## School, City Balloting Set Saturday and Tuesday

Hico residents, and patrons of the Hico Independent School District will vote Saturday and Tuesday for city dads and school trustees.

Ballot opposition was recorded in city balloting, to be held Tuesday, April 7, but four names appear on the ballot for city places on the board of education.

The school election is set for Saturday, April 4.

Names of Ray Cheek and Charles Golithly, incumbents, and Ed Black and Coolidge are on the school ballot.

Also on the ballot are names of J. B. Woodard, seeking re-election to the county board of trustees, and Lagree West, asking for re-election as county trustee at large.

For the first time in many years, no school election will be held at Fairy, since that school has been consolidated with Hamilton. Residents of Fairy are eligible to vote in the trustee election at Hamilton at the regular polling place.

A. A. Brown will be election judge for both the city and school election at Hico.

## General Services Pending Wednesday Afternoon Judge J. C. Barrow

General services were pending Wednesday afternoon for Judge J. C. Barrow, pioneer resident of Hamilton County who passed away Tuesday morning following a long illness.

A complete obituary will be given next week.

## HERE IN HICO

By E. V. M.

Hico area people are really going for bargains, then it is them to read each of the 51 advertisements on pages two and three of this issue.

First of a series of dollar days is staged Monday, April 6, nearly every merchant in Hico participating in the program. Those who don't have space in special advertisements are cooperating by sending extra papers to residents in this immediate area.

Every merchant listed on the two pages is offering something in the way of special prices or services, and all of the merchandise is of the every-day necessity variety.

The program is sponsored by the Civic Club, and will be carried out each first Monday of every month.

Read all of the ads, and then make a "run-in" for your share of the values.

Noticed the many new signs dotting Hico businesses the past months? They're too numerous to name individually, but one which has particularly caught our eye is that across the top of Howard Drug. I realize that bright blue is a popular color, especially last fall, but in a 40 by 60 sign?

New signs and name plates are all that has been "freshened" around town the last few weeks, as several businesses have made extensive improvements.

W. B. Food Store is in process remodeling, with a new suspended ceiling installed last week. A new paint to be applied shortly. Kal Sigrest has almost completed work on his building which was destroyed by fire last fall, and looking for a "good renter," as he put it.

Berry Lackey and M. E. Solis are other fire victims that have recently re-opened their businesses, and Fred Jaggars has done his newly remodeled building about two months. Lackey installed the latest in barber equipment at his place.

The corner lot which was such eyesore after the fire has been cleaned off and new dirt hauled, making a far more attractive lot.

The paint-up, fix-up, clean-up movement has really caught on, and most everyone seems eager to make the business section one of the neatest and cleanest in the city.

Don't forget Monday Dollar Day.

## Fairy Masonic Lodge To Sponsor Barbecue

Fairy Masonic Lodge No. 751 will have a barbecue supper at the Fairy school on Saturday, April 11. Serving will be from 6:30 to 7:30 p.m.

The program will follow at 8 p.m., to present one 50 year pin, one 35 year, and two 25 year pins to lodge members.

This is an open meeting and the public is cordially invited to attend.

## PARCEL POST INCREASE

According to an announcement this week from Postmaster Robert Jackson, there will be a small increase in fourth class parcel post rates effective April 1.

## First 'Dollar Day' Program Set Monday By Hico Merchants

Hico businesses — 61 strong — have banded together this week to offer residents of this area a trade incentive which everyone will benefit from.

"Dollar Days" is the slogan being used for the promotion, which will be offered each first Monday of every month. This Monday, April 6, is the first of the series, and merchants have come forth with many extra values for that one day.

Fifty-one businesses are represented by special advertising space on pages two and three of this issue and another eleven businesses are cooperating with the program by providing extra copies of this week's paper to be sent into the immediate trade area.

Each of the 51 merchants who have space on the two pages offer extra specials to the buying public. Everything from new automobiles to a special double feature movie are offered for the one day. The movie will be shown Monday night. All merchandise offered is of first-quality lines and much of it is being sold at cost or below during this special event.

The program is being sponsored by the Business Promotion Committee of Hico Civic Club.

An effort was made to contact every business in Hico, and if anyone was inadvertently overlooked, they should call the News Review or a member of the Civic Club committee in charge to reserve space for the next program, to be held the first Monday in May.

