PLAN TO PREVENT SALE OF BOOZE ON SHIPS OF THE U. S.

MOVE TOWARD DEFINITE ACTION IS TAKEN BY GOVERNMENT.

PROPOSE AMENDMENT TO THE SHIP SUBSIDY BILL

Treasury Department is Expected to Ask Attorney General For Ruling.

WASHINGTON, June 15.—Matters began shaping themselves today toward definite action by the government with respect to the sale of liquor on American ships as set forth in letters and statements made public by Anheuser-Busch Inc. of St. Louis.

Indications were given at the Treasury that Attorney General Daugherty would be asked in the near future to rule on the question of whether ships under the American flag but beyond the three mile limits of the United States were subject to the prohibition amendment and the Volstead act. Acting Attorney General Frierson of the Wilson administration held that they are, but Chairman Leaker of the shipping board in justifying the present sale of liquor on American ships has said that the board's counsel holds to the opposite side of the question.

Another definite move was made through presentation to the house merchant marine committee, considering the pending amendment to the ship subsidy bill, of an amendment by Representative Bankhead, Democrat, Alabama, under which government ships having liquor on board either in storage, for sale, or for any other disposition.

The committee did not act on the amendment today and members declined to state how they regarded the amendment.

Soon after Representative Bankhead presented his amendment Representative Cooper, Republican, Ohio, in a statement, declared he would support such an amendment as the constitution of the selling of liquor on American ships "justified by a charge made by the Anheuser-Busch company that Uncle Sam is engaged in bootlegging."

One who will deny that the lawbreaker and the bootlegger in our land will be encouraged to carry on his work by reason of the policy of the shipping board is the government in the position of admitting its inability and unwillingness to enforce its own laws.

Declaring the government could not afford to permit this condition, Mr. Cooper added that the shipping board "has no more right to permit liquor to be sold in government owned ships operated under the American flag than the moonshiner and bootlegger at home has to sell his bootleg whiskey and rakin' jack."

DEFEND ON CONGRESS TO PUT AN END TO PRACTICE.

WASHINGTON, June 15.—With Chairman Leaker adhering to his stand that the sale of liquor on shipping boats is to be continued until he "has been convinced of its illegality," any action in the matter apparently was left today to prohibition leaders in congress. While the correspondence exchanged on the subject between Mr. Leaker and Adolphus Busch III, vice-president of the Anheuser-Busch Brewery company, St. Louis, continued to provoke discussion among the dry members, it was reported that the matter will be referred to the committee on the ship subsidy bill before the Senate.

It was reported that the committee will be made today, although its defeat there was generally predicted.

That the issue would have to be met when the subsidy bill is taken up in the house, however, was said by friends of the amendment, unless it is considered under a rule barring from consideration all amendments except those offered by the reporting committee.

Representative Upham, a Democrat, Georgia, has publicly announced that he will offer an amendment providing that no part of the federal subsidy fund shall be used to support steamship lines on whose ships liquor is sold.

After a conference with Attorney General Daugherty late yesterday in which the matter of liquor sales at sea was said to have been discussed only incidentally, Chairman Leaker issued a statement in which he declared his support of a new opinion on the question, being entirely satisfied with that rendered by General Counsel Schlemmer of the United States shipping board in violating the prohibition law and the Volstead act. In the event of a congressional inquiry, it became known here today through representatives of the firm.

PRESS WOMEN WILL VISIT OIL FIELDS ON FRIDAY MORNING

ANNUAL MEETING OF STATE ASSOCIATION NOW IN PROGRESS HERE.

GUESTS OF NEWSPAPERS AT LUNCHEON THURSDAY

Opening Session Held Wednesday Night, When Visitors Are Formally Welcomed.

A slight change of plans on account of a number of absences and the quick disposition of business resulted in the decision by members of the Texas Women's Press Association, which opened its twenty-ninth session here Wednesday evening, to push their business session up from Friday to Thursday afternoon, concluding the meeting Friday morning with the drive to the Burkhardt oil fields.

The association held its first business session Thursday morning following the president's evening program Wednesday night. Mrs. Mamie Wynne Cox of Dallas, first vice-president, presided in the absence of the president, Mrs. C. M. B. Hughes of Wharton, who was kept away by the serious illness of her mother. During the morning reports were made by the various standing committees and applications for membership were acted on.

The association roster on recommendation and qualifications: Mesdames Bertha A. Ross of Vernon, Fred J. Miller, San Antonio, Edgar T. Neal, San Saba; L. L. McHugh, Vernon; Mabel Carter, Wichita Falls; Belle H. Cook, Victoria; and Phoebe K. Warner of Abilene.

Following the business meeting the women visitors were guests of the Times and the Record-News at a luncheon at the morning report during the course of which Mesdames Mamie Cox of Dallas, Phoebe K. Warner of Abilene, Mabel Carter of Abilene, and Misses Clara Lamar West of Waco and Irene Davidson of the Times, Hubert Harrison of the Standard, responded to calls from Hugh Nugent Fitzgerald, toastmaster, with brief talks. A five-course luncheon was served to thirty.

The opening meeting of the president's evening program was presided over by Mrs. J. A. Kemp here today. Mrs. Cooper, presiding. Greetings and talks were made by Mrs. Fred Harrison, local entertainment chairman, Mrs. Fred Harrison, Mrs. John Taylor, Mrs. Mabel Carter, Mrs. Miss Irene Davidson, and John Gould. The president's annual message was read by Mrs. J. A. Kemp, president of the association, which is one of the literary and journalistic pioneers of the state, and suggesting much that she thought of in the past year.

At the close of the day, a social program was given by the ladies, and a cordial invitation has been extended to all club women and their husbands and members of commerce members and their wives to be present.

The drive Friday morning will be from the hotel, the cars leaving at 9 o'clock. Most of the press women expect to arrive in the morning during the afternoon some time.

SEARCH FOR BODY BELIEVED THAT OF FORT WORTH MAN

TOPEKA, Kan., June 15.—Police today resumed their efforts to recover the body of a man believed to be the body of a man believed to be that of William H. Arbutckle, an oil man of Fort Worth, Texas.

Children playing on the bank of the river late yesterday found a complete outfit of clothing on a log in the water. Within the pockets were found a gold watch, 46 in cash, a number of letters and a bank book showing William H. Arbutckle had a balance of approximately \$23,000 in the Farmers and Merchants National bank at Fort Worth.

The letters found in the pockets apparently were from Arbutckle's wife, Mrs. Joe Arbutckle, and came from Los Angeles. Police here today spoke of Arbutckle's ill health which police here said indicated a possible motive for suicide.

MAN MISSING GAVE PIONEER AS HIS HOME FORT WORTH, June 15.—Fort Worth police, seeking a motive for the killing or drowning of W. H. Arbutckle at Topeka, Kan., discovered today that a man by that name has a bank account in Fort Worth for \$25, that he was frequently registered at local hotels and that he has always given Ploftown, an oil town, at his home. The man, who is known here as W. H. Arbutckle, who is known here as engaged in the oil business.

DAILY PRODUCTION OF OIL IN UNITED STATES GAINS 8,150 BARRELS

NEW YORK, June 15.—The American Petroleum Institute's summary of changes of stocks at refineries covering approximately 428,000 percent of the operating capacity of the United States for the month of May shows an indicated increase of 103,900 barrels, and an indicated decrease west of the Rockies of 229,866 barrels, making a net decrease for the country as a whole of 125,966 barrels.

Pipe line and tank farm gross domestic crude oil stocks east of the Rockies mounted to 4,927,000 barrels in May, according to returns compiled by the institute from reports made to it by representative companies of the week ending June 10. The total average gross crude oil production of the United States for the week ending June 10, totaling 1,430,920 barrels for the preceding week, the institute's weekly summary shows, is 10,000 barrels more than the 13,980,000 barrels, an increase of 1,000 barrels.

OFF AND ON AGAIN IS PRICE ON COAL AFTER CONFERENCE

WASHINGTON, June 15.—Coal operators and dealers complying with the administration's plan for the voluntary price restraint during the present strike were here today to confer with Secretary Hoover on steps for bringing into line the minority in the producing and distributing branches of the industry who have failed to co-operate.

Because of the non-compliance of the operators and dealers in some districts, Mr. Hoover said in explaining the necessity for the conference, the average spot price for bituminous coal after declining from \$2.47 to \$2.08 a ton when the voluntary plan was put into effect increased again on June 12 to 3.44.

NATIONAL GUARD IS ON GUARD DUTY IN UTAH STRIKE AREA

SALT LAKE CITY, Utah, June 15.—Two hundred national guardsmen were on duty today to enforce in the coal strike area of Utah Governor Mahony's proclamation of martial law which was issued yesterday after a mine guard had been killed and an official wounded by men firing on a train.

Three national guard units were sent to the scene last night. Major Elmer Johnson, in command, was given authority by the governor to arrest all mines in the district if that was deemed necessary to restore order. The train reported ambushed yesterday bore nonunion miners.

SAYS PROPOSED DUTY WILL INCREASE PRICE OF CLOTHING \$3 TO \$5

CHICAGO, June 15.—A campaign against the proposed tariff of 33 cents a pound on imported wool, now before the senate, was inaugurated here today by the National Association of Retail Clothiers.

Maurice J. Rothchild, a Chicago clothier, said the proposed duty would add from \$3 to 5 to every suit of clothes.

ALL OF EUROPE CENTERS HOPE ON CONFERENCE

THE HAGUE, June 15.—All Europe centered its hopes today in the opening of the international conference which is dedicated to the task of making permanent arrangements for the reentry of Russia into the concert of nations.

