## HERE IN HICO

By E. V. M.

How a good general rain is being out the better disposition in everyone. Following the rain this past Sunday there was perhaps the largest crowd of people in town today than in many months. From the looks of parking spaces around Hico churches Sunday they too must have had the best congregations in several weeks, with the exception of special occasions such as Easter. There's nothing like a good rain in this agricultural center to put smiles on farmers' faces—and businessmen too.

Delegates to First Baptist Church members who voted Sunday night ahead with plans for erecting a new modern sanctuary and educational facilities. They are to be especially commended due to the fact that final action was taken on the building program with the leadership of a regular pastor. Duties of their new pastor will be easy with this major program already underway.

Efforts to erect a monument signifying the original town of Hico as an historical site has temporarily hit a snag, due mainly to lack of a sponsoring organization. However, the program will be resumed soon and it is hoped that everyone will be interested in, especially the young people of this area. Records of history lie in the ruins of the old mill site on Honey Creek, and we feel that erecting a permanent marker near the site is a worthy undertaking. Other people who feel the same as we do about the program are invited to express an opinion. The columns of the News Review are open to each and every person who would like to express their sentiments on the project, provided the letters are signed.

Everyone has a "pet peeve", and it is the one that irritates me more than anything is to pick up papers and scan the list of resolutions passed by the Texas Legislature which have nothing to do with state business. Nearly every day on the House floor some representative will spend many valuable minutes—or even hours—discussing some individual or some organization of interest, for the part, to only that district legislators would spend more time working toward finishing the business instead of eulogizing some person or locale, the state would be far better off. After all, only the taxpayers dollars they are spending in taking up valuable time that could be used for progressive legislation. Whenever the legislature decides to elect officials they will "tend to business," then the state's coffers will be much better off.

So often we are criticized for our efforts in a drive, campaign, or other project for the benefit of Hico, and most of the criticism come from "over-doing" it.

Actually, we are in a position where we are expected to boost, promote or endorse every program that comes up, regardless of our personal convictions. Most of the time we heartily endorse a program, but occasionally there is one that we are hesitant in endorsing, but go along with it just for the sake of harmony in the community. In eight years that we have published the News Review we have made a genuine effort to receive every project with an open mind, and not inject personal bias just because we might not be in the program. We have tried to be fair first—and exercise our opinion second.

However, this still does not exempt us from bearing the blunt end of a verbal barb now and then. In eight years we have learned to ignore most of the criticisms and mark them down as just another

### News Review Baby Contest to Be Staged Saturday, May 4

Plans were revealed this week for the first annual baby contest, to be sponsored by the Hico News Review as a public service.

Scheduled for Saturday May 4, the contest features two divisions. Children age 3 months to 3 years will compete in one division, and three years to nine years in the second category.

Carl Luker of Luker Studio, Hamilton, will be the photographer. Mr. Luker is one of the finest photographers in the state, and is known for his portrait work. He will be at the News Review office from 9 a.m. to 5 p.m. on May 4.

Prizes being offered in both age divisions are as follows: First, 16x20 Oil Colored Portrait; Second, 16x20 Gold Toned Portrait; and Third, 11x12 Gold Toned Portrait. As an added feature, all photographs will be published in the News Review at a later date.

### P-TA to Hold Final Meeting Monday Night

Hico Parent-Teachers Association will hold its final meeting of the year Monday night, May 6, in the High School Auditorium at 8:00. The executive meeting will be held at 7:30 p.m.

Included on the program will be the installation of officers and the historian's report will be given by Mrs. V. H. Jenkins.

Room program will be presented by members of the Junior High School under the direction of Mrs. W. B. Hill.

### ATTEND MAINE RITES

Mrs. Thurman Bradfute was called to Bangor, Maine last Monday due to the death of her mother, Mrs. Mary K. O'Conner. Funeral services for Mrs. O'Conner were held last Friday.

### Services Held Thursday For Jerry M. Todd, Longtime Resident

Jerry M. Todd died in Hico Hospital Monday after a long illness. He was 82.

Funeral services were held at 2 p.m. Thursday, May 2, in First Methodist Church, with Rev. Norman Furus officiating. Burial was in Hico Cemetery under the direction of Barrow-Rutledge Funeral Home.

Mr. Todd was born February 27, 1881 in Milam County, and had lived in the Hico area for many years. He was a member of the Baptist Church. Survivors include his wife, Mrs. Leola Todd; four daughters, Mrs. Estelle Moore of Hico, Mrs. Lola Tompson of Amarillo, Mrs. Thurlia Piscone of Chelsea, Mass., and Mrs. Sue Benton of Malibu Beach, Calif.; five sons, James Todd of Midland, Clark Todd, Jerry Todd Jr. and Bob Todd, all of Lubbock, and Horace Todd of Nanakuli, Hawaii; two sisters, Mrs. Jesse McGuire of Rockdale and Mrs. Mattie Cherry of Lubbock; two brothers, Forrest Todd of Iredell and Dee Todd of Portales, N. Mex.; 22 grandchildren and eight great-grandchildren. Pallbearers were members of the Masonic Lodge.

### RETURNS HOME

Mrs. John Appleby returned to her home Sunday after a visit in El Paso with her son, Mr. and Mrs. Kent Appleby and Suzanne.

### Winter Bowling Season Nears End, Play-Offs Certain

Salmon's Shoppers maintained a 10-pin lead going into the final 2 weeks of play and are virtually a shoo-in for the second half title in Hico Mixed Bowling League. The Shoppers downed Parks' Orphans 6-2 last week to keep their margin over second place News Review Newshounds, who defeated Hico Motor Darts by a like 6-2 margin.

F-W Ranch jumped back into a tie for third place on the strength of an 8-0 win over First National, and Judy's Beauties shared that spot by splitting 4-4 with the Gassers. Wilsons jumped out of the cellar by pinning an 8-0 loss on Cheek Kingpins.

Ray Keller, rolling his first 500 series of the season, led the men for the night rolling a 519. Rusty Roberson and Buck Meador had 508's, Morse Ross had a 486, and Von Scott rolled 485 to round out the top five.

Bettye Walker was high for the women, missing the 500 circle by one pin with a 499. Monette Dove had a 477, June Roberson 449, Sarah Reeves 445 and June Parks 442.

In the most pins over average division Bettye Walker copped the

other hazard that must be associated with this business.

And before we forget—this issue marks the beginning of the 78th year of continuous publication by your home newspaper.

Quarter Horse Halter division will begin at 9, with performance classes to follow.

An approved championship cutting contest will be staged following registered performances which carries \$100 added money.

The show is approved by American Quarter Horse Association, and National Cutting Horse Association, and a large entry is expected. Additional information pertaining to the show will be given next week.

### Former Hico Pastor, Dr. Alvin Swindell, Buried at Hillsboro

Funeral services for Dr. Alvin Swindell were held Tuesday afternoon in Hillsboro. Dr. Swindell, former pastor of Hico First Baptist Church passed away Monday morning at his home in Hillsboro. He was a retired Baptist pastor.

Survivors include his wife, two daughters, one son, five grandchildren and five great-grandchildren.

## Work to Begin On New Church

In a meeting Sunday night, members of First Baptist Church voted almost unanimously to go ahead with plans for a complete new building. The action followed several months planning by the building committee and church body.

At the same time, the church let contract to a Fort Worth builder for construction of the church.

Present structure and educational facilities are being offered for sale by bid, and work will begin on the new church as soon as the present buildings are removed from the site. Fred J. Jaggars, spokesman for the building committee, said that a deadline for removal of present structures was June 15, with actual work on the new building to commence shortly afterwards.

Earl Dillard of Austin is architect for the building program. Plans call for a main auditorium that will seat approximately 250 people, with an adjoining overflow area to the rear that will seat an additional 150 persons. The educational wing will have classrooms for a maximum 200 in Sunday School, with provisions for a fellowship hall that will seat more than 100 people at tables. A modern kitchen is also worked into the planning.

