ONLY HOLIDAY ACCIDENT—Only accident reported in this area during the long July Fourth holiday weekend occurred five miles from Hico on Highway 220 early Sunday morning. Two persons, Rev. Oran G. Dalton, 51, of Fort Worth, and Mrs. Amberdean Sills, 63, of Evant, were injured when the 1955 DeSoto shown above crashed into the guard post and culvert after skidding on wet pavement. Rev. Dalton suffered a dislocated hip, lacerations and bruises, and Mrs. Sills received a severe injury to one leg. She also suffered bruises and lacerations. The couple were en route to Hamilton at the time of the accident, where Rev. Dalton preaches once a month.

Quiet Fourth Spent By Most in Area

"No shootings, no drownings, no accidents—no nothing."

That fairly well sums up the long July Fourth holiday period around Hico and area.

Only accident reported was Sunday morning on Highway 220, injuring two persons.

Most local people confined their activities to a quiet day at home, with few of them venturing out on the highways. Patrolman Kenneth Duderstadt of Hamilton stated that for the most part drivers on the highways were acting civil for a change. He said a few "wild ones" were out Friday, but they tapered off for the remainder of the weekend.

With the holiday falling on Tuesday, most people had to work Monday, thus curtailing a greater portion of the usually heavy traffic.

Mrs. Aubrey Smith of Dalas and her grandson, Mark Armstrong of Mississippi visited in the home of her brother, Mr. and Mrs. Sim Everett Tuesday of this week. She also attended the homecoming at Carlton.

Mrs. A. E. Wentz of San Antonio visited in the home of her brother, Dr. and Mrs. W. F. Hafer and Caudia Friday and Saturday of last week.

OHIO VISITORS

Mr. and Mrs. James Howard McCook and children of Cleveland, Ohio visited in the home of Mr. and Mrs. Roy Seal and Don Wednesday of this week.

BY MORSE ROSS

League Secretary

In playoff of three postponed league games Blair's high-stepping Whiz Kids took four points from Dunlop Lo-Pros, Hico Motor Darts whammed First National Bank 4-0, and Howard's unpredictable Pill-rollers rolled the highest league of the season to hold Salmon's Shoppers to a 2-2 draw.

In regular play Friday night the Whiz Kids paralyzed the Pill-rollers 4-0. Joan Keller rolled high ladies series of the week with a 413 and Bill Leach had a nice 138 game to help the Blair team defeat the Howard team which evidently ran out of high octane against the Shoppers Wednesday night. Blair's stretched their lead to 6 and a half points over the strong second place News Review Newshounds.

The News Review team climbed into second spot by overpowering Wilson Cleaners 3-1. Steve Parks scattered 54 pins over his average and Watt Ross had a 486 series to lift the Newshounds. Red Lackey rolled a 182 game which was high for the Cleaners but Buddy and Judy Ables teamed up with two good games to win one point.

First National Moneychangers were far the best team in the league Friday night. George Kilgo's 533-197 and Buddy Randals' 469-172 was too much for Dunlop's Lo-Pros (lessons free) and swept them 4-0. Congratulations are in order to the Dunlop team for their uniforms and good sense of humor.

Hico Motor's orbiting Darts took the fading Shoppers 3-1. Ruth Salmon's 379 series was not enough to contain the Dodge quartet consisting of Sarah Reeves, Betty Walker, Jimmie Ramage and Tex Knudson.

The game between Cheek Furniture and Judy's Absent Beauties was postponed until a future date. This was the first week that there was no ties in league standings. The league seems to be leveling off into a race for second place unless the Whiz Kids have a reversal in form. High scores for the week and standings for the 11 weeks follows:

High team series: First National 1662; Darts 1575; Salmon's 1530. High individual series, ladies: Joan Keller 413; Ruth Salmon 379; Marlene Kilgo 370.

SAMPLE PAPERS

Several hundred sample copies of this week's issue of the News Review are being mailed to area residents, courtesy of Salmon's Department Store, who are observing their 12th anniversary in Hico.

Interest in the Miss Reunion contest has been lagging thus far since rules were released two weeks ago. A change in the contest announced last week by Mrs. O. C. Cook, chairman, has created more interest in the affair and several entries have been signed this week.

Merchants who are planning an entry for this year's contest are urged to have their entries in as soon as possible. Deadline is Monday, July 17, but earlier entries would be appreciated by the chairman.

Tentative rules have been set as follows:

1. Any local area unmarried young lady between the age of 14 and 21 is eligible for competition. (Local area is Hico and trade territory which includes Iredell, Fairly, Duffau, Clairette, Carlton and Olin.)
2. The contestant must be sponsored by a Hico business firm or organization.
3. Deadline for entry is Monday, July 17.
4. Contestants will be judged in evening wear.
5. Entries will be judged on precise personality and beauty.
6. Registration fee of \$3.50 must be paid in advance to Reunion Association, and contestant will not be qualified until fee has been paid.
7. Entry fee and photograph of contestant must be turned in at the same time to Mrs. Cook. (Photograph should not be larger than 3x5 and should be a glossy print.)
8. Judging will be by out of town judges.

