# Hico Nursing Home

A city grows and prospers, by reason of the public spirited men and women who take an active interest in its development. Hico has its share of these progressive and civic minded people and deserving of recognition are Mr. and Mrs. W. R. Payne, owners of Hico Nursing Home. Their business ability coupled with a sense of obligation to the public and a sincere desire to render their assistance to the senior citizens of our area has been major factors in their maintaining the Hico Nursing Home in the prominent position it occupies in the territory.

We extend best wishes . . . and join Mr. and Mrs. Payne in extending a cordial invitation to everyone to visit them this weekend, September 27-28 in observance of Nursing Home Week.
