Doubting Thomas was therein shown to be transformed into a victorious, stalwart believer under the risen Savior's convincing challenge.

FEDERAL RESERVE BANK REPORT REVIEWS CRUDE OIL SITUATION START WINTER WITH SURPLUS

By Associated Press. DALLAS, TEXAS, Sept. 29.—A crude oil situation exists this year, with stocks, instead of decreasing during the summer, having gradually increased with the result that refineries and producers are going into the winter months with a large storage, it is declared in a petroleum report for the month of August in the eleventh Federal Reserve district, given The Associated Press today at the Federal Reserve Bank of Dallas.

In normal times the crude oil storage is generally reduced below the average during the summer months and is replaced during the winter months, the report declares. "Most fields of this district, however, have reflected a firmer tone during the month," it is added. "In Louisiana fields, the report declares, the general belief that the price of crude oil in the major fields of this district will not be reduced, in the north Texas district spot crude continues to bring a premium of 30 to 40 cents above the posted price, which in reality reflects a slight increase. It is now the general belief that the price of Texas Coastal oils will not be reduced."

While no actual changes have taken place in the posted prices of crude oil in the major fields of this district, the trend of the crude oil market is still uncertain. Despite the curtailment in drilling operations, the crude petroleum output of the district showed an increase as compared with the previous month. The August recovery of oil amounted to 12,228,221 barrels, compared with 12,110,271 barrels during July. This increase represents a gain in the daily average yield of 12,581 barrels. It is noted that every major field of the district shared in this gain.

Texas Production. Texas fields produced 10,247,250 barrels during August as compared with 9,844,427 barrels in July, while Louisiana fields yielded 2,022,655 barrels in August as against 2,905,874 during July. The Texas district again reflected an upward trend in production, the daily average flow being 31,121 barrels, compared with 27,448 barrels during July.

The Electra field set a new monthly production record, being the largest monthly output since the earliest days of the field. The daily average production for this field was 22,513 barrels, compared with 19,415 barrels in July. It is noted that the daily average production of the Electra field has practically doubled since the first of this year.

While numerous wells were completed during August in the north-eastern extension of the Pioneer field, production for the month continued its downward trend. A sharp decline also was noted in the Stephens county territory, the daily average being 22,845 barrels, compared with a daily average of 41,851 barrels in July.

Decreased activity also has been noted in the Ranger and Eastland territories. The center of interest during the month in the way of new developments was the bringing in of a well in the Limestone county. The bringing in of this well with an initial production estimated to be between 10,000 and 15,000 barrels has created widespread interest and it is now the general belief that it is the opening of another valuable field for development. The oil is of a very high grade.

Another test which was brought in during the month was in Navarro county to the southeast of Richland, Texas. The well, which was brought in with a good flow of oil which tests above 40 gravity, has had the effect of causing the further development in this field, watched with unusual interest.

CALOMEL SALIVATES EVEN WHEN CAREFUL Treacherous Drug can not be trusted and Next Dose may Start Trouble

Calomel is dangerous. It may salivate you and make you suffer fearfully from soreness of gums, tenderness of jaws and teeth, swollen tongue, and excessive saliva dribbling from the mouth. Don't trust calomel! It is mercury, plain and simple. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

20,000,000 Run-Down Women in the U. S.! Lack of Iron and Vitamins the Principal Cause. Ironized Yeast Builds Great Strength in Few Days

Madam, there is one thing you should know. When you are exhausted, pale, haggard, and run-down, you cannot build yourself up by means of iron pills. You need a healthy, strong, robust woman's body that is rich in vitamins and iron.

Iron. These are natural builders. Remember too, that yeast vitamins must be thoroughly ironized in order to make the rise gloriously from your exhaustion. The yeast you take must be, not a mere mixture of yeast and iron, but yeast ironized, which is a substance all by itself. This is why you should take only ironized yeast. It is the only ironized yeast produced in the world. It is the first and last word in body force, nerve energy, blood richness, because it is Nature's own. In your body breaks down in middle age, do you look older than you really are, is your complexion pale, shaky, coarse, muddy, spotted, is your blood watery, stomach weak, have you dark rings about the eyes, are you exhausted at little exertion? CENTRAL PRESBYTERIAN SUNDAY SCHOOL TRYING KEEP DISTRICT BANNER

The Central Presbyterian Sunday school, which has kept a district banner for the biggest average contribution to Sunday school extension work (per capita) in this district for two years, is doing its best to retain the banner another year. As the district reaches from Clayton, K. M., down to Ennis, Tex., the honor is quite a distinctive one. Last year the Sunday school's contribution to the extension work averaged exactly \$1 per member.

The Sunday school is completing plans today (Friday) for a big membership and collection rally Sunday, and a special program is to be given. As one of the features, Miss Harbison, whose voice has been one of the attractions of the meetings at the Palace theater, will sing a solo. Rev. Mr. Fincher, who preaches at the Palace, will make an address on Sunday school evangelism.

WOMEN GOLFERS PLANNING BIG OCTOBER TOURNAMENT

The local women golfers are planning a big tournament for October, and talked over arrangements at their regular Thursday luncheon meeting. Those who played Thursday morning included Mesdames Heston, Nelson, Wither, Sheagor, Ray, Whitely, Bullington, Humphrey, Fryer, Weldon, Hardwick, Silk and Cooper. The tournament opens Thursday, October 5.

Mrs. Weldon was the ball in the putting contest, and Mrs. Humphrey and Mrs. Fryer cut for low in the game. Both played the ladies nine in forty, which is the best record on the links for a woman. Mrs. Humphrey's record for the eighteen holes is 106.

FASHIONS

A mauve colored evening frock is apt to look a bit pale when worn with a French blue velvet wrap when the wrap is lined with a deeper shade of the frock—a violet. In fact—the more delicate shade at once takes its proper place and the effect is all that it should be.

The frock in question, as illustrated, follows the French vogue for crystallizing crystal beading. It is made of Georgia crepe.

The wrap has a deep collar of blue fox, fastens with a huge chain of velvet, and is trimmed with padded coils of self-material.