Businesses interested in sponsoring an entry are urged to contact a local girl at the earliest possible date and notify the chairman.

RETURN FROM VACATION

Mr. and Mrs. Hershel Sherrard and Mr. and Mrs. Pete Keller have returned home following a week's vacation where they toured interesting sites in Louisiana, Mississippi, Georgia, Alabama, North Carolina and Arkansas.

RETURN FROM DALLAS

Gene Hicks was conveyed to Hico Hospital Wednesday of this week by ambulance following surgery in Baylor Hospital in Dallas last Thursday. He is reported improving satisfactorily.

ACCORDING TO LEAVERTON—

Compromise Necessary to Settle Tax Situation

By H. A. LEAVERTON, Representative, 62nd District.

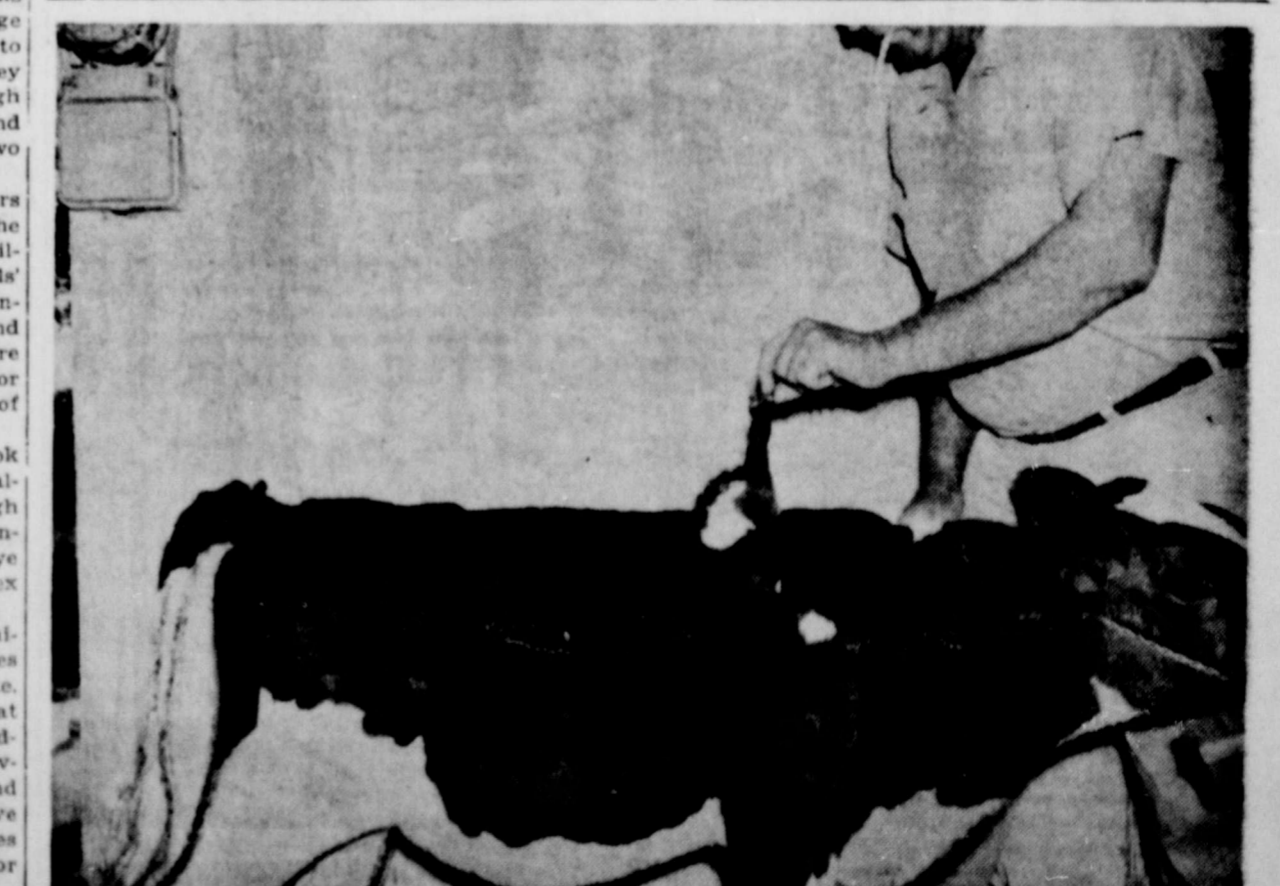

The difficulty with the tax bill is not new. Taxation is complicated. It is not strange that 181 men find it hard to agree. Many legislators are college graduates; many are successful business men; some are old and some young. A great many trades and professions are represented. The Legislature is a large body with responsibility and integrity and honest differences are to be expected.

The size of the job is one difficulty. I think a majority of the people and the Legislature agree that about \$350 million are needed. Likewise, it is agreed that each of us should pay some of this huge tax. What a tax will produce, who will pay it and the comparative burden create differences. In our capitalistic nation, profits should not become an ugly word. Profits bring growth, progress, high standards and TAXES. "We can't keep our cake and eat it too." Yet we can't tax unduly those who must pay from their table. To draw the line is a problem.

