

We did not make the hunt, but from talking to some of our friends who did, it is evident that hunters are not likely to extinguish the pheasant population this season in Parmer County.

Several told us that about all they got out of the season's opening day last Saturday was a lot of exercise, along with tired, cold feet.

Due to the muddy conditions, the hunting hasn't been the very best this time around.

However, local nimbros have another weekend on the season, and things might improve.

Friona Consumers has received some entries in the annual tailfeather contest, proof that some hunters got their bird.

As of this writing, Robert Osborn, now of Amarillo, has the longest feather entry.

The recent scare over the use of "DES" by feedlots in their feeding program has brought about the usual fanfare by the Federal Drug Administration, and the FDA has imposed some rather harsh rules on the feedlots.

According to a recent editorial in the Animal Nutrition and Health publication by Dick Beeler, the writer pointed out that the drug DES is really a commonly used hormone in medicine, and it has not actually been proven as a cause of cancer, as the "scare" stories implied.

Since this problem is timely and affects many of our readers in one way or another, we are quoting the entire editorial as follows:

"As in the case of DDT, slowly but surely the FDA is making its way toward banning the use of DES in cattle feeding.

"On October 12th, FDA increased the withdrawal period from 48 hours to seven days--an action taken in spite of FDA's own admission that the '48-hour period is scientifically adequate when observed."

"The new ruling came after Consumer & Marketing Service laboratories detected DES residues in 10 of 2500 cattle and sheep sampled in April, May, June and July. Detection came following the instigation of a new laboratory analytical procedure which is sensitive to a level of 2 parts per billion of DES. All of the positive samples were in the liver and NO positive samples have ever been found in muscle tissues that are most generally consumed as meat.

"As in the case of DDT, only the scare aspects of the DES story are being told and none of the scientific or beneficial aspects are ever mentioned. This is an important tactic in the banning of anything. "Extension of the withdrawal period will hardly work any hardships on the beef industry--but a total ban of DES would--and the only strong voice we've heard in defense of DES has been Dr. Wise Burroughs, Iowa State University ruminant nutritionist who developed the practice of using the hormone in beef feeding.

"Dr. Burroughs points out that at the level of 2 parts per billion, a person would have to eat a half ton of liver a day to receive a therapeutic dose.

"(DES is a commonly used hormone in medicine. A dose of 2 mgm daily is often given to women suffering from menopausal symptoms and has not been demonstrated to produce cancer.)

"Dr. Burroughs also pointed out that some animals have this level of stilbestrol in their liver as a result of natural estrogenal activity.

"None of the newspapers carrying the scare headlines have bothered to point out any of these scientific facts.

"Nor, in their devotion to consumerism, have they pointed out the benefits of DES. Since 1954, more than \$1 billion in feed savings have been realized through the use of DES. The hormone is now being used in 80-85 of all cattle being fed in U.S. feedlots.

"If cattlemen had to stop using DES in their feeds, they'd have several options for coping with the situation in order to produce the same amount of beef.

"However, the alternatives would lead to higher prices for beef and an additional cost to

Winter Keeps Grip Here

The weather continued to be unsuitable for outdoor activities during the past week, for the most part.

The area was enveloped in an ice storm all day last Wednesday, and also early Thursday.

No major traffic mishaps were recorded, which was exceptional, considering the icy conditions. However, a Friona man did suffer a broken leg early Wednesday.

The weekend brought fair weather, although fields still were too wet for farm machinery to be used. Then on Tuesday, a new front again brought snow flurries, although the accumulation was light. Tuesday found the area enveloped in a fog, and this condition remained throughout the day, until snow flurries began about mid-afternoon.

Big, downy flakes fell for several minutes, but due to the ground temperature, the ground did not cover at Friona.

However, the additional moisture, and moist conditions stalled off the delayed harvest even more.

Some maize remains unharvested, and a major portion of the cotton, and a great deal of the sugar beets are as yet unharvested.

Plant, Union Facing Deadline On Contract

With the neighboring Wilson Packing plant at least temporarily closed, Friona's Missouri Beef Packers faced an obstacle this week, as the company's contract with Amalgamated Meat Cutters and Butchers Workmen of North America, P-777 was set to expire at midnight Wednesday.

Negotiations, which began some three weeks ago, were continuing between the plant and union officials this week, as they attempted to come up with a contract suitable to both parties prior to the deadline.

The meat cutters at Missouri Beef have been working on their old contract three years as of Wednesday, December 15.

The plant was operating normally the first of the week. McLean stated that the closing of the Wilson plant would probably have little effect on Friona's MBP plant. "Natu-

United Fund Drive Now In Full Swing

The Friona Area United Fund drive continued in full swing this week.

General Chairman Steve Bavousett urged all UF workers to proceed with their contacts, so that the drive may be completed as quickly as possible.

Bavousett said on Tuesday that actual deposits for the 1971

drive amounted to only around \$1,000. "However, there undoubtedly has been much more than this collected, but not turned in and deposited as yet," Bavousett said.

Another problem has been the weather, which has curtailed collections considerably. The country roads have been wet, and this has hampered the work in the rural areas.

The goal for the 1971 United Fund drive is \$6,450, which is the same total as the 1970 drive.

Organizations benefitting from the United Fund include the Girl Scouts, Boy Scouts, Salvation Army, U.S.O., Texas United Fund and local emergency fund.

Skin Disease Affects Area

The scabies problem which has caused several area counties, including Parmer, to be placed under quarantine, may cause area feedlots a good deal of extra work, which in the long run is useless.

"Scabies is a skin disease, and doesn't affect the meat at all. Since all of our animals go into the packing plants, I can't see why all the fuss is being made," says Earl Elam, manager of H-Plains Feed Yard.

The usual entering health procedures used by the feed yards should serve to eliminate scabies, should an animal be affected.

SPEAKER NAMED

Chamber Sets Banquet; Board Election Called

The Friona Chamber of Commerce announced the date and the name of the speaker for its annual banquet, and set the wheels in motion for the election of four new directors, at the monthly board meeting Tuesday morning.

The annual banquet will be held the evening of February 29, 1972. Speaker will be J.H. Gilie, who is the public relations

official for Phillips Petroleum Company.

Committees were appointed to organize the other facets of the annual banquet.

Ballots are to go into the mail this week for the election of four new directors to the Chamber's board.

Eight names will be on the ballot. They are Carrol Gatlin, Don Huckabee, Dale Cary, Gay-

lord Maurer, M.C. Osborn, Ronnie George, A.L. Outland and Floyd Reeve.

The four board members whose terms are expiring are Carl Schlenker, Dr. Jon M. Roden, Ralph Shirley and Marc Houser. Holdover directors are Wendell Gresham, Ray Murphree, Glenn E. Reeve, Jr., Ron Davenport and H.K. Kendrick.

In other business, the directors discussed the printing of city maps, which could be distributed in the chamber and city offices, as well as other possible locations.

The directors voted to do-

late \$25,000 to Project Christmas Card, the annual drive that benefits Parmer County Community Hospital.

City Manager A.L. Outland reported that negotiations had hit a snag with certain property owners involved in right-of-way purchase for the Highway 214 overpass project, and it appeared that condemnation procedures might be necessary in some cases.

The board voted to endorse a statement by J. Fike Godfrey, executive vice president of the West Texas Chamber of Commerce, to the Texas Air Control Board.

Friona Visited By Army Helicopter

Friona's Benger Air Park was visited last Saturday afternoon by a CH-47 Chinook Army Cargo Helicopter.

