IRRIGATION OF WIDE SECTION IN PROSPECT

PROPOSED CONSTITUTIONAL AMENDMENT WOULD MAKE LONG PLANNED WICHITA RIVER SCHEME PRACTICABLE AT ONCE

IS WATCEED HERE

Mr. Kemp Believes Measure's Passage and Adoption Carry Tremendous Possibilities for This City—Action May Be Taken Here

Prospects for submission of a constitutional amendment next summer authorizing the formation of districts to vote bonds for irrigation of arid sections, or the draining of sections subject to overflow, is a matter in which Wichitans are taking a considerable interest. The measure of submission will probably take the form of an active educational campaign in behalf of the measure. A resolution providing for the submission of the measure was reported in the Senate Saturday and carried the signatures of 60 per cent of the members of the Senate as approval of the measure. The measure will be known as the Tillotson resolution. The resolution simply provides for the formation of irrigation or drainage districts for the purpose of those purposes in the same manner that a good roads district or a school district votes bonds for their respective purposes. At present the amount of bonds which can be voted under the constitution for these purposes is limited to 25 per cent of the assessed valuation of the land within a district, which is too little to carry on such projects.

The adoption of such an amendment would be the biggest thing that has ever happened for Wichita Falls, making possible the restoration of the dream of his life, the damming of the Wichita river and the cheap irrigation of from 1,500 to 2,500 of adjacent land, said J. A. Kemp Saturday when asked for an expression on this subject. Mr. Kemp and other Wichitans tried just 20 years ago to have an amendment passed, failing by only a narrow margin.

Mr. Kemp recently learned with considerable interest that the proposition to resubmit the proposition, while on a trip to Austin.

The damming of the Wichita river and the irrigation of adjacent land would make not only Wichita county, but Clay and Archer counties as well, and in his opinion would make Wichita Falls one of the biggest cities in Texas. I have thoroughly investigated every phase of the question and have worked for just such an end ever since I have been here, and know what I am talking about. The bill which has just been reported in the Senate is a local option measure, enabling us to form a district and borrow money at a low rate of interest for irrigation projects.

"The cheap money obtainable through this issuance of bonds will mean cheap irrigation, and the efficient raising of adjacent land under the system themselves. All the land of this section needs to make it equal to the best and highest priced lands in the country. It is a more dependable source of moisture. There have been several men who have wanted to finance the Wichita river irrigation project for years, but they have been unable to raise the money to do so. The Tillotson bill gives an opportunity of doing this work at a high tax on the irrigated land, and for this reason I am very much interested in it. I will give it my warmest support."

Mr. Kemp pointed out that while the possibilities in the measure as far as Wichita Falls are concerned, was the chief part of interest to Wichitans, a careful consideration of the proposed measure would make apparent the fact that the measure was a truly state-wide one. The bill is a measure providing for conservation and reclamation of waste lands, as well as for irrigating Mr. Kemp pointed out that practically all of Texas is subject to occasional floods and the damming of the rivers of the state would do away with the millions of annual flood damage and conserve the flood waters for useful purposes. Especially will this prove a boon for the farmers of the Trinity, Colorado and Brazos bottoms, who are seriously being damaged by the overflowing of the rivers of West Texas and the prevention to a large degree of the devastating spring floods which annually take place on the great Texas river valley.

The chief danger of failure of the bill lies, according to Mr. Kemp, in the lack of appreciation of the merits of the measure by the voters of Texas. To conserve the measure, a campaign of education of the voters in regard to the amendment would be necessary and Mr. Kemp expressed his intention of doing all in his power to aid in this campaign. Lack of means for the carrying on of an educational campaign of this nature was responsible for the failure of the proposition when it was introduced in 1897 by Mr. Kemp and other Wichitans.

When informed of a request for assistance in behalf of this measure received by the Chamber of Commerce from C. S. Fowler of San Antonio, Mr. Kemp stated that he would be in favor of giving all the assistance in the power of the Chamber of Commerce and expressed himself as feeling certain that Wichita Falls is usual would do her part.

FATHER CAMPBELL GOES TO SHOW UNIFORM TO FATHER

Father Campbell, Catholic priest here, recently on the border at chaplain of the Third Infantry, Texas National Guards in Federal Service, has left for his old home in Pennsylvania, where he will visit his aged father, who had expressed the wish of seeing his son in uniform. Father Campbell's leave of absence was extended 30 days, but he left town before 12 days was spent with friends in Denison. Police officers were looking for Father Campbell for a speeding charge, but he left town before they knew that he was driving the speeder car, and before they had been holding the clock on him and a borrowed Ford.

SAN-TOX, The Greatest Line of Family Remedies and Sundries in the World

We have just received a complete line of the Famous San-Tox Family Remedies and Druggist Sundries, known throughout the drug trade as one of the most reliable lines in the world. Only one store in a city is authorized to carry this line, and in securing it, we believe we have added one of the greatest advantages possible to the buying public. The San-Tox line embraces standard remedies for all of the less important ills, as well as a fine assortment of toilet articles, rubber goods, brushes, talcum and face powders, and all sundries.

We call special attention to San-Tox Baby Cough Syrup, important now, because of the weather and the prevalence of coughs among younger children. San-Tox Cough Syrup is prepared after a formula tried and proven for years by leading physicians, and may be given with absolute safety to the smallest children. Gives ready relief from coughs and colds. It is sold under a money-back guarantee.

WATER PROBLEM IN ARCHER SOLVED

Pipe Line from Little Wichita—Panther Making 120 Barrels—Showing In Big Bluff Well

Solution of the water problem in Archer county by putting a supply from the Little Wichita river, eight to ten miles distant from the field, is now promised, with the perfecting of arrangements by a number of operators and contractors to furnish water in that way.

With considerable drilling held up by lack of water and with some of the rigs in operation, facing shut-downs, the situation has become more and more serious recently, and the plan for bringing water from the river, thought likely to result in a marked increase in operations. L. P. Hammond, W. M. McGregor, M. D. Rowe, W. W. Silk, G. C. Wood, F. P. St. Clair and others interested in the Archer field, decided upon steps to solve the problem and yesterday completed arrangements for a pipe line from the Little Wichita, some distance east of the field. Work on the line will start at an early date.

Panther No. 2, given a fair pumping test after many waits and delays, put into the tanks at the rate of just five barrels per hour—120 barrels per day—during the first 48 hours on the pump. This is decidedly the best well Archer county has yet shown, and somewhat exceeds the original estimates for this well, though not up to some of the roseate predictions concerning it. The Sixty Six well continues making in the neighborhood of 100 barrels daily.

A showing of oil was encountered Friday afternoon in the Big Bluff company's well, northeast of Holliday on the Carson farm. The showing was found at 300 feet. The Archer Oil company will start work Monday setting the rig for its well about a quarter of a mile north of Panther No. 1, on Block 7 of section 10, T. 23 N., R. 10 E., S. 10 E. The location was made Friday.

A company, as yet unnamed, is being formed, with \$30,000 capital, to drill on one of several tracts southeast of the Archer Oil company's well. The tracts are on Lot 10 in block 39, Lot 10 in block 29 and a half interest on the Homestead 200 acre tract.

The Stone Oil company's well a few miles west of the city on the Seymour road was 600 feet deep Saturday and the next day or two may bring some interesting news from that scene. The Prospector Bend Oil company, in Jones 12 1/2 feet and the Allen Woodrum well about 150 feet.

W. C. T. U. PLANS PROGRAM ON NATIONAL PROHIBITION

Nation wide prohibition will be the subject of the open program to be given by the W. C. T. U. Thursday evening at the First M. E. Church at 7:30. This program was to have been given two weeks ago, but was postponed on account of the recent death of the speaker, who cordially invited the program follows:

Opening hymn, "All Hail the Power of Jesus' name."
Scripture reading selected.
Invocation.
Hymn, "The Fight is On."
Brief address by three laymen: (a) Personal Abstention, (b) Enforcement of Law, (c) Appreciation of Personal Responsibility.
High school boys quartet, under direction of Miss Agnew.
Reading, B. J. McHam, Jr.
Definite Action, subject of five minute talks by several of the pastors of the town. (a) Definite Cooperation, (b) Definite Prayer, (c) Definite Giving.
Selections from National W. C. T. U. president's address, Mrs. J. W. Akin.
Solo, selected, Miss Frances Allen.
Musical, selected, Miss Frances Allen.
Gloria song, by the White Ribbon.
Reading, "Defense of the Alamo," Dr. Johanna Campbell.
Musical, selected, Miss Urban, Miss Potter, accompanist.
Doxology.
Benediction.

DR. S. P. BROOKS TO SPEAK HERE TODAY

Visits This Section in Interest of Baptist Education—To Make Five Talks

Dr. S. P. Brooks, president of Baylor University, will be in Wichita Falls today and will speak at six meetings in this county today and tomorrow. Dr. Brooks is representing the cause of Christian education, particularly the efforts of the Baptists to raise a million dollar fund for the support of their educational institutions. This fund was started last year, the plan being to raise \$250,000 annually for four years. Last year that mark was exceeded. The campaign in this section this year is in charge of Dr. J. B. Gamble, Dr. L. R. Scarborough and Dr. Brooks.

Dr. Brooks will speak at the 11 o'clock service at the First Baptist Church and this afternoon will meet with a number of the men of the church who will hold a conference in connection with the cause he represents. He will probably return here tonight, going to Iowa Park for an address tomorrow afternoon at 2:30 in the afternoon and to Electra for a meeting at 7:30 tomorrow night. Few Texas Baptists are more widely known than Dr. Brooks, and his recognized ability as a speaker is expected to bring a large crowd out to hear him this morning. The last time Dr. Brooks was in Wichita Falls, it was as a candidate for office, he was running for the democratic nomination for United States senator. Smithing third in that remarkable contest. It is not unlikely that he will again seek political honors, according to reports.

PAID \$300 FOR LOT SELLS IT FOR \$8900

E. J. Libby to Move From House He Has Occupied for Past 25 Years

E. J. Libby, the contractor, has sold his residence property at 305 Scott Avenue to Fred Thom for a consideration of \$8,900. The lot has a fifty-foot frontage on Scott avenue. It is understood Mr. Thom plans the erection of a two story brick building on the lot, at the near future.

WAREHOUSE EMPLOYE IS HELD ON THEFT CHARGE

Frank Hurt, 285 Tenth street, an employee of the McCall Brothers Storage Company, was arrested Friday by Deputy Sheriff J. N. Jernigan and placed in the county jail on a charge of theft of property to the value of more than \$50. A quantity of hand painted china, silverware, some of it valued as family relics, and other articles which had been stored with McCall's were found on a search of Hurt's rooms. The loss was discovered by a member of the firm in checking over goods stored with them. A search warrant was issued by Justice J. P. Jones and Hurt's room searched by Officer Jernigan.

Wichita Falls bank clearings for the week just ended totalled \$539,210.41, slightly in excess of the previous week, when the total was \$528,166.53. The report follows:

Monday	\$ 82,026.58
Tuesday	186,044.98
Wednesday	32,236.54
Thursday	57,574.19
Friday	84,158.68
Saturday	76,919.51
Weeks total	\$539,210.41
Previous total	\$1,924,911.86
Total, 4 weeks	\$2,464,222.27

SUPERINTENDENTS MAY BE APPOINTED

Prof. Clark Returns From Meeting at Which Proposed Change is Discussed

Lee Clark, superintendent of city schools and member of the executive committee of the State Teachers Association returned Saturday afternoon from Austin from a session of the executive committee which fixed Waco as the next place of meeting of the association.

CHRISTIAN CHURCH CHoir PLANS SACRED CANTATA

Sunday evening February 11 the choir of the First Christian Church will give a sacred cantata. West's "Faith and Praise" at the church, the public being invited. The musical program will take up the entire time of the evening service.

Numerous solo parts and a sextette will feature the cantata which is being given under the direction of Miss Jessie Mae Agnew, choir director. The composition is said to be an unusually beautiful example of sacred words with fitting musical setting.

The soloists include: Miss Sigler, Miss Frances Allen, Mesdames Hamilton, Lee Clark and Harry May, and Messrs. Ralph Pond, Ross Duke, J. W. Bradley and B. D. Sartin. Misses Lola Strange and Sigler, first soprano, Miss Frances Allen and Mr. J. W. Pond, second soprano, and Mesdames J. M. Anderson and R. E. Thornburgh, contralto, make up the sextette.

ARREST EFFECTED IN OLD CASE HERE

Man Indicted Seven Years Ago For Forgery is in Custody at El Paso

W. C. Cannon was arrested in El Paso Saturday on a Wichita county indictment for forgery, seven years old, according to information received by local officers yesterday. Cannon was indicted in 1911 on a charge with forging the names of Dan Boone and W. T. Carlton as securities to a note Cannon would likely be in El Paso. The amount of the note was \$103.

The officers have for some time known of a party in Oklahoma who could give them information of Cannon's whereabouts, but the man demanded \$100 reward. Deputy Sheriff Bob McFall got wind of the fact that Cannon would likely be in Wichita soon and put the El Paso officers on the watch for him.