Different tax philosophy is held by different segments of society. The most strongly advocated tax is the Sales Tax. It is disproportionate on the low bracket. Those from low bracket areas understandably oppose it. They contend that taxes should be in accord with benefits received—in accord with ability to pay; that the selective tax plan has worked well so far bringing fast increase in population, production and industry. Opponents say we have reached the end in selective taxes that have any degree of fairness and revenue; that the upper bracket and industry are paying beyond their share now, and that if Texas is to continue or improve, taxes must be more broad based; that present taxes should be considered in the proposal; and that the sales tax will do the job best and will tend to balance the burden.

It is clear that a compromise is necessary. The House is evenly divided. Each side made concessions and that its position would prevail—even to the last vote. Since all now know about what can be passed with a veto, differences will be resolved and a tax bill passed.

Next week I will give my views on what has been done, and possibly a guess at some things that will be done.

LOOK MA—FIVE LEGS!—That's the story of the 3-month-old Holstein calf shown above, owned by Clarence Jackson. The extra leg protrudes between the shoulder blades, and is complete with joints and a miniature hoof. The small leg is growing in size in proportion to the calf's growth, according to Jackson, and the animal is able to move the leg. Freak animals are not uncommon, but this one is about the "freakish of all freaks."

FAIRY

By MRS. EUNICE DANIEL

We were very sorry to learn of the passing of Mr. L. J. (Pat) Patterson, 65, of Dallas, who passed away suddenly at 3 p.m. Thursday of last week at McCloskey Hospital in Temple. Funeral services were held in Dallas Saturday morning at 10 a.m. Mr. Patterson was a son-in-law of Mr. and Mrs. Ed Allison of Fairy, his wife being the former Robbie Lee Allison, who survives. Also surviving are one son, Leonard Jr. (Butch), and two daughters, Joan and Tommie. Mr. Patterson had been in ill health for some time and had been a patient at the hospital for the past several months. Our deepest sympathy is extended to the bereaved family and other relatives at this time of sorrow.

We have unsettled weather at this writing Monday. Slight mist fell at intervals during Sunday afternoon.

Our sympathy is offered to the accident victims, Rev. Dalton and Mrs. Amber Dean Sills, who were critically injured when the car in which they were riding skidded on wet pavement north of Hico on the Glen Rose highway. Rev. Dalton was on his way to Hamilton where he was to speak at the Hamilton Sardis Baptist Church. They were carried to a Fort Worth hospital. We hope they will soon be fully recovered. Mrs. Sills is a cousin to Herman Sills of Fairy.

Rev. Dalton was a brother of Rev. Len Dalton of Hamilton. Ed Allison has been hospitalized in Hico Hospital since Thursday of last week. We hope he will soon be much improved and able to return home.

Visitors in the Ed Allison home during the weekend were Mr. and Mrs. Waynard Allison and family of Bayton, Mr. and Mrs. George Stringer and family of Goldsmith, Mrs. Guy Hartgraves of Bishop, Mrs. Della Seago of Waco, and Mr. and Mrs. Texie Allison and family of De Leon. With the exception of Mrs. Texie Allison and children, all had been in Dallas

on Saturday to attend funeral services for their brother-in-law, Mr. Patterson. Mrs. Ed Allison was unable to attend due to the illness of her husband.

Mr. and Mrs. Frank Driver have been going to Waco once a week the past several weeks where Mr. Driver is receiving treatment on his right foot from a foot specialist. It is feared he may have to undergo surgery on his foot. The ailment is thought to have been due to an injury at some time.

Miss Stella and Reubin Garza of Bartlett returned home last Monday after a week's visit in the home of their brother, Albert Garza while he was in the hospital to assist their sister-in-law at the home and to take her to the hospital to visit her husband since she could not drive the car.

Mr. and Mrs. Carl Ray Sellers, Carolyn, Jimmy and Janice visited in Stephenville Sunday afternoon in the home of Rev. and Mrs. Herod and son, Rev. Herod is a former pastor of the Lanham Methodist Church. They returned by way of Dublin where they visited in the home of her niece, Mr. and Mrs. Wayne Pittman and Karen.

Mr. and Mrs. Lloya Bolstad, D'Ann and Glenn departed for their home in Laurel, Miss. early Sunday. Mr. Bolstad came in Friday night for Mrs. Bolstad and children who had spent the past two weeks visiting in the home of her parents, Mr. and Mrs. E. M. Hoover.

Mr. and Mrs. Bobby Drew and Cynthia of Dallas are visiting this week in the home of her parents, Mr. and Mrs. Frank Hanes and Mike. Mr. Drew is on vacation. They also plan to visit in San Antonio.

Mr. and Mrs. James Abel and Clark of Priddy visited during the weekend in the home of his parents, and uncle, Mr. and Mrs. Walter Abel and Bill.

Miss Anita New of Fort Worth visited during the weekend with her parents, Mr. and Mrs. Leslie

New. Miss Annette Gleason of Denton spent the weekend with her parents, Mr. and Mrs. Arnold Gleason and family.

