SUGGEST JOINT HIGH COMMISSION ON THE JAPANESE QUESTION

PROPOSITION OUTGROWTH OF MEETING OF LEADERS AT TOKIO.

COUNSEL GOVERNMENT TO EXERCISE PATIENCE

Details of Proposal Not Public But Favors Selection of Men By President Wilson.

TOKIO, Sept. 24.—Suggestions that a joint high commission be appointed to find a solution of the California problem appear to be favored in responsible circles here.

Details are as yet nebulous, but the Asahi Shimbun of Asaka says the underlying idea is for President Wilson to name a commission including the secretary of state, some senators and representatives and also well qualified Japanese like Viscount Takaaki Kato.

Unnamed persons are quoted by Chu-O Shimbun of this city as counseling the government to exercise the greatest patience in dealing with America as they are positive any other attitude would be suicidal.

Newsprinters print long reports about the anti-Japanese movement in America and also contribute contributions from both notable and unknown Japanese.

ECONOMIC SITUATION IN ITALY IS DRAGGING COUNTRY TO FAMINE

SUCH IS OPINION EXPRESSED BY ITALIAN PRESS IN RECENT COMMENTS.

CONDITION ENDANGERING PRODUCTION AND CREDIT

Anarchist Element Continues Its Opposition to Execution of Compromise.

By CAMILLO CIANFARRO United Press Staff Correspondent. ROME, Sept. 25.—The economic situation in Italy, which has reached a crisis in the anarchist riots at Turin, is dragging the country rapidly to the brink of a famine, in the opinion of the Italian press.

The present confused and uncertain conditions are seriously damaging both production and foreign credit, according to the Idea Nazionale. This is the worst of an open revolution, because the latter either succeeds or is crushed quickly, bringing restoration of public order, while a famine endures a long life and requires more time for recovery.

SEEK TO DETERMINE EXTENT OF ROBBERY

Railroad and Postoffice Officials Are Checking Up Mail Handled By New Orleans Limited.

CHICAGO, Sept. 25.—Railroad and postoffice officials today were checking up their records to determine the value of registered mail taken from northbound Illinois Central train No. 2, known as the New Orleans Limited, which was held up last night by two masked bandits who escaped. Estimates placed the value of mail taken from six sacks at from a few thousand dollars to \$100,000.

The bandits, from whom a search was underway in Chicago and northern Illinois today, boarded the train at Tucker, Ill., 50 miles south of Chicago, when it was stopped on a block signal, entered the baggage coach, bound the five clerks and rode almost to Riverview, just outside the city, pulled the bell cord, stopping the train, and jumped into the darkness.

The robbery was not discovered until Kennington was reached, one of the clerks freeing himself and giving the alarm. Railroad men said that they believed the bandits were either former railroad or postoffice employees, because of their knowledge of signals and the method employed in the railway mail service.

BEGIN INVESTIGATION OF ALLEGED GERMAN POLITICAL ACTIVITY

By HERBERT W. WALKER United Press Staff Correspondent.

DENVER, Colo., Sept. 25.—Representatives of Gov. James M. Cox today began investigation of reports that pro-German interests in this country have started a vigorous campaign for Warren G. Harding's candidacy, it was learned from Cox's close advisers.

Governor Cox indicated he will make special check on reports of German republicans who are planning a campaign through the German press. Before starting for a day of stump campaigning in northern Colorado and Wyoming, Cox today replied to Harding's request for a statement on the Irish problem. He charged Harding "dodged" the roll call on a resolution of sympathy to Ireland, voted by the senate.

DARKNESS BREAKS UP FORT WORTH-LITTLE ROCK BATTLE IN 10TH

LITTLE ROCK, Sept. 24.—In 10 innings of thrilling baseball the Fort Worth Panthers and the Little Rock Travelers battled to a 2 to 2 deadlock in the fourth game of the Southern League championship series Friday afternoon.

Whittaker, pitching for the visitors, was almost invincible. He held the locals five times and kept them well scattered. Rule Robinson was touched for 11 bingles by the Atzmen.

