GIVE AID TO THE COYOTES

Who Are Now in Second Place And Have A Good Show Of Being Pennant Winners

In their defeat of Breckenridge last Sunday at Tee-Pee Park, and the defeat of Moran by Cisco the same day at Moran, the Baird Coyotes slid into second place in the West Texas Sunday Baseball League and, loyally and substantially supported by Baird fans, will become pennant winners. Their percentage is now .667 and they are determined to swat Desdemona from its 1,000 per cent position.

Next Sunday at Tee-Pee Park the Coyotes will lock horns with Eastland, which holds seventh place. On the Sunday following, August 17, they will go up against the heretofore formidable Desdemonians, who have played and won eight games, while the Coyotes have lost three out of the nine games they have played.

Manager Earl Hall of the Coyotes has much strengthened the Coyotes' lineup and feels confident that when they face Desdemona they will do so with the grim determination of lowering the champions playing percentage and fattening their own.

The Coyotes deserve and should receive a more general and generous support. They have played good ball although at times seriously handicapped, as for instance last Sunday, when, ten minutes before the game was called, only seven players had reported for duty and they were obliged to take the field against a strong team with two hastily commandeered substitute players. And yet the old Coyote spirit was there. They played good ball—and won.

On their bulletin board, at League headquarters on Market Street, the Coyotes have posted the following appeal, which should be generously responded to:

"Baird is now in second place in the West Texas League. We have a good show of winning the pennant, but we must have the support of the fans. The way to support us is to attend the games. We will do the rest."

The gate receipts Sunday were only a half hundred dollars. The Abilene Battery of the National Guard of Texas, who were on their way to the annual encampment at San Antonio, who were stranded here for seven hours, because of the burned bridge east of Putnam, were the guests of the Coyotes and lent a warlike air to the grandstand, while their splendid band rendered inspiring music.

RALLY HERE TOMORROW FOR MRS. "JIM" FERUGON

Judge Joe Burkett requests The Star to announce that Hon. L. H. Lewellen of Ranger, will speak at Baird Saturday next, on Market Street, at 4 p. m., in behalf of the candidacy of Mrs. Miriam A. Ferguson for Governor.

Come out and hear him. The battle is on! May constitutional governmentwin!

ARTHUR YONGE, FORMER BAIRDITE IN LAST SLEEP

Arthur Yonge, for many years a resident of Baird, first as depot agent and later as a merchant, is in his last, long sleep in Baird's beautiful City of the Silent Ones, Ross Cemetery.

He studied law and was elected County Attorney. He was twice married. His first wife was a sister of Neil and Charley Edwards. His second wife was Miss Edna Teeple, who survives him, together with four sons, Phillip, Arthur, Charles and Ryanca and three daughters, Anna, Louise and Edna, all of whom were present at the funeral. His eldest daughter, Mabel, by his first marriage, survives him, also two brothers, Claude Yonge, of El Paso, and Charlie Yonge, of California.

He moved from Baird to Post City and later spent some time, during the oil boom, at Ranger. He had been in failing health for some years, and died Sunday last, August 3, in a sanitarium at Sweetwater, where he had gone for treatment.

The body was brought to Baird and interred beside that of his mother, in Ross Cemetery. The latter died in 1912. Mr. Yonge was born August 14, 1852, and lacked only ten days of being 72 years of age at the time of his death. Mr. Yonge was a high-toned, honorable gentleman and had many friends in Baird, who regret his passing.

The funeral services at the home of Mrs. Mary Teeple, were conducted by Rev. P. B. Henderlit, pastor of the Baird Presbyterian Church. After the services at the house, the body was taken in charge by Baird Lodge, No. 522, A. F. & A. M. and interred with Masonic honors.

Mr. Yonge, for years, was a member of Baird Lodge, but at his death his membership, it is understood, was in some Western Lodge.

Mrs. W. E. Lowe, of De Leon, sister of Mrs. Yonge, accompanied by her daughter, Miss Mary Louise, were here to attend the funeral.

Much to the regret of his many friends, Night Marshal J. R. Roper has resigned his position and was around yesterday bidding his many friends goodbye. He left last evening on No. 6, bound for Maysville, Oklahoma, to take his old job as City Marshal of that sometimes tempestuous little city. Mr. Roper is a square man, a conscientious man. He has made a most excellent officer and a faithful guardian of the lives and property of Baird's sleeping citizens o' nights. The Star regrets to see him leave and wishes him only success in his hazard of a new fortune. There are several applicants for the position he held here and has resigned. The job is being held down temporarily by that sturdy old standby, Major Tom Perry, who would like to permanently hold down the job.