Miss Sallie Alford of Dallas was visiting during the weekend in the home of her nephew, Mr. and Mrs. Arnold Gleason and family.

Mr. and Mrs. Sidney McKandless and Albert of Granbury visited during the weekend with their parents, Mrs. J. A. McKandless of Littleville and Mr. and Mrs. Olga Duncan. Mrs. McKandless was returned home recently from the M. D. Anderson hospital at Houston and is still very poorly.

Funeral services were held Monday at 2 p.m. at Evant for Jimmie Callan, 22, who died at 7 a.m. Sunday of injuries received in a car wreck near Goldthwaite Saturday. He was a son of Mr. and Mrs. Raymond Callan. He is also survived by three small children, and three sisters. Burial was in Murphy Cemetery near Evant. Our deepest sympathy is extended to the bereaved family.

Mrs. Ninon (Lackey) Bradley of Fort Worth and her sister, Mrs. Willie Pittman of Stephenville stopped a short while at our home on Thursday to leave a donation of \$10 for the cemetery for her sister, Mrs. Thelma Zeilke of San Francisco, California. Mrs. Bradley said she had thought she would mail the donation in, but decided while she was as near as Stephenville she would just drive on down and see the condition of the cemetery. She praised her findings greatly and both remarked they had never seen the cemetery in as good condition. Our sincere thanks to Mrs. Zeilke and also to Mr. and Mrs. Carl Ray Sellers for a donation of \$200.

Mrs. T. L. Betts of Hico and Mrs. Fay (Richardson) Schoat of Lubbock visited at the cemetery last Thursday and while here visited in the home of their nephew and cousin, Mr. and Mrs. H. O. Richardson and Jerry.

The writer attended singing at Evergreen Baptist Church Sunday afternoon and visited a while in the Frank Driver home on our return home.

The family of the late Mr. and Mrs. T. L. Burris will hold their annual reunion at Hico City Park

Funeral services were held at 10 a.m. Tuesday, July 4, in the Iredell Baptist Church for Charles King, 82. Rev. Kenneth Everett and Bro. Ray Crook officiated, with burial made in the New Iredell Cemetery under the direction of Barrow-Rutledge Funeral Home.
 Born in Arkansas, Mr. King was a retired farmer and had lived in Iredell since 1960.
 He is survived by his wife; three sons, Colbert of Tucson, Edd of Adlen, Kan., and Walter King of Rochelle; seven daughters, Mmes. Violet Scott and Zella Mae Yocham of Stephenville, Cora Mae of Orange Grove, Calif., Bernice Anderson of Rochelle, Millie Maas of Pettus, Ella Scott of Iredell, and Joe Neil Deeds of Melvin; one brother, Ernest King of Ontario, Calif.; 39 grandchildren and 51 great-grandchildren.

his parents, Mr. and Mrs. Ralph Bradley.
 Mr. and Mrs. Harley Golden of Fort Worth were Saturday night visitors in the home of his parents, Mr. and Mrs. Lucious Golden, who returned home with them on Sunday for several days visit.
 Mr. and Mrs. Arthur Dunlap and family, Mr. and Mrs. Cecil Parsons, Sue and Johnnie, attended the Royal family reunion at Walnut Springs Sunday.
 Mr. Howard Myers and Stuart, and Mrs. Joyce LaBowe, Sherry and Gary were Sunday visitors in Waco in the home of his brother, Dick Myers and family.
 The editorial in last week's News Review about the weather on July Fourth, 1925, brings memories to me of how cold it was. The Phillips family had their first reunion on this date and if I remember correct we did have some flakes of snow and a little sleet as well as the cold rain. The reunion was to be in Hurts Park but had to be held at the church because of the severe cold. No one brought coats or were prepared for the cold. The old-fashioned wood cook stoves were really put to use that day.
 Mr. and Mrs. Sam Clark of Fort Worth were weekend visitors in the home of her mother, Mrs. Zella Maness.
 Mr. and Mrs. Roy Laurence and Roy B. of Duffau were Sunday night dinner guests in the home of his parents, Mr. and Mrs. J. E. Laurence.

WASHINGTON—

As It Looks From Here

By OMAR BURLESON, M.C.
17th District, Texas

Washington, D. C.—Is the United States prepared to risk war in order to discharge our solemn obligations and commitments in Berlin?

This is the question that must be answered fairly and squarely before clear-minded decisions can

be made to face the threat posed by the Soviet Union.

Hindsight is usually good, but it is a reasonable opinion that there would be no threat to Berlin if the balance of power which existed in 1953 had been maintained. Even though more than one-

half the total expenditures of the Federal Government has gone into national defense, the balance of power has shifted. The Soviets feel they are in a position of strength to threaten our position and that of England and France in Berlin. Khrushchev has taken a position from which he can not easily retreat. This tough stand, coupled with the fact that he appears arrogant and overly optimistic about his military capabilities, creates the present danger.

The problem of Berlin is a pre-occupation of the highest level of our Government. Everything hangs upon the answer as to whether we will run the risk of nuclear war. This question dominates private discussions, but is not yet out in the open insofar as the top Government leadership considers it.

