

### CONSIDER PROPOSALS FOR SOME PERMANENT EMPLOYMENT RELIEF

SUB-COMMITTEES OF NATIONAL CONFERENCE WORK ON PROGRAM.

FULL CONFERENCE WILL RE-CONVENE ON TUESDAY

Foreign Trade, Agriculture and Credit Among Questions Under Consideration.

WASHINGTON, Oct. 10.—Forecasting what is expected to be one of the most important conferences of the national conference, formulation of a request for a \$400,000 special congressional appropriation to permit expansion of the federal employment service was ordered today by Secretary of Labor Davis.

WASHINGTON, Oct. 10.—Sub-committees of the national conference on unemployment were prepared to consider recommendations for a program of permanent measures for combating unemployment and hastening the return to normal in industry and commerce on reconvening today in advance of the meeting of the full conference again tomorrow. Foreign trade, agriculture and the relation of credit to the country's economic structure were among the general subjects to be studied by the committees.

WASHINGTON, Oct. 10.—The national conference on unemployment today turned to the task of whipping into shape a general program of permanent measures designed to combat involuntary idleness throughout the country and effect the return of the nation's business and commerce to normal.

Various sub-committees are scheduled to meet at the full conference to be reconvened Tuesday. While some of the committees have practically decided upon their recommendations for permanent measures, it is the opinion of conference officials that at least a week will be occupied in the study of the country's economic problems before action is taken upon the complete program.

Upon reconvening the sub-committees are to receive a report from the executive secretaries setting forth the program made toward relief of the unemployment situation under the emergency measures adopted by the conference. The report, which was made public last night, said:

"The predominant object of the conference was to recommend and organize measures to meet the emergency situation during the winter. The preliminary recommendations and organization plans have had the following response in the seven days since their issue:

"First.—Mayors' emergency committees have been created and are actively at work in 21 cities, on the lines of the conference plan of co-ordination of effort of all sections of the community with more than a score of other cities reporting that organization is in process.

"Second.—Conferences have been held during the past week by the president, Secretary Hoover and members of the conference, with the heads of the great national industries, including railroads, coal and shipping, from which have resulted definite steps undertaken to meet the emergency in many practical ways.

"Third.—The active participation of the great national commercial and employers' associations have been assured. In definite organization of their branches throughout the country to assist the mayors and to meet the situation generally. The United States chamber of commerce, the national manufacturers' association, various regional and state associations have actively entered into the problem of organization and provision of work for the unemployed, and a assistance to the state and municipal authorities.

"Fourth.—A number of cities have undertaken steps for the immediate advancement of local public works and for definite advancement of construction work in the community. Steps organized in this direction have been formally reported from eight cities.

"Fifth.—An office has been set up and is at work in Washington, urging Colonel Arthur Woods to continue the stimulation and co-ordination of national state and municipal agencies, under the general direction of the unemployment conference.

"Sixth.—As the result of experience in organization throughout the country the past week and of suggestions from many quarters, a large amount of material is now available for further development of emergency measures."

Vital questions affecting the industrial welfare of the nation will be up for the consideration of the conference. Committees already have shaped recommendations involving readjustment of wages and prices, the open shop, repeal of the Adamson act, and a declaration in favor of the railway funding bill. Other subjects to be studied by the committees include foreign trade, agriculture and the relation of credit to the country's economic structure.

### MEETING TUESDAY FOR ORGANIZATION OF REAL ESTATE BOARD

Organization of a real estate board for this city will be undertaken at a meeting called for 10 o'clock Tuesday morning at the Chamber of Commerce.

The meeting has been called by Hubert Harrison, general manager of the Chamber of Commerce, at the request of B. Frank Johnson and J. Wilkie Talbert, real estate members of the business council.

It is planned to affiliate the board with the state and national boards and to form a local organization that will improve realty methods and serve as a means of protection for real estate men.

### ATTORNEY GENERAL CURETON TO SPEAK TO UNIVERSITY CLUB

Attorney General Cureton, who is in the city participating in the Red river boundary dispute hearing, will speak at the University club luncheon Tuesday noon at the Kemp hotel. A number of prominent attorneys will also be in attendance and will be called upon for brief talks.