OPTIMISTIC OIL DRILLERS

In The Promising Dudley Field Have Resumed Operations On Allen Deep Test

Messrs. C. L. Mount of Cisco and L. S. Edwards of Eastland, experienced oil men, have resumed drilling operations on the Charles Allen fee near Oplin. This well is now 1400 feet deep and will be drilled to the Ellenberger lime, unless oil is found in paying quantities at a lesser depth. These men, being highly experienced in the oil industry, the well be rushed to completion without delay. This well is in the vicinity of the Dudley well and constitutes an important test in that district. These operators control considerable acreage and are very optimistic as to the final results.

Miller Bros. brought in a 200-barrel well on the Mrs. Kane lease, in the North Putnam field.

The Tidal Oil Co., Cathey No. 3 is in, good for 200 barrels.

T. & P. Coal & Oil Co. are drilling at 1900 feet on the Geo. Biggerstaff ranch.

A. S. Goodloe has a 20-barrel well on the Davis farm, southeast of Putnam.

The Hugh Moore Well No. 1, drilled by the Dudley Oil & Gas Co., continues to hold the interest of the oil fraternity. The Company has erected 2250-barrel storage, and as soon as the casing can be re-set the well will be placed on the pump.

C. C. Hotchkiss has contract from the Dudley Co. to drill a well on the Chrane Farm, located about one mile west of the Dudley store.

Need & Stone are drilling at 1100 feet on the Betcher farm, located east of and across the public road from the Discovery Well.

Warren Oakes et al are drilling on the C. B. Snyder ranch, northeast of Baird. This is to be a deep test.

E. W. Moutray et al have made a location for a shallow well on the P. G. Hatchett ranch, southeast of Baird.

The Dudley Oil & Gas Co. has made a location for a deep test on the Tom Windham ranch, south of Baird.

MRS. CORA HELM IS DEAD

Mrs. Cora Helm, sister of George Baum, died at Abilene Friday night, after an operation for tumor George Baum and others passed through Baird Saturday evening, with the body, on their way to Dressey, where interment was made.

The Star extends sympathy to the bereaved ones in their sorrow.

Sheriff Charles E. Bray recently arrested one of his absconding lodgers, Walter Smith, at Gail, Borden County, who gave bond in the sum of \$1500 for appearance at the October term of the Callahan County District Court. Smith was indicted on the charge of stealing an engine from the automobile of Mrs. Callie Marshall at Clyde some time in January, 1923. He was arrested by Sheriff Bray and lodged in jail, but shortly thereafter made his escape and has since been at large.

WENDLAND-MAYHEW BRILLIANT NUPTIALS

To the soft strains of Mendelssohn's "Wedding March," with Miss Sadie Wendland, sister of the groom at the piano, in the Baird Methodist Church, last Wednesday evening at 7:30 o'clock, the church darkened, its only illumination being the soft, langorous light of innumerable wax candles set at vantage points in the fern and smilax draped bower enclosing the altar, the nuptial procession honoring the marriage of Miss Nora Lee Mayhew, the talented daughter of Rev. and Mrs. W. J. Mayhew marched slowly and in perfect order into the big auditorium, and grouping at the altar rail the pastor of the church, solemnly pronounced the words that joined her "till death doth them part," to the man of her choice, Mr. Robert Ernest Wendland, a successful grain merchant of Killeen, where a recently erected cottage home—a veritable love house—exquately appointed, awaits the return of the young couple, from a delightfully scheduled honeymoon auto trip among the scenic wonders of West Texas.

The auditorium of the church was filled to capacity with friends of the bride and members of her father's congregation. The bridal procession was formed in the church basement and its members filed slowly to their places in the group before the altar.

Previous to the arrival of the bridal party there was a musical prelude, with Miss Sadie Wendland pianist and Miss Cecile Bishop violinist, both of Killeen, Mrs. E. L. Boston, contralto and Mr. W. Leaird Mayhew, baritone, exquisitely rendered Cadman's "At Dawning," Huerta's "Told at Twilight," Cantor's "O Fair, O Sweet and Holy." The "Wedding March" from Lohengrin was the processional and Mendelssohn's "Wedding March" the recessional. During the ceremony Miss Bishop rendered "Traumerei" on the violin.

