## Of Your Town

For a small investment you can be represented in your community newspaper every week, and the subscribers will have an opportunity to view your wares 52 times a year. As a result, complimentary remarks will be made of your business and the same goodwill that is created for your business will be created for your town. Goodwill is an intangible asset, yet no business is operated successfully without it.

## **Buying Advertising is An** Investment ... Not An Expense

When you build an addition to your building, it's listed as additional assets. When you add new lines of merchandise to the stock in your store, it's listed among your assets.

When you invest in advertising it certainly creates additional goodwill, and certainly you can list goodwill among your greatest assets.

### ADVERTISING'S FIRST DUTY IS THE CREATION OF GOODWILL, AND THROUGH GOODWILL IT AIDS IN SELLING!

Newspaper advertising is an avenue through which information is conveyed to your customers and prospective customers -a service that is provided through no other facility.
