Funeral Services Held Last Tuesday For Former Hicoan

Funeral services were held in Fort Worth October 6 for Dr. Charles H. McCollum Jr., who died Monday, October 5, following a heart attack.

Dr. McCollum was born in Hico and was 52 years of age.

His father, the late Charles McCollum Sr. practiced medicine at Hico for many years before moving to Fort Worth where he became widely known as a surgeon.

New Operators of Station and Grocery

Mr. and Mrs. A. L. Flowers have recently opened the station and grocery located on Highway 6, formerly operated by Clarence Jackson.

The new business will feature groceries, lunch meats, and Gulf products.

Car Crash Kills Longtime Resident Louis (Dutch) Sears

Louis (Dutch) Sears, 57, of Hico was killed early Sunday when his car crashed into the abutment of Indian Creek Bridge, 2 miles south of Stephenville on Highway 281.

Mr. Sears was alone at the time of the accident, and was apparently killed instantly. He was driving toward Hico.

FOOTBALL SWEETHEART—Miss Key Yocham, Junior student in Hico High School, was elected "Football Sweetheart" last week, and was crowned during halftime activities at the Hico-Gatesville game Friday night. Her escorts are Iva Aikman, left, and Fieldon Haley, who were game captains last week.

CALIFORNIA VISITORS

Mr. and Mrs. Albert Anderson of Los Angeles, California, visited in Hico the past week with friends and relatives. They are former residents here.

Tax Collector to Visit Hico Next Wednesday, Oct. 21

Billy G. Wood, Hamilton County Tax Assessor-Collector, will make an annual visit to Hico next Wednesday, October 21, for the convenience of local taxpayers.

Mr. Wood will also visit Carlton on Thursday, October 22. He will be at the City Hall in Hico on Wednesday, from 8:30 a.m. to 2 p.m. Time of his Carlton visit will be from 10 to 11:30 a.m.

A three per cent discount is allowed on county taxes paid in October.

County Cancer Society Holds Leadership Conference at Hamilton

The Hamilton County Unit of the American Cancer Society held a special meeting of the Board of Directors and Executive Committee Monday night at Fred's Canteen in Hamilton.

The program consisted of a County Unit Volunteer Leadership Conference directed by Miss Barbara Liggett, ASC staff representative of Waco.

Those in attendance were H. W. Allen, Bradford Corrigan, Guffie Barkley of Hamilton, and Louise Blair of Hico.

The next board of directors meeting will be held November 2. Miss Blair is vice-president of the Hamilton County Unit.

Boy Scout Troop Has Regular Meeting

Boy Scout Troop 99 of Hico held their monthly meeting Monday, October 12, at 6:30 p.m. at the City Hall.

After completing all important Scout business, plans were discussed for distributing circulars regarding contributions to the Heart O' Texas Council. Every citizen should help support their local Boy Scout troop as it, and other like organizations, does its best to prevent juvenile delinquency.

A new meeting time has been set for the second Monday of each month at the City Hall at 6:30 p.m. All Scouts will note that the next meeting will be held on November 9.

Charles Yell, Scout Sec.

ERATH COUNTY SINGING SCHEDULED SUNDAY

The regular Erath County Singing Convention will meet Sunday, October 18 at the Primitive Baptist Church in Stephenville at 2 p.m.

Spirits were running high in the Tiger camp this week as the local gridsters prepared to enter district play at Meridian Saturday night. Game time will be 7:30 for the district opener for both teams.

However, spirits were at a low ebb Monday when the squad members learned that they would have to finish the season without the services of no. one fullback Bobby Boone. Boone received a torn ligament in his knee in the game last week, and will miss the next three games, with the possibility of missing the remainder of the season.

Coaches Barnett and Hall have been shifting team members all week trying to come up with a combination to partially offset the gap left vacant by Boone. Royce Samford, who was an all-district selection at guard last year, has been given the call to fill in at the fullback slot. Fans will recall that Samford played fullback for the first few games two years ago.

Replacing Samford in the line will be Wayland Wootton, big letterman center from last year's squad who has only been out for the team two weeks this year.

The Tigers will catch Meridian on homecoming, which will mean that the locals will have to play their finest game of the year to keep abreast of the Yellowjackets. Meridian has primarily the same team which defeated Hico 32-12 last year.

The Yellowjackets have won two games while dropping four this year, playing one of the toughest schedules possible. Their wins have been over Joshua and Tolar, and they have lost to Clifton, Glen Rose, Whitney and Holland. Last week they showed signs of regaining their last year's form by defeating a good Tolar team 24-6.

On the other side of the ledger,

Football Team Is Guest of Civic Club Wednesday Noon

Members of the Hico football squad and their coaches were guests of the Civic Club for the regular weekly luncheon Wednesday at Clyde's Cafe.

Forty-eight members and guests were present for the meeting.

Coach Jack Barnett introduced each member of the team, and made appropriate remarks about each. Assistant Coach Ross Hall also made a short talk to members present.

Hico has posted five wins against one defeat. The Tigers opened with victories over Aledo, Boyd and Blanket, dropped a game to Early High of Brownwood, then defeated Gorman and Gatesville State School.

