

FORMER PRESIDENT PAUL DESCHANEL OF FRANCE DIES FRIDAY

SUCCUMBS TO AN ATTACK OF INFLUENZA AT PARIS HOME.

ILL FOR SEVERAL MONTHS FOLLOWING RESIGNATION

Condition Had Improved Steadily And It Was Thought He Had Fully Recovered.

By Associated Press.

PARIS, April 28.—Paul Deschanel, former president of France, died this afternoon.

M. Deschanel was taken ill with influenza a few days ago, and on Wednesday it was announced that complications had developed and his condition was serious.

After his resignation from the French presidency in September, 1920, M. Deschanel was ill for several months. His condition improved steadily and late that year it was announced he had completely recovered his health.

Paul Eugène Deschanel, 10th president of France, entered upon a seven-year term in that office on February 18, 1920, after having been chosen by the national assembly the preceding January by the biggest majority since the election of Thiers, the first president of the present republic.

Madame Deschanel was formerly Miss Germaine Brice, daughter of Rene Brice, member of the chamber of deputies for Lille-et-Villaine.

The campaign had been most sensational and bitter. M. Clemenceau, then at the height of his power as the French war premier and one of the negotiators of the treaty with Germany, was up until a few days ago before the election, believed to be the only candidate who had a chance for the office.

On May 24, 1920, a few months after taking up his residence at the Elysee Palace as the successor of Poincaré, President Deschanel was on his way at night from Paris to Montbrison to dedicate a monument, fell from a moving train while attempting to take a window in his sleeping compartment. He was supposed to have been only slightly injured. Thereafter, however, the health of President Deschanel almost daily solicitude for his recovery.

For nearly 45 years M. Deschanel had been in French public life. He was president of the chamber of deputies when elected to the highest post as first citizen of France. Previously he had been head of the French parliamentary commission on foreign and colonial affairs, and in a speech at Paris the first year of the war he declared there could be no neutral ground when the nation itself is at stake.

M. Deschanel was born in 1827 in Brussels, to which city his father went after being exiled from France in 1851 for having published a pamphlet entitled "Catholicism and Socialism." When he was two years old the boy returned to France with his father, who was pardoned by an act of amnesty.

Following a recantation of his views. The young man was educated in Paris and when only 20 years old he entered the public service, becoming secretary to M. de Marcere, then minister of the interior. He became secretary to Jules Simon, president of the council in the following year and served until 1895 when he was elected member of the chamber of deputies from the department of Eure-et-Loire. In 1898 he was named vice president of that body and two years later was elected president, a position he held until 1902 when he was defeated for re-election.

M. Deschanel was later appointed president of the parliamentary commission on foreign affairs and colonies, his work in that body continuing until 1909. In April, 1910, M. Deschanel returned to the chamber, becoming its president in 1912. He remained in the chair continuously until his election to the presidency. In 1918 he was urged to become a candidate for president against Raymond Poincaré, but polled only 18 votes at the election. In the midst of his political and public labors, M. Deschanel found time to write a number of works on political and social problems.

Madame Deschanel was formerly Miss Germaine Brice, daughter of Rene Brice, member of the chamber of deputies for Lille-et-Villaine.

CHARGE DOCUMENTS CONNECT KLAN WITH CALIFORNIA OUTRAGE

LOS ANGELES, April 28.—Conferees looking toward the empanelling of a grand jury to investigate activities of the Ku Klux Klan in Los Angeles county were planned for today by Thomas L. Woolwine, district attorney, and judges of the superior court.

While the conferences were in progress deputy district attorneys and attaches of the sheriff's office were expected to continue their examination of the documents. The documents, seized Wednesday at the local headquarters of W. S. Cojurn, grand goon, Pacific domain, Knights of the Ku Klux Klan.

According to Mr. Woolwine, evidence has been obtained from the confiscated articles definitely linking the Los Angeles headquarters of the Klan with "the recent outrages" at Inglewood, a suburb of this city, and at Bakersfield and Taft, in Kern county.

Mr. H. E. Baskin, secretary of the chamber of commerce, SEYMOUR, TEXAS, April 28.—At the regular weekly luncheon of the Seymour chamber of commerce held here today, H. E. Baskin of this city was employed in the capacity of secretary.

Miss Annie Webb Blanton, state superintendent of public instruction, and here in the interest of her campaign to congress to fill out the unexpired term of Lucian W. Parrish, was an honor guest at the luncheon and delivered a happy and pleasing address, remarking among other things that Baylor county's highways were among the very best in the state. Miss Blanton did not discuss politics.

HASKELL, TEXAS, April 28.—Beginning Tuesday afternoon about 3 p. m. and continuing all night and until 4 p. m. Wednesday afternoon, making more than four inches of rainfall, the country is thoroughly saturated and has the best season for many months. Crops promise to be the best for several years as most all ground has been prepared and conditions good for planting as soon as the ground is dry.

LA FOLLETTE MAKES ATTACK ON LEASES; FALL IS CRITICISED

WASHINGTON, April 28.—Senator La Follette, republican, Wisconsin, attacking leases of naval oil reserve lands in the senate today declared the reserves were being "scrapped in behalf of specially favored private interests." His speech was in reference to leases recently made by the interior department in the Teas Dome, Wyoming, reserve to Sinclair oil interests.

The Wisconsin senator contended that the department, in making the leases, was granting special favors to individuals, public properties worth hundreds of millions of dollars which belong to the people. He urged the adoption of his resolution calling upon the administration for all facts and documents regarding the Teas Pot dome leases.