After Stow filed to Harper in the first inning, successful hits by Sears, Williams and Kraft netted the visitors a run. A great stop by Gleason prevented further scoring.

The Travelers tied it after two were down in the first. Harper walked and stole second and third. Miller walked.

With the double steal, Moore threw wild to second and Harper scored. While Miller took third, Wano grounded to Hoffman.

The Travelers took the lead in the second. Brotemm singled to right and took second on Hunter's sacrifice. McGinnis scored him with a hit to center. Robinson fanned, Gleason walked and Moore was thrown out by Whittaker.

Further scoring was checked until the eighth when the Panthers, with a great rally, tied the score. After Stow threw out, Sears poked a double to left. He scored when Williams singled to right. Kraft poked a double to right, but Williams was caught at the plate.

Harper to Gleason to Brotemm. Hoffman ended it with a grounder to Robinson. The score: Little Rock: A. B. R. H. P. O. A. E. Gleason, 2b, 4, 0, 1, 3, 5, 1. W. Moore, 2b, 4, 0, 1, 3, 2, 0.

MAILS TURNS WHITE SOX BACK; INDIANS REGAIN LOST GROUND

CLEVELAND, Sept. 24.—Walter Mails, Cleveland's left-handed recruit pitcher, proved too much for the Chicago White Sox today and they lost their opportunity to the lead in the American league championship in this series by losing to the Indians, 2 to 0.

Chicago is now one and one-half games behind the leaders and were they to win tomorrow's game, they would be one-half game behind the Indians. Mails allowed only three hits and struck out six men. Score: CHICAGO: A. B. R. H. P. O. A. E. Wensink, rf, 4, 0, 0, 2, 4, 1. E. Collins, 2b, 3, 0, 1, 1, 1, 0. Jelsch, cf, 3, 0, 1, 1, 0, 0. J. Collins, lb, 4, 0, 0, 10, 3, 0. Klusick, c, 4, 0, 0, 2, 0, 0. New York 1-2, Washington 3-1. Babe Ruth's two homers today, bringing his season total to 31, called to mind the New York Americans in their most hopeless chase after Cleveland and Chicago. The Yankees were only able to break even with Washington, losing the first game and taking the second. Scores: First game: N. Y. 1, W. 3. Second game: W. 3, N. Y. 1.

DETROIT, Sept. 24.—Detroit won from St. Louis in a batting bee here today. Score: St. Louis: 020 010 103-8 13 4. Detroit: 010 010 001-10 18 2. Batteries—Boehler, Schenberger, Laffield and Severid; Crumpler and McWhittaker.

PHILADELPHIA 10, BOSTON 9. Philadelphia won from Boston today, 10 to 9. Score: Philadelphia: 010 107 001-10 18 2. Boston: 020 010 240-9 11 1. Batteries—Naylor, Rasmussen and Walker; Perkins, Penneck, Karr and Chaplin.

That was a great battle in Little Rock yesterday, but Bill Whittaker should have been declared winner. The Panthers had at least a half a dozen opportunities to sew up the game with a timely blow, but they couldn't deliver and Bill had to content himself with a tie.

Rube Robinson made a dub out of Ziggy Sears in the opening game in Fort Worth last Sunday, but there was a different tale yesterday. Ziggy had his eye on the ball at all times.

Rhino Williams get the brown derby for the game. Rhino went to sleep on the sacks when he should have tallied and it cost the Atzmen the game.

The wise ones had Mails doped to lose his first game for the Indians yesterday, but the Pacific Coast had the Sox eating out of his hand. He hasn't twirled a better game since he made his debut in the Big Show. His most notable feat occurred in the sixth when he evidently kidded the Gleasonites for a few moments just to show how good he really was.

After retiring one man, he passed three in succession, choking the corners, and then proceeded to whiff Buck Weaver and Eddie Collins. The number of times that those birds will fan with the bases loaded are mighty few and far between.