It is a question, however, which can not be dodged or ducked. The fact that no real precedent exists to give historic guidance makes the best answer more difficult.

Unless conditions change, which is not now foreseeable, our Country and that of England and France particularly, will have to decide one way or the other and take the risk involved as surely as did the Jewish zealots who

manned the walls of Jericho. It is folly to demand quick and easy answers from those who must look into the inferno. It is equally a dreadful risk not to face up to the fact that a decision must soon be made.

If this country and our allies are to stand up and be counted for Berlin where our commitments are deep and morally compelling, then we run the risk of war.

If the decision is to repudiate our commitments, then the question follows, where do we stand up and be counted? Will it be in Cuba, South America, the State of California, or our own State of Texas? This is the other half of the vital question. We have been shown that each failure to stand up and be counted leads to new and bolder challenges, and always the situation is worse and nearer to home. In the weeks and months ahead, this issue will become more intense. The pressure for a solid decision will intensify with the passing of each day.

The choice is a fearful and dreadful one—the thing that tries men's souls. . . .

This Thought: Of all the forces that make for a better world, none is so indispensable nor so powerful as HOPE.

Coffee Time

CHATTER

By HELEN OGLE

What? You mean you're working today? That's the comment of numerous people this week when they found the doors of the News Review wide open and machinery clicking away on the annual holiday. Too bad some occupations require full time duty, but for those of us who are involved it has long since been accepted.

Thelma Hudson didn't wait to call me this week, but reminded me that she would be quite busy at the hospital fulfilling her duties on the Fourth.

Conda and Ruth Salmon and Morse and Shirley Ross were making plans for the holiday while sipping coffee. Don't know for sure, but I'll bet a bowling lane stayed busy.

Better get out your rain coat as Iris Eakins is predicting that we will have rain throughout the rest of the summer.

Not a coffee break, but coked time for Elvina Hicks and daughter Sandana, and Mack and Gale Hicks following church Sunday evening.

Judy Kellers says she hopes her husband and Hershel Sherrard are tired of bowling as they took time out to try the sport in six of the seven states they toured while on vacation.

Nice to hear a former resident, Ray Connally reminisce about the past. He says Hico has shrunk, but is getting bigger.

Spilling coffee on a fresh white uniform are among Judy Ogle's better talents in learning to be a waitress.

It's either barefooted or the price of a pair of shoes, said Jane Hafer as she waded to the grocery store in Monday's downpour of rain.

Mr. and Mrs. Pierce McBride of Dallas spent the weekend in the home of her mother, Mrs. W. L. Malone.

Mr. and Mrs. Donald Lewis and four children spent the holidays here with her mother, Mrs. Pat White and other relatives.

Mr. and Mrs. Bob Shroyer and children of Goliad were weekend visitors in the home of her parents, Mr. and Mrs. Wayne Rutledge and Bill.

Weekend guests in the home of Mrs. Sarah Reeves and sons, and Mrs. Nettie Meador were Mr. and Mrs. Paul Wren of Victoria.

Mr. and Mrs. Moody Ross of Dallas have been visiting in the home of his parents, Mr. and Mrs. Watt Ross while on vacation. They recently returned from a trip to Colorado.

Mr. and Mrs. J. C. Malone and Mary of Waco spent the weekend in the homes of their parents, Mrs. W. L. Malone, and Mr. and Mrs. J. W. Jordan Sr. at Carlton.

Weekend visitors in the home of Mr. and Mrs. Pal Drake and sons were Mr. and Mrs. C. R. Whittenton of Post, Mr. and Mrs. Dawson Whittinton and family of Lubbock, Mrs. Roe Allen and Mr. and Mrs. Preston O'Bannon of Hamilton, and Ralph Horton of San Angelo.

Mr. and Mrs. Frank Medford of Kermit were Hico visitors this past weekend with relatives and friends.

Mr. and Mrs. Tommy Abel and children, Timmy, Steve and Cindy visited during the weekend in the home of his mother, Mrs. S. A. Abel, and with Mr. and Mrs. Geo. Abel. They reside in Fort Worth.

Dan Seal visited in the home of his parents, Mr. and Mrs. Roy Seal and Don recently. He was enroute to Chicago from Salt Lake City where he is employed with a Bridge and Steel Co.

Former Hico Resident, Mrs. Dimple Abbott, 38, Heart Attack Victim

Mrs. Dimple Rebecca Abbott, 38, of Mansfield, was dead on arrival at a hospital in Mansfield early Saturday after suffering a heart attack. She had lived at Mansfield for three years. Mrs. Abbott owned and operated Dimples' Beauty Salon in Mansfield. She was a member of the Mansfield Baptist Church. A native of Hico, she was a niece of Mrs. Iris Eakins and Mrs. Frank Mingus, who attended the funeral services Sunday in Mansfield with Mr. Mingus and Don Eakins. Burial was made in Godley. Survivors include her husband, Vernon Earl Abbott Sr.; three sons, Vernon Earl Jr., 14, Kenneth 11, and Wendell 6; her parents, Mr. and Mrs. W. E. Lambert of Godley; two sisters and a brother.

