunburn by a dense foliage. The new melon goes by the name of Bush Desert King. Try some next spring.

You're going to see lots of advertising about eggs through the coming month of October as a result of the setting up of the Poultry and Egg National Board, and the Texas Egg Council. The main purpose of these organizations is to get people to eat more eggs. October will be Eggtober.

## PROOF OF THE PREACHING

There may be entirely too many people writing about getting families back to the farm and not enough working at actually proving how and why it should and can be done.

An exception to this is a 309-acre demonstration farm operated since 1953 by C. L. "Pete" Pilkinton for the Texas Research Foundation near Renner, in Collin County. Pilkinton and his brother had farmed the land for nearly 20 years and were about ready to give it up. Pete, however, agreed to stay on when the Foundation acquired the worn-out blackland

farm as a soil conservation demonstration unit.

As reported by Soil and Water, the publication of the Association of Texas Soil Conservation Districts, this demonstration landlord-tenant agreement can develop in its sixth year. It has turned out to be the means of keeping the Pilkinton family profitably on the land, where they feel they belong, and has pointed the way to others toward a practical application of a farming system especially drawn up to fit the particular needs of limited, eroded acreage.

One of the major objectives of the demonstration farm has been to show that a progressive landlord-tenant agreement can develop a complete soil and water conservation program which will pay its own way. Even though the operation was initiated in one of the worst possible weather cycles in Texas farm history—just as one of the longest of the long dry spells was getting well under way—it has never failed to show an attractive profit.

During the extremely difficult four-year period from 1954 to 1958, the farm has shown an average gross annual income of \$12,859.82. In 1958, when the weather situation combined with the previous four-year development program to give the operation its first really favorable season, the gross income rose to \$16,155.05. Indications are that 1959 will turn out even better. Those 309 blackland acres in

HICO NEWS REVIEW

For better grades...  
**More light on the subject!**

Homework can be completed faster and more accurately when there is plenty of light for easy seeing. For best light from a table study lamp, use a 150-watt bulb. The lamp should be tall enough to spread light evenly over the work area and properly shaded to conceal the light source from the eyes. A diffusing bowl is recommended to soften the light and prevent glare. If the lamp has no diffusing bowl, use a 150-watt white indirect bulb. Better light means better grades.

National P.T.A. Sets Goal: Over 12,000,000 Members

More American children than ever before are enrolled in school this fall.

And more and more of their parents and teachers will be P.T.A. members by the time the National Congress of Parents and Teachers concludes its annual October membership enrollment.

Through the efforts of the millions of parents and teachers already working in P.T.A.'s, children all over the United States are assured the closest kind of home-school cooperation on their behalf. Out of this working together of home and school have come higher educational standards, curriculums geared to the needs of today's world, more adequate school facilities and more effective parent education programs and, of course, good playgrounds, safe sidewalks, driver-training classes, and continuous health programs.

Mrs. James C. Parker, of Grand Rapids, Michigan, president of the National Congress, points to such P.T.A. achievements as "a significant factor" in the growth of the National Congress, which already ranks as the world's largest voluntary organization.

"A membership of more than 12,000,000 is our goal this year," she says, "and we intend to call on all the families we can to enroll new members — whether parents or teachers or other citizens with a real interest in children."

Work for All

The variety of P.T.A. activities, Mrs. Parker believes, "offers all members an opportunity to work on the many problems that involve the welfare and advancement of the nation's children."

Because the P.T.A.'s chief concern is for children, its action before they're ready for school.

A pre-school program emphasizes the child's health, his safety, and his sound emotional development. It may take the form of an immunization Tennessee's Washington County, where children started to school this fall protected against diphtheria, smallpox, whooping cough, and polio—because P.T.A. members took the lead in a county-wide fight against communicable disease.

—When a child takes the big

Standing beside the P.T.A. oak tree emblem, Mrs. James C. Parker, president of the National Congress of Parents and Teachers, prepares to sow symbolic acorns in an effort to reach the goal of more than twelve million P.T.A. memberships. She urges P.T.A. members to "call on all" during membership enrollment month.

step into school, the P.T.A. offers a ready-made meeting place where parents and teachers work together for the child's academic and social development. The Kenosha, Wisconsin, Council of P.T.A.'s, for example, sponsored a summer-long elementary school clinic for children who had difficulty in reading.

—Youngsters who have special problems get attention in another phase of the National Congress' program. Language barriers are being breached for Puerto Rican children attending school in Camden, New Jersey, because local P.T.A.'s sparked a move to hire a Spanish instructor who works with these children in their daily English classes.

Teens Get Attention

—Teen-agers are helped, too, by P.T.A. programs designed to spur their development into responsible citizens. In Evanston,

Illinois, high school students can look forward to receiving sound advice on future vocations, thanks to a P.T.A. guidance program that culminates in a day-long career conference.

—Because of its interest in children, the P.T.A. also offers adults many chances for constructive community work that will benefit children.

Through the years, the National Congress consistently supported kindergartens, promoted hot lunch programs in schools, alerted the public to violations of child labor statutes, improved the standards of treatment for juvenile offenders, and backed programs to focus attention on the urgent needs of the public schools.

"The more members we enroll," Mrs. Parker points out, "the more opportunities the National Congress will have to work for the well-being of all the nation's children."

WATER ASSOCIATION MEETS AT COMANCHE SEPT. 22

The Bosque River Water and Sanitary Association met at Comanche Tuesday, September 22, with 68 members and guests attending.

The member's wives and other guests were invited to a barbecue supper, given by the association.

Those from Hico attending were Mr. and Mrs. S. W. Everett, Mr. and Mrs. Monroe Latham, Mr. and Mrs. Edmond Hudson and Mr. and Mrs. W. R. Hampton.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

WHAT IS "ESCROW?" What is an "escrow?" It is a deposit of money or documents, or both, with an escrow holder, who is really a "stake-holder."

What does an escrow do? The escrow holder gets money from the buyer. He gets documents from the seller, and he carries out instructions of both upon the performance of some act or the meeting of some condition. As a rule in the escrow instructions the seller and buyer tell the escrow holder what to do and when.

An escrow arrangement helps in buying and selling land. It is an especially useful device when you may live in another city, or expect to be gone when time comes to close the deal. Suppose, through a real estate man, you find a buyer want to pay in full until you can for your place. But he may not give him clear title, or it may take time to raise the money. So you agree on terms, and both of you use the escrow to put the deal through.

As a neutral go-between, the escrow holder, which may be a bank, may only carry out instructions you give him. He cannot, for example, give you advice as to whether your deal is a good one.

The seller may tell the escrow holder: Hold the abstract and deed until the buyer pays over the money; then pro-rate taxes, insurance, rents; pay the real estate broker, and pay the proceeds to the seller.

The buyer may have the escrow holder hold his money until the title is approved; pro-rate real estate taxes, rents, insurance; pay the seller at close of escrow; receive, and record the deed from the seller, etc.

As a rule, you work out most deals before you open the escrow. Look carefully at "preliminary arrangements," "deposit receipts," or escrow instructions, for such papers may be binding. As a rule, one or more of them will be your basic contract.