There is a possibility of the American League race ending in a tie, a result which has never yet occurred in major league championship race. The Sox have six more games to be played while the Indians have nine. Should the Sox clean up while the Indians are dropping three games the final result would be 93 won and 55 lost for both teams. The procedure in event of a tie would be left up to the American League which would probably order a post-season series to determine the champion.

He who laughs last snickered to beat the band. Babe Ruth said at the beginning of the year that 50 was his goal this season for circuit clouts. About 95 per cent of the sporting writers, fans and players throughout the country laughed and said "Impossible." The King of the Realm of Sport has passed the half century mark and the season is not yet over.

The poor White Sox will be in a bad way if they fail to cop this year, and that's just about what they're going to do. After Ban Johnson's crack that they would not dare win the pennant, it will take them a long time to live down their reputation, whether that statement is true or not.

Today the "score" by periods will start to replace the "score" by innings. The football lid is off and limbs will now start cracking. The stronger teams open with the weaker as usual, but the supposedly weaker elevens will be more respected than ever before. Several teams gave the Big Elevens a rude job last year when the first whiffle blew, and the coaches are taking no chances this year.

DODGERS NEED TWO GAMES FROM GIANTS TO CLINCH PENNANT

By L. R. BLANCHARD, United Press Staff Correspondent. NEW YORK, Sept. 25.—A two-run circus was on tap today for fandom. In Cleveland the Indians and White Sox were winding up their three-game series which has an important bearing on the American League championship.

In Brooklyn the Giants were starting a series with the Dodgers which was expected to decide the National League pennant. When Walter Mails, the Brooklyn outcast, held the White Sox to three hits yesterday, the Indians winning 2 to 0, he evened up the series to date and put his club out of danger of being overtaken by Gleason's crew to day.

The best Chicago could do by taking the third game would be to advance to within half a game of the leaders. The Dodgers have only to win two games with the Giants or any two in the schedule thereafter, to clinch the pennant. They were leading New York by five full games before today's contest.

GRAND JURY ON TRIAL OF ALLEGED 'FIXER'

Several New Names Crop Up in Baseball's Latest Gambling Scandal.

CHICAGO, Sept. 25.—Names of alleged "fixers" of world series games between Chicago and Cincinnati in 1919 have been obtained, H. H. Brigham, foreman of the Cook county grand jury investigating baseball scandals, intimated.

"We have an idea who the 'fixer' was and we think we are on his trail," Brigham said. With a number of players, John Arnold Rothstein, New York gambler and part owner of the Havre de Grace racetrack; Abe Attell, former featherweight champion; Bill Burns, former White Sox pitcher; and Hal Chase, recently banished from baseball, were mentioned today in connection with the alleged plot to throw games.

Major League Rite. Dusty Mails, the Indian left-handed recruit, evened up the series with the White Sox by holding them to three hits and winning, 2 to 0.

Babe Ruth's fiftieth homerun failed to win for the Yanks and they lost the first of a twin bill to the Senators, 3 to 1. Babe's fifty-first circuit clout in the second game gave the Yanks the victory, 2 to 1.

In the fourth netted the Phillies enough runs to win from the Braves, 8 to 2. Perkins and Dugan came through with doubles in the ninth and gave the Athletics the winning run, 10 to 9, in their game with the Red Sox.

Detroit beat the Browns, 16 to 8, despite two homeruns by Jacobson. The Pirates scored eight runs in the second inning of their game with the Cardinals and won, 12 to 7.

The SPORTLIGHT by Grantland Rice

(Copyright, 1920, New York Tribune Inc.) THE SEASON'S END. The dusk comes soon and the game is slow. The play drifts by in a sluggish flow; Only a day or two until The stands are bare and the parks are still; Only a day or two to score The winning run to a welcome roar. The player files through the outboard gate. The season ends—but the records wait.

THE HARDEST SHOT. Some days ago we had a brief discussion as to whether the long approach putt or the massive niblick from 70 yards over a trap was the hardest shot in golf. "These two seem to have most of the vote," "that the hardest shot in golf is always the one I have to play next."

