

How about this nutty West Texas weather which dumps four or five inches of snow on the first day of November, and leaves three inches on the ground, trees, shrubs, and cars?

We could hardly believe our eyes, to see the big downy flakes falling. However, the pictures on this page pretty well prove the authenticity of the snow.

It's the earliest snow we remember having since we have lived in Friona, but oldtimers probably can remember earlier ones.

The early snow caught us on the road, returning from the Texas Tech Homecoming game. We have encountered just about every type of weather in our driving career, especially on that stretch of road from Muleshoe to Lubbock, and this one just about completed the cycle.

As best we can remember, that was the first time we ever drove back home in a blinding snowstorm. A few times before we reached Muleshoe we would have liked to have pulled over as visibility was almost zero. But we were afraid of getting hit from the rear.

The J.C. Becks were our guests at the game, and on the way down, Mrs. Beck jokingly remarked, "Those look like snow clouds." The Lubbock weatherman and myself had been promising temperatures in the high 60s, and we dismissed the remark as being a typical example of female logic.

However, about 8:30 Saturday night, the statement came back to haunt us as we felt our way along Highway 84.

It was unbelievable that so much ice and slush could accumulate on such an early date, but it did. As we turned north at Muleshoe, we were once again reminded of the need to get Highway 214 widened from its present state. Saturday night you could barely tell where the road was.

Then we realized it would still be at least a year before the contract can be awarded on just the eight-mile section of the road to Hub. Most Friona-Muleshoe traffic uses the entire 29 miles of the road, we believe.

They had the 1969 World's Championship Chili Cookoff the other day at Terlingua, Texas, which is a ghost town some 70 miles from Alpine.

This year, Wick Fowler, the Texas Chili King, winner of the world's title the past two years, lost out to the Arizona state chili champion, one C.V. Wood. Seems the winner brought an "electronic chili gauge" with him, and the judges seemed to be swayed by the fact that his chili registered tons on the gauge.

The cookoff was sponsored by the Chili Appreciation Society International, of which Fowler is Chief Cook.

One observer said they saw the third-place winner, an Illinois man, putting potatoes in his chili, and they thought this was out of line.

Another said they saw the winner opening cans, but this could have just been a rumor started by the losers.

Would you believe that some 1200 people attended the event last Saturday, including 30 chartered planes from as far away as California and Florida? The event seems to be gaining in popularity.

Did you hear the one about the truck driver who pulled up at a roadside tavern in the middle of the night for a spot of refreshment? Halfway through his dinner, three wild-looking motorcyclists roared up—bearded, leather-jacketed, filthy, with swastikas adorning their chests and helmets.

For no reason at all they started picking on the truck driver. One poured pepper over his head, another stole his pie, the third upset his coffee. The trucker didn't say a word, just got up, paid his check and left. "That guy ain't much of a fighter!" sneered one of the invaders. The man behind the counter, peering out into the night, added, "He ain't much of a driver either. He just ran his truck over three motorcycles." —Bennett Cerf.

STRANGE SEASON. . . The above series of pictures testifies to the strange weather which the Friona area has experienced during the past week, as a three to four-inch snowfall coated everything Saturday night. At the left, Debbie Benge, daughter of Mr. and Mrs. Stanley Benge, holds a double handful of the white moist stuff and poses behind shrubbery laden in snow. In the middle of the picture, Chuck and Rocky Nichols, sons of Mr. and Mrs. V.E. Nichols, get the luxury of an early-season snowball fight, with the weather sunny and warm Sunday morning. In the final panel, Miss Benge holds a Jack-O-Lantern and wonders what season it really is, since the big snow came a day after Halloween.

AREA GETS SNOW

Weather Normal: Unpredictable

The Friona area, which has seen an unusual collection of weather this fall, had the canner put on things last Saturday, November 1, when an unusually early and heavy snow slipped in and left the countryside looking like the middle of winter.

The City of Friona officially logged three and one-half inches of snow, and most of that was still evident Sunday morning, adorning trees, fences, cars and yes, even crops left in the fields.

The snow started between 5:30 and 6 p.m. on Saturday, and became quite heavy by 7 p.m. It continued snowing big downy flakes up until about 10 p.m., at which time streets and roads in the area were covered and the well-travelled roads were slushy with the wet snow.

Testifying to the wetness of the snow, the official moisture recorded by the City of Friona for the 24 hours ending at 8 a.m. Sunday morning stood at .63 inches.

Temperatures

Date	Hi	Low
October 29	42	35
October 30	51	32
October 31	54	30
November 1	59	32
November 2	52	30
November 3	46	29
November 4	53	28

Moisture: 3-1/2 inches snow November 1, .63 inches of moisture. .06 inches October 29-30.

Council Appoints New Planning-Zoning Board

A new planning-zoning commission for a term of three years was appointed at the regular meeting of the Friona City Council Monday night.

Members of the commission are Andy Hurst, chairman; Leonard Coffey, vice chairman; Ron Davenport, Gaylord Maurer, Clarence Monroe, Glenn Egan, Reeve and Edward White, Jr.

The term of the old commission had expired, and in addition, one member had died and another had moved from the city.

Nathan Kaiser, city planner working on the comprehensive plan for the city, distributed copies of his plan and discussed pending building programs and possible annexations to the city. Plans for major routes and thoroughfares and traffic circulation plans were presented with some discussion.

It was decided that the council might wish the planner to progress slowly with the plan, to see which of the proposed subdivisions materializes.

The advisability of possible reconsideration of the resolution on the Federal Rest Sup-

plement was discussed. A motion was made to reconsider the resolution. However, in view of projected building plans, a motion was passed that the resolution be tabled for the time being.

A request had been made to the council for a street light in the new Ridgeview Addition. City Manager Jake Outland noted that the subdivision was developing rather rapidly and with sixteen building permits in the area already, it appeared more reasonable to go ahead and install four street lights throughout the area. A motion was passed unanimously.

In other business, the city manager was authorized to proceed with solicitation of bids for a new pickup truck with the 1963 model GMC water department pickup as a trade-in. The mayor gave an interim report on the proceedings of the steering committee that was appointed in opposition of the gas rate increase.

A communication from the state executive department in relation to partial payment on the comprehensive plan was noted.

Star Ad Gets Results In Michigan

Friona Star advertising can get some far-reaching results, according to a recent letter from Joy Beaton of Willcox, Ariz.

In a classified ad, Mrs. Beaton asked for salespersons for her company. Mrs. Beaton writes:

"I want to thank you for your help. You will never believe this, but I recruited a Davidson, Michigan lady from your paper."

"Her aunt from Friona, Mrs. Euler, mailed her the paper."

So you see, you never know who is going to read your ad in the Friona Star, nor from where the results may come.

clearing and drying, with Tuesday's high temperature getting in the comfortable 60s.

The latest intrusion left farmers still unable to resume their harvest activities, which finds about one-third of the maize crop yet in the field, and just a smattering of the sugarbeets out.

Building During October Totals \$73,400 In City

There were seven building permits issued during the month of October, including six new residences at an estimated cost of \$71,400, and one renovation estimated to cost \$2,000.

There were 22 changes of ownership of city property during the month as reported by the county clerk's office.

Three new water taps were made; however, six services were inactivated for the winter, making a total of active services as of the end of October stand at 1175.

Records showed that 13,496,900 gallons of water were pumped during the month, an average of 449,897 gallons per day. The city recorded 3.82

inches of rainfall over ten different days during the month. It is believed the grounds wetter than it has been in several years.

New employees added during the month included Don Powell in the water department and Bill Mohmood in the police department.

Two new sewer taps were installed during the month to bring the total number of active taps to 1140.

Eight fire alarms were sounded during October, four within the city limits. Greatest damage in the city was at a residence at 908 Virginia, estimated at \$3,200. The old superintendent's office behind the junior high school experienced

damage estimated at \$3,000 including merchandise stored in the building.

Greatest loss outside the city was at Tri-County Elevators, where damage to cattle feed pellets being stored for Black Grain was estimated at \$30,000.

The police department reported 40 arrests, including 32 for traffic violations and seven for drunkenness. Ten complaints were investigated, ranging from theft to prowlers and shoelifting.

Rain throughout the month precluded street maintenance and hampered trash collection during the third week. Pickup trucks and a tractor-trailer were used to assist in collections.

Chiefs Need A Win; Have Tough Foe

Friona High School's Chiefs, with their backs to the wall as far as the 1969 season is concerned, will travel to Olton for their ninth game of the year Friday, and will rate the underdog role.

The Chiefs are faced with the prospects of having to win their last two games, or have a losing season, which would be only their second in the last seven years.

And the prospects of beating Olton aren't the best—at least on paper. It will take a much better performance on Friday than the Chiefs got at Crosbyton, even stay on the field with Olton, a team which downed Dimmitt 26-24, and led Floydada most of the way before dropping a 22-21 decision in the last minute of play.

