HICO, TEXAS, NOVEMBER 20, 1959.

NUMBER 28.

HERE IN HICO
By E. V. M.

(Photo by Luker. Engraving Courtesy Hamilton Herald-News)
GRAND CHAMPION HELPER of the Hamilton County Registered Beef Breeders Association Show last week belonged to Sylvia Sherrard of Hico. Shown here with the champion calf is Charles Goulightly of Hico, president of the Breeder Association, and Harold Walker, local vocational agriculture teacher.

Dr. Price Named Secretary of National Vet. Organization

College Station.—Spl.—Dr. Alvin A. Price, dean of the Texas A & M College School of Veterinary Medicine, has been elected secretary of the veterinary medicine division of the American Association of Land Grant College and Universities.

The professor was named Nov. 11 during the association's 73rd annual convention at St. Louis, Mo.

Dr. Price is the son of Mr. and Mrs. Sam Price of Hico.

Farm Census Workers Start Training Course

Census takers for the local area in the 1959 Census of Agriculture have been appointed and will begin an intensive training course on November 18 at 8 a. m. in preparation of the start of the field canvass on agricultural operations, it was announced this week by Crew Leader Mrs. Charles Baker of Hamilton and Comanche Counties.

The training session will be held at St. Mary's Episcopal Parish House in Hamilton, and will be conducted by the crew leader, who recently attended a five-day census training course.

The training course will cover the use of the Census questionnaire, Census definitions, interviewing, and map reading. Emphasis will be placed on the importance of locating every farm and obtaining complete and accurate information. The census takers will conduct some actual interviews as part of the training.

Census takers scheduled to take the training include Mrs. Ruby S. Richmond, C. M. Roberson, Miss Marguerite Rea, Lee M. Bottlinger, Mrs. Dorothy K. Mendorf, Mrs. Joyce Rachuiq, Mrs. Inez G. Schwalbe, Suel Eddleman, Hollis E. Warner, George J. Matthew, Mrs. Phyllis B. Ellis, J. Wayland Stephens, and Mrs. Eloise M. Parker.

Community Services Set Thanksgiving Eve At Methodist Church

Community Thanksgiving services will be held next Wednesday night, November 25, at 7:00 p. m. at Hico First Methodist Church.

Rev. George Harris, pastor of First Baptist Church, will deliver the sermon.

Other details of the program were not available to the News Review at press time Thursday.

All families in the community are invited to attend the services.

Former Merchants' Widow Buried Here

Funeral services for Mrs. Rufus L. Connolly, 90, were held at Harrell Chapel in Dublin last Thursday.

A former Hico resident, Mrs. Connolly died last Wednesday in a Dublin rest home.

Burial was in Hico Cemetery.

She was born in Mexia and had lived in Dublin 50 years. Her late husband was a former Hico merchant.

Surviving are two daughters, Mrs. Ruth Mayfield of Dublin and Mrs. Mary Easley of San Angelo; five grandchildren and eight great-grandchildren.

NEXT WEEK'S PAPER TO BE EARLY

Due to the fact that next Thursday is Thanksgiving, the News Review will publish one day early—Wednesday—in order that the staff may take the holiday along with other merchants and individuals.

Correspondents are urged to please take note and get their copy in by Monday.

Other contributors and advertisers are also urged to get copy in Monday.

Fire Destroys 3,000 Baby Turkeys at Bulman Ranch Last Thursday

Fire of undetermined origin destroyed a large brooder house on the Bulman Ranch early last Thursday morning, Nov. 12. Firemen answered the call at 6:30 a. m.

Also lost were 3,000 five-day-old turkeys and four brooders. John Bulman was raising the turkeys on consignment for J. E. Woodward. The building and young turkeys were insured.

Local firemen received another call in mid-morning Thursday, which proved to be a false alarm.

Icy Bridge Blamed For Two Accidents Sunday Morning

Cold weather and an iced-coated bridge were blamed for two accidents last Sunday morning.

A car driven by a Wichita Falls man went out of control on the Bosque River bridge, sliding and hitting the sides for more than 300 feet. A small boy was injured seriously enough to be hospitalized.

Another car, driven by a Dallas man, also was in a minor accident on the same bridge. Damage was minor in the latter case, but heavy in the first accident.

Cars were reported off the road in ditches between here and Glen Rose most of the morning.

Ray Cheek Named to Head Revamped Country Club

Ray Cheek was elected president of Bluebonnet Country Club Monday night at a special meeting held at the club to re-activate the organization.

The meeting had been called after several citizens had expressed a desire to re-organize the club.

Other officers elected were: Willard Leach, vice-president; Ellis Randals, secretary-treasurer. Directors named were Dr. W. F. Hafer, for a three-year term, G. M. Bullard, two years, and Steve Parks, one year.

The following committee chairmen were appointed: Membership, Wayne Rutledge; Greens, Paul Hamilton; Fairways and roughs, Willard Leach; Clubhouse, Odie Petsick.

The group present at the Monday meeting voted unanimously to set membership dues at \$10 per year, beginning with 1959 dues payable now.

The re-activating program will begin with the golf course proper, with improvements and activities slated for the club in general later.

Any person who would like to become a member of the club are urged to contact membership chairman Wayne Rutledge.

Bonus Day Plans Fast Progressing

Billy Wood, County Tax Collector, Submits Resignation Tuesday

Billy G. Wood, who has served Hamilton County for the past nine years as tax assessor-collector, submitted his resignation Tuesday of this week to the Commissioner's Court.

The resignation is effective January 1, 1960.

Wood has served the people of Hamilton County for the past thirteen years, having previously served as county treasurer for 2 terms prior to being elected tax collector. He would have been up for re-election next year — 1960 — had he not resigned.

Wood gave better job opportunity as the reason for submitting his resignation.

Stephenville Man Elected to Head Highway Association

W. J. Wisdom of Stephenville was elected president of the State Highway 281 Association of Texas, at its annual meeting in Mineral Wells last Thursday.

The delegates voted to schedule the 1960 meeting jointly with the National Highway 281 Association in San Antonio during the second week in September.

