HICO, TEXAS JANUARY 19, 1962.

NUMBER 38.

## HERE IN HICO

By E. V. M.

With the deadline—February 5—drawing for prospective political candidates to file for a place on the ballot in the May Democratic primary, a little more interest has been shown the past week among registrants.

The announcement late Saturday that Senator Crawford Martin of Hillsboro would seek the Lt. Governor's post, a major race of importance to each of us was known wide open.

A young man from Comanche, Ben Sudderth, immediately filed his name for a place on the ballot for the Senatorial post, and there probably will be three or more in the race before the deadline.

A little closer to home, two candidates have indicated that they would run for the representative post from this three-county district. H. A. Leaverton is present representative, but he will not seek reelection to the position, but instead will run for county judge.

The Senatorial and representative races are important to each of us, and further points out the need for poll tax payments.

Only action in county politics which affect residents of this end of the county is the County Judge race, where incumbent W. E. (Gene) Tate will be opposed by Leaverton. Only office to be filled which hasn't drawn a candidate is that of County Attorney, a position which Andy Campbell resigned in December to devote his full time to private practice.

All of this adds up to one fact: about the best investment that you can make at this time is the cost of a poll tax receipt, which will insure you a voice in the coming elections to serve the next four years.

Civic Club membership is lagging with only a handful paying \$10 yearly dues up to this date. And what a shame that merchants and individuals don't have enough pride in their town, or are interested in Hico's future.

The organization is for everyone, and to be really effective, it needs your help and cooperation.

Meetings of the group last year averaged slightly over 20 members in attendance weekly, a far cry from the potential of the only service club in town. If we had two or three organizations to help out on various community improvement projects, then we could understand the small number of enthusiasts who turn out almost every week. But as it is, it appears that someone is letting down on the job by staying away from the meetings, and letting a small few carry on.

The Civic Club spent more than \$100 last year on improvements and services which indirectly affected each of us, either in a business manner or otherwise. That money was earned through a lot of sweat and hard work by the handful few who chose to say that they were interested enough in the town's welfare to give one week to attend meetings, work on committees and lend their support in general to the club projects. True, some people simply cannot make it to the meetings, but the majority of the businessmen could if they would.

Someone will perhaps be complaining you for dues within the next few weeks. Make their check similar by paying the ten bucks, even if you can't attend the meeting.

### Saturday Shower Stated at Duffau For Williamsons

A community shower will be given Saturday night, January 20 at the Duffau School beginning at 7 o'clock for Mr. and Mrs. Herndon Williamson.

The Williamsons lost all furnishings and clothing early last Saturday morning when their home was destroyed by fire. Everyone in the community and those invited to attend the shower.

## It's Worth the Money —

About the biggest bargain on the market today is the poll tax receipt. For \$1.75 you are entitled to vote in any election that is held locally during 1962—and there will be enough to make everyone interested.

First election on the agenda is Tuesday, April 3, when city residents will elect a mayor and three aldermen.

Next date on the election calendar is Saturday, April 7 when patrons residing in the Hico Independent School District will name three trustees.

These two elections alone are worth the price one must pay to exercise his or her opinion. But they aren't all that is included in the rights paid for when purchasing a poll tax.

People will also be entitled to vote in the Democratic primary in May, followed by the second primary in June to determine winners of run-off contests.

Last of the scheduled elections is in November when balloting will get underway in the general election, when residents will also put a stamp of approval or disapproval on Constitutional Amendments. Already there are 14 such amendments to be voted on.

and chances are that there will be more before the special session of the Texas Legislature is over.

In the City election this year terms of D. E. Bulloch mayor and W. C. Howard, Jim Jameson and G. M. Bullard, aldermen, expire. Two of the candidates, Howard and Jameson, have authorized their names placed on the ballot for reelection.

In the school trustee election, terms of M. I. Knudson, Glenn Higginbotham, and Chester Land expire.

Voters will have the usual run of State candidates to elect, but closer to home the following county and district officials must be elected:

County Judge, County Clerk, County Treasurer, County Superintendent, District Clerk, District Representative, and State Senator.

So you see, the \$1.75 that the poll tax receipt costs is small, considering the voting privileges received by owning one.

For convenience of local residents, two deputies have been appointed in Hico, Mrs. S. W. Everett and E. V. Meador. Payment can be made between now and January 31, with midnight of the final day being the deadline.

## 15 Pay Civic Club Dues

Through Wednesday of this week only fifteen businessmen had paid 1962 dues to Hico Civic Club, a figure which is far short of an anticipated total membership of 60.

Dues are \$10.00 yearly, and should be paid to Secretary James Cryer at the earliest convenient date.

Paid members thus far are: Jess Smith, Rev. Norman Purvis, Glenn Higginbotham, Edgar Bulloch, Conda Salmon, Sandy Ogle, Orville Ogle, James Cryer, Wayne Rutledge, Hamilton Sellers (Oak Ridge, Michigan), D. C. Hyles, Robert Jackson, E. V. Meador, Ellis Randals, O. C. Cook.

## Bill Shannon Announces for State Post

Bill Shannon of Stephenville, 54-term veteran of the Texas House of Representatives, Wednesday announced his candidacy for the Legislative post from the 62nd District, composed of Erath, Coryell and Hamilton counties. The 62nd was re-districted last year, with Bosque County going into another district.

Shannon became the first to announce for the representative post, which was thrown wide open by the announcement Tuesday that incumbent H. A. Leaverton would not seek a third term in the House.

Shannon served the district for three terms, his last expiring in 1958. At present time he is employed with the State Animal Health Department, a position which he has already submitted his resignation, effective February 1.

He stated at mid-week that he would submit a formal announcement within the near future.

## Stockmen Spread Out For Screwworm Control Funds

A small but enthusiastic group of area livestock producers met at the school auditorium Monday night, and formulated plans for soliciting funds in cooperation with the Southwest Animal Health Research Foundation.

Twelve men agreed to work areas of Hamilton County and the southern portion of Erath County, where no work has been done to date.

The men will attempt to contact every farmer and rancher residing in the Hico School District, which has been set up as a boundary marker for local solicitors.

Stockmen who will be making the rounds are Ed Black, Ed Bullock, Derel Fillingim, V. H. Jenkins, George Kilgo, E. H. Bradley, Charles Golithly, George Holladay, M. I. Knudson, Rusty Robinson, George Loden and Tyrus King. This group will also secure the aid of other stockmen in making the collections.

First National Bank was named as depository for local funds, with Ellis Randals in charge of giving proper credit and keeping records on the contributions.

A voluntary assessment of 70¢ per head on grown livestock (cat-

tle, horses, etc.) and 10¢ per head on sheep, goats and swine is the goal of the research program. An attempt is being made to raise three million dollars before February 1. Hamilton County's portion, based on the livestock census, is roughly \$28,000.

Purpose of the Southwest Animal Health Research Foundation is to receive and disburse funds, and sponsor research and educational programs on animal health, including diseases, insects and parasites, to the end that these hazards of livestock production may eventually be controlled.

First goal of the Foundation is the eradication of the screwworm, which last year cost livestock producers in the state an amount in excess of 100 million dollars.

The organization will follow the pattern set in Florida where 100 percent success was attained in eradicating the screwworm. Briefly, the eradication is simply a matter of releasing sterile male flies, which eventually breed themselves out of existence.

Funds contributed by Texas stockmen will be used to set up breeding factories to produce the flies, which in turn will be released in areas where the screwworm menace is most severe. Goal of the Foundation at present is to have a completely screwworm-free state by 1964.

V. H. Jenkins is local chairman of the county organization, being assisted in the educational portion by Harold Walker, local vocational agriculture teacher.