The at least temporary failure of the American Federation of Labor in the restoration of Germany has undoubtedly served to augment the pessimism in the minds of the delegates.

STRIKE BALLOTS OF SIX BROTHERHOODS ARRIVE AT CHICAGO

HARRISBURG, Pa., June 15.—Coal miners and operators of Pennsylvania are expected to have lost \$145,030,232 by the present coal strike in figures issued today by Dr. C. E. Clark, state commissioner of labor and industry.

The figures date from April and are from original sources. They are based on an average daily wage of \$3.00 and on the assumption that the cost of maintaining the mines while idle to the operators of \$90,000 a day.

RUSSIAN ATTITUDE SAME AS ADOPTED AT GENOA

MOSCOW, June 15.—On the eve of the Hague conference officials of the Russian provisional government informed the Associated Press that the Russian attitude at the new meeting will be the same as that adopted at the Genoa conference.

The only concessions to foreign capital possible, it is added, is on the basis of the recently enacted law regarding Russia's property.

AFTER MAN CHARGED WITH THE KILLING OF ALBERT ROBINSON; THREATEN TO RETURN TONIGHT

DRILLER HAD BEEN HELD AT OIL CITY

FORT WORTH, June 15.—One hundred armed men from Oil City, ten miles south of Graham in the Banger oil field, last night stormed the Young county jail at Graham in an effort to "secure" "Happy" Conlee, held on a charge of killing A. A. Robinson, 35, oil well driller, there early yesterday.

The mob was met at the door by John Saye, sheriff of Young county, his deputies and police officials. Sheriff Saye, in a short speech, told the mob the first man who attempted to enter the jail would be killed and that the prisoner would be removed to the county jail. Following his talk, there was a series of conversations among members of the mob. They remained in the vicinity for some time and finally about 10 o'clock they started leaving the threat behind they would again come for the prisoner tonight.

The sheriff announced this morning that Conlee is still being held in the Young county jail and that he would not be moved to any other place until the sheriff is satisfied that he is being protected by the company's anti-riot device.

KINNEY IS RELEASED BY CRIMINAL COURT AT OKLAHOMA CITY

OKLAHOMA CITY, June 15.—Ludie Kinney, who recently married Oscar Rexroat, wealthy Carter county Indian girl, was given a writ today by the criminal court of appeal at the conclusion of a hearing on his application for a writ of habeas corpus. Kinney was arrested recently in Muskogee and held for extradition to Kansas on a charge of child desertion. He was freed by the court today on a \$10,000 bond, when his application for the writ was filed more than a week ago.

The court today ordered that he be released from bond and his liberty not interfered with further on the child desertion charge. It was his father's attorney who applied for the writ. Kinney is facing a charge of bigamy. A Duncan and the court indicated this was the reason for keeping him from the state. Kinney's charge grew out of his marriage in January to Miss Rexroat. It was alleged that he married before his divorce from the late Verde Kinney had become absolute.

PESSIMISTIC VIEW
OVER TENDENCY OF
POLITICAL THOUGHT

VOICED BY SECRETARY WEEKS
AT WESTERN RESERVE
UNIVERSITY.

SAYS DRIFT GRADUALLY
WEAKENS GOVERNMENT

Declares Country Has Run Riot in
the Matter of Popular
Elections.

By Associated Press.

CLEVELAND, June 15.—A frank
pessimistic view of some pre-
dominant tendencies of American
political thought was voiced today
by Secretary of War Weeks at
Western Reserve University com-
mencement.

The war secretary declared the
drift of recent years was gradually
weakening the governmental struc-
ture by undermining the constitu-
tion and sweeping away principles
of party responsibility.

The direct primary "blow" agita-
tion and the country's readiness to
accept constitutional amendments,
the speaker intimated, were indica-
tions that the government was heading
away from its ancient safeguards
and toward complete social democ-
racy.

As one result, he asserted, in the
public mind "the legislative branch
of our national government proba-
bly never has been at lower ebb
than it is today."

Of the "blow" movement in poli-
tics, Mr. Weeks declared that when
a party comes into power promiss-
ing certain things and then finds
that groups break away from party
allegiance whenever their own in-
terests seem directly involved,
"there is an end to responsibility
of government."

In its attempt to improve upon
the work of the fathers by amend-
ing the constitution, the secretary
said the country had "failed ab-
solutely."

He added that in the matter of
popular elections "we have run
riot," and he suggested that much
of the present unrest and uncer-
tainty seemed centered in taxation
and prohibition.

By way of preface the secretary
said his philosophizing applied to
no particular party and that he
spoke as a private citizen exercising
his privilege of free speech.

Secretary Weeks quoted from
what he described as a "valuable
book" on constitutional govern-
ment, written by former President
Wilson, in which Mr. Wilson said
"a government must have organs
it cannot act inorganically."
"It must have a lawmak-
ing body; it can no more make law
through its voters than it can make
law through its newspapers."

The secretary continued:
"We have recently passed through
a great war and are experiencing
the reconstruction period following

PEKING IS WAITING
INFORMATION FROM
SCENES OF BATTLE

By Associated Press.

PEKING, June 15.—Peking today
awaited word from the fighting
areas in both north and south China
to see what new turn would be
taken by difficult circumstances
surrounding the new administration
of Li Yuan Hung.

In the north Chang Tao Lin, whose
aspirations for an independent Man-
churia with himself as its lord, have
caused him to resume armed attacks
on the central China forces under
General Wu Pui Fu. He is reported
defeated again.

What is developing in the south
where at last reports the force of Dr.
Sun Yat Sen, head of the Canton
government, were driving northward
at a great rate, is obscured. Wealthy
Chinese were said to be fleeing from
Nanchang, capital of Kiangsi
province.

An Amoy dispatch tells of efforts
Sun Yat Sen is making to effect a
reconciliation with Chen Chiung-
ming, powerful general, who recently
is credited now with caring less for
Sun's success than for peace in
China. So far no word as to the
success of these efforts has come.

Secretary Weeks declared that when

In its attempt to improve upon

He added that in the matter of

By way of preface the secretary
said his philosophizing applied to

Spirits Guided
Construction of
Railroad Lines

NEW YORK, June 15.—That
every mile of the 3,000 miles of
railroads he has built has been
constructed by following the ad-
vice of spirits and that he changed
the direction of the Kansas City
Southern and built his terminal at
Port Arthur, Texas, rather than
Galveston, which the spirits
warned him to avoid because of
coming disaster there, is the assertion
of Arthur E. Stillwell, who
says he has been president of many
railroads and was president for
seven years of the National Surety
company. Making his revelations
last night at a meeting of spiritual-
ists, he said that he had not re-
vealed his relations with the spirit
world because he did not "want
people to think him a nut."

"I have built more than 3,000
miles of railroad," he said, "and
every part of the route was deter-
mined by spirits who came to me
in my dreams and told me what
to do."

"When I was building the Kan-
sas City Southern I was warned by
spirits not to build the terminal at
Galveston because it would lead to
disaster. They told me to termi-
nate it at Lake Sabine, where I
built the terminal of Port Arthur.
Four days after the terminal was
completed the tidal wave wiped out
Galveston."

Dreams showed him, Stillwell
said, an accurate map of the coun-
try around Lake Sabine and Port
Arthur, Texas, although he had
never seen it. He found the coun-
try like what his dreams had
shown him. For years, Stillwell
said, he told only his wife and a
few intimate friends of his dreams.

Not until 1920, when his active
railroad connections had been ter-
minated, did Mr. Stillwell make
public his belief in spirit voices.
He referred to the unseen beings
which he said counseled him in
business matters and personal af-
fairs as his "brownies."

"From childhood," Mr. Stillwell
said, "I have in my dreams been in
control of those who have passed
on. I did not attempt to analyze
the magnitude of the phenomenon.

PEKING, June 15.—Peking today
awaited word from the fighting
areas in both north and south China
to see what new turn would be
taken by difficult circumstances
surrounding the new administration
of Li Yuan Hung.

In the north Chang Tao Lin, whose
aspirations for an independent Man-
churia with himself as its lord, have
caused him to resume armed attacks
on the central China forces under
General Wu Pui Fu. He is reported
defeated again.

What is developing in the south
where at last reports the force of Dr.
Sun Yat Sen, head of the Canton
government, were driving northward
at a great rate, is obscured. Wealthy
Chinese were said to be fleeing from
Nanchang, capital of Kiangsi
province.

An Amoy dispatch tells of efforts
Sun Yat Sen is making to effect a
reconciliation with Chen Chiung-
ming, powerful general, who recently
is credited now with caring less for
Sun's success than for peace in
China. So far no word as to the
success of these efforts has come.

THE WOMAN'S PAGE

First Christian Mission Women Elect Leaders

Division leaders for the year were elected at Tuesday's executive board meeting by the women of the First Christian mission society, as follows:

Division One, Mrs. J. C. Davis.
Division Two, Mrs. J. L. Downing.
Division Three, Mrs. W. R. Duke.
Division Four, Mrs. Claude Hall.
Division Five, Mrs. G. B. Rigley.
Division Six, Mrs. R. E. Strange.

Each leader and division has charge of two meetings during the year, and Mrs. Davis' division will have charge of the meeting the first Monday in July.