Woman Proprietor of Hotel for Women Says They Are Never Fussy Or Ungrateful or Hard to Please

MRS. LOIS PIERCE HUGHES

By MARIAM HALE

A small hotel exclusively for women, operated within one of New York's largest and busiest ones, is the new thriving business which was once only a dream of Mrs. Lois Pierce Hughes.

Some years ago it occurred to her that many women from all parts of the world came to New York annually without friends or relatives, and that Broadway or Fifth avenue was about as far as they ever got. Just because there was no interest in person to tell them what to do or where to go.

Something should be done, she figured. So she went to the proprietor of a hotel and told him so. "We don't care to cater to women," he told her. "They're too fussy—always wanting something. They get into difficulties with the bell boys and drive the clerks wild with their questions."

Which led Mrs. Hughes to reply: "That shows they want something you don't give them. They require a different type of service."

Convents Hotel Man

Mrs. Hughes is a convincing talker. She soon converted the proprietor to her idea. So he gave over to her a floor of 75 rooms in his new building and told her to go ahead and see what she could do.

In a short time she had established a shopping service consisting of a corps of young women who knew all the New York shops and just where to buy what.

She assembled a force of chaplains who would meet young girls at the train and look after them as carefully as their mothers would while in the city, besides directing them to the places where the real New Yorkers instead of the tourists go.

A playroom for children, with a capable nurse in charge, was another innovation that immediately was welcomed and taken advantage of by mothers. A beauty shop and a library and some cosy parlors were soon added because they seemed necessary.

Her Own Home There

But more than this, she moved her own belongings to the sixth floor and made her home there—and she regards the women on the floor as her guests.

"After all, it's the home they want when they are away," she explained. "Women want to talk to another woman—to tell her their troubles and their plans."

"When I was a child, I used to travel with my father, and often we stayed at hotels. There was never anything for me to do all day but to talk to the chambermaid or bother the clerk."

"The dearthness of it all must have sunk deep into my subconscious mind, for when I found I could not leave my home and go into business my first thought was to do something to humanize a hotel."

"I decided not to give up my home life, but merely to transfer it to another place, where possibly it might be more far-reaching."

"I do a great deal of work for men—men who stop on other floors, but who want to take presents to their wives or get information for them."

"I advise women about everything from their love affairs to their baggage transportation. I've never found them fussy or ungrateful in any way. And the men who were so skeptical about my undertaking are now my most enthusiastic backers."

ABOUT BRIDE SURPRISES WITH PARTY AND SHOWER

Mrs. Jack Barnes, formerly Miss Bobbie Watson, was the surprised honoree of a party and miscellaneous shower given by the members of Mrs. R. A. Thompson's Sunday school class of the First Presbyterian church Thursday evening, when eighteen young ladies of the class, accompanied by Mrs. Thompson, called on her with a basket of gifts and a hamper of refreshments.

The young women met at the home of Miss Nellie May Mark, president of the class, and went from there to Mrs. Barnes' home on Broad street. After the gifts were presented they spent an hour or two at games and talk, serving dainty refreshments later to the following: Mesdames Hela Morrie,

WESLEY GIRLS ENJOY SOCIAL MEETING WITH MRS. DULANEY THURSDAY

Mrs. A. C. Dulaney was hostess at her home on Eleventh street Thursday afternoon to the members of the First Church Wesley class girls, and the opening social meeting of the year was an attractive and enjoyable affair for about half a hundred young maidens.

The Dulaney home was prettily decorated with cut flowers and the class songs, and the guests enjoyed games and contests for an hour or two. Late in the afternoon a delicious refreshment course of pineapple whip and wafers was served, the following: Mesdames W. C. Russell, A. H. Maley, H. C. Parker, F. O. Hagall, H. T. Hodges, Guy C. 1922 STUDY CLUB HAS OPENING MEET OF FALL

"The Movies" was the interesting subject of the 1922 Study club's lesson at its opening fall meeting Thursday afternoon, when Mrs. F. E. Curd was hostess to the membership.

Mrs. O. B. Albritton conducted the lesson, and two good papers were read: "If You Do, or Do Not, Attend Moving Picture Show Exhibits, What Do You Consider Your Duty Toward Them?" was discussed by Mrs. R. H. Stocks, and "Pictures I Have Seen and My Opinion of Them," by Mrs. Earl Ruffner. A round table discussion was lively and interesting for a quarter of an hour, after which the hostess invited the members to remain for a social session.

Refreshments were served to Mesdames J. M. Hays, Peterson, B. E. W. W. Silk, H. C. Hammond, Walter Daugherty, G. R. Potts, K. E. Huch, J. R. Ogil, N. C. Parker, Dorothy Green and Mrs. Battenfield.

Pretty Reception and Bridge Party Honors Recent Bride and Newcomer

A pretty informal reception and bridge party at the home of Mrs. L. H. Cullum Thursday afternoon presented Mrs. A. R. Dillard, an attractive bride of a month ago and a newcomer to the city, to 40 or 50 maids and matrons of Wichita Falls. Mrs. Dillard was Miss Lois Tolland of Kaufman, and is making her home, with her husband, at the J. D. Dillard home on Deaver.

MRS. L. H. CULLUM

The reception and living rooms were very attractive in set flowers, and 18 tables were arranged for a pretty remembrance. Late in the afternoon the hostess served a salad and ice plate to the following guests: Mesdames Dillard, F. E. Richardson, Jack Beegle, Wayne Hammon, William Bonner, D. L. Fritz, Ralph Pond, Bass, Leslie Stringer, Walter Robbins, W. M. Price, Lester Burns and Helen Hanes, Paul Hardy, Paul Scott, C. L. Anderson, Perry Hancock, Chamberlin, Clint Harrison, Charles Francis, Al Booth, Josephine Bonner, Fred Elbert, Jim Bernard, W. P. Erwin, Geroline, Alfred Miller, Carter McGregor, Harry Weeks, Jack Price, Lester Burns and Helen Hanes. Mesdames Mattie Ruth Corbett, Gretchen Avia, Agnes Reid, Lulu Wood, Thelma Kahn, McKibben of Vernon, Louise Montgomery, Sibyl Kell and Josephine Cummings.