Solemnly and impressively was the ritual marriage service of the Methodist Episcopal Church, South, intoned by the bride's reverend father, and after his closing benediction, most impressively uttered, the young couple and their attendants filed back to the church basement, where an impromptu reception was held and the auditorium was slowly emptied of the ceremony's witnesses.

The white-gowned bride and her girl attendants wore gowns of georgette, lace-trimmed and of contrasting colors. The bridesmaids and maid of honor wore corsage bouquets and the bride carried one.

A wealth of beautiful gifts were received by the bride and were on display at the parsonage. As Miss Nora Lee Mayhew the bride has a wide reputation throughout the State as a talented musician, having resigned from the faculty of McMurry College, Abilene, where as teacher of the violin she won high vogue, to take up the solemn duties of wifehood.

The out-of-town guests were: Mr. and Mrs. H. G. Wendland and Miss Mayme Louise Wendland of San Angelo; Mrs. M. G. Allan and Master Moulton Allan of Athens;

Mrs Kakama Stillman, a direct descendant of the old Hawaiian royal line is dead. She was 101 years old.

A dispatch from Berlin reports that a story is current in the German capital that Ex-Kaiser Wilhelm is now at sea on an Atlantic liner. There is no confirmation of the report in London.

The Geneva papers state that the British Government has sounded the Swiss government with the object of ascertaining whether it would have any objection to Moscow being represented at the League of Nations by a Soviet observer.

Repairs to the Mexican Eagle Oil Company's properties in the Tampico district necessitated by the four months of idleness due to the recent strike have been completed and resumption of work is expected forthwith, according to reports received at labor headquarters in Mexico City.

Modern girls are slaves to the powder puff, according to Lary Richmond Brown, noted woman explorer. "Too many of the girls of today," said Lady Brown, "have become dolls. Our girls during the war were capable, but I do not think the girl of the present day is made of the right sort—certainly not the girl of the night club and the dance hall."

Nature faking hosliery makers are manufacturing hosliery which resembles sunburn. The hose makes ones' legs appear as if they had been lingering too long in the sunshine and, at the same time, they eliminate the suffering entailed in the peeling off of the skin that has been scorched by the sun's rays.

Coolies who still persist in wearing a queue, may not engage in the popular employment of pulling "rikshas" according to an order issued by the Pekin police. Just why the ban is placed against them does not appear, unless it be for the purpose of further discouraging the practice of wearing queues, which has all but ceased among city coolies.

Mount Geikie, 10,854 feet high, the hitherto impregnable peak of the Continental Divide has been scaled by Cecil Wales of Edmonton, M. D. Geddes and V. E. Fynn of St. Louis, Mo., according to word received in Ottawa by the Minister of Interior. Mount Geikie is in Jasper National Park.

Hughes and Poincare Meet.

Paris.—The meeting at a dinner given by American Ambassador Herrick to Secretary of State Hughes and former Premier Raymond Poincare is regarded as the most significant of all of the events in which the American statesman has participated. It is difficult for Frenchmen to believe that the head of the American State Department and the leading figure in French politics would allow such an occasion to pass without discussing momentous international questions

Ex-Senator Townsend Drops Dead
Jackson, Mich.—Former Senator Charles E. Townsend, 68 years old, dropped dead at the home of Dr. and Mrs. L. J. Harris where he, Mrs. Townsend and Mrs. E. S. Loomis, her mother, were guests. Senator Townsend was defeated for re-election to the Senate in 1922 by former Gov. Woodbridge N. Ferris, a Democrat. The last part of his time as a Senator was devoted to a defense of his colleague, Senator Newberry, who resigned after a long fight over his campaign expenditures.

THE STAR FOR MRS. FERGUSON

If any one had told us ten years ago that we would have voted for a woman for Governor of Texas, we would have told him that he was either a fool or took us for one, but things have turned topsy turvy in these latter days, and many changes have come in politics and religion and nearly everything else.

We are forced to either support a woman for Governor or the representative and nominee of a secret political party that we believe inimical to the true principles of Democracy, in that it makes war upon two classes on religious grounds.