Besides Wisdom, officers elected included three vice presidents, Elmer Zahn of Falfurrias, George D. Barber of Mineral Wells, and E. E. Haverlah of Pleasanton.

Marshall Fornby, immediate past chairman of the Texas Highway Commission, addressed a luncheon meeting of the association. He spoke on the money value of tourist travel in Texas.

Plans for the annual Christmas Bonus Days program, sponsored by the Hico Civic Club, are rapidly shaping up. Most merchants who have participated in the program in past years have been contacted. However, committee members working the business section urge that any merchant who might be missed to contact them at once. Members of the committee are Billy Doty, Ray Cheek, M. I. Knudson, Bill Howard and Conda Salmon.

Tickets have been printed, and merchants will begin distributing them Friday, November 27.

Approximately 40 merchants will participate in the free give-away this year. Prize money in the amount of \$465.00 will be distributed to lucky ticket holders over a period of four days.

A complete list of prize money, dates for the drawings, and participating merchants will be published in next week's paper.

Christmas merchandise is appearing on local merchant's shelves daily, and most businesses will offer complete selections of gift items for the shoppers.

Mrs. S. F. Battershell is visiting in Austin with her daughter and family. Mr. and Mrs. Jack Ard and baby. Mrs. Battershell is recovering nicely following major surgery in Hico Hospital two weeks ago.

Dan Seal of Odessa and Don Seal of San Antonio spent the week end here with their parents, Mr. and Mrs. Roy Seal.

The following weather report is submitted by W. R. Hampton, local observer for the Climatological Service of the United States Weather Bureau:

Date	Temp	Wind	Clouds	Precip
Nov. 4	76	56	0.25	
Nov. 5	74	40	0.06	
Nov. 6	48	24	0.00	
Nov. 7	59	23	0.0	
Nov. 8	64	26	0.00	
Nov. 9	68	30	0.00	
Nov. 10	59	40	0.05	
Nov. 11	69	42	0.00

Nov. 15	39	25	0.11	
Nov. 16	68	32	0.00	
Nov. 17	37	18	0.00	

Total precipitation so far this year, 35.66 inches.

DEER HUNTERS' REPORTS...

Deer killed in this area Monday, opening day of the season, included the following reports:

H. D. Head bagged a 9-point buck; Vernon Hyles a 7-point; Calvin Hyles, an 8-pointer; Ed Kidwell of Fort Worth, 7-pointer on the Johnny Grimes place; and Fred Jaggars, Des Cody and E. V. Meador bagged 6, 8 and 4-point bucks, respectively, the first day. Bill Rickey of Fort Worth, hunting on the Ervin Moore place, killed a 6-point buck that weighed 148 pounds.

Second day kills reported were Pete Norwood with a 10-pointer, and Lee Britton with a giant 13-pointer.

Hunters who are successful in bagging game are urged to report their kill to the News Review.

Dr. and Mrs. Willard Sellman and children, Lin and Carla, and Tom Collin Sellman of Dallas were week end guests in the home of their mother, Mrs. W. C. Sellman.

VALLEY MILLS, CRAWFORD, PLAY AT MIDWAY

Valley Mills, winner of the district 23-B championship, and Crawford, winner of District 24-B, will meet at Midway Friday night at 7:30 p. m. to decide the regional representative of the two districts.

Valley Mills holds an early season win over Crawford.

Tigers Win Season Finale; Close Year With 7-3 Record

The Hico Tigers sacked up third place in the five-team District 23-B race last Friday night with a 6-0 win over the Evant Elks.

While Hico was winning from Evant, the Valley Mills Eagles were blitzing Meridian 38-0 for the district championship. The Eagles will now play Crawford for the bi-district title. Valley Mills owns an 18-0 early-season win over Crawford, and will be favored to advance to the regional playoffs.

The win last week gave the locals a 7-3 season record, which is the best finish of a Hico team in many years. The Tigers were defeated by Early, Valley Mills and Meridian, and won from Aledo, Boyl, Blanket, Gorman, Gatesville Training School, Cranfills Gap and Evant.

Over the season route, the Tigers amassed a total of 166 points, while allowing their opponents 15'. The largest point output by the Tigers in any one game was the 40 scored against Cranfills Gap.

The season finale last week at Evant was played under most difficult conditions. Rain and freezing weather drove all but the

hardest fans away, and the stadium was completely void of spectators. However, a good representation of faithful Hico fans managed to see the game from cars parked around the playing field.

The Tigers scored their only touchdown early in the third period after the first two quarters had been played to a standstill. Neither team could manage threats in the initial two periods, with most of the play being around mid-field.

With a stiff north wind blowing length-wise of the field, the Tigers chose to take advantage of the breeze and kickoff to Evant starting the second half. The strategy proved to be the right move as the Tigers kicked the Elks deep in a hole.

After the kickoff the Tigers took a short Evant punt on the Elk 32, and six plays later had the only touchdown needed to win the game. From the 32 the Tigers moved for a first down on the Elk 11 yard line. On the first play for eight yards to the three, and Doyle Crews got the TD on the next play. Point try was no good, and that was the ball game as far

as scoring was concerned.

The remainder of the game was played deep in Evant's end of the field. The Tigers had scoring opportunities fizzle at the Elk 24, four, one, and one yard lines.

Late in the third period the Tigers were stopped at the Elk 8 yard line, and were given another chance three plays later when a kick attempt backfired on the Elks, with the Tigers taking over on the 7. However the Tigers could move only to the one, from where Evant took over.

From their own one yard line the Elks got off a tremendous punt which carried 76 yards and put the Tigers back to their own 22. However the locals were able to keep the ball in play, with time running out 75 yards later on the Elk one-foot line. Two key plays in the drive were a 35-yard scamper by Buzzy Hedges, and another run of 22 yards by Doyle Crews.

All members of the Tiger team who took the field against Evant played a fine game. Defense was the outstanding feature of play for the night. The offense was as good as could be expected on a night when the temperature dipped to freezing, causing the team to play as cautious as possible.

Highway Patrol Lists Accident Summary for Oct.

Sergeant L. M. Hancock of the Belton area of Texas Highway Patrol released Falls, Bell, Coryell and Hamilton Counties' Rural Traffic Accident Summary for October, 1959.