COMPROMISE UPON GAME LAW LIKELY

Wichitans Advised that Objectionable Features of Proposed Bill are Cut Out

The Homer-Metcalf game bill was defeated in the committee according to the telegram received here Saturday morning by local sportsmen who had protested against the passage of the bill.

The telegram said that a subcommittee had been appointed to draw up a new bill which will be a compromise. The proposal to prohibit the use of pump and automatic shot guns was defeated also.

Local sportsmen are now hopeful that a really good bill, one that will permit shooting yet will give more protection to the game than the present laws—will now be adopted.

Firestone MOST-MILES-PER-DOLLAR Firestone

In Connection with Our Local Salesroom and Distributing Depot We Operate the Most Completely Equipped Auto Tire Service Station in Texas

PLANS CAMPAIGN TO FIGHT HOG CHOLERA

Federal Expert Will Be Here Shortly to Carry on Work in This County

Educational work over Wichita county in the prevention of hog cholera, and the formation of cooperative societies for the prevention of that malady in this county, will be started here within the next few weeks by L. G. Combs, veterinary inspector of hog cholera, with the federal department of agriculture, who was in the city Saturday making preliminary arrangements.

Suit Pending Here for Last 7 Years Settled Saturday

Settlement of an old suit brought by his father, the late Judge L. H. Mathis, was made by Ralph Mathis Saturday, closing the suit of Norman Adams vs. next friend A. B. Adams vs. the Wichita Falls Traction Company for damages. The amount of the settlement was \$100. The suit, which was brought some six or seven years ago, and which attracted considerable interest here on account of the length of time consumed in dragging through the courts, had been carried to the supreme court, where a judgment in the district court for \$500 damages for plaintiff was reversed and remanded. A new trial was made Saturday in order that the settlement could be effected. The suit grew out of an injury to the left hand sustained by Norman Adams, then two years old by the falling of a tank at the Lake Wichita pavilion.

EARLY SETTINGS EXPECTED IN NEGRO MURDER CASES

Special venues for the trial of Treacy and Allen Daniels of Harvey Hughes, indicted at the last session of the grand jury in connection with negro killings taking place during the holidays, will probably be ordered Monday by Judge Bonner of the 30th district court. An early setting of these cases is probable. The others indicted by the grand jury at its last sitting will probably be tried in Judge Bonner's court next week, the week being given over to criminal setting. The case of J. Wool, one of the indictments against whom charge with receiving property stolen in the robbery of the general store of W. W. Viles at Burk Burnett last summer is expected to attract a good deal of interest.

MANY TELEGRAMS GO TO WASHINGTON

Messages Urging Sheppard Bill and Federal Court Action are Sent Saturday

More than two dozen telegrams to members of Congress urging favorable action on pending legislation affecting Wichita Falls were dispatched from the Chamber of Commerce Saturday for Monday delivery.

Messages urging an early and favorable report of the Sheppard bill providing for an appropriation of \$100,000 for the establishment of additional seed-breeding experiment stations in Texas were sent to every member of Senate committee on agriculture Saturday by the Chamber of Commerce.

The fact that a station would therefore be provided for Wichita Falls for the upbuilding of drought resisting cotton and small grain seed was mentioned in the message, and the importance of the work was stressed in the message. Members of the Texas delegation in Congress were also wired by the Chamber of Commerce and by individual acquaintances in this city for favorable action on the Stephens bill making Wichita Falls a court town which will come upon the unanimous consent calendar Monday.

MEMBERS CHOOSE FAVORITE BUREAUS

More Than 100 Have Assigned Selves to Chamber of Commerce Departments

More than 100 answers expressing the preferences of members for service on the various bureaus were yesterday received asking and filed at the Chamber of Commerce, as a result of cards sent out yesterday asking for expression from the members of the organization. It is expected that the larger part of the members will have registered their preferences by the middle of the coming week. As soon as enough of the 600 members have registered their preferences to permit meetings for organization of the various bureaus will be called for the Chamber of Commerce rooms. Some of the bureaus will be organized right away, while the organization of others may be deferred for weeks, or until such time as action on some question may be required by them. The convention bureau, followed closely by the agricultural and civic bureaus, are to be most popular according to the replies received.

TO CALL MEETING FOR COUNTY FAIR

Early Action on Matter is to be Taken—Hope to Form Organization Soon

An early call for a meeting for the organization of the Wichita County fair association, probably on February 12, was announced by B. F. Johnson, secretary of the Chamber of Commerce today. The organization of the agricultural bureau will take place about that time, and is expected to provide a working nucleus for the organization of the fair association.

Names of those who have expressed interest in the proposed county fair have been filed by Chamber of Commerce officials, and letters notifying the not this meeting will be sent to each of them by Secretary Johnson. Other names will be added to this list as they are secured.

With the organization of the association, committees to have charge of the various departments of the fair will be formed and work on the plans for the fair will start immediately. By starting the work early it is expected that the Wichita county fair will be brought forth next Fall a full blown county fair without having to pass through the jerk water stage which is the rule in organizations of this kind.

IT'S EIGHT YEARS OLD

But Mrs. Swope Says It's Just as Good Today as When it Was First Made

Over eight years ago Mrs. Swope testified to complete relief from kidney ills.

She says that there has not been the slightest return of the trouble. Wichita Falls sufferers will take a deal of comfort in Mrs. Swope's statement.

LINN BOYD HAS PURCHASED ELEVENTH STREET PROPERTY

Eleventh street between Broad and Denver streets is shortly to be the scene of considerable building. Linn A. Boyd has purchased sixteen lots on the south side of that street from R. E. Huff and is planning to erect a number of houses there, which he will put on the market.

KNIGHTS COLUMBUS GATHER HERE TODAY

To Initiate 32 Novices from Neighboring Towns—Banquet to Follow Ceremony

With 32 novices from Rhineland, Kettler, Scotland and this city to be initiated, Knights of Columbus of the Wichita Falls and neighboring lodges will gather here today for the initiation ceremony and several hundred are expected to participate in the proceedings.

The initiation will be in charge of Charles P. Koehl of Fort Worth, district deputy. The knights will assemble at the old church at 9:30 and march in a body to the church of the Sacred Heart for the 11 o'clock service. At 1:30 p. m. they will meet at the old I. O. O. F. hall 813 1/2 Indiana where the initiation will be held.

From Rhineland Council 1766—Anton Honer, Louis Bomer, Henry Clause, Nicholas Ehl, William Blake, Anton Wilde, Frank Kuelter, From Kettler Council 1824—Charles Lindeman, Anton Wolf, Theodore Jankowski, Schrieber, John Zielman, Vitalious Vitenheimer.

From Scotland Council 1715—Jerome Hoepfner, Joseph Hoepfner, Philip Hoepfner, Joseph Bremer, John Brown, William Balkhorn, John Freck, Paul Hart, Otto Anderly, Chas. Boyer, Frank Christian, John Ajates, Louis J. Hartmanngruber, Rev. Isidor Paul.

From Wichita Falls Council No. 1473—J. W. Simmons Jr., George O. Simmons, Mike Kerrigan, F. M. Kellier, Rev. Thomas Coyne.

TO FIX DATES FOR WEST TEXAS FAIRS

Wichita County to be Represented at Meeting in Sherman Next Month

Wichita Falls will be represented by W. S. Curlee and B. F. Johnson at the Sherman meeting, February 10, for the purpose of organizing a fair circuit through Northwest Texas.

By the formation of a circuit, and the arrangement of non-conflicting dates by the fairs participating in the organization, attractions can go from one to the other and will result in each fair settling better and a larger number of attractions.

W. S. Curlee has been prominently mentioned for president of the Wichita county fair and B. F. Johnson, secretary of the Chamber of Commerce has been prominent in pushing the organization of a fair association here, which is expected to put on a county fair here next fall.

NEW DOMESTIC SCIENCE TEACHER AT HIGH SCHOOL

Miss Lucy Martineau of Zanesville, Ohio, will arrive today and Monday will take up her duties as head of the domestic science department, the position made vacant by the resignation of Miss Ora Miller, who accepted a position in the Dallas high schools.

Miss Martineau, who is a sister of Miss Mignon Martineau the instructor in penmanship and drawing in the local public schools, has an enviable record of achievement in the work of domestic science in the schools in which she has taught in Ohio having prize winning domestic science classes. She has also had some valuable practical experience as dietitian in a sanitarium in her native state and in securing her services Lee Clark, superintendent of city schools, feels that the school is very fortunate.

Personals

Frank Kell will leave today for a business trip to St. Louis, Chicago, Kansas City and other northern points.

Frank Brown of Independence, Kansas, president of the Panhandle Refining company, was a business visitor here Saturday.

Mrs. M. Walkes returned yesterday from Olney.

Mrs. Walter Sanger, of Enfield, Okla., who has been visiting her brother J. L. Maxwell will leave this morning for her home.

Supt. Lee Clark returned yesterday from a trip to Austin.

Miss Ruth Wells and Miss Audie Penrod of Wellington were in the city yesterday on their way to visit relatives for a few days in Burk Burnett.

Mr. and Mrs. R. G. Scheurer of 1219 Ninth street returned yesterday from a visit with relatives in Dallas.

Mrs. L. L. Cashion of Petrolia was a visitor in the city yesterday.

J. D. Sandifer president of Simmons college in Abilene was a visitor in the city yesterday.

Eight young men on an expedition to the flats at an early hour Sunday morning ran afoul of a party of five with whom they became engaged in an altercation with the result that one of the former party was hit in the mouth and rather painfully bruised by a rock thrown by a member of the latter, and another was struck under the left eye. The assaulting party made a getaway, but two were later located and identified and taken in charge by Night Chief R. L. McDonald. One of the men, suspected of throwing the rock was turned over to the county authorities on an aggravated assault charge and will be held pending investigations of a charge of throwing the rock brought by members of the other party. The other was held at the city jail under a disturbance charge.

PHONES: Business Office 187 Editorial Room 187

In the New York skyscrapers the ticker is suspected of having something to do with the leak. On the Texas ranches it is known that the tick is the cause of a great leak.

A bill placing all postmasters under the civil service has passed the United States Senate. There is some prospect that the measure may pass in the House. Congressmen are not nearly so anxious to distribute post office patronage as popularly supposed. A good many of them would like to be rid of the responsibility.

Now we wonder what Colonel Roosevelt thinks about Elihu Root? Shortly after the November rout, the doughty Colonel excoriated those republicans who had ever spoken a sympathetic word for President Wilson. Now Colonel Roosevelt's cabinet officer said in a public speech that he is in full sympathy with the purpose of President Wilson's peace speech which contained "much noble idealism." Colonel Roosevelt will have to look over his choicest billingsgate doublets, to pick out expressions of the degree of prohibition enough to match his feeling toward the President and those who approve his speech.

Some prohibitionists in the legislature have been trying to stir up opposition to the confirmation of the appointment of C. W. Woodman as commissioner of labor because he is a zealous anti-prohibitionist. This is a very narrow view and is as reprehensible as Governor Ferguson's recent attempt to oust men from the State University because they attended a mass convention in which action inimical to his candidacy was taken. There are narrow minded men on both sides of the prohibition question. The question of prohibition should not enter into the confirmation of Governor Ferguson's appointees. Unless there is some valid objection there should be no delay in the confirmation of Mr. Woodman's appointment.

Women working in a number of factories in the United States have adopted overalls for their working garb. Overalls are said to give greater freedom of movements than skirts and are much safer. A growing number of women workers are using them. Their use appears permanent in the munition factories in Europe and other industries in which women have taken up the work of the men who are in the trenches. Overalls are in universal use.

Occasionally somebody speculated as to whom the Democrats will run for president in 1920. The third term precedent will eliminate President Wilson and the two men who now stand foremost are Champ Clark and William Jennings Bryan. Both have strong personal followings. Bryan's failures to win in other campaigns are likely to work against his chances for the nomination in 1920. Clark's failure to win the nomination in 1912 won't count against him, but will rather be in his favor. It was recognized that it was through no fault of Clark's but rather through the unpopularity of some of his supporters that he failed to win. His conduct in the intervening years has been such as to show that he is no skulker. He has loyally supported President Wilson and has met responsibilities with courage and wisdom. If Mr. Clark enters the lists in 1920 he is certain to be a strong contender.

The American government should lose no time in indicating to the German government that Erich Zoeffel, acting German consul general at San Francisco, is persona non grata and to request his recall. Zoeffel is the successor of Franz Bopp, former German consul general who has been convicted on a charge of violating American neutrality. In a speech introducing Bopp at a meeting in San Francisco, Zoeffel said the Bopp would be "promoted" on his return to Germany. If it is indeed true that Bopp is to be promoted it was decidedly improper for Zoeffel to make the announcement at the time and in the manner which he did because the only construction that could be placed upon his statement was that Bopp would be promoted because of the very acts in violation of American neutrality for which he had been convicted. Germany will do much to remove the de-

fluence of American dignity and public opinion by not waiting for the United States to ask for the recall of Zoeffel but to do so at once on its own motion and to announce that it was because of his statement regarding Bopp that he was recalled.

