

LLOYD-GEORGE GIVES CONCISELY WAR AIMS OF BRITISH

GOVERNMENT CONTROL OF MEAT LIKELY; RESTORATION OF OCCUPIED COUNTRIES IS DEMANDED; MAY SEIZE PACKING AND ALLIED PLANTS OFFICIALS CONNECTED WITH INQUIRY ADMIT PLAN IS TOWARD THIS

GOVERNOR HOBBY ANNOUNCES THAT HE IS CANDIDATE

By Associated Press. Philadelphia, Jan. 5.—The United States government may take over the meat industry of the country in order to control the three principal necessities of war time: Meat, coal and transportation. This was plainly indicated at today's session of the federal trade commission here.

"Draw Your Own Conclusions" is taking its plain message, said Mr. Heney "draw your own conclusions. I must absolutely decline to be quoted in connection with the matter. It is up to the federal trade commission. I have been ordered to conduct the investigation along the lines taken. The government will do what it sees fit."

Recalled Ambassador From Great Britain; Probable Successor

1. SIR EDWARD GREY, 2. AMBASSADOR SPRING RICE

ANNOUNCEMENT was recently made at Washington of the mysterious recall of Ambassador Spring-Rice from Great Britain, and was immediately followed by a rumor, apparently well founded, that Sir Edward Grey, recently elevated to count and formerly foreign secretary, would succeed him.

Farms For The Farmless and Homes For The Homeless Will be One of Slogans of Campaign He is Launching.

Special to The Times. Austin, Tex., Jan. 4.—Definite announcement that he will be a candidate for governor and a complete statement of the platform upon which he asks the suffrage of the sovereign voters of Texas are made in a communication sent to the press of Texas by Governor W. H. Hobby.

RESTORATION OF OCCUPIED COUNTRIES IS DEMANDED; FRANCE TO REGAIN STATES

By Associated Press. London, Jan. 5.—The British prime minister, David Lloyd George, today set forth Great Britain's war aims more specifically and at greater length before the delegates of the trades unions than he had ever done before.

LLOYD-GEORGE

question of manpower with Sir Auckland Geddes, minister of national service. Premier Lloyd George made a statement today of the war aims of Great Britain.

Officials At Washington Are Profoundly Impressed By Aim Of British In Prosecuting War

Washington, Jan. 5.—Premier Lloyd George's address to the British Trade Union today at Great Britain's war aims created a profound impression in official circles in Washington.

U. S. AVIATORS DROP BOMBS ON GERMAN LINES

By Associated Press. With the American Army in France, Jan. 5.—United States aviators have flown over the German battle lines and dropped bombs, in conjunction with British and French pilots. The flight of the American virtually was a reprisal for the killing of two American wood cutters during a German bombing expedition a week ago.

THREE MEXICANS ARE KILLED BY U. S. CAVALRYMEN

By Associated Press. Douglas, Ariz., Jan. 5.—A version of a clash late yesterday between American soldiers and Mexican customs guards east of here yesterday, varying from that given by American soldiers, was given today by C. G. Lelevier, Mexican consul here.

REVOLT IS UNEARTHED IN SPAIN

By Associated Press. Madrid, Jan. 5.—It is officially announced that a revolt in Spain is in progress. The number of non-commissioned officers removed from the army because of their activities in forming "juntas of defense" has reached 1,500.

TURK PEACE TERMS OFFERED RUSSIANS ARE MADE PUBLIC

FREE PASSAGE OF DARDANELLES FOR SLAVIC SHIPS IS ONE OF PROMISES MADE.

By Associated Press. London, Jan. 5.—From passage of the Dardanelles for Russian ships, Russian evacuation of Turkish territory and the demobilization of the Russian Black Sea fleet are provided for in the draft of Turkish peace terms presented to Russia, according to an Exchange Telegraph dispatch from Petrograd, Turkey, it is provided, is to retain her active army in consequence of the continuation of war against the entente.

GUATAMALA IS REPORTED COMPLETELY DESTROYED BY LATE EARTH SHOCKS

By Associated Press. Washington, Jan. 5.—Guatemala City has been completely destroyed by earthquake shocks Thursday and Friday which followed those late in December. Messages received by the state department today said the loss of life this week is estimated to be greater than that resulting from the earlier shocks.

One Man Department For Comptroller Is Urged By Little

Special to The Times. Austin, Tex., Jan. 5.—Testifying before the Comptroller's Department this afternoon, L. W. Little, former member of the commission, strongly advised the abolishment, and recommended that it be made a one man body. If the commission were retained, he said, it should be only an advisory capacity.

arrived at the most critical hour of this terrible conflict and before any government takes the fateful decision as to the conditions under which it ought either to terminate or continue the struggle it ought to be satisfied that the conscience of the nation is behind these conditions.

Views of Many. The premier said that during the last few days he had taken special pains to ascertain the view and attitude of representative men of all sections of thought in the country. He had read the statement of labor's war aims; he had discussed war aims with Mr. Asquith, the former premier and Viscount Grey, the former foreign secretary. Had the nationalists leaders in Ireland not been engaged with the tangled problem of Irish self government he would have been happy to exchange views with them, but Mr. Redmond, who was speaking in their behalf had made clear what his attitude was as to the objects and purposes of the war. He had also consulted with representatives of the overseas dominions.