### NO RECORD SHOWING DEAD MAN IN SERVICE, PLANS ARE ABANDONED

MARION, OHIO, Oct. 10.—Plans for an Armistice day celebration in President Harding's home town were knocked into a cocked hat today by receipt of a brief telegram from the war department at Washington saying no record could be found that Dwight Wells Artis had ever served in the United States army.

The feature of the celebration was to have been the re-burying of Artis' body in the "honor triangle" of Marion cemetery. Artis, 19, died penniless here. He was supposed to have been a world war veteran whose home was in Highland, Ill., and a local American legion post buried the body in the potter's field. Later the Marion Cemetery association donated the "honor triangle" for all soldier dead after Mrs. Harding had taken personal interest in the case.

### MERCHANTS ENJOY BUSY DAY SATURDAY, COLLECTIONS GAIN

Wichita Falls merchants reported Monday that retail trade Saturday set a mark far in advance of that of the week previous, when a marked improvement in business was noticed.

"Probably our best day since early in 1920" said more than one merchant, speaking of Saturday's business.

The business district presented a decidedly animated scene all day Saturday and the general improvement in business conditions, coupled with the decided local effect of the advance in oil, resulted in extensive buying, with the cooler weather as a stimulus to those who needed winter clothing.

Merchants also report an improved one in collections during the last 10 days, with an appreciable reduction in outstanding accounts.

### KOSSE NEGRO REMOVED TO JAIL AT CORRICANA

CORRICANA, TEXAS, Oct. 10.—Jack Chambers, negro, charged with attacking L. W. Webster and wife with a hoe Saturday on a farm near Kosse, was placed in jail here last night, having been removed from Groesbeck as a precaution against possible violence.

### CORRICANA MAN DIES FROM BURNS SUSTAINED

CORRICANA, TEXAS, Oct. 10.—Charles Neff, 22, died at a hospital here today from burns received last night while at work in the electric light plant at Mexia.

### URGES DELEGATION TO ATTEND MEETING ON TRUST COMPANY

THIS CITY THOUGHT TO HAVE GOOD CHANCE TO GET INSTITUTION.

KELL SAYS WILL BE OF PERMANENT VALUE

Meeting at Fort Worth Wednesday May Decide Where Institutions Are Located.

A representative delegation of Wichita Falls business men should go to Fort Worth, Frank Kell said Monday, to attend Wednesday's meeting at which plans for the trust companies to handle loans to cattlemen will be considered. The meeting will be held Wednesday morning, and will be attended by the executive committee of the Cattlemen's association.

central trust company, probably at Fort Worth, and the other to have 8 or 10 such institutions scattered throughout West Texas and New Mexico. If the latter plan is adopted, this city will make a diligent effort to be chosen as the site of one of the trust companies.

In view of the fact that a Wichita Falls man, Frank Kell, did as much as any other individual in the southwest to make it possible for the cattlemen to obtain loans, this city's chances for getting one of the companies are thought to be exceptionally good.

MEYER WILL NOT BE ABLE TO ATTEND THE CONFERENCE

DALLAS, Oct. 10.—Eugene Meyer, managing director of the war finance corporation, will not be able to attend the conference Wednesday at Fort Worth of bankers, livestock raisers and business men, but in a telegram today to Judge W. F. Ramsey, governor of the Dallas federal reserve bank, expressed hope that those interested in the welfare of the livestock industry will do their utmost to make the meeting a success.

In the telegram Mr. Meyer declared his belief that there should be organized at least one livestock loan company with a capital of one to one and a quarter million dollars. Approving this suggestion, Judge Ramsey, in a statement today said such a company should make money and, if well managed, ought "to be able to place some-thing from \$12,000,000 to \$20,000,000 livestock loans throughout the livestock district, which could not be placed through banks." Any loan made, he said, would be rediscouted by the war finance corporation.

Judge Ramsey said he regards the Fort Worth conference "one of the most important meetings ever called in the history of the state," and urged bankers, business men and livestock raisers to attend.