PENWOMEN PLAN A CIRCULATING LIBRARY

The first regular meeting of the Penwomen's club was held at the Kemp public library Thursday afternoon. Roll call was responded to by original paragraphs. A short business session was held in which reports of the standing committees were given. The club voted to adopt as its flower the pansy, and its colors, purple and gold.

A circulating library of books and magazines relating to the technique of writing and selling various phases of literary production is being established within the club by its members. An interesting discussion of the topic, "How a Business Women, Housekeeper and

ADVENTURES OF THE TWINS Twins Hunt Queen's Stolen Car

"That's nice, dear, thank you," smiled the Fairy Queen.

"Nancy and Nick appeared at once at the Fairy Queen's palace when they heard she wished them to hunt for her lost automobile.

"My dear children," said she, kindly. "You found my lost wand so quickly that I am sure you will discover my automobile just as soon."

"I do need it!" Not that my wings won't take me anywhere—it isn't that at all! It's just that, even if I am a fairy, I like to ride as well as anybody."

"Do you know who took it?" asked Nick.

"Oh," whispered her Royal Highness, looking cautiously around. "I'm afraid somebody will hear."

"Yes, I know, but it's a secret. It was Light Fingers. He steals everything he gets his hands on. He's far worse than Flip-Dooodle."

"Of course, poor thing," sighed the Fairy Queen. "I suppose he can't help it. He has lost this finger and he says he takes things without knowing it."

"I don't think that Light Fingers stole my automobile for himself. He's so smart the other wicked fairies set him to do things for them."

"Twelve Toes, the Sorcerer; Bena Moena, the Magician, and Tricky Trize, the Wizard, all employ him. I don't know who has my automobile now."

"Well, don't worry," said Nancy.

Homemakers We Find Time For Writing," was led by Mrs. J. M. Y. Gill of Burkburnett. Each of the members gave an interesting description of ways in which busy women find time for literary production and Mrs. Gill followed the open discussion by practical suggestions in the importance to be placed upon writing by women engaged in other work. The discussion of the topic, "Inspiration Offered by Texas to Writers," was led by Mrs. G. H. Abbott. A round table discussion followed, in which the various outstanding characteristics of the state which are of value and inspiration to writers were touched upon.

The following members were present: Mesdames Frances Volney McDermid, Eugene Sherrod, J. M. F. Gill of Burkburnett, W. A. McGee, Marie Engle Johnson, H. F. Weldon, Frances C. Boas, Claude Williamson, G. H. Abbott, W. H. Sanford, E. J. Tebbel and Miss Katharine Hearlote.

The next meeting will be held October 12 at the Kemp public library at 3 o'clock. The following program will be taken up: Roll call to be answered by bits of original verse; "The Blue of the 'Short Story,'" discussion led by Mrs. Marie Engle Johnson; "The Present Place and 'Power,'" led by Mrs. Eugene

Sherrod; "What is a Short Story?" led by Mrs. Frances Volney McDermid.

The Popular Black Hat —is here

Over a hundred black pattern hats were put on display for the first time today. These represent the entire line of black hats from one of the largest makers of exclusive millinery in the middle west. Realizing the popularity of the black hat this fall and the difficulty in securing these in attractive models, we welcomed the opportunity to purchase this line of better hats. As we purchased the entire line, we were given a special discount, and we are passing this saving in price on to you.

We have arranged these in three price groups which means an additional saving for you.

\$9.95 \$14.95 \$19.95

Each of these Black Hats and black hats with bright trimmings; small turbans, medium sizes, poke shapes and huge hats with trimmings that give a still broader effect.

Every shape a woman's fertile imagination can conceive of; small, medium and large shapes. A touch of silver or gold beaded trim lends a note of richness, while the large and big bows predominate in the trimmings.

The Hat illustrated is just one of the many graceful models in this large selection at this price. Rich detail values in our velvets and crushed velvets are designed in wide variety of charming styles.

MINSTREL BENEFIT PLEASES BIG CROWD THURSDAY EVENING

That Geo. H. Rodgers, manager of the vaudeville and minstrel benefit at the Wichita theater Thursday night, had succeeded in putting on a real performance with what he billed as amateur talent was the general opinion of the well-thronged audience at the close of the Thursday night performance. The best talent of the high school and of the city kept the audience thoroughly entertained throughout the two-part program; at no time during the program was there a dull or drag in the numbers.

Miss Hazel Dyer and her "Tans Boys" appeared in the first number and prepared the audience for the quality of entertainment which they were to enjoy for the evening. Several jazy and original numbers brought repeated applause and evidence of an appreciative audience.

A bit of rare black-face wit in a sketch entitled "Oh, You Doozers" by Geo. Rodgers and Joe Marlow, kept the audience interested and on the alert. Both proved themselves capable of a sketch with Al Fields or some other worthwhile minstrel.

Miss Anna May Cate brought to the city a beautiful interpretive Indian dance, "Natoma," in four acts. Miss Cate's interpretation of Natoma was well up to her standard, so well known to theater-goers in this city.

Something new and original in the usual minstrel performance was given the audience by Herman Munder. The act excelled anything the audience hoped to see in the way of singing and was superior to anything of this kind usually seen on big time circuits.

Midnight Tyn, composed of Sellars Rogers, Chas. Angel and Cammie Balkamp, furnished one of the real musical triumphs of the evening. Chas. Angel answered with credit to the continued applause of the audience with "Three O'Clock in the Morning," and a negro melody, "Lord I'm Ready."

J. Wilkie Tarkent, instructor for the minstrel opened that section of the program with a chorus of new and popular songs. Jack Pink, Ripley Ripley, Elizabeth Brown, Helen Knotts and Frankie Adiches composed the early-to-leave chorus, capable of holding their part of the program chorus.