National Agreement. As a result of these discussions, he continued, although the government alone was responsible for the actual language to be proposed, there was a national agreement as to the character and purpose of the nation's war aims and peace conditions. He was speaking therefore, not merely the mind of the government but the mind of the nation and empire.

Not to Break German People. The British people have never aimed at the breaking up of the German people, or the destruction of their state. Our wish is not to destroy Germany's great position in the world.

STUDENTS TO GET MUSIC CREDITS IN HIGH SCHOOL HERE

ONE POINT WILL BE GIVEN FOR NINE HOURS PRACTICE EACH WEEK

TO EXAMINE QUARTERLY

Plan Has Been Carefully Worked Out According to Miss Agnew, Supervisor in Schools

Miss Jessie Mae Agnew, supervisor of music of the Wichita Falls schools has completed the details of a plan whereby high school students may obtain credits for music studied privately. Under the present system, sixteen credits are required for graduation, and four of these may now be allowed for music, at the rate of one credit per year.

One credit will be given for nine hours practice per week, and one hour of instruction per week for the semester. There will be quarterly examinations in theory and harmony, given by the supervisor, and no pupil will be allowed to graduate in music who has not taken one year of harmony, and one of history, either in the school or privately. Examinations in these subjects will be conducted by the supervisor in any case. There will be a final examination at the end of each year by examining committees, the personnel of which has been approved by the school board.

Piano Work.
 In piano work, pupils on their final examination will be graded on rhythm, technique, expression and phrasing and interpretation; harmony and theory; and history. Pupils must also give programs in public or at least assist on programs, before graduating.

Harmony, theory and history will be required of all music pupils, whether they are studying piano, voice or violin. Assignment blanks will be provided for pupils and teachers and reports will be made to the supervisor each week. Parents will also be provided with application blanks requesting the granting of major credits for the pupils.

This plan has been very carefully worked out, and it is believed that it will prove very satisfactory in the working. Every pupil be able to get full major credits for work done in this way both outside the school as well as in, and for this reason, there will be no danger of letting their musical studies slide because of being crowded with other work. It is claimed that this is one of the most notable advances in school methods that have been achieved here, and one that will put the schools of Wichita Falls on a level with the best in the State.

It is a move that will undoubtedly be hailed with delight by all private music teachers who have any ambitions for their pupils. One of the chief handicaps in their work heretofore has been that their pupils were forced to slight their music for school work, and this has been entirely eliminated by the adoption of this plan.

P. W. Horn, superintendent of music in the Houston schools has recently adopted the same plan there, and has issued a statement with regard to its working, which has a direct bearing upon the work here, in as much as the plan to be put into operation here is very similar. The statement follows:

"In all good schools, there is a constant tendency to extend the list of subjects upon which credits may be presented. This does not in any way lower the standard of the school, but it does give the pupils a greater latitude in the selection of their work."

Houston's Plan.
 "For instance, the Houston high school has recently added to the list of possible credits four in French and four in music. Of the music credits, two may be secured by taking four years of work in music under competent instruction outside the high school.

These latter credits are to be recognized partly as a matter of simple justice and partly as a means for recognizing the importance of the great art of music. The high school authorities know perfectly well that not all the good music in any given community can be taught in the high school or in any other one institution. What pupil would there be in giving one pupil credit for music work he has done inside the high school and then refusing to give credit to some other pupil who has perhaps done equally good work, but has done it with some other good teacher not in the high school?"

"The view taken by the high school is a broad one. It does not recognize any one method of teaching music nor does it require that any special literature or special editions of music shall be used. It puts all music teachers, publishers and dealers on exactly the same basis. It merely requires that any pupil who applies for music credits for work done outside the high school shall stand a certain standardized examination.

On Basis of Other Subjects.
 "In other words, it puts music on

exactly the same basis as any other subject with reference to high school credits. If a boy comes to school, claiming that he has studied Caesar or Algebra, the school does not ask him by whom he has been taught, or by what method. It merely allows him to take an examination on the subject. If he passes the examination, he receives credit for the work he has done, no matter where, when or with whom he has done it. The situation is the same with reference to music. The Houston high school has standardized its examinations. All these are given out by the music supervisor and are given alike to all applicants. There is absolutely no preference given to any teacher, method or firm."

The local examining committees approved by the school board are as follows:

Voice: Miss Jessie Mae Agnew, Miss Teresa Veale, Mr. Ivan Murchison.
 Piano: T. L. Krebs, C. B. Macklin, Mrs. Lee Clark.
 Violin: Ramon F. Adams, C. J. Templeton, Mrs. T. Bruce Greenwood.

Deeds Filed for Record.

FLETCHER JONES CANDIDATE FOR DISTRICT OFFICE

Fletcher S. Jones authorizes the Times to announce his candidacy for District Attorney in the Thirtieth Judicial district comprising Wichita, Clay, Archer and Young counties. Mr. Jones has been practicing law in Wichita Falls since 1913, being associated with the law firm of Carrigan, Montgomery & Brittain. He has won a reputation as an earnest, studious lawyer always putting his best into any case with which he has been connected and his friends believe that he would be a worthy successor to the able men who have been district attorney in this district.