The helicopter, commanded by ISG T.A. Cowan, was mixing a training mission with a business stop in Friona. Cowan, who is the father of Mrs. Calvin Dozier of Friona, was picking up some supplies for his National Guard armory in Grand Prairie.

While visiting here during Thanksgiving, Sgt. Cowan purchased two freezers from Friona's White's Auto, where Dozier is employed. It was his intention to send a truck for the freezers, but in the meantime, the Saturday training mission came up, and it worked out that he could land the aircraft in Friona and pick up his goods.

Sgt. Cowan and his crew of five men were on a cross-country mission when they landed in Friona for their supplies. Sgt. Cowan is under the command of Adjutant General Ross Ayers, a Friona native. He is a mem-

ber of the 149th Battalion.

The "Chinook" helicopter, a double-protocraft, is a cargo helicopter, and is capable of carrying a jeep and 24 men very comfortably. This type of copter was used last winter when bales of hay were dropped in the Parmer area during a snow-storm.

Sgt. Cowan said the mission enabled his crew to have a firsthand view of this area from the air, and to familiarize themselves with the area, in the event that they should be called on for any such missions again this winter.

The helicopter and crew were at Benger Air Park about an hour, while the supplies were loaded.

Hospital Fund Stands At Less Than Halfway

Residents of the area are reminded of the deadline for contributing to Project Christmas Card, which is Saturday.

Jane Williams of Friona State Bank said Tuesday afternoon that the contributions stood at something over \$1,200 at that time. This is still around \$1,600 short of this year's goal of \$2,800.

"However, most of the money customarily comes in during the last few days prior to the deadline," Mrs. Williams said.

Last year, the project raised over \$3,600 for a heart monitor for Parmer County Community Hospital. This year, the money has been earmarked to pay for a new heating and cooling system for the hospital's operating, emergency and delivery rooms.

Contributors to the fund will have their names listed on a full-page Christmas Greeting in the Friona Star of Thursday, December 23.

HELICOPTER STOPS . . . A U.S. Army helicopter stopped in Friona last Saturday, while on a training mission, to secure supplies for a National Guard armory in Grand Prairie. Elvie Jennings of Benger Air Park looks the craft over.

40 YEARS AGO--DECEMBER 18, 1931

S.F. Warren, Friona's leading poultry breeder, took a number of his prize-winning Rhode Island Reds to the Slaton poultry show last week, and bore away a number of the best prizes. This is the fourth show he has attended, all with good results. The others were the Tri-State, Amarillo, South Plains, Lubbock, and Tri-County, Hereford.

35 YEARS AGO--DECEMBER 18, 1936

O.C. Jones this week announces the opening of a Dodge-Plymouth agency here at Friona, with office and show rooms at his garage on Euclid Avenue. Mr. Jones will include at his agency both sales and service, and will also carry a stock of parts for these two popular makes of cars. Mr. Jones is a member of our city commission and one of our prominent machinist citizens.

30 YEARS AGO--DECEMBER 19, 1941

Parmer County farmers are being urged to check over their farm machinery at once in order to see what necessary repairs can be made before spring planting; and then get their order for repairs and parts in the hands of their dealers at the earliest possible moment. Farmers also have been asked to assist in the national scrap iron collection campaign, to help supply iron and steel scraps to speed war industries.

25 YEARS AGO--DECEMBER 13, 1946

At a regular meeting of the city commission on Monday night at the city office, the city officials decided that the city was in need of an official Nightwatchman, and accordingly, C.M. (Charley) Jones was secured for the position. His appointment was made to become effective at once.

County commissioners F.T. Schlenker of Precinct 2, and W.H. Flippin of Precinct 1, accompanied by Mrs. Schlenker and Mrs. Flippin, spent a part of last week at San Antonio, attending the state convention of County Judges and Commissioners.

20 YEARS AGO--DECEMBER 13, 1951

"This wagon last hauled cotton in 1917, so it ought to get the job done now!" remarked Elmer Euler last week when he brought in a load of his cotton via wagon to the North Plains Gin at Friona. Euler is realizing from one-half to three-fourths bale per acre on his 320 acres planted to cotton southeast of Friona.

15 YEARS AGO--DECEMBER 13, 1956

The Friona Greenband Farm Skills team placed first in the state contest which was held last weekend at Huntsville. The skill which the team demonstrated was debarking poultry. They removed a portion of the upper mandible of the beak. Members of the team are Ronnie Wood, Don Clements, Jimmie Balmum and Gerald Daniel. They were accompanied to Huntsville by J.T. Gee, chapter advisor, and Gerald Floyd.

10 YEARS AGO--DECEMBER 14, 1961

Friona shoppers will take home 60 turkeys which will be given away in the giant drawing Saturday afternoon in the City Park. Merchants will be distributing tickets to the drawing at their respective businesses. Holders of the winning tickets must be present to claim their turkeys. The event is sponsored by the Friona Chamber of Commerce.

5 YEARS AGO--DECEMBER 15, 1966

Baker Duggins, counselor for the Friona school system, has been invited for a three-day trip to the United States Military Academy December 18-21. The academy is paying for expenses, which will enable Duggins to serve as a field consultant for the West Point Academy in this area.

LOCKWOOD 2100 LOCK-IN-LINE SYSTEM

- The Lockwood 2100 teams up—
- LOCK-IN-LINE—the most automated tower alignment available, holds tower paths to essentially a single wheel width without frequent in-field adjustment.
 - Totally enclosed final drive
 - Electric drive for infinite watering speeds, wet or dry operation, forward and reverse pivoting
 - Safe, reliable 110 volt control circuits
 - Extra floatation of streamlined tower design and mainline cable suspension
 - Lockwood's engineering leadership, which has served specialized agriculture since 1935
- There's a Lockwood Irrigation System for every need and locale—the "Terrain Reading" 2200 Flexline System—the "Low Profile" 6' Mainline 2100 Unit and the 2300 Electric—a true competitor of oil and water units.

Pause and Reflect

By Nelson Lewis

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the Sands of Time.
Only the events of a far distant future coupled with an accurate chronicle of our times will determine Richard Milhouse Nixon's degree of greatness.
Whatever acclaims his devout followers may declare in his favor or however dark his opponents may color his motives, one facet of his presidency will remain forever engraved upon our lives and our memories—his appointments to the Supreme Court veered the course of the Ship of State away from a collision course with domestic disaster into the relatively calmer waters of Constitutional Government.

Being granted a seat on the Supreme Court is not only the highest honor that can be bestowed on a citizen it is also a burden of awesome responsibility.

No body of men, no matter how carefully selected, can render decisions pleasing to all of two hundred-twenty million people.

One hundred eighty years ago the authors of the Bill of Rights recognized the perils to be faced by an emerging nation and very sensibly included in the first amendment the right to dissent.

Suppose we the people accepted without comment every opinion, law, rule, guideline and regulation pouring forth from Washington, D.C.

What would become of our freedom of choice?

We would be a nation of men and not of laws.

Our fate could parallel that of Germany under Hitler, Italy serving Mussolini, Cuba obeying Castro, China following Mao, or Russia subjugated by the four percent of its population who carry Communist party member cards.

However much we may deplore certain interpretations of our constitution we must bear in mind that our system of "three branches" and the built in "checks and balances" remains a model for all newly-formed governments.

We proved the system would work even if we do have a knock-down, drag-out, family fight every four years.

Many times we have been warned that our demise as a nation will not come from outside forces.

The course of internal evils is of such enormous magnitude that the selection and approval of stalwart statesmen to the high court cannot be overestimated.