More than 8 million barrels of oil were produced within a radius of less than forty miles from Wichita Falls during 1916, according to reports compiled by one of the leading publications devoted to the oil industry. At present prices this oil would be worth nearly \$15,000,000. That is one reason for the heavy bank deposits in Wichita Falls. Operations are being pushed at a rate that promises to see the production of last year greatly surpassed in 1917. A great increase is certain if the new field in Archer county develops. Wichita Falls appears on the threshold of her greatest prosperity.

AERIAL WANDERER SETS WICHITANS TO SKY GAZING SATURDAY

Some boy's toy balloon—or something else of one's imagination was active enough to cause many Wichitans to do some sky-gazing shortly after one o'clock yesterday. The tiny object, whatever it was, was visible in the sky and was watched for some minutes by large numbers of folks, who, staring and pointing upward, presented a strange spectacle through out the business district. The object was so far distant that it seemed like a white speck against the clouds. The fact that it did not follow the direction of the wind currents caused belief in some quarters that it was something other than a toy balloon, but nobody went up to investigate.

What Chance Has a Poor Little Gern In These Sanitary Days?

Those who preach abstinence as a par with religion would have appreciated a scene which occurred just outside a Wichita Falls grocery store Saturday morning. Three grimy little boys stood outside the door of the store, one with a sack of licorice sticks in his hand. The dairies seemed to have been purchased on a stock company plan and the possessor was evidently the largest shareholder. He transferred a stick of the licorice to his mouth and proceeded to suck great juicy sucks until the corners of his mouth oozed and then he took a bite. All the time the other two chaps were merely interested on-lookers. Finally the largest shareholder took the stick from his mouth or rather what remained of the stick and handed it to one of his companions. The latter was hearing straight for the oral cavity of the said companion when the l. s. had a happy second thought.

Merz, kid, gimme that. Sutter's action in the word he snatched the licorice stick from the very brink of consumption. While the other two little fellows looked on with interest, the one who had been in use on the side of his coat, a coat which was not at all like the prophylactic pup of poetic fame and then after satisfying himself that all possible contamination had been removed he struck the "chaw" in the mouth of the one who came so near being unsanitary.

Hunger Striker Is Forcibly Fed But Is Not Unwilling

New York, Jan. 27.—Mrs. Ethel Byrne, who began a "hunger strike" when she was sentenced to 30 days on Blackwell's Island last Monday for disseminating birth control propaganda, was subjected to forcible feeding late today for the second time since she began her prison term. A physician declared Mrs. Byrne "offered no resistance" and indicated that she was willing to receive food "but made no effort to take it of her own accord." The food, administered through a mouth tube, consisted of a pint of milk, two eggs and some brandy. One sixteenth of a grain of strychnine was also given.

24 Days in Dungeon Proves to Be Enough for J. B. McNamara

San Quentin, Cal., Jan. 27.—After spending 25 days in the dungeon of the state prison here, J. B. McNamara agreed to obey orders and today began work in the jute mill. McNamara who is serving a life term for his confessed part in the dynamiting of the Los Angeles Times building in 1910, had been working in the prison laundry but his work was found unsatisfactory and he was ordered to the jute mill. In his refusal to work he was placed in the dungeon. Every day he was taken out and asked if he was ready to obey orders. Until yesterday he regularly refused.

Detective Burns to Be Punished for Getting too Busy

New York, Jan. 27.—It is unlawful for a private detective to enter a place of business without the knowledge and consent of the occupant or owner to get information for purposes of his own; this, in effect, is the principle laid down by the judges in the court of special sessions in finding William J. Burns, head of a detective agency, guilty of a misdemeanor and sentenced him to pay a fine of \$100 or serve 30 days in jail. Mr. Burns' offense was entering the law office of Seymour & Seymour and copying letters which he turned over to J. P. Morgan & Company.

POLL TAX TOTAL DRAWING NEARER DESIRED FIGURE

MUST BE HEAVY PAYMENTS ON THREE REMAINING DAYS, HOWEVER, SETS IN 1917 TO BE ATTAINED THIS YEAR

2266 PAID TO DATE

Possibilities of Several Local and State Elections This Year Pointed Out as Showing Necessity for Payment of Tax

With just three days—count 'em, three—remaining in which voters may finally be authorized agents are not yet reported. Assuming that these outstanding receipts would bring the total to 2400, Wichita county needs 1,700 more voters to equal last year's showing.

On the last day of last year, 1200 receipts were issued, and a similar performance this year, with heavy payments on the intervening days, would bring the final total close to the desired mark.

Receipts have been issued at the rate of over 100 daily since last Sunday, the week's average being 749. Tax Collector B. M. Bullard and his office force are prepared for the usual rush in the final days of the month when from one third to one half of the poll taxes are usually paid, despite efforts to persuade prospective voters to obtain their receipts earlier. The office will be open until midnight Wednesday.

Results of the persistent campaign being waged by local citizens to obtain payment of poll taxes are awaited, and the agencies established have done considerable business. Attention is again called to the fact that although this is not a regular election year, there will be several occasions for using a poll tax receipt. The road bond election, the city aldermanic election, the school board election and the city charter election may be considered fairly certain. In addition there is the possibility of a state wide prohibition election, or, as indicated in the chief features of the Times of today, a constitutional convention election. The latter would present many questions, including that of prohibition, on which every citizen would want to vote.

STATE SEEKING TO BREAK DOWN SPANELL STORY

(Continued from page one)

man was not in the yard during the shooting. She replied: "Yes, when I asked Mrs. Pittman why she came to be in a room instead of on the porch, she explained that she was afraid of bullets when the shooting began and asked her husband to carry her into the house."

Pittman said on the stand yesterday that Col. John Holland, father of Mrs. Spanell furnished him transportation from Meridian, Miss., his present home, so that he might testify. He explained, however, that he could not say his own way because of expense he had been under, due to the illness and recent death of his wife. Pat Murphy corroborated his wife's testimony and said he heard a man scream "My God, what have I done?"

Allen Walton, sheriff of Brewster county, who locked Spanell up in the jail at Alpine, testified that when he took the stand, the defense attorneys asserting that Walton had at all times refused to talk about the killing to them, asked that the jury be excused until the nature of his testimony was stated. The court refused the request.

Walton said Butler's reputation as regarding attention to women was good. He told of going to the jail and asking Spanell: "My God, Harry what have you done?"

The defense objected to this question saying that whatever Spanell may have answered was not a voluntary statement. The answer was ordered withheld while counsel looked up authorities.

In the afternoon the sheriff said that Spanell replied: "I have killed Major Butler and my wife. I am ruined. They made me do it."

Members From This County and District to Attend Meeting at Fort Worth

Delegates, and alternates for Wichita county and the Wichita district for the midwinter state convention of the Farmers union which meets in Fort Worth, Tuesday morning, will leave here tomorrow night. The convention will last about ten days. J. L. McConkey will go as the delegate from Wichita county and R. L. Egan of Burkburnett, J. H. Newman of Electrica and Claude Williams of Iowa Park, will go as alternates.

POOL WITH "BEACH" PLANNED RT LAKE

New Swimming Facilities Are Contemplated for Coming Summer Season.

Plans for a new swimming pool, in the open air, and probably with a beach, are being considered in connection with preparations for the coming summer season at Lake Wichita. No decision has yet been reached in the matter, but it is under contemplation and in view of the added attractiveness that would result for such events as the Honor Guard encampment, it is considered probable that it will be done.

As outlined, the plans call for the construction of a large pool across the "loop" from the present pool, under and surrounding the chief features of which would furnish ample shade. The contour of the ground there is such that a pool ranging from a shallow to a depth of eight feet could be constructed. A gravel bottom is planned in place of the concrete bottom in the old pool and fresh water would be supplied regularly from the main body of the lake.

The present pool has been in use about five years and has been unsatisfactory in several ways: it is difficult to keep clean and the process of emptying and refilling is a slow and tedious one. The added advantages of an open air pool such as the one outlined would, it is believed, result in a much more popular resort.

With the expectation of several hundred girls and young women coming here from other points to attend the Honor Guard encampment, and with swimming one of the chief features of their routine, serious consideration is being given the open air pool plans.

Other plans for the summer season are as yet indefinite. It is probable that F. P. St. Clair, who has been in charge for several seasons past will again manage the resort this year.

SHIPPING SEASON TO START AT BALL BROTHERS

In a few weeks the shipping season for the Ball Brothers fruit jar factory will soon start. Only about 400 car loads of jars are in the warehouse when the shipping season begins. An unusually short quantity with which to start the season.

In the meantime the regular repairs on the plant and the installation of machinery to be used in the burning of oil in place of gas are being pushed with all possible dispatch to permit the reopening of the plant later in November with the expectation of one or two cold snaps soon after its installation.

On these occasions it was found that the need for a fire had practically been abated before the cells were warmed appreciably. One city official jokingly remarked that he assumed they would have to leave the fire on all summer so the cells would be good and warm by next winter. However the system is said to keep the cells at a very comfortable temperature, and as the gas consumed is small in quantity the expense of running it all the time is little more than would be the case with an ordinary heater in the cells burning in cold spells.

The Willard Battery Service station has moved from its former location on Eighth street to the Meier Building, 810 Scott.

NOBODY ADMITS HAVING ADVANCE NEWS BY "LEAK"

By Associated Press

New York, Jan. 27.—Each witness examined when the House rules committee resumes here Monday its investigation of the alleged "leak" of advance information of the president's peace note will be asked point blank whether he had advance knowledge of the action contemplated by Mr. Wilson. It was said tonight by Sherman L. Whipple, counsel of the committee.

Mr. Whipple declared he had not yet found anyone who would admit having received what might be called "advance information" nor had any acknowledgment spreading the confidential statement which was made to the newspapermen by Secretary Lansing the morning of the day the note was made public.

"We are trying to trace the leak to an earlier hour than Secretary Lansing's confidential statement," said Mr. Whipple.

FORMER ADJUTANT GENERAL OF TEXAS IS SUICIDE

Dallas, Texas, Jan. 27.—Today would have been the 45th birthday of Roy W. Hearne, wealthy retired business man, formerly of San Antonio, who was found dead yesterday while he was alone in his home. He detached a tube from a gas stove, turned on the gas in a pillow slip, placed his head under the pillow and was asphyxiated. His financial affairs were in good condition and apparently he was cheerful. However, since suffering from heart trouble, he had been in ill health for some time. Mr. Hearne was a Baylor graduate and was adjutant general in 1907 and later becoming brigadier general.

ACCUSED MAN'S EX-WIFE SUGGESTS DEATH PENALTY

Oklahoma City, Jan. 27.—John M. Couch, charged with killing Miss Nellie Dunn and Roland Williams of Oklahoma City today pleaded not guilty when arraigned before Justice of the Peace Donnell. February was the date set for the preliminary hearing and in the meantime the prisoner held without bond, Mrs. Mary D. Couch, divorced wife of the prisoner, today wrote a letter to County Attorney Selby in which she indirectly asked that he attempt to have Couch sentenced to death.

WRECK ON INTERURBAN IN OHIO KILLS FOUR

Cleveland, Jan. 27.—Four persons were killed and eighteen were injured, several seriously, late today, when two interurban cars, one a passenger, the other an electric car, collided here. Strongsville and Brunswick, fifteen miles southwest of here on the Cleveland, Columbus and Southwestern electric line.

The accident occurred on a double curve near a stop known as "The pump station." Both cars were traveling swiftly and neither motorist noticed the rafter until it was too late to stop the cars. All of the victims were in the passenger car. The crews escaping injury. The overturned stove in the front vestibule of the coaches set fire to the wreckage.

BELGIAN DEPORTATIONS ASSUMING WIDER SCALE

New York, Jan. 27.—Deportations of Belgians from their native country into Germany by the German government have assumed a wider scope and the transfer of the civilian population now includes young men of prominent families according to a cablegram received here by the Belgian consul general in this city and made public here today. Heretofore deportations included chiefly males of the working class.

SCHUBERT RECITAL HELD AT COLLEGE FRIDAY NIGHT

The regular monthly pupils' recital was held at the Wichita Falls College of Music on Friday night, before a large and particularly pleasing audience. The recital was composed largely of works of Franz Schubert, the anniversary of whose birth is on January 31. Every number of the program, which consisted of instrumental and vocal numbers was well rendered, and showed that the students of the college are making fine progress in all departments. The crowning number of the program seemed to be the performance of Schubert's Unfinished Symphony by a piano quartet. The following pupils appeared on the program: Opal Threshkill, Doris Bakland, Alfred Bennett, Andrew Joe Everton, Frances Urban, Esther McKenzie, Earl Carter, Katherine Klander, Mrs. Joe Wegg King, Mrs. Vessie Maxwell, Sue Stigler, Annette Walsh, Edith Slatten. Mrs. Maxwell is a young talented pianist who came from Henrietta spec-

ially for this occasion. The next recital will take place at the college on February 25 and will be largely devoted to the works of native American composers.