Therefore, The Star is for Mrs. Miriam A. Ferguson for Governor, and will support her, though every paper in Texas should oppose her. We will vote for her, even if we knew she would not receive another vote in Texas; but she does not look for newspaper support, nor of men of brains and character like M. M. Crane, Joe Cockrell, Senator Joe Burkett, former Speaker of the House L. T. Dashiell, and many others, too numerous to mention, and we will be in good company, regardless of the outcome.

We do not see how the friends of any of the candidates opposing Judge Robertson, the Klan nominee—and he brags about it—can vote for him. There were 700,000 votes polled, of which number Robertson received 192,000. Over 400,000 of this total vote is strictly anti-Klan, and how many of these can support the candidates of the Invisible Empire? We do not believe many of them will, but some will. It looks like the Imperial Wizard's candidate is scheduled to lose his scalp to a woman! So be it!

CALLAHAN COUNTY DEMOCRATS WANT "JIM'S" WRONGS RIGHTED

We, the Democratic Convention, assembled in the City of Baird, on this, the second day of August, 1924, believing, as we do, that the citizenship of Texas have been deprived of their rights and outraged in that part of the impeachment proceedings of the State Senate in barring the name and prohibiting from holding office that great Commoner, James E. Ferguson; therefore

This Convention goes on record as being in favor of asking the Senate, at its regular session in January, 1925, to pass a resolution restoring the citizenship of the said James E. Ferguson, by permitting him to run

for or hold any public office to which the people might elect him in the State of Texas; further

We ask that this resolution be submitted to the State Democratic Convention at Austin, and that this same resolution be placed in the Democratic platform, asking the Senate to give him a complete vindication.

MIDLAND COUNTRY PARADISE FOR THE LANDLESS FARMERS

Farmers of Callahan County are today invited through an advertisement printed elsewhere in The Star to investigate the Midland Country. Midland is said to have farms which renters can buy and pay for, and land which is good for investment purposes.

Cotton farming land around Midland, which is half way between Fort Worth and El Paso, is still selling for \$15 to \$25 an acre, and some of the land will this year make from a quarter to half a bale per acre, according to present indications.

In addition to the land being sold at a low rate with only \$3 an acre down required and ten years to pay the balance, the Midland country is entirely free from the boll weevil, and has no crab nor burrah grass. Farmers who have moved to Midland from East and Central Texas say they can handle 160 acres of cotton at Midland with as little work as they handle 40 acres at home.

There is a big movement of farmers toward Midland now, as that place is said to be one of the best advertised farming sections in West Texas. About 400,000 acres of land

are now on the market near Midland, and this figure will likely soon grow to a million.

Midland is an ideal place for rearing children and for home life, the people who live there declare. The Midland schools are among the best in Texas, having 27 1-2 credits of affiliation with the State University. The churches would do credit to a town of ten thousand inhabitants.

Home life is made pleasanter by the abundance of fruits and vegetables which can be grown. Watermelons and cantaloupes thrive in the Midland country.

Midland claims to be in the heart of the big, generous, golden West. Her people are a combination of Western progressiveness and Southern hospitality.

Mrs. Wm. Teeple is visiting her daughter, Mrs. W. E. Lowe, in De Leon.

John A. Castles, of Abilene, was here Monday to attend the funeral of Arthur Yonge.

Mr. and Harry Snoddy, of Waco, are visiting Mrs. Snoddy's mother, Mrs. Charlie Jones.

Mr. and Mrs. D. C. Barton and children left yesterday for a short visit with relatives in Haskell.

Carlton Powell and Gordon Harp left a few days ago on an automobile trip to California.

Bill Gilliland left the first of the week on a trip to Colorado and points in New Mexico.

Mrs. Ross Williams and children, of Amarillo, are visiting Mrs. Williams' parents, Mr. and Mrs. E. M. Wristen.

Misses Louise Bell and Saloma Alexander have returned from a week's visit with friends and relatives in Breckenridge.

Mrs. George E. Simons and little son, Sonny, of Okmulgee, Oklahoma, are visiting the former's parents, Mr. and Mrs. Mose Franklin.

E. L. Perry, Texas & Pacific foreman at Escota, who is a son, by the way, of Major Tom Perry, is off on a month's vacation among the ruggedly picturesque wilds of Minnesota.

John Bowls, who was operated on for hernia a few days ago, is getting along very well. Doctor Estes of Abilene, assisted by Doctors Powell and Griggs, performed the operation.

