

TEXAS HOUSE ASKS STATEMENT OF THE FINANCIAL CONDITION OF THE WOODMEN OF THE WORLD

By Associated Press. AUSTIN, TEX., July 18.—The commission of insurance and banking is asked in a resolution adopted by the Texas House today to furnish a statement of the financial condition of the Woodmen of the World. This was brought about by the situation of a circular declaring the order insolvent.

DIRECT ATTENTION TO CONDITIONS ON BORDER

By Associated Press. AUSTIN, July 18.—The attention of the President of the United States and of congress is called on conditions on the Texas-Mexican border, which it is claimed, have prevailed since the days of the Republic of Texas, in a concurrent resolution introduced in the Senate today by Senator Dayton of Cooke.

After an attempt to strike out the prohibition bill which seeks to carry into effect the state-wide prohibition amendment to the constitution, was passed finally in the senate today by a vote of 18 to 12. The bill now goes to the house for action.

LONGVIEW IS FREE FROM MARTIAL LAW AFTER NOON TODAY

By Associated Press. LONGVIEW, TEX., July 18.—Martial law, which has been in effect here since the riotous episode of Friday, July 11, was raised today by a proclamation of Governor W. P. Hobby.

TROOPS TO REMAIN ON DUTY UNTIL TOMORROW

By Associated Press. AUSTIN, July 18.—Although martial law at Longview was called off at noon today, the Greenville troop will remain on duty until tomorrow at that place, it was announced in the adjutant general's department. This action was taken as a precaution measure, it was said.

GEN. PERSHING PRESENTED WITH SWORD OF HONOR BY LONDONERS

By Associated Press. LONDON, July 18.—London's tribute to General Pershing today takes the form of the presentation at the Guild Hall of a sword of honor. Early this month the corporation of the city of London voted to present to General Pershing and Marshal Roch the freedom of the city and sword of honor.

German Assembly Places Maternity Under State Care

By Associated Press. LONDON, Thursday, July 17.—A wireless dispatch received here says the Weimar Assembly has adopted a bill placing maternity under the care of the state. A proposal by the independents that the mother of an illegitimate child should be officially designated as "fran" was carried by a vote of 138 to 123.

MORE THAN 100,000 ARE IDLE IN CHICAGO RESULT OF LOCKOUT

By Associated Press. CHICAGO, July 18.—Building operations in Chicago are at a standstill today and more than 100,000 workmen are idle as a result of a lockout ordered by the executive committee of the building construction employers association of Chicago.

EXPECT 100,000 MEN WILL BE IDLE TONIGHT

By Associated Press. CHICAGO, July 18.—More than 100,000 men employed in Chicago building operations will be idle tonight unless strikes for higher pay involving about 80,000 of their numbers are called off. An ultimatum to members of the striking building trades that they return to work today was issued by the building construction employers association.

CHURCHES TO HAVE WINE FOR SACRAMENTAL USE

WASHINGTON, July 18.—Regulations just issued by the bureau of internal revenue afford every religious organization in the United States opportunity to obtain wine for sacramental purposes.

OBJECTIONS TO EVIDENCE TAKE COURT'S TIME

Attorneys in Ford Trial Charge Each Other with Burending Record.

FORD TAKES THE STAND FIFTH DAY AS WITNESS

Continues Interesting Line of Testimony Offered During the Trial.

By Associated Press. MOUNT CLEMENS, MICH., July 18.—A statement that one-third of the record of the testimony of Henry Ford in the latter's suit against the Chicago Daily Tribune has been taken up by the objections of counsel for Mr. Ford and the resultant argument was made to Judge Tucker at the opening of court today.

Mr. Ford resumed his testimony under interrogation by Attorney Stevenson. "You hear what General Weaver said, Delavigne made an important departure from that, didn't he, in writing your advertisement?"

Told to Get Facts. "I employed Theodore Delavigne and told him to get facts and to stick to the facts. If he omitted things, I am responsible."

GERMANS ATTEMPT ASSASSINATION OF MAJ. GEO. COCKRIEL

By Associated Press. COBLENZ, July 18.—Two Germans attempted last night to assassinate Major George Cockriel, provost marshal of the American forces in Germany. The major was not injured.

RE-ESTABLISH PARCEL POST RATE TO GERMANY

By Associated Press. WASHINGTON, July 18.—The pre-war rate of 12c per pound on parcel post packages to Germany was re-established today by the postoffice department. The limit of weight on such packages is 11 pounds.

AMERICANS CROSS THE BORDER TWELVE TIMES

By Associated Press. WASHINGTON, July 18.—American troops have crossed the Mexican border 12 times within the last six months to various Mexican raids and on various occasions have found the bodies of Mexicans, some in uniform of Carranza troops, the Senate was informed today by Senator Fall, republican, of New Mexico.

Contributions to Free Milk and Ice Fund

Table listing contributions to the Free Milk and Ice Fund, including names like L. B. Moore, Mrs. J. L. Meurs, and amounts.

Wichita Times, Wichita Falls, Texas. Dear Sirs:—I herewith enclose my check for \$5.00, which amount you will please give to Free Milk and Ice Fund.

FALL PRESENTS AMENDMENT ON GERMAN TRADE

Would Curtail the Restrictions Sought to Be Placed by the Senate.

THERE IS DISAGREEMENT OVER EXACT MEANING

Senator Underwood of Alabama Voices an Objection to the Proposal.

By Associated Press. WASHINGTON, July 18.—An amendment to the sundry civil bill designed to curtail and enforcement of the trading with enemy act was rejected in the Senate today 33 to 27. It was offered by Senator Fall, republican, New Mexico, who said there should be no restrictions on trading with Germany.

WASHINGTON, July 18.—To curtail restrictions on trade with Germany while the peace treaty is being considered by the Senate, Senator Fall, republican, New Mexico, introduced today an amendment to the sundry civil appropriation bill, declaring that "being declared," so part of the funds in the bill should be used to enforce the trading with the enemy act.

There was disagreement over the exact meaning of the amendment which would insert a provision "that the effects of a 'propaganda' which is charged with being brought to bear on the Senate to ratify the treaty so that the war would be formally ended."

Bolsheviki Offer Million for Death of Finnish Regent

By Associated Press. HELSINKI, July 17.—A Helsinki dispatch to the Daily Mail gives a refugee from Petrograd as authority for the statement that the Bolsheviki are offering a quarter of a million dollars for the assassination of General Justus Mannerheim, the Finnish regent with the object of paralyzing Finnish resistance.

Four Million of European Children Fed by Americans

By Associated Press. PARIS, July 18.—Four million children in Europe are being fed under the auspices of the American relief administration. This work will probably be continued through private charity under American direction.

Telegraph Brevities

By Associated Press. WASHINGTON, July 18.—The United States cable censorship will be terminated at 6:00 p. m. July 23, it was announced today by the censorship board.

TWENTY-ONE ARE KILLED IN A MINE

Counter-Strike Is Staged as Protest Against Walk-Out

By Associated Press. KIMBALL, W. VA., July 18.—Twenty-one men were killed and a score injured in a gas explosion at the mine of the Tazewell Great Coal Company here this noon. More than 100 men were working in the mine at the time.

FIRST COTTON DELIVERY AT PRAGUE SINCE WAR

By Associated Press. PRAGUE, Wednesday, July 16.—The first delivery of American cotton here since the war will take place on July 23, it was announced today. Three thousand bales are to be delivered on that date. Ten days later 20,000 additional bales are due.

NO ARRANGEMENT IS MADE AT WASHINGTON

By Associated Press. WASHINGTON, July 18.—No special arrangement has been made by which arms and ammunition may be imported by Mexico from the United States for defensive purposes, it was said today at the State Department.

DEFEATS MAJOR DAVIS FOR SEAT IN CONGRESS

By Associated Press. WASHINGTON, July 18.—With the vote of only one small precinct miserably L. B. Rainey of Gadsden apparently has been nominated in the Democratic primary in the seventh district to succeed the late John L. Burnett in Congress. Rainey has a lead of 177 first and second choice votes over Major Harwell G. Davis.

NEGRO IN HOSPITAL RESULT OF SHOOTING OVER A CRAP GAME

By Associated Press. WASHINGTON, July 18.—With the death of a negro man, is in the Wichita General hospital and expected to die as the result of two pistol shot wounds in the abdomen, following the course of a quarrel over a crap game on the second floor of the Last Chance restaurant in the flats south of the city.

THREE-FOURTHS OF SOLDIERS DROP THEIR INSURANCE POLICY

By Associated Press. WASHINGTON, July 18.—Approximately three-fourths of the four million officers and enlisted men in the military forces who secured government insurance policies through the war risk insurance bureau during the war have failed to continue their payments, it was disclosed during the meetings of the bureau's advisory committee of 13, headed by Charles Evans Hughes, which closed last night.

THREE ARMY AIRPLANES ARRIVE AT SAN DIEGO

By Associated Press. SAN DIEGO, CALIF., July 18.—Three army airplanes which left Ellington Field, Texas, July 10, arrived here today. They were expected to continue northward to Seattle and thence across the country by way of Salt Lake City, Denver, Kansas City and Chicago to New York, returning to Ellington Field by way of the Atlantic and Gulf states.