YOUNG VISITORS INSPIRE ROUND OF ENTERTAINMENT

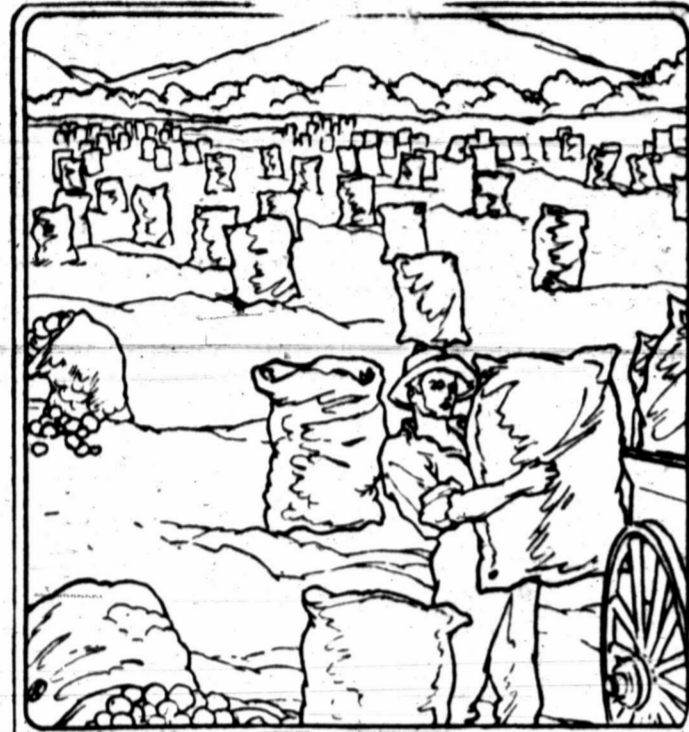

Several attractive young visitors in the city have inspired an informal round of entertainment this week, and many more exciting things in their honor are being planned.

Misses Louise and Alice McChetridge of Bentonville, who have been the guests of Miss Mabel Bundy at the M. A. Bundy home this past week, left Thursday morning for home, and Miss Dorothy Ellis, daughter of Mr. and Mrs. Albert Ellis of Huff Avenue, is leaving Thursday for Atlanta, Ga., for an extended visit with friends after a farewell party Tuesday evening, but other members of the local younger set and several visiting girls are planning to keep the ball rolling.

Among the visitors is Miss Hazel Robertson, daughter of Mr. and Mrs. John E. Robertson of Mineral Wells, who is visiting in the homes of her uncles and aunts, Messrs. Willie W. S. and S. L. Robertson, Mrs. Wiley Robertson entertained with an informal theater party Tuesday afternoon, and she is leaving for Atlanta, Ga., on Friday evening.

Sidelights on T. W. P. A. Convention

Mrs. Mamie Winnie Cox, who presided so successfully at the opening meeting of the Texas Woman's Convention Wednesday evening, is well known throughout the state for her pen contributions to various periodicals, and for her verse. Mrs. Cox has with her at the convention her sister, Mrs. Barrett of Huntsville, Texas, who is another very distinctive personality. Mrs. Barrett has been a correspondent from Huntsville for the Houston Post, as well as assistant editor, reporter, social writer and a number of other things for her own town paper, added to which she has also written some verses of merit. At a recent meeting of the Texas Poetry society in Dallas, after the convention, Mrs. Barrett read some of her poems selected among the three best.

Mrs. Decca Lamar West of Waco, chairman of the historical committee of the T. W. P. A., is well known to Texas members of the United Daughters of the Confederacy, of which she is state chairman. Miss West is a state historian who has had interesting journalistic experiences. She will be the guest of honor Thursday night at dinner at the home of Mrs. Walter R. Robertson, when the other guests will include Messdames Fred Robinson of Waco, W. R. Potter of Bowie, E. B. Magruder of San Angelo and her daughter, Miss Robertson and Miss Hazel Robertson.

Mrs. Fred Robinson of Waco, prominent clubwoman of the state as well as writer, is the guest of Mrs. Wiley Robertson during her attendance at the convention meeting up for Jessie Langdon and other wives of men in the office.

OUR FIRST YEAR

CHAPTER LXIII—JESSIE LANGDON STUBS HER BUT I TURN THE TABLES.

By a Bride

Before I was married, I never imagined there would be storms in our first year, or any other for that matter. But the lightning flashed below my horizon for most of our trip, and I was glad to get home again.

Bonny spent much time with me after our return. Her immediate interest was the management of a morning bridge party I was getting up for Jessie Langdon and other wives of men in the office.

Bonny said she came to help but I felt sure she stayed to hear me talk about Bart. They had agreed not to be engaged, she said she had urged an elopement, but Bart simply wouldn't.

Of course her heart was almost broken. She had found true love so completely satisfying. After Bart, as she had long ago hinted to me, she never could listen to any other man making love. When her father came home, maybe he could manage Bart. Her daddy could manage anybody.

Jack didn't approve of my morning bridge. I found that out too late after I had invited my guests. Jack said we simply couldn't afford to keep up with the office crowd.

That speech proved to me Jack was pretty melancholy. In fact, he came home a little bluer each night—a little quieter. Not even chess amused him.

I didn't tell him that Jessie Langdon, after accepting my invitation, had decided to leave at once for the mountains. And after she withdrew, all the others were unable to accept.

To Jack, it would look only like a temper in a teapot, but to me these cards of regret had a deep significance. I knew Jack was tremendously popular with the men at the office. And such being the case, it appeared I had failed to make a hit with the wives.

"Goodness! Isn't Jessie Langdon

Presents Voice Pupils Tuesday, Nursery Benefit

Assisting in the raising of the Day Nursery permanent home funds, Mrs. Walter R. Robertson will present two of her advanced voice students, Misses Marie Power, mezzo soprano, and Kathleen Sullivan, contralto, in a joint recital Tuesday evening, June 20.

The recital will be given in the auditorium of the First Baptist church, beginning at 8:30, and a program of exceptionally attractive selections has been arranged for the two young artists.

MRS. WAYNE HAMMOND IS HOSTESS TUESDAY BRIDGE

Mrs. Wayne Hammond was hostess Tuesday to the Tuesday bridge club, when two tables of players enjoyed the game. High score was won by Mrs. Henry Welch, and low by Mrs. John Thomas, both of whom were presented with remembrances. Mrs. Hammond served a salad course to Messdames George Woodruff, John Thomas, Marjott, Paterson, Henry Welch and Leonard French, and Misses Thelma Kahn and Florence Hammons.

Brief News Items

Misses Sybil Kell and Mattie Ruth Corlett are entertaining at 10 o'clock Friday for Miss Marjan Maer and her bridal party.

The Campfire girls of the First M. E. church, south, will enjoy a big picnic and supper Friday evening. The girls are asked to be at the church at 5 o'clock.

The Comus club oriental dance honoring the boys and girls home from college and a number of visitors, will be Friday evening.

Mrs. C. K. Mosby and children, Misses Mildred, Kathryn and Mary Lane, of 1511 Fourteenth street, accompanied by Mrs. Mosby's sister, Miss Ruby Boddie of Jena, La., who has been here the past six weeks, left today for Jena, where Mrs. Mosby and the children will visit homefolks.

Miss Lola Brown has returned from Southern Methodist University in Dallas, and will be at home this summer with her parents, Mr. and Mrs. J. H. Brown, 1210 Twelfth street.

ADVENTURES OF THE TWINS PEERABOUT LEARNS WHO IS MONKEYING WITH MOON

By OLIVE ROBERTS BARTON

Nancy and Nick went to Cob Coon's tree and telephone.

There was magic about—not a doubt of it! Chris Crow said so. Mr. Peerabout—the Man-in-the-Moon, had fixed everything for a nice clear moonlight night.

But Chris didn't want it. He wanted to dig up the sprouted grains out of—Father Smith's cornfield with his long, sharp beak. And he didn't want the Sears-Crow to see him. He told Nancy and Nick moonlight was a nuisance.

He said his friend, Comet-Legs, would fix things up for him.

Now Comet-Legs was a wicked, fairy, jealous of the Man-in-the-Moon and did all he could to spoil things. Nancy and Nick were on the lookout for this fellow.

Suddenly the moon got dim—oh awfully so, and looked as washed out as a faded button. Chris Crow was as happy as a clown.

Nancy and Nick went to Cob Coon's tree and telephone to Mr. Peerabout what had happened.

"All right," answered the Moon-Man. "I'll go to my handle-house and see who has been fooling with the handle."

So off he trudged through the Golden Forest. He had pulled out the handle marked "full moon; nice and clear." And fastened it so it would stay.

But what did he see? The full moon handle pushed back to place and a handle marked "dim-moon; pale and misty" pulled out instead. "My goodness!" cried Mr. Peerabout.

MARRIAGE A LA MODE.

Spanish love is famed in song and story, but married life is no song of freedom for the husband and wife.

He cannot go on a journey without his wife's consent and without making provision for her during his absence.

If he does not return within a limited time, the judge, on the first application of the wife, orders his return.

Just One Application and the Hairs Vanish

(Modes of Today)

A harmless, yet very effective, treatment is here given for the quick removal of hairy growths. Mix enough powdered delatone and water to cover the undesirable hairs, apply paste and after 2 or 3 minutes remove, wash the skin and the hairs have vanished. One application usually is sufficient, but to be certain of result, buy the delatone in an original package. Mix fresh as wanted—adv.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—cosmetic strength—is guaranteed to remove these homely spots.