In Steve Stockdale, Friona will be facing one of the best passers they have met this year, according to Coach Bob Owen, who also adds that "We haven't been the best team in the world on pass defense."

Friona will attempt to break out of a three-game losing streak. The team hasn't won since it edged Hale Center 14-6. Losses have come, in succession, to Lockney 39-6, Floydada, 24-8, and Crosbyton, 29-21.

Coach Owen announced a couple of lineup changes for the game. James Weatherly will be back at a starting guard position, replacing Joe Foggess. Mike Royal will start at defensive end, in place of Floyd Schlenker.

Olton leads in the all-time

series, seven games to three. The Mustangs have won each of the last two games played, 28-7 in 1967 and 28-0 last season. It will be the final game of the season for Olton, which may be added incentive to win, in addition to smarting from their last-minute loss to Floydada.

Time To Mail Packages For Christmas Overseas

Postmaster Wright Williams is urging all patrons to be getting their Christmas packages ready for mailing to men in the service, and other overseas packages.

Surface mail to persons living overseas should be mailed this week. SAM (Space Available Mail) packages to men in service should be mailed by the last of this month. November 22 is the date that the postal department has designated as the last day for mailing by "SAM" which will be flown from our coast on this space available basis.

"PAL" mail is mail that will be flown from Amarillo to the

destination with the addition of \$1.00 extra postage, for packages not weighing over 30 pounds. "SAM" packages should not weigh more than five pounds. The last date recommended for "PAL" mail is December 13.

"Be sure that you pack these parcels in good strong containers, wrap them in heavy paper and tie with strong string. A list of articles and name and address of sender should be enclosed in the package," Williams reminds.

The postmaster added that anyone having questions about Christmas mail should feel free to contact the post office.

Deposits Set Record For Third Quarter

Deposits at Friona State Bank set a record for the third-quarter "call" date on October 21, when total deposits stood at \$8,096,357.75. This was an increase of \$2,835,984.29 over the statement of approximately a year earlier (October 30, 1968), or 31.6 per cent.

Similarly, total assets at the bank on October 21 stood at \$11,961,168.73. This was an increase of \$3,056,334.31 over the total assets figure of \$8,904,834.42 for the same time a year earlier. Total assets climbed by 34 per cent during the past 12 months.

Loan figures at the bank also showed a good increase, from \$7,061,621.93 a year ago to \$8,

385,342.30 currently, an increase of \$1,323,720.37.

Frank A. Spring, bank president, said that he was "real proud" of the current statement.

"It reflects an overall good year for our cattle and grain. Also, much of the maize this year was early, and since the price was good, it sold, and this accounts for a good part of the increase," Spring said.

The bank president added that the yet to be completed sugar-beet harvest will add considerably to the totals.

"The combination of cattle and grain has been good for our area," Spring concluded.

BIG SIGNS, LITTLE SIGNS. . . Tuesday was "sign day" in Friona, as the nice fall weather made outdoor activity more in style. In the top picture, workmen use a crane to help install the giant Fina sign on Highway 60. In the bottom photo, Mrs. Wes Long is shown painting a sign at Caborn Florida.

Thomas Jefferson was the first American president to be elected in a two-party campaign; he was the first to be inaugurated in Washington, D.C., and he was the first to start his term in the new White House.

AN EDITORIAL

Agnew's Speech Had Some Good Points

Vice President Spiro Agnew has drawn down on his head the fury of the left-wing in the Congress and the press for his denunciation of the leaders of the October 15th "Moratorium".

The shrill criticism seems to center primarily on the charge that Vice President Agnew attacked the Moratorium leaders as "an effete corps of impudent snobs who characterize themselves as intellectuals." In the interest of fairness, we believe that this quote should be evaluated in the context of the speech given by Mr. Agnew in New Orleans.

The Vice President said: "Education is being redefined at the demand of the uneducated to suit the ideas of the uneducated. The student now goes to college to proclaim rather than to learn. The lessons of the past are ignored and obliterated in a contemporary antagonism known as the generation gap. A spirit of national masochism prevails, encouraged by an effete corps of impudent snobs who characterize themselves as intellectuals."

"It is in this setting of dangerous oversimplification that the war in Vietnam achieves its greatest distortion."

"The recent Vietnam Moratorium is a reflection of the confusion that exists in America today. Thousands of well motivated young people, conditioned since childhood to respond to great emotional appeals, saw fit to demonstrate for peace. Most did not stop to consider that the leaders of the Moratorium had billed it as a massive public outpouring of sentiment against the foreign policy of the President of the United States. Most did not care to be reminded that the leaders of the Moratorium refused to disassociate themselves from the objective enunciated by the enemy in Hanoi."

Upon reading the full text of Mr. Agnew's speech, it is obvious that a deliberate attempt to distort the true meaning of his words has been made by individuals whose reasoning, as well as their identity, is obscure. But the most cogent evidence of the legitimacy of Mr. Agnew's remarks was provided by the avowed enemies of the United States. In an open letter to the Moratorium agitators, North Vietnamese Communist Premier Pham Van Dong saluted them as his "Dear American Friends".

Just a few weeks ago we were wondering "Where is Agnew?" Now we know and we're glad to have found him.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--NOVEMBER 8, 1929

Work on new buildings is progressing nicely this week, thanks to the good weather which has visited the area. O.G. Turner has the walls of his new building on the east side of town up, and the framework on the new Baptist Church has been erected.

Friona grain prices are as good as at any other Panhandle point. It was shown in an investigation on Monday. A false rumor had it that Bovina dealers were paying 15 cents per hundredweight more than local elevators, but the truth of the matter is that local prices were 98 cents on Monday, and had never been as low as the 80 cents, which was rumored.

35 YEARS AGO--NOVEMBER 9, 1934

The members of the Friona PTA held their annual Halloween Carnival at the high school building last Friday night, October 26.

The king and queen were crowned with the usual ceremony. The king was George Taylor of the senior class, and the queen was Lois Pressley of the junior class.

30 YEARS AGO--NOVEMBER 3, 1939

The people of Friona were horrified this week when they learned of the death of R.H. (Reube) Kinsley, who had been terribly burned Wednesday morning in the west part of town.

The burning occurred about 10 o'clock when a can of blasting powder exploded in the little workshop where Mr. Kinsley was working. Mr. Kinsley had workmen engaged in building a new garage at his home, and the can of powder had been used the day before in blowing a stump from the ground where the foundation was being built.

25 YEARS AGO--NOVEMBER 4, 1949

Three people were killed and three others critically injured in a head-on collision of a truck and car three miles east of Friona on Highway 60 Thursday morning. Dead are Frank Phillips, 53, of Farwell, Mrs. Loretta Essie Stone, 25, and her infant son, Billy, both of Hereford.

15 YEARS AGO--NOVEMBER 5, 1954

Continued ideal harvest conditions, coupled with the record yields of Farmer maize fields this week, have taxed elevator and shipping facilities to the greatest extent since the early 1930s. Most elevators have experienced temporary shutdowns since the middle of last week, awaiting cars for shipment.

Oscar Hellman, local agent for the Santa Fe, states that some 1100 cars of grain have been shipped this year.

10 YEARS AGO--NOVEMBER 5, 1959

Friona's building boom is still going on. Based on figures from the City Hall, which are complete through October 3, 1959 building permits in Friona since January 1 have come to a total of \$506,950.

The total compares with a total of only \$486,895 in building permits issued for the entire year of 1958.

5 YEARS AGO--NOVEMBER 5, 1964

Friona Methodist Church will observe its 50th anniversary as a church Sunday with special services at 11 a.m. and 2-5 p.m. Rev. Lester L. Hill, former pastor of the church, will deliver the Sunday morning sermon.

Pause And Reflect

By Nelson Lewis

As Walter Winchell used to say "an orchid" for our teenagers. Halloween came and went without any vandalism or dirty words being in evidence.

Your humble scribe can vouch for the Hospital property and the school custodians report not one unseemly deed performed in or around the knowledge factories.

This may be taken as proof positive that our young people realize the difference between good clean fun and "crime in the streets".

Thanks a million, young Frionans!

One thing we have never been able to understand is our country's willingness to trade with our enemies.

We feel, as did the hill-billies when he first saw a giraffe-- "there just ain't no sich animal!"

But it happens. Now, at the tender age of 61, we have found what we believe to be an area where such trade is justified.

How does this grab you?

Let's trade on an even basis--one for one--violent protesters, college rioters, and peaceniks--flag and draftcard burners--communist professors--political nobodies whose only thought is re-election, and any and all who enjoy our free world while denying any responsibility toward maintaining it; let's trade all of them for a like number of freedom loving individuals who now write under the heavy hand of their Communist bosses.