Farmers and ranchers in this area may obtain additional information by talking to any of the men mentioned here. Cooperation of all stockmen is most important at this time, and they are urged to consider the merits of the program and participate. Funds will be solicited just the one time only, and no additional cost is anticipated to stockmen.

Funds may be paid to any of the men listed above, or left with Randals at First National Bank.

## Local Dimes Chairman Named, Drive Set January 29th

Odis Petsack, president of First National Bank, was named last Monday night, January 29, from 6 to 7 o'clock.

Persons who will solicit the business district, as well as captains and their workers for the Mother's March will be named this week. A complete detailed announcement of the campaign will be given in next week's issue of the News Review.

## Ben Sudderth Is Candidate for State Senator, 12th Dis.

Ben Sudderth of Comanche, former member, Texas Legislature, this week announced his candidacy for the office of State Senator from this District, composed of Bosque, Comanche, Coryell, Ellis, Erath, Hamilton, Hill, Hood, Johnson and Somervell counties.

Mr. Sudderth was born and reared on a farm in Brown County, and has resided for the past 12 years in Comanche County. He graduated from Howard Payne College an honor student and outstanding athlete. He is also an honor roll graduate of the University of Texas School of Law. He worked in various capacities while

earning 100 per cent of his college education. Mrs. Sudderth is the former Carol Phippen of Cisco, who was a Howard Payne classmate. They are the parents of two young daughters.

He is a former member of the Texas Legislature, having served in the House of Representatives during the 55th and 56th sessions. During his last contested race for the Legislature, he polled in excess of 90 per cent of the votes cast in his home county, which shows the high esteem in which he is held by the people who know him best. He did not seek reelection in 1960.

Sudderth is presently Vice-President (president-elect) and member of the Board of Directors of the Comanche Chamber of Commerce, past president of Comanche Jaycees, member of Comanche Lions Club, Sunday School teacher in the Baptist Church, past Chairman of Comanche Chapter of Polio Foundation, Member of the Board of Directors of the Comanche Public Library, member of the Comanche County REA, and a Mason.

In announcing his candidacy, subject to the Democratic Primary election on May 5th, Mr. Sudderth made the following statement:

"I plan to conduct a vigorous campaign for this office. During the previous four years which I served in the Texas Legislature, I tried to represent the very best interest of every segment of the economy of my district. Many times we do not accomplish all we think should be accomplished, but I believe those who have familiarized themselves with my record will know that I have done the best possible under all the circumstances which must be met.

"In matters effecting our State government the record will prove my belief in rights of local self-government. As the State government has grown to its colossal proportions, the threat to local self-government has increased. Big government and high taxes are the result of many activities of our State government, some of which are necessary, but many of which are unnecessary. Big government with its fringing operations has created needless waste and extravagance.

"It has been my purpose to conduct myself at all times in a manner worthy of the trust and confidence which has been placed in me by the people who sent me to represent them. To violate that trust in any respect would be unthinkable, and it shall never knowingly be done. I am not now, nor will I ever be, obligated to any

## Jeff Holladay Named Editor Of J-Tac

Geoffrey Holladay, son of Mr. and Mrs. George E. Holladay, assumed a new position this week as editor of the J-Tac, Tarleton State College student publication.

He switched posts with Gordon McCullough of Coleman, after serving as managing editor of the last 13 publications.

Holladay is a junior studying English at TSC. He served last year as military editor of the J-Tac.

He is the second member of the Holladay family to hold the editor's duties. His sister, Judy Holladay, was editor of the campus paper two years ago.

BEN SUDDERTH  
State Senate Candidate

## Leaverton Seeks County Judge Post

State Representative H. A. Leaverton of Evant announced Tuesday of this week that he would not seek reelection to the post he has held the past four years.

Instead, the lawmaker has filed his candidacy for Judge of Hamilton County.

The announcement came as a surprise to most local people, who had considered him as a prospect for reelection to his present post. Leaverton stated that he would have a formal announcement concerning his decision in a week or two.

He has served in the Texas Legislature for the past three years, and indicated that he would serve out the current term.

## Final Rites Held Friday For Miss Nora Olliver, Longtime Resident

Funeral services were held Friday, January 12 at 3:30 p.m. in Barrow-Rutledge Funeral Chapel for Miss Nora Olliver, who was found dead at her home Thursday. Rev. Tom Pratt officiated, with burial made in the Hico Cemetery. Justice of the Peace L. L. Hudson ruled death by exposure.

Neighbors found Miss Olliver's body on the floor of her living room. The fire in a wood heater had gone out.

Miss Olliver was born in Tennessee in 1875, and had been a resident of Hico for 60 years.

Survivors include a host of nieces and nephews.

Pallbearers were Robert Hancock, W. R. Hampton, Roy French, George Christopher, R. T. Simpson and Marvin Marshall.

## Finis E. Forgy, 71, Former Hico Newsman, Dies at Mineral Wells

Finis E. Forgy, 71, retired newspaperman, died at Mineral Wells last Friday night. His death was the result of a heart attack.

Mr. Forgy had been in the newspaper business in several Texas towns before retiring. At the time of his death he was part owner of the Frisco Enterprise. He also was a former owner of a Mineral Wells printing firm.

Mr. Forgy was publisher of the Hico News Review in the late 1920's.

Survivors include a son, Roland Forgy of Dallas.

## Church of Christ Minister is New Hico Resident

Bro. and Mrs. Leon Frederick and family of Cleburne moved to Hico this week and are residing in the former Russell residence. Mr. Frederick is minister of the Church of Christ.

The former church parsonage has been razed and contract was let this week to build a new residence on the site.

## SCREWORM MEETING SET AT IREDELL JANUARY 25

There will be a meeting at the Ireddell School on Thursday night, January 25, beginning at 7:30, for the purpose of discussing the eradication of screwworms.

Speakers will be Ray Hastings and other Ireddell men. All who are interested in the program are urged to attend the meeting.

## First Half Cage Title to Be Decided Tues. at Valley Mills

Hico advanced a notch nearer their third consecutive district cage title Tuesday night of this week by winning their third straight conference game.

Whitney, who was expected to be a contender for the title, was the victim Tuesday.

The boys shot down the visitors 50-32 in the final game of the night, which saw the Tigertettes winning their first district game after two setbacks. They rocked the Whitney feds 55-28 in the opener.

First half play will end Tuesday night, January 23, when the locals travel to Valley Mills to take on the Eagles. The Eagles are considered top contenders to take away the crown won last year by the locals, and they have been picked in some quarters as favorites to advance to the district round of the state playoffs. Gametime will be 7 p.m. with the Hico and Valley Mills girls tipping off action.

A non-conference game is slated for tonight, Friday, when Walnut Springs invades the Tiger Den for a pair of games.

In a weird finishing game which saw Hico guards and forwards completely dominated play Tuesday night to walk off with a 55-28 win. Kathy Higginbotham streaked 16 points through the cords for scoring honors, but two other team members played a big part in the victory by hitting in the double figures. Jane Akin pumped in 12, and Margaret Warren added 11 points to the total output. Other scorers were Martha Paddock 7, Janell Ogle, Anita Mayfield, Janet

Hooper and Barbara Randals had two each, and Barbara Elkins scored one point.

The Hico boys jumped to a 15-9 lead in the first quarter, and were never in danger as they copped their third conference win.

They increased their lead to 36-13 at the half, and then coasted in with the victory.

Mark McElroy was leading point producer, dumping in 17, while Don Jernigan was runner-up with 12 points, despite being guarded closely all night. Mike Lowe pumped in 9, while Larry Erick, Harold Hathcock and Robert Reed added four points each.

Boys Win, Girls Lose at Gap

Last Friday night the locals traveled to Cranfills Gap, where they split a pair of games.

In the opener Gap downed the Tigertettes 44-36, with Kathy Higginbotham leading local scores with 11 points. Margaret Warren Warren meshed 10 for Hico.

