MILLION AND HALF IS ASKED

HITCHCOCK'S THREAT TO RECALL THE TREATY FROM COMMITTEE IS PRODUCTIVE OF GOOD RESULTS

By L. C. MARTIN
(United Press Staff Correspondent.)
WASHINGTON, Aug. 13.—A threat by Senator Hitchcock, administration leader, that the peace treaty will be taken out of the foreign relations committee's hands and ratified unless the committee to decide to pass the treaty with all possible speed.
Hitchcock's warning was delivered today at a meeting of the committee and caused a stormy session. Following the meeting it was announced that the committee will begin considering proposed amendments tomorrow.
Asks Information.
Hitchcock first demanded information from the republican majority on the committee as to when the treaty is likely to be reported. He said, "I told them," said Hitchcock, "that there is a great demand in the Senate and the country for action, and asked when it might be expected. I said that unless some effort was made to expedite matters in the committee, an effort would be made to bring about action on the Senate floor."
Senator Lodge, the chairman, said he was in favor of expediting as much as possible, and did not believe there had been any artificial delay so far.
"I told the committee that they could put on as many amendments as they saw fit in committee, and we would promptly beat them in the Senate."
Debate is Bitter.
Hitchcock and Senator Fall had a bitter debate, bordering at times on the personal.
Fall, commenting on it, said that he objected to Hitchcock's manner. "I told him," said Fall, "that not only the actions, but the motives of some of us have been questioned by advocates of the treaty and the league and that I do not propose longer to restrain myself in the face of such attacks."
"I think as well as other committee members that before ratification of this treaty, we should have before us the whole series of amendments of which are not completed, but all of which are linked with the German treaty."
"I am not in favor of delay, but neither is there any reason for unconsidered amendments."
Senator Moses declared after the meeting that if democrats try to get action by the Senate before the committee has reported "the treaty will be rejected out of hand."

WASHINGTON, Aug. 13.—Democratic members of the Senate foreign relations committee today appeared anxious to have that body go to the White House to confer with President Wilson on the peace treaty.
The committee has questioned Secretary Lansing and other members of the American peace delegation in its consideration of the treaty. Some members said today the information they failed to elicit was, in their opinion, more important than what they did learn.
Democratic committeemen said that if Republicans are dissatisfied with the President's position, they should keep all the important matters in connection with the American delegation's work. But Republicans asserted that the President's position appears to be that of withholding instead of giving information. They are disposed to go to every other source before visiting the White House.
The most important facts brought out at the series of hearings, senators said today, included:
Proof that Article X of the League covenant was an American proposal, or was at least urged by the American with as much force as any other nation.
Evidence that the American plan for a league was not summarily thrust aside, but received at least as much consideration as the drafts submitted by Britain, France and Italy.
Testimony that the United States urged that Germany's bill be made as small as compatible with the necessities of the case, so that Germany, when she returned to normal conditions, and thus help get the whole world back to normal.
The foreign relations committee has finished its treaty hearings, at least for the time being. It takes up the Colombian treaty today.

BROOKLYN GETS SOME HUMOR OUT OF BIG STRIKE

Working people have been forced to ride in all manner and condition of conveyances. The bus drivers charged twenty-five and fifty cents to take people short distances. On the first day of the strike the private bus operators (any one with a filver) made from \$75 to \$100 from the public. The army motor transportation service rushed hundreds of trucks to Brooklyn and, like the many trucks, carried passengers free of charge to their destinations. Horse-drawn vehicles were pressed into service. There is some resentment toward the private bus operators who are taking advantage of the situation that the public is placed in.

AMOUNT IS REQUESTED BY THE ATTORNEY GENERAL FOR FIGHT ON THE HIGH COST OF LIVING

(By The United Press)
WASHINGTON, Aug. 13.—Today's developments in the fight against high prices were:
Attorney General Palmer asked congress to extend the food control act to clothing and other necessities.
War department announced further reduction of prices on surplus army food which is on sale.
Wheat Director Barnes advised the people to eat more flour and less higher priced foods.
Attorney General Palmer prepared to give newspapers full details of food hoarders, holders would be forced by public opinion to sell.
Senator McKellar denounced packers in the senate as monopolistic and profiteers, urging cold storage regulation.

WASHINGTON, August 13.—A million and a half dollars will be asked by Attorney General Palmer for anti-trust actions and other legal work to bring down living costs, he declared today.
Special lawyers will be retained to make investigations, he said.
Palmer also announced federal district attorneys throughout the country had been instructed to supply newspapers with names of holders of large food stocks and with the dates the food was placed in storage.
By RALPH COUCH.
(United Press Staff Correspondent.)
WASHINGTON, Aug. 13.—"Philless publicity" will be employed by the government to force the food hoarders to disgorge.
Names of owners of big stocks of food held in storage will be made public under a plan being prepared by Attorney General Palmer as another step in his nation-wide campaign to suppress profiteering.
Palmer was expected to make this clear in a telegram to be sent today to every one of the 100 district attorneys who are hunting hoarders.
The plan includes publicity for the prices at which food stocks were quoted when placed in storage together with the time held, present prices and other details.
This information will be given to the newspapers in each community by the district attorney, enabling residents to know who gets the profit on the food.
Palmer intends, it is said, to create public opinion which will force hoarders to put their stocks on the market immediately and bring down prices.
Nearly complete information as to stocks of food held in storage is in possession of district attorneys in many big cities.

POSTOFFICE CLERK IS ARRESTED FOR THEFT
PINE BLUFF, ARK., Aug. 13.—Following the arrest last night of N. T. McCanna, a clerk employed at the local postoffice, postoffice inspectors early today recovered \$6,000 in currency, the theft of which was reported from the mails here since Friday. Three registered packages, one containing \$10,000 in currency, and the others containing \$1,000, \$500 and \$250, were consigned by a local bank in Southern Arkansas. McCanna has refused to implicate anyone else in the theft and refuses to disclose the hiding places of the remainder of the money.

BROTHER OF COSTA RICA KILLED
WASHINGTON, Aug. 13.—Joaquin Tinoco, brother of the president of Costa Rica, was assassinated August 10, according to reports today to the State Department. No details were given. Tinoco is not known at the State Department. He was reported recently to have asked leave of absence from Congress with the intention of leaving the country. Joaquin Tinoco was his legal successor.

CINCINNATI REDS TAKE TWO FROM THE GIANTS

FIRST GAME.
Cincinnati 4 8 2
New York 3 9 3
SECOND GAME.
Cincinnati 2 6 0
New York 1 7 2

By United Press.
POLO GROUNDS, Aug. 13.—The battle of Coogan's bluff began this afternoon when Field Marshal McGraw and General Moran led their opposing forces against each other for a double header.
The weather was threatening but 18,000 non-combatants were on hand for the start of the first battle. The line-up:
Cincinnati: Rath, 2b; Daubert, 1b; Groh, 3b; Roush, cf; Neale, rf; Kauff, cf; Zimmerman, 3b; Snyder, c; Reuther, p.
Umpires Klem and Emslie.

lined to Rath, who doubled Zimmerman to Daubert; Neff doubled; Burns fouled out to Rariden. No runs; two hits; no errors.
Fifth Inning.
Reds: Fletcher threw out Daubert; Groh hit a home run; Doyle threw out Roush; Neale walked and was out attempting to steal, Snyder to Doyle. One run; one hit; no errors.
Giants: Rath threw out Young; Fletcher flied to Magee; Koff hit Doyle. No runs; no hits; no errors.
Sixth Inning.
Reds: Koff flied out to Young; Magee fanned; Rariden safe on Fletcher's error; Reuther fouled out to Snyder. No runs; no hits; one error.
Giants: Chase flied out to Neale; Daubert took Kauff's grounder; Zimmerman flied to Roush. No runs; no hits; no errors.

vanced after the catch; Wingo fanned. No runs; two hits; no errors.
Giants: Koff threw out Doyle; Roush got Chase's foul with one hand; Rath threw out Koff. No runs; no hits; no errors.
Third Inning.
Reds: Sallee fanned; Rath lined to Young; Daubert singled; Groh fanned. No runs; one hit; no errors.
Giants: Groh threw out Zimmerman; Gonzales doubled and took third on a passed ball; Groh threw out Douglas; Gonzales stole home; Burns fouled to Groh. One run; one hit; no errors.
Fourth Inning.
Reds: Roush was safe on Chase's error; Neale sacrificed; Doyle to Chase. Doyle was injured making the play and Baird took his place; Koff was safe on Fletcher's fumble; Koff stole second; Magee singled, scoring Roush and Koff; Wingo grounded to Chase; Sallee fanned. Two runs; one hit; two errors.
Giants: Young flied out to Neale; Fletcher lined to Neale; Baird popped to Rath. No runs; no hits; no errors.
Fifth Inning.
Reds: Rath flied to Young; Daubert flied out to Kauff; Groh lined to Burns. No runs; no hits; no errors.
Giants: Koff flied to Chase; Kauff singled; Zimmerman forced Kauff to Rath; Zimmerman attempted to steal; Wingo to Koff. No runs; one hit; no errors.