The Highway Patrol in this area investigated a total of 55 accidents with the following breakdown:

- Property Damage, 38
- Personal Injury, 16
- Fatal Accidents, 1

Sgt. Hancock reported a total property damage of \$36,270.00, with 28 persons injured and one killed. This is a decrease of 10 accidents and the same number of deaths for October of 1958.

During October, 1959, the patrol in these counties made 498 arrests for the following violations:

- D.W.I., 14
- Speeding, 220
- Improper Passing, 52
- Wrong Side of Road, 18
- Defective Equipment, 27
- All Other Violations, 167.

FIGHT VICTIM—Perhaps fearing the sting of a hunter's bullet, this proud buck deer decided to end it all by fighting for the affections of a doe. Lusk Randals found the beautiful 8-point buck last Thursday while working in his pasture south of Hico. The buck apparently hung his right foot over his proud head of horns and died of fright. Many a hunter would like to put his tag on such a fine specimen as this.

Woman on Asia Will Present Sunday Methodist Church

The second season of the Methodist study on "The Church and World Missions" will be directed by Mrs. W. F. Hafer this night at 7 o'clock.

Speakers for this session are Mrs. O. C. Cook, Mrs. O. C. Cook, Mrs. O. C. Cook, and Miss Kay James. The session will be a behind-the-scenes look at established missions.

FAIRY

By MRS. EUNICE DANIEL

Winter has struck again today. Monday, with full force and temperatures dropped to as low as 20 degrees Monday night.

Farmers who had cotton to pull have got a few more bales since the last bad spell of weather. The Willie Turners, who have out about 27 or 28 bales, only liked two or three getting their crop finished. However the rest of the ground is very wet and they jokingly stated they might have to wait until the

ground freezes over to finish up. Marvin Noland, who has some cotton on the Esteen Latham place also has been pulling on very wet ground and stripping a few rows here and there where the ground is dry enough. He, too, likes several bales yet. So we hope this cold spell doesn't bring much, if any moisture.

Mrs. Myrtle Enger of Brady and grandson, Jerry Lee Smith of Milwaukee, Wis., who is visiting his

parents, Mr. and Mrs. Lester Smith of Brady, came in Monday afternoon for a visit with Mrs. Enger's sisters, Mrs. E. M. Hoover, Mrs. Gladys Cox at the Hico Hospital, and the writer and their families. Mrs. Enger plans to remain a week or two to help in the care of her sister, Mrs. Cox, who is ill.

Mr. and Mrs. John Sikes and Mr. and Mrs. Wendell Sikes of Bovina visited recently with their daughter and sister, Mr. and Mrs. J. W. Ballard and family of the Lanham community. Mrs. John Sikes is the former Miss Lora Wilson of near Fairy.

Mr. and Mrs. J. R. Latham of Turnersville have moved to the Esteen Latham farm. The Esteen Lathams have moved to their home in Hamilton which they recently purchased. Mr. Latham had to retire from farm work due to his health. We hope they will be well pleased in their new location.

Funeral services for Mr. Thornton, 84, father of Herbert Thornton of New Mexico, but formerly of Lanham, were held Tuesday afternoon at Hamilton, with burial in the Evergreen Cemetery. He is survived by several sons and a daughter. His wife passed away a year or so ago. Our sympathy is extended to those bereaved in his passing. He passed away at the Willeford Rest Home in Hamilton.

Mr. and Mrs. Charles Wilson and Teresa of Houston came in this week for a visit with her parents, Mr. and Mrs. N. S. Sellers of Hamilton and her sisters and brothers, Mr. and Mrs. Wesley Jones and family, Mr. and Mrs. Raymond Jones and family, Mr. and Mrs. Carl Ray Sellers and family, Mr. and Mrs. Frank Sellers and family, Mr. and Mrs. Dewey Sellers and Mr. and Mrs. Norman Thompson. Mr. Wilson plans to go on a deer hunt while in this section.

Birthdates for this month are: Mrs. Edwin Sellheimer of Fort Worth, Nov. 2; Audit Parks, Niv. 6; Mrs. Brittle Little, Nov. 13; Mrs. Fannie Adams and the late James Dudley Richardson, Nov. 18; Frank Hines, Nov. 21; Cal Loney, Bert Worth, Nov. 24; Cabert (Louie) Daniel, Nov. 25; Happy birthday to those with November birthdates.

We are glad to report Mrs. Mamie Bonner improved and now able to walk some with aid. She is still a patient in the Hico Hospital.

Mr. and Mrs. D. E. Allison and little granddaughter, Karen Pittman of Dublin visited here Sunday in the home of his parents, Mr. and Mrs. Ed Allison, and her sis-

ter, Mr. and Mrs. Carl Ray Sellers and family.

Mr. and Mrs. E. M. Hoover are expecting a visit and reunion with their children and families during next week. These are Mr. and Mrs. Lloyd Bolstad and family of Laurel, Miss. Mr. and Mrs. Darwin Hoover and family of Daly City, Calif., and Mr. and Mrs. Ralph Spencer and sons of Lubbock. But Mrs. Hoover informed us Tuesday that she received a message Monday night from their son stating that their eldest son, Charles D. had received a bad fall Sunday and that at this time he didn't know when they would be able to come. Darwin, who works for the Santa Fe Railroad, was transferred to Los Angeles recently. He and his wife's parents, Mr. and Mrs. Sidell of Los Angeles were looking for a new place of residence when they received a phone message from his wife informing him of the child's fall. The accident happened some time Sunday. Mrs. Hoover and the two small sons and friends had gone to inspect building progress on a new Church of Christ building at Daly City. Charles D. had gone up some 20 feet in the attic and fell onto concrete. He received cuts and bruises, one gash on his forehead, which seemed to bear the main brunt of the fall, required thirteen stitches to close the wound. He is eleven years old. He will have to stay in bed and lie on his back for a few days. We were very sorry to hear of his misfortune and hope he will suffer no ill effects other than those mentioned from the fall.

Well, the weatherman says we had 21 degree temperature Monday night, with the same due for Tuesday.