The building committee is composed of Luther Burden, Fred J. Jaggars, and J. B. Wooton. Information pertaining to sale of the two old structures may be found in the classified section of the News Review this week.

### ★ ANNUAL FLOWER SHOW SCHEDULED SATURDAY, MAY 4

Hico Garden Club will present its Annual Flower Show Saturday, May 4, in Community Public Service Co. office.

"Beauty is for Everyone," is the theme for this year's show and will include divisions in horticulture, arrangements, tables, education exhibits, and a junior class.

General flower show chairman is Mrs. J. E. Lincoln, and Mrs. H. W. Sherrard is assistant chairman.

A special invitation is extended to the public to attend the show during the hours from 2 to 6 p.m.

### Soil Stewardship Meeting Set Monday Morning at Hamilton

O. C. King, chairman of the Hamilton-Coryell Soil Conservation District board of supervisors, said this week that pastors and church leaders will meet at Fred's Cafe in Hamilton May 6 at 7:30 a.m. to work out plans for Soil Stewardship Week, May 19-26. The group will review color slides of soil and water conservation practices, and hear Wilson Canafax, pastor of First Methodist Church in Hamilton, speak on Soil Stewardship responsibilities.

Supervisors of the district will pass out current material that pastors might use to prepare Soil Stewardship sermons.

Plans are underway to administer Type II Sabin Oral Polio Vaccine to area residents on Sunday, May 19 and Sunday, May 26. The program is being revised under the sponsorship of Hico Civic Club in cooperation with Tarrant County Medical Society, sponsoring organizations of the Type I program given here last August.

Dr. B. C. Dayton will be in charge of the immunization program, and will enlist the aid of volunteer workers within the next week to carry out the project. More than 50 volunteers helped with the 1962 program.

Dr. Dayton, in explaining the Type II serum, emphasized that the vaccine to be given here this month has never been questioned as to safety. The controversy that killed the program in this area last September arose over the safety of Type III, which has since been declared safe beyond any reasonable doubt.

More than 3,300 people took advantage of the Type I serum when it was offered here.

Type II vaccine will be offered to the public on the same basis as was Type I. No charge will be made for the vaccine, but persons desiring to do so may contribute a token sum of 25c per dose for Type II.

All details of the program have not been worked out at this time, and more information will be forthcoming in future weeks.

Hico is participating in the program with Stephenville, Dublin, Granbury, Cleburne, and possibly other area towns.

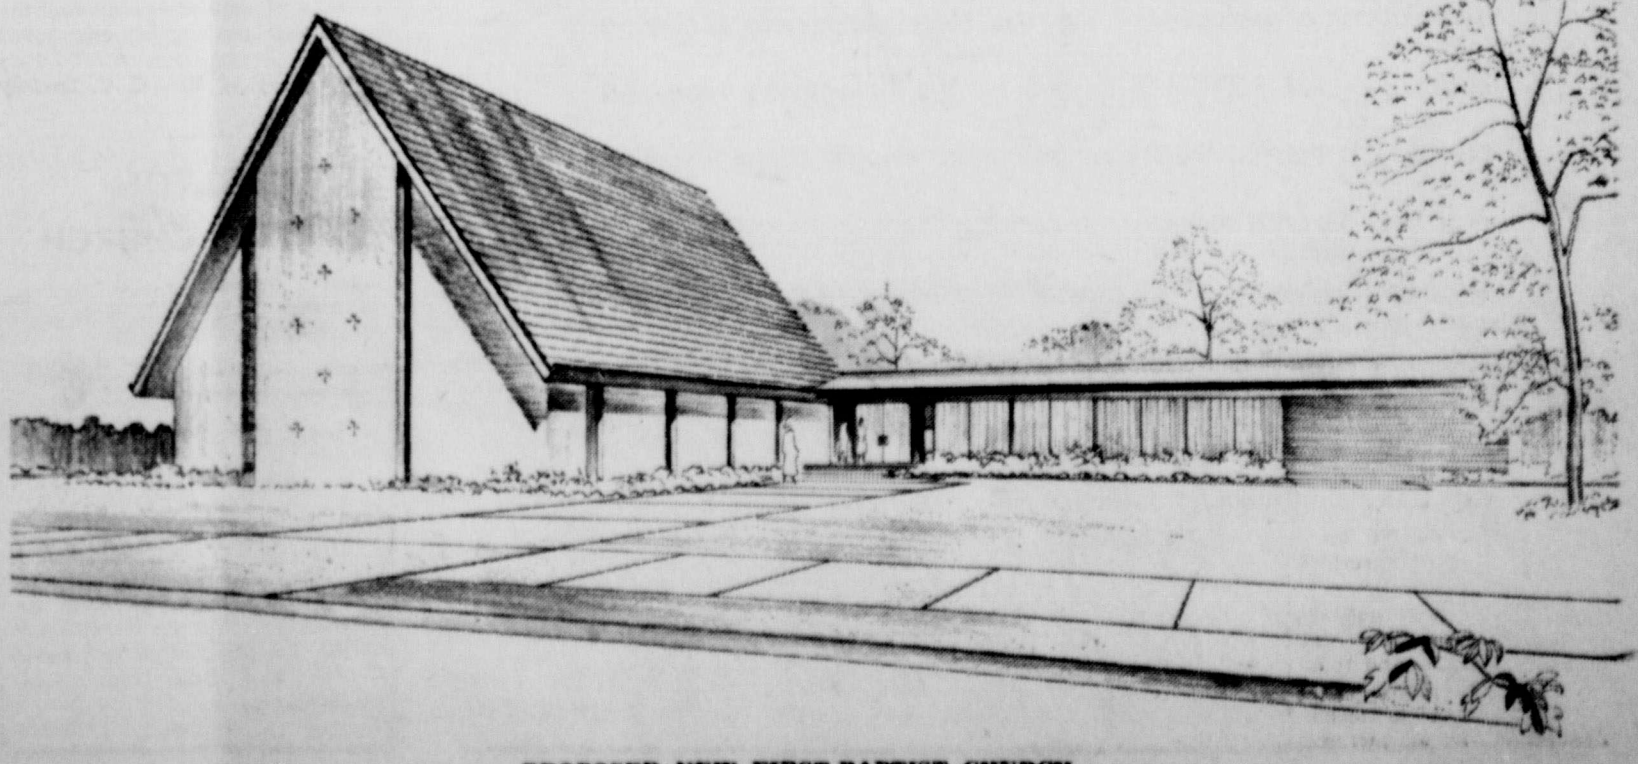

### History Scrapbook Being Compiled By Mrs. Lawrence Lane

Mrs. Lawrence Lane, pioneer of this area, has begun work on compiling a scrapbook of interesting history of Hico and this area. Mrs. Lane issued the following statement in appealing to residents to aid her in this campaign:

"For many years we have felt the need of a history of Hico, and that it should always be available to the public. I am compiling just such a record book and need the help of interested friends in donating newspaper articles and pictures of new and old places in this area. This history will vary in content, such as historic background of Hico businesses, parks, early and new homes, commercial and civic clubs, hospitals, banks, study clubs. This history should not only be of value, but pleasing to read as reference through coming years."

Mrs. Lane will greatly appreciate any help citizens might give her.

Miss Judy Griffiths of Dallas was a weekend guest in the home of her parents, Mr. and Mrs. Geo. Griffiths.

PROPOSED NEW FIRST BAPTIST CHURCH

# FAIRY

By MRS. EUNICE DANIEL

Our hearts were saddened as word was received of the death of Mr. Jerry Todd of Hico who passed away about 9:45 Monday morning. The Todd family were former residents of Fairy, having resided on the Jake Ogie place for six or more years when their children attended school here. They also resided on the farm of the writer for almost 6 years. We found them to be good neighbors and very agreeable. Our deepest sympathy is extended to the family and other relatives at this time of sorrow.

We were sorry to learn that Mr. Bill Kays has been a patient in the Clifton Hospital. He has returned home but fears he may yet have to have surgery. The Kay brothers reside on the Bill Lackey place west of Fairy. We hope he will soon be feeling much better.