Leroy Siegler in "Angel Child" and Miss Stella Winter, assisted by Clyde Straus, in "She's a Meah Job," took the house and convinced them that they were equal to any professional company. Miss Matt offered a Spanish dance that won for her a place as an artist in the hearts of the audience. "Lonely Mama Blues" by Raymond Smith and Bert Ripley was a real vaudeville sketch presented in a professional way. Joe Marlow followed in an original interpretation of "Stumbling."

Mrs. Paul Larkin was at her best in "Carolina Rolling Stone." Pick Me Up and Lay Me Down" by George Taylor, with a guitar accompaniment, closed the performance in true minstrel style.

Those who attended this splendid exhibition of high school talent will have the opportunity of enjoying the second performance at the Wichita theater Friday night.

REVIVAL IN PROGRESS AT YALE AVENUE CHURCH INCREASING IN INTEREST

The interest in the revival at the Yale Avenue Evangelical church, corner Yale avenue and Twenty-second street, is increasing greatly and the spirit of the Lord is being manifested in great power in the reviving of the Christians. An announcement, which continues: "Brother Aaron brought us a great message Thursday evening at the 11 o'clock service. Taking his text from the twelfth chapter of the Gospel of John and the thirty-second verse, which reads like this: 'And if I be lifted up from the earth, will draw all men unto me,' he tried to lift up Christ as the complete Savior and healer of all who would trust in Him and he made a very earnest appeal to the church as those who profess to know the Lord to hold Him up to a living work and it seemed to us that all who heard this message and profess to know Him could not afford to avert the Lord in a half way manner."

"I wish that we could bring something to bear on the hearts of all the children of the Lord, of every name and of every denomination, to come out with us in this fight as we are in the fight for the Lord and not for any denomination, therefore, if you are a child of God and want to work for your Master as one who loves the cause, I trust that you be present at each service and help us tear down the stronghold of Satan in this city."

"The Bible study is great and will continue through the meeting every afternoon at 3 o'clock. The evening song and prayer service will begin at 7 p. m. Sermon at 8 p. m."

"Everybody invited. Come and bring someone who you think will be a D. Cook, Pastor."

MEETING WILL DISCUSS FIGHT ON SUGAR WEEDS.

DALLAS, Sept. 29.—Consented action to permanently exterminate the weed which in Texas will be taken by about 20 farmers and business organizations at a meeting here tomorrow.

Texas has lost approximately \$100,000,000 annually in the past three years from the ravages of this pest, according to James E. George, vice-president and general manager of the west Texas chamber of commerce.

A plan will be formed for starting a fight by the sugar planters, cutting down on all stalks just before the weed's hibernation, Mr. George said.

SUGAR CANE INTERESTS HAVE JOINED FORCES

NEW ORLEANS, Sept. 29.—Sugar cane interests in Louisiana joined forces today for the upbuilding of the sugar industry under the leadership of the Louisiana Sugar Planters' association, American Cane Growers' association and the Producers and Manufacturers' Protective association were consolidated into one organization known as the American Sugar Cane League of the United States. Other cane producing states will be invited to join the league, it was announced.

JUNIOR COLLEGIANS FORM ORGANIZATION WILL SELECT NAME

The first class of the junior college has held its first meeting and organized. Officers were elected and several committees were appointed, among which was the committee to choose a name for the college. The following officers were elected: Carroll "Cherry" Johnson, president; Lester Prothro, vice president; Mattie Eliza Verelocky, secretary; Bascom Nelson, treasurer; and Leo Hancy, sergeant-at-arms. In appreciation for the work Mrs. Fane has put forth toward the organization of the class, the class elected her sponsor.

Mr. Taylor gave a talk on setting the ideals of the class, and also mentioned the fact that independent government as practiced in other colleges would be started.

The college basketball team, which has been practicing for but a few days, plays its first game with Arolog City Saturday morning at 10:30 o'clock, and it is expected that many will turn out to see how the college athletes are starting.

Hold Football Rally

The entire student body of the high school was called together in the assembly Friday morning to hold a rally for Saturday's game with Burkburnett. Several songs were given, in which Prof. Foster participated the assembly with his musical talents.

Cochran, Jongs told of the prospects of the team, and urged the students to be more careful of their sportsmanship. He said, when an opponent is knocked out of the game, or injured in any way, not to make remarks about him, but find out his name, if possible, and give a yell. He also stated that reports were coming in from two weeks and that the members of the squad should be looking a little more carefully toward their grades. He ended his talk with a prayer that as many as possible attend the vaudeville Friday evening, which is being given as a benefit to the athletic fund.

In the election of a yell leader, Jack Pink won by the vote of the fair sex, getting some 40 votes over his closest opponent, "Bim" Lorie.

Latin Club Meets

The Latin club of the high school reorganized for 1922-23 Wednesday afternoon, and officers were elected. Ray Stang was elected counselor in honor; Miss Anna Bell Cooper, secretary, and Sam Bashara, secretary. Only 24 students were present. Bert Ripley received the honorable position of sergeant-at-arms.

It was decided to hold a meeting and program every first, third and fifth Wednesday in the six-week period, and the sum of 35 cents per month was chosen as dues. The regular attendance to the Latin club will add one point to the grade of Latin students for each meeting.

Miss Master, instructor of Latin in the high school, is sponsor of the club.

TESTIFY JUST 4 BOTTLES PUT TWO DOWN ON STREETS

Powerful stuff. Most powerful. This was the description attributed to a certain kind of chow-chow beer purchased by two men who appeared before United States Commissioner J. A. Lantz, Friday morning. They testified in the preliminary hearing in the case against M. K. Howell of Burkburnett who is charged with selling intoxicating liquor.

The two men who testified reside in Bartlett, Oklahoma, and several days ago they made a trip to Burkburnett. They testified that they bought a dozen bottles of the beer from the defendant.

Each one of the men drank four bottles and according to their testimony and that of officers the two men were just down and out. Both were picked up from the sidewalk in such a dazed condition that neither could walk.

Howell was bound over under bond of \$100.