HOLD-UP MAN ATTEMPTS TO ROB BANK CASHIER IN WASHINGTON AND FAILING SHOOTS HIMSELF

WASHINGTON, Aug. 13.—A holdup man entering the banking room of the Munsey Trust Company in the heart of the Pennsylvania section today, pointed two pistols at a teller, demanded \$150,000, and then after firing one shot at a clerk, turned a pistol on himself attempting suicide. He shot himself in the jaw and was taken to a hospital.
Two money orders, issued at Defiance, Ohio, were found in the holdup man's clothing. When he demanded the money, the teller first made a show of counting bills, then dropped behind his counter as the robber fired a bullet that pierced the coat of a clerk nearby. The bullet the robber intended for himself went through his jaw and then shattered a plate glass window. The scene of the attempted robbery was within 500 feet of police headquarters.
The man told the police his name was John E. Fetzer, 416 East-st., Defiance, Ohio, and that his uncle, Charles R. Fetzer, at the same address, could tell "why he couldn't get ahead."
The man is a mechanic, 34 years old. He came here today from Nix, Ky. The man told the police he picked out Washington because he understood there was plenty of money in the capital and that a holdup was easy. The hospital physicians said he probably would recover. He said he previously had been in a Detroit hospital suffering from an electric shock.

Before the teams had played three innings, 30,000 fans were in the stands and hundreds of others were swarming at the gates.
The crowd, impatient at the delay in getting into the field, became jammed about the Eighth avenue entrance and the police had difficulty keeping them in order.
First Inning.
Cincinnati: Rath fanned; Daubert flied out to Kauff; Groh singled and went to second on a wild throw to first by Neff; Roush fouled out to Snyder. No runs; one hit; one error.
New York: Burns out to Rath; Daubert; Young singled, infield; Fletcher fanned; Doyle flied out to Roush. No runs; one hit; no errors.
Second Inning.
Reds: Neale popped to Zimmerman; Koff singled; Magee flied out to Burns; Rariden singled and Koff was out at third; Burns to Zimmerman. No runs; no hits; no errors.
Giants: Chase singled; Kauff popped out to Rath; Zimmerman singled and flied to Neale; Neale to Neale; Chase taking third; Snyder singled, scoring Chase and Zimmerman; Neff forced Snyder. Groh to Koff; Burns walked; Young safe on Daubert's error, filling the bases; Groh threw out Fletcher. Two runs; three hits; one error.

Third Inning.
Reds: Reuther fanned; Rath walked; Daubert safe on Neff's error; Rath taking second; Groh walked; Rath scored and Daubert and Groh moved up a base on Roush's sacrifice fly to Young; Neale flied to Neale; Sallee ball; Koff singled, scoring Daubert and Groh; Neale making second; Magee lined to Kauff. Three runs; one hit; one error.
Giants: Rath threw out Doyle; Chase lined to Rath; Daubert got Kauff's grounder. No runs; no hits; no errors.
Fourth Inning.
Reds: Fletcher threw out Rariden; Reuther fanned; Rath fouled out to Snyder. No runs; no hits; no errors.
Giants: Zimmerman singled; Snyder

Seventh Inning.
Reds: Rath flied to Young; Daubert flied out to Kauff; Groh lined to Burns. No runs; no hits; no errors.
Giants: Koff flied to Chase; Kauff singled; Zimmerman forced Kauff to Rath; Zimmerman attempted to steal; Wingo to Koff. No runs; one hit; no errors.
Eighth Inning.
Reds: Dubuc now pitching for New York. Roush doubled; Neale fouled to Snyder; Doyle threw out Koff; Magee flied to Kauff. No runs; one hit; no errors.
Giants: Fletcher walked; Doyle flied to Roush; Chase tripped, scoring Fletcher; Chase out at the plate on Kauff's grounder; Rath to Rariden; Groh to Rath; Kauff took second; Zimmerman fanned. One run; one hit; no errors.
Ninth Inning.
Reds: Rariden fanned; Fletcher threw out Roush; Rath singled; Daubert singled; Rath going to third; Daubert stole second; Groh lined to Kauff. No runs; two hits; no errors.
Giants: Rain began falling; Snyder flied to Magee; Gonzales batted for Dubuc and fanned; Burns singled but went out attempting to steal, Rariden to Rath. No runs; one hit; no errors.

SECOND GAME.
Batteries—Reds: Sallee and Wingo; Giants—Douglas and Gonzales. Umpires Emslie and Klem. Attendance 36,000.
First Inning.
Reds: Doyle threw out Rath; Daubert singled; Groh flied out to Young. Groh doubled up Daubert, to Chase. No runs; one hit; no errors.
Giants: Koff threw out Burns; Young flied to Magee; Koff tossed out Fletcher. No runs; no hits; no errors.
Second Inning.
Reds: Roush singled; Neale fouled to Zimmerman; Rath to Rariden; one flied to Chase and both runners advanced.
Third Inning.
Reds: Neale popped to Fletcher; Koff out to Kauff; Groh lined to Burns. No runs; no hits; no errors.
Giants: Rath threw out Young; Daubert flied out to Roush; Baird flied out to Roush. No runs; no hits; no errors.
Fourth Inning.
Reds: Daubert flied to Burns; Groh fouled to Gonzales; Roush flied to Kauff. No runs; no hits; no errors.
Giants: Chase flied to Neale; Sallee threw out Kauff; Zimmerman forced Daubert. No runs; no hits; no errors.
Fifth Inning.
Reds: Neale popped to Fletcher; Koff out to Kauff; Groh lined to Burns. No runs; no hits; no errors.

FAVORABLE REPORT ON BILL TO LEASE GOVERNMENT LAND AND STIMULATE PRODUCTION

WASHINGTON, Aug. 13.—Favorable report on the bill for leasing of government-owned oil, coal, phosphate and sodium lands for the purpose of stimulating production, was ordered to the Senate public lands committee by a unanimous vote.
The bill is the same as the last which failed because of the conference bill an oil prospector receive title to one-fourth of the acres allotted him under his prospect, but permit a fixed royalty of 2.5 per cent and a preferred royalty to lease the other three-fourths at a royalty to be fixed by the secretary of the interior, but at not less than one-eighth of gross production.
Oil lands within producing fields

would be leased in plots of 640 acres at a royalty of not less than one-eighth of gross production and not more than one-fourth of the oil produced.
Issuance of these leases would be by competitive bidding, however.
Prospectors would be able to lease a maximum of 2,560 acres of oil land on a basis of five to 20 cents a ton, but he provisions authorizing the sale of coal lands was eliminated. Alaskan coal is not affected.
Royalties for the leasing of phosphate lands would be two per cent on the gross value of output and for sodium lands would be one-eighth of the value of the output.
It is proposed that 45 per cent of the royalties received under the bill shall be paid to the states in which the government lands is located; 45 per cent to the reclamation fund and 10 per cent to the federal treasury.

SIX OF BOLSHIEV BATTALIONS DEFEATED IN SUCCESSFUL RAID

LONDON, Aug. 13.—Six Bolshiev battalions were destroyed in a successful Anglo-Russian offensive on the Dvina River on August 10, the War Office announced today. More than 1,000 prisoners, twelve field guns and many machine guns were captured.

OKLAHOMA GETS SUGAR REDUCTION

OKLAHOMA CITY, Aug. 13.—Oklahoma City wholesalers and jobbers agreed at a conference today with President of White Board of Agriculture J. A. State to burst to cut the cost of sugar to retailers at prices prevailing during the war.

SHOPMEN STRIKE STILL IMPROVING

CHICAGO, Aug. 13.—Railway officials reported today continued improvement in the railroad shopmen strike situation in practically every section of the country with the exception of Boston and Chicago where a large majority of the men refuse to return to work.

DEMAND OF GLENN E. PLUMB FOR AN INVESTIGATION OF THE RAILROADS MAY BE REFUSED

WASHINGTON, D. C., Aug. 13.—Demand of Glenn E. Plumb, author of the nationalization of railroads plan for a congressional investigation of the railroads today appeared likely to be refused by the House.
The belief of the majority of the members of the House on interstate commerce committee is that such an investigation is being carried on now by the interstate commerce commission in its efforts to ascertain the actual physical valuation of the property.
Plumb's charges, which he promised would consist of "new and secret evidence," failed to measure up to their forecast, several members thought today. Chairman Esch mentioned that Plumb dealt only with generalities, whereas it was expected he would make specific charges as to just how the alleged plunder had been distributed. Plumb stated details would be presented if the investigation is ordered. Plumb's statement was characterized by Representative Winslow, Mass., as simply the resume of what previous investigations of railroads have brought out.
The committee has completed its hearing of labor's plans for the operation of the roads and will now devote its time to the other programs proposed. It is not probable that a bill will be reported until about October 1.

RUSHING AID TO THE KOLCHAK ARMY
WASHINGTON, Aug. 13.—Material aid for Admiral Kolchak's Siberian army is being rushed to Vladivostok by the American Government. It was said officially today that 45,000 rifles and several million rounds of ammunition already had been sent from San Francisco and that additional equipment would go forward this week on an army transport.
Continued on Page Two, Column One.

SON OF CATTLEMAN IS KILLED NEAR ELDORADO

SAN ANGELO, TEX., Aug. 13.—The boy of Lonnie Tisdale, 12-year-old son of V. G. Tisdale, cattle man, was found today on a ranch near Eldorado, in Schleicher county. The boy had been shot over the heart. A gun found beside the body contained an exploded shell, indicating the shooting probably was accidental.
New prices by the case were announced as follows:
Corned beef, 6 pound cans from \$23.16 to \$21.00.
Roast beef, 6 pound cans from \$25.56 to \$22.80.
Baked beans, number 1 cans, from \$2.40 to \$1.92.
Baked beans, number 2 cans, from \$1.92 to \$1.44.
Baked beans, number 3 cans, from \$2.40 to \$2.16.
Stringless beans, number 10 cans, from \$2.88 to \$4.80.
Sweet corn, number 2 cans, from \$2.40 to \$2.18.
Tomatoes, number 2 cans, from \$2.16 to \$1.92.
Tomatoes, No. 2 1-2 cans, from \$2.64 to \$2.16.
Tomatoes, number 3 cans, from \$2.88 to \$2.64.
Tomatoes, number 10 cans, from \$33.00 to \$31.00.
Bacon, 100 pound crate, from \$33.00 to \$31.00.
Sugar cured hams, 100 pound crate, from \$33.00 to \$31.00.
Coincident with announcement of continued on Page Two, Column One.