We were very sorry to learn of the passing of Mr. Will Smitherton who died last week in a hospital. Mr. Smitherton was the father of Mrs. Will H. Day, formerly of Fairy. He had attended church here a number of times while visiting in the Lathams' home. He formerly resided near Hamilton, but had been near his daughter Mrs. H. Day, who now lives near Hamilton. Funeral services were held at the Reagan St. Church of Christ in Hamilton, with Bro. Dennis officiating. Our sympathy is extended to Mrs. Horsley and son and the other surviving relatives at this time of sorrow.

A nice program was held at the school last Friday afternoon in honor of Armistice Day, which was very interesting according to those who attended. Names of World War I and II and also Gold Star Mothers was read, and those who gave their life in service of their country.

We have one or two days of work to get done at the cemetery as soon as the weather and help permits. All available help has been helping in the gathering of cotton and other farm work, but we hope to complete the work in

the near future. Thanksgiving and Christmas is just around the corner, when relatives will want to beautify graves of loved ones, and we, too want to have all lots in good order at this time. There is no big growth of weeds on any lot. Just a few lots that have the flat weed which seems to withstand severe temperatures and still stay green. Thanks to Fred Rainwater for the two nice loads of sand hauled in for filling purposes. We'll now be prepared to take care of such work when necessary.

We received a donation of \$2.00 from Mrs. Willie Pittman last week, stating she would like to have the mounds built up some on the R. O. Lackey and Ralph Pittman graves. We will get this done as soon as possible. Thanks to her for the donation.

The writer spent Sunday afternoon and night at Hico Hospital with our sister, Mrs. Gladys Cox, who is gravely ill. Our little hospital is a very busy place. We feel quite proud of it and its staff of doctors and nurses. Several emergency cases came in Sunday night and those nurses are right on the ball and ready to give the best of service.

All they like now is a good cafeteria in connection with the hos-

pital to have the job completed. Many with relatives there who can not be left long at a time would appreciate the convenience of a place to get meals in a short time. May this enterprise keep progressing until we have one of the best.

Mr. O. E. Whitson was carried to Fort Worth this week where he will receive treatment for growth in his throat.

If there were some way by which our bodies could be assured of adequate and proper exercise and rest, a complete, balanced diet of organically grown un-poisoned food, our bodies kept free of any interferences to the normal transmission of nerve energy, our minds free of all fear and our hearts full of love for one another, there would be no need for medicine or Chiropractic.

This is indeed a dream of Utopia, but since such a situation cannot exist under our present way of life, let us remember this one thing—Health is a journey, not a destination.

Dr. Robt. H. Walker

ALEXANDER

By MRS. ALICE WILSON

Youth night will be held Friday, November 20 at the Baptist Church. All age groups are invited.

Mrs. O. V. King is a patient in the Hico Hospital. Her many friends wish for her a speedy recovery.

Visitors Sunday with Mr. and Mrs. Troy Vaughn were their son, Billie Ray Vaughn from Lorraine and Mr. and Mrs. Dock Childress of Fort Worth.

Mrs. Jessie Medford, who has been ill for several weeks, is improving. Her many friends wish for a speedy recovery.

Wayne Carr was ill several days last week and confined to the Dublin Hospital. We are glad to report he is able to be back in school this week.

Mr. A. D. Gray from Taylor was here on business last week.

Word was received here last Friday of the death of Mr. Henry French, who formerly lived here.

Mr. and Mrs. Roy Dunlap and daughter and Mr. and Mrs. Raymond Dunlap of Dallas visited their parents, Mr. and Mrs. Austin Dunlap and Mark during the week end.

Governor Issues Proclamation On Christmas Seal Days

Governor Price Daniel proclaimed Christmas Seal Days in Texas as he visited with a small recovered tuberculosis patient, Leonard Alcala of Austin.

Said Governor Daniel in his proclamation, "For hundreds of years man has battled against disease. For more than fifty years, his battle against tuberculosis has been hard and rewarding."

"Today, tuberculosis as a killer is being curtailed in this country by modern drugs and improved patient care and rehabilitation facilities. But tuberculosis as a communicable, widely prevalent, expensive and long-lasting illness is still to be reckoned with."

Mr. and Mrs. Ed Lawrence returned home Monday after a two-week visit with their daughter, Mrs. Frank Cunningham and family in New Mexico.

There are a lot of deer hunters in our town now. Hope no accidents occur.

TELEPHONE STATION-TO-STATION

Long distance telephone service is economical anytime. But when you call station-to-station, then it's downright cheap. Actually you can make three calls for the price of two. There's no sacrifice in service, either. And remember you save even more by calling after 6 p.m. any day or all day Sunday. Already low rates are even lower at these times.

Iredell Baptist Church

James T. Draper, Jr., Pastor

As we approach the end of November, we are faced with multiplied activities in our church. For the young people we are giving a party this Friday night, November 20, at 6:30 p.m. We will meet at the church and go to Meridian Lake for a weiner roast, and some fun and fellowship. We feel that we have the finest young people any where and always enjoy providing things for them. We encourage all between the ages of 12 and 24 to attend this Friday evening.

On November 30, the Associational Brotherhood will meet at our church. The program will begin at 7:30 p.m. We anticipate a wonderful group of men and know that it will be a great time of fellowship and study for us on that evening.

We encourage all the Iredell Baptist folks to be faithful to the activities of our church during the cold weather ahead for us. We must all go all out to keep our church moving forward during the winter months. We can help do this by being present at prayer meeting at 7:30 p.m. on Wednesdays. Come and bring your Bibles.

Deer Hunters Urged To Save Hides for Hospital Patients

Austin, Nov. 18. — Operation "deer hide" will be in effect again this year, it has been announced by the director of information of the Game and Fish Commission.

Hunters are asked to save their deer hides for use by hospital patients. Formerly they were sent only to tubercular hospitals, but this year they will be made available for patients in mental hospitals and special schools.

Wherever possible the hides should be sent to L. M. Rathbone, Austin taxidermist, who will handle them out to the tanneries. Hunters should rub salt on the green hides before sending them in. If the hides cannot be delivered direct to the taxidermist they should be left with the nearest frozen food locker plant. These locker plants will then route them to Austin over motor freight lines which have agreed to handle them when they are marked "charity."