To secure funds for a longer and better school term for the Putnam district ambitious kiddies, a special tax of 25 cents additional on the \$100, was voted by property tax payers in an election held last week.

Postmaster M. J. and Mrs. Holmes and son, Greer, of Baird, and Miss Bess Holmes, of Gatesville, and Miss Anita McDaniel, of Sweetwater left Tuesday for Carlsbad to visit Miss Mildred Holmes. They will spend a few days camping on the Concho River.

Mrs. Larmer Henry, who was operated on Tuesday of last week, is improving. Doctors Powell and Griggs performed the operation and Mrs. Barton, a Baird trained nurse, who is a thorough mistress of her profession, has had charge of the patient.

Engineer V. Z. Perrimas, on his recent trip to Galveston County to inspect his fig orchard, took his maiden plunge into the saline waves of the Gulf, and was so enamored of her briny caress that it would not surprise his friends if he became a regular surf bathing fan.

Mr. and Mrs. W. J. Ray returned last Saturday evening from a month's automobile trip to their old home in Alabama, which they had not seen in 29 years. They also visited points in Georgia and Louisiana. The trip covered about 3000 miles and both Mr. and Mrs. Ray report a most pleasant trip. They made the trip in a new Chevrolet sedan.

Last Sunday traffic on the T. & P. Railway was tied up for seven hours, and several thousand dollars in loss sustained, when Bridge No. 365-O, between Putnam and Cisco caught fire and was burned at about 7 o'clock in the morning. No. 4, east bound, ran out to the burned structure and transferred the west bound passengers, mail and baggage back to Baird. The Sunshine Special, east bound, dragging several cars loaded with the Abilene Artillery Company of the National Guard of Texas, bound for the Summer encampment at San Antonio, were here all the afternoon, leaving town at about 7 o'clock. It looked like war times on Market Street, with khaki-clad warriors marching up and down the sidewalks.

Cotton, the farmers tell The Star, is looking well, but is badly in need of a good rain. Some cotton is shedding for lack of moisture. Ginners in different sections of the county are overhauling their machinery, making repairs and getting ready for the fall campaign. If naught interferes Callahan County farmers will be sitting pretty this winter.

Mrs. E. D. Merrill and bright little daughter, Evelyn, are back home from an extended vacation, spent in Benson, Arizona and El Paso. Pater Emerson Deliacus declares that the wife and daughter must have lived on the fat of the land during their outing, as both have gained in weight.

The house took fire, but M. Kalenin escaped without injury.

Male Butterfly Is Drunkard.
London.—Male butterflies like to get drunk, while female ones shun liquor and are perfectly content with water as a beverage, is the discovery of the zoologist, Sutt, after experiments along these lines. He kept all sorts of butterflies in his wire-screened garden and exposed several bowls, containing either pure water or whiskey of different brands. The males invariably took to the liquor bowls and sipped so long that they fell off the brim and rolled on the ground.

LABOR INDORSES
LA FOLLETTE
AND WHEELER

"UNACCEPTABLE" APPLIED TO
NOMINEES OF G. O. P. AND
THE DEMOCRATS.

MODIFY THE LIQUOR ACT

Federation Heads Indorse Platform
of Cleveland Conference for
Progressive Action

Atlantic City, N. J.—Heads of the
American Federation of Labor have
just made public their indorsement
of the platform of the Cleveland
conference for progressive political
action and that convention's nomi-
nees—La Follette for President and
Wheeler for Vice President.

The document is a denunciation of
the Republican and Democratic plat-
forms. The former party is charged
with having "flouted the desires
of labor in an arrogant manner," the
latter with having flouted labor's
desires with "that evasiveness which
is the customary mark of insincerity."

Both parties are asserted to be
"morally bankrupt" and manipulated
by "machine politicians" who have
involved the Nation in "moral ob-
liquity and unashamed betrayal."

Coolidge and Dawes, Davis and
Bryan, are dismissed as "unaccept-
able to labor."

Thus, in the language of the
text, "there remains the candidacy
of Robert M. La Follette and Bur-
ton K. Wheeler; the first an inde-
pendent Republican, the second an
independent Democrat, running as
such."

Those candidates, it continues,
"have proffered a platform in which
the economic issues of the day are
met in a manner more nearly con-
forming to labor's proposals than any
other."

