By MRS. EUNICE DANIEL

We were sorry to learn of the passing of Mr. George Oxley of Hico. The Oxleys resided in the Gum Branch community near Fairy for many years. He was a highly respected citizen and has many friends who deeply regret his passing. He was the father of Artie Oxley of Fairy, who now resides on the Miller place, better known as the Hutton place. We were sorry we were unable to attend the services Sunday. All extend deepest sympathy to those bereaved in his passing.

We have been informed by Mrs. Marvin Porterfield that her husband is a patient in the Marlin Hospital instead of the Waco Veterans Hospital as we stated in last week's news. Sorry we were misinformed as to where he was taken. Mrs. Porterfield stated his condition was due to after effects of surgery and his condition is improved. It is thought he may be able to spend this weekend at home, but will have to return to the hospital next week. We feel sure his friends will be glad to

hear from him. Walter Porterfield spent a few days last week in the home of his son, Mr. and Mrs. Louis Porter. Mr. and Mrs. Marlin Porterfield was with her husband at Marlin.

Mrs. Charles Price of Austin spent from last Sunday week until Thursday in the home of her father, P. L. Cox and Mrs. Cox.

Mr. and Mrs. Otis Dansbee and Larry of Proctor visited Sunday in the home of Mr. and Mrs. Willie Turner and Bernice. The Dansbees formerly resided here.

Mr. and Mrs. H. O. Piercy and son, Neal, formerly of Denver City are now residing at their new home, the former A. R. Hoover place. Their younger son was married June 9. We welcome them to our community.

Mr. and Mrs. Carl Ray Sellers received a telephone message Tuesday morning from his sister-in-law, Mrs. Frank Sellers informing them that his mother, Mrs. N. S. Sellers, also of Hamilton had been carried to the Ham-

ilton Hospital due to a light stroke she suffered at her home. We hope she will soon be fully recovered and able to return home.

Mr. and Mrs. Roy Driver of Waco visited during the weekend in the home of their brothers, Mr. and Mrs. Frank Driver and Mr. and Mrs. J. T. Jackson.

Mr. and Mrs. Lester Smith of Houston and their two grandchildren, Patricia and Roy Beasley of May visited during the past week in the homes of their daughters, Mr. and Mrs. Marvin Porterfield and Billy and Mr. and Mrs. J. A. Edwards and family, and also visited at Marlin with their son-in-law, Marvin Porterfield.

Mr. and Mrs. Willie Turner enjoyed a weekend visit from all of their children, who were Mr. and Mrs. Billy Turner and Curtis, Mr. and Mrs. Ray Botkin and two little daughters, and Mr. and Mrs. Ray Turner, all of Killeen, and Mr. and Mrs. Jackie Turner and baby of Arlington.

Mr. and Mrs. D. E. Allison of Dublin visited Sunday in the home of her sister, Mr. and Mrs. Carl Ray Sellers, and mother, the writer. Other visitors in the Sellers home during the weekend were their daughter, Mr. and Mrs. Ray Turner of Killeen.

Mr. and Mrs. J. D. McCoy of Fort Worth visited during the weekend in the home of his sister, Mr. and Mrs. Scott Blakley and her mother, Mrs. J. L. McCoy. Mrs. McCoy returned home with them for a visit.

Mr. and Mrs. Roy Blakley and Mr. and Mrs. Emmitt Anderson attended the Burris family reunion held at Hico last Sunday.

Mr. and Mrs. Larry Gardner and two little daughters and Miss Cleo Gardner of Arlington and Fort Worth spent the weekend with their parents, Mr. and Mrs. Winfred Gardner, Sandra and Larry.

The couple will be married Saturday evening, July 21 at 7 p.m. at St. Pauls Lutheran Church in Hamilton. Jerry Paul is a graduate of Fairy High School.

A cleanup job at the cemetery was completed late Tuesday afternoon. We are sorry there were several unsupported lots which had to be left unworked. However we did partially work several of these due to a growth of grass burrs or other poisonous weeds.

## FOLLOW THESE TIPS

to get the most efficient cooling  
from your room air conditioner

- **KEEP AIR FILTERS CLEAN.** Clogged filters reduce cold air output, add unnecessarily to operating cost. Filters should be cleaned about once a month. If filters are not the permanent type, they should be replaced after one cleaning.
- Just as your car has a maximum speed, your air conditioner has a maximum capacity to cool. Keep in mind that your window unit is a ROOM air conditioner.
- Remember, air conditioners cool by REMOVING HEAT. Therefore, KEEPING HEAT OUT will improve indoor comfort and can reduce operating cost. Shade glass areas from direct sunlight, and bear in mind that proper insulation can reduce both cooling and heating costs.
- Have your unit checked by a qualified serviceman at least every other season.