Mr. Jones is a member of an old Texas family, his grandfather coming to Texas before the days of the Republic. He was born in Victoria county and received his early education in the Victoria schools later attending the A. & M. College. Mr. Jones started work as an office boy with a railroad company and was a railroad fireman when he was injured in 1908, his injuries incapacitating him for railroad work. He studied stenography and for two years while employed as a stenographer in a law office he studied law taking his law examination at Galveston. He began practicing in April 1913 coming to Wichita Falls a few months later where he since has been practicing. Mr. Jones has made many friends in Wichita county and through the district. He expects to make a canvass of the entire district and will appreciate the efforts of his friends in his behalf.

DROUTH STRICKEN MAY BE ASSISTED BY LEGISLATURE

Attorney General Asked For An Opinion of Body's Authority to Act

By Associated Press
 Austin, Tex., Jan. 5.—Attorney General Looney today was asked for an opinion as to whether there was any legal method by which the legislature could provide funds for relief in the drouth stricken section of the State either by remission of taxes or in any other manner. The request for this opinion was made in a letter written by Fred W. Davis, commissioner of agriculture and was the outgrowth of the meeting held here recently to devise plans for relief.

Governor Hobby already has said that he will do anything in his power to bring relief of the present situation and if the attorney general can find any way in which the legislature can furnish this relief the proposition will be immediately submitted to the governor with a view to securing a special session of the law making

body. Mr. Davis is one member of a committee of five that was appointed at the drouth meeting to devise ways and means if possible, for Texas helping herself in the present emergency. Meantime another committee appointed for the purpose will go to Washington and confer with Comptroller of the Currency Williams and Secre-

tary of the Treasury McAdoo with a view to obtaining deposits of government funds in Texas banks at as favorable rates as possible. Mr. Davis and other members of the committee which asked the attorney general for an opinion are: Judge Capps of Fort Worth; Senator Julius Real, W. H. Gossett and Representative D. J. Nell.

Why Is Asthma a Nervous Disease

While but comparatively few of the laity will consider asthma as a nervous disease, there is not now any of the medical profession but who will tell you that it is a nervous disease pure and simple. Every asthmatic knows it, of course, and knows that different conditions of climate, different odors, or contact with different pullens will bring on the spells. Yet none will try to explain why it is a nervous disease, and why treatment of a local character, applied to the nostrils or lungs, could possibly be expected to cure it. Asthma is a nervous disease, a contraction of the pneumogastric nerve, which furnishes the life force to the heart, lungs, stomach, liver and spleen. In other words, asthma is caused from an inadequate supply of life force to these organs, and while the activities of the body may under normal conditions force sufficient life force into these organs, any of the abnormal conditions which irritates the nerve brings about a further contraction and a consequent spell of the disease.

THE CONTRACTION IS NOT IN THE NERVE, BUT IN THE PINCHING OF THE NERVE AS IT LEAVES THE BACKBONE TO GO TO THE ORGANS.

It may be illustrated in a simple manner—like a kink in a hose when you are watering the garden. If you step on the hose, or get a sharp kink in it the water will be cut off—and it is just so with the life force. If you get a kink in the nerve, or a pinched condition of the nerve, the life force will not flow freely to the organs.

AND WHAT IS TRUE OF ASTHMA IS TRUE OF FULLY NINETY-FIVE PER CENT OF THE ILLS THAT HUMAN NATURE SEEMS HEIR TO.

Chiropractic takes the kinks out of the nerves. It adjusts the spine so as to eliminate the pinched condition of the nerves and thereby removes the cause of the disease. As long as there is a sufficient flow of life force it is contrary to nature to think that there can be any disease. Under ordinary medical treatment local application is made to the effect, or the surface of the trouble; under surgery the organ is simply removed and the patient must get along without. Under Chiropractic treatment the flow of life force is increased until nature cures itself. Which system is the more logical?

PNEUMONIA AND GRIP RESPOND TO CHIROPRACTIC ADJUSTMENT QUICKER THAN TO ANY FORM OF MEDICAL TREATMENT.

Both diseases are but congestion, caused by contractions of the nerves. The ordinary method for grip is to dose a lot of calomel to clear the liver and move the bowels. A few Chiropractic adjustments will clear the liver, or rather, increase the life force so that the liver will clear itself quicker and better than all the calomel in the world. And with pneumonia, an adjustment of the spine will stop the congestion in the lungs quicker than any known method, and with less danger and pain.

And, so, too, it is with hundreds of other ills. If you are ill and desire to get well, we shall be glad to explain the method and science of Chiropractic, and we are sure if you will but give it a very few minutes study you will readily realize its philosophy.

WATER PROBLEM SLOWLY WORKED OUT BY COMPANY

WELLS SUNK NOT ENTIRELY SATISFACTORY AND OTHERS ARE TO BE SUNK

ALL SHOULD BE BOILED

Boiling Should Continue For at Least Twenty Minutes if People in Home Drink It.

No satisfactory solution of the problem of how to supply Wichita Falls with the needed 750,000 gallons of water daily, has as yet been found, according to the statement of F. N. Lawton, manager of the Wichita Falls Water Co., who declared yesterday that the wells sunk had not so far provided the quantity expected of them.