Although it does not conform to
the American Federation of Labor
proposals on international issues—
specifically the League of Nations—
the La Follette-Wheeler platform
is held to come more closely to the
Federation's lineup on domestic is-
sues than either of the major party
platforms.

In the platform of the candidates
it has indorsed, the federation flads
pledges for favorable action on its
chief demands. Relief from injunc-
tions; abolition of the Railroad Labor
Board; curtailment of the Supre-
me court's power; prompt ratifica-
tion of the child labor amendment;
direct election of President, Vice
President and Federal Judges—these
and a few other of the planks of
the platform are cited as justification
for supporting it and its sponsors.

"Our course is clear," is the
conclusion. "In pointing to the plat-
form and records of the independent
candidates, we do so with the con-
fidence that no other course can be
pursued if we are to remain true to
our convictions and our traditions.
Those who are hostile to labor must
be opposed."

Care is taken, however, to make
plain that the American Federation
of Labor indorses only La Follette
and Wheeler and their platform. It
distinctly does not wish to be iden-
tified as the pledged backer of can-
didates for other officers who may
have La Follette and Wheeler as
chief, under the standard of a third
national party.

HUGHES AT BERLIN

Secretary of State Arrives as Ger-
mans Honor Fallen Soldiers.

Berlin.—As Germany mourned her
war dead with solemn ceremonies
throughout the Republic on the eve
of the departure of her representa-
tives to attend the all-important Lon-
don reparations conference, Ameri-
can Secretary of State Hughes ar-
rived to deliver the last of his three
messages of advice to convalescent
Europe.

The first of the Secretary of
State's unofficial messages was given
to the allied conferees themselves
at London; the second to the French
at Paris, where the adherents of the
Poincare policies had threatened to
stir up trouble. The third is now
being imparted to foreign Minister
Stresemann and Chancellor Marx of
Germany, who will lead their nation's
delegation to London.

Mr. Hughes arrived in a special
car from Cologne and was greeted
by Stresemann, American Ambassa-
dor Houghton and others.
He made no statement, but went
direct to the Embassy, where he
conferred all morning with Ambassa-
dor Houghton and then attended
a formal lunch in his honor at which
he was greeted by many leading
Germans.

days, has developed now a crisis of
the first magnitude.

J. H. Thomas, Minister for the
colonies, has virtually given Ulster
a time limit in which to begin set-
tlement of the question and oppo-
sition leaders in Dublin are urging
that the Anglo-Irish treaty be aban-
doned.

Thomas has announced in the
House of Commons that if Ulster
fails to appoint a representative to
the boundary commission the British
Government will introduce a bill
providing for settlement of the dispute
"and will press for passage of the
bill regardless of the consequences
to ourselves, meaning the Labor Gov-
ernment."

In the hope of averting a three-
cornered break which would affect
England, Ulster and the Free State,
Thomas has sent an urgent invitation
to President Cosgrave of the Free
State and Sir James Craig Ulster
Premier, to confer with him in Lon-
don.

In London meanwhile, it is
generally agreed that the dispute
may lead to a general election in
England, although the Labor Gov-
ernment is doing its utmost to stave
off a decisive fight and to reach
a compromise between Cosgrave
and Craig without submitting to
Parliament a bill for enforcing the
treaty between England and Ireland.

The treaty provided for a boundary
commission to adjust territorial dis-
putes between Ulster and the Free
State. Ulster so far has declined to
appoint a representative to such a
commission.

If the Government attempts to
force through a settlement by leg-
islation in Parliament the Tory di-
viders are expected to oppose bitterly
any move to lop off territory from
Ulster, while the Laborites and Lib-
erals would support any move for
the general pacification of Ireland
and the maintenance of the present
Free State regime.

Dublin.—Opposition leaders in the
Dail are demanding that the Free
State Government scrap the Anglo-
Irish treaty and establish the Irish
Republic.

Patrick Johnson, a leader of the
Labor group which is opposed to
President Cosgrave's administration,
declared in the Dail that the treaty
has been violated by British failure
to observe the delimitation of
boundary clause.

Johnson denounced the "treachery
of the British Government" and
urged the Dail to reconstruct the
Constitution, which would mean a
disavowal of the treaty and the in-
stitution of a Republic.

President Cosgrave came to the
defense of the British signatories
to the treaty and denied that there
had been bad faith on the part of
Britain. The Free State Government
has accepted the British explanation
of the delay in fulfilling the boundary
obligations, Cosgrave announced.