### Baby's Milk Must Be Right—Use Powdered Milk

Baby's milk must be pure and have all the food elements necessary for baby's healthful growth. Klim Powdered Whole Milk is ideal for home modification. Klim is pure, rich, milk reduced to powder form without cooking. Nothing is added. Nothing is changed. Nothing is taken out but the water. Replace the water and you have milk again—fresh and sweet.

Klim is endorsed by eminent physicians, food experts, and scientists. Hospitals, Homes, Schools, Health Resorts, the United States Army and Navy, and hundreds of public and semi-public institutions use Klim and testify to its quality and value. Ask your own physician. Klim is an excellent food from babyhood up. Children will drink it because they like its genuine, fresh-milk flavor. Klim comes in two forms: Klim Powdered Whole Milk (full cream), and Klim Powdered Skimmed Milk (for all cooking purposes). A 2 1/2-lb. package of Klim Powdered Whole Milk makes 10 quarts of liquid whole milk. You alone are the judge of the value of Klim. Get a package and know that Klim is the best quality milk that money can buy—milk that is safe for baby—milk that is convenient and economical.

**Dresses, Suits and Coats**

Worn by more Film and Stage stars than any other one line in America. "Unusually Distinctive but Naturally a Bit Costly."

**Kimberlin's, the Exclusive Agency**  
Following is a letter received from the "HOUSE OF YOUTH" which demonstrates the co-operation that we have from this house at all times. Kimberlin's have spent thousands of dollars featuring this wonderful line in their advertising and they appreciate this protection given them:

Kimberlin's  
Wichita Falls, Texas. Sept. 28, 1921.  
Gentlemen:  
Immediately upon receiving your telegram of Sept 23d, we investigated the entire situation so that we might be able to advise you in full detail. We find that for some unaccountable reason a few garments were sent to a small shop in your city. It was one of those inexcusable things that happened to slip through, and something that we sincerely regret.  
It seems that in the rush of the buying season, one of our young, new salesmen waited upon the other buyer and put the order through our office automatically. It was just as automatically shipped and it was only upon receipt of your telegram that the situation was brought to light.  
We want to tell you first how happy we are that you communicated with us so promptly and want to assure you further that it is our absolute desire to protect you in every way possible and to confine to you the exclusive representation for all "HOUSE OF YOUTH" apparel.  
We shall immediately see that this shop does not receive any more of our styles and we shall further see to it that a mistake such as this does not happen again.  
Assuring you once more of our appreciation of your prompt handling of the situation and regretting exceedingly the inconvenience caused you, we are  
Cordially yours,  
**THE HOUSE OF YOUTH**  
(Schulman & Hauptman, Makers)  
(Signed) LOUIS SCHULMAN.

The HOUSE OF YOUTH confine their line to ONE and ONLY ONE store in a city. We regret that the mistake occurred and promise our customers that it will not happen again.

DELAY IN PASSAGE OF BILL MAY MEAN LOSS OF AID HERE

HIGHWAY APPROPRIATION BILL LIES IN COMMITTEE ROOM IN CONGRESS.

COMMISSIONERS CONSIDER PROBLEM WITH BANKERS

\$100,000 Federal Aid Will Not Be Paid If Roads Completed Before Passage of Bill.

The delay in the passage of the federal aid highway appropriation bill in congress is having its effect locally, inasmuch that the \$100,000 federal aid for the Iowa Park to Willbarger county line project has not been paid and will not be paid if the road is completed and accepted before the passage of the bill.

The bill now lies in the conference committee room. It was passed by the house with an appropriation of \$100,000,000 but the senate passed it with \$75,000,000. It has been returned to the committee room. An inquiry was sent to Representative Luchan Parrish Monday to ascertain the likelihood of the bill's passage.

REFINERIES POST GASOLINE ADVANCE AS CRUDE GOES UP

Following the advance of 75 per cent in the price of crude oil, local refiners have advanced their quotations on gasoline approximately 40 per cent.

"MA" BURDICK NAMED FIRST VICE PRESIDENT OF LEGION AUXILIARY

In addition to the honor of electing her a delegate from Texas to the national American legion auxiliary convention in Kansas City the first of November, the Texas American legion auxiliaries in convention at Houston Saturday named "Ma" Burdick of Wichita Falls first vice president of the state organization.