Let us hope that President Nixon has chosen wisely and well.

Baptist Church Sets Music Program Sunday

The Church Choir of the First Baptist Church, Friona, will present the Christmas Cantata, "The Greatest Story Yet Untold" Sunday evening at 7:00 p.m.

Eugene Clark, a complete invalid, wrote the cantata by dictation to a secretary. The cantata presents the true story of Jesus' birth—the Saviour of people and challenges Christians to be Christ's witnesses around the world.

The music will be under the direction of Bill Myers, the church's Music Director. Soloists include Mrs. Janet Lloyd, Mrs. Jo Witten, Carrol Gatlin and Bill Myers. Accompanists for the performance will be Mrs. Eva Miller and Gary Mingus.

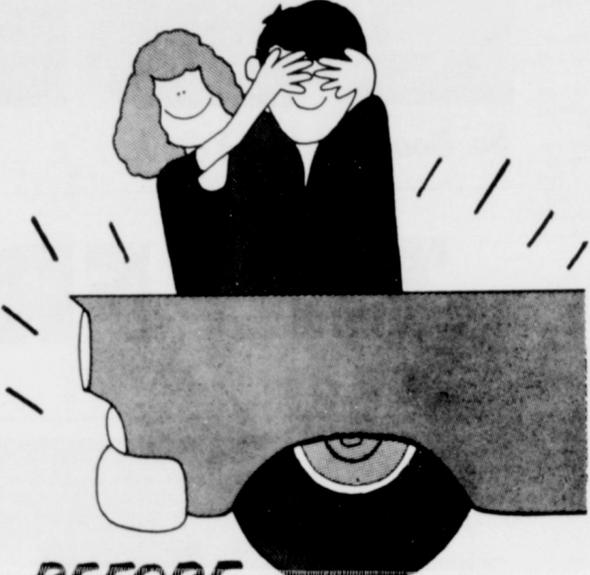

Myers and the Choir cordially invites the public to attend the music.

Two FHS Bandmen Make All-Regional

Two Friona High School band students have qualified at the regional level to advance to area try-outs for the All-State Band. Janice Hayes will represent the region on piccolo and Gary Mingus will advance to area try-outs on trombone. In addition, Hope Mays qualified as first alternate on clarinet.

Area try-outs are in Lubbock on January 22. If the students qualify at these try-outs, they will be in the All-State Band and attend the Texas Music Educator's Association Convention to be held in Fort Worth, February 9-11, for the purpose of participating in the All-State Concert.

Gary Mingus qualified for All-State last year as a sophomore. He was Friona's first All-State band student. Janice Hayes and Hope Mays are both freshmen.

Mrs. Rury's Rites Held

Funeral services for Mrs. Roma Rury, 65, who died at her Bovina home Friday, were conducted from Bovina Church of Christ at 2:30 p.m. Monday with Cecil Bunch officiating.

Mrs. Rury, who was a native of Eldorado, Oklahoma, was a member of Bovina Church of Christ.

She is survived by three sons, Orlando Rury of Austin; Don Rury of Clovis; and Jimmy Rury of Lamesa; two daughters, Mrs. Muriel Stowers, Bovina, and Mrs. Jan Gamble, Amarillo; one brother, Lowell Hale of Yuma, Arizona; one sister, Mrs. Wilma Hankins of Wichita Falls; 19 grandchildren and 14 great-grandchildren.

Pallbearers were Bobby, Roy Lee, Jimmy Don and Gaylord Stowers, Dave Emmons and Robert Gamble.

Burial was in Mission Garden of Memories Cemetery at Clovis with Claborn Funeral Home in charge of arrangements.

Father Of Frionan Is Buried Sunday

Funeral services for W.G. Swain, 75, of Brownfield were conducted from First Baptist Church there at 2:30 p.m. Sunday with Rev. Pat Cummings, pastor officiating.

Swain, who was the father of Mrs. Ray White, Friona, died at Brownfield General Hospital at 4:15 a.m. Saturday following a long illness. He was a farmer and a stucco and cement contractor prior to his retirement.

Other survivors include his wife, Rena; one son, Graham Swain, Brownfield; three daughters, Mrs. Estell Clark, Lubbock; Mrs. Billie Brian, Del Rio, and Gladys Swain, Brownfield and nine grandchildren.

Burial was in Terry County Memorial Cemetery.

**Yule Log Among
Oldest Customs**

The Yule Log's beginning can
be traced centuries back. It is
generally believed that the tra-
ditional burning of the Yule Log
was handed down to Scandina-
vian countries from English-
speaking countries.

The Scandinavian feast of Win-
ter Solstice was observed by the
kindling of huge bonfires to the
god Thor. In England the Yule
Log was burned amidst great
noise and song. The large castle
estates had minstrels to sing to
the log, but where no minstrels
were available, it was custom-
ary for the family members to
salute the log themselves.

Because of our modern living
conditions the burning of the
Yule Log here in America is vir-
tually non-existent.

DOOR PRIZE... Carl Schlenker, president of the Friona Ex-Students, and Mrs. John Renner, display the pretty Chieftain blanket that will be given as a door prize at the annual meeting of Friona exes on Sunday, December 26.

**Friona Exes To Hold
Meeting December 26**

The annual get-together of
Friona High School ex-students
and teachers will be held on Sun-
day, December 26, at 3 p.m. at
the high school cafeteria, ac-
cording to Carl Schlenker, pre-
sident of the exes.

Coffee and doughnuts will be
served.

Officers other than Schlenker
are Lloyd Mingus, vice presi-
dent; and Mrs. Cordie Potts,
secretary. Mingus is due to
become president, and Mrs.
Potts will be elevated to vice
president. A new secretary
will need to be elected.

Residents are urged to tell
former students and teachers of
the meeting, especially if
they are in contact with those,
or correspond with some, who
might not otherwise hear of the
meeting.

All former students and teach-
ers are urged by Schlenker to
attend the meeting, which
will feature a short business
meeting, election of new offi-
cers, and a drawing for a door
prize.

The door prize is an all-wool
"Chieftain Blanket," to be au-
arded to someone attending the
event. A survey will also be
held to determine the person
coming the farthest distance to
attend the meeting.

Merlin Mystery Show

Set Here Thursday

**FIX UP OLD
TOYS, TREAT
YOUNGSTERS
IN HOSPITALS**

When all is said and done,
there is no gift quite as won-
derful as giving of yourself.
For whatever reason the Cre-
ator may have, when we give
our energies, our hearts to
something or someone else,
we share the joys perhaps to
greater degree than the re-
cipient.

This Christmas plan to
bring a little happiness to
the less fortunate, not by
means of a check (though
that is very welcome, too)
but by means of personal in-
volvement.

The Great Merlin Mystery
Show will be performed at 8
p.m. Thursday, December 16 at
the Junior High Auditorium.
Admission to the show is \$1.00
for students. Adult tickets are
\$1.00 if purchased in advance,
or \$1.50 at the door. The pro-
gram is sponsored by the Fri-
ona High School Fund.

The Great Merlin will attempt
to answer such questions as
"Are there really such powers
as E.S.P., mental telepathy and
clairvoyance?" and "Can the
veil of the future be lifted so
that we can catch a glimpse of
the unknown?"

Merlin absolutely disclaims
any supernatural powers and
answers questions, as he says,
simply through extra-ordinary
development of his natural psy-
chological faculties. Of course
this may be perfectly natural for
Merlin but absolutely superna-
tural for others less wonder-
fully endowed.