We learn through our sister, Mrs. V. H. Heyroth of Clifton that her brother-in-law, Elmo Heyroth of Walnut Springs has been returned from the Clifton Hospital and is now being cared for in his home, and is still very poorly. We hope that he can feel much better soon.

Mr. and Mrs. J. R. Latham of Lanham are proud parents of a new baby son, born last Wednesday, April 24, at Clifton Hospital. He has been christened Kyle Wade and is also welcomed by a small brother and sister.

Mr. and Mrs. Jack Haile spent the weekend with their parents, Mrs. McKandless and Mr. and Mrs. Herman Sills.

Mr. and Mrs. Lawrence Adams of Hamilton visited Sunday in the home of her sister, Mr. and Mrs. H. O. Richardson and Jerry.

Mr. and Mrs. Willie Turner enjoyed a visit from all of their children during the weekend. They were Mr. and Mrs. Jackie Turner and Susan of Arlington, Mr. and Mrs. Billy Turner, Curtis and Rhonda, Mr. and Mrs. Ray Turner and Mr. and Mrs. Ray Botkin, Tammy and Patsy all of Killeen, and Bernice of the home.

Mr. and Mrs. Ray Turner also visited with her parents, Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice during the weekend.

Most everyone stayed close to home Sunday as radio and TV reports were warning residents of possible storms in this and surrounding areas. We had planned to attend singing at Dublin but like most everyone else decided we had better stay close to home. The weather was so uncertain and clouds gathering up so fast. At 12 noon the Hamilton station was reporting winds up to 92 miles an hour at Fort Worth and we later viewed the damage of this wind on TV, and a twister was reported at Killeen around 6:30 p.m. Sunday which unroofed some buildings.

We received about one-half inch of rain last Friday night and Saturday and had received two-tenths about a week earlier. Seems heavier amounts fell around us. Word received from Mrs. D. E. Allison of Stephenville stated they had a good rain there and creeks were on a rampage. We understand they had two or more inches in that section. Mrs. Allison stated their children and families, Mr. and Mrs. Darrel Allison of Dublin and Mr. and Mrs. Wayne Pittman, Karen and Kaye of near Stephenville were at their home Sunday in observance of Mrs. Pittman's birthday and all were deeply concerned about their cars as heavy hail accompanied the rain, but no serious damage reported.

Rev. Val Nance filled an appointment here Sunday at the Baptist Church and was a luncheon guest of Mr. and Mrs. A. Raehsig and spent Sunday night with Mr. and Mrs. Hobart Proffitt.

Mr. and Mrs. Ike Byrd of Dardennelle, Ark. were visitors at the Fairy Cemetery Wednesday morning of last week. Ike is a son of the late L. O. Byrd, who is buried here. He stated that his brother, Oliver of DeLeon was hospitalized at that time. The Byrd family

formerly resided near Fairy on the Will Smith place. Mrs. Byrd picked up a handful of walnuts at the old walnut tree in the cemetery, and stated she had never seen walnuts growing before. Well she was certainly welcome to take a tub full had she wanted them.

In a telephone conversation with Mrs. Harold Walker of Hico Tuesday she stated her husband would be unable to make the gate for the Fairy Cemetery until after closing of Hico School, since Mr. Walker would be quite busy. So we hope to get the work started then. C. M. Broyles of Lanham left \$1 at our home Friday of last week for the gate fund. Mr. and Mrs. Charlie Proffitt of Carleton also turned in \$2, this making a total of \$22.25.

Mr. and Mrs. Luke Pearcy of Levelland spent the weekend in the home of his brother, Mr. and Mrs. Hollis Pearcy.

of near Hamilton were hostesses for a barbecue dinner and picnic honoring the Fairy students last Thursday at their farm home. Mr. Schrank is vocational agriculture teacher here.

Mr. and Mrs. Frank Hanes and Cass Ray Sellers also attended the barbecue, and maybe others we did not learn of.

Mrs. H. A. Rucker of Hamilton sent the weekend in the home of her daughter, Mr. and Mrs. Winfred Gardner, Sandra and Randy.

Mr. and Mrs. Weidon Parks of Fort Worth visited during the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Mr. and Mrs. Otto Jordan and son, Bobby and little daughter all of Cleburne visited Sunday in the home of their brother and uncle, Mr. and Mrs. T. R. Parks.

Mr. and Mrs. Max Lam of Flat spent Saturday with her parents, Mr. and Mrs. Scott Blakley.

Mrs. Dorothy Darden and children of Cleburne visited Friday night and Saturday with her parents, Mr. and Mrs. Olga Duncan. Mr. and Mrs. Ben Wright 'o'd us Sunday night by telephone that she had received a call from their son, Woodrow of Fort Worth late Sunday informing them they were alright following the storm they had in Fort Worth, but all of his shade trees were ruined and they feared every minutes during the storm that their home was going too.

The writer, J. C. Canada, Jerry Richardson and Jimmie Sellers worked at the cemetery Monday afternoon after school hoeing and raking.

Mr. and Mrs. Roy Driver of Waco visited Monday night and Tuesday in the home of her brother and wife, Mr. and Mrs. J. T. Jackson.

Mr. and Mrs. J. T. Jackson visited during the weekend in Grand Prairie with their children, Mr. and Mrs. Vernon Jackson and Jorja, Mr. and Mrs. Louis Abel, Mr. and Mrs. Dorman Vance, Cynthia, Vivian and Jon, and Mr. and Mrs. Ernest Seymour and Tommy.

While in Hamilton Tuesday we went by the hospital to check with Frank Sellers who has been ill with

### CARD OF THANKS

We wish to thank all our friends for the many acts of kindness extended to us at the time of the death of our mother, also for the beautiful flowers and all other expressions of sympathy. ## CURRENT WASHINGTON

by Rex Cleveland

### DEVALUING THE DOLLAR

The House of Representatives has passed H.R. 5389 which repeals the law dealing with the purchase of silver by the government to back our silver certificates — the one dollar bill. The stated aim of the new bill is to free silver from Federal controls, a worthy and long overdue objective, by repealing the Silver Purchase Act; to give the Federal Reserve System the same rights to issue one dollar certificates that it now enjoys in issuing currency of denominations of five dollars and higher; and to remove the tax on transfers of any interest in silver bullion. The danger to our currency lies in the fact that the new certificates would be backed by only 25 cents worth of gold instead of the 100 cents on the dollar of silver that now prevails, thus actually devaluing the dollar.

Secretary of the Treasury Dillon has admitted that this step would be a necessary one if our currency was to be devalued. He has stressed, however, that it is not the present plan to deliberately devalue the currency. Mr. William McChesney Martin, Chairman of the Federal Reserve Board, testified at committee hearings on the bill that our gold supply would be affected by some \$500 million. Another major objection to this move at this time is that we are, in effect, selling a capital asset of some \$2 billion in silver to pay current expenses. This is never a good policy and inevitably will weaken our financial position in the future.

The further pressures engendered on our imbalance of payments abroad will be dangerous and perhaps fatal to our economy. As a result of five large, successive deficits in our balance of payments, (where the value of money and goods exported to foreign countries has been greater than the total value of money and goods imported into this country), we have transferred to foreigners some \$7 billion from our monetary gold stock and added another \$9 billion to our liquid liabilities. We are now in the dangerous position of having some \$24 billion of our money, redeemable in gold, held by foreign nations. Since we are in the position of the world's banker, we could not stand a run on the bank if all of our foreign creditors demanded immediate payment of outstanding obligations. By law we are obliged to reserve \$11.7 of our total gold supply (\$15.8 billion) to back our currency. Obviously, a usable reserve of \$4.1 billion will scarcely suffice to cover obligations of some \$24 billion. The only immediate answer to such an eventuality would be the sudden and drastic devaluation of our currency. As history has so eloquently shown us in the cases of Germany, France, Russia, Italy and others, the inevitable aftermath of such a move is runaway inflation and the forced loss of consumer spending power. Many of the consumer items considered to be necessary to our way of life would disappear from the market place and the purchase price on those that remained would become so high that most of us would not be able to afford them.