Orange-Crowned Cheese Salad Is Refreshing

Orange-Crowned Cheese Salad should make you happy as kings, for it is check-full of such wonderful things! Frosty white cottage cheese; plump, red strawberries; gay orange sections and avocado, to name a few.

And Orange-Crowned Cheese Salad makes a most appropriate salad to commemorate June is Dairy Month. For the golden crown pays homage rightfully due to creamy cottage cheese.

This delicious dairy product has long starred for its fine flavor, easy digestibility and low calorie content. The solid part of cottage cheese is chiefly high quality protein, and one of the least expensive sources of this important nutrient.

You can easily obtain the "crown" effect by arranging the orange slices as shown, then carefully pouring into the mold the gelatin mixture that has partially set. Another important hint: pour the avocado layer over the cottage cheese layer before the latter is completely set. This way, the layers will be less apt to separate when the salad is unmolded.

ORANGE-CROWNED CHEESE SALAD Mold, 1 1/2-quart

As impressive as it is tasty is this Orange-Crowned Cheese Salad. And no wonder with plump strawberries to stud the layer of avocado green and a crown of orange slices to set off the tangy cottage cheese layer. This will make a most unusual, refreshing salad for your important summer parties.

- 1 pkg. lemon flavored gelatin
1 cup boiling water
1 6-oz. can frozen orange juice concentrate, thawed
3 tablespoons cold water
16 large orange sections
1 12-oz. carton cottage cheese, sieved
2 tablespoons grated orange rind
1/2 teaspoon salt
1 pint fresh strawberries
1 ripe avocado

Barbara's NOTES NEWS SENSE

I don't know much news because I have been nearly all week. I went to Assembly at Georgetown and we ever have fun! On Friday I got two and one-half of sleep. We sure got into Robert Reed, Margaret Barbara Patterson, Dixie and Ruth Ann Martin also. We certainly hated to leave Johnny; didn't we Rob? Barbara.

ry have joined the Army, so I heard. I haven't yet heard all the gory details, but God Bless America! There seems to be a contagious disease of joining the army. The other army boys had planned to come home for the Fourth, but got K.P. and couldn't make it. Judy Seago was in town last week. I didn't meet her but I heard she was really sweet. I also heard she had long hair. I challenge her to a contest to see who has the longest hair. Sheila came home for a little visit this weekend. She looks cuter than ever. As far as I know that's all the news I have. I hope I haven't forgotten anybody or anything. I know I have a long nose for getting into other people's business, and big ears for hearing what is going on but I do need help to find out all the latest news, so clue me in. I leave you with this closing thought: "Blessed are those who run around in circles, for they shall be known as big wheels."

THIS WEEK IN AUSTIN—

New State Building Nearing Completion East of Capitol

Austin, July 5.—Within a few weeks the tourists and school children who flock to Austin will be able to get a lesson in Texas history by visiting the most beautiful of all the new buildings on the state capitol grounds.

It is the State Library and Archives Building, now nearing completion on a site directly east of the Capitol.

For many years history-minded Texans decried the fact that the priceless early documents of the state had no real home. Finally these documents were moved from a mouldy basement to a Quonset hut. There many feared for their safety.

Now, the new edifice provides the state's historic documents with a magnificent home. In addition there are quarters for the State Library and the General Land Office.

More interesting to the visitor will be the way in which Texas history is dramatized in the architectural decor of the building. On each side of the entrance are six large flagpoles. From them will fly the flags of the nations which have ruled Texas—France, Spain, Mexico, the Republic of Texas, the Confederate States of America and the United States.

Embedded in the stone of the front are bright-colored mosaic shields. These also represent the same six nations. Smaller bronze emblems decorate the heavy metal doors at the front. Across the back of the structure, even larger shields, bearing the six nations' seals in colored ceramics, are mounted on the face of the building.

Pink granite, the "official" stone for state buildings, is used for the entire exterior. Carved in the granite across the left front are these words:

"The people of Texas do now constitute a free, sovereign and independent republic and—we fearlessly and confidently commit the issue to the decision of the Supreme Arbiter of the destinies of nations." Texas Declaration of Independence, 1836.

On the right front side is carved: "All political power is inherent in the people and all free gov-

ernments are founded on their authority and instituted for their benefit." (First Constitution of Texas, 1845).

Although the building has four floors, there are seven "stack floors" where the building is divided for storage of books and documents.

One end of the main floor will be devoted to the library. There you will find a charge desk and a large reading room.

Another large room will house the archives. In it there will be a large work room where researchers may look at old papers.

Land Office, to be on the third and fourth floors, will have a separate entrance at the south end of the building. Building faces west.

First floor lobby, like the Capitol rotunda, will be a Texas showcase. In its terrazzo floor is the familiar wreath and star emblem of Texas. Main walls are polished granite and upper wall is sandstone. Above the center of the area is a huge, spectacular oval light fixture of red, white and blue colored glass in a sunburst design with a border of 50 stars.

