

DEATHS IN GERMAN REVOLT REACH 8000

BEYSON WAS OFFICIAL WHO GAVE WARNING

Admiral Sims Divulges Name of Man Who Warned Him Against British

WITNESS WILL BE ASKED LONG LIST OF QUESTIONS

Many Other Naval Officers Will be Called Before Senate Committee

WASHINGTON, March 22.—(United Press.)—It was Admiral W. S. Benson who warned Admiral Sims, "don't let the British pull the wool over your eyes," Sims declared at the senate naval inquiry today.

Several weeks ago Sims told the senate sub-committee that such a warning had been given to him during a conference of the navy department as he was about to sail for Europe only a few weeks before this country entered the war.

Benson at the time of the alleged utterance was chief of the naval operations. He is now head of the shipping board.

Sims said the incident occurred either just before or just after he had been in Secretary Daniel's office receiving his orders to go to Europe.

"It was just after I came out of the secretary's office or just before I went in, I can't remember which. I was in somebody else's office. I think it was the chief of naval operations, and I think that was Benson. He gave me instructions were given by a certain official of the navy department," Sims said.

He tried to avoid any personal reference to Benson.

"I think the committee should have the name of the officer," Chairman Hale stated.

"Well, it was Admiral Benson, who was the chief of naval operations," Sims said. "I received no other instructions from him. It was preceded by nothing, followed by nothing and told me in his anti-British. I left immediately."

Benson anti-British.

Sims referred to Benson as being "intensely anti-British," and said his statements were repeated in substance on two occasions.

Sims said that when he met Benson in Paris six months later the admissions were repeated in substance and a third time the same thing happened in London.

"I regarded this as a personal prejudice on the part of Admiral Benson," Sims said.

The instructions Sims alleges Benson gave him were:

"Don't let the British pull the wool over your eyes. It is none of our business pulling the chestnuts out of the fire. We must fight the British as the Germans."

"I have always considered Benson perfectly honest, fair and square and a high minded gentleman," Sims said. "But any man who is intensely anti-British or anti-French will always be held by those sentiments."

Before United States entered war, Senator Pittman, a democrat, pointed out that the incident occurred before the United States declared war.

"But I was sent over because we were going into the war. I knew it perfectly well," Pittman said.

"No one else knew it," Pittman observed sarcastically. "Your pre-knowledge was perfectly remarkable."

Senator Pittman attempted to show Sims had given to the press his letter of Jan. 7, which contained the sensational charges against the navy department.

"You are trying to show I fixed this thing," Sims said. "I'm no spring chicken in this business and I'm not putting my head into a noose unnecessarily."

Sims admitted that contents of his letter might have leaked through the navy department, but denied any connection with the alleged leak.

"Don't you think it was improper to disclose such secrets as you did in your letter?" Pittman asked.

"Not when the interest of our country is at stake," Sims retorted hotly.

"We naval officers made up our minds to go to war. We were never going into another war like we went into this."

Evidence was introduced by Pittman designed to show that Sims favored using a "good portion" of American drafted men as shipyard laborers, opposed creation of a separate army in France and urged that American naval forces be considered only a "branch of the British grand fleet." He offered documents in support of his points. One linked Walter H. Page, now dead, but at that time ambassador in London, with a movement opposing an American army and favoring brigading of Americans with British and French forces. Pittman declared this was "British propaganda" aimed at Pershing and a separate American army.

Pittman read a memorandum alleged to have been found in the personal files of Admiral Sims, unsigned, which formulated a plan for further agitation in favor of brigading American troops. Sims said the memorandum "probably" was written by Ambassador Page.

It was dated Jan. 14, 1918, and read in part:

"There was a small dinner last night at which were present Balfour, Cecil, Reading and the host, a very important person. There was also present another man who holds some sort of radical views as to the most efficient way to employ America's man power on the western front. Instead of organizing a separate army with its own lines of communication and supply.

"The gentleman above mentioned were greatly interested in the expression of these views and highly approved of them and the discussion turned upon the means to be employed and realized them."

LATEST FIGURE OF JOHN D. ROCKEFELLER SR.

An unusually rare and exclusive photograph of probably the world's richest man, taken while at play at Ormond Beach, Fla. John D. Rockefeller Sr., who will be 81 years "young" next July, keeps his remarkable health by devoting all his "play" to playing golf. (c) U & U.

G. O. P. LIBERALS MAY FORM A NEW POLITICAL PARTY

Senator France Threatens New Party to Restore Individual Liberty

WASHINGTON, March 22.—Warning that "republican liberals" might form a new political party to fight "bourbon autocracy" in an effort to restore individual liberty, was sounded in the senate today by Senator France, republican, Maryland.

With repeal of national prohibition and the espionage act as the chief planks in his tentative platform, Senator France declared that liberals need not hesitate to raise the battle against the reactionary forces of autocracy and the un-American bourgeoisie.

The democratic party under autocratic leadership, he said, "ingloriously abandoned the sound doctrine of the sovereignty of the states, voted without scruple huge powers to the chief executive, who was in violation of the constitution and of every cherished principle of liberty, created the most powerful despot in the world."

Both Parties Decadent.

Charging that republicans joined with the "bourbon reactionaries" and conspired in the setting up of this autocracy, Senator France said both parties "are as decadent as the issues that quickened them into being."

If the republican party shall not now become the party of liberalism and of liberty," he declared, "then there shall be a new and liberal party which shall express the aspirations of the millions of Americans who demand restoration of their liberty and of their liberties."

Some of the planks:

Operation of railroad by representatives of capital, labor and the public, under interstate commerce commission supervision.

Rejection of the "iniquitous" treaty of peace with Germany.

Reduction of the high cost of living with economy of federal expenditures and reduced taxes.

Operation of none and a system of military training but postponement of immediate universal training.

Other demands were: Woman suffrage, budget system, agricultural development, federal employment agencies, abolition of child labor, "generous compensation" for service men permanently disabled, and development of the merchant marine.

State's Rights Involved.

Senator France charged that prohibition "forced through during the war while 4,000,000 American boys were in service," was unconstitutional and an infringement upon individual liberty and states' rights.

"If the supreme court upholds this decision," Senator France continued, "then all men, regardless of how they fell upon the question of national prohibition, should be willing to advocate the repeal of the Eighteenth amendment, in order that in normal times the people and their legislature should have an opportunity of determining for themselves—freed from all coercion, compulsion and repression, this most important question."

TODAY ANNIVERSARY OF BATTLE OF ALAMO FOUGHT 84 YEARS AGO

Today, Monday, March 22, is the 84th anniversary of the Battle of the Alamo. It was on March 22, 1836, that Gen. Antonio Lopez de Santa Anna, president of Mexico and self-styled "Napoleon of the West," directed his forces to the final attack upon the Alamo. The anniversary was observed today in the rural schools of the county by teachers giving special talks to history classes on the importance of the day. History teachers in the city schools also gave special talks upon the importance of the event.

TO ASK SUPREME COURT TO ASSERT ITS JURISDICTION

Texas Seeks Writ to Supersede Enid Injunction—Other Move Planned

BULLETIN.

OKLAHOMA CITY, March 22.—A federal receiver to take over all properties in the much-discussed Red River district until the dispute between Oklahoma and Texas is settled, will be asked, Attorney General S. P. Freeling said today.

AUSTIN, TEX., March 22.—Attorney General C. M. Cureton left for Washington today to appear before the supreme court in connection with the Texas-Oklahoma boundary dispute. Mr. Cureton declined to discuss the action he contemplates, but information from his department is that contemplated action would involve all of the border formed by the Red river between the two states and is not restricted to the territory from which the order issued by a federal district judge of Oklahoma sought to eject Texas claimants.

The attorney general announced yesterday that E. F. Smith and C. W. Taylor, assistant attorney generals, and Thomas W. Gregory, former United States attorney general, who has been retained by Texas in the boundary suit, have been assigned to appear in Oklahoma City March 26, at which time the Judsonia Development association has requested a hearing upon contempt proceedings, arising out of refusal by Texas officials to recognize jurisdiction of the Oklahoma federal court in the boundary dispute.

YOU KNOW WHAT TEXANS SAY ABOUT THE MAN WHO GUESSES ON WEATHER

DALLAS, TEX., March 22.—John J. McMuraw, manager of the New York Gladiators, left Dallas today with a majority of 4 to 3 defeat by the Boston Red Sox and the charge of being "city slicked" out of \$2,000 by a Texan.

Mr. Gray thought it would rain Sunday.

Life Levine, concessionaire at Gardner park, overheard the remark and offered him \$250 more than his \$1,000 guarantee. Levine drew \$1,200 as his part of the receipts from the Sunday overflow crowd.

CARGO OF WHEAT IS EXPECTED FROM ARGENTINE

GALVESTON, TEX., March 22.—It was announced today that the Russian steamship Baltika is due to port within the week with a cargo of four thousand tons of wheat from Argentina. The cargo is destined for a firm in Ft. Worth. This will be the first importation of wheat from Argentina through this port since November, 1918.

MONTHS INTEREST ON STATE FUNDS \$37,268

AUSTIN, TEX., March 22.—Interest upon state funds in state depositories during February amounted to \$37,268, according to a statement by Treasurer J. W. Baker today. A total of \$14,739,000 is on deposit.

DIVIDENDS FROM ACCRUED PROFITS ARE TAXABLE

WASHINGTON, March 22.—The supreme court today upheld the contention of the government that dividends received in 1912 or thereafter, but paid out of profits accruing prior to 1913 constitute taxable income under the 1913 income tax law.

The suit was brought by the Union Pacific Coal company to recover taxes paid under protest.

SPECIAL SESSION LEGISLATURE MAY BE CALLED BY HOBBY

AUSTIN, TEX., March 22.—A special session of the legislature will be convened if existing laws are inadequate to deal with the pink boll worm menace, Governor Hobby today told a committee of the Texas chamber of commerce.

The committee called on Hobby and urged immediate action to prevent a drastic quarantine against Texas cotton and cotton products threatened by the federal government.

TOWN OF NEOSHA RAPIDS REPORTED BURNING

EMPORIA, KAN., March 22.—The town of Neosha, Rapids, in Lyon county, is burning, according to a telephone message received here this afternoon. Several houses in the little town, which has a population of about 300, were reported afire, with a high wind driving the flames. Two fire trucks have been sent to the town.

T. & P. PASSENGER TRAIN RUNS INTO OPEN SWITCH

TERRELL, TEX., March 22.—Except for a slight shaking up 40 men were hurt when Texas and Pacific west-bound passenger train No. 3, ran into an open switch at Forney, 12 miles west of here, today and crashed into four freight cars, a siding. The freight cars were reduced to kindling, and the engine and baggage and mail cars of the passenger train were disabled. The engineer and fireman, who stuck to their posts, were uninjured.

WHITE CORPORATION HAS 5,000 BARREL WELL

SHREVEPORT, LA., March 22.—The new 5,000 barrel oil well brought in by the White Oil Corporation—Wheaton No. 2—has caused much excitement here.

HERE IS THE YOUNGEST LICENSED AVIATRICE IN THE WORLD

Mile. Farman, the famous French aeroplane inventor and manufacturer is only 13 years old. Her age, however, has not prevented her securing a pilot's certificate.

MILLION WORKERS WILL BE AFFECTED BY STRIKES DURING 1919

WASHINGTON, March 22.—Approximately one million workers will be affected by strikes, lockouts and controversies during 1920, it was estimated here today on the basis of labor department records.