Obviously, Congress must immediately direct its attention to solving these problems. This means cutting Federal spending, balancing the budget, reduction of the national debt, and then tax reforms involving cutbacks in the tax progression and a reduction of rates. Let us hope that it is not too late as long as corrective measures are long overdue.

### Congressional Redistricting

A crowd of witnesses from the late Speaker Sam Rayburn's 4th Congressional District is due to oppose the Congressional redistricting bill which would abolish the old 4th and relocate it in South Texas.

Sen. Ralph Hall of Rockwall succeeded in delaying Senate committee action on the measure to May 7, so the opponents can come to Austin.

### One-Day Session

A special one-day (\$8,000) session of the Texas Legislature would be held on December 1, 1964 under a House-approved resolution by Rep. Bill Dungan of McKinney. Purpose would be to swear in House members and elect a speaker. Aim is to enable the speaker to make appointments so the 1965 session could get underway immediately.

### Historical Society Selects Four Sites For State Markers

The Hamilton County Historical Survey Committee recently selected four historical sites in Hamilton County that are worthy of Medallion markers and will be first to be so marked, according to Winnie Hampton, publicity chairman of the committee.

- Sites selected are:
1. Rockhouse Lodge Building at Rockhouse.
  2. Site of Old Hico.
  3. The rock house, originally the old Gerrells home, which was purchased 30 years by the parents of Lester Roberts at Indian Gap.
  4. The Frances Marion Graves home in Hamilton which is the present home of Mrs. Edgar Moore.

The committee hopes to eventually place a Medallion marker at every place in the county with notable historical background and are asking that anyone knowing of such a place to contact the committee.

Markers are \$14.75 and must be purchased with local funds, either by individuals, organizations or other interested groups.

- Markers, appropriately designed for each purpose, are available for:
1. Authentic sites, landmarks, and cemeteries.
  2. Trees directly associated with high human endeavor, with the life of some notable person or persons or with one or more great events.
  3. Historical buildings.
  4. Street sign posts and on city

limit sign posts to indicate that these are structures that have been awarded Historical Building Medallions in that city and to indicate the direction to these structures.

Miss Hampton gave the following information pertinent to marking graves of Civil War veterans:

1. Contact a member of the County Survey Committee and secure proper blanks to be filled.
  2. If additional information is needed write State Archives, 1291 Brazos, Austin, or Chief, Old Army Branch, War Section Division, National Archives and Record Service, Rm. 8-W National Archives Building, Washington 25, D.C. 3.
- When all blanks are properly filled, return them to a member of the county committee.

Miss Hampton also made the following statement: "If you are interested in all this information, please keep it. Getting the information ready is time consuming. Printing it is space consuming. The labor involved and the space consumed are both given without remuneration. The Committee will meet at 2 p.m. Saturday, May 18 in the Hamilton National Bank. Interested persons are cordially invited. We will be happy to share with you any information that we have concerning the Texas Historical project. We are especially interested in marking as many graves of Confederate Veterans as possible."

### Sunday School Teacher Honored at Monday Night Party

Mrs. Leslie Patterson was hostess in her home on Monday evening of this week when members of her Sunday School class honored their teacher, Mrs. W. C. Urwin, with a surprise birthday party.

A short business session was conducted preceding party games. The hostess served a refreshment plate to the guests, and gifts were presented to the honoree. Guests of the class were Mrs. Glenn Higginbotham, Mrs. Horace Ross and Mrs. Pal Drake, and members present included Mrs. D. C. Hyles, Mrs. E. R. Fellers, Mrs. J. D. Partine, Mrs. Fred Jagers, Mrs. Eugene Gruben, Mrs. J. R. Russell and Mrs. Ed Blum.

### Friday Club Party Held in Home of Mrs. Sandy Ogle

Members of the Friday Afternoon Club were entertained last week in the home of Mrs. Sandy Ogle.

Refreshments were served by the hostess during an afternoon of bridge games. Members present included Mrs. Sarah Reeves, Mrs. M. I. Knudson, Mrs. Charles Dayton, Mrs. Harold Walker, Mrs. W. F. Hafer, Mrs. Jimmie Ramage, Mrs. E. V. Meador and Mrs. Ray Cheek. Mrs. Walker was winner of high score, and Mrs. Ramage held second high.

### Mrs. Ross Hostess To Luncheon Club Members Last Week

Mrs. Morse Ross was hostess at her home on Wednesday last week when she entertained members of her club.

Guests enjoyed four games of bridge and at conclusion of play the hostess served a luncheon plate and dessert course.

Those present included Mrs. Frank Bonner, Mrs. W. F. Hafer, Mrs. H. V. Hedges, Mrs. Harry Hudson, Mrs. Odus Petsick, Miss Mettie Rodgers, Mrs. Bill Stearman and Mrs. Ellis Randak. Mrs. Hafer was winner of high bridge score and Mrs. Hedges held second high score.

## The Mirror

PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

### WHO'S WHO

In this week's Who's Who we slip a bit and write about a junior boy. This particular boy is about 6 feet 2 inches tall and weighs about 175 pounds.

You would immediately recognize him by this description that he must be a tall, slender and athletic-minded young man. It is very seldom that you would see this young man walking around without his "ankle weights." Also he carries around a great deal of weight in that rock-head of his. But seriously this boy is a star guard on the Hico Tiger starting football team. He also does a good job on the front line in volleyball and is also a member of the golf team. He has always been a popular officer in his class.

You must know now that our subject is Butch "Shorthorn" Knudson.

### SENIOR NEWS

Thanks to everyone who had a part in helping us in the Senior Play especially Mrs. Hill and Mr. Walker.

We had a wonderful time at the fish fry following the play. Gary W. was the first person there and was the last one to leave! It seems that our senior girls were still eating fish while the boys were finishing the dessert.

Any of the seniors, who didn't know how to sing the Texas state song, know how to now because Mr. B. thinks everyone should know it before they graduate. But who's going to graduate?

All the senior girls have a terrible crush on Harry B. ever since he put a black rinse on his hair for the plays.

It seems that Jane A. and a junior girl got lost on the way to the baseball field one day last week and remained a few minutes after school that day.

Judy O. is 18 now and claims that she is a woman but we know better!

### SOPHOMORE NEWS

Seems as though a certain sophomore girl has been smitten by blue eyes. How about this Margo W.? Her eyes are blue, aren't they?

One sophomore girl has been working out for track in a special way lately, right Sandena H.? Why don't you tell us when you were running from? Don't run too hard.

We would like to congratulate a couple of sophomore girls for getting to go to State Interscholastic League meet in Austin. Congratulations Bonnie Wootton and Connie Bulloch.

Carol C. is finally back in school after an absence. Welcome back Carol.

Charles E. be more careful when the bell rings ending third period. You knocked over a desk getting

out to go to lunch. Are you that human?

Do you ever hear guitars in the night? Some sophomores seem to like to think that there are guitar-playing ghosts around. Did you hear anything strange Sunday night kids?

We end with a happy thought: There are only four more weeks of school left! Yea!

### FRESHMAN NEWS

Pat Bruner has decided to take up ice skating, especially after her visit to the Ice Capades.

Linda Duncan's new motto is "a little look will do ya!" If you don't believe me just ask that Iredell boy she was with Saturday night.

Voreece C. seems to be having trouble in trying to get a certain boy's address. Just face it Voreece, he's a travelin' man.

LeeAnne 'is torn between two loves, Horses and ???

Frances L. always says "sh-h" when anyone mentions "Sunday night. What's up Frances?"

Claudia H. seems to have flickering lights especially porch lights. Could Saturday night have anything to do with it.

Kay T. has given Glenda O. a new theme song. Could you hum us a few bars, Glenda?

Vanita W. is still determined? Judy J. has a new romance with red cars!