FOREST FIRES IN NORTHWEST RESULTING IN GREAT DAMAGE

By Associated Press. SPOKANE, WASH., July 18.—Every available man in Western Montana, Northern Idaho and Eastern Washington is being employed by the federal forest service and the private forest protective association to fight the forest fires in Montana and Idaho that today were threatening two Western Montana towns and millions of feet of standing pine.

Reports Pre-War Prejudice Against the Army Uniform

By Associated Press. BOSTON, July 18.—Major General Clarence R. Edwards of the northeastern department and former commander of the 26th (Yankee Division) has asked the War Department that soldiers stationed at the coast defenses be allowed to wear civilian clothes while on pass or furlough.

RYAN CONDEMNNS ANY ALLIANCE WITH FRANCE

By Associated Press. LINCOLN, NEBR., July 18.—In a statement given to the Associated Press last night William J. Bryan, while opposing the League of Nations, condemns any alliance with France. Mr. Bryan insists it would be a league without a league to the discredit of both.

STRIKING SEAMEN WRECK A NEW YORK EMPLOYMENT OFFICE

By Associated Press. NEW YORK, July 18.—A crowd of striking seamen, 75 strong, wrecked the employment office of Bergoff Brothers this morning and put to rest 250 men who had assembled there to seek employment as strike breakers on trans-Atlantic and coastwise vessels.

ASKS PERMANENT RANK FOR PERISHING AND MARCH AND BENSON AND SIMS

By Associated Press. WASHINGTON, July 18.—Permanent ranks of generals in the regular army for General Pershing and General Rank, chief of staff, and permanent ranks of admirals in the navy for Rear Admiral Sims and Admiral Benson, chief of operations, were asked of congress today by President Wilson.

SENATE PASSES BILL FOR DISABLED SOLDIERS

By Associated Press. WASHINGTON, July 18.—Carrying increased appropriations for the rehabilitation and education of disabled soldiers, sailors and marines, the \$23,000,000 sundry civil appropriation bill was passed today by the Senate. It now goes to the President, who vetoed the original bill because it limited funds for training wounded service men.

RUSSIA KEYNOTE OF FUTURE PEACE SAYS CHURCHILL

By Associated Press. LONDON, July 17.—"Russia at the present moment is the keynote of the future peace of the world, and the reason for this is that she is the first duty of the League of Nations," said Colonel Winston Spencer Churchill, secretary of state for war, in an address at the British-Russian club dinner tonight.

Oil News

SYNDICATE FORMED IN ARKANSAS WILL ENTER TEXAS FIELD

Special to The Times. PAYETTEVILLE, ARK., July 18.—Charles Deal and J. W. Baxter of this place have made a deal with the Richards Oil Corporation of Tulsa, disposing of 1,000 acres of Texas oil and gas leases near Pottsboro in Geary county, it was announced today.

The exact amount of the consideration has not been made public, but it was stated that the figures were above \$140,000.00, which included all drilling tools and equipment at work on the lease.

Mr. Newport of Tulsa was the promoter of the deal. Associated with him are O. M. Wells of Fort Smith, R. E. Wiley, attorney, Little Rock, R. Steinhilber, former cashier of the First National Bank of Sapulpa, Okla., and F. L. Bradley of Fayetteville, Ark.

The purchasers of this block of Texas acreage are all agreed that they have every indication of oil production, as oil was struck Thursday at a depth of 600 feet, but no accurate gauge can be made, and will not drill in until tankage can be erected, one of the parties to the sale said today.

Many other oil wells are being drilled around this acreage, and a big gusher was drilled in Wednesday in the northeast portion of the county.

A number of Little Rock and Fort Smith men also are identified with the syndicate and it is said a special train will be chartered for Texas to accommodate the delegation of Arkansas and Oklahoma men who will leave Sunday for the new field.

Mr. Newport stated today that he and Mr. Steinhilber, who is a geologist, intended to visit the L. B. Stone farm a few miles east of Fayetteville this afternoon and make a geological survey of the Stone property and adjoining lands. If there is prospect for oil or gas, the Tulsa syndicate will bring machinery here and make tests, he said.

Several Fayetteville men who are interested in the Richards Oil Corporation's holdings in Texas, purchased yesterday from Baxter and Deal, will confer tonight on the company's production plans.

Official notification of their appointment has been sent to W. F. Willis, C. F. Noble and Thomas M. Morrisey who are to represent Wichita county in an advisory board to the oil conservation officer of the Texas Railroad Commission, by the state division of the Mid-Continent Oil & Gas Association, of which Walter Cline of this city is president.

Mr. Willis is a contractor and producer, as well as an owner of land which is being developed by other operators. Mr. Morrisey is a prominent operator and refiner, and Mr. Noble is also an operator and owner of gas-producing lands in the Burk Burnett field. All three are men of much practical experience and with heavy interests in the Burk Burnett field, and can be relied upon to give the Commission good service, and the benefit of their experience.

SENATOR GORE IS EXPECTING EARLY REVISION OF RATE

In a telephone message to the Commercial Appeal, Senator G. P. Gore of Oklahoma, stated that he is hoping for immediate action on the revision of rates on oil shipments from the north central oil fields, Burk Burnett and Ranger, to Oklahoma City and other Oklahoma points. This is a matter which is of interest to oil producers in this section and to the refining interests of Oklahoma.

Bargains, we mean bargains now; not last year, or even sixty days ago. We can sell them. Please phone us your listing. Stehlik & Baber, phone 351. 87-11

CONSERVATION LAWS AT OPEN FORUM TONIGHT

The Oil Investors Association has announced that J. R. Mildren will be the principal speaker at the "Open Forum" at the Central Stock Exchange tonight.

The Open Forum has discussed at various times practically all problems of the oil industry, and its pertinence is being able to schedule for this evening one with large and varied experience in federal and state service in the oil fields.

The meeting will begin at usual following the close of the "call" at 10 p. m. and is open to the public, as are all Friday evening meetings.

ANOTHER COMPANY IS ORGANIZED AT VERNON

Special to The Times. VERNON, TEX., July 18.—R. Braun is president of the Vasey-Odell Oil Company. F. L. Masie is vice president and S. A. White, secretary-treasurer. The company is capitalized at \$50,000 and holds leases on over 800 acres located in the Hank community, twenty miles north of Veroza. Operations will commence at an early date, it is announced.

CAREY BROS. WELL TO BE COMPLETED SATURDAY

Carey Brothers No. 1 Elisea, in the southeast corner of Block 88, will be completed on Saturday. Storage is now being provided. The company's No. 2 is drifting around 800 feet.

CUTICURA HEALS GIRL'S RINGWORM

On the head like dandruff, scalp, red and sore. Hair thin. "My little girl's head broke out with ringworm. It started just like a sheet of dandruff and spread until it was as large as a dollar. The scalp was red and sore, and she could not keep from scratching. Her hair was thin and dry and I could hardly comb it. "This trouble lasted about a month before I commenced using Cuticura Soap and Ointment. As soon as I began to use them her head began to get better and now she is completely healed." (Signed) Pat Durral, La Center, Ky. Improve your skin by daily use of Cuticura Soap, Ointment and Talcum. See 2c. Ointment 25 and 50c. Talcum 25c. Sold throughout the world. For sample, each free. "Cuticura Soap and Ointment, Dept. 15, Malden, Mass." Cuticura Soap always without stain.

OIL PRODUCERS ARE ORDERED TO PREVENT FURTHER WASTE

By Associated Press. AUSTIN, July 18.—Oil producers in the northwest extension of Burk Burnett oil field in Wichita county are directed to prevent further waste of oil by stopping leaks and overflows from tanks or wells.

The order states that more crude oil is being offered from this field than pipe lines can transport and that oil offered shall be equitably apportioned for shipment.

Deputy Supervisor J. E. Mildren, who is in the field, is authorized to make rules and appointments by conference with producers and pipeline men. These are to be submitted to the commission for consideration, but will be effective from the time of posting by Mr. Mildren until countermanded by the commission.

This order will be effective for 30 days unless changed by the commission.

FIRE DESTROYS 55,000 BARREL STORAGE TANK

A 55,000 barrel storage tank, filled with crude, burned this morning in the northwest part of the Burk Burnett field, according to the meager reports available from the field the tank belonged to a company operating several topping plants in the field, with which an Oklahoma operator, Evans, is connected.

Fire yesterday evening destroyed a derrick and rig in the Waggoner pool. This fire was reported to be on the property of the Waurika Oil Co. No. 1, but definite confirmation was lacking.

WOMAN PLAYS A "TRICK" ON NEIGHBOR'S CHILDREN

"One woman in this town certainly did play a mean trick on one of her neighbors," said R. W. Morgan, city sanitary officer, this morning. "It was this way: She noticed the four children of her neighbor into her house, locked them in, and did not let them loose until she had thoroughly washed them up, washed and starched their clothing, and given them a thorough cleaning. When she turned them loose her neighbor didn't recognize them."

MORTUARY

Funeral services for Delphus Heister, seven year old son of Mr. and Mrs. H. Heister, were held from the home five miles out on the Seymour road on Thursday afternoon. Rev. H. H. of the Fourth Street Baptist church officiated. The little boy died Thursday morning from cancer of the liver.

CONFRONTED WITH SUGAR SHORTAGE IN FRANCE

By Associated Press. PARIS, July 18.—American officials attempting to solve the food question, are confronted with a sugar shortage in France that is said to call either for Americans to sacrifice some of their sweet drinks or for the French to give up their sweet pastries.