Forgotten Features of Traffic Rules May Bring Arrests

Warning of a crusade against violators of various provisions of the traffic ordinances which are likely to be overlooked was sounded by Chief of Police A. J. Humphris Saturday. Chief Humphris has directed Traffic Officers Ashtord and Smith to pay particular attention to motorists running with their mufflers open, driving cars without securing city licenses, or running cars without numbers. In this connection it was stated that paper numbers "went up" from here on violations of any of the provisions of the largely overlooked traffic ordinances mentioned will be promptly followed by vigorous prosecutions, says Chief Humphris.

DODGE BROTHERS MOTOR CAR

The dealers' sincere and implicit confidence in this car must have impressed you.

You will find this so wherever you go.

People have found out that repairs are rarely rendered necessary except by accident or abuse.

They know that cars which have been in use for a long period are as good as new if they have been given any sort of care.

They know, too, that efficiency and economy are common characteristics of Dodge Brothers Motor Car.

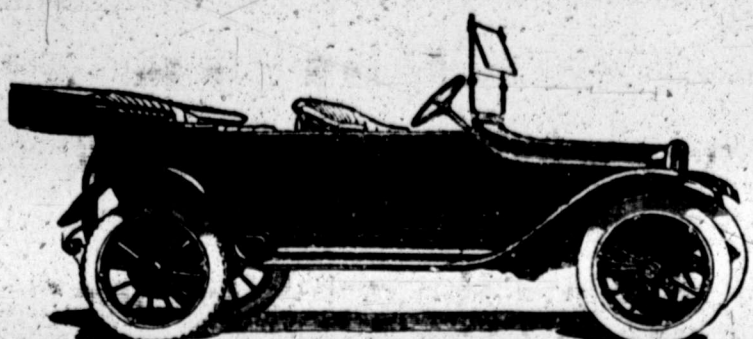

Its satisfactory performance under conditions of unusual hardship is now a matter of authentic record.

It will pay you to visit us and examine this car

The gasoline consumption is unusually low. The tire mileage is unusually high.

The price of the Touring Car or Roadster, complete, is \$785 (f. o. b. Detroit)

The price of the Winter Touring Car or Roadster complete including regular mohair top is \$950 (f. o. b. Detroit)

McFALL BROS. & ORTH Distributors

\$224,600 TOTAL OF FARM LOANS ARE HEARD HERE

APPLICATIONS FOR AMOUNT ARE MADE BY LOCAL ASSOCIATION

MEETING SATURDAY COVER MANY POINTS

Steps for Permanent Organization Taken; Nominating Committee Chosen

Several new members who swelled the local subscription for loans to be sought from the Farm Loan Bank to \$224,600, were secured at a meeting of the members of the pool at the Chamber of Commerce rooms Saturday afternoon, 62 being the total at present.

While permanent organization was not completed at yesterday afternoon's meeting, the first step toward this end was taken with the appointment of J. L. McConkey, St. Clair Sherrod and George Simmons as a nominating committee to report suggested officers back to another meeting to be held at the same place next Saturday. As a means to secure the attendance of every member of the association, each member present pledged himself to notify all the other members he could reach of next Saturday's meeting and to try to bring one new member for the association with him to the meeting.

The importance of selecting the best men in the association to conduct its affairs and to make a success of the farm loan plan locally, at the same time contributing to the system's success, was stressed by J. L. McConkey, secretary of the temporary organization.

"The government has gone as far as it can go with us in the matter, they have laid down a plan by which we farmers can help ourselves. If we take advantage of it and make a success of the system, it will gradually do more for us. If we don't it will gradually withdraw what it has already done for us. It is simply up to us, and it is the greatest opportunity we have ever had, or will ever have again if we neglect it."

J. L. McConkey, secretary of the Chamber of Commerce acted as chairman of the meeting and J. L. McConkey as secretary. About 60 members were in attendance.

Short talks on the various phases of the farm loan plan were made by St. Clair Sherrod, N. Henderson and Mr. McConkey. The question as to whether land owners of land for which money was borrowed for part of the purchase price would be willing to accept a second lien for the remainder was brought up and after some discussion an affirmative opinion seemingly prevailed. It was pointed out that as the loan was made by the farm loan system on 40 years time, the second lien could be paid off first, and even if the land reverted back to the vendor a long time loan from the government at a low rate of interest would not be considered objectionable. N. Henderson stated that personally he did not believe that a second lien would prove objectionable to land owners, and that he proposed to advise several of his present tenants who would borrow part of the money from the farm loan banking system and take a second lien for the remainder of the purchase price. The suggestion that the second lien be paid off by a payment of a third of the annual crop was also made and pronounced a good one.

In speaking of the farm loan plan Mr. Henderson stated that in his opinion any man who could make a success as a tenant farmer could succeed in securing a home under this system.

The following Wichita Clay and Archer county farmers have joined the local association and announced their intention of applying for the loans opposite their name:

ART STORE LETS CONTRACT FOR ITS NEW FIXTURES

The Art Jewelry Company Friday let the contract for the new store fixtures to the Houston Show Case Company. The fixtures are to be made especially to fit the corner in the Kahn building, and are to be of plate glass and solid mahogany. They are to cost something over \$5,000 and when the store is completed will probably be the handsomest jewelry store of its size in the entire state. The firm expects to be in the new location early in April.

Have you paid your poll tax? Wednesday is the last day. 222 Itc

FARM LECTURERS ARE HEARD HERE

ADDRESS ABOUT 100 FARMERS AND BUSINESS MEN SATURDAY

COVER MANY POINTS

Value of Gardens, Proper Feeding and Raising of Home Foods Stressed. Good Roads Talk

Nearly 100 heard the diversification lecturers of the Texas Bankers association at the Chamber of Commerce rooms yesterday afternoon. Members of the Dairy and Farm Loan associations making up the larger part of the audience. The talk of H. L. Pook, which was mainly devoted to the feeding of a balanced ration for beef and dairy cattle proved an especially interesting one for those in attendance. Mr. Pook, who is head of the dairy department of the A. & M. College extension work, gave a number of balanced rations which were taken down by those in attendance.

In speaking on the "Wife and Daughter's Part," Miss Gertrude Hlodgett of the University of Texas extension department, stressed the feeding of a balanced ration to the human as well as the live stock population of the farm as a part of their contribution for the success of the farm. Miss Hlodgett discussed at some length menus and the nutritive values of the different foods.

The value of the home garden as an aid toward the family living and as a means for making the farm home more attractive for the boys and girls by giving them an interest in the work was brought out by Mrs. Kate Lee Henley, assistant state agent for the canning club work of the department of agriculture. Miss Henley amused the audience considerably with a number of humorous stories used to illustrate her points.

Those in attendance were urged to raise feedstuffs and raise live stock by A. K. Short, agricultural agent for the Denver, who addressed the meeting briefly. Mr. Short pointed out that while the market for other crops might be slumped and sold at prices which did not return a living profit, it was a rare thing indeed that the world had an over supply of feed-stuff either for man and beast, and even if it could not be sold at a profit fit the farmer and his farm animals could live on the product of the farm.

During the interval between this meeting and the meeting of the farm loan pool, which immediately preceded it, C. W. Reid, local chairman of arrangements for the bankers association and president of the Wichita County Motor Club explained the good roads bond issue which the motor club will ask for and the system of good roads which it is proposed that the county will build with the money. The idea was apparently a popular one with those in attendance.

MANY ENLISTMENTS DURING PAST WEEK

Eight For Army and Six For Navy are Secured at Recruiting Stations Here.

Eight enlistments were secured for the United States army and six for the navy during the past week at the local recruiting offices. It was one of the best weeks for the number of enlistments for both army and navy in some time. Both recruiting offices are now receiving excellent reports from the local offices. Chief Gunner's Mate Becker of the navy recruiting office expects to lead any city in this district in the number of enlistments secured this month. These offices, as was said last week, are in the same class as Fort Worth, Dallas and a number of the larger cities of the South.

Those enlisting in the navy were Charles Harry Pierce, Laurel, Miss.; apprentice seaman, Martin Walker, Wellington; John Pink Brown, McKinney; Carl Herbert Sowers, DeWitt, Okla.; fireman, Olive Rhackley, Lubbock; John Bruce, Farris, Glass, Alex. Wright, Bowle, and Herman Howard Reed, Willow, Okla.

The following enlisted in the army: Albert Bluhm, Riesel, infantry; Bert D. Coleman, Henrietta, infantry; J. D. Chapman, Memphis, Tenn., infantry; John O. Gilliam, Berwyn, Okla., infantry; William Lewis, Tolbert, infantry; Jesse Nicholson, Wichita Falls, infantry.

SECOND PIPE LINE FINISHED IN ARCHER

Wichita Valley's Line Now in Operation—May Be Extended to Iowa Park

Archer county's second pipe line, that of the Wichita Valley Refining Company is now in operation. The first run being made Saturday, this line takes production from the Sixty Six well, the oil being piped to a loading rack at Holliday and shipped from there to Iowa Park in tank cars.

The line starts at Holliday at present but if sufficient production is developed in Archer county, the refinery officials plan to extend to Iowa Park, a distance of about fifteen miles. For the present both the Panhandle and Wichita Valley plants will handle the oil from Holliday by rail, though both are ready to ship lines to their respective plants if conditions justify.

The Wichita Valley Refinery, established about three years ago, has been steadily enlarging and improving its plant ever since and has proven a most profitable enterprise.

W. P. DELANEY OF ELECTRA BUYS TENTH STREET HOME

W. P. Delaney who is soon to move here from Electra to make his home, yesterday purchased the Tumbly home at 1417 Tenth street. The deal was made through the L. J. Bullett agency. Mr. Delaney is another of the Electra oil magnates who has decided that Wichita Falls is the real place to live.

WITH gasoline costing real money will the motorist be content with 12 miles per gallon—when so many are averaging 20 and up?

On Saturday, May 1 of last year, 137 regular Franklin Cars in 137 cities in all parts of the country averaged 32.1 miles to the gallon of gasoline. Weather—all kinds; roads—all kinds. The Franklin System of Direct-Air-Cooling does away with 177 parts—all the complications, added weight, and power-loss of the water-cooled car. They are in daily use in every city of this country—delivering to their owners more comfort and more economy than any other cars they ever owned. Get acquainted with what the Franklin Car will save you on gasoline. Come in. Ride in one yourself.

ADDITION TO HIGH SCHOOL READY SOON

Will Be Occupied Within Short Time—Means Relief From Crowded Conditions

KAHN'S SALE WILL CONTINUE ALL THIS WEEK, OFFERING THE SAME SPLENDID VALUES IN RELIABLE APPAREL FOR MEN, WOMEN AND CHILDREN. THIS IS YOUR OPPORTUNITY. IT WILL NOT LAST.

With only a few finishing touches in the way of painting and plumbing the two new wings of the high school will be ready for occupancy of the board by about the middle of this week. Country to expect the new addition will not be ready for occupancy with the opening of the school, Monday, Jan. 29, the delay being however only the matter of a few days. Work on this high school addition has been in progress since late last summer and it is being finished some what later than was first estimated.

It will add twelve rooms to the school, seating arrangements such that the existing class rooms that have been built will be ready for occupancy of the board by about the middle of this week. Country to expect the new addition will not be ready for occupancy with the opening of the school, Monday, Jan. 29, the delay being however only the matter of a few days. Work on this high school addition has been in progress since late last summer and it is being finished some what later than was first estimated.

The case of R. E. Morris and Lowell Morris of Hardeman county, charged with murder to be tried here on a change of venue, are set for tomorrow week in the 78th district court.

What Society is doing

WITH THE WOMEN OF THE CHURCHES

The Guild of the Good Shepherd will meet at the chapel Monday afternoon in regular session.

The Ladies Aid of Temple Israel will meet Monday afternoon with Mrs. Harry Katz, 1315 Twelfth.

The regular monthly social session of the Ladies Aid of the First Christian Church will be held Monday afternoon at 3 o'clock at the home of Mrs. J. E. Haggard, 1004 Harrison.

Mrs. Walker's division to entertain Mrs. C. W. Rountree will be hostess to a social session of the Girls Auxiliary of the First Baptist church Monday afternoon at her home.

The First Methodist Ladies Aid will hold a social meeting Monday afternoon at the home of Mrs. J. J. Simon.

Mrs. A. F. Kerr will be hostess Monday afternoon to the Ladies Aid of the Central Presbyterian church; Bible study.

PATHFINDER CLUB MEETS WITH MRS. S. H. BURNSIDE

An interesting discussion of California and its principal cities featured the meeting of the Pathfinder Club Friday afternoon. Mrs. S. H. Burnside being hostess. Roll call was answered with movie queens, now one of the principal products of the state under discussion and the following program given: San Francisco, Miss Emma Smith; History and Location of San Francisco, Mrs. Clarence Demere; Industries of the State, Miss Hazel Hunter; Principal Cities, Mrs. R. H.

Gracey: The Yosemite Valley, Mrs. M. A. Beckman; Universal City, Miss McDaniel. The club followed the last paper with a discussion of current events, following which a tempting refreshment plate was served. Those present: Misses Emma Smith, Winnie Benbow, Flora Reisenberg, Hazel Hunter, Maude McDaniel, Alice Barnside, Mesdames Beckman, Bell, Barnside, Demere, Gracey and Parker Willis. Mrs. Enlow was a guest.