Dianne J. seems to linger in the halls between classes. Wonder why?

Leslie R. is getting pretty sharp, especially when it comes to cutting corners.

Dwain F. seems to have taken Claudia H.'s advice!

Tony K. has a new love. Junior High, huh?

Be good Freshmen and have fun at the barbecue.

### Bill Rutledge Selected FHA Beau By Local Chapter

Bill Rutledge, junior student of Hico High School, was recently selected FHA Beau for 1963. The announcement and presentation was made by Alma Burge, FHA president. He was presented an identification bracelet as a token of honor.

Not only is Bill popular among the Future Homemakers, but he has proven himself an accomplished sportsman, and livestock showman. He has lettered in football, basketball three years. In 1961 he received the Howard Showman Award for outstanding showmanship at the local stock show. This year he has displayed another talent, that of acting. He has parts in the Interscholastic League One-Act Play and the Junior Class Play. In the latter he has a hit with the audience as a pig-ma-clad, mischievous little boy. The Future Homemakers are proud to have blond, blue-eyed Bill Rutledge representing their organization as FHA Beau.

Thursday guests in the home of Mr. and Mrs. Ray Boone were her parents, Mr. and Mrs. Joe L. Phillips of Stephenville, a sister, Mr. and Mrs. A. T. Childress of Hico, and niece, Mrs. Jerry Benson of Stephenville, and Rose Sherrard of Hico.

CHATTER

By HELEN OGLE

Trying to find some sneaky clues for chatter proves to be a challenge sometimes and this week I proceeded to motor around town and I didn't see one soul out mowing the lawn, weeding the garden, or even hanging out the weekly wash. Surely it's not a week off for everyone, but then I dropped by school and there was too much activity to keep up with there. With talk of the senior trip and graduation and all the other activities I almost wanted to join them.

Ada Woodard was enjoying romping with the grandchildren while her daughter, Wilma, stopped for groceries.

It was nice to see Kathleen Parker in town even though she had to maneuver on crutches after falling out the back door and breaking a leg.

Bess and Frank Mingus were glad to be back on duty after enjoying a pleasant trip out New Mexico way.

And Gladys Partain says she can't wear those flip-flop shoes as they tickle and she hates to walk around town laughing at herself.

Gladys Burden really isn't in the mood to go over the store that thoroughly, but it seems that she has misplaced a very important mat.

After making several quick sales Mrs. Arthur Rutledge says that she will recommend that anyone try the classified section.

Chopping weeds has proven to be too much for Glenn Ross so he wants all the grass cuttings that he can get hold of.

Dean Hyles was ready to place air conditioners all over the place and then, heck, a norther blow in!

An early morning stop at the post office left Annie Coleman with an armload of mail as she headed for the shop to begin a day's work, then lunch hour rolled around and there was no time to eat.

Monday holidays are nice, but they bring on extra work the next day for Odis Petsick and his staff.

I guess if you have the toothache and are on your way to the dentist you just as well enjoy a bar of candy, as Martha Paddock and Margaret Prater did.

Yes, as you might know, Houston Davis let the really-really big one get away, so...

Off to press we go reminding you that the baby contest pictures will be taken at the News Review office this Saturday. Don't forget.

Senior Class Feted With Fish Supper Last Friday Night

Members of Hico High School Senior Class and their dates were entertained last Friday night in the E. H. Randalls Jr. home following the senior play.

A late supper was served by room mothers Mrs. Randalls Mrs. J. C. Prater, Mrs. Bernell Jernigan, Mrs. Joe Glover and Mrs. Doc Lackey. The menu consisted of fresh fish, potato salad, baked beans, tossed salad, drinks and homemade cake and ice cream.

Mr. and Mrs. Harold Walker and Mr. and Mrs. W. B. Hill were guests of the class.

Retiring City Secretary Honored Saturday By Council Members

The Hico City Council and Mayor, and their wives, honored Mrs. S. W. Everett with a 42 party Saturday night in the home of Mr. and Mrs. D. E. Bulloch. The occasion marked the retirement of Mrs. Everett as City Secretary.

Guests enjoyed an evening of 42 games in the lovely home, decorated with spring flowers. The hostess served a dessert plate to her guests during the evening and Mrs. Everett was presented a gift of milk glass from the mayor and council.

Present for the occasion were Mr. and Mrs. Wayne Rutledge, Mr. and Mrs. G. M. Bullard, Jim Jameson, Mr. and Mrs. Bill Howard, Mr. and Mrs. Von Scott, and Mr. and Mrs. Everett.

Mrs. Scott assumed duties as City Secretary May 1.

Visitors in the home of Mr. and Mrs. Ray Boone and Bobby from Wednesday through Friday of last week was their daughter, Mrs. Fred Wilson Jr. and daughter, La-Ray of Killeen.

Hico Garden Club to Meet Friday, May 10

Hico Garden Club will meet May 10 in the First Methodist Church for their regular session.

Installation services will be held for new officers, and all members are urged to attend this meeting. Hostesses for the occasion will be Mrs. Alvin Casey, Mrs. L. J. Chaney and Mrs. Grady Wolfe.

Mrs. Charles Dayton Presents April Program At Review Club Meeting

Hico Review Club met Thursday, April 25, in the Home Economics Cottage with Mrs. L. J. Wood as hostess. Roll call was answered with "My Favorite Dish."

Mrs. Lusk Randalls presented the guest speaker for the afternoon, Home Economist for Lone Star Gas Co., who showed the group how to make lovely party snacks giving each samples. She also showed how to make attractive centerpiece for the table.

Mrs. Charles Dayton very capably discussed the topic, dieting, preceding a short business session conducted by the president, Mrs. Morse Ross.

Mrs. Lamar Johanson was a guest of the club, and members present included Mrs. Dayton, Mrs. Edgar Bradley, Mrs. O. C. Cook, Mrs. W. F. Hafer, Mrs. R. B. Jackson, Mrs. Bernell Jernigan, Mrs. J. E. Lincoln, Mrs. Marvin Marshall, Mrs. Odis Petsick, Mrs. Ellis Randalls, Mrs. Hord Randalls, Mrs. Lusk Randalls, Miss Mettie Rodgers, Mrs. Ross, Mrs. Wayne Rutledge, Mrs. Wood and Mrs. Lawrence Lane.

Mr. and Mrs. John Briscoe and Mrs. Lalah Autrey attended the Briscoe family reunion in Fort Worth last Sunday.

'The Mentally Ill' Topic of Discussion At WSCS Meeting

The Women's Society of Christian Service met in Fellowship Hall of First Methodist Church Monday for the third session of the study "The Church's Mission and Persons of Special Needs."

Mrs. G. B. Strother spoke on "The Need for Understanding the Mentally Ill." Mrs. John Rusk spoke on "New Drugs Bring Hope to the Mentally Ill," and Mrs. Charles Dayton gave an inspiring talk on "God's Compassion for Man." Mrs. Alvin Casey directed the class in discussion following the talks.

Present for the program were Mrs. Dayton, Mrs. George Loden, Mrs. Jim Carmean, Mrs. Strother, Mrs. W. F. Hafer, Mrs. Rusk, Mrs. Edgar Elliott, Mrs. Morse Ross and Mrs. Casey.

Mrs. Fred Jaggars Conducts WMU Program Tuesday

The Women's Mission Union met Tuesday, April 30 at First Baptist Church for their regular meeting.

The president, Mrs. Grover Renfro, conducted a short business session and gave a report of the work and programs for the past month. A good attendance was reported.

Mrs. Fred Jaggars was in charge of a panel discussion, "Enlistment for Mission," assisted by Mrs. Cook, Mrs. Blum and Mrs. Pendleton.

Mrs. O. W. Davis of First Baptist Church of Hamilton, and associational president, was a guest and reported on the 75th celebration program of Women's Mission union work which will be held May 21 in Hamilton.

Mr. and Mrs. W. H. Jackson of Fort Worth. The wedding date has been set for June 22 at First Baptist Church in Iredeil.