The records show that in 1919 approximately 2,300,000 workers were involved in strikes, lockouts and controversies referred to it for settlement.

Losses of workers through wage controversies and strikes this year may reach \$5,000,000, it is believed in 1919 total losses in wages are believed to have been twice this sum or more than \$100,000,000.

No reports are obtainable on the losses of employers and the extent of the decrease in production resulting from strikes.

However, 64 percent of the cases referred to the labor department including those in the controversy stage and have not turned into strikes or lockouts. These were adjusted peacefully. But the cases referred to the labor department for adjustment represented only a small percentage of the actual number of strikes, officials explained. Thus the strike, which is claimed to have involved 300,000 men, does not figure in the labor department records. Neither does the coal strike, although Secretary Wilson personally took a hand in it.

Evidence is abundant that with the coming of spring, workers in all parts of the country are turning their attention to wage scales.

In many cities building workers and mechanics already have opened negotiations for wage increases. Building mechanics in most cities now receive \$1 an hour. In a few cities demands have been presented for increases ranging from \$1.25 to \$1.50.

The industrial situation now is near the tense moment from the labor standpoint. In April and May, wage contracts expire in scores of crafts.

IRLAND SHOCKED BY MURDER MAYOR CORK

LONDON, March 22.—Dispatches from Ireland show the murder of Thomas McCarthy, mayor of Cork, to have produced an intense, if subdued, sensation throughout Ireland. This tragedy, says the London Times correspondent in Dublin, closed one of the blackest weeks since the rebellion of 1916. He gives a long list of outrages in various parts of the island, including five murders of policemen and others and an attempt to kill Professor Stockley of Cork.

The motive of the murder of the lord mayor continues as mysterious as ever. No arrests have been reported, so far as known.

Newspapers, while unreservedly condemning the crime, maintain it does not differ from those which long have terrorized Ireland. It is declared that Ireland for the moment is largely under the domination of secret societies, the members of which are sworn to kill those whom they believe to stand in their way, but who the conspirators are, puzzles the police as much as the public.

It is remarked as a phenomenon that where there are murder societies, members after a while begin to be suspected of murdering each other. Existence of these supposed societies is declared possible owing to the "moral cowardice of the Irish public." The crimes the societies commit, are repugnant to the better sort of Sinn Feiners, who, however, keep silence, fearing the consequences if they condoned assassinations, the paper says.

Even newspapers which support home rule while condemning what they regard as the present evil system of Irish government, also denounce Irishmen themselves for condoning methods which they say are fast establishing a condition of anarchy and terrorism, under which their own leaders may soon be powerless to deliver them. The anti-home rule Morning Post again attacks the government today and denounces Field Marshal French and James Mac-Pherson, saying:

"They are bringing about the hideous necessity of reconquering Ireland by force of arms," and "Civil war is within sight."

CONSTANTIN TULSA PLANT IS BURNING

TULSA, OKLA., March 22.—Following the explosion of two oil tanks at the Constantin Refining Co. in West Tulsa, at 2:10 o'clock today, fire threatened to destroy the entire plant, valued at \$300,000. Several explosions occurred at different times, sending fumes of gasoline a hundred feet high.

Wack Wood, an employe, is said to be dead in the mass of wreckage of iron and twisted steel. A master mechanic for the Couden and Company plant, was burned badly, but also were five other men. The five men were taken to the Tulsa hospital.

Wood was on the last "clean up" in the plant when the gasoline caught fire. He attempted to extinguish it but a cloud of gaseous vapor ignited with a terrific explosion.

Three of the men burned are city men.

The fire probably will not stop until it reaches the Arkansas river to the north.

GERMANS PREPARING FORMIDABLE PROPAGANDA FOR THE REVISION OF THE TREATY OF VERSAILLES

PARIS, March 22.—Germans are preparing a formidable world propaganda in favor of a revision of the Versailles treaty and the holding of a new international conference, at which vanquished nations might be represented for the object of changing or eliminating many clauses of the present treaty between the allied nations and Germany, according to a Geneva dispatch. A book entitled "The Greatest Crime of Humanity" has been prepared and 10,000 copies, printed for free distribution, especially in America, England and France, and it is said that millions more of other pamphlets along the same lines will follow.

BATTLE BETWEEN SPARTICISTS AND EBERT GOVERNMENT TROOPS IMPENDING IN RUHR DISTRICT

Berlin, notwithstanding the return of the Ebert government to control there, still presents pretty much the aspect of an armed camp, with the food supply short and sanguinary fighting occurring at intervals in the suburbs.

Serious trouble occurred in the Roabst industrial quarter Sunday night and in one conflict reported Sunday 29 Spartacists were killed in an engagement and 24 others who were captured were executed.

In the Ruhr industrial region, immediately adjoining the allied zone of occupation, there is veritable civil warfare with opposing armies of communist and government troops drawing up their forces in line for battle. Government detachments have been defeated in some preliminary skirmishes.

Leipzig has quieted down after the government victory there. Among the agricultural population in some sections of northern Germany there is increasing unrest.

Southern and eastern Germany are reported fairly quiet. There is a threat, however, of a renewal of the general strike in Bavaria because of dissatisfaction with some of the terms of settlement.

SPARTACAN TROOPS BETTER TRAINED THAN GOVERNMENT'S

PARIS, MARCH 22.—Spartacan forces in the Ruhr valley of Germany number from 60,000 to 40,000, according to latest advice. They are well organized, being composed of old shock troops and veterans, supplied with artillery, machine guns and mine throwers and having batteries of 77 centimeter field guns with plenty of ammunition.

William Major Beerfeld, a relative of Maximilian Harden, is commander of these troops. He is well known as the man who published Prince Liebnow's report blaming the German government for starting the world war, and was also prominent in the Spartacist troubles at the time of the armistice, and also in January, 1918.

Ebert government authorities are concentrating troops and planning to surround the Ruhr valley and force the Spartacists to capitulate. These men, however, are younger and less trained than the reds.

The occupation of the Ruhr district by German troops in violation of the terms of Articles 42 and 43 of the treaty of Versailles, it was pointed out at the foreign office, which added—comment that this was not the first act of communist aggression in the Spartacist troubles at the time of the armistice, and also in January, 1918.

Two German officers have been sent by the Ebert government to acquaint the French authorities with the situation in the Ruhr district. These officers are expected to reach Paris this evening.

The foreign office advises regarding the composition of the red army in the Ruhr region are that it was recruited for the most part among the iron workers and not the miners. The military organization extends also to the civil service and the postoffice and the telegraph lines are in control of the communists.

POPULATION OF MORE CITIES ARE ANNOUNCED

WASHINGTON, March 22.—Population statistics for 1920 made public today include:

Crowley, La., 6,108, increase of 1,909, or 31.3 per cent.

Alton, Ill., 24,516, increase of 7, 15, or 29.3 per cent.

Keokuk, Iowa, 14,423, increase 415 or 3.0 per cent.

Columbia, Mo., 10,581, increase 1,019, or 10.5 per cent.

Columbia, S. C., 37,524, increase 11, 205, or 42.6 per cent.

BAILEY TO SPEAK AT ABILENE AND EASTLAND

DALLAS, TEX., March 22.—Former Senator Joseph W. Bailey will return to Texas from Washington "not later than March 29 and possibly earlier," it was announced at Bailey headquarters here today. He will speak in the interest of his gubernatorial candidacy at Eastland March 31 and at Abilene the afternoon of April 1. Further speaking dates are being arranged and will be announced soon, it was said.

TERMS OF AGREEMENT CALLING OFF STRIKE

LONDON, March 22.—Dispatches here today indicate the situation in Germany is becoming quieter.

The government has re-established its authority at Kiel and Leipzig, general strikes have been called off, and the government has started proceedings against Dr. von Kapp and General von Luettwitz, the leaders of the insurrection.

An official Berlin wireless gave the terms of an agreement between labor unions and the government for calling off the general strike.

A new cabinet will be formed with the co-operation of the labor unions.

Official of the von Kapp Insurance will be punished.

Reorganization of the administration through appointment of republican officials.

Socialization of industry, including nationalization of mines and the post office.

Stricter measures to conserve and increase the supply of foodstuffs, production of iron, steel, and other agricultural measures.

Organizations of the reichwehr under leadership of republican officers with special recognition of the labor unions.

Removal of all known reactionaries from the government.

Rumors that a communist army was marching on Berlin caused great excitement in the German capital, a dispatch said. The inner city was fenced with double barbed wire entanglements. Machine guns have been placed at regular intervals in Berlin.

Holes have been blown in government buildings for the erection of machine gun emplacements.

One dispatch said that radicals in the streets were holding a manifesto declaring the workers will remain out until they attain complete socialism. The independent socialists, this dispatch said, demanded disbandment of all military police and creation of a revolutionary defense corps, abolition of the state of siege and immediate nationalization of mines.

CHIEF M'CLURE CALLS ATTENTION TO FIRE FIGHTING HANDICAP AND SUGGESTS SUITABLE CORRECTIONS

"With water mains which are woefully small and inadequate, I tremble for the safety of Wichita Falls every time we get a fire alarm until I know where the fire is located and what it amounts to," said Fire Chief J. L. McClure Saturday.

"With the present mains in the business district, the fire department would be positively helpless in the face of a fire of any magnitude, as the fire equipment we have at present would quickly suck the mains dry in the event of a fire. Even now, it frequently happens that the water pressure is inadequate to carry sufficient water for the ordinary water system beyond the second floor in some of the office buildings, much less to provide sufficient pressure with which to fight a fire.

"In the case of a fire of any magnitude in any part of town, with the wind in the right direction, I am afraid that the fire department would be unable to prevent its taking everything in its path clear to the edge of the city, taking the entire business district in its way.

"Such a fire, while it would not actually burn some of the newer fire-proof buildings, would warp them so out of shape as it would cost practically the same as a new building to put them back in shape.

"This condition could be corrected by the installation of the necessary fire plugs, one additional high power pump at the water plant and the building of 24 blocks of 24-inch water main, with about three ten-inch laterals, which, with the equipment which we have now ordered, would put the department in condition to really resist serious fire. This 24-inch main should start at the water plant, one block west on Chester to Bluff, thence north on Bluff 12 blocks to Seventh, east on Seventh two blocks to Austin, north to Sixth, east five blocks to Ohio, south on Ohio one block back to Seventh, lying into the present mains wherever they cross. The ten-inch laterals should run east from the 24-inch main on Seventeenth, Fourteenth and Eleventh streets.

"These improvements would give a sufficient supply of water for practically any emergency, and should be installed without delay, as the large measure of good fortune which has attended this city for the past few years in the matter of large fires can not be expected to continue indefinitely.

"With the additional equipment at present in the hands of the city, and the strategically located additional stations under erection, the city will be pretty well off in the matter of fire fighting equipment, provided there is an adequate system of mains to tie them. Without this water system, the equipment we have is practically useless, except in the cases of small fires. One of these stations, a wood-frame cottage-style house, with built-in garage, we have just completed at the corner of Seventeenth and Holliday, and have moved in the engine company and the White triple combination pumper from the Floral Heights station, which has been sold and which is to be turned over to the new owners Monday. This station, No. 2, No. 2 station, which will take the place of the present Floral Heights station, will probably be located some-

where near Avenue E and Filmore. This will be a hollow tile and stucco station of the type which we have recently adopted as a standard for stations in the residence sections. The No. 4 station, now under construction, is of this type, and will be located on Seventh, between Broad and Bluff. The No. 2 station will have a combination hose and pumper truck, with a deluge set which will permit the throwing of four streams of water. The No. 4 station will have a combination chemical and hose truck. The extra equipment, including the pumper, Burrell gas masks, life lines, turret nozzles, etc., will be distributed among the various stations.