In the game Saturday night probable starters will be Hooper and Lackey at ends, Blue and Wootton at tackles, Haley and Mayfield at guards, Jordan at center, and Hedges, Crews, Ellis and Samford in the backfield.

A large representation of Hico fans are expected to follow the team to Meridian Saturday.

Firemen Answer Wednesday Call

Hico firemen answered a call at 5 a.m. Wednesday morning 10 miles north of town on Highway 281.

The home and all contents of Mr. and Mrs. Bob Walker were completely destroyed by the blaze.

The fire reportedly was started from a cook stove oven.

Good Representation Present for First Band Parent Meeting

The Hico Band Parents Association enjoyed a successful meeting Thursday, October 8. Nineteen members were present, which is the largest attendance for a single meeting in the past two years.

Officers were elected as follows: President, Mrs. W. A. Dunigan; Vice-President, Mrs. Alvin Casey; Secretary-Treasurer, Mrs. V. H. Jenkins.

The association voted to purchase new music holders, and to sell fruit cakes as a fund raising project. It was decided to use funds raised to purchase a new bass horn for the band.

The next regular meeting of the association will be November 16.

MEETING OCTOBER 23 AT PLAINVIEW CHURCH

There will be a meeting to reorganize the Chalk Mountain Cemetery Association at Plainview Church, Friday night, Oct. 23.

Everyone interested in the Cemetery are urged to be present at the meeting.