WIFE OF FARMER ALMOST STARVED

Mrs. Peterson Suffered Awful Pains After Every Meal—Is Now Well As Ever.

Declaring she was actually starving to keep from entering awful misery, Mrs. Amy Peterson, wife of a prosperous farmer of Lakeville, Mass., gave out a remarkable statement, recently in connection with her relief through the use of Tanlac.

JAPANESE PLANS IN CHINA A BIG PROBLEM

This is the fourth of a series of articles on the problems and perils of the disarmament conference, written by Herbert Quick, who has made a special study of this subject for the Wichita Daily Times.

By HERBERT QUICK WASHINGTON, Oct. 10.—We may quite misunderstand the plans of Japan in China. What these plans are is one of the great questions for the disarmament conference.

Japan has stated repeatedly that her intentions are purely benevolent; all she wants is the same rights that other nations have in the huge "Flowery Kingdom."

And when this is generally believed, and understood by the rest of the world and acted upon by Japan, one of our Pacific problems, which Secretary Hughes insists must be settled before we can consent to disarmament, will be cleared away.

Japan ought to understand what other peoples, including Americans, some of whom see in the future if she goes on as she has begun.

It will surprise many intelligent Japanese to know that intelligent Americans, Canadians, Australians, New Zealanders, South Africans and Britons, not to mention people of other islands, and that millions of intelligent Chinese, really believe that Japan has started on some grandiose scheme as that from which Germany was recently disassembled—nothing less than world conquest.

On the face of it, it looks absurd, especially to a sensible Japanese. But see the things that have led to this belief.

The world has seen Japan grow with great rapidity in military and naval power. We have seen her defeat first China and then Russia.

We have seen her take from China.

DAY OF ATONEMENT TO BE OBSERVED BY JEWS OF THIS CITY

Yom-Kippur, or the Day of Atonement, will be observed by Jews of the world over from sunset, Tuesday, October 11, to sunset, Wednesday, October 12.

The purpose of the Day of Atonement is clearly indicated by its name. It is intended to complete and crown the work of the penitential season by effecting at-onement, that is, reconciling the soul with the Almighty. Implicitly trusting in the Divine forgiveness, the Jew believes that his contribution, if really sincere, will atone for him.

Seymour News

Japanese Party Pretty Affair Mrs. W. H. Francis and Miss Carolyn Malone entertained the home of Mrs. W. H. Francis Thursday evening with a Japanese party.

The guests gathered about 8 o'clock, each wearing a Japanese costume, and entered to sweet music played by Miss Alma Cockerel. They were greeted by Misses Telete Fancher, Inez Francis and Lillian Durbin, who had the Japanese custom. The home was beautifully and artistically decorated with flowers, ferns, Japanese lanterns, fans, parasols and pillows.

A number of friends enjoyed "42" at the home of Mrs. Lem Bellows Thursday afternoon. Pretty score cards were passed by little Miss Mildred McDavid. At the close of the games a linen handkerchief went to Mrs. R. R. Kellum for high score and a pretty bouquet of roses to Mrs. G. S. Plants for low score.

JOB OF COL. WOODS IS TO SUPPLY JOBS

Hoover's Employment Commissioner To Speed Up Action Through-out Nation.

COLONEL ARTHUR WOODS

By NCA Service WASHINGTON, Oct. 10.—"Jobless men and women all over the United States are demanding immediate employment."

"Quick results can be had, not through the unemployment conference, but through community work. That's my job—to get all state cities and towns busy at once providing jobs."

So says Colonel Arthur Woods, former police commissioner of New York City, who has been appointed by Secretary of Commerce Hoover to co-ordinate the work done to relieve unemployment.

"The conference is looking toward getting the whole industrial situation straightened out," says he. "My work, however, will be to apply prompt remedies. It is absolutely necessary to get something started in every community."

"There are thousands of men eager to work and qualified to work. They are out of jobs through no fault of their own."

"Every man of them is entitled to a job. He must be given the opportunity to earn his living. Where can the opportunity come from quickest?"