SHUTTLE TRAIN TO OPERATE BETWEEN STATION AND FAIR

SHUTTLE train service between the union station and the Texas-Oklahoma fair grounds will be inaugurated by the Wichita Falls and Southern Saturday morning at 10 o'clock, and will continue until midnight of each day of the fair.

Trains will leave the union station at the even hours during the afternoon. A fare of 15 cents each will be charged. The addition of the train service to that offered by the traction company and the jitney lines is considered as insuring ample accommodations for all who wish to attend the exposition.

3 PRESCRIPTIONS IN WEEK TOO MANY FOR ONE INDIVIDUAL

Three prescriptions in one week is a record that few are able to make. But had the defendant on a charge of disturbing the peace controlled his temper and kept his tongue, he would probably have accomplished this feat.

It was testified in the city court Friday morning that the defendant entered a local doctor's office with a request for a prescription; the request was granted but the physician refused to accept his check in payment. The defendant agreed to get the money and return for the order.

When he returned the doctor was out and had instructed the young woman attendant to write the order on a certain pharmacist.

Upon learning this, the defendant insisted that he be allowed to name the drug store at which the whiskey was to be purchased. The request was denied and the applicant, it is alleged, became rude and insulting in his language to the young woman. This was reported to the physician and charges were filed in the police court for disturbing the peace. It developed during the trial that the defendant had secured already two prescriptions this week. The corporate court only had jurisdiction in the charge of disturbing the peace; a fine of \$10 was assessed. Charges on the other offense were filed in the federal court.

A "maahar" charged with disturbing the peace failed to appear for trial and a bond of \$20 was forfeited. On a plea of guilty to a drunkenness charge the defendant was fined \$2.50.

HOME ON THIRD STREET IS DESTROYED BY FIRE

Fire at 11:30 Friday morning totally destroyed the home of E. F. Horton at 116 Third street. The call was answered immediately by the fire department, but owing to the distance from fire plugs no water was available and the place and contents were a total loss. The loss was approximately \$750, with no insurance. The cause of the fire is unknown.

Fire in Railroad Yards.

Fire in a Fort Worth and Denver coal box at 70 Michigan at an early hour Friday morning resulted in a \$50 damage. Prompt work of the fire department confined the flames to the box without heavy damage. The cause of the blaze is unknown.

DALLAS EDUCATOR TO BE SPEAKER AT MASONIC MEETING

A. F. McDonald, superintendent of public schools in Dallas county, has been selected by the executive committee of the Masonic Service and Education association to deliver the principal address at the meeting to be held at the First Christian church on October 2.

Mr. McDonald, who is a very forceful speaker and an able educator, as well as being one of the representative citizens of Dallas, has chosen for the subject of his address, "The Brotherhood of Man."

It will be beautifully illustrated by motion pictures. Those who have heard him state that it is a powerful theme and very substantial.

The evening session will be called to order by Grand Master Frank Johnson, promptly at 7:30 o'clock. Masons of all degrees are urged to be present.

The afternoon session, which will be held in the Masonic temple at 1:30, will be devoted to the organization work, at which time a district chairman from Wichita Falls and a vice-chairman from each county in the district will be elected. Other work, such as the selection of speakers for the delivery of lectures and routine business will be handled at the afternoon session.

Invitations have been extended to Sam P. Cochran, as well as other well known Masons of Dallas, and it is hoped that they will be among the distinguished visitors.

We have a competent optometrist in charge of our optical parlor. Kruger Jewelry Co.—Adv.

Texas Viewpoints

Houston Chronicle: Whatever else may be thought of it, Governor B. P. Pease's campaign for United States senator is bound to furnish Texas with a unique political paradox.
In the hardy, free, in shake some of those old traditions which we have come to regard almost as the light of law, because of a peculiar set of circumstances, the republican party finds itself compelled to pick up an independent Democrat, and, for precisely the same reason, is unable to put a candidate on the ticket save through a republican organization.

DEMOCRATIC SITUATION GASTON ALPHONSE AFFAIR

NEITHER HEARST, NYLAN NOR SMITH WANT THE GOVERNORSHIP.

"AFTER YOU ALPHONSE" ATTITUDE IS SINCERE

Smith's Chief Aim is to Defeat Hearst Who is After the Presidency.

By MARK SULLIVAN
National Political Correspondent of the New York Evening Post and Wichita Daily Times.
Copyright, 1932, by the New York Evening Post.

WASHINGTON, Sept. 29.—Now we come to New York. In the democratic situation there are three outstanding figures. Two of them are Hearst and John F. Nylan. The third is Alphonse Belmont. Hearst and Nylan have been carrying on a "war" for some months. In this attitude of "war" they have had more sincerity than has been credited with by the suspicious.

Hearst does not really want the governorship himself. He would like his friend Nylan to have it. With the faithful Nylan in the governor's office Hearst would get the credit for the success of his patronage as if he himself were governor. Hearst would get these advantages without the inconvenience of having to get into the office, or having to get into the office, or having to get into the office.

When Mr. Hearst was a member of congress years ago he dropped into the chamber so often as it seemed to him perfectly natural to go in and out. The curious collection of strange qualities which compose Hearst includes a temperance of having to get into the office, or having to get into the office, or having to get into the office.

Smith should be on the ticket. Hearst may be expected to organize a third party with some dummy candidates or other. With the republicans on the other hand there is no such menacing factionalism. They are united on recognizing their present governor, Nathan L. Miller, and their present senator, Wm. I. Calder.

means that they had Mrs. Stillman and Beauvais misconducting themselves in the months preceding the infant's birth in 1911 at various places, including the Stillman summer camps on the banks of the St. Maurice river in Quebec, and on the bankrupt's country estate in the Province of Ontario.

"The infant defendant, Guy Stillman, was conceived by an illegitimate union of the parties, the defendant's wife, Mrs. Stillman, and the plaintiff, Mrs. Stillman, in 1911 at various places, including the Stillman summer camps on the banks of the St. Maurice river in Quebec, and on the bankrupt's country estate in the Province of Ontario.

