'Powder Puff' Bowl Set Tuesday Night

will fly next Tuesday at the local stadium. Coach Jack Barnett has his "Leapin' Leven" football squad against David's "Dainty Dozen" in the second annual Powder Puff football game.

The Leapin' Leven squad is composed of feminine members of the Senior and Freshman classes, while the Juniors and Sophomores make up the Dainty Dozen.

Game time is 7:30 p.m., and proceeds will go into the Class fund.

Coaches for the Dainty Dozen are Butch Knudson, Flowers, James Johnson, Jim Grimes, and major for that squad are Alan

Solsbery and Herman Mills. Leapin' Leven cheerleaders are Freddie Naul, Gary Wooton, Lynn Malone and Charles Paddock. Majorettes are Pat Young and Dwaine Fall.

Referees had not been named at mid-week for fear of an attempted bribe. Point-shaving is highly probable, and every precaution will be taken to keep the names of officials anonymous until game time.

Rosters released by the two coaches are as follows:

LEAPIN' LEVEN
Jane Akin, Christine Bullard, Jay Dean Crow, Dixie Lackey, Ruth Ann Martin, Anita Mayfield, Janell Ogle, Judy Ogle, Martha Paddock, Bar-

bara Patterson, Margaret Prater, Barbara Randals, Sylvia Sherrard, Pat Bruner, Voreece Carmichael, Linda Duncan, Sandra Elkins, Claudia Hafer, Diane Jaggars, Judy Jameson, Frances Lepard, Glenda Ogle, Kay Tooley, Vanita White.

Manager is Donna Morgan.

DANTY DOZEN

Managers are Mary Ann McClure and Laura Pratt.

Telephone Directory Now Being Compiled By Local Company

The 1962-63 telephone directory is now being compiled, according to Art Anderson, manager of Gulf States Telephone Company.

Local subscribers are being urged to notify the telephone company of changes, corrections or additions they wish to make in their directory listings.

Jack Martin, representative of the directory department, will be contacting business users regarding changes in yellow page advertising listings.

The new directory will be distributed to local subscribers during November.

Why Fire Prevention Week? Story of Observance Given

Prevention Week is set each year during the week in October 9 falls to focus attention upon loss of life and destruction of property by fire.

Prevention Day was first observed throughout the United States on October 9, 1911. It began as the Fire Marshals Assn. of America, now a section of National Fire Prevention Assn., suggested that the 40th anniversary of the Great Chicago Fire be set apart for bringing the much-needed lessons of prevention.

President Woodrow Wilson signed the first National Fire Prevention Day proclamation, but not until 1922 that the week containing Fire Prevention Day (Oct. 9) was officially designated Fire Prevention Week.

President Harding, to be observed every man, woman, and child only during the week and in this pronouncement throughout every house on the day of the year.

of the grade, or prepare an individual piece of work on some phase of fire safety.

The school as a whole must participate in two fire drills, an obstructed and an unobstructed, and a record of these drills kept.

This requirement applies to all schools except senior high schools, where one drill each month may be conducted with obstructed and unobstructed alternating.

Fire drills are conducted for two purposes: (1) to train occupants to leave the building orderly and quickly in case of an emergency alarm, and (2) to teach self-control in times of emergencies in later life.

Hico Schools Participate
Hico students, in observance of Fire Prevention Week, have made posters and written themes this past week. To make the week more interesting and competitive awards of \$2.00, \$1.00 and 50c were given to winners of the top three places.

Winners this year were listed as follows, in the order of places:

Third Grade: Lucy Stearman, Trudy Pitts and Donna Doty.

Fifth Grade: Bobbie Boyd, Nancy Davis, and Elizabeth Williams.

Sixth Grade: Jim Wolfe, Elizabeth Black, Kathy Gannaway and Louise Fall, tie.

Eighth Grade: Lois Hanshaw, Nellye Wolfe, and Allan Royal.

Ninth Grade: Lynn Malone, Claudia Hafer, and Judy Jameson.

Tenth Grade: Bonnie Wooton, Laura Pratt and James Randals.

Eleventh Grade: Patsy Wooton, Eilene Gannaway and Marietta Churchill.

Twelfth Grade: Tom Pratt, Jane Akin, and Harry Brown.