Merlin will also present many
of his famed hypnotic demon-
strations including mass hypno-
sis using volunteers from the
audience. He will cause a per-
son to become intoxicated on a
glass of ordinary water; ano-
ther to eat an onion believing
it to be a peach. Those who
volunteer to be hypnotized will
feel the weather change from 40
degrees below zero to 120 de-
grees above zero, all in the twink-
ling of an eye.

Merlin has amused and be-
fuddled audiences for years by,
among other things, reading the
minds of people right in their
own seats in the audience. It
is said that Merlin's mental
powers are 100 years in advance
of our time. His demon-
strations include the answering
of questions submitted to him by
people in the audience. Appa-
rently he receives the questions
as a form of mental vibration
and then answers the questions
according to visions that he sees
in a crystal ball.

After it's all over, the vol-
unteers remember the demon-
stration as though it had taken
place in a dream. Merlin who
often hypnotizes individuals
with a single glance, claims that
if you can concentrate he can
read your thoughts and hypno-
tize you. Curtain time is 8 p.m.
Thursday.

**Senior Citizens To Be
Feted With Luncheon**

The Friona Ministerial Alli-
ance is sponsoring a "Get To-
gether" for the Senior Citizens
of this community, on Tuesday,
December 21, beginning at 11
a.m.

It will be the first of what
might be an organized group for
Senior Citizens within the com-
munity.

For convenience of location,
facilities and a floor even with
the outside ground, the meeting
will be held in the Fellowship
Hall of the Union Congregational
Church.

A time of games, dominoes,
knitting, visiting, etc., will fol-
low the business of further or-
ganization, a devotional and lun-
ch. It will conclude at any
time one desires to return
home.

The lunch is to be provided
by those attending by way of
bringing a covered dish of their
choice. No direction is given
here as this type of meal will
work out very well.

"Also, we want to encourage
the many in our community who
may not have access to prepar-

Business & Professional Review

Leonard Coffey and Melissa Pruett

Leon Coffey

**City Body Shop Now
In 21st Year In Friona**

When Clovis Fender and Body Works decided to expand in 1949, and Leonard Coffey was sent to manage its Friona office, this turned out to be a new business for Friona.

Coffey had begun working for his cousin, F.H. Paschal, in 1944, at Clovis Fender and Body Works. In 1949, Paschal learned that Clarence Fallwell, who previously operated a body shop here, was going out of business, and decided to expand.

Coffey was sent to Friona to run the business. "I didn't like the idea at first, but it soon became apparent to me that Friona was a growing town, and after about six months, I bought my cousin out, and was in business for myself," Coffey says.

Today, City Body Shop is a partnership between Leonard and his brother, Leon. Leon, the younger brother, worked for the company here from 1952 to 1955, when he moved to Snyder for five years.

In 1960, Leon moved back to Friona and became a partner in City Body Shop.

Leonard remembers that George Brock was one of his first local customers.

"We had done some work for him in our shop at Clovis. When he learned we had out in a body shop in Friona, he welcomed us to town, and said he'd be happy to bring us his business here. He also urged us to attend church, and was instrumental in our starting to attend First Baptist Church," Coffey recalls.

City Body Shop had its beginning in the W.M. White building on east Highway 60. It was located at that place until the building had a fire in 1950. He shared the building with M.H. Sylvester's garage, which was almost totally destroyed.

Coffey credits the Friona Volunteer Fire Department in saving his equipment.

After the fire, City Body Shop moved to the 500 block of Euclid in a building then owned by Eric Rushing. In 1961, the Coffeys bought the property. Then in 1967, they built their new 40x90-foot building at the corner of Fifth and Euclid.

The Coffeys have seen several changes in their business in the 22 years they have been involved in it. A major change has been in the way automobiles are built. Cars used to have protruding fenders—but not today.

"I think cars are built a lot better than they used to be," says Leonard, pointing out that it is nothing these days for a car to be driven over 100,000 miles. This was considered quite an accomplishment a few years ago.

In 1956, City Body Shop added automobile air conditioning to its list of services provided. This was about the time that air conditioning came into its own in the automotive industry.

Other facets of the business, auto glass, and painting, go hand-in-hand with regular body work.

From an original staff of two, City Body Shop has grown to one of seven today, which includes two Distributive Education students.

The Coffeys, even prior to the school's Distributive Education program, have always had some high-

school age boys employed. They have trained several boys along the lines of auto body work, and some have made it a career.

Leonard Coffey was born at Ralls, and attended school at Melrose, N.M. While in Friona, he has belonged to the Friona Lions Club and currently is on the loan committee of the Friona Texas Federal Credit Union.

Leonard and his wife Thelma have had three daughters graduate from Friona High School. They are Carol, Kay and Becky. Now, they have a fourth daughter, Kellianne, who is two.

Leon Coffey was also born in Ralls, and went all through school at Melrose, where he was a state officer in the FFA chapter in high school.

Following his graduation from high school, Leon spent two years in the U.S. Marines. After he came to Friona, he married the former Laura Nell Hardesty. They have two children—Roger, who is 11, and Janice, nine.

Leon is an original member, and secretary of the Friona Four-Wheelers.

"Nevertheless, a band of consumer, environmental and welfare organizations has already filed suit in Washington asking the federal district court there to ban the feeding of DES to cattle and sheep. The group accuses the government of failing to protect the public from misuse of DES.

"If the script sounds familiar, you're right. You've read it before. Only the initials have been changed."

Our children, like most everyone's, are beginning to watch the Christmas specials on television. Sometimes, as you know, the actual programming doesn't follow the TV log to the letter. A recent night seemed to be particularly plagued with this problem.

After about the third attempt to find a program that was supposed to be coming on, mother threw up her hands in disgust. Son Stanley tried to soothe her: "They're just not following the menu tonight, Mother," he explained.

Eighth Grade Girls Second At Muleshoe

The Friona eighth grade Maidens placed second in the Muleshoe tournament last week, winning over Olton, 41-20, but falling to Dimmitt in the finals, 26-23. This was their first loss of the season.

Nanette Fallwell and Terri Patterson tied for scoring honors against Olton, and Miss Patterson scored 17 in the Dimmitt game for high honors. On Monday in the local gym, the girls avenged their loss to Dimmitt with a 32-23 win, as Terri Patterson again led the way with 20 points.

The Maidens are now 9-1 for this season. Last season as seventh graders, the team was 12-2, with their only losses being to eighth grade teams in the local tournament.

Band Sets Xmas Music

The Friona High School band has scheduled a Christmas Assembly program at the high school gymnasium on Friday at 8:45 a.m.

Both the band and stage band will play, according to Charles Faulkner, director. The public is invited.

Girls Second; Boys Fourth In Tullia Tournament

The Friona girls won second in the Tullia tournament by losing to Canyon in the finals by a score of 53-43. Friona won their first two games in the tournament by downing Clarendon 81-23 and Idalou 63-32. Diane Day, Friona's top scorer, got a badly sprained ankle in the Idalou game which hurt the entire team by her being slowed for the finals with Canyon. Turnovers were a big factor in the Canyon game.

The Clarendon game was a runaway from the beginning with Friona scoring the first twelve points and held a 26-4, first quarter lead. Friona's entire team saw action in the game with the reserves playing all of the last half. Friona's longest lead was the final score of 81-23. The closest Clarendon ever came to Friona was their first basket with 4:12 left in the first quarter which gave Friona only a ten point lead, 12-2.

The Idalou game started off fairly slow but caught momentum as it went along. Friona took the lead and never trailed in the game even though Idalou pulled within one point three different times, 3-2 with 5:31 in first quarter, 5-4 with 3:37 in first quarter and 7-6 with 3:09 in first quarter. This was Idalou's first loss of the season.

