We Are Happy to Welcome You Home Again

First, because it's good to see all the familiar faces of former residents on Hico streets again.

Celebrations such as the Hico Reunion are occasions to look back on the past and pay tribute to the Pioneers who settled this country . . . The story of Hico and the Reunion is one of Pioneer Spirit, of rugged stamina, of vision and hard work, and of inspiring work.

We salute those pioneers, and welcome them back during this, the 75th such homecoming. Visit us while in town.

BARNES & McCULLOUGH EXTENDS A HEARTY WELCOME TO PIONEERS AND VISITORS DURING THE

75th Annual Hico Reunion

There is no occasion that should have a greater recognition than the Reunion — a time when we all should come together in joy and prayerful thought for good things that have been brought our way.

Hico — as has all sections of Hamilton County — has made great strides in past years — Agriculture has prospered — Businesses have grown — our schools and churches have gained strength — and our homes have become more beautiful and more liveable year after year. The lovely new homes which have been built and those now being constructed make Hico and this area an increasingly attractive place to live.