She was also awarded ribbons for having entered the best work in the crochet division. Trophies were given Saturday.

LOTTIE MOON CALVES—Shown here are two calves being raised for the Fairy Baptist Church Lottie Moon Fund. At top is the calf being fed out by J. H. Davis, and the bottom photo is the one given the fund by the Fairy pastor, Rev. Val Nance. This is the third calf Mr. Davis has donated to the missionary fund. The Fairy church pledged \$600 to the fund last year, and this year's budget call for about the same amount.

Hico Hosts Godley In Last Non-Conference Game

World War I Veteran Convention Slated Saturday at Stephenville

World War I Veterans and their wives from 14 counties are expected to be in Stephenville this weekend for the District 17 convention of veterans to be held at the City Recreation Building, Barracks No. 588 of Stephenville will host the convention.

The Saturday night session will begin at 7:30, and the Sunday program will start at 10 a.m. Lunch will be served at noon at Mels Cafe to those registered.

All World War I veterans in this area are invited to attend.

RETURNS FROM SERVICE

Jimmy Herrington has returned home after serving a six-month tour of duty with the army. He is the son of Mr. and Mrs. Richmond Herrington.

Final non-conference football game of the season will be played at Tiger Stadium tonight, Friday, when Hico hosts the Godley Wildcats in a game beginning at 7:30 p.m.

Godley, located near Fort Worth, is unknown to the Hico squad, this being the first meeting of the two teams. However, they play in an area which consistently turns out good football teams, and Hico coaches are expecting a hard game.

Coach Jack Barnett has pronounced all hands in good shape for the Friday tilt, with the exception of regular center Freddie Naul, who suffered a mild concussion in last week's game. He is expected to see some action.

The Tigers go into the game owning a 3-2 record, and will kick off district action next Friday night against powerful Meridian at the local stadium.

All remaining games on the schedule, including the one Friday, will be played at 7:30 instead of 8 p.m.

Hico Ground Game Bruises Gorman For 22-12 Victory

Featuring a strong running game, the Hico Tigers rolled over Gorman's Panthers 22-12 last Friday night in a contest that saw both teams moving the ball for tons of yardage.

Each team racked up 16 first downs, and total yardage was 287 for Hico as compared with 261 for the visitors. Hico outgained Gorman 229 to 143 yards on the ground, but the Panthers had the upper hand via the air route, 118 to 58. Gorman completed six of nine attempts, while the locals connected on four of seven including an interference ruling which goes into the record book as a completed pass.

For all purposes Gorman won the first half of the contest with Hico winning the second half. The Panthers rolled to an amazing 11 first downs in the initial two quarters to post a 6-0 lead at intermission. The downs records were reversed in the final two quarters.

Gorman took the opening kickoff and moved to the Tiger 30 before fumbling, the ball being recovered by the Tigers' Charles Erick. From the 30 Hico moved to the Gorman 26 before a 9-yard loss forced them to punt. Don Jernigan booted the ball straight away into a stiff south wind, with the punt dying at the Panther two yard line.

From their own two Gorman used 14 plays to march 98 yards

for the first score of the night. Payoff came when Ronnie Page, a thorn in the Tiger side all night, scooted the last 17 yards untouched for the marker.

The Tigers came roaring back after the touchdown, and in four plays were knocking at the goal line on the 13. However a fumble killed the threat at that point, and the Tigers went out at intermission trailing 6-0.

Hico came back strong starting the second half, taking the kickoff and rambling 62 yards in 10 plays for the tying points. Jernigan got the marker from a half yard out, and End Larry Erick passed to Alan Solsbery for the two point conversion to send the locals out front to stay.

Hico scored on their next possession, going 68 yards in 8 plays for the marker. Solsbery scooted the last 18 yards for the TD to make the score 14-6.

A recovered Panther fumble in the first play after the kickoff set the locals in position for their final tally. They put the ball in play at the visitor's 40 yard line.

Hico lost no time, getting the marker in four plays, the long gainer in the drive being a 22-yarder by Jerry Casey, and a 17-yard pass play from Casey to Larry Erick. Bill Rutledge got the call from the five, and bulled across on sheer power. Erick ran for the two-point conversion to put the locals out front 22-6.