"The strength of the fire department will be about 36 when all this new equipment and the new stations are put into service, giving an adequate force, as I said before, provided they have a big enough water system to tie on to."

REV. GRAFTON URGES SYSTEMATIC GIVING IN SERMON SUNDAY

With a plea for the support of the welfare council by the people of Wichita Falls, as the best method of charity at home as the climax of his sermon on "How to Give Money," Dr. N. F. Grafton, of the First Presbyterian church, finished the series of Sunday night sermons on "Money" last night.

A systematic giving of the money that belongs to the Lord by the individual, with tithing advocated, and a systematic dispensing of charity for the needy was urged by Dr. Grafton. The work of the welfare council and its purposes and program as outlined, if the money is available, was highly commended.

"When we drop a dime into the street beggar's hat," Dr. Grafton said, "we feel a pleasant glow of self commendation, when really we are doing an injustice to ourselves and the community. Organized charity should make mendicancy impossible, and our organization will do that. Every gift we make indiscriminately to beggars, many of whom have big bank accounts, encourages idleness and shiftlessness. There are many beggars on our streets who are only slightly crippled, and who could be useful citizens if they went to work, as they would have to do if the thoughtless and indiscriminate gifts were stopped. Let's be as systematic about the money we put to the Lord's use, as we are of the money we use for ourselves."

GOVERNOR CONFERS ON BOLL WORM SITUATION

AUSTIN, TEX., March 22.—The governor is today holding a conference on the pink boll worm situation in Texas with J. Z. George, general manager of the state chamber of commerce; M. H. Gossett of the federal land bank at Houston; W. F. Ramsey of the federal reserve bank at Dallas, and others.

The governor said today that he has arrived at no decision upon the question of calling the legislature to amend boll worm laws.

FIRST BAPTIST CHURCH PREPARING FOR REVIVAL

Preparations for the revival which will begin in a fortnight, formed the inspiration of both morning and night services of the First Baptist church Sunday. Dr. O. L. Powers, the pastor took for his morning subject "The Principles of Soul Winning" and for the night, "How to Realize Salvation." There were several additions to the church on Sunday.

On April 4 revival services will commence, as has been previously announced, with Rev. I. E. Gates of San Antonio in charge. The congregation and the pastor and his staff of helpers are now making preparations for this revival which they hope to make the most successful in the history of the church in Wichita Falls.

BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspirinal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspirinal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories, tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rum and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that evil is to step into the nearest drug store and hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With you watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

The human heart beats 36,000,000 strokes per annum which is energy sufficient to throw ten of the largest projectiles used in the war for a distance of ten miles. During an eighty-year life-time it propels the blood a distance of nearly 5,000,000 miles, a distance which would girdle the earth at the equator more than 195 times.

Call Ehlert before you sell your old furniture and stoves, Ehlert Furniture Co., Phone 314. 278-280c.

An Invitation To Visit

We wish to extend you a courteous invitation to visit our Style Show this evening from 7:30 to 10:00 p. m. Our exclusive styles will be shown on living models. The interior of the store has been tastefully decorated for this occasion and if you fail to visit "Little's" you surely will miss seeing one of the most up-to-date ready-to-wear and millinery stores, of which Wichita Falls should be justly proud.

Successor to Quisenberry's

Welcome, Visitors, To The Style Show

March 22nd and 23rd—Store Open Monday Night Until Ten o'Clock

While needless to say our resident friends and customers are most cordially invited to visit us during the style show—we are especially urging out of town visitors to come in and get acquainted with Wichita Falls' leading bargain store. We are comparatively new in the city and doubtless strangers to many of you. Now is your opportunity to get acquainted which will undoubtedly result in our mutual benefit. You will be surprised at the extent your dollars will go toward purchasing your spring wardrobe at this house of splendid values. We wish to explain that our prices are not lower because of inferior quality, style or workmanship—but because we are OUT OF THE HIGH RENT DISTRICT and are fortunate in having a resident buyer in New York City who KNOWS HOW TO BUY. But it is unnecessary for us to go further in detail in regard to this. COME IN AND SEE FOR YOURSELF. It is the policy of this establishment to not unduly urge its patrons to purchase and you will be more than welcome regardless of whether you buy or not.

Volumes could be said about Fashion's favorite Frocks. There is a hint of the Balkans, and most noticeably the Turkish bloomer effects—and of course, once more Gay Paris dominates Dame Fashion. So it is no wonder, with this international combination, that this season's Easter pageant should be unprecedented as one gay, glorious and gorgeous festival of fashion. Dresses of all styles and for all occasions—each correct in itself in assorted styles and wanted materials. Prices range from \$19.85 to \$55.00.

SEASON'S STYLES IN SUITS

Serges Mixtures Braid Trimmings
Tricotines Stripes Fancy Linings

For the most part, the Spring Suits are of navy tricotine—Spring's most popular weave; there are also smart models of serge, mixtures and stripes made with braid and button trimmings, belted and Straight Line Coats, many with ornate pocket arrangements. Every garment shows expert workmanship and every coat is lined with plain or fancy Satin Linings. Priced from \$29.85 to \$55.00.

Here is your chance to replenish the children's wardrobe. We specialize in infant's, children's, misses' and boy's wear.

EIGHT DEEP TESTS NOW GOING DOWN IN BAYLOR COUNTY

Special To The Times.
SEYMOUR, TEX., March 22.—There are eight deep tests for oil actively at work in Baylor county and practically are making rapid headway since the passage of the weather of the winter. Every one of these tests being backed by ample and abundant capital, are well able to carry out their contracts, practically all of which are contracted for a depth of 3,500 feet to a greater depth.

G. Clint Wood is drilling two of these tests, his equipment on both being far above the average and both wells started with 22-inch casing. His No. 1 Harrison, five miles northwest of Seymour is underreaming at 1669 feet and is located on what geologists class as very likely structure; his No. 1 preparatory to spud in.

Stevens, 20 miles southwest of Seymour is rigging up preparatory to spud in.

Dunn et al's. No. 1 Webb 10 miles northeast of Seymour is fishing at 900 feet.

Harry Van Ness et al's No. 1 Snyder is shut down temporarily at 3,150 feet waiting for 5 3-16 casing, having just set their 6 1/2 casing.

Wilcox No. 1 Robertson 13 miles southwest of Seymour is drilling at 1390 feet. Heavy gas was found in this test at around 900 feet but cased off. It was estimated as sufficient for boiler purposes.

Kelly Green Oil Co's. No. 1 Portwood, 20 miles southeast of Seymour is running a rotary string of tools and drilling at 700 feet. At around 500 feet gas was found so strong that all work was abandoned for several hours.

W. P. Fisher's No. 1 Porter, is drilling at 645 feet.

Kansas Gulf's No. 1 Stevens, 10 miles southeast of Seymour is drilling at 725 feet.

Several new drilling contracts are now in process of being closed up and it is expected by midsummer that at least fifteen tests will be in operation.

BONILLAS GREETED BY GREAT CROWDS IN MEXICO CITY

MEXICO CITY, March 22.—Thousands thronged the streets yesterday to greet Ygnacio Bonillas, Mexican ambassador to the United States, and presidential candidate of the civilian party, in the general election July 11. The demonstration was considered as a real presidential campaign gathering and as marking the climax of the preliminary canvass. A few slight disorders were quelled by mounted police.

Newspaper comment indicates the to Bonillas and Adolfo Obregon, with presidential fight has narrowed down partisans of Pablo Gonzalez waging a more or less extensive campaign.

General Obregon, whom opponents have been attacking as a militaristic candidate, has been touring the country and speaking for more than four months. Gonzalez has contested himself with the formation of political clubs.

In this city two newspapers support Obregon, two support Bonillas and the Carranza administration, and one favors Gonzalez.

The two other newspapers are neutral and have been carrying sections devoted to the activities of each of the three leading candidates.

Platforms announced by the candidates all declare for the maintenance of Mexican national rights, pacification of the country and other generalities. Platforms, however, are virtually negligible, since the campaign is being waged on personalities. Obregon's supporters declare the Carranza administration is opposing the general's candidacy and is using its resources to secure the election of Bonillas. These charges, together with intimations that Bonillas is ineligible for the presidency and that he is not a Mexican citizen, have been denied by civilian party leaders and government officials. The claim that he is the candidate of the Protestants has also been met with vehement denial.

General Frederico Montes, former governor of Guanajuato, who was the leading spirit in the recent conference here of 15 state governors, has declared the sole purpose of that conference was to guarantee free and signed his post as governor to take an active part in the campaign.

Bonillas, Luis Cabrera, secretary of the treasury, generally considered a spokesman for the government, has been quoted as saying the administration not only intends to insure orderly elections, but to deliver to the successful candidate power to conduct a successful administration. General Montes, who is a strong administration supporter, recently declared the governors conference showed the state governments were strongly aligned with the Carranza administration and determined to carry out its policies, which, he said, had been successful.

It was recently reported that supporters of Obregon had uttered threats that a revolution would result should their candidate be defeated by unfair means. Little fear has been aroused, however, in either business or official circles, since it is the general belief the country is tired of warfare and anxious to continue the work of reconstruction.

BLISS NATIVE HERBS TABLETS

Do you have those dull headaches, tongue coated, disagreeable taste in mouth, dizzy spells, pain in back, can't sleep well, get up tired in the morning? CONSTIPATION, INDIGESTION, BILIOUSNESS and KIDNEY TROUBLES cause those pains. Now you can get rid of them for \$1.00 or get your money back. BLISS NATIVE HERBS, containing only drugs made from Roots, Herbs, and Berks will relieve you if you take one each night. W. E. Bryant, West Park, Mo., writes: "Have used Bliss Native Herbs Tablets in my family as a regular for Stomach, Bowels and Liver for fifteen years. They always give satisfaction, and I mean to have them on hand all the time." Each box contains a GUARANTEE coupon, and is sealed with a blue seal bearing signature of ALONZO O. BLISS. For sale by all leading druggists. In boxes containing 300 doses for \$1.00 and a smaller size for \$50. Made by A. O. BLISS CO., WASHINGTON, D. C.—AG.

YOUTH, FUGITIVE FROM JUVENILE SCHOOL, KILLED BY TRAIN WHILE ASLEEP ON RAILROAD TRACKS

The body of the youth killed Sunday afternoon by a Katy train at a bridge between Wichita Falls and Burkburnett was identified Monday morning as Gaston Side. It was said that Side was a fugitive from the Oklahoma state school for delinquent juveniles at Pauls Valley.

Charles Bradley of Miami, Okla., and Fugus Goodlow of Tulsa who have made a statement to Assistant County Attorney Martin admitting that they had escaped from the school at Pauls Valley, were taken into custody Sunday night and were still being held Monday morning by the authorities, although they denied very strenuously that they had any part in the death of Side.