Secretary Fall of the interior department was attacked by Senator La Follette as the "ablest opponent of the policy of conservation established under Roosevelt."

In all his public career, Senator La Follette said, Secretary Fall was not conspicuous as a guardian of naval reserves. The value of the Teas Pot dome reserve was estimated at \$200,000,000 by the Wisconsin senator who declared that the only reason advanced by the interior department for the lease was the alleged danger of depletion by drainage from adjacent private oil wells.

MOTIONS FOR NEW TRIAL OVERRULED IN CASES OF TWO NEGROES AT WACO WACO, TEXAS, April 28.—Motions for new trial in the cases of Benjie Young and Cooper Johnson, negroes, convicted of charges of murder, were overruled by Judge Munroe in the 4th district court today and attorneys gave notice of appeal in both cases. Young was charged with killing Homer Turk, and Johnson was given the death penalty for the murder of Mrs. W. H. Barker, both being murdered at Concord, this county, February 11. Young was given 99 years. The negroes are in jail at Waxahatchie.

first began organizing in Texas and have always made it a point to express my condemnation of organizations of this character. I have recently empaneled a grand jury in my court in Wichita county for the specific purpose of investigating the activities of the Ku Klux Klan in that county and to ascertain whether or not any public officers in that county were members of this organization and I instructed the grand jury that in the event they found any officers who were members of the organization that they should be reported to me and I would entertain proceedings for the purpose of removing such officers.

"This investigation created widespread comment and brought about a rather critical situation in Wichita county, where the Ku Klux Klan organization seems to be especially strong. During the course of this investigation three persons who were believed to be members of the Ku Klux Klan were summoned as witnesses before the grand jury and refused to testify as to their connection with the Ku Klux Klan, all three were committed to jail by me for such refusal.

"The Ku Klux Klan is a challenge to every principle for which Americans have stood for 150 years. These principles had been for centuries therefore the goal and hope of the Anglo-Saxon race. The whole English-speaking race is thankful for magna charta, but to the average American that great charter of freedom pales into insignificance when compared with our own declaration of independence, and that far greater charter, the constitution of the United States.

"Upon that constitution and our bill of rights, the pioneer Americans obtained this government and builded their faith in the future greatness of the American people. One hundred and forty-six years have brought forth some amendments to these charters of freedom, many of these amendments being in the interest of a greater freedom.

TWO WOMEN GIVE A MAN GOOD WHIPPING INDEPENDENCE, KAN., April 28.—Because they had heard he had been slandering them in pool halls, Benson F. Pryor, a laborer, was whipped out on a country road and whipped by two women early this week. It became known here today.

SEDALIA, MO., April 28.—The Missouri, Kansas & Texas railway car shops in this city re-opened last Monday by the A. S. Hecker company of Cleveland, Ohio, for operation under piece work compensation plan, were closed down again today awaiting a decision from the United States railroad labor board in a dispute relative to "arming out" shop work. Under normal conditions the shop force here numbered 750. Former shopmen, members of various unions, refused to return to work under the plan and during the week only a small number of men had accepted employment there.

RELEASED ON BOND IN DENISON MURDER CASE DENISON, TEXAS, April 28.—Miles H. Heard, 50, a farmer accused of the murder of John McCoy, 45, also a farmer, in a fight in which 20 knife wounds were inflicted upon McCoy, was today bound over to the grand jury. He was released on bond.

CABLES MAN HELD HAS ADMITTED THAT HE "KILLED A MAN"

SAN FRANCISCO, April 28.—Police here announced today they had received from the sheriff of Hilo, T. H. a cable asserting that Honore C. Connette, now held in Los Angeles as a material witness in the William Desmond Taylor murder mystery, admitted that he "killed a man." This alleged admission was said to have been made in a statement to the Hilo sheriff. Connette, a newspaper man, was arrested here this week on his arrival from Honolulu.

The cables received by the local police stated: "Important evidence in my possession concerning Connette. Signed statement available, wherein Connette stated he killed a man. He also gave graphic description of Taylor's room at time of killing." The Los Angeles police said last night that Connette was not accused of anything, but was held as a witness. Connette has denied any knowledge of the film director's murder.

MORE THAN SEVEN INCHES OF RAINFALL IN APRIL SEYMOUR, TEXAS, (April 28)—A slow rain lasting 18 hours with total precipitation of more than two inches fell in the Seymour territory Tuesday night, with the result that the ground is thoroughly soaked. There is perhaps sufficient season in the ground to insure a good wheat yield. More than a total of seven inches of rain has fallen in this county so far during the month of April and the downfall has been so uniformly gentle that no serious consequences have resulted to farm lands or crops.

Day Nursery to Have Permanent Home; Building Committee Will Be Appointed Today or Saturday

The day nursery is at last to have a permanent home, built on its own grounds after modern approved plans, according to a decision of the Federal Home Missions society at the quarterly meeting Thursday afternoon.

More than 100 members of the federation were present at the meeting, including delegates from practically every mission organization in the city, and the discussion of the permanent home was the subject of a lengthy and thoughtful one, with a great deal of enthusiasm over the resulting decision. Mrs. J. A. Kemp, for more than a year advocate of a permanent building to be owned by the federation, Mrs. J. J. Perkins, chairman of the house committee of the past year, and Mrs. Wiley Robertson, new chairman of the program committee, all made talks urging the need of the home from various standpoints. Following the decision to begin plans for such an institution, the new president, Mrs. C. A. Guest, stated that she would appoint a building committee before Sunday to map out a plan of action at once.