"Through the co-operation of governors, mayors, county commissioners, churches and civic organizations."

"Work in Every Town" "In every town in America there is work that should be done, but is being put off for no good reason."

"In every state it is likely that the governor can bring about the employment of many jobless through rushing state work."

"Churches and civic organizations have been known to do wonders through campaigns. Was there ever a time when a campaign would mean more?"

"Co-operation in every American community is the immediate answer to the unemployment problem."

"And while we are getting that into swing, the industrial conference will come right along with aid for the situation as a whole."

"Woods' Record" Born in Boston in 1876, Woods was graduated from Harvard and attended the University of Berlin. Between 1892 and 1895 he worked as a reporter on

the New York Evening Sun, was in the lumber business in Mexico and the cotton business in Boston.

In 1907 he became deputy police commissioner of New York city and in 1914 police commissioner. In 1918 he was appointed associate director on the committee of public information for foreign propaganda, and later was a lieutenant colonel in the aviation section of the United States Army.

BY REMOVING BRICKS NEGRO BREAKS JAIL AND MAKES ESCAPE

Mike Perkins, negro, charged with burglary, tunneled his way through a double brick wall in the county jail Sunday night and made his escape.

At a late hour Monday morning the escaped prisoner had not been apprehended.

It is believed that he gained his freedom around midnight Sunday night. Jailer Cass Tanner is in Denver bringing back a prisoner and the jail was in charge of Deputy Tanner.

Hundred Newsies Of the City Are to See "Springtime"

One hundred little newsies of the city will see "Springtime" at the Wichita theater by its opening night—Friday, Oct. 21—as guests of the Business Women's club, according to an announcement made Monday morning by the club.

"Passes for the 'newsies' will be given out this week, entitling them to good seats in the gallery, in spite of the fact that the gallery seats are for the play are already indicating a capacity section. The hundred tickets necessary were called in Monday morning to reserve for the youngsters."

"We are going to sell out the house for both nights," the chairman of the club ticket sales committee stated Monday. "But the girls believe that it will be worth more than \$50 to us to treat the newsies. They are all dandy, good little scouts 'in business' just like we are. We want them to know that the Business Women's club and the Y. W. C. A. are their friends. It is the first chance we have had to do anything to add to their pleasure, and we are certainly glad to do it."

TWO ARE ARRESTED WHEN FOUND WITH 7 GALLONS LIQUOR

Two men, who said their names were "any old thing," were arrested at midnight Sunday by county motorcycle officers, Newton, Rohatch and McDonald, on the Lake road, when seven gallons of first run corn liquor were found in the automobile they were driving.

The automobile was stopped by the officers when it approached the city without head lights. The car was searched and the liquor was found under the rear seat.

The two men were turned over to the county jailer and the automobile and seven gallons of liquor are being held by the officers.

NOTICE

We wish to inform our friends that we have acquired the Richardson Haberdashery and will continue the business under the name of "THE HABERDASHERY"

We want our friends and the general public to visit our new store, where you will be afforded the most courteous treatment at all times. We will carry first-class Men's Clothing and Furnishings at the right prices and want you to make this store your headquarters when down town.

Billy Richardson will continue in charge of the shoe department.

Signed, GEO. H. HERRON, R. J. MARIN.

Announcement

We have opened a branch office at Mexia and have leases and royalties in all parts of the field for sale. We will be glad to have our friends call on us when in Mexia.

Have your mail, telephone calls and telegrams sent in our care and make our office your headquarters.

TEXAS SYNOD ENDS  
ADOPT RESOLUTIONS  
THANKING THIS CITY

Members of the Texas Synod of the Presbyterian church, U. S. A., were mostly in a hurry Monday, the annual meeting coming to a close with the service Sunday night.

NORTHWEST TEXAS  
CONFERENCE CLOSES

Appointments for the ensuing year are made Sunday—next at Quanah.

AMARILLO, TEXAS, Oct. 10.—The northwest Texas Methodist conference adjourned here last night to meet next year in Quanah. A feature of the assignments for the ensuing year is the unusual number of changes made in the location of preachers.