Friona took the lead in the Canyon game on a basket by Patricia Phipps with 50 seconds gone on the clock. Canyon took the lead 5-4 with 5:58 left in the first quarter and never trailed even though Jill Riehmayer tied it at 5-5 on a free throw with 5:51 left in the first quarter. Canyon took a 15-8 first quarter advantage. Friona pulled within one (19-18) with 4:10 left in the first half. Canyon's longest lead was ten points which they had twice, 51-41 with 1:22 left in the game and the final score of 53-43.

Friona was trailing by only four, 45-41, with 2:49 left in the game but three fouls on Friona and Canyon shooting one and one gave them six points that we couldn't get back.

Canyon had beat Muleshoe, 65-28, and Slaton, 67-50, to get to the finals. Slaton beat Idalou, 55-38 to take third place and Dimmitt downed Tullia, 69-56 for consolation honors.

Boys' Action

The Friona boys placed fourth in the Tullia tournament by beating Clarendon and then losing to Tullia in the semi-finals and then Dimmitt beat the Chiefs for third place.

Friona met a tough Clarendon team on Thursday and defeated them, 80-66. Friona fell behind in the first quarter after tying it at 2-2. Ronnie McPherson tied the game at 20-20 with 7:36 left in the first half. Clarendon then made the next nine points to have their longest lead of the game. Friona took their first lead of the game, 32-31, on a basket by Kevin Wiseman with 3:32 in the first half. James Bartlett hit the basket for 25 points in the first half to give Friona a 44-35 halftime score. He finished with 34 for the game. Friona's

longest lead of the game was 21 points, 75-54, with 5:29 left in the game.

Friona met Tullia in their game Friday. Friona's only lead of the game was 6-5 with 5:39 left in the first quarter. Friona drew seven fouls to two for Tullia in the first quarter, the second quarter saw each team draw three giving Friona ten while Tullia had five. The final count was 17 fouls for each team but it was too late for Friona as the final score was 81-52 for Tullia. Tullia's longest lead was 30 points (81-51) with 40 seconds left in the game.

Friona met Dimmitt in their game Saturday for third place. Friona took a 3-0 lead, Dimmitt tied it up, again Friona took a 7-3 lead, Dimmitt again tied it up and then went ahead. Friona never led again until the third quarter when Mike Royal hit a free throw with 6:10 left in the third quarter and put Friona ahead, 33-32. This was when disaster struck, Friona scored seven points, while Dimmitt scored 19. The last quarter saw Dimmitt score 30 while Friona scored 12 leaving the final score 81-52.

Muleshoe boys won the tournament by downing Alamo Ca-

tholic 73-41 and Dimmitt 46-40. They defeated Tullia in the finals 86-60. Tullia had defeated Idalou, 86-70 and Friona to reach the finals. Idalou won consolation honors by downing Alamo, 91-84.

Seventh Grade Boys Take Third Victory

Friona's seventh grade boys won their third game of the season against one loss by beating Stanton seventh grade at Hereford Monday, December 6.

The score at the end of the first quarter was tied 4-4 on baskets by Leslie Broadhurst and Lester Aven for Friona. Five points by Lester Aven and five by Keith Martin made the halftime score 14-7 for Friona. Friona had a nine point lead at the end of the third quarter and won by the score of 25-19.

The score was tied 2-2 in the first quarter with 3:30 left on the clock and Friona never trailed in the game again.

Friona's longest lead came on a basket by Sammy Felder with 3:40 left to make the score 25-19.

Eighth, Ninth Grade Boys Win Over Stanton

Friona's eighth grade boys won their second game in four outings at Hereford against Stanton's eighth grade by a score of 32-31, Monday, December 6.

Friona took a five point lead before Stanton scored. Friona led until Stanton tied the game for the first time with 1:03 left in the first half at 20-20 which was the half time score. Stanton's only lead of the game was 22-20 with 30 seconds gone in the third quarter, 15 seconds later Davy Carthel tied it at 22-22. Stanton was able to tie the score twice more, 24-24 with 4:30 left in the third quarter and 29-29 with 2:40 left in the game, but could never take the lead.

Friona's freshmen boys won their fourth game of the season at Hereford's Stanton, December 6. This gives the freshmen a 4-0 season record. All of Friona's team saw considerable action as Friona held a 19-3 lead with 3:20 left in the first quarter. This game saw 45 fouls called and 70 free throws taken. Friona had 22 fouls and Stanton 23. Friona made 15 of 36 free throws while Stanton made 15 of 34. Friona's longest lead was 29 points, 59-30 with 1:45 left in the third quarter. The final score was 69-51.

OVER LITTLEFIELD Boys Open District Play With 73-48 Win

Friona's Chieftains won their opening conference game of the season by defeating Littlefield at Littlefield December 14 by a score of 73-48.

Littlefield took the lead with 37 seconds gone on the clock. Willie Bailey tied the score and James Bartlett got two quick baskets to give Friona a four point lead.

Littlefield again took the lead, 14-13, with 1:48 left in the quarter, and held a 16-15 lead at the end of the quarter.

The score was tied three times (18-18, 22-22 and 24-24) and changed leads three times during the second quarter. Friona took the lead, 28-27 with 1:51 left in the second quarter and never trailed in the game after this. Littlefield's longest lead of the game was three points (26-15, 18-15 and 27-24). Friona's longest lead was the final score. Johnny Bandy led the scoring with 31 points, and also led the rebounding with 15 and James Bartlett has 7 assists.

The Squaws took a 47-30 non-conference win over Dalhart Tuesday night, as a warmup to district play which starts for them Friday against Dimmitt.

Sincerely Yours

By Rev. Albert Lindley

Wow! Have you noticed how "in the Christmas spirit" everybody is getting? No, I don't mean the other kind of spirits--which I never have been able to understand why people, who sometimes drink very seldom during the rest of the year, decide that for some reason Christmas gives them a freedom to do so. . . .

But simply everybody is in the spirit of it all, I even received a mid-week bulletin from another church today which was renamed for this season: "St. Scrooge's Scribbles." Way out. . . .

Then ever since the announcer suggested that even preachers could be the KGNC-Santa Claus, I have been accused, but don't waste your dime on my phone call. . . I'm not.

I know it is time for me to put up my outside decorations, the weather got bad again. . . .

I don't know if starting to be good just two weeks before Christmas is long enough or not, but I'm at least making an effort. . . .

In the church, Christmas is a season of the year when just all kinds of things may be done or talked about.

The possible texts for messages are endless and I suppose that in itself, it is symbolic of God's endless love, "which came down at Christmas". . . but I have the secure feeling that God's love has always been with us, from the very beginning.

We are able to see it in a more graphic way when it comes in the form of something or in his case, in the form of a person. I'm talking about God's love.

You know, we can say "I love you" to our spouse and it has meaning, but when you do something to show that love, it really takes on a deeper significance.

I have the feeling that many men really love their wives but don't talk about it much and probably don't do much to show it until the birthday or Christmas rolls around, and this is great, but it would also help to express that love all year long, wouldn't it? (Boy, did I ever make points with the women there. . . .)

I heard of a church observing what they called the "Christ Gift" in which they would participate by giving a gift to the church equal to or exceeding the most expensive gift they gave at this Christmas. . . how does that grab you?

Could you? Would you?

The pastor told me that already a wife had called him about it because since her husband couldn't buy her the milk stole and give an equal amount of the gift to the church, she lost her stole. . . Ha! He is in trouble--the husband and the pastor.