Bradley and Goodlow were found lying on a hill about two hundred yards from the bridge where Side was killed. Officers are proceeding on the theory that Side was either killed or mortally wounded and his body placed upon the railroad track. Another theory is that while resting at the bridge he fell asleep and was struck by the train.

The engineer, it is said, saw Side's body on the track too late to stop the train. The body was horribly mutilated. The body was not identified until Monday morning. It was brought to town by the Hines Undertaking Co. Side was apparently about seven years of age. No money or other articles of value were found in his clothing.

VOTE AGAINST SUNDAY SHOWS NEAR UNANIMOUS AT CHRISTIAN CHURCH

By a practically unanimous vote, the Sunday school and congregation of the First Christian church Sunday morning voted against Sunday theatre attractions in Wichita Falls. Talks were made by several laymen at both services, the view being taken that the question is simply one of observing the law, and that no ballot that can be taken can change the law.

There were 464 at Sunday school, and more than 3,000 at the morning service, who took part in the action on Sunday amusements.

ing the law, and that no ballot that can be taken can change the law. There were 464 at Sunday school, and more than 3,000 at the morning service, who took part in the action on Sunday amusements.

Guilty Anyway.
LOS ANGELES.—When a female jury reported they could not agree in his case, John Cornaggio pleaded guilty to a charge of conducting an illegal slaughter house, and paid a \$50 fine.

NEW YORK.—Silver dollars less than one per cent legal tender are good enough to buy many gallons of beer less than one per cent alcohol. Discovery was made when "saloons" tried to bank the dollars.

HAVANA.—A heavy rain accompanied by a hail storm of unprecedented violence struck Havana, causing considerable minor damage.

Keeping Faith

With

NineteenTwenty

We believe that the year of 1920, will be the most prosperous one that has yet come to Wichita Falls and surrounding trade territory.

In keeping with this faith and in order to maintain the same service reputation which these institutions have established in previous years, we are consolidating our forces and resources and shall soon occupy one of the most splendidly and completely equipped bank buildings in the entire southwest.

We invite you to come in and talk over your business needs with our officers—to inspect our equipment and facilities, with a view of letting us serve you.

THREE CANDIDATES ARE ANNOUNCED FOR ALDERMEN

Spurred possibly by the imminence of the city election, which was called Saturday for April 6, three announcements, issued almost coincidentally, have so far been made for places on the Board of Aldermen. M. A. Bundy and W. S. Curlee, present members of the board, and Judge W. N. Bonner, making announcements.

All of those who have announced have long and prominently been connected with the affairs and upbuilding of the city, two of them, Messrs. Curlee and Bundy, being members of the present Board of Aldermen, and intimately acquainted with the affairs and the problems facing the city, as well as with the difficulties which face the city administration under the present charter.

Judge Bonner, while never having served on a previous council, has served with the council in the past, having at one time held the office of city attorney. Following his retirement with the city in this capacity, he was appointed by the governor judge of the 20th district court, being then the youngest district judge in the state. At the expiration of the term to which he was appointed, he became a candidate to succeed himself, and the manner in which he had discharged his duties as presiding officer of the court was such that he was overwhelmingly elected to succeed himself, holding the position until his recent resignation for the purpose of again taking up the practice of law.

Walter D. Cline is to date the only announced candidate for mayor.

In addition to a mayor and three aldermen, the call is for the election of a city engineer, city tax collector and assessor.

Although there is some discussion as to the effect which the passage of the new charter will have on the election, which has been called, it is seemingly the consensus of opinion that this will automatically cancel the present call for an election, as at least 30 days notice of election is required under the new charter. The calling of this election is in conformity with the requirements of the present charter, which will, of course, continue in force until a new charter is adopted.

Local Brevities

Misses Lellia Beall Anderson, Pauline Richolt and Adele Adickes returned Sunday morning from a week's trip to New Orleans, where Miss Anderson christened the ship "City of Wichita."

W. F. Wallace has resigned as deputy sheriff to Sheriff Eob McFall and is now employed as an automobile mechanic.

Mr. and Mrs. E. P. Hicks of Bowie visited Justice C. J. Arrington at the court house Monday. Mrs. Hicks is a niece of Justice Arrington.

Deputy Sheriff Jim Allen returned to his duties in the oil fields Monday after being sick at his home here for the past three days. He contracted a severe cold while on duty in the oil regions and was confined to his bed for some time.

A. G. Deatherage has gone to Austin to attend a conference of monument manufacturers and dealers at which labor problems will be discussed.

Amusements

AT THE MAJESTIC

Three men of the desert, who had served time for train robbery and had escaped from prison; robbed a bank and fled from the outstretched hand of justice. Only a few quarts of water remained between them and a hideous death. Sixty miles of burning sand lay between them and the nearest human habitation. Then, into their keeping was placed a tiny babe whose father, leading a prairie schooner across the Mojave Desert, met his death in a sandstorm, and whose mother was about to meet her mate as an aftermath to the child's arrival.

How did these three bandits receive the gift of the desert? What change in their life was effected by this one touch of nature?

This is the basis of Peter B. Kyne's famous story, "The Three Godfathers," which was published in the Saturday Evening Post and which was generally pronounced a masterpiece of American fiction. And it is this story which, under the name "Marked Men," has been produced in film by Universal, starring Harry Carey.

"Marked Men" is showing at the Majestic Theatre today and tomorrow.

SIX ALLEGED HIGHWAY ROBBERS NOW IN JAIL

Six persons confined to a county jail on charges of robbery by firearms will face trial during the special session of the 20th district court called for May 17. It was announced at the district attorney's office Monday. It is expected that indictments against these parties will be returned when the special grand jury convenes and that their trial will follow immediately.

Among those held in the county jail on charges of highway robbery are two men arrested in Fort Worth several weeks ago, in connection with the "stick up" of two Cuban cigar salesmen here early in February.

Two men, held in the county jail in default of bond, will face trial on a charge of theft from person, during the term of court set for the later part of next month. The two men were arrested in January by Frank Morgan, now deputy United States marshal, but

400 YEOMEN TO TAKE RHODAMANTHUS DEGREE

More than 400 members of the Yeoman lodge are expected to take the Rhodamantus degree, which will be given here on May 1. It was announced Monday by W. F. Wallace, district manager for the Wichita Falls district. The Rhodamantus degree is the highest step in Yeomanry and will be given but one time in Texas during 1920 and this will be on May 6 in Wichita Falls. The degree of Rhodamantus is a degree gained by merit

INVITATIONS SENT OUT FOR EASTER DANCE

Invitations have been sent out by Messrs. B. A. Rothro and F. A. Bernhardt for the annual Easter hop to be given Wednesday evening, March 24, at the Hacc. academy. There will be excellent music furnished by a jazz orchestra from Kansas City. The dance will be a subscription affair and an invitation must be presented at the door.

High cash prices paid for your old furniture and stoves. Ehlert Furniture Co. Phone 314. 279-307c.

GAMBLERS AND VAGRANTS ENRICH COUNTY TREASURY

Fines totaling more than \$500 have been paid in county court during the past week by persons arrested in Wichita Falls and towns of the oil fields on charges of vagrancy or gambling, and who later pleaded guilty before Judge J. P. Jones. Three persons have pleaded guilty during the past week to charges of carrying concealed weapons and were assessed fines of \$100. Among those fined for carrying concealed weapons was a negro woman, who told the judge she was on the "look out" for another negro woman who was meddling with her home affairs.

ALABAMA YOUNG WOMAN NEW Y. W. C. A. SECRETARY

Miss Margaret Dulose of Gadsden, Alabama, has been elected as general secretary of the Wichita Falls Young Women's Christian Association and will take up her duties here between the first and the fifteenth of April. There will be several changes effective in the local Y. W. C. A. staff in April. Miss Ruth Clark, recreation secretary, and acting general secretary, to leave for an indefinite period and Miss Ruth Dillon, cafeteria manager, resigned to go to Dallas. Miss Mamie Baze, dietitian at the Call Field Hospital and formerly Miss Dillon's assistant will return to the Y. W. C. A. as manager, but an assistant has not yet been secured. Miss Dorothy Davidson, the girls' work secretary, will serve as recreational secretary for the time being. It is stated.

AT THE EMPRESS

Exteriors of "Glennallen," the celebrated home of George Marshall Allen, at Convent, N. J., said to be the most authentic example in this country of Tudor architecture, is shown for the first time on the screen in "His House in Order," the new Paramount Arterart picture, starring Elsie Ferguson, which will be the attraction at the Empress theater today and tomorrow.

Through Robert M. Hias, in charge of the art and technical department of Famous Players-Lasky corporation, permission to photograph the house was obtained. Mr. Hias was the designer. The house is an American adaptation of Compton Wynant's in

ALL IN READINESS FOR THE WICHITA FALLS SPRING STYLE SHOW OPENING AT 7:45 TONIGHT

With the stage set for the 1920 Spring Style Show and the stores and shops already in gala attire for the event, with only the last minute touches to be made this afternoon, the day of the opening of the show sees only the weather man an unknown quantity. But such have been the efforts of the Retail Merchants' Association for this super occasion, that the Style Show will be a success, even with a semi-norther and sand storm raging. The weather man was expected to relent by late afternoon, and to show good weather for tonight and tomorrow, to provide the crowning touch to the first style show of the new Wichita Falls.

Shrouded windows and busy decorators this morning have a hint of what the night will reveal, when at 7:45 the Style Show will open. As has been previously advertised there will be a score of style shows in each individual place of business, and each member of the Retail Merchants' Association in the lines of business affected by a style show, will have their places of business open, and their new spring goods on effective display. Since practically every store in the city has been remodeled, and redecorated for the occasion it will be like viewing a new city of shops. The jewelry stores are planning a display of the newest fashions in jewelry for all occasions to supplant the fashion show in clothing modes and some very wonderful displays are anticipated.

Hundreds of out-of-town visitors are expected for the opening of the show tonight, and for the day show on Tuesday, the trade trips undertaken by the Retail Merchants' Association to this end being very successful, and promising a host of visitors for the event. The final trade trip was taken on Saturday to Vernon and intermediate points, with C. C. Hand's as captain. The reception at Vernon was declared by the party to be the most cordial one received in any of the trade trips for the occasion, the Vernon Chamber of Commerce meeting the Wichita boosters with a special committee, and inviting them to luncheon. The Wichitans had reserved spaces at the Vernon Hotel, consequently insisted that the Vernon Chamber of Commerce representatives be their guests, and with such an arrangement a very pleasant good fellowship meeting was held.

President Coffey, Vernon, heralded Wichita Falls as a coming jobbing center, in his address of welcome, and expressed the hope that it would be only a short time until everything that retail merchants in the adjacent territory would desire could be bought at Wichita Falls. H. H. Hamlin responded for the Wichita Falls visitors.

Gratifying receptions at Iowa Park, Electra, Harrold and Oklaunion were reported by the Saturday excursionists, and it is believed that the towns northwest of Wichita Falls will furnish a large number of visitors to the Style Show.

CHURCH CHOIR PRATICING FOR EASTER CANTATA

The choir of the First Christian church is rehearsing steadily this week, in preparation for the Easter cantata, which will be given at the evening service on Easter Sunday and which promises to be one of the most enjoyable of the Easter services. The cantata will be Perce's "Easter in the Life."

No Longer Safe.
AKRON, OHIO.—The oldest bank in the world is no longer safe. Mrs. Fawn Sheridan was knocked down and relieved of \$50 hidden in her stockings, by two highwaymen last night.