FUGITIVE 22 YEARS;
FINDS IT IS MISTAKE

Aged Man Discovers Murder He
Thought He Committed Imaginary

Birmingham, Ala.—Slave of a guilt
conscience, with the noose before
his eyes for twenty-two agonizing
years, Oliver Cameron, 52, slept the
sleep of one at peace with the world
on his hard cot in a prison cell here.

As the fugitive for nearly a quar-
ter of a century dozed peacefully
away, William J. Gay, 81 years of
age, gray and stooped, was hurrying
here from his home in Sharpes-
burg, Ga., to press charges of as-
sault with intent to murder filed
against Cameron after their flight
in 1902.

Unable to withstand the torture
any longer, Cameron was arrested
in Portland Ore., a few days ago.
He confessed he was a fugitive from
justice and told of the murder he
thought he had committed.

He was returned here and learned
that Gray was alive.
"Nothing matters now," Cameron
declared. "I have no man's blood
on my hands. What a relief."

FARMER THE FOCUS
OF THE DEMOCRATS

Demonstrated Republican Incompe-
tence and Callous Indifference
To the Tragedy.

Washington.—Democrats still in-
tend to focus a large part of their
campaign on the farmers, despite the
recent rise in grain prices which
Republicans claim will calm the
ruffled feelings of the Western and
Northwestern agricultural States.

Democratic leaders take the po-
sition that the recent improvement
will not be sufficient to make the
farmers forget conditions in the last
three years, and contend further
that the value of the advance in
grain prices to the farmer has been
overrated. With this message they
will hit the line just as hard as
they had planned before the ag-
ricultural pick up.

This attitude has been outlined
here by two leading Democrats,
Senator Walsh of Montana, perma-
nent chairman of the Democratic
convention, who will make the
speech of notification at Clarksburg,
and Carl Vrooman, former Assistant
Secretary of Agriculture.

At the same time the Departments
of Agriculture in an official state-
ment exploded reports that the farm-
ers would get an increase of \$1,000,
000,000 this year over last as a
result of the grain price rise. It
estimates that the increase will
amount to between \$100,000,000 and
\$200,000,000 on the assumption that
something over 500,000,000 bushel
would be sold. This increase, the
statement said "bespeaks an increas-
ed ability to pay off debts and a
general improvement in financial con-
ditions in the wheat country."

Declaring that the farmers would
not forget the depression of the
last few years, Mr. Walsh pointed
out that even if the present ad-
vance continued, and the farmers
benefited, they would have to use
any profit they make to wipe out
debts incurred long since, and that
there would be little immediate pros-
perity for them.

"Republican politicians are com-
placent prophesying that higher grain
prices will cause the farmers to
forget the three years of wholly
unnecessary crucifixion through which
they have just passed and to vote
the Republican ticket as usual," Mr.
Vrooman said. "These political fore-
casters gravely underrate the farm-
ers' intelligence."

He said that the farmers look
upon the recent rise as "too acci-
dental, too belated and too tempo-
rary," to cause them to forget the
last four years of "demonstrated
Republican incompetence and cal-
lous indifference to the tragedy."

Mr. Vrooman pointed to the one
remedy that will be urged by Dem-
ocrats in their appeal for the farm-
er vote, declaring that present grain
prices "demonstrate the ease and
dispatch with which the prices of
farm products could have been sim-
ilarly raised at any time during the
last three years by the simple ex-
pedient of disposing of our surplus
crops abroad."

Mr. Walsh in outlining campaign
plans, emphasizing this point also
saying that one of the four major
issues would be better co-operation
with Europe, sought for the aid
Democrats claim it will bring to
the farmer.

STATE SEEKS TITLE
TO LAND IN HARRIS

Texas Company and Humble Oil
Among 42 Defendants in \$50,
000,000 Suit.

Austin, Texas.—The Texas Company
and the Humble Oil and Refining
Company are among forty-two de-
fendants in a suit brought by the
State in the Fifty-Third District
Court of Travis County to recover
title to 648 acres of Harris County
oil land and for damages aggregating
\$50,000,000. G. C. Perkins of Houston
one of the defendants, has answered
bringing a cross action against the
defendants for \$28,000,000.