I really do like the things that come so easily in the Christian church at this time of year. . . but why can't it come all year round?

Well, we all approach it differently, don't we?

What I might think is important, you might not and this too, is expressive of the God-Man relationship. (I'm going theological, now.)

What God thinks is important, we don't always like and should I say it? . . . What we think is so all-fired important is probably, often an unacceptable act in his view. . . .

But therein I see the basis of this whole idea, with God's love so wonderful and inclusive, it does call for a response.

Ever notice how "funny" you feel to receive a gift from someone and they are not on your "gift list"? Well, just think about what it is for our acceptance of his love and all, but to not respond to him with our own gifts, the gift of ourselves. . . . Yes, that ain't so funny to think about. . . .

May I leave you with the 4th stanza of a lovely Christmas hymn, IN THE BLEAK MIDWINTER?

What can I give him, Poor as I am?
If I were a shepherd, I would bring a lamb;
If I were a wise man, I would give my part;
Yet what I can I give him: Give my heart.
Isn't that lovely?

Do you? Can you? Have you? That's Christmas!

GSPA Leader Confers On Grain Legislation

Elbert Harp, Executive Director of Grain Sorghum Producers Association, Lubbock, is in Washington, D.C. to confer with USDA officials and congressmen concerning the Strategic Grain Reserve Bill and Loan Rate Increase for the 1971 feed grain crop. GSPA has actively sought a strategic re-

serve for several years to meet emergency situations. This year's large feed grain harvest has renewed the efforts of GSPA and other organizations to seek the additional loan rate increase.

The House has passed the Strategic Reserve Bill to purchase 300 million bushels of wheat and 25 million tons of feed grains for national food shortage purposes. It is expected that the Senate will approve the bill and then it will be ready for the President's signature.

An amendment to the bill would raise wheat and feed grain loans 25% for 1971 and 1972 production. This would raise the national average loan to \$2.16 cwt. for grain sorghum. A possibility exists that some revision will be announced for the 1972 feed grain program if the bill is approved.

Mr. Harp and other area officials will be conferring with ASCS officials about the possibility of planting cotton on feed grain set-aside acres for 1972. Producers who set aside 10-20% above the required set-aside of 25% would be allowed to plant cotton on this 10-20% and sell it at market price without penalty.

Barley Bases Eligible For Grain Trade

Grain Sorghum Producers Association received word this week from USDA that barley bases can be traded for grain sorghum allotments. GSPA and ASCS officials had been seeking this change.

In a letter to GSPA from a USDA official, it was reported that, "For 1972, feed grain bases may be updated by the county ASCS committee if requested by the farm operator. Barley, as well as corn and grain sorghum, will be included in the updating for 1972 and such updating will be on an acre for acre basis. Thus, feed grain producers who have changed production from one feed grain to another since the base period and intend to continue this change may have their feed grain base updated. Requests for updating may be filed with the county ASCS committee after the producer receives his 1972 feed grain base notice."

At Home In Parmer County

Jana Pronger

As the holiday season catches up with us we are usually pressed for ideas for all those meals through the season so this week I'm including salad recipes in my column from County Home Demonstration Club members.

Taco Salad--from Mrs. Walter (Martha) Schueler, Rhea H.D. Club.
1 lb. ground meat
1 can kidney beans, drained
1 small head lettuce
1 tomato
1 avocado, peeled
1 onion
1/4 to 1/2 lb. cheese
French or Thousand Island dressing

Dash Tabasco Sauce or Taco Sauce
1 pkg. Tortilla Chips
Brown meat; pour off excess fat. Add beans, set aside. Mix lettuce and tomato in large salad bowl; add cut up cheese, avocado and onion. Then add beans and meat. Toss; add salad dressing and sauce. Cr-

umble tortilla chips in salad; toss lightly. Serves 6.

English Pea Salad--Mrs. Gilbert (Bobbie) Gilliam from Oklahoma Lane H.D. Club
1 can peas
4 boiled eggs
2 carrots
radishes
celery
sweet pickles
onions
cheese
garlic salt
black pepper
Mix with mayonnaise, as dressing.

Jello Delight--Mrs. Walter (Rosie) Dittmar, Rhea H.D. Club
2 pkg. lime jello
2 cups boiling water
1 cup cold water
chill til soft, set-then add 1-13 1/4 oz. can crushed pineapple
1 small can mandarin oranges
8 oz. sour cream
1/2 cup nuts
chill til set.

S-WCD Distributing New Work Program

The Parmer County Soil and Water Conservation District is now making distribution of its revised Program and Plan of Work.

At their last meeting the board of directors accepted the printing and made plans for dis-

tribution. State and local units of government and schools were the first to receive copies.

Leon Grissom, Chairman, said copies are available to all interested persons. Copies have been placed in the banks in the county, County Agent's office, ASCS office, PCA office Friona, and are available at the Soil Conservation Service Office in Friona.

The board has devoted many hours of its time to developing this Program and Plan. It outlines their objectives as a primary source of motivation in protecting all our natural resources.

There is a brief history of Parmer County and its soil and water conservation movement. Also included is a general soil map of Parmer County, and pictures of good conservation practices being applied in the county.

In the publication, the district recognizes the need for pollution control in our urban areas, wildlife conservation and conservation education.

This comprehensive environmental publication gives an up-to-date view of what has been done in Parmer County and outlines realistic goals for the future.

Parish Re-elected To Head Grain Producers

K.B. Parish of Springlake, was re-elected Chairman of the Texas Grain Sorghum Producers Board in a meeting at Lubbock, Texas, on Tuesday, December 7, 1971. C.C. "Pap" Reed, Kress, was elected Vice-Chairman, and Larry Witten of Olton was re-elected Secretary-Treasurer of the group. Representing Texas Agriculture Commissioner, John C. White, Bob Gray swore in four new board members for a six-year term. They were: C.C. "Pap" Reed, Kress; A.R. Dillard, Hereford; Worth Jones, Hart; and Gerald McCathern, Hereford.

The 12-man producers board is charged with the responsibility of developing programs of research and market development, promotion and education for the grain producer, with the 5¢ per ton collected at the first point of sale or processing. No legislative work is carried on with these funds.

Research projects discussed were the continuance of weed studies, cattle and swine feed trials, greenbug and aphid control, breeding resistance into plants for insect control, new plant diseases now appearing on the High Plains, and the value of grain sorghum to producers.

SS Office Strives For Promptness

"The prompt delivery of social security checks to Parmer County's beneficiaries is one of the vital jobs of the Social Security Administration," J.C. Carabajal, social security Field Representative, said today.

Most delays are due to a change of address which was not reported to the social security office. In the majority of cases if the check is returned because of an incorrect address it can be remailed within 10 to 14 days providing the social security office is notified of the correct address.

The Social Security Administration uses the latest methods to insure the prompt delivery of benefit checks but some are lost or delayed every month. Any beneficiary whose check has not come by the sixth of the month should telephone the nearest social security office promptly.

The trend for the past several years seem to have been for magazines to discontinue publication. A few years ago home-makers looked forward to receiving magazines in much the same way they anticipated visits from friends.

However, in recent years, it seems that the quality of so many favorites of a few years ago has deteriorated so much that the only thing left to do is to let the subscriptions expire. In the January 1972 edition of Family Circle there is an ad for a brand new publication. The name of it is Sphere/The Betty Crocker Magazine.

I plan to become a charter subscriber. Think it will prove most interesting and informative.