New Officers.
The election of the officers, with Mrs. J. C. Guest, prominent local social service worker, as president, was the feature of the annual business meeting, the official roster standing as follows:
Mrs. J. C. A. Guest, president.
Mrs. J. A. Kemp, first vice president.
Mrs. R. E. Strange, second vice president.
Mrs. W. B. Chappery, third vice president.
Mrs. H. M. Larkum, corresponding secretary.
Mrs. A. H. Horvath, secretary.
Mrs. R. J. Goodale, treasurer.
Mrs. Fred Barron, press reporter.
Mrs. Wiley Robertson was appointed chairman of the program committee, with Mesdames H. A. Allen, J. D. Maulder, E. B. Goodner and G. C. Wood, associates. The delegates heard reports from all of the standing committees, those especially interesting including the report of Mrs. J. J. Perkins, chairman of the nursery home committee, and Mrs. R. J. Goodale, treasurer.

Following the business session, which began at 1:30 o'clock, and the program, including music and readings, the women of the church of the Sacred Heart, who were hostesses for the day, served a delightful refreshment. The meeting was held in the church hall on Ninth street, which was very attractively decorated for the occasion.

WEDDING THURSDAY WILL TAKE WELL KNOWN YOUNG PEOPLE FROM THIS CITY

The marriage of Ralph Dunkleberg and Miss Ruby Avik, daughter of Mr. and Mrs. J. D. Avik, which was very beautifully solemnized at the First Presbyterian church Thursday afternoon, had one serious regret for the many friends of both the young people—that it would take them away from Wichita Falls to make their permanent home. Mr. and Mrs. Dunkleberg left immediately after the ceremony for Wayne, Indiana, where Mr. Dunkleberg will go into business.

The marriage service was performed by Rev. Dr. Max P. Gratton in the presence of several hundred relatives and friends Thursday afternoon at 5:30 o'clock. A beautiful spring garden floral arrangement, a church providing a most appropriate background for the nuptial celebration. A musical program preceded the entrance of the bridal party, the numbers including a violin solo, Cadman's "At Dawning" by Mrs. Bruce Greenwood, and a vocal solo, "All For You" by Mrs. Louella Thompson. Mrs. O. E. Macer played the wedding music at the organ.

Miss Avik, who entered with her brother, A. W. J. Avik, wore for her marriage a handsome tulle-trimmed costume of rust shade, with harmonizing accessories, and carried an arm bouquet of roses. Mrs. Fred Weeks, matron of honor, wore hand-embroidered white fillet with beaded sash and carried butterfly roses, while Miss Gretchen Avik, maid of honor, wore a white gown with hand-made flowers and carried a shower bouquet. Misses Lula Wood, Lois Moore and Cecelia Adickes were bridesmaids, wearing white, pink, color, canton crepe, Miss Adickes flesh color crepe, and Miss Moore flesh color crepe, each with silver slippers and garden hats. George Dwyer was Mr. Dunkleberg's best man, with Harry White, William Robertson and Dr. N. H. Coleman, groomsmen, and Mrs. Fred Welch and P. S. Richardson, ushers.

ADVENTURES OF THE TWINS TRICKY TRIXO

A large tree beside the path toppled and fell. The next valley was a terror. The white dove warned the Twins about it. "No matter what happens," said he, "pretend not to notice, but go straight ahead. The Valley-of-Watch-Your-Step will be sure to try your courage. But no matter what happens, be sure not to scream or cry out. Old Tricky Trixo, the second cousin to Twelve Toes the Sorcerer, and third cousin to Esna Menace the Magician, lives in this valley.

"He has no power over you if you do not show fear. Pretend to notice nothing."

With these words he flew away and the journey began again. "I don't see anything to be afraid of," scoffed Nick. "This looks like our own lovely meadow at home, doesn't it?"

They were walking over a nice little bridge that crossed a sparkling stream of clear water. But scarcely had the words left his lips when the bridge broke in the middle and down they went into the stream.

OUR FIRST YEAR

Start This Series Here—Jack and his bride started out with the idea that marriage should not interfere with their individual liberties. They, the bride, finds one of her former acquaintances is interested in Bert Elliott, her own platonic friend.

Knowing the right people for the sake of Jack's business isn't going to be at all difficult for me, with Bonny Tearle as my chum for ages, and Bonny's father financing the little Playhouse crowd.

The Tearles is a war-made fortune—a huge one from chemicals—the Tearles are nice people—human enough not to drop old friends because they have moved into one of the finest houses in town.

It was really I who got Mr. Tearle to back the Playhouse. He'd never have thought of promoting it, he says, except for me. And he was anxious to promote something in the way of art, he admits.

This enterprise has made him quite distinguished among the city's art patrons. He's in close touch with the "legitimate," and meets all the famous actors at exclusive little dinners given by exclusive society hostesses.

And he is not the man to forget that poor little I first interested him in promoting performances of dramatic novelties.

Naturally, it's my duty to look after Bonny. I'm real afraid that that playhouse is going to make a lot of trouble for herself and the rest of us, if I don't look after her.

Of course she's in and out of the Playhouse a good deal, she likes the crowd, considers it bohemian, which isn't at all, except when she trails George Bradshaw along.

"He'd give a sportsy hue-to-a-cemetery," Jack says.