SUBSCRIPTION TO ROAD FUND TOTALS AROUND \$40,000

WORK UNDER WAY IMPROVING HIGHWAY BURK. BURNETT.

THREE GANGS ARE EMPLOYED

Five Truck Loads of Material are Dispatched by Chairman of the Committee.

With subscriptions estimated at approximately \$40,000 in hand by noon today and construction actually under way Wednesday morning, the success of the oil field road project is considered practically assured.

Five truck loads of bridge material were dispatched by W. M. Priddy, chairman of the central committee in charge of the work, to the bridge gangs which are now at work repairing bridges and culverts along the route.

Three gangs of road workers are at work repairing the chug holes along the route, for which gravel has been obtained from two convenient sources. Contract has been made for eight trucks for the purpose of hauling oil to be used in the construction of the roads.

Teams of oxen for the hauling of oil are still needed, however, according to Mr. Priddy. Oil jacks will be provided for farm wagons suitable for the hauling of oil, says Mr. Priddy, and the teams will be paid for at the market price.

The various sub-committees are still at work raising the remainder of the necessary amount, \$75,000. This amount, at least, will be needed to assure the keeping of the road in constant repair, considered the most important part of the project.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use. Theodor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects. It has won the praise of thousands of people who have used it.

D. M. PERKINS T. A. MANNING PERKINS & MANNING INSURANCE AND REAL ESTATE We handle all lines of insurance and we appreciate your business. Phone 338 710 1/2 Indiana Avenue

fell that a good rain proceeding the dragging and oiling of the road will even be a distinct advantage. D. P. Taylor, who was retained by the central committee to have actual charge of the construction and maintenance of the road, is directing the work now under way.

MOTORCYCLE POLICEMAN COLLIDES WITH AN AUTO

While chasing a speeding automobile on Tenth street at an early hour Wednesday morning, E. Counts, motorcycle policeman, collided with a machine going in the opposite direction and was thrown to the pavement and sustained rather painful bruises from which he will be incapacitated several days.

FREE-FOR-ALL FIGHT STAGED TUESDAY IN LOCAL WAGON YARD

Rocks, flats and clubs figured freely in a young man's waged in a wagon yard on Indiana avenue Tuesday evening which resulted in three men being arraigned in the police court Wednesday morning on charges of affray, and two other men and a boy on charges of disturbing the peace.

This was apparently borne out in the testimony of the defendants, one of whom declared that he would not know the man he was fighting with if he saw him again. Another, having been bruted up from his indulgence with fighting pointed out to him, declared, "I have never seen him before."

CLEVER SCHEME FOR CHANGING NUMBERS ON STOLEN AUTOS

A large assortment of automobile keys, together with tools for the changing of motor numbers and dies for making new numbers were found by Policeman Miles of the city police in a room occupied by a man arrested by the officer on a charge of having a stolen automobile in his possession.

Nature's Remedy NR-TABLETS-NR NR Tonight—Get a Tomorrow, You Feel Right! 2-3-4-5 THE MILLER DRUG STORE

CO-OPERATION URGED IN EFFORT TO LOCATE LOCAL PROFITEERING

AGENT IN CHARGE OF INVESTIGATION NOT RECEIVING NECESSARY AID.

MUST HAVE PEOPLE'S HELP

Asks That Evidence Be Furnished Office of Commissioner in Person or by Phone.

H. D. Bishop, agent in charge of the bureau of investigation of the department of justice in the Wichita Falls district, reports that he has been unable to make but little progress in his investigations into profiteering in Wichita Falls and surrounding territory because of the failure of the people to give the proper co-operation.

"We must have the help of the people," said Mr. Bishop, "if we are to get at the profiteers promptly. It will take long delays if we are compelled to go out and dig up this evidence. In cases where consumers have been overcharged, the best evidence is the sales slip. If the consumers will bring us sales slips we can get at the profiteers immediately, and no one need doubt that we will act. We have received instructions to give investigations of profiteering precedence over other matters. An emergency has been

declared and we are urged to act with all expedition. I do not want to give this impression that evidence must be brought to us. We will go anywhere to follow anything that looks like a lead, but a sales slip will give us the best indication of a profiteer. If the consumer does not have a sales slip but can give us other information, we will be glad to have it. We believe that the campaign against profiteering is one that ought to receive the support of all law-abiding citizens and we are ready to push our investigation as strongly as we can. Our office is on the second floor of the court house. Sales slips or other evidence may be mailed or sent to the U. S. commissioner's office. Telephone calls at Nos. 2309 or 116 will reach us."

TWENTY-EIGHT ARRESTS BY POLICE ON TUESDAY

Twenty-eight arrests, several of them for second offenses, were made by the city police Tuesday on charges of improper parking of cars in the downtown district. This is the largest number of arrests made in any day this week, the first of the week and the end of the last showing a considerable improvement and a considerable dropping off in the number of arrests for this offense.

In practically every case the complaint charged the defendants with leaving their cars standing in the street, instead of parked at an angle with the street with the right fore-wheel touching the curb, as required in the city ordinances.

AMERICAN YEOMEN TO MEET THIS EVENING

The Brotherhood of American Yeomen will meet this evening at 8:30 in the Swartz-Wood building at 603 Scott street. Business sessions and refreshments will be the order of the evening.

Tonight! Take Dodson's Liver Tone! Better Than Calomel For Liver Calomel sickens! If bilious, constipated and head-achy read my guarantee.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. It builds up from his indulgence with your bile crabs into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone. Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful tonight, and if it doesn't straighten you right up and make you feel fine and vigorous by morning, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

New Oxfords

CHARGED THAT PREMIER ASQUITH LAUNCHED PEACE FEELER IN 1917

BERLIN, Tuesday, Aug. 12.—H. H. Asquith, then British premier, launched a "peace feeler" in August, 1917, according to a letter written by Frau Frieda Ferlin, president of the Stuttgart branch of the International Women League for Peace and Freedom, to the Freiheit. She quotes a letter she received at the time from Jonkheer J. O. Jong Van Beeken Donk, secretary of the Dutch Anti-Militarist League, in which he informed her that Mr. Asquith had asked him to put her direct question to the German chancellor, saying that a "good answer" would be of tremendous importance.

The letter to Frau Ferlin said it was thought that Mr. Asquith was ready for an undertaking if the reichstag should demonstrate it ruled the situation and really possessed power in Germany. This point, it was said, would be carried if the majority of

the reichstag should succeed in bringing about an unqualified open statement regarding Belgium. The letter begged her to do her utmost to induce the reichstag to issue such a statement.

Van Beeken said that the declaration of Dr. George Michaelis, then German imperial chancellor, relative to safeguarding boundaries had, as he conceived it, created an unfavorable impression abroad and declared that he wanted to establish whether the reichstag would not make clear the German stand regarding Belgium. Frau Ferlin states she took the letter to members of the reichstag who promised to present the matter before committees, but she adds: "The leading men of the reichstag parties were so weak against the government military dictatorship they were guilty of a collapse."

SPAIN IS THREATENED WITH AN AGGRAVATED MINISTERIAL CRISIS

MADRID, Aug. 12.—A ministerial crisis is impending in Spain and the government has summoned all absent deputies to Madrid. At the office of Premier Toca, an under-secretary, it was said the fate of the present cabinet would be determined at the meeting on Thursday.

The newspaper "A. B. C." said today that a ministerial crisis virtually had been declared.

The statement given out late last night at the premier's office said: "The government has completed the

task for which it was created. It passed the measures for the budget and that regulating the economic situation. It will give full liberty to the royal prerogative at the next meeting on Thursday. The monarch and the general opinion will decide the cabinet's fate."

Question as to the probable date of the government crisis, the under-secretary replied: "It may occur any time between now and November 15. The government has called all absent deputies to Madrid."

NO MEETING TODAY OF SUPREME COUNCIL PEACE CONFERENCE

PARIS, Aug. 12.—The Supreme Council of the Peace Conference held no meeting today.

Premier Clemenceau will leave Paris tonight for a week's vacation. His place as head of the council will be taken by Foreign Minister Pichon.

ERZBERGER WOULD CREATE AT ONCE A MERCANTILE FLEET

BERLIN, Aug. 12.—"We must proceed immediately to create a mercantile fleet and help Germans abroad with state advances," said Matthias Erzberger, vice-premier and minister of finance of the German government, speaking before the national assembly at Weimar yesterday. He promised the assembly that a bill carrying out these projects would be presented in a few weeks.

Herr Erzberger added that the loan situation must be given consideration, declaring that the German nation must raise 25,000,000,000 marks yearly in taxes in order to regain a healthy condition.

GREATER SHARE IN INDUSTRY FOR LABOR IS URGED

Suggests That Representatives of Capital and Labor Be Called in Conference.

FUNDAMENTAL CHANGES INEVITABLE SAYS SENATOR

Conference Would Promote Co-Operation Essential to Increased Production.

By RAYMOND CLAPPER (United Press Staff Correspondent.)

WASHINGTON, Aug. 12.—Labor must be given a greater share in industry, Senator France, Maryland, declared today in suggesting that representatives of capital and labor be called to Washington for a conference.

Fundamental changes in industry are inevitable and with unrest at its present tension frank talks from both sides around the same table would clear the air and bring the groups nearer together, France said.