In the nightcap Hico's boys continued their winning ways by bopping Gap 53-34 behind the 19-point output of Mark McElroy. Other scorers were Don Jernigan with 16 and Mike Lowe with 14.

when the locals rang up a 17-5 lead.

They increased that margin to 41-11 at the half, and made it 56-14 at the three quarters mark. Only in the final period was Meridian able to outscore the locals, gaining a 16-12 edge over the second and third stringers.

Ten members of the team had a hand in scoring, with Don Jernigan leading the pack with 18 points. He gained scoring honors by only one point, as Mark McElroy pumped in 17 for the runner-up slot. Larry Erick followed the leaders with 11 points, and Harold Hathcock and Mike Lowe, other starters, contributing four points each to the winning cause. Other scorers were Gary Wooton and Bill Rutledge, 4, and Charles Yell, Harry Brown and James Crews with 2 points each.

In the opening game of the night Meridian B-teams won a 22-20 verdict from the locals.

In the girls game, Hico started fast but a consistent game by the visitors erased a 10-point lead, and they went on to bop the Tigertettes 51-43.

Hico jumped into a 23-13 lead at the end of the first period, held a slim 31-28 margin at the half and dropped behind 44-37 at the end of the third period. The locals were held to only six points in each of the last two periods as compared to Meridian's 23.

Kathy Higginbotham was top point producer with 20, followed by Margaret Warren with 13. Jane Akin contributed 4, and Martha Paddock hit for 6 points, all in the final period.

Two Games Split With Meridian

Hico's boys cagers were the hottest thing in town last Thursday night as they successfully started defense of their district cage title by clobbering Meridian 68-30. The locals jumped to a 51-13 lead midway in the third period, and Coach Barnett emptied the bench with second and third teamers, with all boys on the squad eventually seeing action.

Outcome of the tussle was never in doubt after the first quarter

of area livestock producers met at the school auditorium Monday night, and formulated plans for soliciting funds in cooperation with the Southwest Animal Health Research Foundation.

Twelve men agreed to work areas of Hamilton County and the southern portion of Erath County, where no work has been done to date.

The men will attempt to contact every farmer and rancher residing in the Hico School District, which has been set up as a boundary marker for local solicitors.

Stockmen who will be making the rounds are Ed Black, Ed Bullock, Derel Fillingim, V. H. Jenkins, George Kilgo, E. H. Bradley, Charles Golithly, George Holladay, M. I. Knudson, Rusty Robinson, George Loden and Tyrus King. This group will also secure the aid of other stockmen in making the collections.

First National Bank was named as depository for local funds, with Ellis Randals in charge of giving proper credit and keeping records on the contributions.

A voluntary assessment of 70¢ per head on grown livestock (cat-

tle, horses, etc.) and 10¢ per head on sheep, goats and swine is the goal of the research program. An attempt is being made to raise three million dollars before February 1. Hamilton County's portion, based on the livestock census, is roughly \$28,000.

# Items of Interest From Iredell . . .

By MRS. VINITA BLAKLEY

The weather is mostly the news this week. Cold weather from 6 to 14 degrees at night most of the week. There has been lots of flu and virus, yet school was open each day. Let's hope this has been the coldest we will have for the winter. There has been more frozen water pipes than some time. Yet we have been more fortunate than some places have been.

Mrs. Leon Roberts and sons of Waco visited her parents, Mr. and Mrs. Charlie Tidwell Sunday.

I was glad to see the story of Johnson Peak which was published in the Meridian Tribune several weeks ago reproduced in the News Review. If you noticed the story says Johnson Peak is located in Northwest Bosque County. To be exact this noted Peak is some three and a half miles south of Iredell on what is now the Tom Lowe place, formerly the W. R. (Rush) Davis place. I grew up in the shadow of this famous Peak

and it was a great place for young and old to go on Sunday afternoon and other times, climb to the top of the Peak, carve their names and dates on the huge rocks and view the country for miles. So in reality this famous Johnson Peak belongs to Iredell.

Mrs. Odessa Kitching and Mrs. Loveta Sartor, Worthy Matron and Associate Matron of Iredell Order of the Eastern Star No. 850 were in Gatesville on Sunday afternoon at a meeting of the Matrons of the OE of Section 3, District 5. The District Deputy, Mrs. Evelyn Dyer of Gatesville, will meet with Iredell Chapter for her official visit on Monday night, January 22, at the Masonic Hall.

The Woman's Society of Christian Service will begin the Mission Study, "The Christian Mission in Latin American Countries" under the direction of Mrs. Ralph Bradley on Monday. It is hoped that a good crowd will be present.

On Tuesday afternoon at 2 p.m. Mrs. Oakley Sloter of San Paula,

Brasil, will be at the Education Building of the Methodist Church to present her lecture and show slides of her missionary work in Brasil. The lecture will be a part of the mission study. Everyone is invited to attend the meeting. Mrs. Sloter is the former Charlene Conley of Iredell.

Pete Musick, Chub McCoy, Noble McPeak and Red Yockum, who are employed with Zachary Construction Company at San Antonio were at home for a few hours on Tuesday and Wednesday, due to the severe cold weather in San Antonio.

Mr. and Mrs. Ralph Bradley were in Bluff Dale on Sunday visiting her mother, Mrs. Iowa Long. Mrs. Quince Fouts returned from the Stephenville Hospital on Saturday.

Mrs. R. J. Fouts and mother, Mrs. Sinia McDonel were in Stephenville on Friday.

Mr. and Mrs. Dalton Estein of Waco were in Iredell on Saturday.

Mr. and Mrs. John Royal of Austin were visiting his sister, Mr. and Mrs. Cecil Parsons Sunday.

Mrs. Charlie Mitchell is in Walnut Spring for a few days, helping to care for the mother of Herman Smith, who is seriously ill.

Mr. and Mrs. L. B. Westmoreland were called to Abilene Sunday to attend funeral services for her brother, who died suddenly. They returned home on Friday.

Mr. and Mrs. J. E. Laurence were in DeLeon on Sunday visiting their daughter, Mr. and Mrs. Leland Nabors.

Mr. and Mrs. Walter Pylant of Fort Worth were Sunday morning visitors in the home of his father, Mr. and Mrs. W. O. Pylant.

Miss Kay Hanshaw, a recent graduate of Truman Beauty School of Waco, is now employed at Judy's Beauty Salon in Hico. She will live at home with her parents, Mr. and Mrs. Loyd Hanshaw and will commute to her work.

Rev. W. H. Hanselman was called to Crockett Sunday to hold funeral services for a member of one of his churches. He returned home on Tuesday. Mrs. Hanselman held his services at the Methodist Church Sunday night in his absence.

Mrs. Floyd Hodges, Mrs. Beulah Cavitt of Snyder were Monday night visitors in the home of their sister and daughter, Mrs. Roy Adkison and Mr. Adkison.

Mrs. Dorothy Shirley and son of Fort Worth were weekend visitors in the home of her parents, Mr. and Mrs. Bryan Bateman, Steve and Butch.

Mr. and Mrs. C. W. Rogers of Abilene were recent visitors in the home of his mother, Mrs. W. E. Rogers.

Mrs. Mamie Echoles and Mrs. Fannie Dawson visited in Hico Sunday afternoon with Mrs. Annie Gordon.

Weekend visitors in the home of Mr. and Mrs. Austin Dunlap and Mrs. Sawyer were Mr. and Mrs. Lynn Sawyer of Waco, and Mr. and Mrs. Raymon Dunlap of Dallas.

Mrs. Olla Copeland and Mrs. Thelma Ford of Dallas are visiting in the home of Mrs. Sinia McDonel.