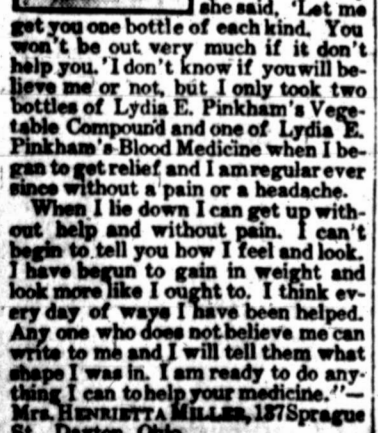

Simply get an ounce of Othine—double strength—from any drug store and apply a little at night and morning and you should soon see that even the worst freckles have been so dissolved while the freckler ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles—adv.

COULD NOT TURN IN BED

Operation Avoided by taking Lydia E. Pinkham's Vegetable Compound

Dayton, Ohio. "I had such pains that I had to be turned in bed every time I wished to move. They said an operation was necessary. My mother would keep saying: 'Why don't you take Pinkham's Vegetable Compound?' and I'd say, 'Oh, mamma, it won't help me. I've tried too much.' On any day she said, 'Let me get you one bottle of each kind. You won't be out very much if it don't help you. I don't know if you will believe me or not, but I only took two bottles of Lydia E. Pinkham's Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine when I began to get relief and I am regular ever since without a pain or a headache. When I lie down I can get up without help and without pain. I can begin to tell you how I feel and look. I have begun to gain in weight and look more like I ought to. I think every day of ways I have been helped. Any one who does not believe me can write to me and I will tell them what shape I was in. I am ready to do anything I can to help your medicine.'—Mrs. HENRIETTA MILLER, 187 Sprague St., Dayton, Ohio.

MANY CANDIDATES ON STATE BALLOT.
While there appears to be some lack of interest on the part of the voters in the candidates for nomination on the state ticket, from the number of names on the ticket there appears to be a very likely interest on the part of the candidates themselves.

Attorney General: W. A. Keeling, Travis county; Railroad Commissioner: Allison Mayfield, Grayson county; J. C. Mason, Taylor county; Comptroller: Lon A. Smith, Rusk county; William M. Woodall, Nolan county.

CAMPAIGN HAS BEEN ONE OF THE MILDEST IN RECENT YEARS.

NUMBER OF NAMES OF WOMEN ON THE BALLOT

Three Parties Have Filed Candidates For Various Offices To Be Elected.

ST. PAUL, MINN., June 15.—Minnesota's electorate will nominate party candidates for congressional and state offices in the state-wide primary election, June 19, after one of the mildest campaigns in recent years.

While interest in the primary was materially lessened by the workings of the new party convention law, under which state conventions of each of the major parties endorsed candidates for the various offices, subject to the primary, yet the appearance of a number of women's names on the ballot is caused much speculation as to the result.

Candidates endorsed by the party conventions go on the primary ballot with this fact stated after their names, while those filing for the same offices are entered as "independents" candidates for the nominations they seek.

Three parties have filed candidates for the primary: republican, democratic and farmer-labor, the last named including factions allied with the national nonpartisan league, which in previous campaigns has sought to capture the republican nominations.

While in some cases independents have filed for nominations in opposition to convention-endorsed candidates, only on one office—the United States senatorial democratic nomination—is a close fight looked for generally.

LACKS TWO POINTS OF STRIKING 100 MARK WEDNESDAY

The sun tried hard Wednesday to force the mercury to the 100 degree mark and failed by but two points.

Early in the afternoon the mercury rose to 98 degrees and remained at that station for practically three hours.

Although the temperature was two degrees warmer than the day before, it was not quite as uncomfortable as a light breeze kept blowing the entire afternoon.

During the night locally the mercury receded to 79 degrees. At Childers the railroad agent reported a maximum temperature Wednesday of 92 degrees.

All agencies in their weather reports Thursday morning stated that the skies were clear and that a light southwest wind was blowing.

NON-JURY CIVIL CASES SET FOR WEEK OF JUNE 26

BYERS ROAD BOND ELECTION NOT TO UNDERGO CONTEST

No suit to contest the road bond election in the Byers precinct will be filed by opposing property owners.

It was learned Thursday at the law offices of Weldon, McDonald & Cummings, who have been looking into the matter, it was recently announced that the contest would be filed but it has since been decided not to fight the issuance of the bonds.

The contest was to have been made on the claim that persons not entitled to vote participated in the election.

The bonds, amounting to \$104,000, are to be used to construct a system of gravelled roads between Byers, Charlie and Thornberry, in the northwestern precinct of Clay county.

SMITH DRUG STORE

Make Remarkable Offer to Any Person in Wichita Falls Who Is Weak, Sick, Nervous or Run-Down

It is Now Possible for You to Come to This Store, Buy a Regular \$1.10 Package of Nuxated Iron, Use It for Two Weeks, and if at the End of That Time You Have Not Received All, and Even Greater Benefits Than You Expect, Simply Bring the Wrapper Back to Smith Drug Store, and We Will Cheerfully Hand You Back Your Money.

Wichita Falls people may well ask how we can afford to make this remarkable "Satisfaction or Money Back" offer. Medical examinations by physicians all over the country show that an amazing number of people lack 100% iron in their blood.

At a recent conference, Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (out door department), New York, and the Westchester County Hospital, said: "Without iron, the blood becomes weak, thin, pale and watery. In many people this seriously weakens their vital organs so to speak, to believe that they have heart or stomach trouble, kidney disease, nerve force exhaustion or some other serious ailment. I have had people come to me thinking they had heart trouble, because they often had pains and palpitation of the heart, sudden dizziness, faintness or spots before the eyes. In a great many of these cases, the moment iron was supplied, all of these symptoms disappeared." We make this offer because genuine Nuxated Iron contains true organic iron like the iron in your blood. So many people are deficient in iron who would surely be benefited by this remarkable remedy, that we recommend that you come right to Smith Drug Store and get your bottle of Nuxated Iron—the iron for two weeks, and note the improvement in your own case in strength, energy and endurance. If you are not more than surprised at the results, just bring back the wrapper and we will promptly refund your money without question—adv.

SULPHUR IS BEST TO CLEAR UP UGLY SKIN

Irritation and Breaking Out Often Healed Over Night, Says Skin Specialist.

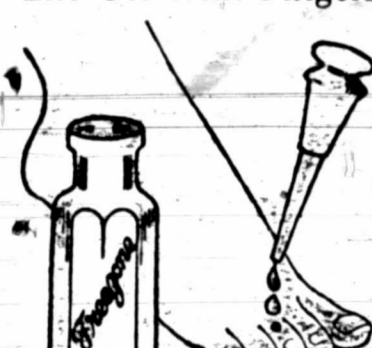

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Mentho-Sulphur may be obtained at any drug store. It is used like cold cream—adv.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly, you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn or corn between the toes, and the callouses, without soreness or irritation. (adv.)

Some Consolation For the Spinsters; Ideal Age Is 28

CHICAGO, June 15.—"Old maids need hang their heads no longer.