Such a conference would promote co-operation, which is essential to increased production just now, he added.

Step in Right Direction.

"It would be a step in the right direction and would tend for greater co-operation between capital and labor," France explained. "There is no doubt in my mind but that we are facing a great many changes in our industrial system. Don't mean that capitalism will be abolished but employees are merely seeking a greater voice in the industries in which they are employed."

"The average worker is tired of being a machine drudge and he needs an incentive and a personal interest in his work. This outlet could be found in shop committees which could not only have a part in determining working conditions but would be represented on the board of directors."

Such a plan would not mean that the workers would run the industries as they do in Russia, France explained, and earnings would not be confiscated.

"In fact, if a man feels he is really an important part of the firm that employs him, he will be content with a smaller share of the profits than otherwise, because he has a responsibility," France declared.

This plan, France declared, has been in vogue for some time in Great Britain and is being adopted by the more enterprising concerns in the United States.

Appreciate Its Value.

"Business executives are seeing its value in stabilizing industrial conditions," France stated. "Old competitive system broke down under the war and we might as well face the fact that innovations are inevitable. Innovations are possible now without endangering the interests of legitimate capital. Such changes mean increased production and less unrest."

France said he is opposed to the

MANY CHICAGO PLAY HOUSES TO BE "DARK" TONIGHT AS RESULT OF GROWING STRIKE OF ACTORS

CHICAGO, Aug. 12.—Many Chicago playhouses are expected to be "dark" tonight as the result of a meeting of actors early this morning, at which it was decided a strike started last night and which resulted in the closing of the Cort and Cohan's grand theaters would be extended to other houses today.

TWO THEATERS ARE DARK LAST NIGHT

CHICAGO, Aug. 12.—With two theaters already darkened by the actors' strike which reached Chicago last night, and other closings in prospect for tonight, producer-managers were to meet today to determine what steps to take against officials of the Actors' Equity Association and individual actors.

The strike, closing Cort and Cohan's grand opera houses, was called here after Frances Wilson, president of the Equity, arrived from New York and held a midnight meeting of Equity members at the Illinois Athletic Association.

Other shows were allowed to proceed, Equity members said, because their producers are not members of the Producing Managers' Association, against whom the actors are directing their walk out. In this class fell "Scandal" playing at the Garrick; "Angel Face" at the Colonial; and "Fleek O'Hara" at the Olympic.

First intimation that the strike had been reached the ears of the manager of the railroad, although some of the features of it which employ representation in operating them ultimately be adopted.

"But the idea of asking the government to put up \$20,000,000.000 to buy the roads is out of the question," he said. "The plan goes entirely too far and I don't think the government is prepared to undertake such a financial obligation as it proposes."

Telegraphic Briefs

High Temperature. BEELEVILLE, ILL., Aug. 12.—His name is Lake Coffey but he has temperature enough to be chairman of the striking miners that have heated up Illinois mining circles.

Gambler's Strike. KANSAS CITY, MO., Aug. 12.—A "gambler's strike" has been freely circulated that no lights burn in big downtown dens. Some or "it is the season, lull," caused by orders from police headquarters.

"Strong" is Right. DETROIT, MICH., Aug. 12.—Strong chances of success were seen today for the newly organized Onion Growers Association of DeCatur, Mich.

Object Not Given. NEW YORK, Aug. 12.—Hugh Fryne, labor organizer, said he had been asked to organize a physicians union, to affiliate with the American Federation of Labor.

Losses Luxemburg Bride. CHICAGO, Aug. 12.—Sergeant P. Schmidt, Hillsboro, Oregon, will watch her next time. He lost his brand new Luxemburg bride in a department store here—for three hours. Police found her.

Sunday of Song. CHICAGO, Aug. 12.—Thirty nationalities will sing next Sunday. But not all at once. They are to advertise the all-American Exposition to be held here.

No Traffic Laws Above. CHICAGO, Aug. 12.—Lee Hammond, aviator, is going to stay in

CONSTRUCTION OF GASOLINE PLANT IS TO BEGIN AT ONCE

Construction for the first two units of the casing head gasoline plant of the Sinclair Consolidated Oil & Gas Co. on the Jackson Haddon farm, two and a half miles north of Burkburnett, is expected to begin within the next two days.

This plant, which is a duplicate of the original Sinclair plant at Cowington, Oklahoma, will have an initial capacity of a million and a half feet of gas, from which the yield will be between 3500 and 4000 gallons of casing head gasoline. The plant is designed for an ultimate expansion to eight units, with a capacity for handling over 5,000,000 feet of gas. From the plant a main ten-inch discharge line will run to the Broncon tract with an eight-inch line from there to the Meadows. Two 300 vacuum plants, one for each of these tracts, will be installed. Loading facilities will be provided on a spur tract from the Northwest to the plant on the Haddon farm.

H. B. Barnard, general superintendent of the Sinclair gasoline department, and W. W. Baker, construction superintendent, both of Tulsa, are in Wichita Falls to direct the construction of the plant.

Will Buy string 1700 feet 6 1/2-inch or 6-inch Casing Today. Call 1450. Room 16, Texas Oil Exchange. TEXAS BLUE BONNET OIL COMPANY

Our Future Home

Intelligent Banking
Service to Oil Men

Wichita Falls is headquarters for the geologists and lease men, drillers and scouts of more than 300 oil companies.

It has fourteen oil refineries in operation or in process of construction. It is the oil town par excellence, today.

The National Bank of Commerce is essentially an oil man's bank. Its management is composed of successful, energetic, progressive men who are business executives as well as bankers, and they have a comprehending knowledge of the oil industry and the banking needs and problems of men engaged in it.

Our aim is to supply intelligent co-operation. That we succeed is best evidenced by our growth in deposits, resources and number of customers.

No master record shall be considered as satisfactory and complete and perfect until it has been approved not only by an authorized representative of the Victor Company, but also by the artist....

McCormack approves his Victrola Records

The Victor contract demands that every Victor Record be approved by the artist who made it.

Not only must every Victor Record receive the approval of the Victor Recording Laboratory before it is listed in the Victor Record catalog, but the artist who makes the Record must also be satisfied that it portrays his or her art with absolute fidelity.

When you play a Victor Record on the Victrola, you can be sure the interpretation you hear is exactly as the artist sang or played it—exactly as he or she wishes you to hear it.

So true to life in every detail that Victor Records have also earned for themselves the universal and enthusiastic approval of the great final judge—the music-loving public.

FOOTBALL SCHEDULE OF UNIVERSITY OF TEXAS

AUSTIN, TEX., Aug. 13.—The football schedule of the University of Texas for the coming season has been arranged. Several men of the last year's team are expected back, among them Captain-elect Doc Graves, Bob Blaine and Maxey Hart.

The schedule, which places the A. & M. game at College Station, is as follows:

September 27—Howard Payne at Austin.

October 4—Southwestern at Austin.

October 18—University of Oklahoma at Dallas.

October 24—Baylor at Austin.

November 1—Rice Institute at Austin.

November 8—University of Arkansas at Austin.

November 15—Haskell Indians at Austin.

November 27—Texas A. & M. College at College Station.

October 11 is still open, but it is announced that a game will be arranged for that date.

GRIFFIN TO BE OUT FOR REST OF SEASON

LITTLE ROCK, ARK., Aug. 13.—First Baseman Ivy Griffin of the Atlanta club will be out of the game for the remainder of the season as the result of dislocating his shoulder in a collision with Diestel of Little Rock at first base in Tuesday's game. Second Baseman Dykes of the visitors suffered severe scalp wound in sliding into the plate in today's game, but it is said that injury will not keep him out of the game for more than a day or two.

GRACE DIRECT WINS GRAND CIRCUIT RACE

PHILADELPHIA, Aug. 13.—Grace Direct, the speedy daughter of Walter Direct, won a hollow victory in the \$3,000 stake for 2:05 pacers, the feature of the opening day of the third annual grand circuit meeting at the Belmont Driving Club's track at Narberth Tuesday. The race had only three starters and was decided in finished heats.

The 2:12 pace went four heats and finished the best feature of the day.

BUTCH JONES DIES IN PHILADELPHIA TUESDAY

PHILADELPHIA, Aug. 13.—Samuel H. (Butch) Jones, widely known in baseball circles and formerly one of the owners of the Philadelphia club, died today. Mr. Jones spent 29 years in the service of press associations retiring from the Philadelphia office of the Associated Press in 1906 to take an active interest in the Philadelphia Athletics.

BENNY VALGER WINS OVER CHARLEY PARKER

BOSTON, Aug. 13.—Benny Valger, New York, was awarded the decision over Charley Parker, Boston, after 12 rounds of fast fighting here last night.

ALMOST A SHADOW, AFRAID TO EAT.

"My son-in-law was so bad from stomach trouble that he was reduced to almost a shadow and was afraid to eat anything, as all food caused bloating of gas which pressed against his heart, worrying him very much. Our druggist persuaded him to try Mary's Wonderful Remedy and in two months he looked fine, can eat anything and works hard every day." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation, which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—Mack Taylor and druggist everywhere.

SQUINT AT THE SCORE.

Yesterday's Hero—Jess Barnes. The Giant sharpshooter cut down the Dodgers and ran his string of victories to 10.

George Mordrige pitched well enough to win an ordinary game, but the Indians captured the contest, 2 to 1.

Fy Cobb played the Athletics and defeated them, 9 to 6. He doubled once and singled twice.

Sam Jones took a fine pasting before Ed Barrow could find the derrick so the Browns also walloped the Red Sox, 1 to 3.