SCHOOL CHILDREN ABSENT ON ACCOUNT OF HUNGER

Associated Press Mail Correspondent. PRAGUE, CZECHO-SLOVAKIA, June 12.—One-third of the school children in Czecho-Slovakia are absent from school every day on account of hunger, according to Red Cross investigators report. Many of the children in the schools were found so weak from lack of nourishment that they could not hold their heads erect. Frequently children had to be carried home because they had not the strength to walk.

RUINS OF MANY CHURCHES FOUND IN WAKE OF HUNS

From CABLE A. HANBAU (United Press Staff Correspondent.) PARIS, (By Mail.)—Over 3,000 churches were either completely destroyed or seriously damaged by the German invasion of Northern France. The state in which these martyred churches now are found varies from those that have been absolutely wiped out to others which suffered only the damages of occasional stray shells.

The work of restoring the churches has begun. The first annual general assembly of the Society to Restore the Churches of the Devastated Regions was held in Paris recently. At that time Vice Guelin of Paris reported that over \$25,000 had been expended in beginning the work of restoration. He stated that 63 churches have been adopted by individuals who will personally bear all the expenses involved in the work of rebuilding. Help has come, said the Vice, from the United States, from Brazil, from India, in fact every nation of the Allied world is helping France counteract the work of the destroyer.

D. C. and Mrs. Ethel D. Harle of New York City, two of the trained social workers sent by the Red Cross into 17 towns in the Erzgebirge district, reported that in this section 90 per cent of the children were actually starving. To relieve this situation, arrangements have been made for the establishment of public kitchens throughout the country. The Americans are supervising their operation and the distribution of food supplies to them.

"The children were undersized and backward," writes Miss Hoyt, "both physically and mentally. They showed signs of imbecillities, rickets and anemia. We went through school room after school room asking, 'How many have had no breakfast this morning?' In a class of 48, 13 little hands went up. This was typical of the situation throughout the district.

"Nestles, a weed, forms the principal item of diet in the poorer homes, and only one town we visited had any potatoes. We entered many houses unexpectedly, in order to obtain a true idea of conditions.

"Among the school children, rickets—softening of the bones due to lack of fat—prevails universally. Children of seven are like children of four. Children of 10 or 12 are the size of a normal six-year-old. Their faces are gray with pallor, and abnormally sad and gloomy."

COUNCIL DECIDES TO CONSTRUCT ABATTOIR PLANT FOR THE CITY

COMMITTEE MAKES A REPORT WILL BE BUILT WITH PRIVATE FUNDS AND LATER TAKEN OVER BY CITY.

Chamber of Commerce Will Undertake to Finance the Proposition.

Construction of a municipal abattoir within the immediate future was decided upon at last night's session of the city council, the plant to be built with private funds and taken over by the city as soon as they are in a position to vote bonds for this purpose, which will be within the next few months. Council O'Reilly appeared before the council on behalf of the chamber of commerce, being with Alderman M. A. Bundy and Mrs. T. B. Smock, a member of the committee from that institution having this measure in charge. Mr. O'Reilly dwelt briefly on the necessity for such an institution, speaking of the lack of sanitary precautions in existing slaughter houses about the city, and the lack of proper sanitary inspection of meat which is slaughtered in this manner. A number of instances were apparently good beef was found to be tubercularly infected on inspection in places where proper inspection was made in the abattoirs, were cited by Mr. O'Reilly in speaking of the unsatisfactory conditions under which beef is now slaughtered and inspected here.

Will Advance Money. Mr. O'Reilly stated that the chamber of commerce was willing to raise funds for the erection of this plant, provided the city would eventually take it off their hands. The cost of such a plant was estimated by Mr. O'Reilly to be in the neighborhood of \$50,000, probably in excess of this figure as the population of the city had increased three times and the price of materials doubled since he and other members of the chamber of commerce made an estimate of \$25,000 on such a plant about five years ago. Mr. O'Reilly expressed himself as favoring the erection of a plant of even larger capacity than needed at present or of one whose capacity could be materially enlarged, in the interest of a large increase in the rural population which in his opinion is sure to follow the establishment of the Big Wichita irrigation project, being worked out at the present time. Mr. O'Reilly further expressed the opinion that the abattoir would be a paying investment, calling on M. A. Bundy, who has just returned from an inspection of plants of this character at Beaumont and Port Arthur.

Mr. Bundy Endorses Plan. "I think that if this council could see these plants, especially the plant at Port Arthur, and the benefit derived from their operation by these cities, I don't believe that there would be a moment's hesitation in the construction of a similar plant here," said Mr. Bundy in seconding Mr. O'Reilly's plan. As to the profit derived from the operation of the plant, Mr. Bundy stated that the Port Arthur plant was making a nominal profit, and that the Beaumont plant would do the same if a little more carefully operated. Mayor Marlow and other members of the council followed in expressing approval of the project. "I think this proposition is the best thing that has been before the council in years," was the mayor's opinion. Creation of a market for the farmer who raises only a head or two of beef cattle through the establishment of this plant was pointed out by Alderman J. M. McFall, who called attention to the unfavorable conditions under which such stock is now marketed, the trouble in getting his stock into a carload lot and the unfavorable conditions under which it is slaughtered.

TO INSTITUTE SUITS FOR BACK TAXES DUE CITY WICHITA FALLS

Suit for the collection of back taxes by the city against property owners near the southern limit of the city, adjoining the Southland addition, are to be commenced immediately by the city, was a decision tentatively made at last night's session of the council. Although the council went into executive session for the discussion of this and other questions immediately after the matter was broached, it was evident at once that this action had been determined on.

ONLY FEW SPECIMENS RECEIVED FOR EXHIBIT

Only a few specimens of Wichita county farm products have been received by the Chamber of Commerce for the exhibition which will be sent to the Dallas Fair this fall, and an urgent request is made for more fruit, vegetables, grain and other products are desired and Miss Jackson, the county home demonstrator, is to assist the Chamber of Commerce in putting up the specimens that must be preserved in glass, preparing them for the exhibit bench at the fair.

INSTALLATION OF OFFICERS BY KNIGHTS OF PYTHIAS

Pioneer Lodge No. 49, Knights of Pythias, had installation of officers Wednesday night and the following officers were installed for the coming six months: Chancellor Commodore, P. A. Carrigan; Vice Chancellor, Harry R. Ingram; Prelate, Dr. C. E. Bailey; Master of Work, T. M. Pagsdale; K. K. K. of Records and Seal, O. T. Gorsline; Master at Arms, L. S. Bobo; Inner Guard, E. E. Terrell; Outer Guard, E. Wilson. The following officers held over, having been elected for one year, on January first: J. C. Ward, H. O. Cravens, and J. B. Pitts; Master of Exchequer, Dr. M. R. Garrison.

NOT A SUBJECT FOR PUBLIC DISCUSSION

"I would rather not discuss that tonight for very good reasons," said Dr. J. F. Reed, alderman, when the question of extension of sewer service to the North Side was presented by Rev. J. Pat Murphy, of the North Side church. Dr. Reed then called Rev. Murphy outside of the council room for private conference on the matter. Deplorable sanitary conditions at present obtain on the North Side, according to Rev. Murphy, who brought the matter before the council. Two recent deaths in that section were attributed by the speaker to these conditions. Do you know what to do when an accident occurs? How would you treat a severe burn? How would you stop an artery from bleeding? Would you know what course to follow in any of the many accidents that might possibly occur daily? Join the Red Cross classes which begin Monday, under Miss Louise Kodadek. Red Cross nurse recently return from overseas and learn what to do in the case of sickness, and how to care for your health. This home nursing and hygiene course will teach you this. Enroll at the Kemp Library, where the classes will be conducted. Call Mrs. M. Gaffney for particulars. 52-619

BLOCK OF GROUND ON NORTH SIDE IS DEEDED TO SCHOOL

FIVE ACRES TRANSFERRED BY CITY OFFICIALS TO THE SCHOOL BOARD.

PLAN FOR A PLAYGROUND

Council is Advised That Title to Property is Perfectly Good.

Deed to the school board for the use of the block on the North Side set out in the original plat of Wichita Falls for "public purposes" was made by the city council at their last night's session. Some question was raised as to the validity of the title, which the city could convey a valid title to the school board for the use of the plot as school purposes. The ground conveyed is about five acres in extent, and will give the new North Side school the most commodious playground of any school building in the city. Part of this plot is to be at once fitted up as a children's playground and general community center, plans for which were outlined to the council of A. E. Myles, representing the Rotary club. The equipment for the play-park is to be bought with funds donated for this purpose by the Rotary club and Civic League, the work to be done by citizens of the North Side who have volunteered their services for this purpose, and the lot to be graded with equipment loaned by the city, the council agreeing last night to donate the use of the equipment. Squatters living in tents are now occupying this tract, and maintaining in the neighborhood of 30 head of stock on the premises. These people will be required to seek a new location as soon as the boundaries of the plot are established by J. A. Donnell, city engineer.

PLANS ARE RECEIVED FOR TWO NEW FIRE STATIONS

Plans for the two additional bungalow fire stations proposed here have been received by Fire Chief J. L. McClure. The buildings will be alike and will be one story, six-room bungalows of brick and stone. One room will be devoted to the housing of the firemen and piece motor apparatus to be placed in each station, immediately behind which will be the dormitory for the firemen. These two rooms will occupy about half of the building. The other half will be devoted to a kitchen, dining room and two bedrooms for the accommodation of the firemen and their families. The cost of erection will be about \$9,000 each. It is reported that the city has received an offer for the present Floral Heights station which will be more than the amount necessary to build the two new stations.