Gorman, who wouldn't quit, took the ensuing kickoff and drove 59 yards in six plays to cut the margin to the final 22-12. Page got the score on a two-yard scamper.

Hico made one more attempt at scoring, moving to the Gorman 18 before time ran out ending the game.

For the Tigers, Rutledge and Solsbery were the top gainers, with Solsbery roaming for 95 yards on 13 carries, and Rutledge pounding out 125 yards on an equal 13 calls. Jerry Casey got 29 yards on five blasts. Offensively the Tiger line was opening gaping holes to let the backs break through for long gains. The Tigers had nine gains of over 10 yards by the running backs who displayed more determination than in any previous game this year. On several occasions that extra effort gained several more yards, or added first down distance to keep drives moving.

Defensive Players of Week.
Top defensive hands in the Gorman game last week included two repeaters in the select group named each week by the coaches.

Larry Erick and Harry Brown are the repeaters. They are joined by two new-comers to the list, Herman Mills and Charles Erick. Charles Erick led the list with his pass interception and recovered fumble; Brown repeated with his recovered fumble; Mills made the list via the fumble recovery; and Larry Erick was named for his 15 tackles.

High School Fellowship Slated Friday Night at First Baptist Church

Everybody likes to have fun, and that's what members of the Young People's Class of First Baptist Church are planning this Friday night.

A high school-wide fellowship will be held directly after the football game Friday night at the recreation center of the church. Everyone is invited to attend and enjoy the group activities, Sandwiches, Cokes, and potato chips will be served. Highlight of the evening will be entertainment presented by a group of students from Howard Payne College.

Low Scores Featured In Hico Mixed Bowling League Action

Last week's leaders in Hico Mixed Bowling League continued their winning ways, with Salmon's posting their second shut-out in as many weeks with an 8-0 win over Wilson's to take over sole possession of the lead. F-W Ranch, tied with Salmon's last week, dropped two points behind with a 6-2 win over Judy's.

In solid third place is First National Bank who lifted 6 points from the Orphans. Fourth place is held down by the News Re-

view who split 4-4 with the Gassers last week. Hico Motor Darts hold down fifth place after a split with Cheek Furniture, and the Orphans and Wilson's are tied for the next two spots with identical 18-14 records. Judy's Beauties are next with 14-26, and Cheek and the Gassers round out the standings with 10-30 slates.

Scores fell off during last week's action, with only one 500-series rolled. Jack Goodman led all bowlers with a 526. Other men in the top five were Morse Ross 497; Jim Bullard 486; Harold Walker 471; and Pete Keller 465.

Monette Dove again led the women with a 474. Mariene Kilgo was second high with a 423, followed by June Roberson with a 422, June Parks with a 408, and Mary Scott with a 402.

Mr. and Mrs. Moody New Owners of Hutton Cafe

Announcement was made Tuesday of this week of the sale of Hutton's Cafe to Mr. and Mrs. Herman Moody of Clairette.

Mr. and Mrs. Rob Hutton have owned and operated the popular eating place the past three years.

New hours were also announced by the new owners, with the cafe opening at 6 a.m. and closing at 12 midnight.

A message elsewhere in this issue tells of the transaction.

HEARING SHOULD BE CHECKED ONCE A YEAR

Mr. Treadway, who is an Audiologist, will hold his regular Hearing Clinic at the C & C Motel in Hico, Tuesday, Oct. 16th, from 10 a.m. to 1 p.m.

A Hearing Aid is no different from any other machine, they must have service once in awhile. You wouldn't think of driving a car for two or three years without having the oil changed, gassed, or a new spark plug put in. Yet, people will wear a Hearing Aid four or five years and never have it cleaned or checked over to keep it in good working order. And Hearing Aid should be cleaned and checked once each year. (The cost \$2.50). People that wear a Hearing Aid should have their hearing checked at least once a year the same as you would your eyes if you wore glasses. People that do not wear Hearing Aids but have a hearing loss should have their hearing checked each year to see how fast their hearing is falling and have something done to correct it before they get in serious trouble. Children that seem to have a hearing loss should be checked.