Mrs. W. E. Porter of Glen Rose is visiting her sister, Mrs. W. H. Hanselman while Bro. Hanselman is in Crockett.

## DUFFAU

By Mrs. Pascal Brown

Mr. and Mrs. Will Land visited with Mr. and Mrs. Roy Derrick Sunday.

Dennis Hutson is a patient in Hico Hospital. He was to undergo surgery Wednesday. We wish for him a speedy recovery.

Mr. and Mrs. Johnny Scott attended funeral services in Graham last Tuesday for his brother, Walter Scott. Our heartfelt sympathy is extended to the bereaved family.

Mrs. J. S. Flowers, Mrs. George Bowie and Mrs. Jack Thompson are all patients in the Hico Hospital. We wish for them a speedy recovery.

A shower will be given Saturday night at 7 o'clock in the Duffau gym for Mr. and Mrs. Hershel Williamson and Dennis. Their home and all contents were destroyed by fire last Saturday morning about 4 o'clock. Our sympathy goes to them in this time of loss. Everyone is invited to attend the shower.

Mr. and Mrs. Ben Herrin received word that their cousin, Noah Cason of Fort Worth had passed away. Burial was Monday. Our heartfelt sympathy goes to the family.

Dale Phillips, Don Lyles and Mark Hall of Abilene Christian College were dinner guests in the home of Mr. and Mrs. H. H. Talley Sunday.

A. B. Naul of Fort Worth spent the weekend with Mrs. Naul and children.

Myrlin Marcum of Dallas and Dale Dennis of Amarillo, students at Abilene Christian College, visited at the Church of Christ Sunday night.

Mr. and Mrs. Bob Wagner and Sheila Gay of Saginaw have moved back to their home here. We welcome them back to our community.

## CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to every one who extended comforting sympathy in our recent sorrow. Our gratitude is indeed great to those who sent the lovely flowers, the food, cards and every kind expression of thoughtfulness. May you be blessed with such wonderful friends in your hour of sorrow.

## McADAMS-BURRIS VOWS EXCHANGED RECENTLY

Jean Burris became the bride of Duane McAdams, Friday, Dec. 22 in a candlelight service in the First Methodist Church of Hamilton, with Rev. Shirley officiating.

The bride is the daughter of Mr. and Mrs. James Burris of Hamilton. She wore a magenta dress with a pearl necklace and earrings. She carried a white carnation corsage.

Mr. McAdams is the son of Mr. and Mrs. R. W. McAdams of Hamilton.

Guests attending the wedding were Mr. and Mrs. James Burris, Nell and James, and Mr. Mrs. R. W. McAdams, and Ruth.

A reception was held in the bride's home. The couple are residing in Valley Mills.

We extend to them our best wishes through life.

We were very sorry to learn of the death of Mrs. C. L. (Frances) McClintock Sunday after reaching Hamilton on our way to the Lund Valley singing. Mrs. McClintock passed away in the Hamilton hospital where she had been a patient since Sunday prior to her death. She died of pneumonia. She had been confined to her bed for a number of days but despite her inability to get up and about as usual she was always cheerful.

The McClintock family resided in the Agee community for several years, around 1905 to 1909. The two older daughters were girlfriends of the writer at that time. We have had contact with the family off and on since they moved from here. Mr. and Mrs. McClintock were very devoted to each other and their 11 sons and daughters and we must say one of the very fortunate couples to live to reach a ripe old age and still have their 11 children living. They lost a son-in-law in the service, Mr. Lindsey. Mrs. McClintock would have been 92 years old this coming July 24. It had been the custom of the family to celebrate the couple's birthdays annually on the Sunday nearest the July 24 date. Mr. McClintock's birthday is also July 24. The children and grandchildren and their families would all gather at their home with well filled baskets of delicious foods. This custom however, ceased after the death of Mr. McClintock a few years ago. We have forgotten his age but think he too was around 90 when he passed away. The McClintocks, after giving up farming owned and operated a small grocery and station in East Hamilton for many years before they retired several years prior to his death. Mrs. McClintock was a native of Clay County, Alabama.

Funeral services were held Sunday at 4 p.m., with burial in the IOOF Cemetery in Hamilton. The Hamilton Quartet was in charge of the singing. Sorry we did not get the ministers name. Mrs. McClintock is survived by 8 daughters, Mrs. Martha Renfro, Mrs. Willie May Stamp and Mrs. Edna Miller, all of Fort Worth, Mrs. Tilda Jones, Mrs. Ethel Williams and Mrs. Iula Raibourn, all of Hamilton, Mrs. Eva Cavanaugh and Mrs. Truett Sharp of Dallas; 3 sons, Henry of Action, Troy of Dallas and Otis of San Antonio. She is also survived by 34 grandchildren and 86 great-grandchildren and 14 great-great-grandchildren. The bountiful floral offering

was very beautiful. A very large crowd attended the service. Our deepest sympathy is extended to the bereaved children and their families and other relatives at this time of sorrow.

Mrs. LaRue Barnett of Huntsville has been visiting a few days in the home of her parents, Mr. and Mrs. Winfred Gardner and family.

Mrs. Mack Broyles visited Tuesday in the home of her sister, Mrs. Pedro Jones of the Lanham community.

Rev. Val Vance filled an appointment at the Baptist Church Sunday, and he and his family were luncheon guests of Mr. and Mrs. Virgil Parker.

Mrs. Ovie Brummett turned in \$115.00 recently for the Cemetery Endowment Fund. The donation was made by the children of the late Mr. and Mrs. J. A. Anderson for their lot at the Fairy Cemetery.

Mrs. H. E. Sills, Mrs. Leslie New, Mrs. Roy Blakley, Mrs. Ed Guinn, Mrs. C. C. Parks and Mrs. T. R. Parks were joint hostesses for a wedding shower Saturday at the Fairy homemaking room honoring Mr. and Mrs. Duane McAdams. A very nice crowd attended and they received a nice assortment of nice and useful gifts. Fruit punch and cookies was served as refreshments.

Mrs. H. H. Hanes of Jonesboro visited Friday in the home of Mr. and Mrs. P. L. Cox. Mrs. Cox and Mrs. Hanes are longtime acquaintances.

We stated in last weeks news that Mr. and Mrs. Keith Streater had lost most of their household effects when they caught fire on the pickup truck while his father, Garlon Streater was moving them to Dallas. It should have read Billy Clark Streater instead. We can always catch our mistakes when too late to change.

Mr. and Mrs. Thomas Slater and children of Gladewater visited recently with his mother, Mrs. Bertha Slater.

Mr. and Mrs. Carl Ray Sellers, Jimmy and Janice visited Sunday afternoon with his mother, Mrs. N. S. Sellers at Hamilton.

Mrs. Max Lam of Flat visited during the weekend with her parents, Mr. and Mrs. Scott Blafley. The writer attended singing

Sunday afternoon at the Lund Valley Baptist Church and also attended funeral services for Mrs. C. L. McClintock, and visited a short while in the McClintock and Irvin Anglin homes.

Mr. Hugh Sumerford, who is making his home with his daughter and husband, the Irvin Anglins, is having a new home built near the present Anglin home.

He and his daughter and husband will move to the new residence as soon as it is ready for occupancy. It will be remembered by many that Mrs. Sumerford passed away January 17, 1960.

The past week's cold spell has been one of the most severe spells that any of our teenagers have experienced. In fact, we ourselves can't remember as low temperatures since the turn of 1929 or January of 1930 when the mercury dropped to three degrees. We usually carry a jar of water in our car for drinking, and four jars had accumulated in the car. It was closed tightly and in a double concrete block garage and not out of the garage during the spell. The water in those jars froze solid. We feel sure much damage has been done to pipes and fittings. As for this scribe, guess we were fortunate as we had running hot and cold water throughout the spell, but we kept 3 stoves burning night and day to protect inside fittings.