AT THE CHURCHES

Lutheran Trinity Church, Cor. Fourteenth and Bluff, Sunday, July 20, Regular Sunday school an hour before services which begin at 10:30 a. m. No night services for "public purposes" will be held. The first Sunday in August our annual Mission feast will be held, Rev. E. Knappe, of Beasly, Okla., will be the speaker. The first service will begin at 10:30 in the morning. Collections during the day go to missions. Special music in all services. Everybody is cordially invited to attend. — W. UTESCH, Pastor.

St. Paul's Lutheran Church, (Mo. Synod), Eleventh and Holiday, Sunday school at the usual hour, 9:30 a. m. Morning services at 10:30 a. m. There will be no Bible Class at night as the pastor will fill his appointment at Henrietta in the evening. Everybody is cordially invited to worship with us, especially the many strangers in our city. — C. E. BRYER, Pastor.

JOSEPH NUSSBAUM IS RAPIDLY RECOVERING FROM AN ACCIDENT

Word has been received by W. S. Curlee from Louis Nussbaum that the latter's father, Joseph Nussbaum, of Galveston, is rallying rapidly from the effects of an elevator accident last Friday. It was found necessary to amputate Mr. Nussbaum's leg above the knee, but, although he is over 75 years of age, his vitality has been such that he has rallied in an exceedingly satisfactory manner.

BREVITIES.

Mr. and Mrs. J. M. Rust of Ranger are the guests of Mrs. E. H. Faust Leroy of 1108 Burnett street. Mr. and Mrs. Rust are enroute to California and other western points for the summer.

T. W. Caskey spent the week-end with Mr. and Mrs. W. H. King of Fort Worth.

Mrs. D. A. Wilcoxson has returned from a two weeks visit with her sisters, Mrs. Et. Whybrow and Mrs. H. P. James of Oklahoma, and her brother, H. W. Selton of Wichita, Kansas. M. P. Kelly is in New York on business, being accompanied on the trip by Mrs. Kelly.

W. W. Andersen who returned this week from the eastern markets, has been on the sick list since his arrival here and unable to be at the store.

G. W. McKnight, of the State Fire Insurance commission, who is on a compress inspection tour, spend today here on business.

Mrs. M. K. Henry has returned from a three weeks visit in Washington, New York, Buffalo, Niagara and other eastern points.

W. Daniel is in Vernon, where he was called by the illness of a brother. John W. Thomas, secretary of the Retail Merchants association returned yesterday from a visit to relatives in Sulphur Springs.

Mr. and Mrs. J. W. Stringer have gone to Colorado, where they will spend the summer.

VERDICT OF NOT GUILTY IN SHINE MURDER CASE

Verdict of not guilty was returned in the 30th district court in the case of State of Texas vs. John Shine, charged with the murder of William Leonard in a local railroad yard February 24. Shine and Leonard were members of a bridge crew working near here, and the killing resulted from a quarrel as to who should make a fire in the morning. The defense was on the grounds of self defense.

MAYOR IS GRANTED LEAVE OF ABSENCE

Leave of absence of 30 days was granted to Mayor Marlow by the city council last night. Mr. Marlow will make a combination vacation and business trip to points in Colorado and Wyoming.

"THE KNICKERBOCKER BUCKAROO"

Know what a buckaroo is? Well, look in the Dictionary and you won't find this: BUCKAROO (buck-a-roo). From the Anglo-Saxon noun buck and the last two syllables of jumping Kangaroo. Meaning, when applied to the masculine gender of the human species, a lively young buck. 2. A gay dog. One who doesn't give a dern. A rip-snotin', ding-bustin', devil-may-care critter from away back, headed for The-ord-Knows-Where.

In his natural habitat he's gentle as a baby St. Bernard, especially with the opposite sex; but turn him loose without a tether and he paws up the ground something scandalous. SLANG: A regular guy. SYNONYM: Douglas Fairbanks.

MUST SOON ENLARGE THE SEWER SYSTEM.

The time is soon coming when Wichita Falls must greatly enlarge its sewerage system. The present sewerage system was planned when Wichita Falls was a city of about five or six thousand inhabitants. It is creditable to those who planned it that it has served a city of five times that population without essential change in the plans and by building extensions to the system as originally laid out.

New sewer lines must be built to serve new residence sections. Probably some of the present lines must be enlarged. It is going to be a big and costly work. It is something about which we must give thought without much delay.

It has been suggested that a collection of war relics be started in Wichita Falls. Nearly every soldier returning from France has brought relics of various kinds. Recently a collection of these was exhibited in Perkins-Timberlake's show windows and attracted much interest. It is believed that many of the veterans would be glad to give relics to the city or any other organization that would preserve them. Such a collection would be of increasing interest with the passing years. It is easier now than it will be later to make this collection. The best place for the exhibition of such a collection, so far as the Times knows, is the Kemp Public Library. It is believed that a statement from the Library Board inviting contributions to such a collection would bring many relics to the Library.

Even in the midst of our great prosperity in Wichita Falls there are many in want, not all of them as a result of their own acts. To be without money in Wichita Falls where all prices are at a high level and where all the people are so busy that they take little time for their neighbors, is to be in a pitiable condition, indeed. To be without money and ill is distressing beyond measure. It is for such persons and for the babies and children that the Federated Missionary Societies of the city propose to give aid by the distribution of ice and milk and by the services of a trained nurse. A more useful and worthy service could not be undertaken. The Times is very glad to assist in this work by opening its columns to appeals for funds to carry on the work. It is very glad to report that there has been a generous response to this appeal and that the fund is steadily growing.

Not only will the city secure a much larger revenue through taxes next year as a result of the increase in assessed valuation of city property, but the issuance of about \$300,000 additional bonds is made possible. There is immediate and pressing need for a great amount of street improvement work and sewer extension. Three hundred thousand dollars will not go far in a city where there is so much to be done as in Wichita Falls, but it will help some. If the city council will determine what are our most needed and pressing permanent improvements that \$300,000 will buy, the taxpayers will certainly vote the bonds. What is it that you recommend, gentlemen?

COUNT KAROLYI HAS MADE HIS ESCAPE; COMING TO AMERICA

By Associated Press. BERLIN, Thursday, July 18.—Count Michael Karolyi, former president of the Hungarian Republic, has arrived in Italy after several attempts to leave Hungary and will go to America, according to a Vienna dispatch to the 'Kreuz Zeitung.' Several weeks ago, it is said, Count Karolyi escaped to Austria, but he was made prisoner by the Austrians and returned to Budapest. The count, the dispatch adds, then sought and procured the assistance of the Italian military authorities who sent him in charge of a guard to Italy by way of Innsbruck. The Vienna dispatch concludes: 'He will, however, have to leave Italy for America immediately.'

SAYS CENTRAL EUROPE HAS GONE TO THE DOGS

Associated Press Mail Correspondent. BUDAPEST, July 1.—America ought to have the role of righting things in Hungary,' Count Michael Karolyi, former president of the Hungarian Republic, told the Associated Press correspondent today. The count continued to denounce the peace treaty, declaring that its terms are impossible and that the boundaries fixed for Hungary are ruinous. 'Central Europe has gone to the dogs,' the count continued. 'You are astonished by bolshevism here. Blockade Paris and it will go communist too. The Allies say we cannot talk to such bolsheviks. That is making a comedy of politics. It is treating the people of Europe as if they were Zulus.' 'You want to sell us goods, but cars cannot buy shoes or motor cars. Before the war we exported two-thirds of our coal. Now we are left with two small coal mines, no forests, no oil, no salt, no iron, no electric water power. We are left only our wheat lands and mineral water. 'Without free trade the League of Nations is useless so far as we are concerned. While President Wilson never mentioned this he must have had it in mind when he formed his 14 points. Now his too modern conceptions have been dropped in deference to the English and French military parties.'

Market Report

COTTON MARKET

By Associated Press. NEW YORK, July 18.—Firm Liverpool cables with reports of further rains in the eastern belt caused an opening advance of 30 to 57 points in the cotton market this morning and active months sold 50 to 60 points net higher during the early trading. The buying may have been encouraged by the better tone reported in the sterling market late yesterday and the announcement that a committee of bankers had been appointed to consider international finance. There was renewed realizing or liquidation at 35.10 for October and 34.75 for January, however, and later fluctuations were irregular. Liverpool was a good buyer on the rally which carried October contracts up from 34.90 to 35.06 and January from 34.26 to 34.85 later in the morning. There was also buying on the west weather in eastern belt and the market held very steady around mid-day, with prices about 50 to 55 points net higher. The market showed increasing firmness in the price of cotton goods and predictions of the ending of the marine strike by the end of the week. Realizing on the long side checked the upward trend for a while and brought about small reactions, but unfavorable private crop accounts finally resulted in fresh buying so that at noon prices were higher than ever and 74 to 80 points over the last quotation of yesterday. The cotton market closed steady. The cotton market closed steady.