As we have told you before our new office is the only one of its kind in Central Texas. Our business is to help the hard of hearing. We don't care what kind of Hearing Aid you are wearing or who you bought it from, if you need help, bring it in. We carry a complete line of cords, batteries, speakers, tubing for glasses and behind the ear models, stock and custom earmolds, and clean and repair any kind of Hearing Aid in the world, and save you money.

We make house calls, rest home calls, etc., on request. Mr. Treadway is in the Temple office each Thursday and Friday from 9 a.m. to 5:30 p.m. If you had rather come to our main office instead of the field clinic listed above.

'63 Chevrolet Impala Sport Coupe

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delco-tron generator s-t-r-e-t-c-h-e-s battery life. INTRODUCING THE 1963 DODGE

People can't help being carried away by the 1963 Dodge. Who can blame them? Dodge looks like an expensive car. But it's priced down with other low-price cars. And inside there's room galore! The roofline sweeps straight back instead of sloping off. That means ample headroom in back, not just in front. There's more legroom and footroom, too. The seats are chair-high, whether you choose a model with sofa style, buckets or fold-down center arm rest in front. Little wonder, people get carried away... especially now that every 1963 Dodge is backed by a new five-year/50,000-mile warranty*! See your Dodge Dealer and drive the '63 Dodge.

*Four Authorized Dodge Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and interior parts; transmission case and interior parts; torque converter, drive shaft, universal joints (including drive shafts), rear axle and differential, and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedules. Factory approved remanufactured parts may be used for replacement.

Life of Presidential Guards Revealed by Retired Agent

By E. E. DAWSON

Mr. U. E. Baugham, who recently gave up the office of Chief of the Secret Service of the U.S., tells a remarkable story of how the life of a president of our country is guarded. Mr. Baugham took over the office when President Truman was elected and continued in that capacity until just recently when he resigned on account of age. His term of fourteen years certainly afforded him experience that enabled him to write an illuminating book about the important matter of the safety of American presidents.

The business of safeguarding the life of the President and all his family begins when he is elected. And it increases in responsibility in a tremendous dimension when the President is inaugurated and he assumes the duties of his office, and as he attends social events that naturally occur as the time of his tenure proceeds.

Three presidents have been slain outright and plots to assassinate every other president have been uncovered in time to save him. Mr. Baugham frequently makes the observation that the plotters have always been proven to be insane. Hundreds of letters come in the President's mail asserting that the writer, or a group of men will kill our Chief Executive if he does not do something the writer names. Often it is a threat to do violence to the head of the government unless he sends a sum of money to the writers.

What becomes of these maniacs who threaten destruction? The Secret Service Chief puts men on the trail of the writers and most of them are eventually apprehended and spend the remainder of their lives in mental institutions.

It is interesting to learn that the army of Secret Service Agents who guard the President runs into the thousands, for everything concerning the Chief Executive is diligently guarded. Every bite of food that he eats is bought at most reliable markets, by specially trained persons, and is never out of their sight until it disappears from the President's plate. And of course that vigilance includes all members of his family and his guests. Poisoning of food is a common means of assassination most frequently resorted to in their criminal efforts.

By law the Chief of the Secret Service is empowered to forbid the President from going anywhere that he would be in any danger. And when the president does go anywhere he is carefully guarded by a tremendous force of Secret Service Agents, clad just as other men at any function he attends, or into any gathering, or public place he may be. Those guards cannot be told from other guests at a social affair. But they

are there all right, men highly trained and sufficiently armed, ready to act in the twinkling of an eye, but always without any fuss.

The plan of guarding the president is by concentric circles of guards that increase in number

Mr. and Mrs. Jim Carmean visited last Thursday through Saturday in New Deal with their niece.

Old Badges

Texas Rangers have gone back to the old days and old ways. Old-time Rangers carved their own badges out of Mexican pesos. It was a star within a circle. A fancy new-style badge was adopted in 1936 when Rangers were put under the Department of Public Safety.

Now they are going back to the old-type badge. But they won't carve their own. All 62 Rangers were issued shiny new ones, ready-made.

Ballot Roster

Secretary of State Frank Lake has certified 24 candidates for statewide office.

Names appearing on the November 6 general election ballot will include 14 Democratic nominees, eight Republicans and two from the Constitution Party.