We had one hydrant burst at our tenant house in Fairy as Mr. Porterfield, who resides there, was in Houston visiting his daughter and had left the house locked and we were unable to drain the lines when the water was cut off.

Mr. and Mrs. E. M. Hoover and the writer visited last Friday afternoon in the home of our mother, Mrs. A. L. Newman of near Duffau. Glad to report her able to be up and about in her room. While there the Hoovers carried Mrs. Prentis Newman to Stephenville for the extraction of some teeth.

It is thought the oats are not hurt too badly by the freeze. We surely hope not at least.

We have been delayed in turning in our annual cemetery report due to the fact we had got the October bank statement misplaced. We came across it late Monday together with our statement which was also missing. They had come while we were in the Temple hospital and in some manner seemed to be laid where we were not in the habit of keeping them.

Our school did not dismiss for the cold weather last week. It

## MISS HALEY, MR. EVANS MARRIED SATURDAY

Miss Kathy Haley, daughter of Mr. and Mrs. Fieldon Haley of Clairette, and Bobby Evans of Dublin were united in marriage Saturday night at 7:30 at the Clairette Methodist Church. Rev. A. L. Cronk officiated.

The family and only close friends attended, with some out of town guests.

Miss Haley's sister and brother-in-law, Mr. and Mrs. Hutch Greater of Jonesboro were honor attendants for the couple. She was given in marriage by Mr. Greater.

Kathy is the youngest daughter of the Haleys, a student in Hico schools. The couple will make their home in Dublin, where Mrs. Evans plans to continue her school work. We wish the couple a long and happy journey through life.

A wedding shower was held Jan. 17 at the Clairette Community Center for the couple. Hostesses were her school friends, Anita Mayfield, Sylvia Sherrard, Janell Ogilvie, and Carol Cronk.

Granny Hoskins is a patient in the Hico Hospital at this writing. Several have been on the sick list the past few days.

Mr. and Mrs. Gene Cornelius and family of Hamilton spent Saturday with Mr. and Mrs. Lee Marshall.

Mr. and Mrs. John Noland spent last Thursday night in Weather-

ford and attended a shower in honor of Mr. and Mrs. Jim Trammell and their daughter who have bought a new home there.

was reported, however that they turned out Tuesday afternoon but didn't.

We just learned Tuesday of the death of Elbert Ford of Dallas, who died Thursday of last week. He was a former resident of near Fairy.

Mr. and Mrs. W. E. Cunningham spent Sunday in Venus in the home of their daughter, Mr. and Mrs. Bob Frederick. They were met there by their other daughters, Mr. and Mrs. Walter Prinz and family and Mr. and Mrs. Glenn Arrant and children, all of Fort Worth. The occasion was in observance of Mrs. Arrant's birthday, which was Sunday, and also Mrs. Frederick's birthday, which is February 2.

Thanks to Mrs. Fannie Adams of Hico for a \$5.00 donation to the Fairy Cemetery Association.

## Hamilton-Coryell SCS District News

W. E. Beeman, a district cooperator with the Hamilton-Coryell SCS, near Hico, will seed approximately 140 acres of native grass on an old turned out cultivated field sometime in February of this year. The green vegetation growing on the land has been destroyed by plowing shallow with a one-way.

Beeman will plant a bluestem mixture that consists of little bluestem, switchgrass Indian and Kleingrass. The Kleingrass will be used in the mixture on one area to see if it will take the place of switchgrass. Blackwell and Caddo switchgrass will be used in a bluestem mixture on two separate plots to see if they are as good as the mixture that contains Kleingrass.

The grass seed will be planted on a firm seed bed. This is necessary to secure a good stand. Weeds will be controlled during the year by mowing.

Any land owner or operator interested in planting grass can receive technical assistance through the SCS office and financial assistance from the ASC office.

Know what this is?

You probably think it's a light bulb. But this one is burned out, like some around your house perhaps. So it isn't a light bulb—it's just a socket filler. Next time you shop, pick up enough right-sized bulbs to replace the burned-out bulbs that are robbing you of light. And buy a few extras for spares. You'll be surprised how much more cheerful and pleasant your home will be with improved lighting.

PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

## Local Students Attend TSC League Activities Conference

**NEW FACE IN HICO HIGH**  
Today as I walked into study hall, there was a very attractive red-headed girl. I found out that she is from Saginaw and is now residing in Duffau. She is Sheila Gay Wagner.

Look out girls, you've got plenty of competition now! Sheila, try not to be too hard on the girls! We're glad to have you.

**FRESHMAN TATTLER**  
Seems that Edwin B. can't seem to stand up these days. He just loves to fall down the aisle in English class.

Seems that Allen S. has a liking for mixing his food these days. Say, Linda J. I heard you got rolled in the snow by some certain boy. I wonder who?

Kay C. and Linda J. are going to make jumpers alike. How about making me one?  
Well that is it for this week. Good luck to everyone on mid-term tests.

**SOPHOMORE TATTLER**  
Things have been pretty quiet

in the Sophomore class. The new junior girl seems to have caused a throb in someone's heart. How about this Mike F.

It seems Tommy D. has been having a bachelor's life and I know someone who says she will change all this, if someone doesn't beat her to the punch.

I see one of our boys has lost his red letter jacket to a certain 8th grader. Right Jerry C. and Pat B.

It seems the teachers have been getting the best of the Sophs but we'll never give up.

Looks like we have a new member in PE after a small incident Friday. Right Mary?  
It may be that after finals we'll be sophomores forever so there may be a very large sophomore class next year and very few juniors for 62.63.

Guess that's all for this week. These tests are getting us down.

**JUNIOR & SENIOR TATTLER**  
You've heard of butter-finger haven't you? Our own RHR Jr. is the best. He dropped the change box from the Coke mach-

ine and money rolled everywhere. Naturally everyone pounced on the floor trying to recover the change. A few minutes later the store's change box slipped from his hands and money scattered everywhere again. Try to be more careful huh Reed?

We know the truth now. Jane A. is a better shot than Barbara R. They had a little contest in PE one day.

Janet H. Kathy H. and Margaret W. were talking around as if they had conquered the world one day. I came to find out that they are the tri-captains of the girls basketball team. No wonder!

There's a new beaming face in HHS. Her name is Sheila Wagner and she is in the junior class. She got plenty of stares all day Monday. Think nothing of it Sheila. Everyone likes to see a new face.

Harold H. and Kathy H. were having a disagreement Monday. He was just about to win after dragging her around a corner but Mr. B. came around that same corner in time to save her.

Mama H. has become a woman today, Jan. 16. She's 18 years old. Happy birthday, kid!

Dan R. won't part with his radio, that is, unless Mr. B. wants it. The twist was really going one day before History class, almost going too loud. Right, seniors?

"School must go on" is our motto. We didn't miss a single day all last week even though there was 10 feet of snow on the ground. Well almost 10 feet or maybe it was one-tenth of an inch.

Kids, cause a little visible excitement. See you next week.

**COUPLE OF THE WEEK**  
My match-making mind got to work on me over the weekend and I came up with a brilliant idea.

Two most capable Juniors that never date anyone and both keep to themselves just most certainly should be matched up with one another.

The poor dears don't know it and probably never even thought of it, but they honestly do have the same interests such as not liking the same teachers, detesting the same people, acting up in study halls, eating, sleeping, likes the same TV programs, and both of them find studying for the

conference game found Hico playing host to Meridian. The game was postponed until Thursday night due to the bad weather Tuesday.

The Hico girls started off with a hot 23.11 over Meridian. The second quarter the Jackets started gaining over the smaller Hico Tigerettes. Then the wheels turned. Meridian got hot and Hico lost to them in a hard battling game by a score of 51.43.