## Fairy School District Property Division Set By County Board

After four months of indecision, Hamilton County School Board this week is making arrangements to divide the Fairy School District, which was consolidated with Hamilton Independent School District last November.

The following information was submitted for publication from the office of County School Superintendent W. B. McPherson Jr., and is self-explanatory:

The Hamilton County School Board has established a tentative line dividing the old Fairy School District. Beginning at the west side of the district where the line crosses Farm Market 219 and continuing to Farm Market 1602, all the land north of Farm Market 219 will be annexed to Hico ISD with the exception of property owned by E. H. Guinn. In addition the following landowners with land south of Farm Market 219 will also have their land annexed to Hico ISD: O. I. Garner Jr., O. I. Garner Sr., J. M. Burney Est., L. S.

Burney, Neal Garner, K. Coats, 320 acres, Tom Truitt, Mrs. Hattie Barker, R. W. Lackey, Mrs. W. O. Lackey Est., L. V. Houser, Bryan Gann, J. T. Leonard, Marvin C. Scott, Leslie New, Scott Blakley, Mrs. J. L. McCoy, T. L. Betts.

Beginning at the intersection of Farm Market 219 and Farm Market 16-2 and continuing down 1602 to old Highway 22 the property of the following landowners east of 1602 will remain in Hamilton ISD and the remaining portion annexed to Hico ISD: Marvin Porterfield, Oran Willeford, Mrs. Eunice Daniels, Hollis Pearcey, narrow strip of land between Mrs. Daniels and Mr. Pearcey, Mrs. Grady Anderson, J. A. Laceywell, B. T. Slater Est., Thelma Moore Myers, B. J. Harris, C. H. Holley, H. R. Brummett Est., Boyd Lowry, C. A. Bullard, J. W. and W. H. Abel, Mrs. W. T. Slater, E. C. Parks, Winford Gardner, James Bros., Ted Arrant. O.

H. Brummett, Lusk Randals, J. L. Rowe Est., R. H. Banner, G. A. Gleason, Dave Duncan, J. Emmett Anderson, G. A. Shepherd, Mrs. I. H. Shepherd, W. Petty Edgar, Mrs. H. H. Stroud, H. H. Stroud Jr., Mrs. Ella Damon Bledsoe, Robert E. McCoy Jr., Fort, Malone, and Barringer.

The land east of 1602 owned by W. P. Brummett and B. F. Driver will also be annexed to Hico ISD.

As stated in the beginning this is a tentative line. If any owner has property that he would like to have placed in the other district, please notify the Hamilton County School Board at the office of the County Superintendent. This needs to be done soon so that the Board may be able to establish a definite line at their next meeting.

Readers will remember that an election was called last August to consolidate Fairy Rural High School District with Hico Independent District, and was defeated by two votes.

Then, through negotiations by the Hico and Hamilton school boards, a pre-arranged division was agreed upon, and an election called to consolidate Fairy with Hamilton, enabling the latter district to take advantage of the Incentive Aid Bill, which was created by the State Legislature to make consolidation more attractive to people residing in small districts.

The negotiations were prompted

## DAWSON WRITES

### Story of Dr. Gaine Cannon Recommended Reading

By E. E. DAWSON

The most interesting book I have read in a good while is the story of Gaine Cannon, the Mountain Doctor of North Carolina, living in the Adirondak Mountains, LeGette Blythe, author of fifteen other books, written prior to his writing about the work of Gaine Cannon, is author of the story.

Dr. Cannon's ancestry were all mountain folk and his father was a country doctor in the same region where the subject of this story now lives and is doing such wonders.

Dr. Gaine Cannon is a highly trained man and before taking up the task in this present field built two hospitals. Then his health failed and he decided to return to his native territory and rest until he regained his health. So he went into the mountains and located at Balsam Grove, at an isolated spot where he thought he could escape people and simply sit and read and fish and hunt and get well.

But almost as soon as he landed there the mountaineers heard of his moving there and they began bringing their sick folk to him. He gave service to those who came and ere long every day and

by a statement from Fairy school officials that they had "no intention of operating a school for 1964-65."