Chattanooga to Be Host to  
Confederate Veterans

Thirty-First Annual Reunion, Oct. 24-27, Will Be Gala Occasion

GEN. K. M. VAN ZANDT, Commander in Chief, United Confederate Veterans. MISS MARTHA DULANEY BACHMAN, Sponsor for the South, United Confederate Veterans, at Chattanooga reunion Oct. 24 to 27 inclusive.

(By JAMES G. RICE.)  
CHATTANOOGA, TENN., Sept. 30.—For the third time in its history the United Confederate Veterans Association will hold its annual reunion in Chattanooga.

The reunions have given a rate of one cent a mile traveled to Chattanooga for the reunion occasion. This rate applies to Confederate veterans and their families; to the Sons of Confederate Veterans and their families; to the members of the Confederated Southern Memorial Association and their families.

the matter of a seeming neglect of the veterans of the Civil war. "Corporal" James Tanner, of Washington, explained it in a letter to a friend in Chattanooga on the ground that the Confederates and the "Yanks" have lost so many of their voters by death that they no longer yield much influence in politics.

Prepared for Large Attendance.  
The Chattanooga reunion committee anticipates a large attendance at the reunion—the thirty-first—because of the low rate offered by the railroads.

Monday, supply; Stamford, St. John's church, J. H. Hambley, Stamford circuit, J. H. Morris, supply; Throckmorton, W. B. McKee, supply; Vera, J. C. Mann, supply; Weir, George D. Durham, Westover circuit, Davis; Boomerton circuit, Steve Sloan, supply; Haskell, S. L. Cuiwell; Jayton, R. E. Burns; Knox City, John W. Hawkins; Monday, B. J. Osborne; Munday circuit, J. R. Bateman; Rube, J. W. Brown; Rochester circuit, J. E. Young; Seymour, W. C. Hinds; Spur, J. P. Patterson; Spur circuit, E. D. Lambrecht;

the city. Several features of the program have not been duplicated at any previous reunion. Many competent judges pronounce the program as the most attractive in the history of reunions.

Brilliant Social Affair.  
The social side of these Confederate reunions is their outstanding feature. The official sponsors and maids of honor shine at all of the balls and receptions.

May Be Last Reunion.  
The facts are that this reunion may be the last of the Confederates. This city entertained the first reunion in 1890. The present reunion is the thirty-first.

Estelle, W. E. Hink; Kirkland and elder from the Louisiana conference; J. S. Johnson, an elder from the east Oklahoma conference; C. A. Waterfield, an elder from the Memphis conference; A. B. Davidson, an elder from the north Texas conference; J. C. Mann, in the class of the second year from the Central Texas conference; J. M. Cochran, an elder from the Texas conference; Vernon station, C. A. Waterfield; Ver non circuit, F. T. Johnson; student S. M. U. J. M. McCrary.

engaged in a two days' fight in which the Confederates were the victors.

Historic Battlefields.  
The government and the various states that had sons on this bloody field have converted Chickamauga into a large national park to commemorate American valor.

Fast Passing Away.  
And these thoughts suggest the remark that the old men are passing away. When their reunion was held here in 1913, there were 1,800 camps in fine condition; the official list of camps now numbers 500, or half the number eight years ago.

The sustaining strength of the Confederate veterans now are the Sons of Confederate Veterans and the Daughters of the Confederacy. These organizations swell the attendance at all reunions as escorts for the old men, hundreds of whom are too feeble to travel alone.

TERMS LOUISVILLE RIOT A DISGRACE

President of Colonels Says Outbreak of Fans During Game No Fault of Police.

LOUISVILLE, Ky., Oct. 10.—The riotous ending of the fourth game of the Louisville-Baltimore junior world's series here yesterday when 2,500 of the 6,000 spectators swarmed on the field...

I am confident the police did all they could in their attempt to handle the crowd, but they were helpless before the rushes of the fans, President Knebelkamp said.

The remaining games of the series will be played in Baltimore starting Thursday. The Baltimore team left for the east last night.