New Orleans Cotton. NEW ORLEANS, July 18.—The price of cotton was sent 62 to 66 points higher in the first half hour of business today, the market responding to better cables than due, much rain in the belt, reports of further advances in the price of cotton goods and predictions of the ending of the marine strike by the end of the week. Realizing on the long side checked the upward trend for a while and brought about small reactions, but unfavorable private crop accounts finally resulted in fresh buying so that at noon prices were higher than ever and 74 to 80 points over the last quotation of yesterday. The cotton market closed steady. The cotton market closed steady.

Liverpool Cotton. LIVERPOOL, July 18.—Cotton spot in moderate demand; prices higher. Good middling 22.34; fully middling 21.84; middling 21.24; low middling 19.49; good ordinary 17.84; ordinary 17.31. Sales 4,000 bales, including 3,000 American. Receipts 14,000 bales, including 13,100 American. Futures closed irregular: July 21.50; October 21.45; January 21.43; March 21.37; May 21.29.

GRAIN AND PRODUCE

By Associated Press. CHICAGO, July 18.—Bearish sentiment predominated in the corn market today owing largely to favorable weather conditions. The break in foreign exchange and the resulting check on export demand for foodstuffs tended also to weaken values. Opening quotations, which ranged from 1/2 to 1/2 lower, with September \$1.92 1/2 to \$1.93 1/2, and December \$1.61 1/2 to \$1.62 were followed by decided further setbacks. Enlarged crop estimates which were current did a good deal to put oats on the downward. After opening 1/2 to 1/2 lower including September at 75c to 79c, the market continued to descend. Provisions were weak and lower with grain and hogs. Subsequently attention focused to a greater extent on economic conditions, and there was persistent selling by holders. After severe breaks, however, commission house buying set in, and the market rallied somewhat. The close was unsettled, 3/4c to 4/4c net lower, with September \$1.90 to \$1.90 1/2 and December \$1.59 1/2 to \$1.60 1/2. Weakness became intensified later by bearish comment in regard to government investigation of reports of abnormal domestic supplies of meats, butter and eggs. Toward the last, though, packers gave the market a little support.

THE GRUBBS VOCATIONAL COLLEGE. A BRANCH OF THE A. & M. COLLEGE OF TEXAS, ARLINGTON, TEXAS. A JUNIOR COLLEGE FOR YOUNG MEN AND YOUNG WOMEN. Third Annual Session Begins Sept. 17, 1919. INCREASED VALUATION WILL ENABLE CITY TO VOTE \$300,000 BONDS

INFORMATION IS BROUGHT AT
MEETING OF COUNCIL
LAST NIGHT.

WITHIN \$12,000 OF LIMIT

Held That Election Can Be Ordered
As Soon As Conditions
Are In.

With the tax reductions for the coming year, which will approximately double those of last year, and which will be in within the next two months, the city will be in a position to vote in the neighborhood of \$300,000 worth of bonds for various improvements it developed at last night's session of the council.

At present the city is bonded to within about \$12,000 of its limit under the present city charter, and pressing improvements in the nature of paving, additional fire and other equipment, and the extension of the sewer system, is being impeded from lack of funds.

The state of the city's finances was brought out in connection with the council's undertaking to take over the municipal auditor, which is to be built with private funds on the understanding that the city will eventually take charge of the plant.

Delay Not Necessary.
The opinion that the city can vote bonds as soon as the conditions are in, and that it will not be necessary to wait until next year for this, was given by Judge P. A. Martin, follow-

ing Mayor Marlow's request for information on the legal aspect of the case. Judge Martin pointed out that bonds were approved or disapproved by the attorney general on the showing as to the city's bonded indebtedness and of the resources with which the city could carry these bonds, and that the tax reductions for the coming year would undoubtedly be considered sufficient resources for the additional bonds.

Plans for the purchase and extension of the water system, if such action is determined on by the council, would not call for any of this amount, being a special object for which an entirely separate bond issue could be voted.

All members of the council were present at last night's session, for the first time in several weeks, several members having been away from the city on business at the time of recent sessions. The meeting was an unusually busy one, no less than six committees representing various civic organizations, or residents of various parts of the city bringing business before the council on routine to the attention of the council.

Traffic Regulations.
Among the business coming before the council at last night's session was the question of additional traffic regulations to apply in the business section where congested traffic conditions prevail at present. This was brought before by Tom Bergen, chairman of a special committee for this purpose for the Rotary club, which working with a similar committee from the Wichita club, have been drawing up a schedule of suggested regulations for the handling of this situation. These committees are to confer with M. A. Bundy, police commissioner, and the council's standing committee on streets, and the results of these conferences in the form of proposed ordinances, are to be presented to the council at a subsequent session.

Present last night were: J. B. Marlow, mayor; Aldermen W. S. Curlee, M. A. Bundy, Dr. J. F. Reed, H. F. Waldon and J. M. McFarrell. Other city officials present were: J. W. Walkup, city clerk; Fred Smith, chief of police; J. L. McClure, fire chief; Ralph Mathis, city attorney; H. F. Anderson, tax collector and collector; J. A. Donnell, city engineer; and George Dobson, street superintendent.

SIX SHILLING INCREASE

SUIT FOR \$50,000 IN DISTRICT COURT AGAINST OIL FIRM

Suit for the recovery of \$50,000, said to have been paid by plaintiffs on contract, and for \$50,000 additional damages for alleged failure to carry out contract, has been filed in the 78th district court by the International Crude Oil company vs. Morris Oil Co. et al.

According to plaintiff's petition, Byron B. Jones, acting for plaintiff, entered into contract with defendants for the purchase of an oil and gas lease held by defendants on one and a quarter acres out of the Northwest part of the Morris addition to Burkburnett. The purchase price being \$50,000 of which \$50,000 has been paid by plaintiff.

The petition further sets out that plaintiffs were induced to make this purchase by the claim of defendants that the well on the lease was making 200 barrels of oil per day, which was not and is not true.

It is also stated that under this contract defendants were to operate the property up until the final settlement for the lease, which they have also failed to do.

On these two points the return of the \$50,000 said to have been paid

down, and further damages of \$50,000 are asked by plaintiffs.
Other suits filed in the 78th district court are: H. Wyatt vs. Mrs. J. E. C. Kent and A. J. Smart, trespass to try title; E. Rockhill vs. D. N. Walling et al. debt; E. Rockhill vs. Crude Oil Marketing Co., garnishee in suit against D. N. Walling et al.

OF INTEREST TO SPORT FANS

JIMMY WILDE GETS DECISION IN LONDON OVER "PAL" MOORE

By Associated Press. LONDON, July 18.—Jimmy Wilde, the British flyweight champion, defeated Pal Moore of Memphis, Tenn., in a 20 round bout at the Olympia last night. The referee gave the decision to Wilde on points.

Twenty thousand persons witnessed the fight. Moore administered much punishment on his antagonist in the early stages of the bout, but at the end of the twelfth round Wilde led slightly on points.

In the fourteenth round Moore sent a jab to Wilde's mouth, which made the blood spurt. It was evident in the rounds that Moore was trying for a knockout, but Wilde's ring craft and cleverness prevented.

On the invitation of the Prince of Wales, General J. J. Parshing occupied the ring box with the Prince and his brother, Prince Albert. The party was given an oration. General Parshing frequently waved his hands or bowed his acknowledgement to the plaudits of the crowd.

Moore and Wilde were matched for last night's bout as a result of a four round contest in London last December, during the inter-allied army boxing bouts. Moore received the judge's decision and there immediately was a demand for a second meeting between the boys in a 20-round bout.

A purse of \$25,000 was offered for the second bout and Moore sailed from this country for England, June 14. The weight was at 116 pounds, but Wilde was not expected to tip the scales within 10 pounds of this limit, owing to his slight build. No championship or title was at stake, owing to the inability of the two boxers to meet at equal weight.

Wilde has a remarkable record as a hard-hitting flyweight. He won the English title in this class from Young Stronach on February 14, 1916. His victories include a knockout of Johnny Rosner of New York.

MCCOY KNOCKED OUT BY O'DOWD IN THIRD

By Associated Press. ST. PAUL, MINN., July 18.—Mike O'Dowd, St. Paul middleweight champion of the world, knocked out Al McCoy, Brooklyn, former middleweight champion, in the third round of their scheduled ten round bout here last night.

McCoy was knocked down seven times before he took the count. His manager threw the towel into the ring twice and it was twice kicked out by the referee.

McCoy was many pounds overweight and was almost helpless before the champion.

ST. LOUIS AMERICANS RELEASE YALE SLOAN

By Associated Press. ST. LOUIS, MO., July 18.—Yale Sloan, an outfielder has been released by the St. Louis Americans to the Columbus club of the American Association, it was announced here.

AUSTRIAN PROMOTER OFFERS \$100,000 FOR NEXT DEMPSEY FIGHT

By Associated Press. LOS ANGELES, CAL., July 18.—Mrs. "Snowy" Baker, wife of the Australian sport promoter, called on Jack Dempsey, world's champion heavy-weight boxer, and Jack Kearns, his manager, and offered Dempsey \$100,000 to stage his next fight at Sydney, Australia.

The offer was contained in a cablegram from Baker.

Kearns told Mrs. Baker he could not give a definite answer at this time, as he had a similar offer from Paris and was waiting for developments in that matter.

CINCINNATI LOSES GAME AS RESULT OF DECISION OF BOARD

NEW YORK, July 18.—After deciding to play out the 149 game schedule at the opening of the season, the National League determined several other questions of mid-season policy, including the division of the players' pool, contingent on similar action being taken by the American League.