REV. JAMES ELLISON

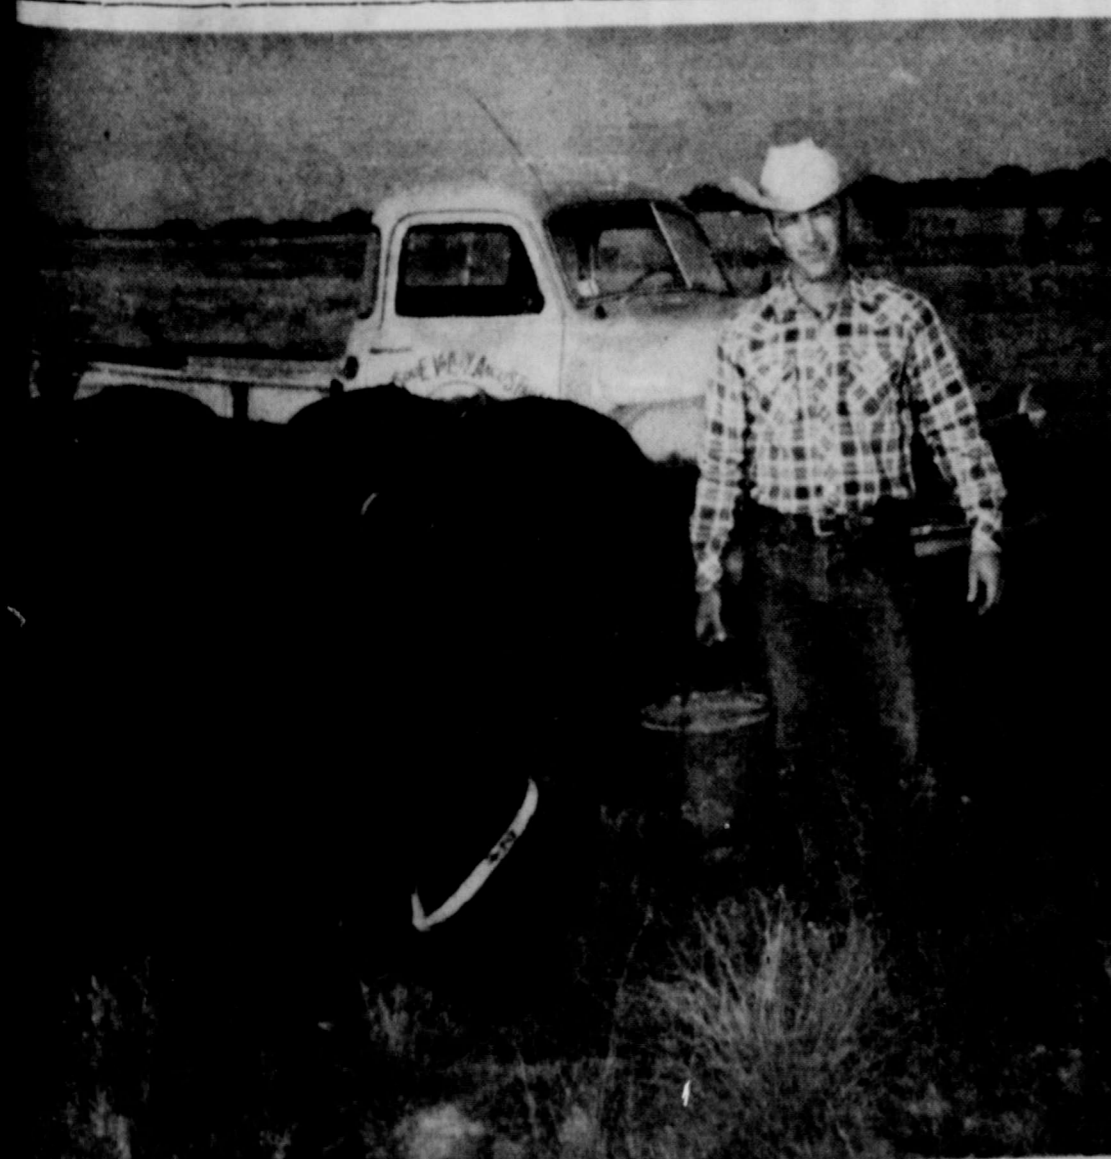

TERRY RANDOLPH

Rev. Ellison to Lead Revival Services at Methodist Church

A series of revival services are scheduled to begin Sunday, October 18, continuing through October 25, at Hico First Methodist Church. Rev. James Ellison, pastor of the Olney First Methodist Church, will have charge of the services. Terry Randolph will be in charge of the music.

Services are scheduled each day throughout the week at 7 a.m. and 7:30 p.m. Coffee and donuts will be served prior to the services each morning at 6:45.

Rev. Ellison has served as pastor of churches at Georgetown, Hillsboro, Bynum, Malone, Waxahachie Circuit, Bethel, Bartlett, St. Mark in Cleburne, Ranger, and Olney. He is a veteran of three years' service with the Air Force during World War II, and participated in the Okinawa campaign. Rev. D. L. Barnes, local pastor, has issued a cordial invitation to everyone in the community to attend these services.

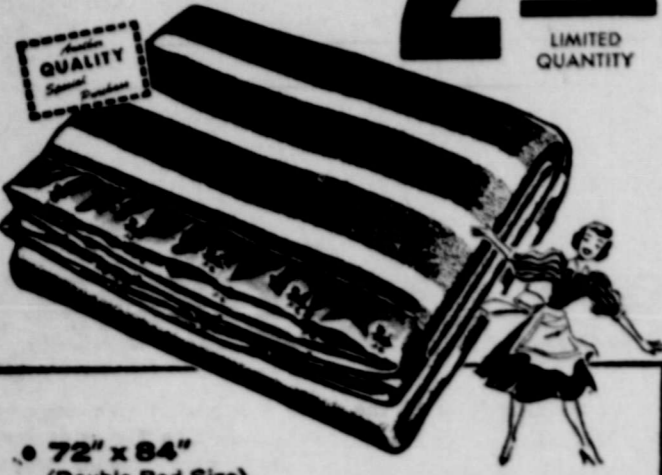

ERATH COUNTY PRESIDENT—Charles Golightly, who was elected president of the Erath County Farm Bureau in 1958-1960. He is the son of Mr. and Mrs. Charles Golightly. A graduate of Hico High School and Texas Technological College, Golightly has been active in Farm Bureau since returning to Hico several years ago. Prior to returning here,

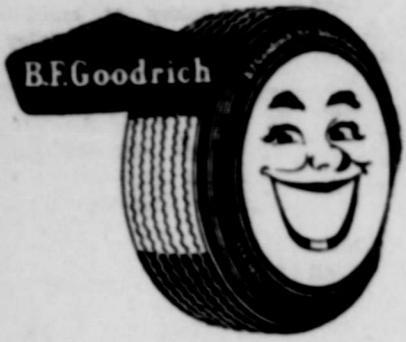

and after his graduation from Texas Tech, he was Herdsman for Kavanaugh-Purdy Hereford Ranch at Jones, Oklahoma, and is currently serving in the same capacity on the 900-acre Bosque Valley Angus Farm, which is owned by his uncle, George Golightly of Hamilton. Golightly is shown here with some of the registered Angus cattle which he tends.

"RUPTURED DISCS"

We have had ruptured discs in the lower back since the dawn of time, but the condition is being publicized more today than ever before. They are pointed out with a hoarse whisper and viewed with awe. They are certainly expensive to have, that is usually they are.

Dr. Robt. H. Walker

Because public records must be kept and are usually most accurate, a National Association went into the Workmen's Compensation files of fourteen states and weeded out all the ruptured disc cases to see just what methods were most effective. The figures were astounding. Back sprains and ruptured discs were corrected quicker and at less cost by corrective Chiropractic adjustments than any of the several methods represented.

The following case record, taken from our files, demonstrates what can be done with ruptured discs: A young housewife whose cramping pains in her hip, thigh and calf had been diagnosed ruptured disc for which expensive surgery had been recommended, came to our clinic in search of relief. A complete spinal nerve analysis located injuries which had been previously overlooked and Chiropractic spinal xrays were suggested. We began corrective adjustments the following day and within a comparatively short time all pain symptoms had subsided and today this young mother does all her own housework and is active in various civic clubs with no discomfort from her ruptured disc.

Hico Office Hours: Tuesday and Thursday, 9 a.m. to 5 p.m.