THE \$25,000 STRAIN. The strain under which the Yankees, White Sox and Cleveland Indians have been struggling for the last few days is easy to understand. If the victorious entry from this trio wins the world series it will mean a distribution of \$100,000, or \$35,000 to each man.

THE ERA OF GLOOM. The melancholy days are near when fans no longer thrill; When silence rules the roaring cheer and "Babe" Ruth's bat is still; And bottles from no raging host can dent the umpire's head.

HARVARD'S BARRICADE. Yale and Princeton will both make terrific drives to reach November unbeaten this season, but Harvard is the looloo that will face the tallest barricade.

How quickly the mighty dynasties can crumble. Think of the Red pitching staff a year ago at this time—and then look at the battered remnant Pat Moran has left. The shift was enough to break the heart of an iron ox.

L. G. F.—We understand that "Babe" Ruth is getting \$100,000 for his motion picture. But we have never seen any official box score on this subject. The report that a golfer was seen to take three putts on five greens without again referring to the fact has since been branded as unfounded.

"Outside of his batting Joe Jackson doesn't amount to much," writes a critic. But a .339 batting eye covers a multitude of sins.

It is now a matter of official record that for the second time since 1904 Cobb will be found absent from his old place at the head of American League batters. Tris Speaker supplanted him four or five years ago and his successor will very probably be George Slaughter.

It seems that the best "Ty" could do was to lead the league in twelve out of fourteen years. And after serving fifteen years it will be nothing short of a miracle now if he is ever able to get back for another reign.

COLLEGE ELEVENS IN EAST AND WEST GET UNDER WAY TODAY

CHICAGO, Sept. 25.—Football kicked off today with a rather feeble boot in the Middle West. With the exception of a few unimportant local games, the opening of the season saw little activity. Nearly all "big ten" coaches were keeping their hopefuls under cover for the big show, which starts a week from today.

Reports from the training camps were inadequate, the mentors having been putting their squads through secret practices. Indiana, which made a great showing toward the close of last season, was to meet its ancient Hoosier rival, Franklin college, at Bloomington today.

Another Indiana family quarrel will be settled when De Pauw meets Hanover at Greensboro this afternoon. A line on the strength of the Michigan Aggies can be obtained from the size of the score they were able to accumulate in their game with Kalamazoo at East Lansing.

Other games in the Midwest included Ohio and Iowa Teachers at Cedar Rapids. Western Reserve and Toledo at Cleveland. St. Louis and Cape Girardeau at St. Louis. Haskell Institute and Baker at Lawrence.

Nine Eastern Squads Open. NEW YORK, Sept. 25.—Nine big Eastern teams kicked off in the 1920 football season today. The games scheduled were: Harvard vs. Holy Cross. Pennsylvania vs. Delaware. Brown vs. Rhode Island. Syracuse vs. Hobart. Washington and Jefferson vs. Bethany.

Pennsylvania State vs. Muhlenberg. West Virginia vs. West Virginia Wesleyan. Rutgers vs. Ursinus. Lehigh vs. Lebanon Valley. None of the major elevens was expected to receive more than a workout although last year's upsets had taught the coaches to respect even the supposedly weakest opponents.

BASEBALL GIVES WAY TO FOOTBALL IN TEXAS TODAY DALLAS, Sept. 25.—King Baseball was abdicating in Texas today in favor of football. The first important game of the season was scheduled between Southern Methodist University and Daniel Baker of Brownwood at Armstrong field, Dallas, at 4:00 o'clock this afternoon. Texas A. and M. College regulars opened activities at College Station yesterday by taking the Aggie freshmen into camp, 6 to 0.

Numerous high and preparatory school games are scheduled today in all parts of the state. YOUNG FITZSIMMONS AND CHIP BATTLE TO DRAW OKLAHOMA CITY, OKLA., Sept. 25.—George Chip of New Castle, Pa., former middleweight champion of the world, and Young Fitzsimmons, midweight title holder of Oklahoma, battled 19 rounds to a draw here last night.