However, that if larger wells were drilled into the deeper river sand, sufficient water could be obtained. Several possible plans are being considered, amongst them that of pumping the water from the river, treating it with chemicals to remove all impurities, and turning it into the system. Mr. Lawton observed that this plan might be adopted if the wells should not prove feasible.

In the meantime the water company warns all patrons that it is of the utmost importance to boil all water to be used for drinking purposes that comes from the city mains. The water should be boiled for at least twenty minutes in the opinion of the officers of the company, and if this precaution is taken, no danger from this source is apprehended.

EXEMPTION BOARD CLASSIFICATIONS ARE CONTINUED

The Exemption Board is continuing with the classification of registrants, and the following names have been given out by the board as classified: Class Number 1. Let us help you—we have helped others. FIRST NATIONAL BANK Indiana at Eighth Street.

CLASSES in PIANO PLAYING The Wichita Falls College of Music will organize special classes for beginners in piano playing, beginning with the spring term, on January 26. These classes will be under the instruction of Mrs. B. C. St. Clair, who has had years of experience in this kind of work. They will consist of not more than four pupils each, and will receive two lessons a week, each of an hour's duration. The price of these lessons is Four Dollars a month of four weeks for each pupil. Class instruction in piano playing is not an experiment, but has been tried and approved by all the leading conservatories of Europe and America. It enables parents to secure for their young children instruction in the rudiments of music at a nominal expense. No pupil is accepted in these classes for less than a term of ten weeks, and no reduction of the price is made. For further information call on, or address the Wichita Falls College of Music, 1404 Eleventh St. Phone 1270.

Insurance and Banking Department of State Gets Divided Report By Associated Press Austin, Tex., Jan. 5.—In the opinion of members of the committee that has been investigating insurance and banking there is strong probability that a majority and minority report will be submitted to the capital committee. In the event there are two reports the majority report will be submitted by

Humphris Announces His Candidacy For Marshal of the City The name of Lenly Humphris appears in the Times announcement column today as a candidate for the office of city marshal at the April election. Since the death of his father, A. J. Humphris, Lenly has been acting as city marshal and has been proving his capacity to fill the duties of that office. Mr. Humphris has been on the police force for several years and has the reputation of being a careful and efficient officer. Before taking a place on the police force, Mr. Humphris was for a number of years employed by the city street department, in which position he gave service equally as satisfactory as his work on the police force. Mr. Humphris feels that his work has given him an experience that would be valuable to him as city marshal. He is asking the support of the voters of Wichita Falls feeling that he can serve them to their satisfaction as city marshal.

Knights Templar Wichita Falls Commandry will confer the Orders on four candidates Tuesday evening, commencing at 7 o'clock. All Sir Knights are requested to be present. C. W. RICHOLT, Commander. J. W. WALKUP, Recorder.

WICHITA FALLS NEEDS YOU! Every True Citizen of Wichita Falls is Loyal To Its Traditions and Confident of Its Future Progress. A CITY BUILT BY FAITH THE PIONEERS HAD FAITH THAT A CITY WOULD BE BUILT. The Property owners and business men; the laborers and professional men—all have faith that Wichita Falls will develop into one of the best and most successful cities of Texas. FAITH WITHOUT WORK DOES NOT BUILD A CITY Each one must do his share of the work and furnish his share of the expense. Invest YOUR money and YOUR energy in the organized effort of Wichita Falls by becoming an active member of the Chamber of Commerce. The Board of Directors are among the biggest business men of the community. They stop their business to transact your business many times each week. They take their time to direct the forward march of Wichita Falls and pay a great share of the expenses as well—therefore each citizen should be willing to invest an adequate amount of money in an organization such as the Wichita Falls Chamber of Commerce which is directed and managed by men whose time could not be purchased but who work gladly for the common cause of building a great city. You are a stock-holder in the best business in the City of Wichita Falls when you become a member of the Chamber of Commerce. Do you want to receive the dividends without paying for your stock? No man, woman or child in the City of Wichita Falls but what has benefitted from the work of the Chamber of commerce. Do you share in maintaining it on an adequate basis for 1918. WORK ON LIBRARY IS RESUMED AND END IS IN SIGHT

DONATIONS OF BOOKS FOR KEMP STRUCTURE STILL ARE ACCEPTABLE

After several weeks of delay caused by the cold weather, workmen are again busy at the Kemp public library. Furniture and fixtures have begun to arrive and if the weather continues favorable the work can be speedily pushed to completion.

SHERIFF HAWKINS IS CANDIDATE TO SUCCEED HIMSELF

G. A. (George) Hawkins announces today as a candidate for re-nomination on the Democratic ticket for the office of sheriff of Wichita county. Mr. Hawkins is now serving in that capacity and in making his re-nomination submits his record as a public official to be the measure of his ability.

HARRIS ANNOUNCES HE IS CANDIDATE FOR COUNTY CLERK

Will T. Harris authorizes The Times to announce his candidacy for the office of county clerk, an office in which he has for the past three years been deputy. Mr. Harris' experience as a deputy clerk and his education and training, many of his friends feel, particularly qualify him to discharge the duties of the office for which he is seeking nomination.