Mr. and Mrs. J. D. Jones visited last weekend in McGregor and Waco in the homes of Mr. and Mrs. Ervin Cox and Mr. and Mrs. Richard Hesse, and with her brother, Mr. and Mrs. J. H. Elder.

Mrs. Jim D. Wright and Mrs. Tyrus King visited in Stephenville Monday afternoon in the home of Mrs. Joe Huffman.

Weekend guests in the home of Mrs. Daisy Dankers were her son and family, Mr. and Mrs. Jack Dankers and John of Austin.

Mr. and Mrs. B. Strong of Iredeil have announced the engagement of their daughter, Jan Carroll, to Billy Howard Jackson, son of Mr. and Mrs. W. H. Jackson of Fort Worth.

On the Home Range

By JEAN HENRY  
Home Demonstration Agent

The District 4-H Eliminations were held in Stephenville last Saturday and although we didn't win any ribbons, the girls gained valuable experience. Since we have just been organized a short time we were very proud of their accomplishments.

Entries from Hamilton County were: Christy Newman and Donna Chumney of West Point, vegetable preparation and use; Mary Stegemoller and Debra Wilson, Pottsville, dairy demonstration; and Sallie Hayes, Carlton, Foods Nutrition Educational Activity.

The accomplished seamstress knows that each fabric requires a different type stitch, needle and thread. If you're a beginner at the art, you'll save time and mistakes in sewing if you remember a few simple tips.

Thicker fabrics require longer stitches and heavier needle and thread. For example, when working with cottons like denim, sailcloth, ticking, use a mercerized heavy duty cotton thread. Sew with a number 16 or 18 needle, and set your machine at ten stitches to the inch.

For light to medium weight cotton fabrics like gingham, chambray, poplin, pique, percale, or chintz, use a number 50 mercerized cotton thread. Sew twelve stitches to the inch with a number 14 needle.

Take a tip from the latest Paris collections, and add a flattering touch of white to your wardrobe. Many of the new high-fashion designs show crisp white accents at neckline and sleeves. When you add snap-in white collars or cuffs to your own outfits, make sure they are washable. Cotton organdy is an ideal choice for such accessories because soil doesn't penetrate the fabric, and comes off easily when laundered. You might use spray-on starch to insure fashionable crispness of any white accessory.

We had a very good Laundry Workshop last week. I want to thank the dealers for the time and effort devoted to making it so. A good cross-section of laundry equipment available was shown and discussed. We also appreciated Isabel Herndon of CPS for her contribution to the workshop.

Here are some good washing practices, if you haven't been getting the results you would like from your laundry check these points:

- 1. Use plenty of hot water, 140 to 160 degrees.
- 2. Remove stains when fresh. Keep a stain removal chart by your laundry center. Come by my office and pick one up if you don't

have one.

3. Sort clothes according to soil, type of fabric and color.

4. Follow washing directions implicitly for type of fabric and garment. Keep a tag file.

5. Follow manufacturer's directions for use of washer.

6. Use correct amount of washing product recommended for the machine, the soil, and fabric. Be sure to measure the soap or detergent.

One of the most important tools of your life is money. Use it wisely and you can obtain all the necessities for your family—plus comforts and luxuries which make daily living more enjoyable. You can live better on your income. To manage your family's money in a way that contributes to your security and peace of mind, remember these six principles:

1. Put money in its proper place. It is a tool to help you gain your objectives—not a goal in itself.

2. Set up a long-range program. Keep in mind the big things you want to do with your money in the future.

3. Establish goals you can reach. Don't waste time striving for things far beyond your grasp.

4. Hold regular family money conferences. Agree with your mate how you will spend and save your income.

5. Keep a close check on your expenditures. You may be surprised at how much is leaking out in impulse spending and in other ways.

6. Discipline yourself. Learn to say "no" to temptations that would detour you from your main goals.

# CARLTON

By MRS. FRED GEYE

The Youth Revival held over the weekend at the Carlton Baptist Church closed Sunday night with one addition for baptism. Services were conducted by Rev. Earl Craig, a young preacher and student at the Seminary in Fort Worth.

Mrs. Mary Mitchell, Mrs. Maud Chambers, Mrs. Ronald Mervier, Mrs. Boyd Ballard, Mrs. Myrtle Hyles attended funeral services Saturday afternoon in the Church of Christ at Stephenville for O. R. (Hatch) Clifton, 82 of Stephenville, who passed away Friday after a long illness. The Clifton family lived many years on his farm north of Carlton before moving to Stephenville.

A miscellaneous shower was given recently in the school auditorium for Mrs. David Akey, the former Miss Sallie Lou Helton, a 1963 graduate of Carlton High School. She received many nice gifts. Hostesses were the high school girls. Her husband is overseas.

Mr. and Mrs. Ike Byrd of Dardanelle, Arkansas and Mrs. Catherine Hendric and her husband and daughter of Dallas were visitors last week with their cousin

and aunt, Mrs. Lilla Byrd. Mrs. Hendric is the former Miss Catherine Lackey of Carlton.

Mrs. Gene Sharp and two sons of Andrews is visiting her parents, Mr. and Mrs. L. H. Lunsford, Kenneth, Roy and Ariene, and her husband's parents, Mr. and Mrs. Sam Sharp and Linda.

Mrs. Fern Jordan and Gary spent the weekend in Nocona with her husband, who is employed in that city.

Mr. and Mrs. Otho Stuckey, Carlton and Martha, and her mother and aunt, Mrs. Bettie Fisher and Mrs. Pearl Fisher of Waco attended the Stuckey reunion held Sunday in Lampasas. Mrs. Pearl Fisher returned to her home in Waco Sunday after spending two weeks with relatives at Carlton.

J. T. Butler, mail carrier on Route 1, returned home from a week's vacation. He spent a part of it in Eastland with his mother, Mrs. Nora Butler.

The Methodist Revival began Monday night at the Methodist Church, conducted by Rev. Norman Purvis, pastor of the Methodist Church at Hico. Services will be held each night at 7:00.

## FISH FRY FOR WORLD WAR I VETS

Henry Mayfield and Charlie Dowdy, World War I Vets, sponsored a fish fry for Barracks 588 and the Auxiliary and guests Tuesday night, April 23 at Clairette Community Center.

The old school building was packed full of World War I vets, their wives and guests, that packed up their troubles in the old kit bags long enough to enjoy the fish fry and meeting.

Jack Sagray, National Commander of the organization from San Antonio and Mrs. Geneva M. Bohoen, district state president of the Auxiliary and other officials from Fort Worth were among the guests. Another guest was R. F. Higgs Jr. of the Stephenville Daily Empire.

After dinner the Doughboys and their wives enjoyed a sing-song of World War I tunes. Music was furnished by Mrs. H. D. Head at the piano and Vernon Head on the violin. Mr. Head played several solos. The Auxiliary dedicated a song to Mrs. Bohoen of Rising Star.

National Commander Jack Sagray made a talk. He praised Barracks 588 and Auxiliary for their efforts. He stated this group at Clairette Tuesday night was one of the liveliest groups of vets he had ever met. He made a special

appeal for the group to come to the state meeting in San Antonio May 19, 20 and 21.

H. A. Schmidt, commander of Barracks 588, expressed appreciation to Mr. Mayfield and Mr. Dowdy for providing the fish for the dinner. They also furnished other food, and the Auxiliary also helped furnish part of the food.

Mr. Schmidt stated that the Clairette meeting was the biggest meeting the Barracks had ever had. Approximately 180 attended the meeting, and several towns and cities were represented.

Some have asked for a repeat of this meeting.

The annual Clairette Cemetery meeting will be held Saturday, May 4. Everyone interested are urged to attend and bring a basket lunch. The committee would like to see a large crowd attend.

The Fourth Quarterly Conference of the Clairette Circuit will be held Sunday, May 5, with a basket lunch at the church. All members are invited to attend.

The Home Demonstration Club has had some repair work done on the Community Center recently. Mrs. Zenith Johnson and Mrs. Jessie Lee were in Stephenville Wednesday on business.