W. C. T. U. INSTITUTE WORK BEGINS TUESDAY AFTERNOON

The first of the regular monthly W. C. T. U. institutes which will become a part of the W. C. T. U. local union's work will be held Tuesday afternoon in the library of the First Methodist church, corner of Seventh and Lamar. The Union feels that it has been particularly fortunate in securing the use of the church library and reading room for this purpose and also in securing the services of Rev. Harry Drauer as leader of this institute. The institute will be for the purpose of informing the W. C. T. U. members better in the many phases of the cause for which they are laboring. Members are urged to arrange their plans for attending this institute and to let no trivial matter detain them. Those not members who desire to become familiar with the ideals and motives of the organization are invited to attend and men and young people will be welcomed. The institutes will be in the nature of a forum and questions are welcomed. All members and

all interested are urged to be present at the opening institute next Tuesday, Jan. 29 at 2 o'clock at the First Methodist church.

MRS. M. A. MARCUS HOSTESS TO FRIDAY BRIDGE CLUB

Mrs. M. A. Marcus was hostess to the Friday Bridge Club's game of this week, there being three substitutes, Mrs. Gachet of Memphis, Tenn., Mrs. Peyton Gwynn and Mrs. J. W. DuVal, with the members to make up the customary three tables of players. The guest favor, handkerchiefs, went to Mrs. Gachet and Mrs. Griffin won the club high score prize, a dainty party bag. The hostess served a delectable salad with a refreshing ice course. The members present: Mesdames Frank Griffin, W. B. Larkin, Straus, Abe Marcus, Wade Walker, Marchman, H. E. Pounds and R. O. Harvey.

MRS. HARRY WEEKS HONORS FORT WORTH VISITOR

On Wednesday afternoon Mrs. Harry Weeks entertained four tables of bridge informally at her home, 1106 Travis in honor of Mr. Weeks' sister, Mrs. D. H. Connor of Fort Worth.

RECEPTION FOR FORT WORTH VISITORS WEDNESDAY

Invitations have been issued for a reception Wednesday, January 31 at the home of Mrs. Fred Week, 1418 Tenth, Mrs. Fred Week, Mrs. Harry Weeks and Mrs. Harry Baum as hostesses to honor Mrs. F. M. Anderson and Mrs. H. G. Lucas of Fort Worth.

THE COMING WEEK'S SOCIAL CALENDAR

Monday: Meeting of the various church societies as announced elsewhere in these columns. Initiation and installation meeting of the Y. W. C. A. at 7:30 p. m. Refreshments will be served and a large attendance urged.

Tuesday: The Sigma Delta Club will meet with Miss Audrey Adickes. The Floral Heights 42 Club will be entertained by Mrs. Andy Urban. Mrs. Wade Walker will be hostess to the Larchmont Bridge Club. The Rowena Circle will meet with Mrs. Ramsey at her apartments, 504 Ninth street.

Wednesday: The New Idea Club will meet with Mrs. Houston Simmons. Mrs. W. L. Healy will be hostess to the Art Literature Club. Mrs. Harry Weeks, Mrs. Harry Baum and Mrs. Fred Weeks will entertain with a reception at the home of Mrs. Weeks. Mrs. Gachet of Memphis, Tenn., Mrs. Peyton Gwynn and Mrs. J. W. DuVal, with the members to make up the customary three tables of players. The guest favor, handkerchiefs, went to Mrs. Gachet and Mrs. Griffin won the club high score prize, a dainty party bag. The hostess served a delectable salad with a refreshing ice course. The members present: Mesdames Frank Griffin, W. B. Larkin, Straus, Abe Marcus, Wade Walker, Marchman, H. E. Pounds and R. O. Harvey.

Thursday: The New Croquet Club will meet with Mrs. K. E. Bauch Jr. The Musical Club will be entertained at the home of Mrs. Wade Walker. The Needlecraft Club will meet with Mrs. J. B. Cox, 2308 Tenth street.

Friday: The Pathfinder Club will meet with Mrs. H. Gracy. Mrs. R. O. Harvey will entertain the Friday Bridge Club. The Congregational Club will meet with Mrs. A. J. Andree.

Saturday: The Major Francis Grace Chapter, D. A. R. will meet with Mrs. E. E. Ewing.

JOINT SESSION TONIGHT BY ENDEAVOR SOCIETIES

Temple's services at the First Christian church will be conducted by the young people of the three Christian Endeavor societies, a missionary program being prepared. In the absence of a regular pastor the services at the church will be conducted by lay members and this is the first service which has been given by the young people alone. The public is cordially invited, the program to begin promptly at 7:30. The program follows: Song, prayer and scripture reading. Introductory remarks by president, Harold Hamblin.

Address: "The American Christian Missionary Society," T. E. Durrett.

Song, "Over the Sea," by the Juniors.

Address: "The National Benevolent Association," Chester Bailey.

Address: "The American Temperance Board," Clyde Bartlett.

Address: "The Board of Ministerial Relief," Catherine Wilson.

Song, "In Christ Alone," by the Juniors.

Address: "The Foreign Christian Society," Pearl Jones.

Address: "The National Educational Association," Miss Frances Allen.

Prayer Circle.

Address: "The Christian Woman's Board of Missions," Eugene Douglas.

Address: "The Men and Millions Movement," B. D. Sartis.

Address: "The History and Position of the Disciples of Christ," Paul Rutledge.

Address: "The National Board of Christian Endeavor," Alfred Burnside.

Offering.

Closing song.

W. A. HISTORICAL SOCIETY MEET FRIDAY AFTERNOON

Friday afternoon the W. A. Historical society, of which Mesdames E. Marx Immaculate hold its usual meeting. Interesting papers were given by Misses Mamie Morse and Ruby Seay. The discussions of the afternoon were on the subjects of the Spanish-American war and the life and death of Admiral Dewey and of his many services to the United States.

STRAIGHT LINE CLASS ORGANIZES GUILD CHAPTER

Organization into a chapter of the Women's Guild was perfected by the Straight Line Class, taught by Mrs. A. H. Carrigan at a meeting Thursday afternoon to which Miss Louise Leichman was hostess. Mrs. H. B. Patterson was present and presented the course of study of the Guild to the young ladies. After the business session presided by Miss Agnes Peery was enjoyed and the hostess served a salad course to Mesdames Patterson and Carrigan. Misses Margaret Burnside, Marie Fitch, Corbett, Louise Frieze, Annetta Walsh, Lucile Campbell, Mable and Myrtle Morris and Ellaouise Peery.

DINNER FOR CHICAGO VISITOR SATURDAY

Honoring her home guest, Mrs. Fisher of Chicago, Mrs. C. H. Taylor entertained with an elegantly appointed twelve o'clock dinner Saturday. Covers were laid for six, including the guest of honor, Mrs. Fisher, Mesdames Urban, Pittman, Foville, Howery and the hostess. In the afternoon the dinner guests were joined by Mrs. Grubbs and made up a box party at one of the theatres. Late in the afternoon the ladies were joined by Mr. Pittman and returned to Fell's where a refreshment course was served, closing a most delightful entertainment.

UNITY CLUB MEETS FRIDAY AFTERNOON

Several novels by recent Southern

writers dealing with life during war times were reviewed at the meeting of the Unity Club Friday afternoon at the home of Mrs. A. H. Carrigan. Mrs. Wiley Robertson was leader and the subjects were distributed as follows: Mary Johnston's "Cape Fear" and "The Long Road," Mrs. Robertson's "The Gingham," "The Little Ground," Mrs. Greenwood's "George Washington," Mrs. Young, Joel Chandler Harris, Mrs. Kemp and "Little Shepherd of Hudson Cove" by John Fox Jr. Mrs. P. Langford. The hostess served a tempting salad and a short social time was enjoyed. The members present: Mesdames Anderson, Burnell, Greenwood, Kemp, Langford, Marie McGregor, Patterson, Mary Stewart, Robertson, Woods, Zink, de Witt and Young.

INTERMEDIATE ENDEAVORS SOCIAL SESSION FRIDAY

Caskey Jr., Eugene Douglas, Robert Ferguson, Paul Pond, Frank Patton, Ray Patton, Paul Hildegarde, Russell Ansel.

DENVER PUMPING PLANT AT BELLEVUE DESTROYED

Fire of unknown origin which destroyed the pumping station of the Denver at Bellevue with a damage of several hundred dollars also destroyed the Denver morning north and southbound passenger trains for a couple of hours Saturday morning.

PLAN MEETING ON WINDMILL OFFER

Chamber of Commerce Directors Will Convene Wednesday to Consider Proposition

No meeting of the Chamber of Commerce directors will be held Tuesday morning, the regular meeting time, but a meeting will be held on Wednesday morning to discuss the proposition offered by the Acme Windmill factory which is considering a location here and whose principal stockholders will be in the city Wednesday to discuss the matter with the directors of the Chamber of Commerce.

A full sized model of the mill will be on exhibition and will be mounted for the inspection of the directors in the room at the city hall formerly the office of Dr. J. T. Taylor, head and chief inspector. On account of the mill being mounted indoors it can not be mounted on the usual device but the head of the mill with the running machinery and the full sized wheel and fan will be shown.

The model was inspected in Dallas recently by T. B. Noble, J. L. Maxwell and B. F. Johnson, a committee representing the Chamber of Commerce and all have expressed themselves enthusiastically in the prospects for its manufacture. At the recent hardware dealers convention in Dallas a large hardware jobber contracted for the first 1,000 mills put out by the factory.

HALTOM & FRIEDLY OPTICAL PARLOR

The company wants a factory site and the local floatation of \$10,000 to \$15,000 capital stock as an inducement for locating here. R. L. Huff, a man of San Antonio, holder of the

aircraft rights and Hazelwood and Robertson of Mineral Wells, promoters of the company will be in attendance at the Wednesday meeting.

Learn the Truth ABOUT GLASSES

If you are troubled in any way with your eyes, you will give your eyes a thorough examination of your eyes and you will learn the truth about glasses. You will learn the truth about glasses. You will learn the truth about glasses. You will learn the truth about glasses.

ORCHESTRA TO AID IN SCHOOL CANTATA

High School Musicians To Present "The Legend of Bregenz" On Feb. 8.

Orchestration will form an important part of the cantata. "The Legend of Bregenz" to be given by the girls' glee-club of the high school February 8, at the high school orchestra, under

direction of C. J. Templeton, to accompany the cantata and also give two separate numbers on this program which will be the first program given by the high school musical students this year. Mr. Templeton has had the direction of the orchestra only this term and under his able supervision a splendid orchestra of twelve pieces has been worked up. As in the past two years the high school orchestra plays a considerable part in high school activities and the 1916-17 orchestra has already made several very creditable public appearances. The orchestra members include: Paul Pond, Charlie Cook, Paul Rutledge, Ruby Donaldson, Edith Daniel-

son, Shirle Oster, Dan Oster, Cecelia Adickes, Johnnie Owens, Maurine Smith, violins, Weldon Maples, cornet, Frank Cauble, drum and C. J. Templeton, director. In the program the girls of the glee club will sing "The Legend of Bregenz" each singer being in costume, and the program will be supplemented by two numbers each from the boys' glee club, the Treble Clef Club and the orchestra. The place has not yet been definitely decided upon, but will be announced early next week. Mr. and Mrs. E. D. Mayes of Nacona who had been visiting relatives in Olney were in the city today on their way home