## April P-TA Meeting Set Monday Night

Mrs. Marilyn Johanson, Home Economics teacher, will be guest speaker at next Monday night's Hico Parent-Teacher Association meeting. Her topic will be "The Family: Wholesome and Happy?" Room program will be presented by various high school girls.

The meeting will be held at 8 p.m. in the school auditorium, with an executive committee meeting preceding at 7:30.

## Proctor Dedication Ceremonies Set Saturday, April 11th

Formal dedication ceremonies for the \$14.7 million Proctor dam and reservoir have been set for April 11, Bill Gaines, chairman of the arrangements committee, announced this week.

Tentative plans for the dedication ceremony call for a band concert, short talks by members of the U. S. Congress and representatives of the U. S. Corps of Engineers and the Brazos River Authority, Gaines said.

He said a ticket barbecue will be held following the dedication ceremony.

The reservoir and dam, located in Comanche County on the Leon River, is practically completed under the direction of the Corps of Engineers. Col. F. P. Kolsch, district engineer of Fort Worth, said the lake will contain a total water storage pool of 374,200 acre feet. A large portion of the storage space will be used for control of floods.

The Brazos River Authority is paying the costs for 31,400 acre feet of space in the reservoir to be used for storage of conservation water. Cost of the conservation storage space is \$1,707,900. Cities in the area are mapping plans for use of this conservation water for municipal and industrial supplies.

## Cong. Omar Burleson Introduces Bill to Curb Meat Imports

Congressman Omar Burleson has introduced a bill to impose limitations on meat imports, setting the limit at an average figure for the five years from 1959 thru 1963.

Burleson, from the 17th District of Texas, stated, "We have got to protect our own interests first. Such action might even strengthen our international position by winning the respect of other nations. That seems to be the way they approach us and, as a matter of fact, a firmer position on all imports could be of help to us in the forthcoming Tariff and Trade negotiations at Geneva. If we took a self interest attitude the same as other trading nations and the European Common Market, and stopped subsidizing their industry and agriculture, we might be able to negotiate from a position of strength."

Burleson went on to say that "we have in our hands the best possible bargaining tools with Australia, the principal importer of meats to the United States. Sugar, which is more important to Australia, is a key to our trade relations. She is fourth largest producer of sugar in the world and furnished this country with 217 million tons last year at world prices, which generally were considerably lower than that of our domestic production. We could give Australia a 200 million ton allotment as a bargaining proposition."

The cattle area Congressman does not believe that an import limit, driving beef prices back up, might enrage consumers and the large city representatives. He explained the housewife pays twice as much for beef now as she did in 1954 when imports were only 2 percent of domestic production. Ranchers then got 65 cents of every beef dollar the consumer spent while now they get only 54 cents.

## WHO'S WHO

Our subject this week is a junior. She is about five feet five inches tall, and has dark brown hair and brown eyes to match. Among her hobbies are embroidering, painting and studying her favorite subject—Eddie. She is very active in school activities, and is also in the one-act play. It will help you to know that she just lives for Fridays because this is the day her husband-to-be comes to see her. She plans to get married in May, and the students of HHS want to wish her much happiness in the years to come. I know by now everyone knows our subject is no other than Carol Cronk.

**SEVENTH GRADE NEWS**  
Jim Wolfe has been turned over

to the sixth grade girls. Good luck Jim.  
Billy Stearman is commonly known for his "trembling lips."  
A song dedication to MAL from Mike Davis is Forget Him.  
James Gosdin has become a talent scout. Anyone available?  
Congratulations to Liz Black. Bet you're proud of that blue ribbon.  
Just call Kathryn Gannanay the "cool pool player." Right Mike Sutton?  
A new couple was seen at the show Saturday night. Could it have been John Mark and a certain 7th grade girl with the initials R.R.?  
Mary Ann Lepard, Alyce Churchill and Louise Fall are now known as the "bicycle trio."

## PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

### 8TH GRADE NEWS

The eighth graders enjoyed the party Thursday and their holiday Friday. How many eggs did you find Ann Mc?  
Paula Lane would like to convey a message to Iredell. She had a very good reason for Saturday night B.B.  
Cherry Ramage, have you taken up knitting? When you're professional enough to knit sweaters don't forget, the first one's spoken for.  
On Saturday afternoons all 8th graders Beware. Steve Knudson is on the road in his hot little Dodge.  
Janise Shepherd, are you having troubles with that fish again? You had a nice Easter, huh?  
Jerry Beth had measles over the holidays and a sunburn on Sunday. How do sunburned measles feel?  
Wayne Gruben, what girl did you tangle with? The excuse of barb wire doesn't go over too well.