We might get a few bad apples in the bargain but we wouldn't be much worse off than we are now.

The vice president has been taken to task for some caustic remarks made during recent speeches.

Was Mr. Agnew guilty of rudeness, inaccuracy, bad manners or was he guilty of anything at all?

Can it be that we the people have become so unaccustomed to hearing the plain unadorned truth that his words fell on our ears as a strange drumbeat?

Mr. Agnew is not the first American statesman to express his thoughts in a plain, even blunt, manner.

Consider Patrick Henry's words almost 200 years ago as he spoke to the Virginia Convention--

"I have but one lamp by which my feet are guided, and that is the lamp of experience. I know no way of judging of the future but by the past."

"We are not weak if we make a proper use of those means which the God of Nature has placed in our power. . . . The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave."

"Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take, but as for me, give me liberty, or give me death!"

Any person considering wearing a black arm band on the next Moratorium Day should heed President Nixon's warning in his speech of Monday evening--"North Vietnam cannot defeat nor humiliate the United States--only Americans can do that."

Friona voters, like those throughout the state and nation gave President Lyndon Johnson a majority at the polls on Tuesday. Friona also gave Walter Rogers a 511-444 edge over challenger Bob Price.

Torino. High Style.

Nothing in its field can match it for luxury. The elegant Torino Brougham is rich in looks, lavish in appointments. Compare it to other intermediates. You won't find its equal anywhere--not in appearance and certainly not in price. It has a longer wheelbase for a smoother ride. A wider track for better road holding. Hideaway Headlamps, concealed windshield wipers, 302 CID V-8 are just a few of the standard features. Take your choice of 2- or 4-door hardtops. Either one is worth a visit just to see how beautiful it is.

Torino Brougham 2-Door Hardtop

Torino. High Performance.

New SportsRoof styling... six great V-8's. Torino GT gives you the ride, the handling, even its own aerodynamic SportsRoof styling that adds to your go. And you can go all the way up to the 429 Cobra Jet Ram-Air V-8 with a living, breathing, through-the-hood shaker. Then add our new Laser Stripes, high-back buckets, 4-speed Hurst Shifter*... you get the idea. Park the GT if you want to collect a crowd, and take them on a cruise if you want to dazzle them.

Torino GT SportsRoof

Torino. Low Price.

Lowest priced hardtop in its class. This is the beauty that caught the competition napping. You won't find a lower priced intermediate hardtop anywhere in the country. Yet it offers you many features you'll find only on the more expensive Torino models. Longer wheelbase. Wider track. Curved side glass. Concealed windshield wipers. Fiberglass belted tires, and more. Fairlane 500 is just one of thirteen great ways to go Torino in 1970. Your Ford Dealer is the man to see, to see them all.

Welch Attends Meeting Of LCC Trustee Board

The Lubbock Christian College Board of Trustees held their quarterly meeting Tuesday, October 28, during Lectureship '69 and later participated in a joint meeting with the Board of Development to discuss mutual plans.

Dr. J. B. McCorkle, vice-chairman, presided at the meeting that voted slight increases in college fees: to give an extension to the Post Office Department on a parcel of land for a proposed substation; postponed action on a proposed educational foundation; re-elected John Ritchey, Littlefield and Jess Hall, Jr. Lubbock, to three year terms; and re-elected Joe Barnett, Broadway Minister as Lectureship Director for 1970.

Dr. F. W. Mattox, president of LCC, gave a report on the progress the college was making

toward attaining four-year status. "All areas of growth were progressing on schedule," he said, "but we are in need of books for the library."

Nelson Welch is chairman for the Friona area on Campaign IV, the campaign to financially enable LCC to become a four year school. He will be contacting all friends and potential friends of LCC about this important transition to a four-year college.

Lazbuddie Man Ends Helicopter Pilot Course

Warrant Officer Candidate Harrol D. Redwine, 23, whose parents, Mr. and Mrs. John C. Redwine, and wife, Charlotte, live on Route 1, Bovina, Tex., completed a helicopter pilot course Sept. 26 at the Army Primary Helicopter School, Ft. Wolters, Tex.

During the 16-week course, he was trained to fly Army helicopters and learned to use them in tactical maneuvers.

He next will undergo advanced flight training at the Army Aviation School, Ft. Rucker, Ala. Upon completion of advanced training he may be appointed a warrant officer.

Redwine entered the Army in March of this year and completed basic training at Ft. Polk, La.

He was graduated in 1963 from Lazbuddie High School and received his B.S. degree in 1968 from West Texas State University, Canyon.

FRIONA SCHOOL LUNCH MENU

Monday-wednesday: stuffed with cheese, potatoes, lettuce wedges, hot rolls and butter, green beans, apple cobbler, and milk.

Tuesday-baked ham, English peas, cabbage slaw, hot rolls and butter, corn, coconut cake, and milk.

Wednesday- hamburgers, potatoe chips, lettuce, tomato, pickles, onions, fruit salad, cho. milk.

Thursday-soup and chili, sandwiches, peanut butter cookies, crackers, and milk.

Friday- steak and gravy, mashed potatoes, tossed salad, hot rolls and butter, English peas, chocolate cake and milk.

LETTERS TO EDITOR

Dear Editor,

There has been much controversy about the recent NFO Holding Action of Grain Sorghum in the six major grain producing states.

I would like to say that NFO is not trying to create a handicap on the feedlots in the area, we are only trying to survive as independent farmers and businessmen.

We need the feedlots and would like very much for the feedlot owners and operators to join NFO and through NFO maintain a fair price for fat cattle. This is being done in other feeding areas and can also be done here. There is no doubt in my mind that the feedlots in this area can set the price for fat cattle in the nation if they will only join NFO.

It seems to me a good businessman should have a positive attitude toward his prices. There is not much we can do about the prices we have to pay for parts, labor, new machinery, household items or whatever. Sure, we can bargain with the seller to a point, but when he reaches the point where he cannot make a profit he will start a holding action. This is good business. This is what NFO is doing today.

Again I will invite the feedlot owners and operators to join NFO and through NFO maintain a fair price for their product.

Yours sincerely,
Robert L. Hawkins
Pres. Castro County NFO

LEGAL NOTICE

NOTICE TO BIDDERS

Sealed Proposals addressed to the Honorable Mayor and City Council of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, until 3:00 p.m., December 8, 1969, for furnishing all necessary superintendence, labor, materials, tools, and equipment for constructing one (1) water well for the City of Friona, Texas and furnishing and installing a turbine type deep well pump, complete, with vertical hollow shaft motor and electric control equipment. Any bid received after the time and date stated above will be returned unopened.

Each Proposal must be accompanied by a Certified Check, cashier's Check or Proposal Bond, acceptable to the Owner, in an amount equal to at least five percent (5%) of the total amount of the bid submitted, made payable without condition to the City of Friona, Texas, as a guarantee that the bidder, if awarded the contract will promptly execute such contract and bonds in the forms provided. Bids without the required bid security will not be considered.

The Successful Bidder must furnish performance and payment bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

Proposals must be submitted on the form provided and, in case of ambiguity or lack of clearness in stating the prices in the bids. The Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to reject any or all bids, to waive any formalities, and to accept the bid which seems most advantageous to the interest of the Owner.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions. Attention is called to the provisions of the Acts of the Legislature of the State of Texas concerning the wage scale and payment of prevailing wages established by the Owner. The scale of prevailing minimum wages is set forth in the specifications.

Information for bidders, proposal forms and specifications are on file in the office of Arley L. Outland, City Manager, Friona, Texas, and Parkhill, Smith & Cooner, Inc., Consulting Engineers, 201 Avenue R, Lubbock, Texas. Copies of such documents may be secured from either the City Manager or Parkhill, Smith & Cooner, Inc. City Of Friona, Texas By W. L. Edelman 6-3tc

SIX TIED

It's Crowded At Top In Football Contest

The top of the list is beginning to get crowded in the Friona Star's Cotton Bowl football contest, with six contestants tied for the lead after eight weeks with scores of 88. The contest still has four weeks to run.

Leroy Nuttall, the undisputed leader a week ago, got a score of 10 the past week, and fell into a tie with Matilde Castillo, F. G. Crofford, Jack Clark, Owen Drake and Mary Pryor.

Contestants are reminded to pay particular attention to their tie-breaker scores, since these scores would be tabulated for the entire season should a tie develop for grand prize, and this has happened three times during the last five years.

Teddy White was the winner of the weekly first prize of \$5.00 in the eighth week's contest. He was one of nine contestants correctly picking 13 contest games and edged the others on the basis of the Friona-Crosbyton tie-breaker score.

Second place money of \$3.00 went to Jack Clark, and third place money of \$2.00 went to Trip Horton. Others getting 13 right were Wright Williams,

Eugene Ellis, Bill Bailey, Maurice Mabry, H.W. Roberts and H.H. Horton.