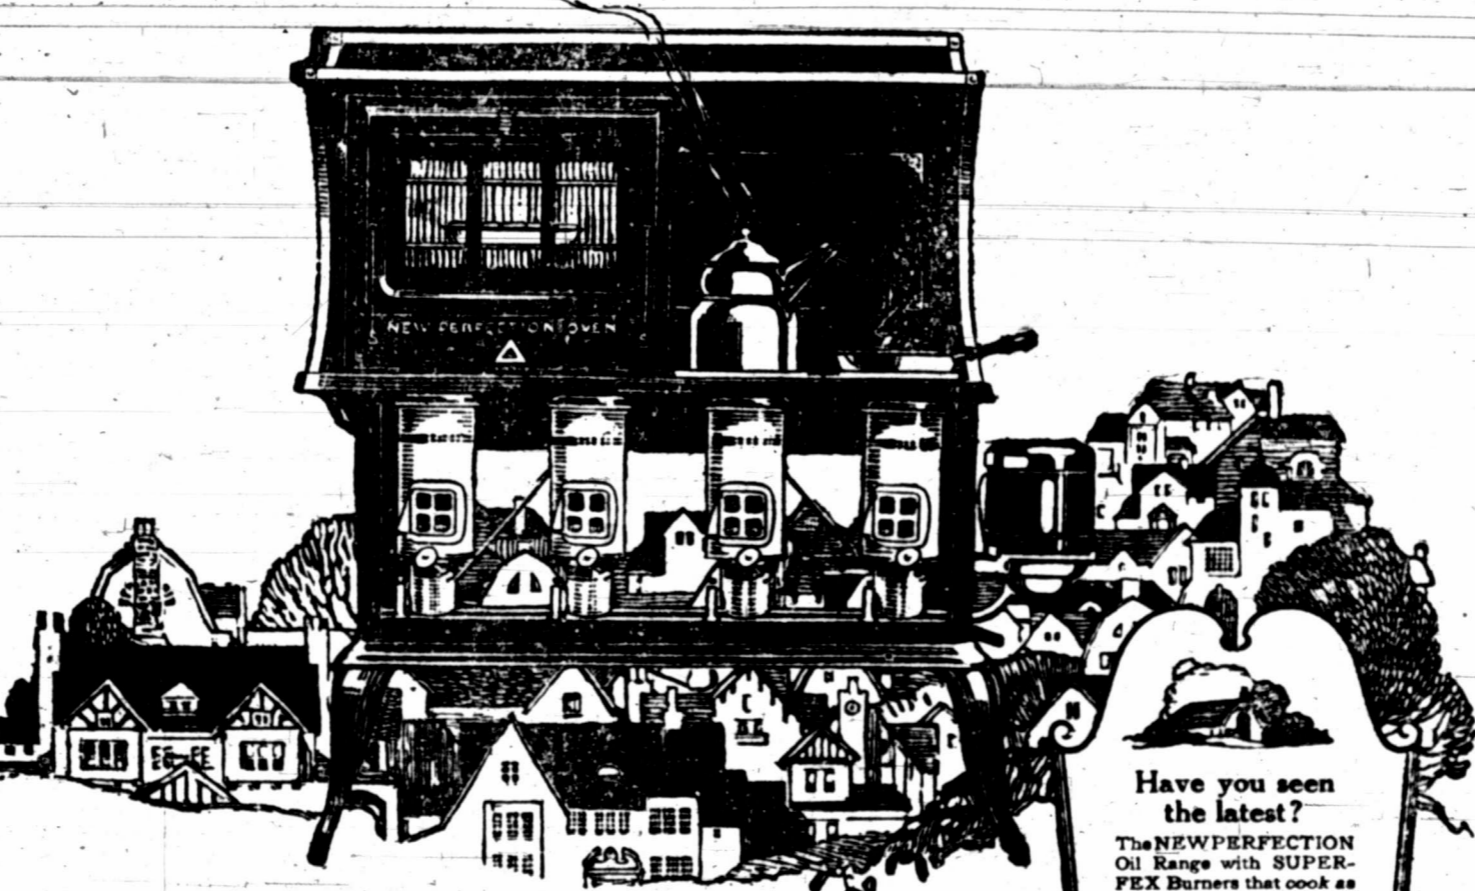

The ideal age for a heroine of moving picture romance or of love stories generally is today 28 years, an age that only a few days ago was regarded by the general public as fitting a woman definitely in the ranks of confirmed spinsterhood. This is the conclusion made from a careful study of the 27,000 love stories which the city public, snatched from all walks of life, wrote for the scenario contest recently conducted by the Chicago Daily News. Representing not what scenario and magazine editors or writers guess the public's choice to be, these manuscripts were first hand information on the actual tastes of the people who buy books and who attend moving picture exhibitions.

"Striking unity among the nationally scattered contestants upon the subject of the heroine's age is among the first things to be noted by the judges," said James Shroyck, director of the contest, today, announcing the facts as brought out by the competition. "It is too general to be accidental and represents, undoubtedly, a country-wide change in ideals."

"Few of the heroines are in their teens, only a handful are in their early twenties, the great majority are around 27 and 28, the authors seeming to regard this age as woman's best and woman as more beautiful, intelligent, poised and attractive than previously. The judges declared that the age of the ideal heroine had been advancing steadily since the 1870's when a girl of 16 or 17 was regarded as romantically perfect."

"The judges explain this by citing woman's entrance into industry, politics, education and by pointing out that woman today refuses to grow old and takes better and more intelligent care of her beauty than she did in early periods. In the stories written by women, 50 per cent of the total, the heroines were on the average four to five years older than in the stories written by men."

FISK CORD TIRES

USE your judgment in tire buying. A tire that does not show strength and a springy resistance when flexed under hand pressure will not give adequate endurance under road wear. Fisk Cord Tires are remarkably resilient. Also they are big, good-looking tires with a deep-out button tread which offers security on wet roads and pavements.

There's a Fisk Tire of extra value in every size, for car, truck or speed wagon.

GROUND SUDDENLY SINKS IN COUNTY COURT HOUSE YARD

Last week the wires carried the dispatch of the sudden sinking of a large section of a wheat field in Kansas, leaving a crater some twenty feet in depth. The cause was undetermined.

During the night Wednesday a section of the court house yard went through the same action. Thursday morning D. D. Garrett, yard man at the county building, discovered a deep hole in the front yard some forty feet from the south entrance.

It was only Wednesday evening that Mr. Garrett cut grass over the identical spot with the large gasoline roller and combination lawn mower.

The sod was punctured but in one place leaving a gap of about six inches by a foot. Underneath, however, a patch of ground five by two feet has sunk down four feet.

Perhaps there was a quake of the earth during the night that caused this ground to sink. Mr. Garrett also explained that perhaps a storm sewer passed underneath this spot.

REVIVAL SERVICES NORTH SIDE METHODIST CHURCH

"Go in this thy might, and thou shalt save Israel from the hand of the Midianites. Have not I sent thee?" These reassuring words found in Judges 6:16, constituted the text chosen by Evangelist Hand in bringing a soul-winning message at the revival services in the North Side Methodist church on Wednesday evening.

The minister recounted the daring and apparently impolitic measures Jehovah had directed Gideon to use in achieving a signal victory over the enemies of Israel. The confirming of Gideon's faith with a wet-dry fleece, the drastic blow to the community Baal worship, the singular selection of 300 alert fellow warriors, the bold strategy of surprise that utterly routed the large army of Midianites, were each happily commented upon, pressing home to the minds and hearts of the hearers many salient and worth-while principles in their religious service.

The sustaining interest in the services is very encouraging. The general public is urged to hear these deeply interesting and instructive discourses of Mr. Hand—W. A. BETTS, Pastor, 408 Bridge street.

JUBILEE SINGERS ENTERTAIN ROTARY MEMBERS THURSDAY

The jubilee singers from the Gilmer Orphanage entertained the members of the Rotary club at luncheon Thursday, and entertained them so well that the members usually prompt to quit at adjournment time, permitted themselves to stay nearly half an hour overtime to enjoy the collection of popular songs and old-time spirituals that was rendered. W. L. Dickson, superintendent of the orphanage, told the Rotarians that the children worked like they sang.

Dudley Ellis of the Burk Burnett club, which is just organizing, was guest at the luncheon. Police Commissioner Ellis was also a guest and heard some nice things said about himself. C. C. McDonald, a new member of the club, was introduced to the membership, and happily expressed his appreciation at being made a member.

DISTRICT RECORDS 3000-BARREL GAIN IN OIL PRODUCTION

Another substantial gain in the production of the north and central Texas oil district is shown in the weekly report of pipe line runs. The Electric continued to gain, a 1,700-barrel jump bringing the daily average for that pool to 17,750 barrels. Eastland and Young counties also registered increases. The figures by pools are:

HIGH SCHOOL PRINCIPAL IS COMING THIS MONTH TO MEET HIS NEW JOB

A. N. Marquis, recently elected by the school board to be dean of the junior college and principal of the high school, will arrive here late this month to get acquainted with his job. It was learned Thursday.

Mr. Marquis will not take up his residence here until the summer normal at which he is teaching completes its work.

He will have two titles, one being dean of the junior college, and the other principal of the high school. While the buildings for the junior college are under construction, Mr. Marquis will be making preliminary plans for faculty appointments and organization.

PRESIDENT UNABLE TO ATTEND COMMENCEMENT

WASHINGTON, June 15.—President Harding, who has had under consideration for several days in invitations to go to New England next week to attend the Yale and Harvard commencement exercises, informed Senator Lodge of Massachusetts today that he believed it would be impossible for him to make the trip. The senator called on behalf of the two universities to urge the president's acceptance of the invitations.

INDIAN TERRITORY WALKING CANE IS INTRODUCED HERE

The Indian Territory walking cane has made its appearance locally. Wednesday afternoon it was in evidence at the ball park. Thursday

morning it was in the hands of state officers.

Chief of Police J. W. McCormick noticed a man, rather young to be using a walking stick, seated among the spectators at the afternoon's matinee at the ball park. The owner was particularly careful with the cane.

A silver plated band about an inch wide connected the curved handle with the long end of the cane.

The chief approached the man and asked permission to see the cane. One wrench on the handle revealed that it turned smoothly. Chief McCormick kept turning and finally the end of the thread was reached. Protruding beyond the end of the check,

straight part of the cane was a glass tube, a half inch in diameter with a neatly fitting cork stopper in the end.

The tube is approximately 38 inches in length and is estimated will hold at least three good drinks. The drink was also present in the tube.

A B. V. D. CORRECTION

We recently advertised in the Daily Times "Men's Unions B. V. D. Style" to describe garments that did not bear the red woven "B. V. D." label. This was an error as "B. V. D." is not a style or type of or descriptive term for athletic underwear; "B. V. D." is the trademark of The B. V. D. Company.

The B. V. D. Company, having complained of this use of its trade-mark, we wish to say that hereafter, so that we may not injure The B. V. D. Company and so that the public may receive the right service, we will only refer to the trade-mark "B. V. D." to a variety goods bearing the red woven "B. V. D." label. We have no desire to infringe in any way on The B. V. D. Company's trade-mark rights.

Spudder Battery In Great Form As Crabs Lose; Miller Injured

By PAUL W. LARKIN. To George ("Lightning") Bischoff, primarily, and Hubert ("Hub") Perdue, secondarily, go the honors of the Spudders' second successful victory over Dan Giff's Sand Crabs Wednesday afternoon at Athletic park. Yea, ho, the youngster and the veteran had the day all to themselves. The old man, who is apparently in his second childhood these days, twirled magnificent ball while his battery mates continued on his terrific lead...

The sixth ruined their chances to score. The Crabs got two men on in the sixth, but a couple of pretty catches by Bischoff halted the threatening rally. Lee pitched his off the seventh with a Texas leaguer to left, but never got beyond first base while the locals went out in one, two, three, three again.

GIANTS 5, BEARS 2

DALLAS, TEXAS, June 15.—Four singles in the first inning gave Dallas a lead over the veteran Bob Couchman that San Antonio could not overcome and the locals won, 5 to 2. The visitors in the ninth when Reid walked three players.