SPECIFIC PERFORMANCE

What can you do if someone doesn't keep the terms of a contract with you? You might (1) get money damages for your losses, (2) get back what you gave him as your part of the contract, or (3) get a court to order "specific performance"

As a rule, a court prefers money damages for a broken contract, since it is definite and often more easily enforced. But in some cases money won't do.

And so courts, as a rule, enforce contracts to buy land by specific performance. They make the seller hand over the precise piece of property. Likewise you may get specific performance on contracts to buy or sell unique art goods like a painting of a great master of which there are no two alike.

No one can enforce specifically an agreement to get a third party's consent. Captain Miles Standish could not make John Alden get Priscilla's consent to marry him.

Before a court orders specific performance it looks carefully into the "equities." Was the "injured party's" contract fair and free from fraud? Did he take unfair advantage of the other party? Or wait too long to claim his rights?

FOOTBALL SWEETHEART The Hico football team held a meeting Monday afternoon of last week to elect their Football Sweetheart.

Their choice was Kay Yocham, with Carolyn Patterson, Anita Mayfield, Judy Griffiths and Sheila Partain as runners-up.

The Sweetheart was crowned at Friday night's game by game captains Fieldon Haley and Iva Aikman.

HAPPY BIRTHDAY, P-TA

The monthly meeting of Hico P.T.A. was held in the High School Auditorium at 7:30 p.m. Monday, October 5.

A program entitled "Education, Whose Responsibility?" was presented by various members of Elementary School.

The entire program was prepared and directed by the fifth grade teacher, Mrs. Clarence Watson.

A sextet, made up of three members of each the second and third grades, were first on the program. Sandra Patterson, Barry Christian and Penny Dunlop represented the second grade.

Butch Knudson, Pat Wooton, Bill Rutledge, Frank Phillips, and Eileen Gannaway explained the essential contents of a good education.

Mr. and Mrs. Jimmy Ramage and their two children demonstrated the importance of family devotionals in which all members take an active part.

Following the business meeting refreshments were served in the cafeteria.

TEEN DEN COUNCIL ELECTED

Members of the Teen Den Council were elected Monday morning during activity period.

Those elected were Alan Hedges, senior; Montye Ogle, junior; Margaret Warren, sophomore; and Freddie Naji, freshman.

The new Council held a meeting and elected Mr. Randolph as sponsor this year. It is the hope of the Council and sponsor that the activities will be so interesting that every student will come and take part.

? AND ?

? and ?—Sheila Partain and Wayne Warren, our couple of the week.

Sheila is a junior this year, while Wayne graduated in 1958. They have been going together about two years.

Sheila is a cheerleader this year and a member of the basketball squad. Her most outstanding interests are sports, music, and boys. Wayne is interested in machinery, particularly trucks.

At the present time, Sheila is undecided about her future. Best of luck to both of you!

AFTER-GAME FELLOWSHIP

Like Friday evening after the game all the cats were like scurrying to a large type pad across the tracks. Like instantly I pounced upon the scene and began to like-scrutinize the proceedings.

A long skinny cat and a short type daddy-o were like the leaders in this joint. This pad was like entirely filled and most of the participants were like of the small type.

After the games the skinny cat announced the nourishment could be partaken of immediately. Like both the liquid and solid phases of the nutrient were delectable. Like after the spiritual refreshments the cats departed. This cat has only one suggestion—how about more adult-type games.

ARE YOU SAFE FROM FIRE?

October 5 began Fire Prevention Week, which was observed by the Hico High students. We were surprised with several unexpected fire drills which are to insure our safety in case of real fire.

Other ways Fire Prevention Week was observed in High School were in two "original" fire prevention skits plotted by the sophomores and the seniors.

Sixth Grade: Donna Kay Morgan, first; Edmund Horton, second; Claudia Hafer, third.

Eighth Grade: Eileen Ganaway, first; Dona Brewster, second; Bill Rutledge, third.

Winners in the poster contest in elementary school were:

Third Grade: Billy Stearman, first; Alyce Churchill, second; Judy Paddock, third.

Fifth Grade: Ronnie Henderson, first; Shirley Timberlake, second; James Mayfield, third.

Sixth Grade: Lee M. rshal' first; Mack Holt, second; Leslie Royal, third.

Eighth Grade: Mary Adams, first; Eileen Ganaway, second; Renee Shaffer, third.

As Fire Prevention Week came to a close we hope each student and faculty member was impressed in some way, the importance of Fire Prevention.

HAYRIDE

Saturday night, October 10, the Baptist Young People's Department sponsored a hayride for the high school student body. Approximately 33 students enjoyed a somewhat chilly ride to the road-side park between Hico and Stephenville.

Preceding the wicker roast, games, led by Judy Moore and Buddy Ables, were played. The group then thoroughly enjoyed food consisting of hot dogs, potato chips, marshmallows and cold drinks.

Adult sponsors for the party were Mr. and Mrs. J. B. Wooton, Rev. and Mrs. Geo. Harris and Mrs. J. D. Partain.

SPOTLIGHT

Friday night was a happy night for everyone after winning the ball game. Incidentally, congratulations to you football boys for playing a good game and making it five wins out of six games.