Museum cases, recessed and lighted, are built into the walls around the lobby. Opposite the lobby entrance is a large bronze screen with 15 blocks on which are wrought designs that present a panorama of Texas development. There's an Indian with tomahawk, branding irons, dueling pistols, the first Capitol (a small frame house), an early locomotive, and a windmill on the prairie. Last block shows a gushing oil well.

Building of the State Library and Archives Building was authorized by the Legislature in 1957 with an appropriation of \$2,900,000. Project has been carried through by the State Building Commission for which E. E. McAdams is chairman and Gov. Price Daniel and Atty. Gen. Will Wilson are members.

Admiral H. R. Nieman is director of the Building Commission.

State Archives Building is the fourth of the new edifices erected since the building program began in 1957. It is neither the largest nor the most expensive, but because of the historical design, it is attracting the most attention. Those who have had an advance peek believe that it will, as intended, be a fitting residence for the heritage of Texas' 125 years.

End of An Era

One of the most colorful and controversial names in 20th century Texas politics passed from the scene with the death of Mrs. Miriam A. Ferguson.

Though she preferred house-keeping and raising flowers, Mrs. Ferguson was the first (and only)

woman governor of Texas. Also one of the only two women governors ever to be elected in the nation.

Beginning of the "Ferguson era" was in 1914 when her husband, Jim Ferguson, was elected governor as the champion of the Texas tenant farmer. He was re-elected in 1916 but impeached in 1917.

In 1924 Mrs. Ferguson ran for governor, with the announced purpose of clearing her husband's name. She was elected in 1924, defeated for re-election in 1926, but won another term in 1932.

With her to the last was the nickname she disliked—"Ma." Her husband (who died in 1944) was known as "Pa" or "Farmer Jim."

Rate Increase Explained.

Texasans who are irked at the prospect of an auto insurance rate increase should take note that they have had a year's reprieve since the increase was indicated, says the Insurance Board Chairman.

Claim costs indicated that a rate increase was justified last year, says Chairman Tom Ferguson, but the Board postponed making it because the safe driving plan had just gone into effect.

In that 12-month interval, said Ferguson, drivers actually have paid \$20,000,000 less in insurance premiums than cost figures show they should have. As a conse-

quence he said, companies absorbed a \$20,000,000 deficit.

Last Round.

Legislators waxed both heated and hopeful in the last round of public hearings before the committee appointed by Governor Daniel to study all tax plans and suggest a compromise.

Committee, mostly made up of board chairmen of state agencies, is to select ideas or merge them into a recommendation to be offered at its final meeting July 6 and 7. Special session to enact a tax plan begins July 10.

Rep. Reed Quilliam of Lubbock said he felt the people should see clearly what their choices are—a sales tax, income tax or sharp reduction in state services.

Reps. Charles N. Wilson of Trinity and Maco Stewart of Galveston suggested a plan that would combine a 2 per cent general sales tax with exemptions, and a 6 per cent corporation profits tax.

Sen. Grady Hazlewood of Amarillo apparently favors a sales tax. He told the committee he thought the governor had been asleep. Rip Van Winkle fashion, since 1939 when Governor Daniel, then a House member, was one of the "Immortal 56" who blocked a sales tax. Hazlewood pointed out that the state has had a population explosion and an 800 per

cent increase in cost of government since then.

Insurance Hike Forecast.

Higher auto insurance premiums are predicted by officials of the State Board of Insurance.

Board has the matter under advisement after a public hearing. New rates, if set, will go into effect Aug. 1.

Increases suggested by both industry spokesmen and the Board's actuarial staff are the same. They are 8.7 per cent for comprehensive private passenger coverage, 8.1 per cent for collision, 23.6 per cent for liability, and 16.1 per cent for medical coverage.

A Department study showed that premiums were down as a result of the new safe driving plan and that claim costs were up because of the costliness of replacements on today's automobiles.

Gas Tax Rulings Asked.

Probability of a strong push for a gas tax in the coming special session was indicated by Gov. Daniel's request for opinions from Atty. Gen. Will Wilson on the constitutionality of two such proposals.

One is a proposal by Rep. Bob Eckhardt of Houston which would require the holders of contracts for dedicated gas reserves to guarantee the state a tax of at least one cent on each 1,000 cubic feet of gas produced.

WE ARE CHALLENGED: EARN SURVIVAL OR LOSE IT

The challenge is as old as time and as urgent as tomorrow's headlines. Peace or War? What can I do about it?

Beneath the shadow of super-bombs, caught in the clash of super-powers, the individual most often feels frustrated, insignificant. He is a grain of sand in history's hour-glass. The sand moves, time runs out, he is left helpless, impotent.

Or is he? Are any of us so imprisoned by our fate?

Only if we default. Only if we leave our fate to others: governments, statesmen, scientists, committees, institutions. Only if we do not care enough, or know enough, to realize that these are valuable only as instruments of the public will. Only if we fail to see that freedom is not a gift, or peace the absence of war, and that neither is the responsibility of the few.