Following these suggestions will help your air conditioner last longer and cool better at lower cost . . . help you live better electrically.

Vacationers still on the go in Hico and those left behind to carry on are busy making plans for the upcoming reunion. Guess that's what tempted Louise Blair to try out a new cleaner on the office floor. Don't know whether it was the right kind of wax or not, but it really spruced up the place.

If you find a few misplaced lines or letters in this issue of the NR, just ask Buddy Randa how the linotype machine works.

It may be a bit early (7 a.m.) to be pushing a lawn mower, but I really think Vera Bulloch and Sybil Jernigan have the right idea.

I don't know who won the saddle but J. D. Partain and J. T. Butler were busy swapping horse talk and all that goes with it. Melba Clark has been wanting

a golf cart to putter around town in, but has decided on a riding lawn mower after seeing a motorist in Iredell enjoying a ride downtown.

And there was Leonard Howard enjoying a coffee break with J. D. Burney while on his routine paper route.

After banking hours Ginger and Josephine decided to do some fabric shopping and that reminded Ginger that she had never finished that dress she had started earlier in the year.

"Just name it, and we've got it" was the expression P. W. Hamilton had when he learned that we could supply him with a needle and thread to sew up his umbrella.

Well our roving friend Granny Meador has returned home and

she said she thought she had an extended visit and would stay home for a while.

It must have been important chatter for Lamp Woodward and I. J. Teague to have their heads together so early Monday morning.

If you think a cup of coffee is good, just wait until Mrs. Jim D. Wright brings you some delicious homemade cookies.

Oh yes, Bunnie Alexander arrived in town Monday and said it was really good to be back home. She was looking forward to eating some fresh green beans that Jessie Richbourg had saved for her, then she'll settle down to getting the house cleaned.

When school is out you probably think teachers are luckiest people in the world with such a lengthy vacation ahead but O. C. Cook says he works even harder during that time.

I guess we're keeping things in order well enough for Harry Hudson's approval as he stopped in just for an inspection tour.

And Wayne Rutledge said we forgot to figure in all that extra walking we'd have to do when we "moved up town."

By the way, don't pull out in front of Bill Boyd or he's apt to turn on that erie sounding siren.

Guess we better get to press so see you next week. Don't forget—just 12 more days 'til Reunion time.

Another cowgirl bit the dust last Saturday night, but she got up and rode that critter. If I know Janell Ogle, she surely won't give up on riding those barrels. As a matter of fact, she was riding again on her birthday, July 17.

Everyone is either getting a horse, thinking about getting one, or borrowing one from somebody. You are lucky if you don't get run over by one on main street.

Sylvia Sherrard, Janet Hooper and I have certainly been around horses and cowboys this past week at Coleman. During the rodeo there that town is really jumping and we were jumping with it. If anyone is around us for some time to come, we will be only too glad to tell them about the rodeo every night or the dances afterward. Our friends are already up to their ears with "Don Allen and the Sunset Ramblers."

Judy Seago has been here this past week visiting her grandmother, Mrs. Gene Seago. Judy is always so much fun and so lively that she really brightens up our town.

I hear that another girl has a shining object on the third finger, left hand. Mary Adams has been talking about getting one

for some time and it looks like she finally has one. Good luck to you, but it looks like you've already had good luck in hooking Ronnie Hathcock.

Claudia Hafer has been on a short trip to Arkansas. That is certainly a beautiful place to visit, if you can just come back with shoes on after seeing all those barefooted mountain men. Denna Meador was Claudia's guest on the trip.

Mr. and Mrs. Paul Neel have really been enjoying a visit from their granddaughter, Ava Beth. She has brown hair and a tan to nearly match it. Her Mom said that she planned to leave the boys this last trip and take the girls home, but the girls don't want to go.

Pat Lackey is certainly a well come sight around here. It seems that right after he decided to go back to work, they decided to sell the mine, so here he is. We are surely glad he's home; but we're just as glad that the black Chevy has come home. Our streets have sure been lonesome for it.

Guess I'll leave you to the flies and hot sun. It's really not so hot, though, when you come from a place like Coleman where it is 104 degrees. That's hot!

Mr. and Mrs. W. J. White, Billy and DeValca of Houston visited here last weekend in the home of his aunt, Mrs. Dan Jaggars.

Mr. and Mrs. L. L. Birdsong and children, Ruth Ann, Wilma and James of Fort Worth visited Sunday in the home of her parents, Mr. and Mrs. E. J. Ray.

Mrs. J. C. Malone and Mary of Waco visited Tuesday and Wednesday in the home of her mother-in-law, Mrs. W. L. Malone.

Miss Sherry Thomas of McAllen has been visiting in the home of her grandmother, Mrs. Iris Eakins and Don.