Bonny has nothing to do with our rehearsals but she makes them an excuse for asking George Bradshaw to come along. He's more than 40, she's 16. He's gray and handsome as ever—an old man can be, Jeanne.

SCOTT-RUSH MARRIAGE IN DECATUR MAY 24TH

Mesdames J. J. Perkins, P. J. Timberlake and W. J. Orisham left Thursday afternoon for Decatur where they will attend a party and shower being given by a trio of hostesses in compliment to Miss Ruby May Rush, whose engagement and approaching marriage to Paul Scott of this city was recently announced for May 24.

Mrs. Timberlake, who is the bride-elect's sister, is to be matron of honor in the bride's wedding party, and "Miss" Ruth Orisham will be ring bearer. Paul Harding, associated with Mr. Scott in the Central Abstract company, will be best man. Miss Rush has spent quite a good deal of her time in Wichita Falls with her sister, and has many friends here who will be glad to know that she is to make her home in this city again.

"Is that the only reason, Bonny?"

The poor child blushed furiously, tried to change the subject, always ended up with Bart of George.

TRADE TRIP PLANS STARTED FRIDAY BY BUSINESS COUNCIL

MEMBERS FAVOR ONE OR MORE EXCURSIONS TO NEIGHBORING TOWNS. COMMITTEE IS NAMED TO WORK OUT DETAILS

Further Light Is Shed on Buy at Home Difficulties by Laundry Manager.

One or more get-acquainted trips through Wichita Falls trade territory will be made this spring, if plans set on foot at the weekly luncheon of the business council of the chamber of commerce Friday afternoon.

The members heard another phase of the "buy-at-home" campaign discussed Friday when Harry Gray of the City Laundry by his company bought ammonia, hardware and other supplies out of town.

The council defeated a move to make the trips systematic and organized, and compromised on 1:15.

E. S. Goodner brought up the trade trip question, urging that with improved conditions and better prospects, Wichita Falls should take steps to renew her acquaintance with folks in her trade territory.

Mr. Goodner thought that methods used in former trips could be improved upon, and a large participation obtained.

B. J. Bean, Norris Ewing, E. Frank Johnson, Horace Robbins and others participated in the discussion which followed, which dealt mostly with methods to be adopted to make the trips systematic and profitable.

Mr. Johnson suggested that small buttons could be distributed on the trip, and the recipients told to wear them when ever coming to Wichita Falls, so as to identify them as visitors.

A special committee consisting of B. J. Bean, chairman; Horace Robbins, captain; E. S. Goodner, stunt-master; B. E. Johnson, Eugene Leopold and J. W. Chatham Jr., was named to report later.

In speaking of the "buy-at-home" move Mr. Gray of the City Laundry said that his firm bought its hardware supplies in other cities because of a big advantage in price.

In Wichita Falls, Mr. Gray said, he was required to buy from retailers, although he could buy from wholesalers in other cities. By being required to deal with local retailers, he said, because he sold coffee direct to restaurants, yet salesman from out of town would come in here and sell to restaurants and grocers indiscriminately.

H. M. Harrison of the chamber of commerce said that such matters as these were handled by a special committee which sought to reconcile such differences so as to keep the trade in Wichita Falls wherever possible.

CAMPBELL SAYS HE IS LIKE A BRAND NEW MAN

He Has Never Seen Anything to Equal the Way Tanlac Built Him Up, Declares Houston Man.

"It's a mystery to me what was the matter with me, but whatever it was was very serious business. It is the only thing that has ever done me any good," said Jerry P. Campbell, 3423 Center street, Houston, Texas.

"Nothing I ate helped with me and I had frequent headaches, my back across my kidneys hurt me dreadfully and I had an intense pain in my left side all the time. I tried everything and cut my diet down to almost nothing. I was operated on twice, too, but I still continued to go down hill.

"Since taking Tanlac I am like a different man. I eat anything I want, never have a headache and that sweet pain is gone out of my side. Another fine thing is that I never have in my life seen anything to equal the way Tanlac is building me up."

Tanlac is sold in Wichita Falls by Miller Drug store, in Electra by Tarleton drug store, West End drug company, Burkburnett, and by all leading druggists. (adv.)

MORGAN MEETING SATURDAY EVENING SEVERAL TO SPEAK

Wichita Falls voters will have an opportunity to hear S. A. L. Morgan, local candidate for congress, Saturday evening when a Morgan rally will be staged on the Moore-Richolt lot at Ninth and Jackson.

The meeting will start at 7:30 and Judge E. E. Huff will preside. Speakers will include P. A. Martin, C. C. McDonald and Mr. Morgan.

Morgan returned Friday from a speaking tour covering a number of communities in the western part of the district, in which he and one of his opponents, Guinn Williams of Decatur, held joint discussions.

No further joint speakings will be held, it is announced. Mr. Morgan will speak Saturday at several points in the district. Judge Guy Rogers will speak at Rhoads and Boyd, W. J. Townsend at Nooka and St. Joe, and W. E. Fitzgerald at Bowie.

Morgan and Williams will be in the event of rain Saturday evening, the Morgan rally will be held in the Wichita theater.

FIRST PLANES FOR SATURDAY'S STUNTS ARRIVE FRIDAY P. M.

The vanguard of planes for the American Legion aerial carnival began arriving Friday evening, and it was expected that tonight would find a large number of machines at Call Field.

Planned to leave Friday morning, the trip either late Friday or early Saturday morning.