WHITE SOX OUT TO MAKE CLEAN SWEEP OF SERIES

CHICAGO, Oct. 10.—The Chicago White Sox determined to win up the series to decide the championship of Chicago with their National League rivals...

SPUDDER MOGULS TO ELECT NEW MANAGER AND DIRECTORS TODAY

Walter Salm Expected to Guide Destinies of Club Once Again.

The stockholders of the Wichita Falls Baseball association met today for the purpose of electing a new board of directors and selecting a manager for the club for the ensuing season.

Walter Salm's two-year contract expired at the close of the past season and though there have been persistent rumors to the effect that a new leader would be elected...

The present directors will not commit themselves one way or the other and Salm is silent on the subject himself.

However, there is no known reason why Walter should not be offered another contract. During his two years as leader of the Spudders he has had a contender, finishing in second place in 1920 and in third in 1921.

The stockholders were still in session at press time.

FRANK HALEY NOW ON THE ROAD TO RECOVERY

### ALL WICHITA FALLS READY TO JOIN IN TRIBUTE TO HERO

All Wichita Falls was ready Monday afternoon to do their last honors to this city's soldier dead. The funeral of Pat Carrigan, last of the local youths whose body was brought home, was to be the occasion for a tribute, not only to his memory, but to that of the others who did not come back.

Practically all business houses closed at 2 p. m., in accordance with the mayor's proclamation, and a great crowd was gathered at the First Presbyterian church in advance of the hour for the services, at four o'clock.

The body arrived at 11:45 Sunday, and was met at the station by several hundred Wichitans, mostly ex-service men. They formed a guard of honor to escort the body to the Hines parlors, whence it was later removed to the Carrigan home. A host of friends met Judge and Mrs. Carrigan at the station and extended what comfort they could in the hours of sorrow.

At the request of Judge Carrigan the casket was opened Sunday afternoon and three of Pat's comrades who were able to positively identify the body viewed it. Joe H. Jones, Jake Avis and Wayne Summerville, all of whom were in the vicinity of the spot where Pat was killed, identified the remains as his.

A striking incident of the journey home from New York city occurred at Booneville, Missouri, where Kemper Military Institute is located. As the train passed through the station there, the cadet corps, in parade formation, stood at attention. Pat was at one time a student at Kemper, and the cadets joined in a beautiful tribute to his memory.

### SEES SIGNIFICANCE IN ENGINEER'S VIEW OF IRRIGATION PROJECT

By FRANK S. REID.

One of the interesting and big things for Wichita Falls is the irrigation system that seems to be at the point of realization, and especially since R. A. Thompson, chief engineer, has within the past few days, been over the project with a view of perfecting some details that affect the sale of the four millions of dollars of bonds, and since it has reached this stage it should be up to all interested in the welfare of the community to get in behind every feature of what he says is a most meritorious project.

Mr. Thompson's judgment on the merits of this project should not go unnoticed, for he is a man of local and national reputation. At present he is one of five men employed by the interstate commerce commission and the government valuing the railway companies of the country.

He was present at a meeting of the chamber of commerce held at the Kemp on Saturday, and spoke of the local project briefly. He said:

"I am not a stranger to all of you gentlemen here. Some 13 years ago I came to Wichita Falls in connection with some construction work for the Kemp and 'oil railway system to the northwest. I also assisted with the construction of the local car lines. I have just looked over the dam and irrigation project which is in prospect here in Wichita Falls, which project has been in contemplation since 1919."

"Of course, you know it has two principal values: As a water supply for the city of Wichita Falls and as an irrigation project. Wichita Falls has reached a point in its development, as you gentlemen know and appreciate, where it is absolutely necessary that its water supply be increased and be made absolutely permanent, in order that further industrial development be increased. The proposed scheme does this most effectively. Not only do the plans warrant a guarantee of a permanent water supply for the city, but will also irrigate many acres of your fertile valley lands."

"The present project contemplates irrigating some 100,000 acres lying on the east side of the Wichita river in addition to this water supply. There is some 300,000 acres of land, as I understand it, subject to irrigation, so that in case it later develops that the system is capable of irrigating a larger area, you have plenty of additional land on which to use it."