It was decided also not to enter into any formal agreement with the minor leagues' organization unless the right of the major leagues to draw players from the minors is included, so as to enable baseball players to advance in their profession.

At a subsequent meeting of the board of directors of the league it was decided to expunge from the record the second game of July 6, between Pittsburg and Cincinnati at Cincinnati, and the teams were ordered to replay the contest July 27, or in case of postponement, July 28, or August 31, as a

result of the decision one victory is subtracted from the Cincinnati club record to date and credit removed from Pittsburg's record.

HERRMANN SURPRISED AT DECISION OF BOARD

CINCINNATI, O., July 18.—August Herrmann, president of the Cincinnati Baseball club, was astounded when informed that at a meeting of the board of directors of the National League the second game with Pittsburg on July 6, had been ordered expunged from the records.

"To begin with," said Herrmann, "the board of directors has nothing to do with the matter. This protest or complaint must be decided solely by the president of the league."

"But what astounds me most," he continued, "is the fact that this decision was rendered contrary to the rules of the constitution which state plainly that he shall decide the case after receiving answer from the club against which a complaint is filed. I cannot conceive of President Heydler deciding this case without hearing the Cincinnati side of it. I have wired him to that effect."

Letter From Herrmann.
Mr. Herrmann has sent the following letter hearing upon the case:
Cincinnati, Ohio, July 17.

John A. Heydler, Esq., President National Baseball League, New York, N. Y.

"Dear Sir:
I am in receipt of your recent letter, submitting copies of the papers filed with you by the New York National League club.

I respectfully submit that such

game was called by the umpire in chief who officiated on that occasion, under and in compliance with an agreement between the contending clubs, the announcement of which was made to the public prior to the commencement of play, thereby imparting official sanction to the termination of the game at the stage set by both the clubs engaged in it.

Decrees Protest Selfish.
"It is respectfully submitted that under these circumstances, no other

club than those which participated in that game is interested or has any concern or just complaint. It is further represented that in view of the present position of the New York and Cincinnati clubs in the pennant race at this stage, the protest of the New York club is as selfish and unsupported as it is unwarranted.

It is conceded that the Cincinnati club could have reached Boston by a later train in time to fill its most scheduled assignment but it was re-

garded as advisable that the players of its team should reach Boston earlier than the morning of the first scheduled game in the Boston series so that they could be in better condition for play.

Would Play Game Over.
"The Cincinnati club protests against the elimination of the game from the records, should the agreement between the participating clubs be declared invalid, and insists that if the action of the umpire in charge

Today Last Day

FOR YOU TO DECIDE TO PURCHASE STOCK OF THE
RANGER & BURKBURNETT OIL COMPANY
AT \$1.50 A SHARE

Or neglect this opportunity to your everlasting regret.

We firmly believe that the public will be unable to purchase any of this stock after today, except in open market, for

TWO GOOD REASONS

First—The stock of the Ranger & Burkburnett Oil Company has probably been over-subscribed.

Second—Mr. Hoffman, who returned to Houston last Monday, brought the news that Well No. 2 had been drilled six feet in the sand and the driller says it would be good for at least 2500 barrels of oil per day. He also stated that the 55,000-barrel tank purchased by the Ranger & Burkburnett Oil Company had been shipped and would be speedily erected upon its arrival at the field; this will give the company storage facilities for more than 65,000 barrels.

The pipe line has now been completed and a four-inch extension laid to our well. Perhaps as you read these words, our oil is flowing through the lines.

We will continue the sale of stock up to and including midnight July 18th. All applications bearing postmarks before midnight July 18th will be accepted. We reserve the right, however, to refund your money, in the event of over-subscription; our books are now being checked, but it will be several days before we will know positively the exact amount of stock remaining unsold; many reservations are yet to be heard from and

YOU STILL HAVE A CHANCE

to obtain some of this stock. Wire your reservations.

In calling such game at the close of the sixth inning he declared unwarranted, then and in that case, the participating clubs should be required to resume play for the completion of the game with the line-up of the competing clubs as nearly the same as in the preceding innings as possible, and that the score at the close should include the two runs made by the Cincinnati club before the termination of play, in accordance with the umpire's directions.

"Respectfully,
"August Herrmann, president."

FOUR TENNIS PLAYERS ENTER THE SEMI-FINALS

By Associated Press.
CHICAGO, July 18.—Four tennis players who topped their field entered the semi-finals in both men's singles and men's doubles in the national clay court tournament at the South Side Tennis Club today. In singles, William T. Tilden Jr., Philadelphia, will play Robert G. Kinsey, San Francisco, and William M. Johnston, San Francisco, former lawn tennis champion of the United States, will meet Walter T. Hayes of Chicago, western champion. In the men's doubles the same four players will be on opposite sides again. Tilden and Vincent Richards of Yonkers, N. Y., will play Kinsey and Axel Craven of Berkeley, Cal. Johnston and Sam Hardy of Chicago will oppose Hayes and S. Howard Vesell of Brooklyn.

Mixed doubles will begin today, and matches in women's doubles, which started yesterday, will be pushed through the early rounds.

DISTINGUISHED SERVICE CROSSES ARE AWARDED

By Associated Press.
WASHINGTON, July 18.—Following awards of distinguished service crosses were announced today:
Captain Joseph M. Simpson, San Antonio, Texas; Lieutenant Herbert J. Jones, (deceased) Dresden, Texas.
Privates Orval Wilcoxson, Marietta, Okla.; Wade H. Jenkins, Okwando, Okla.; Walter Potter, Dayton, Tenn.

LAWTON IS COMING SUNDAY FOR A GAME WITH LIEPOLD TEAM

Lawton comes here Sunday for a go with the Liepold team at the Katy ball park, according to an announcement by Manager Fullwider today. The Lawton club has the reputation of being a very fast club, having only lost one game during the present season, and will make the locals hurry to come out ahead. Negotiations for games for the most part Sunday games at Wichita Falls, are in progress with fast semi-pro organizations hailing from Fort Sill, Oklahoma City and Dallas.

The local club is working out daily at the Katy park, work beginning at 5:00 o'clock in the afternoon. Manager Fullwider has strings out for several prospective additions to the local aggregation whose addition will strengthen the already strong local club. There are however, one or two

loose places on the club, and he is casting about for talent to fill these places.

Fullwider, the newly appointed manager of the Liepold club, is well known to baseball followers in Texas and Oklahoma, having seen service as a hurler with Texarkana and Sherman in the old Texas-Oklahoma and Western Association circuits. His last connection with organized baseball was as a pitcher in the American association. He has only recently returned from overseas, having seen over 17 months service in France, going over as a member of a Kansas supply train unit in the Rainbow Division, and subsequently being wounded and transferred from the hospital unit in the 36th Division.

His first engagement came last Sunday when he officiated as first sacker for the Liepolds in their game with the Fort Worth club.

COL. JENS BUGGE, U. S. A. DIES IN CADET HOSPITAL

WEST POINT, N. Y., July 18.—Colonel Jens Bugge, U. S. A., retired died in the cadet hospital here yesterday. He was born in Wisconsin 43 years ago and was appointed to the military academy in 1891.

W. O. W. members Camp 8091 are advised that the new clerk is J. A. Thompson at Standard Garage, 704 Scott avenue. 52-dtc

KURT VON LERSNER HEAD OF THE GERMAN INTERESTS IN FRANCE

By Associated Press.
VERSAILLES, Thursday, July 17.—Announcement was made here semi-officially today that Baron Kurt Von Lersner, the head of the German mission here, had been appointed chargé d'affaires to look after German interests in France.

Appointment of Baron Von Lersner as diplomatic representative in France is the first step by Germany in the resumption of such relations with her former opponents. Baron Von Lersner formerly was a secretary of the German embassy in Washington.

These Coupon Books sell for \$2.75 and \$5.50. You save 50c on each 1000-lb. book, a saving well worth while. There are other advantages.

With your Coupon Book you always have the right change when the driver calls. No time lost looking for small coins. No bother having to remember to leave the ice money with the maid when you go away.

Yes, get a Coupon Book from the driver. It will save you time, bother and money.

THE PEOPLES ICE COMPANY
TELEPHONE 259

LARGE COMPANIES INVEST LARGELY IN TILLMAN LEASES

Special to The Times.
FREDERICK, OKLA., July 18.—Oil leases in the Frederick field look so good to the big oil companies, that all the leases offered on Indian lands by C. V. Stichecum, Indian agent here, Anadarko recently, were bid in by the Gypsy, the Carrier and others of the large corporations.

The highest price paid for any lease was that for one in section 5, township 4 south, range 15, due south of Grandfield, which was bought by the Gypsy company for \$637 an acre.

To the east of this location, in the same township and range, leases in sections 34 and 35 sold for from \$400 to \$600 an acre, it was reported here Wednesday night.

Others in the same locality but farther away from the Northwestern field brought \$200 and \$300 an acre.

The agent has been unable to make each buyer give a drilling contract, but when he found bids lagging under this arrangement, he eliminated the drilling provision, and the prices soared.

SHOWING OF GAS IN COOKE COUNTY WELL

Special to The Times.
GAINESVILLE, TEX., July 18.—Several Gainesville parties went out yesterday to the test well being drilled near Orlena, northeast of this city. Little information was gained, except there is gas pressure in the well. It is reported that the well is down something over 2,500 feet.