"The presumption of fact of legitimacy is one of the strongest known to the law, and it can only be overcome by evidence which is stronger. The burden of proof is upon the party asserting illegitimacy, and the rule is a case like the present one has been decided to be that it must be shown beyond all reasonable doubt that the defendant is not the father of the child."

"The testimony of the plaintiff, Mrs. Stillman, is not sufficient to overcome the presumption of legitimacy, and I therefore find the defendant, Guy Stillman, to be the legitimate child of the plaintiff and the adult defendant."

OFFICERS SPONGE UP LIQUOR AFTER IT IS POURED OUT

Deputy Constable Bob Hendrick and Deputy Sheriff Bill Lay Friday morning raided a house at 1413 Thirteenth street and had the novel experience of sponging up some liquor after it had been poured out the back door.

A search warrant for the premises had been issued and admittance gained at the house. Mr. Hendrick was searching at the rear of the house when a man drove up in an automobile. He was taken into the house and with the officer was engaged in searching one of the rooms the man went into the kitchen and took a two gallon bucket from the refrigerator and poured the contents out the back door.

One of the officers supplied a washbasin and the liquor was sponged up. The man was taken to the station and arraigned on a charge of carrying liquor.

TRIAL OF HERRIN CASES WILL BEGIN ON NOVEMBER 13

MARION, ILL., Sept. 29.—Trial of the 74 men indicted in connection with the Herring killings will begin November 13, Circuit Judge Hartwell will officially announce today. The first case will include forty-eight defendants charged with the murder of Edward Bremer of Madison, Ind., one of the nation's non-union workmen killed in the rioting June 22.

The following report has been received on the meeting at East Side Presbyterian church: The meeting last evening was well attended, all seats being taken. The interest in the preaching was excellent. The singing began promptly at 7:30 and the preaching at 7:45; and all services are over at 9:15.

The subject for tonight is, "The Witness of the Spirit." The text is Romans 8:14, as follows: "The Spirit itself beareth witness with our spirit, that we are the children of God." "We invite all to attend these meetings and solicit questions as to our teachings. Any polite question on Bible teaching and with the name of the querist, signed will receive the most courteous consideration."

Electra Wins First Scholastic Game of Season by Forfeit

ELECTRA, TEXAS, Sept. 23.—Electra is credited with winning the first football game of the season by forfeit. Seymour high school was scheduled to play on local grounds Saturday afternoon, but the loss of the experienced players left the Baylor county lads in such a condition that they declined to fill their engagement. Instead of Seymour, the local gridiron warriors will meet the DeVol, Okla., high school team Friday on local grounds.

Local fans are enthusiastic over the outlook and progress which the team is making under the tireless coaching of Superintendent E. M. Dismore and Coach C. E. Adams. Secret practice is held every day except Monday and Thursday afternoon, when visitors are invited. The slighted head of Coach Johnson, the speedy and heady quarterback of last year has caused a considerable rise in Electra stock. There were hopes of a championship of the season whether Johnson would be permitted to play this year under interscholastic league rules, but that has been definitely settled in the affirmative. Standen, who broke his collar bone in practice Monday afternoon, will be missed in the line. The lineup for Friday's game will be: J. E. McGee, center; E. C. Miller, left guard; E. Tizack, right guard; Sam Brewer, left tackle; H. Stanford, right tackle; M. Ray or E. Vaughn, left end; J. Ross, right end; E. A. and J. R. Rose, backs; A. Stearns or E. Moore, fullback; H. Johnson, quarterback. All of these men were members of last year's squad, except Ray, Moore and McCracken. The next games will be with Quana, October 6, on the local grounds.

AMERICAN LEAGUE RACE NOT SETTLED

One Victory For Yanks Or One Loss For Browns Will Run Later

By Associated Press
CHICAGO, Sept. 28.—(AP)—The Red Sox in the first game of the series, largely because of the stellar play of three of their former teammates, the New York Yankees returned their visit today for the "mathematical certainty" in the American league pennant race.

Headed by a single victor to clinch the championship, the Yankees failed yesterday in their attempt to settle the issue despite the fact that Joe Bush, greater than any league twirler, was on the firing line. Bush did well but could not match the brand of hurling now worked by Rip Collins, erstwhile Yankee outliner who silenced the Red Sox to a 1-0 decision. The hitting of Donnell and Johnson Mitchell, also Yankee castoffs, figured in all the Boston scoring.

Receipts For Seven Games Amount To \$45,231.56, According To Roberts

FORT WORTH, Sept. 28.—The receipts of the Dixie series between Fort Worth and Mobile just completed, amounted to \$45,231.56. In the seven games played according to official announcement by President Donk Roberts of the Texas league, the Dixie series won 4, and Class A title of the west and southland.

TULSA, Sept. 29.—Fresh from their victory over Fort Worth in the Dixie series, the Mobile Bears arrived here today for the opening game of a series with the Tulsa Westerners.

Tulsa Beats Muskogee. MUSKOGEE, Okla., Sept. 28.—The Tulsa Western league champions played an exhibition game here today in preparation for the opening game of the Tulsa-Mobile series at Tulsa tomorrow, defeating a local team pitched by Ray Corgan, manager of the Muskogee Southwestern league club. The score was 13 to 9. Crosby, Davis and Huisman knocked home runs and Russell held the locals to three hits.

WICHITA, Sept. 28.—Harry Willis, negro challenger for Jack Dempsey's heavyweight title, will meet Glenn Johnson, the best of a 15 round contest tonight at Madison Square garden.

To all the value of right is pronounced—it is the most cherished of the five senses. It is most used, and thoughtlessly, and through carelessness, the most abused. FAIRBANKS, N. D. (Special Ad.)

Breaks as Well as Good Hurling Count Heavily In Championship Games

JESSE BARNES

By BILLY EVANS
Will pitching decide the issue in the 1933 world series? The answer has been the dominating factor in practically every clash between the two major league pennant winners.

Unquestionably pitching is the big thing. As a rule the breaks go with superior pitching. The breaks of the game have played a prominent part in every world series. Excellent pitching featured the series last fall between the Yankees and the Giants. The losing Yankees on the whole had no complaints as to the pitching, other than the failure of Bob Shawkey to win Six Great Games.