Friends of Rev. Wallace Kirby, a former pastor of Friona United Methodist Church, will probably be interested in knowing that he is presently pastor of Snyder's First United Methodist Church.

This church will soon observe its 88th birthday and was organized one year before Scurry County was organized. This year's Christmas party and birthday party are to be combined.

If anyone sees a wider grin on Grandpa Tom O'Brian's face this week, don't get the impression that he isn't proud of his five granddaughters. But, after having five girls in a row, any grandpa would be doubly proud of a brand new grandson.

Tom's and Norene's daughter, Barbara and her husband, Tom Mason, have three daughters, Deena, Jan and Jeana; and their son Roy and his wife, Paula, now have two daughters, Cella and Sheila, and one son, whose name is Edward Ross. Edward Ross was born Sunday at Castro Memorial Hospital and will probably be released by the end of the week. His grandmother reported that he was "tiny" but had a good appetite.

Things at the John Renner home will be brightened for a few weeks by the presence of their youngest son, Ted. He is serving in the United States Navy and is currently stationed on the U.S.S. Midway, whose home base is San Francisco.

Ted arrived home Friday and expects to be here until a few days after Christmas.

Thanks to everyone who called last week with information requested by Mrs. Lloyd Fent, Route 1, Glencoe, Oklahoma. By now, I'm sure Mrs. Fent has the proper mailing address of her friend of long ago, Ada Parker Vaughn.

DOLLS, DOLLS. . . Mrs. W.A. Petree poses here with her little friend Joyce Romero and over 100 dolls which she has repaired and dressed ready for some little girls' Christmas surprise. Mrs. Petree specializes in old dolls and antiques which she has for sale in her home. Some of the dolls are Madam Alexander, Effenece, Ideal and Horseman just to mention a few.

STUDENTS DECORATE. . . Members of the Future Nurses organization are shown decorating windows at Farmer County Community Hospital. Those pictured are Lou Whaley, Glenna Holt and LaQuita Graham. This is an annual project of the group.

Stanley Bishops To Be Honored

Mr. and Mrs. Tommy Edwards and Charlie Bishop will host a Silver Wedding Anniversary reception honoring their parents, Mr. and Mrs. Stanley Bishop, Sunday, December 26. Co-hosts will be Mr. and Mrs. Cecil Baker, Levelland. The reception will be held from 2 to 4 p.m. at Federated Club House. Invitations are not being mailed locally, but relatives and friends are invited to attend.

SON OF FRIONANS IS HONORED. . . A master sergeant in the U.S. Air Force, Jimmy D. Armstrong, is pictured here as he received a plaque from Lieutenant General Gordon M. Graham, commander of U.S. Air Forces Japan and Fifth Air Force. Sgt. Armstrong is a weapons technician with a unit of the Pacific Air Forces. He is the son of Mr. and Mrs. D.N. Armstrong of the Rhea Community.

First Son Born To Joe Hefleys

Mr. and Mrs. Clifton Joe Hefley, 4303 19th Street, Lubbock, became parents of a baby boy at 1:57 a.m. Sunday at St. Mary's Hospital there. He was named Clifton Joe and weighed 8 lbs. 5-1/4 ozs. He is the first child for the couple.

L.G. Taylor, Muleshoe, formerly of Friona, is the maternal grandfather.

Paternal grandparents are Mr. and Mrs. Bill Hefley, Odessa.

Jimmy Armstrong Receives Plaque

Master Sergeant Jimmy D. Armstrong, son of Mr. and Mrs. D.N. Armstrong of Friona, Texas, recently received a plaque as a member of the Outstanding Load Standardization Crew of the Quarter at Kunsan AB, Republic of Korea, from Lieutenant General Gordon M. Graham, commander of U.S. Forces Japan and Fifth Air Force. Sergeant Armstrong and other crewmen were cited for their performance during operational and training missions. He is a weapons technician with a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and Pacific area. Sergeant Armstrong graduated in 1954 from North Hopkins High School.

His wife, Carmen, is the daughter of Mrs. Maria Farnes of 409 E. Ninth Ave., Hialeah, Fla.

E. S. A. Program Guests Present

The model meeting of the fall rush program of the local chapter of E.S.A. was held Tuesday evening in the home of Mrs. James Andrews.

The program was presented by Bill Dillard and John Patterson of the Mental Health Center in Plainview.

The business meeting was conducted by the president, Mrs. Andrews. Plans were made for the coming Christmas dance and the annual Christmas projects of helping with a school-room Christmas party and giving gifts to needy children. Refreshments were served by the hostesses, Mrs. Paul Galyon and Mrs. Andrews. Guests present were Mrs. Bill Nichols, Joyce Parker, Lana Grogan, Lois Norwood and Mrs. Jessie Lane. Boost office morale. Tell the boss when someone is doing an especially good job.

What Does The Bible Say?

"I will come again and receive you unto myself" (John 14:3). "... from heaven we look for the Savior" (Phil. 3:20). "... unto them that look for him shall he appear the second time without sin unto salvation" (Heb. 9:28).

The foregoing are samples of more than three hundred New Testament references to the second coming of Christ. When the trumpet sounds to herald that event, Jesus will come to raise the dead and transform the living (1 Th. 4:16-17). At that time, the resurrection of both the righteous and the wicked will occur (John 5:28-29). The Lord will then gather the nations before him and separate the righteous from the wicked as sheep from goats: the righteous shall then be rewarded and the wicked banished to everlasting punishment (Matt. 25:31ff).

Since Christ is coming to raise the dead, execute judgment, separate the good from the evil and take vengeance on the wicked and reward the righteous, rational man should prepare for that awful event with all diligence (Matt. 24:42-44).

Questions invited. Address "What Does the Bible Say?" Box 515, Friona, Texas.

Tracy, who is the first daughter for the Hardings, has two brothers, Forrest, 3 and Jimmy 1-1/2. Her grandparents are Frances Davis, Friona, and Mr. and Mrs. J.S. Alexander, Liberal, Kansas.

Sighting Robins

Popular motif on early Christmas cards was the English robin -- possibly because English postmen, who delivered the cards, in those days wore red uniforms and were often called "Robin."

1924. The reception will be hosted by Mrs. B.D. Haynes and Mrs. J.P. McCombs, sisters of the couple, and Mrs. Glen Mingus and daughters, Glenda and Vicky. Invitations are not being mailed locally, but relatives and friends are invited to attend. A request is being made that there be no gifts, please.

**The
Library
Corner**

BY MRS. VON EDELMON

The Story Hour children will have their Christmas party this Thursday. Then Story Hour will be discontinued through the holidays until January 13. Mark your calendar now so that you can remember to bring your pre-schooler for Story Hour January 13.

Due to the absence of the librarian, the library will be closed from December 24-January 3. Be sure to check out plenty of books to keep you busy during that time.

If you have books due during that period, the book drop will be available at all times.

The junior readers might enjoy reading "Christmas For Holly." A new adult autobiography we have is "Talking To Myself" by Pearl Bailey.

If you want to spend the holidays becoming informed, read "Fleeing The Lambs" about the New York Stock Exchange or "The Helicopter and How It Flies."

**Sixteen Attend
Holiday Breakfast**

A holiday breakfast in the home of Mr. and Mrs. Herschel Johnson, 208 West Fourteenth Street, Friday morning was hosted by Mrs. Johnson and Mrs. Decimae Beene.

Tables were covered with red linen cloths and centered with Christmas motifs.