There is much activity in leases and real estate sales in the vicinity of the well, some good prices being paid. This indicates that somebody has strong faith in the oil test being made, but the men interested in the well are giving out very little information in regard to their prospects.

An oil strike at Orlena would put both Cooke and Grayson counties on the oil map in big letters and would put this city on such a boom as she has never experienced.

CHEMIST BACKS JUDGMENT WITH A THOUSAND DOLLARS

Special to The Times.
FREDERICK, OKLA., July 18.—Confidence in the outcome of the Armstrong company's test well, in section 6, township 4 south, range 18, three and one-half miles is shown in a unique contract drawn up between H. P. Ladd, a chemist, and A. Z. Rodgers.

Mrs. Jackson Says Her Strength and Energy Returns

Mrs. G. J. Jackson, residing at Fort Worth, Texas, and whose husband is a well known food room clerk for the Lone Star Gas Company, of that point, in discussing the benefits she has derived from the use of Orgatone, with the Orgatone representative in Young's Drug Store a few days ago, said:

"For over a year I suffered with indigestion, swelling and bloating of my stomach, and no kind of medicine I ever took seemed to give me any relief until I began taking Orgatone. I could not digest my food properly and after eating my stomach would become bloated with gas and cause severe pains in my right side. My liver was sluggish and I would have awful cramping spells which were very severe at times. I was so nervous I couldn't get any restful sleep scarcely and finally I got so weak and run down I would give out by noon each day trying to do my housework. In fact, I wasn't able to do anything and had to be done up of the time."

"After reading in the papers about how Orgatone was helping others, I thought it might help me, too, and it certainly has. After taking it only a few days I could tell a marked change in my feelings for the better, and since taking two bottles I am relieved of the indigestion and all the gas and uncomfortable feelings caused by it. I am not nervous any more and my sleep is sound and restful. My strength and energy have returned to me and I am now able to hold out all day with my household duties and not feel tired out and weak. This is just what two bottles of Orgatone has done for me and I think so much of this preparation that I am buying four more bottles to take home with me today."

Commenting on Mrs. Jackson's statement, A. W. Craig, representative of Orgatone at Wichita Falls said:

"There is not a single portion of the body that is not benefited by the helpful action of Orgatone, which begins its work by stimulating the digestive and assimilating organs, thereby enriching the blood and invigorating the whole system. Therefore it enables a weak, worn out stomach to thoroughly digest its food, promoting the assimilation of the nourishing products to be converted into blood, bone and muscle."

"It overcomes, it is said, that great exciting cause of disease, weakness. It renders the body vigorous and elastic. It keeps the mind clear and energetic and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by disease and mental and physical overwork, quickens convalescence, and is an unflinching source of comfort to all suffering from such troubles."

Orgatone is not a so-called patent or secret remedy but a new scientific treatment, absolutely free from alcohol in any form and is sold in Wichita Falls exclusively by the T. F. Young Drug Company, corner Ninth and Indiana, under the personal direction of special Orgatone representative. Other agents are Clark Drug Company, Burkburnett. Look for the Orgatone sign.

MUCH SPECULATION AS TO TILLMAN COUNTY WELL

Special to The Times.
FREDERICK, OKLA., July 18.—Drilling has stopped on the Midhoma well, six miles northwest of Manhattan, and it is thought by oil men here in Frederick that the well is a good producer, far above the 15 barrels reported several days ago, and the company is awaiting some means to move the oil away. It was said here Wednesday.

No definite information can be obtained about the well as the drillers are ordered to divulge nothing. However, it is the opinion among Frederick oil men that the Midhoma will be a heavy producer.

It has been reported in Fort Worth, Texas, that the Boger-Ard well, in the Grandfield section of the Frederick field, has indications of being a 3,000 barrel well, according to oil men here who returned from there Tuesday. All say that the eyes of the Fort Worth oil men are turned on the Frederick field and reports from the Midhoma and Boger-Ard wells are being matched with interest.

No report was received Wednesday from the Burk-Extension well, 15 miles southwest of Frederick. This well is drilling rapidly and will soon be nearing the 1500 foot mark, it was said here Wednesday morning. Indications are that it will be a well equal to the M. P. Burk, one of the largest wells in the northwest field.

Fed leases are changing hands and prices are generally rising, everyone seemingly holding leases and awaiting the outcome of the new wells, it was said here Wednesday.

Mrs. T. C. Scott is expecting Miss Maurine, Might of Danglefield and Mrs. O. B. Womack and Miss Wessie Moore of Dallas to spend the weekend. They will arrive on Saturday.

URGES RUSSIA BE LEFT TO SETTLE OWN AFFAIRS

By Associated Press.
LONDON, July 18.—Lieutenant General Jan Christian Smuts of the Union of South Africa, and member of the British peace delegation, in a farewell message advocated appeasement and reconciliation with Germany and encouragement of the "present moderate republican administration in Germany which is successfully fighting the European battle against anarchy."

General Smuts strongly urges leaving Russia to settle her own affairs on the ground that a soviet system may be better than barbarism, and declares Britain should apply the same medicine to Ireland that she applied to Rumania.

A Correction

MERELY TO KEEP THE RECORD STRAIGHT

According to an article appearing in the Wichita Times, suit has been brought against J. D. McMahon, contractor, who started the construction of the Abner Davis Refinery and, of course, a lien was run against the material.

I have offered to pay and stand ready to pay for all material actually used in my plant when proof is furnished that the material was delivered to and used by us.

I am anxious to pay for all material actually used in our plant, but cannot afford to pay bills just because they are presented with the statement the material was ordered for our plant.

ABNER DAVIS.

Tanks for Oil Storage

How are you meeting your tank shortage? Can you afford to stop operations or to lose your production for lack of storage facilities? Can you afford to wait for deliveries and pay the high prices of new material?

You can secure from us—

Tanks Ready for Immediate Shipment and Use

TANKS in any quantity up to 3,000.
 TANKS of wood or metal, vertical or horizontal.
 TANKS in varied sizes, from 50- to 30000-gallon capacity.
 TANKS for oil or air storage, circulating or pressure tanks.
 TANKS in excellent condition.

We also offer for quick shipment and at attractive prices Compressors, Pumps, Piping, Valves and other equipment needed in oil country and refinery.

LIEUT. "HARD BOILED" SMITH BEATEN UP BY HIS VICTIMS

POST BULLETINS TO EFFECT THAT MEXICO CAN BUY MUNITIONS

By Associated Press. WASHINGTON, July 18.—Army officers composing the court martial that tried Lieutenant "Hard Boiled" Smith and Lieutenant Mason, formerly in charge of American military prisoners in France, where soldiers are alleged to have been beaten mercilessly will be called before a special House investigation committee within a few days to explain the sentences they imposed, according to Representative Dallingier, Republican, Massachusetts. Other witnesses to be called at that time, Mr. Dallingier declares in his prepared statement, will testify that the trial of these two men was a joke, both Smith and Mason were given only sentences of dishonorable discharge, the statement asserted, despite testimony of their brutality. "Hard Boiled" Smith arrived at Fort Jay, N. Y., the other day," Dallingier declared, "and was almost at once seen by some of his victims there serving sentence. He was recognized by them and before the guards arrived he was beaten to a pulp and I believe he is now in the hospital recovering from a punishment meted out to him by those very men whom he had himself tortured."

SERIOUS VIEW IS TAKEN OF RECENT ILLNESS OF THE FORMER EMPEROR

By Associated Press. BERLIN, July 18.—The Pan-German Deutsche Zeitung, which stands close to former royal circles, takes a serious view of the illness of former Emperor William, calling it "deep melancholy." It is said that the one time monarch is so depressed that his physician views his condition as critical. Count Hohenzollern is said to rarely leave his apartment and seldom see his closest friends. The paper says that he spends many hours in prayer and that when he does talk he wants to converse on religious subjects. The former Emperor is said to show a "high degree of nervousness." The condition of the former Emperor is such, according to the newspaper, that she may have to return to Germany for treatment of her old heart trouble.

THREE MAJOR EVENTS IN TODAY'S RACE MEET

By Associated Press. KALAMAZOO, MICH., July 18.—The three major events of today's program were to wind up the local racing meeting so far as Grand Circuit performers are concerned. Tomorrow will be devoted entirely to half-mileers of the Michigan Sporting Circuit.

THREE HUNDRED VESSELS DELIVERED TO ENTENTE

By Associated Press. BERLIN, July 18.—It is officially announced at Hamburg that 300 vessels having that city as their home port and having a total displacement of 1,152,000 cubic meters, have been delivered to the Entente powers. Of these 31 ships were owned by the Hamburg-American line.

SHOP EMPLOYEES ON SIXTEEN RAILROADS THREATEN A STRIKE

By Associated Press. ATLANTA, GA., July 18.—Shop employees on sixteen Southeastern railroads will go on strike August 1 unless their demands for increased wages retroactive to January 1 last are met by the Railroad Administration arbitration board by July 31. This action, it was announced, was decided on at a meeting here yesterday of representatives of the railroad blacksmiths, boilermakers, car men, machinists, electrical workers and sheet metal workers. It is estimated about 30,000 men would be involved in the strike.

BELA KUN HAS BEEN OUSTED FROM HUNGARIAN GOVERNMENT

By Associated Press. PARIS, July 18.—Bela Kun, head of the Hungarian government, has been ousted, according to dispatches from reliable sources in Vienna, received by the peace conference.