Privileges of both the Golf club and the Call Field have been extended visiting flyers. The Automobile Dealers association will furnish cars to transport flyers to the field.

HAIL STORM NORTH OF BURKBURNETT DAMAGES GARDENS

A severe hail storm accompanied the rain Thursday night north of Burkburnett, and a farmer who was in the city Friday afternoon stated that the stones were exceedingly large and fell during a period of fifteen minutes.

He stated that his garden had suffered from the effects of the hail. In many places he stated the truck patches were completely ruined.

This is the only report had where hail fell Thursday evening and in this instance it stretched over an area of approximately six square miles.

ODD FELLOWS NOTES

Every Odd Fellow, lady or gentleman, should plan to bring at least one person to the address to be delivered at the Methodist church at Seventh and Lamar on Saturday night at 8 o'clock, when Hon. J. W. Chancellor Bowie, past grand master of Texas L. O. O. F. and Mrs. Mamie Dale Brown of Iowa Park, past grand president of the Rebekah assembly, will speak in the interest of Odd Fellowship. Social music is being arranged and anyone coming will be well repaid for the effort. Both speakers have a reputation of being forceful, logical and able to state their case in a most entertaining manner. An invitation has been sent to the judges in the nearby towns and every Odd Fellow in the city that evening is given a most cordial invitation to be present and bring a friend, whether you belong to the lodge in Texas or not. Remember the date and place.

ATTORNEY GENERAL WILL DEFEND NEW DISTRICTING BILL

CASE COMES UP FOR TRIAL AT AUSTIN FRIDAY AFTERNOON.

LOCAL C. OF C. WILL INTERVENE, IF NEEDED

Matter to Be Presented to Supreme Court of State for Early Decision.

The attorney general's department of Texas will defend the new redistricting bill in the test case which went to trial Friday afternoon in district court at Austin.

The straight-forward test of the measure will be made, according to information received Friday by Judge E. E. Huff, who is heading the matter for the chamber of commerce.

Mr. Huff received a telegram from Austin on Wednesday which brought the test suit, saying that he had filed his name as a candidate under the old law, and that the county chairman had refused to accept his name, believing the new law valid.

Mr. Smith also said that he had not a judicial construction of the validity of the new law.

"I will be glad to have you join in the suit and assist in preparing the briefs," Mr. Smith wrote. "It will be hurried to the supreme court. Am sending a copy of the petition."

Mr. Huff will intervene in the suit if that course is deemed necessary, in order to get the matter thoroughly tested. It is expected that the matter will be carried to the supreme court as promptly as possible.

PINK RHODES AND J. B. FIELDS LODGED IN JAIL

Pink Rhodes, a local service car driver, and J. B. Fields, father of Sewell Fields, were placed in the county jail Friday afternoon following their arrest on Thursday night on charges of selling whiskey.

The two men were listed as federal prisoners. It is stated by the arresting officers that they were taken from a local cafe.

BRINGS SUITS FOR \$200 AS RESULT OF ACCIDENT

S. Cooperstein of Navarro county has instituted suit against L. J. Private in the county court at law for damages in the sum of \$200 as the result of an accident alleged to have occurred on the Powa Park road near Jovoa Park on December 22, 1921.

The plaintiff alleges that the defendant in passing him turned too quickly to the right and upset the Ford delivery car in which he was riding. The damages are asked for personal injuries and the damage to the car.

DIFFERENCE OF \$2,000 EXISTS BETWEEN LITIGANTS

A difference in opinion of \$2,000 as to the purchase price of a piece of property has brought Mat Arnold and W. H. Vernon into court. Arnold claims that he sold the property to the purchase price of a piece of \$2,500 and that after \$500 was paid he delivered a deed to the defendant with the understanding that the remainder would be paid later. The defendant claims that he only contracted for \$300 for the price of the property. The case is on trial in the 89th district court.

LOCAL MOVIE MAN WILL TAKE VIEWS OF ROUNDUP STUNTS

So the people in other states may see on the screen Wichita Falls at play, as well as at work, the chamber of commerce has arranged to have Duffy Maps, local camera man and motion picture producer, to take scenes of the fourth annual roundup, which will open at the ball park next Wednesday.

The moving picture taken of the roundup here two years ago was shown in many different parts of the country and the city received much favorable publicity therefrom. Oil field movies and other scenes of the city have been taken from time to time by Mr. Maps under the direction of the chamber of commerce.

The pictures which will be taken of the roundup will include scenes of the parade; will show to an advantage the paved streets and modern office buildings and will convince those who see it that this city is really a modern one, and while the scenes in the roundup arena will be thrilling enough to hold the attention of any spectators, factors that may witness this picture when shown in other cities, it will also show Wichita Falls has the only chairman of the fair parks in the entire southwest.

MEETINGS CONTINUE AT CHURCH OF CHRIST WITH MUCH INTEREST SHOWN

Notwithstanding the weather conditions, the meeting at the Church of Christ continued so far, it is announced.

Thousands Have Kidney Trouble and Never Suspect It

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is well attested. It stands the highest test for its remarkable record of successes.

An examining physician for one of the prominent life insurance companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper—adv.

MAN WANTED HERE UNDER DETENTION IN DALLAS

E. W. Etheridge, who is wanted here on a formal charge of aggravated assault is under detention by the officers in Dallas, according to word received by Sheriff Fred K. Smith. A deputy will leave for Dallas Friday night to bring the prisoner back.