Kathy Higginbotham led in scoring with 20 points and Margaret Warren had 15.

There were two boy's games, with both the A and B teams playing. The B boys were edged out in a close, hard fought contest by 22.20. The B boys showed real promise and are sure to provide a good bench for Coach Barnett to call upon.

Garry Wooton and Tom Pratt had five points each and McDowell of Meridian had 13.

In the regular boys game, Meridian proved no match for the high-flying Tigers going down 68.30. Mark McElroy had 17, Larry Erick had 11 and Don Jernian had 18. Bass, Brown and Allen had 8 each for the losers.

Friday the Hico cagers traveled to Cranfills Gap to play the second district game. The Hico girls lost to Gap by a score of 44.36. Gap's offense got the jump on Hico in the first quarter but finally Hico's defense closed in on them and held them for two quarters.

The Hico B team, showing continual improvement, beat the Gap Lions 35.21 in the first game of the night. Harry Brown and Garry Wooton had 10 points, and Bill

Rutledge had 9. Huse had 13 for Gap.

In the nightcap the boys continued their high scoring ways, pouring 53 points through the nets to Gap's 34. However Gap put up a good fight and the Tigers found the going a little tougher than Thursday night. Mark McElroy had 19, Don Jernigan had 16 and Mike Lowe had 12 points. Ditt-rich and Connie Hutton led Gap in scoring with 14 and 10 respectively.

There is going to be some good ball played in the next few weeks as the district race draws to a close, and a good group of local supporters, both at home and away would help the teams tremendously. Support the teams and attend regularly.

**WHO'S WHO**  
My subject for this week's who's who is a big hunky boy. Whether it's a hunk of fat or muscle we don't know because he covers himself up with different sweaters every day. He is about 5 feet 10 inches tall and weighs 210 pounds and has a horsepower of about 0.952. He can really run up those stairs between classes. Also, he sure can sprint down that basketball court during the ball games.

The opposing guards never get in his way because if they did they wouldn't be in the gym much longer. Not only is he good in basketball but he was an all-district tackle in football. Last year he won State in debate. (Quite a part huh?)

History class just wouldn't be the same without our subject because we can always get an argument out of him. When the bell rings for dinner, you'd better watch out because "our friend" almost knocks everyone down trying to get to the lunch room to "feed his face."

By now surely you've guessed that our subject is none other than Thomas Eugene Pratt Jr.

**STUDY! STUDY!**  
Students of Hico High I warn each and everyone of you to study for those on-coming midterm tests. From all indications the teachers have been preparing for them for some time now and one teacher's comment went this way, "We are really going to shovel the coal to them and see just which one of them can keep the fire going."

Mrs. Angell said that her study halls have been a bit on the noisy side and that if it keeps up she is going to work day and night on a test for those kids that not any of them can pass without an enormous amount of studying. For some young sprouts, a little study can mean the passing or failing of a subject and maybe a grade.

Why, I once knew a boy who thought he had his subjects knocked until midterm rolled around and then he found that a little study can go along way. So take TP's word for it—that study never hurt anybody. See ya, after mid-term. We hope!

Tarleton State College was host to students from high schools in the north-central section of the state last Saturday at the second annual Interscholastic League Student Activities Conference.

The conference, similar to others held through the state, was designed to prepare students for competition in the University Interscholastic League contests scheduled later this spring.

Visiting students were given instruction and criticism from instructors from the University of Texas, Tarleton State College, and from regional high school teachers.

The Conference dealt primarily with subjects in debate, prose reading, poetry interpretation, persuasive speaking, ready writing, journalism, number sense, and slide rule.

Also, a special section was held for yearbook staffs which dealt with the selection of material, the training of staffs, and other common problems.

Hico students attending the conference were Eilene Gannaw, Barbara Randalls, Robert Rees, Charles Yell, Connie Bullock, Mary Adams, Kathy Higginbotham, Anita Mayfield, Elizabeth Erner and Sharon Howard.

**THIRD SUNDAY SINGING SET JANUARY 21**  
The regular third Sunday County Singing Convention will be held at 2 p.m. January 21 at the Primitive Baptist Church in Stephenville.

**CALIFORNIA VISITORS**  
Winfred (Happy), Wallace, Weldon and Wendell Houston, all San Jose, California, were visitors in Hico Friday with friends and relatives. They were enroute home after attending funeral services in Winters for their stepfather, Louis Pendleton.

### PERSONALITIES IN FORT WORTH RODEO

Joining the past year's top money-winning cowboys in the 1962 Fort Worth Stock Show Rodeo, January 26 through February 4, will be Texas-born Dan Blocker, top left, who plays the role of Hoss Cartwright in TV's top-rated "Bonanza" program. Appearing with Blocker in all 20 performances of the Fort Worth Rodeo will be Lorne Greene, top right, who plays Ben Cartwright, Hoss' father, in "Bonanza". Other feature performers will include Montie Montana, lower left, widely known trick rider and roper, and Marie Mass, Miss Rodeo America of 1961.

Coffee Time

CHATTER

By HELEN OGLE

Weather no doubt has been the main topic of conversation lately and along with it quite a bit of chatter. Teeth chattering, I mean. Have also noticed quite a change in fashions these mornings and the color or style doesn't really matter, just so it's warm.

Business can fall into slumps, but it can really be dull at a beauty shop when the water freezes, says Judy Keller. Jim Jameson says there is nothing wrong with the weather that a good round of bowling wouldn't help.

ATTEND SPRING MARKET

Mr. and Mrs. Luther Burden were in Dallas Tuesday of this week to attend spring market.

Jewel Ellis and Luther Burden were reminded of school days when they tried to pronounce syrup the correct way.

ATTEND FUNERAL IN BELTON

Mr. and Mrs. Elvis Vinson of Hico and Mr. and Mrs. Winford Parr of Lubbock were in Belton Monday of this week to attend funeral services for Mrs. Vinson's mother, Mrs. Kate Wilson.

Lorene Randals says she doesn't have time for anything these days and can't even get the house cleaned up. That's why she couldn't answer the phone the other day as she was busy in the top of the closet.

OUT OF TOWN RELATIVES ATTEND HAVINS RITES

Out of town relatives who attended services for Hubert L. Havins held here last Wednesday were Mr. and Mrs. Tommy Havins and sons, Charles and Truman Havins and wife, Mr. and Mrs. Deward Gregory, and Mr. and Mrs. Lawson Havins, all of Paducah, Alvie Havins and son, Dale and daughter, Laverne Phillips, and R. O. Long, all of Abilene, and Mrs. Edith Van Patten of Pangburn, Ark.

There's nothing wrong with Harold Walker these days. He just wants another chance to go deer hunting. That first trophy really gave him the bug.

CARD OF THANKS

We extend this word of appreciation for the many ways in which friends and neighbors lightened the burden of our sorrow at the passing of our loved one. The flowers, food, and expressions of sympathy were deeply appreciated and we pray that you may be richly blessed for these kindnesses.

Wayne Rutledge is busy and on the go this week reminding everyone to buy those important poll taxes.

CARD OF THANKS

I sincerely thank the Church of Christ for the nice box of fruit, candy, and other good things during Christmas. May God bless each one is my prayer.

Tom Griffis and Family.

Tom Griffis of San Antonio was a visitor and dinner guest in the home of Mr. and Mrs. Stanley Giesecke Monday of this week.

THIS WEEK IN AUSTIN—

Lawmakers Working Toward February 5 Adjournment

**By VERN SANFORD**  
Texas Press Association

Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program.

Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline, February 5.

Loans: House of Representatives sent a much-amended loan regulatory bill to the Senate. Bill would set up tight supervision over those who lend in amounts less than 1,500. Exceptions are banks, credit unions, savings and loan associations and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 10 per cent interest per year. All loans over \$1,500 would likewise be held to 10 per cent.