Of the nine contestants with scores of 13, there were five different games on the slate which turned out to be the one missed. In fact, the top four weekly placers all missed different games, which shows the diversity of opinion.

Of the 14 contest games last week, 11 turned out to be close games which could have gone either way, with only three in the "runaway" category.

Games missed most often included Mississippi vs Houston and Kansas State vs Missouri on the college side of the ledger.

Contestants are going after a grand prize which includes two tickets to the Cotton Bowl game on January 1. A runner-up prize will include two Sun Bowl tickets.

It's still "anybody's ball game," as a glance at the contest standings, printed on the contest page, will show.

Cotton can be constructed to give warmth without weight.

HONORED AMERICANS BY THOMPSON

AFTER DRIVING 2.5 MILLION MILES WITHOUT A SINGLE ACCIDENT, FREDERICK J. MARSH, 77, OF WARWICK, R.I., HAS BEEN NAMED AS THE AMERICAN TRUCKING ASSOCIATION'S DRIVER OF THE YEAR!

MARSH HAS BEEN A PROFESSIONAL DRIVER FOR MORE THAN 29 YEARS, HAVING BEGUN BY TRUCKING FREIGHT FOR A GROCERY AT THE AGE OF 16. PERSONAL PROBLEMS, DOMESTIC PROBLEMS, ARE OFTEN AN IMPORTANT PART OF DRIVING," HE OBSERVES, "DON'T TAKE YOUR EMOTIONS WITH YOU WHEN YOU DRIVE. LEAVE YOUR TROUBLES AT HOME."

HE WAS RECENTLY HONORED BY THE MAYOR OF WARWICK FOR SAVING TWO OCCUPANTS FROM DROWNING WHEN THEIR CAR PLUNGED INTO PROVIDENCE RIVER.

CRITERIA FOR THE AWARD INCLUDE SAFE, COURTEOUS AND SKILLFUL DRIVING. MARSH ALSO FINDS TIME FROM HIS 2,000 MILE A WEEK RUN TO BE CIVIL DEFENSE DIRECTOR OF WARWICK.

MARSH'S FINE EXAMPLE TO DRIVERS OF ALL KINDS OF VEHICLES HAS EARNED HIM MEETINGS WITH CONGRESSIONAL LEADERS, AN EIGHT-DAY VIP TOUR OF WASHINGTON AND AN AWARD FROM THE SECRETARY OF TRANSPORTATION OF THE UNITED STATES.

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia - 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big next year. PLOWDOWN NITROMITE THIS

Chiefs Aren't Tricky-Crosbyton Gets Treats

Evidently, the Crosbyton Chiefs must have said "Trick or Treat" to Friona at the beginning of last Friday's non-conference football game. At least, they were given several "treats" during the first 24 minutes of play by Friona's Chiefs, and the handouts helped them enroute to their 29-21 win.

To have been played on Halloween night, it wasn't a very tricky game, but it was plumb spooky the way Friona played as though hypnotized for the better part of three quarters. The team finally woke up and got with it during the last quarter, but by then it was too late. Friona's mistakes and defensive lapses helped Crosbyton to a 22-8 first half lead, as the hometown-type Chiefs decided to make hay while Friona was in a party mood.

Friona took the opening kickoff and drove to downfield, with fullback Isidore Cordova rimping off chunks of yardage. However, on a fourth-and-three situation at the Crosbyton 35, Friona elected to punt. Following a delay penalty, Donny Carthel boomed the punt into the end zone, so the play netted only 15 yards from the original line, plus loss of the ball.

FHS continued to have good field position, but suddenly Crosbyton halfback Johnny Williams caught the defense flat-footed on an end run, and outraced everybody 77 yards for the game's first touchdown, as Crosbyton led, 7-0.

Davis ran the kickoff back to the 35 for the second time, and Friona began another drive. Danny Kendrick passed to Raymond Hamilton, who made a fine leaping catch of the ball at the Crosbyton 26. The play covered 27 yards.

The Chieftains got another first down to the 15, but on second down, Kendrick's pass was intercepted to end the drive. At the beginning of the second quarter, Friona hooked up on a 35-yard drive, their lone bright spot of the opening half.

Crosbyton was forced to punt following the pass interception, and Friona had it in good field position at the 35 of Crosbyton. A key play came at the Crosbyton 21 on a fourth down needing six. Kendrick faded to pass, but found all of his receivers covered. He nicked the ball under his arm and ran, being stopped finally at the Crosbyton four.

Two plays later Cordova crashed over from the one. It was his first touchdown since the Tucumcari game. Deciding to try for the lead, Kendrick pitched out to Ted Procter and he hit paydirt for two points. Friona had a momentary lead, 8-7.

But the lead didn't last two minutes of playing time. Crosbyton returned the kickoff to their 35, and then picked up a first down to the 45. Then two plays later, quarterback Gregg Freeman hit end Marc Lowrie on a 52-yard payoff pitch

and the kick made it 14-8, Crosbyton. Moments later Crosbyton crashed through to block a Carthel punt and had it first and goal at the five. However, Raymond Hamilton got the team out of a hole with a pass interception on third down.

Friona had to punt the ball, though, and Crosbyton had it back in good shape. A useless personal foul penalty against Friona ruined an incomplete pass and set up Crosbyton first and goal at the 10.

The Chiefs dug in and held on two pass tries from that point, but on third down Crosbyton (Continued on Page 8)

Seventh Graders Light Up Board - 53 Points

It was a good thing they operated the electric scoreboard in the Friona Seventh Grade Braves' game at Dimmitt last week. Otherwise fans would have had trouble keeping up with the score, as the Braves walloped Dimmitt, 53-8. It was the highest score of the year by the high-scoring Braves.

The Braves exploded for 20 points in the second quarter, as substitutes played part of the third quarter and most of the fourth, except kickoffs and a few other downs.

Clay Bandy capped a 65-yard drive with a seven-yard scoring run for Friona's opening score, after 6:59 of play. Later Bandy went around end for 40 yards and another score. Adrian Foll carried for two points and Friona led, 14-0 at the end of the quarter.

Henry Graves ran 30 yards on a fourth down play for a TD with 6:20 left in the half. Eddie Waggoner carried for two points, but a penalty erased it. Waggoner, Graves and Bandy took turns carrying the ball, and Bandy once again got loose on a 39-yard TD run, leaving the score 26-0.

Dimmitt fumbled after the kickoff and Mitchell Wiseman recovered. Waggoner then ran 42 yards for a score on a double reverse, but it was called back. Later, Waggoner got one that

counted on a 15-yard run. Graves carried for two points and it was Friona 34-0 at the half.

The Braves drove 55 yards in the third quarter, with Graves getting the score, and a kicking try went wrong, for a 40-0 score.

Dimmitt fumbled on the first play after the kickoff and on the second play of the last quarter Bandy raced 43 yards. A kick was wide, but Friona led, 46-0.

Dimmitt finally got on the scoreboard midway of the quarter, but on first down following their TD, Bandy ran 50 yards and added a kick for a PAT, for the final count of 53-8.

Friona 7th 14 20 6 13-53
Dimmitt 7th 0 0 0 8-8

Friona's Eighth Grade Braves, who have lost some tough games this season, evened their season record at 3-3 with a 36-0 conference win at Dimmitt last Tuesday, as the Braves ran up a 22-0 halftime lead and coasted to the win.

Danny Waggoner ran 44 yards for Friona's first score, and a 6-0 lead with 1:18 left in the opening period. The Braves held a Dimmitt drive which carried to the 10.

After taking over the ball, James Perea ran 64 yards to the Dimmitt two, and then ran for the TD. This made the score 12-0. Friona recovered a Dimmitt fumble on the 39, and Randal Snyder ran 37 yards to the two. Waggoner went over for

the TD, and Snyder carried for two points, as Friona stretched its lead to 20-0.

Late in the half, a high snap from center by Dimmitt caused the punter to be downed in the end zone, and the score became 22-0.

Waggoner ran 70 yards on the first play from scrimmage of the second half, to stretch the Braves' lead to 28-0.

Still in the third quarter, Friona blocked a Dimmitt punt, and on the first play Snyder went 18 yards to score. Bill Fallwell passed to Weldon Peace for two points, and Friona had its final margin of 36-0.

There was no scoring in the fourth quarter. The Braves tried a field goal from the Dimmitt 11, but it was blocked.

Friona High School Freshman footballers took a 30-12 win over the Hart B-team here last Thursday in a break from conference play. It was the team's fourth win of the season.