On hides west of the Pecos, they should be routed to the Russell Williams Food Locker on N. Grand Street, Odessa. From there they will be picked up and routed to Austin.

From Austin they will go to tanneries, and then be sent to the hospitals for use of patients in handicraft.

The entire operation is on a cost-free basis, under direction of the Board of Hospitals and Special Schools.

A Sharp Pencil...

IS ONE OF THE MOST IMPORTANT TOOLS IN OUR BUSINESS !!

WE USE THEM TO HELP YOU BUILD THE THINGS YOU NEED

Yes, we have a full stock of the finest quality building materials but more than that, too. We have the "know-how" service that helps you transform your building and modernizing dreams into real plans and specifications. We can compute your costs, show you how you can build to fit your income.

Let us visit with you about your building plans, without cost or obligation to you. That is just one of the many services we are proud and happy to render.

WE'RE AT YOUR SERVICE AT ANY TIME

Time to get that Electric Clothes Dryer!

You can laugh at Old Man Winter when you dry your clothes electrically. No more chapped hands from hanging up wet clothes in a chilly wind. No more letting dirty clothes pile up while you wait for a warm-up. With an Electric Dryer, you can dry clothes in comfort and on schedule, no matter what the weather. Your clothes dry better, too, in clean, gentle, precision-controlled electric heat. And you're spared all the back-breaking work of clothesline drying.

See your electric appliance dealer!

O. L. DAVIS District Manager

CARLTON

By MRS. FRED GEYE

News was received in Carlton Monday of the death in Abilene of Walker Bingham. Funeral services and burial were held in Carlton Tuesday. He was a former long-time resident of Carlton. The obituary will be given in next week's news.

Mrs. Jessie Finley received painful burns on her foot Friday morning when a kettle of boiling water fell off the heater. She was rushed to the Hico Hospital and remained there until Sunday.

Visitors last Sunday in the home of Mr. and Mrs. H. E. Jones were her brother and wife, Mr. and Mrs. Jake Bingham, Mr. and Mrs. Dorsey Bingham of Hamlin, Therin Bingham of Anson, Buster Bingham of Abilene, another brother and wife, Mr. and Mrs. Albert Bingham of Cleburne, and Jim Bingham of Hamilton.

Mr. and Mrs. Don Barnett of Dallas spent the week end with their parents, Mr. and Mrs. George Barnett, and Tull Thompson and sons.

Mr. and Mrs. Barney Waldrop

of Dallas were week end visitors with Mr. and Mrs. Walter Smith and Danny.

Mr. and Mrs. Armo Turney of Fort Worth spent Thursday night with his sister and husband, Mr. and Mrs. Sid Fine.

Mr. and Mrs. Doyle Partain of Fort Worth spent the week end at their home here.

Miss Wanda Sowell, a student at the University of Texas, Austin, was a visitor over the week end with her grandmother and aunt, Mrs. Hattie Sowell and Mrs. Jess Reeves and husband.

Leland Bingham of Hobbs, New Mexico is visiting his father, W. L. Bingham.

Mr. and Mrs. Leo Finley and Bob of Walnut Springs were visitors Wednesday night with his mother, Mrs. Jessie Finley and Mrs. Leo Finley's sister and husband, Mr. and Mrs. Hob Thompson.

Mack Ellison returned Thursday to his home in Crosbyton after a visit with friends and neighbors.

Carlton Basketball Teams Play Four Games in Two Weeks

The Lingleville girls had trouble finding the basket during the entire game, but especially during the first quarter when they scored only two points. After that neither team could gain more than one point a quarter. The final score was Carlton 43 and Lingleville 35. Cox of Carlton and Cansten of Lingleville shared high point honors with 16. Other scorers: Carlton, Robinson 14 and Sharp 13; Lingleville, M. Lucas 15, Hare 2, and D. Lucas 2.

The Lingleville boys defeated Carlton 51-46 in the second game. Lingleville had a two-point lead at the end of the first quarter which was not overcome until midway of the fourth period when Carlton had a one-point advantage. Neither team ever had more than a five-point advantage. Jimmy Thompson's nine field goals and eight free shots produced 26 points for scoring honors. For Lingleville Williamson and Sparks shared honors with 13 points each.

CARLTON LOSE TWO GAMES TO LINGLEVILLE

Carlton played hard, but couldn't stay in striking distance of a much-improved Lingleville girls team. The week before the Lingleville team scored only 35 points during the entire game, but led in this game 41-24. For a short time during the third quarter Carlton set a defense which slowed Lingleville.

For Lingleville M. Lucas scored 30 points, followed by Canster's 21 and Hare's 19. Ten of Hare's points were scored during the first quarter. For Carlton Roberson's 20 points was high, followed by Cox with 15, Sharp with 14 and White with two. The game was well-played and hard fought by both teams. Lingleville made a higher percentage of their shots and controlled the rebound on both ends. Forty-one fouls were called in the game.

The Carlton boys lost a close, hard-fought game to Lingleville 39-34. Although the game was close only 16 fouls were called.

Lingleville pulled away in the second quarter when they made 15 points to Carlton's 8. Jimmy Thompson was high point man with 16 points, followed by Jimmy Longino with 6, Max Tatum with 3, Dwayne Spurger with 7, and Macky Theford with two.

For Lingleville Sparks scored 11, followed by Williams 10, Hicks 8, Henderson 6, Jerry Henderson 3, and one for Tate.

Carlton Elementary Cagers Split Two Games With Huckabay

The Carlton Elementary girls' team jumped into a 10-4 lead at the end of the first quarter, and 18-6 at the half and went on to defeat Huckabay last Thursday.

Huckabay played hard, but Carlton had too many guns to be stopped. Every player on the Carlton team played at both guard and forward.

Carlton's fifth and sixth graders played most of the fourth quarter. Points scored by Carlton were as follows: Linda Sharp 12, Hazel Scales 2, Agatha Miller 5, Virginia Theford 6, Janene Longino 4, Sally Hayes 7.