LOCAL SHIPPERS DECLARED TO BE RETARDING WORK

KATY OFFICIALS ALSO STATE WATER AND FUEL SHORTAGES STILL HAMPER

ORDER CARS TOO EARLY

Delay in Unloading Freight in Many Instances is Said to be Wholly Unnecessary at This Time

Officials of the M., K. & T. railroad announced yesterday that aside from the shortage of water and fuel, traffic conditions were further handicapped by a lack of cooperation between shippers and consignees, and the railroads. Many shippers, it was stated, still order cars several days before they are needed, fearing delay in getting them, and these cars often remain idle for many days.

Organize Shippers. In many places the roads are starting local organizations among merchants and other heavy shippers, who are endeavoring to get themselves to co-operate with the railroads in this matter in every possible way.

General Situation. As to the general situation as affected by the change in control, no results are reported as yet, though the situation is expected to improve.

T. B. Smock Chosen Administrator of Food for County. T. B. Smock has been appointed county food administrator by District Administrator B. P. Johnson.

FRANK KELL BACK FROM AUSTIN AND TELLS OF MEETING

COMMITTEE TO GO TO WASHINGTON TO GET AID FOR DROUGHT DISTRICT

Appointment of a committee to go to Washington to secure if possible, deposits of government funds for banks in the drought stricken counties of Texas, to be loaned to farmers to finance this year's crop was the most important result of the conference held Thursday in Austin, according to Frank Kell, who attended the meeting.

PRODUCING WELL IS BROUGHT IN BY NEW COMPANY

WICHITA OIL AND DEVELOPMENT COMPANY'S GOOD FORTUNE INTERESTS MANY.

GOOD FOR 100 BARRELS

Sunshine Hill is Fast Proving to Be a Second Spindle Top, Though Gushers Are Lacking.

The Wichita Falls Fuel and Development Company, organized a little more than a year ago to prospect for gas and oil, has drilled in its first producing oil well. The well is on a tract near Electra owned by C. W. Bean and others of this city.

The Development Company, in which there are a large number of local stockholders, has been so managed that while a number of dry holes were sunk the funds of the company have not been depleted.

Completions of Week. The completions on the Ward and Todd last week were S. B. Walker's Ward No. 1, which found the sand at 706 feet and is good for 75 barrels and Murphy et al. Ward and Todd No. 1, which is making 65 barrels a day.

One Price To All. There have been occasions when a merchant has named one price to you and another to your neighbor. You may have bought a suit for \$15.00 and the very next day your neighbor bought the same suit for \$12.50. Our prices are the same to everyone. One price to all and that the lowest possible price. Dress Shirts. The reputation of our Shirts is built on quality of materials, fit, finish and general appearance. The patterns are carefully selected. The line includes patterns to satisfy the most conservative as well as the man who likes something out of the ordinary.

Sale Starts Monday, January 7th—Closes Saturday Night, January 12th. \$4.95. BUYS CHOICE OF A BIG VARIETY OF FINE BOOTS \$6.00 TO \$8.00 VALUES. These are splendid styles. Come down Monday and be fitted while we have your size. See our window of a few styles at \$4.95. Jones Kennedy Co. "THE BUSY CORNER"

LOCOMOBILE SHOWN TO LARGE CROWDS BY WILLIS CAR CO.

MODEL ON EXHIBITION HERE SELLS FOR "PALTRY SUM" OF \$6,500.

SOME SELL FOR \$19,000

Five Carloads of Maxwell Touring Cars Are En Route to S. Bemrad Auto Supply Company.

The demonstration of the Locomobile last night at the salesroom of the Willis Car Company was considered a big event in Wichita Falls motor car history. Mr. Willis takes great pride in this celebrated car, and is always glad to talk about it. The model on exhibition is a four-passenger speedster, and sells for the remarkable low figure of \$6,500—a mere bagatelle beside some of the Locomobile models which come as high as \$19,000. Every part in this car, it is claimed, is hand finished, and the durability of the machinery and all parts is such that it is not considered an expensive car. Mr. Willis says he knows one Locomobile owner who has had his car for eleven years, and says he never expects to need another car as long as he lives.

Maxwell En Route. S. Bemrad, of the S. Bemrad Auto and Supply Co., reports five carloads of Maxwell touring cars, one of one-ton trucks, and one of roadsters en route. Lloyd Weaver stated that he was practically out of new cars, and had had considerable difficulty and delay in procuring them. The Consumers Cash Co. of late a large contributor to the weeks' total sales, made no report this week, Mr. Garlington being out of town.

There was a good movement in closed cars, no less than three being sold; and there is no doubt of the increasing popularity of this type of car. The dealers say, Dr. S. H. Burnside bought an Overland sedan, Martin Howe a Buick sedan, and J. H. Marlow a Dodge sedan. These are all very good looking models, and make a very smart turnout. Top dealers this week were the Overland Co., with 12, the Motor Supply Co. being right behind with 11. The Staley Motor and Supply Co. reported 9. Sales this week totaled a fair average—about fifty; but the sales were not distributed as comprehensively as usual, nine dealers reporting no sales, and one or two making no report.