A nice shower of rain fell rather suddenly Wednesday afternoon. Mrs. John Goltz, Mrs. Dona

Wolfe, Mrs. Bill Head and Mrs. Marvin Rush of Stephenville were in Fort Worth Thursday to attend the flower show at Leonards, and to visit Mr. and Mrs. George Christopher at All Saints Hospital. He is reportedly not doing so well.

Mr. and Mrs. Jim Alexander, Mr. and Mrs. W. O. Holly, Mrs. Effie Mathis and Mrs. Willie Lea Fox, members of the Auxiliary, Barracks 588 of Stephenville visited with Mrs. Lucille Mayfield Wednesday morning. Mrs. Holly is president of the auxiliary.

A very nice and welcome rain fell here Saturday. Six-tenths of an inch was received by noon.

We are sorry to learn that Mr. George Christopher of Hico underwent surgery again last Saturday.

Visitors in the home of Mr. and Mrs. Will Cranfill Sunday were Mr. and Mrs. Cecil Henderson of DeLeon and Mr. and Mrs. Hub Alexander of Stephenville.

Mr. and Mrs. Rob Sherrard visited at the VA Hospital in Temple Sunday with Will Sherrard.

Mrs. J. R. Wolfe spent from Tuesday until Saturday in Fort Worth with her son, Leland and family.

Visitors Sunday afternoon in the home of Mr. and Mrs. J. R. Wolfe were Mr. and Mrs. Cecil Mayfield, Mrs. Paris Mayfield and Mrs. Elmer Moore.

Mrs. Fred Wilson and baby of Killeen spent a few days last week with her parents, Mr. and Mrs. Ray Boone and Bobby.

Mr. and Mrs. Jack Whiteside of Seminole spent the weekend with his mother, Mrs. Etta Whiteside.

Her daughter, Mr. and Mrs. H. A. Warren, were Sunday dinner guests in her home.

Mrs. Etta Whiteside and Charles Dowdy accompanied her son, Mr. and Mrs. Jack Whiteside of Seminole to Brownwood Monday.

## THIS WEEK IN AUSTIN—

### Highlights and Sidelights

By VERN SANFORD  
Texas Press Association

If the 58th Legislature's final version of a loan shark law is that which passed the House, folks who do business with the money men still would pay charges up to 500 percent on the smallest, shortest-term loans.

Small-small loans—those under \$100—would be regulated by an amendment to Corpus Christi Sen. Bruce Reagan's bill which provides that on loans from \$19 to \$35, the lender could collect a flat 10 percent charge plus a \$3 handling charge for each month of the loan, up to no more than two months.

In addition to this, lenders also could collect \$3.50 per month up to four months on loans between \$35 and \$70, and \$4 per month for up to six months on loans from \$70 to \$100.

The over \$100 clause sets these rates per year per \$100: \$19 up to \$100; \$16 from \$100 to \$200; \$13 per \$100 between \$200 and \$300. This is scaled to the rate of \$7 per \$100 on loans between \$1,000 and \$1,500.

Rep. Joe Cannon of Meria called the House-passed bill "a Robin Hood in reverse bill—it robs the poor and gives to the rich."

A work-out on the measure—which carries 19 Senate amendments and 23 by the House—is expected in a Senate-House conference committee, but it won't take long if Gov. Connally and Speaker Byron Tunnell have their way. Both want a loan bill passed this session, and neither wants an ex-

tended—or special—session.

### No Monument for the 49th

A Senate resolution to place a monument honoring the 49th Armored Division of the Texas National Guard on the State Capitol grounds was all but killed by the House State Affairs Committee, after Alpine Rep. Gene Hendryx called it "a disgrace to every veteran who ever served overseas in every war that Texas ever participated in."

The former Marine said "The greatest battle this organization ever fought was the battle of the canteen at Fort Polk, La."

Seguin Rep. John Traeger defended the 49th, but the resolution was defeated by a vote of 8 to 7.

### Railroad Com. Change Proposed

A plan to take the railroads and trucks away from the Railroad Commission has been proposed by Rep. Henry Grover of Houston who told the House:

"Recent developments indicate that the Railroad Commission is overworked and has more to do than it can handle."

Grover inferred that these indications are the slant-hole oil well scandals and the conflict of interest resignation of former Commissioner William J. Murray Jr. Grover introduced HB 1041 to ease some of the workload by removing the commission's authority over the transportation industry, and leaving it with just oil and gas regulatory authority.

### Eighth Republican

When Charles R. Scoggins of Corpus Christi was sworn in to fill the vacancy created by the recent accidental death of Rep. James L. Lattimore of Corpus, Texas had its eighth Republican member of the current Legislature.

The 31 year old Scoggins, a geologist by trade, is the second Humble Oil Company employee in the House.

Rep. William S. Davis of Midland, a petroleum engineer, is the other Humble employee. He, too is a Republican.

# EVERY LITTER BIT HURTS

## DON'T BE A LITTERBUG!

Drop every litter bit in the litterbag you should always carry in your car. Then carefully stash your travel-trash in the next roadside trash basket. That's the way you can best contain and prevent the ugly spread, the pile-up of trash that blotches America's beauty, and costs \$50 million a year to pick up from major highways alone. Remember, just as every litter bit hurts when it's tumbling free—every litter bit helps when you land it in the litter basket.

the right time. The right time is just after the worms have hatched and just before they get into the small pecans. From now on it is advisable that one check their pecan trees at least every other day. The first signs of the worm will be the egg blotch that is laid on the tip of the small pecan or maybe back on the small pecan. The eggs are not a real white color but are more or less a little grey. After a day or two they begin to turn pink or red and will hatch.

The first sign of the small worm is found when the small pecans have been bored into near the base of the nut. If you are not able to find eggs, then look for the worm sign and when the first pecan is found that has been bored into, apply controls.

Malathion or Sevin are two materials that are good for control of the insect. Malathion will kill quickly and will lose its killing power in a day or two. Sevin will kill quick and has a longer lasting effect. Both of these materials are rather safe to use and Sevin can be used where one is grazing under the trees and will not have to remove the livestock.

Let's not forget that May 21 is the day wheat growers vote on the referendum. If you were a 15-acre grower and have received an allotment, and wish to vote and participate in the 1963 program see the ASCS office not later than May 13 and let them know what you are planning to do.

The law has eliminated the 15 acre exemption for small farms. Also the 30 acres of wheat for home use is no longer permissible. However, producers with less than 15 acres allotment may elect to participate or not participate in the 1964 program. All small farms will be subject to acreage allotments. Before the allotment can be determined, a base acreage for the farm must be established. By law, the small farm base acreage for a farm will be the smaller of (1) the average acreage of wheat planted in 1959, 1960, and 1961, or a later three-year period, excluding 1963, determined by the Secretary to be representative, or (2) 15 acres. If the small farmer wishes to be eligible to vote in the referendum, for price support, and land diversion payments, he must so indicate in writing at least seven days prior to balloting. With such a choice, he must comply with the provisions of the program and his acreage allotment will be the larger of (1) the small farm base acreage reduced by approximately 10 percent, or (2) the acreage allotment determined in the same manner as the allotments on larger farms.

If the producer does not desire to participate in the program, his allotment will be the larger of (1) the small farm base acreage or (2) the acreage allotment for the farm.

# Riding Club Round-up

By LINDA KOONSMAN

The little cool front that came in Tuesday kept the spectators from coming to the arena. The crowd was small but there were quite a few cutters and ropers. They all seemed to be doing very good.

The club had a business meeting

Thursday night at Koffee Kup Cafe. The forthcoming Quarter Horse Show was discussed. Jobs were passed out and it was decided that sandwiches would be available for lunch and snacks.

The club also decided to purchase approximately 30 head of good cutting cattle. You cutters come on down on Tuesday night, because you'll have some good cattle to work with. A calf puncher was going to be hired for a nominal fee. I think the ropers were getting so tired of punching calves they couldn't rope.