In addition, the fate of 14 constitutional amendments will be decided by the voters.

Two Withdraw

Two Constitution party candidates have notified the Secretary of State to withdraw their names from the November election.

They are Ruben Lozano of San Antonio, candidate for Congressman-at-Large, and Roy R. Brown of Bonham, candidate for Lieutenant Governor.

the closer they get to the Chief Executive. The outer circle consists of men in strategic places at a distance. Then another circle more numerous. Finally next to the president is a small compact circle more in number than any of the others, and that inner circle closely scans every person who is anywhere near the President, and is ready for instant action.

This rule obtains in the White House, in the Capitol, and wherever the President moves in the city of Washington, and everywhere His Honor goes at any time anywhere else. Mr. Baugham seems to have had more affection for Harry Truman than for the other two presidents. And he says it was due to the gracious way Mr. Truman treated

him, plus Truman's good nature and sense of humor. Baugham is very liberal in his praise of Mrs. Kennedy, praising her from her and extolling her good sense and devotion to her children. Here is one of his remarks on Mrs. Kennedy: "If you raise your children, I think whatever you do will be much."

STORY OF OLD GLORY' TOPIC AT OCTOBER REVIEW CLUB MEETING

The October Review Club met in the home of Mrs. Bernell Jernigan on Thursday, Oct. 4. The hostess served a delicious salad.

President, Mrs. Morse Ross, presided. Miss Joy Lattin conducted a short business session. Mrs. Wayne Rutledge, director of the program, was the guest speaker, Mrs. Hill.

Mrs. Hill spoke on the subject, "The Story of Old Glory." She explained the meaning of our national flag, how it came to be called "Old Glory," and its traditions and customs in paying respect to it. She stressed, in an interesting manner, the importance of the flag as a symbol of our freedom and the rights of our citizens.

Methods of showing respect for the flag were discussed and illustrated with pictures and diagrams used by Mrs. Hill's students every year in their study of America's heritage.

The club adjourned to meet October 18th. The subject for discussion at this time is "Encouragement of Steps Toward Economic Stability."

FAIRY

By MRS. EUNICE DANIEL

We received about 8 inches of rain Monday afternoon and night, which was badly needed. We hope to receive more before the weather clears up again.

We were very sorry to learn of the death of Mrs. Clara Nelson Enger, wife of August Enger of Clifton, formerly of Cranfills Gap. Mrs. Enger passed away last week at the Clifton Hospital following a stroke suffered several months ago. Mr. and Mrs. Enger had been patients at the Sunset Home in Clifton for the past several years. Both were hospitalized following the stroke suffered by Mrs. Enger. Mr. Enger had fallen and broke his leg. He is now in a wheel chair. The Engers former-

ly resided on their farm about 8 miles east of Fairy, later selling the place and moving to Cranfills Gap where they resided entering the rest home. Funeral services for Mrs. Enger were held at the Lutheran Church in Cranfills Gap on Wednesday afternoon of last week, with burial in Rock Church Cemetery, located on the upper Gap and Clifton road. Mrs. Enger served the Cranfills Gap church as organist for some 29 years. Sorry we did not learn of her funeral in time to attend, and also that we do not have a complete report. She is survived by her husband and several children. Our deepest sympathy is extended to those bereaved in her passing.

Friends and acquaintances of Horace Moore of Stephenville were sorry to learn of his illness. He is a patient at the Hico Hospital, and formerly resided in this community. He is a brother of Mrs. Ted Arrant of near Fairy. All wish for him a speedy recovery. Mr. and Mrs. Henry Hanes of Dallas visited Sunday in the home of his brother, Mr. and Mrs. Frank Hanes and Mike. Their mother, Mrs. H. H. Hanes of Jonesboro, who had been visiting in Dallas the past few weeks accompanied them here. Mrs. Frank Hanes and Mike and her mother, Mrs. Pedro Jones carried Mrs. Hanes home late Sunday afternoon. They reported their brother-in-law and son-in-law, Iland Jones of Dallas still pretty ill following surgery twice recently. Mr. and Mrs. Ernest Seymour and baby of Grand Prairie spent the weekend with her parents, Mr. and Mrs. J. T. Jackson. Mrs. J. R. Oglesby of Angleton