Assistant United States District Attorney Ben P. Alford arrived in this city Friday morning to make preliminary arrangements for the opening of federal court here next Monday morning.

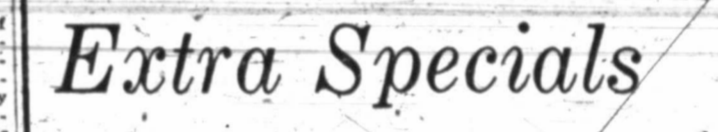

Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemn anxiety in his little voice. The depression stamped upon you reflects intensely upon him because of his profound reliance on you. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his buoyant spirits are gone—replaced by a countenance of worry and a bearing of hopelessness.

You owe it to the happiness and welfare of your family to keep trim in body and keen in intellect. You are the sun and the inspiration of their lives. Don't, therefore, cloud their bright future by neglecting your health.

LYKO The Great General Tonic

It will banish that "tired feeling" and dispel that worn-out look. It will renew your strength and vigor, overcome the ravishing effects of overwork and worry, revive your spirits and increase your hold on life. Being a refreshing appetizer, a valuable aid to digestion and a worthy promoter of the general health, because of its positive revitalizing and reconstructive value, its use is especially desirable in cases of subnormal conditions. If you suffer from nervous exhaustion, muscular or mental fatigue, or deficiency of vital energy, LYKO, particularly beneficial. It tones up the entire system and keeps you feeling fit. PENNSYLVANIA LINE WILL COMPLY WHEN DECISION IS LEGAL

SUCH IS ATTITUDE TAKEN TOWARD RAIL LABOR BOARD.

STATEMENT IS MADE BY GENERAL COUNSEL

Hold Carrier and Employes Have Right to Get Together in Own Way.

NEW YORK, April 28.—The Pennsylvania railroad is willing at all times to abide by the decisions of the federal labor board acting under the federal transportation act "when its decisions are legal."

George B. Heiserman, general counsel of the system, told the academy of political science at its semi-annual meeting here today.

"The Pennsylvania employes, through their own organization, are in close co-operation with the management and have a voice in the administration of matters affecting their welfare through delegates actually employed on the road," said Judge Heiserman.

pose of section 201 of the transportation act was to leave to the carrier and its employes full liberty to get together in their own way.

Naturally, we are gratified by Judge Page's decision, not because of any pride of opinion sustained but because it may be known to all men that our company, in objecting to the labor board's decision, was actuated by an earnest and well-founded desire to protect its legal right and those of its employes from what we deemed to be an unwarranted assumption of authority on the part of the labor board.

Professor Frank H. Dickson of Princeton university, who also spoke, pointed out that the methods of conference and adjustment which had been intended by the law to be the principal method of settlement, had largely failed to attract party because the conferees had been too willing to appeal their cases to the labor board, and partly because the labor board had been too ready to accept these appeals and had not sent them back as it might have done for further conference.

But in spite of many defects in operation, Professor Dickson believed that the labor board should be continued.

LARGE CROWDS ARE ATTENDING ANNUAL SCHOOL EXHIBITS

As an evidence of the place she holds in the esteem of the Texas musicians, she has been chosen to give the pipe organ recital at Fort Worth next Thursday in connection with the meeting of the State Federation of Music Clubs which meets at that time.

PLANS FOR RUSSIAN RECONSTRUCTION TO BE SUBMITTED SOON

DEFINITE PROPOSITION TO BE READY BEFORE END OF WEEK.

DEFINITELY DECIDED NO LOAN WILL BE OFFERED

International Consortium May Be Formed to Finance Trade With Russia.

By Associated Press. GENOVA, April 28.—Plans for Russia's reconstruction were being finally determined today in the conference sub-committee on Russian affairs and indications were that a definite proposition would be laid before the Russian delegation by the week-end with the suggestion that the proposition be either accepted or rejected without further discussion.

The Italian press today gives indications of what the allied powers are. First, it is asserted, no loan will be offered to soviet Russia but it will be suggested that an international consortium be formed to finance trade with Russia through combinations of firms and individuals of the various countries represented. Germany will be included in the consortium it is declared, and provision made that the United States may join.

In thus laying their cards on the table, the allied leaders hope to put an end to the present uncertainty and clear up the Russian question, the most important subject remaining before the conference.

An indication that the Russians will insist on maintaining the principle of nationalization of property in Russia, one of the most difficult angles of the situation, involving as it does, the ownership of properties claimed by the nationals of the allies and other countries—even to the extent of withdrawing from the conference, was given in their statement of last night.

"Russia has not the least desire for a rupture," said the statement in part, "but she is determined to safeguard the principle of sovereignty and the principle of reciprocity, which is the only possible basis of economic reconstruction."

While pending his main efforts to ending the Russian deadlock, Mr. Lloyd George is not neglecting his plans for a non-aggression pact, and several tentative outlines of such a document have been drafted. One of these would provide an international military force to protect weak nations from aggressive neighbors, but this is understood to have small chance of adoption.

RAIL LABOR BOARD DECISIONS BINDING STATE COURT HOLDS

DECISION IS RENDERED BY THE SUPREME COURT OF MISSISSIPPI.

CREATES A SYSTEM OF COMPULSORY ARBITRATION

Decision of Lower Court in Case of Employee Reversed and Remanded.

CHICAGO, April 28.—The decisions of the United States labor board are as binding as law and can be enforced in the courts, according to a decision of supreme court of Mississippi which was received by the labor board today.