So for 45 members have joined the club for the year. They are Bill Howard, Astry Robinson, Roy Aycock, Herman Sowell, Fred Jaggars, Orville Ogie, Glenn Higginbotham, Harold Walker, Byron Hawthorne, Lynn Hanshaw, Eddie Mote, J. O. Horton, Fonzy Williamson, Walter Weathers, James Weathers, Jack Mayfield, H. D. Cody, Ed Black, G. K. Lewis, Billy Haskley, Alton Rainwater, Ralph Turner, Jake McClammy, Lester McClammy, S. E. Patterson, Al Russell, Harlon Koonsman, Dewell Chew, Shorty Dove, Charlie Tolliver, Jack Goodman, George Kilgus, Bill Doty, Jerry Lackey, Dock Worrell, Tommy English, Harold Park, L. T. Oswalt, M. J. Taylor, Marvin Solberry, Herman Moody, Ralph Jaggars, A. E. James, Harold Stroud Jr., and Jerral Harris.

We were certainly thankful for the wonderful rain even though it scared away the crowd and the ropers Saturday night. The arena was pretty sleazy in places. There were lots of ropes that were coated with mud. Harlon Koonsman said his rope had so much mud on it, it felt as if he were pulling a five pound rock. I believe he was exaggerating. Orville Ogie's britches were so muddy that I thought he had been playing in the mud, but from what I could hear that's not what happened. What did happen Orville?

It has been called to my attention that there is a need for more cutting cattle for the Quarter Horse Show. It would be greatly appreciated if anyone having cattle that qualify for cutting to bring them in. That's all the news for this week. So long.

# \$80,000.00 MONTHLY COLLECTED BY COUNTIANS FROM SOCIAL SECURITY

Monthly old-age, survivors, and disability insurance benefits in Hamilton County now top \$80,000.00. Dorelle L. Allen, District Manager of social security in Temple, said this week on releasing his annual county benefit data report.

The new figure represents an increase of 13 percent over the corresponding period last year.

"This increase can be attributed to the changes in the law in recent years, as well as to the growth of our aged population," Mr. Allen said. "This money stimulates county business; most of it is spent for food, clothing and shelter."

"There is no longer any doubt. Social Security benefits are helping to stabilize the income and spending power of many residents in Hamilton County."

Monthly benefits first became payable in January 1940, and

they have continued without interruption for 23 years, accompanied by a steady growth in the number of beneficiaries. As of December 31, 1962, some 1,304 Countians were collecting \$964,022.00 annually from social security.

More people in Hamilton County, he said, could draw social security benefits if they knew more about the law, and for that reason they are urged to contact the social security office whenever they have a question concerning their benefits or responsibilities. As of January 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of almost \$1.25 billion per month.

The average monthly old-age retirement in January was \$76.30 for all States, while in the State of Texas the average was \$68.05.

## WASHINGTON—

# As It Looks From Here

By OMAR BURLESON, M.C.  
17th District, Texas

Needed in our country today are old fashioned debates on the subject of mission and purpose of the Federal Government. Debates do occur in and out of Congress, but only piecemeal, as applicable to a particular issue. At the end of such a discussion, the participants can usually be identified as liberal or conservative, although the issue may be influenced by factors other than purely on the basis of philosophy.

As originally conceived, the purpose of our National Government was to provide the necessary protection from external forces and the essential order among internal forces, to guarantee individual liberty to flourish and be exercised.

Obviously the central government has responsibility for our national defense. We, as individuals, or grouped together in organization, could not do it. In fact, the 13 original Colonies banded together for their own protection. Later, the same need was urgent which was the major influence in the formation of our Government created under the Constitution.

The power and authority invested in a government for the purpose of maintaining internal order and authority in those things relating to the general welfare, are open to a broader interpretation than those powers vested in the Federal Government relating to external matters. Hence, the issues in many instances can become vague and blurred by interpretations placed on such pow-

ers in the light of what is considered to be present day needs.

Whatever differences of opinion may exist as to the consistency of including or excluding any particular power to provide internal order, there should be no doubt as to the nature of the authority contemplated and intended for the Government. The Federal Government was clearly to play the part of the "umpire" and not a "participant" in purely domestic affairs. Its role was to insure fair play—not to permit the imposition of one individual against another or a group of individuals against another group. In other words, it was to protect against fraud and wrongdoing. It was not conceived however, to guarantee the economic or social success of the individual or any group of individuals, not to mitigate the failure of those unsuccessful in their particular endeavor.

If, as contended by some, our constitution and the Bill of Rights do not meet present day need, then this basic instrument should be amended as it has been done 23 times in our history. To amend our constitution is cumbersome and slow. That is exactly what was intended when the provisions for its change were made. It guarantees against hurried decisions requires the sentiment of the people of the various states, as expressed through the State Legislature. Our constitution should not be amended by interpretation or by ignoring it, or by condoning practices not consonant with its intents until finally the interpretation is accepted as if amended by ratification.

The liberty and freedom guaranteed under the constitution have made us the greatest nation and the greatest people on earth. Not only do we have more goods, but a greater proportion of people enjoy the products of their labor than any other nation of the world under any other system. This has been accomplished under the system guaranteed by the constitution and not directly attributable to Government itself.

## Funeral Services For Mrs. Annie Lackey Held At Stephenville

Funeral services for Mrs. Annie Lackey were conducted at 2 p.m. last Tuesday in the Stephenville Funeral Chapel, with Rev. William H. Penland and Mr. Reginald Bridges officiating.

Mrs. Lackey passed away at her home Sunday night. She was born August 5, 1889 in Hood County, and was the daughter of the late Mr. and Mrs. Isham Martin. She lived in Erath County most of her life, and in Stephenville the past 33 years. She was a member of the Calvary Baptist Church.

Mrs. Lackey was married March 24, 1923 to C. C. Lackey. Besides her husband she is survived by three brothers, Virgil Martin of Iredell, Bill and Roswell Martin of Stephenville; five sisters, Mrs. Jud Hatler and Mrs. Joe Spears of Stephenville, Mrs. Stanley Roach of Duffau, Mrs. Herman Keesee of Abilene and Mrs. Jack Lepape of Stockton, California.

Palbearers were Albert Graves, Jim Walsworth, Charles Williams, Carroll Barham, Emmett Moon and Joe Derrick. Interment was in the West End Cemetery.

# Wheat Referendum Information Released By County ASCS Office

By S. E. CLONINGER

Wheat allotment notices and yields were mailed to every wheat grower Friday, April 19. The national wheat allotment for 1964 has been set at 49.5 million acres. This compares to 55 million acres for 1962, or a cut of about 10 percent, one year only, 1964.

The 15-acre and the 30-acre provisions under previous programs have been eliminated regardless of the outcome of the wheat referendum on May 21.

Wheat growers with permitted acreage of less than 15 acres must sign and return notice by no later than May 13 in order to be eligible to vote and participate in the 1964 wheat program. To date less than 100 growers have signed and re-

turned notices. This is the first time wheat growers with less than 15 acres have been permitted to vote in a wheat referendum. All wheat growers should compare to 55 million acres for 1962, or a cut of about 10 percent, one year only, 1964.

Due to the fact there are less than 100 eligible producers in any community in the county there will be only one polling place, Hamilton County ASCS office from 7 a.m. to 7 p.m.

Producers who cannot vote on May 21 are urged to vote absentee. Call for a ballot at the county office. Absentee voting may take place up to May 16. Wives of all eligible wheat grow-

ers are also eligible and are to vote. The county has a population of over 700 wheat growers, and growers with less than 15 acres should sign notices and return to be eligible by May 13.

Any grower who does not understand all provisions of the proposed 1964 wheat program is requested to seek this information at the county office.

A county-wide meeting of wheat growers has been scheduled at the County District Court Building, May 7 at 8 p.m. At this meeting all provisions of the 1964 program and referendum will be discussed. Growers should attend this meeting.

## SIGHTS TO SEE IN TEXAS

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields,

biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.