The Frosh Chieftains drove 60 yards for a score following the opening kickoff. Lewis Lee and Mario Perea took turns carrying the ball, both making long

UNBEATEN TEAM... Friona's only unbeaten football team this fall is the Seventh Grade Braves, who have a 7-0-1 record with one game remaining next Tuesday against Canyon "Purple," and are averaging 34 points per game. In the first row are (left to right) Gene Schueler, John White, Rusty Redfern, David Blackburn, Dee King, Joe Odom, Robin Baize, Lance Nickels, Sylvester Lee, Nickle Saiz and James Howell. In the second row

are Kenny Sifford, Donald Miller, Ken Jordan, Roy Don Rector, Ronnie McLellan, David Hutson, Phillip Diggins, Joe Cunningham, Brad Beene, Mitchell Wiseman and Carvin Thorn. In the back row are Coach John Morrow, Ricky Patterson, Dale Cleveland, Clay Bandy, Kevin Welch, Gene Sprickland, Gary Stone, Junior Gonzales, Johnny Esquivel, Henry Graves, Adrian Foll and Eddie Waggoner and Coach Larry Dyess.

BOTH TEAMS 6-1

Lazbuddie's Big Game Is Friday With Hart

This week the Lazbuddie Longhorns play their "big game" as far as the district race is concerned when they host the Hart Longhorns. Both are unbeaten in district play, and the game will practically clinch the title.

Hart, like Lazbuddie has a 6-1 season record. Coach Pat Casey points out that the visiting Longhorns have much better depth than his team, due to having more boys out and a bigger enrollment. Hart will move up to "A" classification after this season, according to recent UHL realignment.

Hart's only loss was a 20-15 decision to tough class A eleven Vega of District 3-A. Lazbuddie's loss was a 32-26 heart-stopper to Bovina of the same district.

Casey said this week that his team has been slowed somewhat by some "nagging" injuries, not expected to keep anyone out of the lineup, but maybe slow them down. They are George Wilson, who has a hurt knee, and Rene Flores, who has a bruised shoulder. Both are starting linemen.

"If you go by comparative scores, we'd rate the underdog role by three to five touchdowns," Casey said. However he said his team was going into the game with the idea of winning. Lazbuddie scored a 26-6 win over their Longhorn namesakes in 1968.

Last Friday, the 'Horns coasted to a 42-0 win over winless Nazareth. Offensive star Derrell Matthews scored two touchdowns and gained 236 yards rushing. Matthews had 14 points, giving him 108 for the season.

One of Matthews' runs last Friday was a 66-yard TD scamper, as he paced Lazbuddie to a 16-0 halftime lead with

B-Team Scores Historic Win Over Hale Center

Friona's B-team scored a 26-8 win over the Hale Center B-team last Thursday. For the sophomores on the team, it was their first win since the eighth grade.

Although the team has tied two games this season, including Nazareth's varsity team, it was their first win, leaving the B-team's season record at 1-2-2.

The B-Chiefs took advantage of a break to score the go-ahead touchdown. Hale Center fumbled a Friona punt and Donnie Campbell recovered at the 20. On fourth down, Larry Fallwell passed to Ronnie McPherson for the TD, and the team ran two points for an 8-0 lead.

Early in the second quarter, Friona drove to the Hale Center one-yard line, but had to turn the ball over on downs. However, the Chiefs tackled a Hale

Center back in the end zone for two points and their lead was increased to 10-0.

Keeping good field position, the B-Chiefs traded fumbles with Hale Center, and the second time McPherson and Vera carried to give Friona a first down at the 15. On fourth down from the 10, McPherson went in to score.

Billy Rushing ran for two points, and it was 18-0. Early in the second half, Friona drove 61 yards, aided by a 15-yard roughing penalty. Danny Vera went the last 37 yards, and Rushing carried for two points, and the score was 26-0.

Hale Center finally got on the board with 2:51 left in the game avoiding a shutout.

Friona "B" 8 10 8 0-26
Hale Center 0 0 0 8-8

END OF ROAD... Quarterback Danny Kendrick (15) finds the going a bit sticky, as an unidentified Crosbyton Chief defender wraps his arms around Danny's middle. Coming in for the clincher is Crosbyton linebacker Jim Winn. On the ground at left is halfback Ted Procter.

Friona Frosh	8	15	7	0-30
Hart "B"	6	6	0	0-12

Thanks, New Friends

for bringing us

Your Grain —

Our pits are full and we're finished with this year's crop of Grain Sorghum and Corn.

Chiefs Aren't Tricky On Halloween Night

(Continued From Page 7)

ton called a draw play and it worked like a charm. Halfback Dwayne Moore ran across almost untouched, and a two-point pass play worked as Crosbyton took a 22-8 lead. The touchdown came with only 18 seconds left in the first half.

Friona wasn't through being charitable, even in the third quarter. Hamilton fumbled a Crosbyton punt, and they recovered it at the Friona 39. Just eight plays later, the home Chiefs were on the scoreboard again. The kick made it 29-8, and the Friona fans were wondering why they hadn't stayed home to host the trick-or-treaters.

But the Chiefstains were about to give their fans a little to cheer about for the long trip. Crosbyton fumbled deep in their own territory, and Friona had the ball at the 17. It took seven plays at that.

Procter gave the team new life with a three-yard gain to the six. Rick Davis went to the four and Cordova to the three. Then Kendrick swept end on third down. Bill Batley was stopped short of the goal on a running attempt for points, and the score was 29-14 with 9:22 left in the game.

The Chiefs pulled off an on-sides kick and recovered the ball squarely on the 50. Kendrick passed 25 yards to Procter, and then Cordova gave the team a first down at the 18. However, after an incomplete pass, Cordova could make just three yards, needing five, and Crosbyton took over on their 11. Friona got the ball back on a punt a few minutes later, though, and drove back toward the goal. Pressed by the sheer necessity of the situation, Kendrick took to the air, and twice hit Davis with strikes, one for 14 yards and the other for 25.

The latter pass gave Friona a first and goal at the two, and Cordova punched it over. Everyone expected Friona to go for two points, to pull to within seven points, but the team calmly lined up and kicked the point, leaving Friona behind by eight,

at 29-21 with only 3:13 left in the game.

The on-sides kick attempt didn't go to the required 10 yards this time, and Crosbyton had it at the Friona 46. However, Friona did get the ball again, although it was at their own 17.

Kendrick's pass protection failed him on second down, for an eight-yard loss, and although the team made 13 yards in three other plays, the ball went over.

Friona tried its only trick of the game on fourth down when Carthel, in punt formation, passed to Davis. But Davis was stopped after only a three yard gain, needing eight for first down.

The game was only the second in history between the two Chiefs teams, and maybe the last, since Friona has a district with eight teams at least for the next two years, and has scheduled all its non-conference games with nearby schools.

Those making the 270-mile round trip to Crosbyton are probably glad.

Squaws To Play

Clinic Game Saturday

The Friona High School Squaws will be featured in the 12th annual Hutcherson Flying Queen Basketball Clinic which is scheduled for Saturday, Nov. 8, Harley Redin, coach of the Queens, has announced. As in the past, the clinic will be held at Plainview High School Gym. Redin said the clinic will begin at 9 a.m. with outstanding area coaches to give lectures on various phases of the game and their teams to present demonstrations on basketball techniques in the morning session.

The Queens will demonstrate fundamentals and give drills on ball handling.

Football Team

Is Honored

The freshman girls honored the freshman football team at a victory party Thursday night after their game with Hart. Sandwiches, chips, cokes and hot chocolate and cookies were served. Several games were played.

All members of the freshman team attended except Scott Lillard and Dickey Garner, who were unable to attend.

Special guests were Mr. and Mrs. W. L. Cleveland, Cindy and Dale.

Adults attending were Mr. and Mrs. J. R. Bartlett, Mr. and Mrs. Curtis Murphree, Mr. and Mrs. Eugene Bandy, Mrs. Beallean Broyles, Mrs. Doyce Barnett, Mrs. J. W. Gammon, Mrs. Delton Lewellen, Mrs. Faye Reeve and Bob Wylly.

FALL CONTROL OF CORN BORER ADVISED

Corn has become increasingly important cash crop on the Texas High Plains and with it has come a menacing insect, the southwestern corn borer. However, certain cultural practices this fall can be effective in reducing overwintering populations of this insect pest.

Shredding stalks can destroy large numbers of the corn borers as they spend some time in the base of old stalks before moving down into the tap roots where they spend the winter. This, combined with a thorough job of plowing under refuse, can greatly reduce the number of overwintering larvae.

Looking at next season, a combination of early planting and use of early maturing hybrids will aid in reducing damaging populations of the insect later in the year.

The southwestern corn borer begins damaging young corn plants in late spring by feeding on the leaves. Later the insect bores into the stalk and begins tunnelling up and down the rith. This action causes the stalk to weaken and lodge or fall, thereby inflicting substantial grain losses.

There are from one to three generations of the corn borer each year. The adult female moth emerges from the pupal stage in mid-spring and lays from 300 to 400 eggs on the underside of corn leaves. The young larvae go through their destructive cycle in the following months and then overwinter in the full-grown larval stage.