Occasionally wives do—but widows never object to the insurance we sell. Eckrote - Insurance, 229 Commerce building. Phone 529. 296-3tc.

LATEST COSTUMES FOR SPRING

Left, extremely "comfy" spring sport suit, which consists of a white flannel skirt and a rich garnet duvety jacket embroidered in novel patent leather design. Right, quintest of the spring and a city summer styles to make its appearance. The ceru silk basone is richly embroidered in gold and black. The skirt of taffeta is gracefully draped over each hip, giving an air of bouffancy. (c) U & T.

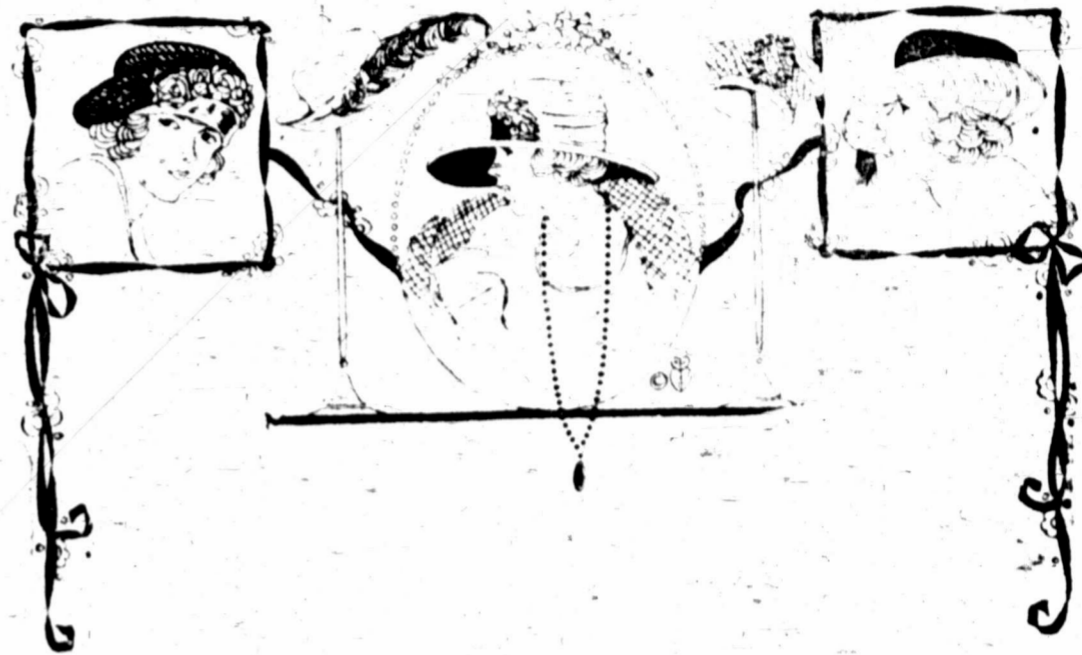

50 LOADS TRASH BURNED DAILY AT CITY INCINERATOR

Over 50 loads of trash a day are being burned at the city dumping ground near the cemetery, according to Dr. Douglas, city sanitary officer. This enormous amount of refuse is being satisfactorily handled, Dr. Douglas says, and the abattoir is able to keep up with the demands of the city.

Indian Lumbermen of the Northwest
The mills of one Indian reservation alone employ 40 Indians and cut 20,000,000 feet of lumber annually. The enormous amount of refuse is being satisfactorily handled, Dr. Douglas says, and the abattoir is able to keep up with the demands of the city.

The last decade this country has sold \$1,000,000,000 worth of lumber. There are agents there, and some of the various reservations, and the timber estimated at 25,000,000,000 feet, is worth \$81,000,000. During the last six years approximately \$2,000,000,000 in royalties have been paid to the Indians on oil, gas, coal and other minerals.

Occasionally, wives do—but widows never object to the insurance we sell. Eckrote - Insurance, 229 Commerce building. Phone 529. 296-3tc.

Displayed on Living Models

MONDAY EVENING 7 TO 10
TUESDAY AFTERNOON 2 to 4

Make your plans to attend one or more of these displays. To one who is really niterested in the season's newest offerings these promenades will have a very real effect.

A very cordial invitation is extended to you to attend.

MRS. C. Y. TULLY HOSTESS FOR MRS. BARNETT FRIDAY

Numbered among the most pleasant of the numerous affairs with which Mrs. Clint Barnett's visit in Wichita Falls has been marked, was the bridge and 42 party of Friday with which Mrs. C. Y. Tully honored the popular visitor...

Mrs. Tully's guest list included the honoree, Mrs. Barnett, Mesdames C. W. Sailer, C. N. Alexander, James H. Barnard, A. H. Britain, Lester Burns, N. B. Chenualt, W. J. Daugherty, M. R. Garrison, Annie Talley Hood, Everett Jones, J. A. Kemp, W. N. Maer, O. F. Marchman, Abe Marcus, W. M. McGregor, J. L. McMahon, A. J. McNeese, B. S. Merrill, Woods, Evan Murchison, J. F. O'Donohue, Ben G. Oneal, T. T. Reese, W. S. Robertson, J. M. Sammons, Frank Timberlake, White Walker, Harry Weeks, D. J. Wade, Claude Woods, Sanders Walker, Strub Moore, Alfred Booth, Smith Langford, Earl Clayton, Roy Calvert, Marvin Smith, C. W. Reid, Harry Baum, Fred Weeks, J. A. Fisher, Adah Tietzort, N. B. Mitchell, McCordie, James Humphries, Montague Stoufford, W. W. Gardner, M. M. Adickes, Fred T. Couper, H. J. Fenton, T. P. Adams, Virgie Lowenstein, W. B. Bolding, Hall, E. B. Corlaine, Orville Baillington, Walter D. Cline, N. M. Clifford, W. J. Grisham, Frank Griffin of Dallas, W. B. Hamilton, C. R. Hartsook, Lucile Brooks Huff, H. L. Hunter, J. L. Jackson, Frank Kell, R. D. Kennedy, P. P. Langford, J. W. Lee, N. H. Martin, M. O. McDowell, T. B. Noble, W. E. Norton, J. J. Perkins, Martin Rowe, W. W. Silk, C. W. Sailer, Mack Thomas, Merle Wassoner, G. C. Wood, C. W. Dickey, J. W. Culbertson, Carter McGregor, H. O. Cravens, O. E. Maer, Misses Florence Sammons, Willie Mae Kell, Agnes Reid and Pipes.

MISSISSIPPI BRIDGE CLUB MEETS SATURDAY AFTERNOON

Misses Grace and Lucile Tancred were hostesses to the Girls Bridge club on Saturday afternoon at their home on Elizabeth. The usual length of game was enjoyed and the prize, a manicure set, was won by Mrs. James H. Barnard. A social course was served late in the afternoon to the following guests and members: Misses Agnes Reid, Ruby Moore, Helen Stone, Florence Simmons and Lillian Fain; Mesdames James Barnard, Harold Hanes, W. P. Erwin, Lester Stringer, Jack Speegle, J. D. Wells, P. S. Richardson, Ralph Pond, Wayne Hammon and Bentley Bacon.

THEATER PARTY FOR OKLAHOMA CITY GUEST

In compliment to Mrs. George Voegli of Oklahoma City, guest of Mrs. Jackson H. Price, 1701 Buchanan, Mrs. A. W. Culp, sister of Mrs. Price entertained with a theater party on Saturday afternoon. The week-end bill of the Wichita Theater was enjoyed, a box being reserved, and at the close of the show a two-course luncheon was served at the Royal. The guests were: Mrs. Voegli, honoree, Mesdames Jackson H. Price, J. B. Simmons, J. M. Bisset, E. L. Cragen, N. M. Nichols,

Stonewall Brown, W. W. Silk and Miss Ruth Clark. Mrs. Voegli was also guest of honor at a luncheon given Friday afternoon by Mrs. J. M. Bisset, formerly of Tulsa. The luncheon was given at Mrs. Bisset's home, 1704 Huff, and was exceptionally attractive.

MRS. SILK HOSTESS FOR MESDAMES BAKER AND LITTLE

Using the Easter motif, and the rural life which the honorees are soon to be leading, as the inspiration of the table decorations, Mrs. W. W. Silk was hostess to an unusually attractive luncheon Friday for Mrs. H. L. Baker and Mrs. W. W. Little, long time residents of Wichita Falls, who have been recipients of a number of delightful farewell affairs. The luncheon was given at the Charlotte Kemp Hall. The center piece was a basket filled with yellow jonquils, the basket itself simulating a huge fluffy blossom. At either end of the long table were nests of green straw filled with yellow chicks, and this motif was repeated wherever possible in the arrangements and the delicious five-course luncheon that was served to the following: Mrs. Baker and Mrs. Little, the honorees, Mesdames T. R. Boone, F. M. Bralley, J. M. Bland, W. E. Norton, Mack Thomas, W. A. Frazier, Ivan Murchison, Grant, Earl Clayton, L. A. French, W. J. Nolan, F. W. Nolan, A. E. Styles, Hunter, M. O. McDowell, J. O. McDowell, W. W. Gardner, J. S. Walker, R. D. Kennedy, C. B. Felder and Clint Barnett of Clinton, Mo.

Judge J. R. Ogle has returned to his seat in the corporation court after a 10 days absence spent in South Texas on legal business.

COUNTY MEETING OF ADMINISTRATION MEN BEING PLANNED

A mass meeting of the "Pro-Administration" men and women of Wichita county will be held Wednesday or Thursday night of this week to stir up interest and organize a campaign in the interest of a Texas delegation friendly to the administration. It is announced by Fred W. Weeks, who has just been appointed chairman for this county by the democratic administration executive committee at Dallas. The meeting will probably be held at the courthouse. "This meeting will have no relation to the present campaign for governor," said Mr. Weeks in discussing the meeting. "It will not be an anti-Bailey meeting so far as his candidacy is concerned, but will be designed to head off his effort to dictate to Texas, who the delegates to the national convention shall be; as Texans believe they are capable of making their own selection." "It is also the purpose of the administration democrats to organize against Bailey's efforts to hold the achievements of the democratic party of the last seven years up to ridicule and scorn and to put an end to some of his criticisms. "Surely Texas is not going back on

all the national party has accomplished, when we have had a part in them and are duty bound to help them up. "The republicans charge us with failure and Bailey wants us to allow him to control the Texas delegates, so that he can plead guilty for us to the republican charges of failure. The questions, policies and issues now to be determined are not local or state, but is the one big national question of how the democratic party shall stand before the American people in the impending election. Let all Texans who are proud they are democrats and who are unwilling to see the party die of internal dissension, band together and go over the top."

TWO BOUND OVER TO FEDERAL COURT ON WHISKEY-SELLING CHARGE

J. A. Peak and Paul Richey, arrested last week on a federal charge of violating the liquor regulations, were

bound over to await action by the federal grand jury following preliminary hearing Monday before United States Commissioner Lantz. Peak's bond was fixed at \$1,000 and Richey's at \$750. Richey, a service car driver here, testified that he merely made arrangements for the sale of a case of Old Sunnybrook whiskey and received

\$25 for making the trade. Peak later delivered the whiskey, according to Richey's testimony receiving \$325 for the case. It is understood that both defendants will be released on bond this afternoon. When you want tanks phone 2437. Alston-Story Tank Co.