Automobile Notes

E. P. Reynolds of the Elgin Auto Sales Company was a recent visitor in Fort Worth, where he got a 1917 model Paige to bring to this city. Captain Johnson who has traveled 22000 miles in an Elgin Six roadster was in this city yesterday. He claims that he has never had to make a change in tires since he has been driving the Elgin Six. A new automobile agency, handling the Velle, will open in this city in the near future. This agency will be the distributing point for five counties. The location has not been made public yet. Two Vernon men are said to be back of the organization. R. H. Johnson assistant manager of the Ford Motor Sales Company was a business visitor in Fort Worth Thursday. A carload of Fords and Oldsmobile automobiles are en route to this city for the Ford Motor Sales Company. A carload of Chevrolet automobiles was unloaded by the Lloyd Weaver Automobile Company Friday and are practically all sold now. Two carloads of Chevrolet cars are expected to arrive tomorrow for the Lloyd Weaver Automobile Company. The Lloyd Weaver Automobile Company reports the sale to B. F. Johnson of a Chevrolet closed car, to Mark Walker of Chevrolet closed car, to Dr. W. B. Allen of Burk Burnett of a Chevrolet model 490, and to Fred Gates of a Hummobile roadster and to A. W. White of Burk Burnett of a Chevrolet model 490. A carload of Hudson Super-Sixes and a carload of Hummobiles are en route to this city for the Lloyd Weaver Automobile Company. The Ford Motor Sales Company reports sales to Wichita Valley Refining Company, to G. P. Maricle, to J. D. Moulder, Edward Yarbrough, E. S. Morris, Ambrose Yeager, and D. B. King. C. A. Jones of Electra subagent of the Ford Motor Sales Company was a visitor in the city Thursday. W. S. Langford of the Ford Motor Sales Company returned Friday from a visit with relatives in Newberry, South Carolina. A carload of Dart automobiles was unloaded for the Cotton Car Company Thursday. A carload of Darts is en route to this city for the Cotton Car Company. Mr. Gregory assistant manager of the Franklin Motor Car Company of Dallas was a visitor at the Cotton Car Company's last part of the week. Two Dart cars of the cloverleaf design are now on display at the Cotton Car Company's Sales rooms. Three carloads of Overlands were received by the Overland Sales Company during the past week, and have already been sold. Thirty carloads of Overlands automobiles are en route to this territory

from the factory. This is one of the largest shipments of Overlands into one territory that has been made in some time. Edgar B. Gorsline who recently returned from service on the border has joined the Overland Automobile Sales Company. N. W. Reed service director of the Overland Automobile Company from the factory in Toledo, Ohio, was a visitor in the city the latter part of this week. The Chenault and Wheat Automobile Company reports the sales to G. B. Grant of Iowa Park, of a Mitchell and to John Beat of Electra of a Mitchell. A carload of Kissel cars is en route to this city or the Chenault and Wheat Automobile Company. Two carloads of Buick automobiles are en route to this city for the Buick Automobile Sales Company. J. S. Lampe traveling representative of the Oakland factory in Pontiac Michigan was a visitor to the Buick Automobile Sales Company this week. R. R. Dutton of Vernon was a visitor to the Buick Automobile Sales Company Friday. J. M. McFall of the Dodge Sales Company returned Wednesday from a visit to the Dodge Factory in Detroit Michigan and to the New York Automobile Show. I. L. Dixon service specialist of the Dodge Sales Company left yesterday for the Chicago Automobile Show. He will also visit for a few days at the factory in Detroit, Michigan before he returns. Three carloads of Dodge automobiles are en route to this city for the Dodge Sales Company. Two carloads of Dodge automobiles were received during the past week by the Dodge Sales Company. The Dodge Sales Company reports sales to F. R. Colhard, J. W. Paxton of Electra, J. F. Hagap of Electra, Mrs. J. M. McFall, Joseph Long, Wichita Valley Refining Company, T. E. Nagdale, and Dr. A. O. Sharff. M. H. Carpenter formerly owner of the Chalmers Sales Company has sold his interest in that firm to R. E. Thornburgh and has accepted a position with the Chalmers Sales Company in New York City. He will leave in a short time to assume his duties in his new position. R. E. Thornburgh the present owner of the Chalmers Sales Company is making plans for a big year, and expects to make the Chalmers Sales Company bigger and better than ever. A carload of Chalmers automobiles are expected soon by the Chalmers Company. The production record of the Ford Motor Company since its organization June 16, 1903 is one of phenomenal growth eclipsing all achievements of the industrial world. Surely such figures could only be made possible through a product so valuable and widely serviceable as to be an almost common necessity. In 1903-4 to Sept. 30 there were made and sold 1,708 Ford cars. In 1905 the company built and sold

1,695 Ford cars. In 1906 there were made and sold a total of 1,599 Ford cars. In 1907 the total of cars made and sold was 3,423 Ford cars. In 1908 the production and sales reached 6,398 Ford cars. In 1909 the phenomenal growth began with 10,807 Ford cars. In 1910 the production jumped to a total of 18,664 Ford cars. In 1911 there were made and sold a total of 34,528 Ford cars. In 1912 production more than doubled with 73,440 Ford cars. In 1913 a new high mark was reached with 168,220 Ford cars. 1914 saw an even greater triumph achieved by 248,307 Ford cars. While 1915 crowned all efforts with a total of 308,213 Ford cars. In 1916 the volume of production reached 533,921 Ford cars. In 1917 the estimated production is 700,000 Ford cars. As a more practical illustration of what it means to produce 533,921 Ford cars in one year, and also as an evidence of the buying power of the Ford Motor Company with its "spot cash" payments, the following items speak for economy in manufacturing: Two carloads of spark plugs were used every month. 225,000 tons of steel were needed in the cars. 12,267,450 pounds of hair were used in the cushions. 57,722,500 square feet of rubber cloth

material in the tops. 2,135,584 each of wheels and tires. 2,669,605 lamps. 4,435,200 feet of Vanadium steel shafting and axles. 2,685,600 feet of exhaust pipe. 2,875,000 square feet of plate glass in windshields. 10,000,000 pounds of brass in Ford radiators. 60,000,000 feet of copper tubing in these radiators. 7,600,000 pounds of steel in Ford magnets. 17,718 miles of wiring used in magnets. 2,179,500 pounds of solder entered into Ford cars. 4,650,000 square feet galvanized metal in gasoline tanks. 45,000 horse power developed by new engines and generators. 42,470,000 square feet of sheet metal for guards and fenders. 16,051,200 feet of tubular radius rods. 56,218 freight cars were needed to handle material and product. A loaded 50 car train left the yards every three hours. And approximately \$10,000,000 profits are shared annually with employees. Average number of persons engaged in making and selling Ford cars in 1916 totaled about 100,000—supporting a city of half a million people counting five to the family.

WOMEN TRYING TO OBTAIN WORK

THOSE EVICTED FROM FLATS SAY THEY MADE SEVERAL APPEALS IN VAIN

EXODUS UNDER WAY

Many Already Leaving But Don't Say Whither—'Up-Town' Declare Some Others

Women of the flats, ordered to leave before February 1 have appeared to several citizens of this city to give them employment, it became known yesterday. The appeals met with no response.

Many of the girls are already leaving. Just where they are going, they do not say. Some are going "up town" they declared to a representative of The Times who interviewed a number of them by telephone.

Those who own their homes, in most cases partially paid for, are going to stay until they have to leave. How they will meet the payments—in some cases \$250 per month—that they give up in place of rent, is a matter for them to solve.

One resident of the district called up The Times office and requested publication of a statement which she dictated as follows:

"As I am a poor little girl, with no home and no place to go, I am willing to quit this life if Sheriff G. A. Hawkins will give or find me a home. I am not here at my will, but because I am wholly dependent on myself and have got to make a living some way. If the people of this city would lend a helping hand instead of a kick, there would not be so many of us here."

But when asked where she could be found, in case somebody did want to give her a home, the woman declined to tell, even in confidence.

"I would just make bad matters worse," she said.

One of the women, a proprietress, said that one of her girls had called up a number of Wichitans and asked for "What did they say?"

"They said they weren't hiring anybody from the flats."

The woman gave the names of two parties, one a minister to whom she said the girls had telephoned.

"They're willing to do anything," she continued, "any sort of menial work, house work, scrubbing, anything to make a living. How do they think a woman can work out her reformation without employment? They wouldn't do anything for us. If they thought us such a nuisance, they either ought to give us work or keep quiet. We have enough hardships."

"I'm going to the poor farm," said one woman, "I haven't any other place to go, I'm in no condition to work and I can't walk out of town. I guess it's the poor farm for me."

It developed, through the course of the telephone interviews that practically all of the "land ladies" occupy buildings which they have partially paid for. These "land ladies" do not know what they would do, but were not going to leave until they had to.

"I own my place," said one woman here, "they say they can't put me out but I guess they can if they take a notion. My girls have left. They said they were going up town. I don't know whereabouts up town they went."

"Did they try to find work?"

"I don't know. I ain't hunting work myself."

"My girls are getting ready to leave," said another. "I don't know where they're going and I guess I wouldn't tell nobody if I did know. I own here, a fellow generally old enough to care for himself. I don't own my place, I just rent, and I'm going to move up town."

"What do you mean by up town?"

"Well, you ought to know."

Another said she would not express her opinion of the matter over the phone. Several refused to talk at all or to answer any questions.

Officers report that the population of that part of the city has dwindled noticeably within the past few days and most of those remaining are expected to leave today and tomorrow.

BABY BEEVES TO BE DISTRIBUTED HERE

County Agents Expect to Place Large Number Here—Many Pigs are Placed

Distribution of "baby beeves" to the future farmers of Wichita county will start in the near future. Agricultural Agent J. W. Campbell announced yesterday. Already numerous applications for the calves have been filed and he expects to have a Baby Beef Club of more than 100 members before the work is finished.

The financing of the distribution has already been arranged.

The Baby Beef Clubs will be organized in conjunction with the distribution of pigs, in which substantial progress has already been made. More than 50 pigs have been placed by Mr. Campbell so far and he is expected to distribute them as fast as he can obtain them.

His work in this line is not confined to Wichita county, a number of farmers' boys in Oklahoma also being supplied.

Mr. Campbell has been given a desk at the Chamber of Commerce office and will arrange to be there at least one afternoon per week hereafter to attend to matters in connection with the distribution of the pigs and baby beeves.

Have you paid your poll tax? Wednesday is the last day. 222 11c

HENRIETTA GAS CASE IS SETTLED

COMPROMISE IS EFFECTED PROVIDING FOR RATE ADVANCE OF 16 2/3 CENTS

TO USE COMPRESSOR

Ends Controversy of Several Weeks Duration—New Franchise Is Granted

Henrietta's gas troubles are apparently over for the present, the litigation being ended out of court. A compromise was effected last week providing for the passage of a new franchise for the Henrietta Oil and Gas Company permitting it to change its rate of 33 1/3 cents to domestic consumers and nine cents to industrial concerns. The old rates were 20 cents to domestic consumers and five cents to factories.

The injunction had been pending in the 30th district court since Friday, January 12 but hearing on it was delayed pending efforts to settle. The controversy was closed when the city council at Henrietta passed the franchise ordinance granting the right to charge a higher rate.

"Settlement of the suit means that the gas company will install a compressor or pumping plant, to revive the pressure in the wells, which has dwindled to such an extent that it is no longer sufficient for the company's pipe line. It is expected this plant will be in operation by next winter.

Some weeks ago the company notified Henrietta consumers that it had become necessary to install a compressor and that this would entail a 100 per cent advance in rates, making the charge 40 cents for domestic consumers. A straw vote showed a majority of the voting consumers favored the advanced charge, with the compressor system, as against the old charge and "making their chances."

However, some of the consumers did not take kindly to a 100 per cent advance and during the controversy which resulted, the mayor of Henrietta and two councilmen examined and steps were taken for legal proceedings, after the company having failed to get its franchise amended so as to permit the higher rate, had, it is said, threatened to cease supplying gas to Henrietta consumers.

A temporary injunction was granted by Judge Bonner.

"There is only one gas company at Henrietta. The Lone Star Company had a pipe line there, but when the Henrietta company was formed, backed by American capital, the Lone Star took up its service pipes and withdrew from the field there. This left Henrietta dependent upon the one company."

The franchise granting the higher rate means an advance of 66 2/3 per cent over the old rates, but company officials are quoted as saying that it means that Henrietta will continue to get natural gas for a much longer time than that would otherwise be possible.

SEEKING ACCESS TO OKLAHOMA GAS

Wichitans Joining Other Texans in Urging Interior Department to Change Ruling

Users of natural gas throughout that section of North Texas served by the Lone Star Gas Company are now sending appeals to the department of the interior at Washington, urging a change of the ruling which has closed the gas fields near Ardmore to the Texas corporation. Some of these appeals, it has become known, have come from Wichita Falls, where the possibility of using the Oklahoma fields has been studied to some extent.

At present, the interior department holds that these leases cannot be taken over by the Lone Star corporation regardless of the need of the Texas cities that have already this winter experienced gas shortages and which are contending with the probability of still more shortages this winter and next.

The case with which the Fox field, as it is called, could be connected with the Lone Star's line, and the large supply of gas available, have caused consumers in North Texas cities to feel that this gas should not be withheld from them and presently being brought to bear upon the interior department officials.

The Oklahoma field could easily be connected with the Lone Star's line at Gainesville, from which it is about 40 miles distant. If this could be done before next winter, it would probably result in Wichita Falls getting natural gas from that source and putting in the Petrolia wells in reserve. Connection with the Lone Star line would enable that company to serve all towns on both pipe lines and while Wichita Falls would get a much less direct flow than she now has, the rock pressure at the wells is said to be sufficient for the needs of all Texas towns.

No official action has been taken by Wichitans, but a number have individually written or wired the Washington officials in connection with the plans. The matter concerns Wichita Falls slightly less than that does the other Texas cities, for while this city has not had the low pressure and shortages that Dallas, Ft. Worth and various smaller communities have suffered, the winter of any proportion that would tend to reduce the drain on the Petrolia field is of very present interest to Wichita Falls. Latest advices from Washington in connection with the agitation are not encouraging.