Let's all remember that we're playing a tough team Saturday night and let's have a good crowd and a lot of spirit at Meridian.

The couples I spotted Friday night as I was making the rounds after the ball game were: Neil E. and Fay M.; Montye O. and Anita M.; Steve O. and Judy G. Buzzy H. and Kathy H.; Buddy A. and Judy M.; Wayland W. and Terolyn P.; Harlon K. and Linda P.; Wayne W. and Sheila P.; Charles T. and Joy Little.

Saturday night was quite an exciting night. I saw a lot of the kids down at the Baptist Church

ready for the hayride and star gazing.

The ones I saw having fun Friday night were Margaret and Bob; B. Linda P. and Lon K.; Sheila P. and Wayne Judy M. and Buddy A.; Carolyn and Wayland W.; Kathy H. and Faye M. and Ronnie K.; C. S. and Tommy J.; Kay K. Royce S.; Shirley G. and Kay Y. and Billy B.; Joy L. Charles T.

It seems as though it wasn't a very busy day. It were like me you sit all noon, trying to recover from part nights of lost sleep.

I loaded my trusty spotlight new batteries and sailed on these: Sheila P. and Wayne Faye M. and Neil E.; Judy M. Buddy A.; Charles S. and J. J.; Judy G. and Steve O.; and Charles T.

Not long ago, a serious mastoid infection involved about \$100 for the actual operation—\$200 for two weeks' hospitalization—\$50 for doctor bills—plus a gamble with death.

Today, prompt treatment with one of the new antibiotics clears up most infections before they become serious.

ELDER FAMILY REUNION HELD RECENTLY

The annual Elder family reunion of the late Mr. and Mrs. W. D. Elder family was held last Sunday week at Bluebonnet Country Club near Hico. Despite the inclement weather during Saturday and Sunday a nice number were present.

The following relatives & friends attended: Mr. and Mrs. Bob Ott, Electra; Mrs. Electa Moss, Grand; Mr. and Mrs. W. E. Elder, Denton; Mrs. R. J. Ogle, Mr. and Mrs. T. L. Betts, Mr. and Mrs. W.

A. Hutton, Mr. and Mrs. Alvin Casey, Barbara and Jerry, Mrs. J. D. Jones, all of Hico; Mr. and Mrs. Sam Elder of Wink; Mr. and Mrs. Paul Hutton and Richard of Eunice, New Mexico; Mr. and Mrs. Louie Hanson of Grandfalls; Mr. and Mrs. Dan Boyd, Dana and Jim of Denton; Mr. R. C. Strickland of Morton; Mrs. J. A. F. Strickland and daughter of Meridian; Mr. and Mrs. J. H. Elder of Waco; Mr. and Mrs. Roy Blakley and J. J. Jones Sr. of Fairy. Well, here we are again with

a rainy weather report. A light rain has been falling this morning, Tuesday, and more showers are predicted. The ground was already so wet and not even crusted in places, it takes only a small amount of rain to make the ground quite muddy. However, we feel very thankful indeed for the past five days of sunshine which has enabled farmers to get some cotton pulled.

Although help is so scarce many haven't been able to get any of their cotton pulled. We talked with parties in the Lund Valley community near Hamilton Sunday who said their fields were still too wet to get their cotton pulled or stripped. We fear if bad weather continues there will be much of this year's cotton crop lost. The recent flood area on bottomlands have had heavy cotton losses.

Miss Virginia Anderson of Dallas spent the week end with her mother, Mrs. Mignon Anderson.

Mr. and Mrs. Dalton Driver of Grand Prairie spent the week end with their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. H. H. Wolfe. Mrs. Driver and her mother, Mrs. Wolfe, visited Sunday afternoon with their sister and daughter, Mrs. Clancy Blue, who is ill.

Mr. and Mrs. Jack Halle of Fort Worth visited during the week end with her parents, Mr. and Mrs. Herman Sills.

Mr. and Mrs. Ferrel Murray of Abilene spent the week end with her parents, Mr. and Mrs. Coyt Clark.

Mr. and Mrs. E. L. Parks and little daughters, Carolyn Ruth and Diann visited during the week end with their parents, Mrs. M. E. Parks and Audie of Fairy, and Mr. and Mrs. E. R. Seago of Hico. They were accompanied by their little niece, Jerri Seago, who spent the week end with her grandparents at Hico.