Entomologists advise in-season control where the corn borer is present in damaging

numbers. Timing of spray applications is critical since satisfactory control can only be obtained early in the season before the larvae bore into the stalks.

At Home In Parmer County

By Janice Miller
County HD Agent

HONEY is excellent in baked goods. If a recipe calls for 1/2 cup sugar or less, you can omit the sugar and use an equal amount of honey in its place. In recipes calling for 1 or more cups sugar, omit the sugar and use the same amount of honey, BUT reduce the amount of liquid called for by 1/4 cup. Add a little extra salt to bring out the sweetness of the honey and to prevent overbrowning. Lower baking temperature by 25 degrees.

Have you realized that it's time to repot your house plants?

Here is the Extension landscape horticulturist's recipe for soil mixture for potting: Mix two parts good garden loam, two parts of peat moss and one part sand. Well rotted manure or shredded leaf mold may substitute for peat moss.

Garden soil usually is not suitable for potting plants. Why? It is usually too low in organic matter. This homemade mixture provides the

\$300,000 Available For SCS Cost-Share Programs

The local Soil Conservation Service office in Friona was advised this week that nearly \$300,000.00 is available for cost-sharing conservation work in Parmer and 12 other Texas Panhandle counties.

The money will be paid through the Great Plains Conservation Program for helping defray the costs of building par-

allel terraces, installing irrigation pipelines, planting grasses for pasture, constructing waterways, land leveling, and many other conservation practices. Cost-share rates range from fifty to eighty per cent under the program.

Gary A. Batte, SCS District Conservationist, advises interested landowners and operators to contact the SCS in Friona as soon as possible. "After all available funds are obligated, there probably will be no more money available until next year," Batte said.

The master dies from which thousands of copies of a single photograph record are made are electroformed of pure nickel. Electroforming is a plating process that can reproduce designs with extreme accuracy.

Funeral Services Held For Father Of Frionan

Funeral services for Shad Collard, 76, long time resident of Pharr, Texas, were conducted at 10 a.m. Saturday at Arlington. He was born in Tarrant County and attended high school at Arlington.

For a number of years Collard was a public school teacher and taught in the Kennedale, Tate Springs, Johnson Station, Sam Rosen and other rural sch-

ools in the Fort Worth and Tarrant County area for twenty years.

Later he became a U.S. Customs Officer and served in several cities on the Texas-Mexico border for 27 years. At the time of his retirement from the U.S. Customs Service, he lived in Pharr and continued to live there until his death.

He died in an Arlington hospital Thursday afternoon after a brief illness.

In addition to his wife, Pearl, and a son, Richard, who is an attorney here, he is survived by three other sons, John and Robert Collard, both of Arlington, Texas and Paul W. Collard, Baton Rouge, Louisiana; one stepson, Bernard Kanellar, Midland; three daughters, Mrs. Anna Ellison and Mrs. Janice Schreiber, both of Arlington and Mrs. Betty Ann Kramer, Oklahoma City.

Also three brothers, Eugene Collard, Fort Worth; Buck Collard, Arlington; and Glenn Collard, Artesia, New Mexico; two sisters, Mrs. Mabel Bradley, Arlington, and Mrs. Ruth Farmer, Roscoe, Texas; 15 grandchildren and nine great-grandchildren.

Henry T. Brannon, Arlington was the officiant. Burial was in the Rebooth Cemetery, Arlington.

Sewing with cool, summery fabrics like cotton voile, dotted swiss, or cotton eyelet, calls for a little extra care with seams. They should be as invisible as possible, neat and narrow. The French seam is the best choice. Check sewing books for exact instructions for stitching this seam.

If you must throw cold water on things, get a job as a fireman.

D-E STUDENT. . . Terri Outland is saluted this week as the Distributive Education class' "student of the week." Terri is employed at Bi-Wize Drug, and is shown with Ralph Roden, owner.

Irving L. Bauer Dies At Canyon

Irvin Louis Bauer, who was the father of Franklin Bauer of the Rhea Community, died at Neblett Memorial Hospital in Canyon Sunday morning. He lived at 211 Fourth Street, Canyon, and was 69.

He was a retired farmer and cattleman and was a member of St. Paul's Lutheran Church, Canyon. He lived in Randall County since 1908.

Funeral services for Bauer were conducted from St. Paul's Lutheran Church at 3 p.m. Tuesday and burial was in St. Paul's Cemetery.

Survivors include his wife, Linnie Edna; two sons, Franklin Bauer of the Rhea Community, and Lee Roy Bauer of Canyon; three daughters, Mrs.

Harry Walker, Las Vegas, Nevada, Mrs. Ernest Ramm, Muleshoe and Mrs. Donald Blacklock, Topeka, Kansas; three brothers, Charley Bauer, Gravelle, Arkansas, Fred Bauer of California, and Clarence Bauer of Bentonville, Arkansas.

Also, four sisters, Mrs. Ed Harvey and Mrs. Louis Harvey, both of Canyon, Mrs. Ralph Bratcher, Mesquite, Texas, and Mrs. Hugo Fehr, Redding, Kansas; 16 grandchildren and one great-grandchild.

PRESIDENT PRECEDENT

Andrew Johnson was the nation's only ex-President to be elected to the Senate.

Former Resident Buried Wednesday

Final rites for Mrs. Buford Rule of Dolores, Colorado, who died in a Cortez, Colorado hospital Sunday, were conducted from United Pentecostal Church at 2 p.m. Wednesday with Rev

G.W. Hamilton, pastor, officiating.

Mrs. Rule, who was Cecile Goldie Boren, before her marriage, was 50 at the time of her death. She lived near Friona for a number of years before moving to Colorado several years ago.

Survivors, other than her husband, include three sons, Jackie of Farmington, New Mexico, and Clyde and Larrie, both of Dolores; one daughter, Mrs. Wynona Higgins, Dolores; two sisters, Mrs. Arlesia Collier, Friona, and Mrs. Maudine Pruess, Odessa; and nine grandchildren.

Pallbearers were L. R. Hand, Johnny Hand, James B. Collier, Joe Mann, Dan Mann and John S. Thompson. Burial was in Friona Cemetery under direction of Claborn Funeral Home.

Hospital Notes

Admissions:

James Manning, Dimmitt; Elzada Gulley, Muleshoe; Otho Whitefield, Friona; William J. Hively, Friona; Edith Ann Singleterry, Friona; Joe S. Menefee, Friona; Raymond Clark, Friona; Lynn Gowens, Friona; Mrs. Prajedis Villarreal, Hereford; Dwana Jean Satterwhite, Friona; Cleo Wade, Hereford; Beverly Christian, Farwell; Jesse Silva, Friona; Krita Kenserling, Bovina; James H. Floyd, Friona; Barbara Roby, Farwell; Helen Mary Pena, Friona; Christina N. Crutchfield, Friona; Barbara Ann Madrid, Friona; Mrs. Dodd, Friona; James Oscar Combs, Bovina; June Patton, Bovina; R.M. Bradley, Farwell; Alicia Trevino, Friona; Santiago Cordova, Jr., Hereford; and Mrs. J. Henderson, Friona.

Dismissals:

Lee Blevins, Homer Waters, A.E. Crump, Elzada Gulley, DeWayne F. Bauer, James L. Manning, Ethel Reeve, Bryan D. Elliott, Mrs. Pete Jass and baby, Mrs. Bill Page and baby, Edith Ann Singleterry and baby, Joe S. Menefee, Dwana Jean Satterwhite, Otho Whitefield, Ricky D. Jamerson, Lura D. Bradley, Barbara J. Roby, Mrs. Prajedis Villarreal and baby, Charles C. Wilkins, Krita Kenserling and Lynn Gowens.

PATIENTS IN HOSPITAL:

11/4/69
Mary Lou Armijo, R.M. Bradley, Viola Birchfield, Santiago Cordova, Jr., James O. Combs, Christians Ann Crutchfield, Beverly Ann Christian, Raymond Clark, Mrs. Doug Dodd and Connie Inez, James H. Floyd, Mrs. J. Henderson and Kevin Paul, William J. Hively, Barbara Ann Madrid, June Patton, Helen Mary Pena, Jesse Silva, Celta Sturgeon, Mary Louise Townsend, Alicia Trevino, Frances Versa, Cleo Wade and Clyde Weatherly.

Mrs. Green Buried Here

Funeral services for Mrs. Mattie Green, who had lived in Friona about 40 years were conducted at 2:30 p.m. Sunday at United Pentecostal Church, Rev. Frank Baber, Tulsa, former pastor of the local church, and Rev. Thurman Chapman, pastor of Northside Pentecostal Church, Amarillo, were the officiating ministers.

Mrs. Green, who died in Amarillo Friday, was born November 5, 1884, at Washita, Oklahoma.