### SOPHOMORE SCHEMES

Lee Shepherd and Claudia Hafer have found a new hobby—climbing trees. Can't you two find an easier way to get down?  
Lynn Redden and Frances Lepard received a return visit from some friends in Iredell Monday but they didn't receive a very warm welcome. Wonder why not?  
Leslie Royal, where did you say that you spent Sunday afternoon?  
A picnic—where?  
Judy Jameson, how did you manage to get lost when you were supposed to be hunting?  
Glenda how did you ever get a nickname like Yuk Ugh Oga?  
Wonder why Claudia Hafer has been singing "Forget Him?" Has a certain Clifton boy attracted your attention Claudia?

### FRESHMAN FRANTICS

Well the freshmen are ready for their volleyball tournament. Mr. Barnett says we can't get off the floor anyway. Wonder what will happen when we eat lunch first.  
We hear that Suzanne P. has been offered to stay at the cat house. For how long Suzy?  
Gary W. has been picking daisies lately. If you need a bouquet call on Gary.  
Denna, Nellye and Suzanne will have to start carrying a battery charger around with them. Right girls?  
We want to congratulate Ronnie Henderson on his fine showing at the stock show. Yea Fish.  
Danny and John had it hard in Algebra class Thursday. It's tough on Mr. Baskin.  
Lois H. you had better stay out from under cars. We know it's hard because they seem to catch your eye.  
Jim Bill you had better pick on somebody your own size, especially on the bus to school.

It seems Barbara Casey and Linda Bruner have been sending SOS messages to Whitney but have had no results.  
Cathy C. will be blowing hot air a long time since she is testing more people for lung capacity.  
Linda Cronk aren't you tired of carrying books? We give you credit for staying with it.  
Cathy B. has a new name. She is now called the "Abilene Kid."  
James B. seems to be understanding Algebra better, which is more than we can say for ourselves.  
James M. had better learn to keep his hands to himself.  
Brenda K. seems to have had a wild time at the show.  
Carolyn, we know that you think a lot of Dwain but you shouldn't go around bragging about him.  
Judy L. seems to be surrounded by what? Boys, maybe.

### SENIOR TOPICS

Fun! Looks like the senior volleyball teams have come through to victory. Of course we all know that the seniors are the best in everything. But certain juniors think that the game was fixed. We'll see about Thursday just what will happen.  
Renee, how is your cold? Here's hoping that that fellow will keep the windows up next time.  
Butch K., that was a sneaky way you found out if Dorothy would like to have a charm bracelet. It sure was pretty Dorothy.  
Jerry, what's this we hear about you going to 3-Way? Could it possibly be W.L. or K.L. or anything like that?  
Hey, what's this we hear about the juniors serving beans out of a can at the junior-senior banquet? Let's do better than that—after all this is our party and we can shout for good food if we want to.  
Margaret B., how come you didn't come to the sunrise service at Chaik Mountain like we thought you would? Could it be because you were pre-occupied and just couldn't find the strength to tear yourself away—especially at 5:00 a.m.?  
Congratulations to Ellene in the one-act play from Julia Anderson.  
Hello Jennifer. Hello Jennifer. Patsy Wooton is not a broken record—just practicing for her part in the play. Don't get excited people, we know she's alright.  
Joy, we always knew you were a traitor. Now we know for sure. That "Boo Seniors" stunt tops them all. After all, the seniors are the best.

### JIVIN' JUNIORS

Everyone had a wonderful time over the Easter holidays.  
We really did hate that the seniors defeated the juniors Thursday, but there are two more games and you can bet the juniors will win.  
Everyone has heard about bicycles built for two, but have you ever heard of desks built for two? Linda Jaggars and Jim Grimes have tried one and it works out pretty good, if one will write while the other holds the book.  
Mr. Barnett, when did you start carrying a purse? Oh, pardon me, it's Mary Weadon's purse.  
Dorothy Gray received a cute bracelet and charm for Easter from Butch. Your bracelet is very pretty.  
Speaking of presents, Lynn gave Leona a dress for Easter. Your husband has very good taste Leona.  
We are glad to see Ronnie Partain back at school after his operation. Hope your throat gets to feeling better.  
Alma Burgan had quite a few kinfolks home this weekend. The last count she said there were 30 present.  
We have a new couple in the junior class, Edwin Black and Cheryl Bailey.  
That's about it for this week. Leaving you with this thought: Never gripe about your girl's taste—look who she picked.