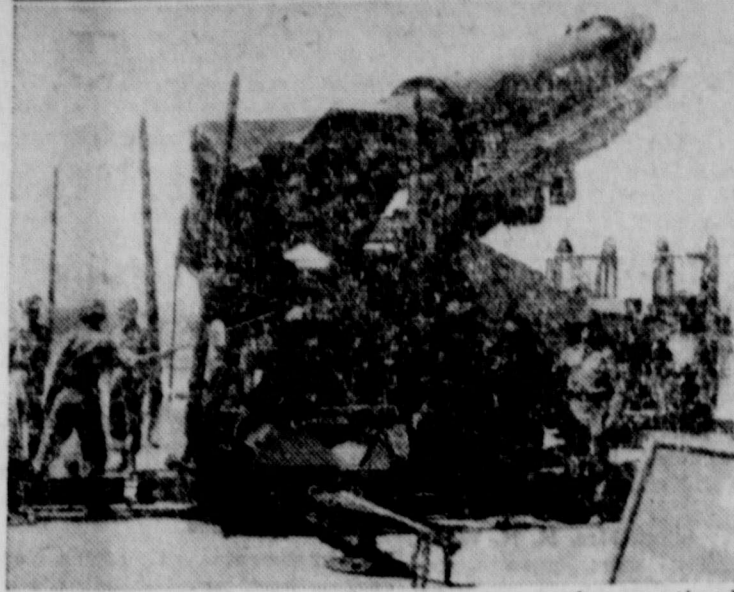

Mr. and Mrs. Morton Jameson and family of Fort Worth spent the week end here visiting in the home of her parents, Mr. and Mrs. L. V. Houser.

The writer attended singing at Lund Valley Baptist Church Sunday afternoon, and visited a short while afterwards in the home of Mrs. Annie Smith of Hamilton, and at the Hamilton nursing home. Many of the patients at the home had been ill of virus but glad to report all improved. Mr. J. T. Dempster was still in the Hamilton Hospital ill of virus. We missed him Sunday and hope he is soon able to return to the home.

Sorry to report Mrs. Gossett in bed due to a fall she received recently. We also missed another of those we usually visit, Mrs. Lorena Vick, who has been moved to the Hico Nursing Home. We visited her there on Monday and was glad to find her as well as usual and well pleased in her new location. This was our first visit to the Hico home, but feel very proud of it and we feel sure it will be only a matter of a short time until it will be full and adding room for more patients.

Army To Demonstrate Missiles At Fair

This "Corporal" guided missile will be among the operational missiles from the U.S. Army Artillery and Missile Center at Fort Sill, Okla., which will be on exhibition at the 1959 State Fair of Texas, Oct. 9-25. The "Corporal" can carry either atomic or conventional warheads, is 45 feet long and weighs 11,000 pounds. Mock firing demonstrations of this and other missiles will be staged several times daily at the Fair.

of Dublin visited last Thursday in the home of their sister and aunt, Mr. and Mrs. Carl Ray Sellers and family, and also in the home of Mr. and Mrs. Ed Allison.

Mr. and Mrs. Carl Ray Sellers, Carolyn, Jimmie Don and Janice visited a while Saturday night in the home of his parents, Mr. and Mrs. N. S. Sellers, where their children had met in honor of their mother's birthday, which was Sunday, October 11. Cookies and punch was served as refreshments. She received a number of nice and useful gifts. Other children and families present were Mr. and Mrs. Raymond Jones and family, Mr. and Mrs. Wesley Jones and family of Lanham, Mr. and Mrs. Dewey Sellers of Providence, Mr. and Mrs. Frank Sellers and fami-

ly and Mr. and Mrs. Norman Thompson and family of Hamilton.

We have gotten behind with birthdates since we would overlook the matter each week until too late for print. September dates which we have are the Mrs. Lucy Burden, Sept. 14; Cal Lowery, Fort Worth, Sept. 17. October birthdates are Janice Sellers, Oct. 7; Cary Ray Sellers, Oct. 15; Nona Brunson and his mother, the late Mrs. Myrtle Brunson, Oct. 21; Mrs. Ed Allison, Oct. 23; Lou Ann Lowery, Fort Worth, Oct. 12; and P. L. Cox, Oct. 17.

Due to a streak of good luck we were able to get all graves filled at the cemetery last Wednesday and Thursday. We had got Mr. Brunson and Claude Lunsford

to hoe at the cemetery. Mr. Brunson called us at noon Wednesday to tell us that a number of graves needed some fills. We went down after lunch and worked over the cemetery and made a list of all graves needing work. Our dirt for fills was very limited. We called our road commissioner, Fred Rainwater, and he didn't know when he could get a load out there due to being quite busy making road and bridge repairs after the recent heavy rains, and being unable to get the dirt due to wet ground. Wednesday afternoon we were in Hico and while there Rob Hutton came to us and told us it was he that had hauled a load of nice sand to the cemetery recently and had put it there to use for fills. We had been unable to find out who had hauled it and would not allow it to be used, but it really came in handy and had we not have had it, many graves would still be needing repair.

We had come back and called the News Review and had a piece put in the paper regarding the situation and lister lots that needed work, since at that time we didn't have sufficient funds or dirt and felt the public should know the

conditions. In the meantime Duncan had turned in \$1,000. Benn Cunningham had left our home and left \$5.00 on Thursday morning and got the work.

Thanks so much to Mr. Mr. Duncan and Mr. Cunningham for making it possible to get some hoeing done as possible. All available help trying to help save the cemetery. The cemetery is in good condition we think, and only get some Johnson grass here isn't bad and will do well. Funds will allow as soon as possible, and hope the public with us in weather conditions shortage of help.