Despite the fact that he wasn't selected to start a single game of the entire series, the great relief work of Barnes was a bright spot in the play of the Giants.

Tommy Green's presence. In the third game of the series after the Yankees had scored four runs off Tony in the third inning, Barnes was sent in to relieve him. He hit the Yankees for one run and four hits the rest of the way, striking out seven men. The Giants won 11 to 6.

STAR QUARTERBACK REPORTS FOR FIRST TIME THIS SEASON

ABLENE, Sept. 23.—The Simonsville College boys who will meet the T. C. U. eleven in their annual football clash at Wichita Falls October 14, took on new determination Wednesday afternoon when Yeager, star quarterback of the 1931 eleven and voted one of the best quarterbacks in the T. C. U. A. A. reports for practice. It had been believed that Yeager would not be able to report in time for the football season because of illness but he is in fair condition, although still weak.

With the 13-0 defeat of New Mexico Military Institute in the opening game of the season at Roswell last Saturday, Coach Hays was able to pick out two weak points which have been revealed during the past week in preparation for the clash with the New Mexico Aggies at the west Texas fair here next Saturday. Gibson has positive reports from his position at end, while McHenry has been sent from center to that position, Jackson being shifted to a center.

The backfield of the Cowboys has shown continued improvement since the initial practice week before last, and with the addition of Yeager will prove even stronger than that of last year. Yeager defeated T. C. U. here last year with a place kick from the 42 yard line.

The present backfield will be approximately eight pounds heavier than that of last year, and although not quite as speedy will exhibit much more defensive ability, according to Coach Hays. Adams, big plunging fullback, Camp, another line plunger at halfback, and Johnson, present a husky mass of beef and brown, and it is believed they will prove a great help to Yeager's broken field running and punt returning work.

The contest next Saturday promises to be one of the speediest seen on the local field this season. The New Mexico Aggies are reputed to have a fast team, and under the direction of Arthur Bergman, former Notre Dame star, will put up a hard fight. Upon the outcome of the contest will largely depend the proof of the real strength of the Cowboys' lineup.

T. I. A. A. ELIMINATION PROCESS DIFFICULT

DALLAS, Sept. 23.—The football championship of the Texas Intercollegiate Athletic Association this year will find considerable difficulty of solution through a rather involved process of elimination, occasioned by the 24 games which will be played toward a title.

LONGHORNS FACE AUSTIN WITH WEAKENED LINEUP

AUSTIN, Sept. 23.—Everything is in readiness for the initial football contest of the Texas Intercollegiate Athletic Association this afternoon with the arrival of the morning of Coach Dave Pegg's Austin college squad from Sherman. The two teams which will face each other on Clark field this afternoon are of almost unknown strength. Longhorns hopes were somewhat shaken with the announcement that Captain Swenson and Joe Moore, veteran players, probably will not appear in the line because of recent sickness.

When the Wichita Falls high school eleven lines up Saturday afternoon against Burkhardt in the first intercollegiate championship game of the year Coach Jones plans to send in a backfield different from that which faced Devolet at the start of the game last Saturday. Apparently the high school manager is satisfied with his line as he has not indicated that it will be changed. It is understood, however, that the backfield will be composed of Miller at quarterback, Stringer and Moore, halfbacks, and Beach, fullback.

Adams, big plunging fullback, Camp, another line plunger at halfback, and Johnson, present a husky mass of beef and brown, and it is believed they will prove a great help to Yeager's broken field running and punt returning work.

The contest next Saturday promises to be one of the speediest seen on the local field this season. The New Mexico Aggies are reputed to have a fast team, and under the direction of Arthur Bergman, former Notre Dame star, will put up a hard fight. Upon the outcome of the contest will largely depend the proof of the real strength of the Cowboys' lineup.

T. I. A. A. ELIMINATION PROCESS DIFFICULT

DALLAS, Sept. 23.—The football championship of the Texas Intercollegiate Athletic Association this year will find considerable difficulty of solution through a rather involved process of elimination, occasioned by the 24 games which will be played toward a title.

LONGHORNS FACE AUSTIN WITH WEAKENED LINEUP

AUSTIN, Sept. 23.—Everything is in readiness for the initial football contest of the Texas Intercollegiate Athletic Association this afternoon with the arrival of the morning of Coach Dave Pegg's Austin college squad from Sherman. The two teams which will face each other on Clark field this afternoon are of almost unknown strength. Longhorns hopes were somewhat shaken with the announcement that Captain Swenson and Joe Moore, veteran players, probably will not appear in the line because of recent sickness.

ABLENE, Sept. 23.—The Simonsville College boys who will meet the T. C. U. eleven in their annual football clash at Wichita Falls October 14, took on new determination Wednesday afternoon when Yeager, star quarterback of the 1931 eleven and voted one of the best quarterbacks in the T. C. U. A. A. reports for practice. It had been believed that Yeager would not be able to report in time for the football season because of illness but he is in fair condition, although still weak.

With the 13-0 defeat of New Mexico Military Institute in the opening game of the season at Roswell last Saturday, Coach Hays was able to pick out two weak points which have been revealed during the past week in preparation for the clash with the New Mexico Aggies at the west Texas fair here next Saturday. Gibson has positive reports from his position at end, while McHenry has been sent from center to that position, Jackson being shifted to a center.

The backfield of the Cowboys has shown continued improvement since the initial practice week before last, and with the addition of Yeager will prove even stronger than that of last year. Yeager defeated T. C. U. here last year with a place kick from the 42 yard line.

The present backfield will be approximately eight pounds heavier than that of last year, and although not quite as speedy will exhibit much more defensive ability, according to Coach Hays. Adams, big plunging fullback, Camp, another line plunger at halfback, and Johnson, present a husky mass of beef and brown, and it is believed they will prove a great help to Yeager's broken field running and punt returning work.

AT WHATEVER HE PLAYS CASTNER'S FIRST CLASS

CASTNER

George Gipp—Johnny Moharot—Paul Castner.