EXPORTERS 2, GASSERS 0

SHREVEPORT, LA., June 15.—Jacobson had it all his own way and the Gassers bunched did well to get the three hits credited to them. The Exporters' two runs in the first won the game 2 to 0. Hollifield was spiked in the second inning and forced to retire. Score: Exporters 2, Gassers 0.

BUFFS 4, PANTHERS 5

FORT WORTH, June 15.—Effert's home run in the ninth frame with two men on base late to do Houston any good and Fort won 5 to 4. Errors played a large part in the scoring up to the ninth. Effert's double play with three men on in the fifth was a batting feature, as was Kraft's homer in the second. Wachtel pitched intelligibly but was late to frame, when DeNoville singled. Doyle walked and Effert hit one into the right field stands. Score: Buffs 4, Panthers 5.

M'MANUS IS REAL KEY TO THIS BROWNS' CLIMB

MARTY M'MANUS

True to the predictions of the baseball experts, the St. Louis Browns are setting a fast pace in the American league. The team is well managed. That is always essential. It is a club chock full of harmony. It has a number of stars who work for the interest of the team. They add color and strength to the club. At first there is the incomparable Siler, back of the bat the high-class consistent catching of Severeid and leading the pitchers is the brilliant Shocker. At short the sensational "Whisper" McManus.

Sport Shots

Great Series Coming. Guess the Salmites will have to wait until July 2 before overhauling over, watch the course of the ball. Half lead seems to be a tough one to overcome.

Back Knew It

The second Hack Ebel met the sphere in the eighth chapter, he yelled "There she goes." He didn't even watch the course of the ball. He could tell by the feel of the bat. He was right. She went. When Perdue came back to the bench he declared that Hack's drive was probably the longest drive ever made off him. "When that boy can sure sock 'em," said Hub as he shook his head.

Thirteen For "Black"

When Bischoff singled in the fifth it made the thirteenth consecutive game in which he had collected at least one blow.

A Great Improvement

Not only did "Lightning's" home break up the ball game, but his defensive work prevented a loss. George turned in his greatest exhibition of backstopping that he ever did at the local ball yard. His pegging was deadly and his catch on the mound, but Walker, who also played late has been a revelation. It has always been known that he could while the apple, but his catching until recently has been an unknown quantity.

Tex Kites Himself

Tex McDonald said he felt out of place in the garden, but his work didn't show it. As soon as he gets accustomed to his territory, he'll make 'em all hustle.

Only Nine Men Allowed

If Tex takes care of his new berth during Miller's absence as he, there'll be no kick coming. He'll do it, too. Every man on the squad is fighting to get in there every day, but the rule call for only nine men and someone necessarily has to be out of luck.

Miller's Injury

Miller's injury, coming as it does on the eve of the second southern invasion, doesn't brighten matters. Ebel's was of a different nature, but he is expected to be out over 10 days. The difference in some ball players' Some will hit the dirt to make assurance doubly sure, while others won't ride on a close play. If there ever was a pitcher who would go the limit to win, it's Jake Miller.

Lee Surprised Fans

Harry Lee must have been sick. He didn't lose his temper once. That's what he did. He packed everything off with a smile. Harry is a great pitcher as long as he keeps himself under control and keeps his head in the ball game.

Real Pitching

The Spudders, by the way, have been some extra good in the last two days. They've had some classy hurling themselves. That's the reason.

Thrash Back

Jimmy Thrash is having another opportunity to make good in the big league. He had a couple of opportunities with the Spudders, but was burned back to Sweetwater owing to an abundance of outfielders here. Thrash has plans to give him all the chance in the world and it would not be surprising if he stuck this time. He's the class of the West Texas outfielders.

Sewell Wins Another

Jim Sewell, greatly aided and abetted by the local fans, Salm charged, hung up another victory for Clouds Wednesday. The veteran won 4 to 3, a home run by Holloway with St. Louis 4 to 6.

Specker Rewarded

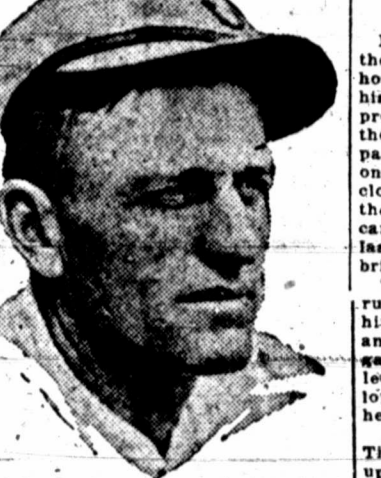

Tris Specker was rewarded a major portion of the Cleveland stock, following the death of Jim Dunn. If any player and manager was deserving of such a reward for faithful service, Tris was.

Speaking of Hitters, How 'Bout Daubert?

Jake Daubert, first baseman of the Cincinnati Reds, at 27 years of age, is making all the young players in the National league sit up and take notice when it comes to consistent hitting this year.

Daubert this season got away to the worst start any major leaguer has made in years. It was on his twenty-sixth time at bat in his eighth game that he made his first hit of the year.

Once he started, though, the old boy didn't know when to stop. He erased his seven-game slump with a streak on which he hit safely in 22 consecutive games, making 22 hits in 77 times at bat in those games.

Charley Ebbets, owner of the Brooklyn team, and a man who doesn't bear Daubert very much love, was with his team when Jake was getting his streak around the 30-game mark. Ebbets offered a half a million dollars to buy him out of the team.

But they stopped Jake for only one day. May 16 was an open date and May 17 he was off again on another streak which lasted six games and in which he made 12 hits in 29 times at bat.

He then was stopped for one day, after which he started a third streak which numbered 14 straight games and on which he made 27 hits in 80 swings. He has been safely in 42. His hitting has been timely, too, and has played a big part in changing the Reds from the child outfit to a contender for the league leadership.

AMERICAN LEAGUE

White Sox 6, Athletics 5. CHICAGO, June 14.—Chicago defeated Philadelphia 6 to 5 in a free hitting contest today. C. Walker of the Athletics drove out his eleventh home run of the season. Ernie Johnson was hit by a pitched ball on the ninth and had to retire from the game.

Score by innings: R. H. E. Philadelphia 101 120 98x-5-11-1. Chicago 100 100 100x-3-10-1. Batteries: Helmsch and Perkins; Faber and Schalk.

INDIANS 2, RED SOX 0

CLEVELAND, June 14.—Cleveland bunched its four hits with Collins' only base on balls and won a pitcher's record on Boston 2 to 0 today. Score by innings: R. H. E. Cleveland 000 000 000-3-4-1. Boston 001 001 10x-6-10-1. Jones and DeForest; Coveleskie and O'Neill.

TIGERS 6, YANKEES 2

DETROIT, June 14.—Detroit hit in the pinches behind Olsen's steady pitching today and defeated New York 6 to 2 in the opening game of the series by innings: R. H. E. Detroit 000 000 000-6-8-0. New York 000 000 000-3-4-1. Jones and DeForest; Coveleskie and O'Neill.

BROWNS 7, SENATORS 6

ST. LOUIS, June 14.—The Senators took a five run lead on the Browns in their first game here today and lost when Siler's homer in the sixth tied the bases full but the local hero drove for a final score of 7 to 6. Pruett, who finished the flinging for the Browns, is credited with a no-hit victory.

EXPECT NEW HOME RUN RECORD IN MAJORS THIS YEAR

NEW YORK, June 15.—Even though Babe Ruth is not setting the home run pace this season, due to his belated start, the major leagues promise to pass the 1000 mark for their collective efforts if the present pace is maintained. The season is one-third gone, but 244 circuit clouts have been registered—155 in the National and 89 in the American—and the opportunity to eclipse last year's mark of 935 seems bright.

The Giants registered five home runs yesterday and a total of 18 hits in swamping Pittsburgh 13 to 9. Increasing their lead to five full games over the Pirates. Snyder collected two and Irish Meusel walked out his seventh. Phil Douglas held his rivals busy in check.

Harry Heilmann of the Tigers and Tillie Walker of the Athletics hung up their eleventh circuit blows. The Detroit starter aided his team to take the first game of the series from the Yanks, 6 to 2. Sam Jones dropped his seventh straight start on the mound, but Walker, who also straddled two other hits, could not stop his club's losing streak and the White Sox won 6 to 5 with Faber pitching.

George Sisler's homer with the bases loaded featured a St. Louis rally that enabled the Browns to nose out Washington. The Braves experienced a sudden reversal in form after a brilliant winning streak and were victims of a Chicago slugfest, 15 to 2, with Stars starting at bat and afield while Dazzy Vance and a rearranged Brooklyn lineup checked St. Louis 4 to 6.

Coveleskie outpitched Rip Collins and Cleveland blanked Boston 3-0, but the victory cost the Indians the services of their hard hitting second baseman, Stephen, who sustained a mashed finger and will be out of the game for some time.

DOYLE FINALLY RETURNS TO BEAUMONT CLUB

BEAUMONT, TEXAS, June 15.—Jimmy Doyle, second baseman of the Beaumont Texas league team last year, has returned to the fold, according to announcement made public by Joe Mathes, manager of the Beaumont Exporters.

Manager Mathes has wired for Doyle's reinstatement and it is expected that his name will appear on the Exporter's lineup during the Shreveport series. Doyle played in 142 games last year in an Exporter uniform, batting .349 and fielding .946. He gathered 124 hits for 152 bases.