The writer and sister, Mrs. M. Hoover visited at the Hospital Monday morning with sister, Mrs. Gladys Cox, who patient there. Her room number 8 and we feel sure she was joy hearing from her friends also would appreciate visits those who can visit her.

Mrs. L. R. Miller and Mrs. die Clark of Fairy visited Monday morning.

HUMBLE Presents... THE **NEW** TIRE of this generation!

ATLAS BUCRON TIRES

Positively No Squeal!

YOU CAN'T MAKE IT SQUEAL!

The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle new rubber of the tread.

Ordinary tires "bounce" . . . multiply bumps and jars. Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SAFER!
STOPS 30% QUICKER THAN ORDINARY TIRES

Tested against other tires, the Atlas Bucron Tires stopped 30% quicker—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on wet pavement than ordinary tires on dry.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

Trade Now for a set of these amazing new tires. Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

COUNTY AGENT REPORTS

By E. R. LAWRENCE

Charlie Blum, who lives on the Lanham and Jonesboro farm to market road, has the best small field of oats I have seen this fall. He sowed the oats early and got them up quick and to a good stand. The field is small, about two acres, but it is ample for the grazing of his six sows, some with pigs.

Charlie has been running straight bred Durocs but he is trying a cross now—Duroc sows and Yorkshire boars. Growing pigs on good pasture is still the cheapest way to grow them.

— E R L —

Improving the grazing ratio from one animal on 30 acres up to one for each five to 10 acres in a two-year period at an average cost of \$12 per acre may seem not only amazing, but downright unbelievable.

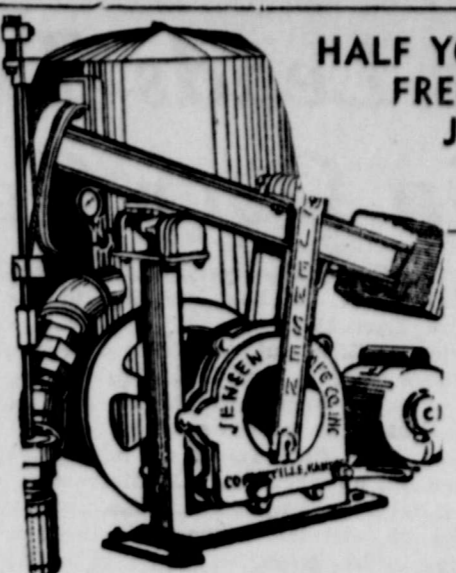

Yet those of us who made a two-day fall range tour in Southwest Texas last week, sponsored by the farm and ranch committee of the San Antonio Chamber of Commerce, not only saw this miracle in process of accomplishment but were shown the beginnings of even greater plans.

The tour took us from San Antonio west to Sonora, then almost due south to Del Rio and from there back to San Antonio, through areas of rock-ridden brushland that used to provide—and to a large extent, still do—grazing as sparse as can be found anywhere

in Texas. The trip was made on the heels of a week end of rains that amounted to 15 or 16 inches in some stretches of an area where the average annual rainfall is only 22 inches, and we were able to view at first hand what conservation of water and soil can really mean.

In Sutton County, Dr. Leo B. Merrill, director of the Texas Agriculture Experiment Station at Sonora, showed us a sample of what can be done by means of rootplowing and seeding on what had been a barren 68-acre tract at the station. In two years, this tract has produced a lush growth of blue panic grass, along with native cane bluestem and sideoats grama capable of grazing one animal to three acres. We were treated to even more impressive demonstrations of what can be done along this line at the Wardlaw Standard ranch belonging to C. W. (Dink) and W. H. (Walt) Wardlaw in the Devils River Soil Conservation District.

Dolph Briscoe Jr. of Uvalde, one of the area's major ranchers, has taken the lead in showing the dollar value of rootplowing and seeding on a large scale. Since 1964, Briscoe has rootplowed and seeded over 60,000 acres, reporting beef yields of 50 pounds per acre with as little as eight to twelve inches of total rainfall. He is convinced the area can be ranched successfully on one-half of the normal rainfall by rootplowing and range seeding.

Neil Ellis Leads Tigers to 36-0 Win Over Gatesville

Neil Ellis made a race track out of Tiger Stadium turf last Friday night, scoring five touchdowns to lead the Tigers to their fifth win of the season against Gatesville State School.

In victory the Tigers may have lost one of their top hands when Bobby Boone was removed from the game with a torn knee cartilage. The loss could be instrumental in the Tigers' four remaining district encounters, beginning Saturday night at Meridian.

Ellis scored his five touchdowns on runs of 33, 16, 23 and 11 yards, and was on the receiving end of an 18-yard pass from Doyle Crews.

Hico scored the first two times they had possession of the ball. Ellis uncorked his first trip into the end zone from 33 yards out to send the Tigers on their way 6-0.

The second TD was set up shortly after the kickoff when Bobby Boone intercepted a stray Gatesville pass at the 38. From the 38 Crews made 8 to the 30, Hedges hit for 12 more to the 18, from where Crews threw to Ellis for 18 yards and the touchdown. Bobby Boone rammed over for two points to make the score 14-0.