House bill allows a 3 per cent per month charge on loans under \$100; two and a half per cent on the part of the loan from \$100 to \$200; 2 per cent on \$200 to \$500; and 10 per cent on the part of the loan between \$500 and \$1500.

When interest allowed on a loan over \$20 is less than \$4, the lender can charge \$4 in lieu of interest.

**Rural Roads**  
Senate passed the proposal by Sen. Neville Colson of Navasota to cut the spending on farm to market road construction and improvement by \$17,500,000 a year. This amount will be used for construction of secondary and primary highways.

A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred

Tourism

Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate \$300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the Highway Department isn't the proper supervisor of an advertising program.

Attorney General's Race Begins

Former Secretary of State Tom Reavley of Austin was the first candidate for Attorney General to pay the \$1,000 filing fee at State Democratic Executive Committee headquarters.

This is Reavley's first statewide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Waggoner Carr of Lubbock, two-term Speaker of the House of Representatives, already has announced as a candidate.

Although Carr lost the 1960 race to Will Wilson, he polled a half million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted."

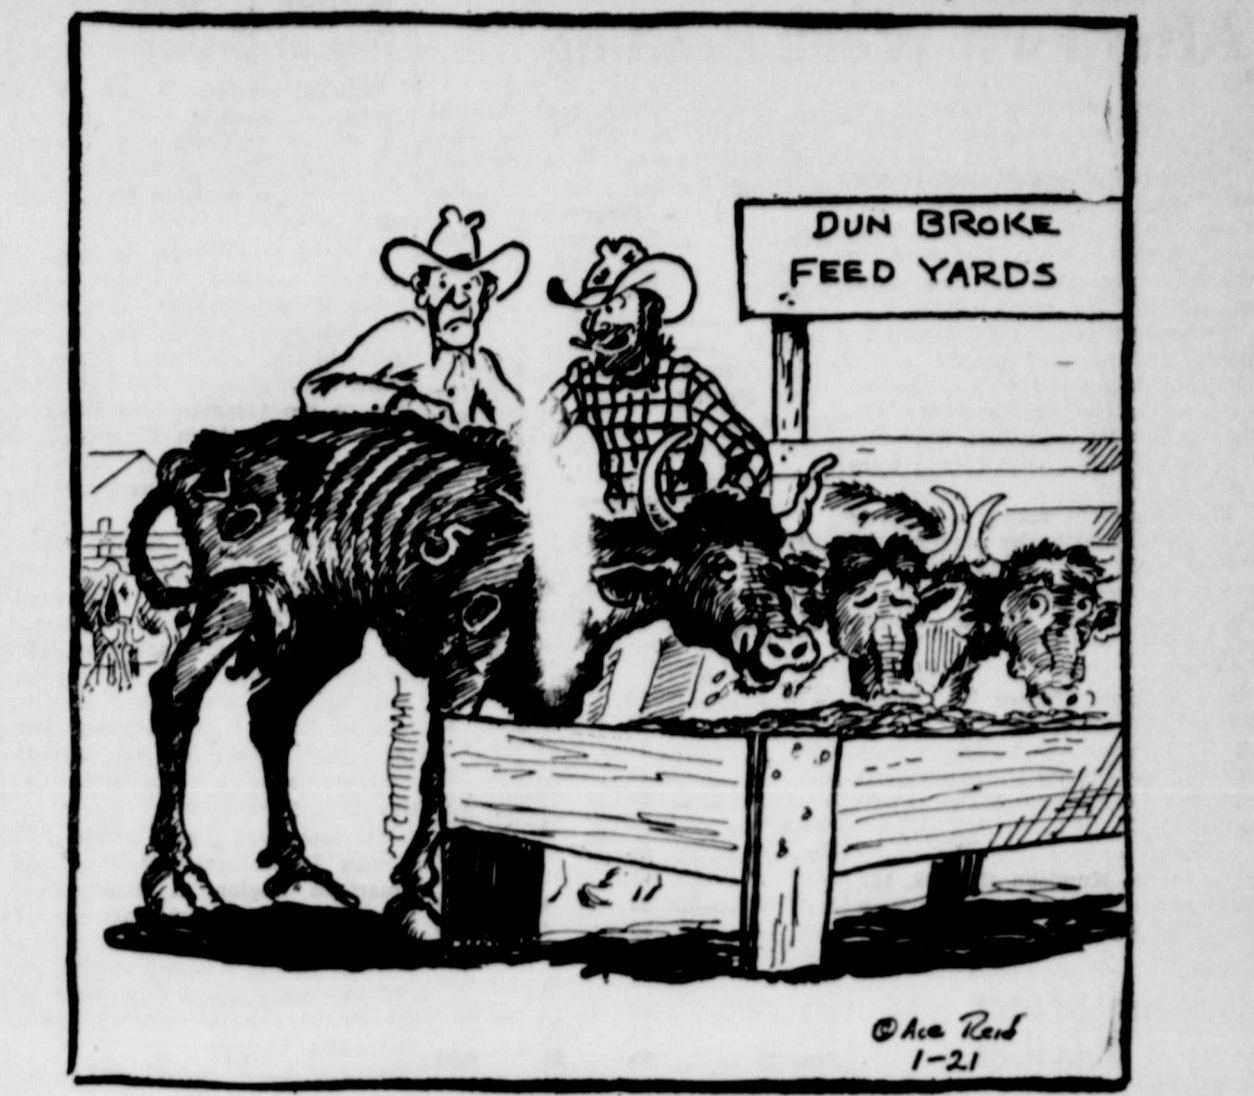

Les Proctor of Austin, who resigned his office as District Attorney, is expected to make a strong bid for the Attorney General's job.

Proctor won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

ed appropriation of \$300,000 for out of state advertising.

Tourist Council elected as its president James Gaines of San Antonio. Vice presidents are Glenn Alexander of Dallas, T. P. Newhall of Greenville, John Ben Shepard of Odessa and John Simpson of Austin. Ed St. John of Austin was elected secretary.

Speaker James A. Turman told the 500 luncheon guests that the old joke "it is easier to pick a tourist than a bale of cotton" is about to go stale. He said Texas must let the rest of the nation know what it has to offer.

Texas Called Book Desert

University of Texas Chancellor Dr. Harry Ranson told members of the Texas Commission on Higher Education that the State of Texas is laboring under the label of "the book desert of the United States."

Dr. Ranson made the statement

in support of a plea from Dr. F. L. McDonald, President of Lamar State College of Technology, for a more realistic appropriation recommendation for libraries in Texas' 19 state colleges.

Short Snorts.

Assistant Attorney General Bob Eric Shannon of Brownwood has been appointed Chief of the Attorney General's Insurance, Banking and Securities Division.

Atty. Gen. Will Wilson won a judgment recovering more than \$423,000 for the State in a suit alleging fraudulent sale of land in Kinney County to the Veterans Land Board.

Agriculture Commissioner John White predicted that the growth of the European "Common Market" will have a major effect on Texas farm economy. He said Texas will export some 25 per cent of their \$800 million cotton crop this year.

Accreditation standards was a much-discussed topic when 1,200 Texas school administrators met in Austin last week.

### Four Teams Tied for Lead After First Week Bowling

By MORSE ROSS  
League Secretary

Three teams, accustomed to second division berths during the first half, joined Salmon's Shoppers, winners of the first half, on the top rung after the first night of play in the second half.

Wednesday night play was postponed due to frozen gas mains but all games were played Friday night. The cold weather evidently had its effect on the scoring as very few good games were rolled.