COTTON MARKET.

New York Cotton. NEW YORK, Sept. 25.—The cotton market showed renewed weakness at the opening today owing to declines reported in southern spot markets yesterday and a continuation of the price-cutting movement throughout the country. First prices were 110 points lower on November, which sold at 23.50 on the call, and from 2.10 to 4.50 points lower on the more active months. Near positions were relatively weak, with the price for a good deal of covering in the later months and scattered buying for a reaction after the big breaks earlier in the week. This proved sufficient to cause rallies of several points after the call, but the tone of the market was extremely nervous and unsettled. October contracts sold at 25.30 on the opening break and January at 23.83. December and all later positions made new low records. A cable from Liverpool reporting a possibility of a hitch in the postponement of the strike notices, probably prompted the early selling, but there was a good deal of covering and some fresh buying for a reaction was encouraged by reports that the strike would be called off by the end of the month. At Manchester, N. H., would resume operations on Monday after having been idle since last July. Rallies met increased offerings with the south a decline, however, in the morning. The new low ground later with December selling at 22.25 and January at 22.70. The close was 22.25, with a net decline of 22 to 129 points, generally 30 to 70 points lower on the active months. New Orleans Cotton.

NEW ORLEANS, Sept. 25.—A continuation of yesterday's selling movement forced the price of cotton 35 to 25 points lower today. The market was steady at the decline in the absence of tenders, this being the first day since the week-end realizing by shorts, but it had little real buying power and no strong recovery. The October fell off to 24.00 and March to 21.50. For a while the market held fairly steady on Monday after having been realizing by shorts and the forecast of more or less rain in the western half of the belt without effecting much change to a material extent and there was a break to new low levels for the week. October dropped to 23.83 and March to 21.42. At these prices the flat showed losses of 47 to 60 points. The cotton market closed at net declines of 49 to 60 points. GRAIN AND PRODUCE.

CHICAGO, Sept. 25.—There was liquidation in wheat today and prices broke sharply with March leading. Buying by houses with eastern connections helped December, opening quotations, which ranged from 14 to 15 1/2 lower, with December \$2.25 to \$2.25 1/2 and March \$2.00, were followed by a moderate rally. Trade in corn was only fair with the deferred deliveries at a new low level for the crop. After starting to 30c lower, with December 34 1/2 to 35c further declines took place, but were followed by a rally which brought prices back to the initial quotations. Initial oats quotations were 1c to 1c 1/2 lower, with December 22 1/2 to 23c. Provisions were quiet and weak. At the finish wheat showed a net loss of 3 to 7 1/2c, with December \$2.19 1/2 to \$2.19 1/2 and March \$2.11 1/2 to \$2.11 1/2. Corn closed 1 to 1 1/2c lower, with December 22 1/2 to 23c.

STOCK MARKET.

NEW YORK, Sept. 25.—The irregular trend of prices at the outset of today's short session of the stock market was again attributed to uncertain trade conditions, as indicated by the country-wide price-cutting movement. Oil and some of the rails made variable advances, but motors and their specialties, as well as steel, copper, leather, textiles and shippings, manifested further reactionary tendencies. Exchange on London and continental Europe was lower, notwithstanding further heavy gold importations.

WORLD-WIDE ECONOMIC "ROUND TABLE" IS OPENED

BRUSSELS, Sept. 25.—The first world wide economic "round table" opened here today. Each nation represented was to be permitted 15 minutes to explain its financial and economic situation and make suggestions regarding the others. This experiment, which will be tried out in the early sessions of the economic council, will be made permanent if productive of results.