HAMILTON COUNTY ABSTRACT CO.

FAIRY

By MRS. EUNICE DANIEL

All enjoyed a beautiful Easter Sunday. One of the prettiest days we have had this spring. The song of the mocking birds, coo of the doves, and a bunch of geese headed north was seen and heard late Sunday afternoon. So we feel that spring is officially here.

We were very sorry to learn of the passing of Mrs. Linnie Adams of Dublin, widow of the late I. N. Adams of Fairy, and we were also sorry we were unable to attend the service as we had sold some windows from the residence in Fairy which we are razing, to a party in Evant who was to come Saturday afternoon for them and could not load them by himself. We feel sure there were many here who failed to learn of her funeral in time to attend. Burial was in Fairy Cemetery. Our sympathy is extended to those bereaved in her passing.

Funeral services for Mrs. Mary Bernice Christopher of Route 1, Hico were held March 28 at Stephenville. She died at her home March 27. She was born in Erath Co. Jan. 23, 1819 and was the daughter of Mr. and Mrs. Ocie W. Stone. She was married to Leonard Christopher Jan. 20, 1937 and had been a resident of Erath Co. all her life. She was a member of the Church of Christ, Survivors are her husband; five brothers, Grady and H. E. Stone of Stephenville, Arley of Lubbock, Bill of Big Spring and O. W. Jr. of Victoria; three sisters, Mrs. Doreen McGeehee of Stephenville, Miss Hazel Stone of Arlington and Mrs. Davie Lewallen of Corpus Christi.

Ministers Estell Moser and Elton Bills officiated. Interment was in East End Cemetery at Stephenville. Our deepest sympathy is extended to Leonard and others who mourn her passing. Mrs. Christopher had been ill for the past year. A pre-dawn Easter program was held at Laurel Land Cemetery Sunday beginning at 4:30 a.m. A cast of 100 characters presented the program. Seats had been arranged for ten thousand people. We would surely liked to have attended since our late husband, Cabert Daniel is buried there, but just a little too far to go alone.

Seems the low temperatures of last week did no damage to fruit and gardens for which we feel sure all are thankful.

Grain is looking pretty, however we have heard some reports of insect damage over the county. Farmers have been quiet busy planting maize and other row crops.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice and the writer visited a while in the home of our daughter and sister, Mr. and Mrs. D. E. Allison at Stephenville. Other visitors in the home were Mr. and Mrs. Wayne Pittman, Karen and Kay of near Stephenville, Mr. and Mrs. Darrel Allison of Dublin. Mrs. Allison stated that Mrs. Ed Allison is visiting at this time in the home of her daughter, Mr. and Mrs. Delis Seago at Waco.

Mr. and Mrs. E. M. Hoover had their two daughters and families home for the Easter holidays. Present were Mr. and Mrs. Lloyd Bolstad, D'Ann and Glenn of Houston and Mr. and Mrs. Ralph Spencer, Don and Dickie of Lubbock.

Mr. and Mrs. Jack Cornwell of Monahans spent the Easter week-end visiting in the home of his sister, Mr. and Mrs. Hollis Peary. They brought his mother, Mrs. Cornwell of Sundown who will spend a few weeks here in the home of her daughter. Her husband passed away recently.

Mr. and Mrs. Elbert White of the Evergreen community visited a while Sunday afternoon with the writer.

The writer and son-in-law, Carl Ray Sellers and Jimmie were business visitors at Evant Monday afternoon. The little town of Evant has grown quiet a bit since we were there a few years ago and with all the nice homes, places of business and beautiful trees is a beautiful little town and shows some one stays on the job there keeping things clean and in order.