NEW WORLD'S RECORD FOR THOUSAND TARGETS

CHICAGO, Aug. 13.—Amateur championship, double targets, junior championship and amateur championship single targets, 16 days rise wars to be shot today in the Grand American Handicap here.

Bert Lewis, well known trapman of Audubon, Ill., and Frank Troeh of Vancouver, Washington, won the National professional and amateur trap shooting championships, registering perfect scores.

Troeh also shot in a squad that established a new world's record by breaking 971 out of a possible 1,000 traps from eighteen yards. Troeh used a gun he purchased second hand in 1911 for \$19.25. He has earned in the neighborhood of \$40,000 while using this gun.

Shooters having high scores at yesterday's matches were Mark Arle, Thomasboro, Illinois; C. E. Smith, Marshalltown, Iowa; E. V. Kirby, Urbana, Illinois; M. Seavey, Portland, Oregon and Forest McNeir, Houston, Texas.

REBECCAS TO ELECT OFFICERS THIS EVENING

The annual election of officers for the coming year will feature the meeting of Rebecca Lodge No. 236 at 2:30 Thursday afternoon in their new hall in the Swartz-Wood building on Scott avenue. This will be the first meeting of the lodge in their new home, in the Odd Fellows hall.

In addition to the election of officers, a number of other important items of business are down for consideration at this meeting. Mrs. Charles Smith, N. G., urges that all members make an effort to attend his meeting.

Stale nuts can be freshened by soaking an hour in milk then fried in an egg.

SUIT FILED AGAINST CONTRACTORS OIL CO. AGGREGATES \$163,250

Suit for alleged actual damages of \$113,250 and exemplary damages of \$50,000, involving an oil well and a 40 acre tract in block 74, and in which the Contractor Oil Company and the Sixteen Oil Company are named among the defendants was filed in the 78th district court Tuesday by Fred C. Vogel and E. W. Napier. In addition to the two oil companies named, C. S. Thomas, A. F. Taylor, S. A. Mencer and C. E. LeBaum are made defendants to the suit.

Plaintiffs allege ownership of the land in question, and set out that the defendants entered upon the land without their consent and over their protest, to drill their well. Through failure to provide pipe line connections or proper tankage, the petition alleges, the defendants "wantonily and negligently" allowed 5,000 barrels of oil, to the value of \$11,250, to escape and go to waste. The well's initial production is given at 3,000 barrels. For the same reason, it is further alleged, since its completion the well has been damaged, and will continue to be damaged, through its production being pinched down, the amount of damage being placed at \$100,000. Damage to growing crops is placed at \$2,000, making a total of \$113,250 alleged actual damages.

Other suits filed Tuesday include: Fred L. Hagler vs. J. M. G. Oil Co. and James D. McMahon, debt and foreclosure.

LEASES AND ASSIGNMENTS.

J. C. Everett et al. to U. S. E. Oil Co., S. E. 4 acres, S. W. quarter James Walker survey, \$1 and other considerations.

THIRTY-ONE YEARS IN WICHITA FALLS

"I have been in Wichita Falls just 31 years and a few hours," remarked John Fore, commissioner for precinct 1, as the commissioners court were adjourning their August session. Mr. Fore came to Wichita Falls from Brockmorton county in 1888, and has resided here uninterruptedly since. He had come to Texas from Kentucky only a short time before coming to Wichita county.

During the time he has been here, Mr. Fore has been variously engaged in the livery business, in which he was engaged about ten years, in the grocery business and as a farmer. This is his first term as a county commissioner, he having been elected the representative of Precinct 1 in the 1918 elections.

Moreover there are contractors with the in abundance and all manner of cunning men for every manner of work, therefore it behooves thee to "Prove all things and hold fast to that which is good"

Contractors, masons, plumbers, carpenters, electricians, painters, roofers, etc., etc.

THE UNIVERSAL CAR

The Ford Model T One Ton Truck is really the necessity of farmer, manufacturer, contractor and merchant. It has all the strong features of the Ford car made bigger and stronger. It has the powerful worm drive, extra large emergency brakes acting on both rear wheels and controlled by hand lever, 124-inch wheelbase, yet turns in a 46-foot circle, and has been most thoroughly tested. We know it is absolutely dependable. We advise giving your order without delay that you may be supplied as soon as possible. The demand is large and first to order first to receive delivery. Leave your order today. Truck Chassis \$550 f. o. b. Detroit.

EFFECTIVE STEP AGAINST RENT PROFITEERING.

The sale of the buildings at Call Field to Wichita Falls ought to prove a most effective step against rent profiteering in Wichita Falls and ought to provide some measure of relief against a situation that has become very distressing here.

It is reported that the buildings at the field will become available to the use of renters as they stand. If this is so they will afford immediate relief to hundreds of people who are now homeless or who are forced to meet the exactions of unconscionable profiteers.

The purchasers of the buildings are representing the Chamber of Commerce, and will make them available to the public at reasonable rates.

The people of Wichita Falls owe the War Department their thanks for its action in turning over the buildings to Wichita Falls citizens. It is possible that by delaying the sale the department might have obtained a higher price from private interests who would have taken large profits from the public in reselling the buildings.

Instead of this the War Department has evidently cut red tape and has taken into consideration the best interests of the people. It is an action for which all of us ought to feel grateful.

Reports from Mr. Kemp in Washington indicate that a great deal is owed to Congressman Parrish for the success in obtaining possession of the buildings. Our new congressman is showing a most active interest in anything that will help the interests of the people of his district and his action in this instance as well as many others is being greatly appreciated here.

The investigations begun by the United States Department of Justice ought to have a deterrent effect upon the rapacity of the profiteers. The statute under which they will seek to obtain prosecutions is said to be very elastic and can cover a large number of offenses. Even if no indictments result the very fact that the investigations are being made will serve to make the profiteers less brazen. The people have stood and delivered in innumerable instances because they did not know there was anything else to do. The knowledge that they do not always have to do this will make them slower to accept unreasonable advances in the prices of necessities and will make the profiteers slower in imposing their exactions.

VOICE OF THE PEOPLE.

CITIZEN DISCUSSES THE SCHOOL SITUATION

Editor Times:

I see a lot of useless gush and nonsense in your columns about the public school of Wichita Falls. A friend today suggested that the school board, the superintendent and all the principals ought to resign and quit, disband, take out and give the people a rest for a year or so and I arise to second the motion.

There are only from 3500 to 4000 school children in this city and Fred Enuth and C. C. Shelton are paid to look after them and if they get too "gay" for them they can be sent to state institutions where they will be cared for without expense to us parents. So what is the use of having some 55 to 100 teachers here bossing the poor little dears and interfering with their juvenile amusements for

OUT OF LUCK

By CARL MEYER

come or an oil man with more real money than Lee Clark will be able to get together out of his salary.

After all is said, what does education amount to anyway? It's the money we are all after. Why should we be troubled about the education of the masses? These four thousand boys and girls will scuffle along some way without it. They will have an awful good time on the streets and in the picture shows. Of course they may grow up saying "I seen" and "I takened" but if they have the money they will get by all right in the best society we have in these parts.

In the meantime, I suggest that the school buildings be used for oil exchanges and offices for the oil men, brokers, etc. Fine "tent hotels" could be erected on the play grounds; a steady income could be derived from the lease of these buildings, probably enough to make a deep test in one of the city parks or on one of the school playgrounds and see if the city is not over a lake of the golden fluid which makes glad the heart of man. A few oil wells in the heart of the city would beat schools all hollow as an investment. The way we are growing we really have neither the room nor the time for schools anyway.

"Nothing waits but opportunity in Wichita Falls." This is the slogan and now let the opportunity to get an education just "wait" till we get all the money we want and then we can send our children off somewhere else to get an education; some of us

can, at least, and the others can have the consolation that theirs have as good a chance as the children of the poor in Russia and Mexico.

TIMES DAILY MARKETS

New York Stocks, Grain and Provisions, Cotton and Livestock.

COTTON MARKET.

NEW YORK, Aug. 13.—Unfavorable weather conditions in the eastern belt sections and unexpectedly firm Liverpool cables caused an opening advance of 17 to 21 points in the cotton market here today. October sold at \$2.15 and January at \$2.20 during the first few minutes or about 22 to 25 points net higher but the advance met considerable realizing or local pressure which was probably encouraged by favorable reports from the goods trade and early fluctuations were irregular.

More favorable views of the labor situation encouraged early buyers and active months sold about 27 to 32 points net higher before the end of the first hour with October touching \$2.25 and January \$2.27. Offerings increased after the publication of the weekly report of the weather bureau indicating that the crop had made fairly good progress in most sections of the belt, however, and there were reactions of 30 to 40 points later in the morning.

Trading continued very quiet during the early afternoon with prices sagging off from the heat under realizing and scattered Southern selling. October worked down to \$2.17 and January to \$2.22, or about 35 points net lower.

Cotton futures closed steady.

New Orleans Cotton.

NEW ORLEANS, Aug. 13.—Too much rain in the belt and a better Liverpool market than due, combined with expectations of unfavorable weather and crop reports from the government put the prices of cotton higher on the opening today. In the first half hour of trading the advance amounted to 26 to 32 points.

The weekly crop reports were better than expected and were followed by a selling wave which put prices in the trading up to noon three to five points under yesterday's close, the most active months.

Weakness in foreign exchange caused further selling under which the market dropped in the trading up to 1:00 o'clock to a level of 34 to 38 points under yesterday's close.

Cotton futures closed steady at a net decline of 45 to 56 points.

Liverpool Cotton.

LIVERPOOL, Aug. 13.—Cotton spot quiet; prices firm. Good middling 29.56; fully middling 29.06; middling 18.46; low middling 17.71; good ordinary 16.06; ordinary 15.53.