Survivors include two daughters, Mrs. Pearl Johnson, Friona, and Mrs. Frieda Merrick, Amarillo; six sons, Harry Green, Canyon, Arlie Green, Borger, Elmer Green, Grand Prairie, George Green, Pampa, J.T. Green, Lubbock and Glen Green, Clovis; 22 grandchildren, 22 great-grandchildren and one great-great-grandchild.

Six grandsons served as pallbearers. Burial was in Friona Cemetery under direction of Claborn Funeral Home.

Botanically speaking, the tomato is a fruit, say Extension food and nutrition specialists. But legally, it is a vegetable, according to a 1893 Supreme Court ruling.

HALLOWEEN PARADE. . . The witches, ghosts and goblins shown above are members of Friona's third grade class, who staged a Halloween parade last Friday afternoon down Main Street.

New Year's Pizzas by Betty Crocker

How about something really different for New Year's Eve appetites? Like baby-size pizzas, in honor of the Baby New Year. Lots of them, too, in a variety of toppings and passed on a tray that's garnished with crisp relishes and olives. You can make the miniature pizzas ahead, freeze them and then pop in the oven just 15 minutes before the old year ends. While the pizzas bake, you brew up a bowl of sparkling punch for the New Year toasts. And don't forget to set out a pretty plate of holiday fruitcake and your own Christmas cookies. Now, everything's ready in time for a resounding chorus of "Auld Lang Syne." H-a-a-p-p-y New Year!

MINI PIZZAS

2 cups New Bisquick
1/2 cup water
3/4 cup chili sauce
Toppings (below)
3/4 cup shredded cheese

Heat oven to 425°. Mix New Bisquick and water. Knead about 1 minute on lightly floured surface. Roll dough 3/4 inch thick into rectangle, 12x8 inches. Cut into 3-inch squares; pinch edges to form rims. Spread each square with 1 tablespoon sauce; sprinkle each with choice of Toppings and 1 tablespoon cheese. Bake on ungreased baking sheet 10 to 12 minutes. Makes 1 dozen.

Toppings: Sliced ripe, green or stuffed olives, onion, mushrooms, pepperoni, salami, frankfurters, bacon, Diced ham. Or cleaned cooked medium shrimp.

To freeze pizzas: Place unbaked pizzas on ungreased baking sheet in freezer about 30 minutes. Remove; wrap pizzas securely in plastic bag. Store in freezer until party time. Remove from bag and bake at 425° 15 minutes.

3 AND 1 SPARKLING PUNCH

1 can (6 ounces) frozen grape juice concentrate
1 can (6 ounces) frozen orange juice concentrate

1 can (6 ounces) frozen lemonade concentrate
4 cups water
1 quart ginger ale, chilled

Combine all ingredients except ginger ale; chill several hours. At serving time, slowly pour in ginger ale. Serve over cracked ice. If desired, garnish with floating slice of orange with sprig of holly on top. 10 to 12 servings.

Diabetes Society Has Demonstration

The regular meeting of the Amarillo Area Diabetes Lay Society was held Tuesday, November 4, 1969 at the Southwestern Public Service Company at the downtown location at 3rd and Polk.

The program, called "Reddy Cooks for Diabetics" was under the direction of Mrs. Louise Wilson, and consisted of a demonstration of festive foods for the holidays, and other foods which may be figured in exchanges for the diabetic diet.

Flying Nickel

Modern, super jetliners, capable of carrying from 360 to 490 passengers, require about 10,000 pounds of nickel in alloy form for engines, landing gear, engine mounts, thrust reversers and miscellaneous pressure tubing.

Beef Prices Show Signs Of Leveling-Walker

Rising beef prices, the recent subject of Congressional inquiry, are showing signs of leveling off and may soon decrease, according to J.C. Walker, executive vice president of Missouri Beef Packers Inc., a leading independent beef packer.

Mr. Walker appearing before a meeting of security analysts recently in San Francisco, said that retail beef prices reflect the normal ups and downs of the cattle market and, compared to inflation and soaring prices in other consumer areas, "there has been a lot of publicity over a relatively little thing."

According to Walker, the industry is now about 8 cents below the top cattle price of the year, but it may take some weeks until this is reflected at the retail level.

This is because when cattle prices went up some months back, retailers could not mark up their prices quickly enough to protect their normal margins and absorbed the initial increase due to competitive factors.

Now that cattle prices are easing off, he noted, retailers will not decrease their prices correspondingly, but rather at a slower rate to make up for the profit margin they lost when cattle prices shot up suddenly.

In terms of the longer range outlook for beef prices, Mr. Walker told the analysts, the industry, and Missouri Beef in particular, are streamlining operations to affect economies that will be eventually passed on to the consumer and the cattle producer.

He cited such major innovations as the operation of major packing plants in the heart of rural cattle feeding areas "where we can do a better job, cut out terminal expense and

feed cost, and save money on shorter hauls."

He noted also that Missouri Beef was rapidly expanding into more breaking and fabricating operations so that beef can be sent directly to supermarkets in prepackaged primal cuts. "We've added breaking and fabricating equipment to our plants in Friona, Texas and Rock Port, Missouri; and our newest plant, now under construction in Plainview, Texas, will have this equipment built in at the outset," Mr. Walker said.

Breaking and fabricating are still in an expanding stage, he stated, and we forecast important savings to consumers in the future through lower cost transport, greater ease of handling at the retail store level, and elimination of the myriad middlemen through which processed meat passes on its journey from producer to retailer.

Missouri Beef Packers, which began operations in northwest Missouri in 1966, operates an 8,000 head per week slaughtering plant in Rock Port and a 10,000 head per week plant in Friona, said to be the largest single shift meat packing plant in the world. The new plant in Plainview will have a 10,000 head per week capacity. Mr. Walker said also that a fourth plant was being planned on a site in the Dumas-Stratford area of the Texas Panhandle.

In the three years it has been in business, he stated, Missouri Beef has become widely acknowledged as a leader in the industry. A major step in its corporate development, he noted, was the listing of its securities on the American Stock Exchange in August. He said that the company ex-

GEE TO GRADUATE. . . Tom Gee, son of Mr. and Mrs. J.T. Gee, and a 1963 graduate of Friona High School, is one of the 21 students at Northwest Texas Hospital School of Nursing, Amarillo, who will graduate Saturday evening, November 8. Commencement exercises will be held in the sanctuary of First Presbyterian Church. Gee attended Texas Tech University, Lubbock, before enrolling in nursing school.

For people who are tired of struggling with soggy coffee grounds, One coffee company has developed filter rings.

The rings are premeasured, then compressed and sealed in filter paper. Each ring will make four to six cups of coffee. To use, fill your percolator with cold water; place one of the filter rings in the basket and perk the coffee. When its brewed, toss the used ring away.

pects to show record sales and earnings for the year ending October 25, 1969-with profit margins better than those of the industry as a whole. Sales for the first half reached \$103 million, compared with \$43 million for the same period last year, while before-tax earnings more than doubled.

MRS. MIKE WILSON

Paula Hassenpflug Weds Mike Wilson

In a double ring ceremony at Calvary Baptist Church at 3 p.m. Friday, October 24, Paula Hassenpflug became the bride of Mike Wilson. Rev. R.C. Hester, pastor was the officiating minister.

Parents of the couple are Mr. and Mrs. John T. Wilson and Mr. and Mrs. Melvin Hassenpflug, all of Friona.

The bride wore a pink double knit one piece dress with

white accessories and a white orchid corsage.

Those attending were parents of the couple and Mrs. M.G. Hart, Lubbock, maternal grandmother of the groom.

Mr. and Mrs. Wilson are at home here. He is a graduate of Friona High School and is employed by Texas Highway Department. She is a senior in Friona High School and plans to graduate in December.

Langes Have Weekend Guests

Visitors in the home of Mr. and Mrs. O.F. Lange over the weekend were Mr. and Mrs. James Wolf of San Antonio. Wolf is Lange's nephew.

The Langes took their visitors to Palo Duro Canyon and to the West Texas Museum.

Saturday night the guests were treated when it snowed. It was the first time Mrs. Wolf had seen snow.

Daughter Born To Bingham

Mr. and Mrs. Bing Bingham became parents of a baby girl at 5:26 p.m. Monday, November 3, at High Plains Baptist Hospital, Amarillo. She was named Deena Shea and weighed 6 lbs. 4 ozs.

Deena Shea is the first child for the couple. Her grandparents are Mr. and Mrs. O. D. Bingham, Amarillo, and Mr. and Mrs. Elvin Wilson, Friona.

Mr. and Mrs. G.W. Wilson, Sturgis, South Dakota, and George Robertson, Amarillo are the great-grandparents.