The Mississippi court's decision is opposed both to the popular conception that the board's decisions can only be enforced by public opinion and to a recent decision by Federal Judge Page of Chicago, who ruled that unless the parties to the controversy agreed to a joint submission, to the board, the board had no power to rule on a case except when commerce was likely to be hindered, and who also ruled that the board acted only in an advisory capacity in making decisions.

The Mississippi court reversed and remanded the decision in the case of Ed Rhoads, a track laborer who had sued the New Orleans Great Northern railroad company for back wages and who lost his

FIRST INDICATIONS OF PRIVATION AND WANT IN PENNSYLVANIA DISTRICT

CONNELLSVILLE, PA., April 28.—First indications of privation and want in the coke regions of Pennsylvania were apparent here today when a large delegation of striking miners and members of their families made a tour of the business and residential sections here soliciting material assistance.

They succeeded in obtaining a considerable amount of money, goodly quantities of flour and provisions and a number of articles of clothing.

CLAIMS THE PAY OF RAILROAD EMPLOYEES OUT OF PROPORTION STATEMENT MADE BY REPRESENTATIVE OF TARIFF LEAGUE.

MANNER OF CONDUCTING HEARING IS CRITICISED Wants Tariff League Made a Party to All Railroad Wage Controversies.

CHICAGO, April 28.—Overruled on their protest against allowing shippers and manufacturers' organizations to testify in the way wages have been ordered by the United States railway labor board, the union labor leaders and their attorneys today, before the National Industrial Traffic League, was admitted to the stand.

CHICAGO, April 28.—That the railroad employees are receiving a higher wage than industrial workers is the contention of the tariff league, before the United States railway labor board today. The case now pending before the labor board involves the request of the carriers for an approximate 10 per cent reduction for railroad labor, including maintenance of way employees, shop crafts, dispatchers and telegraphers.

It is a matter of common public knowledge that railroad labor in many instances has been a preferred class receiving wages out of harmony with those paid to comparative employment in commercial industries and it is neither right nor to the public interest, Mr. Burroughs said.

The National Industrial Traffic League submits that when the labor board fixes wages by an order entered otherwise than after public hearings at which competent testimony is introduced and intrinsically on the right of the public to receive an intelligent and correct expression from the board. Witnesses at these hearings should be placed under oath and the National Industrial Traffic League has been informed that this has not been done.

RESUME WORK IN THE SEDALIA SHOPS ON THE OLD BASIS SEDALIA, MO., April 28.—Effective today the Missouri, Kansas and Texas railway car shops in this city returned to the employment status of the shops in Cleveland, opened their doors Monday under a piece work compensation plan. Thirty men, former employees, are reported working today, the Heckler employees having been laid off late Thursday.

SAYS IT IS DIFFICULT TO ENFORCE PROHIBITION BECAUSE OF GOVERNOR OKLAHOMA CITY, April 28.—The charge that Governor J. R. A. Robertson of Oklahoma has "helped" make it more difficult for state officers to enforce the prohibition laws because he "has pardoned and paroled so many bootleggers," is contained in a statement issued here today by M. F. Meadows, federal prohibition director for Oklahoma, replying to remarks attributed to the state executive relative to enforcement of the dry laws in Oklahoma.

AMARILLO, April 28.—Cale Bull, farmer, was instantly killed yesterday when a tractor, with which he was pulling a plow on his farm 50 miles north of Dalhart, overturned, plunging him to the ground. He leaves a widow and several children.

TIMES DAILY MARKETS

COTTON MARKET.

New York Cotton. NEW YORK, April 28.—The cotton market opened steady at the advance of three points on May, but generally one to four points lower, because of slightly disappointing crop and scattered realizing of cotton goods trade and more cheerful view of events at Genoa, but brokers with Liverpool, New Orleans and spot houses' connections were sellers and the market was comparatively quiet after the opening with July ruling around 17.50 and October 17.61 or two to four points lower. Fifteen more May points were gained but May held at a premium of about 40 points over July during the early trading. The robbers secured \$16.80 from the three, backed out, and disappeared into the darkness. Police officers who responded a short time later were unable to find any trace of them. One of the youths had a .41-caliber Colt and the other a .25 automatic, with which they enforced their command to get into the store to "stick 'em up."

NEW YORK STOCKS. NEW YORK, April 28.—Covering contributed to the many substantial gains made at the opening of today's stock market. The rally extended to almost every group, including investment trusts, high class equities, motors and the independent steels. Union Pacific, General Electric, Studebaker, Industrial Alcohol, Associated Dry Goods and May Department Stores gained one to two points. Secondary rails were irregular to a point advance in New Orleans, Texas and Mexico being off-set by selling of Rock Island and some of the other secondary western issues. Bethlehem Steel hardened on maintenance of the regular common dividend and U. S. Steel threw off some of yesterday's heaviness.

ROTARIANS GREET NEW OFFICERS AT HILARIOUS SESSION

F. A. ROGERS INTRODUCED AS PRESIDENT OF CLUB FOR ENSUING YEAR.

REVIEW OF WORK OF ORGANIZATION GIVEN

Retiring President is Presented With Handsome Set of Silver By Members.