Early in the 2nd quarter Crews hit Mike Lackey for 33 yards and a touchdown, but a penalty ruled out the play.

Wayland Wootton set up the Tigers' third TD of the night when he recovered a Gatesville fumble on the 6. Ellis got in on the throwing on the next play, passing to Crews for 31 yards to the 16. After an incomplete pass, Ellis shook through for the remaining distance and the touchdown. Boone again ran for the two-point conversion, sending the Tigers to the dressing room for the half with a 22-0 lead.

Gatesville threatened mildly just before the half, working to the Tiger 15.

Ellis put the Tigers in the scoring column again shortly after the second half began, running 23 yards for the score.

The final TD of the night was set up when Mark McElroy recovered a stray ball on the visitors' 33 yard line. Boone made 12 yards to the eleven, being injured on the play, and then Ellis struck for the final 11 yards to pay dirt. Hedges passed to Crews for the conversion points, bringing the score to 36-0.

Coach Jack Barnett experimented most of the second half, running the Lackey twins and Mark McElroy in the backfield. The experience may come in handy, especially for McElroy, who will be called on to fill in at the fullback slot in event Boone is unable to play.

For the most part, the Tigers displayed little of the form shown in previous games, making numerous mistakes. They were definitely low for the game.

However, one of the brighter spots was the running of Ellis. He

ran hard all night, getting most of his scoring jaunts on sheer power through the line. On numerous occasions he would appear to be trapped only to break away for scores or long yardage.

Fieldon Haley, Royce Samford, and Lee Blue turned in their usual fine defensive games.

479 ATTEND SESSIONS OF JEHOVAH'S WITNESSES HELD AT GEORGETOWN

According to Mr. R. E. Goff, spokesman for the recent assembly of Jehovah's Witnesses in Georgetown, 479 attended the opening sessions addressed by Mr. R. L. Anderson.

Saturday saw hundreds of on-lookers, on the banks of the San Gabriel River observing the baptism of nine new ministers of Jehovah's Witnesses.

694 attended the film showing, "The Divine Will International Assembly of Jehovah's Witnesses."

Climaxing the Christian gathering on Sunday, 646 jammed the auditorium to hear the lecture, "When Is God's Will to be Done on Earth?"

IT HAPPENED HERE OR NEAR—

Radio and TV Services

By E. E. DAWSON

When it's Sunday morning and circumstances over which you have no control have occurred that prevent your going to your church, what do you do? Well, you hunt up a service over radio or TV, for you are not quite a heathen and want to be a worshiper on the Lord's Day. Naturally you choose a service of your own faith if one is listed near enough to be audible or visible.

But often you cannot locate one

of your own faith, so you choose another that gives promise of being audible or visible, depending on whether it is radio or TV. At least that is what we do at our place. And when it is of another faith we know that some item will not appeal to us, being of the faith that we are. But we listen or look and get an uplift of spirit. The big thing is, not the differences that separate us, but the things that unite us. On TV we see a sanctuary filled with devout worshippers, one hears the prayers addressed to "Our Father in Heaven," asking that the Holy Spirit shall be present and guide in all things, and ending all petitions "in the name of Christ our Savior," and then the reading of the Bible that we hold to be the Holy Word of God. On these fundamentals we are in complete agreement, and we join in the Amen and feel completely at home, for these are the Father's children and are our brethren.

One of the minor things we do

not like about some of the services is where every supplication is followed by "Amen." When it is a service of our own faith the one who prays ends by saying "Amen," the "a" as in hay. And all the time we are aware that "Amen" is just as correct as the other pronunciation, according to the Dictionary. But we have always been accustomed to the other and it sounds better to our ears. Of course, if it is a part of the music it is always "Amen."

Another thing we like more in the services of our own faith is that the preacher stands up in the pulpit in clothes of the man in the pew, while in most of the churches of other faiths he is robed. To be sure we prefer a robed choir, for there are good reasons for it. But we like to think of the speaker as just a fellow American sinner like ourselves and does not require being set apart by his dress.

But these are very minor matters and in no wise hinder our appreciation of a spiritual service of fellow worshippers. It is the heart that counts and not the clothes nor the peculiarities of pronunciation. We repeat they are our Father's children and are sincere in their efforts to proclaim the truth and worship the Triune God acceptably.

Procedures in worship services are very much alike whatever the

denomination. Hymns that have lived for so many years for the comfort and appeal to the singers and listeners, the attentiveness of the people in the pews, the offerings of money, the welcome of visitors, the words of warm welcome to Radio listeners and TV viewers.

I am not often uplifted by the specials of the choir. For one thing listeners on radio and TV do not hear all the voices and the instruments. Usually the voice of the soprano and occasionally a tenor is about all one hears, together with the organ and maybe the piano. Sometimes the offertory by the organist is lacking in appeal, and perhaps it is because of the lack of proper co-ordination of sounds that get to the listener a hundred miles distant from the sanctuary where the service is being held.

Whatever imperfections there may be of radio and TV services, we thank the Lord for them for one does get an uplift as he listens and views them.