Sales 4,000 bales, including 3,800 American.

Receipts 16,000, including 3,600 American.

Futures closed quiet: September 19.32; October 19.93; January 20.11; March 20.13; May 20.13.

To aid in the capture of automobile thieves a Los Angeles man has invented a clamp to be locked about a tire which makes a loud noise each time it strikes a pavement and leaves an easily followed trail.

GRAIN AND PRODUCE.

CHICAGO, Aug. 13.—Uncertainty due to agitation over high cost of living and to railroad strike troubles today brought the corn market nearly to a halt. Price changes were narrow and erratic. Opening quotations, which ranged from 1/4 off to a like advance, with September \$1.91 1/2 to \$1.92 and December \$1.52 to \$1.53, were followed by a slight general decline and then by moderate upturns to above yesterday's finish all around.

Oats were dull and steady. After opening at 1/4c decline to 1/4c let lower to 1/4c advance, with September \$1.91 1/2 and December \$1.52 1/2 to \$1.53 1/2.

In the latter trading the market underwent a material setback.

Poultry: alive; lower; springs 23; fowls 25.

NEW YORK STOCKS.

NEW YORK, Aug. 13.—Equipments were again the dominant issues at the strong and active opening of today's stock market. Baldwin locomotive, yesterday's foremost feature, scored an initial advance of a point on the sale of 1,000 shares soon doubling its gains. Steels, tobaccos and food shares were one to two points over yesterday's final quotations, leaders of those groups comprising Bethlehem and Crucible

steels, Sumatra tobacco products and Wilson packing. Oils and motors were firm and United States rubber responded to its new stock issue with a gain of 3/4 points.

Baldwin locomotive reacted two points on denial that the company contemplates recapitalization and American telephone weakened again on persistent selling. Among obscure equipments and specialties, overnight advances ran from three to 11 points, oils also extending their gains.

Price movements were extremely conflicting later, gains in some of the equipments, motors and oil being offset by recessions in other stocks of the same groups. The closing was irregular.

Final prices on Liberty bonds today were: 3 1/2's \$9.90; first 4's \$4.10; second 4's \$3.90; first 4 1/2's \$4.10; second 4 1/2's \$3.14; third 4 1/2's \$4.80; fourth 4 1/2's \$4.14; Victory 3 1/2's \$9.82; Victory 4 1/2's \$9.80.

Sheep: 5,500; steady to higher. Lambs \$12.50@15.90; culls \$8.00@12.00; yearling wethers \$5.50@12.25; ewes \$5.25@9.25; ewes, culls, \$3.00@5.00; breeding ewes \$9.00@15.50; feeder lambs \$12.50@14.50.

AMERICAN STEAMSHIP ENGLEWOOD HITS MINE

DOVER, ENG., Aug. 13.—The American steamer Englewood struck a mine in the North Sea off the Thames River at 7:30 o'clock this morning and sent out a wireless message for help. She, however, is in no immediate danger of sinking and tugs are standing by.

The Englewood is making for the Thames under her own steam.

The Englewood left New York July 20 for Rotterdam. She was formerly the City of Englewood and is owned by the Fort Lee Ferry Co. of New York. She has a registered tonnage of 3,648 tons. Black Deep is off the mouth of the Thames River and is about 20 miles east of Southend.

FORMER TURKISH MINISTER MAKES GOOD HIS ESCAPE

CONSTANTINOPLE, Aug. 13.—Halli Pasha, former minister of marine and uncle of Enver Pasha, former minister of war, has escaped to Asia Minor with Kritchek Talant, another leader of the committee of union and progress. It is believed he will join Mustafa Kiamil Pasha in Erzurum.

Halli Pasha was made minister of the Turkish navy in 1913 and held office during most of the period of the great war. A Constantinople dispatch announced on June 13, 1918, that he had died but this news was never confirmed. Mustafa Kiamil Pasha, former grand vizier, foreign minister and president of the council of state, was in command of Turkish troops in the Lake Van region in 1916 and was defeated by the Russians, retreating to Erzurum. He was later arrested, being charged with responsibility for massacres of Greeks in Asia Minor early this year, his forces at Erzurum were reported to be concentrating for an attack on the Allies.

A Paris dispatch July 7 stated that Mustafa Kiamil Pasha and Esad Pasha might attempt the formation of a separate Turkish government. On August 4, advices from Constantinople reported that the Turkish cabinet had ordered the arrest of Mustafa Kiamil Pasha and Reuf Bey on the charge of convoking a separatist congress and organizing armed bands in the Smyrna and Erzurum districts.

DUKE OF AOSTA IS TO VISIT THE UNITED STATES

ROME, Aug. 13 (Havas).—The Duke of Aosta, eldest cousin of King Victor Emmanuel and commander of the Italian third army during the war, it became known today, probably will soon make a visit to the United States. From the United States he will go to China and Japan.

The Duke of Aosta is 50 years old and the eldest brother of the Duke of Abruzzi, vice admiral of the Italian navy and well known in the United States.

TWENTY-ONE FOREIGNERS EXPELLED FROM MEXICO

EL PASO, Aug. 13.—Twenty-one foreigners, including Americans, Spaniards, Cubans and citizens of the Argentine republic, have been expelled from Mexico recently by order of the Carranza government officials, according to El Dia Espanol, the Spanish paper in Mexico City, under date of August 6. Misconduct while in Mexico was given as the reason.

PENNSYLVANIA NO. 1 LOCATED IN BLOCK 819 REPORTED ON SAND

Much interest is attached to the reports of the Pennsylvania Oil and Gas Co. No. 1 Michna, found the oil sand at 1,638. This location is in block 819, and some distance west of present production, so if the Pennsylvania No. 1 makes a producer, additional territory

PRESIDENT TINOCO OF COSTA RICA HAS LEFT THE COUNTRY

WASHINGTON, Aug. 13.—President Tinoco has left Costa Rica. This report reached the state department today but details have not yet been received.

COMMISSIONER OF DALLAS COUNTY DIES

DALLAS, TEX., Aug. 13.—W. J. Patrick, county commissioner of Dallas county, died today after a brief illness. He was 63 years of age.

Mr. Patrick is survived by his widow and seven sons, one of whom is in the naval service.

BUSINESS—General hauling, heavy trucking and transfer business in the Burkburnett, Northwest and oil fields in North Texas.

MANAGEMENT—The operation and conduct of the business will be in the hands of financially interested, capable, efficient and successful business men of unquestioned integrity and standing in Burkburnett, and experienced in this field, who will pursue a vigorous and progressive policy in building up the company as rapidly as good business judgment will dictate.

EQUIPMENT—Will include three Caterpillar Tractors, one 10-ton Cleveland, one 55-ton Holt and one 75-ton Holt Tractors for moving boilers and extra heavy trucking; three 4-wheel drive Duplex Trucks, two 8-wheel Trailers, two 4-wheel Trailers, motor cars and complete line of tools, hoisting higs, etc., and a garage building.

EARNINGS—The earnings of the company with an organization of two crews to each truck and tractor, working in two shifts or 24 hours daily, at the prevailing prices offered, it is believed will be sufficient to enable the payment of dividends regularly and in such amounts as to yield, in a short time, a profit greatly in excess of the entire amount invested.

WE RECOMMEND these shares for investment as promising a reasonably certain and unusually large return.

While the statements contained in the above are not guaranteed, they were obtained from sources which we believe to be accurate.

CHICAGO MURDER IS MOST MYSTERIOUS IN HISTORY OF CITY

CHICAGO, Aug. 13.—Evanston and Chicago police today faced what they characterized as one of the most mysterious murders in the history of crime in the death of a woman believed to have been Mrs. E. L. Watkins.

Aroused by screams, residents of Evanston late last night notified police a murder had taken place in the neighborhood. Investigation revealed the body of a well-dressed woman, still warm, with the throat slashed almost from ear to ear.

Identification was made through "fingers" receipt found in her pocket-book.

Passers by told police they saw a person wearing a flowing red lined

COMPARATIVE COST TO FAMILY OF FIVE WITH \$2000 SALARY

Meat and groceries	851.40	681.00
Clothing for 3 children	226.88	150.00
Clothing for 2 adults	191.69	75.75
Clothing for husband	123.99	111.13
Medical attention, school books, care and general expenses	196.00	180.50
Totals	\$1,918.50	\$1,518.98

The figures were submitted today by Mrs. Anna McQuilian, wife of a stockyard inspector, during the parking house wage controversy held by Federal Judge Alachlor.

CHICAGO MURDER IS MOST MYSTERIOUS IN HISTORY OF CITY

CHICAGO, Aug. 13.—Following are the living costs in Chicago of the average \$2,000 a year man with a family of five as compared with last year:

1919	1918	
Household upkeep, rent, insurance, heat, electricity, etc.	\$388.50	\$500.00

Oil News

OKLAHOMA COMPANY OPERATING ON AN EXTENSIVE SCALE IN THE NORTHWEST BURKBURNETT FIELD

Another record has been established by an Oklahoma company in the northwest extension of the Burkburnett field when one considers the many stumbling blocks chucked in the way of all enterprises, big and little, since the date embargoes were made effective.

Less than 60 days ago the Oklahoma Petroleum and Gasoline Co., of Tulsa, spread its tents in this district, purchasing about 105 acres of leases, principally in block 97 and closely adjacent. Today they have two wells flowing 5,500 barrels daily, another well that will be completed today or tomorrow, four more on the stand ready for completion, seven are drilling, derricks are up for four more and one rig will be put up this week.