Guests visiting in the home of Mr. and Mrs. Boyd McClure and family this past weekend were Mrs. Violet Canty and sons, Randy Lee and Andy, of Longville, La., Mrs. H. W. Blake, David, Diana and James of Houston, Mr. and Mrs. Dale Wheeler and Pat Potter of Fort Worth, Mr. and Mrs. Gene Murphy, Virgil, Phil, Dale and Paula and Mr. and Mrs. J. W. Murphy, all of Morgan.

Mr. and Mrs. J. W. Lovell of Cleburne, Mr. and Mrs. Jim Lovell and Mrs. Nettie Parks were visitors this past Sunday with Mrs. Dora Pendleton.

We have been able to make hundreds of people hear again since we introduced the Custom built hearing instrument to the people of Central Texas about one and a half years ago. With the Custom built Hearing we are able to save you from \$50.00 to \$150.00 compared to prices people have paid for their Aids. It would be worth your time to come into our field clinic held in Hico, or come to our new office in Temple for a complete hearing test with the new Otic Evaluator. It's the machine that tells the complete story about your hearing. Then you would know if you could be helped. The tests are free.

Mr. Treadway who is an Audiologist (not a hearing aid salesman) will hold his regular Hearing Clinic at the C & C Motel in Hico Wednesday, July 25th from 10 A.M. to 1 P.M.

Our new office is the only one of its kind in this part of the country. We do repair service on all makes of Hearing Aids and save you money. We will save you money on your batteries, cords, ear molds, etc.

If for any reason you are unable to come to the Clinic, call and Mr. Treadway will come to your home. If you work and would like a late appointment, call and he will arrange one for you. Our only business is serving the hard of hearing with fine professional service at sensible prices.

## Creative Beauty Found In Many Hico Lawns

This is inscribed on a bronze plaque on the beautiful grounds of Lambert Gardens in Portland, Oregon: "A beautiful flower is like unto life, possessed of all men and like unto death, she conquers all men, and like eternity she enfolds all men."

All seasons have their changes. Someone has said "The most intriguing thing about a garden is that it's never finished for those who love the growing of things."

Each season brings tasks of its own. Perhaps there are changes to be made. We feel that some of our flower beds might be altered, giving more interesting effects. Now, even a bit early, take stock and consider changes.

Despite the dry weather the past two weeks our lawns are in very good condition. You would enjoy driving by the home of Mr. and Mrs. George Griffiths. No other place in town like it. They not only provide beauty, but a vegetable garden. It's surrounded on two sides by gorgeous red cannas in bloom. To see it is to appreciate all the work this couple has put out. A number of yards deserve compliments, but we cannot mention all of them. It would be nice for everyone to drive around town and see for yourselves that Hico people are taking more and more interest in attractive home surroundings.

Anyone having a suggestion to offer for more creative interest in our town is asked to contact our civic committee or call Mrs. P. W. Hamilton, Garden Club president. Civic Reporter.

**IT'S THE LAW—**

**Right of Witnesses Most Vital Part of Justice**

By far the most vital people in our system of justice are witnesses. Everyone else in a trial exists to hear what they have to say.

Our courts need witnesses. A jury to find the facts. The lawyer to apply the law. The lawyer to tell his client's story.

Chances are you worry about stepping up, taking an oath, and telling your story in court.

On some rare occasions you could be called upon to testify about something affecting your own standing in the community.

As a witness you too may have the right, for example, not to testify against yourself in someone else's lawsuit or crime trial. If you are ever in such a bind, consult a lawyer of your own choice on what to do. The lawyer who called you to testify has a sworn duty to protect his client, not you. But your lawyer is sworn to keep what you tell him secret and to advise you in your own interests within the law.

Wise lawyers tell their witnesses to obey twelve rules:

1. Go to the place (say the scene of an accident). Check your memory before you go to court. People forget and get caught up on details. But if you check what you saw and heard you are on solid ground.
2. Visit a court. Hear how other witnesses testify. It will help you see your role on the witness stand.
3. Wear clean, conservative clothes.
4. Don't memorize your story word for word. That is the surest way to sound bad. But think of what you saw and heard.
5. Listen to the questions you are asked with care and answer thoughtfully.
6. Give a simple, direct answer in your own words. Don't be rushed.
7. If you err—and people often do—correct yourself at once. If you can't remember some detail, say so. Don't bluff.
8. Tell the truth. Don't figure which side you may help. Don't identify yourself with either side.
9. Stop when the judge breaks in, and don't try to sneak an answer in before he can stop you. What you might say could end in a "mistrial."
10. Keep cool and don't sass back.
11. If they ask you: Certainly, you have talked to other people—the lawyer, for example; and yes, you may be reimbursed for certain of your expenses incurred in attending the trial.
12. Remember, without witnesses our law would fail to do justice. If you are called, be a good witness.