GEORGE WALSH PICTURE DIFFERS FROM USUAL RUN

George Walsh, the well known Fox star, is appearing at the Empress theater Saturday in a picture entirely different from the usual run of his productions. This latest film which he has contributed is entitled "From Now On" and is a story of the underworld and of the manner in which the social parasites which inhabit it gain their livelihood. Walsh is seen in the role of a man who has suddenly acquired an immense fortune and then has lost it through a confidence game manipulated by a gang of crooks. His mad pursuit in quest of the lost money and the tight scrapes which this chase leads him into furnishes the action for one of the most serious, but at the same time most interesting films in which he has appeared.

"OCCASIONALLY YOURS" IS A PLEASING PRODUCTION

Low Cody runs true to form in his latest picture, "Occasionally Yours," which is being shown at the Olympia today and gives his usual portrayal of a wealthy heart-breaker. As soon as the picture gives an added value because of the public trials of the soft, mushy and utterly ridiculous love farces that Cody does on he will be out of a job, but until the public becomes satisfied that the type of pictures in which this star appears are entirely out of the question as far as being of value is concerned Cody will remain popular. "Occasionally Yours" is a picture of the ultra-modern social life of those moneyed individuals who are supposed to be the cream of America's but who, as far as real worth is concerned, count for nothing. Cody has surrounded himself with a bevy of beautiful girls and then, with himself in the role of a painter, proceeded to label the scene the true representation of modern art. The acting of the cast in this picture is very good and some excellent scenery is provided, but the plot of the story is woefully slow and has very little interest or action in it. The Olympia is providing a reel of news reviews showing the results of the bomb explosion in New York city which give some interesting views of the shattered buildings in the vicinity of Wall street.

RUSH OF BUSINESS IN WALL STREET FEATURED

The rush of business in that modern treasure chest, Wall street is shown in the Earle Williams picture, "The Master Stroke" now being featured at the Majestic theater. The picture gives the life story of a young business man who has been destined by fate to struggle against adversity in the swift currents of wealth that flow through New York's great financial district. Mr. Williams gives a masterful interpretation in this character and the work of his supporting cast leaves nothing to be desired. The scenery and settings of the picture give an added value because of their accurate views of the great banking houses and stock exchanges where fortunes are made and lost every hour.

FINED \$200 AND COSTS ON CHARGE OF VAGRANCY Tom Kelly, a man probably thirty years of age, was placed under arrest Friday by city authorities and turned over to the county officials. Serious crime was first charged against him and although there was some evidence to bear out the first charge, it was insufficient to be thought to hold him for trial. This was dismissed but he was taken before Judge Guy Rogers of the county court of law and pleaded guilty to a charge of vagrancy, for which he drew a fine of \$200 and costs.

SATURDAY, SEPTEMBER 25, 1920.

It is jealousy of the republicans' ple-
 thoric campaign chest that has in-
 spired Governor Cox's "slush fund"
 charges. It is to be recognized, of
 course, that the democrats have no
 quid pro quo wherewith to attract the
 monetary support of "big business."
 But \$128,000 would indicate that it
 has been unable even to get "small
 business" and democratic individuals
 into line in the way of contributions,
 and if the maximum-minimum of \$1-
 000,000 to which Mr. Gerard aspires is
 to be attained, it is evident that we
 shall have to rid democratic partisans
 of the apathy and lethargy they al-
 ready have demonstrated. As a mat-
 ter of fact there isn't a real democrat
 but should blush at the picaresque
 practicality all of us have shown, as
 indubitably reflected in the munifi-
 cent sum of \$128,821 we have "poured"
 into our party's campaign coffers and
 there isn't a real democrat, interested
 in democratic success, but should re-
 solve right now this very minute—
 to give something to his local cam-
 paign chairman. More than resolve,
 he should put the resolution into ef-
 fect. If you don't know to whom to
 hand it or if it isn't convenient to
 hand it to the local chairman, send it
 to us. We'll acknowledge it through
 the paper's columns and see that the
 local chairman gets it at once to for-
 ward to that sadly depleted campaign
 chest at national democratic head-
 quarters. Do it now.