Sales were as follows:

- Overland: Wheeler, Rogers Bros. Bowie, S. Curtis & Duncan, Byers, 1; J. M. Crawford, Childress, 1; Retail, Dr. S. H. Burnside, sedan, Mark Walker.
- Motor Supply Co: T. H. Brown, Dave Scott, C. H. Robo, Oscar Williams, S. S. Kouri, J. W. Farabee, Roberts Drilling Co. (2), W. C. Thompson, and M. L. Leath, Charlie. One second hand.
- Staley Motor and Supply: Buick, Martin Howe, sedan and roadster, P. J. Lee, E. L. Gebhart, Burkhardt, R. H. Delaney, Oakland, H. H. Butler and Claude I. Smith, two second hand.
- McCall & Orth, Dodge, retail: H. R. Hanks, L. W. Cundiff, J. H. Marlow (sedan), and Jodie Caba; two second hand.
- Chemault & Wheat: Kissel, retail, H. J. Newman (sedan), S. J. Faught, (truck); three second hand.
- S. Bemrad: Maxwell, retail, Ed Myers; three second hand.

NEW FURNITURE ARRIVALS

We were very fortunate in getting new goods early. The mercantile world is experiencing much trouble in procuring merchandise owing to the congested condition of freight traffic. We purchased these shipments at much lower prices than now prevail.

NOTICE TO THE PUBLIC

Owing to the increased cost of everything and especially those things connected with the conduct of our business, we, the undersigned physicians of Wichita Falls, Texas, have agreed to charge the following prices: \$2.00 for day calls and \$4.00 for night calls, effective January 1st, 1918. And owing to the fact that people know several months in advance of the impending event, we have also agreed to place confinement cases on a cash basis, at \$25.00 as a minimum charge.

POPULAR SPORT HERE TO WATCH 'PLANES IN AIR'

TWENTY OR THIRTY MACHINES ARE "UP" FREQUENTLY EACH AFTERNOON

MANY GO TO CALL FIELD

Large Numbers of Cars From City Are Parked on Outside, Their Occupants Enjoying Spectacle

There's a new out-of-doors sport growing very popular with Wichitans. It is watching the daily air flights at Call Field. The students and instructors will certainly be qualified to give exhibition flights when they finish their course here, for there is not an afternoon when the weather is suitable for flying that there is not a large audience collected outside the flying field at the aviation camp, enjoying the still novel spectacle of seeing twenty or thirty machines in the air at once.

FRANK L. BURNS NOW CANDIDATE TO BE SHERIFF

Frank L. Burns will be a candidate for sheriff before the democratic primary and his formal announcement as a candidate appears in today's Times. Mr. Burns has been a peace officer here for the past five years being constable for two years and a special officer for the city for the past three years. He has been a resident of the county for ten years. He is a native Texan coming to Wichita Falls from the San Angelo country where he was employed on a ranch. Mr. Burns made the race for the sheriff's nomination and was only 87 votes behind the winner, being the second man in the race. He says that if elected sheriff he will do as he has always done, his best. He asks his friends to speak a good word for him when the opportunity offers itself.

Requests have come to Superintendent Lee Clark for night classes and it has been decided to make a beginning with classes in practical English and business arithmetic, two of the studies which have been requested frequently. A number of teachers have been interested in night classes to the extent that they have volunteered their time and use of the high school building has been granted by the school board.

The classes will be free to any persons over twelve years of age who are employed in the day so that they have no opportunity to attend school. All persons interested should meet in Mr. Clark's office tomorrow night, when it is said, complete announcement of the plans for the night school will be made. Arrangements will be made for classes in good desired subject. Mr. Clark announced, and he is very anxious to serve the public if there is a demand for night classes. At first classes will be held three nights a week, according to the present plan. Details of numbers and length of lessons will be decided upon when classes are formed.

NIGHT CLASSES AT HIGH SCHOOL START ON MONDAY

Organization of night classes of the high school, considered a very important step forward in the school growth, will be begun Monday evening.

MORTUARY

Charles Kuehn. Word was received here yesterday of the death of Charles Kuehn, aged 85, of Henrietta. Mr. Kuehn was the father of Julius and August Kuehn of this city and Frank and Emanuel Kuehn of Burkburnett. His death was due to his advanced age. The funeral will be held at Henrietta this afternoon.

CLASS in VIOLIN PLAYING

The Wichita Falls College of Music has decided upon a new branch of instruction in the violin department. Beginning with the new year classes will be organized by Mr. Adams for beginners on the violin. These classes are to consist of not more than four pupils each, and will receive two lessons a week, each lesson of an hour's duration. Tuition: Four dollars a month of four weeks for each pupil. This exceptionally low price, only fifty cents for each lesson from a first-class, experienced teacher, makes it possible for parents to ascertain with only nominal expense whether or not their child has any inclination toward the violin. No pupil is accepted in these classes for less than a term of ten weeks, and no reduction of the price is made. For further information call on, or address the Wichita Falls College of Music, 1404 Eleventh St., Phone 1270.

M'CONNELL BROTHERS

821-823 Indiana Avenue

LOCAL MAN MADE STATE EXECUTIVE UPON FOOD CROPS

B. F. JOHNSON EXPECTED TO ENCOURAGE INCREASED TEXAS ACREAGE.

B. F. Johnson, secretary of the Chamber of Commerce, announced yesterday that he had been definitely appointed campaign manager on the movement to increase the acreage of food and feed crops throughout the state, and that his work would consist of outlining the whole work, classifying it into separate departments, and assigning specific duties to each department.