Frionans Attend ACC Homecoming

Several local residents spent the weekend in Abilene attending Abilene Christian College Homecoming festivities. Mr. and Mrs. Bill Wooley and son, Scott, who is a student at Lubbock Christian College, were accompanied from Crosbyton Friday evening by Ted Procter and Susan Floyd.

Mr. and Mrs. W.O. Brown went Friday morning and came home Saturday and Mr. and Mrs. Matt Brown drove down Saturday morning and returned Sunday afternoon.

Friona students enrolled at ACC are Mike Wooley, Steve Brown and Mrs. Richard Dickson.

Dance Classes Start In Friona

Anyone interested in having dancing classes for school age children in Friona is being asked to meet at the Bank Community Room this afternoon, Thursday, November 6 at 4:00 p.m.

Sue Sanders, a student at WTS at Canyon is interested in starting classes in ballet and two other afternoons a week in Friona.

Schedules for classes will be set up when the parents meet this afternoon.

Miss Sanders has had extensive training in dancing arts and has held an assistant teaching position.

Teflon cookware should be reconditioned after a sudsy scrubbing with stiff sponge or plastic scrubber, or after washing in dishwasher, advises Extension Home Management Specialist Doris Myers. Recondition by rubbing coated pan with cooking oil or unsalted fat.

Russel O'Brians Host Family Halloween Party

Mr. and Mrs. Russel O'Brian were hosts at a family Halloween party in their home in the Lakeview Community Friday evening. Co-hosts were Mr. and Mrs. Kenneth O'Brian and Mr. and Mrs. Tom O'Brian.

Forty-five persons participated in games in the basement, which was decorated with witches, black cats and spooks and lighted with Jack-O-Lanterns. Sandwiches, cookies and punch were served.

Others present were Mr. and Mrs. Burke Hand, Phillip, Danny and Tawnya; Mr. and Mrs.

Dwight O'Brian, Greg, Sherry and Teresa; Brit and Kim Eustace; Mr. and Mrs. Larry Fairchild, Tammy, Jeff and Vicki; Mr. and Mrs. Rex Blackburn, David, Mark, Lynn and Bryan.

Also Mr. and Mrs. Loyd Chesher, Cindy, Cathy, Christy and Charla; Mr. and Mrs. Roy O'Brian, Celia and Sheila; Mr. and Mrs. Tom Mason, Jan Deena and Jeana and Patricia Miller.

Turner Home From Hospital

Bill Turner, who was injured in a car-truck accident recently and hospitalized at Parmer Community Hospital, has returned home, and has been at his office some during the past week.

Turner and D.G. McClellan were injured when their station wagon was in collision with a grain truck three weeks ago, but Turner's injuries were the most extensive.

I'm not sure how long it has been since Friona was transformed from a "land of dark brown mud" to a real beautiful Winter Wonderland on November 1 within a matter of a few hours. Saturday evening's transformation changed a lot of plans and was a surprise to a large number of people.

Those of us who happened to be driving from Hereford to Friona about 7:30 or so thought we just had to get home before the roads became blocked, so just kept driving in spite of giant snow flakes falling thick and fast. We should have thought of the old adage, "If you don't like our weather, just wait a few minutes and it will change."

Had any of us stayed in Hereford long enough to drink a cup of coffee, we could have driven home with ease. Within ten minutes after the Floyds arrived home the snowfall came to an abrupt halt.

Some college students from downstate were coming from the south early in the evening and met the snow between here and Muleshoe. One of them, whose home is in Florida, had never seen any snow, so was very enthusiastic about driving through it at first.

Later, when the flakes were falling so close together that visibility was down to almost nil, the Floridan became alarmed and upon arrival here remarked, "I wondered if perhaps it would be a good idea for us to stop, but hesitated to say so. Then I saw a sign which read 'Friona, 8 miles,' and felt more relaxed."

Several main street merchants were busy early Monday morning washing windows. It was a little bit odd to see window washing activities in every direction when the temperature was 34 degrees, but, when the windows need washing, West Texans wash them. Who would want to let the weather interfere with jobs which need to be done?

Congratulations are in order this week for members of the Chieftain "B" squad. Those members have been working hard all year and had tied a couple of games, but had been unable to come out on top in any. Right now their record for the year is 1 win, 2 ties and 2 losses.

Maybe this week they will win another to make it 2-2-2. Wouldn't that be an unusual one? Keep up the good work boys! We like the unusual.

It's A Boy For J. Hendersons

Mr. and Mrs. J. Henderson became parents of a baby boy at 2:36 a.m. Monday, November 3, at Parmer County Community Hospital. He weighed 5 lbs. 7 ozs. and was named Paul Kevin. He is the first child for the Hendersons.

Grandparents are Mr. and Mrs. Jim Henderson, Hereford and Bob Wyly, Friona. Mr. and Mrs. L.D. Pope and Mrs. Alta Wyly, all of Friona; John Henderson, Hale Center, and Mr. and Mrs. W.A. Marshall, Hereford, are the great-grandparents.

Connie Inez Dodd Born Tuesday

Connie Inez is the name Mr. and Mrs. Doug Dodd chose for the baby girl born to them at 2:44 a.m. Tuesday, November 4, at Parmer County Community Hospital. She weighed 7 lbs. 6 ozs.

Her grandparents are Mr. and Mrs. M.D. Dodd, Fort Worth, and Mr. and Mrs. Harvey Lindsey, Hereford, all former Friona residents.

Mr. and Mrs. W.A. Johnson and Mrs. J.J. Lindsey, all of Hereford, are the great-grandparents.

Men are stealing the scene in new knit apparel. Knitsuits, slacks, shirts and even ties are getting in the show this season. The new knit suits hold their press, shed wrinkles, pack well, and most important—they are cool and comfortable. Knit are still the leaders in leisure-time wear, but watch for other knit wear, too. How does the man in your life like knits?

LINDA KAY STONE

Linda Kay Stone Is Queen Candidate

Linda Kay Stone, daughter of Mr. and Mrs. Travis Stone of the Black Community and a 1968 graduate of Friona High School, is a candidate for Homecoming queen at South Plains Junior College, Levelland.

Miss Stone, who is being sponsored by Gillespie Hall, is a member of Tex Ann and vice-president of Gillespie. She is a sophomore elementary education major at South Plains.

FLEETING MOMENTS

Fireflies sparkling a summer's night each live, at that point, for very few days. Prior to reaching the pupa stage, they existed one or two years underground in individual mud-houses around each body.

A message of importance to all people at The Rebellious Age.

There comes a time in your life when it seems absolutely right to rebel against old ideas. Against all the things that seem to be stacked up against your generation.

Unfortunately, religious faith is one of the things that may get discarded right about now.

But should it be? Your Faith echoes the very feelings you probably have right now. About injustice. Inhumanity. Poverty. Cruelty. Prejudice. Hate.

That's why your Faith is the very thing you should be working with. It can strengthen you. It can make things happen. In yourself, and in all the world around. But only if you let it. And only if you put it to work.

President John F. Kennedy said: "God's work must truly be our own." What do you say?

Texas Co-operatives Are On The Upswing

About 187,000 Texas farmers and ranchers conduct a relatively big business through their participation in private self-owned business institutions—their cooperatives. They are members of about 745 agricultural cooperatives, including 508 processing, marketing and supply associations. These 508 last year did a value of business of \$767,438,000, an increase of 13.8 percent over 1967. Johnny R. Feagan, Extension economist in farm organization, says Texas cooperatives are getting larger in size which reflects the trend of producers.

It is illegal to advertise liquor in the State of Oklahoma, according to Texas Alcohol Narcotics Education (TANE).

Proof Of Age Still Big Problem For Applicants

Proof of age is still a big problem for many people applying for social security benefits. This is especially true for those applying for retirement benefits.

Generally, people born in New Mexico, after 1920 have little difficulty in obtaining an original birth certificate, but those born before then may find their birth certificate was never officially recorded. Records in some other states go back further than 1920, of course.

The best evidence of age for social security purposes is a birth or baptismal record made

shortly after birth. If such does not exist, a school record, family Bible, early federal census record, or a marriage record indicating age would be valuable in proving a date of birth.

If these are not available, a combination of several proofs must be submitted. They may include a delayed birth record, insurance policy, child's birth record showing parent's age at the time of the child's birth, voting records, military record or driver's license issued several years ago.

Four or five months before the retirement date arrives, the person planning to apply for benefits should telephone or see his social security representative to discuss age proof. He may be contacted in the Council Room at the City Hall from 9 a.m. until noon on the third Tuesday of each month.

A recent study showed that cottage cheese is the second most popular cheese on today's market, report Extension foods and nutrition specialists. The dairy product is high in protein and calcium but low in calories.

U.S. deaths from cirrhosis of the liver per 100,000 population has increased from 10.2 in 1955 to 13.8 in 1967, according to Texas Alcohol Narcotics Education (TANE).