"The plans call for a storage dam and a diversion dam. There will be two main canals. One of these canals on the south side will follow Holiday creek, setting as a feeder to the present water supply."

"The district committee is now getting ready to advertise for bids, asking contractors to bid upon this work. It is first proposed to build the diversion dam and the south side canal, which will put water into Lake Wichita. It will probably require about a year to complete this diversion dam and put water into the lake, which will create a supply three times the volume of your present lake. The storage dam is a big piece of construction and will take some time to build, and it will take several years to fill with water. The school athletic fund will increase your present water supply 15 times and with the storage dam and diversion dam you will have a water supply 15 times the present capacity."

"In view of the many advantages Wichita Falls has commercially and geographically, there is no reason why you should not proceed with the scheme of development to get industries and enterprises here sufficient to power or later make your city one of the large cities of north Texas."

### When Weather Changes Mean Colds Let Colds Mean Rexall—

There is a specific Rexall remedy for every sore throat, every sore chest, every head-cold, every case of "sniffles." Rexall Cold Tablets, with or without aspirin, will clear you up in record time. Rexall Cough Syrup, a pleasant-tasting, effective preparation, will take those tickles out of the tubes. Rexall Orderlies—the non-habit-forming preparation, keep the system free of the impurities that make it easy to take cold.

### MERCURY REACHES 95 DEGREES POINT DURING DAY SUNDAY

A summer sun sent the mercury up to 95 degrees Sunday afternoon in Wichita Falls following a cool night in which the lowest temperature was 55 degrees.

Immediately after sunrise Sunday morning the thermometer started climbing and at 4 o'clock reached the highest point from where it started recording, registering 94 degrees Monday morning.

A light frost was reported on the north end of the Katy lines Saturday night but the lowest temperature Sunday night was 55 degrees. Reports from the agents were to the effect that Monday morning it was clear and that the thermometer started rising early in the day.

### TO HOLD PRAYER MEETINGS PREPARING FOR REVIVAL AT FIRST CHRISTIAN CHURCH

The Times has received the following:

The First Christian church is making vigorous preparations for the revival meetings that are to begin in that church next Lord's day. Elder James T. McKissick of Midland is to lead the church in the meetings and the prospects are bright for a great meeting. Home prayer meetings are being arranged to be held on Monday and Friday nights of this week. All members and friends of the church are urged to note the meeting nearest to their home and attend it, inviting a friend to go with them. The committee is anxious to have a great meeting at each home and the minister, J. Lem Kewell, unites with the committee in urging all interested to attend. Meetings will begin promptly at 7:30 p. m. and will be held at the following homes on Monday night:

Mrs. J. E. Liggett, 2111 Eighth street.  
Dr. L. C. Tyson, 1212 Tenth street.  
J. N. Prothro, 1910 Huff street.  
E. Van Deventer, 1309 Lucile street.  
Mrs. J. E. Bond, 1708 Tenth street.  
F. B. Mashburn, 1809 Eleventh street.  
S. B. Wilson, 1105 Austin street.  
Dr. A. O. Scharrif, 2210 Tenth street.  
P. T. Hyatt, 909 Burnett street.  
Prof. Lee Clark, 1112 Polk street.  
J. W. Bradley, 1622 Eleventh street.  
W. T. Willis, 1601 Tenth street.  
Mrs. T. F. Courtney, 1414 Fourteenth street.  
J. H. Anderson, 1209 Brittain street.  
Mrs. J. Lem Kewell, 907 Travis street.  
Mrs. L. T. Hyatt, 909 Burnett street.  
Mrs. J. L. Downing, 812 Brook street.

The lesson for Monday night will be the 23rd Psalm and that for Friday night the 12th chapter of First Corinthians. Watch the papers for announcements of meeting places for Friday night.

### FIRE PREVENTION DAY IN VERNON IS OCTOBER 14

VERNON, TEXAS, Oct. 10.—Friday, Oct. 14, will be fire prevention day in the various schools of Vernon, and this action is occasioned through the request of the state fire marshal. One week after, Oct. 21, a more elaborate observance will be conducted at the high school here. At that time there will be staged a play, a carnival and a fire prevention program. A nominal