MORTUARY.

M. B. Willingham, H. B. Willingham, died at his home in Charlie Sunday. The body was prepared by O. W. Hines, local undertaker, who made the trip to that place in his car. The funeral was held Monday afternoon in Charlie's burial in the cemetery there.

OF INTEREST TO SPORT FANS

SPUDDERS WIN TOP HEAVY CONTEST FROM PANTHER ROOKIES

A complete stampede was staged by the Fort Worth Spudders Sunday afternoon, and the Spudders were handed a top-heavy contest, score, 19 to 4.

It was a sad afternoon for the Fort Worth Panthers, who dished out an even worse brand of baseball than they did on Saturday. Shortstop Smith again led his mates in the error column with two. He was followed in order by Sears, Douglas and Hawes.

Considerable superfluous stick work was done by the Spudders. The total rounded out to twenty-one real bingles, and then the locals, being weary and much in need of a rest, decided to let the Spudders have their way.

It was given to Jimmy Zinn to take up the mound duty for the afternoon. Ziggy Sears started things on him with two down in the first, but Frank Kitchens gave that spurt a quick death by nicking Ziggy at second on an attempted steal.

Mr. Sutherland took up Jimmy's work in the seventh frame. Berry, first man to face him, smashed a single, then he struck the next two men out with exactly six pitched balls. Kitz nicked fouled out.

A big crowd was in attendance. It was doubtful whether it was larger than that of last Sunday's game, but it was over 2,500.

Fort Worth—Johnson took two strikes and rolled out to Tanner. Douglas grounded to Grubb. Sears hit past first and went out stealing. Kitchens to Tanner.

Wichita Falls—Mokan walked. Duddy got an infield hit. Grubb pushed them along with sacrifice bunt along the third base line. Sneecor dropped a Texas leaguer behind second, scoring Mokan. Duddy taking third. Tanner doubled to left center. Sneecor scored. Duddy and Sneecor. Davis skied to Kitz, who doubled Tanner off second. Three runs.

Fort Worth—O'Brien flew to Partain. Haire pumped a roller to Zinn. Kitz skied to Grubb. Sears hit past first. Mokan cleaned the bases with a triple to the center field fence. Duddy tripled to right center scoring Mokan. Coop was yanked. Lind pitching. Grubb singled over third. Sneecor. Duddy. Sneecor doubled to fence, scoring Grubb. Tanner made first out with a roller to Lind. Davis fanned and Partain fouled to Hawes. Six runs.

Fort Worth—Smith and Hawes flied to Mokan. Lind rolled to Zinn. Wichita Falls—Berry playing right field. Kitchens singled over second and took second on Berry's single. Zinn advanced him to third with a fly to center. Kitchens scored on a passed ball. Lind became wilder and passed Mokan, then hit Duddy in the ribs. Grubb hit past second scoring Sneecor. Sneecor's infield single flung the bases. Tanner was safe on Douglas slip. Duddy scoring. Grubb scored when Sears dropped a Davy fly.

Wichita Falls—Berry playing right field. Kitchens singled over second and took second on Berry's single. Zinn advanced him to third with a fly to center. Kitchens scored on a passed ball. Lind became wilder and passed Mokan, then hit Duddy in the ribs. Grubb hit past second scoring Sneecor. Sneecor's infield single flung the bases. Tanner was safe on Douglas slip. Duddy scoring. Grubb scored when Sears dropped a Davy fly.

Fort Worth—Smith skied to Davis. Hawes was safe on Tanner's single. Kolnick forced Haire at second and Johnson forced Kolnick. Wichita Falls—Sneecor walked. Tanner hit through second. Davis fanned. Sneecor stole third. Partain stole second. Smith fouled Partain's feller and Sneecor scored. Haire tried to catch Partain stealing, but Smith was unable to handle the poor throw. Tanner scoring. Partain was caught off third. Kitchens fanned.

Fort Worth—Sutherland went in for Zinn's place. Brown catching and Brown at third. Berry started with a hit, then Sutherland fanned Smith and Hawes on six pitched balls. Kolnick fouled to Brownlow. Wichita Falls—Sneecor hit through short. Tanner hit over third. Davis fanned. Partain hit into a double play.

Fort Worth—Smith hit to left. Hawes forced him at second and took second on an overthrow of first. Kitznick dropped a Texas leaguer back of second. Hawes scored on Johnson's

Mack's Athletics Have Series With Beaumont Team

BEAUMONT, TEX., March 22.—Exhibition games with the Philadelphia Athletics were the feature of the Exporters' training card last week and will be again this week.

Joe Mathes' tribe visited the Athletics at their training base at Lake Charles, La., for three days and incidentally lost three. The Exporters Mackmen will repay the visit this week by dropping over here for a three-for-one series, beginning Tuesday.

Although the local outfit lost all three games to the Mackmen, Joe Mathes has a new direction. He is no longer discouraged over their showing. The Athletics had the advantage of longer training and the Exporters attributed their three victories mainly to this factor.

The Philadelphia pitchers were able to curve the spheroid, while the Beaumont flingers had to rely on the fast ball and change of pace entirely. The Athletics' attack here during the past week. Gas held the Athletics scoreless in four innings at Lake Charles after he went in to relieve Bill James.

Jack Stansbury, member of the 1919 Oilers, again adorned the roster of the Beaumont club. He joined the team in Lake Charles, La., into the game on the first day, and made one hit in four trips to the plate.

Jack's niche in the 1929 team is yet undetermined. He is both an outfielder and an infielder, and Joe Mathes is yet in doubt as to where to station the veteran. It is virtually certain, however, that Stansbury will win a regular berth with the 1929 Beaumont outfit.

The work of Paul Gassaway, a young pitcher from East St. Louis, Mo., attracted attention here during the past week. Gas held the Athletics scoreless in four innings at Lake Charles after he went in to relieve Bill James.

Outfielder Duckworth, infielder Doty and pitcher Badger, local boys who were trying out with the Exporters, have quit the team.

Fort Worth—Johnson flew out to Partain. Douglas popped to Duddy. Sears was hit. O'Brien doubled, scoring Sears. Haire sent O'Brien across with a single. Berry forced Haire at second. Two runs.

Wichita Falls—Zinn popped to Douglas. Kolnick pitching. Mokan walked. Storey went to bat for Duddy. Storey hit past third, Mokan going to third. Storey stole second. Grubb fouled to Johnson. Mokan tried to come in on a poor relay but was called out a close play at the plate.

Fort Worth—Smith skied to Davis. Hawes was safe on Tanner's single. Kolnick forced Haire at second and Johnson forced Kolnick. Wichita Falls—Sneecor walked. Tanner hit through second. Davis fanned. Sneecor stole third. Partain stole second. Smith fouled Partain's feller and Sneecor scored. Haire tried to catch Partain stealing, but Smith was unable to handle the poor throw. Tanner scoring. Partain was caught off third. Kitchens fanned.

BUNDLES OF KALE WILL ADD TO GEORGES PLEASURES IN AMERICA

By HENRY L. FARRELL, NEW YORK, March 22.—Georges Carpentier, soldier fighter and society man, all in the superlative degree, will see and hear a lot of nice things while he is in America. He was expected to arrive today.

Tex Rickard, with the key to all the nooks and corners of Broadway, is the official entertainment committee and volunteering to aid him in his pleasant task are every Frenchman and every French society in New York.

But the nice thing that the Paris gallant will see will be bundles of kale. He will soon learn to know as "kale." The nicest thing that he will hear will be the jingle of coin rolling at \$1,000 a day or better.

That the clever youngster has ever been accused of failing to make them work for him—his title in the flistic world proves that—but now he is using them in a new direction. Pete doesn't fear for his laurels for some time to come, but he sees a future beyond the ring when his punch deserts him. So he has turned to books. He wants to be a civil engineer and he is going about it in the self-educative way.

It didn't look quite natural to see Pete coming out of the New York Public Library with an arm full of books, but that's just what happened yesterday. Pete just had to be asked about this new move, but he wasn't shy when telling of it. He had concealed it ever since he quit as boxing instructor to the kids at the Algiers Naval Training Station near New Orleans, his home port.

Pete admitted he was studying and gave credit to the American Library Association which is conducting a "Books For Everybody" movement for which it is raising \$2,000,000 with an interest-free campaign. One of the workers in the A. L. A. war service at the naval station first interested him in the possibilities and he went to have some of the books on civil engineering for a profession after he quit the ring.

"Can't fight forever," said Pete yesterday, and when I'm through I'm going to have something to fall back on besides the little pile I've got salted away, and that's why I'm reading all sorts of books on civil engineering."

Philias Had Merry Time. CHATTANOOGA, TENN.—The Philias had a merry time with three Chattanooga pitchers and an all-time local infielder and romped away a winner with 16 to 1 score.

ST. PETERSBURG, FLA.—Linwood Smith, Virginia league ruler, has jumped the Reds. He appeared the most promising of the recruit hurlers, but became homesick and left the team without notifying Manager Moran. The Reds start a short series with the Indians here today.

Indians Defeat Pelicans. NEW ORLEANS.—Coveleski and Morren pitched in mid-season form and at the Pelicans' down with four hits in a game yesterday which the Indians won 5 to 0. The Pelicans, of the Southern association, were helpless most of the way and only threatened trouble once. The Indians got eight hits.

Pirate Regs Defeat Yannisans. HOT SPRINGS, ARK.—Eighteen hits were garnered off the Yannisans by the Pirate regulars in a game which the latter won yesterday 13 to 4. Big Ben Southworth and Nicholson made three singles each.

Hooper Gets Homer. DALLAS.—Hooper's home run and double helped the Boston Red Sox beat the Giants here yesterday, 4 to 3. Hoyt, Wallis and Penneck pitched for the winners while Toney and Harner did the slab work for the New York ers.

Golf and Fishing. JACKSONVILLE, FLA.—Golf and fishing kept the banks busy here yesterday over the Sunday holiday. It was another cold bleak day and the less ambitious members of the fish family who remained around the hotel slipped into overcoats.

Begins Weeding Out. COLUMBUS, GA.—Manager George Stallings of the Boston Braves was to start the 1929 season with practically the same lineup they closed the 1919 season with, it was apparent today. Despite a promising bunch of rookies, there is no indication that any of them will replace any of the regulars. With the possible exception of Hollocher, the infield will be the same. The outfield also will present the same lineup and Killifer will continue to do the bulk of the receiving.

WITH THE ATHLETICS

Connie Mack, 1, and Danny Murphy, 2, coach, looking over the team. Catchers John Walker, 3, and W. G. Styles, 4, who are showing up well at the camp.

PEWEE-BARRERE BOUT ATTRACTION AT C. A. C. FOR TONIGHT

Battling Pewee and Battling Barrere are now awaiting the gong for the go at the C. A. C. tonight. Things look good for a real battle, and as the boys have been working hard for the bout, it should go longer than one or two rounds.

Pewee is from Oklahoma City and was a pupil of Nate Jackson until he began heading that individual. He is now out shifting for himself and making good. He is one of the fastest bantams ever seen in this section of the country, and is expecting to put it over on Barrere by tonight.

Barrere has a great record for a bantam, and is taking no chances on spoiling it in this bout. He has worked like a Trojan every day at the C. A. C. and figures he is ready to knock the tar out of the Battler from Oklahoma City.