Local Rotarians, with their wives and guests, gave hilarious greeting Thursday night to their new president, Pete Alford Rogers. He was presented as the new gavel-wielder of the club at a meeting at the Kemp, where frivolity and noise were decidedly the order of the evening. The identity of the retiring president having been kept secret since his election a week previously. A farewell talk by the retiring president, Horace Robbins, a brief talk by the new president, a review of ROTARY'S achievements in Wichita Falls, and the presentation of a handsome set of silver to the retiring president were the main events of the evening. Paper hats were worn by all present, and numerous noise-making devices were provided, giving a carnival aspect to the occasion. W. B. Hamilton, in reviewing the accomplishments of the local club, told of its active part in war work and in local drives and campaigns.

of his providing a permanent home for the school superintendent, of its constructive work among crippled and blind children, and of the building of the "knot hole grandstand." It was a record of service, Mr. Hamilton said, that every member could rejoice in.

In addition to F. A. Rogers as president, new officers of the club are: C. C. Kirby, first vice president; J. Shoup, second vice president; John Gould, secretary; A. Biedenbarn, treasurer; Tom Smock, sergeant-at-arms; John W. Bradley, chaplain.

Musical numbers of the evening included a song "Hello, Prosperity," by the "club," and several numbers by the club under the leadership of F. E. Shepherd.

The supper was the club's first experience with F. W. DeVries, new steward of the Kemp, who served an excellent repast in excellent style. The silver set was presented on behalf of the club, but Rev. N. F. Grafton.

A new high school building costing \$150,000 will be built at Burk Burnett this summer, if bonds carry at a special election ordered for May 9. The building is badly needed to relieve congestion in the Burk Burnett schools.

At present, all of Burk Burnett schools are on one tract, which has two brick structures and several frame buildings; the site is said to accommodate school children more than any other in Texas, all Burk Burnett children from the primary grades to the high school seniors attending the school.

The tentative plans for the new high school provide for a structure up to date in every appointment, modernly equipped, and the bonds carry. Burk Burnett will have better school facilities than many much larger communities.

No other school in this city have been selected as architects for the building.

MORGAN AND WILLIAMS IN DEBATE AT SEYMOUR SEYMOUR, TEXAS, April 28.—A crowd of between 400 and 500 people which filled the district court room of the court house in Seymour, heard S. A. L. Morgan of Wichita Falls and Guinn Williams of Decatur speak in joint discussion Tuesday afternoon at 2 o'clock in the interest of their respective campaigns for congress in the special election to be held May 13 to fill out the unexpired term of the late Lucian W. Parrish. Both speakers received marked applause and interest was maintained throughout the discussion, each of the gentlemen speaking about 50 minutes. Guinn Williams opening the discussion.

The audience was fairly representative, there being present many farmers, business men and quite a number of ladies. The speakers followed in a general way the arguments which they have been discussing over the 13th district for the past week and a half, outlined in their opening speeches. Both candidates, after their Seymour speaking engagement, was concluded, proceeded to Comstock where they addressed the people of that city at 8 o'clock Tuesday night.

BAYLOR COUNTY FAIR SEPTEMBER 19 TO 23 SEYMOUR, TEXAS, April 28.—The Baylor county fair will be held in this city from September 19 to September 23, according to announcement made to the exhibit bureau of the western Texas chamber of commerce today. Arrangements have been made whereby the Wortham show, a twenty car carnival, will show here during the fair, and arrangements are also being made for 100 blanket Indians to be present. The foundation for the new 70x70 foot agricultural building which is being constructed especially for the Baylor county fair has already been completed. The building will be rushed to completion in order that it may be used for the pure food and textile show to be held here during the last weeks of May.

OKLAHOMA COUPLE IS MARRIED AT HENRIETTA HENRIETTA, TEXAS, April 28.—C. J. Shaerer and Miss Tyna Splawn, both of Chickasha, Okla., were married here Thursday morning in the county clerk's office by Justice of the Peace Clay Coleman.

WIND DISTURBANCE REMAINS HIGH; NO DAMAGE REPORTED

HEAVY SHOWER THURSDAY NIGHT NET EIGHT-TENTHS OF AN INCH OF RAIN.

DARK WHIRLING CLOUD CREATES UNEASINESS

North Wind Which Brought Storm Sends Temperature Down Over District.

A dark, whirling, twisting cloud that was first sighted in the north-west part of the county as 4:30 o'clock Thursday night created much uneasiness over the entire county and reports were received in this city which had it that a cyclone had struck Burk Burnett and Electric.

The cloud never neared the ground although some little effect of the disturbances in the air were felt. It was estimated that the wind for a half hour remained at a velocity of 30 miles an hour. The wind was accompanied by a hard rainfall that netted a total of eight-tenths of an inch, according to measurement. Water fell in torrents and the streets of the city were flooded.

The storm struck the ground at Electric, and then disappeared at Electric, practically the same amount of rain fell between these two points. Burk Burnett reported heavy rain but points north reported none on the Valley lines. Seymour was the limit of the storm, while on the Southern, Olney marked the edge.

The north wind that brought the storm into the district sent down the temperatures over the entire north and north central Texas. At 4:00 o'clock Thursday afternoon the temperature was hovering around the 50 degree mark locally. At 9:00 p. m. the reading was 78 and by midnight it had fallen to 50. The minimum for the night was 44 degrees. Forgan reported high north winds Friday morning with a low temperature of 56 degrees. Texline and Amarillo reported 49 degrees as the minimum temperature.

The Wichita Valley was preparing Friday morning to resume through traffic to Abilene. The damage caused by the high water from Stamford to Abilene was being rapidly repaired and it was thought that an open line would be had by 6:00 p. m. Friday evening.