Hot rolls, ham, sausage, eggs Benedict, cranberry cocktail and assorted jellies were served with hot rolls, butter, coffee

and cold drinks. Others present included Mrs. Pearl McLean and Kathy; Mrs. Carl Schlenker and Carleen; Mrs. Tom Pruett, Melissa and Priscilla; Mrs. Bill Bailey and Beverly; and Mrs. Sloan Osborn.

Also Mrs. J.C. McFarland, Mrs. Glenn Floyd, Mrs. Bob Johnson and Mrs. Wesley Foster.

**Frionans Present
Amarillo Program**

A group of Frionans, who attend Friona's First Baptist Church, presented a program at Grand Avenue Baptist Church in Amarillo Sunday evening.

Special music was presented by a sister-brother combination, Carolyn and Jimmy Murphree. Others having parts on the program were Mr. and Mrs. Earl Graham; Rev. and Mrs.

Charles Broadhurst, Lance and LaDonna; George Taylor and Lisa; Mr. and Mrs. W.L. Cleveland and Cindy and Mr. and Mrs. Curtis Murphree.

Handel's "Messiah," often heard at the Christmas season, was begun in August, finished in September and first performed in April.

MR. AND MRS. ROBERT SAIZ

**Christina Hernandez
Weds Robert Saiz**

In a single ring ceremony at St. Teresa's Catholic Church at 4:00 p.m. Saturday, December 4, Christina Hernandez, daughter of Mr. and Mrs. Salvador Hernandez, Aguascontentes, New Mexico, became the bride of Robert Saiz, son of Mr. and Mrs. Joe Saiz, 912 West Fourth Street, Friona.

Father Norman Boyd was the officiant.

The bride wore a formal wedding gown of white satin and lace. It was designed with a fitted bodice, stand up collar and bell shaped sleeves. The collar and sleeve edges were re-embroidered with pearls. Her veil of imported illusion was banded with a wide border of Alencon lace and was held in place with a lace caplet, re-

embroidered with pearls. She carried a bouquet of white carnations.

Gloria Brailiff was the maid of honor and Chayo Mendoza was the best man.

Other attendants were Mary Lou Mercado, Silva Hernandez, Norma Villarreal, Anita Quintana and Isabel Rios, who wore formals of peach, pink and blue.

Also Frankie Saiz, Seferina Villarreal, Henry Hernandez, Manuel Velasco and Tony Rios. Sponsors were Mr. and Mrs. David Mendoza, Mr. and Mrs. Filip Montoya, Mr. and Mrs. Pete Dias, Mr. and Mrs. Daniel Saiz and Mr. and Mrs. Jessie Morales. Mr. and Mrs. Saiz are at home here.

ENTERTAIN . . . Kathy McLean is shown doing a solo number as the Trebelaires entertained at the Friona Lions Club last Thursday. A portion of the group is shown in the background.

**Trebelaires Schedule
Two Christmas Concerts**

Two upcoming programs of Christmas music are on tap for Mrs. Eva Miller and her Trebelaires.

On Sunday, December 19, the group will present a Christmas Concert at First Baptist Church, beginning at 3 p.m. Then on Christmas Day, the group will present a program of music on KGNC-TV, Channel 4, beginning at 11:30 a.m.

In addition to vocal numbers by the entire group, there will be solos, duets and ensemble numbers in the concert. The public is invited to attend.

Members of the group this year are Carolyn Murphree, Lisa Taylor, Nancy Martinez, Ann Hurst, Cindy Barnett, Carleen Schlenker, Sally Kendrick, Kathy McLean, Vickie Pryor, Debbie Benge and Dorothy Johnston.

**Trebelaires Present
Study Club Program**

Highlight of the Tuesday evening meeting of Modern Study Club at Federated Club House was presentation of vocal selections by The Trebelaires, directed by Mrs. Eva Miller.

The group presented "Do You Hear What I Hear," Regney and Shayne; "The Little Drummer Boy," Simeone-Davis-Onarati; "Some Children See Him," Burt; and "A Jingle Bell Traveogue," arranged by Gearhart.

The opening prayer was led by Mrs. Bill Stewart.

Each member brought gifts to be sent to the State Hospital at Wichita Falls.

Other guests were Dena Short, Mrs. Doyce Barnett, Mrs. Curtis Murphree, Mrs. Pearl McLean and Mrs. Carl Schlenker.

Refreshments were served by the hostesses, Mrs. Dave Thompson and Mrs. J.T. Gee.

16 Wrecks Investigated

The Texas Highway Patrol investigated 16 accidents on rural highways in Parmer County during the month of November, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and five persons injured.

The rural traffic accident summary for this county during the first eleven months of 1971 shows a total of 135 accidents resulting in four persons killed and 74 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety for November, 1971, shows a total of 576 accidents resulting in 20 persons killed and 292 persons injured. This was 19 less accidents, one more fatality, and two less injured than during October.

The 20 traffic deaths for the month of November, 1971, occurred in the following counties: Hockley, four; Lubbock, Palo Pinto, Hansford and Oldham, two each; Bailey, Carson, Childress, Lipscomb, Moore, Terry, Wheeler and Willbarger, one each.

Tips For Goodwill Business Gift-Giving

Wives who help their husbands in business, and office secretaries, both face a confusing task about now. It seems their leaders suddenly remember Christmas and business gifts are yet to be selected, wrapped and given.

Here are eight helpful pointers from the Specialty Advertising Association, to turn that particular chore into a pleasure.

1. Business gifts are goodwill ambassadors; they should be modestly priced items given to show appreciation and serve as a "thank you" in business relationships.

2. Each gift's value should be proportionate to the importance of each recipient, such as employees, prospects or customers. Extravagant gifts are inappropriate and are considered in poor taste.

3. Choose only the highest quality gift possible, considering overall budget limitations. They should be useful, durable and dependable.

4. Choose your gifts individually, considering the tastes of each group of recipients, or... preferably... of each individual recipient.

5. Personalize each gift with the recipient's name or initials, when possible.

6. Package each gift attractively and securely.

7. Deliver each gift with a flair personally, when possible, or by special messenger. It's also a good idea to have them presented at the recipient's home rather than his office. If in-person or messenger delivery is out of the question, accompany each gift with a personally written note, or at least a greeting card in good taste.

8. When considering specific gifts, keep in mind the recipient's family. There's a trend toward selecting gifts the entire family will enjoy.

Gifts may range from modestly priced cuff link and tie-tack sets, glassware, wallets and automobile compasses to higher priced items, such as gourmet food assortments packaged in reusable containers, an electric drill set, a leather desk set, electric mixer or luggage pieces.

Your best bet in selecting the proper gift quickly and painlessly is through a business gift counselor. You can find these trained experts by looking up Advertising Specialties in the yellow pages of your phone book. Any of these experienced people will be glad to come to your assistance.

TINY PACKAGE

There has been a saying that "good things come in small packages," and exciting Christmas gifts are no exception to the rule. What bigger and more thrilling gift could you possibly give to a loved one than the whole wide wonderful world of sound, packaged in a tiny, modern, transistorized, miniaturized hearing aid, weighing barely an ounce! Don't let someone you love turn a deaf ear to Christmas—this year give a sound gift.

Holiday Apron

Looking for an inexpensive Christmas gift you can make yourself that people love to receive? Virginia White, fashion consultant for the Faultless Starch Company, suggests making colorful hostess aprons quickly and easily. Use festive holiday reds and greens. Simply take a half yard of cloth for each, hem the bottom, gather the top, and sew it to a matching or contrasting waistband made of two yards of two-inch grosgrain ribbon. A whisk of spray on starch and a touch of the iron is the finishing touch to make the apron gift-perfect!