The Huckabay boys slipped by Carlton 31-21. The game was close all the way until about the middle of the third period when Huckabay pulled away. The Carlton boys had managed for snappy looking red and white suits with red numerals through Coach Thompson and the mothers.

Carlton's boys who played and scored points were: Jack Self 8, Sonny Roberson 6, Toby Ballard 1, Gary Jordan 2, Robert Helton 4, Bryan Spurger and Dwight Theford.

CARD OF THANKS

We wish to thank everyone for the many acts of kindness shown us during our recent bereavement. For every kind consideration we are most grateful.

The Kirkland Family.

Annual Halloween Carnival At Carlton Raises \$423.64

The Annual Carlton Halloween Carnival was a success in furnishing entertainment for the community and giving each class an opportunity to accumulate class money, especially for the Junior and Senior classes for their annual trip. The merchants of Hico, Hamilton, Dublin and Stephenville donated merchandise for prizes.

The High School Queen was freshman Sally Helton, and her King was Roy Lunsford. It is quite unusual for a freshman class to elect a queen, but hard work paid off for Sally and her friends. The following amounts were raised by the high school classes: Freshman: Sally Helton and Roy Lunsford, \$68.75; Senior, Nora Miller and Max Tatum, \$65.30; Junior, Novis Cox and Sidney Miller, \$36.07; and Sophomore, Clara Sue Reich and Freddie Self, \$35.00.

The Grade School Queen was eighth grader Jeanne Bowden, and her King was Gary Keith Jordan. The grade school developed into

a very close race between the 7th and 8th grades. The following amounts were raised by the classes: Eighth grade, Jeanne Bowden and Gary Keith Jordan, \$26.08; Seventh grade, Hazel Scales and Toby Ballard, \$23.10; Sixth grade, Patsy Scales and David Chapman, \$12.79; Fifth grade, Mary Walker and Bryan Spurger, \$10.21; Third grade, Teresa Austin and David Fine, \$5.96; Fourth grade, Joyce Lyn Carroll and Darwin Cox, \$5.51; Second grade, Julia Lynn Patterson and Dale Sills, \$4.52; and First grade, Debra Fine and John Wayne Reich, \$2.52.

The total income for the classes were: Junior-Senior, \$146.54; Sophomore, \$42.50; Freshman, \$86.06; Eighth, \$35.30; Seventh, \$32.32; Fifth and Sixth, \$33.33; Third and Fourth, \$22.81; and First and Second, \$24.79.

Funds will be used by each class under the direction of their sponsor.

A grand total of \$423.64 was raised.

'The P-TA Story' Theme of Golden Jubilee Convention

"The P.T.A. Story" will be the theme of the Golden Jubilee Convention of the Texas Congress of Parents and Teachers when the organization meets in annual convention in Dallas, November 18-20. Fifty years ago the Congress was organized in that city.

Sessions will be held in the new Memorial Auditorium, with Mrs. W. D. deGrassi of Amarillo, state president, presiding at her home convention. She will make her annual report.

Mrs. James C. Parker of Grand Rapids, Michigan, president of the National Congress of Parents and Teachers will be the national representative and will address the convention the first evening. Her administration theme, "Strengthening the Home—Source of Our Nation's Greatness," will be developed by pageant by Dallas school children.

Other highlights will be a discussion of "Creative Living in the Modern World" by husband-and-wife team, Drs. Harry and Bernice Moore of the University of Texas and Hogg Foundation, Austin; addresses by Leland S. Austin, vice president of the National Bank of Commerce, San Antonio on "The Family and Money Management"; "Our Values and How We Come by Them" by the Rev. Thomas Shipp, pastor of Lover's Lane Methodist Church, Dallas; a panel on "The P-TA Challenge to Creative Living"; a symposium on "Committees in Action"; state chairmen's conferences.

Representing Governor Price Daniel will be Brad Smith of Austin, assistant to the Governor and director of the Governor's Highway Safety Commission.

Mrs. Leon S. Price of Dallas, past state president, national chairman of publicity, and member of the state steering committee of the White House Conference, will make a progress report on that work.

Dr. C. H. Dent of the University of Texas and state chairman of workshops, will summarize the convention the last morning.

Special guests will include—besides representatives from cooperating organizations, superintendents, principals, teachers, school board members, participants, in chairmen's conferences—the presidents of three State Congresses, Mrs. W. B. Myrick of Baton Rouge, La.; Mrs. J. E. Beth of Wellington, Kansas, and E. D.

Trice of Texarkana, Ark. Also Dr. J. W. Edgar of Austin, State Commissioner of Education; Vincent Miller, Pasadena, president of Texas State Teachers Association; Durward Grubb, Abilene, president, Texas Classroom Teachers Association; Jesse Adam, Dallas, State director, School Savings Bond Division, U. S. Treasury.

There will be reports of committees, greeting, special music, singing, a tea for delegates, other social courtesies, and presentation of membership and life membership awards.

Voting for officers will take place the second day and the officers will be installed the last morning. The state president, Mrs. T. W. Whaley, Kossel, for first state vice president, Mrs. W. J. Danforth, Fort Worth; for second state vice president, Mrs. F. C. McConnell, Austin; for recording secretary, Mrs. Odell Bailey, Fort Worth.

R. L. Dickson of Fort Worth and Mrs. N. R. Dickson of Houston will be the state and with their husbands, Mrs. Frank Dickson and Mrs. S. L. (Luther) Turner of Waco were visitors in Hico last Thursday.

The Mirror

PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

EDITOR JUDY GRIFFITHS ASSISTANT EDITOR CAROLYN PATTERSON

AND ?

The couple of the week is Billy Booth and Kay Yocham. Kay is a Junior this year, and Billy graduated last year.

Kay is a very active member of high school activities. She plays basketball, and is one of the better students. This year she was chosen as Football Sweetheart. She is also a member of the cast of the Junior play and is on the Annual staff.

Billy was in the Senior play last year. He is interested in cars (especially his '33 Ford), chewing tobacco, and hunting.

Good luck to you two in the future.