The result had been overlapping in some cases, and nothing whatever in others. He will therefore first apply himself to studying the needs of the whole situation, and fixing the responsibility of certain achievements definitely upon certain people. In this way he believes that a great deal can be accomplished—a maximum of result with a minimum of effort.

To Use All Agencies. Every possible agency in the state will be utilized to assist in this work. A large number of representative firms, corporations, and state departments have already offered their services, and a great many others will be secured and conscripted into service. It is believed that with a statewide campaign that is really state-wide, and reaches every individual in every town and village in the state, all thinking, talking and working on the subject of more food and feed crops, with certain persons definitely responsible in each district for seeing that more food and feed crops are planted, that the best methods are employed in planting, tending, and harvesting these crops, so that again there may be a maximum of results—such a campaign will result in Texas supplying a large proportion of the needed increase in these crops.

Market Report

COTTON MARKET MOVES WITHIN NARROW RANGE

New York, Jan. 5.—The cotton market was comparatively narrow and irregular today. After selling at 31.15 early March broke to 30.93 closing at 30.34 with the general list closing irregular, net five points higher to 11 points lower.

CROP MOVEMENT NEWS UNSETTLES PRICES OF GRAIN

Chicago, Jan. 5.—General belief that the long expected larger crop movement was about to begin tended more or less today to ease the corn market. Closing prices were unsettled at \$1.27 1/2 January and \$1.25 1/2 May with the finish as a whole 1/4 to 1/2 cents decline to 1/4 advance, provisions gained 5 cents to 15 cents net.

butchers \$16.40@16.60; good heavy \$16.60@16.70; bulk \$16.30@16.60. CATTLE: Receipts 600; steady. Seeks Government Frank. Governor Hobbs is taking up with E. A. Peden, federal food administrator, the matter of government franks for postal and railroad services for Mr. Johnson, so as to avoid this great expense.

DEEDS FILED FOR RECORD. George H. Keating to B. J. Porch, lots 8 and 9, block 148, city of Wichita Falls, \$3,150. W. J. Jackson to J. ZG. Elliott, lots 1, 2, 3, 4, 5, and 6, block 3, Jackson Robertson addition, \$2,800. J. H. Holly, et ux to A. C. and L. H. Horn, two tracts of land in Wichita county out of the Gilbert and Anderson survey, amounting to 200 acres, \$15,000.

New Orleans Cotton. New Orleans, Jan. 5.—Small trading and rather narrow fluctuations, both above and below the level of yesterday's close, featured the session in cotton today. Trading was fairly active at times during the morning, but business was generally quiet and there was considerable evening up for over the week end.

Galveston Spot Cotton. Galveston, Tex., Jan. 5.—Middling 31,000, receipts 13,812; sales 1,582; stock 254,702. Weekly Liverpool Statistics. Liverpool, Jan. 5.—Weekly cotton statistics: Total forwarded to mills 62,000 bales, American 49,000. Stock 445,000, American 229,000. Imports 66,000, American 48,000. Exports, none.

PICTORIAL REVIEW PATTERNS On Sale

We have the agency in Wichita Falls for Pictorial Review Patterns. These patterns offer the most authentic styles and are easier to cut by than any other pattern.

NIGHT CLASSES WILL BE BEGUN BY RED CROSS

MANY WORKERS ARE DECLARED TO BE NEEDED IN LOCAL WORK ROOMS.

Night classes are to begin this week at the Red Cross workrooms, there being a number who desire to work but who find it impossible to attend the day classes. At present there will be only one night class, on Monday, beginning at 7:30, Mrs. M. M. Gaffney will be the instructor. All interested are asked to be present tomorrow night and attend the formation of the class.

More workers needed. Many more workers are needed, the directors of the workroom says, as the order has come for 500 sculptus this week, and it will take a vigorous effort to fill this order. More knitters are desired also, as there is on hand a plentiful supply of yarn, and the call for knitted garments continues as urgent as ever. When there was a lack of wool there were plenty of knitters, but now that there is enough to supply the demand, the number of workers is decreased. It is reported from the workroom. The local chapter is still holding its breath over a catastrophe which was narrowly averted. A water pipe burst on the third floor of the Masonic building, directly over the workroom and the biggest leak was sprung over boxes filled with surgical dressings just ready to be shipped and more than 1,000 yards of gauze.

Do Special Work. Though the workroom was closed there were a few members present doing special work and their efforts prevented any damage to the supplies. If it had not been for their presence a large quantity of supplies, representing more than a month's work would have been lost.

The local chapter at present has 16 certified instructors in its membership. Mrs. M. Clifford has been called to Iowa Park for this week and Miss Mable Simpson will go to Electra, both to give instruction to the chapters in those towns.

Marriage Licenses. Earl Hix and Pattie Harris; Chester A. Bauer and Lela Petty; F. L. McDaniel and Blanche Gravis; Dundee; J. W. Walkup and Mrs. L. K. Minnerly; Julia Tipps and Marguerite Taylor, (negroes).

A GOOD START

The first few days of the new year we have made a big start toward a larger and better business for 1918. We are trying hard to improve our business each year. We want to feel that we at least merit part of our increased patronage.