Some classy bouts in the way of preliminaries have been signed up by Promoter Al Edwards, Rocky Kansas is to go six rounds with Tam Ewig, the long arm fellow that gave him such a go last Monday night. Tam says he has been training and is ready to wind up the argument tonight.

Sid Martin will appear tonight also. The bouts will be called at the usual time. Due to the number of visitors in the city, regular members are requested to get their seats early as the hall will probably be crowded.

TEXAS MEETS SIMMONS AT ABILENE TONDAY. AUSTIN, TEX., March 22.—Texas university meets Simmons college of Abilene here today in the opening game of the inter-collegiate baseball season.

FORT WORTH TRYING TO LAND CLAUDE COOPER. FORT WORTH, TEX., March 22.—Fort Worth is trying to land Claude Cooper, outfielder of the Los Angeles Angels, whose home is here and who is training with the Panthers. Cooper appeared in yesterday's exhibition game against the Chicago White Sox. He has refused to sign his Los Angeles contract because of a dispute over salary and is willing to join the locals. It is said, if a purchase price can be agreed upon, Cooper begins his professional career in Fort Worth and has since played with Brooklyn, Philadelphia and Los Angeles. He is an outfielder.

PERFECT HEALTH IS YOURS If You Have Pure Blood

To be in a continual state of good health is the greatest of all blessings and more to be coveted than riches. Such perfect health is not possible, however, if your blood is saturated with poisons. You may feel fine at times, but all the while the poisons are gradually undermining your whole system and some day when it is too late you will find yourself a physical wreck.

You know, possibly your doctor has told you that your blood is saturated with impurities. This condition is manifested by sore throats, eruptions, skin and similar diseases.

Do you realize the seriousness of further neglect? Why not begin now? Take Prescription C-2223, the treatment of a physician who made a study of blood diseases. This treatment has relieved thousands. It is possible that you will secure equally as good results.

Suppose you do this—go to your nearest drug store today and get yourself a \$1.24 bottle of Prescription C-2223. If, after taking two bottles as directed, you have not received sufficient benefit to assure you of securing permanent benefit, take the empty bottle back to the druggist and get the \$2.00 that you paid for the treatment. In taking Prescription C-2223, something to regulate the bowels should be taken three times a day. The bowels should be kept moving off the poisons is necessary. 2223 Liver Pills were prepared especially for this purpose. They have certain tonic effects and do not sicken or gripe. One is a dose.

If your druggist will not supply you send \$1.75 for one \$1.24 bottle of Prescription C-2223 and a \$2.00 box of 2223 Liver Pills. Write Dept. 730, 2223 Laboratory, Memphis, Tenn., for literature, 1929 Atlanta sample of the Pills.

Prescription C-2223 Chronic Sores

STREET CAR CONDUCTOR FINED FOR ATTACK UPON A STRAPHOLDER

The life of a local street car conductor may be beset with worries due to ignorant and thoughtless "strap-hangers," but Judge Ogle held in city court Monday morning that an effort of a conductor Saturday night to put a man off the car, who he thought was blocking the aisle was not "in line of duty." The conductor was fined \$10 for disturbing the peace.

According to witnesses, the conductor called out to the man, he is alleged to have attacked, to get out of the aisle or he would put him off the car. The car was very crowded, the testimony showed, and the man didn't have much room to move, so the conductor, it is said, made a lunge forward and grasped the exponent of the Wichita Falls "standing" public, who ride the trolleys, by the "Adam's apple." A picture of these two men sprawling on the floor under other people's feet amid the screams of women was described by the witnesses. Officer Windham happened to be on the car at the time and separated the men and made the arrest.

Everybody wants Income Protection Insurance after it has been explained to them. May we explain it to you? Write for literature, 220 Commerce building, Phone 529. 293-2tc

 Douglas, Nehf.
 Toney, Winters, p.

The New York Giants-Red Sox party arrived early this morning from Dallas, where they played yesterday afternoon, the Red Sox coming out ahead, 4-3.

About 50 players, managers and newspaper men made up the party, equipment for which includes three special Pullmans and a baggage car. Manager McGraw and Christy Mathewson are in charge of the Giants and Manager Barrow leads the Red Sox.

Several of the party expressed themselves as desirous of taking the trip to the Burbank field, while the rest of them contented themselves by looking at pictures of the district and thus getting something to say about the fields after they return to the north.

The party is making the Westland hotel its temporary headquarters although they are staying in their special cars. They leave at 11 o'clock tonight for Fort Worth and Dallas. The Giants are scheduled to play at Dallas with Dallas tomorrow and the Red Sox will tackle the Panthers at Fort Worth. From then on the trip will consist of almost daily games between the two teams. Starting at Austin, the circuit toward the Polo grounds will take in San Antonio, Houston, New Orleans, Mobile, Greenville, Memphis, Knoxville, Nashville, Chattanooga, Jackson, Asheville, Winston-Salem, Raleigh, N. C., then into Virginia and Pennsylvania, thence to the Polo grounds and Boston. The trip is one of the biggest ever pulled off in this country by two major league teams.

A pitcher named Winters will probably perform for the Giants this afternoon along with Shufflin' Phil Douglas. Winters wintered up at Abilene.

A number of stories about great pre-season work by some of the players were floating around the lobby this morning. Here's one about Harry Hooper, captain of the Red Sox, which is thought to constitute a fielding record for any game between two major league teams.

In yesterday's game at Fort Worth, Hooper threw men out at first, third and home from right field. He got Toney at first, Kelly at third and Benny Kauff at the plate. He also collected a home-run and a two-base hit. Hooper is the same gent that made the sensational catch of Larry Doyle's hit in the 1912 world series, thereby winning the series for the Red Sox.

Besides the athletic and literary celebrities along with the party, there is also a legal top-notch. This is Judge McQuade, the man who made Sunday baseball possible for New York. The Judge and John McGraw have some oil holdings down in Young county. They are said to have brought in a well down that way, and were figuring on taking a run down there.

Thirteen newspaper men, seven of them from New York papers and six from Boston, are along with the team. Among them is Eugene Baer, of the New York American, who gave Wichita Falls some publicity a short time ago. Some of the most prominent baseball writers of the country are included in the press squad. Here they are: Boston—Shannon, Post; Whitman, Herald; Webb, Globe; Rooney, Traveler; Hurler, Record; Conway, American; New York—McQuade, Sun; Schumacher, Globe; Hinnegan, World; Graham, Evening Sun; Daab, Telegram; W. Van Ness, Mail; Bug Bear, American.

UNANIMOUS VOTE AGAINST SUNDAY SHOWS BY SUNDAY SCHOOL

Voting unanimously, the members of the Sunday School of the First M. E. Church, South, decided to take no part in the straw vote being conducted for the holding of Sunday shows in Wichita Falls.

Asked as to the number which up to this time had participated, less than one per cent of any one class responded in the affirmative, according to an announcement by officials of the Sunday school.

During the discussion of this question, members of the school declared that they knew of parties who had voted from five to fifty times in this contest.

That the vote could not reflect the true sentiment of the city by reason of the fact that there was no way to prevent "repeating," and that others than residents of Wichita Falls were allowed to vote, was the declaration of various speakers taking part in the discussion. That it was legally absurd for any subdivision of a political division to attempt to nullify the laws of this division, and that the profitable nature of the Sunday shows would be due to the fact that the Sunday law closed other businesses, were additional declarations made by the speakers.

KEMP AND OTHERS TO DISCUSS CHARTER AT OPEN FORUM

Three members of the commission which drew the new city charter will be present to take part in the Open Forum discussion of the charter to be held at the Labor Temple Monday night, having been especially invited to discuss the problem from the standpoint of those who drew the instrument. J. A. Kemp, Mayor J. B. Maxwell, and J. A. Richolt are the members of the commission who will be present.

BOY RUN OVER BY AUTO SATURDAY NIGHT

Edward Maupin, a 12-year-old boy, was run over by an automobile about 10 o'clock Sunday night at the corner of Eighth and Ohio streets. The car was not moving very fast, it is said, and stopped before the rear wheels had passed over the boy of the victim. His condition was not thought to be serious Monday afternoon and while the front wheels of the car passed over his chest, it is thought there were no internal injuries.

The driver of the car, Sherwood Bullard, took the injured lad to the hospital.

WICHITA FALLS IN EIGHT CLUB NEGRO BASEBALL LEAGUE

A second professional baseball team has been formed in Wichita Falls. This is a team which is to belong to the negro baseball league formed at Fort Worth yesterday. The league is to be an eight club organization, the season to open Easter Sunday and close the first Sunday in September. The cities which will be represented are: Dallas, Fort Worth, Wichita Falls, Waco, Austin, San Antonio, Houston and Beaumont.

The officers of the league are A. S. Wells of Dallas, president; J. J. Johnson of Fort Worth, secretary; C. D. Mann of Austin, treasurer.

A schedule which will not conflict with the Texas League schedule will be arranged. It is expected that arrangements will be made for the use of the Texas League parks.

The local team is to be managed by Ed Mason, of Oklahoma City. One Williams of this city will be president of the association and Ed Myers will be secretary. They have already signed sixteen players, some from Oklahoma City and some from this city. They have four good pitchers lined up and according to a statement from local headquarters, they figure on having the best team in the league.

NEW SUITS FILED IN THIRTIETH DISTRICT COURT

The following cases were filed in the 30th district court Monday: Mary Glass vs. S. W. Glass, divorce; H. C. Edwards vs. William Singleton et ux, partition.

M. L. Jones vs. The Texas company, garnishee, garnishment. Sunbeam Oil company vs. Charles F. Noble et al., garnishee, garnishment.

Sunbeam Oil company vs. Fern Glen company, debt. J. Z. Parsons and T. F. Hunter vs. Charles F. Noble, garnishment.

J. Z. Parsons and T. F. Hunter vs. City National Bank, garnishee in suit against the Fern Springs Oil company, garnishment.

J. Z. Jones and T. E. Hunter vs. Fern Glen Oil company, debt and injunction. Wichita State Bank and Trust company vs. J. E. Dodson, Jr., et al., debt. National Bank of Commerce vs. P. C. Stealy, et al., debt.

The following new suits were filed Monday in the 18th district court: R. H. Barrowsky vs. Texas United Oil company et al., debt.

Brumley Brothers vs. Dave Thorne, mandamus proceedings. J. H. and N. A. James vs. Durwood McDonald et al., suit to cancel lease. Josephine Stiffin vs. Will Stiffin, divorce.

SEVERAL CIVIL CASES TRANSFERRED TO FORT WORTH

Several civil cases originally set for trial at Wichita Falls will be tried at the present session of federal court at Fort Worth, it was announced Monday by United States Commissioner Lantz. Federal court closed here Saturday night and several important cases originally docketed here will be taken up before Judge Wilson at Fort Worth. No criminal cases will be transferred, it is understood.

Federal court was in session here for three weeks, the major portion of which was given over to trial of civil cases.

MANY FINES PAID IN JUSTICE THORNE'S COURT

Fines collected during the past three months by Justice Dave Thorne of the Burbank field, total \$1,956.60, which is a larger amount than collected by all other Wichita county precincts combined, it was announced Monday by County Auditor W. W. Murphy. Justice Thorne's precinct includes Newtown and Bradley's Corner. A major portion of the money was collected for gaming or vagrancy.