Mr. and Mrs. E. M. Hoover were in Dallas Tuesday to visit his brother, Mr. and Mrs. Clyde Hoover. Clyde, who suffered a severe heart attack recently, has been removed from the critical ward at Baylor Hospital but is still in a

very serious condition and his wife is ill due to the nervous strain she has been under since his attack. Mrs. Hoover went prepared to stay a few days and help out if needed. Mrs. Clyde Hoover's sister of Houston is also with her. Mrs. Hoover had been staying at the hospital until near midnight. We hope all will soon be much better.

Mr. and Mrs. Archie Duncan of Hamilton have moved back to Fairy to be with his mother, Mrs. Olga Duncan since the death of Mr. Duncan. Archie will take up the work his father did. We feel sure all will be glad to know this as it's quiet a problem sometimes to get a repair man out of nearby towns. We phone this news item in last week but seems it was overlooked.

Some work will be done this week at the cemetery. We hope to go over and check all lots under care and work if needed.

As most know we usually have our cemetery working on Good Friday but we just let it slip up on us this year and too, there wasn't sufficient growth to demand a working at that time. We hope to have a working some time in April. Our sincere thanks to two more of our faithful donors, Mr. and Mrs. Frank Tyler and Mr. and Mrs. M. O. Rucker for a donation of \$5 each for the association. We also expect to do some spraying soon.

Mr. and Mrs. Don Barnett and baby of Huntsville spent the weekend with their parents, Mr. and Mrs. R. V. Barnet and Mr. and Mrs. Winfred Gardner, Randy and Sandra and Miss Cleon Gardner of Fort Worth who also spent the weekend here. Mr. and Mrs. Bobbie Barnett of Houston spent the weekend with his parents and her grandparents, the J. H. Davis.

Mrs. Essie Mae Hendrix of Midland and her daughter and husband, Mr. and Mrs. Boshier spent the Easter weekend with her mother, Mrs. Olga Duncan and Mr. and Mrs. Archie Duncan.

Mr. and Mrs. Max Lam of Flat spent the Easter holidays with her parents, Mr. and Mrs. Scott Blakley.

We feel sure there were many other visitors but were unable to contact some by phone.

Mr. and Mrs. Weldon Parks and daughter of Fort Worth spent the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Easter weekend visitors in the home of Mr. and Mrs. J. H. Davis were Mrs. Dimple Gordon of Arlington, and her two daughters and families, Mr. and Mrs. Robert Barnett and Timmy of Houston and Mr. and Mrs. Jackie Turner and Susan of Arlington.

Mr. and Mrs. Willie Turner had the following children home for the weekend, Mr. and Mrs. Bill Turner, Kurt and Rhonda, Mr. and Mrs. Ray Botkin, Tammy and Patsy and Mr. and Mrs. Jack Turner and Susan, and Bernice. Other visitors were Mr. and Mrs. Gary Botkin and children of Granbury.

In the afternoon the children of the above families and the Winfred Gardner, and family and grandchildren all enjoyed an Easter egg hunt at the Turner home.

Our school sponsored an egg hunt for the youngsters on Thursday following a turkey lunch with all the trimmings. Our school was dismissed Friday through Monday for the Easter holidays.

## MOTOR VEHICLE INSPECTION DEADLINE APRIL 15

IT'S TIME FOR A CHANGE. The Department of Public Safety urges all motorists to get their 1964 inspection stickers before lines start forming at inspection stations.

## Motorists Warned of April 15th Auto Inspection Deadline

Austin, April 1.—Col. Homer Garrison Jr., director of Texas Department of Public Safety, reported today that some 1,500,000 Texas vehicles have only until Wednesday, April 15 to be inspected as required by law.

"In the remaining two weeks of the inspection period, it is possible for the state's 5,100 licensed inspection stations to handle the last minute inspections only if motorists take their vehicles in immediately so there will be no delayed periods between inspecting one vehicle and the next," he said.

"From now until the deadline, every minute of the inspection station's time will be at a premium, and waiting lines will become general throughout the state as it approaches."

Garrison urged Texans to avoid

the inconvenience of waiting in line to get the safety inspection sticker for 1964 by taking immediate action. He said that beginning Thursday, April 16, officers will be obliged to start handing out tickets for non-compliance with the Motor Vehicle Inspection Law which requires an annual inspection of vehicles.