The Shoppers maintained their first place position by topping the Newshounds 11, losing the first game by one pin. Cheek's Kings, winners of the first half, topped the strong Judy's team 11, while F.W. Ranch Cowhands were short-changing First National Tellers 11. Blair's Whiz Kids completed the quartet of 11 winners by taking advantage of the Orphans, and Wilson's Dynamite and Hoo Motor Darts battled to a 12 draw.

Leading scorers for the night were Bettye Knudson 612, 158, 137, Ruth Salmon 618, 182, Shirley Ross 417, 133, June Roberson 154 for

the ladies. Walt Ross 532, 192, Ray Cheek 512, 222, Morse Ross 478, 184, Charles Gollightly 472, and Jack Goodman 190.

### Former Hicoan, Walter L. Scott, Dies at Graham

Funeral services for Mr. W. L. (Walter) Scott Sr., 68, co-owner of Scott's Grocery at Graham were conducted last Wednesday at 3 p.m. in the Graham First Methodist Church.

Rev. Bruce Weaver, pastor, officiated, assisted by Rev. J. C. Johnson, minister of the First Presbyterian Church. Burial was made in the Oak Grove Cemetery. Mr. Scott died at 7:35 p.m. Monday in the Graham General Hospital. He had been ill since last July, but kept on the go attending to business and greeting his friends.

In 1929 the Scott family moved to Graham where Mr. Scott was manager of the A&P Tea Company until 1936 when he opened his own business. Since that time he had engaged in that enterprise with his son, who joined him in business in 1947. In September 1961 Mr. Scott celebrated the fiftieth anniversary of his beginning in the grocery business.

Mr. Scott was a past commander of the Legion, Daniel Post of the American Legion, a member of the Possum Kigdom Barracks of the Veterans of World War I, a member of the Knights of Pythias and for many years a member of the Board of Stewards of First Methodist Church.

Walter Leon Scott was born July 1, 1892 in the Salem community, Erath County, a son of the late Mr. and Mrs. Lee Armstrong Scott. He attended school in Erath County and on finishing entered the grocery business.

In July 1917 he enlisted in the First Marine Aviation Squadron of the US Marine Corps and saw service throughout the first World War with the American Expeditionary Force in Europe. In April, 1919, he was honorably discharged with the rank of Sergeant.

Returning from service he again engaged in business at Hico. On June 14, 1921 Mr. Scott married Miss Jo Elliott of Waco, who predeceased him in death in 1949. In early manhood Mr. Scott united with the Methodist Church in Hico. On moving to Graham, the Scotts transferred their membership to the First Methodist Church there where they were faithful members for many years. He was preceded in death by his parents, three brothers, and a sister.

Survivors include his son, W. L. Scott Jr., and three grandchildren, W. L. III, Kenneth Rex and Jo Beth Scott, all of Graham; a brother, J. W. Scott of Hico; a sister, Mrs. James L. Thompson of Fort Worth; and a number of nieces and nephews.

### Sen. Crawford Martin in Race For Lt. Governor Post

Austin—State Sen. Crawford C. Martin of Hillsboro Monday announced his candidacy for Lieutenant Governor in the Democratic primary.

Martin became the fourth state senator in the race for the post vacated last year by Ben Ramsey to accept an appointment on the Railroad Commission.

Martin's candidacy had been rumored for some time. His entry into the race will set off a scramble for the state senate post in the 10-county 12th District. Counties in the district include Hill, Bosque, Comanche, Coryell, Ellis, Erath, Hamilton, Hood, Johnson and Somervell.

Martin has been in the state Senate since 1948. He served as mayor of Hillsboro two years previous to his election to the Senate place his father, Will M. Martin, once held for eight years.

The Hill County Senator said the basic plank in his platform would be to put the state on a sound fiscal basis and keep it that way. For the past several years he has been a strong member of the Senate Appropriations Committee and the Senate Finance Committee.

Martin headed the Senate committee handling appropriations in 1955-56. He points to that session of the legislature as the only one in 12 years which no revenue-raising measure was required.

In the 12 years that he has served his district in the Senate his name has been connected with many legislative programs.

Martin served as chairman of a Special Legislative Committee to study problems of the aging in Texas and has served as chairman of the Governor's Committee for the White House Conference on Aging since 1958. In recognition of his work on this problem he received awards from other agencies connected with the problem of Texas old people.

Major legislation enacted under Martin's sponsorship during the past several years includes:

Medical aid for recipients of old age assistance effective this month in a state contract with Blue Cross of Texas.

Enforcement for the state's escheat law in a general statute requiring reports of abandoned funds, adopted by the legislature last year.

The state's first act requiring registration of lobbyists, in 1957.

Insurance reform laws, strengthening the capital structure and operations of casualty companies to put an end of Texas insurance scandals in 1955.

The state's first strict securities regulation, creating the Securities Commission in 1955 and 1957.

Improved treatment for the mentally ill in a constitutional amendment waiving mandatory trial by jury for hospitalization and in a modern mental health code in 1955 and 1957.

The state's first paid system for adult probation and parole in 1955.

Improved supervision of the state's youth correction centers under the Texas Youth Council in 1957.

Revision of the election code to provide a ballot that is secret and yet can be checked in case of contest, in 1951.

Modernization of the state's tax accounting with authorization of an electronic computing system in 1959.

Reorganization of the Texas Industrial Commission in 1959.

Sen. Martin, 43, was born in Hillsboro and attended public school there. He graduated from the University of Texas Law School in 1939. In World War II he served in the United States Coast Guard.

STATE SENATOR CRAWFORD C. MARTIN of Hillsboro has announced his candidacy for lieutenant governor in the Democratic primary. The 45-year-old attorney is serving his fourth term in the Texas Senate. Martin said the basic plank in his platform would be to get the state on a sound financial basis.

### POLITICAL ANNOUNCEMENTS

The News Review will accept announcements for district and county offices in the order they are received, each to be carried through the first and second primaries unless otherwise eliminated.

All political advertising is payable cash in advance. A free news notice, of reasonable length, goes with each announcement placed, to be written and signed by the candidate.

Rates for the various offices are listed below:

District Office	\$25.00
County Office	\$25.00
Commissioners	\$25.00
Justice Offices	\$15.00

The News Review is authorized to publish the following political announcements subject to the action of the Democratic Primaries:

For District Judge (unexpired term): Truman E. Roberts

For County Judge: W. E. (Gene) Tate (re-election); H. A. Loverton

For County Clerk: Mrs. Vada Williams (re-election)

Saturday afternoon, on the Mel Stanford farm at West Point, there will be an orchard pruning demonstration and all of the community and anyone else interested is invited. And I might remind you that now is a good time to set out a few fruit trees.

I hope our county will be able to raise quite a sum of money to apply to the state screwworm control program that is being carried out by the Southwest Animal Health Research Foundation. I understand some of the counties around Hamilton county are getting near the \$10,000 mark.

—ERL—

I understand that one of the big problems in the screwworm program is the production of the flies to turn loose. From a Florida report here is a little information about the size of the operation: Based on a production quota of 50,000,000 flies a week, between 8,000,000 and 9,000,000 mature larvae each day will be harvested from 180 rearing vats. This is adequate to allow for average mortality in the various stages after the rearing process.

Weekly feed requirements for such a number are: Meal, about 80,000 pounds. Meal is stored under refrigeration in a separate building, prepared in batches and delivered to the main plant as needed. Water: about 9,000 gallons. Blood: about 4,500 gallons. This is citrated whole beef blood, stored under refrigeration in two 3,000 gallon tanks. In addition, special food in the Adult Colony required about 25 gallons of honey a week and in the Starting Room about 60 gallons of plasma, from beef blood. Spent or waste feed medium amounting to 40 tons a week must be thoroughly steam-treated, to kill any remaining larvae.

This is a pretty big feed bill and I didn't know a screwworm or a bunch of them, could or would eat so much.