SPECIAL SESSION FEDERAL COURT HERE IS LIKELY

United States Commissioner Lantz announced Monday that a special session of federal court will likely be held here following the close of the spring term at Abilene. Judge James C. Wilson is in Fort Worth now and will be there practically all of next month. He will go from Fort Worth to Abilene and if it is definitely decided to hold a special session here, he will come to Wichita Falls from Abilene and from Amarillo to San Antonio.

OWEN WOULD RATIFY TREATIES BY MAJORITY VOTE

WASHINGTON, March 22.—A proposal to amend the constitution so as to provide for the ratification of treaties by a majority instead of a two-thirds majority of the senate was introduced today by Senator Owen, democrat, Oklahoma.

DECISION WILL AFFECT CARNIVAL COMPANIES

AUSTIN, TEX., March 22.—No occupation tax can be collected from operators of doll, knife or cane racks at which balls or rings are thrown, according to an opinion by the attorney general today, because the legislature failed to include in the revised civil statutes the clause providing for this tax. Civil courts of the state hold that revisions govern and prior statutes omitted therefrom have no effect.

CAPT. ANTON G. THOMSEN.

Captain Anton G. Thomsen, seventy-one, veteran of transatlantic commands and Commodore of the Scandinavian-American fleet, sailed from New York recently on his 22nd round trip or voyage to Copenhagen, Denmark, to join the rocking chair fleet of Danish skippers with a pension from his employers.

He has sailed nearly 2,000,000 miles since he went to sea for the first time in a windjammer.

TO ENFORCE LAW AGAINST SUNDAY SHOWS HERE

"If the proprietors of Wichita Falls theaters decide to break the Sunday law as it now stands on the statute books, they may as well make up their minds to go to jail every Sunday that they do so," said John Davenport, county attorney, when asked as to his future stand on the statute.

"When I heard of the present movement to bring about Sunday shows here, which is now being pushed by the local theater men, I sent for one of the proprietors identified with the movement, who is a friend of mine, and told him that he might as well figure on just such an action each time he ran."

WELL KNOWN RAILROAD MAN DIED HERE MONDAY

T. C. Page, a Denver freight conductor, died at the family home, 1406 Eighth street, following a short illness with pneumonia, at 2:30 Monday afternoon. Funeral services will be conducted by the Rev. J. E. Aronson of the Church of Christ at the family home at 2 o'clock Tuesday afternoon.

COLBY'S NOMINATION CONFIRMED BY SENATE

WASHINGTON, March 22.—The nomination of Bainbridge Colby as secretary of state was confirmed late today by the senate.

SUPREME COURT DECISION FAVORS OKLAHOMA COMPANY

WASHINGTON, March 22.—The supreme court enjoined the Oklahoma corporation commission from preventing the Oklahoma Operating company charging increased rates for handling the company was refused higher rates during the war by the commission.

The court today decided that the Oklahoma Gin company of Chandler, Okla., is not in contempt of court for violating the orders of the state corporation commission which fixed charges for the ginning of cotton.

The company charged a rate higher than the one fixed and attacked the power of the corporation commission to fix rates for cotton ginning.

Luxuries to the Rear

At the request of a women's organization the National Retail Dry Goods Association has agreed to co-operate in directing attention to necessities in contrast to the luxuries. Places will be set aside in their stores for the display of articles plain but substantial at reasonable prices—things that will appeal to the buying public. This plan will have the effect of turning attention from luxuries to necessities. The retail dealers also agreed by the national resolution to feature in their show windows a complete outfit of clothing, suit, shoes, hat, underwear, that could be bought for \$100 for both men and women.

African Ant-Hills Are Mountain

The ant-hills found in some parts of the African continent are often thirty feet in height and as much as 45 feet in diameter.

 306 City National Bank Building.

ENLARGEMENT JAIL BEING CONSIDERED BY COMMISSIONERS

Practically all of Monday forenoon's session of the county commissioners was devoted to the allowing of bills and other routine work. Plans for the increasing of the jail capacity was discussed in the afternoon, and it is understood that work on the erection of eight additional tool proof cells will begin shortly. County Auditor Murphy was instructed at the last session the commissioners court to advertise for bids for the jail additions and specific plans for the improvements were discussed Monday afternoon.

MANY SCHOOL CHILDREN FOUND DEFECTIVE BY HEALTH OFFICER

Dr. A. W. West, representative in Wichita county of the state board of health, has completed a health survey of the public schools at Iowa Park. He announces that fully 75 per cent of the children are physically defective. A large percent of the defective are suffering from minor teeth or tonsil ailments.

SKELETONS OF CHILDREN IN FARM HOUSE ATTIC

LEAVENWORTH, KAS., March 22.—Finding of the skeletons of two children in the attic of an old farm house being razed near here has given coroner a mystery to solve. Members of the last family that lived in it say they know nothing about the bones.

SUFFRAGE AMENDMENT BEFORE TWO MORE STATES

OLYMPIA, WASH., March 22.—We hope to have two victories in suffrage leaders here declared today, commenting on the prospects for ratification of the federal suffrage amendment by the Washington and Delaware legislatures.

Both bodies are to convene in special session today.

"If today brings two new arrivals to the family of suffrage states, the necessary 26 will have come into the fold, giving the vote to all women of the nation."

Church Enlistment Campaign

Starts Tuesday Morning

On this date three hundred and fifty church workers, plain men and women like you and me will come to the door of every home in Wichita Falls and ask what church you belong to or prefer and invite you to classify yourself in the religious life of this community.

Remember the church of your childhood! Remember the church of your mother and meet the census-takers with a smile.

For Your Mother's Church ARE YOU SATISFIED WITH YOURSELF?

Do you feel there is something lacking? Have you found money and work down town do not quite fill the bill of your heart's desire?

WHAT ABOUT YOUR CHURCH LIFE. You do not like the church? You say there are hypocrites in it! You say it is commercial?

The church is just like the folks in it. What kind of a church would your church be if every member was just like you?

Stand Up and Be Counted!

A south front consisting of five nice size rooms, completely furnished, \$12,500. This place is in good condition and we know it to be the best buy on this street in a five-room house for the money.

A north front consisting of five nice size rooms, good garage, \$6500. This place has never been occupied and is an exceptionally good buy for the money.

A north front consisting of six extra nice size rooms, besides a breakfast room and bath, has every built-in feature that could be desired in a six-room home.

We have a good buy in a five-room strictly modern home, within half block of High school and car line.

Practically new 5-room modern home on corner lot, has brick pilings, built-in features, and has a garage.

Five-room modern home, almost new. You will find very few such buys as this; price \$5000 with cash payment of \$1500, balance like rent.

Good four-room home on concrete foundation, close in, all the garage and servant house; price \$5,000; cash payment of \$2,000. This place is well worth consideration.

Brand new 4-room house on good lot, in good neighborhood, "nuff said." Price \$2,900 with \$1,000 cash. Come to see us and we might do better on the payment.

Five-room modern home; this is a good 5-room home; what you want and it is practically new; also has garage; sold in next few days; owner says he will take \$700 with \$150 cash.

L. E. COWLING Real Estate and Investments

Old Man Cowling likes to remark: "That he has just paid, his income tax and discovered that he has made all the money that any reasonable man ought to want, and from now his efforts will be to make friends and not money."

L. E. COWLING Real Estate and Investments

A beautiful eight-room home, sleeping porch, double garage and 2-room servant house, complete in every respect.

A grandly new 6-room home with hardwood floors, built-in features, double garage, servant house, foundation, double garage, three-room modern, servant house.

A brand new six-room home, has all the built-in features you are looking for; it has hardwood floors, servant house and garage, also walks and driveway, located in a desirable residence section of the city.

New six-room home with breakfast room, just completed, reasonably close in to Tenth; all kinds of built-in features, beautiful papered and finished floors; terms any way you want them.

We have a good buy in a five-room strictly modern home, within half block of High school and car line, and two blocks of the pavement, and it has a garage; too, \$3,000 will handle it.

And we have a new five-room home with French doors, built-in features, fireplace and brick flues in every room. This is the only half block of the Austin school and \$2500 will handle it.

A cozy five-room home on corner lot, brick pillars, built-in features, French doors, and all that goes to make a sure enough home, we can deliver this place for \$5000 with only \$1750 cash; price good for only a few days.

Practically new 5-room modern home on corner lot, has brick pilings, built-in features, and has the things you want in a home. Now I have "jewel" this owner down for a few days to the point of taking \$6500, with the cash payment of \$1500.

Five-room modern home, almost new. You will find very few such buys as this; price \$5000 with cash payment of \$1500, balance like rent.

Good four-room home on concrete foundation, close in, all the garage and servant house; price \$5,000; cash payment of \$2,000. This place is well worth consideration.

PASTOR VIGOROUSLY ASSAILS PRESENT DAY IMMORAL PRACTICES

Using the subject, "What I Saw in New York City After Midnight" as a vehicle for an attack upon the whole system of modern immorality, Dr. H. D. Knickerbocker, First Methodist church, last night vigorously assailed present-day morals, which the pastor declared "are rapidly carrying us to the pits of damnation."

THE BEST TRUSS IN THE WORLD IF NOT RIGHTLY FITTED IS NO BETTER THAN THE WORST

We are not attempting to discount the importance of quality and workmanship which enter into the makeup of a truss. But—we do maintain that fitting is what counts most. The EXPERT FITTING OF TRUSSES is a specialty with us.

TRACK LAYING BEGAN AT DUBLIN SATURDAY ON OILBELT RAILWAY

RANGER, TEX., March 22.—Track laying began at Dublin Saturday on the Wichita Falls, Ranger and Fort Worth railroad and this gang will meet the gang that is now laying track from the north, five miles south of Jakehamon.

location at Dublin with the Missouri, Kansas and Texas and the St. Louis and San Francisco lines. The office building of the new railroad in Ranger will be completed by April 1. It is 36 feet in dimensions and will accommodate the general offices of the company for a year or more, after which the general offices will probably be maintained in Wichita Falls.

WILDCAT ACTIVITIES IN CASTRO COUNTY ATTRACTS CONSIDERABLE ATTENTION

DIMITT, TEX., March 22.—Unusual interest is being centered in oil circles in this community and its test wells because of the unusual prominence of very favorable structures such as are seldom found except where producing fields are developed.

location on Running Water creek, in the southwest part of the county. The well to the southwest part of the county will begin drilling soon. Material for the derrick is being hauled to the location and the rotary rig is expected about the last of the month.

EYES Most people, you included, perhaps, are extremely negligent in the care of their eyes, and very culpably so in regard to their children's eyes. The public generally has no idea of the number and variety of present day eye defects and often resort to glasses selected at random which are entirely unsuited to the conditions of the eye. Many glasses selected in this way which "seem to suit exactly" at first, prove most injurious and often result in permanent injury. Come and talk over your eye trouble with us. Art Jewelry Co. Optical Parlor

BEST MILK FOR BABY IS PASTEURIZED Raw, untreated milk is dangerous for baby for raw milk contains large numbers of germs that may wreck its life—germs that the rendered harmless by only one method, Pasteurization. Our Pasteurized Milk is safe for young and old—it is really safe because not alone does it come from healthy cows and handled with sanitary care, but it is ALSO PASTEURIZED making it actually PURE. Pure Milk Products Company

Take an invoice. Do you know the value of your household effects? One of our clients lost his entire belongings last week. He had one thousand dollars insurance. His inventory ran more than seven thousand. Think it over. "One house in every ten will have a fire this year, according to statistics."