HOMER SAVES RECORD

TOLEDO, June 14.—With a world's record of 232 consecutive games without being shut out, followers of the Minneapolis team were given a scare when in the first inning of yesterday's game with Toledo, the Millers failed to score. In the ninth inning, however, Macke poled a home run, bringing the record to 232 games. Today's game ended Minneapolis 2, Toledo 6.

VARSITY AND LEGION STAGE ONLY REAL TWILIGHT BATTLE

The Pond Laundry was handed a forfeited game in the Twilight league Wednesday when the Shriners failed to show up with enough players to constitute a team. It will not happen again, however, if Manager Al Ellis can prevent it. Al has gone on record as declaring that the Shriners will take no trips for out of town games in the past unless they show up for league games.

The American Legion lost a soggy contest to the Universal club by the score of 9 to 8. Four Legion hurlers attempted to stop the Varsity boys, but it was useless. Sanford saved the day for the ex-colleagues by his airtight twirling in the pinches.

Errors by the First Christians were largely responsible for the 26 to 1 defeat of the Baptists, 13 to 5, with Lewis on the hill. The game went only sixteen innings and 14 of the 18 men retired by Lewis went out on strikes.

The Mill and Elmer outfit easily defeated the Baptists, 13 to 5, with Lewis on the hill. The game went only sixteen innings and 14 of the 18 men retired by Lewis went out on strikes.

HANDICAP EVENTS PROVE POPULAR

New System Expected to Increase Attendance at Weekly Shoot Friday Morning.

The sliding scale handicap, used at the local traps for the first time last week, promises to be quite popular with the members of the Wichita Falls Gun club, who were unanimously in favor of the new system of determining the winner of the weekly trophy. The 97 percent of the members who were present under the new system and experienced far more difficulty in getting their targets than when shooting exclusively from the 16 yard mark. Such shooting is more accurate and wasn't so fortunate last week. Nabb won the trophy, but his score of 45 was high while Adams crashed only 41 as did Adams.

This week's shoot will be held Friday morning in accordance with the usual custom while the baseball club is at home any many of the lesser lights are expected to turn out. They realize they have a good chance to cop high score.

Discovery has been made of several caves in New York where it is believed Indians made their homes among the cliffs.

TIMES DAILY MARKETS

COTTON MARKET.

New York Cotton.
NEW YORK, June 15.—The cotton market showed the influence of more favorable weather conditions and expectations of an improving crop outlook the opening again today. First prices were steady at an advance of 2 points on July, which was influenced by the relative firmness of near months in Liverpool, but generally 2 to 3 points lower. Spot houses and Liverpool sold July, which eased off from 21.25 to 21.15 right after the call and the general list soon showed net losses of 17 to 21 points with October at 31.60 and December at 31.25. There was some buying on the decline on the view of some traders who were inclined to look for unsettled conditions in the southwest.

There was liquidation by early buyers during the afternoon owing to favorable detailed weather reports and the failure of unsettled weather prospects to develop more clearly in the southwest. October sold off to 21.25 or 34 points net lower, and the market within 4 to 7 points of the lowest around 2 o'clock.

The bulge on the talk of unsettled weather prospects for the southwest carried the market up to 21.37 for October and 31.75 for December within 5 to 7 points of yesterday's closing quotations. The buying was not generally for the near months, but several points later when trading was comparatively quiet.

NEW YORK STOCKS

NEW YORK, June 15.—Renewed covering of the short contract was prompted at the opening of today's stock market by the unexpected reduction of the Bank of England discount rate. Studebaker was again the most conspicuous figure, 4,000 shares changing hands at an extreme advance of 1 point. Mexican Petroleum, Coca Cola, Mack Trucks and several of the major falls also strengthened. Mercantile Marine preferred was the only weak issue, making a further decline of 14 points on the unfavorable outlook for the shipping trade.

Mercantile Marine preferred, Standard Oil of New Jersey, Studebaker, Crucible, American Car and some of the railroads showed gains of 3 to 7 1/2 points before moderate rallies set in. The closing was heavy. Sales approximated 1,140,000 shares.

ADRIAN AWARDED CONTRACT TO BUILD NEW GRANDSTAND

Bert Adrian, local contractor, was awarded the contract to build the new baseball grandstand at Athletic park by the Wichita Falls Baseball association Thursday. Mr. Adrian stated that while he did not expect to have the stand completed by the time the team returned from their next southern jaunt, there would be seating capacity for all those who would attend the first few games.

High-Class Stock Company Coming To the Majestic

On next Monday night, June 19, the Roy K. Fox Stock company will open up an indefinite engagement at the Majestic theater. The Fox Stock company numbers 25 people, consisting of high class dramatic stock people; also vaudeville and musical artists. Nothing but good, interesting stories will be produced by a very capable company under the direction of Leon (Jim) Bostwick, who will also be seen in the leading role.

Willard Claims Champ Is Ducking A Return Match

LOS ANGELES, June 15.—Jess Willard, former heavyweight champion pugilist, in a statement published today by the Express, accused Jack Dempsey, present champion, of "ducking" through his manager, Jack Kearns, a return match. Willard's statement which local sport returns consider an open challenge to Dempsey, sets forth Willard as at one time signed up with "Tex" Dempsey, who was to fight him in a return match. Many thought it was in condition at Toledo. "I haven't alibied my defeat at Toledo. I was beaten fairly and squarely, but I was never tendered a return match. Many thought I was in condition at Toledo. I wasn't, but that was my fault, and that is one of the reasons I want another chance at Dempsey. I can beat him if properly conditioned and the only way I would meet him would be with the understanding that I have four months in which to train."

"I believe I am entitled to another match and will work hard to win. There is not any reason why Kearns and Dempsey should not come to terms. I have a understanding with Rickard, and we could agree on a proposition tomorrow, so the next move is up to Kearns."

TWO CANDIDATES FOR PRESIDENT DRUGGISTS

FORT WORTH, TEXAS, June 15.—Two distinct booms for president loomed at the morning session of the Texas Pharmaceutical association convention.

Marvin C. Anderson of Fort Worth and J. W. Collins of Amarillo, incumbent, who is serving the unexpired year are classified as contenders for the 1923 convention.

The names of W. Arthur Skillem of Dallas, R. J. Murphy of Paris, L. C. Curlin of Waxahatchie, August Toul of New Braunfels and J. L. Williams of Amarillo were included in the report of the committee on nomenclature and having died during the last fiscal year of the association.

Texan Is Given a Piece of the Tree Of Civil War Fame

Special To The Times.
WASHINGTON, June 15.—A giant oak tree shot down during the battle of Chancellorsville, the stump of which is preserved in the Smithsonian Institute, proved a magnet today for Col. L. A. H. Smith of Station, Texas, veteran of the Civil war. Col. Smith, as a member of the First South Carolina Volunteers, saw the tree shot down and his interest was so manifest that the custodian of the museum gave him a piece of the tree trunk as a memento.

Col. Smith, who served throughout the Civil war, is enroute to Richmond to attend the reunion of Confederate veterans.

SHRINERS CONCLUDE BUSINESS SESSIONS OF GOLDEN JUBILEE

SAN FRANCISCO, June 15.—Members of the Golden Gate lodge entered its fourth day of the file of the scarier fox. With the jeweled cavalcade of last night's parade sparkling in memory and the illuminated historical pageant to anticipate as the crowning feature of tonight's program, the throng of visitors gay in raiment and spirit, had scheduled a day of varied entertainment. Business of the golden jubilee was concluded yesterday.

Wives and daughters of the imperial officers escorted by a group of Islam temple hostesses were to journey over San Francisco bay to Sausalito and over the crooked little railway which leads to the summit of Mount Tamalpais. Other nobles and their wives were invited to Yerba Buena, naval training station. The program also called for a massed review of bands, patrols and more than 4,000 nobles at Golden Gate park. In the massed band concert a monster music making aggregation of 4,000 pieces will answer the wave of a single baton.

The grand pageant, the last parade of the jubilee tonight, will present the history of Masonry from its inception many centuries ago to present times. It will be followed by a monster fireworks display at the civic center.

FILIPINOS TO PRESENT PLEA FOR INDEPENDENCE

WASHINGTON, June 15.—One of the "strongest demands yet made for immediate and absolute independence" will be presented to President Harding Friday by the Philippine parliamentary mission, members of the delegation declared. The mission is composed of twenty-eight leading Filipino statesmen who were accompanied to Washington by an imposing entourage of attaches and technical advisers. The party arrived Wednesday headed by Manuel L. Quezon, president of the island republic.

NEW ORLEANS COTTON

NEW ORLEANS, June 15.—Better cotton caused a rise of 1 to 1 1/2 points at the opening of the cotton market today, but the rise was not maintained because of the continued warm and dry weather over the belt. Many points were raised in that cultivation of the crop was making strong progress and such reports encouraged selling. At the end of the first hour of trading prices were 18 to 21 points under the close of yesterday's market at 21.25. At the July trade at 21.25.

Weakness in the stock market caused sympathetic selling of cotton and there was also selling on dispatches from Corpus Christi claiming that the movement of cotton from that section of Texas would be fairly large in the first week of July. In the first hour of trading prices were put to net declines of 24 to 30 points, July falling to 21.15.

The market settled down to a very steady tone with more favorably crop accounts being reported by reports of a good spot demand which was being met by very slender supplies. American spot cotton market stood at net losses of 3 to 12 points with July at 21.15 and net declines of 3 to 10 points.