Freedom and peace are each a task, hard and demanding of all. They are especially demanding of a democracy because it is the exceptional society. It is ever under exceptional attack from those who would deny man's freedom by war or any means.

To survive, a democracy must prove that it deserves to survive. Individuals must prove it, as they have in the past. Individuals have changed history and altered whole societies. Individual ideas have inspired the greatest sagas in the story of man. The problems of peace and war, of disarmament and survival, may loom as

large as a mushroom cloud but they are smaller than an individual idea. The right idea triggers the mightier explosion.

Support for such ideas must come from you. You as a working member of a working Democracy are not insignificant but all-powerful. What you think, what you do, how much you care—these decide. Not only between peace and war. But also the problems of this twilight world of neither peace nor war. The problems of our free society that demand exceptional attention today.

Give them your attention today. Begin by reading the new Report of the President's Commission on National Goals. It draws guidelines for the nation during the critical decade ahead. It maps the ways in which you can exert your personal power and influence: at home, at work, with your family, neighbors, friends.

Both President Eisenhower and President Kennedy urge you to think about and act upon this new Report. Make our national goals your personal goals. Get a copy of the Report, entitled "Goals for Americans" at your bookstore in either hardcover or \$1 paperback. Or send for the free digest version below. Know the challenges. Know how to meet them. The knowledge gives you power to shape your own future and the nation's fate. They are one and the same.

FREEDOM IS NOT A GIFT BUT A TASK.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

The cotton crop over the county is pretty badly shot this year due to heavy damage caused by insects. Along when we were having so much rain and growers couldn't get in to apply insecticides, the thrips went to work and played the mischief with the young plants. Many fields last week and the week before looked as though they had been hit heavily by hail. Some few cotton growers, however, did get to apply control early and their cotton crops look good.

The Registered Beef Cattle Breeders had a fine tour last week of about ten breeders places in the county. We saw many fine cattle and they were all fat and in very good condition.

Wednesday, July 12, Bill Stearman will check his calves on the Performance Testing Program for this year at his ranch. Ranchers are invited to attend and observe the work Wednesday morning.

Thursday, July 13, starting at 1:30, the Experiment Station at McGregor will have its annual Crops and Soils Field Day. Grain sorghums will be featured this year.

To be seen are: Proper use of fertilizers; row spacings and rate of planting; field planting combining the best hybrids; effects of time of applying fertilizer on continuous grain sorghums; cotton varieties for mechanical harvesting; cropping systems for Central Texas; fertilizer rates and ratios for cotton, grain sorghums, and oats; dwarf grain sorghum nursery and corn performance tests.

In the Feed-Grain Program, farmers of the county indicated they would reduce their acreage of corn and grain sorghums by 7,746 acres. Of these acres, 1,484 of corn are to be reduced and 6,262 acres of grain sorghums. In the reduction program, growers could receive a partial payment at the time they signed up is they so desired. The ASC office states that those who did ask for the initial

ROBERSON FAMILY HOLDS REUNION SUNDAY

The children of the late Mr. and Mrs. L. E. Roberson Sr. and their children and grandchildren held their annual family reunion Sunday at the Community Center.

Six of the eight living children were present for the occasion. The sisters and brothers present were Charlie Roberson and Mrs. Cleone Salmon of Stephenville, Mrs. Ora White of Fort Worth, T. E. Roberson of Haskell, Herman Roberson and Mrs. Lucile Mayfield of Clairette. The two brothers who were unable to be present were R. Lee Roberson of Kermit and L. E. Roberson of Odessa.

The group voted to have their reunion on the first Sunday in July next year. Those present enjoyed visiting, singing and taking pictures. Donald White, son of Mr. and Mrs. Alto White, who feels he has been called to preach the gospel, read a scripture from the Bible and made a short talk in the afternoon.

There were 35 relatives present and several friends called during the day. Shirley and Roger Duncan of Fort Worth are visiting in the home of their grandparents, Mr. and Mrs. Henry Mayfield this week.

Monday morning was cloudy and cool with a slow rain falling. Mrs. Florine Wheeler and Richard spent the weekend with Mrs. Zena Havens. Ruth Ann Martin attended Senior Assembly in Georgetown last week.

Mike Doane of Harlingen is visiting his cousin, Doane Martin. Mrs. Jeanette Loden and girls of Waco spent last week with her father, Charlie Dowdy. Mary Beth Martin attended the Methodist Camp at Glen Rose recently.

The Baptist Vacation Bible School closed with a program Friday night.

Mr. and Mrs. Don Carter and children spent last week with Mr. and Mrs. Zeph Carter. Mr. and Mrs. Billie Carter and baby of Fort Worth spent the weekend in the home Carter home. Another of the Carter's sons, J. J. has returned to the States from Thailand for a visit here. His son, Billie, of Seattle, Wash. is visiting with his father and grandparents.

Mrs. Katie L. Rucker & family. 10-1tp.

CARD OF THANKS

I would like to say many thanks to all who have been so nice to me and my family while I was in the hospital and since I am home. Those who sent cards, letters, visited, were deeply appreciated. Especially do I thank the doctors and nurses and entire hospital staff. God bless all of you.