VERNON MAY ADOPT LOCAL ORGANIZATION SYSTEM

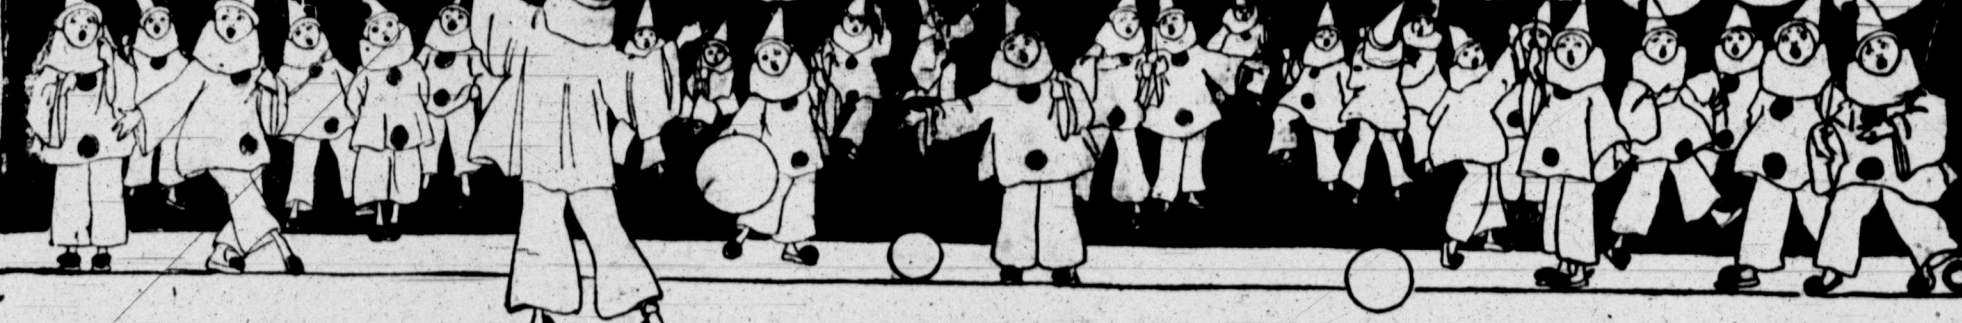

Vernon's Young Men's Business League will make a leaf from the book of the Wichita Falls Chamber of Commerce in the organization of their association along the lines of the bureau system recently introduced into the local Chamber of Commerce by E. F. Johnson, secretary. Mr. Johnson, who was in Vernon Friday attending a crop diversification meeting was asked to discuss the system in detail for the directors of the Vernon association, who were much pleased with the idea and expressed the intention of adopting it at Vernon.

AT THE CHURCHES

Lutheran Church (Mo. Synod)—Sunday school (German and English classes) at 9 a. m. Bible class at 9:45 a. m. German morning worship at 10:30 a. m. English services at 2:30 p. m. The Ladies Aid Society will meet Thursday, February 1 at the home of Mrs. Wm. Kroettinger at 2 p. m. Everybody is cordially invited to worship in any of the churches.

M. BEYER, Pastor.

First M. E. Church, South.—If you have not been to Sunday school in a long time, it is time to start. We have some very fine teachers and want you to be one to make our Sunday school first of the Methodist schools of the state. We meet at 9:30. The subject of the morning service is "A Man in the Home." This is one of a series of sermons the pastor is delivering on "Home." If you are the boss at your house you will be there Sunday at 10 o'clock. No "hen pecked men" admitted. Epworth League at 6:30 with the new president, Mr. Eddieman in the chair. Junior Epworth League is having a warm contest and meet at 6:30. The choir will sing at the morning service "Sing into the Lord" by Gabriel. Mrs. Fulton, director and Miss Ha Cook, organist. The evening service will open at 7:30 with a fifteen minute evangelistic song service led by E. C. Hinkabeer.

S. A. BARNES, Pastor.

First Christian Church.—Teachers and scholars meet at 9:15 for prayer. Bible school at 9:30. Good teachers and classes for all ages. Communion service at 10:40. No member of the church can afford to absent themselves from the Lord's table. Let us do the things that He has commanded us. At 7:30 in the evening the three Christian Endeavor Societies will have charge of the program. They will discuss every phase of the missionary enterprises of the church. This program will be given in all Christian Endeavor Societies throughout the world. We invite you to attend. It will be worth your while. We have some good news. Dr. Cross will begin his preaching with us on Friday night February 9. He is a great preacher and singer of the gospel. The subject of his first sermon will be "The Revival Spirit." Let us pray God's blessing on the meeting and work to that end. Dr. Cross preaches a full gospel, but we must help. Prayer will fit us to do God's work in the meeting.

Christian Science.—Services are held in the Masonic Temple, second floor hall as follows: Lesson sermons at 11 a. m. Subject "Truth." Sunday school at 9:45 a. m. Testimonial meeting Wednesday at 8 p. m. Reading room second floor is open every day, except Sunday and legal holidays from 2 to 5 p. m. There is in connection with the reading room a free circulating library of Christian Science literature. Catalogues, cards and full information may be obtained by applying to the librarian. The public is cordially invited to attend the services and use the reading room.

First Presbyterian Church.—Services at the First Presbyterian Church at 11 a. m. and 7:30 p. m. At the morning hour the pastor will speak on "A Lost Art." At night the subject will be "A Yardsick." The choir will furnish special music at both hours. We have a man from the factory working on our organ and hope to have it in condition for Sunday. Messrs. C. C. Gray and Patterson organized a Westminster Circle at the Marion hotel last Thursday. This circle is composed of the

young ladies of the Sunday school. Plans were made for work to begin at an early date.

N. F. CRAFTON, Pastor.

Church of the Good Shepherd.—(A house of prayer for all people) Sunday school at 9:30. Morning prayer at 11 o'clock. There will be no other services this Sunday. But come to these services; you will enjoy them and they will do you good. Watch for the announcements for next Sunday. All seats are free and all are welcomed. Worship with us this Sunday.

FRED T. DATSON, Rector.

First Evangelical Church.—Corner 14th and Broad Sts. Sunday school 9:45 a. m. Chas. Hombert, Supt. 11 a. m. morning worship. Subject "Israel's First King." The pastor will be in the pulpit both morning and evening, 2 p. m. The Junior Alliance will meet at 2 o'clock Sunday for their services. Every member should be there to get one of the new topic cards and be prepared to take part in the meeting. Pay Thompson, leader. 6:45 p. m. Senior Y. P. A. We would especially urge our young people to be on time to this service. 7:30 Evening worship. A cordial invitation to all.

GEO. A. ALSTADT, Pastor.

First Methodist Episcopal Church.—Corner Seventh & Lamar. Judge R. E. Huff, President of the Chamber of Commerce speaks on the subject of "What gains for me by the church." The pastor will follow with a short sermon at 7:30 p. m. Sunday Epworth League, 6:30 p. m. Subject of the morning worship is "The Sunday school at work." Bring your friends with you. 3 p. m. Fingral services at the church of Alvin Karrenbroek, one of our most loved and dependable members. Rev. Miller and Rev. Alstadt will assist in the service. The Masonic order will have charge of the ceremonial rites.

H. F. DRAPEK, Pastor.

Central Presbyterian Church.—(Corner Eleventh and Huff) Sunday school at 9:30. At eleven o'clock there will be a Christian service conducted by members of the church. All members of the church and the public cordially invited to attend.

Floral Heights Presbyterian.—(Corner Avenue I and Kemp Blvd.) The Floral Heights Presbyterian congregation will worship in the old location again today. All the regular services today. In the morning the pastor will preach on "Help and Helpless" and the evening subject will be "How Peter Kept From Shoveling Coal." The public cordially invited.

J. WALTER TAGGARD, Pastor.

CHURCH OF CHRIST PASTOR RESIGNS

Rev. C. A. Buchanan Gives up Pastorate Here and Will Move to Floresville

Rev. C. A. Buchanan, for the past two years pastor of the Church of Christ here, has accepted a call to the church at Floresville, Texas, and will leave shortly to assume his duties there.

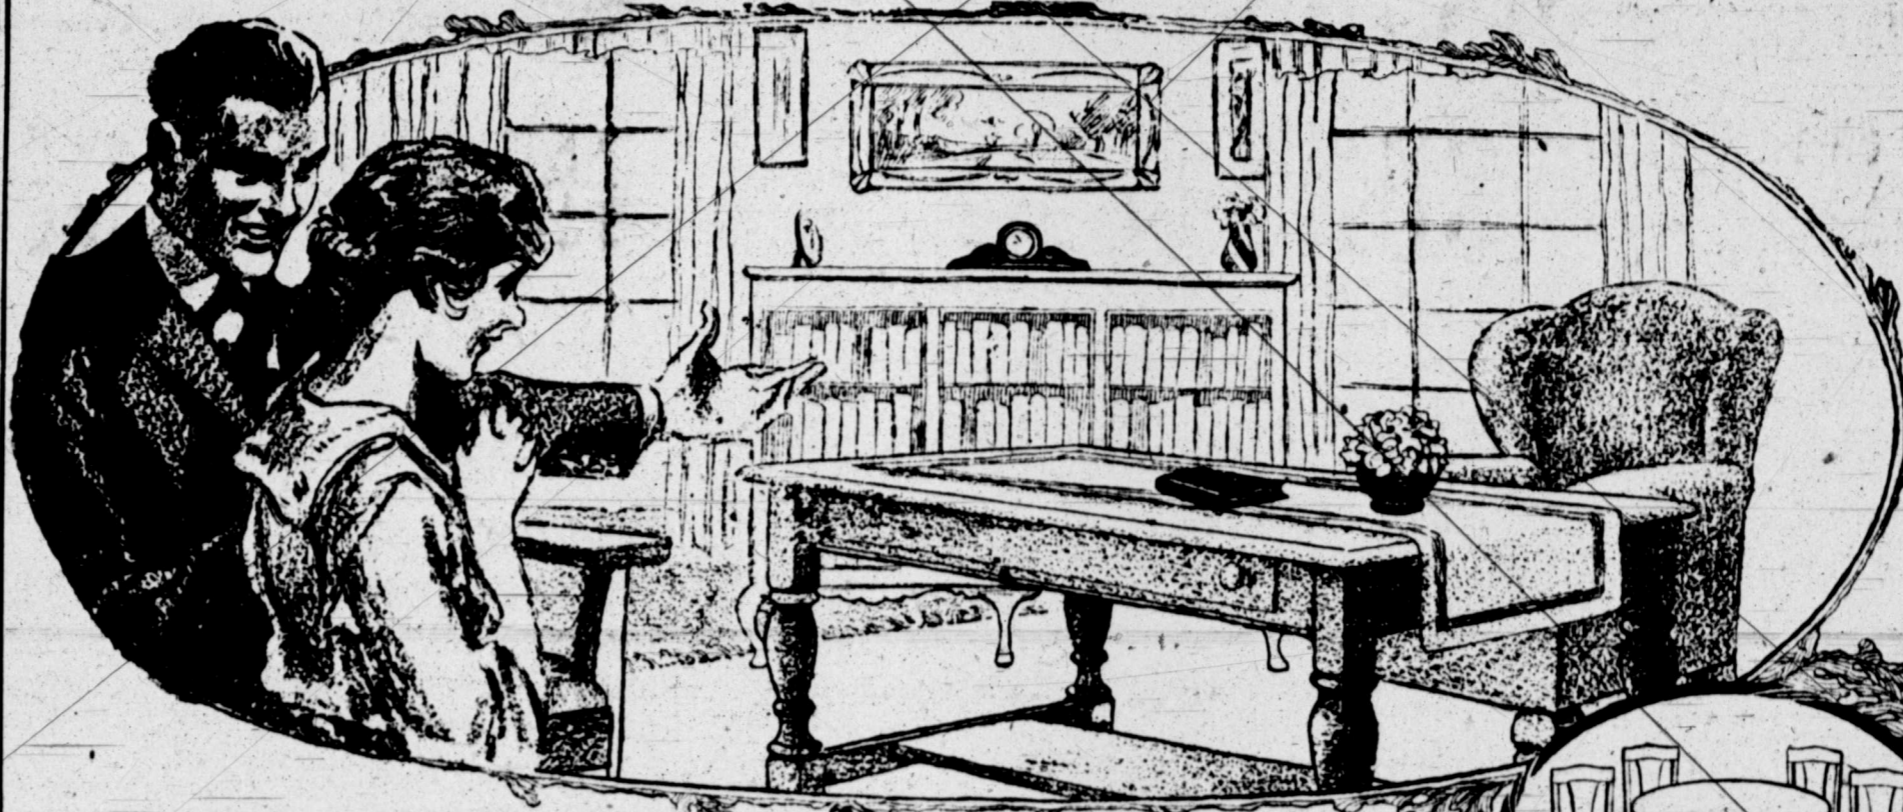

Mr. Buchanan has seen the membership of the church more than doubled during his residence here and he has organized an active and loyal congregation which regrets keenly to learn that he is to leave. Mr. Buchanan was formerly pastor at Frederick, Okla., and Ardmore, Okla., Texas.

ENGLISH TEACHER TO LECTURE HERE

Dr. C. M. Payne of State University to Speak Here as Unity Club's Guest

Dr. C. M. Payne, one of the leading instructors in English at the University of Texas and in charge of the University extension work among the taking a study of literature, will be the guest of the Unity Club Thursday, February 1 and will deliver two lectures. In the afternoon he will lecture at the home of Mrs. J. A. Kemp on "Southern Literature," the University course which the Unity Club is studying this year. At night the public will be invited to hear his lecture on "Mark Twain" which will be given at the First Presbyterian Church at 8 o'clock.