THE SPOTLIGHT

Friday night was such a terrible night I didn't see many kids out. The ones who went to the ball game were just about frozen when they got home. Although Evant was selling hot chocolate and coffee it didn't seem to warm any of us very much. After you stayed out in it for a while it wasn't so bad because you didn't realize you were cold—you were already frozen into a numb statue.

Those I saw were Judy M. and Buddy A.; Linda H. and Lee F.; Sheila P. and Wayne W.

Saturday was very mild compared to Friday and this caused people to stir around a little I suppose because I got on the trail of several couples. The ones that I spotted were: Anita M. and Monty O.; Tommy J. and Clarence S.; Judy G. and Steve O.; Shirley G. and Otis B.; Kathy H. and Ronnie K.; Margaret W. and Bobby B.; Fay M. and Neil E.; Sheila P. and Wayne W.; Linda H. and Lee F.; Gwen G. and Van H.; Joy L. and Charles T.; Judy M. and Buddy A.; Carolyn P. and Wayland W.; Carol A. and Royce S.

Sunday was bad again, and not many were out roaming around. The ones I saw were: Joy L. and Charles T.; Judy M. and Buddy A.; Judy G. and Steve O.; Carolyn P. and Wayland W.

WHO'S WHO

Class—Senior.
Sex—Female.
Miss X's number-one interest is

basketball. Having lettered as guard the previous three years, she looks as if she is going to be "pretty sharp" this year, too.

She ranks high among the students and teachers for her dependability and good grades. Her temper just doesn't seem to be.

Being a diligent worker, Miss X's name appears on many committees. She is also president of the FHA, and captain of the basketball team.

Miss X's ability as a typist seem to keep her busy working for a certain little man in Junior High, namely Mr. Watson.

I'm sure that by now you identified Miss X as JUAN LIAMS, better known as Juan. Good luck to you Juan! up the good work.

— H H S —

JUNIOR HIGH NEWS

Finally, the girls have basketball practice. We played Freshman class Friday. The was about 36-14. Freshman or, just wait—We'll fix the another three weeks.

If you don't want to see you look like to other don't go into the 5th grade. have pictures of dinosaurs on their bulletin board, I think couple of them sit at. They also have posters on the and products of corn.

The fourth grade has a on colonial life, illustrating stage, log cabin, etc. on the and their positions in orbored lights take the place planets.

NEW STUDY ON PINK BOLL WORM

A method of screwworm eradication which has proven highly effective in the Southeastern states is now being quietly studied for its possible application to pink boll worm control.

The method is based on the release of billions of screwworm flies which have been rendered sterile for reproduction by exposure to radio-active cobalt. Since July, 1958, more than two and three quarter billion sterile flies have been turned loose over nearly 85,000 square miles in Florida and parts of Alabama and Georgia. It has been amply demonstrated that sterile male flies mating with native female flies produce eggs which do not hatch, thus eventually obliterating the species.

The program has proven so effective that officials have reported that no cases of screwworms have been found in Florida since June 17, and no cases have occurred in South Carolina, Georgia or Alabama this year. In this same area the average of reported cases used to run about 40,000 a month. Now the possibilities in the release of sterile, male pink boll worms are being investigated. Test are in progress to determine the amount of irradiation needed to sterilize pink boll worm larvae, pupae and adults. If this method of control is found to be feasible, as has been the case in the screwworm eradication program, it will require the rearing of millions of pink boll worms in the laboratory. A synthetic diet for the pink boll worm already has been found. The problem now is to develop a technique for rearing the cotton pest on a mass-production basis.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

With Thanksgiving and Christmas coming up, many housewives will be using more eggs than is normally used. And of these the chances are that quite a number of good, usable eggs will be thrown away because of a blood spot. Small blood spots do not make a bad egg. The spot is caused by a drop of blood coming off with the yolk as it breaks loose from the egg cluster, and drops down into that part of the hen where the shell is placed around the egg. As a rule we do not think or object to the blood that remains in the veins and other blood vessels of meat and poultry that is consumed. Though all blood that possibly can is drained from the animal or bird. Still, if a blood spot is seen on an egg, the egg is generally thrown away. Why not use these eggs in baking or most any way eggs are prepared? — E R L —

John McHaney, extension economist at A & M, says that better days may be found ahead for hog producers. Farrowing intentions for December 1959, February 1960 are down four per cent from last year in the 10 Corn Belt states. If intentions are followed this will be the first reduction in two years and may stimulate a price increase. Farrowing intentions for the period March 1960 to May 1960 will be reported in December, and if the number of pigs born in this quarter show a decline, then we can assume hog numbers have turned the corner and headed down, states McHaney. — E R L —

An all-out effort for eradication of brucellosis is now underway throughout the United States. Twenty-one states and more than half of the nation's counties are now modified certified free. Of the 254 counties in Texas, only three, Jeff Davis, Brewster and Presidio are modified certified areas, says C. M. Patterson, extension veterinarian. Patterson also states that cattle infected with brucellosis suffer a 20 per cent reduction in milk production. They calve on the average of every one and a half years rather than yearly. In addition, notes Patterson, the resulting abortions, sterility and difficult breeders increase replacement needs by 30 per cent. A beef cow that loses 20 per cent of her milk production will wean a calf 10 per cent lighter than normal. Swine producers also lose from this disease. Infected sows abort or give birth to weak litters. Sows frequently become sterile following abortion. This disease damages the bones of the spine, with resulting paralysis in up to 20 per cent of infected animal. Brucellosis is the most common cause of fistula of the withers in horses. It frequently is responsible for waterbags forming on knees of both horses and cattle. In humans brucellosis is a lingering disease of the bloodstream.

CLAIRETTE

By MRS. LUCILE MAYFIELD

Old Man Winter paid us a cold visit over the week end.

Mr. and Mrs. Roy Harvey visited recently in Mineral Wells with their daughter, Mr. and Mrs. Horace Roe and family.

Herman Moody was in Colorado City the past week.

T. L. Thompson and children of Fort Worth spent the week end with Mr. and Mrs. Artie Thompson.

Jack Mayfield received word last week that his brother, Paul Mayfield of Calif. is seriously ill with a blood clot in his leg.