Spend Millions and a Half. The manager of the Wichita Falls offices at 600 Scott avenue said today: "We have expended approximately \$1,500,000 in the field, having paid as high as \$200 for some of the acreage acquired and the result now begins to show proportions that amply justify our every outlay. Briefly we have accomplished the following portion of what we have mapped out to do:

"The first well on No. 2 lease in block 97, being well No. 2, came in on Saturday with a gusher flow of 2,500 barrels; I personally attended to the gauging.

"Number 1 well, on lease No. 1, came in Sunday and is now flowing a steady flow of 3,000 barrels. Number 1 well on lease No. 2 is ready to be finished and will be completed not later than Friday. We have more wells on the stand that will be completed before the week is out, all of which were started at practically the same time and that was less than 60 days ago.

"In addition we are actively drilling seven wells; two of them are on lease No. 4 and 4a; one on lease No. 6, and 4 on No. 2.

"The rig will be up on lease No. 5 this week, and derricks have been completed for four more wells. That is the drilling record. In addition we have completed a four-inch pipe line from our center of production to the refinery and loading racks across the river, and the pipe has been purchased for a duplicate line, six-inch diameter. We have 100 acres for our refinery site on the north side of the river with loading tracks all completed. We own 400 tank cars, of which number 200 will be at once placed in commission to handle only our own production. Many of the cars are now on the way to the refinery on which work is progressing rapidly.

Providing Tankage. "One 37,000 barrel steel tank is nearly completed and work has been commenced on one of the five 55,000 barrel steel storage tanks for which the material is on the way. There will be two splitter tanks, stills, etc., and the brick, stone and other building material for refinery construction is on the ground. We got our material in by having a man ride every car destined for our location. In all we received 25 cars of material and supplies in spite of all the obstacles imposed by the embargo.

"Within two weeks at the outside we confidently expect to have a daily production of 15,000 to 17,000 barrels, and can handle it in our own lines refine 5,000 barrels a day when the refinery is completed, and later ship our entire output of crude and refined in our own cars from our own tracks. This statement is merely a receipt from the daily, weekly and monthly statements we make to the

'MOTHER' RENFRO GAINS ON ORGATONE

"I have gained in strength and feel stronger and better than I have felt in six years," was the remarkable statement made a few days ago by Mrs. W. G. Renfro, who is known to hundreds of people in this community as "Mother," for her work in church, charity and motherly kindness has gained for Mrs. Renfro hundreds of friends.

"For six years," continued Mrs. Renfro, "I suffered from indigestion and intestinal trouble and continual nervousness. I had no appetite at all and had to be careful of every little thing I would eat. I couldn't get any sound sleep, but would just doze and wake up often during the night, and, of course, I got very weak. My case was a very stubborn one, and seemed to yield very little to the treatment I was using.

"One of the drug clerks recommended Orgatone treatment so highly to me, and although I had given up hope of ever getting real relief but I decided to try it. I was willing to try anything to get relief and be able to eat a good hearty meal again, if nothing more. But I tell you I was both surprised and glad after using Orgatone a few days to find it was helping me. After I got through with my first bottle I had a good appetite and was eating just anything I wanted—and lots of it, and I was much stronger. My head has been relieved of those awful headaches, and I'm feeling just fine. I realize a woman sixty-three years can't be made into a girl again, but Orgatone has certainly given me a great change in me, and I never expected to feel as well any more as I do now. I don't have those indigestion pains any more either, and I feel that I'm entirely free from it. My nerves have gotten quiet, and I sleep all night long nearly every night without waking up at all. Orgatone is the best treatment I have ever taken in all my life, and I have taken lots of it. Any medicine that will do as much for old people as Orgatone has done for me certainly ought to be good for anybody else, and I hope my statement will cause others to take Orgatone and get relief as I did."

Orgatone is not a so-called patent or secret remedy but a new scientific treatment absolutely free from alcohol in any form and is sold in Wichita Falls exclusively by the T. F. Young Drug Company, corner Ninth and Indiana, under the personal direction of a special representative. Other agents are Clark Drug Company, Burkburnett.

general offices at Tulsa. We told The Times when first interviewed on our arrival here that we were a business concern, attending to our own business, and now leave it to the readers to say whether we have made good on the assertion."

Potted plants water themselves when placed on a new dish to hold water, in the center of the cover of which is an opening holding a sponge, through which the water rises into the holes in the flower pots.

FORTY-EIGHT LOCAL BUSINESS HOUSES HAVE NOT COMPLIED

Fifty-eight business houses have fire hazards remaining uncorrected, and have been so reported to the state fire insurance commission at Austin, according to Fire Chief J. L. McClure, who has just finished his reinspection of the business district. Insurance rates for these premises will be raised from 10 to 25 cents on the \$100 valuation.

More than half the hazards found on the first inspection were cleared away, the chief's report showing 60 corrections between the time of the first and second inspections. As against the 58 where conditions remain uncorrected, the total number of hazards having been 118. The total number of inspections made by the chief and his assistants was 523.

MISS BIGGART PLANS LECTURE IN CITY

Miss Mabelle Biggart of New York City and Mobile, Ala., founder and editor of the Semi-Tropical Magazine, published in Mobile, writer, dramatist and ethnologist, is in Wichita Falls, primarily investigating conditions of the oil boom with a view to writing articles concerning the city and the people as affected by the boom. Miss Biggart is also a lecturer and will probably deliver one or more lectures while in Wichita Falls, arrangements for which are now under way.

J. A. GARDNER RETURNS FROM LOUISIANA VISIT

J. A. Gardner, superintendent of the Gulf Production Company for the Wichita Falls district, returned this morning from a short trip to Louisiana, during which he visited the 10,000-barrel wildcat brought in at Homer, La., by the Standard Oil Company, the sensation of the present time in the Louisiana fields.

LOCAL KATY TEAM TO PLAY TERREL ON FRIDAY

The local Katy baseball team will make its initial appearance for this season before Wichita Falls fans Friday afternoon at 4 p. m., when they meet the fast semi-pro aggregation from Terrel, Okla. Katy employees here have quite a bit of baseball talent, some of it with professional experience, in their number, and are expected to put a club of a creditable calibre in the field.

MAER AND STALEY GO TO CLOSE LARGE DEAL

W. Newton Maer and J. I. Staley left for New York Tuesday afternoon to complete the sale of property interests in the northwest extension and the Maer-Brookings pipe line holdings to capitalists of Gotham. The transaction amount to about \$1,500,000.

BAKERS OF TEXAS ARE CALLED TO MEET

AUSTIN, Aug. 13.—Superintendent of Weights and Measures F. C. Weinert today issued a call to bakers of Texas to send representatives to a meeting in Austin August 25 at which the fixing of a standard net weight of bread under a law passed by the 36th legislature will be considered. This action is necessary, says Mr. Weinert, because of the constantly increasing cost of living.

BRENHAM MAN BLINDED BY BOLT OF LIGHTNING

BRENHAM, TEX., Aug. 13.—Otto Arndt was blinded today and suffering from sustained burns when he was struck by lightning while sitting on the porch of his home here.

FRISCO ACCEPTING SHIPMENTS OF OIL FROM NORTHWEST

For the first time since the declaration of the embargo due to recent labor troubles the Frisco is accepting crude oil from the Northwestern at Frederick. Although the quantities accepted so far are small, the fact that these shipments have again opened up is regarded as highly encouraging and giving promise of an early relief from the present situation.

HOLMES Improved Air Cooled

In the past we have offered you unequalled economy and performance—but we have not been able to offer you size. Now we offer you equal or greater economy, greater ability both in speed and in road comfort and a properly sized car—one that carries seven passengers in large car comfort.

And we offer you a car of distinctive appearance, quality in every line and specification.

The Price of Economy is no longer restricted carrying capacity and cramped discomfort and Excessive Operating Cost is no longer necessary in a roomy car of speed, ability and quality size.

The Holmes Improved Air-Cooled Car, with aeroplane type dual exhaust valves, eighteen valves all in the head, gives a speed ability of from three to fifty miles an hour on high gear at a gasoline consumption of 18-20 miles to the gallon of gasoline.

The Flexible chassis construction, steel frame, full-elliptic

springs and light weight gives a riding ease over all roads which permits of comfortable speeds of from 30 to 40 miles an hour over roads where other cars must slow down to 15 to 20. Tires last better than 10,000 miles to the set.

In body design every element of convenience and comfort has been served—roominess, completeness in equipment, beauty in design. OUR DEMONSTRATION MODEL IS COMING BY EXPRESS—it will be here in a few days.

WE INVITE all to whom we have sold cars before TO A DEMONSTRATION.

TO THOSE who have waited for a NEW CAR that would fulfill their expectations in REAL PERFORMANCE, we offer an OPPORTUNITY to try the HOLMES in any way.

August 18 should be the DAY our demonstrator arrives. Arrange for your demonstration as early as possible. We will be glad to arrange our schedule as nearly as possible to suit your convenience.

LACK OF STORAGE PREVENTS BRINGING IN ARNOLD WELL

SCOUTS OF OPINION THAT IT WILL BE GOOD PRODUCER WHEN COMPLETED.

LEASE OWNERS INTERESTED

Manhattan Oil Company Well is Reported to be Below 2,000 Feet.

Special to The Times.

NEWCASTLE, Aug. 12.—The consensus of opinion among the many scouts who have visited the now famous Arnold well of the Texas Company near this city during the week is that it will become a noted producer when drilled into the time sand and completed. It is reported by the head driller that the caving has practically ceased, and it is now only a question of bringing in the proper appliances and providing storage for the oil. The law forbids storage of the volatile oils of north Texas in earthen tanks because of the great loss by evaporation. The tankage at the Arnold well has been shelled for this reason. Great interest of the many lease owners in the new district centers around the final outcome of this test, as it will have a bearing on all future development.