Dr. Payne has just returned from a year spent abroad on leave of absence taking special courses in literature. He has made a special study of southern literature and the club is looking forward to his lecture as the event of the year. The extension course of the University includes two lecturers each year and Dr. Payne will deliver the first of these lectures. He enjoys the reputation of a brilliant scholar and a pleasing lecturer and the club feels that the Wichita Falls public will be given a treat in his lecture of Thursday evening. His subject, "Mark Twain" has been especially

FLORAL HEIGHTS CHURCH TO MOVE

Location to Be Changed and Building Enlarged—Necessitated by Steady Growth

Necessitated by the steady growth in the congregation since Rev. J. Walter Haggard has assumed the pastorate, the Floral Heights Presbyterian church will be moved two blocks closer to town on Kemp Boulevard and enlarged to accommodate the growing membership. The present building will be moved starting Monday morning from the present location at Avenue I and Kemp Boulevard to a corner lot at Avenue G and Kemp Boulevard. The lot was given the church by Messrs. J. A. Kemp and J. W. Stringer.

The plans for the addition to the present small structure calls for a two-story building, the first of its type to be built in Wichita Falls, and the new church will be much more conveniently arranged and more commodious.

The bungalow churches called "home" churches have proven very satisfactory where the congregations

Pure Cotton Seed for Planting

number less than a couple of hundred and are arranged to meet all the needs of a small church. As soon as financial arrangements are completed the construction of this church will begin.

The Floral Heights church has grown from a mission church, established by the parent church, the First Presbyterian, in few years ago, until it is now a practically independent church employing its own pastor. It serves as a church home for the western and southern parts of Floral Heights and other residential sections which are removed from the downtown churches.

LEND MONEY FOR LARGER HOSPITAL

PLAN UNDER WAY FOR FINANCING CITY'S SHARE WITHOUT BONDS

REPLIES TO MAYOR

Hospital Board Takes Issue With Statement That Institution Didn't Make Expenses

Plans for financing a \$50,000 addition to the general hospital are now being considered by several Wichita and definite announcement is expected shortly. The plan is for the county to vote \$25,000 in bonds and for a number of local business men to loan the city \$25,000 to be paid back when a bond issue can be voted or in yearly notes running from five to ten years.

This plan of obtaining the money is being considered in connection with the unwillingness of the city council to carry bond elections when the city is so near its limit. While the city council is not authorized to borrow money, except on bond issues, this same plan has previously been followed in raising money for other purposes, the city always meeting the obligations promptly. In law, the city could fail to meet such obligations but these making the loan heretofore have always considered that there was no danger of electing councilmen who would not pay the debts.

While this plan has not yet been formally broached, it has been the subject of informal discussions. Some members of the city council are understood to be opposed to it, adhering to the position that the city should not be called upon at this time to expend any more money on the hospital, and that borrowing \$25,000, spent on it, without voting bonds, puts the city just as much in debt as if bonds were voted.

In connection with the discussion of the hospital matter at the council meeting Thursday night, members of the hospital board take issue with the declaration of Mayor Britain, that the hospital is not paying expenses. They point to the financial statement which shows that \$312.14 was taken in above the actual running expenses. In addition, the sum of \$2303.33 was spent for equipment, and this expenditure, hospital board members contend, cannot properly be charged to running expenses; adding this to the \$1313.14 profit in running expenses, there is a total of \$3616.47 to offset the \$3300 which was given by the city and county during the year.

These figures do not take into consideration the free work done by the institution, amounting to \$2832 for the first year. In view of these figures, members of the board feel that the institution is clearly meeting its expenses. The equipment consisted of beds and other incidentals which hospital board members declare would have been paid for by the city and county when the hospital was built.

had there been money enough in the hospital fund.

The issue seems to be one of book-keeping, with some contending that the expenditures for equipment is properly a part of the running expense. However, in the opinion of many of those interested in the matter, the question is not a pertinent one, as any hospital that comes anywhere near paying expenses its first year is an exception to the general rule. That the matter should be considered on a humanitarian rather than on such a dollars and cents basis is also contended.

A \$50,000 addition to the hospital would, it is believed, enable the capacity to be increased from 16 to 100. Should the building be exactly doubled in size, the space used in the present building for offices, etc., could be used for wards. In addition, remaining considerably more than double the number of beds.

"I don't care whether the Wichita General Hospital is making or losing money; the building of an addition to provide proper room for the patients there is a mere matter of humanity and the question of making or losing money should not enter at all," said County Judge Harvey Harris in discussing this question. "The crowded condition of the hospital is a shameful state of affairs and a reflection both on the city and the county. The county stands ready to do their share in the building of the addition, and I think that common humanity demands that the city do the same, regardless of the profit or loss from the operation of the institution. We could very properly attend to this need and let some of the bond issues for other matters go a while."

SEVERAL CHANGES IN NEW ROAD LAW

County Commissioners To Be Paid \$100 Monthly When Supervising Road Work

Several changes in the present road law in this county are provided in the new measure now pending at Austin, which is expected to be passed shortly. One of the principal changes is that providing that when county commissioners give their full time to road supervision work, they shall receive \$100 per month. At present they are paid on a per diem basis for such work and are limited in the amounts they may receive. The \$100 provision shall apply only where the commissioner devotes his full time to the work.

The new law also changes the rules under which the county may condemn land for road purposes, and makes it easier to obtain right of way than under the old measure; no material change, other than those incorporated in the measure. The law has the approval of the attorney general and is expected to pass without opposition, according to County Judge Harris, who looked into the matter while in Austin last week. While at the capital, Judge Harris obtained formal approval of the \$80,000 bridge bond issue.

It has the new bayonet joint tone-arm. It has the regular standard Columbia motor which plays three records on one winding.

The records, to the value of \$15, you can select yourself. There are hundreds of records in the standard 65c series from which to make up your list.

The whole outfit delivered subject to trial in your home, where nothing at all but the musical capacity of the instrument can influence you to purchase. \$5 a month is all we ask after the first deposit is made.

WANTED TO BUY Second Hand Furniture and Stoves Phone 1011 Star Furniture Co.

BE READY FOR THE COLLECTOR

Receiving Want Ads by telephone is the final detail in making The Times Want Columns promptly and perfectly useful to the readers.

Telephone Ads cost no more, in money—and less in time—but The Times must employ collectors to follow the phone.

The extra accommodation of receiving by phone should be encouraged by always being ready for The Collector.

DON'T LET HIM CALL THE SECOND TIME If you have a room to rent, a house to rent, a farm for sale, or if you want to buy an article, whether new or second hand, you should use The Times Want Add Columns daily.

RATES—Want ads are one cent a word for the first insertion and half a cent a word for subsequent successive insertions. No want ad for less than fifteen cents and no ad taken to run three times for less than 25 cents. In giving in Want Ads PHONE 167.

Legal Notices

SHERIFF'S SALE The State of Texas, County of Wichita, by virtue of a certain execution issued out of the honorable justice court of Wichita county on the 14th day of January, 1917, by W. J. Howard, Justice of the peace No. 1, of said county against G. W. Wigham for the sum of seventy-nine and 36/100 dollars and costs of suit in cause No. 742 in said court, styled J. L. Mears vs. G. W. Wigham and placed in my hands for execution, I, G. A. Hawkins, as sheriff of Wichita county, Texas, did on the 27th day of January, 1917, levy on certain real estate situated in Wichita county, described as follows: to-wit: Lot one (1), block seven (7) of the G. W. Wigham addition to the town of Burk Burnett, Wichita county, Texas, according to the plat and said addition recorded in deed record of Wichita county, Texas, levied on as the property of the defendant G. W. Wigham. And on Tuesday the 27th day of February, 1917, at the court house door of Wichita county in the city of Wichita Falls, Texas, between the hours of 10 a. m. and 4 p. m., I will sell said real estate at public vendue for cash to the highest bidder as the property of said G. W. Wigham by virtue of said levy and said execution. Let one (1) block seven (7) and lot one (1) in block seven (7) of the G. W. Wigham addition to the town of Burk Burnett, immediately preceding said day of sale in the Wichita Daily Times, and newspaper published in Wichita county, Texas. Witness my hand this 27th day of January, 1917. G. A. HAWKINS, Sheriff Wichita County, Texas. By R. L. LASSITER, Deputy. Jan 21 28 6p

FRENCH ARTIST QUARTER PICTURE MONDAY AT GEM

A picture of the Parisian artist quarter "Toto of the Byways" will be on the program Monday at the Gem.

Paul Bentley an English artist studying in Paris, has secretly married his model. His father sends for him to return as his mother is very ill.

Five Reasons Why We Sell Sidway

Collapsible Baby Carriages

- 1-The Sidway springs can instantly be adjusted as baby gains weight. No other baby carriages have adjustable springs.
2-Easy for Mother to handle at curbs. She wheels it without getting tired.
3-The Sidway is longer and wider than ordinary baby carriages. It can be used as a crib indoors, or out on the porch.

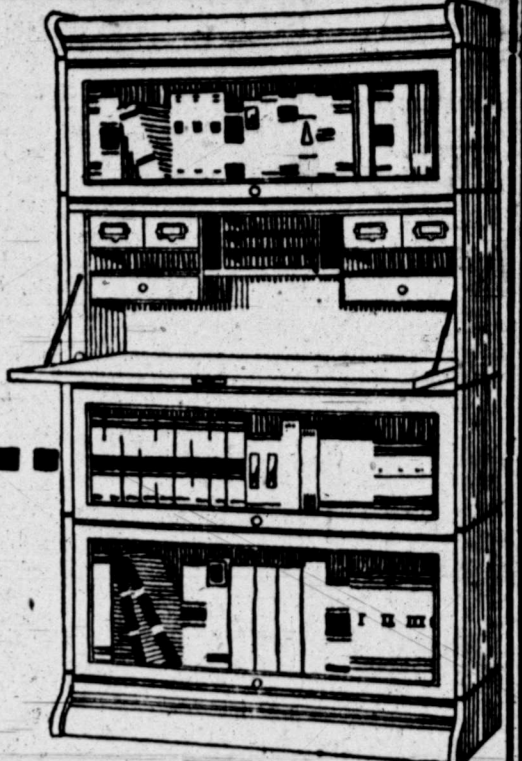

The above cut shows our \$13.50 Carriage We are showing others, ranging from \$6.50 to 16.00

Craft Lace

THE WINDOWS OF YOUR HOME

May be made beautiful without much expense. Visit OUR CURTAIN Department. It will be a pleasure to show you the new things.

EVERY MOTHER should seriously consider the installation of a GUNN Sectional Bookcase. Its use teaches thrift, system and economy.

GUNN SECTIONAL BOOKCASES

are built on honor. The best that skilled workmen can produce from the best materials obtainable. They are built under the Guaranteed Gunn Construction and the best on the market in every respect.

Theater Calendar

MONDAY: Musical attraction starts three days' run at the Wichita Theatre. Myrtle Steadman at the Empress in "The Soul of Kura-San."
TUESDAY: "God's Crucible" at the Majestic. Bluebird production photographed in the Grand Canyon. Gail Kane in "The Men She Married" at the Empress.

MAJESTIC THEATRE

MONDAY

Everybody lives a snappy racing tale, an exciting picture of adventure on the turf and when this is coupled with a pretty love story it's a combination that's hard to beat—ATTA BOYS LAST RACE.

DOROTHY GISH

as the star, is a rushing, exciting racing story and its expectations are more than lived up to. There's the peppy little jockey, the sweet heart who hated racing and the villain. Then there's the real horse race that makes the boy's fortune and a cooking climax.

DEWOLF HOPPER

In two reel TRIANGLE comedy

"POOR PAPA"

5c and 10c—PRICES—5c and 10c

EMPRESS THEATER

MONDAY

SESSUE HAYAKAWA AND MYRTLE STEADMAN IN "The Soul of Kura San"

A rare novelty among screen offerings is the presentation of the celebrated Japanese actor, Sessue Hayakawa, and the popular American screen favorite, Myrtle Steadman in this virile and unusual photoplay.

Myrtle Steadman

5c and 10c

TUESDAY

Gail Kane, Arthur Ashley, Montague Love and Muriel Ostrich

"THE MEN SHE MARRIED"

Adapted from the story by Harold Vickers, published in the snappy Stories magazine.

5c and 10c—Prices—5c and 10c

DOROTHY GISH STARRS AT MAJESTIC MONDAY

Here is a film play of the story of a horse which will be to the screen what the book "Black Beauty" is to all printed stories of horses. The play is the Triangle-Fine Arts new five reel drama of the race track, "Atta Boy's Last Race" by Tod Browning, directed by George Siegmann.

"MILLION DOLLAR DOLL" HERE NEXT THURSDAY

An audience which completely filled the opera house Tuesday evening saw and heard the musical comedy, "The Million Dollar Doll" and expressions of satisfaction with it were unanimous on all sides.

Pierre come in and Pierre makes the explanation which results in the disappearance of "Toto of the Byways" forever.
JACK PICKFORD AT THE EMPRESS WEDNESDAY
Next to discussions on the war and politics the chief question today is "Have you read 'Seventeen'?"