and her two daughters and a grandchild spent the weekend in the home of her father, J. E. Blakley and attended church here Sunday. Mrs. T. L. Betts of Hico also attended services here Sunday at the Church of Christ. Mr. and Mrs. Forest G. Gardner of Hamilton visited during the weekend in the home of their son and family, Mr. and Mrs. Winfred Gardner. Sandra and Randy, and Miss Cleon Gardner of Ft. Worth who also spent the weekend with her parents. Mr. and Mrs. Ray Turner of Killeen spent the weekend with their parents, Mr. and Mrs. Willie Turner and Bernice, and Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice. D. E. Allison of Dublin visited a short while late Friday in the home of Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice. He was enroute home from Waco where he had spent the day with his brother-in-law and sister, Mr. and Mrs. Delis Seago. Mr. Seago underwent surgery Friday morning, and at last report he was doing fairly well. We hope he will soon be on the way to complete recovery. Little Janice Sellers accompanied Mr. Allison home where she spent the weekend. We have just learned that Mr. Horace Moore has been transferred to the John Sealy Hospital in Galveston. Mr. and Mrs. E. M. Hoover spent Sunday and Monday in Lubbock in the home of their daughter and family, Mr. and Mrs. Ralph Spencer, Don and Dickie. They reported they encountered heavyra in the Abilene area enroute home Monday afternoon. Willie Giese and sister, Miss Eliza of the Lanham community visited a while late Sunday afternoon in the home of the writer. A bus load of pupils and patrons of the Fairy School attended the State Fair in Dallas last Saturday. All reported a wonderful time, though more tiresome for the older group. Our boys played Penelope at Abbot, near Hillsboro, last Thursday night and won by a score of 33 to 0. Prof. Hanes came near being seriously injured when struck by one of the players and knocked down. He was rushed to Hico Hospital where it was found he had no broken bones but a badly bruised knee. He is able to be up and about by the use of a cane this week. We hope he will soon be fully recovered. Well we just almost have had another Friday the 13th this week. But maybe they're not unlucky after all. Our editor beat us to the pear tree story at the Bertice Barnett home. We had meant to make mention of it since we noticed it in bud several weeks ago while enroute to Duffau, but wasn't sure what kind of tree it was, but

since the buds appeared to be white we figured it must be a pear tree. Well some say there are also some peach trees in bloom. The Bible tells us in the last days it will be hard to detect the seasons apart. Sometimes weather conditions could cause trees to bloom out of season. Whether it's the case this time we wouldn't know. Mr. and Mrs. Carl Ray Sellers and Jimmie and their daughter and husband, Mr. and Mrs. Ray Turner of Killeen were dinner guests Sunday in the home of her sister, Mr. and Mrs. D. E. Allison of Dublin. A birthday dinner honoring little Miss Janice, age 5 on Oct. 7, was prepared by her aunt, Mrs. Allison. The birthday cake was white with pink rose decorations and "Happy Birthday Janice" inscribed in pink. She received several gifts from relatives present. Those present to enjoy the dinner were Mr. and Mrs. Allison. Mr. and Mrs. Darrel Allison of Dublin, Mr. and Mrs. Wayne Pittman, Karen and Kay of near Stephenville, Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice, and Mr. and Mrs. Ray Turner of Killeen. We wish for Janice many

more happy birthdays. The writer attended singing Sunday afternoon at Evergreen Baptist Church. Mrs. Noble Haile has been suffering from a badly sprained knee the past several weeks. We hope she will soon be much improved. Work was completed at the

cemetery last Thursday. Let's be looked after and work needed. Our funds are low. We are contemplating some of raising funds for the next month. Possible amateur program and sale. Be thinking on this ready to help in any way

Year 'round springtime--automatically yours!

the amazing, all-electric HEAT PUMP will heat your home this winter . . . cool it next summer, too!

Now, from this one compact air conditioner, you get completely automatic comfort in your home or business. Set the thermostat ONCE, and winter or summer, the heat pump does what's needed — heats or cools — to maintain the temperature you prefer. Totally clean because it's flameless . . . totally safe because it's flameless.