The anti-Japanese agitation in Pa-
 cific coast states is causing resent-
 ment in Japan and when Californians
 vote overwhelmingly in favor of the
 initiative law to prevent Japanese from
 either owning or leasing land in that
 state the resentment is going to be
 increased, because adoption of the law
 is a foregone conclusion. Japan may
 just as well make up its mind now as
 later that the Japanese question over
 here is going to be settled from an
 American and not from an Asiatic
 viewpoint, and that the great majority
 of American people who know some-
 what of the California situation sym-
 pathize with the Californians in their
 attitude toward Japanese immigration
 that attitude including other unassim-
 ilable Orientals as well.

HOROSCOPE
 The stars incline but do not compel
 (Copyright, 1919, by The McClure
 Newspaper Syndicate.)

Saturday, September 25, 1920.
 This is a variable and uncertain
 day, according to astrology. While
 Saturn, Uranus and Jupiter are all
 adverse, Mercury alone is in benefic
 aspect.

During this away there may be a
 tendency to take a most pessimistic
 and discouraged view of the world
 and for this reason nothing that is
 projected during this configuration
 is likely to succeed.

There is a sign read as presaging
 a gloomy view concerning business
 conditions, but this is due to the
 power of sinister suggestions which
 is strong when Uranus is in evil
 aspect.

Saturn seems to be unfavorable to
 real estate transactions and to min-
 ing operations today.

It is not a fortunate way under
 which to undertake initiative of any
 sort, especially where buying and
 selling are involved.

Bankers are now subject to a rule
 that may cause them to be extreme-
 ly careful since it imparts to them
 misgivings and suspicion regarding
 world conditions.

This is a day of promise to writers
 especially those connected with the
 press which should benefit greatly.

The signing of contracts of any
 sort should be lucky under this di-
 rection of the stars, which is for-
 tunate for real estate deals.

Leases or mortgages bearing this
 date should be lucky as the rule is
 believed to make for harmony and
 prosperity.

Messages between men of high
 estate or between governments are
 especially well directed by the stars
 today. Envoys, diplomats and for-
 eign representatives of every rank
 should benefit.

Advancement in methods of trans-
 mitting mails is prophesied as one
 of the reforms of the future when
 letters will be superseded by quicker
 modes of communication.

Many weddings are foreshadowed
 for the winter, when there will be
 one in Europe of special interest to
 Americans.

Inventions are subject to unfavor-
 able conditions while Uranus is un-
 friendly, but many important ones
 are prognosticated. Motion pictures

 There is only one way to ward off
 care. Make your mind impervious to

Will Build Two Bridges.
VERNON, TEX., Sept. 25.—The first bridge across Red river, near Odell, promoted by the Vernon Bridge Co., is insured, according to a statement of one of the promoters. Only \$10,000 of the \$50,000 to build the bridge has been subscribed, and as soon as the \$50,000 is raised, work on the bridge will start. The company will build two bridges.

Financial Conditions Good.
VERNON, TEX., Sept. 25.—Bankers of the city report financial conditions good and real estate dealers refute the story that residences were abandoned in a half-finished condition by the fact that vacant houses are hard to find and not a vacant residence in Vernon. A comparison between the bank statements of Vernon and Childress show financial conditions good. Both towns have about 5,000 population and Childress has the Denver shops to swell its

payroll. Deposits in the Vernon banks are \$2,352,228.50, and Childress \$1,734,845.51.

Grand Jury Adjourns.
VERNON, TEX., Sept. 25.—The grand jury for the September term of the district court at Vernon has adjourned. They returned into court 44 bills of indictment—24 felonies and 20 misdemeanors. The report of the grand jury was submitted to the court. It revealed the fact that gambling was prevalent in Wilbarger county and public sentiment was asked to suppress same. The practice of citizens of the county charging exorbitant prices for pulling automobiles out of mud holes and bad places by teams was also censured. Bad check artists are operating to a great extent here and the grand jury warned the public to be more careful in giving checks without sufficient funds to cover same and

business men were cautioned to be on the look-out for these artists. A number of bills were returned against those passing "gold checks."