Allegation is made that defendants
came into possession of the land in
1901 and the accounting and settle-
ment asked for are the profits from
the oil and gas taken from the
land since that time. Mr. Perkins
claims to have been wrongfully de-
nied a permit to drill on the land
in 1917, through the refusal of the
then Attorney General to authorize
the Land Commissioner to issue such
permit.

The State alleges that 25,000,000
barrels of oil have been taken from
the land. It is one of the largest
oil land suits ever filed in Texas.
The land involved is included in
the W. S. Tomey and A. Goldmar
tracts, in the heart of the Humble
oil field.

DEMOCRATS DECLINE
TO TAKE ISSUE IN
MOBILIZATION ROW

Democratic Leaders See Nothing
Harmful in Observance of
"Defense Day."

Washington.—Governor Bryan of
Nebraska, Democratic vice presi-
dential candidate, has created a
nation-wide stir by his opposition
to the principle of National De-
fense Day, on Sept. 12, but his
party will decline to be drawn into
the controversy and will avoid
making an issue of this policy of
the administration.

Bryan, from all indications, would
like his lead to be followed by the
party. So would some other Dem-
ocrats.

Governor Sweet, of Colorado,
generally termed a progressive
Democrat, has announced that he
will not comply with the War De-
partment's request for mobilization
of the national guard, going a step
farther than Bryan who has con-
sented to order the national guard
to the colors.

But the Democratic party will
merely ignore the question, desista
the opinion expressed by their vice
presidential candidate. As far as is
known, Gov. Bryan consulted none
of the party leaders on this ques-
tion, but acted on his own initiative.
The party will take the po-
sition that he merely acted in his
capacity as Governor.

An idea of the position to be tak-
en by the Democratic leaders, gen-
erally can be gained from the view
of Senator Robinson of Arkansas,
minority floor leader in the Senate,
who was one of the dark horse
candidates at the convention in New
York, and has had a prominent part
in shaping party policies.

Robinson said that "he cannot find
anything unpatriotic or harmful in
the proper observance of 'Defense
Day.'"

"While I am a firm believer in
measures to promote international
peace and regard the promotion of
good will among nations as of
greatest importance, so long as
present world conditions exist, my
personal view is that it is proper
to make adequate provision for na-
tional safety and that it is consis-
tent and not unwise to afford our
citizens opportunity for military
training."

Robinson said: "I know there is
a growing sentiment in this coun-
try against war and I subscribe to it
heartily, but until sentiment in
other countries supports and makes
effective a program for disarmament
I can not find anything un-
patriotic or harmful in the proper
observance of 'defense day.'"

A rumble raised by Bryan's state-
ment however, is not going to die
down soon. It is certain that some
of the La Follette campaigners will
give voice. A resolution condemn-
ing mobilization day was adopted
in a dramatic moment at the La
Follette convention in Cleveland as
the result of a stirring appeal from
a student of the University of Chi-
cago.

TEXAS WILL FIGHT
SPREAD OF ANTHRAX

All Precautions Must Be Taken, Dr.
L. G. Cloud Announces.

Austin, Texas.—In an effort to
prevent further spread of anthrax
in Southeast Texas, Dr. L. G. Cloud
State veterinarian of the Live Stock
Sanitary Commission, has issued
warning that every precaution be
immediately taken to eradicate the
disease, announcement being made
that the situation is growing seri-
ous. The affected area in Texas, ac-
cording to Dr. Cloud, includes Or-
ange, Hardin, Jefferson and Liberty
Counties, all of which are under
quarantine.

Dr. Cloud announced that the
presence of anthrax in any section
of the State makes it dangerous for
the entire State as this disease,
which is at present taking a heavy
toll of human and animal life in
Arkansas, Tennessee and Missis-
sippi, spreads rapidly. Every effort
to eradicate the disease before it
reaches epidemic form is being tak-
en by Texas authorities, Dr. Cloud
said.

Eggs Thrown at Jack Walton
Muskegee, Okla.—Several eggs were

ernor, and candidate for the Demo-
cratic nomination for the United
States Senate, when he spoke in the
municipal athletic park here to the
largest crowd ever assembled in the
park.

Baird took second place in the League standing Sunday by defeating Breckenridge three to two, while Circo was defeating Moran eight to seven. Coker, catching for Cisco, was seriously injured in the third inning of Sunday's game at Cisco with Moran, suffering a broken leg; the third inning was also fatal to Davidson, who had a finger split.