The great depth of this rich oil sand has been considered by some as a deterring influence that would prevent the smaller operators from exploiting the new pool, but there is nothing in this line of reasoning. The Graham well will be completed at 4000 feet, which is no deeper than in some other Texas fields where the oil is of an inferior grade. The present cost per acre of leases is so low as to offset any increase in the cost of a completed well.

The well of the Manhattan Oil Company of Dallas, now being drilled on the Johnson ranch, northwest of the Arnold ranch, is an independent concern testing the northwest extension of the Arnold discovery. It was spudded in April 23, and is now down below 2000 feet, working on a single shift. The Arkansas Oil & Gas Company has established its camp, rigged up and will start drilling with 22-inch hole in a few days. This is also a test well to explore the structure in

a direction northwest of Newcastle, and, will be prosecuted to any depth necessary to make a thorough test of the possibilities of this section.

The Belknap Coal Co., which holds large tracts of land on the trend of the structure, directly north of the Arnold well, as well as in many other parts of Young county, are said to contemplate making tests on their holdings in the direction of the indicated line of the structure, which is well marked through many miles of the region about Newcastle. No definite announcements have yet been made but are confidently looked for in the near future.

PRODUCE BOARD OF CHICAGO IN FAVOR OF WILSON'S PLAN

CHICAGO, Aug. 13.—Action of the Chicago Butter and Egg Board today in voting in favor of President Wilson's re-establishing the food administration was seen by dealers on the produce market as a principal factor in reducing the present living costs.

The move was the first of its kind to be taken by a produce organization in the United States, was the belief of board members. Similar action was expected to follow in other market centers.

Produce men, as another move in combatting the food prices, urged concentration by the small shipper to avoid payment of the high shipping costs in less than car lots. They were told to send their shipments to the nearest place where enough growers can get together and ship in carload lots.

Potato men likewise urged concentration by the small shipper.

Although produce men here predicted no drop in the price of eggs for some time to come, potato brokers forecast a drop of from 40 to 50 cents a bushel on the market by the end of the week.

"There is much rolling stock on the tracks now because of the recent rail road strikes," said one broker, "and when these come in the market will be overloaded, resulting in a drop."

"Potatoes have been selling for \$3.30 a bushel on the market and I have heard that some housewives are paying as high as \$1 a peck at the store. Two weeks ago potatoes were selling for \$1.65 a bushel on the market and last year at \$2.50. When they fall I look for them to stay down."

HAS PLASTERING CONTRACTS ON THREE BIG BUILDINGS

John Rohan, of the firm of Rohan & Son, of St. Louis, is in Wichita Falls preparatory to starting work on the plastering contracts which the firm holds on three of the large buildings now under construction. The City National Bank, hotel and Clint Wood's buildings are to be plastered by this contracting firm. Work will be started on the City National Bank building next week, it is stated, if it is possible to secure supplies.

RAIL LIGHTS DEFEAT WASHINGTON TEAM

TOLEDO, O., Aug. 13.—The Rail Lights, a local semi-professional baseball club, pounded Fuller for six runs, one a home run, in the second inning, and Washington American League club was defeated in an exhibition here yesterday, 7 to 2.

PITTSBURGH NATIONALS DEFEAT SPRINGFIELD

SPRINGFIELD, ILLS., Aug. 13.—The Pittsburgh National League club defeated the Springfield Eastern League team here Tuesday in an exhibition game, 4 to 0.

BOSTON DEFEATS THE CHICAGO WHITE SOX

SYRACUSE, N. Y., Aug. 13.—The Boston Nationals defeated the Chicago Nationals, 4 to 3, in an exhibition game here Tuesday.

KIMMELL AND DILLARD WELL IN THE CUSTODY OF U. S. COURT BY AGREEMENT OF ATTORNEYS

Special to The Times.

AUSTIN, Aug. 13.—The well of Kimmell & Dillard on block 24 of the Knight subdivision of blocks 96, 97 and 98, Red River lands, was ordered impounded by Judge R. L. Batts, U. S. circuit judge, in the custody of the court pending the final settlement of a suit brought by the Cordell Petroleum Company challenging the title of the defendants to the lease in question.

The defendants are allowed to retain possession of the well, and are required to preserve the earnings of the well in an account at the City National Bank of Wichita Falls, against which the expense of operation may be charged upon approval of the plaintiffs and the court.

The final hearing of this suit will be before Judge Wilson in the U. S. court at Wichita Falls.

The order today was the result of application for receiver and was a compromise agreement of the attorneys in the case.

BOY SCOUTS TO MEET AT FIRST CHRISTIAN CHURCH

A call has been issued to all Boy Scouts and former Boy Scouts, and all other boys interested in getting into peopery, interesting and enjoyable work to meet at the First Christian Church on Thursday, August 14, at 8 p. m.

The call is issued by Scoutmaster Henry, through Will McClure. The promise of a worthwhile meeting with interesting developments for the future is given to all attending.

BELGIAN TROOPS OCCUPY THE MALMEDY DISTRICT

BRUSSELS, Aug. 12.—(Havas).—Belgian troops have occupied the Malmedy district of Rhenish Prussia.

The Belgian war office announced Sunday that the occupation of Malmedy district by Carabiniers and cavalry would take place Tuesday.

ANALYSIS OF PRESENT CRISIS BY FINANCIER

President National City Bank of New York Discusses the Situation.

WORLD IS NOW SHORT OF THE NECESSITIES OF LIFE

Says Wage Earners Will Come Out of Present Economic Situation the Gainers.

NEW YORK, Aug. 13.—James A. Stillman, president of the National City Bank, one of the world's greatest financial institutions, today analyzed the present economic crisis in an interview with the United Press, emphasizing the following points:

The world is short of the common necessities of life, and that is the first situation to be dealt with. The high cost of living is the result of the war's destruction which makes the world short of necessities of life.

Wage earners will come out of the present economic situation the gainers.

Labor may lose now, owing to high prices, but it will gain when prices drop, because wages will not recede in the same ratio.

The present railroad question should not be considered as a dispute between employers and labor, but as one of national policy.

Railroad men are misled by misinformation, distorted statements and half truths.

Railroad investments as a class are certainly as clean as any other form of investment.

The public has received full value from the railroads and the best service in the world.

"The general situation at this time is one which calls for temperate speech," said Mr. Stillman. "No man who has any sense of social responsibility will want to say or do anything that will increase the confusion and excitement which exists.

"Patience is a great virtue just now. The world has had enough of fighting. Organized labor has officially endorsed the League of Nations on the theory that the world has reached a stage of civilization where it ought to be able to devise a better way of settling disputes between nations than by war.

Peaceful Settlements.

"That general principle is just as true in disputes in industry and between classes as it is in international affairs. There should be a better way to settle them than by strikes, lock-outs or other means which entail loss and suffering on the public. We should be able to settle our differences without threats or violence, as becomes a free people. Any fair proposition will win in this country in the long run.

"The war has interrupted industry and made many conditions abnormal. It is responsible for the high cost of living by causing a great scarcity of all the necessities. It is just what is to be expected after the withdrawal of so many millions of men from production. The remedy is in orderly industry. The whole situation will right itself as production is increased. Food will go down and clothing will be cheaper.

Civil War History.

"The country went through a similar situation after our Civil War. At first there was scarcity and high prices but when industry was finally resumed, we had a long period of falling prices. It is true that many instances wages do not keep pace with commodities when the latter are rising, but on the other hand, wages do not fall as fast as commodities when the latter turn downward.

"Labor generally loses on the rising scale, but gains on the downward scale and last longer than the losses.

"I venture to predict that the wage earners will come out of the situation the gainers, because the decline in wages is not so great as the increase in the value of commodities. It has always been so. All the improvements in industry, by invention and the accumulation of capital work for the benefit of labor.

"As for the proposal of the railroad brotherhoods, that is not a matter to be discussed in hotel lobbies. It is a question of national policy to be settled by fair discussion, not by considering railway owners or railway employees alone, but the interest of all people.

"How can the railways be most efficiently operated, so that the transportation charge which the public must pay shall be as small as is consistent with just treatment of investors and just treatment of employees? They see one side of the case only and are misled by the vast amount of misinformation, distorted statements and half truths that are current.

"The owners of securities of the principal railroads have nothing to fear from any fair inquiry into the value of the properties. The railroad investments of this country as a class are certainly as clean as any other form of investments.

"Vastly more money has been made by the people who have followed the construction of new railroads and land

An Institution--

With quality, service and time, any advertised product will make its maker an institution. The retailer's trade name is his trade mark. It therefore becomes a very valuable asset in his business. Our trade name has always been associated with quality goods and superior service. For this reason we ask you to look upon our label as a guarantee. We stand back of everything sold and if the goods purchased should happen to be unsatisfactory, we ask for the privilege of "making good." Our store is an institution in this community—one with a reputation for fair dealing, honest goods and superior service.

AN ADJUSTMENT OF VALUES

We are asked a good many times, "Why the high price of coffee?" There are, of course, many contributory reasons. Among them: The frost damage in Brazil last August. The fact that Europe has had practically no coffee for four years, and the surplus in the United States is practically nil. Prohibition is also a factor. But the REAL REASON is an adjustment of values among commodities. A few years ago Rio seven sold for 5 1/2 cents per pound, so did cotton. Now cotton sells for above 30 cents and Rio seven for twenty-two. Wheat used to fluctuate between sixty-five cents and a dollar, and is now two-twenty. So it stands to reason the Brazilian can't take the old prices for his coffee and get by. Coffee is still the cheapest commodity of consumption—and the last to advance.