Using only electricity in its operation, the heat pump provides year 'round springtime . . . filters and dehumidifies, too. Ask your builder, air conditioning contractor, or call us for full information.

you're in luck with a new GAS range...

Now for a little flame-kissing!

(with the broiler door closed, please!)

Flame-kissing (exclusive with GAS) is smokeless — you can keep the broiler door closed. But this is just one lucky charm about cooking with GAS. See them all on new automatic GAS ranges. And you're really in luck 'cause they're on sale!

Worth Market during celebration of its 60th anniversary. Registration is free between now and Oct. 26 at the market.

Ft. Worth Market to Award Pickup Truck at Oct. 26th Drawing

Celebration of "Public Market Days" at the Fort Worth Stock Yards will be climaxed with the

final special stocker-feeder show and sale Oct. 26, at which time the winner of the air-conditioned fully equipped Chevrolet pickup truck will be drawn.

Registration for the drawing is now going on, and will continue until Oct. 26. The registration is free. All livestock shippers to the participating firms between now and Oct. 26 will be automatically registered. Other visitors to the market may register free at the office of participating firms. Others may register by mail by addressing a postal card to "Public Market Days," Stockyards Station, Fort Worth 6, Texas, and writing your name and address on the card. There is no limit to the number of times a person can register.

The special stocker-feeder show and sale is jointly sponsored by the commission firms at the market, the Fort Worth Stockyards, and the Texas Hereford and Angus Associations. More than 4,000 stocker cattle and calves are expected for the event, with prizes and trophies to the winning cattle. Judging starts at 7 a.m. and the auction of champions starts the big sale at 9 a.m. on Oct. 26.

The Fort Worth market is celebrating its 60th Anniversary. Firms participating in the event includes Barse Com. Co.; Carson Com. Co.; Cassidy Com. Co.; John Clay Co.; Clyde Kutch; Daggett-Keen; Drive-In Co.; Dunlap Co.; Farmer-Kutch; Elfer-Jary; Foley-Alley; Howell Bros.; Hutchens; Keen & Sons; National Livestock; and Texas Livestock Marketing Association.

COUNTY AGENT REPORTS By E. R. LAWRENCE

For the past four years, Joe

COW POKES

By Ace Reid

"Sure there's plenty of grazin'—there's something like 12 varieties of grasses and maybe a poison weed or two."

Harris has been using commercial fertilizer on his farm. Joe lives on Route 3, Hico, on the old Highway 22, about three miles from Lanham.

Joe says that he has made money from the use of fertilizer. This year he doubled his cotton production with fertilizer, however he had 20 acres that did not show a double. His maize turned out awfully good too.

—ERL— A soil analysis is one of the, or the only way, to tell just what commercial fertilizer is needed on a field. All an analysis will tell is the plant food needed and the suggested amount to be added.

A week or so ago, Paul Schuman, Pottsville, took three samples from his fields and mailed them to the Soil Testing Laboratory at College Station. Each soil sample cost \$2.00 for a test.

I have the boxes for use in mailing samples and will be glad to supply them to those who would like to have samples tested. Should you like to have help in taking the sample I will be glad to help you do this too.

—ERL— Cold weather is coming on and this means stoves and heaters will soon be in operation. It also means with open flames for heating we will have the old problem of sweating walls, windows, etc. A considerable amount of moisture is given off when open flame heaters are used. When this moisture contacts a cold surface it condenses to a liquid state to the sweating one sees.

To solve this problem all gas stoves, floor furnaces, central heating systems, gas refrigerators, dryers and water heaters should be vented. This is best done when a new home is constructed but it can be done by doing a little remodeling. Sometimes the venting can be done through an old chimney or through a closet. Some condensation will still occur if an open flame heater is used.

—ERL— I have a supply of a new publication, "Winter Temporary Pastures." This leaflet gives much information about this kind of a pasture, such as the kind of small grain for it, amount of seed to plant, how to manage the pasture for maximum grazing and other good information.

—ERL— Last week at the Hamilton County Soil Conservation District Supervisor's election, Carl King was re-elected. Carl will serve another five-year term and will represent Zone 4 of the district.

Harrison Smart of Buff Dale visited Sunday in the home of Mr. and Mrs. George Arnold and Mrs. J. P. Smart.
