By Associated Press LONDON, June 20.—Serious rioting broke out in Vienna yesterday, says an Exchange Telegraph dispatch from Amsterdam. The mob broke into a number of bakeries, stoned the resi-dence of the premier and also one of the wings of the Hofburg palace, the message adds. Cavalry is being rush-ed to the capital to restore order. It is probable, it is stated, that martial law will be proclaimed. The rioting was in protest against the reduction of the bread rations. The card system has been used by a great many ice companies in the various cities of America with pronounced success.

That's why we are using it here in Wichita Falls.

It is our mutual friend, so don't forget to hang yours out early in the morning.

It is our mutual friend because it helps us to serve you better, and serve you on time every day.

So don't fail to hang out your ice card, and hang it in a conspicuous place so the driver can't fail to see it.

Then if anything goes wrong with the service, and we'll see to it that there won't. you will have done your part and the full blame will be ours.

Service suggestion number two: Ask the driver for a Coupon Book. Then you'll always have the "right change" when he comes. It is the easiest and most economical way to take ice. Thank you.