A REGULAR TRADING PLACE

Many people have no regular trading place for Drugs. They get the idea that the handiest place, or any place, will do. But Drug stores differ, as they always have, while the necessity of securing reliable goods and service are still the same. We endeavor to conduct the kind of a Drug store that will win your confidence and friendly relation. We are equipped to give you superior service in our prescription department and we know that every day throughout the year we can please you when Drugs and Drug store goods are needed.

Expect to get what you came after when you come to our store—Let this store be your regular trading place.

First Attention To All Orders For The Sick **Palace Drug Store** Special Attention Given Our Prescription Dept.

Fire Extinguished In Storage House Of Transfer Company

Fire of unknown origin, which started in one of the furniture storage bins of the Red Ball Transfer Company about 6 o'clock yesterday morning, was promptly extinguished by the fire department, with a resultant loss of only about \$50, according to the statement of Fire Chief McClure. The bin in which the fire started was destroyed, and some of the paper on the walls of the building burnt; but, though the flames were particularly difficult of approach, the firemen succeeded in holding the blaze to the one bin, and saving the rest of the building and contents.

"Cocoon Poisoning" Believed Malady That Afflicts Fifty Persons

By Associated Press. Austin, Tex., Jan. 5.—Thirty persons at Palestine are suffering from symptoms of poison similar to those experienced from taking strychnine as a result of eating cocoanuts, according to Dr. O. D. Small of Palestine, in a letter received from him today by R. H. Hoffmann, pure food commissioner. The letter said samples of the cocoanuts had been sent and asked that an analysis be made.

Dr. Small said the cocoanuts had been tampered with and that small holes in them were plugged with cement. Mr. Hoffmann will make the analysis requested upon receipt of the samples.

Marble and Granite Works Opened Here By Big Springs Man

M. G. Catter, formerly of Big Springs, Texas, has moved to Wichita Falls, and opened a marble and granite works, with shop and office on Sixth street, next to the Jones Grain Co. In addition to monumental and cemetery work, he will also handle a line of stone and tile building materials. Mr. Catter has been in the business in Texas for several years and is thoroughly familiar with every detail. He expects to employ a number of stone cutters and other skilled workmen as soon as the business justifies it. Mr. Catter is a native Syrian, having been born within a short distance of Jerusalem, and was very much interested and delighted at the British successes over the Turks. His early training also gives him an exceptional knowledge of the oriental and Roman, as well as the European designs in monumental architecture.

FATHER HELPING ALL HE CAN.
Two of my sons are in the war, I am doing all I can to help my country, as well as Mayr's Wonderful Remedy, which I can thank for my present good health. I suffered 5 years with most serious stomach trouble and bloating. Am recommending it to all sufferers. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Mack Taylor.

Criminal Trials To Continue For Week In Thirtieth Court

Trial of the criminal docket will continue for the coming week in the 30th district court. Two special venire of sixty talesmen each have been ordered, one for January 8th to try the case of Henry Johnson, negro, charged with assault. His alleged victim was a negro girl. On January 10th the second special venire is called in the case of Harvey Hughes, negro, charged with murder of Mott Shelby. A hung jury resulted in the case of Glen E. Sutton, charged with attempt to rob, on trial Friday afternoon.

Holy City Practices Will Be Resumed On Next Monday Night

Practices on "The Holy City" will be resumed on Monday night of each week, the next being announced for tomorrow night at 7:30 at the College of Music. T. L. Krebs, the director of the chorus, especially requests that all chorus members, including those who have promised to join the chorus since the last practice, make an effort to be present.

FOR THE NEW YEAR
We are preparing to take care of our many old and new customers better than ever before—if for a change for Real Service Phone 623.
To our friends, customers and boosters of 1917, we wish you a happy, prosperous New Year, and thank you for making this past year—our most successful and trust to serve you this coming year better.

NEW JANUARY VICTOR RECORDS

"SOMEWHERE IN FRANCE IS THE LILY" and "MY SWEETHEART IS SOMEWHERE IN FRANCE" by Elizabeth Spencer and Charles Hart.
"Somewhere in France" is a good marching song that reminds us that the Lily of France and the English Rose are side by side, and that we, too, are represented by the flower of our youth fighting for freedom and truth.
"THE RAINBOW OF LOVE," a charming song in which a lyric of happy fancy has been wedded to a delightful melody. **BIG HIT.**
By John McCormack—Price \$1.00.
"HAIL, HAIL! THE GANG'S ALL HERE" and "BRING BACK THE KAISER TO ME." Here's a new version of "Hail, Hail! the Gang's All Here" full of "pep" from start to finish. "Bring Back the Kaiser to Me" is what friend wife asks of her soldier-hubby. By Shannon Four American Quartette, Price 75c

**All Men Are Not Intelligent!
All Women Are Not Beautiful!
All Children Are Not Healthy!**

By the same token all coffees are not good. Different coffees must be carefully selected, and then intelligently combined if one would produce smooth, rich, delicious, and altogether well-balanced Blends.
Then fresh roasted, fresh ground, fresh made, with fresh water, and fresh served.
We roast coffee every day—cup selections only.

WE ROAST COFFEE EVERY DAY