GRAIN AND PRODUCE

CHICAGO, June 15.—Forecasts of cooler weather in the southwest turned wheat prices down to lowest day after a brief display of strength at the opening. Initial gains were due to continued crop reports, but conditions of winter wheat, but prospects for cooler temperature acted quickly as more than an offset.

Good rains in the spring crop belt counted also as a bearish factor. The opening, which ranged from 1 to 1/2 to higher, with July 11.25 to 11.15 and September 11.15 to 11.10, was followed by slight further gains and then by a setback all around to well below yesterday's closing values. The close was unsettled, 11 to 1/2 to net lower, with July 11.09 to 11.00 and September 11.11 to 11.00.

Corn followed the changes in wheat. After opening to off to 20 advance, July 11 to 11.10, the market underwent a series of changes.

The corn market was later depressed to an additional extent by a break in oats prices to the lowest level yet this season. The close was nervous, 1/2 to 3/4 to net lower, with July 11.00.

Unfavorable crop reports gave strength to the oats market which opened 1/2 to 3/4 to higher, July 25 to 25.00, and later scored slight additional gains before beginning to react.

Provisions were firmer in line with the hog market.

MR. AND MRS. DOWDY ENTERTAIN FOR GUEST
 Mr. and Mrs. G. R. Dowdy entertained with a picnic supper and swim at Haven park Wednesday night in honor of their house guest, Miss Mary Kewen. Those who enjoyed the outing included Messrs. and Mesdames E. G. Parker, L. O. Smith and Curtis Parker, Mrs. C. R. Roberts, Misses Emma Carter and Marjorie Stone, and Messrs. Frank Cannon and H. W. Roberts.

Name Determines Real Tire Value

You cannot tell in advance from outward appearance, the mileage a tire will deliver, but you may judge it from the name on the sidewall.

Because the name Firestone is giving its most definite assurance of Most Miles per Dollar this year, it is influencing a greater following than ever.

It spells a two-way saving few can afford to neglect. It means more miles than could ever be bought before. And it means the lowest price at which quality tires can be legitimately sold.

It assures too, the most reliable construction the industry has produced—the staunch, double gum-dipped cord carcass where friction is reduced to the minimum and strain under load is evenly distributed by a superior method of curing on air-bags.

The sales of Firestone Cordals naturally are mounting constantly, for new users everywhere are beginning to enjoy the mileage which has for years been the dominant Firestone characteristic. You can buy Firestones now at lower prices than ever in the past.

The construction view shows how the air-bag, under 300 pounds pressure, holds the carcass tight during the curing and the 'gum-dipping' process—a big secret of the Firestone advantage.

ASK GOVERNMENT FOR SOIL SURVEYS FOR IRRIGATED LAND

DISTRICT DIRECTORS WANT TESTS MADE BEFORE PROJECT IS FINISHED.

LEARN POSSIBILITIES OF EVERY SECTION

Federal Department of Agriculture Will Be Asked to Furnish Expert Analysis.

Aid from the federal department of agriculture in making a soil survey of the irrigated district is being asked by the chamber of commerce, which has written Congressman Guinn Williams to start the necessary machinery to turning.

Such a survey, it is felt here, is a piece of preliminary work in connection with irrigation that should be undertaken at once by government experts. These will study such matters as the fertility of the soil, its suitability for certain crops, the need of fertilizers and the sort of cultivation that will be productive of best results.

NORTHWESTERN IS PUTTING 75 MORE MEN ON PAY ROLL

Superintendent F. W. Grace of the Wichita Falls and Northwest railroad reported Thursday morning that within the next few days not less than 75 additional men will be put to work and listed on the payroll of the company.

A new pile driver and an American ditcher have been purchased and will be put to work at once. New piles will be driven at all bridges and all cuts will be ditched for better drainage.

Next Saturday, 40 additional track men will be employed in an effort to place the roadbed in first class condition. Ten extra car men will also be employed and within the next 10 days when the train movements from the north will begin a large number of trainmen and engineers will be recalled.

MISS NAN SCOTT WEDS STEPHEN HENRY SQUIRES

VERNON, TEXAS, June 15.—Announcement has been received here of the marriage of Miss Nan Scott, formerly of Vernon but now of Dallas, to Stephen Henry Squires, Dallas, on Saturday afternoon, June 10 at the home of H. J. Griffin, Dr. Bassett—of the Central Baptist church officiating. The bride is the second daughter of R. D. Scott, formerly of Vernon and now of Wichita Falls, and is a sister of Mrs. C. E. Flowers, who is now in Kentucky but was reared to womanhood in this city.

Mr. Squires is a native of Scotland, but has lived in the United States for several years. During the war he served with the Marines as first lieutenant. Both Mr. Squires and his bride are connected with the Republic National Bank of Dallas.

VERNON AMERICAN IS NOT ORGAN OF KLAN

VERNON, TEXAS, June 15.—The Vernon newspaper known as "The Vernon American" is not an organ of the Vernon Klan, its publisher is not a klanman, nor has the periodical any connection with the local Knights of the Invisible Empire, according to a communication received through the mail by the Vernon Record and written on official stationery of the organization. The Vernon American has been designated by its publisher as a 100 per cent American newspaper, and its editor has termed himself "Old Rounder." It is devoted to the interest of the laborer, farmer and merchant for their mutual benefit.

RAISING FUND HERE TO IMPROVE ARCHER ROAD FROM LAKE SOUTHWARD

A fund of several hundred dollars is being raised among local jobbers and oil men to improve the Archer county road between Lake Wichita and Archer City. The road is badly in need of repair, and Archer county has no funds for the work. At the request of Archer City business men those who make considerable use of the road started a move for private funds to make needed repairs. J. S. Melugin, formerly of Archer City, secured promises of local cooperation.

"MESQUITE FLATS" ROUTE LIKELY FOR CLAY COUNTY ROAD

With grading and culvert crews employed by Lamar avenue property owners already at work on Fort Worth street, preparing that route for the Clay county highway, it appeared very probable Thursday that the road would take a route not really desired by either side in the controversy.

ARCHER COUNTY TO COOPERATE WITH FAIR ORGANIZERS

PLEDGES SUPPORT FOR MOVE AT MEETING WEDNESDAY NIGHT.

LIVE STOCK BREEDERS SHOW MUCH INTEREST Expect Fair to Stimulate Activity in Raising of Better Grades of Cattle.

Archer county livestock breeders look forward to a big fair here as a place where their pure bred stock can show to advantage. Wichita Falls committee men visited Archer City Wednesday night were told at a meeting in the interest of the fair.

Raising of pure bred livestock has made substantial strides in Archer county within the past few years, and stockmen have evinced much interest in Wichita Falls' move for a regional fair which will further stimulate interest in high grade cattle in this section.

George Keith headed the committee from this city, and Archer City business men, like those of Iowa Park, Electric and Burkhardt, promised their active cooperation in the movement. W. C. Young and Ed Dycus, prominent stockmen of that county, will probably represent Archer county in the fair association.

Reports continue to come in from local teams and committees, and the association subscription list is growing steadily. However, considerable work remains to be done before the fund attains the mark set.

Mechanical railroad order-deliverers have been installed along 7 1/2 miles of the Idaho division of the Northern Pacific.

New York engineers propose a system of high speed subways to be bored at a great depth through solid rock.

Justice Wilson of Electra to Head a Party to Reunion

ELECTRA, June 14.—Justice Ed C. Wilson will head a delegation of five confederate veterans to the reunion in Richmond, Va., beginning June 20. His companions from Electra will be F. E. Pitt, W. E. Whipple, W. H. Ballard, and T. C. Dill. Mrs. Tama Satterfield, daughter of the confederacy will attend. The Electra contingent will leave Friday.

CREAM STATION TO BE LOCATED HERE BY NISSLEY PLANT

An outlet for surplus milk and cream from farms in this vicinity will be furnished shortly by a Fort Worth concern, the Nissley Creamery company, which announced Thursday its plans for establishing an agency and cream station here.

Investigations by the company are now being made, making preliminary arrangements, and it is expected that the station will be opened within a short time.

Since a local creamery plant went out of business recently, local dairymen and farmers have been making efforts to establish a steady market for milk and cream, hoping to find someone to take over the local plant and operate it. The Nissley company will not do this, but will put in a station of its own. Officials of the company at Fort Worth told the Times Thursday over long distance that they had no immediate plans for a plant here, intending to establish only an agency and cream station.

CLARENDON PHYSICIAN IS ARMY MEDICAL EXAMINER

CLARENDON, TEXAS, June 15.—Dr. H. L. Wilder of this city has been appointed physical examiner and medical attendant of the C. M. T. C. recruits for this district of the Eight Corps Area, by George Chase Lewis, lieutenant colonel, 20th infantry officer in charge of C. M. T. C. affairs.

BUILT BETTER than Cars that Cost More-

A CAREFUL analysis of the construction and complete equipment of the Light-Six will convince you that it has no duplicate in value in the light car class.

For instance, the machining of the crankshaft and connecting rods on all surfaces is a manufacturing practice that is found only on costlier cars.

This particular operation is mainly responsible for the fine balance of the Light-Six motor and its remarkable freedom from vibration at all speeds. It also has an important bearing on the wearing quality of the car and on its long-lived dependability.

The exceptional values in the Light-Six are possible because practically every part that goes into the car is manufactured complete in the most modern plant in the world. Parts-makers' profits are practically eliminated. Important savings through better methods and bigger volume permit greater value to the buyer.

From the standpoint of shrewd investment you should find out why the Light-Six offers you so much more for your money in performance, service and economy.

This Is a Studebaker Year