Mr. and Mrs. Jesse Mack Lee of Fort Worth spent the week end with his aunts, Eunice and Nola Lee.

Mrs. Zena Havens, who has been ill for some time is getting along about the same.

Mrs. Cora Edwards is slowly improving after being ill several days.

Mrs. John Willis has been ill for the past week.

Mr. and Mrs. Henry Mayfield attended the turkey supper and meeting of World War I Veterans at the VFW hall in Stephenville Tuesday night of last week.

John Burk became ill last Wednesday and was carried to the Hico Hospital.

A. E. Harvey suffered a stroke Tuesday and was carried to the Hico Hospital. His daughter, Mrs. Jessie Fay Partain of Georgetown

is at his bed side.

The Home Demonstration Club members met Thursday afternoon with Mrs. Sally Rush.

News was received last week that Mr. and Mrs. H. L. Self of Ames, Iowa, have a new baby boy. They have other children, all girls.

Mrs. T. E. Cheatham of Fort Worth spent last week in the Charles Golightly home.

Mr. and Mrs. Charles Golightly, Mrs. John Golightly and Mrs. Marvin Rush attended State Farm Bureau Convention at San Antonio last week.

Mrs. Rush Hostess To Clairette H. D. Members Last Week

Mrs. Marvin Rush was hostess to the Clairette Home Demonstration Club November 12 at her ranch home south of Clairette.

The meeting was called to order by Mrs. Rush, the president. Song was led by Mrs. Huckabee, with Mrs. Loden at the piano. Mrs. Loden led the group in unison in the club pledge and club prayer.

For recreation Mrs. Rush prepared the drawing of names of members and their husbands for gift exchange at the annual Christmas party.

Roll call was answered with a table decoration suggestion.

Mrs. Johnson and Mrs. Wife were both lucky ladies and each received identical gifts from Mrs. Rush.

In the business meeting the members decided to help prepare and serve food at the annual Hereford Show and Sale in Stephenville in January.

Club members gave reports of canning and freezing of food, and other additions of improvement to homes during the past year.

At the close of business Mrs. Golightly gave a very interesting demonstration on the care of clothing and closets in our home. The hostess served a delightful refreshment plate and cold drinks to Mrs. John Golightly, Mrs. H. G. Wolfe, Mrs. Odie Huckabee, Mrs. Chance Sterling, Mrs. Frank Johnson, Mrs. George Loden, Mrs. Pearl Durham and Mrs. John Willis.

The next meeting will be Nov. 20 with Mrs. Sterling as hostess at her home. Our Christmas party will be planned at this date, and all members are urged to be present.

Reporter.

ELK KILL—Ervin Moore, right, killed the huge Elk shown above during his annual hunt near Meeker, Colorado last month. The Elk weighed between 900 and 1000 pounds, and had an antler spread of 46 and a half inches.

Central Texas Notebook

Fire Department Campaign Cited By Dallas Newsmen

By THOMAS TURNER
Central Texas News Bureau
of The Dallas Morning News

Hico, Texas—This little town nestling in the northern corner of Hamilton County may be Texas' safest, when it comes to fires.

More than 150 homes in Hico have their own personal fire extinguisher. That's a pretty big percentage in a town of about 1,200 people.

It didn't just happen. The town's volunteer fire department put on a city-wide selling campaign, spiced with their big red engine.

Here's how Fire Chief Glenn Higginbotham, who runs the H&B Grocery on a downtown corner, explains it:

"Ours is strictly a volunteer department—24 men and a chief. We had no money to speak of to help out a man who might get injured, so we decided to raise some somehow. A TV shop here had nearly 200 of these little portable home-type extinguishers. I believe some high school class ordered

them to sell and didn't do very good at it."

"We figured we'd give it a try," says Higginbotham. "We got the truck out and we made a swing through town, door to door. They sold pretty good after we explained the idea. I guess a lot of people bought them just to help us out, but they were doing themselves a favor too."

The firemen peddled 175 of the portable extinguishers, most of them to homes and the rest to stores.

Higginbotham said he'd already heard of an instance where a man probably saved his car from burning up by using the extinguisher, and where another user stopped a fire in his home.

Hico has such a good fire record that it has a 15 per cent "credit" for its insurance policies, which means a saving to each policy owner. The town hasn't had a bad fire in seven years.

Where was it? In the back of Chief Higginbotham's store building. Only he wasn't using it then, it was an auto supply store.

DUFFAU

By MRS. PASCAL BROWN

Visitors with Mr. and Mrs. C. B. Burgan Sunday were Bill Burgan of Corpus Christi, Mr. and Mrs. Junior Burgan, Vicki and Billy Earl of Hamilton.

Several in the community attended funeral services for Mr. Henry French of Fort Worth last

Raymond Johnson of Odessa was a guest of his mother, Mrs. Tom Johnson the past week end. He also visited with his sister and family, Mr. and Mrs. Woodie Wilson, and his brother, Mr. and Mrs. Leland Johnson and Tommie. While here he visited with his aunt, Mrs. Laddie Hardy, who is seriously ill.

Mrs. Curtis Keeney and son, Butch, of Waco, Mr. and Mrs. Charles French and children of San Saba, and Mr. and Mrs. Roscoe Purdom of Stephenville were guests last week end in the home of Mr. and Mrs. Roy French.

Children Can Get Well and Stay Well

The best guarantee against harmful effects of falls and other types of injury is a visit to your Chiropractor.

Many childhood injuries result from falls as children run and play. There is also a possibility of receiving spinal injuries at birth.

Asthma, allergies, skin rashes, stomach and bowel trouble are but a few of products of spinal injuries.

A seven year old girl with a history of five years of asthma was brought to our Stephenville Clinic by a distraught mother. Everything tried previously had only brought temporary relief. Every night the battle for sleep was renewed. Mother was on the verge of hospitalization because of fatigue.

After our spinal nerve analysis and xrays located the cause it wasn't long before relief came. This little girl is now attending school and all symptoms of asthma have gone, along with her allergies.

Hico Office Hours: Tuesday and Thursday, 9 a.m. to 5 p.m.
Stephenville Hours: Mon., Wednesday, Friday, 9 a.m. to 5 p.m.