Bela Kun was reported in Budapest dispatch received Wednesday to have broken off with nearly all the leaders. Officers of the soviet army were said to be deserting at every opportunity. The communist leader was quoted as having told his minister of education that he was tired of trying to ride Sox and Communist horses at the same time. Boehm, who has been commander of the Hungarian armies, was reported in prison in a dispatch from Vienna Wednesday. This dispatch also stated that Bela Kun was seeking some excuse to leave Hungary and that he would not return.

Bela Kun assumed the post of foreign commissary, or minister of foreign government, set up by Count Karol III. He took office in March, 1919, and immediately got in touch with the heads of the Russian soviet government. He was considered the founder of the communist party in Hungary.

FRENCH ENGINEER HAD DESIGNED A GUN WITH RANGE OF 100 MILES

By Associated Press. PARIS, Thursday, July 17.—While giving evidence before a committee of the Chamber of Deputies investigating the Brie question today, M. L. Bourgeois, chief engineer at the navy department, said that at the time Paris was being bombarded by German long range guns, he had designed a cannon with a range of 100 miles which could be put in position in an hour.

M. Bourgeois stated that previous to that time he had urged upon Albert Thomas, then under-secretary of state for war and munitions, the importance of bombarding the Brie iron works and had been asked to design a long range cannon. His plans, however, were sent from one committee to another and the order to manufacture it was not given until February 1918. The gun was ready for action at the time the armistice was signed, he said.

TO CLEAR HEAD AND CLEAN LIVER TAKE A CALOTAB

The Nauseless Calomet Tablet that is Purified and Refined From the Sickening Effects.

What will human ingenuity do next? Smokeless powder, wireless telegraphy, horseless carriages, colorless iodine, tasteless quinine — now comes nauseless-calobel. The new improvement called "Calotab" is now on sale at drugstores.

For biliousness, constipation and indigestion the new calomet tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calotabs. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. In morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business.

Calotabs are not sold in bulk. Get an original package, sealed. Price, thirty-five cents.—Adv.

CURB BROKERS TO BE PERMITTED USE OF OHIO AVENUE

COUNCIL DECIDES TO ALLOW PRACTICING TIME AS EXPERIMENT.

IS PRESENTED BY C. W. SNIDER

Plan Has the Approval of the Mayor and Others Present at the Meeting.

Curb stock brokers will be given a tryout on Ohio avenue for a period of two weeks or 30 days, following a protracted discussion both in open and executive session by the city council last night on the proposal advanced to prohibit the parking of automobiles on part of that street and rope off the space released for the curb off market. This action was taken following an executive session on the matter, the operation of the plan being left entirely up to Police Commissioner M. A. Bundy. The matter was discussed in executive session by the council, notwithstanding the provision in the city charter that such executive session can only be held for the employment or discharge of some official employe, or the discussion of the official conduct of some member of the city government.

The procedure determined upon will be of an unofficial character, owing to the council's position in passing an ordinance regulating the activities of the brokers, which they do not feel should be repealed before the proposed plan was given a thorough tryout.

Presented by C. W. Snider, cashier of the City National Bank, chairman of a committee from the Wichita Club to bring this and other matters to the attention of the council. Mr. Snider characterized the activities of the curb market as an attraction to the city for visitors from other places, although a detraction under the conditions that formerly existed when the sidewalks were blocked by the brokers.

Mr. Snider pointed out that every city from New York on down had its curb market, for the use of which part of certain streets are set aside. "Aside from its attractiveness, the activities of the curb market are at least not detrimental to the interests of the city," Mr. Snider said.

Mr. Snider suggested that automobiles be forbidden to park on about 200 feet of the west side of Ohio, and the space thus obtained be roped off for the use of the brokers.

Supported by Mayor.

Mayor Morrow warmly supported Mr. Snider's suggestion, declaring that the "biggest asset to Wichita Falls is that bunch of boosters down on Ohio avenue."

Would She Refuse Our Candy? CERTAINLY NOT

That is, if she really likes good candy, because our candy is the finest produced and, by the way, is put up in the most attractive packages. If she likes the outside of the box, she will love the inside more. Take her a box tonight, though they are just as appealing in the day time, of course. A box at the movies—that isn't a bad suggestion.

avenue." It was objected that all stocks could be purchased on the local stock exchanges. "But the stock exchanges are not boosters like the curb men," the mayor replied. "These fellows attract the attention and interest visitors to the city who have come here to look over the opportunities offered in the oil business. Then there's another angle to the situation, these fellows haven't offices and can't get offices as there are none available. Some of them have paid as high as \$5 a day for the privilege of standing in front of some of those stores on Ohio avenue. I think this council should go on record as being thoroughly in favor of this proposition."

W. S. Curlee pointed out that even if they had offices, oil stocks could not be sold in offices, but that the salesman had to get out on the street where they could see and interest prospective purchasers. The question was the confining of this activity to a portion of the street instead of allowing the salesmen to block the sidewalks.

There hasn't been an oil company floated here without some of the stock being placed through the curb brokers," said Albert W. O'Neill, a local broker, representing the curb brokers in the matter. The majority of stock sold here is in blocks of \$50 or less, and these blocks can be placed only through the curb market. Mr. O'Neill pointed out that a 200 foot stretch of Ohio avenue beginning three floors south of McClurkans contained establishments little if any patronized by ladies, and offered the most logical location for the curb market. He agreed on the part of the brokers that they would secure easels of uniform size, about 3 by 3, and would place them with an interval of two or three feet between easels to permit passage of pedestrians without their having to go to either corner to cross on Ohio. He also stated that the brokers would stick to their agreement to limit their activities to the part of the street assigned, and were willing, if necessary, to pay the salary of a policeman for enforcing these regulations on this part of Ohio.

Mr. Bundy stated that he would not consent for the brokers to pay the salary of a policeman, believing that this should be handled by the police department without any outside influence. The discussion was interrupted here by the council going into executive session.

COMMUNITY NURSE NEEDS CAR FOR USE VISITING THE SICK

Wichita Falls' community nurse, Miss Allison, needs some means of transportation, and the Federated Missionary Societies, who are employing her believe that there is some Wichita man who will have a small car, a roadster preferably, which he or she will be glad to lend to this worthy cause during their summer vacation. Miss Allison has many calls during the day, and they are nearly always on the outskirts of the city, and in a direction where the street cars do not run. To do her work so as to be of the greatest benefit to the largest number of people she must have some transportation, and the women who are interested in the work which the Federated Missionary Societies has undertaken have volunteered the use of their automobiles and have been taking her on the trips. All who have been called on have been most generous with their automobiles and their time as well. Mrs. C. W. Snider of the Federated Missionary Societies states, but Miss Allison is hampered in her work in not having a means of transportation at her disposal at all times. Where a hurry call comes in, if she had a car at hand, there would be no delay, and as it now is the nurse must wait to call some one, at a possible inconvenience to the person called, the nurse and the waiting patient.

Any one loaning their automobile for this purpose is assured that it will be used only for making the calls on the sick and needy, and that it will be given the best of care. Stipulations of the owner regarding the care of the car will be carefully followed. Anyone who will help out the community nurse and the Federated Missionary Societies in this matter is asked to call Mrs. C. W. Snider.

Miss Allison can be reached at the offices of Drs. Beckman & Kiel, and anyone desiring her services may call at the office, or telephone No. 711. Anyone knowing of a case or cases needing her attention is urged to call and give the particulars.

The Federated Missionary Societies are much gratified at the response which The Times appeal for contributions to the Free Milk and Ice Fund has met. There will be a great need for all the money that can be secured and anyone giving to this fund can be assured that their money will be used to alleviate suffering and expended in a manner as to be of the greatest advantage to those whom the fund is designed to help.

The Safeguarding of Deposits

In this strong State Bank is doubly assured by the operation of the Texas Depositors' Guaranty Law. Supplementing the safety for deposits which results from efficient and responsible management is the additional protection of an insurance fund under State administration. Our officers will be glad to discuss in detail this feature of our service.

BELGIUM TO HAVE BIG STEEL INDUSTRY RESULT OF MERGER

BRUSSELS, Thursday, July 17.—Out of the ruins of Belgium's steel industry which was systematically destroyed by the Germans will spring one of the biggest steel combinations in the world. Ten or twelve of the most powerful corporations whose plans were staid waste have decided to pool their interests into one immense undertaking. Stock in the various companies is being taken care of according to the method followed in merging many American plants in the United States Steel Corporation. The only thing remaining to be done is to place a valuation on the ore mines in the Briey basin and the Duchy of Luxembourg, which will form a part of the new trust. This will require but little time.

AN ADJUSTMENT OF VALUES

We are asked a good many times, "Why is the price of coffee?" There are, of course, many contributory reasons. Among them is the frost damage in Brazil last August. The fact that Europe has had practically no coffee for four years, and the surplus in the United States is practically nil. Price is also a factor. But the REAL REASON is an adjustment of values among countries. A few years ago Rio sevens sold for 5 1/4 cents per pound, so did cotton. Now cotton is for above 80 cents and Rio sevens for twenty-two. Wheat used to fluctuate between sixty-five cents and a dollar, and is now two-twenty. So it stands to reason that coffee can't take the old prices for his coffee and get by. Coffee is still the cheapest commodity of consumption—and the last to advance.