Castner is the latest and, in some respects, the most unusual of the trio of great Notre Dame backs.

In his junior year, he was picked several times for all-American halfback, although he only divided a halfback position throughout the latter half of the year.

He dropped back from the 45 and 47-yard line against Rutgers in two attempts. He completed four of the six drop kicks he attempted during the year.

His punts averaged 45 yards. He coached the informal Notre Dame hockey team which won a clear title to the 1931 midwest college hockey championship and won recognition as the greatest college hockey team in the midwest.

He pitched a no-hit, no-run victory over Purdue and later shut out Michigan, 5 to 0, established a record as one of the best hitters on the square and played the outfield when not pitching.

Last spring Castner turned down a baseball offer and was elected baseball captain for 1932.

He has reached the pinnacle in three sports and has another year to play in each.

Versatility a Marvel. On the Notre Dame team which Coach Rockne is now building to meet Georgia Tech, Army, Nebraska and seven other teams, Castner is the only man who looks like a star.

Castner kicks, passes, pitches, bats and shoots ducks. He is a consistent left-hander and a candidate for the title as the most versatile college athlete.

POTTER COUNTY TO HAVE AN EXHIBIT AT DALLAS

AMARILLO, Sept. 23.—Despite the drought, which has made handling, wheat and maize crops almost a total failure, Potter county will have an exhibit at the Dallas state fair, Secretary Vernon of the board of city development, County Agricultural Agent Benton, and Miss Anna Bower, home demonstration agent, have collected various grains and canned stuffs which will be exhibited at Dallas.

FRESH VEGETABLE SOUP

By BERTHA E. SHAPLEIGH Of Columbia University.

At this season of the year when vegetables are plentiful in gardens and markets, a soup in which many different vegetables appear is attractive and good. It may be made quite thick and be a vegetable stew. This, with bread and butter and a good dessert made with eggs and milk, is sufficient for a dinner. It offers an excellent way of giving the family the valuable mineral salts and vitamins which are needed for health. The following combination of vegetables will be found good:

- 1 tomato.
- 1 cucumber.
- 1 green pepper.
- 4 small carrots.
- 4 small white turnips.
- 2 cup chopped cabbage.
- 1 cup celery.
- 2 potatoes.
- 1 cup butter.
- 2 quart boiling water.
- 2 teaspoons salt.
- 1 teaspoon paprika.
- 1 teaspoon pepper.

Peel tomatoes and cut in pieces. Wash, pare turnips and scrape carrots, and cut both vegetables into cubes.

Large cucumber, remove seeds and cut in pieces. Cut celery in thin slices. Pare and cut potatoes into slices. Cook all the vegetables except potatoes in the butter 20 minutes, being careful they do not burn or even become browned.

Add water and seasoning, cover kettle closely, and cook slowly one hour. Add potatoes, and cook until potatoes are soft. Season more if necessary. Add chopped parsley and serve. Any one of these vegetables may be omitted and others added.

Thorough examination, such as we make, will permit one to know positively whether or not eyes are free from strain. Faith-Optical Co., 315 Scott-ave.—Adv.

LAYER SANDWICHES

By BERTHA SHAPLEIGH Of Columbia University.

The sandwiches may be made with any kind of filling and consisting of five slices of thinly cut bread; three white and two brown, having a white slice top and bottom. Butter each slice generously.

A very good filling is cream cheese with chopped olives and pimientos; any kind of cold chopped meat mixed with salad dressing. Put the five slices together, press, trim off crusts and cut in crosswise slices one-quarter inch in thickness.

BAKED STUFFED SQUASH

By BERTHA E. SHAPLEIGH Of Columbia University.

Instead of always having squash like vegetable marrow, boiled, try stuffing and baking as follows:

- 1 small squash.
- 2 cups bread crumbs.
- 1 cup cooked, chopped meat.
- 2 tablespoons (butter or bacon).
- 2 tablespoons chopped onion.
- 1 tablespoon salt.
- A little pepper.
- 1 teaspoon thyme.
- 2 cups tomato sauce.

Cut the top from the squash. Par-boil for 15 minutes. Remove from water, scoop out the inside, and discard seeds, and place in a dripping pan. Sprinkle the inside with salt, and stuff. For the stuffing, fry the onion in the fat, add crumbs, meat, the solid pieces of the part removed after parboiling. Season with the salt, pepper and thyme.

After the squash is stuffed, bake it until it is soft, about 30 or 40 minutes. The top may be sprinkled with grated cheese before baking.

For the sauce, any of the concentrated tomato soups may be used, diluted to make the right consistency, and seasoned to taste.

STUFFED PEPPERS

By BERTHA E. SHAPLEIGH Of Columbia University.

- 4 large, sweet, green peppers.
- 1 cup macaroni.
- 1 small onion.
- 2 tablespoons butter or oil.
- Salt, pepper.
- 1 cup bread crumbs or 1 cup grated cheese.

Wash, wipe and cut the peppers in halves lengthwise. Remove seeds and inside pulp and sprinkle with salt.

Break macaroni in small pieces and cook until soft in boiling salted water. Drain, season well with salt and pepper.

Stuff peppers with macaroni. Cover each pepper with bread crumbs mixed with a little melted butter, or with the cheese.

Place in a pan, adding just enough water to prevent burning, and bake until peppers are soft. Serve with a fresh tomato sauce.

If one does not wish to serve a sauce with the peppers, mix the macaroni with enough cooked tomato to moisten.

Cooked rice may be used instead of the macaroni.

BAKED PEARS WITH RICE

By BERTHA E. SHAPLEIGH Of Columbia University.

- 12 pears.
- 1/2 inch piece of cinnamon.
- 2 cups milk.
- 1 cup rice.
- 1 egg.
- 2 tablespoons sugar.
- 1/2 teaspoon salt.
- 2 cups sugar.
- 1 cup water.

Pare, cut in halves, and remove the seeds from the pears. Make a

Putting In and Taking Out

You put nothing into a bank except money; but money is only one of several things you take out.

Just how much of the other things you take out—service, conveniences, credit—depends largely on yourself.
